Please have your non-perishable food items ready when they come door-to-door. If you can not be at home, leave your items in a sack on your front porch, or call 387-2227 for pick-up.

HUNTERS OF THE YEAR

Juanita & Milton Fullen were presented the Hunters Of The Year Award at this year's Annual Game Dinner

Pictured here is Doyle Morgan. He has done nothing, but he's my friend so I decided to put his picture in the paper. GCS

Storytime Highlights

Rev. Randy Dunn is pictured listening and enjoying a Storytime session with the Primary school kids.

Karen Dunn is pictured here at Storytime reading to the Primary school kids.

Saluting Our VETERANS

On November 11, 1993, at the Intermediate School Auditorium, a Veteran's Day Program was held. This was the sixth year this program has been presented to the Sonora community. The program listed several activities. The day consisted of a presentation of the American and Texas flags and a salute to the American and Texas flags by the veterans. A prayer was then said by Rev. Jim Stephens. Next there was a sing-a-long of patriotic songs led by Mr. Frank Conlon. Ms. Jo Ann Pape sang "The Old Ragged Flag" and an introduction of the veterans was made by Primo Gonzales, Jr. The Jr. High School Choir then sang "It's a Grand Old Flag". After the singing and introductions, Rev. Jim Stephens then delivered a message.

Maxine Locklin states, "To each and every one of you, including students and teachers, I wish to extend my thanks. I feel this program is very important to our students, and we owe our Veterans this recognition."

Pictured here are some of the veterans who attended the program: (L-R) Jim Stevens, Primo Gonzales, Jack Sharp, Bobby Morgan, Gus Redman, Pedro Chavez, Jim Garrett.

(First Row) Primo Gonzales, Jack Sharp, Gus Redman, and Pedro Chavez (Second Row) Jo Ann Pape and John Pape. Pictured in the back is the Sonora Jr. High Choir, who performed at the program.

Pictured here are Jim Stephens, Jo Ann Pape, Jack Sharp, Gus Redman, and Pedro Chavez.

Our Sympathy

J.M. Cooke

J.M. "Pud" Cooke, 81, died Monday, Nov. 8, 1993 in a Sonora Hospital.

Services were held Thursday in Winters Funeral Home chapel with burial in Northview Cemetery.

He was born July 22, 1912, in Gatesville and was a longtime resident of Runnels County. He owned and operated Winters Wrecking Yard, and was a member of the Church of the Nazarene.

Survivors include a son,

Michael Bruce Cooke of Sonora; three daughters, Betty Jean Guiman of Abilene, Barbara Ann Gamble of Junction and Deanna Joan Boggs of Sulphur Springs; four brothers, Martin Cooke and Dalton Cooke, both of Abilene, Billy Joe Cooke of Austin and W.P. Cooke Jr. of Plainview; a sister, Catherine Officer of Oklahoma City, Okla.; 28 grandchildren, 33 great-grandchildren; and two great-grandchildren.

Card of Thanks

To the citizens of Sonora:

We would like to take this opportunity to thank you all for supporting the Bronco Band and Band Boosters this fall. Thank you for helping make this year's Ice Cream Social a success.

Thank you for coming to the football games and supporting us through the concession stand sales. To the people who worked in the concession stand and don't have students in the band this year, we give a special thank you.

We would also like to recognize and thank First National Bank for selecting the Band Boosters to be the recipients of the popcorn donations for October.

Our birthday calendar will

be ready for distribution in December. A special thank you to the Jr. High and High School band students for selling the dates and to all the advertisers. This was a big fund raiser for us in the past and is proving to be again this year.

Our spaghetti supper will be Thursday, December 16th preceding the band's Christmas Concert. We look forward to seeing you all there. The tickets will go on sale for this event at the end of November so you can plan ahead to attend the supper and concert. It will be a wonderful way to start the Christmas celebrations.

Our sincerest thanks,
The Band Boosters.

Basketball Club To Be Organized

Dear Parents,

We are organizing a basketball ballhandling club with the 1st through 5th grade children. We would like for your child to participate if he/she is interested. We are practicing on Fridays during their P.E. time. We will be performing during the halftime of the Jr. High and High School basketball games. Our goal is to build interest among the participants and to support our basketball teams. In the near future a schedule will be sent home with your child. If you have any questions please call me at 387-5441.

