Beauties(?) vie for "Sweatheart"

Get ready Sonora! The "Sweatheart of Sonora" contest is in full swing. Crowning of the first ever "Sweatheart of Sonora" will take place on Saturday, February 14 at 1:30 p.m. in the intersection of Main and Concho.

The candidates were carefully chosen for their, ah-ah-attributes (and also because they are all good sports and crazy enough to do it.)

This bevy of beauties includes: "Scarlet" is known to have a compete in this contest.

"Scarlet" will also be working

flair for the dramatic and great legs which cause temperatures to rise.

"Donna" Westlake is employed at a local banking institution. Fittingly enough "Donna" has a million dollar smile and has made "deposits" in the right places to produce those winning curves.

"Thomasina" Adkins works in the produce department of a local grocery store. "Thomasina" has beautiful blue eyes and prize winning cantaloupes.

"Geraldine" Jardee who works for CSI. "Geraldine's" appearance

is tentative. Geraldine says, "I will be there, fishnet stockings and all, unless some of the men in the oilfield call me." Working in the oilfield is an old profession, isn't it?

"Marsha" Wayne who works for a local radio station. "Marsha" literally glides on air and though maybe not broke, "Marsha" is flat busted.

"Willamena" (Legs) Jones is also with a local church. Certainly no stranger (than the rest) to the pageant circle, "Willamena" won

the nickname of "Legs" in the last contest she entered. "Willamena" is described as slender and boney.

"Lucy Ann" Sanchez is also employed by a local grocery store and knows the meaning of check out. The last time "Lucy Ann" appeared in public, several friends of Jim Beam tried to pick her up: thereby ruining her nose.

There could be several more entrants to the contest but a press time, these lovelies had not turned in their resumes.

How fortunate Sonora is to have

such a gorgeous group of babes willing to give to their time to compete in this contest.

It will be up to you, Sonora, to select the winner. Votes are a quarter a piece and these lovelies will be placing their cans about town so that you may cast your vote.

You may also vote downtown on Saturday during the Parade of these Pretties from around 1 to 1:30.

And speaking of the Parade of Pretties, you won't want to miss it! This is your chance to see beauty, high fashion, the latest hair styles

and more curves than there are on I-10 to Ozona.

"Scarlet" will also be working in the Kissing Booth along with Michelle Adams, Miss Sutton County, downtown on Friday and Saturday.

Drag out your quarters folks as you will decide the winner! (We have it on good authority that "Thomasina" is ahead at press time.) Proceeds of the contest will go to the Merchants Association to help promote Sonora.

Sonora's hungry will eat due to efforts by the Boy Scouts in last Saturday's Scouting for Food program. Once again, Sonorans opened their hearts and cupboards and the collection was termed most successful.

Cake Bake sweet treat

The Annual Father and Daughter Cake Bake this past Monday proved to be a sweet treat for all.

In all, thirty three cakes were entered in the competition by the father and daughter teams. The girls are all members of the Sonora Girl Scouts.

The first place winner of Most Beautiful was a very pretty, yellow baby buggy cake entered by Lori Jardee. Elena Velez won second

and Becky Gronski third in this division.

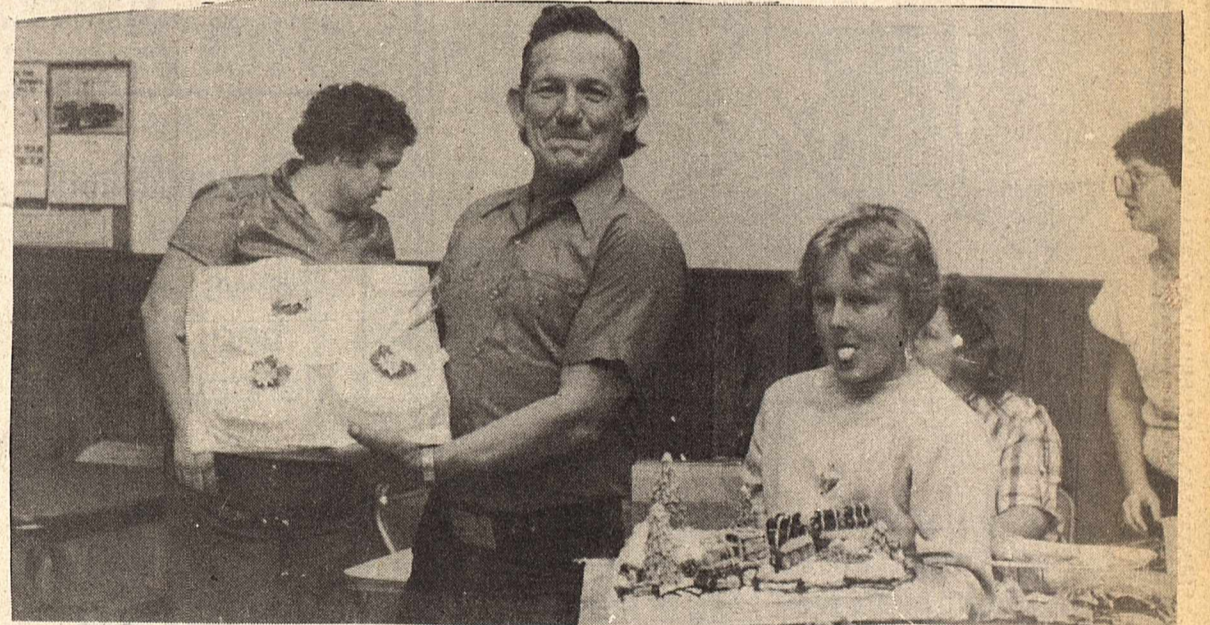

Best Tasting first place went to Janea Crowder and was a delicious apple cake. Second place went to Tessa and Traesha Robertson and third to Teresa Brown.

