Scanning Sutton County

Students need jobs

Again this year the students at Sonora High School need the help of local businessmen and citizens in finding summer jobs.

Jeryl Fields, counselor at the high school, commented that even though the local economy is a little sluggish now thanks to the oil patch recession, there is still need for summer employment by many students, graduates and underclassmen alike.

Anyone who has or knows of a summer job for students, even a part-time one, will do the community a favor by notifying Mrs. Fields at the high school—please call 387-2124, or feel free to come by and talk with her about your employment needs.

Representative due

John Willis, representative for the San Angelo Social Security Office, has scheduled his May visit to Sonora. He will be at the Sutton County Courthouse on Thursday, May 16th between 9 a.m. and 10:30 a.m.

Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administrator may contact him at this time.

Tennis tourney set

Saturday, June 15 the Sonora Chamber of Commerce will sponsor a tennis tournament at the Stadium Tennis Courts. Any player may enter two of three events either singles, doubles or mixed doubles.

There will be three different age divisions, beginning with boys and girls 13-18, men and women 19-20, and men and women 31 and over. All entries must be returned in on or before June 12.

Entry fee for the tournament will be \$7.50 for singles and \$15 for doubles. Entry blanks may be picked up at the Chamber Office.

Trophies will be awarded to all first and second place winners. Events will not be played if there are less than eight entries in that event.

For additional information call Edith James 387-2880 or Carol Sessom 387-5797.

June 3 is deadline

The last day farmers and ranchers of this area may apply for emergency farm loans through the Farmers Home Administration (FmHA) is June 3. The loans are available to farmers and ranchers who suffered losses caused by last summer's drought and extremely high temperatures, according to County Supervisor, Ben T. Rucker, Jr.

Persons still wishing to apply may contact the FmHA office in Eden, Box H, Eden, TX 76837, 9 a.m. to 5 p.m., Monday through Friday. The office is located in the ASCS Building. The phone # is 915-869-3941.

The Eden area office services six counties - Concho, Crockett, Menard, Kimble, Schleicher, and Sutton.

New minister named

Primera Baptist Church of Sonora has called Reverend Jorge Herrera from Costa Rica as their pastor.

Rev. Herrera and his wife Marie are 1985 graduates of Hispanic Baptist Theological Seminary in San Antonio. He will take over his pastoral work today. (May 15.)

The couple has a son, Nataniel who is two and one-half years old.

Rev. Herrera has been a co-pastor in Nueva Vida Baptist Church in San Antonio.

Primera Baptist welcomes he and his family, but also welcomes everyone to come and hear the work of God.

Winners announced

Jody Sheppard and Allen Prather were the winners of last week's "Where's The Bull" contest. Each will receive one free ticket to the bull riding May 18.

This was the last week for the contest. Congratulations to all the winners and all those who found the bull but did not win.

We hope everyone will attend the bull riding classic on Saturday.

Registration planned

Final registration and tryouts for the Senior League will be held Thursday, at 6:30 p.m. There is a \$10 fee for playing.

Anyone interested in playing needs to be at the tryouts whether or not you have registered yet.

Summer Show slated

The Crockett Co. Arts and Crafts Guild will be having it's Summer Show July 4th at the Memorial Park, located next to the Emerald House in Ozona, Texas.

Show will start at 10 a.m. and continue throughout the day.

The Guild will also be sponsoring a Juried art show the same day. Entries must arrive between 8 a.m. and 9 a.m., and judging will start at 11 a.m. General public will begin viewing at 1 p.m. Applications for either show must be in by June 25th. For more information please contact: Patsy Hester, Box 3177, Ozona, Tx. 76943, 915-392-5241.

EARNs SILVER MEDAL

Escalante finishes second

By Charlie Adams

Sonora's Jose Escalante took the Silver medal in the 3200m. run this past weekend at a very outstanding State Meet in Austin's Memorial Stadium on the campus of the University of Texas.

He ran a personal best that equaled the state record.

Eight runners started the race with Bo Hipps of Boys Ranch taking the early lead. On lap three, Hipps fell, but an alert Escalante jumped over him as did several others.

Two other runners fell over Hipps and were out of the race. From this point on it was Escalante and Joey Chapman of Midlothian running stride for stride together.

The two talented runners set a blistering pace over the final four laps all the way to a torrid eighth and final lap.

They both ran under 59 seconds on the final 400 meters.

The race came down to one final all out sprint over the last 100m and then to the lean at the tape. Escalante was edged out by just a mere 1 or 2 inches.

The race was one of the most exciting of the entire two day-100 race meet.

Both Jose and Chapman ran faster than what won

class AAAA.

Chapman ran a 9:26.7 and Escalante 9:26.8. The next day Escalante and Chapman came back to compete in the 1600m.

They finished 6 and 7 respectively. Both runners were feeling the fatigue from the outstanding effort the night before.

Jose has thrilled the Bronco fans for six years as his winning ways started in the seventh grade where he won the 1200m. and carried on to the 1600m. and 3200m. races in high school.

His record is outstanding with four district titles in

the 3200m. and four in the 1600m.

He holds some 20 plus records throughout West Texas as well as both school records. The 3200m. at 9:26.8 and the 1600m. in 4:25.1.

He has run in the state meet for two years and competed in four races but none finer than the effort put forth this past weekend.

Runners will come and go as time passes by but one will always be remembered in Sonora as one of the very best ever!

Jose Escalante thanks for the memories!

CITY SELLS ELECTRICAL SYSTEM

WTU finalizes sale

BY CAROL JONES

The sale of the municipal electrical system was finalized Thursday morning at 11 a.m. in City Hall. West Texas Utilities purchased the system for over \$1,375,000 and many of the dignitaries from WTU were present for the transaction.

Glen Churchill, president of W.T.U., was the one to present the checks to Mayor Bill Gosney Thursday. He agreed with Jim Dover, city manager, that the transition went smooth. Dover stated that he had never had anything like this go any smoother than this change-over.

W.T.U. paid \$1,375,000 for the original equipment that was inventoried back when the city decided to sell the system. Since that time the city has had to purchase additional equipment to keep the system operational and for that, W.T.U. paid an additional \$17,000.

During the regular April meeting the city council voted to accept a bid from Sutton County National Bank for a fixed rate of interest that was to be set at the time of issue at .25 percent below the quoted yield of U.S. Treasury Notes.

As of the time of deposit, the money received by the city will be drawing 8.57 percent which will be paid to the city semi-annually.

According to Earl Johnson, local manager of West Texas Utilities, it will take several weeks to work the former city electric customers into the West Texas Utilities Company meter reading and billing cycles.

In fact, residents who are being transferred should not be surprised if they receive three electric bills

within a short time.

Thursday, May 9, the day of the transaction, the city and WTU read all city meters together to establish the official cutoff for the city and the beginning of service by WTU. This gave the city meter readings for its final billing period.

Then WTU began placing customers into a regular cycle billing schedule, which means that some of the meters were to be read within a few days, resulting in bills for relatively short periods. Fortunately, the amounts should be small.

All former WTU customers will receive bills in early June for a full month meter reading, then some of these customers will be placed into another billing cycle and will receive bills for a partial month.

After that, four billing cycles will be established within the city and a regular routine carried out.

This means that all WTU customers will not receive bills at the same time as in the past, but that bills will be mailed on four different dates to customers in four different sections of town. Cycle billing spreads the meter reading and permits more economical operations, Johnson explained.

"It may take our customers a while to adjust to the cycle billing dates, but we foresee no major problems," Johnson said.

The city officials would like to take this opportunity to thank each and every one of the past customers for their business. "It has been a pleasure to serve this community," stated Dover.

Fields named judge

BY JERRY RAUN

The Sutton County Commissioners Court, meeting Monday, May 13, accepted the resignation of County Judge Charles Sherrill and appointed Carla Fields to fill the unexpired term of office.

Judge Sherrill, who is planning to enter private practice, submitted his resignation and excused himself from deliberation in the appointment of his successor. County Commissioner Bill Wade assumed the chairmanship of the court and immediately declared the court in executive session.

Commissioners Wade, Bill Keel, Juan Carlos Gonzales and Mike Villanueva interviewed several persons who had expressed interest in the position. The court went into executive session at 9:11 a.m. and returned to the court room at 10:14 a.m. Commissioner Villanueva nominated Fields and Commissioner Gonzales seconded the nomination. The vote to appoint Judge Fields was unanimous.

Sherrill's resignation was accepted and Judge Fields was then administered the oath of office by County Clerk Erma Lee Turner.

Judge Fields is a life-long resident of Sutton County. She is married to John David Fields and has one son, Craig Hopper, a junior at Sonora High School.

Judge Fields said, "I appreciate the fact that the commissioners saw fit to appoint me to this position. There were a number of qualified persons available. I

will need the support and input of everybody."

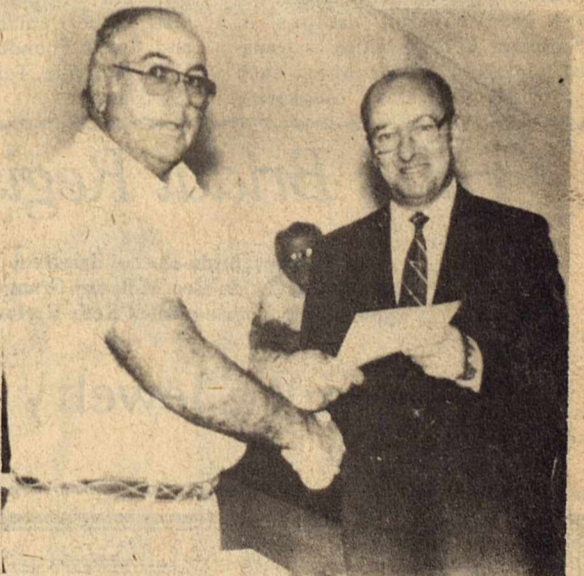

In other business the commissioners opened sealed bids for the drilling of two water wells for the cemetery and county park. The low bid of \$8,250, submitted by Delmon West of Mertzong, was accepted. Hutto Well Service and Drilling, of Carta Valley, submitted a bid of \$5,800 and Leroy Lange Drilling Company, Carlsbad bid \$13,000.

