Bronco Band Travels To New Braunfels

The Mighty Bronco Band traveled to New Braunfels Saturday, April 30, to compete in The American Classics Pops in the Park Festival. The Mighty Bronco Band received a I, I, II ratings for a composite rating of a First Division. For this honor the band received a trophy. The band is directed by Janet Nelson.

Mrs. Nelson and the Mighty Bronco Band would like to commend 8th grader, Drew Dempsey. Drew is a very talented percussionist who stepped in on Tuesday and learned one of the percussion parts because two of the percussionists were ineligible. Drew forfeited the chance to try out for Junior High District Band in order to help out the Bronco Band. For this unselfish sacrifice on his part, the Bronco Band is most appreciative.

After the contest, the band traveled to San Antonio and celebrated at Fiesta Texas.

WTU Names Key As New Area Manager

West Texas Utilities Company has named Richard

Key as Sonora area manager. Formerly Menard area manager, Key assumes the position effective immediately and will focus on customer service and operations in the Sonora area.

The announcement comes as WTU and its three electric operating affiliates continue a corporatewide restructuring process.

The changes are part of a phased-in reorganization process designed to make the corporation and each of the electric operating companies more efficient and productive and position the companies to

meet the demands of an increasingly competitive business climate.

"Our goal is to continually improve the way we do business by adding focus to our daily operations and greater accountability in taking care of the needs of our customers," says Key.

CSW, based in Dallas, is the parent of WTU, Central Power & Light Co., Corpus Christi; Southwestern Electric Power Co., Shreveport, La.; Public Service Company of Oklahoma, Tulsa, Ok.; Transok, also of Tulsa; Central and South West Services Inc., Dallas; and other related affiliate companies.

Watkins - New Manager For Sonora Chamber Of Commerce

Elizabeth Glen Watkins, youngest of six daughters born to Henry & Mabel Richburg of Pecos and Alpine, is the new manager of the Sonora Chamber of Commerce.

Glen was born in Iraan, Texas and owned Big Bend Art Center, an art gallery and frame shop, for 12 years. Her husband, John, manages the 76 Truck Stop in Ozona. Glen and John have three children and three grandchildren.

Mrs. Watkins' parents were pioneers in Texas and she says she "feels at home here." During WWII, Glen lived in San Angelo where her father

farmed and ranched at Knickerbocker for several years. During the drought of the 50's, they moved back to Alpine, her mother's home. Her father soon retired and passed away in Alpine. Glen's mother, Mabel, then attended Sul Ross and graduated to be a teacher.

By living in the West Texas all of her life, Glen feels she knows Sonora and its people. "I am very enthused about moving into Sonora. It is not like moving into a strange town." Glen started work at the chamber on May 2. Welcome to Sonora Glen!!

Letter to the Editor

Stroke is the third leading cause of death in our country today, taking about 143,000 lives each year. And, every year, approximately 500,000 people suffer from a new or recurrent stroke. Stroke doesn't just affect the elderly. Twenty-eight percent of all stroke patients in a given year

are under the age of 65. However, in the last 23 years, we have significantly reduced the death rate associated with stroke. Of the approximately three million living Americans who have had strokes, many have been rehabilitated and are living productive lives. But, there is much more to be done.

In May, the American Heart Association, in coordination with its nearly 850 Stroke Connection stroke clubs nationwide, is sponsoring Stroke Awareness Month in an effort to help Americans "Learn The Warning Signs of Stroke Be A Survivor For

American Heart Association will give of their time to educate citizens in Sutton County about the warning signs of stroke. For more information, call 387-2234, Maria Carrasco, chairperson for the American Heart Association.

The warning signs of stroke aren't difficult to recognize. They include: sudden weakness or numbness of the face, arm or leg on one side of the body; sudden dimness or loss of vision, particularly in only one eye; loss of speech or trouble talking or understanding speech; sudden, severe headaches with no apparent cause; and, unexplained cause; and, unexplained dizziness, unsteadiness or sudden falls, especially along with any of the previous symptoms. If you notice one or more of these signs, get immediate medical help. Your body is trying to send you a message. You need to respond before it's too late.

