

Bull Town Bulletins

By
Bill Ellis

THE STATE Legislature convened this week in Austin, and lawmakers are faced with a critical problem.

The problem isn't necessarily new: lack of money. This time around, however, the solution may cause lawmakers more than a little concern.

The legislature is aware that many parts of the state are in a depressed condition, due to the collapse of the oil and gas industry. And the bad situation in agriculture leaves this portion of the state not far behind in the "woe" category.

Local and county officials already have agonized over the tax situation, as was evidenced here last summer when the new evaluation procedure was established. With income down, taxpayers are understandably cautious about the tax situation.

State comptroller Bob Bullock pointed out this week that the big problem facing lawmakers is a \$5.8 billion deficit in the state budget. This amounts to about 15 per cent of the current budget total, and Bullock warns that you cannot cut everything 15 per cent across the board without doing serious damage to the responsibilities of state government.

The deficit amounts to more than will be brought in by the state sales tax in one year, and more than will be raised through the state's franchise tax and oil and gas taxes over the next two years, so it is a serious problem.

Bullock says the state's current tax structure leans too heavily on the oil and gas industry, and that the only way to deal with the problem is to broaden the state's tax base. The state official has predicted a tax collection decline of 2.9 per cent for 1988-89, the first revenue drop in the state in 30 years.

One of the proposals to help the state's budgetary problems is that of creating a state lottery. Bills have already been introduced to create such a lottery. Backers say a state lottery would bring the state up to \$600 million a year in a "painless" tax, a program in which those taking part do so willingly.

But the lottery question is bound to face a lot of debate before it is passed. Lawmakers will be hesitant to pass such a program that deviates somewhat from the state's historically conservative outlook.

However, desperate times may dictate desperate measures.

In addition to the budget problems, the legislature has a number of items that will demand a lot of their time.

These include prison reform. Texas is being faced with a possible \$24 million a month fine due to failure to complete numerous reforms such as increased capacity and additional guards. This week, the state penitentiary in Huntsville had virtually reached its capacity.

Also, higher education will receive a lot of priority. Lieutenant governor Bill Hobby thinks budget cuts made earlier may have severely damaged the state institutions of higher learning.

Public education also will come into its share of discussion. A major item will once again be the "no pass, no play" rule. Governor-elect Bill Clements favors rolling back the suspension period from six weeks to three weeks.

All in all, it bids to be a busy and important session for state lawmakers. And, with all of the business they have to conduct, some observers are predicting even now that it won't all be completed without a special session after the conclusion of the regular legislative session.

TEXAS TRIVIA: Guadalupe Peak, in Southwest Texas, is 8,751 feet high and is the highest mountain peak east of the Rockies. It is said that a number of servicemen won bets on that piece of trivia during World War II.

EMPLOYEE OF THE MONTH....Joe Olvera accepts a \$50 savings bond from Bob Owen of the Chamber of Commerce. Joe was nominated by the Bovina Supermarket, where he is an employee.

Sherley-Anderson Buys Worley Grain

Worley Mills has sold three of its four grain elevators to Sherley-Anderson-Pittman for an undisclosed amount.

Rick Worley, manager for Worley Mills, said the purchase by Sherley-Anderson-Pittman involves Worley Mills warehouses north of Clovis, Pleasant Hill and Farwell. The Worley Mills elevator in Tucumcari is not covered in the purchase, he said.

The final purchase agreement was reached on December 22, according to Sherley office manager Fred Chandler.

Farmers who plan to bring grain to three Worley Mills elevators can now receive Commodity Credit Corporation (CCC) loans, as a result of the purchase.

Since November 21, the elevators were unable to issue the loans because of an inability to meet financial requirements, according to a notice supplied to the Curry County Agriculture Stabilization and Conservation Service by James E. Springfield, assistant deputy administrator for commodity operations in Washington, D.C.

CCC, a division of the United States Department of Agriculture, is a major lender of price support loans.

Hay Worth, a spokesman at the Agriculture Department's warehouse licensing division in Kansas City, Missouri, and Chandler said

farmers will be eligible for CCC loans, if the grain is ultimately stored at the Worley Mills elevator in Farwell. Worth said Sherley-Anderson-Pittman has a permit under the Uniform Grain Storage Agreement Act for the Farwell elevator.

Worth and Chandler said the Worley Mills Clovis and Pleasant Hill warehouses are merely pick-up stations. The commodities brought to the stations are then shipped to the Farwell elevator, they said.

Rick Worley said he was pleased with the purchase by Sherley-Anderson-Pittman. "The purchase of Worley Mills will help the farmers a great deal."

Joe Olvera Is Honored By C-C

The Bovina Chamber of Commerce and Agriculture have begun a program to honor an employee of the month. They have conducted businesses and explained the program. Each individual business chose a nominee. On the first of the month, the Chamber contacts the business to get the name of the nominee.

Joe Olvera has been nominated by the Bovina Supermarket where he works in the meat market. Joe will receive a \$50 savings bond, courtesy of the Chamber.

The Chamber is now making plans for the annual banquet to be held in March.

The Chamber of Commerce and Agriculture was created to promote Bovina. If you have any suggestions that you think would work better, please share them with any Chamber member.