Sincerely,

Kaye Hufstедler

Admission to all High School games is \$2 for adults, \$1 for students. Admission to all Jr. High games is \$1 for adults, \$.50 for students. Participants will get in free to the ball games.

We will have sent this letter out on Monday, Nov 15th. If your child did not make it home with this and has been practicing please contact Kaye Hufstедler immediately at 387-5441. We will need to get a parent release form signed so he/she can participate. These forms will need to be turned in no later than Friday, November 19th.

Card of Thanks

While I was in Shannon hospital in San Angelo, I received numerous cards, flowers, visits, and prayers. I would like to thank my friends

and family for their support and love. I would also like to thank the doctors & staff at Shannon.

Rosa Elena Sanchez.

Fall Festival Frolics

Jordan Anderson and Claire Thorp are shown here dressed up for the Fall Festival.

Kamrie Holekamp is shown here at the Fall Festival with her mother Gina Hoelkamp.

Freelance

Philosophy

I read about an election that was held in Columbus, Ohio. The election was a lead pipe cinch. George Carr and Theresa Kinsell were unopposed in running for the county Democratic committee. Each of them needed only one vote, but not even the candidates voted so they both lost.

Maybe they should have read the little poem I found about Grandmas.

Where Have All The Grandmas Gone?

In the dim and distant past,
When life's tempo wasn't fast,
Grandma used to rock and knit,
Crochet, tat and baby-sit.
When the kids were in a jam,
They could always call on "Gram."
In that day of gracious living,
Grandma was the gal for giving.
but today she's in the gym,
Exercising to keep slim,
She's off touring with the bunch,
Or taking clients out to lunch.
Going north to ski or curl,
All her days are in a whirl.
Nothing seems to stop or block her,
Now that Grandma's off her rocker!!!

I have heard many times that so and so is "off his/her rocker." When people don't do or say what we have deemed "right" we can be quick to criticize. Some of the people that are so eager to find faults in others are the ones who do nothing else. It might seem more comfortable to just sit back and watch the world go by. It may not be as dangerous to rock along as it is to speak up and make changes.

Maybe some of us have been on our rockers for too long.

Until the next time,
May God Bless
GCS

Auxiliary Celebrates 40 Years

The Lillian M. Hudspeth Memorial Hospital and Nursing Home Auxiliary celebrated its 40th Anniversary Monday, November 8, 1993. Twenty-eight ladies were in attendance at this meeting and on April 13, 1953 officers were elected and were installed on May 4, 1953. Elected were Mrs. Joe M. Vander Stucken - President, Mrs. Dan Cauthorn - Vice-President, Mrs. Joe Hull - Secretary, Mrs. Lawrence Nichols - Corresponding Secretary, Mrs. Alvis Johnson - Treasurer, Mrs. J.F. Hamby - Parliamentarian. The meeting was held at the home of Mrs. Roy E. Aldwell. The constitution and bylaws were ratified on June 14, 1953.

Pictured here are Ruth Shurley, past president, Brigitte Rogers, president, and Lura Sawyer, 2nd vice president of the Women's Auxiliary.

Through the years the Auxiliary has been responsible for the promotion of excellent health care for Sutton County by their constant attention to the Hospital and Nursing Home needs and their willingness to support efforts to supply the latest medical equipment.

The Auxiliary welcomes any contributions any person or family wishes to make in order to further the goals of improving the Hospital and the Nursing Home. The sole money raising function that the Auxiliary sponsors is their annual Game Night. Funds raised by this activity are used in their entirety to provide Medical Scholarships for Graduating Seniors of Sonora High School.

The officers for the year 1993/94 are Mrs. Brigitte R. Rogers - President, Mrs. Vicenta Lopez - First Vice-President, Mrs. Lura Sawyer - Second Vice-President, Mrs. Wilma Jones - Recording Secretary and Mrs. Metha Trainer - Treasurer.

