

With House Bill 72 as Culprit

SISD proposes tax increase

In a public hearing this past Thursday, the Sonora Independent School District Board of Trustees, proposed a tax increase to .8276 per \$100 valuation, up from .74 last year.

With approximately ten Sonora residents on hand, the Board went over this years budget in comparison to the 84-85 budget. James Bible, school superintendent, prefaced the review by stating the 85-86 budget had been "cut to the bone." "Christmas bonuses were cut last year," said Bible. "We've always started a new school year with a faculty dinner,

...without a new building, Sonora would still face a tax increase

this year we cut it. Anything considered a frill has been eliminated."

The member of the board responded eagerly to questions from the floor as each segment of the budget was reviewed. Throughout the meeting, Bible reiterated that the budget is open to the public and public concern and response are appreciated.

Breakdown of this years budget, categorically, with last years figures in parenthesis are as follows: Instruction \$2,394,002 (\$2,349,008), Instructional Administration \$6,800 (\$12,200), Library \$64,160 (\$69,780), School Administration \$200,335 (\$230,015), Guidance and Counseling \$34,952 (\$57,718), Health Service \$1,000 (\$25,900), Transportation \$162,050 (\$184,409), Co-curricular Activities \$184,362

(\$260,082), Food Service \$266,145 (\$290,032), General Administration \$599,376 (\$602,920), Debt Service \$1,172,602 (\$1,177,750), Plant Maintenance \$603,288 (\$496,672) resulting in a total operating budget of \$6,186,316 (\$6,046,486). Construction cost of the new high school was broken out of the category of Facilities Acquisition and Construction thus the difference between four million and 400 thousand.

One of the largest increases in the 85-86 budget falls under Instruction, with teachers receiving a state mandated raise, the most significant decrease was in Co-curricular Activities and amounted to an almost 30 percent cut.

Immediate response from those on hand was "stop construction on the high school and alleviate the need for a tax increase." As was explained by members of the board, it doesn't work that way. Construction costs for the facility have already been allocated, per the bond election. That money can only be used as specified, ie, a new facility. Even without a new building in the horizon, Sonora would still face a tax

At the touch of a key, Austin will have access to the record...

increase due to the drop in state allocated funds. And those state funds, as presented, will be even lower next year.

The culprit, House Bill 72, has not only stripped the school district of half a million dollars in state funds

this year but has gone on to the issue mandates which must be met in order to remain an accredited school system. Some of the rules which must be met this year include pay raises for teachers, a remedial reading program for grades 6-8, computer literacy for junior high students, tutoring, and by the start of the 86-87 school year, a pre-kindergarten. The mandates go on to say that no class can have more than twenty-two students. In the SISD there is one class with

With "Equalization, your tax dollars will go ...to support other school systems

twenty-four students. If all of the present students remain, Sonora will have to hire another teacher for that grade.

SISD has eighteen months in which to decide how they wish to handle computerized school reports. Within four years, at the touch of a key, Austin will have access to the record of every student and every teacher in Texas.

House Bill 72, striving for "Equalization" advocates that all administrators evaluate the same way, that all teachers teach the same subjects, in the same manner. And, in the future, with "Equalization" your tax dollars will go, not only to support the school system in your area, but other school systems as well.

The enrollment in SISD is down this year to 1264 from 1347 last year. No one knows how this will affect

the state's allocation of \$761,904.00 as it was based on last years enrollment. Sonora's largest business, our

A public meeting is to be held on September 12...

school system, could face a deficit even with the proposed tax increase.

A public meeting is to be held on September 12, 7:00 p.m. in the School Administration Building in compliance with the law, and everyone is strongly urged to attend.

If you disagree with House Bill 72 or with the need for a tax increase, due to the loss of state funds, you may write the following:

Lions need goats

Anyone wishing to contribute goats for the Lions Club Auction, please contact the Branding Iron Smokehouse at 387-2801 by 5 p.m. Friday, September 13.

Dance classes begin

Kountry Kousins Square Dance Club will start Beginners and Plus Classes starting September 18th at 7 p.m. in the Exhibit Building in Eldorado. For more information call 387-5574 or 387-2239.

SS representative

John Willis, representative for the San Angelo Social Security Office, has scheduled his September visit to Sonora. He will be at the County Courthouse on Thursday, September 19th, between 9 a.m. and 10:30 a.m.

Anyone who want to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at this time.

Address book

Never again will you have to search for your neighbors or friends mailing address.

The Sonora and Sutton County mailing address book is on sale at the Sutton County Library or from Women's Club members.

All proceeds from the book will benefit the Sutton County Library.

The price of the book will be \$5.

Tickets on sale

Season Football tickets will be sold through Friday, Sept. 13th. This is your last chance to get your season tickets. They can be bought at the Administration Building, 807 S. Concho, from 8 a.m. to 4 p.m.

Make plans to attend

Be sure to make your plans to attend the Lions Club Auction to be held Tuesday, September 17, 7 p.m. at the 4-H Building. You'll be guaranteed lots of good food and a fun time.

Sharp wins contest

Mickey Sharp was this weeks first place winner of the Football Contest. Mickey won by missing only two of the games.

Ten dollars and second place goes to Eugene Reyna. Reyna missed three games and was 14 points off the final score of the tie breaker.

Third place goes to Walter Sheaks who missed three games also and was 16 points off on the tiebreaker.

The winners can pick up their prize money at the Devil's River News office any day before 5 p.m.

Be sure to get your entries in before Friday to be eligible for next weeks contest.

See Football Contest page 9

Broncos walk on Wall

The Sonora Broncos dominated the Wall Hawks last Friday night and came up with a 14-7 season opening win.

The score was close but the game was not. The Broncos, led by Junior quarterback Mickey Sharp, controlled the entire game.

Although no points were scored in the first period, the Broncos kept the ball on the Hawks' end of the field. The first score came on 2 successive passes from Sharp to senior captain Esau Ramirez. On the scoring pass Ramirez faked a curl and ran for a 25 yard, acrobatic catch. The conversion failed and the Broncos went into half time with a 6-0 lead.

