## ASU Small Business Development Center to offer counseling in Sonora on November 19

The Small Business Development Center (SBDC) of Angelo State University will be offering business counseling services in Sonora on Thursday, November 19. Sessions will be scheduled from 10:00 a. m. to 4:00 p. m. at Sonora City Hall. The counseling services are provided at no charge as a cooperative program between the City of Sonora and the SBDC.

That evening, the SBDC will hold a seminar on "Advertising for Success" at the First National Bank Annex. The seminar will run from 6:30 p. m. to 9:00 p. m. A fee of \$10 per person is payable at the door on the night of the seminar.

The small business counseling service is a part of the city's economic development strategy developed by City Manager John Pape. The counseling and seminar curriculum are under the direction of Harlan Bruha, Director of the Small Business Development Center.

"We believe that this is an invaluable service for the Sonora business community," Pape noted. "We hope that as many people as possible take advantage of this tremendous resource. This state-of-the-art business assistance is being made available at no cost to our community."

Pape also said that future counseling sessions and seminars are also scheduled to be held in Sonora. The frequency of the sessions will be based on local demand.

The SBDC was established in 1990, and helps entrepreneurs in a ten-county region with tasks ranging from business start-up to market analysis and strategic planning. The SBDC team of business professionals helps small businesses get started and expand through programs such as counseling services, management and technical assistance, training seminars, business resource information, and community support network services.

Business assistance and counseling is provided at no charge.

and funded by Angelo State University and the U. S. Small Business Administration. A registration fee is normally required to defray expenses for seminars and workshops.

Persons wanting to schedule individual counseling sessions in Sonora can call the City Secretary's office during regular business hours. Appointments are made on a first-come first-served basis, and a limited number of appointments are available.

Those wanting to attend the seminar can register at the door. You do not need to have attended a counseling session to attend the seminar, and attendance is open to anyone who is interested in improving their advertising profitability.

## Sutton County firing up for annual game dinner

The Sutton County Game Dinner Association will host its 24th Annual Game Dinner and Hunters Party on November 14, 1992, at the Sutton County 4-H Center, Highway 290 West, Sonora.

The Sutton County Game Dinner is held each year to show appreciation to the many people that hunt in Sutton County and surrounding areas. Through the years attendance has grown and each year a crowd of 500 plus enjoy a delicious meal of fried venison, bar-b-que buffalo, cabrito, roasted wild boar, fried antelope, country fried dove, smoked turkey, fried quail, son-of-a-gun stew, venison chili, beans, coleslaw, and peach cobbler. Area residents and members of the Game Dinner Association prepare the food at the location of the dinner on the day of the dinner.

Door prizes are donated by area merchants as well as by the Game Dinner Association to be given away at the dinner. There will be approximately 30 deer rifles given away this year along with other sporting good items, color TV, VCR, micro-wave oven, stereo system, and many other valuable gifts.

Gates will open at 2 p. m. with the meal being served at 5 p. m. and the drawings for door prizes will begin at approximately 7 p. m. Gate admission is \$5 for adults with children under 12 being admitted free. The gate admission cost includes the meal and a chance for a door prize. Additional door prize chances are sold for \$1.00

each. Door prize tickets may be purchased in advance at the Sonora Chamber of Commerce, Vivian's Modern Way Grocery, Branding Iron Smoke House and Teaff Oil Company. **You Do Not Have to Be Present to Win!**

Each year a "Hunter of the Year" award is given to a hunter or group of hunters that support game management programs and have hunted in Sutton County for many years.

For additional information please contact the Sonora Chamber of Commerce at 915-387-2880.

## Patriotic Program to be held Nov. 11

A patriotic program will be held in honor of Veteran's Day on Wednesday, November 11 at 9:45 a. m. in the Intermediate School auditorium.

Bob Jackson will be the guest speaker. The choir under the direction of John Zimmerman will sing for us, again this year, Mrs. Charlotte Wilson will be our accompanist.

The veterans will be there to present the United States and Texas Flags and lead us in the pledges, and Bob Jackson will lead the students in singing of group of patriotic songs.

All interested citizens are invited to attend.

## Goat & Mohair workshop planned for November 12

On least 50 Angora goats will be brought in by local ranchers and members of the various Angora goat and mohair organizations will have a Hands-On Goat and Mohair Workshop on Thursday, November 12 at 1:30 p. m. at the Sutton County 4-H Center.