The Auxiliary 40 years later is still a wonderful organization doing worthwhile work for their community. All interested citizens of Sonora are invited to join and help to continue this work.

The first wedding in the White House was that of Dolley Madison's sister, Mrs. Lucy Payne Washington, who married Supreme Court Justice Thomas Todd in 1812.

A small man can be just as exhausted as a great man.
—Arthur Miller

Cub Scout Bake Sale Held

On Saturday, November 6th, Pack 19 Cub Scouts held a bake sale at Food Center. The scouts' mothers outdid themselves in preparing a wide variety of delicious sweets, from pies and cakes, to muffins, cookies and fudge. Their efforts were rewarded with an early sell-out, helping to raise needed funds for the pack's treasury. The Cub Scouts would like to thank Food Center for allowing them to hold the bake sale at the grocery store. A special thanks to Sandie Ainsworth, who served as chairman of the bake sale, and to all who supported Cub Scouting by making a purchase.

This Saturday, November 20, "Scouting for Food" will take place from 9:30 a.m. to Noon. The scouts will go door-to-door in Sonora, asking for donations of non-perishable food items, such as canned meats, fruits and vegetables, and flour, sugar and dried milk. All food collected will stay in our community, to be distributed by area churches. Please remember to have your food ready on Saturday morning to support this worthwhile effort!

Bauldree Directs Deer Distribution Program

A deer distribution program, conducted under the auspices of the Sonora Ministerial Alliance, will this year be directed by Boy Scout Timmy Bauldree as his Eagle Scout service project. Persons who would like to receive a deer may call Bauldree at 387-3060, or call Justice of the Peace Adelita Smalling at 387-3322. The deer delivered through this program will not be processed, only field dressed. Processing the meat will be the responsibility of the recipient.

Landowners or outfitters whose game management

program requires them to harvest a number of doe deer this season are encouraged to bring the deer to the Branding Iron for distribution. Most deliveries are made on Tuesdays.

Last year 84 deer were distributed to individuals or families in Sonora through this program. It is hoped that through the generosity of landowners and hunters, and equal or greater harvest can be shared with our community this season.

The Indians introduced the Pilgrims to popcorn in 1630.

Ask The Historical Society EDSP Workshop To Be Held

Main Street, Sonora, Tx before the 1928 fire. Buildings damaged in the fire were on the right side of Main Street. You can see the sign for Rutledge Cafe.

by the Sutton County Historical Society

Q. Do you have any information on the 1928 fire?

A. Devil's River News, May 4, 1928 -- Fire, caused from the explosion of a stove in the rear of the Rutledge Cafe, Monday night at 11:30 did \$35,000 damage to five business houses in the heart of the business section. The Rutledge Cafe was completely burned with the loss to the owner of approximately \$3,000 with \$2,000 insurance.

Mr. Rutledge lost fixtures valued at \$3,000 while he has \$1,800 insurance. Mr. Mayfield has not decided whether he will build or sell the lot. Should he decide to build, he will erect a fire-proof building.

Gilmore Hardware, next door to the cafe stood a loss of \$3,000 in the burning of their tin shop in the rear of the hardware store. A rock wall saved their stock and building from flames.

The City Market building owned jointly by H.P. Cooper and Theo Savell was not insured, losing approximately \$15,000. Mr. Cooper who operated the market, carried insurance in the sum of \$2,000. He estimates his loss at \$5,000. \$1,000 worth of meat was put in refrigerators the day of the fire.

The J.W. Trainer store,

known as the Friendly Store, was the biggest loss. He estimates his loss at \$15,000 with only \$3,000 insurance. This building was owned by Theo Savell. Mr. Savell has not announced whether or not he will rebuild, but it is believed that he will erect a modern fire-proof building.

E.S. Long, proprietor of the Long Barber Shop, lost and was damaged to the extent of about \$500. The fire was checked before heavy damage was done.

Sites Motor Company was well protected from the blaze by the A&W Drug Store new building of tile and brick. They state their loss was very little. However, it will require time to straighten the stock as it was moved into the street when the fire reached its height.

The A&W Store owned by Misses Allison & Wardlaw was slightly damaged by smoke but not enough to hurt.

