At 9 months old Natasha Love effrey has acute lumphocytic

DPS Trooper Norbert Ortiz was on routine patrol 3 miles south of Sonora on U. S. 277, Monday, January 4, 1993. Ortiz detected speed and equipment violations on two north bound vehicles.

Ortiz intended to stop both vehicles, but was unable to stop the lead vehicle. Upon stopping the 1988 Ford Mustang driven by Daryl Duwayne Douglas, 28, of Clute, Texas, Ortiz realized both vehicles were traveling together.

Ortiz contacted Sonora Police Officer Mike Routh. Routh was able to stop the 1990 Toyota Pickup 1/2 east of Sonora on U.S. 290.

While Ortiz talked to Douglas he detected an odor of burning marijuana emanating from Douglas' vehicle.

The 1990 Toyota driven by Juan Gomez Gallando 42, of Del Rio and the 1988 Mustang were escorted to the Highway Patrol Office by Trooper Ortiz and Police Officer Mike Routh.

Ortiz said "Written consent to search both vehicles was obtained from the drivers."

Ortiz discovered in the backseat area of the 1988 Mustang two extra large burlap feed sacks. Inside the

burlap sacks were six compressed, cellophane wrapped square blocks of green leafy substance, believed to be marijuana.

Trooper Ortiz nets \$160,000

An extensive search of the '88 Mustang was conducted by Ortiz when he discovered in the backseat floorboard a round cellophanewrapped ball weighing 10 pounds, also known marijuana.

The 1990 Toyota was also searched but no further contraband was located by the officers.

Charged with aggravated possession of marijuana were Daryl Duwayne Douglas, Develin Rey Bull, 23 year old female of Clute, Texas; Robin Ann Hurst, 23 year old female of Lake Jackson. Juan Gomez Gollando, 42 and Juan Najeria Gallando, Jr., 23, both of Del Rio were also charged.

All five were magistrated and booked into the Sutton County Jail. Their bond was set at \$50,000 each.

The 1988 Mustang was seized by the Department of Public Safety. Estimated street value of the

controlled substance is \$160,000. According to Trooper Ortiz all

five had made bond on January 6, Tuesday, the 160 pounds of TIS THE SEASON. . .FOR DRUGS THAT IS - These burlap

worth of controlled substance

marijuana was delivered to the DPS Crime Lab in Midland.

### feed sacks contained 160 pounds of marijuana which was discoverd by Trooper Norbert Ortiz in a routine traffic stop.

### **Officers busy** Accidents keep THP

Alcohol was considered to be a factor in two separate accidents that occurred in Sutton County over the weekend.

On January 9 Linda Lee Carroll, age 31, driving a 1984 Ford was traveling South to Sonora on Miers Rd. at approximately 10:10 p.m. when she failed to negotiate a curve and left the roadway. She then struck a telephone pole, knocking it down.

Alcohol and excessive speed were contributing factors according to a report filed by Trooper Don Van Zandt. No seat belt was worn and no injuries were reported.

At 2:30 a.m. on January 10, Trooper L.D. Whitton was called to the scene of a major accident on Bond Rd. two miles south of

Sonora

Robert Antonio Zapata, 19, of Sonora was traveling north in a 1979 Chevrolet pickup when he failed to negotiate a curve. Zapata's vehicle left the roadway and went into the pasture where he became airborne over a ditch and hit an embankment head on. The vehicle landed upright.

Trooper Whitton reported that alcohol and a high rate of speed were factors in the accident.

Zapata received serious injuries and was taken to Hudspeth Memorial Hospital by Sutton County Ambulance and later transferred to a San Angelo Hospital.

Zapata was not wearing a safety belt when the accident occurred.

A total of nine accidents on Interstate 10 were reported Sunday by Texas Highway Patrol Officers Ruben Terrones, L.D. Whitton, and Don Van Zandt. All were attributed to icy weather conditions and unsafe speed.

In the most severe case reported, the Sonora Fire Department Rescue Unit and two ambulances were called to the scene of a two vehicle accident shortly before midnight Sunday.