Kemp, short fibers and staple length associated with different lock types, and the need to put up more uniform original bags of mohair will be the three main topics along with culling procedures.

Speeches will be limited. Frank Craddock and Preston Faris of the

Extension Service along with Brian May of the Mohair Council of America, area warehousemen, mohair buyers and Dr. Chris Lupton of the Experiment Station's Mohair lab will have different comments and demonstrations with the goats and mohair samples.

Anyone interested but not able to attend November 12, a similar demonstration will be held at the Junction Fairgrounds, Tuesday, November 10 at 9:45 a. m. prior to the Angora goat performance test meeting.

THOSE CUTE LITTLE DEVILS - The children at Busy Bees Day Care, along with Belia Castaneda take time out to pose for a spooky photo.

# Letters to the Editor

Dear Editor:  
 I am in complete agreement with Reverend Daniel Timmerman, Pastor of the New Life Assembly of God Church. We, the human race, do have a right to Free Choice! The Animal Creation, on the other hand, does not, since they propagate by preprogrammed instinct alone!

Why should we humans allow ourselves to be lured by the Siren Song of Lust, Instant Self Gratification, and, yes! total Irresponsibility to God our Creator and toward the rest of Humanity only to wreck our Immortal Souls on the Reefs of Mortal Sin and then attempt to wipe the Slate clean by the Murder, yes!, by the Murder of uncounted Innocent Children, who are, as we are, created in the Very Image of our Heavenly Father?

Would it not be much, much better, both spiritually and socially speaking, to become Masters of our Primal Urges, and totally disregard Peer Pressure and all other Considerations and Conveniences instead of remaining slaves always to all of these forces?

Wake up, and take heed, Men and Women of America and of the rest of the World!

The Day of Final Reckoning may be closer than we think! Let us then at least try to appear with a guilt-free conscience when Our Lord comes to pass Judgement upon our World!

I fully realize that Reverend Timmerman and I may be lonely Voices crying in the Wilderness, but we, as Christians and as caring Americans cannot remain silent and be at peace with our consciences in the face of such wide-spread, wanton, and even Legalized waste of Human Lives and Human Potential that has become the very Life-style of a large segment of Humanity!

Yours truly,  
 Lazaro Dominguez

Dear Sonora,

I woke up this Monday morning a very "tired and proud mama". My first year as a "Band Parent" for SHS and my first trip as a Band Sponsor. This trip was to Bedford, Texas for Area Marching Contest. A very long trip, but the Band Students made it also a very enjoyable and interesting trip. Everyone was so excited and so nervous.

The first sight of the inside of the stadium overwhelmed all of us. When it was all over, Sonora learned that we did not rank to advance on to State Competition however, out of 21 total bands competing (and remember we are the smallest band in our district!) we came in eighth!

I know "eighth" sounds disappointing to those who were not there, but eight out of 21 bands is GREAT! And remember, we did rank to compete in Area! We only have (and I hope I am getting these numbers right) 80 students in our band and we are competing against bands that are twice our size.

I think Mr. Canfield, the SHS Band Students and the people of Sonora should be very proud of this accomplishment. Mr. Canfield, his assistants and these kids have worked many long, hard hours to get to where they are today. I have seen a remarkable change in sound and attitude in these kids with Mr. Canfield's help and support. I just wish they could get the same support from all of the people of Sonora.

These kids represent Sonora. And they do it proudly and better than anyone I have ever seen. You can learn alot about a person when you eat three meals a day with them and spend every hour around them for two days, and I was impressed with everything I saw and learned. They worked as a team every minute. Everyone watching out for the other. You should consider yourselves "lucky" to have someone like Mr. Canfield care so much about your children and your town.

Thanks for allowing me to be a sponsor, I am looking forward to our next "road trip". WAY TO GO BAND!

Jeannette Thompson

Dear Editor,

At times life in a small town can be very frustrating. The way that rumors get around faster than the speed of sound just amazes me. Hopefully my writing this letter will somewhat reduce the ricochet effect of spreading rumors, those without warrant. When we are a part of rumor spreading we lose some of our credibility as individuals. When we state untruths as though they were true we are condemning ourselves as

nontruthful people. So the next time we are a part of rumor spreading may be we should stop and think, is this true. If we can't be sure we should find out from those involved, go right to the ones who are being talked about and ask if it's true. If we don't have enough intestinal fortitude to do this then we should also be fearful of the repercussion of telling non truths.