The second half continued much as the first with the Broncos running the time off the clock but not putting many points on the scoreboard.

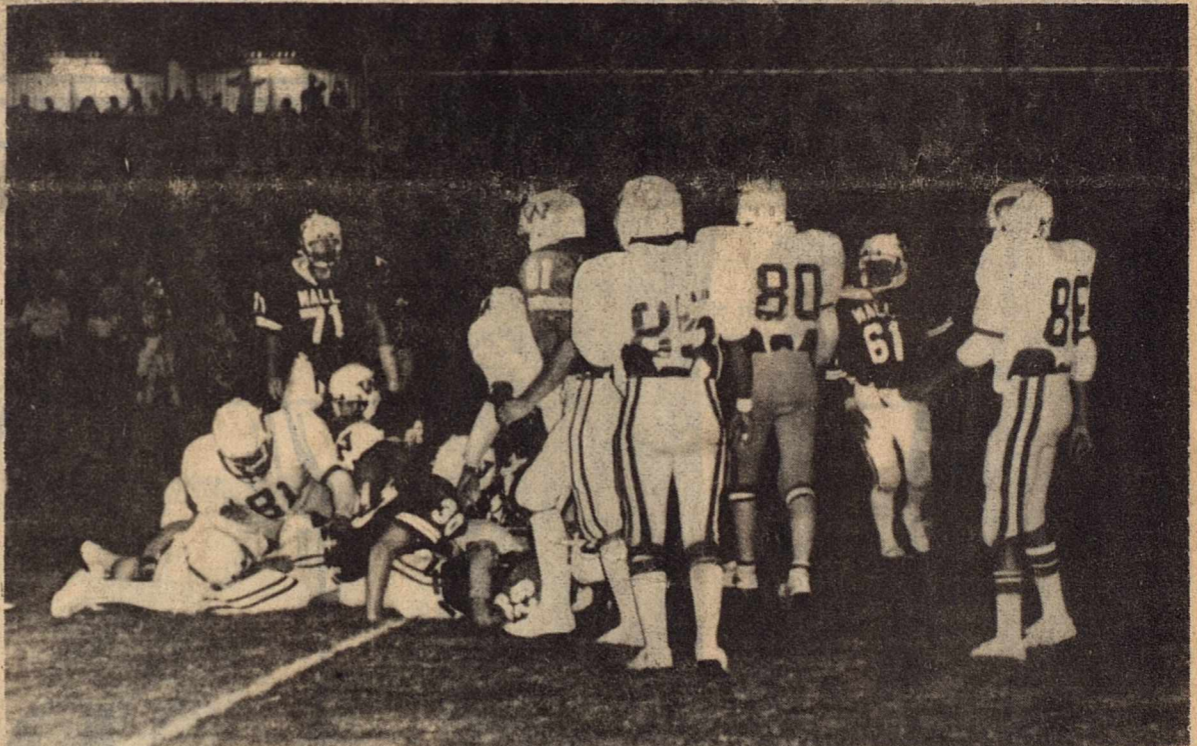

With 2:57 left in the third quarter Sharp capped off an 8 play 55 yard drive with a 1 yard touchdown run. The score was instigated by 20 yard passes from Sharp to Ramirez and junior Mike Fullen. The conversion again failed, but the Broncos had captured a 12-0 lead.

The Hawks only score came in the fourth period on Mike Alewines 4 yard run with just 6:17 left in the game.

The Broncos then methodically took the kick-off and marched 60 yards to the Hawks 3 yard line. With first and goal to go the Broncos could not manage to penetrate the goal line. But the drive had served its purpose and ran off over 6 minutes of the clock.

The Hawks took over with just a few seconds left in the penalty-stricken game. To add insult to injury senior Wayne Collins sacked the Wall quarterback in the end zone for a safety and thus the game ended 14-7.

The Swarming Bronco defense, led by senior captain Jim Cooper and Collins, allowed the Hawks a mere 15 yards rushing the entire game.

Devil's River News/Mary Huckaby

DEFENSE, DEFENSE

The Broncos make just one of their many good defense plays that held Wall to just 15 yard total rushing offense. The Broncos managed to score 14

points on touchdowns by Esau Ramirez and Mickey Sharp. A safety was also scored by Wayne Collins. The final score was Sonora 14, Wall 7.

The Broncos were penalized 11 times for 76 yards but still managed to keep the Hawks off balance for most of the game.

The offensive attack was led by senior John David Martinez who rushed for 114 yards on 21 carries and Ramirez who received passes for 74 yards.

