## CITY MANAGER BEGINS DUTIES

J. Kelly Carta, P.E., a 1978 graduate of Sonora High School, assumed the post of City Manager last Wednesday, March 1, filling the position vacated by John Pape last fall. Carta comes to Sonora from the City of Weatherford where he has spent the last five years Public Works Engineer working on capital improvement projects, infrastructure maintenance projects, plat and plan review, policy review and other tasks. He graduated with a Civil Engineering degree from Texas A&M University in 1983 and received his Texas Professional Engineering License in 1988. Prior to joining the City of Weatherford, Mr. Carta worked at engineering consulting firms in the Dallas-Fort Worth area specializing in municipal project design and land development.

As some of the coldest weather of the year gripped Sonora, the new City Manager started the job assisting city staff with pump controller problems, meeting with grand administrators on the upcoming paving project and meeting with the West Texas Utilities representative regarding their requested rate increase. "It's good to be home," Mr. Carta responded when asked how the first few days were going. "You can't find better people than these in Sonora. I am glad that I can be a service to this community. My door will always be open," he added.

Kelly's wife Trudy, also a Sonora native, and their three children will join him in June after the completion of the current school year. They will reside at 514 North Frontage Road in Sonora.

## PROCLAMATION

To meet the economic and social challenges of the future, Texas must conserve and nurture our natural resources. Among the most valued of resources in our state are the skills, talents, and abilities of our age-worthy men and women. Older Texans want to stay in the mainstream of our state's economic and social development, they want to be active partners in the labors of tomorrow.

The older workers and older job seekers of our great state must be given the opportunity to share their years of experience, hard work, and dedication. Texas must invest in their talents and resourcefulness and recognize their contributions as productive members in our society.

For thirty years, the Senior Community Service Employment Program, through organizations such as Green Thumb, Inc., has provided senior Texans with training and employment opportunities to maintain their dignity and remain as vital contributors to the welfare of their communities, their state, and their nation.

THEFORE, Margaret Cascadden  
Mayor of Sonora, Texas

DOES HEREBY PROCLAIM THE WEEK OF MARCH 12-18, 1995  
AS HIRE THE OLDER WORKER WEEK IN  
Sonora, Texas

## TREASURE HUNT

The Sonora Merchants Association is sponsoring a St. Patrick's Day Treasure Hunt. The contest is open to anyone. The only requirements are the purchase of an official treasure map.

The map consists of a crossword puzzle that is made up of questions of historical value about Sonora and Sutton County. After answering all the questions, take the letters from the squares with an asterisk (\*) and arrange them into two, three word clues. (Each letter is used only once.) These clues will lead to the location of the "treasure." (All answers to the crossword puzzle can be found in the following publications in the Sutton County Library: *Bad Old Days* and the *Sutton County History Book 1887-1977*.)

An item has been placed in a location somewhere in the city limits on public property. (Please do not trespass on private property, and please do not dig or destroy public property in any manner.) The item will be recognized when found as something that does not belong there.

After finding the item, take it and your official treasure map to the Chamber of Commerce or to the Main Street director to claim the treasure. The treasure being offered is a gold nugget worth about \$200. It may be seen at Tedford's Jewelry.

This event will kick-off with an open house for the Devil's River News in their new location, 216 E. Main (the old Kerbow building), on Thursday, March 16th from 1:00-5:00 p.m. Everyone is invited to attend and purchase their official Treasure Hunt map. (Maps are \$2.00 each.) The Devil's River News will also be hosting the Chamber of Commerce Quarterly Mixer from 5:30-7:00 on Thursday, March 16th.

Maps will officially go on sale Friday, March 17th. Watch for the green Treasure Hunt poster with the pot of gold in participating Sonora Merchant Association members windows. Maps will be available inside.

May the luck of the Irish be with you!

## FILING BEGINS FOR LOCAL ELECTIONS

The City of Sonora, Sonora Independent School District, and the Sutton County Underground Water Conservation District will each hold elections on Saturday, May 6, 1995, from 7:00 a.m. to 7:00 p.m.

The Sutton County Underground Water Conservation District has a position open for director of Precinct 2, director of Precinct 3, and one director At Large. Currently filling those positions are: Clay Hicks - Precinct 2, Norm Rousselot - Precinct 3, and Joe David Ross - director At Large.