What a week! What a month! What a colossally community we live in! The week I'm referring to

is the last week of April 1994 which, for me, began at the Joint Conference on Aging in Dallas and ended with Christmas in April in Sonora on Saturday, April 30th. Why is it that life seems to always put us in all or nothing situations? I'll give you more details on both Christmas in April and highlights of our conference including visits with Dan Morales, Texas Attorney General and Liz Carpenter, former press secretary for Ladybird Johnson, a bit later. The month I'm referring

to is the month of May -Older Americans Month! We have a special opportunity lined up each and every week this month. Mayor Lemuel

Letter to the Editor HELP!!

The Sutton County Senior Center and Center Director, Carole Thorp, received awards and recognition last week at the Joint Conference on Aging held in Addison at the Marriott Quorum Hotel.

The Senior Center, a department of the City of Sonora, received a three-star rating of Excellence (the highest possible rating) by the Texas Association of Senior Centers Excellence Program. TASC president, Pat DuBois of Mansfield, presented the award to Carole Thorp and Sutton County Committee on Aging Conference Delegate, Jeanne Davenport. The TASC Excellence Award is based on the National Council on Aging's Senior Center Standards and Self-Assessment Guide. Points are awarded according to compliance with Organizational, Financial, Community wide accessibility, Programming, and Training guidelines. Sonora's Senior Center received the second

highest number of points in the State, with the City of White Settlement having the highest number of points. Excellence Awards Chairperson, Janette Bowers of Alpine, encouraged all senior centers across Texas to enter the awards program next year. She also stressed that center directors should allow an independent committee of advisory board members and center participants to be a part of the assessment process. Centers who participate will receive either a one, two or three star rating each year.

Thorp was also recognized by the TASC Board of Directors and Officers for her dedicated service as a board member in 1993 and 1994. Carole was re-elected Representative for Region III of the Association. LaRonda Trammell, Director of Senior Services for the City of San Angelo, will serve as alternate.

(L to R) Liz Carpenter, former press secretary for Ladybird Johnson and author of "Ruffles & Flourishes" (about years with LBJ) and "Getting Better All The Time", is pictured here with Carole Thorp and Carole's mother at the conference.

Thorp Receives Awards Choirs Participate In "Pops In The Park" Festival

The Sonora School Choirs recently attended the "Pops in the Park" music festival in New Braunfels. All of the choirs had a tremendous performance and received comments from three judges. Some of the comments that they received included, "Your Choir has some very talented singers," "You are doing a fine job on some very difficult music," and "It is obvious that you have put in a lot of hard work to prepare for today." The group also received compliments on their attentiveness, discipline, and their obvious interest in doing a good job. Due to a paperwork error, the Junior High Choirs were no rated. The High School Mixed Choir received a composite rating of a II (Two) which is considered "Excellent".

Although the Sonora Choirs are relatively small this year, many people have commented on how amazing it is that these students can put out as much sound as they do. Their choir director, Frank W. Conlon, attributes this amount of sound to constantly improving singing technique, some strong individual singers, and some very good and positive attitudes. Recently, the High School Mixed and Junior High Mixed Choirs had the Director of Choral Activities at Tarleton State University, Dr. Charles Rives, come and conduct a Pre-Contest Clinic. Dr. Rives was quoted as saying to the students, "I can

tell by working with you that you truly have a love for music." Dr. Rives went on to say, "It is a pleasure to work with such well behaved students who obviously have the talent and the desire to be among the best choirs." Mr. Conlon also had a

few comments to make about the Choirs' performance last weekend and throughout the year. "I am so proud of the vast improvements that the 9 saying, "We (the Choir clarinet, Michael Castilleja program) have received so 3rd chair alto saxophone, many compliments from various sources this year. I really must attribute this to the fine quality of student that we have in our choir program. If you were to listen to the tapes from the first concert and our performance at "Pops in the Park," you would notice a striking improvement."