Now on the positive side. I would like to say that I'm very proud to be a parent of a band member who along with many other band members participated in marching contest this past Saturday. These young men and young women made a mark for Sonora. Being the smallest 3A school and placing very high in ranking says a lot for the Band. These young men and young women who made a long grueling trip to Bedford with very little rest acted with manners and respect, something not seen very often in youth today. The parents and the school should be very proud of the way they were represented by this group of youth. These young men and women should be held in high regards. It was a time when they could have been very nery and made each one of us as sponsors and drivers wish we hadn't gone. But I for one had a wonderful time! I enjoyed being with such a nice group of youth. I just hope they can say the same about me since I tend to be moody myself when faced with that lack of rest. Music is a lifetime gift to enjoy, something that can't be said about everything we participate in as students. Support and praise are the only things that the band needs.

Mr. Canfield and Mr. Nelson have done great things with this band in such a short time. Their teaching skills have made a great impact on this group of youth. Both deserve respect and support.

We have a quick learning, hard working band, proud to be Sonoran's and Sonora should be proud of them. They can

accomplish great things if we as parents, teachers, students and school board members get behind them and give them the support they have EARNED. Enough.

Respectfully,  
 Danny L. Hunt

Dear Editor,

Each Thanksgiving, as my family comes together to count our many blessings, we always pause to give thanks for the bountiful harvest from our American agricultural industry. The quality and variety of food that fills our nation's larders is a testament to the productivity of hard-working farmers and ranchers across this great land.

Today, less than 2 percent of our population lives on farms and ranches, but thanks to the efficiently and productivity of these Americans, our producers supply 11 percent of the world's food grains, 15 percent of our feed grains, 25 percent of all beef and 11 percent of its pork.

Working hand-in-hand with our producers are processors, shippers, manufacturers, wholesalers, and retailers, many of them from our urban areas, who are responsible for taking this agricultural bounty to billions of consumers worldwide. Clearly, a dynamic working relationship between our rural and urban residents is essential to keep American agriculture strong.

November 20-26, 1992, has been designated National Farm-City Week to encourage a better understanding of the important contributions each group makes to the well-being of the other. We are all partners in the progress and prosperity of this great land, and it is fitting that our celebration of National Farm-City Week occurs as we commemorate Thanksgiving.

It is in everyone's best interest that our farms and ranches and our cities remain strong. After all, they have worked together to make our nation the leader it is. But we must also understand our similarities and differences, our strengths and weaknesses, and our interdependence and independence. That is the purpose of National Farm-City Week.

So, once again, when families gather to celebrate this Thanksgiving, I hope that you will join my family in counting the many blessings that our rural and city residents have bestowed upon us.

Sincerely,  
 Rick Perry  
 Texas Commissioner of Agriculture

## Samaniego attends Texas Summit

Noemi Samaniego, a casemanager with the Texas Dept. of Health, recently returned from the Texas Summit on Adolescent Pregnancy, which was held October 27-29 in Austin.

Governor Ann Richards gave the opening address encouraging delegates that the time has come to work together for the benefit of our future generations.

Ms. Samaniego was one of 100 delegates throughout the state of Texas convened in Austin for the purpose of addressing the issue of adolescent pregnancy.

The Summit brought together a diverse group of individuals

committed to accept the challenge and take a stance against the ever growing problem of adolescent pregnancy.

The major task of the delegates was to make recommendations in four areas which include the following: community involvement; employment and education; life skills; education; sexuality information; and mental and physical well being. These recommendations will be given to APPAC (Adolescent Pregnancy and Parenthood Advisory Council) for review and then presented to the Texas Legislature for voting.

# Cards of Thanks

We want to thank everyone that came to see me at the hospital and now at home.

Thanks for the flowers, food, phone calls and cards.  
May God Bless each one.  
Henry and Beatrice Gandar & Boys

I would like to, once again, send a great big "Thank You" to the West Side Lions Club for their gift of 600 "stick on" American Flags which will be worn by students and teachers of the Intermediate and Junior High Schools.

These will be given out on November 11 at a Patriotic program which will be presented in the auditorium of the Intermediate School at 9:45 a. m.

Bob Jackson will be the speaker. The choir under the direction of John Zimmerman will sing for us, and again this year. Mrs. Charlotte Wilson will be the accompanist.

The veterans will be there to present the United States and Texas Flags and lead us in the pledges, and Bob Jackson will lead the students in singing of a group of patriotic songs.