The Sonora Independent School District has positions open for Precinct 2 and Precinct 4. Holding these positions are: Mike Smith - Precinct 2, and Sam David Hernandez - Precinct 4. Sam David Hernandez has filed for re-election.

## PASTORS FOR PEACE CARAVAN

submitted by Ron Myers, Pastor of First United Methodist Church

The 20th Pastors for Peace material aid caravan will travel to southern Mexico, Guatemala, El Salvador and Nicaragua in March. Twenty-two vehicles driven by 45 volunteers will carry 100 tons of humanitarian aid valued at over \$1 million.

Deliveries in southern Mexico are destined for civilian populations that have been affected by the civil war between the Mexican army and the Zapatista National Liberation Front. The Catholic Diocese of San Cristobal de las Casas, located in the center of the state of Chiapas, will receive the Mexican contingent. Volunteers will help to deliver the aid to civilian populations in the war zones.

The caravan team members will present a program on this project in Sonora Saturday, March 18 at the First United Methodist Church at 8:00 p.m.

### Chamber of Commerce Mixer

The Chamber of Commerce Quarterly Mixer will be held Thursday, March 16 from 5:30 to 7 p.m. at the Devil's River News new location, 216 E. Main (old Kerbow Building). The mixer will be hosted by the Devil's River News.

**SONORA WOMAN'S CLUB HISTORY WRITTEN FOR GRANT PROPOSAL**

The new Sutton County Public Library is on its way to becoming a reality. Funds for the construction cost of the library were raised by the Sutton County Public Library Committee, a representative cross-section of concerned Sutton County citizens. To allow donations to be tax deductible, the contributions were solicited in the name of the Sonora Woman's Club Library Association, the part of Sonora Woman's Club which is a 501(c)(3) organization. This has led to some natural confusion as to what role Sonora Woman's Club plays in the Sutton County Public Library.

The following brief history of Sonora Woman's Club and its commitment to library service in Sutton County is offered here as an explanation. This history is the opening statement of the grant proposal submitted to The Meadows Foundation of Dallas by the Sutton County Public Library Committee. It was written by two members of the Library Committee who are also associate members of Sonora Woman's Club. The proposal resulted in a grant of \$64,000 from The Meadows Foundation, which supplied the remaining funds necessary to allow the project to be advertised for bids.

Sonora Woman's Club was organized in 1916 with 32 members. At that time, the town of Sonora was just 27 years old. It was, and still is, the only town in the 1,454 square miles of the county of Sutton. The area was isolated and the culture still based on the newly departed frontier. The terrain was rocky and arid; the ranches widely separated. It took all of the energies of both men and women to wrest a living from this harsh, demanding land.

Although their time was consumed with never ending tasks, some of the women, as they worked, constantly cast about in their minds for ways to enrich their lives and provide more opportunities for their children. It appeared to them that if they banded together in some sort of an organization, they could make a difference. Thus Sonora Woman's Club was formed, and make a difference they did!

In spite of the difficulties of finding time and of traveling the distances necessary to meet and plan, Sonora Woman's Club managed to raise money to provide the first playground equipment, the first piano and the first drinking fountain in the Sonora school. Projects were conceived, funded, and completed to beautify Sonora in many ways and areas. The first female school board member was sponsored by Woman's Club, as was a mass meeting on May 17, 1918 to instruct women on how to vote. Educational programs were held on a regular basis.

Over the years, since Woman's Club had never had a home of its own, the members had met in a variety of places, none of which really suited their needs. In addition to their desire for their own place, members of Woman's Club had long cherished the hope of opening a library. The idea was always in the background, biding its time.

In 1920, Woman's Club was meeting in the hall of The Woodmen of the World. The group voted to go ahead and start a library even though they were in rented space. Books were painstakingly collected by house to house canvass. Shelves were built. The first year, 275 books were read. The member/volunteers carried their own firewood to the hall in winter and sweltered in summer. But they saw their dream grow and prosper and become part of the fabric of the community.

In 1926 Woman's Club decided to make the all out effort to build its own meeting place, which would also house the library. An estimated \$2500 was needed. Many bake sales and creative fund raisers later, the structure became a reality. It was located on the corner of Water Avenue and Oak Street where the Sutton County Annex now stands.