Jiries Atallah, 30, of Scottsdale, Arizona was traveling east on I-10 when he struck a trailer belonging to Maria Guadalupe Gonzalez, 24, of El Paso. Guadalupe's vehicle

had become disabled after it slid into a guardrail only moments before.

Upon striking Guadalupe's trailer, Atallah's vehicle then veered to the right and struck a guardrail. Occupants of the vehicle were trapped and the rescue unit was called.

Once the victims were released from the vehicle they were transported by Sutton County Ambulance to Hudspeth Memorial Hospital.

According to a report by Trooper Don Van Zandt, all occupants were wearing safety belts.

leukemia. She is currently undergoing chemo at Children's Hospital in Oklahoma City, OK.

Her mother needs help to pay for living away from home. Please help in anyway you can.

Donations can be made to the Natasha Love Jeffrey Trust Fund at the First National Bank, 102 N. Main Street in Sonora.

Any donations would be greatly appreciated. God Bless you.

#### Art guild

63

The West Texas Art Guild will meet at 6:30 p. m., Thursday, January 14. The meeting will be held at the yellow temporary building on the corner of Concho & College across from the Primary School Cafeteria. The program will be presented by Ron Nicholas.

#### **Christmas in April**

Applications for Christmas in April, Sonora's volunteer home repair project, will be available beginning December 15 at Sutton to. Senior Center, City Hall and Itton County Appraiser's Office 1 the Courthouse Annex.

Applications will be accepted thru January 15th.

To be eligible for this you must be a homeowner and over 60 or lisabled or economically sadvantaged.

#### Social Security

Garland Gregg, representative for the San Angelo Social Security Office, has scheduled his January visit to Sonora. He will be at the County Courthouse on Thursday, anuary 21st, between 9:30 a.m. nd 10:30 a.m.

Anyone who wants to file a aim for benefits, get information, transact other business with the ocial Security Administration nay contact him at this time.

James McLaughlin

# McLaughlin named Fireman of the year

The Sonora Volunteer Fire Department has picked James McLaughlin as the Fireman of the Year for 1992.

James, and his wife of 34 years, Phyllis have three children, Wayne, Christl and Shauna; a daughter-inlaw Jackie and one grandson, Jeremiah.

James was born and raised in Sonora. He is currently serving as Public Utilities Director with the City of Sonora, for whom he has worked for 29 years.

He joined the Fire Department in April of 1965 and has served for 27 years.

He has served the fire department in the following offices: vice president, 1971 and 1979; president, 1972; director, 1974; 2nd assistant chief 1975, 1986, 1987, 1988 and 1989; 1st assistant chief, 1976, 1977 and 1985; and trustee in 1983.

James has attended San Angelo Firemen's Training School as a student, and later served as an instructor.

He has been a great asset in training fellow fireman.

James has seen many changes within the department. The two most notable were the change in the way firemen are called to a fire. They once depended on an outside alarm, then later fire phones were installed, and now they have 911 and pagers.

Congratulations Mac!!

# Sutton Co. Jr. Livestock Show to continue Saturday

The annual Angora goat and Goat - Shane Keller; and Reserve Swine show was held at the 4-H Champion Commercial Angora barn on Saturday, January 9, 1993.

Results of the Angora goat show are as follows: Champion Registered Angora goat - Shane Keller; Reserve Champion Registered Angora Goat - Thomas Schenkel. In the commercial Jason Geske; and Reserve portion of the show results were: Champion Commercial Angora

Goat - Bonner Walsh. In the Swine show results were as follows: Draw classes: Champion - B. J. Jackson; and Reserve Champion - Kris Wood. In the Open class: Champion -

Champion - Jason Geske. For all the result of the Junior

Livestock Show look for the Stock Show special section in the January 21, 1993 edition of the Devil's River News.

