## Caverns To Bring Play To Theatre

Exciting things are happening here in Sonora. This summer, the Caverns of Sonora are bringing an exciting new play to the Covered Wagon Dinner Theatre.

Imagine Reba McIntire singing a Mozart opera, or Beverly Sills in a country duet with Garth Brooks.

Clashing musical styles provide part of the comedy in MELODY HALL, the summer musical scheduled to open July 8th and run on the 9th, 15th, 16th, 22nd, 23rd, 29th and 30th in Sonora at the CAVERNS OF SONORA.

The two act play features original country-western music, plus some tuneful tributes to the classics, all performed by members of the cast.

MELODY HALL is about a country western singer, R.J. Hall, who inherits a Victorian mansion in Massachusetts. The only inhabitants are Becket, the butler, his daughter, Jane, and the ghost of Melody Hall, an ancestor of R.J. who died 70 years earlier when she fell down a flight of stairs.

R.J. announces that he plans to sell the mansion and use the money to produce a record album. Meanwhile, he needs a female vocalist in order to get his band "THE NASHVILLE CORRAL," a job playing at a local

The Nashville Corral- (L to R) Larry Edwards, Jeff McGuire, and Hollywood Heard

nightclub.

He persuades Jane, a classically-trained recital singer, to join his all-male trio.

Once the boys have taught Jane to drawl properly, R.J. is dismayed by the audience's enthusiastic response to Jane, who provides the band with the spark it has been missing.

Jealous, R.J. quits his own band to become a soloist. It takes some ghostly maneuvering by the late Melody Hall to bring Jane and R.J. back together.

The cast include Tim Forrester (Director), Nancy McCollum as Melody Hall, Ralph Jernigan as Edward Hall, Sarah E. Sherrod as Jane

Becket, Jeff McGuire as Cal, Hollywood Heard as R.J. Hall, Larry Edwards as Andy, and Ron Reiner as Leland Becket.

Director, Tim Forrester expects audiences from all of the surrounding area. The play has had a very successful run in San Angelo and the cast aspires to take the show to Branson, Missouri, after their performances here.

## District Governor Visits Lions

District Governor, Henry Goulet visited the Sonora Noon Lions Club on Tuesday, March 15. District Governor Goulet gave an outstanding speech. He was accompanied by his wife, "Ginny".

Governor Goulet, a Midlander since 1944, was born in Fall River, Massachusetts.

He enlisted in the U.S. Army Corps in January 1942 as a private and retired with the rank of Lt. Colonel in April 1970 from the U.S. Air Force Reserves.

He established his furniture refinishing business in 1947 which he continues to operate to this day.

Henry and Region One Chairman Lion "Ginny" were married in September of 1975. They both are active in St. Ann's Catholic Church in Midland where they both serve as readers, commentators and communion ministers. Henry was active in Midland Community Theatre from 1947 to 1988 in various capacities from stage hand to actor. He was also active in ballet in Midland.

He was elected Midland County Commissioner in November 1992. He was sworn into office in January 1993.

Lions District Governor Henry Goulet and wife "Ginny" visit with Noon Lion's Club President Charles Graves.

Henry is a member of Midland Northside Lions Club and has been a Lion since October 1986.

On the Club Level he has

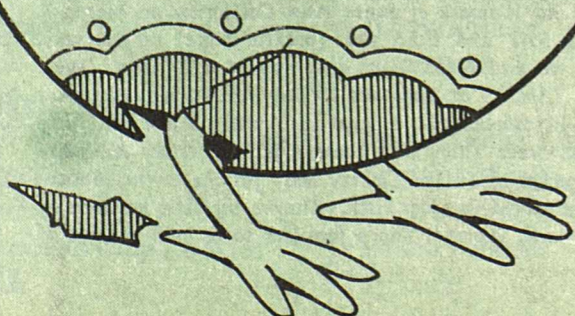

served as chairman of various committees, member of the Board of Directors, Vice President and President. On the District Level his service

has included Zone Chairman, Region Chairman, USA/Canada Forum District Chairman, Lt. Governor and District Governor.