Deaf Smith REC Is Free Of REA Debt

Local patrons of Deaf Smith Electric Cooperative can expect an increase in their capital credit payments after the REC relieved itself of its debt to the Rural Electrification Administration December 30.

The REC, which serves a large portion of Castro, as well as Deaf Smith and Parmer Counties, took advantage of a new law that allows REA borrowers to prepay the outstanding balance on their REA notes at a discount. Deaf Smith is one of just two RECs to take advantage of the one-year offer, and received a 30.6 per cent discount on its debt of \$9.7 million plus interest.

"We determined, after a financial study, that this action was in the best interests of the members of the cooperative," said Board Chairman Eldred Brown. "Some people say we are a wheeling-dealing cooperative, but we try to take advantage of situations like this where we can cut down on the cost of electricity for our members."

"Electricity costs will not be lowered, but there will be increased capital credit payments in the near future," said James Hull, DSREC president and general manager. "We would be remiss if we did not take advantage of a chance to write off \$3 million in debt."

Hull explained the action would reduce debt payments, provide relief from REA regulations and requirements, and increase the

DSREC equity. In order to pay the \$6.6 million owed to REA, the REC used funds it had saved over the years and a loan from the National Rural Utilities Cooperative Finance Corp. (CFC).

"For future needs we have the CFC, which is owned by all of the cooperatives in the country and is free of government control," Hull said. Hull said freedom from the REA would mean the REC would not have to meet certain government requirements, and said REA would have forced DSREC to spend \$2 million in the near future to replace some existing lines which Hull said "are sufficient and should best be left alone...No changes are anticipated, and our line construction and safety standards will remain the same."

"We're not mad or unhappy with the REA," said Anthony Acker, a board member from Nazareth, "but it's an economic move designed to save dollars for the members of this cooperative."

Hull said it was not known how much the capital credit payments would increase because of the action. Patrons of DSREC receive capital credit payments annually based on the profit made by the cooperative and the amount of electricity used by each patron.

Brown and Hull explained Congress enacted the law last October 21, but the bill did not go into effect until December 30, and DSREC, which had been studying

the bill for some time, decided to go ahead with the plan immediately to avoid possible tax penalties that could be imposed by the new tax laws, which went into effect January 1.

Farm Seminar Set Thursday

"Farm Decisions for 1987" is the title of a seminar to be held on January 15 in the Friona Community Center. Specialists with the Texas Agricultural Extension Service will present programs ranging from Russian aphids to computers, to wheat rust and fertilizer in 1987.

All area farmers are invited to attend the meeting which will begin at 9:30 a.m. and conclude at noon. The Parmer County Extension Service is sponsoring the event.

Speakers will include Dr. Pat Morrison, Extension entomologist who will speak on insecticides for 1987 and the Russian wheat aphid; Dr. Michael Hickey, Extension soil chemist who will speak on soil testing and the TAES soils laboratory.

Martin Chandler, County ASCS director, will give an overview of the 1987 Farm Program and Jackie Smith, Extension economist will discuss computer decision-aids for the 1987 farm program. Dr. Harold Kauffman, Extension pathologist, will discuss wheat rust and other disease problems.

REC BOARD....Deaf Smith Electric Cooperative, Inc. board members who made the decision to prepay all of the REA loans include from left to right-Wendol Christian, Clark Andrews, Jerry Roberts, secretary, James Hull, president and general manager, Eldred Brown, chairman, Donald Wright, vice-chairman, Anthony Acker, and Clarence Martin.

Court OKs Investment

At the December 22 meeting of the Parmer County Commissioners, re-investment of certificate of deposit funds was a main item of business.

The court voted unanimously to re-invest money from a \$200,000 farm to market CD, maturing December 31, 1986, into a certificate of \$150,000 maturing March 31, 1987, and \$50,000 was transferred into the checking account.

County Clerk Bonnie Warren asked that money be put into the 1987 budget to purchase a computer for some of her records, including payroll and accounts payable. A motion was passed to purchase the machine for the clerk's office.

A motion was passed to Steve Sherrill Lumber \$2,500 for the remodeling job being done on the sheriff's office.

Soil work was approved for the Arnold Hromas farm, to be done when machines are not otherwise being used.

A bill from a court reporter, in the amount of \$500, was approved.

DECEMBER 30

New Courtroom Dedication Held

A dedication ceremony for the newly-remodeled 287th District Courtroom at the Parmer County Courthouse was held Dec. 30.

District Judge Jack Young opened the ceremony and introduced the guest speaker, Judge John Thomas Boyd, Associate Justice of the Court of Appeals in Amarillo.

Boyd had served on the trial bench for 64 years in Plainview. He has served five years on the Court of Appeals. His first case that he ever tried was in Parmer County's courtroom.

Boyd commended Young for being recognized as an outstanding trial judge in the United States.

Boyd said the courtroom was important to everyone and that it stands for a rule of law, which sets man apart from the barbarians. He reminded us that the colors in the flags remind us that we live under a rule of law.

Boyd spoke about the right to have a trial by jury. He said that

out of 170 countries only 9 have such trials.

After the dedication speech, Young presented a painting print of the Parmer County Court House to Boyd in appreciation for his delivering the dedication speech.