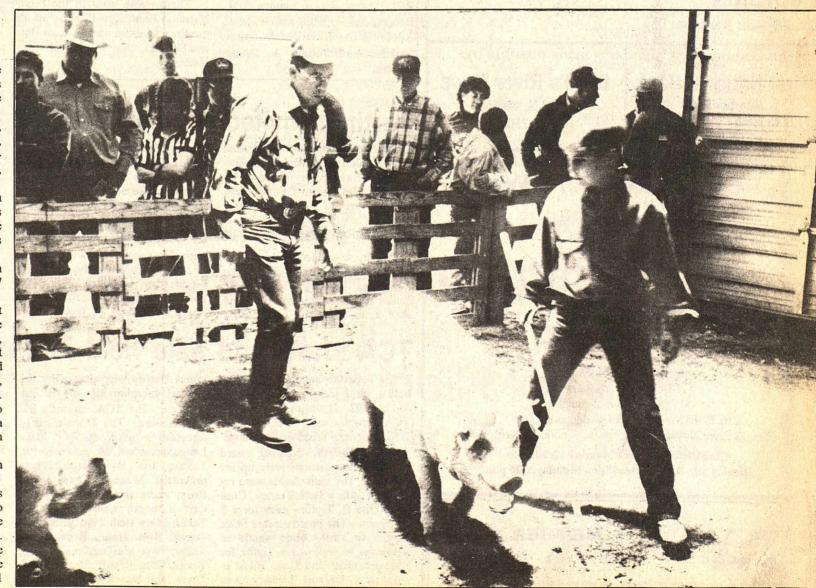

The Sutton County Junior Livestock Show will continue this weekend with the Market Lamb Show & Ewe Lambs at 9 a.m.

At 6 p. m. a Barbecue supper will be held and the auction and awards presentation will be held at 8 p. m.

# Show your support for local offices

Petitions to have Sutton County's ASCS and SCS offices reinstated are located at Sonora Wool & Mohair and Red Hoss Feeds.

Please show your support for your local ASCS and SCS by signing your name to the petitions.

"STOCK SHOWING" - Zac Kerbow shows his entry in the "2nd" annual Swine Show held last Saturday at the 4-H Barn.

### My Turn... by M. Zimmerman Sonora should check the facts and

pick up pieces of shattered dairy deal Being a native San Angeloan I suppose I should quickly take their County Library are: JESUS IS side when faced with the loss of their water supply. But because I am OUR FRIEND , MACHINES, a native San Angeloan -- I can't.

I know all too well how many years San Angelo's water supply has been questioned. Now that things have reached a point of no return NATURE, JUST ME AND MY due to the lack of an adequate sewer system and they face serious fines BABYSITTER, BERENSTAIN without cleaning it up, we should now feel sorry for them and put a BEARS AND THE MISSING quick halt to a neighboring towns economic development? Not a chance.

Stephenville has over 200 dairies according to city secretary Joyce Pemberton, and without these, the towns existence would be threatened. There is no contamination of the water supply, no lack of water, trucking companies exist primarily for the purpose of transporting the milk for processing, and most recently a cheese plant NO GIRLS ALLOWED, ANDY went into production. Farmers in the area supply part of the feed for the dairies, and the rest is either grown at the dairy or trucked in. A great number of people benefit from this industry.

There have been complaints about the smell caused by the dairies, fear of contamination to neighbors water supplies - but with no proof of such contamination, and the state has required some older dairies to place adequate drainage to prevent any contamination - at the cost of the dairy owner. A new dairy being built would most probably be required to have this drainage plan included in its construction.

For many years Stephenville has thrived off these dairies without contamination to their water, yet San Angelo is afraid ONE dairy would hurt their pure water supply. An editorial in the San Angelo Standard Times all but called Eldorado citizens ignorant for supporting the dairy. Did San Angelo bother to check with other dairy towns before jumping on the band wagon about this issue? Instead of allocating that \$15,000 to defend San Angelo from this big bad dairy, did they offer to put that money into Eldorado to help them find an alternate solution? God knows Eldorado consumers have put enough money into San Angelo over the years.

How about it Sonora, could the bad outweigh the good in this issue? Let's check into this possibility with an open mind. Remember, San Angelo will only tell the bad - not the good. The dairy is a convenient scapegoat for San Angelo and only displaces guilt for a problem they have known about and should have corrected years ago. If you will remember, reports of raw sewage running into the Concho River were quickly diverted into stories about a dairy that could cause damage to San Angelo's water supply. This issue reeks from the politics involved.

If Sonora could convince the owners of Double Vision Dairy to change their plans and locate here, Eldorado would still benefit because the farmers could help supply feed. Everyone uses dairy products - why shouldn't we benefit from it?