## Torivio R. "Chico" Chavez

Torivio R. "Chico" Chavez, 85, died Friday, March 11, 1994, at his residence.

Services were held Monday at St. Ann's Catholic Church with burial in Sonora Cemetery, directed by Kerbow Funeral Home.

He was born April 16, 1908, in Sonora. He was a retired maintenance worker and a member of St. Ann's Catholic Church, the Guadalupanas and LULAC.

Survivors include his wife, Juanita S. Chavez of Sonora; six sons, Torivio Chavez of Houston, David Chavez and Dennis Chavez, both of San

Jose, Calif., Augustine Chavez of San Diego, Calif., and Gilbert Chavez and Ruben Chavez, both of Santa Cruz, Calif.; a daughter, Elida Chavez of San Diego; two brothers, Sebero Chavez of West Covina, Calif., and Gilbert Chavez of San Angelo; seven sisters, Rosario Garza of San Angelo, Erminia Martinez and Lynda Trevino, both of Bakersfield, Calif., Susie Bermea and Olga Gomez, both of San Jose, Nellie Buendia of Selma, Calif., and Anita Urias of Fort Worth; 16 grandchildren and six great-grandchildren.

## Steven Mark Baxter

Steven Mark Baxter, 27, of Vancourt died Saturday, March 12, 1994 at his residence. It is not known how the life of one could touch so many.

Funeral services were held at St. John's Episcopal Church in Sonora, TX at 3 p.m. on Monday, March 14, 1994. Burial followed in Sonora Cemetery, directed by Kerbow Funeral Home.

Steve was born on July 2, 1966, in Abilene, TX. He attended Abilene Cooper High School and graduated from Texas Aero Tech on July 22, 1991. His love of flying and airplanes knew no bounds. He spent countless hours flying with his father and passing his love of airplanes down to his son.

Survivors include a beautiful son, Mark Wesley Baxter, who adored him; his loving wife of six years, Claire Davis Baxter; his mother, Betty Baxter of Arlington; his father Richard Baxter of Anson; two sisters, Teri Vestel and husband, Rick, of Abilene, and Donna Satterfield of Midland; his grandmother,

Pauline Moss of De Soto; his mother and father-in-law, Mr. & Mrs. Birl V. Davis of Duncanville; a brother-in-law, Bryan Y. Davis and wife, Cyndi, of San Antonio; a sister-in-law, Lillie Davis of Duncanville; grandmothers-in-law, "Mama" Madge Davis of Sonora and Lois Young of Duncanville; and many aunts, uncles, nieces, and nephews, and numerous other relatives and friends, all of whom he loved very much.

Pallbearers were Bryan Y. Davis, Rick Vestel, Curry Campbell, Mike Satterfield, Clint Simmons, Wesley Young, Shane Fleming and David Bray.

Memorials may be sent to the American Heart Association.

From the first day that God blessed us with his presence, Steve always had a smile and kind words for all. He was a man who gave all he had and never asked for anything in return. He was a loving husband and wonderful father to his family. He will be greatly missed.

## Harris Reports For Duty

Marine Lance Cpl. Jayson S. Harris, son of Billy S. Harris of 413 Martin, Sonora, Texas, recently reported for duty with Marine Aviation Logistics

Squadron 13, 3rd Marine Aircraft Wing, Marine Corps Air Station, Yuma, Ariz.

He joined the Marine Corps in July 1992.

# Kelly's Column

The ongoing theme for National Nutrition Month, EAT RIGHT AMERICA is a call to action by the American Dietetic Association that challenges Americans to take charge of their nutrition habits.

For 1994, the EAT RIGHT AMERICA campaign will focus on the theme "Nutrition Fuels Fitness." Let's not forget that eating is fun and keep it that way.

The social aspects of eating are important. The Japanese even have an additional guideline recommending that people "make all activities pertaining to food and eating pleasurable ones." If traditional foods important to your cultural and ethnic heritage are high in fat or sodium, try using lower fat and lower sodium versions or just eat smaller portions. Take time to enjoy meals with your family and friends. Try new foods and preparation methods--you may discover new favorites! Making eating pleasurable as well as healthful promotes a feeling of well being.