The Most Original first place went to Annalee Prentiss and was a hot air balloon saluting Girl Scouts. Second place was won by Gail Galvan.

Sportsmanship Award went to Gaby Gallegos.

L.P. Bloodworth was excellent, as usual, as auctioneer. He held a slight edge on the audience as he had sampled each cake before calling for bids.

The auction raised a little over \$700, which goes to the local Girl Scout troops.

Winning is all in how you hold your mouth... Jerry and Lori Jardee show off their first place cake(s) in the Most Beautiful category.

Find your phone number

The Devil's River News, each week, will "hide" three phone numbers within the pages of the paper.

These phone numbers will be "hidden" in plain view in either stories or ads so you'll have to read the paper carefully.

The phone number will look like this:
387-2597

If you find your phone number and are the first to call after 10 a.m. Friday morning, and before 5 p.m. on Monday, you win. (Only one winner per week.)

Last weeks phone numbers were 387-2236, Ector Castilleja, 387-5642, Scott Shurley and 387-2472, Monte Jones.

Ector Castilleja was the first person to call and wins dinner for two at Country Fried Chicken 'n Fish.

This weeks winner will receive a complete Oil-Change Kit (5 quarts of oil, oil filter, drain pan, and filter wrench), compliments of the Devil's River News.

Petroetts to meet

The Sonora Petroetts monthly meeting will be held Thursday, February 26th at 12:00 noon at 116 Deerwood. A buffet lunch will be served.

The Petroetts is a civic organization whose goal is to help the Sonora Community. In the past we have given college scholarships to deserving students, delivered Thanksgiving baskets to our less fortunate townspeople and given help and money to various causes.

For more information or to make reservations please contact Judy Dwyer at 387-2800; Susie Ramirez at 387-2332; or Pam Browning at 387-2014.

Keep on rocking

Ladies from the Nursing Home will set up their rocking chairs in the lobby of both First National Bank and Sutton County National Bank on Friday, February 13.

The purpose of the Rock-a-thon will be to raise money for the American Heart Association.

Anyone interested?

I'm interested in taking Country and Western Dance Lessons. I've talked to several people in Sonora interested in taking lessons and feel there would be enough to form a class. If there is someone interested in teaching this class please call 387-2907.

Immunization clinic

Immunization clinic will be held on Tuesday, February 24, from 9:30-12 and 1:00-3:30 at 104 Wilson St.

Board examines options

The Sutton County Hospital District board met in a special call meeting on Thursday, February 5.

Having not heretofore set a regular time for the monthly meeting the group set the second Monday of each month at 7 p.m. in the hospital board room as meeting

time.

Item four on the agenda requested an examination of options regarding both the interim and permanent management of the hospital.

SCHD Board President, John Tedford, explained to the board

Adkins files for Council

Shrine Temple, currently serves as vice-president of Tri Cities Shrine and has worked in a supervisory capacity with EMS.

Adkins has been employed by Food Center for the past ten years where he is Produce Manager.

Several things prompted Adkins to file for a seat on the Council. He feels that the community needs to be better informed about what is going on within City government.

He is committed to promoting Sonora, both within the community and also to those outside the area. He also feels that it is important to let the younger people of the community know that they can make a difference.

Adkins and his wife Donna, also employed at Food Center, have been married six years and have no children.

members and the audience that the concern of all was the continuing health care for the people of Sutton County.

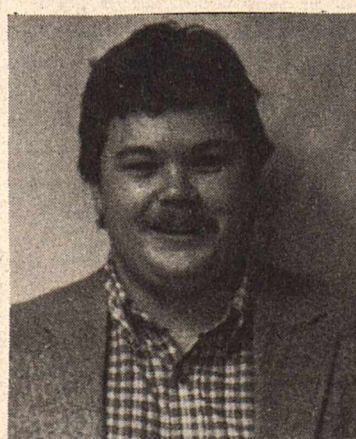

Tedford went on to say that there was now a hospital district with funds and no hospital. On the other hand, the Hudspeth Board had a hospital and borrowing power against the Hudspeth Ranch. Tedford suggested a melding of the two.

The technical legalities of how the hospital can be turned over to the Hospital District go unanswered. Al Elliott stated that it was his opinion that it would require a law suit against the Attorney General and the people of the State of Texas in order to receive the answer.

Elliott then suggested an interim solution of contracting with the Hudspeth Board to run the hospital for a short period, the length of which is uncertain, while answers are sought.

These solutions raised protests from other SCHD Board members. Smith Neal and Rande Fawcett said it was their understanding that the voters of Sutton County passed the District primarily because the

LANDOWNERS: I still need your hunting lease lists. I have extended the deadline to February 16 for those of you who want to lease and have not gotten your information to me yet. I will be leaving on February 20 for the Dallas Hunters Extravaganza. If you want me to advertise your lease, please have the information to me by February 16!

Sharon and Harold Ellison are promoting a Benefit Dance on February 27 for Nash Arredondo. Tony Douglas and the Shrimpers will be performing at the 4-H Barn from 8 to 12 on that date. The cost is a \$7.50 donation per person. This is a great way to have a good time and help someone at the same time. All proceeds will go to help Nash with his medical expenses. A big "thank you" to Sharon and Harold for sponsoring this event. They have put a lot of time into it and I hope they have a BIG turnout.

REMEMBER TO SHOP SONORA FIRST! SPENDING DOLLARS AT HOME MAKES "Cents"! When we shop locally, part of every dollar we spend is returned to our community. Local businesses pay local taxes and make charitable donations within the community. When we shop at home, we deal with friendly merchants who appreciate our patronage and really care about us because they are our friends and neighbors. Let's support our community by spending our dollars at "home"—it does make good common "cents". By spending our dollars at home, we also create jobs for persons that can then spend their dollars here and can then pay their taxes. This makes your tax dollar less because more people then pay taxes. Think about it. It really does make "cents"!!