# **EMT** course to be offered beginning January 21st

Technician (EMT) course will be offered in Sonora beginning January 21, 1993. Classes will be held at the Sutton County Emergency Service Building from 7 to 10 p. m. on Tuesdays and Thursdays through April 27, 1993.

The EMT course provides emergency medical training in areas such as bleeding and shock therapy, cardiopulmonary resuscitation, airway obstructions, and emergency

An Emergency Medical childbirth. After successfully completing the practical skills and written exam at the end of the class. class participants will receive a Texas Department of Health four year EMT license. The student would then be trained to work for public or private ambulance firms and some hospital trauma centers. If you are interested in this course contact the Sutton County Emergency Service office at 211 East 3rd, or call 387-5132 for more

# Letter to the Editor

ANOTHER TWO - This Lady Broncos goes up for two more points during one of the two games they

played last week. The Lady Broncos came out on top in both games.

Dear Editor,

The Rules & Regulations of the Sutton County Underground Water Conservation District were adopted on April 17, 1992 and are rapidly approaching one (1) year of existence.

These rules and regulations are the guidelines adopted by the local directors which provide for conservation, preservation, protection, recharge and prevention of waste of our underground water.

Various aspects of these rules have been addressed in previous articles in our local paper. However, one aspect not covered previously, is the Registration of water wells (State Law - Texas State Water Code Ch. 52 Sec. 170 (f) & (g).

Water wells are divided into two types Exempt and Non-Exempt.

An Exempt Well, simply stated, is a well producing under 25,000 gallons a day, a domestic well, a livestock well, a well associated with hydrocarbon production activities or jet wells used for domestic needs. These existing wells must be registered with the

Many thanks to these people and

Thanks also goes to the First

Harold & Marilyn McEwen.

to the many others who donated

during this year's telethon.

has been incorporated into our & regulations (spacing & well, District rules.

A Non-Exempt well (permitted) well shall mean a well that is not exempt by state law ie. (An irrigation well or any other well pumping over 25,000 gallons/day). These existing wells must also be registered with the District. These wells should be registered by April 17, 1993. (Filed within one year of adoption of rules - April 17, 1992).

The question may arise. Why should I register my well? As stated previously, State Law requires these wells to be registered. However, from a practical standpoint, if your well is not registered with the District, we may not know of its existence. Therefore, if someone comes in and obtains a permit to drill a well that well will have priority (by permit date) over existing wells that have not registered with the District. However, if your well is registered prior to the drilling of the new well, then the new well will have District. This is a State Law which to meet all rules & regulations

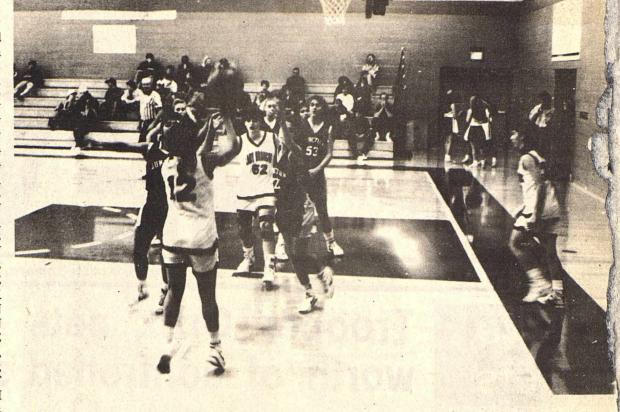

density) with respect to you registered well.

In addition, if a registered well becomes polluted, we will have pertinent data available (water depth, water analysis etc.) This information will assist us in tracking possible sources of contamination.

You should understand that the rules and regulations of this District are for the well owner's protectic while maintaining the integrity of our underground water. The Boar of Directors spent literally hundred of hours formulating a fair set ( rules and regulations which provid for the conservation, preservation protection, recharge and prevention of waste of the underground water.

