

City grants franchise to Sonora Royalty Gas, Inc.

In a special call meeting held November 12, 1985, the City Council passed an ordinance granting a franchise to Sonora Royalty Gas, Inc.

The purpose of the ordinance is to allow local owners of natural gas to sell said natural gas within the City of Sonora. Sonora Royalty Gas, Inc. has represented to the City that they will make every effort to purchase gas from individuals, cooperations or other parties who have significant local business so that the re-investment into local business can be the major goal.

David Wallace, a spokesman for Sonora Royalty Gas,

will travel to Dallas this week to meet with representatives of Lone Star Gas to present the package to them. Wallace will propose to Lone Star that Lone Star provide all services and transportation of gas for SRG, so that SRG would sell only gas and not service.

If in fact Lone Star accepts the proposal, it could mean that those wishing to purchase natural gas from SRG might receive two monthly bills, one for gas and one for service. Since there are guidelines established regarding maximum rates for service and SRG has quoted their rates "to be equal to or less than those

rates charged by Lone Star Gas Company (for gas)," the consumer would pay no more for gas, and possibly less, than they are at the present time.

Persons selling natural gas receive approximately one-eighth of the proceeds on market value. If this plan can be implemented, members of SRG would receive 100 percent of market value on all gas sold within Sonora. It is estimated this could be \$50,000 per month going back into the local economy.

This seems such a simple plan to bolster the economy of Sonora so naturally the question arose--why has it

not been done before?

"In the past demand has kept up with supply," explained Wallace "but this is no longer the case. This is a unique concept based on keeping Sonora revenue in Sonora."

"It will make no significant difference to buyers outside the area," Wallace continued, "while having a positive impact on the local economy."

The initial board of directors include Clay Hicks, Quade Sutton, and David W. Wallace. John A. Ward, III is also involved providing the additional expertise.

Game Dinner

Every year it can't get better and every year it does

A savory, mouth-watering scent arising from all cooking teams wagon, lured more than 750 hunters and residents to the 4-H barn last Tuesday night for the 17th annual Sutton County Game Dinner.

Every year the Sutton County Game Dinner Association seem to out do themselves and this year was no exception. People started lining up more than an hour before serving time with anticipation of a wonderful evening.

The serving line which extended out into the parking lot was quickly and expertly served by members of the Sonora Lions Club.

With the last person being seated, Albert Ward, master of ceremonies, began calling out winning ticket numbers for door prizes. Over 100 prizes, ranging from fire arms to fire water, were donated by local businesses, individuals, and the Game Dinner Association.

Charlie McTee, outdoor editor for KKYX radio in San Antonio, assisted Ward through the evening. McTee has co-hosted the dinner for many years and finally this year managed to take home a door prize.

McTee, also was on hand to present many awards throughout the night. Highlighting the program was the presentation of Hunter of the Year to the "Happy Bunch". The group made up of Jim and Shan Disman, Ben and Joyce Holt and D.K. and Gloria Murphy from Alexandria, Louisiana, have hunted on the Sam and Libby Young Ranch for the last 16 years. The "Happy Bunch" was credited with their active and continuing contribution to game management on the ranch and helping out in general ranch chores.

Another presentation went to Al Elliott for Poacher of the Year. Elliott is a member of the Poachers made up of local people who help out preparing game for the annual dinner.

Hang on, deer

The Sutton County Game Dinner Association awarded Quade Sutton with a plaque for an extra tremendous effort towards the success of the dinner.

Along with hunters and residents of Sonora two San Angelo dignitaries, City Manager Steven Brown and Fire Chief Gene Kilgore were present. Also attending were

journalists from the Dallas Herald, Arnold Hamilton and Pete Silva.

The evening was enjoyed by everyone who attended and the Sutton County Game Dinner Association might have to start on number 18 now to top this years dinner.

Letters

Letter to the Editor:

Let's face it, it's frustrating enough, if not downright painful, to be a Dallas Cowboys fan these days without the added aggravation of never knowing if the cable is going to carry the game. During the first part of Sunday's fiasco with the Chicago Bears, it seems that the CBS affiliate in San Angelo had a major problem with its main transmission tower, resulting in no picture at all for some minutes and then a fuzzy, jumpy, image while the main line was being repaired. It seems to many of us that this is happening more often of late--if it's not the equipment in San Angelo, it's trouble of one kind or another here in Sonora with the local cable company's equipment. One would think that CBS itself, or certainly some of the advertisers in the San Angelo area, would set up a howl about the quality of the service--erratic at best, non-existent at worst.

Surely someone has the authority to demand better service from this quasi-utility that has become so much a part of our everyday life, and for which we pay a monthly charge. Despite the fact that the local cable service is operating under a long-term franchise which runs to 1991 before it comes up for renewal, surely the City Council which granted the franchise in 1976 had the foresight to include a 'good service' clause in the contract.

While the local cable can hardly be blamed for a failure in San Angelo, the fact that we, the consumers, are slaves to the equipment whims on both ends of the line is no comfort when a favorite program is interrupted time after time, week after week, I doubt if the collective blood pressure of Sutton County will stand up to this ineptitude for another five years--from what I gather, we have all come to expect inferior service. A real shame, considering the company's probable margin of profit. Too bad some of it isn't put back into equipment maintenance. A 'dish' for us as soon as we can afford it!

Dear Sirs:

As I am a fanatic collector of anything, that has to do with the british rock group Jethro Tull, I would like to ask you the following questions.

Has your paper ever published any articles about Jethro Tull? (during the period 1968-1985) If so, I would very much like to receive photocopies of those articles. If necessary I will pay for them.

Hope you can help me with my request.

Dear Mrs. West:
Our Make-A-Wish Foundation of West Texas worked with your late husband on a recent Wish in Sonora. He was very cooperative and helped speed up the process so that we could grant the Wish as quickly as possible. He was very beneficial to the success of our first Wish.

We would like to take this opportunity to tell you how very much we appreciate all he did to help us. The Make-A-Wish Foundation of West Texas has set up a Gene West Memorial and local Make-A-Wish members have contributed to this Memorial in honor and memory of Gene. We hope this small endeavor helps you realize his importance to our young Chapter.

With sincere gratitude and deepest sympathy,

Letter to the Editor:

Dear Sir or Madam,
I am enclosing for your information a letter from Chief Justice Hill regarding the establishment of a statewide system of Court Administration. You should be informed that your county responded to this need some months ago. I am also forwarding my letter to you County Judge and Commissioner's Court expressing my appreciation

for their responding to this need more than a year before our Legislature and Supreme Court called it to our attention.

I think it appropriate that the citizens of your county be made aware of this farsighted action on the part of your county government.

Very truly yours,
Brock Jones
District Judge

Dear Judge Jones:

The last session of the Legislature enacted House Bill 1658 which codified the various statutes relating to the administration of justice in this state. This act also placed additional responsibilities on all judges in the area of managing the dockets of our courts, and mandated this Court to promulgate rules of administration to assist in the implementation of these management procedures.

I have appointed a special task force composed of members from the Supreme Court Advisory Committee, the State Bar Committee on Administration of Justice and the Presiding Judges of the Administrative Judicial Districts to develop plans and procedures for this purpose.

House Bill 1658 authorizes each district and county court at law judge to appoint a court coordinator to aid in administration matters. Section 6.004(b) of this same act provides that... "upon approval by the commissioners court of the positions and compensation, the commissioners court of the county shall provide the necessary funding through the county's budget process." I realize that some courts, primarily those dealing with criminal cases, presently have court coordinators. However, many do not. In addition, many counties have already commenced their budgeting process for the next year.

Because of these factors, I urge you to submit a request for funding for these positions to your county commissioners court at the earliest possible time, if you have not done so already. Please let me know if I can be of help to you in your request.

With kindest personal regards, I remain,

Sincerely,
John L. Hill, Jr.

The hardest questions of life always seem like they should be easy to answer. After all, they concern the most important things, and we should be able to respond to them.

"What do I really believe?"
"Am I really in love?"
"Where is home?"