Again many thanks to those who have helped me with this program in the past and again this, our fifth year. All interested citizens are invited.

Maxine Locklin

The Family of Julio Arredondo wishes to thank St. Ann's Church, and the community of Sonora who shared our loss.

A special thanks to all that provided food for our friends and relatives.

A special Thank You to the Sonora Fire Dept. for all your help after our grease fire 10/26/92. We are very thankful it wasn't worse, but knew the fire dept. could have taken care of it if it had been. Thank you for arriving so quickly and getting the smoke out as it could have caused big problems. We are so grateful knowing we have you as friends and as volunteer fireman.

Thanks also to Lenora Pool who tried to keep me calm on the way home, and during the wait. Friends, what would you do without them?

Also, Thanks to Patsy Johnson, Maggie Mesa, Lenora Pool, and Earl Johnson for all the cleaning the day after. Without your help I would probably be a basket case now.

A time like this is when you are very grateful for family and friends. It makes you have a greater appreciation for their love and friendship.

Thanks also to Lisa Pajestka for the chili and homemade bread. You were so thoughtful and are appreciated. Thank you Lisa.

Thanks again to all who helped and called.

## Broncos suffer defeat Junior Varsity victorious over Reagan County Owls

by R. C. Hall

"You can't coach speed." An old coaching axiom which proved all too true as the Reagan County Owls came to dominate the Sonora Broncos in a 42 - 6 victory at Bronco stadium. It is the speed of running backs Shi Flow, and Nuno Rivero and the generalship of quarterback Jackie Hill that has been given credit for bringing the Owls to a 9 - 0 record. Their defense though should be given just as much credit.

It was the that defense that led the Owls to their win against Sonora. Flow, Rivero, and Hill were outstanding but the potent Bronco offense was corralled by the Owl defenders.

The game began with Sonora receiving the opening kickoff from the Owls. Three plays later the Broncos punted, and it would be that way for most of the night.

In the first half the Bronco defense would show signs of its own competence. On Reagan County's first possession Romero took the ball for two yards off tackle. On the next play Joey Buitron came up with a fumble recovery giving the Bronco offense a second opportunity. Again it was three plays and out.

On its next possession the Owls marched 84 yards on 12 plays taking 4:46 off the clock. The driver was all on the ground. Flow left, Rivero right, Flow right, Rivero left and so it went as the Owls seemed to literally fly to the corners. As the Broncos would tighten on the corners, the Owls would cut back inside. It was Flow who drew first blood on Halloween eve with a two yard dive off tackle. The Point after was good.

Upon receiving the Kickoff again the Bronco offense could not get anything going. After a fine Lee Romero punt, the Owls once again marched down the field for another seven points. This time it was a 56 yard drive again all on the ground. It was Hill who this time put the ball across the goal.

Taking the next kickoff the Broncos put together their only drive of the first half. As the Broncos pushed the ball to the 17 Sonora faced a third down two. Things were looking good for Sonora when a problem that has haunted the Broncos all year appeared. This time it was a procedure penalty that moved the ball back to the 22 and the situation to third and seven. On the next play a mis-handled snap put the Broncos in a fourth and long situation. Sonora was unable to connect on the next play giving the ball back to the Owls.

The half ended with the score 14 - 0.

The Broncos needed to contain the Owls on their first possession of the half, but they were unable to do that. It took the Owls only 1:51 to score. The score came on a fantastic 46 yard run by Hill. Hill swept right and was cut off. Just as it seemed that he would be thrown for a loss he cut back and ran right for 46 yards and a score. The score seemed to let the air out of the Bronco defense.

The second score of the half for the Owls came on a 6 play, 43 yard drive, and another outstanding run by Hill. As the third quarter ended the Broncos trailed 28 - 0. The fourth quarter began as the third had ended, with a long Owl drive. This time it was for 65 yards and Romero was the hero as he ran in a 16 yard sweep for the touchdown.

Reagan County was not thru, as they scored again at the 3:50 mark on a two yard run by Jeremie Ellison who picked up 34 yards on 4 carries.

Sonora was finally able to get on the score board after a 74 yard drive. The highlight was a 16 yard run by Joey Guerra. The game ended with the score of 42 - 6.