We are asking for you cooperation in the registration these wells. If you have an questions concerning these rules any District rules, please contact this office at 387-2369 or come by the Mercantile Building Suite 101

Sincerely, Mike Smith, Mgr. Sutton County Underground Water District

Practice runs can be made on Wednesday, January 20th and Thursday, January 21st, from 6:00 -

# Cashmere producers to be paid \$50/lb for cashmere

#### by Mary Beth Turney

Following a successful grant from the Colorado Initiatives-US West Implementation Funds program, cashmere producers will be paid \$35 initially. The Cashmere America co-op headquartered in Kiowa, CO was awarded \$25,000 - the largest grant given by the fund. The co-op will use the money to also have the raw cashmere dehaired and spun into yarn to sell for a final payment to producers for \$15 per lb. for their 1992 clip for a total of \$50.

Terry Sim, general manager of the Cashmere America co-op in Kiowa, Colorado and formerly of Australia, is a cashmere expert with 8 years experience in cashmere classing (7 years in Australia). Terry Sim shears and classes on farm all over the. US for the cashmere co-op, as well as classifies fleeces in the warehouse and is responsible for marketing the cashmere.

Mr. Sim said that he has letters of commitment and interest from domestic weaving companies, hundreds of home spinners, knitters and weavers, and a renowned international sweater manufacturer. There has also been some interest

from designers and specialist retail. outlets, but these need more cashmere than is in stock or curren production to mount a credible marketing campaign. "Our main problem could be a lack of cashmere to meet the demand," said Mr. Sim.

At \$50 per pound, this translates to about \$12.50 worth of cashmere per goat at 1/4th pound of down per head. This is a very conservative figure, and Spanish goats and known to shear on average anywhere from 1/4th to 3/4th's of pound of down. Comparativel mohair goats will shear about \$6.60 per head per year without incentive at current market prices and \$0.825 per pound. If the incentiv is renewed, the cashmere industria may actively seek incentipayments.

With small management change such as once a year kidding, are that is necessary to change Spanish goat herd to a cashme meat goat herd. Anyone interest in shearing or having their goe assessed by Mr. Sim shou contact: Terry Sim (303) 877-78 or Mary Beth Turney (210) 39 2141.

#### 7:30 p. m. at the Cub Scout Hut. sale held in early December-TCA show and

The Texas Cashmere Association held a show and sale December 11 & 12, 1992. It was the 3rd annual TCA show and sale. The TCA also held its general membership annual meeting, and the expiring board membership positions were up for election. The incumbents were reelected: Mary Beth Turney, Coni Ross, Joe B. Tipton--each for a 3 year term. The board elected Mike Lange to serve once again as president, as well as Joe Tipton for vice-president and Coni Ross as secretary, Carroll Looney was elected Treasurer. Bob Buchholz resigned his position on the board with 2 years remaining, and so

James Barton was elected by the Terry Sim is currently general general membership to fill his position. The TCA currently has 80 members. The TCA board of directors is made up of: Mike Lange, president, Mountain Home, Texas; Joe B. Tipton, vicepresident, Menard, Texas; Coni Ross, secretary, Austin, Texas; Carroll Looney, treasurer, Menard, Texas; Mary Beth Turney, Sonora, Texas; Jim Hale, Brownfield, Texas; Steve McPherson, Lockney, Texas; Glen Ratliff, Brownwood, Texas; and James Barton, Sonora, Texas.

The show and show for sale were judged by Terry Sim of Australia.

manager of the Cashmere America co-op in Kiowa, Colorado. Terry Sim is a cashmere expert with 8 years experience in cashmere classing (7 years in Australia). Terry Sim shears and classes on farm for the cashmere co-op, as well as classified fleeces in the warehouse and is responsible for marketing the cashmere.

The show results are as follows: The Show For Sale -- Reserve Champion Buck-4 Tooth-Mary Beth Turney, Sonora, Texas. The Champion Sale Buck sold for the highest \$675 to Joe David Ross of Sonora, Texas. The Show -- 2

Tooth Does - 2nd Turney Ran Sonora and 3rd, Turney Rance Sonora. 8 Tooth Does - 3rd Tur Ranch, Sonora, Texas.

VATCHING THE JUDGE - These Angora goat show contestants eye the judge as he makes his unds, and picks the best. The sheep show continues this weekend. (Watch for next week's Stock low special section for the results of the show.)