...When we lay hold of these questions our hands sting at their sharp edges. In the crosscurrents of opinions and feelings and confusion, we long for some degree of certainty. That is why the person who cares about life always wants to know, "How do I know I am doing the right thing?"

Norman Mailer suggests that "the natural role of the twentieth-century humanity is anxiety." Worry about what tomorrow might bring, worry about meeting the debts of today. Paul counseled, "Don't be anxious about anything, but in everything, by prayer and supplication, with thanksgiving, make your requests known to God."

...But that was "easy" for him to say. All he ever faced were hostile mobs, ship wrecks, imprisonment and finally death, all because of his faith in God.

Maybe the Roman poet Seneca said it more realistically: "Nothing is so wretched or foolish as to anticipate misfortunes. What madness it is to be expecting evil before it comes."

The Presbyterians of Sonora gather each Sunday morning to give God the chance to replace their fears with faith, their worries with courage. There is room in the fellowship for you.

We wholeheartedly encourage you to be with us at 10:00 a.m.

**For a fresh outlook
We ask the kids**

The question of the week was asked to third graders.
If you were a plant or an animal, what would you be? Why?

I would be a cat. Because I like cats.

By Jeromy Yager

I would like to be a cat because a cat can perfect its self. And in winter it would not die from the cold like plants do. And cats are lucky to because if a dog were chasing it, it could climb a tree.

Josie Cumpian

I want to be a sunflower. Because when I'm hungry and my mom did not make my food I can make it myself. When I want sunflower seeds I can make sunflower seed myself.

Billy Sebok

I would like to be a sunflower because they grow very tall. And they are so yellow like a sun and paper. And they grow they on food. They are as tall as me. And mother and father.

Teresa Contreras

If I was a animal I would want to be a puffin. The don't get cold very easy because they have thick skin furry heads and they live on ice and snow and they slide down ice and snow too. Their beaks are red and white and they eat smaller animals.

Daniel Lind

I would like to be a lion to be the king of the beast. Too run fast and hunt for animals. And to be a strong lion to fight other animals. And have a lot of fur for winter. And have sharp teeth.

Peter Noriega

If I a rose I would not ask my mom to give me food. I would make my own food. I'd sit in the rain and sun.

Christina Disman

I want to be a deer. I would leap and run. Why I like deer. I love there coats. They are so pretty. I could protect myself with my horns.

Candy Nye

I would like to be a plant because in the winter I would't be hungry..I would be making my own food.

Melissa McClain

I would want to be a dog because I could protect my owners from strangers. And if there is a wild animal I would bark so my owners would stay inside and not come out and get hurt.

Sorina Torres

A snake. Because snakes get to slither a slip and the get bit people.

Katie Burge

I would be a giraff. Because they are very tall and I could reach trees taht had fruit.

Sandra Gonzalez

A venesflytrap! Because it is the only plant that sarp teeth.

Gilbert

A living thing they can reproduce.

Matt

I would a kitten. Becuse a kitten get lots of atoin.

Susan Amand Gibson

I would want to be a animal. I would like to be a Babby Bear.

Love Jenny Noriega

If I were a plant I would be a daisy because daisy's are pretty and so am I. If I were a animal I would be a bird because bird's sing and so do I.

Rachel

I would be an eagle, because they are protected by the law. If I was a plant I would be a bluebonnet, because blue is my favorite color.

Eric Disman

If I were a animal, I would be a monkey, because I think they are cute and funny. If I were a plant, I would be a rose because they smell good and people like them.

Mrs. Ross won the high score prize Mrs. Thompson won second

high, Mrs. McClelland won the bingo prize.

Mr. and Mrs. Buster Jennings spent the weekend in San Angelo with their grandson, Little Bill Lamb, and his family.

Our sympathy to the family of Les Robertson who died Nov. 14th.

Mr. and Mrs. Jim Bitner of Fredricksburg visited Mrs. Wanda Van Hoozer, and Mark Van Hoozer and Betsy Schwiening of San Angelo were here visiting Wanda too.

Health Fair

provides information

Approximately two hundred people filed through the doors of the 4-H building last Wednesday for the 3rd Annual Sutton County Health Fair. The air was hosted by the Sutton County Extension Home Economics Committee, Texas Agricultural Extension Service and the Texas Department of Health. United Blood Services held their blood drive in conjunction with the fair.

Those attending the fair were treated to a most impressive array of information booths and services. On hand were trained personnel to take blood pressure, height and weight, do anemia and diabetes

testing, take EKG's and test hearing.

Booths chock-full of educational material were presented by the American Heart Association, Cancer Society, Sutton County EMS, Hudspeth Hospital Auxiliary Dr. Lonnie Pollard's dental assistants, and Shannon Memorial Hospital. "Bo", our famous drug sniffing dog was on hand with his helper, "Chip", to provide material regarding drugs and the Extension Homemaker Club provided nutritious snacks.

It was an excellent opportunity to have your health checked—free and also gather some knowledge.

1st Assembly of God prepares for Revivaltime World Prayer meeting

The congregation of 1st Assembly of God, Sonora, will participate in the 30th annual Revivaltime World Prayer meeting on Nov. 24 at 6 p.m., according to the Reverend Louis Halford, pastor.

World Prayermeeting is organized by Revivaltime Media Ministries, the international radio outreach of the Assemblies of God, and is an annual prayer event that began in 1955.

Each year, for several weeks before Thanksgiving Sunday, Revivaltime broadcast listeners send prayer requests by the tens of thousands to the Revivaltime offices in Springfield, Mo. These requests are typed, duplicated, and distributed to churches and prayer

groups around the world. This year approximately 100,000 people in 1,600 groups are expected to pray for the requests.

Uniting these satellite prayer groups on the evening of November 24 will be an anchor service conducted at First Assembly of God in Grand Junction, Colo. This service will feature a live Revivaltime broadcast with evangelist Dan Betzer, to be aired over 550 radio stations in the U.S. and overseas. The actual prayermeeting will follow.

The Reverend Louis Halford has invited the public to attend the local World Prayermeeting service at 1st Assembly of God, 203 E. Pecan.

The time to learn to pray

Pastor Louis Halford

1st Assembly of God

"Pray without ceasing. In everything give thanks: for this is the will of God in Christ Jesus concerning you." (1st Thessalonians 5: 17-18)

I'm reminded of a story about a soldier that was caught creeping back to his quarters from the nearby woods. Suspicion was aroused and the man was charged with communicating with the enemy. The man told the officer that he had been in the woods praying.

"Down on your knees and pray now." The soldier knowing that his life was probably about to end fell

on his face before God and poured out his soul in such an eloquent way that impressed the commander.

"You may go, I believe your story. If you hadn't drilled so often, you could not have done so well at review."

Friend, the time to learn to swim is when the waters are calm, not during a storm. The time to learn to pray as a habit of life is now, not when the flood tides of life descend with sudden fury.

Daniel, was a man who learned to pray from long hours of practice.

As an exile in a foreign country, he lived hundreds of miles from the land of Israel. That didn't matter to Daniel, he still continued to pray and to give thanks to God three times a day.

The habit of prayer sustained Daniel's life when he was thrown into a den of lions.

The decree had been signed and sealed. According to the law of the Medes and Persians it could not be revoked. It contained the awful edict that anyone caught praying to any "God" other than the king would be cast into the den of lions.

The choice was clear: either give up your God, or give up your life.

There are so many things that will keep us from having constant fellowship with God. Families, and jobs, sleep or a busy schedule may keep us from our prayer life.

Learn to pray without ceasing. It's better to know how to pray now instead of getting yourself in a situation, and not knowing how to get a hold of God.

Make prayer a habit. All it can do is help you to improve your life and draw you closer to our great creator.

Exhibit brings Bible to life

Lawrenceville, GA reprinted from the Gwinnett Daily News Submitted by Norm Rousselot There's a small corner of Boston that doesn't draw the throngs that flock to Paul Revere's house or Harvard Yard or the Old North Church.