The Sonora Choirs will close out the year with their final Spring concert on May 19, 1994 at 7:30 .m. in the Sonora High School Auditorium. At this concert, they will be performing their contest music and a few other lighter selections of music. If you have not heard the Sonora Choirs this year, you really need to make a point of attending their concert. There is no admission charge and you will be pleasantly surprised at the quality and difficulty of their performance. Be sure to bring a friend!!

Jordan's Market Report April 27, 28, and May 2, 1994

Receipts totaled 4732 head. Overall the market on the feeder calves and yearlings was steady to strong on Thursday and on Monday. THe market was a little weaker due to the downturn in the fat cattle market. The choice cattle still are bringing top prices while the plainer cattle and short calves remain in poor demand with a spread in the prices of up to \$10 to \$20. The replacement sale that was held on April 27 saw pairs selling steady considering quality, age, etc. Bred cows sold steady to weak. The better quality and fleshier bred heifers sold steady. The medium quality and short bred heifers sold in accord with the feeder heifers. The packer cows and bulls sold steady to strong with the roping calves selling a little lower.

COMMUNICATE BEFORE YOU EXCAVATE.

Before you dig, drill, blast, shovel, tunnel or backhoe, look out below! For buried natural gas pipelines, that is.

To provide your community with a clean, efficient source of fuel, natural gas pipelines are buried underground in many areas. Although these pipelines are built to meet the highest safety standards, an unknowing person who is excavating can cause accidental rupture.

In many areas, especially road

crossings, our company has posted warning signs to indicate the presence of an underground natural gas pipeline.

But you can always confirm the safety of your excavation site by calling us at one of the numbers below at least 48 hours before breaking ground. This way we can determine for sure whether you are in any danger of rupturing one of our lines.

Everyone-not just those involved

with excavation-should be alert to signs of a ruptured natural gas pipeline. These telltale signs include dying vegetation, blowing dust, persistent bubbles through water, a distinctive smell, high-pitched noises, and, in severe cases, fire or explosion.

So before you drive anything underground, get on the horn! In fact, call us collect to report any conditions that concern you in the vicinity of our pipelines.

Tiffee Races In Extravaganza

At the recent West Texas Barrel Racers Extravaganza in Abilene in April, Tommy Tiffee was chosen to run in the Junior Division for the Tex-Mex Association of which he is a member. The Extravaganza brings together teams from other associations from all over Texas, Oklahoma, and New Mexico. The teams consist of open barrel horses, novice horses, and junior riders. There were 7 members on each team, with over 10 teams attending. The Tex-Mex Association, based around the Midland-Odessa area, have placed 2nd in the Extravaganza twice in passed # years. Winning the

Extravaganza brought \$750 to that organization plus individual awards of tack and supplies.

Also recently placing in the Easter PRCA Rodeo in McAllen, Texas was sister, Brooke Tiffee, who placed 3rd in the second go-round and 4th in the average. "The ground was real bad in the 1st go round and Trax, my horse, fell at the third barrel," Brooke said. "I pulled him up to see if he was hurt, he was ok, but it cost me the first round." Brooke has had her PRCA permit for two years and intends to continue her career in rodeo.

Katie Burge & Candie Sessom placed first in the Tennis District meet and went on to Regional.

Martin, Ben Mittel, George H. Neill, M.C. Puckett, Alfred Schwiening, G.G. Stephenson, Wirt Stephenson, H.V. Stokes, M.N. Stokes, Geo. J. Trainer, Jr., R.D. Trainer, A. Ware, J. D. Westbrook and M. A. Wilson. As far as we have been able to ascertain, due to death or resignations, John Eaton, Jr. is the only Charter Member who is still active in the Lions Club. The first officers of the Lions Club were the following: W.E. Caldwell, President; W.C. Gilmore, Vice-President: Geo. H. Neill, Secretary-Treasurer; M.M. Stokes, Tail Twister; G.G. Stephenson, Roy E. Aldwell, W.H. Dameron and J.D. Lowrey, Directors; and A.C. Elliott was elected Lion Tamer.