Some points to keep in mind when using the dietary guidelines are as follows:

The Dietary Guidelines apply to your total diet, not just one food, one meal, or even one day, but all food

choices over time.

The Dietary Guidelines work together to help you choose a healthy diet. Choosing a diet with plenty of vegetables, fruits, and grain products will help you lower your fat intake. A diet low in fat and moderate sugars (and alcohol, if you drink) will help you maintain a healthy weight. Choosing foods with less fat will make room for calories from the variety of foods you need to get enough protein, vitamins, and minerals.

You don't have to give up favorite foods. No single food is "good" or "bad," by itself. It's how it fits into your total diet that counts.

Balance your choices. Here's an example of balancing fat. If you choose whole milk rather than skim, you can balance your fat intake by saving the calories from 2 teaspoons of fat in your day's meals. For instance, skip the sour cream or butter on a baked potato. If you enjoy ice cream, have some; just remember to eat lower fat foods at another meal to balance your total fat intake. Other options are to eat less of the high-fat choice or eat it less often or choose a lower fat alternative such as frozen yogurt instead of ice cream.

## Thorp Returns From Meeting

Senior Center Director, Carole Thorp, has recently returned from attending two separate meetings in Ft. Worth and Austin.

At the Directors' meeting of the Texas Association of Senior Centers in Ft. Worth on March 5th, the board discussed funding for senior centers at the national and state levels, the upcoming Joint Conference on Aging to be held in Dallas, April 24th to 27th, and the 1996 JCOA Conference to be hosted by TASC. Present at the TASC meeting were President, Pat DuBois of Mansfield, President-Elect Sandra Huber of Gonzales, Secretary, Virginia Chamblee of Bedford, 2nd Vice-President, Debbie Edwards of Killeen, Treasurer, Jesse D. Moses of Amarillo, Linda Ogden of Eules, Les Matthews of Athens, Carlton Lancaster of Fort Worth, Carole Thorp of Sonora and Barbara Ellis with the Texas Department of aging in Austin.

Carlton Lancaster and Carole Thorp both stressed to Ms. Ellis their concerns with the trend of finances being moved from Senior Center programs and in stead being utilized by Area Agencies on Aging who are now providing Services that have been typically provided for senior citizens by senior centers (such as benefits counseling). They were assured that this was not T.D.O.A.'s intent and that their concerns would be taken back to the board members. Mr. Lancaster went so far as to "beg" TDOA to "not rob Peter to pay Paul" by cutting funding for senior center operations and meals. After all, these are the very programs that provide many senior citizens with their only assistance and access to help

that allows them to remain independent, in their own homes, and making their own decisions about their lives that keeps them healthy, out of nursing facilities and less of a burden financially to our system.

At the statewide TEFAP (Texas Emergency Food Assistance Program) contractors' meeting held March 8th in Austin, Thorp represented the City of Sonora. According to State Director, Sally Griffin, the future for TEFAP commodities is grim to say the least. In a forecast for federal funding for the program for 1995, Ms. Griffin stated that there will be no funding for FOOD, only for administrative costs! There will be some surplus FOOD, but because there is no other surplus food besides dairy products, Butter will be the only item available.

Ronald J. Rhodes Regional Director for Special Nutrition Programs, USDA fielded questions as to the reasoning for funding only the administrative portion of the program. He stated that since WIC is Expanding and Food Stamps will be expanding that should ease the burden and increase accessibility for senior citizens and low income persons. He also stated that USDA is now planning to drastically cut the funding for elderly meals programs as well. The logic behind this is that many legislators feel that since senior meals are provided to all senior citizens regardless of their financial status, that many are "not Poor" and therefore don't need a nutritious meal every day.

If you feel like advocating for these programs, write your congressman!

## Letter to the Editor

Dear Editor:  
I would like to thank the voters of Precinct 4 that took time from their busy schedule to vote in the March 8, 1994 Primary Election. Your vote and support is greatly appreciated.

It is an honor to have been elected County Commissioner of Precinct 4. I will be fair, honest and a hard worker in the best interests of Precinct 4 and our county.