NEW MEMBERS: Bud and Tommy Whitehead have joined the

Chamber. We really do appreciate their membership. Remember, we really do care about Sonora and its growth. Join the Chamber today!

I have been extremely busy the last two weeks. I spent 1 1/2 days in Austin at the "Tourism Awareness Day" and I feel that we really made some headway. We are asking the Congress not to cut the Texas Advertising budget. We really need to advertise Texas more in order to get the tourists into our state. I know this would be a good way to increase our taxes without increasing the load on each of us. They must look at new sources of revenue instead of taxing each of us to death.

Of course, the same is true of Sonora. We must find new ways to get the tourist to stay in Sonora and see our town. They will spend money while they are here. Might be an idea for a new business. If so, there is grant money available if you meet certain conditions. Think about it! I also think we should ALL get on the bandwagon and help fix up the Museum Complex. This could be a real calling card to tourists and would get them downtown at the same time. Do you hear what I am saying?? The Historical Society needs ALL of us to help them. Let me know what you think. It would sure help to have a first class Museum Complex!

Remember these five Chamber businesses: Sonora Sage Apartments, Sonora Wool & Mohair, Spain's, Sutton County National Bank, and Sutton County Steakhouse. They care about Sonora!

Happy Valentine's Day!

Filing deadline for elections draws near

Saturday, April 4, local election day, will see races for school board, city council and hospital district.

Precinct 1 and 3 on the School Board are open. Joe Garcia currently fills the seat for Precinct 1 while Carl Teaff represents Precinct 3.

To file for a place on the school board ballot, go to the school administration office at 807 S. Concho during regular business hours. Deadline for filing is 4 p.m. Wednesday, March 4.

Those holding expiring terms on the City Council are Hershel Davenport, Matt Davenport and Lemuel Lopez. All positions on the Council are at large.

Deadline for filing is 5 p.m. Wednesday, February 18. Applications for filing are to be presented to the City Secretary at City Hall.

Filing deadlines for the Sutton

County Hospital District have yet to be decided.

Since this is to be the first elected Board for this entity, filing requirements are a little different.

Section 3.05 of the Hospital District Enabling Act states: (a) A person who wishes to have his name printed on the ballot as a candidate for director must file with the secretary of the board of directors a petition signed by at least ten registered voters of the district asking that his name be placed on the ballot. The determination of whether a person is a registered voter of the district shall be based on the most recent official lists of registered voters.

(b) The petition must be filed with the secretary not later than the 31st day before the date of the election.