In August of 1929 these gentlemen decided that enough people didn't realize they existed and set about to make sure everyone knew there was a Lions Club in Sonora. On August 30, 1929, with W.E. Caldwell in the lead carrying a large American Flag and John Eaton, Jr. carrying a portable phonograph, twenty one members formed a parade line and marched forth from West Texas Lumber Co. at noon. They formed a circle at the intersection of Main and Concho and then marched up Main and around the corner to the Methodist Church for their meeting. One member, Jack Cooper, showed up late and out of uniform of the day and was assessed \$5 by the secretary. The following men took part in the parade: W. E. Caldwell, John Eaton, Jr., W. E. James, Alfred Schweining,, Bill Gilmore, Jack Neill, Joe Trainer, John Lowrey, Marion Stokes, H.L. Taylor, Wallace Dameron, H.W. Ellis, Buzzy Stokes, Isadore Leaman, Sam LaChapelle, T.A. Smith, Claude Stites, M.A. Wilson,

O. G. Babcock, Bob Steen and J.D. Westbrook.

Mr. John Eaton, Jr. was dressed in a pair of wildcolored pajamas of a black and white "salt and pepper" design on a blue back ground according to Millard Cope, Staff Correspondent of the San Angelo Times.

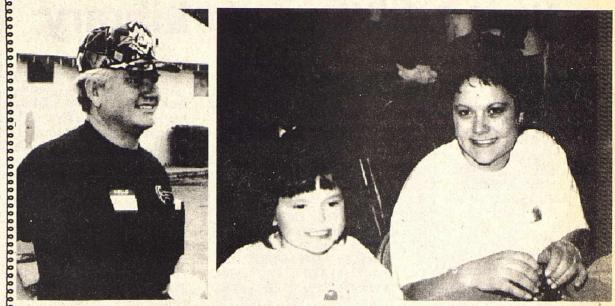

Anyway the story was picked up by many publications across the country and some periodicals. There was only one problem. Most of the papers had never heard of Sonora, Tx. and thought the article was about Sonora, California and the California group was given credit for the parade. It took a lot of letters and calls but finally corrections were made and the Sonora, Tx. Lions got proper credit for their pajama parade.

Throughout the years the Sonora Lions Club has collected and spent a great deal of money on such worthy projects as the boy and girl scouts, 4-H and Extension. Work, projects for the youth of Sonora, glasses and eye care for needy children and have sent crippled children to camp.

Happy 66th Birthday to the ladies and gentlemen of the Sonora Lions Club.

Ouachita Energy Corp. held their Third Annual Crawfish Boil Thursday, April 28, 1994. Ouachita, a contract gas compressions company, is based in West Monroe, LA. and has been in Sonora since 1989. The president of the company is Dennis Estis of Louisiana. Ouachita employs five people in Sonora. Brent Gagnaux is the area superintendent of Sonora's Ouachita. The crawfish boil has been held every year for customers and friends. This year, there were 1,000 lbs. of crawfish and 100 lbs. of shrimp to be eaten, along with corn on the cob and boiled red potatoes. Cynthia's Party Villa provided the cake for the occasion.

Permian Basin Oil Show Set For October 19-21

Attendance at the 1994 Permian Basin Oil Show, set for October 19-21, could set new records, says the show's president.

"Lower oil prices and an exceptionally high level of interest in new technology could set the stage to make attendance at this year's Permian Basin Oil Show one of the largest in history," Don Narrell, president of the Oil Show, said.

Narrell said that current conditions, with lower oil prices, increasing environment regulation and

Show is the largest inland oil show in the world, and in overall size is second only to Offshore Houston's Technology Conference. Known as the "Working

itself on being the best-known spot in the world where the working onshore cil industry mingles with the latest in technology.

"Most of the traditional technology you see in the oil fields today made its debut at the Permian Basin Oil Show," says Narrell.

Each year, more than 800 exhibitors from around the world bring rigs, tools, computers, chemicals, valves, and hundreds of other oilfield products and services to the Odessa Coliseum. Exhibitors

come by air freight, railroad and trucks, and hundreds of workers spend days putting it in place. Then, when the gates open, tens of thousands of producers, engineers and oilfield personnel come to

"kick the tires." The public is not admitted to the show until the last day.

Since technology and innovation are key concerns of the industry, Narrell said the Permian Basin Oil Show is making greater strides this year to facilitate a transfer of technology.