**Thanks To Everyone!**

WOW! It is so nice to know that when you leave town your family will be taken care of in such a great way. I want to thank everyone and say a special thanks to the ones who have called or came by to help Lori at the store or at home while I have been gone. Also thanks to the ones who have called me. It is nice to talk to a familiar voice.

Thanks again!  
Kyle Nunn

**Card of Thanks**

We offer our most humble gratitude to the E.M.S. personnel, the doctor, the hospital staff, the law enforcement who attended my wife and our mother in her illness, also our appreciation for all the calls, the visits and the flowers and all the prayers for Mrs. Rosaura Lozano while in the hospital. Thank you once again, Mr. Rafael Lozano, Ms. Adelita Smalling, and Mr. Cleo Lozano

# Ask The Historical Society

Sonora Baseball Team - 1907-1908

(L-R) Luther Thorp, Murdock McDonald, Gustof Meckel, Bart DeWitt, Roy Aldwell, L.E. Johnson, Lea Aldwell, Benny Wyatt, Owen Cathey, unknown.

by Jo-Ann Palmer, Secretary Sutton County Historical Society

**Q.** Many years ago we stayed in Sonora at a place called the 3 in 1 Camp. I checked with the phone company and they have no listing for it. Is it still in business under another name or closed?

**A.** The 3 in 1 Camp was built in 1929 on what was then Highway 290. The name was later changed to 3 in 1 Courts.

The courts, were owned and operated by the late Mrs. Beulah Pfister. They consisted of seven tourist rooms and a service station when they were first built. Mrs. Pfister added a small grocery store to better serve her customers in later years. The small residence that stood next to the courts served as Mrs. Pfisters' home. It was later sold and she moved into the station after adding a kitchen and breakfast room to it.

Eventually she discontinued the service station and grocery store and operated only the tourist courts. Mrs. Pfister had the motto, "If you treat people right, they will treat you right."

Due to ill health, Mrs. Pfister closed the courts in 1960. Mrs. Pfister was born in 1875 and died in 1962. In 1970, Carl Cahill, Inc. removed the small cabins from the property, some were used for storage houses and some moved to property outside Sutton County. The remainder of the lost was cleared and

another part of Sutton County history disappeared.

**Q.** I am trying to find out when Thomas Birtrng Sr. died and where he and Mary J. Birtrng are buried, do you have any information on them?

**A.** The *Devil's River News* of December 18, 1897 has a short article stating that Mrs. Mary J. Birtrng died at the ranch of her son T.B. Birtrng on Tuesday, December 14. Mrs. Mary J. Birtrng was in the 82nd year of her age. The article does not state where she is buried.

On December 27, 1886, Thomas (Burtrng) Birtrng sold a Veterans Donation Certificate Numbered 1268, for 1280 acres of land that had been issued to him on December 23, 1886. He was residing at Ft. McKavett at the time. The Comptroller's Archives Payment Records show that his widow Mary J. Birtrng was receiving his pension payments from about 1890 to 1897 in Sutton County. These records are not complete and we were unable to tell when Mr. Birtrng died. It should be between 1886 and 1890.

We have checked the Sonora Cemetery, Copperas Creek, Cedar Hill, Roksprings, and Del Rio Cemetery records and do not find either one of them buried there. Readers do any of you know where the Birtrngs are buried. Are they in Ft. McKavett, Schleicher County, Crockett County, or in old

I guess this is cemetery week because we have another question from our readers asking if any other members of the "Wild Bunch" of Butch Cassidy and the Sundance Kids' fame, are buried in the Sonora Cemetery.

Butch and Sundance's exact place of death and burial are still unknown but they are definitely not buried in Sonora. Ben Kilpatrick was buried in an unmarked grave in Sanderson, after being killed attempting to rob a train. Laura Bullion, who rode with the gang, is buried in Memphis, Tennessee. As far as we know Will Carver is the only gang member buried in the Sonora Cemetery.

If you have any questions concerning Sutton County history send them to: "Ask the Historical Society," P.O. Box 885, Sonora, Texas 76950-0885, or give us a call at 915-387-5144 or 387-2855 - after noon please.