But the exhibit housed there, in a one corner of the Christian Science Center across from the bustling Prudential Center in Boston's Back Bay, brings a steady stream of interested visitors from all parts of the world.

It's a multi-media Bible exhibit—a collaboration between Protestants, Catholics, Jews, Bible scholars and designers.

The non-denominational exhibit was designed to appeal to people of all ages and religious (or non-religious) persuasions. It offers with displays and films and a children's corner where kids can listen to Bible stories while following along in colorful books with big print and simple wording.

A 44-foot plexiglas map at the back of the ground floor triangular room lights up at the push of a button, outlining historical journeys by famous Bible characters—Abraham, Moses, Jesus, Paul, etc.

With the help of a "listening wand" (an individual hand-held receiver), you can follow along a brilliantly lit "time-line," which actually makes the chronology of biblical events interesting.

An authentic Dead Sea Cave jar on loan from the Harvard Semitic Museum fills a small display case as you walk in the door. Other displays scattered throughout the exhibit space hold historic Bible translations.

The reference library holds a small but remarkably varied collection of Bible atlases, commentaries and other books by scholars representing a range of religious persuasions evangelical, Catholic, mainline Protestant and Jewish. Translations of the Bible range from Russian to Japanese.

According to exhibit host Virginia Stopfel, the idea for the exhibit was conceived because

"the church wanted to provide a place where visitors to the city, and the city-dweller, could easily find physical and mental space for reflection and renewal. The reflections of biblical people led to a fuller, freer life. It seemed very natural to let the Bible speak for itself—to offer a place where the

visitor and Bible could have a dialogue."

Mrs. Stopfel is currently serving as a trustee of the Endowment for Biblical Research, a nondenominational organization.

George Reed of Lawrenceville, was a recent visitor to the Bible exhibit, and he found it to be one of

the highlights of his visit to Boston. "To me," he said, "the collection of old Bibles was really fascinating, and I found the illuminated travel map of outstanding interest as it brought to life what had previously just been a description of something in the distant past."

4-H's hold meeting

Monday, the 11th of November the monthly 4-H meeting was held at the 4-H Center. A presentation was made by Charlotta Smith and Bo the school drug dog. Mrs. Smith and Bo are employees of Maximum Security, Inc., of Austin, Texas.

Bo has been to an obedience school and a special school to teach him how to search out drugs. Most dogs take 1-1 1/2 years to be trained.

Maximum Security, Inc., (M.S.I.) uses only Labrador Retrievers, because they learn quickly and are very gentle with people.

Prior to becoming an employee of M.S.I. Mrs. Smith was a housewife. After the completion of her training she became qualified to keep Bo in her home, and work with him.

The 4-H Club thanks Mrs. Smith and Bo for their program.

For those of you interested in Livestock Judging, classes will begin Nov. 21. Our december meeting will be announced later.

Now is the time to plan grazing system

Livestock producers in Texas are using planned grazing systems on about 15 million acres.

Virgil Polocek, district conservationist for the USDA Soil Conservation Service at Sonora, said that the efficiency of forage production is dependent on the health of the plants on rangelands.

"Plants capture solar energy in their leaves and use this energy to manufacture their own food," Polocek said. If these leaves are continuously grazed short, the plant will use all its stored food reserves, reduce forage production, and die."

Livestock are highly selective in what plant species they graze. They graze the best first and the worst last. They also like to come back to the same plant and graze it again because of the young tender regrowth.

Polocek said, "This is why the better plants have been killed off our rangeland, reducing forage production on much of it by up to 75 percent."

The loss of these better plants that the livestock prefer can be stopped and the process reversed if the rancher desires to maximize grazing efficiency.

To maximize grazing efficiency,

the better plants must be made as healthy as possible. To accomplish this, they need a chance to grow without continually being grazed. Animal numbers need to be balanced to forage produced.

A planned grazing system, tailored to meet the needs of the plants, the livestock, and the rancher is the best way to maximize grazing efficiency, Polocek stressed.

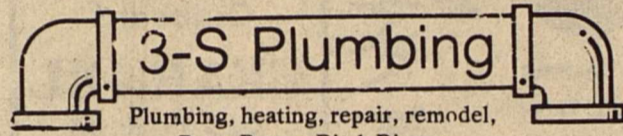

"You can't tell a cow what to eat, but you can limit the length of time and when she eats, using a tailor-made planned grazing system," said State Range Conservationist Rhett Johnson of the Soil Conservation Service. Planned grazing systems can be applied using a rotation between as few as two pastures."

If you are interested in maximizing grazing efficiency and improving your grassland, contact your local Soil Conservation Service personnel. They give technical assistance to landowners and operators through soil and water conservation districts and can help you design a system to meet your needs.

Spring is the best time to start a planned grazing system, so now is the time to start planning.

Area Frontier Petroleum manager, Russell "Sally" Sallee, celebrated his 65 birthday recently. A party was given by his employees Brenda, Janet, Edward, Lee, Thomas and the Damsen bunch. Sallee has been a resident of Eldorado since 1951.

Senior football players relive '85 season

The 1985 football season is over but the memories remain. The Broncos had a winning season which most did not predict. Much of the success of the team can be attributed to the senior players. We would like to take this time to pay a tribute to the senior football players of 1985-86.

MANUEL DURAN #86

Question: How did you feel about the season?
 Answer: It was alright I guess.
 Q. Did you think the Broncos had a chance to go to the playoffs?
 A. Yes, we had a strong chance, especially against Crane. We would have beaten Crane, but those first 3 turnovers really hurt us.
 Q. Are you going to miss playing football?
 A. Yes, in a way, it's been my life here at Sonora High.
 Q. Do you think next year's team will be better or worse? Why or why not?
 A. Better, because they have more letterman returning and they should be more experienced.

SONNY SAMANIEGO #85

Question: Did you have any pre-game thoughts Friday, since it was your last game?
 Answer: Yes, I did. I really thought about all the years I've been playing and realized that after Friday night, it was all going to be over for me. I'm gonna miss the game.
 Q. What did you feel like when the buzzer ended the game?
 A. That it was the buzzer that ended the last football game of my life. I felt very lost by the sound of the buzzer, I knew I would never hear that buzzer again on the field.
 Q. How did you feel after your last practice Thursday?
 A. It felt like I was never going to sweat again; to learn a new play or practice for any upcoming game, and I probably won't. I knew I had to be prepared to my best for my last game.

JAMES LEE #75

Question: What were your thoughts as the last game ended?
 Answer: I was thinking of what it was going to be like not playing football next year and how much I was really going to miss football after all.
 Q. Do you feel this year was worthwhile?
 A. Yes, because our team was not expected to be very good on account of our size and inexperience. The only thing we really had was determination and we showed it by having a winning season.
 Q. Briefly describe the role a senior plays on the football team.
 A. A senior has to show a lot of team spirit because if the seniors don't the underclassmen won't. A senior also has to show a lot of pride in the team where the underclassmen will feel good about the team and try harder.

ESAU RAMIREZ #20

Question: What did you think about during the last football game?
 Answer: I wanted to play good so I could remember it because it was my last game.
 Q. How did you feel about the injury you received earlier in the season?
 A. It was the thing I wanted to happen least--but it happened first.
 Q. What did you think about the 1985 football season?
 A. For a record of 7 wins and 3 losses I felt that it was a winning season.
 Q. What thoughts went through your mind when the buzzer sounded signaling the end of the game?
 A. Tears started coming to my eyes --I just couldn't believe it was my last game.

JOHN DAVID MARTINEZ #30

Question: What did you like most about your last football game?
 Answer: I guess the only thing I liked about my last football game is that we ended it with a winning season. Since it was my last football game I guess I can say it was not the most joyful time I have had, but I am glad I was able to have a good game to look back on.
 Q. What did you and the rest of the seniors do after the victory circle?
 A. After the victory circle we were walking in and right as we were on the track me and Sonny looked back and said, "Just think, we will never do this again." We took one last look back at the whole stadium turned around and went into the dressing room.
 Q. Did the football season seem to pass by slow or fast?
 A. With no question about it to me it went by too fast. It seems like not too long ago we were beginning two-a-days. I guess the season for every senior goes by fast.
 Q. Are you enjoying your senior year?
 A. Yes, I am greatly enjoying my senior year. At a time like this I tend to try extra-hard to get out all the excitement that I have. I feel more relaxed knowing this is my last year.