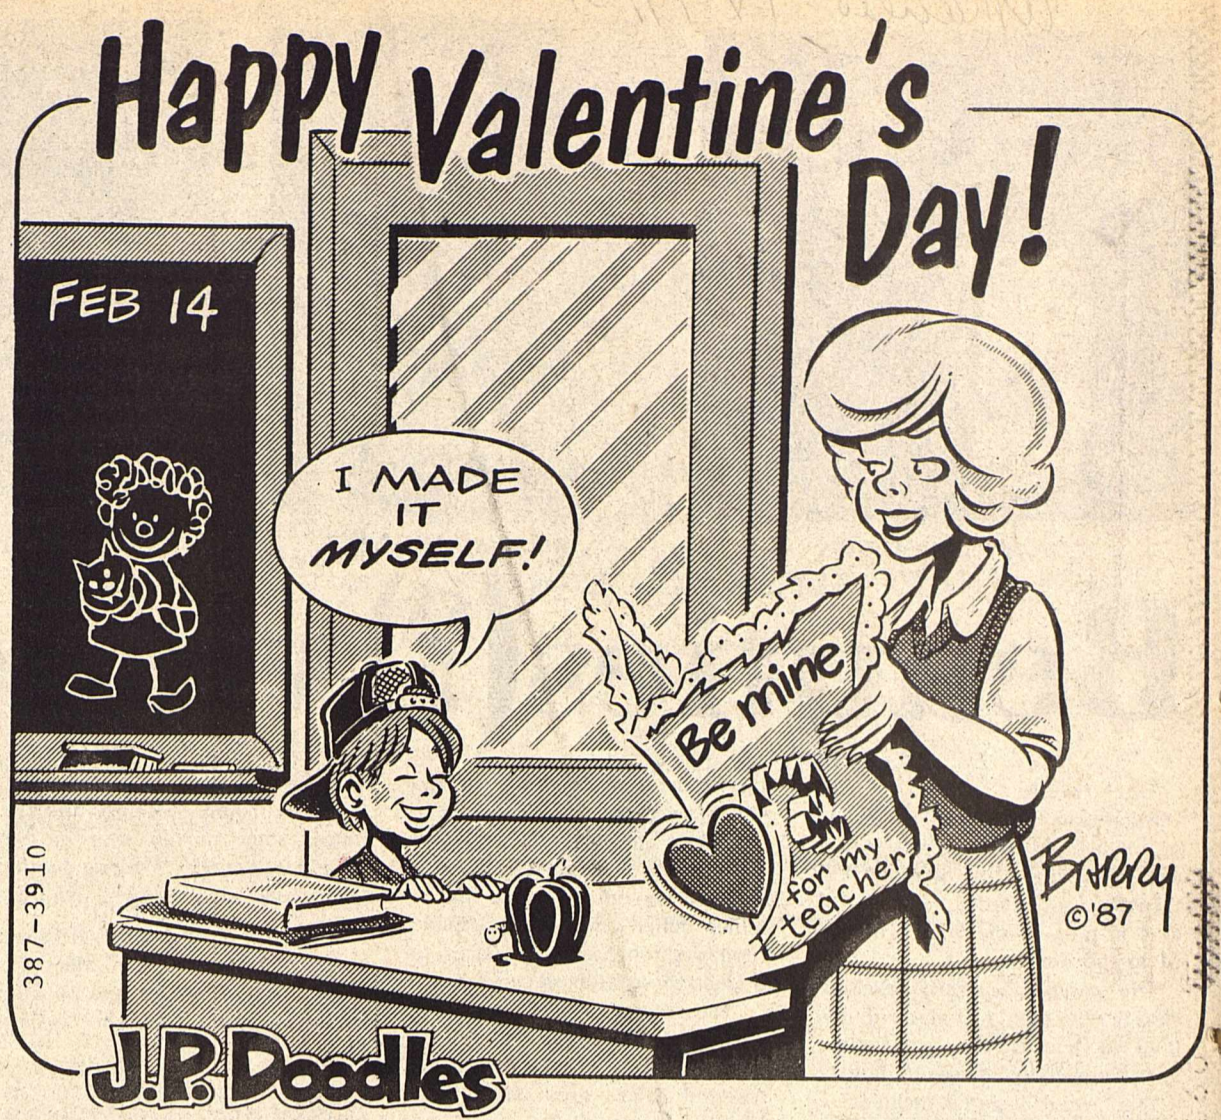

(c) The petition must specify the commissioner precinct the candidate wishes to represent or specify that the candidate wishes to represent the district at large.

To be eligible to be a candidate for or to serve as a director, a person must be:

- (1) a resident of the district; and
- (2) a qualified voter

In addition to these qualifications, a person who is elected from a commissioner precinct or who is appointed to fill a vacancy for a commissioner precinct must be a resident of that commissioner precinct.

Also an employee of the Hospital District may not serve as a director.

Functional Democracy

by T. Driskell

Democracy was defined years ago as a system of majority rule, with functional limitation of a presumed minority that joins the majority to

produce efficient government. In practice, however, as democracies age and grow more affluent the minority becomes a "principled" opposition consisting of splinter groups which are disruptive. Functional efficiency, along with legislative accomplishment, and fiscal control seem to vaporize.

One wonders how far down the road we are now. It seems that we are splintering into a nation of individuals, who enjoy rights that seem to eclipse but any minority numbering above one. The status of these rights has been borne out by our judicial system and nurtured by the American Civil Liberties Union. The overall result has been an additional load on our courts, and the resulting benefits make the California Gold Rush look like a pauper's crap game.

Our legislative system seems to be an intellectual logjam with the resulting legislation so steeped in compromise that it has lost definition when it finally emerges as law. Bills are introduced in such profusion and complexity that many

legislators need lobbyists (unbiased of course) to explain them. Members of Congress are seen in street demonstrations frequently that are "anti" this or that. Overt (not covert) intelligence is advocated and we pull support from groups that are perhaps pulling our chestnuts out of the fire.

You and I are also guilty—we have looked on the tax dollar as infinite and it is doubtful whether or not we could survive a balanced budget. In my lifetime, we have gone from a nation with indigenous raw materials and to the somewhat dubious distinction being the most indebted nation on the earth. Unless we balance our budget, reduce our trade deficit and reduce our debt we and our children are sitting on a time bomb. The individual recipient of all the individual rights suddenly finds them contributing to a growing hazard to our whole way of life. Perhaps it is a quirk of fate but the individual can do nothing to defuse the bomb, but we must have immediate a collective action.

THE DALLAS BRASS

Concert to be presented in Ozona

The Ozona Womans Forum will present a concert on Sunday, March 1 by "The Dallas Brass." The concert is being held at the high school auditorium and will begin at 2:30 p.m. Tickets are \$2 and may be purchased from any Forum member or at the door. In Sonora tickets may be purchased at the Sonora Chamber of Commerce.

The group was formed in 1982 by Michael Levin after being told there were thousands of weddings each year in Dallas that could use a musical group.

Though things were slow in the beginning, the group continued. Today they are a tribute to

perseverance. The group was selected Ensemble-in-Residence at SMU in 1985 and are currently on their second national tour.

The content of the Dallas Brass program will touch many musical bases. With their innovative style and original arrangements, the group performs a multitude of musical styles from classical, to jazz, to pop, to rock, to ragtime. In concert, they provide something for everyone whether your favorite is Mozart, Paul Whiteman, or Lionel Richie.

For a delightful afternoon, make plans to attend the Dallas Brass concert on March 1.

Cristen Cirrincione honored with party

Cristen Cirrincione, daughter of Mr. and Mrs. Todd Cirrincione was the honoree at a Going-Away Tea, Sunday Afternoon. The "dress-up" tea was given by her mother.

Those attending were Miss Scarlett Blair, daughter of Mr. and Mrs. Terry Blair; Miss Ashley Brockman, daughter of Mr. and Mrs. Bob Brockman; Miss Sarah Cook, daughter of Mr. and Mrs. Jesso Cook, Miss Kristen Hardgrave, daughter of Mr. and Mrs. Gary Hardgrave; Miss Kari Purvis, daughter of Mr. and Mrs.

Dennis Purvis; and Miss Morgan Trainer, daughter of Mr. and Mrs. Jimmy Trainer.

Peach colored candles and flowers decorated the dining table that was set with crystal cups and plates.

Each of the guests was greeted at the door by Miss Cirrincione and was presented a wrist corsage of pink carnations.

At the end of the party, Cristen was presented with an "Autograph Puppy" signed by all of the guests.

BONE REPAIR

Bone grows and repairs itself in complicated ways. In essence, certain cells secrete the bony matter and may become imprisoned in it. At the same time, other cells dissolve away bits of bone and help to sculpture materials to the proper shape. This simultaneous bone-building and bone-destroying process goes on within the bone itself. When a bone is broken, lacerated tissues exude sticky secretions which stiffen into a bulgy deposit. Little by little, bone-making cells from the bone's tough outer membrane and fractured bone end penetrate the deposit of secretions. They replace it with spongy bone (callous) which holds the injured parts more firmly in place. This, in turn, is removed gradually by bone-dissolving cells. The spongy bone is slowly replaced by hard bone.