## TS&GRA DISTRICT 5 TO MEET

submitted

Members and interested sheep and goat raisers in TS&GRA District 5 will meet Saturday, March 18, 1995, at the 4-H Center in Sonora. The meeting will get under way at 10:30 a.m. and conclude with the noon meal which will be hosted by Sutton County directors and friends of the TS&GRA.

The program will include reports by TS&GRA officers and a review of state and national legislation of interest to producers by Assistant Executive Secretary Zane Willard. District 5 is made up of Kimble, Menard, Schleicher, and Sutton counties. Directors to serve the district will be elected at the close of the meeting.

## LIVING LIGHT WORKSHOP

submitted by Kelly Lewis, CEA - F&CS

Dr. Bethann Witcher-Byers, Nutrition Specialist with the Texas Agricultural Extension Service at Texas A&M University, will teach a "Light Living Workshop" on Tuesday, March 14 from 9:00 a.m. to noon in the Crockett County Civic Center. The deadline for registration is Friday, March 10th and space is limited. The workshop is being sponsored by the Crockett County office of the Texas Agricultural Extension Service.

The specialist will teach you how to change your diet for better nutrition and health, including food buying, preparation and serving. You will also learn how to apply the USDA Food Guide Pyramid and Dietary Guidelines, the keys to better diet and behavior change.

How many calories, grams of fat, sodium, sugar or milligrams of cholesterol does your favorite family recipe have? Any idea? If you come to the Living Light Workshop you can find out. Just bring a favorite family recipe to the workshop, and Dr. Witcher-Byers will discuss changes for better nutrition. Each participant will also receive the Living Light manual to keep.

While the program is most helpful to overweight persons or those who have heart disease, diabetes or high blood pressure, it is also good for anyone who is interested in good nutrition and a healthy lifestyle.

Learning to prepare healthful foods doesn't mean taking out all fat, sugar or salt from the diet. If you usually cook foods high in these problem ingredients, says the specialist, you can learn which steps to take to begin slowly reducing them and also how to make substitutions in your favorite recipes.

Cost per person to attend the workshop is \$15 and includes the cost of the manual and supplies for the program. All fees must be paid before the workshop date, March 14. Space is limited and enrollment is on a first-come, first-serve basis.

For years nutritionists have been telling people what they can't or shouldn't eat in order to feel good and be healthy. Would you like to learn how to prepare your favorite recipes with lower fat but with that same special taste? Would you like to learn how to add variety and pizzazz to your meals to make them even more appealing, appetizing and greater-tasting?

Don't wait, register today. For more information call the Crockett County Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or disability.

Individuals with disabilities who require an auxiliary aid, service or accommodation in order to participate in this workshop are encouraged to contact Tedra Ulmer at 915-392-2721 as soon as possible to determine how reasonable accommodations can be made.

LITTLE DRIBBLER'S BASKETBALL UNDERWAY

by Kay Hufstедler

Sonora City League Basketball is underway this year with a great turnout. 175 students, third through sixth grade, began playing their games this past week. There are 22 teams with 45 coaches getting their teams ready. We would not be able to do this every year if it were not for all the volunteers who spend their time coaching, running the clock, keeping the score book and officiating. I appreciate everyone's help.

SCOUTING NEWS

submitted by Glenna Chadwick

February 8th, the Wolf Cub Scouts of Den 1, were treated to an experience of big work machines. This was made available to the boys through a personal tour by Mr. Jimmy Cahill. He saw to it that the boys had information on several machines and "hands-on" experience on one of the big "Cats." They were full of questions that Mr. Cahill answered with serious information, sparked with humor.

We would like to extend a big thank you to Mr. Jimmy Cahill for helping once more with the Scouting program here in Sonora. Den 1 Wolf Cub Scouts are: Andrew Barthelemy, Jason Chadwick, Will Ferguson, Laramie Hall, Clayton Hicks, Brian Payton, and Nathaneal Prather.

## LOCAL SCOUT PARTICIPATES IN MEXICAN ADVENTURE

Over the weekend of February 17-19, 1995, 50 Boy Scouts, 2 Explorers, 2 Girl Scouts and 33 adult leaders participated in a celebration of scouting in Monterrey, Mexico. The celebration was in honor of Lord Baden Powell, the international founder of the scouting movement.