The alarm was given by night watchman J.K. Lancaster at about 11:30 and at 12 the fire was under control.

Had it not been for an extra still night with no wind, Sonora would have suffered a \$100,000 loss, it is believed.

Everyone complimented the fire boys in their hard fight to check the flames, and they did

exceedingly well. The fire truck from Ozona started to the rescue but a burned bearing three miles from town halted it.

We do not have any pictures on file of this fire but if anyone has one we sure would appreciate a copy of it for our files.

If you have any questions concerning Sutton County history send them to "Ask the Historical Society" P.O. Box 885, Sonora, TX 76950-0885 or give one of our researchers a call at 915-387-5144.

An Economic Development Strategy Planning Workshop will be held Friday, November 19, 1993 at the First National Bank of Sonora, 101 N.E. Main in downtown Sonora. It will be from 9:30 a.m. to 3:30 p.m. Economic Development is a critical concern for everyone. In an effort to develop a regional strategy for economic revitalization, State Representative Bob Turner has invited experts from throughout the state to facilitate this workshop.

This is a unique opportunity to be exposed to some of the finest economic development specialists working in the field today. Everyone is strongly urged to attend, and feel free to bring anyone you think might benefit from this workshop.

There will be no fee or tuition, and the workshop is open to anyone who wants to attend. A dutch treat lunch will be offered on-site.

Refreshments will be provided during the breaks courtesy the First National Bank of Sonora. For more information, please call Sonora City Manager John Pape or City Secretary Becky Covington at (915) 387-2558 during regular business hours.

The schedule for the workshop will be as follows:

9:30-9:45 - Opening remarks, Welcome, Introductions (State Representative Bob Turner)

9:45-10:00 - What we hope to accomplish with this planning session (Mr. John Pape, City Manager, City of Sonora)

10:00-10:30 - Preparing for the future, helping establish realistic goals and how to arrive at them (Mr. Dennis Engelke, Texas Rural Electric Cooperatives, Austin)

10:30-10:45 - Break.

10:45-11:30 - Panel, A utility company's perspective for developing the economy of Rural and West Texas (Mr. David Scott, WTU, Abilene) (Mr. Dennis Engelke, Coop's Austin) (Representative GTE)

11:30-12:00 - Role of the Regional Planning Commission in support of community development (Mr. Troy Williams, Concho Valley Council of Governments, San Angelo)

12:00-1:00 - Lunch, visiting time.

1:00-1:35 - Agriculture/Agri-Business potential for development in West Texas (Mr. Ken Cook, District Extension Director, San Angelo) (All county extension agents in participating counties)

1:35-1:45 - Agricultural

economics in rural development (Mr. Joe Pena, Ag Economist, Extension Service, Uvalde)

1:45-2:15 - Overview of growing your own industry (Ms. Judy Wilhelm, Small Business Development Center, Abilene) (Ms. Patty Tenorio, Texas Rural Communities, Austin)

2:15-2:30 - Break.

2:30-3:10 - Overview of support and assistance available from state agencies (Mr. Bob Melton, Mr. Richard Viktorin, Texas Department of Commerce) (Ms. K.T. McLeaish, Comptroller of Public Accounts, Austin/Odessa)

3:10-3:30 - Open discussion, questions from group to program presenters.

3:30 - Closing Remarks (Rep. Bob Turner & Mr. Dennis Engelke & John Pape - Where Do We Want To Go From Here?)

Don't talk unless you can improve the silence.

—Vermont Proverb

EMS'ing Around

by Marla Duplantis

On November 1st, our monthly business meeting took place. Nominations for the Gene West EMT of the Year Award were made and the nominees are as follows: Keith Butler, Jody Luttrell, and Treva McReynolds. Every year this award is presented to an outstanding member of our organization, in order to keep Gene's memory, our growth, and various accomplishments alive. This is a highly coveted award for many reasons, but keep in mind that the winner is chosen by their peers. This award will be given out at our annual Christmas party. Good Luck Keith, Jody, and Treva!! We are all proud of you!