Respectfully yours,  
Belia B. Castaneda.

## Card of Thanks

Thank you for the prayers, cards, and much needed support from all my friends and people who care. Many

thanks to the Lillian M. Hudspeth Hospital and staff, Father Bill and Dr. Pajestka.

God Bless You,  
Minnie Gonzales.

## Card of Thanks

Thank you to all the people that helped me in my election bid for County Commissioner of Precinct 2. Thank you to all of the people that voted for me, and thank you for all the encouragement and help that

many of you gave me. Please let's keep the lines of communication open and together, we will be able to accomplish a great deal.

Thank you again,  
John Wade.

# Freelance Philosophy

When Lion's District Governor, Henry Goulet, visited the Noon Lions this week, he read a poem entitled HUGS. This wonderful little poem bears repeating.

## HUGS

It's wondrous what a hug can do,

A hug can say, "I love you so," or, "Gee, I hate to see you go."

A hug is, "Welcome back again!" and, "Great to see you!" or "Where've you been?"

A hug can soothe a small child's pain

And bring a rainbow after rain.

The hug! There's no doubt about it,

We scarcely could survive without it.

A hug delights and warms and charms,

It must be why God gave us arms.

Hugs are great for fathers and mothers,

Sweet for sisters, swell for brothers,

And chances are some favorite aunts love them more than potted plants.

Kittens crave them. Puppies love them.

Heads of state are not above them.

A hug can break the language barrier,

And make the dullest day seem merrier.

No need to fret about the store of 'em.

The more you give, the more there are of 'em.

So stretch those arms without delay,

And give someone a hug today.

Until the next time,

May God Bless

# Historical Society News

by Joani Lee

JoAnn Palmer, secretary of the Sutton County Historical Society, in previous columns, has stressed to the citizens how important old photographs are to the Historical Society. One man, from reading the columns, realized he had a "treasure" in old photographs. Realizing their significance to the history of Sutton County, he then donated them to the Historical Society. There were over thirty photos, some dating back to 1890.

One picture was the third oldest photo taken of Sutton County known to the Historical Society. Among the photos were several pictures of the downtown area after the 1903 fire. The pictures were taken from two different angles. The existence of these photographs was not known. Also among the photos, there was a picture of the bridge over Lowry Draw (this was a surprise, JoAnn has yet to find any photos of that particular bridge), a picture of Felton's Cave containing a

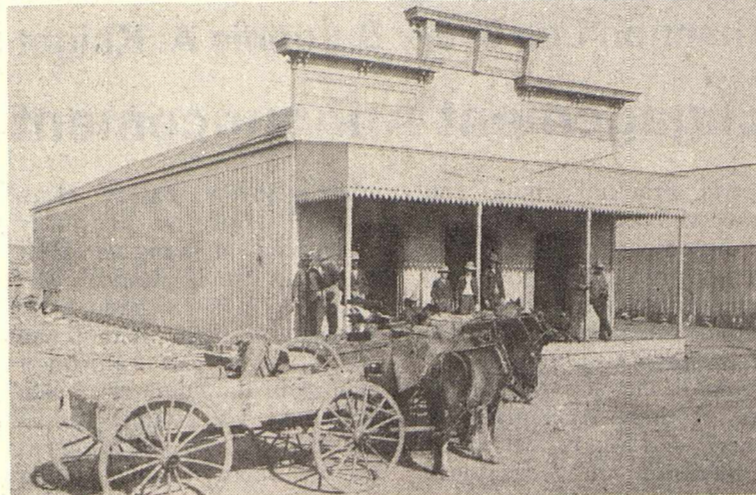

scene never seen before, the interior of the Vander Stucken's Store, several photos of Sonora taken from Eaton Hill, pictures of Main Street before the 1903 fire, the interior of Maude S. Saloon, views of the Dry Devil's River, early day firemen practicing, at least half a dozen Noah Rose photos, a picture of a celebration in June of 1916 and several old postcards with pictures of Sonora when the draws flooded.

Several other pictures of significance to the history of Sonora were found among the throng of photos. They are to be used in future Historical Society columns. If you have any pictures, old or recent, that you don't want or need, the Historical Society can use them. Remember, today's events are tomorrow's history!!