ABE CARRUTHERS #50

Question: What was your senior year in football like?
 Answer: Great!
 Q. What was your thoughts when the buzzer sounded to end the last game?
 A. No more two-a-days.
 Q. Were there any rewards or accomplishments?
 A. To know we had a winning year.

JIM COOPER #70

Question: Describe the meaning of your last football year?
 Answer: This year of football meant a lot to me. It was my last year of High School football and I wanted to do well. I also wanted the team to do well.
 This was my most favorite year of football. Our team may not have been the best or the biggest but we showed some people that we could play.
 That was probably the most satisfying thing in my football career.

WAYNE COLLINS #63

Question: Describe your feelings on your senior football year.
 Answer: My senior year of football has been an excellent experience. I have learned the value of teamwork, working hard and also how to have fun.
 Playing football was a large part of my life and I feel as if a part of me was taken now that it's over.

MIKE McBRIDE #10

Question: What was your senior year in football like?
 Answer: I think this year was a learning experience. I really had a lot of fun, I really enjoyed myself.
 Q. What were your thoughts when the buzzer sounded to end the last game?
 A. I thought that was it. I will never put shoulder pads on again. I really thought about how much I was going to miss it.
 Q. Were there any rewards or accomplishments?
 A. I don't think I played like I should have but I did do my best at the line when I was needed. I accomplished making it through football with no injuries. I think we all had fun this year.

Gamma Phi holds meeting

The Gamma Phi Chapter of Delta Kappa Gamma held their November meeting on Tuesday, November 12. The meeting was held at the Presbyterian Church Fellowship Hall in Rocksprings.

The moment of meditation was led by Carolyn Anderson, Rocksprings. Continuing orientation of the society was presented by Doreen Shanklin, Rocksprings. The program was entitled "The Career Ladder goes up". A panel, Ruth

Whittenburg of Rocksprings, Donna Hill and Wanda Nixon of Sonora, presented an informative program on the importance of personal and community growth to professional growth.

A hostess committee from Rocksprings, chaired by Mary Whittle, provided a lovely supper.

The Gamma Phi Chapter of Delta Kappa Gamma will meet at 5:00 p.m. on Tuesday, December 3 at the Sonora Jr. High Snack-Bar.

After the smoke cleared...

Marilyn McEwen celebrated a birthday this last week. Decorations in various shades of black, were done by concerned parties who were afraid Marilyn might try to forget this birthday.

Leticia Galindo, daughter of Pedro and Lydia Galindo of Sonora, will be initiated into Kappa Delta Pi, Thursday, November 21st at the University of Texas at Austin.

Kappa Delta Pi is an honor society in Education with membership for those who have a 3.5 GPA or better.

Ms. Galindo is currently a Ph.D. candidate in Foreign Language Education.

The mail roads in early England were higher because earth was thrown from the side ditches toward the center. They were called "highways". Smaller private roads became known as "byways."

60th Anniversary celebrated

On November 21, 1925 Phyllis Loos of San Antonio and Frank Bond of Sonora said "I do," and for they past sixty years "they have." The concern and caring the Bond's have for each other is most evident to those around them.

After a honeymoon trip to

California, the Bond's returned to Sonora where Frank was a rancher. They resided on the ranch until their one child, Frank L. was school age at which time they moved into town.

Frank L. is a dentist in San Antonio. He and his wife, Mary Alice have four children, Randa Gail, Kirk, Ford and Walker.

The Bond's have two great-grandchildren, Marie and Kyle, the children of Randa Gail and Edward Cheatele of San Angelo.

Don't Let Your Energy Dollars Escape This Winter

Increase Your Energy Savings By Following These Conservative Tips:

SET THERMOSTAT AT 68°

Set your thermostat at 68 degrees or lower. Turn it down at night and use an electric blanket. Turn it down even lower when you leave home for an extended period of time. Every degree you lower your thermostat will help to increase your energy savings.

KEEP DAMPER CLOSED

Tightly close the damper in your fireplace when you're not using it. The same draft that is needed to help make a fire burn could circulate through your fireplace and pull warm air out of your home.

OPEN DRAPES & BLINDS

Keep drapes and blinds open during the day so the sun's energy can help warm your home. Be sure to close them on cloudy days and at night so they can help insulate your home against the cold.

CHANGE FILTER REGULARLY

Check the filter in your heating unit regularly. Cleaning or replacing a dirty filter will often make a difference in your system's performance. Also, make sure air vents aren't blocked by furniture or drapes.

Taxidermy Tips

Bob McWilliams, Taxidermist

By Bob McWilliams

Whitetail season is finally here! After the rains that we have had, at the proper times needed to grow trophy sized antlers, this is the year that we may see racks comparable to some of the ones that some people thought were times gone by. I have had reports from various ranches, from officers that are out at night and the game dept. that this is the year for the horns! We are getting prepared for what looks like a good year for the hunter and taxidermist.

Not only should you be after old moss horns this year but if you are fortunate enough to have an old set of trophy antlers that your Dad or Grandad killed in years past and was never mounted or if it was mounted and is beginning to show its age, now is the time to be

thinking of getting a new cape for that old mount or horns. The deer are obviously in good shape and they should have some beautiful hair this year. If you have been thinking of getting that old deer remounted or those old set of horns mounted let me know so I can begin looking for that special cape for your deer. Remember the horns are the trophy and not the hide. A new hide is much more attractive than an old dirty cracked one. Let us know at the first of this season and we will try to get you that special cape for that special whitetail.

We buy and sell trophy horns (especially freaks, drop tines etc.) for those of you who are interested in that.

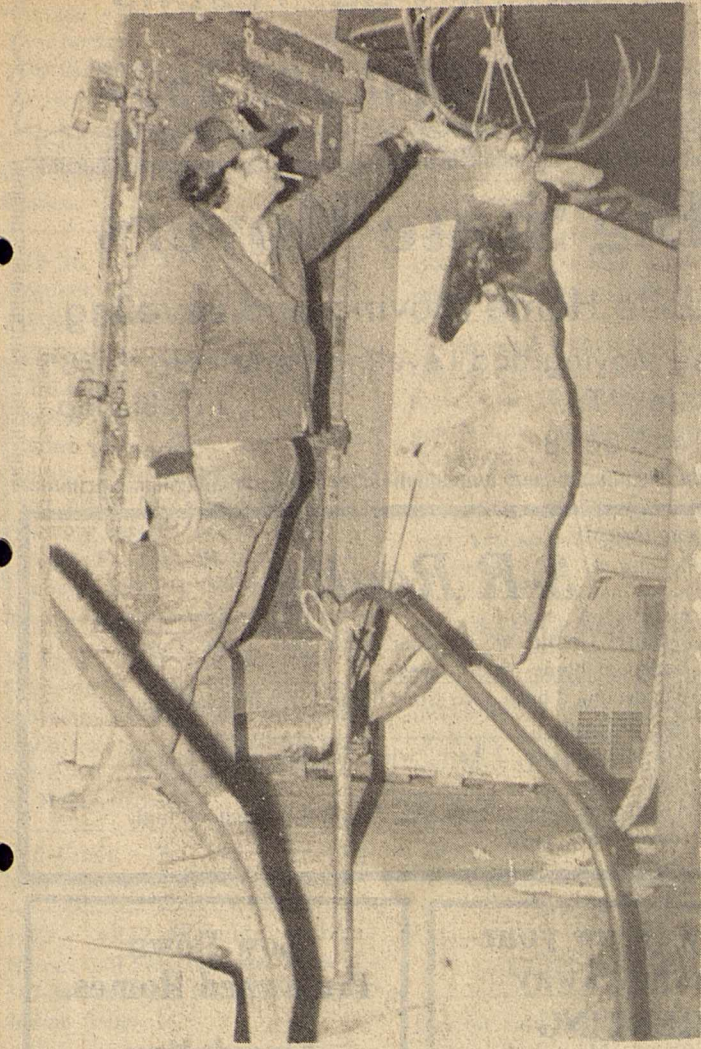

Thanks for reading and I hope you have a successful hunt!