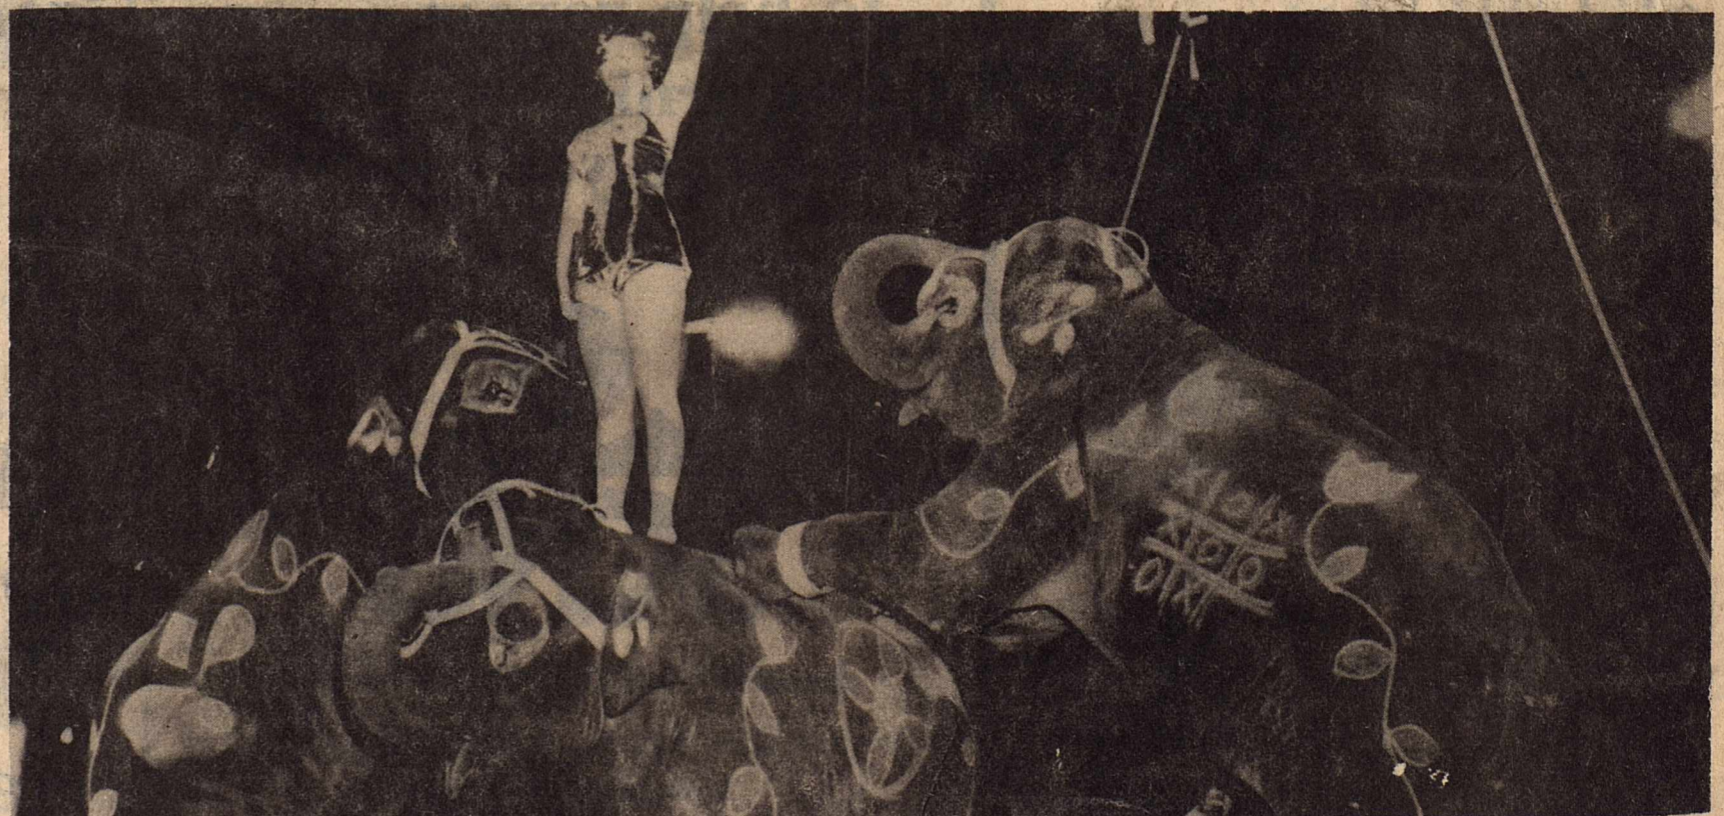

Other offensive gainers were junior Steve Love who gained 49 yards; Ramirez 60 yards; and sophomore Sam Mata for 22 yards.

Other pass receivers were senior Mike McBride who

caught 2 for 21 yards and Mike Fullen gained 17 yards on one catch.

The Broncos' showed strong potential in their opening game. The Junction Eagles will be the next opponent on Friday here at Bronco Stadium. The Eagles lost last week to the Brady Bulldogs 20-0.

In other district action Ozona lost to Greenwood 28-0; Seminole beat Coahoma 12-7; Colorado City defeated Slaton 33-4 and defending district champ Ballinger beat Winters 32-0.

SHRINE CIRCUS TO VISIT SONORA

Contributed Photo

Vicky, Judy and Jenny the performing elephants are just only a portion of the entertainment available

at the Shrine Circus. Other acts will be tigers, lions and performing monkeys. The circus will be in Sonora

on Saturday, September 14 at 2 and 7 p.m. at the Rodeo Arena.

Publisher's Comment

I don't know about you but I have heard about all I want to hear on House Bill 72.

I no longer have children in the public school system. Perhaps that's why I've kept my mouth shut so long--it didn't affect me. As a property owner, with the eminent passage of a tax increase, I will be affected.

The Sonora School Board will once again be wearing the "black hats"--only good guys wear white hats--as word of the proposed tax increase spreads. I feel that those same board members, whom I've not agreed with in the past, have done a most commendable job. I would not have wanted the job at any salary, let alone for free.

If we wish to attack, let's leave the board members alone, for once, and get to the heart of the matter--House Bill 72 and the legislature who passed it.

Granted, "Johnny" needs to learn to read. "Johnny" shouldn't play football until he brings his grade up--next week. "Johnny" needs to learn to read. "Johnny" shouldn't play football until he brings his grade up--next week. "Johnny" may not wish to go on to college. "Johnny" may have dreams of becoming a cabinet maker. Sorry, "Johnny", our vocational program has been cut due to the lack of funds. Either prepare for college, which maybe you can't afford, or since we no longer provide anything to keep you interested in school, with some knowledge inadvertently seeping through, drop out. Gee,

"Johnny" if you drop out of school, you'll be on the street where lots of opportunities await you. You can drink or take drugs and who knows, maybe someday, to support your habit you can break into my house. When they catch you, "Johnny", tell them your accomplice was HB-72. They'll understand.

"Tis an ill wind that blows no good" and our teachers received a raise this year due to HB-72. Also due to HB-72, some of them are doing double duty, that is filling two positions with the same amount of time and pay as allotted to one job.

As to Austin being able, through computerization, to monitor our every move, perhaps, George Orwell only had the year wrong because it's a definite case of "big brother is watching."