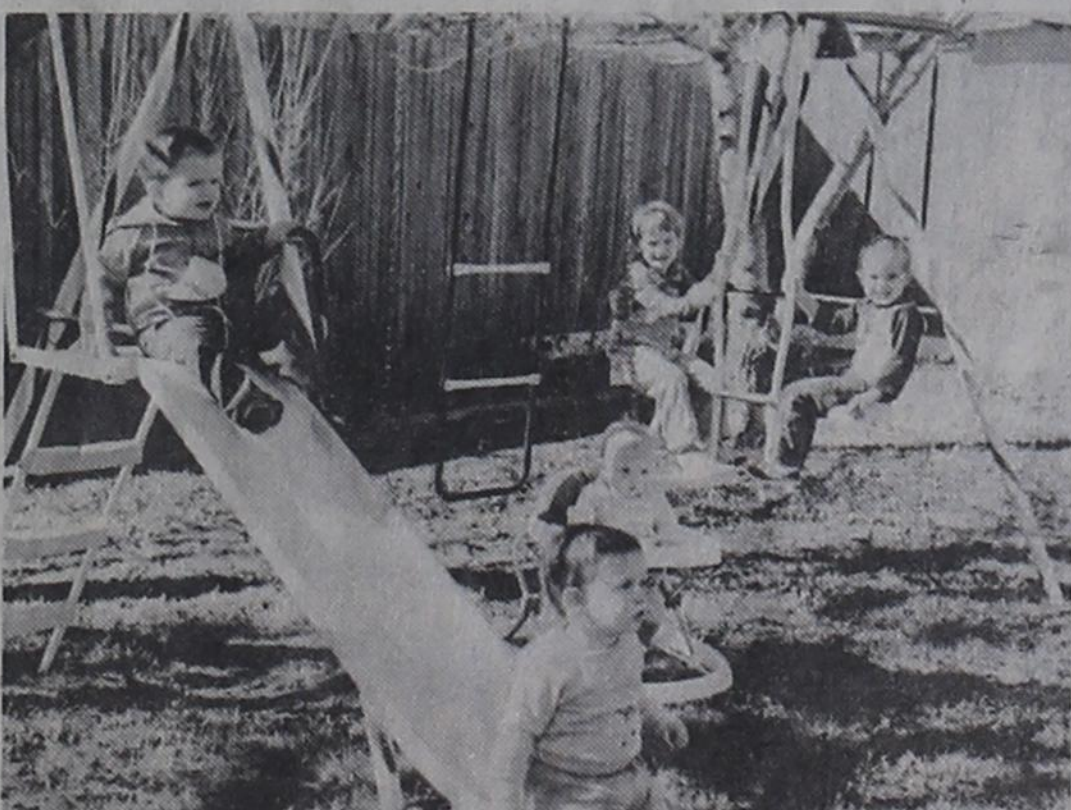

Young recognized the painting contractor, Larry Price; the carpenter, George Servantius and the contractor, Jay Sherrill of Bovina for the work they did in remodeling the courtroom.

Young also presented the members of the commissioners court a special plaque of recognition for the contributions they made to help with the remodeling.

Young recognized Dolly Aldridge as an honored guest.

Hugh Moseley gave the benediction. Refreshments were served.

The courtroom was remodeled after part of the ceiling gave way last December.

SPRING WEATHER....Shown are youngsters at Susan Kerby's day care center, as they venture to play outside, even though it is only January. Local residents enjoyed themselves Tuesday, when the temperatures were near the seventy degree mark.

CELEBRATES BIRTHDAY.... Charlsie Eubank celebrated her 80th birthday with a surprise party and visit from five of her six children. Also with her were ten grandchildren and four great-grandchildren. Her children came from California, Wisconsin, New Mexico and Texas to be with her on this special day.

C. Eubank Feted On 80th Birthday

Charlsie Eubank was honored this week with a surprise birthday party and several days of celebrating with five of her six children. It was her 80th birthday. A party was held at the Senior Citizens' Center for Mrs. Eubank and her children completely surprised her when they came from Wisconsin, California, Texas and New Mexico. Ten of her grandchildren were here from Lovington, Decatur, and San Antonio. Four of her great-grandchildren came from Hereford. Friends came from Morton.

Several friends from Bovina were present to wish her a happy birthday and two lovely friends came to her home with food the first night the children arrived. They were Sid Lloyd and Minnie

Kelso. Charlsie said this is the first time her children had all been together with her at the same time in thirteen years. Her daughter, Carol Eubank of Longview, was unable to be with the family.

Those in attendance were: Jim and Betty Locy of Kimberly, Wisconsin; Shirley and Butch Wright of Coalinga, California; Raymond Eubank of Questin, California; Clyde and Leta Eubank of Hereford; Ben and Owassa Eubank of Crossroads, New Mexico.

Charlsie's sister-in-law, Lillian Courtney and several friends came from Morton. Friends, J.D., Doris and Lockley Vick, came from Morton.

A host of Bovina friends also enjoyed the festivities.

WINDBREAK TREES can be ordered through the Parmer County S.W.C.D. by contacting their office in Friona.

Windbreak Trees Offer Protection

Living in the Texas Panhandle, everyone knows the wind never stops blowing. That's why there are many values of a properly planned windbreak. An effective windbreak may provide protection from the hot, dry winds of summer to the icy winds and snow of winter.