Plateau Cellular Network Changes Dialing

Recent dialing changes in telephone land lines has caused Plateau Cellular Network, formerly Cellular 3, to implement 10 Digit dialing for all their customers. The dialing change causes al phone numbers dialed by PCN customers to include an area code. Phone Numbers that have been previously dialed with 7 digits must now begin with the appropriate Area Code, (505 for calls in New Mexico, 806 for calls in Texas RSA 3, 915 for calls Texas RSA 12,13, and 14).

Also, all long distance calls placed in these areas must be dialed 1+ the area code + the 7 digit phone number. The dialing change will take effect on May 1 and will not effect current billing rates. It is simply a change in the way cellular calls are dialed. New Mexico PCN

customers (area code 505) are in Chaves, Colfax, Curry, De Baca, Eddy, Guadalupe, Harding, Lincoln, Mora, Quay, Roosevelt, San Miguel, Torrence and Union counties. Texas RSA 3 (area code 806)

counties are Bailey, Castro, Hale, Hockley, Lamb, Parmer, Swisher, Terry and Yoakum counties. In Texas RSA 12, 13, and 14 (area code 915) are Brewster, Crane, Crockett, Culberson, Hudspeth, Irion, Jeff Davis, Loving, Pecos, Presidio, Reagan, Reeves, Schleicher, Sutton, Terrell, Upton, Ward and Winkler. Price support payments for 1993 wool and mohair marketings totaled about \$5,122,259.82, according to Jeanette Turner, Program Assistant of the Sutton County Agricultural Stabilization and Conservation Service. The payments went to 173 sheep and goat growers in the county.

The 1993 support price for shorn wool was \$2.04 per pound, and the national average market price for shorn wool was \$.51 per pound. 300 percent payment rate was used

to bring the average price received by all producers up to the support price. "This rate was applied to the net proceeds received by each producer for shorn wool marketed during the marketing year."

For mohair, the 1993 support price was \$4.736, and the average market price was \$.82 per pound, making the payment rate 477.8 percent.

'We did not issue payments on that portion of a producer's sales proceeds which exceeded \$2.04 per pound for wool and \$3.28 per pound for mohair," ASCS official Jeanette Turner said.

To maintain normal pulled wool marketing practices, ASCS supported unshorn lambs at a level comparable to the shorn wool support rate. Therefore, producers received \$6.12 per hundredweight in price support payments for unshorn lambs that were sold or slaughtered during their 1993 marketing year.

The Sutton County Unit of the American Cancer Society is very proud of the many volunteers that are finishing the local Crusade at this time. Once again these special people have been calling on their friends and neighbors with life saving information and asking for donations to continue the fight against cancer with research, education, prevention and detection programs to reduce your risk of cancer, and treatment programs to effectively deal with a cancer diagnosis. These programs are at work today in our community and in towns and counties all across the country. We wish to thank all of the volunteers working under the cochairpersons Juanita Mesa and Smith Neal for a job well. done.

We still have Golf Passes available that are good at 135 courses throughout Texas, with more than 300 rounds of golf for a donation of \$25.00. They are good until the last day of December 1994. A big thank you to all the golfers that are enjoying a pass at this time and if anyone is interested in an American Cancer Society Golf Pass please call Charles Graves at

387-5380 or any ACS member.

ACS The Golf Tournament was enjoyed by members and golfers alike. Many expressed that they would look forward to next year. We wish to thank all of the donors and all who helped make the day a success.

We wish to thank the Devil's River News, Sutton County Leader and Radio Station KHOS for all of their help in promotions. Without each of them, we could not continue with the programs in

Ropin' & Ridin' In Sonora On May 20-22

It's time again for our annual Sonora Sensation, a full weekend of barrel racing, roping, and bull riding entertainment. Come and join us as we watch and cheer for our favorite competitor in his or her event.