"It was rough, but we are still in the hunt. We'll be ready for Crane, the kids won't quit," said Bronco head coach Bob Belliard. Sonora was helped by this weeks opponent, Crane who knocked off Kermit. If Sonora beats Crane, and Greenwood beats Kermit, Sonora advances even though they would have the same record as Greenwood who played Sonora to a tie. Sonora had more first downs which is the first tie breaker.

This week the Broncos will play Crane at Bronco Stadium. The game will begin at 7:30.

In other District 6 3A action Friday, Greenwood downed Colorado City 44-18.

by R. C. Hall

"It was a dark, stormy night," so begins Snoopy's great unfinished novel. The same could be said for the conditions that greeted the Sonora Bronco Junior Varsity and their foes from Reagan County. Snoopy has never finished his novel, and it was questionable whether this game would ever be finished. After a half hour delay the game did begin again and the Sonora team is glad that it did. In a game that they led from the beginning, the Broncos beat the Owls 16 -12.

"We really played well. I was real proud of our kids," said JV coach John Creek. "It was a wild night!"

The coach was not just talking about the weather.

Sonora kicked to the Owls to open the game and the defense led by Shane Deel, Ruben Mata, and Josh Burnham kept the Owls locked up in their end. With the ball 4th and long at the 14, the Owls punter standing at the 4, the Broncos put on an awesome rush, forcing the punter to hurry the kick that went straight up then down for a net loss of 9 giving the ball to the Broncos at the Reagan County 4. On the first play from scrimmage, Gilbert Vara carried the ball to the 1. On the next play Jason Morley dove in from the one for the touchdown. The Broncos got the ball to Davis Hale who converted the two point conversion.

The rain was pouring furiously and the wind was howling. (The second line of Snoopy's novel) and as it did, the Broncos and Owls traded mistakes. The Owls fumbled the ensuing kickoff which led to the Broncos next score but not in the way one might expect. The Broncos recovered the ball at the 16 and three plays later, they fumbled the ball back to the Owls. Again, the defense stopped the Owls. With the ball 4th and 12, the Owl punter gave the Broncos another break. The punt this time was partially

blocked and the ball was recovered in the end zone for a safety, giving the Broncos a 10 - 0 lead with 2:56 left in the first quarter.

As the thunder crashed, and the lightning flashed. . . (Yes, Snoopy's third line) the Owls kicked the ball to Sonora's Marcus Montez, who dashed down the sideline for a 56 yard return and a for a touchdown. The point after was blocked. The score at the end of the quarter Sonora 16 - Reagan County 0. It was at the end of the quarter that play was suspended.

As the game continued in the rain and in the muck and the football got wet the game became very sloppy. There were no less than 14 fumbles.

The first Owl score came on their first possession of the second half. Again, it appeared that the Bronco defense would make a stand. With the ball 4th and 19 John Thompson ran to the 9 yard line, giving new life to the Owls. The Owls fumbled the ball for a two yard gain on their first try from first and goal and they scored on their next play, a 7 yard drive by Quarterback Wilson Prince. The point after try was stopped by the Bronco defense.

Though the Broncos were able to mount several drives, in the second half, they were never able to score.

The final score of the game came for Reagan County on a 45 yard drive that ended as the score board

wound down to 00:00. Again it was Prince who scored as the horn sounded to end the game. The point after was no good. The final was 16 -12. The JV will end their season at Crane today, (Thursday) at 6:30.

### McReynolds accepted for emergency course

Treva McReynolds was recently accepted into the Division of Emergency Management course "Introduction to Emergency Management". The course was held October 12-16 in Austin.

Some of the agenda in Mrs. McReynolds' course consisted of the need for emergency management; the four phases of emergency management; the roles of federal, state, and local government in emergency management; integrated emergency management systems; coordination in emergency responses; and the role of the emergency operating center.

The Texas Department of Public Safety, Division of Emergency Management funds the expense of the student's lodging, mileage, and class material. Sutton County reimburses for meals.

A series of emergency management courses are available to Texas counties and cities in order to give local government specific information on constructing and maintaining emergency management plans and activities.

That long frontier [between the U.S. and Canada] from the Atlantic to the Pacific Oceans, guarded only by neighborly respect and honorable obligations, is an example to every country and a pattern for the future of the world.

### Seventh grade finish season with a win over R. C. Owls

by Tanner Fields

Last Thursday evening the 7th grade Colts played the Big Lake Owls. This was the last game for the Colts.

The rain was coming down and made the ball slick. It rained all through the game.