A windbreak may reduce wind speed to one-third its normal velocity thus saving up to 30 percent on home heating and cooling costs. Not only will the fuel bill be less costly, a windbreak will also be helpful in preventing wind damage by protecting homes, gardens, and even lawns as well as livestock.

method of protecting livestock from the icy blasts of winter winds and snow.

Location and arrangement is an important consideration in planning an effective windbreak. A windbreak is most effective when placed in a shape of an "L," "U," or "E" around that which is to be protected. By planting a windbreak this will also furnish a nesting place for numerous types of birds as well as other wildlife.

In short, an effective windbreak is an inexpensive way to not only beautify a home but also reduce home heating and cooling costs by providing protection.

The Parmer County Soil and Water Conservation District can assist you in planning and designing your windbreak. This free technical assistance provides you with a design and cost estimate. To keep your windbreak growing healthy, full, and beautiful, a trickle watering system may be installed. The trickle watering system is easily installed and can be used for flower beds, gardens and lawns as well as windbreaks.

Windbreak trees and trickle systems can be ordered through the Parmer County S.W.C.D.

For more information call (806) 247-2220 or come by 1306 West Ninth Street in Friona. Deadline for ordering trees is March 1.

REFLECTIONS

...from The Bovina Blade

30 YEARS AGO--JAN. 9, 1957

Bovina students and teachers--some of them at least--enjoyed two more days of vacation last week after attending school one day following their two-week Christmas-New Year's dismissal. Those who didn't enjoy the idle two day session were those who had the measles. And that was the reason school was dismissed.

Installers from Automatic Electric Company have arrived in Bovina to begin installing dial equipment in the new Bovina dial building located between Avenue A and Avenue B on the alley west of Second Street.

Bovina city commissioners voted unanimously Monday to pass a paving law for the City of Bovina. Henry Minter, city secretary, was instructed to ask Sam Aldridge, city attorney, to draw up the law immediately so it could be signed and put into effect by the commission.

Farm income in Parmer County pushed to the highest point in history in 1956, in spite of history's greatest drought in the Plains states, the annual county agent's report showed this week. Gross income totaled \$26,500,000 from the sale of cash crops.

25 YEARS AGO--JAN. 10, 1962

Bovina Schools Superintendent Warren Morton is in Austin to attend the annual School Administrators Advisory Conference on Education.

Time is running out for payment of 1961 taxes. With 21 days remaining before the January 31 deadline, taxes of Bovina Independent School District are about 15 percent collected, according to Mrs. Pearl Dodson, school tax assessor-collector. Statement of condition of First National Bank of Bovina at the close of business December 31, 1961, shows that deposits are increased from the same time a year ago.

The trailer house home of Mr. and Mrs. Jack Kesler was destroyed by fire here Tuesday morning.

Burglars made another of their all-too-often attacks on Bovina businesses over the weekend. Their efforts netted little gain, however, as they broke into Charles Oil Co. service station and Paul Jones Texaco station on Highway 60.

20 YEARS AGO--JAN. 11, 1967

Bovina Volunteer Fire Department was called to Bovina Gin Co. Friday morning to help control a fire in the burr pit which began during blowing dust and high winds which gusted to 60 miles per hour. The fire department quickly extinguished the threat to nearby cotton trailers and the gin plant.

Ground work was laid Wednesday noon at a meeting of the Bovina City Council and Santa Fe officials from Amarillo for better protection of vehicle drivers at the two railroad crossings in town, one on Third Street and the other at the east end of Main Street.

The seventh annual Bovina Chamber of Commerce and Agriculture Banquet will be held this year on Thursday, March 16.

Proposed building programs for Bovina Independent School District were discussed in an open meeting Monday night in the school cafeteria.

15 YEARS AGO--JAN. 12, 1972

There were no injuries in a spectacular car-truck crash about 9:30 Tuesday morning at the intersection of Highway 60 and

Third Street when an automobile was struck by a loaded cattle trailer truck.

The contract of Superintendent L.F. Jacobs was extended for an additional year at a regular monthly meeting of the board of trustees of Bovina Independent School District Monday.

Six Bovina businesses were burglarized Monday night, according to Parmer County Sheriff Charles Lovelace. Entrance to the buildings was made by prying doors open.

Burning trash, spread by high winds, resulted in a \$20,000 to \$25,000 blaze late Saturday afternoon at the brick farm home of Mr. and Mrs. James Ensor, about two miles south of the Oklahoma Lane community.

10 YEARS AGO--JAN. 12, 1977

Snow, which began late Saturday afternoon, and a brisk north wind combined to chill anyone venturing out of doors, severely restricted visibility and caused hazardous driving conditions for motorists during the weekend. Approximately three inches of snow fell in the Bovina area, although drifting prevented accurate measurement.

The regular monthly meeting of the Bovina City Council was held on Thursday, January 6 with an agenda of ten items to be considered. The council accepted a bid of \$11,900 from Sherrill Lumber Co. for remodeling and renovation of City Hall.

5 YEARS AGO--JAN. 13, 1982

The Bovina Christmas Card Project netted \$1,212.68.