By agreeing that House Bill 72 is not best for our children, that the state funds cut and the tax increases are not best for our checkbooks, perhaps we can unite. The American public has already demonstrated, that with the strength of numbers, we can reinstate a "Classic" and we can help to feed the hungry of Africa. Maybe it's time to get up off our complacency and show Austin that we have a voice regarding what is right for us. If we don't, the prospects are scary.

At any rate, one thing that will prevail, and that is the bumpersticker which proclaims "Will Rogers never met Ross Peirot."

Ann

Indian to experience parish ministry

by Sharon Martinez

George Chengazhacheril, from India originally, came to the United States 3 years ago. He will be here at St Ann's Catholic Church for his internship studying to become a diocesan priest.

George comes from southern India the state of Kerala. Other than a monsoon season there, the region is sort of like West Texas. Farming is the main industry. They have coconut trees, rubber trees, spices and rice paddies. His family lives in a village. George

has 3 brothers and 3 sisters, his dad is a farmer and his mother is a homemaker.

A very religious atmosphere, close friends and family that include a priest, 3 cousins who are nuns and the desire to help the poor, old, sick and people who are in need is what strengthened George's commitment to become a priest. George attended Catholic High School in Teekay, then joined the seminary. He attended St. Joseph's Pontifical College in Kerala and graduated with a

bachelor's degree in Philosophy. He taught Catholic School for 1 year before going back to the seminary to study theology. After 1 yr. in study he came to the United States July 20, 1982. He stayed in Baltimore 1 year then he joined the diocese of San Angelo, then under Bishop Joseph Fiorenza sent him to Assumption Seminary in San Antonio. George will be going for the final semester

at Oblate School of Theology after his internship here at St. Ann's.

George will be experiencing parish ministry, trying to learn all the different aspects of parish life, home visitations, working with the youth group, older parishioners and experience in sacramental ministry.

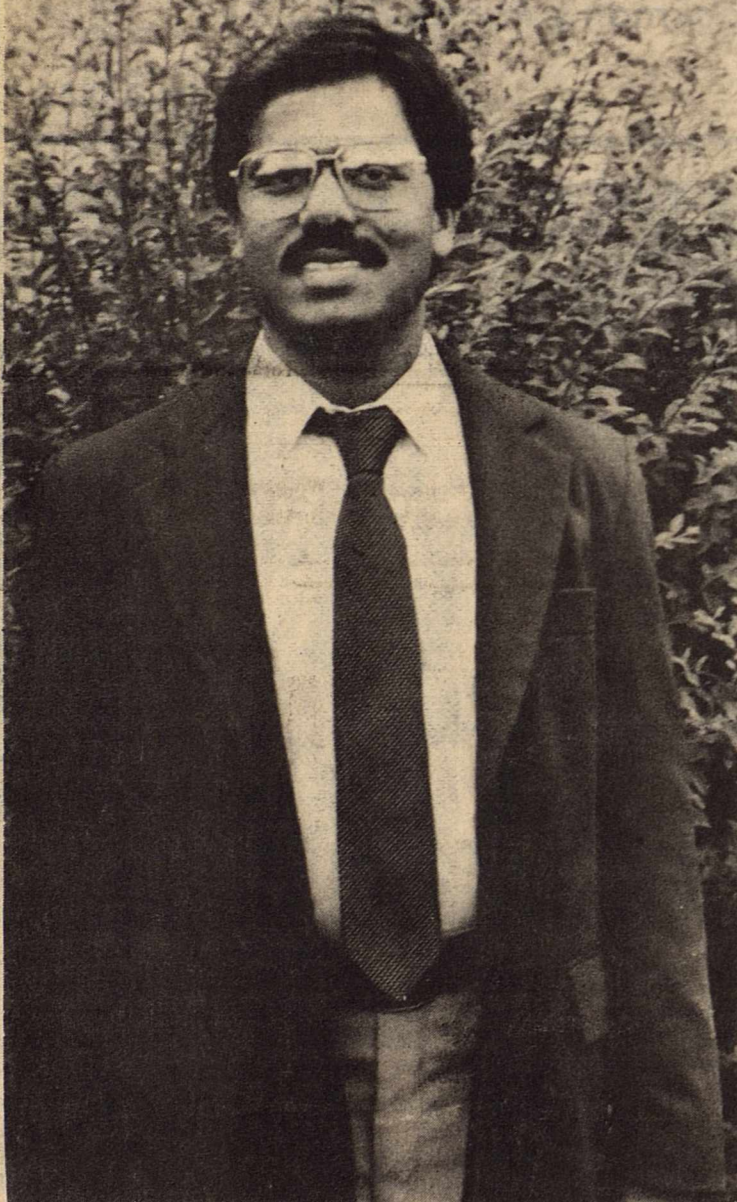

Welcome to St. Ann's Parish, and Sonora and we hope you will enjoy your stay here with us.

Thank You

I would like to thank everyone in the community that helped support me in my quest for Miss Sutton County. I would especially like to thank the Sutton County National Bank for asking me to represent them, and Carolyn Earwood and Marilyn McEwen for all their hard work in making this contest a most enjoyable one.

I'm looking forward to an exciting year as Miss Sutton County!

Sincerely,
Sidonna Ridgeway

Devil's River News/Kristi Nunn

GEORGE CHENGAZHACHERIL

S C A T to meet Sept. 15.

Sonora Community Arts and Theatre (S.C.A.T.) will be meeting this Sunday, Sept. 15 at 4:30 p.m. in the Methodist Church Basement. All members are urged to attend.

Anyone else interested is welcome. The purposes of this meeting are to wrap up some old business from The Sound of Music and to discuss tentative plans for future productions.

The executive board of S.C.A.T. wants to thank everyone involved for so much hard work and enthusiasm for The Sound of Music. A production of this kind requires the participation of numerous people in various areas of support and talent. The community of Sonora certainly contributed more than adequately to make it a success. A big thanks also to Sonorans and their guests for coming to see the show.