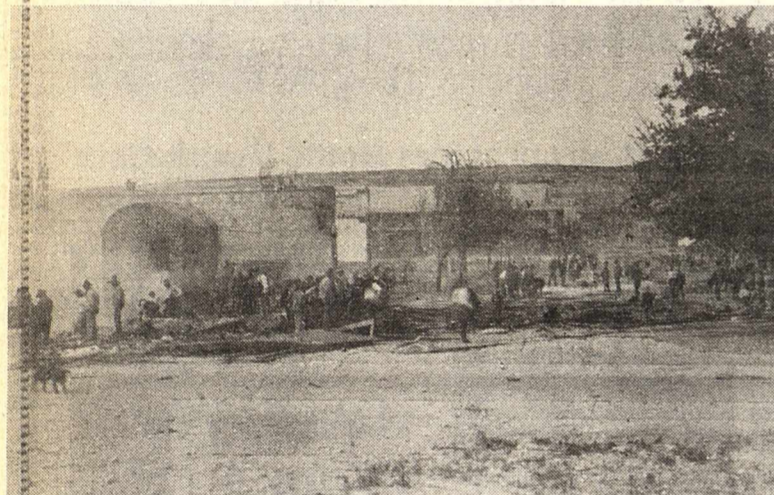

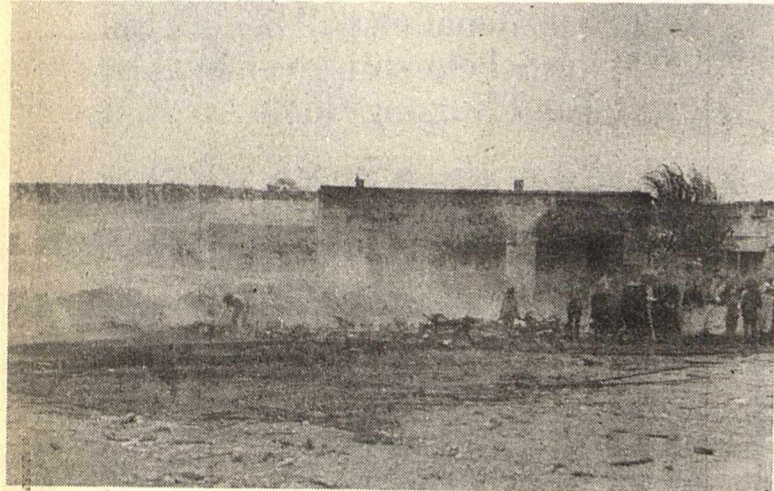

For more information or questions concerning Sutton County's history, please contact the Historical Society at 387-5144.

This picture was taken sometime shortly before 1897. It is a later picture of the Mayer's Brothers store.

This picture was taken in 1890. It is the second oldest picture of Sutton County known. It is of the Mayer's Store which was later to become the Vander Stucken's store.

These two photos were taken after the 1903 fire from angles that it was not known pictures were taken from. The photographer was O.H. Palmer.

## Parents Becoming Unwitting "Dealers"

Parents are becoming unwitting "dealers" in a new drug trade.

Children are sniffing and huffing products found right under our nose: cleaning solvents, hair spray, correction fluid and glue. One in four seventh graders has inhaled legal substances that become toxic with inappropriate use, according to the 1992 Texas School Survey of Substance Abuse, conducted by the Texas Commission on Alcohol and Drug Abuse. Inhalants are four times more popular than marijuana and an estimated 16 percent of fourth graders have tried inhalants.

Because inhalants are easily obtained and legal, they are often the first substance a youngster will try. But the toxic impact of inhalants to the body may be greater than alcohol and other drugs because the body retains the chemical components of inhalants longer.

First time inhalant users have collapsed and died from powerful adrenaline surges that

short circuit the heart. Permanent brain, kidney, liver, lung and bone marrow damage can also develop.