Osteoporosis is the loss of calcium from the bones, causing them to become porous. Since we do not know how to replace calcium in bones once it is gone, nor do we understand why it disappears from some more than others, it seems wise for all persons to include adequate calcium in their diet. The Lillian M. Hudspeth Memorial Hospital is located at 308 Hudspeth,

providing high quality comprehensive medical care for the whole family. Our facilities include laboratory, x-ray, and emergency care. We're available 24 hours a day. Tel. 387-2521. Happy Valentine's Day to all!

Disregarding water, bone is approximately 2/3 mineral and 1/3 organic matter.

What love is all about

struck by the fact that after fifty seven years of marriage, they not only love each other but they like each other. They are friends.

Both lifelong residents of Sonora, Pedro proposed to Rosa in front of the Episcopal Church. He didn't plan to do it there, it just happened.

He later thought of the irony of the location and knew he would be married to Rosa for all of his life. He chuckles as he says, "Think about the buildings in that area. We were in front of the church, next comes the courthouse and then the jail. Through the years I've often thought about that."

Until Pedro's retirement, he worked in ranching holding only one job, with the late Brian Hunt,

which lasted almost as long as his marriage to Rosa. Fifty four years.

The couple has always enjoyed traveling and through the year have taken numerous vacations across the U.S. and Mexico. Perhaps their favorite was a trip to Hawaii in 1977. Pedro speaks fondly of the plane trips which took them to three of the islands.

Both laugh when they tell a trip to Acapulco. One evening while there, they were sitting across from each other when they heard a sound like a chain being dragged. Without looking behind her, a frightened Rosa asked Pedro how the dog was. A tickled Pedro told her to look behind her--it was the leaning lady rattling the keys on a large key ring.

The saddest time in their lives was when their son, Braulio, was sent to Korea during the conflict. He spent eighteen months in Korea during which time Rosa prayed for him daily. Rosa said that all of the young men from Sonora who went to Korea left on the train and that each time they heard the train, it was a sad reminder.

Pedro and Rosa's marriage has produced three sons, Pedro, Jr., Sonora, Braulio and Sam, both of San Antonio, and one daughter, Nelda Hernandez of Sonora. They have fourteen grandchildren and three great-grandchildren.

Both take joy and comfort in their many friends. They beam with pride as they talk of their 50th

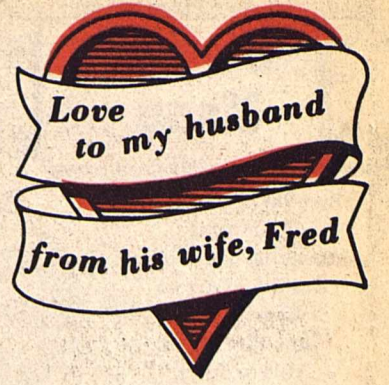

Anniversary party which over 400 people attended.

Pedro serves as a member of the Committee on Aging which is quite appropriate since he was instrumental in procuring the building that houses the Senior Center. He was a member of the Lions Club and worked tirelessly to collect funds for the Lions to purchase the building which was sold to the city to be used for the Center.

The building originally belonged to the school and was used as a field house. The late Hunt moved the building to its present site.

Should you see Pedro and Rosa, wish them Happy Valentines for they truly symbolize what the day is about.

Special rules for self employed

Although, in general, the earnings test is the same for self-employed people as for wage earners, there are some differences. It's important for people who receive earnings from self-employment to be aware of the differences.

The earnings test places a limit on the amount of money a beneficiary can earn without affecting benefits. In 1987, the limit is \$8,160 for people 65 to 70 and \$6,000 for people under 65. Benefits are reduced \$1 for each \$2 earned over the limit. The earnings test does not apply to people who are 70 and older.

The difference comes during the first year of retirement. During the first year of retirement, wage earners can get a full benefit for any month the don't earn more than 1/12th of the annual limit, regardless of their earnings before retirement. However, self-employed people can get a full benefit for any month they don't perform

substantial services in self-employment regardless of their earnings in any month.

Whether or not services performed in a business are "substantial" depends on a number of factors. They include the amount of time devoted to the business or profession, including time spent planning and managing, the kind of work done, and how the work compares with what the person previously did.

The more valuable and highly skilled the work performed, the more likely it is to be considered substantial.

In general, more than 45 hours of work devoted to business during the course of a month constitutes substantial service. Less than 15 hours a month is never considered substantial services.

People who need more information on the retirement test should be sure to call the nearest Social Security office.

Lead poisoning is still a danger

Lead poisoning has a history as long as mankind's use of metal. As early as 6,000 years ago, people began to mine, smelt, and use lead in a variety of ways. Early peoples made containers, art, and religious artifacts of lead. The Romans added lead to wine to improve its taste—a practice which may have contributed to mental illness and sterility among the Roman aristocracy.

In the Middle Ages, cities using lead to carry drinking water suffered epidemics of lead poisoning.

Today, lead is still an important and pervasive element in industry. Even the nuclear industry and medicine employ lead as shielding against radiation.

However, strict government controls, such as the 1970 Clean Air Act limiting lead in gasoline, have made lead poisoning less frequent. The average American's blood level of lead has been reduced by about 27 percent in the past two decades.

"As lead poisonings decrease, people may become less cautious, even ignorant that potential danger exists," Dennis Perrotta, director of the Texas Department of Health's Environmental Epidemiology Division, said. "We don't wait the public to grow careless out of ignorance. The number of poisonings may be down, but the toxicity of the metal is the same as it always has been."

Perrotta added that children run the highest risk of lead poisoning.