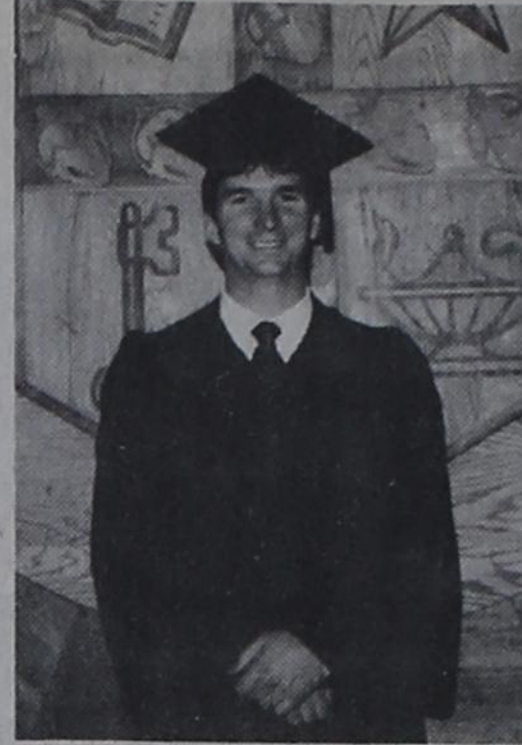

As of Tuesday, January 12, a total of 60,701 bales of cotton had been ginned.

Butch and Ben McCain, newscasters for Channel 4 in Oklahoma City, were recently interviewed for "P.M. Magazine," a nationally telecasted show which features local interest stories, it was announced Friday by Robbie Robertson, their agent.

Porter V. Roberts, who is in his third year as Parmer County Judge, announced this week that he would be a candidate for reelection, subject to the Democratic primary in May.

Sheriff's Report

On January 2, Lawrence Widner reported that someone had taken a John Deere land plane belonging to him from Lariat.

CARL WILLIAM (BILL) LOWE graduated from Texas Tech University, Lubbock, December 20 with a Bachelor of Science Degree in Entomology. He is the son of Gene and Barbara Lowe.

Colts Win Over Cowboys

Monday, January 12, in Happy, the Colts triumphed over the Cowboys with two wins.

Bovina's eighth grade team had an excellent game, scoring 39 points to Happy's 15.

Those scoring for Bovina were Genaro Ruvalcaba 2-1-5; Robert Guevara 3-0-6; Rodney Shepherd 2-2-6; Corey Kirkpatrick 6-2-14; Lupe Gomez 0-1-1; Mike Bermea 3-1-7.

The seventh grade boys ended the evening with an equally exciting game with a score of 20-10.

Scoring for Bovina were Kory Mitchell 1-0-2; Juan Reyna 5-0-10; John Ortiz 2-0-4; Alex Olivarez 2-0-4.

The Lions' Roar

The Bovina Lion's Club met Thursday, January 8 at the Bovina Truck Stop for their regular meeting and a steak dinner.

During the meeting, it was announced that the Lion's Club now has a Flag Wagon and it was purchased for \$100.

Two businesses were recognized for the work on the flags and they were Sherrill Lumber and Bovina Pump Company.

The district governor of the Lion's Club will meet with the Bovina Lion's Club on January 22.

Those present at last Thursday's meeting were Bob Owen, Bedford Caldwell, Jay Sherrill, Kenneth Cary, Ronnie Cary, Harry Jay Charles, Pat Kunselman, Jim Russell, Wayne Spears, Keith Knight, Dwain Nance, Vernon Willard, Billie Sudderth, and J.W. Wright.

Seventh Girls Down Happy

The seventh grade girls upped their season record to 7-2 with a win Monday night over Happy, 30-10.

Scoring for the Colts were Donna Griggs, fifteen points; Beliza Torres, eleven points; and Nita Marshall, four points.

Coach Rundell commented, "Nita had her best offensive game of the year. She drove the lane and shot real well. Donna also shot well and was 3 of 6 at the free throw line."

The eighth grade girl lost to an unbeaten Happy team, 5-48.

"We just didn't shoot enough to have a chance to win. We are going to have to learn how to handle a tough full court press better, also. Our free throws were the highlight of our game. Keri Mitchell was 2 for 2 at the line for 100 per cent. Mendy Rhodes was 2 of 3 for 66 per cent. Leah Steelman was 1 of 3 for 33 per cent. As a team, we made 5 of 12 for 42 per cent," Coach Rundell remarked.

The Junior High girls will be playing in the Friona Tournament this weekend.

Study Club Hosts Doctor

The Bovina Woman's Study Club met Thursday, January 8 at the First State Bank Community Room with nine members and one guest present.

Dr. Woollends was the speaker and the ladies enjoyed the visit and getting acquainted with him.

Sandwiches, cake, chips, dip and vegetable sticks were served to Barbara Hughes, Lee Stevenson, Yvonne Stevenson, Carlene Jones, Alene Russell, Hartz Cary, Joe Looney, Bernice Hartzog, Alma Clayton and one guest, Jane Kassahn.

The next meeting will be February 12 and will be husband's night, and the Valentine party will be held at the Methodist Church in the Fellowship Hall.

Fire Dept. Elects Officers

Members of the Volunteer Fire Department met Monday night for their regular meeting and during that time elected officers for the new year.

New officers are: Artie Kunselman, chief; Radford Venable, assistant chief; Ray Rocha, Sr., Captain 1; Lupe Salazar, Captain II; Jim Guest, Lt. 1; Ray Rocha, Jr., Lt. II; Anita Guest, secretary-treasurer; Kevin Hughes and Lee Marquez, custodians; Joe Olvera and Andy Garza, cooks.