A bid of \$1,854.40 for a telephone system for the District Attorney's office was accepted. General Telephone of the Southwest was the only bidder.

The court approved the rebudgeting of \$3,500 to the Sheriff's Department for vehicle maintenance through August and approved the payment of accounts receivable.

Justice of the Peace Herman Moore reported that his office had collected \$18,077.26 during April.

Sheriff Bill Webster reported that he had received a request from residents near Allison Park to restrict overnight camping in part of the park. Commissioners agreed to prohibit overnight camping in that part of the park immediately adjacent to the Curt Schwiening property. The remainder of the park across the road is still open for overnight camping. Sheriff Webster was authorized to erect signs to that effect and repair or replace any other signs necessary.

BIG BUCKS

Glen Churchill, president of West Texas Utilities, presented Sonora Mayor Billy Gosney with two checks last Thursday morning. One was for \$1,375,000 which was the original bid on inventory for the sale of the electrical system to WTU. The other was for a little over \$17,000 for inventory that had been purchased by the city since the inventory. The money was placed on deposit in C.D.'s at Sutton County National Bank Thursday. (Staff Photo-CJ)

Country Caravan to perform

Residents of Sonora will have the opportunity to enjoy a special brand of country music when the successful road show Country Caravan rolls into town May 15 for a performance.

The formula for musical success which Country Caravan has enjoyed for three seasons is a combination of not only excellent vocal and instrumental talent and top-of-the-chart country music hits, but also the masterminding of three talented South Plains College instructors. Sonora country music fans will have the chance to sample the work of John Hartin, Tim McCasland and Leann Ellis when SPC presents its 90-minute revue at 8:30 p.m. in the County Park Slab. The show is being sponsored by the Sonora Chamber of Commerce and admission is free.

"The contributions of these three have a tremendously positive effect on the whole production of Country Caravan," explained Dr. Marvin Baker, SPC president who also runs the lights for each performance. Hartin is general director; McCasland is music director; and Mrs. Ellis is stage director for the production.

As general director of Country Caravan, Hartin spearheads the efforts of other faculty members in music arrangement, selection of material, choreography and other aspects of the show's production. He has the job of pacing the show and song selection.

"I look for country music hits with a strong lyric hook, hits that have withstood being played 20 or 30 times a day on the radio and still remain at the top of the charts. Those have to be pretty powerful tunes," he

says. "And I try to select standards that are as fresh and universal today as when they were first written 20, maybe 40 years ago."

Hartin grew up at a time when a formal education in country music was little more than a dream. By his early teens, Hartin was writing his own songs and had his own band. But college officials frowned on his choice of an electric guitar as his instrument in college, and he subsequently switched from music to business administration. He operated music stores and taught guitar clinics, but an ad in a national magazine changed his life.

The ad was for an instructor in a brand-new degree program in country music being offered by South Plains College in Levelland. Hartin accepted the rare opportunity; since then he has engineered SPC's country and bluegrass music program into a worldwide phenomenon, with students from throughout the nation and as far away as Korea enrolling in not only country and bluegrass music but a program in sound technology as well.

Music arranging is handled by music director Tim McCasland, who takes many of the top country music hits and adds musical phrases that give them a distinctive Country Caravan flavor.

McCasland grew up in the rock era of the early 1970's playing with a number of Lubbock, Texas bands as a high school student. He became interested in banjo and gradually became more and more aware of country and bluegrass music.

When he heard about South Plains College and its unusual program in country and bluegrass music, he

immediately enrolled. McCasland was one of the first students in SPC's country and bluegrass music program, which is currently celebrating its 10th anniversary. After graduation, he returned as a part-time, then as full-time instructor in the growing program.

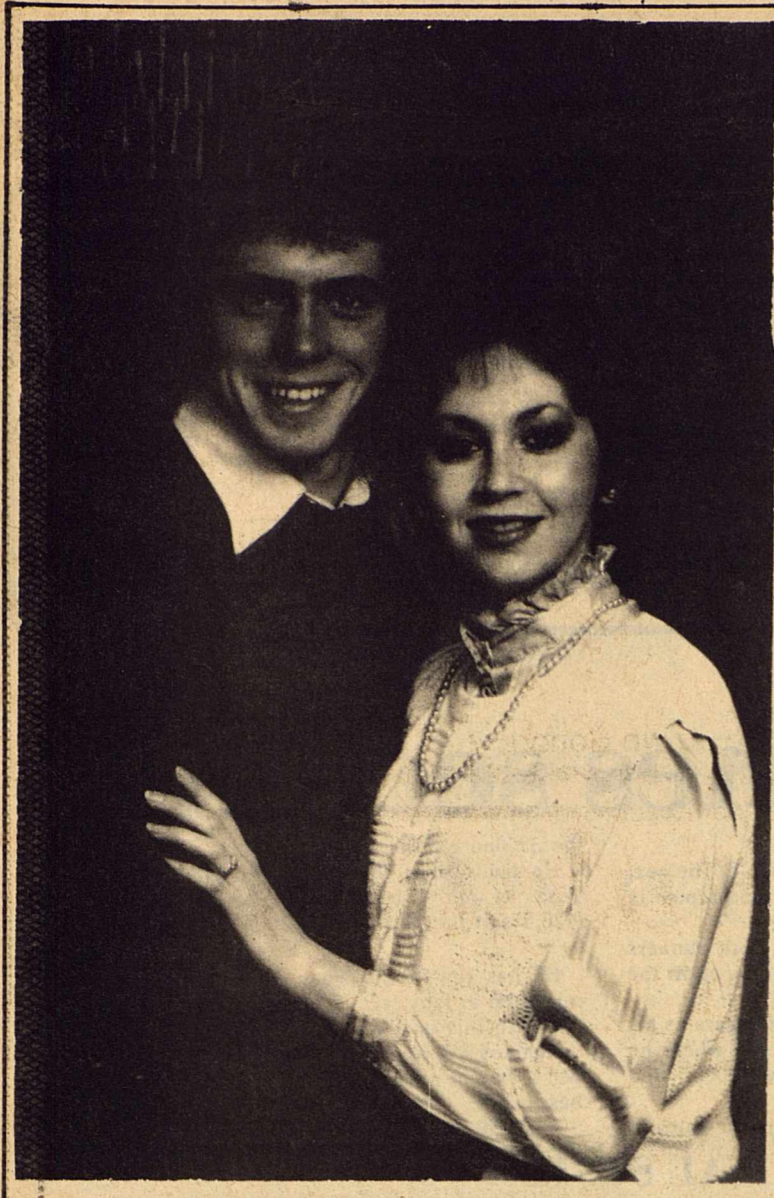

McCasland also was a performer in the college's original summer show, the 1977 edition of Texas: Cradle of Giants, and he has performed in just about every version since then.

"Tim has introduced audiences to such unusual instruments as the tenor banjo and the five-string mandolin; he has a depth of talent on a number of instruments unexcelled by many musicians," says Hartin.

Costumes and the overall look of the show are the responsibility of Leann Ellis, now in her third year as stage director of Country Caravan. She has extensive stage experience to draw upon. Mrs. Ellis performed as a college student in productions of Oliver and Noah. She has also performed as an SPC student in several country music summer shows, The Golden Years of Country Music and Ralsin' A Ruckus.

"Leann has a deft touch with costumes; she has been of tremendous value in giving Country Caravan the look and feel of a country music special you might expect to see on television," explained Dr. Baker.

These three will keep Country Caravan rolling through performances in 30 West Texas and Eastern New Mexico cities this season, bringing a country music theme to more than 17,000 country music fans.

WEDDING PLANS TOLD

Mr. and Mrs. Kenneth L. Duckworth announce the engagement and approaching marriage of their daughter, Lynn Denise, to Ronnie Lynn Wipff. Wipff is the son of Mr. and Mrs. George L. Wipff of Sonora. The wedding is scheduled to take place Saturday, June 8 in the First Baptist Church of Sonora. The bride-elect is a 1984 graduate of Sonora High School and prospective bridegroom graduated from SHS in 1983. Wipff is self-employed and operates Ronnie's Body, Engine, and Welding Service. [Contributed Photo.]

Kerrville fair set

May 25-26 and June 1-2 have been selected as the dates for this year's Texas State Arts & Crafts Fair which will be held on the grounds of Schreiner College in Kerrville. The announcement was made by Audie Hamilton, executive director of both the Fair and the Texas Arts & Crafts Foundation.

"Over 240 of Texas' finest artisans and craftsmen have been selected to exhibit and sell a variety of handmade works," said Hamilton. Sculpture, pottery, wood working, glass blowing, oil and water-color painting are just a few of the arts and crafts that will be featured as well as demonstrated. "A casual country fair atmosphere will prevail on the 16 acres of the tree covered campus of Schreiner College which is transformed into fairgrounds each year," Hamilton said. "Magicians,

clowns, cloggers, and top 40 songs performed by Sheila Renfro and Splash will provide an array of fun-filled entertainment."

Additional activities include a theatrical production of the play "The Dragon and Rooster's Horn", put on by the 24th Street Experiment of Our Lady of the Lake University, a Learner's Tent where youngsters get hands-on craft work experience and petting zoo where little ones get an introduction to gentle farm animals. And, fair-goers will have some of the best festival food selections in Texas.