Often, parents and educators are unwitting suppliers, failing to be suspicious when typewriter correction fluid or household glue and solvents disappear. But they can be alert for telltale signs of inhalant abuse: paint on hands, mouth or nose • spots or sores around the mouth • drunk, dazed or dizzy appearance • chemical breath odor • anxiety, excitability, irritability • nausea, loss of appetite • red or runny nose or eyes.

The Council urges you to get involved before your children do. For more information, call the Alcohol and Drug Abuse Council for the Concho Valley at (915) 655-3361. The Alcohol and Drug Abuse Council for the Concho Valley is a United Way Agency funded in part by the Texas Commission on Alcohol and Drug Abuse.

## Tennis Tournament Results

by Sarah Marrs  
On Friday and Saturday, February 25th and 26th, the Sonora Varsity and Junior Varsity traveled to compete in the Eldorado Invitational Tennis Tournament.

In Varsity boys doubles, Jason Morley and Chris Neal defeated Eldorado for the 3rd place position. Bobby Mogford also won 3rd place in Varsity boys singles.

Katie Burge and Candie Sessom lost their first match, but came back and won the second two for a Consolation victory in Varsity girls doubles.

Kenley Black lost to Eldorado, but took a great

second place finish in JV girls singles. In JV girls doubles, Carla Weaver and Sarah Marrs finished 4th, and Brandi Bible and Nikki Claxton took consolation.

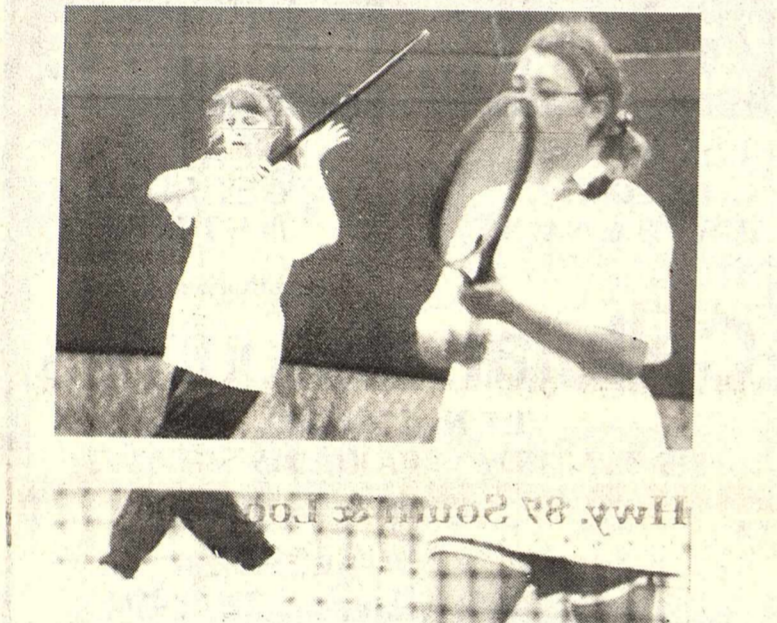

Varsity players that also participated were Justin House and Curt Dempsey, David Fisher, Connie Vaquera, Kristi Burge, Becca Chalk, and Michelle Frye.

JV players included Ed Lee Carrasco, Josh Hunt, Josh Akins, J.R. Sanchez, and Teresa Brown.

The Varsity had a great 3rd place overall finish, and all players are to be commended for their hard work and accomplishments.

Bobby Mogford won third place in the boy's singles division of the tennis tournament held in Sonora on March 12. Congratulations Bobby!

Candie Sessom and Katie Burge are playing in the doubles division of the tennis tournament held in Sonora on March 12. Katie and Candie placed second overall in the doubles division. Congratulations Girls!!

## An Open Letter

I am really concerned! If anything were to happen to Dr. Pajestka, a lengthy illness or accident, we would have no where to turn but out of town for routine medical care.

Oh, yes, you could go to the emergency room but that is a pretty expensive office visit. Besides emergency rooms are just that, emergency rooms and should not be used as walk in clinics for routine care.

Even now people are going to Eldorado and San Angelo for care they should be able to receive right here in Sonora. Every dollar they spend in another town is one more dollar lost to our economy.