A 1985 federal Center of Disease Control report states that excessive absorption of lead is one of the most preventable children's health problems in the U.S. The usual lead sources for children are the dust and flakes of old paint, which often contain high levels of the metal. Effects of childhood lead poisoning can be retardation, and nerve, kidney, and gastrointestinal damage.

Perrotta advises that children living where lead paint, dust, or fumes are part of the environment should have a simple blood test yearly.

Adults in certain occupations also are likely to suffer poisoning unless they take precautions. Among these are welders, steel workers, smelter operators, and do-it-yourself painters, carpenters, and plumbers who work with old paint and lead pipes. Such workers should wear protective masks or respirators on the job.

Symptoms of excessive exposure are headaches, nausea, and neuromuscular abnormalities. For most lead poisoning, removal from the lead source and treatment of these symptoms allow full recovery. But extreme amounts of lead must be therapeutically reduced from the blood by a chemical process called chelation.

A 1985 law requires that all instances of lead overexposure on the job must be reported to the Texas Department of Health.

"Over the Hill Gang" News from the Nursing Home

by Doris Cahill

Out of town visitors were: Louise Glascock-Austin, Damađa and JoAnn Sanchez.

Local visitors were: Gerald Gartman, Debbie Mata, Petr and Gene Gonzales, Ruth Lee Eaton, Ruth Shurley, Hazel McClelland, Wilma Jones, Vivian Crites, Letty Campos, Angie Ramirez, Ellen Ry, Carmen Trevino, Doris Chadwick, Crystal Ponsetti, Yolanda Avila, Frances Reyna, Janette, Albert and C.G. Borrego, Edwina and Joey Gandar, Harley and Clara Brooks, J.D. Lozano, Lori Ann and Amalia Galindo, Virginia Epps, Marie Aldwell, Pete and Irene Gomez, Harva Cooper and Guila Vicars.

The ground hog saw its shadow on February 2nd, so, accordingly we should experience more winter weather.

Since the advent of bucks and the country store, we make extra efforts to grace Lilia with our presence at all activities. She set up store Monday. Soap, deodorant, body powder, lotion, cream, shampoo, hair spray and nets, tissue, knee hi's, hankies, coffee cups and other personal needs were displayed.

A few residents went for broke while others had bucks left for a rainy day.

Our movie of the week was: Wind Walker, Siam and its Beautiful Senery in color.

Lilia called Bingo Wednesday and Ruth Shurley assisted. Lucky winners were Drennan-3, Cahill-2, Rodriguez-2, Bruton, Hamilton, Reiley and Hinojosa-1 each.

We enjoyed the Auxiliary Birthday Party and a sing-a-long Wednesday afternoon. Leona Bishop and Metha Trainer played the piano, and after a song and dance audition by Auxiliary members and Mr. Gilmore, refreshments of Gandy's ice cream. Food Center cake, chocolate heart candies and coffee were served by Vivian Crites, Wilma Jones, Metha Trainer, and Ruth Spalding. Also present were Ruth Shurley, Hazel McClelland and Charlotte Gilmore.

Feted were Modesto Mesa, Muriel Hamilton and Edna Crittenden who have February birthdays. Flowers by Irene were presented and birthday wishes were sung.

A bill to designate "America The Beautiful" as official song of the nation was introduced in the 100th district now in session. During a recent sing-a-long a request for that song and our National Anthem was made. Residents favor adhering to tradition and our Congressman will hear from us.

Rose Fincher drove 7 miles on a rainy Thursday morning to conduct our Bible Study. She brought each of us a lovely yellow mum. The lesson: "The Love Of God", she had prepared by flashlight because the electricity was on and off, it was special.

Stella Keene who is in our local hospital had a birthday February 5th and her daughter Doris Chadwick, and LVN Carmina Trevino thoughtfully served chocolate cup cakes and coffee to the Nursing Home residents.

Phyllis Jones, Cheryl Lock, Mary Hoffman, Ethelda Holland and Gertrude Webb worked in the Beauty Shop Friday morning. That afternoon Debbie House, brought a alert black Terrier puppy for us to pet. His name is Punky, he is convalescent after surgery.

Loise Glascock of Austin visited her mother over the weekend.

Irene and Pete Gomez, offered Holy Communion Sunday February 8th and Doris Cox attended church with her daughter Kim Whitehead. Ruth Spalding left Sunday school to bring suddenly remembered bulletins from Methodist Church, and we listened to morning service over the radio Sunday morning.

Sunday afternoon, Francisco Gomez, Pastor, Noe Fraga, assistant pastor, and a choir of young girls directed by Odelia Gartman from the Templo Jerusalem held a religious service at the Nursing Home. Mr. Gartman's (sermon was "The Lord Is My Shepherd" he also played the guitar and Mr. Fraga was organist. Following a statement of faith Mr. Gomez delivered the closing prayer.

The Nursing Home is decorated with red and white hearts for Valentine's Day. Jessie Wardlaw sent a hearts and flowers arrangement that has brightened the dreary days all week and the Walter Pope's sent beautiful flowers from the Episcopal Church on Sunday.

Some of life's true riches are shared small pleasures and the many fine qualities of Sonora people are appreciated more and more.

Bueno Bye-See you next week!

Our giving God

by Louis Halford, Somebody Cares Ministry

"For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him shall not perish, but have everlasting life." (John 3:16) as the first Giver, God is our example. His giving is a rebuke to the selfishness and unconcern so often seen in our world. God gave out of His boundless love. He loves a world that has turned its back on him. His love for you and I is beyond comprehension. There are really no words to describe his love. No one can give love as God loves.

Sad to say, there are so many individuals looking for love in all the wrong places. Mankind is having a hard time accepting the fact that God really loves them and cares about them.

In the Book of Romans the Bible

tells us that Jesus died for us while we were yet in sin. He gave his very life blood that we might be redeemed from the enemy of our soul. God gave his best. He sent his son Jesus, but once again, Jesus himself participated willingly, so that no man would perish. He was willingly to be his Fathers gift to the world for its salvation.