Admission is \$5 for adults and \$3 for children aged 6-12 years. Children under 6 years of age attend free. Hours are 10 a.m. to 7 p.m. For further information contact: Audie Hamilton, Texas Arts and Crafts Foundation, P.O. Box 1527, Kerrville, Texas 78028, (512) 896-5711.

Wool sale totals 1.5 million pounds

American Wool and Mohair Association manager Fred Campbell has announced that he was very pleased with the results of their recent wool sale of approximately 1.5 million pounds of skirting graded wool.

The wool will come from warehouses in Sonora, Mertzon, Ozona, Eden, and Goldthwaite. Burlington Industries bought most of the

offering with Helmig and Provost Lefebvre also buying smaller quantities.

Helmig bid 95 3/4 cents greasy for approximately 100,000 pounds of tender and short wool. Prouvost bought the skirts or bellies (100,000) at 83 5/8 grease basis.

The Burlington purchase is best summarized by the following table:

Length in inches	Micron			
	Under 19.5	19.51-20.50	20.51-21.50	21.51-22.0
3 1/4 up	\$2.81	\$2.47	\$2.32	\$2.02
3 - 3 1/4	\$2.76	\$2.42	\$2.27	\$1.97
2 3/4 - 3	\$2.66	\$2.32	\$2.12	

The above prices are clean basis FOB warehouse with actual grease prices to be determined by core test.

Local warehouse manger Glen Fisher was also very pleased and

stated that when freight and duty on imported wool are added to the above prices, then this sale is almost the same as Australian wool is costing the U.S. mills.

Some used to say that carrying elder tree twigs in the pocket would make horseback riding more comfortable.

Police Report

The five officers of the Sonora Police Department logged a total of 264 hours between May 3 through May 9.

During this period we can again report no accidents reported or investigated.

Officers issued 12 traffic citations, the breakdown as follows: speeding-3; no drivers license-2; expired registration-1; expired MVI-1; no liability insurance-3; parked in roadway-2.

One complaint was filed for disobeying City Code Sec. 5-88; and 3 complaints were filed for City Code-Sec. 5-29.

During this period of time there were 2 adult arrests, one for DWI and the other for DWI and Contributing to a Minor. One juvenile for Minor in Possession and Public Intoxication.

During this period the officers answered the following calls: Civil Disturbance-1; Domestic Disturbance-3; alarms-4; animal-2; assist motorist-8; attempt to locate-2; escorts-3; house checks-70; miscellaneous calls requesting to speak to an officer-68; open door-2; and welfare assistance-2.

The Texas Department of Public Safety Drivers License Office is no longer in the Police Department, but has been moved to the Sutton County Court House.

Judge Martin's Office is located in the Police Department at 304 N.E. Oak Street, telephone number 387-5237.

Musical slated

Country Caravan, the 1985 edition of South Plains College's traveling country music show, comes to Sonora May 15.

Showtime for Country Caravan is 8:30 p.m. in the County Park Slab. The performance is being sponsored by Sonora Chamber of Commerce and admission is free.

The 90-minute show of more than 30 country music hits is a program guaranteed to entertain the entire family. A talented cast of nine college students and five members of the South Plains College music faculty will perform such top-of-the-chart hits as *High Horse Woman* by the Nitty Gritty Dirt Band; *Hallelujah, I Just Love Her So* by George Jones and Brenda Lee; *Pins and Needles* by the Whites; *Haunted House* by John Anderson; and *Gimme One More Chance* by Exile.

"We believe that country music fans will be thoroughly entertained by what we have in store for them, and we also feel strongly that we will make a lot of new country music fans," said John Hartin, general director of the show and instructional coordinator of country and bluegrass music at South Plains College.

In addition to its stop in Sonora, Country Caravan will be performing in more than 30 other cities in West Texas and Eastern New Mexico this summer, in addition to

special engagements to Yuma, Arizona, and San Diego, California.

CARAVAN MASTERMINDS

The organizational talent behind South Plains College's Country Caravan, includes John Hartin, instructional coordinator for the College's country and bluegrass music program, who serves as general director of the show; Leann Ellis, instructor in country and bluegrass music, who serves as the show's music director. Country

Caravan is set for a performance in Sonora on May 15. Showtime is 8:30 p.m. in the Sutton County Park Slab. Caravan features 90 minutes of contemporary and classic music hits performed by a talented cast of SPC music students and music faculty. The performance is being sponsored by Sonora Chamber of Commerce.

 Since 1900.

Ramirez, Velez wed

Melissa C. Ramirez and Gilbert S. Velez, both of Sonora, were united in marriage Friday, April 12 in St. Ann's Catholic Church in Sonora. The ceremony took place at 4 p.m. and the Rev. Bernard Gully officiated the double ring rites.

Parents of the bride are Mr. and Mrs. Hermilo Ramirez of Sonora, and Mr. and Mrs. Frank Velez of Bear Lake, Michigan are the groom's parents.

The bride was given in marriage by her father.

Edna Ramirez of Sonora was the maid of honor and bridesmaids included Linda Velez of Sonora,

Mary Ann Velez of Bear Lake, Michigan, Jessica Robledo and Florie Mesa, both of Sonora.

Roger Velez of Sonora was the best man and the groomsmen were Ralph Gonzales Jr., David Ramirez, Joe David Favila, and Frankie Gonzales, all of Sonora. Ushers were Sonny Samaniego, David Guerra, and Elias Torres, all of Sonora.

Anthony Mungia of Sonora was the ring bearer. Virginia Jones of Sonora was the organist.

Following a wedding trip to Corpus the couple is residing in Sonora.

Sonorans win honors

Pupils of Mrs. A.C. Elliott won District, National, and International honors at Piano Guild Auditions held last week in the newly established Guild Center in Sonora.

Mrs. Eva Mae Manly of Abilene judged 46 piano pupils from Eldorado, Ozona and Sonora, and had nothing but praise for pupils and their teachers: Weldon Moore of Eldorado, Rosalind Williams of Ozona and Rena Elliot of Sonora.

The three highest ranking students judged by Mrs. Manly were Jesse Lynch, Zane Dunnam, and Vicki Richardson, all of Sonora.

Jesse and Vicki played 15 piece programs and received International Honors and Superior Ratings.

Zane played a 10 piece program and received National Honors-tying with Jesse for highest rating.

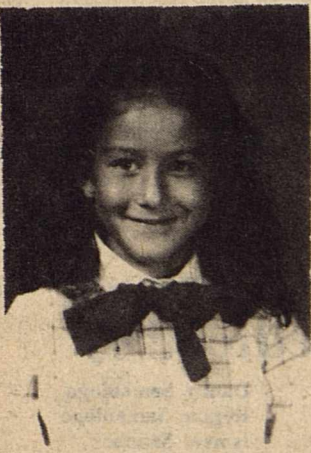

Winners' certificates and awards were presented to these three pupils of Mrs. Elliott at a Recital held at First Baptist Church May 12.

Other special awards were also presented to Vicky Anderson, Kianne Pounds, Austin Sipes, Daniel Anderson and Travis High. These also received National Honors and high ratings in the Guild Auditorium.

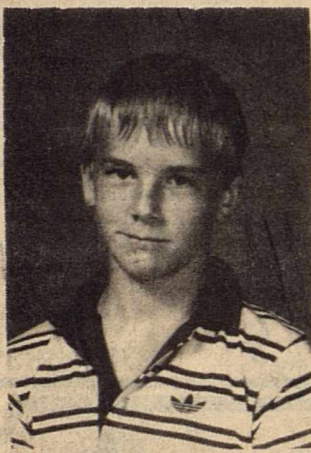

Other pupils playing in the recital (and receiving National Honors) were Rachel and Wesley Griffin, Heidi Gremmel, Brandy Bauldree, Tammy Fisher and Brandi Ware.

Kristi Lykins won District Honors and received a Superior Rating at Guild Audition and gave a flawless performance at the recital.

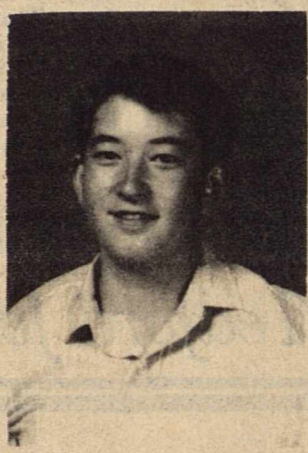

A responsive audience attended the recital and the reception which followed, with Mrs. Dennis Dunnam and Mrs. O.L. Richardson as hostesses.

BASQUE PASTA SALAD

1/2 cup olive oil
12 scallions, including tops, thinly sliced
1 scant teaspoon whole saffron
1 pound rice stick pasta
2 quarts water
1 tablespoon olive oil
1/2 pound cooked medium shrimp, peeled and deveined
1/4 pound hard sausage, julienned
1/4 pound prosciutto, thinly sliced
1 green pepper, julienned
1 red pepper, julienned
1/2 cup chopped freshly parsley
Salt to taste
3/4 teaspoon freshly ground black pepper

In heavy pot, heat 1/2 cup oil over medium heat. Add scallions and saute for 5 minutes, or until wilted. Add saffron; cook for 2 minutes longer. Cook pasta al dente; lightly toss with 1 tablespoon oil. In large bowl, combine pasta, shrimp, sausage, prosciutto, red and green peppers, parsley, salt, and pepper. Toss thoroughly. Serve at room temperature. Makes 8 servings.