# **EMS'ing Around**

#### **Pascal** Allison

Congratulations are in order to en Pool, George Keese, Mona Simpler, Carla Garner and Jody Luttrell for their passing the state exam in order to re-certify as instructors. Treva McReynolds, George Keese, Tim Thorp, and Pat Campbell are to be congratulated pon passing their exam and recertification as Emergency Medical echnician (EMT).

Our latest Emergency Care tendant (ECA) class, who took ir Texas Department of Health am on December 14th, is to be ingratulated upon their 100% assing. Those completing and assing the ECA test are Lydia guero, Susan Bloodworth, Patrick

Braly, Marla Duplantis, Juanita Gandar, Yvette Guerrero, Chandra Hughes, Glenna Hulsey, Justin Jones, Carla Luttrell, Rodney Morris, Heidi Rogers, Robin Street, and Tim Talley.

The number of ambulance runs for the month of December were down somewhat. Total runs in November were 25; December only saw 21. During the calendar year 1992 the Sutton County E. M. S. made a total of 263 runs. They are broken down as follows: Illnesses, 174; Accidents, 78; and Patients refusing treatment, 11.

Of the above patients with injuries, 29 were transferred to an out of town hospital.

# Lady Broncos sport 2-0 week

#### by Kirk Macon Sports Writer

The Lady Broncos are coming off a big week, sporting a 2-0 mark for the week, including a district win.

Sonora's 59-31 win over Junction last Tuesday ended non-district play and gave the girls an 11-3 record. Then, on Friday, the Lady Broncos opened District 6-AAA play against Colorado City, coming away with a 41-31 victory.

Against Junction, Yvonne Mata led the Sonora charge with 18 points, followed by Elaine Ortiz, 12; Cenisa Cauthorn and Anna Teaff, 7; Vicky Richardson, 6; Alma Sanchez, Jessica Ortiz, Beth Covington, and Stephanie Virgen, 2; and Sara Reston, 1.

"This was probably our best game so far this year," Coach Clyde Dukes said. "All ten girls did an excellent job. We executed our press and our offense really well."

In the Colorado City game, after a very sluggish first half, the Lady Broncos settled down and played a strong second half.

Cenisa Cauthorn and Anna Teaff led in scoring with 12 points, followed by Jessica Ortiz, 6; Yvonne Mata, 3; and Laura Hearn, Stephanie Virgen, Elaine Ortiz, and Sara Reston, 2.

According to Dukes, starters Yvonne Mata, Jessica Ortiz, Anna Teaff, Stephanie Virgen, and Cenisa Cauthorn played well.

NOTES: Junior Laura Hearn was back in action last Friday. That was her first game of the year after recovering from knee surgery. . According to Dukes, everyone is healthy for the first time this season. . .Dukes cited the play of several Lady Broncos in the districtopening win. "Anna Teaff had a

SIGN-UP -- Under sign up provisions for the Annual Program (ANA) for conservation work, producers may now apply for cost sharing. Applications are approved on the basis of "Need" to correct a conservation problem. Practices available to county producers include brush control, livestock water wells, pipelines, water storage tanks, and cross fencing. Applications may be made by coming to the ASCS office.

The County Committee has established application review dates for ACP-annual practices. Applications will be reviewed three times a year; in March, July, and MADE UNTIL REQUIRED September of each calendar year. Applications received in the ASCS Office by February 12, 1993 will be reviewed at the March County Committee meeting.

WOOL AND MOHAIR PROGRAM - Producers are urged to report 1992 wool and mohair "sales" documents before January 31, 1993. Late filed documents can no longer be accepted by the County ASCS Office. You will

ACP - CONSERVATION need to bring in head counts, shearing dates, grading charges, charges for freight to the warehouse - if any, and any unshorn lamb purchases. If you have purchased unshorn lambs we will need the sale sheet showing the number of head and weight of lambs you bought.

Producers who have not done so, must come to the ASCS office to fill out the required CCC-502, Payment Limitation forms and AD-1026's, Land Determination forms before January 32, 1993 so that required determinations may be completed. PROGRAM PAYMENTS CANNOT BE AND FORMS DETERMINATIONS ARE COMPLETE.