The rack on the left is from a deer killed by Keith Wallace, son

of Mr. and Mrs. Dub Wallace, at 21 3/4 inches outside, it is the largest spread so far of the season.

The rack on the right comes from a deer killed by Steve Miller. It has 22 points with 4 3/4 inch bases.

PUBLIC NOTICES

Notice of Hearing

On motion of the Railroad Commission of Texas to consider the application of all American Pipeline Company for an operating permit for its crude oil pipeline from McCamey, to Webster, Texas and proposed route through Upton, Crockett, Sutton, Kimble, Kerr, Gillespie, Blanco, Hays, Caldwell, Bastrop, Fayette, Colorado, Wharton, Fort Bend, Brazoria, Galveston and Harris Counties, Texas.

I

NOTICE IS HEREBY GIVEN TO the Public and all interested persons that under the authority of Title 3, Oil and Gas, subrules A, B and D, Texas Natural Resources Code, and Chapter 26 of the Texas Water Code, Statewide Rule 70 (16 T.A.C. 3.65) and the Railroad Commission's statutory duty to prevent waste and promote conservation of oil and gas, insure safety and prevent pollution of both surface and subsurface waters, the Railroad Commission of Texas will hold a hearing, on December 10, 1985, at 9:00 a.m. For the room assignment, on the date of hearing, please check the bulletin board in the first floor lobby in the William B. Travis Building at 1701 North Congress Avenue in Austin, Texas.

II

This hearing is called on the motion of the Railroad Commission on the application of All American Pipeline Company for a permit to operate a crude oil pipeline from McCamey to Webster, Texas. The proposed pipeline will be located in parts of the following counties: Upton, Crockett, Sutton, Kimble, Kerr, Gillespie, Blanco, Hays, Caldwell, Bastrop, Fayette, Colorado, Wharton, Fort Bend, Brazoria, Galveston and Harris. The scope of the hearing will be limited as described in III below. A detailed description of the

pipeline routing is available for review and copying at the office of the Director of Underground Injection Control.

III

The Railroad Commission has received complaints and protests which invoke the jurisdiction of the Commission. Such jurisdiction extends to issues of waste and conservation of oil and gas, safety, and prevention of both surface and subsurface water pollution. The Railroad Commission has no jurisdiction over condemnation matters and these matters will not be considered.

The complaints and protests received relate to the portion of the pipeline which crosses approximately 7.5 miles of the Edwards Aquifer Recharge Zone in Hays County, Texas. Therefore, this hearing is called to consider questions raised by complaints and protests over which the Commission has jurisdiction, and this hearing is expressly limited to issues within the Railroad Commission's jurisdiction which relate to the pipeline as it crosses the Edwards Aquifer Recharge Zone in Hays County and any effect upon the Edwards Aquifer. The Commission will consider whether the proposed pipeline will be so laid, equipped and managed as to reduce to a minimum the possibility of waste of oil and gas, will prevent pollution of surface and subsurface waters and whether it will be operated in accordance with applicable laws and rules.

IV

At least ten days prior to the hearing all parties or interested persons desiring to appear and present evidence on the relevant issues should notify the Railroad Commission of Texas in writing at the following address:

Docket Services
Railroad Commission of Texas
Oil and Gas Division
P.O. Drawer 12967

Austin, Texas 78711

Anyone notifying the Commission of their intent to appear should indicate whether they are in favor of or opposed to the application and should indicate any objection to the scope of this hearing as set forth in this notice.

V

PURSUANT TO HEARING in this docket, the Commission will enter such orders and permits as in its judgement the evidence presented may justify.

VI

If a continuance of any hearing called in this docket is necessary, this hearing will proceed in Austin, Texas, and, to the extent possible, on subsequent working days. The building, room number and exact time of the continuation will be announced on the record in this proceeding if possible and recorded with Docket Services, in the William B. Travis Building. All exhibits filed as a part of the record in this cause must be submitted in duplicate. Data in Commission records may be incorporated by reference, but the reference must be specific, and if it includes exhibits filed in prior proceedings before the Commission, a copy of such exhibit properly identified shall be submitted for this record.

Railroad Commission of Texas
/s/ Shirley Crabtree,
Deputy Secretary

A list of the names and addresses of those persons receiving notice of this hearing is contained in the Commission's file on this proceeding and is available for inspection at the Railroad Commission's office in the William B. Travis Bldg., 1701 Congress Avenue, Austin, Texas.

Certificate of Service

I hereby certify that a true and correct copy of the foregoing Notice of Hearing in Oil & Gas Docket No. 1-86, 589 was served on each of the

persons named below by depositing same in the United States Mail, postage thereon fully prepaid, properly addressed, as follows:

A list of the names and addresses of those persons receiving notice of this hearing is contained in the Commission's file on this proceeding and is available for inspection at the Railroad Commission's offices in the William B. Travis Bldg., 1701 Congress Avenue, Austin, Texas.

On this the 13th day of November, 1985.

Notice to Public of no significant effect on the Environment and Notice to Public of request for release of funds

City of Sonora
201 N.E. Main
Sonora, Texas 76950
TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

On or about December 9, 1985, the above-named City of Sonora will request the Texas Department of Community Affairs to release Federal funds under Title I of the Housing and Community Development Act of 1974 as amended, to be used for the following project:

Activity
Texas Community
Development Program
Water Distribution
System Improvements
Contract No. S705030

Project to be located in the City limits of Sonora, Sutton County, Texas. A more detailed description of the project and a map showing the specific locations of the proposed improvement is available for public examination at City Hall, 201 N.E. Main.

Finding of No Significant Impact
It has been determined that such request for release of funds will not

constitute an action significantly affecting the quality of the human environment and accordingly the above-named City of Sonora has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969.

The reasons for such decision not to prepare such Statement are as follows:

WATER FACILITIES-Health and safety hazards currently exist due to inadequate fire protection. The proposed project should eliminate those health and safety hazards. Construction activities will produce certain amounts of air and noise pollution, however, the effects will be short term and low intensity.

An environmental Assessment respecting the within project has been made by the above-named City of Sonora which documents the environmental reviews of the project and more fully sets forth the reasons why such Statement is not required. This Environmental Assessment is on file at the above address and is available for public examination and copying upon request in the office of the City Secretary between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday.

Public Comments of Finding

All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by the City of Sonora, to the office of the undersigned. Such written comments should be received at City Hall on or before December 6, 1985. All such comments so received will be considered and the City of Sonora, will not request the release of Federal funds or take any administrative action on the within project prior to the date

specified in the preceding sentence.

Release of Funds

The City of Sonora will undertake the project described above with Community Development funds from the Texas Department of Community Affairs under Title I of the Housing and Community Development Act of 1974. The City of Sonora is certifying to TDCA that the City of Sonora and Billy C. Gosney in his official capacity as Mayor consent to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental assessments, decision making and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval the City of Sonora may use the Texas Community Development Program funds and TDCA will have satisfied its responsibilities under the National Environmental Policy Act of 1969.

Objections to State Release of Funds

Texas Department of Community Affairs will accept an objection to its approval only if it is on one of the following basis: (a) that the certification was not in fact executed by the certifying officer or other officer of applicant approved by TDCA; or (b) that applicant's environmental review record for the project indicates omission of a required decision finding or step applicable to the project in the environmental review process. Objections must be prepared and submitted in accordance with required procedures (24 CFR Part 58.75) and may be addressed to Texas Community Development Program; Texas Department of Community Affairs, 8317 Cross Park Drive, P.O. Box 13166, Capitol Station, Austin, Texas 78711.

Objections to the release of funds on basis other than those stated above will not be considered by TDCA. No objection received after December 27, 1985 will be considered by TDCA. The Chief Executive Officer of the City of Sonora is Billy C. Gosney, Mayor.