Rapture or Revelation

Rev. Kenneth Doyle Sonora Tabernacle
United Pentecostal Church

Study to shew thyself approved unto God a workman that needeth not to be ashamed rightly dividing the word of Truth-11 Timothy 2:15.

This rightly dividing of the word of Truth is the key to proper understanding of the scriptures. To do otherwise, tends to error and misapplication of the word of God. Two scripture passages seem diametrically opposed, i.e., until we rightly divide the word of Truth. The first- Behold, I come as a thief. Blessed is he that watcheth and keepeth his garments, lest he walk naked and they see his shame. (Rev. 16:15)

The second- Behold, he cometh with clouds; and every eye shall see Him, and they also which pierced Him and all kindred of the earth shall wail because of Him. (Rev. 1:7)

In support of the first scripture we find also the following: If therefore thou shalt not watch I will come upon thee as a thief. You will not know what hour. (Rev. 3:3) Watch ye therefore for ye know not what hour your Lord doth come. But, know this-if the good man of the house had known in what watch the thief would come-he would have watched. (Matt. 24:42)

Further, for yourselves know perfectly that the day of the Lord so cometh as a thief in the night (1 Thes. 5:2) Also, two men in one bed-one taken, one left. Two in the field, one taken, one left. (Luke 17:34-36)

Behold, I come as a thief speaks of Him coming in secret-on sandaled feet, softly, slyly, clandestinely-coming for His jewels. (Malachi 3:16-17) fulfilling (1 Thes.

4:16-17) The church is the ecclesia The called out body, the calling away group.

This secret calling away of the church is presented in the Bible, through TYPE, through PROMISE, through TEACHING, from BEGINNING TO ENDING.

Enoch was suddenly translated with no announcement, no word-the world did not know when or how or where to. He was just gone. God took him. Gone before the flood of judgement. (Gen. 5:24)

As it was in the days of Noah. (Luke 17:26) The worlds imagination on evil continually, carousing, scoffing, going on in their degrading, sinful ways. God called the family of Noah into the ark and closed the door. The world did not know or care. Judgment came, but only when Noah and family were safe in the ark. Read (Isa. 26:20-21)

As it was in the days of Lot. (Luke 17:20) While Sodom was steeped in its indescribable sin and revelry, the angel snatched Lot out of the city. WHAT A STRANGE STATEMENT-I CAN DO NOTHING TO THIS CITY UNTIL YOU GET OUT. (Gen. 19:22) Judgment only came after Lot was out of the city. The Philadelphia church depicts the true church-the church of the word and name. The church with an open door. God said to them: BECAUSE YOU HAVE KEPT THE WORD OF MY PATIENCE, I WILL KEEP YOU FROM THE HOUR OF TEMPTATION, WHICH COMES ON ALL THE WORLD. (Rev. 3:7) Not kept in but OUT OF.

Watch, ye therefore, and pray always that ye may be counted worthy to ESCAPE all the things.

(Luke 21:36) Behold, He cometh with clouds. Every eye shall see Him. OPENLY COMING IN HIS REVELATION. The world will be flooded with His light and glory. As the lightning that shineth from the east to the west. (Matt. 24:27)

Immediately after the tribulation of those days shall appear the sign of the Son of Man in the Heavens. (Matt. 24:30) The revelation not the rapture. Behold the Lord cometh with ten thousands of His saints. (Jude 14) The Lord my God shall come and all the saints with Thee. (Zech. 14:5) Coming back at His revelation to the battle of Armageddon, and the armies which were in heaven followed Him. Christ coming in glory in His revelation. (Rev. 19:11-16) These, the beast and false prophet, shall make war with the Lamb-but the Lamb shall overcome them-those that are with Him are called, chosen, faithful. (Rev. 17:14) Further, when the Lord Jesus will be revealed from heaven with His mighty angels. When He shall come to be glorified in His saints. (11 Thes. 1:7-10) Paul in the second Thessalonian letter answers a question posed by the Thessalonian saints, What is all this trouble we are in? What is all this persecution and trial we are going through? Is it the day of the Lord? Is it the tribulation? Paul answers, "Let no man deceive you as that the day of the Lord is at hand, for that day will not come until there is a falling away, and until there is a revelation of the man of sin, the anti-christ". He goes on to say, the mystery of iniquity is at work, but there is something restraining the full revelation of the man of sin, and his restrainer will hold back

His full revelation until the restrainer is taken out of the way. (11 Thes. 2) That restraining force against evil is, no doubt, the Holy Spirit of God. When the Holy Ghost takes the church out, then and only then, can the wicked one be revealed in his fullness. God has not appointed the church unto wrath, but to obtain salvation or deliverance. (1 Thes. 1:10), (1 Thes. 5:9) God has always made a distinction between His people and the world. He did so in Egypt. I will put a division between my people and thy people. (Exodus 8:23) In the land of Goshen where the children of Israel were there was no hail. (Exodus 10:23) When the destroyer passed through the land to kill the firstborn, those under the blood were spared. All people will not be resurrected at the same time. Every man in his own order. (1 Cor. 15:23) So, what are we to look for? He has not told us to look for anti-christ. He has not told us to look for the false prophet. He has not told us to look for Armageddon, but we are repeatedly told to look for the coming of Christ. (Titus 2:13) (Heb. 9:28) This is our blessed hope, this is our source of comfort. If we put anything, any event, any personage, between the imminent, impending coming of Christ for His church, I think we do violence to the word of God. He can come any minute, any hour, any day. To wait for any event before He can come tends to carelessness and confusion. Behold, He comes as a thief-to take His bride away, behold, He comes, and every eye shall see Him. He comes in His revelation and the saints will be with Him. OUR LORD COMETH.

Letter to the Editor

To: The Honorable Commissioners of Sutton County, Texas.
 Please, consider this as my formal resignation as County Judge of Sutton County, Texas, effectively immediately. To have worked with you and to have served the citizens of Sutton County as County Judge has indeed been an opportunity and pleasure.

Sutton County at this time is in excellent condition. During the past six years I have served as County Judge many improvements and accomplishments have been achieved on a sound economic basis. However, as you are well aware there are many pressing problems, among others: The hospital facilities and medical care in Sutton County; Allison park; the condition of the County cemetery; development of the new County Road and Bridge yard; and, the need for institution of a purchased order system.

It is imperative that "Long-Range Goals" be set and a program and plan for the institution thereof. The County is now at and in a position where such plans may be and must be put into practice.

After such investigation and consideration it is my recommendation that the City of Sonora Government be dissolved and the County assume the responsibilities. Such is the only way that maximum efficiency and minimum taxation can be achieved, which is what the citizens of Sutton County need, deserve and will demand in the end. For your information, the law does provide for a special assistant to the court, who could function much like a City Manager of School Superintendent.

Most of the elected and appointed officials and employees are doing a good job and are in substantial compliance with the policies of Sutton County and the Laws of the State of Texas. I do hereby express my appreciation and thanks for the aid and assistance they have provided to the County Judge. Also, I do desire to honor and recognize some of your predecessors that I was privileged to work with, viz: Preston Love, Elba Adams and Billy Galbreath. My special tribute goes to Preston Love, who was a true gentleman and inspiration to us all.

After serving the citizens of Sutton County for more than twenty years, as a District Judge and County Judge, I feel that a change will prove beneficial to the citizens. I accepted the appointment as County Judge to benefit all, and not for personal recognition and popularity. I feel that in a few years it will be recognized that I was one of the most effective of all County Judges in West Texas and saved Sutton County much money each year.

Although I am at this time changing my residence to another part of the State, I do consider Sonora, Sutton County, Texas as my home. My domicile remains in Sutton County.

Sutton County is in good hands. As to any situation that may confront you, I am convinced that you will individually and collectively rise to meet the challenge and resolve the problem in the best manner for and to the advantage of the majority of the citizens of Sutton County.

Respectfully Submitted,
 Charles Sherrill

THANKS, SONORA, For Letting Us Be Your Electric Company

We'll do our best to serve you well and in accordance with our policy—

“To provide all customers with a reliable supply of electric energy at the lowest practical cost.”

We're not perfect (no utility is), but past performance has earned WTU a reputation for giving good, dependable service. And we're making available to citizens of Sonora all the benefits of a modern, well-equipped electric system operated by a skilled, experienced work force.

The complete merger of our system with the old city system will take time, but you probably have noticed some changes already. We'll move as fast as we can in bringing all facilities up to date and removing duplicate facilities where possible.

We ask that you bear with us as the changeover proceeds. But if you have questions or complaints, don't hesitate to call us.

WEST TEXAS UTILITIES COMPANY

An Equal
Opportunity
Employer

WTU

A Member of The Central and South West System

SOME FACTS ABOUT YOUR ELECTRIC COMPANY:

West Texas Utilities Co. is an investor-owned, tax-paying electric utility serving approximately 175,000 customers in 161 communities in an area extending from the Panhandle to the Big Bend, or from the Red River to the Rio Grande. Through antecedent companies, WTU traces its origin to 1891, when the first small electric generator was installed in Abilene.

The Company took its present name in 1923 and later joined other companies in forming the Central and South West Corp., a holding company with headquarters in Dallas. The other CSW companies are Central Power and Light Co., Corpus Christi; Public Service Co. of Oklahoma, Tulsa; and Southwestern Electric Power Co., Shreveport.

Livestock Report

During the cattle sale on Friday, May 5 there were 232 head sold. Most were selling steady with a little more activity on calves and yearlings. Packer cows and bulls were a little weaker. Stocker cows and pairs sold steady.