Letters

September 5, 1985

Dear Sirs:

I would like to thank the staff at the Devil's River News for the coverage you gave the 3rd annual PRCA sponsored by the Sutton County Day's Association.

I feel that this years rodeo was a great success.

Sincerely,
Mack Altizer

Dear Editor:

Congratulations!

The production of "The Sound of Music" was very well presented.

The vocalists, music, choreography, and staging were great. Sonora does have talent.

We certainly enjoyed it very much.

Most sincerely,
Mr. and Mrs. Robert Buschman
San Antonio

OTHER FAMILY MEANDERINGS BY IRMA DILLER

Dear Irma,
We have children away at school and our phone bill is getting ridiculous. Do you have any suggestions short of taking the phone out?

Troubled GTE'er

Dear Troubled,
I also have "nestlings" away from home and one thing I can offer you is sympathy. I know about phone bills as ours is equivalent to the National Debt.

I remember my mother saying "You always pay for your raising". She should have added "...and pay and pay and..."

View the situation with a sense of humor. After all, we taught them to talk. Keep your chin up and your mouth ready to form the words "Yes, operator, I'll accept". When the phone bill comes in, take a moment to think how lucky you really are. Your children call home-many don't!

Irma

Dear Irma,
Did you know that toads instinctively return to their ancestral pond to mate? Why do they do this?

Toad-ly perplexed

Dear Toad-ly,

No, I didn't know this and even since you deemed it necessary to share this knowledge with me, I haven't spent many sleepless nights pondering the reason. Perhaps you should go right to the source for an answer-ask a toad. In lieu of a toad, perhaps you could find a prince who kissed.

Not hopping with answers,

Irma

Confidential to JM-It truly is hard to keep ones wits and sense of direction when in the big city. In the future you might scatter bread crumbs, draw a map on your hand, write the name and phone number of the motel on the car hood (they may even give you a courtesy discount for the many miles of advertising) or better still-don't go out of your room.

Do you have a problem? Drop Irma a line in care of this paper. If she can't confuse you, you can't be confused.

New Arrival

Glen and Linda Franklin are both proud and happy to announce the arrival of an addition to their family, James Ray.

James, who was born June 26 weighing a whopping 4 3/4 lbs., is the Franklin's first child.

Those, busily filling "See my Grandbaby" albums, are James "Smitty" and Shirlene Smith, formerly of Sonora, now of Henderson, Beth Franklin of Dexter N.M. and Elmer and Glenda Franklin of Prairie Grove, Arkansas.

PROUD MOTHER & JAMES RAY

Sonora Womans Club has "Founder's Day Luncheon"

The Sonora Woman's Club met Thursday Sept. 5 in the lovely home of Mrs. John (Lucy) Ward, for the "Founder's Day Luncheon." Hostesses were: Molly Cook, Kristen Hicks, Billie Renfro, Lucy Ward, Jessie Wardlaw, and Pam Browning. A very interesting history of the Woman's Club was given by President Virginia Epps.

The Sonora Woman's Club was founded in 1916 with 27 charter members and 6 associate members. Their motto was "Live in Deeds"; their purpose "to promote culture and entertainment of members through which they may work for the general good of the community." The Woman's Club has been responsible for many major projects for improving Sonora. The club gave the first piano and playground equipment to the Sonora

schools as well as installing the first drinking fountains. The beautiful trees on the courthouse lawn were provided by the Woman's Club and in 1925, it also provided funds for the wall around the courthouse. In 1922 the Women investigated the possibilities of building a hospital in Sonora. In 1920 the public library was taken on as the clubs ongoing project and this remains so to the present time.

The 1985 theme for the Sonora Woman's Club is "artistry of Women" dealing with the multi-talented women of our community.

Barbara Savell gave a most interesting program entitled, "Wearable Arts," Mrs. Savell shared her many beautiful garments she has made with the club explaining each one. She left the guest awed by her superior talent!

Nancy Brockman

Jewels & Gems

by John Tedford

The Gold Standard

The choice of many different alloys, each with its own characteristics, allows modern jewelry designers to combine gold with gems in many attractive ways. This has been the impetus to an art that was undreamed of by early craftsmen. Another innovation in gold jewelry is the wide range of exciting finishes and textures that have been developed through improved technology. They make gold jewelry even more attractive. In addition to mirror bright finishes, gold can be worked with florentine, brush matte and other polished finishes that bring out the warm glow of the metal. With the use of textures, including moss,

bark, bamboo, mink and diamond, it is possible to create a look of bulk combined with lightness. This is the look that ancient goldsmiths sought to achieve.

Choose something in gold to celebrate your golden moment coming soon-whether it's birthday, anniversary, or Christmas. See Tedford's collection of gold jewelry in every imaginable shape and finish. You'll be able to see why nothing else feels like real gold, and nothing else measures up to gold in wearability. Don't settle for less. Come to Tedford Jewelry today.

Hint: Fine gold, which is 99.9 percent pure, is called 24 karat gold.

Public Notice

Southwestern Bell Telephone Company, in accordance with an order of the Public Utility Commission of Texas, hereby gives notice that on August 20, 1985, the Company filed tariffs which propose revisions to the Joint User Tariffs and implementation of Shared Tenant Services Tariffs.

If the tariffs are approved by the Public Utility Commission, the Company will grandfather existing customers to the Joint User Tariffs and totally withdraw the Joint User Tariffs one year after the date of approval of the proposed tariff revisions, with one exception. Even after the one year period, existing single-line customers subscribing to Joint User Tariffs may continue their service under certain conditions.

Also, if the tariffs are approved, the provision of shared tenant services will require partitioned switching equipment.

No new rates are being proposed in the aforementioned tariffs. As a result of the partitioning of switching equipment, some existing customers may require additional PBX trunks. If so, the Company's revenues may increase. The Company is unable, at this time, to estimate the additional revenues, if any, which would result therefrom.