Notice of Explanation on Flood Plains and Wetlands City of Sonora

TO ALL INTERESTED AGENCIES, GROUPS, AND PERSONS:

The City of Sonora proposes to use Federal funds provided under Title I of the Housing and Urban Development Act of 1974, as amended, for the following projects in an area which is included in the 100 year flood plain:

Water Improvements-This project is required to provide adequate fire protection to largest area residences which currently lack such protection. The project calls for looped lines and fire hydrants to place every residence in the neighborhood within 500 feet of a "rated" fire plug. Several locations for which this project is planned are located in the 100-year flood plain; specifically, on Menard Street between the intersection of 2nd Street and 1st Street.

It is the City's finding that the proposed projects cannot be undertaken in any other location and, therefore, there is no practicable alternative to the proposed project. Failure to provide these improvements will result in the continued deterioration and blight of a

low/moderate income area of the City of Sonora. It is the City's judgement that the continued viability of this low/moderate income area outweighs consideration of Executive Order 11988.

A more detailed description of these projects and the FIA flood maps are available for citizen review at the Sonora City Hall, 201 N.E. Main, between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday. Comments on these projects in relation of Executive Order 11988 will be considered until December 6, 1985. The Chief Executive Officer of the City of Sonora is Billy C. Gosney, Mayor.

Call for Bids

Sonora ISD has for sale several surplus items of equipment which will be sold to the highest bidder. Among them are a 1972 Dodge 54-passenger bus in poor condition, a single-axle fiberglass trailer, tires, batteries, and other miscellaneous items. All may be inspected from 8 a.m. until 4 p.m. daily at the district's bus barn located at the corner of Lorene and Mesquite in the City of Sonora. Sealed bids will be accepted at the administration office, 807 South Concho, until Wednesday, December 4, 1985. Sonora ISD reserved the right to reject any and all bids.

Ordinance No. 293

An ordinance granting to Sonora Royalty Gas Inc., a corporation, its successors and assigns, a franchise to furnish natural gas to the general public of the city of Sonora, Sutton County, Texas, and the environs thereof; fixing rates and charges for Natural Gas; providing for the payment of a fee for the use of the streets, alleys and public ways; providing that it shall be in lieu of others fees and charges, excepting ad valorem taxes, if authorized, providing that franchise not exclusive.

Passed, adopted and approved this the 12th day of November, 1985.

Billy C. Gosney, Mayor

Appetizers

16 to 18 med! to large mushroom caps
 2 T. cooking oil
 2 T. minced onion (soak if dried)
 1 cup soft bread crumbs (crumble in blender)
 2 t. chives
 3 T. crumbled crisp bacon (5 to 6 slices)
 2 T. chop pecans
 2 T. cooking sherry
 sour cream
 4 T. butter (or Oleo)

Pecan Stuffed Mushrooms

Saute caps in oil and 2 T. of butter, 3 min. per side. Remove-add remaining butter and onion and saute until onion is pale yellow, add crumbs, chives, bacon and pecans. Remove from heat. Add sherry mixing well. Add enough sour cream to hold mixture together mixing well.

Place stuffing in mushrooms (underside). Place under broiler until hot. Serve Warm.

 Sonora, Tx.

Hot Broccoli Dip

Large package frozen chopped Broccoli
 2 cans cream of mushroom soup
 Medium or large can sliced mushrooms
 1/2 to 1 lb. Jalapeno
 Kraft Cheese-cut up
 1/2 to 1 lb. cheddar or colby cheese-grated
 1/4 cup chopped green onions
 1 small pkg. sliced almonds

Cook Broccoli according to package directions-drain. In large saucepan, heat soup, add cheeses, drain about half of liquid from mushrooms. Add to soup and cheese mixture. Add green onions, almonds, the drained broccoli, mixing well.

Keep warm in 2 qt. chafing dish. We prefer a hotter, spicier taste so, I use 1 lb. Jalapeno Cheese, liking cheese, we prefer 1 lb. instead of 1/2 of cheddar or colby.

Fresh vegetables are excellent with this or Doritos or Chips.

Candy Cane Cookies

1 cup powdered sugar
 1/2 cup margarine or butter, softened
 1/2 cup shortening
 1 egg
 1 1/2 tsp. almond extract
 1 tsp. vanilla
 2 1/2 cups all-purpose flour
 1 tsp. vanilla
 1 tsp. salt
 1/2 tsp. red food color
 1/2 cup crushed peppermint candy
 1/2 cup granulated sugar

Heat oven to 375 F. Mix powdered sugar, margarine, shortening, egg, almond extract and vanilla. Stir in flour and salt. Divide dough into halves. Tint one half with food color. For each candy cane, shape 1 tsp. dough from each part into 4-inch rope. For smooth, even strips, roll back and forth on lightly floured board. Place one red and one white strip side by side. Press together lightly and twist. Complete cookies one at a time. Place on ungreased cookie sheet. Curve top down to form handle of cane. Bake until set and very light brown. About 9 minutes. Mix candy and sugar; immediately sprinkle over cookies. Remove from cookie sheet. About 4 dozens.

Bourbon Balls

3 cups vanilla wafers (rolled fine)
 1 cup nuts (chopped fine)
 1 cup powder sugar
 3 tbs. lt. corn syrup
 1/2 cup bourbon or rum

Mix all ingredients well, shape into small balls. Dust with powder sugar. Let dry on waxed paper over night.

Unbelievable Cookies

(only 3 ingredients)
 Beat 1 egg and blend in 1 cup peanut butter, 1 cup sugar.

Mix well. Make into balls the size of small walnuts. Flatten on cookie sheet. Bake 350 for 8 minutes. Cool on pan before removing. So easy, so good.

Christmas Nuggets

Makes 3 1/2 dozen cookies
 2 1/4 cup flour
 1/2 teaspoon salt
 3/4 cup shortening
 1/4 cup butter of Oleo
 1/2 cup powdered sugar
 1 tablespoon vanilla
 1 1/2 to 2 teaspoon almond/extract
 1/2 cup finely chopped nuts

Sift together-2 1/4 cup flour, 1/2 teaspoon salt. Cream thoroughly-3/4 cup shortening, 1/4 cup butter of oleo, 1/2 cup powdered sugar.

Blend in-1 tablespoon vanilla, 1 1/2 to 2 teaspoons almond/extract, 1/2 cup finely chopped nuts.

Preheat oven at 325 F. Gradually add dry ingredients. Mix until dough is smooth and well-blended. Shape into small balls. Place on ungreased baking sheet and flatten slightly. Bake for 25 minutes or 18 minutes for small. Roll in powdered sugar after baking. (Let them cool about 5 minutes before rolling in powdered sugar as they are very hot.)

These freeze well so usually double recipe and make ahead.

Pecan Pie

1/2 cup sugar
 1/2 cup dark Karo
 3 large eggs
 Pinch salt
 1/2 cup light Karo
 1 cup pecans
 (broken coarsely)

Beat eggs slightly. Stir in sugar, syrup, salt and pecans. Do not beat. Pour into unbaked pie shell and bake at 350 degrees for 10 minutes. Decrease heat to 300 degrees and bake until done (about 40 minutes longer).

This recipe may be converted to Molasses Pie by replacing the light Karo with dark and leaving out the pecans.

Ranger Cookies

- 1 c. Crisco
- 1 c. sugar
- 1 c. brown sugar
- 2 c. flour
- 2 c. 3 min. oats
- 2 c. Rice Krispies
- 1/2 c. coconut
- 1/2 c. chopped pecans
- 2 eggs
- 1 teaspoon vanilla
- 1 t. baking soda
- 1/2 teas. baking powder
- 1/2 t. salt

Spray cookie sheets. Preheat oven at 350 F. Cream shortening and sugars. Add eggs and vanilla. Mix well. Sift flour with salt, baking soda, and baking powder add this and oats and rice krispies to sugar, egg and shortening mixture. Add coconut and pecans. Mix well with wooden spoon or use hands to complete mixing. Roll into walnut size balls. Flatten with hand or fork.