Cattle Report
 Choice Light Steer Calves 73 to 80 cents per pound
 Choice Medium Steer Calves 68 to 76 cents per pound
 Choice Heavy Steer Calves 62 to 66 cents per pound
 Medium Quality Steer Calves 60 to 68 cents per pound
 Choice Steer Yearlings 60 to 68 cents per pound
 Mixed Steer and Bull Calves and Yearlings 55 to 63 cents per pound
 Choice Light Heifer Calves 58 to 65 cents per pound
 Choice Medium Heifer Calves 58.50 to 64 cents per pound
 Medium Quality Heifer Calves 53 to 58 cents per pound
 Choice Heifer Yearlings 57 to 62 cents per pound
 Mixed Heifer Calves and Yearlings 53 to 57 cents per pound
 Commercial and Utility Cows 34 to 43 cents per pound
 Canners and Cutters 31 to 36 cents per pound
 Low Yielding Canners 29 to 33 cents per pound
 Bulls 42 to 48 cents per pound
 Stocker Cows \$400 to \$460 per head
 Stocker Pairs \$450 to \$640 per pound
 On Monday, May 6 there were 1774 head of goats and sheep sold. Lambs were selling steady. Activity was high on packer goats and sheep. Angora goats were \$1 to \$7 lower. Spanish goats sold \$1 to \$5 higher.

Sheep and Goat Report
 Choice Spring Lambs 68 to 73 cents per pound
 Choice Old Crop Lambs 57 to 66 cents per pound
 Heavy Lambs 54 to 60 cents per pound
 Fat Ewes 28 to 35 cents per pound
 Thin Ewes

18 to 22 cents per pound
 Bucks
 24 to 35 cents per pound
 Ewe & Lamb Pairs \$20 to \$23 counting the noses
 Baby Tooth Ewe \$32 to \$45 per head
 Choice Young Angoras \$45 to \$69 per head
 few young nannies to \$79
 Medium Angoras \$32 to \$45 per head
 Choice Aged Nannies \$30 to \$45 per head
 Thin Weighing Angoras Shorn 15 to 22 cents per pound
 Fat Weighing Angoras Shorn 28 to 35 cents per pound
 Big Fat Spanish Muttons \$30 to \$45 per head
 Big Fat Spanish Nannies \$23 to \$29 per head
 Stocker Nannies \$23 to \$29 per head
 Stocker Nannies \$18 to \$24 per head

 Fat Kids \$18 to \$25 per head
 Fat Yearlings \$22 to \$30 per head
 Small Kids \$9 to \$17 per head
 Baby Kids \$3 to \$10 per head

New Arrival

Mathew Craig Dickson

Mr. and Mrs. Richard Dickson proudly announce the birth of their son Mathew Craig. He was born May 7 8:35 a.m. in Angelo Community Hospital. Matthew weighed 9 lbs. and 8 oz. and was 20 1/2 inches long. Matthew was welcomed home by his brother Dwayne. Maternal grandparents are Mr. and Mrs. Charles Bolinger of Midland. Paternal grandparents are Mr. and Mrs. Harold Dickson of Pecos.

Financial picture of S.I.S.D. not rosy

The projected financial picture for the Sonora Independent School District is not a rosy one, according to Board President Carl Teaff. "Every time we hear from Austin the news is a little grimmer," said Teaff in a recent interview.

Thanks to the passage of HB 72, the 'education reform bill,' in the summer of 1984, a formula was developed and is now in use which allocates state funds to school districts throughout the state in a manner designed to equalize the available education funds. In effect this means that the relatively isolated, low-population, high-tax-base areas of West Texas will receive less, and the high-density metropolitan areas of Houston, San Antonio, El Paso and Dallas-Ft. Worth will be getting a bigger slice of the state-funding pie in the future.

Whitsitt back in real-estate

Howell Whitsitt, a former soil conservationist in Sonora and former farm and ranch real estate operator in San Angelo, has returned to full-time farm and ranch real estate. Whitsitt has been working for the past several years as an oil company landman.

Whitsitt lived in Sonora from 1958 to 1960. At that time he was employed by the Soil Conservation Service under E.B. King.

Whitsitt is now associated with Joanne Capps Realtors in San Angelo. He was associated with J.H. Russell and Sons during the 1960's. He is a 1958 graduate of New Mexico A&M College, now New Mexico State University, with a degree in range management. He will be in charge of Capp's farm and ranch real estate division.

According to the latest projections released by the Texas Education Agency in Austin, the Sonora ISD will receive about \$500,000 less for the 1985-86 school year than it got for this current year. This, combined with an estimated drop in the tax base, (mostly gas production), clearly calls for drastic budget cuts in all but the most crucial instructional areas in order for the district to remain financially viable while salvaging its present level of academic excellence. A direct result of the current slump in the oil patch, the tax base reduction, together with the noticeably lower collection rate, will have an adverse effect on local maintenance funds, from which supplies, all non-professional salaries, a portion of the teachers' salaries, and repayment of the high school bond issue must come.

Just where and how much these budget cuts will appear will become more evident as work on the 1985-86 budget is accelerated, and as the revenue picture for the coming year becomes clearer. And, of course, the cost of supplies, maintenance and services is expected to increase.

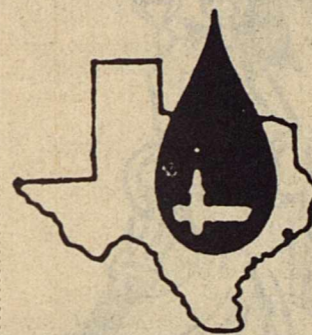

With all this in mind, the Board of Trustees plans to spend many hours of study and evaluation prior to the public hearing in late July and the adoption of the district budget in August. In an effort to keep the tax-paying public informed, a series of budget study sessions, always open to the public, will be scheduled during the summer months. According to an administrative spokesman, by state law the budget must be formally adopted no later than Aug. 20, and the tax rate for the coming year set shortly thereafter.

ENGAGEMENT ANNOUNCED
 Mr. and Mrs. Bill Webster announce the engagement and approaching marriage of their daughter, Lisa, to Eric Neal, son of Mr. and Mrs. Smith Neal of Sonora. The wedding is slated to take place August 10. The bride-elect is a

1984 graduate of Sonora High School and is attending Texas Tech University. Neal is a 1982 graduate of S.H.S. and is a pharmacy student at the University of Texas at Austin. [Photo Ranch Photograph]

If you have a pond with a weed problem, spring is a good time to control the weeds with herbicides. If you wait until summer, treatment could help cause oxygen depletion and fish die-off.

Oxygen depletion can occur during spring months, but the risk is greatly reduced.

The major factors contributing to oxygen depletion are (1) amount of aquatic vegetation, (2) water temperature, (3) pondage of fish, and (4) weather conditions. In most years the amount of aquatic vegetation is less and water temperatures are cooler in the spring, which reduces the risk of fish die-off after treatment. If this spring is unusually warm and weather conditions within two weeks of treatment include several windless, cloudy days, an oxygen depletion may occur.

Personnel at the USDA Soil Conservation Service and county extension offices can provide information about approved herbicides for aquatic use. They will apprise you of precautions when

using aquatic herbicides and assist in locating chemicals.

The most important first step is to treat your pond as soon as possible to avoid an oxygen depletion and fish die-off.

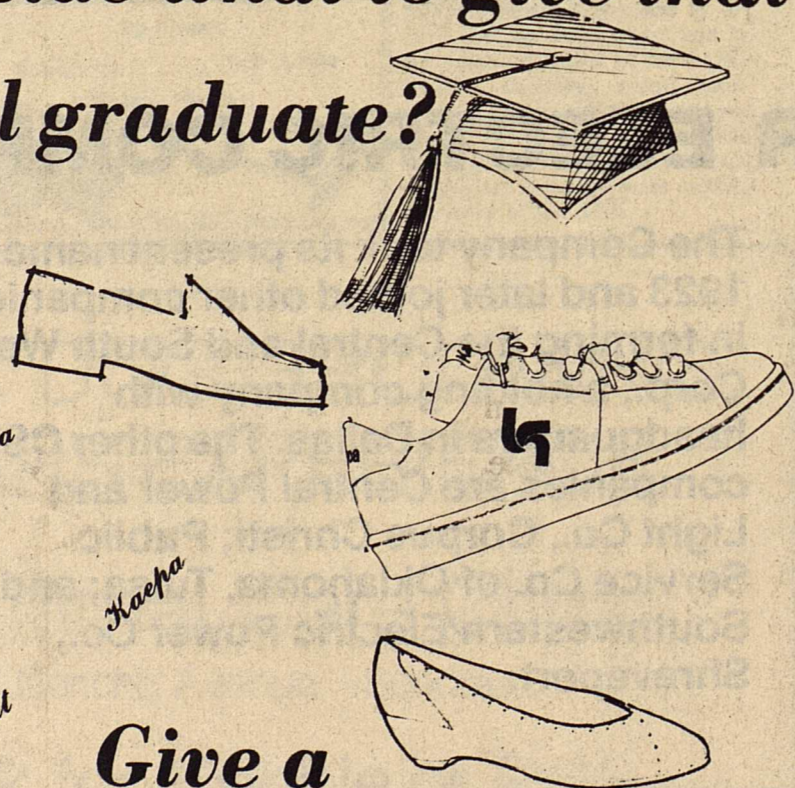

Spring is time for weedy pond clean-up

Farmers, ranchers to help project

Texas farmers, ranchers, and other agricultural interests will join forces in a major food relief effort to the starving people of Ethiopia and neighboring African countries. The goal is to send one or more shipments of Texas wheat, corn, grain sorghum, and powdered milk directly from Texans.

The project, led by Texas agriculture, will save thousands of lives and reinforce a very positive image for farmers and ranchers with urban constituents and government representatives during development of the 1985 Farm Bill.