According to the 1990 Census there are 4,135 people in Sutton County. Of these 4,135 people, 2,001 are males, 2,134 females, 1,866 Hispanics, 2,244 Whites, 1 Black, 14 American Indian or Eskimo, 5 Asian or Pacific Islanders and 4 others. Keeping these figures in mind it is my own personal opinion that it would be great if we could have a female doctor, especially one who has an extremely good education in Hispanic languages. Also we need a doctor, no matter what their sex or national origin, that accepts assignments of benefits from Medicare for our elderly and disabled population and who will accept Medicare and Medicaid patients.

One important factor is that the doctor must want to live in a small town, and be a very competent and caring person. Someone who understands the meaning of the words "patient confidentiality," especially in a community where scanners abound and gossip at times moves faster than Federal Express. Someone who will work to insure that our hospital and nursing home survive and that patients admitted to these facilities are treated properly and that their confidentiality is respected.

When do we need a new doctor? As soon as possible before poor Dr. Pajestka winds up hospitalized from overwork and exhaustion.

Sincerely,  
Jo Ann E. Palmer

Approximately 75-100 senior citizens were served. For every plate bought two senior citizens ate free. The Knights of Columbus is a Catholic men's organization.

# Sutton County Underground Water District News

Submitted by the Sutton County Underground Water Conservation District

A safe water must not contain any organisms that would indicate the presence of disease bacteria.

Several diseases may be transmitted by unsafe water; typhoid, paratyphoid, bacillary dysentery, amoebic dysentery, hepatitis, gastroenteritis, and cholera. All of these are intestinal disorders - the microorganisms that cause them live and grow in the intestines of infected people or warm blooded animals who have the disease or who carry the disease. When fecal matter from one of these people or animals gets into the water supply, the pathogens can be transmitted to a well person who may then get the disease. Carelessness in personal sanitary habits may contribute to the spread of the disease.

Bacteria are the most plentiful of all living organisms. Many bacteria are helpful and even necessary for everyday living, while only a few cause disease. Both disease-causing and helpful

bacteria live in the intestines of humans and animals. Disease bacteria are difficult to detect because there are so few of them compared to the helpful ones.

Therefore, testing of water samples is done by using indicator organisms. One of these is the coliform group of bacteria. Coliforms live in the intestinal tracts of animals and humans. Although these bacteria usually do not cause disease, they do indicate the presence of fecal matter in the water. Whenever fecal matter is present, disease-causing organisms can also be present. Total coliform originates from insects and warm blooded animals. So when E. Coli are

detected, they indicate that feces from warm blooded animals may have contaminated the water and the possibility that disease causing organisms may be present.

If you have any questions of your water district, please contact us at 222 N. Main, Suite 101 or call (915) 387-2369.

# Older Worker Week To Begin Soon

"To meet the Economic and Social changes of the future, Texas must conserve and nurture one of our most important resources—the older worker," emphasizes Joe Rankin, President, Texas Farmers Union. "We, in Texas Farmers Union, are proud to sponsor Green Thumb, Inc., who for over two decades has provided meaningful employment training through its Senior Community Service Employment Program."

Operating primarily in the areas of 132 Texas Counties, Green Thumb has given older jobseekers the opportunity of sharing their years of experience, hard work, and dedication in local community

projects. Funded through the U.S. Department of Labor, the program's emphasis upon training has allowed program participants to transition back into private sector employment.

"During Older Worker Week, March 13 through 19, let us reorganize and highlight the work force contributions of our seniors while we strengthen our commitment to assuring that we invest in their talents and resourcefulness as productive partners in tomorrow's future," concluded Mr. Rankin.

Green Thumb has employees at the Sutton County Library and at the Senior Center.

There is a natural aristocracy among men. The grounds of this are virtue and talents.

—Thomas Jefferson

# Jordan's Market Report February 24, 26 and 28, 1994

Receipts totaled 930 head. The market is continuing to stay strong and active. The cattle carrying less flesh are still taking the lead bringing the top prices per pound. The fleshier offerings are going direct to the feedlots which are looking at a higher cost of gain. Packer cows and bulls sold \$1 to \$2 higher with stocker cows and pairs selling steady on those offered.