I usually double the recipe as these are so good, they go fast. Also these cookies freeze well, so a double batch, to me, is practical. Use a large bowl to double.

Option: you can substitute 12 oz. choc. chips for rice krispies.

Bake 12 to 15 minutes.

German Chocolate Pound Cake

Serves at least 16

- 2 c. sugar
- 1 c. shortening
- 4 eggs
- 2 tablespoons vanilla
- 2 tablespoons butter flavoring
- 1 c. buttermilk
- 1/2 t. soda
- 3 c. flour
- 1 teaspoon salt

Grease and flour large tube pan. Preheat oven at 300 F. Bake for 1 1/2 hours.

Soften package of German Chocolate in oven on top double broiler.

Cream together the 2 cups of sugar and 1 cup of shortening. Add flour, soda, and salt. Mixing well. Then add softened chocolate. Blend well. After baking cover with tight fitting lid while still hot. Remove lid when pan is cold.

This cake freezes well, so can be made ahead of time when needed.

Low Cholesterol Ranger Cookies

For cholesterol and low sodium restrictions, I have changed original recipe to:

- 1 cup oleo
- 1 cup sugar
- 1 cup brown sugar
- 2 cups flour
- 2 cups 3 min. oats
- 2 cup rice krispies
- 1/2 cup chopped pecans

or

- 1/2 cup slice almonds
- 1 whole egg
- 1 egg white
- 1 teaspoon vanilla
- 1 1/2 to 2 T. coconut flavoring
- 3/4 T. Baking Soda
- 3/4 T. baking powder
- 1/4 T. Lite salt or salt substitute

Preheat oven at 350 F. Bake from 12 to 15 minutes. Cream oleo and sugars. Add egg and egg white and both flavorings. Mix Well.

Sift flour with baking soda, baking powder, and salt preference add this and oats, rice krispies, and choice of nuts. Mix well with wooden spoon or use hands to complete mixing. Roll into walnut size balls. Flatten with hands or fork.

I always double the recipe in order to have some for freezer. When doubling, I use 1 whole egg and 4 egg whites. Use a large bowl.

As to substitute, 12 oz. chocolate chips may be used instead of rice krispies. Since we have a chocolate allergy, I use carob chips when substituting.

A double batch makes 9 to 13 dozens. Depending on what walnut size means to you.

Main Dishes

Cabbage Burgers

- (2 or 2 1/2 dozen)
- 2 lb. hamburger
- 1 large head cabbage
- 1 large onion
- Salt and pepper to taste
- 1/4 cup water
- 3 cups warm water
- 2 pkg. yeast
- 1/2 cup sugar
- 1 tbs. salt
- 1/3 cup oil or shortening
- 1/2 cup powdered milk
- Flour

Into large bowl, put water, yeast, sugar, salt, powdered milk and shortening. Set aside. Add flour to make a thick mixture.

Brown hamburger. Add salt and pepper. Chop cabbage and onion and add to hamburger. Add water and let cook until cabbage is just tender. Drain.

Let dough rise till double. Punch down. Take small amount and add flour till you can handle it and roll into 6" circles. Fill center with burger mixture. Wrap dough around it to resemble hamburger. Put into greased pan and let rise until double. Bake until brown about 30 minutes. Brush with Oleo and serve. (can use hot roll mix instead of above dough.)

Wuest's Yeast Bread

2 cups warm water
1 tablespoon salt
2 tablespoons sugar
2 tablespoons Weason Oil
2 pkgs dry Fleischmann's Yeast
About 5-6 cups flour

Mix well and knead dough until it forms a smooth, elastic dough--cover with a warm wet cloth until it rises--double its size.

Knead again and form into 2 loaves--grease loaf pans and place each loaf of dough into pans--let rise until it doubles in size.

Place into a 325 degree oven and bake for one hour.
Annabell Wuest

Dallas Fruit Cake

1 lb. candied cherries
1 lb. candied pineapple
1 lb. pitted dates
4 cups pecans
1 sm. can coconut-5 to 7 oz. flaked
1 can Eagle Brand Condensed milk

Even people who do not like fruit cake seem to like this. It is very rich and more like candy.

Preparation for cake. Grease 2 loaf pans. Line each with foil and grease the foil. (Line all sides of pans) using Oleo. Preheat oven at 300 F. and bake for 1 hour.

Cut fruit and nuts in medium sized pieces. Mix all ingredients and press firmly into pans.

After baking, remove from pans immediately to cooling rack. If cake breaks after removing from pans, moisten hands and push it together.

This freezes (I had one in freezer one year and it was still delicious) very well so can be made well ahead of time for use.

Jeanne Davenport
Sonora, Texas

1/4 cup toasted sliced almonds
3/4 cup milk
1/2 cup (1 stick) butter, melted and cooled
1 cup well-drained crushed pineapple
1 cup chopped dried apricots
1 egg, slightly beaten
3 cups all-purpose flour
3/4 cup sugar
1 tablespoon baking powder
3/4 teaspoon salt
1/4 teaspoon baking soda

Pineapple-Apricot Bread

Preheat oven to 350 F. Generously butter a 9X5 inch loaf pan. Sprinkle with sliced almonds; gently press almonds to sides and bottom of pan. Combine milk, butter, pineapple, apricots and eggs in large mixing bowl. Combine dry ingredients. Stir dry ingredients into milk-fruit mixture just until all ingredients are combined. Spread batter evenly in pan. Bake until wooden pick inserted in center comes out clean, about 70 to 75 minutes. Cool in pan 15 minutes. Remove from pan and cool completely on wire rack. Wrap tightly in plastic wrap and store 24 hours before serving.

1/2 cup (1 stick) butter
3/4 cup sugar
2 eggs
1 teaspoon vanilla
3 cups all-purpose flour
1 tablespoon baking powder
1 teaspoon salt
1 teaspoon baking soda
1/2 teaspoon ground cinnamon
1/4 teaspoon nutmeg
1/3 cup orange juice
1 package (10 oz.) frozen cranberry-orange relish, thawed
1 teaspoon grated orange peel
1 cup chopped pecans

Cranberry Pecan Bread

Preheat oven to 350 F. Cream butter and sugar until light and fluffy. Beat in eggs and vanilla. Combine flour, baking powder, salt, soda, cinnamon and nutmeg. Add dry ingredients alternately with orange juice and creamed mixture. Stir in relish, orange peel and pecans. Spoon batter into well-buttered 9X5 inch loaf pan. Bake until wooden pick inserted in center comes out clean, about 70 to 75 minutes. Cool in pan 15 minutes. Remove from pan and cool completely on wire rack. Wrap tightly in plastic wrap and store 24 hours before serving.

Surprise Sweet Potato Candy

2 c. sugar
1/2 c. butter or margarine
1 c. evaporated milk
1/2 c. finely grated raw sweet potato
2 c. miniature marshmallows
1 c. graham cracker crumbs
2 tsp. vanilla (optional)
2 c. chopped pecans

Combine sugar, butter and milk in large saucepan. Stir frequently over medium heat until mixture boils. Add sweet potato. Continue to boil over medium heat, stirring frequently, until mixture reaches soft ball stage or 235 degrees on candy thermometer. Remove from heat. Add marshmallows and graham cracker crumbs. Stir until marshmallows are melted and blended well in crumbs and candy mixture. Add vanilla and pecans. Mix well. Pour into buttered 9-inch baking pan. Cool before cutting.