Through the combined outreach efforts of practically all of the Texas farm, livestock, and related organizations, Church groups, and the Texas Department of Agriculture, Texans involved in agriculture, which includes everyone who eats, will be asked to contribute \$35, roughly the cash equivalent of 10 bushels of grain, to Project TEJAS. Ten bushels of grain will provide more than 1,500 meals.

All contributions should be made by check or money order payable to "Project Tejas". These tax deductible contributions will be collected by ASCS county offices, participating agricultural organizations, and TDA. After collection, the contributions will be deposited into a special "Project Tejas" account set up by Save the Children, the participating international relief organization.

All of the Project Tejas funds will be used to buy Texas grains and powdered milk for the famine victims. Shipping, distribution, and administrative costs will be provided by the participating organizations and the U.S. Government.

Save the Children is the relief agency who will submit a detailed proposal describing how the agency will:

1. account for all contributions;
2. Use all contributions to buy Texas produced, whole grains and powdered milk;
3. Arrange ocean shipment;
4. Apply to AID for USDA-CCC stocks;
5. Be responsible for receipt, unloading, and delivery of the food directly to the people in the famine areas;
6. Target African countries that will receive the food aid; and
7. Provide Texas participants with documentation that all phases of the project were handled according to points 1-6.

Hulsey completes training

Marine Pvt. Roy E. Hulsey, son of Bill and Louise Hulsey of Sonora, TX, has completed the Infantry Combat Training Course at Marine Corps Base Camp Pendleton, CA.

During the six week course, Hulsey received classroom instruction and participated in field exercises involving infantry tactics; the construction and camouflage of fighting positions; and the use of mines, demolitions and intra-company communications equipment.

ROY HULSEY

16 County residents participated in program

AUSTIN-Sixteen Sutton County residents have participated in the Texas Veterans Land Purchase Program, joining thousands throughout the state.

Land Commissioner Garry Mauro reported 85,000 Texas veterans have borrowed \$875 million since the program started 35 years ago. The qualified Texas veteran may borrow \$20,000 to buy a minimum of 10 acres of land. The loan extends 30 years with a low, fixed interest rate.

Five Sutton County veterans have paid off their loans with 11 accounts still active.

Texas veterans also may receive \$20,000 through a low interest, 30-year loan toward purchase of a home. They can only participate in

one of the two programs—land or housing assistance.

Mauro emphasized that land loans are being processed in 90 days or less. In the first years of the Land Program, veterans became discouraged when months were required for closing out a loan application. Land sellers also suffered from the delay. A backlog of 1,400 applications were cleared out in three months after Mauro became land commissioner in 1983.

"What makes Texas different from other states is that we have always believed that we don't need to do our veterans a favor, just repay one," Mauro said. He also serves as chairman of the Veterans Land Board.

WTU summer rates go into effect soon

The price of electricity to residential and commercial customers of West Texas Utilities Co. will increase slightly this month as the company's summer rates go into effect.

The summer-winter rate differential for the two classes of customers was proposed by the Public Utility Commission of Texas staff during negotiations in WTU's rate case last fall.

Beginning with May billings, residential and commercial customers will be charged 3/4-cent more per kilowatt-hour. Residential base rates rise from 3.22 cents to 3.97 cents per KWh, while commercial base rates rise from 3.43 cents to 4.18 cents per KWh. Coincidentally, there will be a fuel factor adjustment raising the

cost of fuel from 3.14 cents per KWh to 3.5949 cents. This means that residential rates, including fuel costs, will go from 6.36 cents per KWh to 7.5649 cents, and commercial rates, including fuel costs, will go from 6.5 cents to 7.77 cents per KWh.

The new base rates and fuel cost factor will be effective for bills rendered during the month of May. The summer rates continue through October.

The seasonal rate differential has been used by many companies for many years. The main reason is that the cost of service is higher during the peak usage season, or summer months. Also, higher rates serve as an incentive for customers to conserve and trim the peak demand.

"Mother Care is Baby Care" month proclaimed by governor

Governor Mark White has signed a proclamation making the month of May "Mother Care is Baby Care" Month in Texas. His action coincides with a statewide public education campaign encouraging expectant mothers to seek medical care early in pregnancy to ensure their own health as well as that of their babies.

The campaign was launched in April by the Texas Department of Health's Bureau of Maternal and Child Health and the Public Health Promotion Division.

The campaign stresses that expectant mothers who seek prenatal care early, and continue health care throughout pregnancy, stand the best chance of delivering healthy babies.

At the beginning of pregnancy, many women fail to realize the importance of seeking medical help. Prenatal care, begun as early in the pregnancy as possible, is the best way an expectant mother can avoid some complications brought

on by neglect or ignorance of her own and her baby's health.

During prenatal visits, expectant mothers have the opportunity to learn about possible health risks which can be avoided. The baby's health at birth depends greatly on the mother's health during pregnancy.

Each year nearly 300,000 babies are born in Texas. Of these babies, an estimated 90,000 are born to pregnant women who are poor and unable to pay for medical care. The Texas Department of Health's Bureau of Vital Statistics reported that one-third of all Texas women who were pregnant last year failed to seek medical attention during the crucial first three months of pregnancy (first trimester). In 1984, a conservative estimate showed that 10,000 women received no prenatal care.

Health problems can best be identified and corrected, with the least risk and expense, early in the pregnancy. Delaying prenatal care,

and therefore allowing potential problems to continue to develop, has serious consequences for the health of mothers and babies alike.

For example, in 1983, the infant death rate for women who received adequate prenatal care was 9.4 per 1,000 live births. That compares with a death rate of 29.1 per 1,000 live births to mothers with inadequate prenatal care. Twenty-eight states have lower infant mortality rates than Texas.

"With proper medical supervision, expectant mothers can avoid, in many cases, the leading causes of death for babies less than 28 days old," Texas Commissioner of Health, Dr. Robert Bernstein, said. About 2,100 Texas infants less than 28 days old died in 1984.

These neonatal deaths stemmed from birth defects, respiratory disease syndrome, prematurity, illness caused by maternal complications, and low birth weight (less than 5.5 pounds.)

Dairy Queen gets awards

Joana Wuest, manager of the Sonora Dairy Queen, has announced that the store is the recipient of International Dairy Queen's Golden Cone Award.

The award is given to Dairy Queen stores with an increase in mix gallonage of over 1,000 per year.

Each dessert is made to conform to esthetic specifications as well as being taste treat.

Ms. Wuest takes special pride in having her staff trained to prepare Dairy Queen desserts according to exacting standards set forth by International Dairy Queen.

Nadrchal promoted

Marine Lance Cpl. David W. Nadrchal, son of David H. Nadrchal of Sonora has been promoted to his present rank while serving at Marine Corps Air Station, El Toro, California.

Andy Elifritz elected AAPG treasurer

Andy Elifritz was elected treasurer recently of the Hardin-Simmons University Chapter of the American Association of Petroleum Geologists for the upcoming 1985-86 school year.

Eleven other students were elected to offices at that time.

James Logue, 1984-85 president of the Chapter said, "Geologic professionalism is stressed by the HSU Geology Department and by the Student Chapter of the AAPG. Besides attending events sponsored by the chapter, students attend meeting of the Abilene Geological Society." He added that 47 chapter members were student members of the AGS.

Chief Appraiser Rex Ann Friess reported that her office had collected \$11,486.64 during April. This brings the total taxes collected through April to 93 percent of the amount due. This compares to 95 percent at this time last year.

Commissioners authorized the purchase of two new telephones for Judge Herman Moore's office at a cost of \$139.95 each with an installation charge of \$111.50 and a monthly charge of \$63.90.

A request by County Attorney David Wallace for the establishment of a separate account for the County Attorney's Trust Fund was granted. This fund will be used to deposit and disperse money collected on hot checks. Most of this is restitution to merchants. In the past these funds have gone into the general revenue of the county, presenting an inflated picture of the county budget.

County Road and Bridge Superintendent Joe Ed Harrell discussed work in progress on the Road and Bridge Yard. He requested permission to fence the entire area. Despite no trespassing notices published

by the County last week he reports continued problems with the area. The Commissioners decided to meet with Harrell at the site after the meeting and develop plans for fencing.

Joe David Ross reported on the latest status of legislation for a Sutton County Water District. The bill has passed the House and is presently still in the Natural Resources Committee of the Senate. There has been no recent action on the proposal.

Commissioner Villanueva reported that an engineering report on the Sinala Sewer grant project is expected soon. As soon as the report is received the count will advertise for bids on the project.

HNG Company had approached the court with the request that the road through the Guy Askew, Ruth Espy and Jimmy Powers ranch be dedicated as a county road. The landowners were opposed the proposal and the court declined to dedicate the road.

After other routine business the court adjourned at 1:08 p.m.

CARLA FIELDS

Primera Baptist bids minister farewell

Primera Baptist Church held a special Wednesday service May 9 honoring Rev. Ed and Nova Thomas. Rev. and Mrs. Thomas, retired missionaries, were helping Primera Baptist while they were without a pastor.

Ernesto Castro led the services and Sam Perez expressed the congregation's love and gratitude to them. Ruben Yorba sang a special hymn, Joe Sanchez-Yorba had the Bible reading and then all of the children from the Church sang a special song.

Rev. and Mrs. Thomas were then presented gifts from the Church. Ernesto Castro, Mrs. Lola Salinas, and Bonnie Gamez were the presentees.

Rev. Ed Thomas presented Joe Sanchez-Yorba with a Bible from the Church. He was baptized Sunday by Rev. Thomas.

A fellowship was held after the service, complete with a full meal. Following the service and fellowship, Rev. and Mrs. Thomas went home to Lubbock.