The event was hosted by the Asociacion de Scouts of Mexico, Provincia Nuevo Leon and the event activities were centered in Baden Powell Park, located in downtown Monterrey.

The events on Saturday included opening ceremonies, presentation of the Mexican and US Flags and the singing of both National anthems. Tribute was paid to scouting's founder and reefs were placed at a statue which has been erected in the center of the park. Most older scouts participated in a city wide activity which called for patrols to interpret instructions and directions for the game. Our Boy Scouts and Girl Scouts were paired with patrols of Mexican Scouts and together solved the problems presented.

The instructions required each patrol to go to various parts of the city by bus, subway, train or running as the mode of transportation. The comments of our Boy Scouts were, "Gee, we have never run this much in our life." The evening events were concluded with an ecumenical worship service, a campfire, and dance for all participants. Our contingent had opportunity to visit with Richard Lindelar, a member of the US Consulate staff in Monterrey.

Our scouts and their patrol advisors were placed in the homes of families of Mexican scouts for the weekend. They were able to enjoy sights and foods of the local Mexican families as well as develop lasting friendships with their host families.

The group traveled to Monterrey by bus after departing San Angelo at 12:15 a.m. on Friday. The group coordinator was Maria Medina, San Angelo, Concho Valley Council's International Representative. The adults selected to be patrol advisors are Charles Anderson, San Angelo, Scoutmaster of Troop 44; Don Griffis, San Angelo, Scoutmaster Troop 1; Irene Hernandez, Brady, Amangi Trail District Committee, Federico Medina, Jr., San Angelo, Council Commissioner; Amanda Torres, Fort Stockton, Committee Chairman, Troop 54, and Ken Yates, San Angelo, Amangi Trail District Commissioner.

This year was the Concho Valley's 6th year of participation in this event and was our largest group to participate, the two bus contingent also carried 30 additional participants who were housed in the Hotel Rio in downtown Monterrey and enjoyed sightseeing, shopping and participating in some of the Saturday activities.

The benefits to our youth and adults were many. Lifetime friendships, familiarity with a foreign culture, familiarity with another country's scouting program and a new appreciation of the fine people of the province of Nuevo Leon and Mexico.

Casey Fitzgerald participated from Sonora. Also participating were 42 scouts from San Angelo, one from Brady, two from Del Rio, two from Uvalde, and one from Junction. Several adults also participated from the Concho Valley.

### LADY BRONCOS BEGIN 1995 TRACK SEASON

submitted

The Lady Bronco Tracksters opened the 1995 track season Saturday, March 4, 1995 at the Frank Hubbell Memorial Relays in Junction. Senior, Vicky Richardson led the way placing second in the 100 meter dash and ran the first leg on the 800 meter relay team that placed fifth. Junior, Betty Samaniego, placed fourth in the 800 meter run and ran the second leg on the 1600 meter relay that finished seventh. Freshman, Camille Marshall, placed third in the long jump and fourth in the triple jump and anchored the 800 and 1600 meter relay teams. Junior, Jesse Crain, and sophomore, Pam Jones, ran the second and third legs on the 800 meter relay team. Freshman, Katie Cooke, finished seventh in the 1600 meter run and ran the third leg on the 1600 meter relay team. Sophomore, Michele Cramer ran the first leg on the 1600 meter relay team. Others competing were junior, Kristie Wallace, sophomore, Prissy Samaniego, and freshmen, Stephanie Daniels, Tavia Valliant, and Kellie Downing. They will next compete in the Plateau Relays this Saturday in Eldorado.

### VARSITY TENNIS FINISHES 7TH

submitted

This was the first year for the varsity tennis team to attend the regional team tennis tournament. In this tournament, the players do not win individual honors, but rather the team wins as a whole. The Bronco tennis team placed seventh at this tournament, which was held in San Angelo and surrounding communities.

Team tournaments are played by each team ranking the players one through six in singles, and one through three in doubles. Each team matches their number ones against the other team's number one, and number two's against number two's and so on. Each match won is a point for the team, and the first team to receive ten points advances on to the next round.