On the offense the Colts ran with Zach Perez and Steven Gandar. Mayer Anderson carried the ball some, also. The Colts did not throw a pass because of the rain.

On defense the Colts played very well. The Colts stopped the run well. Steven Gandar had many tackles. The Owls didn't throw, but a few passes. Dustin Harris intercepted one of those passes late

in the game.

The Owls did not score in the game, but the Colts did. It was one long touchdown run by Steven Gandar. The run was a thirty yard run. The 2 point conversion attempt was unsuccessful. The score was 6 - 0 in favor of the Colts.

After this score the Colt defense did not let the Owls score at all.

The Colts won their final game of the season 6 to 0 over the Big Lake Owls.

Good job, on a great season Colts.

The 7th grade Colts record was 3-4-1.

## Senior Center news

**Carole's Corner** - As we switch from Halloween to Thanksgiving, I would like to reflect on what I am thankful for. My family, my friends and my job. November 16th will be my 4th anniversary as senior center director. I hope that I am still able to motivate and generate as much excitement for our many programs as I once was. I still love my job. I find the rewards far outweigh any complications! Seeing programs working to enhance the lives of senior citizens in our own community motivates me to work harder on their behalf. I hope you all have a wonderful Thanksgiving. Join us for turkey on the 25th!

**Commodities** - Commodities will be distributed on November 11th from 1 until 3 p. m.

This month we will have orange juice, raisins and cornmeal.

This program does not discriminate due to age, sex, race, ethnic origin, disability, religion or political belief.

**Holiday Makeover** - Holiday makeovers will be available featuring Mary Kay, Avon and Artistry cosmetics.

**Van to San Angelo** - Juana will be taking the van to San Angelo on Wednesday, November 18th. Sign up--first come, first served.

**November Birthday Party** - The November birthday party will be held on Friday, November 20th.

Celebrating birthdays this month are: Maria Ramos, Maria Gutierrez, Ofilia Torres, Isabel Lira, Antonia Villanueva, Olivia Adams, Sheila Castro, Jack Burch, Antonia Lira, Hermelinda Martinez, Pauline Thompson, Elizabeth Neill, Lou Faulks, Nora Dominguez and Fela Perez.

**Special Meeting** - On November 24th we'll have a very important program on Health Care reform sponsored by AARP. The featured speaker will be Dean Frost from Copperas Cove. Plan to stay for lunch.

Our Thanksgiving program and dinner is set for the 25th.

## Senior Center menu

**Thursday, November 5th** - Liver & onions, au gratin potatoes, green beans, hot rolls and pineapple upside down cake.

**Friday, November 6th** - Chicken & rice casserole, mashed sweet potatoes, peas, hot rolls and peach half.

**Monday, November 9th** - Pigs in a blanket, blackeyed peas, spinach and fruit salad.

**Tuesday, November 10th** - Beef stew w/stew vegetables, sweet peas, crackers, tossed salad and chocolate pudding w/topping.

**Wednesday, November 11th** - King Ranch chicken, pinto beans, cabbage/carrot slaw, corn muffins and apple cheese crisp.

## ASU to hold career day

Angelo State University's Counseling and Placement Services Office will hold a Career Information Day, Thursday, November 12, from 9 a. m. to 3 p. m. in the Houston Harte University Ballroom.

The Career Information Day will offer ASU students and alumni an opportunity to learn about the employment process and expectations of employers, according to Jim Glossbrenner, director of counseling and placement at ASU. Representatives will provide information and literature about their organization or profession.

**Volunteers** - Volunteers are a valuable commodity here at the Senior Center. Most of our volunteers serve between five and fifteen hours weekly. They help out in a variety of ways; from assisting in the kitchen to delivering meals to homebound elderly.

You'll find volunteers decorating the center, answering the phones and helping with paperwork. If you would like to help us here at the center, call Carole or Juanita. They'll fix you up with a set of job descriptions and you can choose the area you'd like to work in.

Some of our current volunteers are: Carole Scott, Maggie Mesa, Lura Sawyer, Pat Street, Nell Wallace, Betty Lopez, Nora Weaver, Janalyn Jones, Elsa Trevino, Maria Trevino, Grace Hernandez, Ebbie Sutton, Florie Mesa and Beth Wallace. Thank you All!!!

**MOST ORIGINAL COSTUMES** - Winners in the Most Original category were Maria Leija, Eulojia Flores and Toribio (Chico) Chavez. These winners were named last Friday after the noon meal at the Senior Center.