SHARE YOUR CREDIT UNION WITH FRIENDS

Scooter's Scoops

By Scooter Russell

The holidays are all over and things are back to normal. There has been a lot of sickness in our community, but most enjoyed the holidays with family and friends.

We have not heard about a "first baby" for the new year and if you know of one having arrived, please give us a call.

Again, how very pretty the flags were over the holidays and we appreciate the Lion's Club for taking time to do this for the community.

Jerry Ware suffered a broken hip during the holidays. She fell when she missed a step. She was visiting her son, Jim, and his wife, Dorothy, who live in Maud, Texas. They were visiting with a friend at the time. Jerry is getting along fine after undergoing surgery and is out of the hospital. If you would like to drop her a card, she's at Jimmy's home, Box 273, Maud, Texas 75567.

Gilbert and Mamie Rasco of Baton Rouge, Louisiana were in Bovina over the Christmas holidays visiting with Gilbert's sister and her family, Dee and J.D. Terry.

Also visiting with the Terrys were their sons and families, Edward Terry from Clay's Corner and Eugene Terry from Plainview.

Rick Kunselman and his family were in Bovina spending the holidays with Rick's parents, Pat and Pat Kunselman. Rick is in the Air Force and is stationed in Virginia.

On Christmas Day, the Pat Kunselmans hosted Christmas dinner for members of their family and the Jim Russells and their families.

One day, Rick and his wife, K.C., treated the families to a Japanese meal, and during the holidays, Jim and Scooter hosted a fish fry for both families.

We congratulate Elaine

Jr. High Girls Lose Close One

The Bovina eighth grade girls drew Littlefield their first game in the Littlefield tournament.

The girls lost in a heart breaker, 12-14.

Coach Rundell stated, "This was the closest we've been to a win all year. And we had our chances to win this one. Our free throws really hurt us, making only 8 of 27."

Scoring for the Colts was Leah Steelman, eight points; Keri Mitchell, two points; and Mendy Rhodes, two points.

In their second game, the girls played Olton, and were beaten, 9-20. Scoring for the Colts were Leah Steelman, four points; Keri Mitchell, three points; and Christy Scott, two points.

Glasscock and Mac Glasscock on the birth of a first grandchild. He was born December 30 and was named Jason Christopher. He will be called J.C. His parents are Terry and Keri Glasscock of Lubbock. Also, congratulations to Bovina great-grandparents, Mr. and Mrs. Alvin Glasscock.

Tom and Nannie Rhodes spent Christmas with their daughter, Dorothy Sims, and her family at Happy, Texas. Shortly after Christmas on December 29, the Rhodesses had a new great-grandchild to be born, Adam Michael. His parents are Mike and Daylene Sims of Happy. This is their second son.

Elmer McKay was taken by Bovina Ambulance to the Clovis High Plains Hospital two weeks ago last Saturday. He was taken to the Methodist Hospital in Lubbock later and underwent gall bladder surgery on Monday of last week. This is the same side that he had a spot taken off of his lung a short time ago. He is in room 688 and can have company in a few days.

Wiley and Velma Lide enjoyed company during the holiday. Their granddaughter Terry and Scott Begin and their baby, Sarrah, were visiting from Los Cruces, New Mexico.

The Don Murphys had a houseful of company during the holidays. Juanda's brothers and families were visiting, Bobby and Janice and their children, Paul and Beth Ann of Alice and their friend, Glen Heard of South Texas. Juanda's other brother, Howard, from Ft. Stockton, Texas and Dwayne and Jeanne from Midland and their children, Trisha and Tyler and his wife Michelle of Abilene.

Also with the Murphys were Juanda's dad, Elmer Patton of Ballinger, the Murphys' son, Rodney and Suzanne Murphy and sons, Adam and Kip from Abilene. Also with the family were their daughter, Darlene and her children, Chris, Brandon and Rebecca of Bovina.

Visiting also were Jack and Lori Sellers of Ft. Worth. Jack is a friend of Dwayne and Jeanne's. They all enjoyed a good time together.

Velma and Richard Grisham and family spent Christmas in Arkansas with Velma's mother. Her mother had surgery before Christmas and Velma spent a couple of weeks with her then.

Arlene Smith was in Bovina for two weeks during the holidays visiting with her parents, Billy and Suezey Smith. Arlene had been working at Providence Hospital in El Paso and she has changed jobs now and is working with Children's Rehab Center in El Paso.

Edna Estes is home now after

having surgery at Methodist Hospital in Lubbock. She had four bypasses but was able to come home on Saturday before Christmas.

Lee and Earl Stevenson enjoyed Christmas with their family and Lee said they had Christmas for two weeks. During that time their son Gary and his children, John, Stephanie, Tonya and her friend Bret of the Dallas area were here. Also with the family were Oakley and Yvonne Stevenson and their son Stephen and Karen and their children, Cale and Carrie.

Gene and Barbara Lowe had all of their children home for Christmas, their sons Richard and Bill of Lubbock and their daughters and their husbands, Sue and Devin Coffey of San Antonio and Cathy and Mike Rogers of Lubbock. They enjoyed a good time together.