The Broncos started Friday by playing Mason JV at the Angelo State University courts. Due to the storm the night before and the time required to dry the courts, Friday morning, a time limit was set on the first round. Whichever team was ahead at the end of the time won. The Broncos won this round by winning eight to six. In the quarter finals, Sonora met Eldorado. It was very tough competition from a strong tennis team, and the Broncos lost eleven to one. The next round was very closely matched against San Saba. The two teams tied at nine wins apiece. In this case, you count the number of sets won, in which the Broncos were beaten 24 to 20. This loss sent the Broncos into the last round against Menard, where they won 11-3.

### 7TH GIRLS FIRST TRACK MEET

"The seventh girls did a great job for their first track meet," stated Coach Carol Sessom. "They placed second overall and had some great times for this early in the year," Sessom added.

Following are the results of track meet held in Iraan Friday, March 3, 1995.

**Long jump:** Kara Eaton 2nd, Rita Lopez 3rd, and Veronica Velez 6th.

**Running high jump:** Cindy Jones 2nd, Sarah Ball 3rd, and Sarah Lomas 5th.

**100 meter low hurdles:** Evelyn Mungia 5th.

**800 meter run:** Lizzy Padill 2nd and Lorena Hernandez 5th.

# Valiant Effort

by Martha Valliant McLain

(If you have items for this column, please call 387-5060 and leave a message)

Albert Ward's heart attack this week came as a shock to the community. Thursday night late, Albert started feeling that he couldn't breathe, and then felt nausea. When he started having chest pains, he and Cynthia started to town. They called 911 and an escort of law enforcement cars met them on the way to town to help them arrive quickly. The emergency room at the Sonora hospital treated Albert before transferring him to Community Hospital in San Angelo. He spent some anxious hours in ICU, but was in a room by noon Saturday. The hospital in San Angelo credits the Sonora Emergency Room with saving his life. The damage from the attack was small, and he is expected to recover. Treatment will be primarily a life style change.

Albert and Cynthia had spent Wednesday in San Antonio holding my hand while Dean McLain had shoulder surgery. On the way to the hospital, Dean was trying to decide where he wanted to go for lunch. His surgery was planned for 10 a.m. It was supposed to last 2 hours, but it lasted over 3 hours. He had torn a rotator cuff in his shoulder. It could not be done orthoscopically because a bone spur had to be removed and the muscle repaired. We arrived home at 5 p.m., and he was much too sick to eat. Things are going well, but his arm will be in a sling for 4 to 6 weeks. This type of surgery is very successful, but it involves a lot of pain.

Saturday was the day for Sonora at *The Phantom of the Opera*. George and Martha Wallace, Jim and Betty Stephen, A. W. and Leona Bishop, Warren and Liz Hemphill, Anita and Joe Lane, Doyle and Faye Morgan, Bobby Lou and Ralph Mayer, Jamie and Carol Parker, Dr. Bernie and Mary Rust, and Dean and Marti McLain were at the Lila Cockerell Auditorium for the matinee. Also, attending were the Rousselots: Doris, Norm, Mark, Reed, Nicole, and Jordan Anderson. Marsha (Finklea) Cardwell was there with Margo and a friend. It was a wonderful show. Visually, it is one of the most spectacular shows you will ever see. It includes a boat ride with candles lit on the sides of the water, a huge masquerade scene, a mock opera with a giant mechanical elephant, and great suspense. It is quite an event, and the cast for the road company are excellent. I never felt myself missing Michael Crawford, the original Phantom.

Before the show, most of the above group went to a restaurant called Anabelle's. It is at Lockhill-Selma and West Avenue. We selected it because it will run a bus from the restaurant to the auditorium and back. We decided that the bus was not enough of an incentive to ever get any of us back to Anabelle's. We had made reservations, so they were expecting all 18 of us, but they were

not prepared. On some plates, the food was cold and burned. None of the orders came out at the same time. Two or three orders would be served to one table and then two or three to the next. They wouldn't do one check. Tickets were lost or wrong. One diner had ordered a hamburger. He said that it was not as good as McDonald's. There was only one good thing that we remember about the restaurant, the buns were very large, huge in fact.