God's gift opens the door to everlasting life. Whosoever makes salvation to all. Salvation is limited only by an individuals acceptance or rejection of God's son; whosoever believeth.

That word believe does not just mean a fact that you accept. In the Greek the word believeth means to obey, trust, yield, etc... Just to say that you believe in God is not good enough.

The Bible tells us that the devils believe and tremble, yet they will

never receive eternal life.

Obedience is a must! Do not misunderstand, we are saved by grace, but we will be judged by our works. People have this passive idea that they are going to make heaven their home, just because they say they believe in God or they do good, or attend church, and we can go on and on.

"Faith without works is dead." "Be ye doers of the word and not hearers only."

Since God has given his best, how can we do less than accept his gift and spend our lives telling others about it. Come on folks, lets obey God and do our best. Not only will you and your family will benefit from the salvation of God, but we can see a whole city set free from its wickedness, broken hearts can be mended, and marriages restored. It only comes by genuine belief in Christ Jesus.

Eighth grade basketball team competes at Reagan

County tournament

On January 29-31 the 8th grade basketball team traveled to Big Lake to participate in the Reagan County Middle School Tournament. The first team the Colts met was Rankin: 25-22 32% free throws, Anderson-6 pts., Hall-3, Schwiening-10, Churchill-2, San Miguel-4. High point for Rankin was Bearden with 9 points.

In the Semi-final match up was a tough McCamey Badger Team: 19-15, 7% free throws. Anderson-2, Hall 4, Schwiening-10, Stewart 1, Churchill-2. High point for McCamey was Menza 6.

However in the finals the Colts faced the home team Reagan Owls. The Colts had beaten the Owls in Sonora the previous week and were looking for their first championship in a tourney. The Owls jumped ahead in the game and lead at halftime 15-8. The Colts came back

strong and lost a hard fought game 26-30. The Colts captured 2nd place in the tourney. Anderson-6, Hall-3, Schwiening-13, Stewart-2, San Miguel-2, 13% free throws.

On Monday night the Colts traveled to Eldorado to face the Eagles, in a very "Physical" game. With the Colts losing against the Eagles 21-25 with 36% free throws. Anderson-2, Hall-2, Schwiening-6, Stewart-6, Churchill-3, San Miguel-4. High point for Eldorado was Hardy 10 points.

Participating in basketball are: Vicki Anderson, Kamie Hall, Allison Schwiening, Angie Stewart, Tana Churchill, Rita Mesa, Kelley Webster, April Spiller, Kim Covington, Amy Fields, Deann San Miguel, Lori Meza, Judi Williams, Sara Patton, Laura Flores, Betsy Knight, Laura Lee Barlemann, Teresa Barajas.

Bronco Tails

News from SHS

by Alex Duenes

Last week was a busy one at Sonora High. The committees for the Junior-Senior prom were selected and the preparations for a great prom are underway. Seniors were measured for caps and gowns.

The basketball teams traveled to Abilene Friday night and played the Wylie Bulldogs. The Broncos were defeated. Friday the Broncos play the last game of the year, so come out and support the Broncos.

The National Honor Society sold Val-O-Grams. They had two meetings and enjoyed pizza while they prepared the Val-O-Grams. The Val-O-Grams were passed out during first period.

The Student Council had a meeting Tuesday, to discuss the Speech Meet dance. The Sonora Speech Meet will be this Friday and Saturday.

Several students traveled to Del Rio Saturday, February 7. Sonora

placed fourth overall with winners in the following: Chris Driskell 2nd-Ready Writing, 3rd-Literary Criticism, Rodney Haltom 3rd-General Science Division I, Tracy Love 1st-General Science Division IV, Gayann Dobbs 2nd-Physics Division I, Jessie Lynch 2nd-Biology Division III, Jennifer Ramirez 3rd-Biology Division III, Bruce Morgan 1st-Biology Division IV, Tracy Love-2nd Biology Division IV, Tracy Love-2nd Physics Division IV, Mark Rogers 3rd-Physics Division IV, Juan Ramirez 2nd-Chemistry Division IV, Cynthia Kepler 1st-Number Sense Division I, Leila Bouhassis 3rd-Number Sense Division II, Jessie Lynch 1st-Number Sense Division III, Cynthia Kepler 1st-Algebra II, Alex Duenes 2nd-Algebra II, Jessie Lynch 3rd-Algebra II, Cynthia Kepler-1st Calculator Division III, Gayann Dobbs 3rd-Typing.

Congratulations to these students!

By Cindy Doran

Well, for a four day week it is still full. Tuesday both J.V. and Varsity teams play Merkel here. They also play against Colorado City Friday here. The Lady Broncos are tied for first with Coahoma so come out and help the Broncos add to their victories.

The student council met Tuesday to plan the annual speech meet dance. It will be Friday night from 7:00 to 10:30. The speech meet runs all weekend so if you get a chance come out and see our students perform.

Val-O-Grams and carnations, sold by the NHS, go out Thursday morning to everybody's sweetheart.

Thank goodness there is no school this Friday. It is Friday the 13th and there is no telling what would happen.