Joe Jones, manager of Agri-Sprayers, attended the TAAA, Texas Agriculture Aviation Association in Austin. He went January 6 and returned home January 9.

Joe said it was a good meeting and he really enjoyed seeing some of our people there. He visited with Ralph Roming, Texas Water Commissioner, who showed him through the capitol. He visited with Ralph's secretary, Jackie Nabors, another former Bovina resident and also Carol Ware, who works in the same office. He also visited with Ken Horn who has an insurance office in Austin.

Joe said it was very dry in the Austin area and they were needing moisture badly.

Robert and Emmagene enjoyed company over the holidays. Their son, James and Lavonda Calaway and son Coy came on New Year's Day and the family celebrated Christmas at that time. They spent the night and returned to their home in Dalhart the next day.

Marty Spicer came home for the Christmas holidays and the family

BHS Teams Top Happy

Both Bovina High School teams scored wins in their second district contests here last Friday.

The Fillies scored a 53-46 win over Happy, while the Mustangs took a 46-44 decision for their second win.

Robbie Stowers set the pace for the Fillies in the first quarter as Bovina took an 11-8 lead. Peggy Shepherd and Mindy Neal were both clicking in the second quarter. Miss Shepherd scored ten points and Miss Neal 11, as Bovina took a 32-20 halftime lead.

The Fillies opened up a 44-24 lead after three quarters, and were able to do some coasting. Happy cut into their lead somewhat, but the Fillies' big lead was too much.

Miss Neal, who hit a sizzling 16 of 17 from the foul line, led all scorers with 26 points, and Miss Shepherd had 17.

Scott Scaff came out firing for the Mustangs, hitting six of Bovina's 16 first-quarter points, as the Mustangs took a 16-12 lead.

But the team's scoring quit suddenly in the second quarter, as Happy overtook them and took a 24-20 halftime lead. Byron Neal and Bud Venable scored Bovina's only two baskets in the period.

But the Mustangs came back with a bang in the third quarter. Scaff scored five points and Neal four, as the Mustangs regained the lead, 35-30, heading into the final quarter.

Scaff took over the scoring chores—scoring all 11 of Bovina's fourth-quarter points, as the team held off Happy's challenge to win the game, 46-44.

Scaff led the scoring with 22 points and Neal had eight.

FILLIES 53, HAPPY 46
Anna Villarreal 0-0-0; Peggy Shepherd 6-5-17; Mindy Neal 5-16-26; Sharlet Johnson 1-0-2; Robbie Stowers 3-2-8.

MUSTANGS 46, HAPPY 44
Scott Sudderth 1-0-2; Noah Villa 1-0-2; Matt Fox 2-0-4; Denver Riddle 2-0-4; Scott Scaff 8-6-22; Bud Venable 2-0-4; Byron Neal 3-2-8.

spent Christmas Eve at the Spicers' daughter's (Nena's) home in Hereford and had Christmas dinner with their daughter, Kay and her family in Farwell.

Thelma Barron's brother, J.D. Free of Redding, California, died Sunday morning. Thelma, her brother Dick and her son Donald Ray flew to California for the services.

Thelma's husband, Ruel, underwent surgery two months ago so he was unable to make the trip. His granddaughter, Beth, came to Bovina to spend a few days with him. She is a student at Tech.

J.D. Free was survived by his wife and three daughters.

Margaret Brown suffered a heart attack last Wednesday and is listed in stable condition in Parmer County Community Hospital.

The weekly study continues at Tammy Willard's home, each Friday morning from 9-11 a.m. Wilma Fulgham of Clovis is teaching and the study topic January 16 is "How Can I Love You, Let Me Count the Ways?" All women of the community are cordially invited to attend.

Teams Win District Games At L.H.S.

Bovina High School's basketball teams opened their district schedules with a pair of hard-fought wins over Lazbuddie teams last Tuesday night at Lazbuddie.

The Fillies scored a 47-39 win, but it took an overtime period for the Mustangs to claim a 51-50 win over the Longhorns.

In the girls' battle, Mindy Neal connected on three baskets and a free throw and Peggy Shepherd chipped in a pair of field goals, as the Fillies took an 11-10 lead at the end of the opening quarter.

However, the Lazbuddie girls outscored the Fillies, 10-9 in the second quarter to tie the game, 20-all at the half.

The Fillies came back from the intermission with determination. Miss Neal scored three more baskets and a free throw, and Miss Shepherd added two from the field, as Bovina opened up a 38-28 lead.

Lazbuddie cut into the lead somewhat in the final quarter but could not complete the comeback. Miss Neal was the leading point-maker with 19 points and Miss Shepherd had 13.

The boys' game was a close one from start to finish. Scott Scaff and Woot Sudderth each scored a pair of first-quarter baskets, but

Tim Lust sparked the Longhorns to a 12-10 lead.

Both teams scored ten points in the second quarter, so Lazbuddie went to halftime holding a 22-20 lead.

Scaff hit a hot streak in the third quarter, making three from the field plus completing a three-point play with a free throw. Denver Riddle added a pair of baskets, as Bovina tied up the game, 33-31 at the end of three quarters.

Scaff's pair of baskets were offset by a pair by Lust in the fourth quarter, as each team scored ten points and ended up regulation time all tied at 43.