The Commission received these tariffs as Docket 6450 and a prehearing conference will be held at 10:00 A.M., Monday, September 23, 1985, at the Commission's offices at 7800 Shoal Creek Boulevard, in Austin, Texas.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. Motions to intervene should be filed with the Commission on or before 4:00 P.M., Friday, September 20, 1985. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223, or (512) 458-0227, or (512) 458-0221, teletypewriter for the deaf.

Aviso Público

De conformidad con una orden de la Comisión de Servicios Públicos de Texas, Southwestern Bell Telephone Company anuncia el registro de nuevas tarifas, las cuales proponen ciertas modificaciones de las Tarifas para Usuarios Mancomunados (Joint User Tariffs) y la implementación de Tarifas para Servicios Compartidos por Inquilinos (Shared Tenant Services Tariffs).

De aprobar la Comisión tales tarifas, la Compañía mantendrá vigentes los acuerdos con usuarios actuales en lo que respecta a Tarifas para Usuarios Mancomunados, pero discontinuará tales tarifas a partir del primer aniversario de la fecha en que se aprueben las nuevas tarifas. Sin embargo, existe una excepción; aún después de tal aniversario, los clientes con líneas sencillas que actualmente cuentan con el servicio para Usuarios Mancomunados podrán seguir con tal servicio sujeto a ciertas condiciones.

De aprobarse las nuevas tarifas, las disposiciones correspondientes a los Servicios Compartidos por Inquilinos requerirán el uso de conmutadores separados.

Las citadas tarifas no proponen nuevas cuotas. Sin embargo, es posible que debido a la separación de equipos de conmutación, algunos clientes actuales requerirán nuevos troncales PBX. De ser así, los ingresos de la Compañía podrían aumentar. En la actualidad, la Compañía no puede determinar el monto de ingresos adicionales que resultarían de tales tarifas.

La Comisión ha registrado este asunto bajo el Docket 6450. Se llevará a cabo una audiencia preliminar para discutir todo asunto relacionado con el Servicio Compartido por Inquilinos el lunes 23 de septiembre de 1985, a las 10:00 de la mañana, en las oficinas de la Comisión, 7800 Shoal Creek Boulevard, en Austin, Texas.

Toda persona que desee intervenir o participar en el presente proceso debe notificar a la Comisión lo antes posible. Las solicitudes de intervención deberán presentarse ante la Comisión antes del viernes 20 de septiembre de 1985 a las 4:00 de la tarde. Las solicitudes de intervención, participación o información deben dirigirse a: Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Para obtener mayor información debe llamar a Public Utility Commission, Consumer Affairs Division, (512) 458-0223, o (512) 458-0227, o al (512) 458-0221 si requiere teletipo para personas con impedimentos de audición.

Round-Up benefits West Tex Rehab Center

The 26th annual Cattleman's Round-up for Crippled Children is off to a good start with more than 100 head of cattle and horses already pledged, reports general chairman Jim Alexander of Abilene. The event benefits the West Texas Rehabilitation Center with campuses in Abilene and San Angelo.

Despite depressed markets and prolonged drought, CRCC officials are optimistic livestock producers will agree that this cause deserves their donations of livestock or cash.

This year's Round-Up will begin with a cattle sale September 30 at the Abilene Auction. Other scheduled sales include horse sale, Oct. 5, Abilene Auction; sheep and goat sale, Oct. 14, Junction Stock Yards; and special auctions Oct. 9 in Coleman and Stephenville, Oct. 17, San Saba; and Nov. 4, Brownwood.

"We are hearing from folks from as far south as Corpus Christi and Kingsville, and as far north as Yukon, OK. Over to the west pledges have arrived from Clayton, NM."

Alexander expressed his appreciation to those who have already pledged horses. "Many of these are registered quarter horses while other are suitable for running and cutting."

Persons wanting to make a donation should contact Cattleman's Round-Up chairmen in their area or call the West Texas Rehabilitation Center in Abilene at (915) 692-1633.

Nearly 200 area chairmen throughout Texas will be giving their support to this event by lining up donated livestock and coordinating auction arrangements. Donated livestock are collected at designated points in each community and transported to the auction site.

The Cattleman's Round-Up idea began in Bronte back in 1960 on the late Conda Wylie's Fort Chad-

bourne Ranch. He came to WTRC president/executive director Shelley V. Smith with suggestion that 20 top steers be cut from his herd and sold to help defray operational expenses of the Center.

Today the results speak for themselves. WTRC personnel provide top quality care in physical, occupational and speech therapy, audiology, orthotics, psychology, education and social services, all without charge to patients other than for hearing aids and braces.

Correction
Mr. and Mrs. Candido Duran and Serina visited Mineral Wells and Palo Pinto this summer. My Texas geography needs a brush up.

See you, Sharon

HOMEMAKER UPDATE

by Gail Rucker

Open letter to Baby Sitters
Dear Baby Sitter,

You are a very important person. You handle a big job because kids have a lot of energy. They're experimenting, exploring, and growing fast. Parents who hire you need to know that you are able to care for their children. Without confidence in you, parents are not able to enjoy a social event or be productive at work.

Baby-sitting means giving children the attention they need and being prepared for all types of situations. It is a serious job and is good practice for full-time work later in life and it is preparation for parenthood.

Good sitters care about kids, but just caring about kids isn't enough. A good sitter must also know the right thing to do at the right time.

I'm sure you already know to have emergency phone numbers handy, including where the parent can be reached. Also, be sure you have the address of the house where you're sitting written down, because you'll need it in case of an

emergency call.

As a matter of fact, you need to get some more information before you're left in charge. Find out about special habits or problems the children have, favorite games or stories that might help calm an upset child, and find out where children are and are not allowed to play. Learn the children's names (and nicknames) so that they will feel more comfortable, and you will, too.

Children-and-sitters-may get hungry. Find out what can be eaten and when. Make bedtime as easy as possible by finding out (from the parents) about the regular bedtime routine. It's also best for parents to explain the rules for TV, stereo, and telephone, too.