We will start the weekend off with a draw pot Team Roping on Friday at 7 p.m. Having 3 go rounds and a lot of outstanding ropers it will be some great watching. Saturday will start off with the 1st go round of the WPRA open approved Barrel Race at 9:30 a.m. with lots of fast horses and pretty garishing official

For all of you roping fans you will definitely get your money's worth on Saturday at 12:30 p.m. as we will have some of the world's best calf calf ropers and steer ropers competing. We will begin with the 1st go round of the Steer Roping then continue with the

Sunday we will start at 8 a.m. with the Senior Steer Roping with several of your past champions still enjoying the sport they love and are still very capable of showing you a thing or two about roping steers. Following the senior swill be the 2nd go round of the WPRA open approved Barrel Race. You'll get to see all those pretty girls again but look quick because they don't hang around long being on some of the greatest barrel horses today it promises to be fast.

To bring the weekend to a close with a bang is the "Sensational" Bull Riding at 2 p.m. This year the stock contractor will be Rudy Vela & Sons, a ranching family from Edinburg, Texas and having. been in the stock contracting business for over 30 years he will arrive with some of the

Professional Rodeo Cowboys Association and since 1984 has supplied stock to the National Finals Rodeo every year, as well as to some of the top rodeos across the country. Some of those rodeos include Denver, Colorado; San Antonio, Houston, and San Angelo, Texas; Casper Wyoming; Sidney, Iowa; Nampa, Idaho; The "Daddy of 'Em All" Cheyenne Frontier Days, Dodge City, Kansas; and Albuquerque, New Mexico, also supplied top bucking bulls to the Super Bull in Del Rio, Texas. Vela & Sons made history and gained the honor of being the only stock contractor ever to have a cowboy to win an event in each go round at the Cheyenne Frontier Days on bucking stock owned by Vela & Sons Rodeo Company. Owning one of the largest bull herds in the state, Vela & SOns holds the distinction of having bucked down some of the top P.R.C.A. cowboys in the nation. So come and join us for all the thrills and spills at the Sonora Sensation May 20, 21, & 22. See ya there!!

Kristen Hardgrave played Bach's *Prelude in G Minor* on the organ. All students were then recognized and given a momento for their piano achievement. Twelve pupils were honored with Outstanding Student Awards as a result of their high grades on the Incentive Plan. These were: Jordan Anderson, Heather Lawson, Georgia Bissett, Clayton Hicks, Rita Lopez, Melissa Brents, Andi Allen, Dustin Dillard, Mayer Anderson, Stacey Becknell, Ashley Brockman and Kimberly Bustamante. These students received special certificates, pins, and purple ribbons. The highest level of achievement was the Exceptional Student Award. This was based on a high grade on the Incentive Plan and the number of bonus points earned. Kristen Hardgrave, Gayla Frederickson and Cady Taylor earned these awards and personalized received paperweights. The recital closed with Kristen Hardgrave playing her own composition on the piano, Tomahawk Rock.

Christmas In April -- Neighbors Helping Neighbors

Sonora's Christmas in April was once again a smashing success. Approximately 150 people hammered, sawed, painted, carried materials and had a grand time helping neighbors. The teams began working at 7:30 a.m. on Saturday and some were still working at dark.

A number of local businesses supplied food and drinks for the workers. Building materials were purchased by gifts from local citizens.

Fourteen homes were worked on by sixteen teams. These teams consisted of local business people, church groups, service organizations and other volunteers.

This is the fourth year that Christmas in April has been active in Sutton County.

According to Christmas in April president, Paul Chevalier, Carol Thorp originally brought the program plan to interested community members. Since its inception here, Christmas in April has worked on more than 80 homes.

Said Chevalier, "It would have been nice if the weather had been a bit warmer. I wish that we had had a few more teams, but the folks who came out really worked hard."

The Sonora Chamber of Commerce recognized Christmas in April as the Organization of the year for

for your favorite candidate!

The Sonora Golf Auxiliary met on Wednesday, April 29, 1994, at the Sutton County Steakhouse with Juanita McBride as hostess.