In the overtime period, Sudderth scored two baskets, and Scaff and Matt Fox each scored once, as Bovina outscored their hosts, 8-7 and held on for the win.

Scaff led the scoring with 19 points, one more than Lust scored for the Longhorns.

FILLIES 47, LAZBUDDIE 39
Peggy Shepherd 5-3-13; Mindy Neal 8-3-19; Sharlet Johnson 3-3-9; Robbie Stowers 2-2-6; Anna Villarreal 0-0-0.

MUSTANGS 51, LAZBUDDIE 50
(Over Time)

Woot Sudderth 5-2-12; Matt Fox 3-0-6; Denver Riddle 3-0-6; Scott Scaff 8-3-19; Byron Neal 4-0-8.

We waited for years for rural electricity. Then... Deaf Smith Electric Delivered!

Others had a chance to supply our rural areas but chose not to. Then the member-owned Deaf Smith Electric Cooperative was organized. These rural pioneers brought electric power to anybody, anywhere who didn't have power.

First to serve, Deaf Smith is the first in service as well, with a modern efficient electric system which provides power at its lowest possible cost. We have a stake in our fine electric system and a share in \$5½ million in capital credits.

If you want to see the future, take a look at the past.

Prairie Acres Party Line

By DONNA ECHOLS

Welcome to 1987 and Happy New Year. We have had a lot of things happen since we last shared with you. On December 21, the Templo Bautista children came and sang for us for our Sunday services. On December 28, the Assembly of God Church held our services and the Bovina United Methodist Church came on January 4. The Congregational Church will be here this Sunday at 4 p.m. to have our services.

On December 22, we had our Christmas party for family and friends. We had a good group and a great time and we appreciate all of you who helped make this a nice Christmas for us.

The nail and hair care was done by women from the Bovina Church of Christ on December 30 and by the Bovina United Methodist Women on January 6. We thank all the women who have stayed and given permanents and extra care to our female residents. Sixth Street Church of Christ will be here this Tuesday.

Anniversary congratulations are given to Mr. and Mrs. Johnny Pruitt from Bovina who have been married 61 years on January 3. Also to Mr. and Mrs. Bill Stewart who have been married 64 years on January 7 and Mr. and Mrs. Jim Shaffer who have been married 68 years on January 20.

Residents celebrating birthdays this month are John Cooper on January 12 and Hobby Hix on

January 18. Employee, Irene Trevino, will have a birthday on January 9 and Linda Sigala on January 15.

Donations to the Love Fund have been received from Eufaula Ethridge, Selma Habbinga, Rebecca Riethmayer, Mr. and Mrs. J.G. McFarland, Julia Fairchild and Della Stagner.

The Plainview FFA donated a large box of oranges for our residents to enjoy at Christmas. Ted Prosser brought magazines for us to enjoy. Jo Schilling brought cookies for an after Christmas treat. Genevia Summers brought six nice lap quilts for the residents. Mabelle Hartwell brought Norman Rockwell's Christmas Book for us to read. Snacks and goodies were brought in by different people. Becky Riethmayer brought a cake, Bill and Willard Stewart donated a box of apples, Jelly and Rosie McGowen brought candy and Bob Millard sent a fruit cake to be served on Christmas Day. This was an original recipe from George Millard's late wife's collection.

The Clovis Salvation Army brought personal packets for each of the residents to use and the Brockmans brought us a beautiful swing to sit in. Thank you to all of you for remembering us.

Memorials have been received for Kay Kendrick from Anna Anthony, Mr. and Mrs. Ernest Anthony, Mr. and Mrs. J.T. Gee, Mr. and Mrs. W.A. Foster, Eufaula Ethridge and Raymond and Frances Milner.

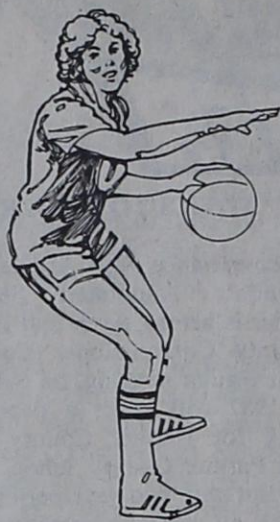

Memorials for J.R. Knight have been received from John and Jo Blackwell, Dean and Jerry Hall, and Mr. and Mrs. Claude Blackburn.

A memorial for Ruth Edelson had been received from Eufaula Ethridge. June Cruse sent a memorial in for Carrie Collier. M.E. and Edna Rhoads gave a memorial for Mrs. Hickman and Dean and Jerry Hall also sent one for her. Raymond and Frances Milner gave a memorial for R.B. Sweatt and Dean and Anna Jo Blackburn gave a memorial for Roscoe Parr.

Myrtice Evans sent a memorial for Daisy Hart. We appreciate all of you who contribute to our Love Fund this way as these gifts help with various needs of our home and residents.

If any of you left a tray or a quilted carrier for food at our Thanksgiving dinner, please contact Glenda Sifford in our kitchen or Peg Behrendsen.

Also, if any of you have any used Christmas decorations or parts of any, or if you have new ones that you don't want, please consider donating them to Prairie Acres. Some of ours are really worn out and we have a large building to decorate so any help will be appreciated for next Christmas.

Good Luck, FILLIES AND MUSTANGS