Others who attended performances of the "Phantom" included the Glen Richardson's, who planned their tickets for a time convenient to their grandchildren. Sunday matinee was attended by Carol Love, Rita Hale, Gail Cade, and Salena Galbraith. Anita Hudson, Louise Dermody, and Melissa Carroll had made plans to attend. Ronnie and Alice Cox plan to see the show on their anniversary, April 1. Ruth Shurley and her daughter Kay and granddaughters, Brigitte and Allison have tickets. They will be celebrating Kay's birthday. I think that if attendance was rated on a per capita basis, we would find that Sonora supports the arts in San Antonio better than San Antonio does.

Saturday night was Tarantella Dance Club night. Very special decorations were made by Kristin Hick's Boy Scout Troop. The decorations were Japanese fighting kites. They used torn tissue paper that created a mosaic feeling to the decorations. They were beautiful and unique. Hosts for the dance were Walter and Dorothy Pope, Ronnie and Alice Cox, Kristin and Clay Hicks, Bill and Claudia Dempsey, and Dick and Peggy Street. The dance was well attended with about 80 people present. The band was wonderful, according to the dancers. It was the same one that played at the Christmas dance. What was their name?

Our sympathies this week are with the Mayer's family. Martha Hurst, age 94, died in Houston. She was the wife of Phil Hurst, only brother of Mrs. Edwin Mayer. She was Aunt Martha to her many nieces and nephews and had many friends in Sonora. Doris Rousselot and many other family members had visited recently. She will be remembered fondly by friends and family.

Sonora teachers are utilizing the Carnegie Foundation grant for special training and sharing their knowledge with other schools. Several days ago Alice Cox and Tracey Ferguson were the presenters of a program at the Texas Middle School Conference in Ft. Worth. It was quite an honor for our teachers to be selected to share their knowledge with their peers. On Tuesday, Betty Stephen, Jackie Poloczek, and Lindy Valkenen will be off to Philadelphia for training that will help them to better prepare their students to be a part of the community. Janet Patton and Mona Simpler have returned from Rhode Island where they received training sponsored by the Carnegie Foundation. No wonder we have such excellent schools. We have teachers that are always ready to learn what is new and implement it to help the children in Sonora.

I have heard great things about the parents, kids, teachers, and animals that went to Houston for the big show. I hear that three large trailers of animals were hauled to the show and made a large haul in prizes. I'll try to have some details next week. Congratulations to FFA and 4-H.

Let me know where your college kids are headed for Spring Break. I know that there will be some ski trips and many will be somewhere south in the sun. Thursday bridge met last week at Faye Morgan's, with two tables of members attending. Dessert was chocolate delight. High was won by Cynthia Ward and travel was won by Honey Hicks. Pat Merrill won bingo.

Dan Cook, the San Antonio sportscaster and writer, shared a wonderful story about Harvey Pennik, the author of *The Little Red Book about Golf*. Harvey is a 90 year old Austin golf pro, who started carrying a little red spiral notebook with him on the golf course in 1920. He had shown the book to a friend who is a writer and asked if he thought the material would make a good book. The friend returned the book to him and with a note saying that Simon and Schuster wanted to publish the book and had agreed to a \$90,000 advance. Harvey called his friend to thank him and to say that he was unable to come up with \$90,000, but he appreciated the help. Harvey's book sold over a million copies, and he now has a new book out called, *If You Play Golf, You Are My Friend*. It's wonderful that he didn't have to come up with the \$90,000.

I hope that you took a moment this week to remember Texas Independence Day. In 1836, our ancestors were fighting for our freedom. We need to take a moment to be grateful.

The Albert Ward's receive the "when it rains it pours award" this week. On Thursday morning, Cynthia's car skidded on the ice and she had a fender-bender when her car hit the guard rail of a bridge. That same night Albert had his heart attack. I do think that was enough.

I understand that Phil Gramm was born in Georgia. A friend of mine is wondering if that makes him a "Gramm Cracker".

## SONORA WOMAN'S HISTORY WRITTEN FOR GRANT PROPOSAL

continued from page 2

The stated goal of Woman's Club has always been to promote culture and to furnish a medium through which its members could work for the general good of the community. In 1926, Woman's Club voted to make the library its sole project. As the library expanded in its new quarters, Woman's Club devoted all of its energies and finances to maintenance, purchasing books, and staffing the facility with volunteer/member help. Sonora Woman's Club never wavered in its unconditional support for what it believed was a vital component of the cultural enrichment of Sonora.