There is a very important apology I need to make, one that could really make a difference. In one of my previous articles, I mentioned a conversation with a hunter. He was inquiring about using a cellular phone, dialing 911, and gaining access to EMS. Well, recently it has come to light that by doing this, you are more than likely going to get connected to a San Angelo dispatcher. Not to say that using 911 is incorrect, it would just take longer for the message to be relayed to the local authorities. The best thing to do is to call the Sheriff's Office at 387-2288 and request assistance. Now, for you folks in town and surrounding, please continue to use 911. I have made mention of this topic, because sometimes those few extra minutes, can be the difference between life and death! So, please inform your out of town hunters and guests. And ranchers take note.

My topic for this week is "Safety Traveling During Holidays." Soon excitement makes us all run around in many different directions, especially before a trip. So here are a few tips, we don't need a "Home Alone" in Sonora!! Pre trip your vehicle; check for leaks, loose belts and such. Make sure your oil is changed regularly and consider changing your oil and air filters, especially on long trips. You should check for adequate brake fluid, antifreeze, power steering fluid, and windshield wiper fluid. It's always a good idea to plan ahead so, get gas the day before your scheduled trip and complete all of your packing at this time. Keep a running list of "To Do's".

It's also advisable on long trips, to plan your route ahead of time, and to let the people you are visiting, know your route and approximate time of departure and arrival. To keep the kids busy, try the little travel size games, and the old time favorite, colors and coloring books. (you know the ones you dig out in 100 degree heat 6 months from now!!) It's a good idea to pack along snacks and make frequent pit stops. Fatigue is the biggest danger we face, and here are a few hints on undermining that culprit; don't overeat, it can cause drowsiness. Don't allow yourself to get bored, roll down all the windows, or better yet, stop, get

out and do jumping jacks! Or, better yet, walk 50 feet from your vehicle, then run back!! Get the heart pumping, blood flowing, and adrenaline going! "I'll look like an idiot you say?" Probably, but I'd rather be an ALIVE idiot, than a dead embarrassed person! Women take EXTRA precautions, and for those who will be traveling in very large cities - BE AWARE, CARJACKING is on the rise! These are sadistic people who will maim you or kill you for your car. So, let's stay alert out there!

Every article or so, I'm going to highlight one of our EMT's. I'm delighted to write about this person in particular. I enjoy working with her and in general just being in company with her. She is Donna Keese. Donna has been an active member of Sutton County EMS since March of 1984. She was the recipient of last year's EMT of the Year Award. She is a full time office technician at the EMS building. She is an American Heart Association CPR Instructor, a Texas Dept. of Health Lecturer, skills instructor, and examiner. She has unselfishly put in numerous hours training others, and is always willing to give of herself and her time. She can be a strong leader or a compassionate follower. All the things that make a wonderful EMT! We are all proud to serve with you Donna! Donna is married to George Keese, a firefighter and an EMT. She has a son named Jimmy, and a daughter named Dawn. They are lucky to have her. Ironically, I am lucky too, she is my sponsor! Until next time, stay healthy and safe!!

Elizabeth Taylor changed costume 65 times in the 1953 film "Cleopatra."

The first electric razor was marketed in 1931.

FCBT Report

The Farm Credit Bank of Texas (FCBT) and the 66 Federal Land Bank and Production Credit Associations in the Tenth Farm Credit District today reported combined net income of \$76.3 million for the nine-month period ending September 30, 1993, compared with net income of \$21.8 million for the same period a year ago.

Arnold R. Henson, FCBT chief executive officer, attributed the \$54.5 million increase in earnings to several factors: lower funding costs, reduction in nonearning assets, successful collection efforts, a decrease in loan loss reserves and a \$6.9 million increase in net gains on the sale of acquired properties. Also contributing significantly to the increase in earnings was a \$20 million charge incurred in 1992 to comply with changes in how postretirement benefits are reported. Discounting the one-time charge, the district's net income was up \$34.5 million over the first nine months of 1992.

Combined loan volume on September 30, 1993, was \$3.61 billion, a net increase of \$54.6 million or 1.54 percent, from year-end 1992. Henson said improvements in the district's real estate markets and favorable lending rates led to the increase in volume.