Finally, concentrate on your job. The children's safety is more important than doing homework, watching TV, or talking to friends. You are working, so you should explain to your friends that you can visit with them on "your own time."

Remember--each time you baby-sit, you're trusted with a child's life.

Experiment Station to host field day

The annual ram performance test will be conducted by the Texas Agricultural Experiment Station at Sonora. The delivery date for rams in this years test will be September 27-30. The Field Day is scheduled for March 20, 1986.

The method of obtaining fleece data (especially fleece yields) has not been determined at the present time, but it is expected that we will move toward scouring the entire fleece hand or scouring a core sample of the entire fleece.

The rams may be entered as individuals or in sire or ownership groups. The animals may be registered or non registered. The test is open to all breeds, but based on the type of data collected it is more useful with Finewool breeds. Animals should be lambs at the time they are entered, and those showing yearling teeth will not be accepted.

Only registered rams born on or after October 1, 1984 will be eligible for the American Rambouillet Sheep Breeders' Association Registry of Merit Program.

The rams will be examined by a committee appointed by the project leader in the interim between delivery and the first official weigh day. A note will be made of animals thought to be unsound and breeders will be given an opportunity, but will not be required, to remove these before the initial weight day. After the animals are officially weighed on test, the breeders are requested to leave them on test except for reasons of health as determined by station personnel.

Breeders are asked to provide as

much information as possible on their rams, such as sire, date of birth, type of birth, age of dam, type of birth and reproductive history of dam.

An initial deposit of \$135 will be required. An amount, not to exceed \$10 per animal, from this deposit will be used by the station to partially offset cost of modifying facilities. Any unused funds will be returned after the test is completed.

For additional information con-

tact Donald Spiller, Texas Agricultural Experiment Station, Box 918, Sonora Texas, 76950. The phone number is 915-387-3168.

Ozona Church to host celebration

The public is cordially invited to the reception for the Most Reverend Michael D. Pfeifer, Fifth Bishop of San Angelo Diocese. The celebration will take place at Our Lady of Perpetual Help Church and hall, Ozona, 5pm to 7pm, Sunday, September 15th. This Ozona Church will play host for various communities for the surrounding areas of Sonora, Eldorado, Big Lake, Sheffield, Barnhart, Iraan and Junction.

The celebration will begin in church at 5pm with a short prayer and Adoration Service, with a talk by the Bishop. Readers of scripture and prayers will be Rev. Bernard Gully, St. Ann's Sonora; Lorenzo Flores, St. Margaret's, Big Lake; and John Foley, Good Shepherd, Sheffield. A welcoming reception in the hall following the service will contain short greetings from very Rev. Benedict Zientek, Dean of the area, from St. Joseph's, Rowena, representing the clergy; representing the laity will be Robert Flores, local Parish Council President; and representing the local communities, will be Ralph Anderson, Minister, Church of Christ, Ozona. Music arrangements by Our Lady of Perpetual Help Choir. Aside from these functions, the Bishop will be available to visit and socialize with everyone.

Police Report

At 4:30 p.m. on Tuesday August 27 a black/yellow 1972 Chevrolet 2 door was stolen from the parking lot of the Food Center Grocery Store in Sonora. At 6:30 p.m. the same day the stolen vehicle was stopped 3 miles east of Ft. Stockton, Texas by Pecos County Sheriff's Deputies.

At that time Earnest Alton Young a male, white 27 years of age from Rusk, Texas was arrested for unauthorized use of a motor vehicle.

Young was held in Ft. Stockton for 2 days on a \$6,000 bond and was transported back to Sonora by Police Department Sgt. Bill Ware.

Thursday September 5, Young pleaded guilty to a third degree felony charge of unauthorized use of a motor vehicle in District Court.

On Wednesday, September 4 the investigation of the criminal mischief caused by a person shooting two aluminum arrows into the Jim Wiggins Mobile Home, almost

a month ago, progressed to the point that arrest warrants were issued for two men now living in Canadian.

The warrants were issued after officer Allen Tucker recovered two bows from an apartment at Kasey's Korners. This apartment had been rented by one of the men named by one of the warrants.

There has been an increase in traffic accidents. Since the beginning of school officers have investigated one accident per day. Drive friendly and safely.

Officers are also investigating the theft of an electrical box and mobile home hook-up from a trailer space on Kisselburg Street. This trailer space belongs to John

Eaton and if anyone has any information about the disappearance of Mr. Eaton's electrical hook-up please contact either Mr. Eaton or the Sonora Police Department.

Four officers logged 184, investigated 5 minor accidents, issued 5 traffic citations and 2 warnings. The traffic citations were as follows: speeding-2; no drivers license-1; parking in a "No park school bus area"-1; no liability insurance-1. Two complaints were filed for violation of city code, Sec. 5-29, allowing dogs to roam at large. There were four adult arrests for public intoxication and one for DWI.

Officers answered the following calls: domestic disturbance-3; alarms-3; assists motorist-5; house checks-172; misc. calls requesting to speak with an officer-37; fire-1; open doors-2 and welfare assistance was given in 5 cases.

Less sugar, more sweeteners

Consumers may be developing a false sense of security about reducing sugar in their diets, says a Texas A&M University Agricultural Extension Service nutritionist.

"More people are reading food labels to see if sugar is listed among the top three ingredients," says Dr. Alice Hunt. "They tend to see these as high-sugar products, and avoid them."

Hunt says there are two problems with this shopping strategy.

"Mostly for economic reasons, food manufacturers are using many other forms of sweeteners, such as corn syrup, high fructose corn syrup, honey, molasses, sucrose, dextrose and maltose," she explains. "So consumers need to recognize all forms of sweeteners when they are listed on labels."

Like your dad and your grandfather, one thing you'll need is a dependable source of long-term credit. A source that sticks with you through good times and bad. . . doesn't panic and pull back when things get a little tough. For generations that source has always been the Federal Land Bank.

When long-term credit is the answer, stop by and see how the Land Bank can help you.