"ELIGIBILITY FOR PARTICIPATION IN ALL PROGRAMS ADMINISTERED BY ASCS IS ESTABLISHED UNDER LAW WITHOUT REGARD TO RACE, COLOR, RELIGION, AGE, SEX, STATUS, MARITAL DISABILITY, OR NATIONAL ORIGIN."

# Clothing project meeting set for Jan. 19

On January 19th, 1993 there will be a 4-H clothing project meeting beginning at 7:00 p.m. at the Sutton County Extension Office.

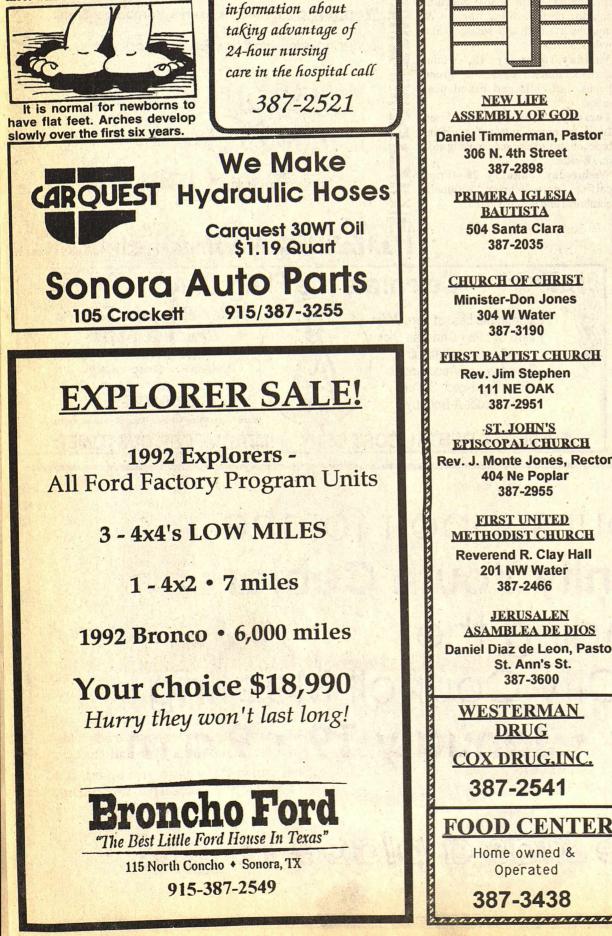

All those interested in becoming 4-H clothing leaders need to attend. If you are unable to attend or have

news

January 5, 1993 at the Methodist Church. The meeting was hosted by Jason Hulsey. Those attending were David Cook, Joseph Ainsworth, Payton Holenkamp, James Ross, Trapper Valliant and Wilson Wallace.

Following the meeting and snacks, the boys went to the EMS building. Pat Campbell gave them a tour of the ambulance and explained the use of all of the emergency equipment. The boys also had a lesson in preventing accidents. The Tiger Cubs wish to thank the EMS staff, especially Pat Campbell, for taking the time to meet with them.

# **Broncos win two**

#### by Kirk Macon Sports Writer

Last week, the Sonora Broncos defeated Junction 64-30 and Mason 63-55 to end non-district play.

"I was very pleased with our effort and continued improvement," said Coach Jay Hufstedler. "Our confidence is at a high level as we enter district competition."

District 6-AAA play began Tuesday night against Crane. This Friday all teams are in action against Midland Greenwood in Sonora.

In the Junction game last Tuesday, Matthew Smith and Wil Trainer had high-point honors with 18. Other scorers were Pete Perez, 2; Shane Keller, 3; Shannon Escalera, 6; Brian Faris, 12; Wade Spain, 4; and Jesse Burnham, 1.

"We shot very well and controlled the game from the start against Junction," Hufstedler said. Matthew Smith had six steals, Brian Faris had six defensive rebounds, Wil Trainer had six offensive rebounds, and Shane Keller had four assists.

In last Friday's win over Mason, Hufstedler was pleased with his team's ability come from behind. The Broncos scored 27 points in the fourth quarter to defeat the Punches 63-55. That outburst was the highest point total for a quarter this year for the Broncos.