Highlights of the third quarter and first nine months 1993 financial results also include:

- Nonaccrual loan volume at quarter-end totalled \$105.7 million, down from \$145.0 million at year-end 1992.

- Acquired properties declined 22 percent during the period, to \$66.3 million.

- Capital remained strong at \$786.2 million on September 30, 1993, compared to \$694.8 million at year-end 1992.

- Total assets remained relatively stable at \$4.3 billion during the period.

- The affiliation of Northwest Louisiana Production Credit Association with the

district was completed on September 30; however, because of the timing, none of the association's third quarter activity is reflected in the district's results. The association has approximately \$46 million in loans outstanding in 11 northwestern Louisiana parishes.

"We're very pleased with these results," said Henson. "The strong earnings have helped strengthen our capital position and provide us with the ability to continue to meet the credit needs of agriculture in our five-state region."

The Tenth Farm Credit District comprises the Austin-based Farm Credit Bank of Texas; 48 Federal Land Bank Associations in Alabama, Louisiana, Mississippi and Texas; and 18 Production Credit Associations in Louisiana, New Mexico, and Texas.

Nationally, the Farm Credit System reported combined net income of \$286 million and \$971 million for the third quarter and first nine months of 1993, respectively, as compared with restated combined net income of \$257 million and \$701 million for the same periods of the prior year.

You can't think and hit at the same time.

TIPS ON STAYING SAFE AND SOUND WITH NATURAL GAS.

For more than 80 years, Lone Star Gas has been providing safe, dependable energy to its customers. By following a few simple rules, you can help make sure you and your family stay safe and sound with natural gas:

- Always have qualified service people install, regularly check and maintain all gas heaters and appliances, following the manufacturer's instructions for installation, ventilation, and operation.
- Always use a gas appliance only for its intended purpose. An oven, for example, should not be used to heat a room.
- Always keep flammable materials and substances away from gas heaters and appliances. Remember, a pilot light is constantly burning.

IF YOU SMELL GAS in your home, or know you have a gas leak, follow these rules:

- 1 Everyone should leave the house immediately, leaving the doors open for ventilation.
- 2 Do not switch anything electrical on or off.
- 3 Do not use your telephone (telephones use small amounts of electricity).

4 Do not strike a match or do anything else that might cause a spark.

5 Go to the nearest telephone and call Lone Star Gas Company. Wait until we have found the cause of the gas leak before returning to your home.

If you smell gas while you're outside, contact Lone Star Gas immediately.

CONTRACTORS, BEFORE YOU DIG, call your local Lone Star Gas Office, and we'll help you avoid any potential problems.

SAFETY TIPS. We've put together a brochure that includes safety tips designed to educate your whole family about the proper usage of natural gas. For a copy, or if you have any questions, call us at 1-800-545-3427.

Lone Star Gas
Safe energy for your home, naturally.

TSTC Attended By Sonora Students

Attending the TSTC, on Saturday, October 23, were Casey Fitzgerald, Curt Dempsey, Sam Odom, and Daniel Grubbs. In Division II (small school) 11th grade, Casey placed 4th in Calculator Applications, 4th in Science, 8th in Number Sense, and 8th in Mathematics. In Division II 10th grade, Curt placed 3rd in Science, 4th in Number Sense, and 10th in Math; Sam placed 8th in Science. The boys also attended a math workshop and laser demonstration.

in San Angelo on Saturday, November 13, was Casey Fitzgerald, David Davenport, Casey Thorp, Curt Dempsey, and Andy Mirike. In Division II, 11th grade: Casey Fitzgerald placed 2nd in Calculator, 4th (tie) in Science, 5th in Mathematics; David took 3rd in Number Sense and 4th (tie) in Science; Casey Thorp placed 2nd in Science. In Division II 10th grade, Curt placed 1st in Science, 3rd in Math, and 5th in Number Sense. Congratulations!!

Love Named Mary Kay Ind. Sales Director

Linda Love of Sonora, Texas, has achieved the position of independent Sales Director for Mary Kay Cosmetics, Inc. As Sales Director, Linda will provide training, guidance, leadership and motivation to other Mary Kay independent beauty consultants.