# Recycling Nature's Energy

It's there all around you — in the form of sun-heated air.

And there's no better way to be partners with nature than to harness that energy with a quiet, clean, energy-efficient electric heat pump.

Since natural sun-heated air is abundant even on coldest winter days, by simply moving or "pumping" that heat into or out of your home, you enjoy maximum comfort year round at a minimum cost.

Recycling . . . naturally rewarding.

*Easy, naturally!*

Easy, economically, too! Pay for your new electric heat pump with WTU's new bank finance plan and get a rebate that can be applied to your loan or monthly electric bill!

## Jordan Livestock Exchange Mason, Texas

### Results of the Special Stocker Feed Show and Sale on Monday • November 2, 1992

Receipts totaled 2188 head. Buyer attendance was very good with active bidding on the heifer calves and yearlings weighing 250 to 550 that were carrying light to medium flesh. The run consisted of a large percentage of this type of light weight calves and light weight yearlings that sold \$2 to \$7 higher in instances as much as \$10 higher compared to last week. The fleshier calves and yearlings sold mostly steady to strong but were not in as strong of demand as the thin fleshed kind. Most of the 600 to 700 weight calves and yearlings sold steady to \$2 higher. The stocker cows sold in good strong demand with special interest shown on one set of young four year old Brangus baldies. Slaughter cows sold more active than last week on a strong steady market. Bulls sold steady on the low yielding kind with no high yielding types offered.

\*\*No Sale Monday - November 9, 1992 - Due to the opening of deer season.\*\*

## Ask the Historical Society

by Sutton Co. Historical Society

### Who is honored on Veteran's Day?

Webster's New World Dictionary, Third College Edition, defines Veteran's Day as a legal holiday in the U. S. honoring all veterans of the armed forces.

Veteran is defined as designating a person who has served in the armed forces. An old experienced soldier, etc., especially one who served in time of war.

A VA representative told us there are two classes of veterans, peacetime and wartime.

Peacetime would be any person who served in the armed services honorably during time of peace.

Wartime would be any person who served honorably during time of war or recognized armed conflict.

These would include the Revolutionary War, U. S. Marines at Tripoli 1803-1805, War of 1812, Seminole War 1818, Mexican War of 1846-1848, Civil War, Indian Wars, Boxer Rebellion, Spanish American War, Vera Cruz 1914, Banana Republic Wars 1911-1915, conflicts with Poncho Villa 1916, World War I, World War II, Korean Conflict, Lebanon, Vietnam, Beirut, Grenada, Panama, Persian Gulf Conflict, and Desert Shield/Desert Storm. (We are not experts of military history and apologize if we have missed any war or conflict.)

Veteran's Day is traditionally celebrated on what was formerly called Armistice Day. A holiday that celebrated the Armistice signed on November 11, 1918 ceasing all hostilities of World War I.

Veteran's Day is celebrated in many different ways across the country. In some places parades are held to honor the men and women who have served in the military. Some towns have quiet ceremonies with laying of wreaths on the monuments to men from their communities, who died in time of war. In some places flags are placed on the graves of all veterans in local cemeteries. At Arlington National Cemetery the President or Vice-President usually places a wreath on the grave of the Unknown Soldier. Other places hold special church services to honor the men who are serving and who have served to protect our country.

You might want to take a walk Veteran's Day, on Courthouse Square and read the names of the men from our county, who died in service of their country. They are on memorial markers along the sidewalk at the front of the building. Or take a walk through the cemetery and read the names on the veteran's markers scattered throughout it. A few of our boys are not there. Their bodies could not be recovered, they never came home. All these men and women served to keep your country free.

This is a good way to teach our children to honor and respect the men and women who are serving in the Army, Air Force, Coast Guard, Marines and Navy. Also it helps them to better understand the sacrifices these men and women agree to make when they join the armed services. Given the history

of the world, even if you join in peacetime you might become involved in a conflict during your enlistment.

So remember on Veteran's Day to take a little time to pay tribute to the men and women of the armed services who have served to keep our country free.

If you have any questions concerning Sutton County history send them to Ask the Historical

Society, P. O. Box 885, Sonora, Texas 76950.

The Sutton County Historical Society is having a fund raising drawing. You may purchase tickets at Westernman's Drug Store or from any member. Funds will be used in the restoration of the Miers Home Museum and to continue research and to publish books on Sutton County.