Yield: about 6 doz. cookies
1 cup (2 sticks) butter
1 cup sugar
3 eggs
3 1/2 cups all-purpose flour
2 teaspoons baking powder
1/2 teaspoon salt
Sesame seed
Red and green candied cherry halves

Sesame Cookies

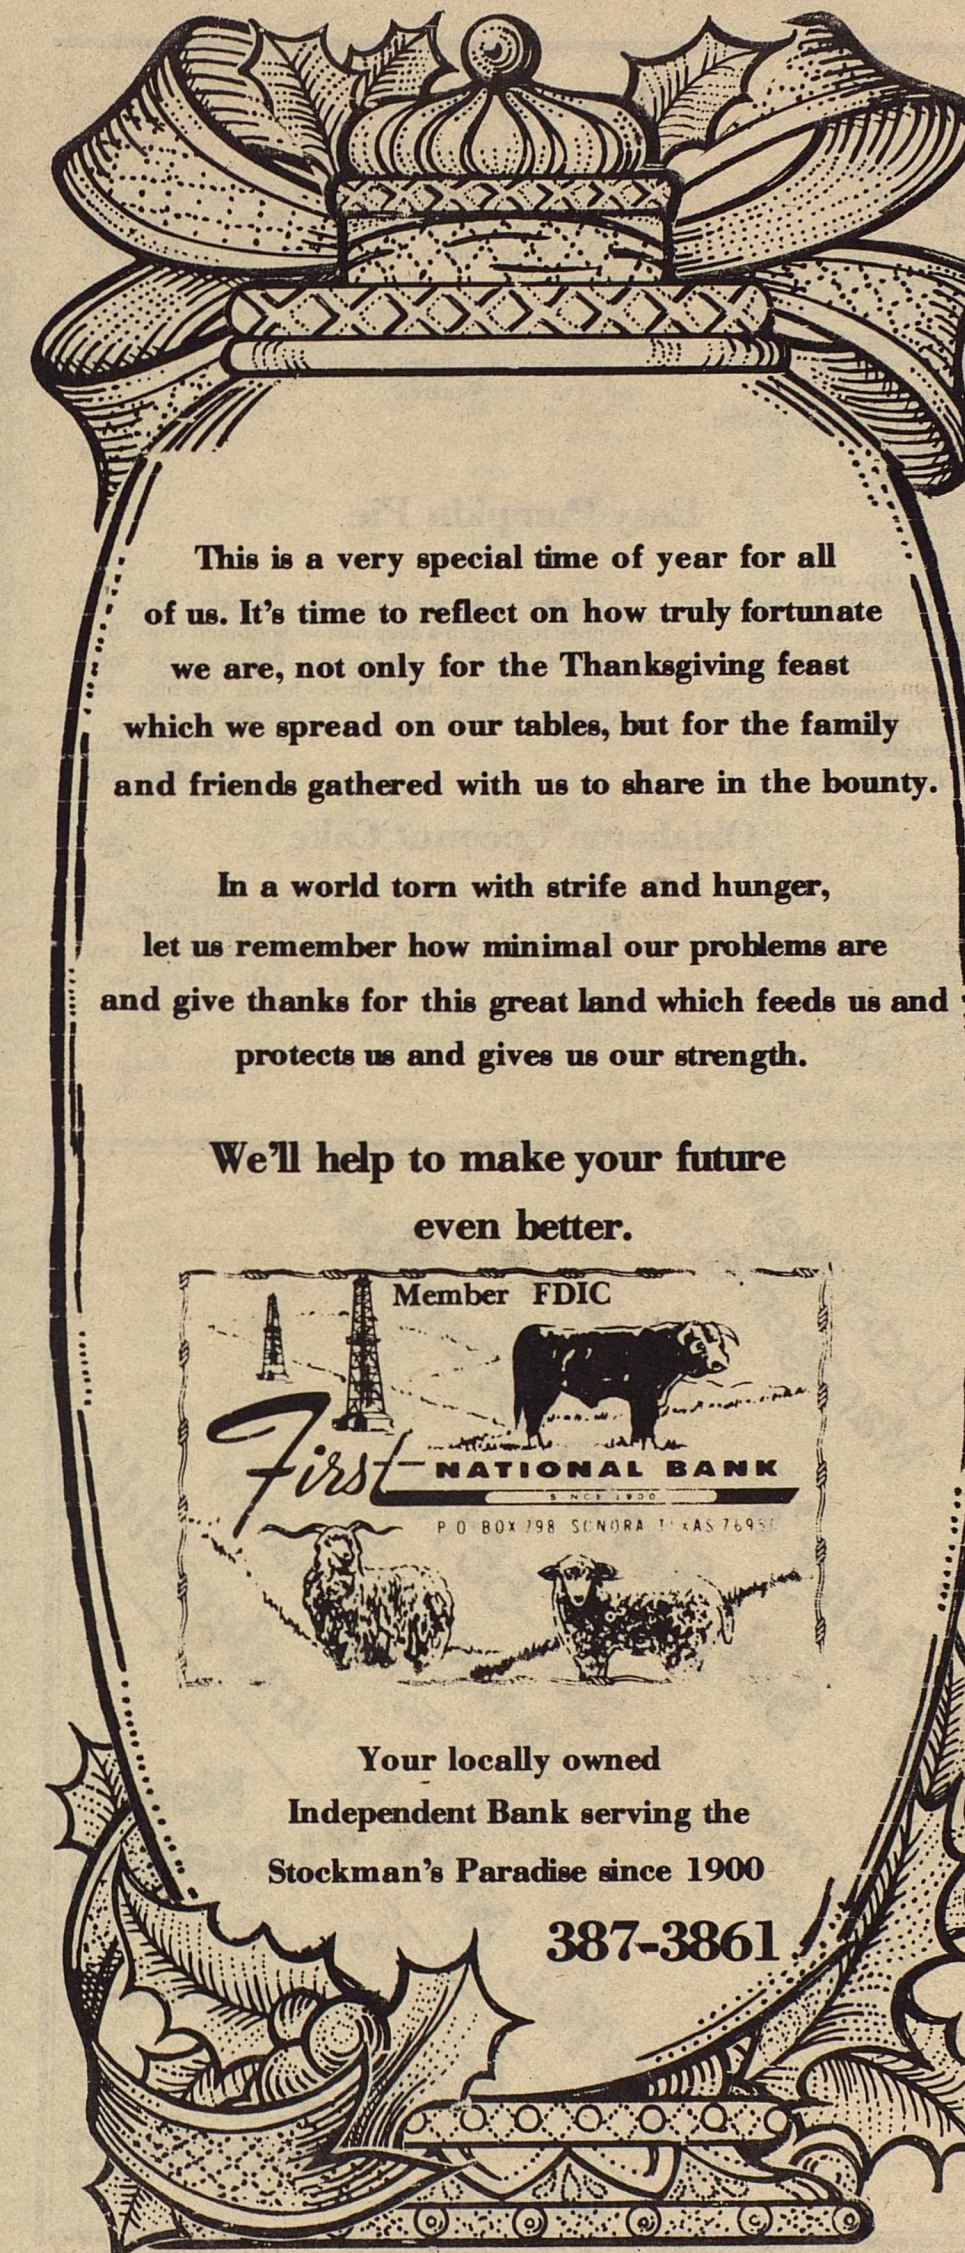

Cream butter; gradually add sugar and beat until light and fluffy. Beat in eggs. Combine flour, baking powder and salt. Add to creamed mixture; mix thoroughly. Chill dough several hours or overnight. Preheat oven to 350 F. Shape dough into 1-inch balls; roll in sesame seed. Place on unbuttered cookie sheets. Press a candied cherry half into each. Bake 15 to 18 minutes, or until lightly browned.

Quick Pecan Pralines

2/3 cup small can evaporated milk
2 T. white Karo
2 T. butter of oleo
1 box brown sugar
2 c. pecan halves

Lay out long pieces of waxed paper. Mix first 4 ingredients in sauce pan. Bring to boil and let boil 7 minutes stirring constantly. Add pecans and beat until it starts to thicken. Drop on waxed paper by tablespoons without stopping until all is used. Creamy when cool. Store in dry covered container.

This is a very special time of year for all of us. It's time to reflect on how truly fortunate we are, not only for the Thanksgiving feast which we spread on our tables, but for the family and friends gathered with us to share in the bounty.

In a world torn with strife and hunger, let us remember how minimal our problems are and give thanks for this great land which feeds us and protects us and gives us our strength.

We'll help to make your future even better.