Linda joined Mary Kay in October 1992 as an independent beauty consultant. The position of Sales Director is a direct result of sales and recruiting accomplishments. There are more than 5,000 Mary Kay Sales Directors.

In preparation for the new position, Linda attended a weeklong training seminar at Mary Kay's international headquarters in Dallas. The

sessions provided training on produce knowledge, sales techniques, business management and fashion trends.

Mary Kay Cosmetics, Inc., listed in the book, The 100 Best Companies to Work for in America by Robert Levering and Milton Moskowitz, topped \$1 billion in retail sales in 1992 and debuted as a Fortune 500 Company in 1993. As the largest direct-seller of skin care products in the United States, it manufactures and distributes more than 200 premium skin care, glamour, hair care, body care, nail care, sun protection and fragrance products through a sales force of more than 300,000 in independent beauty consultants in 19 countries worldwide.

THE TOWN & COUNTRY DIFFERENCE

HEALTHY TIPS FOR HEALTHY BODIES

by Doris Samaniego, Registered Massage Therapist
Whole Body

A whole body massage can be a wonderfully nourishing and relaxing experience. It is good for the body and soul. The over all benefits of a massage, improves circulation, smoothes nerves, and relaxes muscles. It also gives a general sense of well-being and is a great way to maintain good health. Massaging the whole body enhances body awareness, gives us a more complete body image and helps us feel more whole. When we give in to the stresses and strains of life, then often a massage can help restore the harmony that we have lost.

Neck, Shoulder And Upper Back

The head, shoulder and neck are a busy junction where a great amount of activity takes place. Major blood vessels in the neck link the body to the head. The spinal nerves travel through the vertebrae of the neck and on down the spine, carrying messages between the brain and all other parts of the body. The throat houses the voice box, as well as the passages for food and air. The widest range of movement in the body is in the shoulder joints and neck. These areas are easily strained by overuse. Strains can be caused by unwise lifting or sudden jarring movements. When we are under stress, it is the shoulder and neck muscles that tend to hold tension the most. This area links with the throat chakra, which relates to the expression of feelings via arm or body movements, or through the voice. "Heart" feelings are also expressed through the arms. When we bottle up our feeling we actually tighten muscles in the throat, shoulder and chest area to hold them in. "Startle Reflex" being the posture when we galvanize ourselves to meet some real or imagined threat, also tense raised shoulder can reflect fear. For all these reasons this area (neck, shoulder, and upper back) often causes us great discomfort.

Public Notice

The Lower Colorado River Authority

provides this notice that on November 3, 1993 it filed a Petition to Reconcile Fuel Revenues and Expenses with the Public Utility Commission of Texas (PUC or Commission). The LCRA's Petition will affect all of the LCRA's wholesale and retail customers throughout the LCRA's service area. The LCRA seeks final reconciliation of \$355,029,271 in fuel expenses incurred during the period beginning June 1, 1990 and ending May 31, 1993.

Persons who wish to intervene in the proceeding or comment upon the action sought should contact the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Austin, Texas 78757, or call the Commission's Public Information Office at (512) 458-0256 or (512) 458-0221 (telecommunications device for the deaf).

Don't Let Stains Ruin Your Holiday Fun And Finery

(NAPS)—According to a national survey of 1,035 adults conducted by National Family Opinion Research, Inc., more than one out of four survey respondents say that stain mishaps occur during a particular holiday. Of that group, 79 percent say that stains occur most often at Thanksgiving, Christmas and Hanukkah holiday gatherings. Top holiday stains are beverages (30 percent), gravy (23 percent), grease (22 percent) and general food stains (21 percent).

Whatever your laundry problem, the experts at the WISK® Washline will help you spend less of your holiday time at the washing machine and more of it celebrating with family and friends. Here are some of the toughest holiday stains and tips to help get them out:

• **Turkey Grease and Meat Juice:** Dampen stain. Rub with dual-enzyme detergent (e.g. Double Power Wisk® or Wisk® Powder) and wash in hottest temperature safe for fabric. Make sure stain is completely removed before drying in the dryer or ironing.