National Wool Show Set

The 48th annual Wool and Mohair Show and 1985 National 4-H Wool Judging Contest will be held June 11-13 in this West Texas ranching community in Sutton County.

The Wool and Mohair Show is open to all producers in the United States. All entries of wool and mohair must be in the warehouse of the Sonora Wool and Mohair Company by 5 p.m. June 11 to be eligible.

Categories in the open division of the wool and mohair show will be wool singles fleeces, mohair single fleeces and bags, and bags of aged range ram fleeces. Categories in the junior division will be wool single fleeces, mohair single fleeces and bags, and county groups of single wool and mohair fleeces and bags of wool.

A judging contest for young people will be held June 12 in conjunction with the wool and mohair show. There will be senior and junior divisions and contestants will judge livestock, wool, mohair and range plants.

The National 4-H Wool Judging Contest will be held the final day. A maximum of two teams may enter from each state, with the selection of teams to be made by each state 4-H office. Events will be wrapped up with an awards luncheon for all contestants of the judging contests.

All events are sponsored by the Sonora Lions Club, in cooperation with the Sonora Wool and Mohair Company and the Texas Agricultural Extension Service.

AROUND TOWN

BY HAZEL McCLELLAND

The Sonora Hudspeth Memorial Hospital Auxiliary met May 6th at the home of Mrs. Edwin Sawyer, with a luncheon. Mr. Ray Smith made a talk on the Emergency Response System, a program concerning this system was recently presented to the Hospital Auxiliary. The emergency response units are now available and the system is installed and working. The units are a benefit to anyone who is elderly, who might live alone, or is confined to their home. If you would like more information on this please call the hospital office at 387-2521.

her home May 7th. Supper was served to: Mrs. Ruth Shurley, Mrs. Vivian Crites, Mrs. Guila Vicars, Mrs. A.W. Bishop, Mrs. Mary Barrow, Mrs. Emil Prugal, Mrs. Metha Trainer, Mrs. Lena Belle Ross, Mrs. Leo Merrill, Mrs. R.A. Halbert, club members.

Guest were, Mrs. Norman Rousselot and Mrs. Hazel McClelland.

Mrs. Merrill won high club prize. Mrs. McClelland won the high guest prize. Mrs. Rousselot won the traveling prize and Mrs. Barrow won the bingo prize.

Mrs. Gloria Gordon was in Coleman over the Mothers' Day weekend visiting her mother.

Mr. and Mrs. George Thompson, Tracey and Terrill of Sweetwater were here over Mothers Day visiting her mother, Mrs. Hazel McClelland.

Mrs. Metha Trainer spent Mothers Day in San Angelo with her daughter and family, Mr. and Mrs. Jamie Doka and Lee.

Mrs. Clyde Hill and Mrs. Nora B. Kiser were in San Angelo Friday. They visited Mr. and Mrs. Calvin Van Hoozer. Calvin is in Angelo Community Hospital. Hope you are better Calvin.

Mr. and Mrs. Nolan Johnson are here for several days. Nolan and Helen lived here for several years. We sure do miss them since they moved.

Mrs. Guila Vicars and Mrs. Hazel McClelland were in Mason Friday for the funeral of their cousin.

Mr. and Mrs. Matt Shannon of Big Lake were here visiting their parents, Mr. and Mrs. Charles Shannon and Mr. and Mrs. A.L. Armentrout over the Mothers Day weekend.

Mr. and Mrs. Charles Cusenbury of San Antonio spent Mothers Day with his mother, Mrs. Elizabeth Cusenbury.

Mr. and Mrs. Cody Savell of Canyon spent the weekend with his parents, Mr. and Mrs. Bill Savell. Happy Birthday Mary Barrow.

Man injured

A 76-year-old Sonora man was hurt when he was struck by a car crossing Sidney Baker Friday afternoon, police said.

Jose T. Trevino is in satisfactory condition at Sid Persborn Memorial Hospital, according to a hospital spokesperson.

The victim was crossing the 400 block of Sidney Baker when he was struck by a car driven by Vera Knipstein Bluntzer, 120 Erin, police said. She told officers she was leaving the parking lot at Hunt's United Super onto Sidney Baker and didn't see the man.

Hill's Jewelry named Business of the month

Hill's Jewelry was honored by the Sonora Chamber of Commerce last week as the May Business of the Month.

J.T. and Donna Hill and daughters, Kari and Kristi, moved to Sonora in February of 1972 when J.T. served as SHS head football coach and athletic director. Hill went into the jewelry store business as a partner with Ruth Shurley in 1974 and purchased the store entirely in January, 1977.

Hill is a native of Canadian, Texas, graduated from

West Texas State University, spent two years in the Army's 8th Cavalry, and coached for 14 years: four years in Vega, four in Wheeler, four in White Deer, and two in Sonora.

Mrs. Hill teaches first grade in Sonora I.S.D. Kari is a recent graduate of Angelo State University with a degree in elementary education and Kristi will be a sophomore at ASU majoring in nursing.

Employees at Hill's Jewelry are Olinda Jimenez and Dellia Sanchez.

HILLS JEWELRY BUSINESS OF THE MONTH

Some people believed they could cure various parts of their bodies by throwing models of those parts into a stream.

The first woman newspaper editor in America was Benjamin Franklin's sister-in law, Ann Franklin, who edited the Newport, R.I. Mercury.

Public Notice

OF TARIFF CHANGE FOR PRIVATE LINE CUSTOMERS

Southwestern Bell Telephone Company filed a tariff with the Public Utility Commission of Texas on October 3, 1984, to allow our company to provide additional on-premises Private Line Service only at locations where spare on-premises channel facilities exist.

The tariff will become effective upon approval from the Commission.

If the tariff is approved, the Company would not place new on-premises channel facilities in order to provide on-premises Private Line Service. The company will continue to offer on-premises Private Line Services which are currently being offered. In addition, no change in rates for these services will result from the proposed tariff.

The company does not anticipate any net change in revenues as a result of this tariff.

The Commission has assigned this matter to Docket 6015. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223, or (512) 458-0227, or (512) 458-0221, teletypewriter for the deaf.

Aviso al Público

ACERCA DEL CAMBIO EN EL SISTEMA TARIFARIO PARA LOS USUARIOS DE LINEAS PRIVADAS

El 3 de octubre de 1984, Southwestern Bell Telephone Company registró ante la Comisión de Servicios Públicos de Texas una nueva tarifa que permitiría a nuestra compañía proporcionar Servicios de Línea Privada adicionales en el sitio del usuario únicamente en ubicaciones donde ya existan instalaciones de transmisión disponibles en el sitio del usuario.

La nueva tarifa tendrá vigencia a partir de la aceptación de la Comisión.

De aprobarse la nueva tarifa, la compañía no colocaría instalaciones de transmisión nuevas en el sitio del usuario con el objeto de proporcionar Servicios de Línea Privada en el sitio del usuario. La compañía seguirá proporcionando los mismos Servicios de Línea Privada en el sitio del usuario que actualmente se proporcionan. Además, la tarifa propuesta no ocasionará ningún cambio en las tarifas que se cobran por dichos servicios.

La compañía no anticipa ningún cambio real en los ingresos como consecuencia de este cambio en el sistema tarifario.

La Comisión ha registrado este asunto bajo el Docket 6015. Toda persona que desee intervenir o participar en el presente proceso, debe notificar a la Comisión lo antes posible. Las solicitudes de intervención, participación o información deben dirigirse a: Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Para obtener mayor información debe llamar a Public Utility Commission Consumer Affairs Division, (512) 458-0223, o (512) 458-0227, o al (512) 458-0221 si requiere teletipo para personas con impedimentos de audición.

Arts & Crafts Fair planned

Every year during the Memorial Day Weekend, people from all over the country migrate to the heart of the Texas Hill Country -- Kerrville. Here the refreshing ritual of spring is warmly celebrated in true Texas tradition.

Drawing thousands each year to the springtime celebration is the Texas State Arts and Crafts Fair, the state's only official arts and crafts festival. This year's fair will be held Memorial Day weekend, May 25-26, and again on June 1-2, from 10 a.m. to 7 p.m.

Sixteen acres on the campus of Schreiner College in Kerrville are transformed into fairgrounds, hosting over 240 carefully selected artists and craftsmen who will exhibit and sell a variety of handmade works.

Included in the array of arts and crafts will be hand-painted fabrics; bronze, wood, stone and glass

sculpture; oil, watercolor and pastel paintings; porcelain, clay and stoneware pottery; hand-woven baskets; fine photography; ornamental leatherwork; custom made toys; stained and etched glass; handmade candles; wind-chimes; musical instruments; jewelry and more. Along with the exhibits will be demonstrations of handcraft techniques.

The Fair also offers a variety of entertainment and family-style fun. Both young and older family members will enjoy musical concerts, theatrical performances, clowns, magicians, a petting zoo and a hand-on craft area.

Children can join a fair favorite, Don Sanders, in the Children's Tent for stories and songs especially for them. They can also march along with the Bill Oliver Trio and the Unicorn in a procession as they sing the "Unicorn Song."

Musical entertainment at the Fair will include Shiela Renfro and Splash who will be performing a variety of top 40 songs from several past decades, Bavarian Two which features Ronnie Tippelt and Melvin Scott on accordion and guitar and the Poverty Playboys providing bluegrass at its best.

Hungry fair-goers can treat themselves to sausage on a stick, funnel cake, fajitas, skewered shrimp and grilled chicken in a sesame marinade, bar-b-que turkey legs, strawberry shortcake and ice cream, just to name a few of the taste-tempting selections. Topping off the diverse delicacies will be lemonade, iced tea, soft drinks and cold beer.