The Seventh grade girls

basketball team defeated the Wall

team, 19-16 during action on

Scorers for the game were Cara

Jackson, 5; Nubia Gutierrez, 4;

January 4, 1993.

"These young men continued to hustle defensively and continued to believe in themselves, and it paid off in the fourth quarter. Several turnovers caused by our full-court press resulted in quick baskets," Hufstedler said.

Wil Trainer led scorers with 26 points. Others were Hadley Smith, 8; Matthew Smith, 12; Shane Keller, 3; Shannon Escalera, 1; and Brian Faris, 13. Hadley and Matthew Smith each had three steals, Shane Keller had six assists, Brian Faris had six offensive rebounds, and Wil Trainer had eight defensive rebounds.

NOTES: Wil Trainer had his top scoring night against Mason (26). .Hufstedler said, "Shane Keller and Shannon Escalera continue to spark our defense. . .Hadley Smith had his best game of the season against Mason. . . According to Hufstedler, Hadley was tentative at the beginning of the season because he is a sophomore, but "he is very aggressive in penetrating the defense from his offensive guard position." . . . Jesse Burnham, Wade Spain, Pete Perez, and John Lopez are playing well, according to the coach. . . Wade Spain has an ankle injury and has seen only limited playing time lately." We need him 100 percent healthy as he comes off the bench and plays a major role in our success," Hufstedler said.

The Sutton County Sheriffs' Office is now accepting applications for the position of deputy sheriff. Applicants should possess a current state certification as a peace officer.

Applications may be obtained from the Sutton County Sheriffs' Office, 309 N. E. Oak Street, Sonora, Texas, between the hours of 8:00 a. m. and 5:00 p. m., through January 25, 1993.

Sutton County is an equal opportunity employer. (1/21)

#### **REQUEST FOR PROPOSALS**

The Williamson County Commissioner's Court invites the submission of sealed proposals for the lease of the surface estate (including grazing and hunting rights) to the following described tracts of land in Sutton County, Texas, which form a part of the Williamson County School Lands. Proposals must be received by the undersigned prior to 10:00 a. m., Monday, January 25, 1993, at which time the bids will be opened in open court at the Commissioner's Courtroom on the 2nd floor of the County Courthouse in Georgetown, Texas. Proposals received after that time will be returned unopened. As to each tract listed in this notice, the Court reserves the right to accept or reject any or all proposals. Proposals may include improvements to said property.

All proposals submitted must comply with the following restrictions, conditions and limitations which the Commissioner's Court has determined to be necessary and proper.

Proposals can be bid for one year, three years or five years. The Commissioners Court reserves the right to accept the proposal most beneficial to the county. The Commissioners Court retains the option to cancel said lease or leases in the event of sale or exchange of said property, with a pro-rat refund of any lease payments previously tendered.

The lessee shall be obligated to manage the land in a prudent ranch-like manner, and shall employ the highest degree of care in conserving the land and its produce.

### **REWARD FOR INFORMATION** Levi is a Basenjii dog tan and white with a curled up tail. He's

notorious for escaping from our house and taking a spin around then returning home in an hour or two. This past year we have kept him on a chain during the day. On Monday, January 4th a prankster released Levi from his chain somewhere around noon. He was last seen around the school on Prospect St. He has not returned home. If anyone has information on the fate of our dog even if it's bad or fatal news, please call 387-3846 and tell us what you know. We want Levi to come home but are devastated that he might be hurt or dead. There is a reward offered for information or return of Levi or information on his fate.

It is the intent of the Commissioner's Court to award leases separately for each tract. However, any bidder who wishes to submit a proposal on more than one tract may do so. Unless the proposal received expressly states that the bidder will accept only the award of all items bid, each item in the proposal will be considered separately and will be rejected or awarded on a high item basis.

No more than one proposal will be accepted for any tract. All proposals may be rejected for some tracts, even though awards are made for others. The convenience of having a single lessee for several adjacent or close tracts will be take into consideration together with the experience of the bidder in determining the best proposal.

For further information, please contact Judge John Doerfler, Williamson County Courthouse, Georgetown, Texas, 78626, (512-869-4456). **DESCRIPTION OF TRACTS**