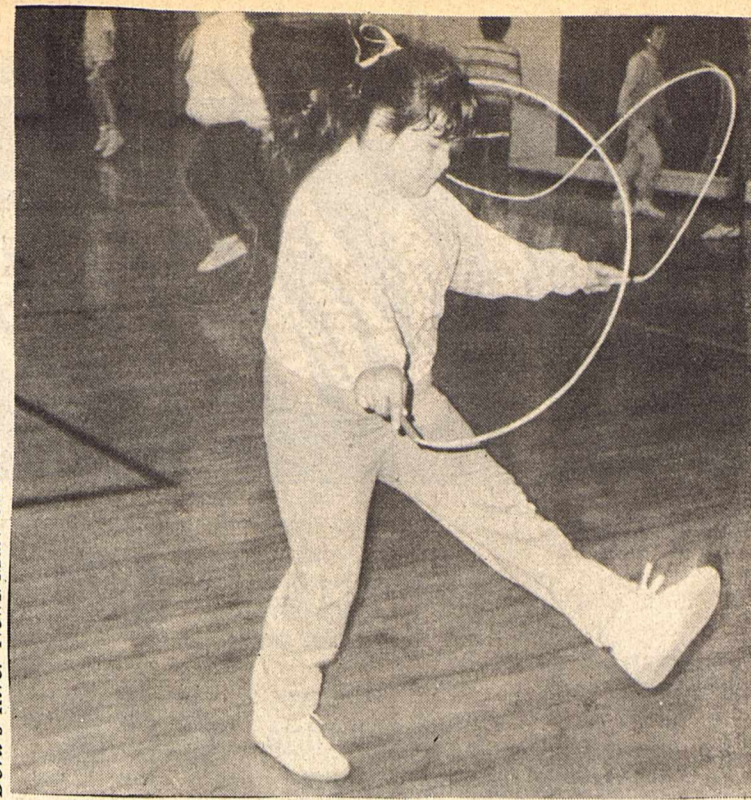

Bronco Scoreboard

Sonora Broncos' girls' varsity basketball team is in a tie for first place in the first half of District 5-AAA with Coahoma.

Friday night the varsity and junior varsity teams lost to Abilene Wylie.

The varsity boys were defeated 80-34, varsity girls 51-38, JV girls 30-27, and the JV boys 50-28.

A wrap up of the basketball season will be in next week's paper.

Devil's River News/Mari Sanchez

Lori Ann Galindo jumps to help raise money for the American Heart Association during the Jump-a-thon held last Saturday. About 109 Middle School students participated in helping raise money.

Sonora UIL team places fourth in Del Rio Meet

The Sonora UIL literary team placed fourth in overall competition Saturday in the Del Rio UIL Practice Meet. Sonora competed against several 5A schools but still managed to get fourth place--behind Del Rio, Eagle Pass, and Carizzo Springs, all larger schools than Sonora.

Those students placing from Sonora were: Chris Driskell, 2nd Ready Writing, 3rd-Literary Criticism, Rodney Haltom, 3rd-Science Division I, Tracy Love, 1st-Science Division IV, 2nd-Biology Division IV, 2nd-Physics Division I, Gayann Dobbs, 2nd-Physics Division I, 3rd-Typing, Jesse Lynch, 2nd-Biology Division III, 3rd-Algebra II, 1st-Number Sense Division III, Jennifer Ramirez, 3rd-Biology Division III, Bruce Morgan, 1st-Biology Division IV, Juan Ramirez, 2nd-Chemistry Division IV, Cynthia Kepler, 1st-

Number Sense Division I, 1st-Algebra II, 1st-Calculator, Division III; Alex Duenes 2nd-Algebra II, Mark Rogers, 3rd-Physics Division IV, Leila Bouhassis, 3rd-Number Sense Division II.

This was the sixth annual Del Rio meet held on the campus of Del Rio High School.

Following were the schools participating and their final team totals: 1. Del Rio High School-262 1/2, 2. Eagle Pass High School-150, 3. Carrizo Springs High School-126 2/3, 4. Sonora High School-114 1/6, 5. Del Rio Freshman School-101 2/3, 6. Nueces Canyon High School-80, 7. Hondo High School-70, 8. Comstock High School-20, 9. Laredo Cigarroa High School-20, 10. Ozona High School-15, 11. Laredo Nixon High School-10, 12. Brackettville High School-10, 13. Crystal City High School-0.

Local 4-Her to be honored

Twenty 4-H'ers from across the state will be honored here February 13 during the annual Rural Youth Honor Banquet held in conjunction with special activities at the San Antonio Livestock Exposition. The San Antonio Kiwanis Club and Exposition officials are in charge of the activity, set for 6:30 p.m. in the Gunter Hotel.

As representatives of all Texas 4-H members, the 20 youths are among 40 outstanding 4-H, FFA, and FHA members to be honored.

The banquet invocation will be given by 4-H'er Nora Nieto of Willacy County and Texas 4-H Council President Paul Wootton of

Somervell County will give the response for 4-H honorees after the awards are presented.

Each honoree will receive a stock show guest badge, two tickets for the February 14 Rural Youth Day matinee rodeo and a souvenir program, as well as a copy of a San Antonio newspaper featuring photos of recipients. Honorees also will be introduced during the rodeo performance.

The 1987 4-H honorees for District 13-Jae Jones, Uvalde; Jeannie Randolph, Junction; Heather Bunkley, Sonora; Phillip Reus, Hondo.

Seventh grade girls basketball team lose a hard fought game

The 7th grade girls Colts travelled to Eldorado Monday, February 2 to take on the Eagles. Despite their hustle, they came out on the short end of the stick 20-17. Points were scored by Dana Evans-8, Michelle Lozano-3, Issabelle Villanueva-2, Susen McCleery-2, Laura Chalk-1 and

Sonia Castaneda-1. The 7th grade girls play their final game of the season Monday, February 9 against Irion County in Mertzon.

Members of the 7th grade girls team include: Sonia Castaneda, Laura Chalk, Olga Chavez, Brandy Edwards, Dana Evans, Tammy

Fisher, Erica Fonseca, Melissa Fuentes, Sonia Gonzales, Monica Gonzales, Julie Jones, Michelle Lozano, Susen McCleery, Yvonne Mendez, Lisa Noriega, Angie Samaniego, Lora Skains, Tammy Stokes, Isabelle Villanueva, Jessica Johnson-mgr., and Terri Craddock-mgr.