Proceeds from this non-profit event will be utilized for the development and appreciation of Texas art and artists. The Texas Arts and Crafts Foundation, which

sponsors the Fair, uses Fair proceeds to implement arts and crafts workshop across the state, and to give numerous scholarships to aspiring young artists.

Tickets are \$5 for adults and \$3 for children 6-12. Children under 6 years of age attend free.

Other exciting Hill Country events and attractions during the Memorial Day weekend which visitors can take advantage of are Funtier Days in Bandera and the annual horse races at Fredericksburg. In Kerrville, travelers can visit the Cowboy Artists of America Museum, which hosts exhibits of painting and sculpture capturing the classic western cowboy theme; the Y.O. Ranch which is a true working ranch and a slice of Africa, too; and the Kerrville Folk Festival which provided down-home music of the folk, country and bluegrass persuasions.

Jewels & Gems

by John Tedford

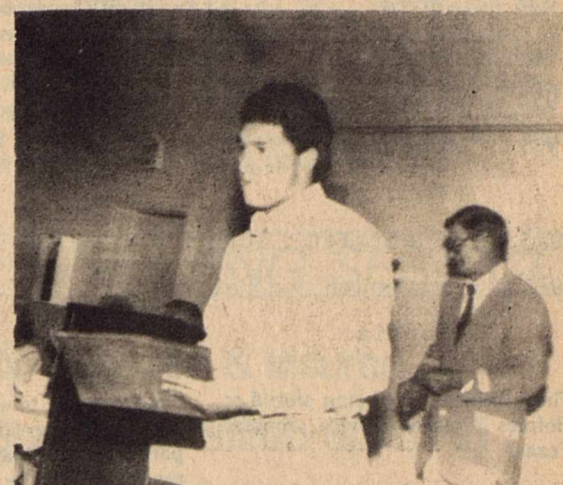

Have you ever looked into your jewelry box and wondered what to do with odd pieces? Perhaps it would make sense to consider "remodeling." For instance, have you lost one precious earring but still have the other? Your jeweler can make it into a stick pin, a tie tack, or a ring. This way, old pearl, diamond, and gold pieces can be rescued and worn everyday. Perhaps you have two or three old rings you grew tired of and haven't worn in years. You can combine the stones, re-use or trade in the old gold, and you'll have a ring with a

fresh new design that suits your current life-style.

Remember, good jewelry is totally recyclable.

With our long experience in the jewelry business, we at Tedford Jewelry feel confident we can help you with your jewelry decisions. We offer a fine selection of high-quality, hand-picked diamonds, pearls, and other gemstones. Our custom work is done by one of the finest professional goldsmiths in the United States. We are here to advise you and serve you in all your jewelry needs.

Hint: Determine the value of a piece of jewelry before going ahead with a remodeling.

1985 SPORTS BANQUET

photos by Carol Jones

Athletes honored

By Carol Jones

Eight Sonora High School Athletes received special awards last Monday night, May 6 during the 1984-85 All-Sports Banquet sponsored by Sonora High School and the Bronco Booster Club.

The Nathan's Award for football was presented to Ruben Garza, the Girls' Basketball Award went to Deborah Bible, the Boys' Basketball Award to Scott Miller, the Best All-Around Girl Award, also known as the Ruth Shurley Award was a tie and went to Debbie Bible and Lea Whitehead, the Best all-Around Boy Award went to Gilbert Martinez, the Tennis Award to Lea Whitehead, and the Golf Award to Jessie Paredes.

This year a new award was established by Bruce Kerbow to go to the best of both the boys and girls in

track. Receiving the Kerbow Award for the first time were Joe Escalante and Gina Heffernan.

Following a barbecue meal catered by Branding Iron Smokehouse, each Varsity Cheerleader was recognized, including Gina Black, Della Heffernan, Janice Gomez Lira, Carrie Craddock, Bonnie Jackson, Sidonna Ridgeway, and head cheerleader Rachel Stephen.

After that, each coach introduced the members of the varsity teams and recognized the junior varsity players. Being recognized were Varsity Football, Jr. Varsity Football, Girls Varsity Basketball, Girls J.V. Basketball, Boys Varsity Track (during which Jose Escalante received a standing ovation), Boys J.V. Track, Girls Track, Boys and Girls Varsity and Jr. Varsity Tennis, and Golf.

State Meet a good one

BY CHARLIE ADAMS

For those that attended the State High School Meet this past weekend, they saw one of the finest track and field meets ever. There were five National records set throughout the two-day event as well as numerous divisional records.

The one with the most attention was the 200m. as it was set three different times. The record prior to the meet was set in Arizona in 1976 by Dwayne Evans at 20.5. On Friday night Joe DeLoach of Bay City (AAAA) broke the record with a 20.4 clocking. Then on Saturday night it was tied by Stanley Kerr of (A) Snook. In the very next race Roy Martin of (AAAAA) Dallas Roosevelt ran a 20.0 that electrified the 30,000 plus crowd.

The 400m. relay team from Dallas Roosevelt with Roy Martin on the anchor ran a 40.0 to break the National record set in 1970 by the team from Dallas Lincoln at

40.2.

The other National record came in the 100m. low hurdles for girls where Tanya Davis from (AAAAA) Houston Sterling ran a 13.0 to shatter the record held by Carol Lewis (sister of Carl Lewis) at 13.5 since 1980.

There were many state records and fine performances at the meet with Iraan's Darla Graham winning the class (A) 1600m. for the fourth straight year and the class (A) 800m. for the third time. Wink's Travis Price won the Class (A) 100m high hurdles and the 300m intermediate hurdles.

Other district 7-AAA performances saw Brent Brevard from Ballinger get 6th in the pole vault and the 400m. girls relay team from Colorado City also getting sixth place.

The meet was a very exciting conclusion to a super year of track and field in the Lone Star State.

ADVERTISEMENT FOR BIDS

Notice is hereby given for the request for bids to the City of Sonora for new vehicles. For more information please contact James E. Dover, City Manager, 201 N.E. Main or phone 387-2558.

The City of Sonora has developed a proposed Texas Community Development Program application to be submitted to the Concho Valley COG Regional Review Committee and Texas Department of Community Affairs.

The City will conduct a public hearing to allow affected citizens an opportunity to comment on the program of activities and to submit comments on the proposed application. The public hearing will be held at City Hall, Sonora, Texas, at 9 a.m. on May 21, 1985. general information on the TCDP program will be available. More detailed information on

the kinds of activities, amount of funds and proposed location of activities is available for inspection at the City Hall. All interested groups and citizens are invited to examine this proposed application and to submit comments prior to the public hearing. Handicapped individuals who may have difficulty in attending this meeting should contact City Hall to arrange for assistance.

For further information contact Billy C. Gosney, City Hall, at 387-2558.

Soil Stewardship week May 12-19

Theme: "Tomorrow Together" The Edwards Plateau Soil and Water Conservation District has announced they will join in the national observance of Soil Stewardship Week to take place May 12-19 according to an announcement by Norm Rousselot, chairman of the district.

The theme of this year's observance is "Tomorrow Together". This focus is especially appropriate as our survival depends on each other, other living things and the basic necessities of soil and water. Together we must work for the good of all to utilize, conserve and properly manage those resources in our care. Participation in Soil Stewardship Week activities offers an opportunity to reflect on the nation's natural renewable resource problems and consider actions to resolve them or reduce their impact.

The Edwards Plateau SWCD was organized in 1946 for the purpose of offering farmers, ranchers and the local community a voluntary conservation technical assistance program through which individuals could seek and request

reports submitted by our agents throughout the state. No experience necessary; Paid to complete training. Work at home. For information send self-addressed, stamped envelope 9 1/2 inches long to: AWGA, Dept. E, Box 49204, Atlanta, GA 30359.

LOST & FOUND

CHULITA SELLS HIGH
Is this a poodle or is this an Angora? Actually, Chullita is a three month old Angora kid who was auctioned 10 different times at the Eighth Annual ICA Benefit Cattle Drive held May 11 in Nixon. Mrs. Ruth Espy donated Chullita and Dr. Patti Strauch donated the clip that made the goat look so much like a poodle. A total of \$4,650 was raised by the 10 sales of Chullita. According to Mrs. Espy, Chullita was bought by 10 different

buyers and 9 of them gave her back to be auctioned again. The final buyer and new owner of the kid was a doctor from San Antonio. For the past four years an Angora kid has been donated by Sutton County ranchers in an effort to raise money for the ICA. Dr. Strauch has clipped each of these goats free of charge for the association. Mrs. Espy stated last week that Chullita enjoys grass but also eats pecans, crackers, and what else but dog food. Final planting date set

May 31 is the final planting date for insured grain sorghum in Sutton County, according to Dottie Sampley, District Representative for the Federal Crop Insurance Corporation (FCIC).

Insured grain sorghum planted by May 31 must be reported by June 15 in order to receive full crop insurance coverage. The acreage report reflects the actual acreage planted and reported by the farmer.

In order to provide some flexibility on planting dates, a late planting option may be exercised by farmers who find themselves unable to plant their crops on time due to adverse weather. The late planting option provides insurance coverage for the late planted crop, but at a lower guarantee.

For insured farmers, "Entering into the late planting option is not automatic," Sampley said. "Farmers wishing to use the late planting option must sign an

agreement prior to the final planting date in order to have coverage under the late planting option."

"Increasingly, our insured producers are discovering that with yield guarantees which reflect production capability, crop insurance establishes a farm income floor. Thus, cash flow and the ability to repay a loan can be more accurately projected," explained Sampley. Farmers wishing to discuss local conditions that may affect planting should contact their local, authorized crop insurance agent.