• **Gravy:** If there's any solid material on the surface, gently scrape up as much as possible. Presoak the fabric in an enzyme detergent for 30 minutes before washing in hottest water safe for fabric. Remember, always test for colorfastness.

• **Wine:** Sponge or soak stain promptly in cool water. Then, while still wet, rub detergent directly into any remaining stain. Launder in hottest temperature

safe for fabric using bleach safe for fabric. For older stains, presoak in an enzyme detergent. (Applies to coffee, tea, soft drinks, alcoholic beverages.)

• **Chocolate:** Soak in a detergent containing enzymes and water for 30 minutes. If stain remains, presoak overnight in an enzyme detergent. Then wash in the hottest temperature safe for fabric. If stain persists, rewash using a bleach safe for fabric.

Whenever you have a stain mishap, always tackle the problem immediately, read garment care labels and follow instructions on the detergent package. And remember, air-dry treated and washed items since some stains are not visible when wet and heat from machine drying may set them.

For expert advice on getting out difficult stains and to receive a FREE laundry guide, call the toll-free WISK Washline (1-800-ASK-WISK), Monday through Friday, 9 a.m. to 5 p.m. EST.

AMGA To Host Field Day

Region III of the American Meat Goat Association will host their first semi-annual field day Saturday beginning at the Matt Brown Ranch in Eldorado at 9:30 a.m.

The tour of the Brown Ranch will be followed by a tour of the James Barton Ranch in Sonora beginning at 1:30 p.m. A free goat-meat dinner with all the trimmings will be held following the field day at 5:30 p.m.

"This day is purposely designed to give all who attend a chance to visit one-on-one with meat goat producers," said AMGA Secretary Treasure Kay Keen, "and become more aware of the objectives of meat goat production."

For more information or directions call (915) 387-3003 or 853-5704.

Pictured here is Reece Simpler who placed third in the Kumite Sparring Beginning Level of 10-11 year olds.

Karate Bash Held

Saturday, October 16, Reece Simpler attended the Pat McDaniel's sixth Annual Key City Karate Bash '93. The event was held at Mann Middle School in Abilene, Texas. San Angelo, Abilene and surrounding towns were invited to participate in this tournament. Reece competed in Kumite Sparring Beginning Level of 10-11 year olds. There were

approximately 18 orange and white belt students competing in this level of competition. Reece was the only white belt to place, finishing third in the final bout.

Reece's instructor is Walter Bryant from the Karate Institute of San Angelo. Mr. Bryant instructs students of both Sonora and San Angelo.

A baseball rule in 1908 prohibited pitchers from soiling new baseballs.

Garland Gregg To Visit Sonora

Garland Gregg, representative for the San Angelo Social Security Office, has scheduled his December visit to Sonora. He will be at the Sutton County Courthouse on Thursday, December 16th, between 9:30 a.m. and 10:30 a.m.

Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at this time.

In appreciation of all the support from my customers, I will be having a store-wide sale. Everything in the store is 10-50% off. The Sale will run from November 22nd--27th. We will be closed Thanksgiving Day.

Have a safe and happy Thanksgiving.
Thank you for all your support.

Tryon Fields is radioing directions to volunteers who helped at this year's game dinner.

Jordan's Market Report

November 11 and 15, 1993

Receipts totaled 2946 head. Buyer attendance was good with selective bidding. Some cattle were up, some steady and some down, with the market being very uneven. The real light weight choice type and crossbred type steer and heifers remaining steady while some 425 to 500 lbs steers went steady to \$1.50 lower. Bull yearlings sold \$2 to \$4 lower. The medium to heavy weight heifers sold \$3 to \$5 lower in a very exotic trade. High feed cost and feedlot reading capacity have put pressure on the feeder trade. Some plainer type longhorn and dairy type along with real shorties are really getting unmerchandise. The better packer cows sold steady to \$1 to \$2 higher. Bulls sold steady to \$1.50 lower. Stocker cows and pairs and bred heifers all sold steady to strong.

Rep Sales	Location	Price
1. Dan Davidson	Ozona	10 Bwf St 686 @ 79.00 = \$541.94