To a young man wondering about his future in farming

**14-7
 Broncos pluck Hawks**

AND THE FINAL DRIVE BEGINS
 As the scoreboard indicates with 6:17 to play in the game, the receiving unit of the Broncos gets last minute instructions from defensive coach Bob

Snodgrass. It must have helped because the team took the ball down to the Hawks 3 yard line before losing possession on downs. But the lead of 14-7 held up with one second left.

Sonora High School, Sonora, Texas

Volume 11, Number 1

Five teachers join faculty

There are five new teachers this year at Sonora High School, and the following are brief biographies of each one.

Kathy Donoho

Kathy Donoho, who has three years' teaching experience in Meadow, teaches English II and Correlated Language Arts I at SHS.

Single, she has two brothers, one age 17 and the other 7. She is a graduate of Central High School in San Angelo and Baylor University.

She holds a master's degree in counseling.

Bill Huffman

Bill Huffman is the new World History and American History teacher at Sonora High.

Huffman has been teaching for more than 20 years. He has taught Edouch-Elsa, Killeen, Valentine, and Cameron.

He graduated from McCamey High School and attended College at Sul Ross, Texas Tech and Texas A&M.

Huffman is married to Helen Huffman, also a teacher at Sonora High.

He has teaching fields in English, health, physical education, physical science and history.

Huffman enjoys all kinds of sports, hunting, fishing and most of all enjoys young people.

Helen Huffman

Mrs. Helen Huffman, a 19-year teaching veteran, is one of the five new teachers at Sonora High School.

Mrs. Huffman teaches English I and Spanish I. She has taught in Valentine, Mason, Killeen and most recently, Cameron.

She graduated from high school in Pennsylvania and from college at Sul Ross.

She is married to Bill Huffman, also one of the new teachers here. The Huffmans have four children

a married daughter who teaches in Hurst, a married son in the Air Force in Germany, a son attending Baylor University, and another son attending Texas Lutheran. They also have one grandson in Germany.

Brenda Stukey

Mrs. Brenda Stukey, the new physical science teacher previously taught for three years in New Jersey.

She graduated from high school in New York and from the University of Missouri.

She is married, has no children, and has three sisters and one brother. She has done competitive running and ran on the track team at the University of Missouri. She qualified for the Olympic trials in 1980.

Dwayne Weirich

Dwayne Weirich, who teaches government, free enterprise and coaches is in his first year of teaching.

Weirich is from Fredricksburg originally, and graduated from Angelo State.

He is single, but has three sisters.

He enjoys sports, dancing, and hunting.

NHS sells cushions

With the busyness of the new school year, many organizations are already hard at work. One of these is the National Honor Society.

The NHS sold advertising space on a seat cushion which now can be purchased. These cushions are to help the seating conditions at all athletic events.

They may be purchased at

hometown football games or by contacting any honor society member.

The money earned from the cushions will be used for a service project that is required by the NHS.

A special thanks goes out to Keri Kropp and Craig Hopper for their hard work on the ad sales. Without them the cushion would not be possible.

Caballo Diabolo

This page marks the first issue of the school year of Caballo Diabolo, the Sonora High School student newspaper.

The page will be published in the Devil's River News every two weeks, except school holidays.

The staff is headed by editor Mary Huckaby, and Rene Ramirez, Bobbi Kelly, Jennifer Ramirez, Dora Escalante, Rose Trevino, Brian Cascadden, and Gina Heffernan. The advisor is Kirk Macon.

Last year's Caballo Diabolo won the Award of Achievement from the Interscholastic League Press Conference, which is the second highest award given to a high school newspaper. Caballo Diabolo is a member of the ILPC.

For correspondence, the address is Caballo Diabolo, Sonora High School, 807 South Concho, Sonora, Texas 76950, and the phone number is (915) 387-3055.

Band plays 2 numbers

The Mighty Bronco Band, 123-people strong, "really have got it going because everybody is getting into it now," band director Forrester Halamicsek said.

The Mighty Bronco Band performed 2 songs at last Friday night's game. The two songs were "Fanfare from E.T." and "Barbara Ann." While sitting in the stands watching the Broncos play, the Mighty Bronco Band played "Angel," "I've Got the Music in Me," and "Barbara Ann."

The Mighty Bronco Band hopes to have a very successful year and win sweepstakes.

SAT, ACT test dates announced

All Seniors who need to take college entrance exams, the test date for the SAT will be October 12. Registration must be post-marked by September 20. It will be at San Angelo Central High School.

The ACT will be given on October 26 at ASU. The deadline is September 27. However, the ACT will be given in Sonora on December 14. This is for any person who hasn't had the opportunity to take it or any person who

wants to improve their grade. Registration packets for ACT and SAT are available in the counselor's office. Senior conferences will be held today and Thursday.

Junior conferences will be on the 17th and 18th. The purpose of these conferences is to find out grade point averages, class-rank and to discuss graduation requirements.

Seniors make plans for portraits

Seniors must make their appointments soon for senior portraits taken by the Photo Ranch in Sonora.

Appointments may be made by contacting Jerry or Nancy Johnson.

10 students new to SHS

These are 10 new students at Sonora High School this year.
Angelo Maupin grade 11
Kelly Nance grade 11
Jennifer Hopkins grade 11
Carolina Dominguez grade 9
Tammy Dean grade 10
Wanda Adams grade 12
Robert Chapoy grade 9
Randy Chapoy grade 10
Bonnie Johnson grade 10
Annette Gamez grade 11

Motorists must learn to 'buckle up'

As all Texan motorists must do, the students at Sonora High School must adapt to seat belt regulations that went into effect September 1.

The new law states that the driver and all passengers in a vehicle must wear seat belts. Fines for violating the regulation will not be issued until December. Until, warnings will be given.

TAKING A REST
The Sonora Broncos' offensive unit takes a break during a time-out in Friday night's game in Wall. The Broncos won the season-opener 14-7 over the Hawks and play Junction Friday night at 8 in Sonora.