President Shelley Shannon called the meeting to order and Secretary/Treasurer, Michelle Krieg, read the minutes and gave the treasurer's report. A thankyou card was read from Sue Moore for the baby gift. The two-lady tournament was discussed and final arrangements made for food, carts, and it was announced that the high school girls golf team would help with serving the refreshments, as well as Janell Sparks and Lauri Smith as they were not entered to play. Ray Roe, Steve Tackel, and Jim Covington were to help with tee boxes, etc. Discussion was held about the work on the tee boxes by different organizations and businesses and what we might want to do with the No. 8 tee box that the auxiliary donated the tee box marker for. Ebbie Sutton agreed to chair a

0

U

committee to coordinate any work that might be done with Wanda Neville and Michelle Krieg volunteering to help on the committee. Jodie Finklea is helping in the same capacity as a board member and will also help the committee. It was announced that several tee markers disappeared recently and Tressa Henson made a motion to keep the red, white, and blue markers in the clubhouse when needed for scrambles. The motion was seconded by Vicky Barker and passed unanimously. Arrangements are being made for the shop boys at the high school to assist us in replacing the missing markers. A motion was made by Vicky Barker and seconded by Juanita McBride to adjourn. Motion passed.

Congratulations goes to Michelle Krieg and Becky York who won third place in the 1st flight at the 2-Lady Tournament held on Saturday, April 30th at Mason. Sonora Golfers shine again!!

actions concerning their property tax appraisals. You may follow these appeal procedures if you have a concern about:

- · the value placed on your property
- any exemptions that may apply to you
- the cancellation of an agricultural appraisal
- the taxable status of your property
- · the local governments which should be taxing your property
- · any action taken by the appraisal district that adversely affected you.

Informal Review

(Insert description of appraisal district's informal review process, if any, then give name and telephone number of person taxpayer should contact.)

Review by the Appraisal Review Board

If you can't resolve your problem informally with the appraisal district staff, you may have your case heard by the appraisal review board (ARB).

The ARB is an independent board of citizens that reviews problems with appraisals or other concerns listed above. It has the power to order the appraisal district to make the necessary changes to solve problems. If you file a written request for an ARB hearing (called a notice of protest) before the deadline, the ARB will set your case for a hearing. You'll receive written notice of the time, date and place of the hearing. The hearing will be informal. You and the appraisal district representative will be asked to present evidence about your case. The ARB will make its decision based on the evidence presented. You can get a copy of a protest form from the appraisal district office at 300 E. Oak St.

NOTE: You shouldn't try to contact ARB members outside of the hearing. The law requires ARB members to sign an affidavit saying that they haven't talked about your case before the ARB hears it.

Review by the District Court

After it decides your case, the ARB must send you a copy of its order by certified mail. If you're not satisfied with the decision, you have the right to appeal to district court. If you choose to go to court, you must start the process by filing a petition within 45 days of the date you receive the ARB's order. If the appraisal district has appraised your property at \$1,000,000 or more, you must file a notice of appeal with the chief appraiser within 15 days of the date you receive the ARB's order.

More Information

You can get more information by contacting the Sutton County Appraisal District at 300 E. Oak St., Sonora, TX 76950 (915) 387-2809. You can also get a pamphlet describing how to prepare a protest from the appraisal district or from the State Comptroller's Property Tax Division at P.O. Box 13528, Austin, TX 78711-3528.

Deadline for Filing Protests with the ARB*

Usual Deadline

On or before May 31 (or 30 days after a notice of appraised value was mailed to you, whichever is later).

Late protests are allowed if you miss the usual deadline for good cause. Good cause is some reason beyond your control, like a medical emergency, The ARB decides whether you have good cause

Late protests are due the day before the appraisal review board approves records for the year. Contact you appraisal district for more information.

Special Deadlines

For change of use (the appraisal district informed you that you are losing agricultural appraisal because you changed the use of your land), the deadline is before the 30th day after the notice of the determination was mailed to you.

For ARB changes (the ARB has informed you of a change didn't result from a protest you filed), the deadline is before the 30th day after the notice of the determination was mailed to you,

If you believe the appraisal district or ARB should have sent you a notice and did not, you may file a protest until the day before taxes become delinquent (usually February 1). The ARB decides whether it will hear your case based on evidence about whether a required notice was mailed to you.

* The deadline is postponed to the next business day if it falls on a weekend or holiday.