In 1975 it became apparent that the library had outgrown the club house. With no large block of funds available to build an addition, Woman's Club opted to sell the club house and move the library to the 2nd floor of City Hall.

As the oil and gas boom of the late 1970's doubled the population of Sonora, the location of the library became less satisfactory each day. Throughout this time of upheaval, Woman's Club continued to wholly support and maintain the library operation.

Finally in 1982, the Aldwell family generously donated an older home to the club. The library, relocated once more, settled into this convenient, downtown site which seemed to be a permanent answer to its physical needs.

It was at this time that the Sonora Woman's Club made the decision to give the library to Sutton County for the following reasons.

1. The growth in population increased the use of the library to the point that services required could not be entirely provided by the volunteer staff.

2. As a privately owned institution, the Sonora Woman's Club Library was not eligible to participate in library services provided by state and regional library systems and associations such as interlibrary loans of books, books on tape and audio visual material. Neither could it benefit from the Consulting Services and Continuing Education Seminars offered by the state library system.

Sonora Woman's Club gave the library, including the land, house, and contents to the county. The renamed Sutton County Public Library then became a member of both the Texas Library Association and the Big Country Library System, with all the responsibilities and attendant privileges.

Woman's Club has continued to pay for some books, periodicals and equipment, and to operate in an advisory capacity. Although the library is now maintained by the county, the successful Summer Reading Program is still entirely sponsored, staffed, administered, and funded by Sonora Woman's Club.

Nellie C. Adkins

Our latest member of the local education community to be spotlighted has the distinction of having been a world traveler at the ripe old age of two years. Even though she was born in Austin, Texas, Nellie Adkins traveled to Germany shortly after World War II with her military parents, and was there during the famous Nuremberg War Crimes trials. She later spent time in Virginia and California before settling in San Angelo when she was in the sixth grade. Nellie continued her schooling in San Angelo, graduating from Central High School and earning a degree at Angelo State University.

Nellie is in her 21st year of service with the Sonora Independent School District. She is the librarian for the Primary School, and is in charge of the accelerated reading program. She freely makes the statement that if it were not for her two volunteer aides, Mrs. Sandi Ainsworth and Mrs. Sylvia Martinez, neither the library nor the reading program would be functioning as smoothly. As it is, they are both sorely missed on the frequent occasions when they are hi-jacked to substitute in regular classrooms. Nellie and Jack Adkins, married for twenty-five years, are the parents of two college students: Christie, a graduate of Angelo State University now working on her Master's, and Blake, a junior at ASU. Both excelled at Sonora High School, and both are now interested in scientific subjects which may lead to careers eventually.

According to Nellie, her children were her hobby for years - now it's her garden. She loves flowers, and is both adept and knowledgeable about raising them at her home West of Sonora. A friend has praised her as having the patience of Job with all she does - be it books, children, or flowers.

Her job description may very well say "Librarian," but perhaps the additional items that Nellie passes out so generously are more important: love to the young children, tissues as needed, hugs, sympathy, and help of any kind are her stocks in trade.

## SUMMER YOUTH EMPLOYMENT/TRAINING PROGRAM

Jobs will be available for area youth again this summer through the Summer Youth Employment and Training Program operated by the Concho Valley Council of Governments. The eight-week program will be operated from June 5-July 28 and will allow youth to work up to twenty-five hours per week.

Public agencies and private nonprofit organizations are used as work sites. The purpose of the program is to provide basic work experience to better prepare the youth for the world of work, perform meaningful work in the community, and provide economic resources to enable the youth to return to school in the fall. Counseling and labor market information will be provided to each participant working this summer.

To qualify for the program, youth must be at least 14 years of age and meet low family income guidelines. Applications will be taken Wednesday, April 5, 1995 at Sonora High School at 1:30 p.m. Students should bring a copy of their social security card, birth certificate or resident card, and utility bill or phone bill to show proof of address.

For more information contact: Monette Molinar, Director, Concho Valley Employment and Training Program, (915) 944-9666.
