OPEN LETTER

The Chinese say, "A trip of a thousand miles begins with a single step".

Well, there's a trip that a lot of Sonorans have talked about taking for a long, long time. For years we've talked about building a first class community/convention center.

The first step on that trip was taken. About 30 interested citizens met at the Sutton County Steak House to share ideas and information, to plot strategy for the steps to come.

A steering committee was elected. Diana Condra was chosen to chair the committee. Bill Keel, Jimmy Cahill, Carl Teaff, and Barry Limbocker are the remaining committee members.

They will convene a second meeting of interested citizens on September 12, most likely at the high school. Possible sites for it, costs and fund raising, construction oversight and transfer of property to the city and/or county for permanent maintenance. There will be lots of details to work out.

Lots of ideas are needed. At this stage of the process, no idea is a bad one. Lots of enthusiasm is needed. Lots of patience. Lots of support for those entrusted to carry the heavy end of seeing this project through. But mostly what is needed is lots of community spirit. People working side by side to make their hometown more prosperous and more enjoyable.

There could be those who would ask, "But is this trip really necessary?" No one can say for sure. But what can be said for sure is that the natural gas reserves which have fueled Sutton County's prosperity for two decades are going to be depleted probably within the next two decades. If Sonora is to prosper beyond that time, a more diverse economic base needs to be developed now. A first class, multi-use convention/community center is one thing the whole community can do to develop that base.

Let's take this trip - together.

Sincerely,
Lewis Allen

Louise Hulsey died August 14th of a massive heart attack in Hobbs, New Mexico. She was a Charter Member of the Sutton County Emergency Medical Service Ambulance Crew for several years in the 1980's.

Dedicated is a word that goes hand-in-hand with Louise. During her EMS career she was raising children, grandchildren and had a husband who worked long "Dowell" hours. With these irons in the fire - still - she put many, many hours on call and the 80's were very busy times for the ambulance service. Louise loved helping people who were sick or injured. She was willing to go into the worst truck wreck with the littlest crawl space and do what needed to be done to save a life.

If you would like to honor her memory by sending a sympathy card to her family the address is:

ASSEMBLY OF GOD SLATES REVIVAL

by Rev. James A. Lee

Evangelists Ron and Karen Green will be at the New Life Assembly of God Church September 3rd-8th at 7:00 p.m.

The Greens are a dynamic evangelistic team, who I am privileged to be personal friends with. I have been in several of their power packed services where the gifts of the spirit flowed free, prophesying, healing, salvation and numerous other great things happened in this ministry.

Sister Green is a dynamic preacher who brings the word of God like no one you have ever heard. Brother Green has the gifts working in his life. They both sing with a tremendous anointing.

Everyone is invited to join the Assembly of God for six days of power packed services. Bring the sick and expect miracles. Marital problems? God can mend it. Searching for something? look no further - Jesus Christ is the answer.

SCOPE COMMITTEE "STACKS THE BED"

by Tom Payton

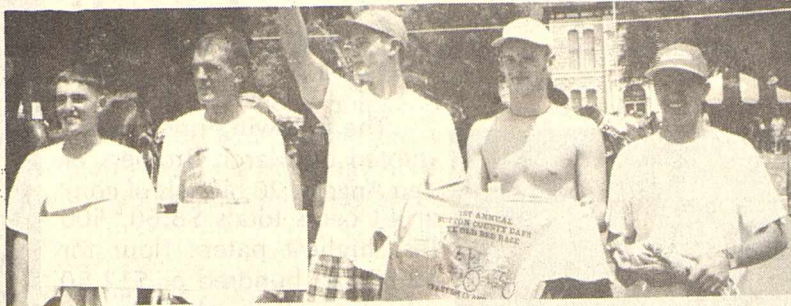

The Sonora Wild Bunch would like to thank all the participants of the first Sutton County Days "Ye Ole Bed Race". It was obvious from the beginning that one or two of the teams had "stacked the bed". The winner of this moving event was SCOPE. Team members were Levi Pool, John Jones, Chris Neal, Josh Burnham, and Caleb Barker (young athletes) with a time of 14.59 seconds. Second place went to the Bad Company Bullriders and third went to the Boxer Boys.

The Wild Bunch would like to give a special thank you to the Bad Company Bullriders and David and Dedra Jennings for their participation. There were unfounded allegations that members of the Wild Bunch cheated during the match race. The thing they should have remembered was that the Wild Bunch made the rules, so we can change them.

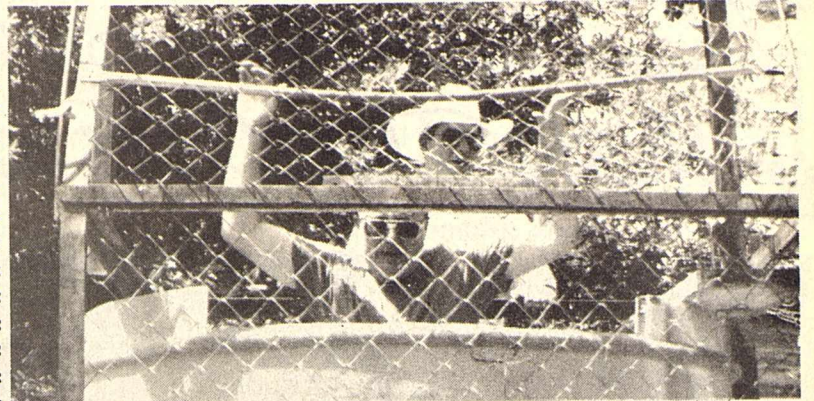

We hope that everyone had a good time and will make plans to "run with the bed" next year.

Participants of the first Sutton County Days "Ye Ole Bed Race" were: Boxer Boys - Curry Campbell, Cades Pope, Howard Britton, Jimmy Forrest, and Debbie Johnson; First National Bank - Yolanda Avila, Ida Bruns, Elaine Donaldson, Debra Hobbs, and Beth Snyder; Gals - Katie Burge, Storie Bonner, Candie Sessom, Beth Covington, and Mattie Nix; K&K Kar Kare - Todd Munn, Danny White, Cliff Brister, Paul Freeman, and Dusty McCaudless; Sutton County National Bank - Larry Finklea, David Wallace, Tonya Brown, Laurie Smith, and Rosa Hernandez; City of Sonora - Becky Covington, Melissa Teaff, Sue Moore, Melett Rowland, and Patti Prather; Chamber of Commerce - Glen Love, Fran Pennington, Anita Hudson, Jack Smith, and Ben Pool; Sonora Fireman's Auxiliary - Dianna Green, Darla Lipham, Michelle Lipham, Carla Luttrell, and Christie Talley; Bad Company Bullriders - Dan Wolfe, Chad Beaver, Mark Swingler, Mark Callahan, and Pam Powers;

SCOPE - Caleb Barker, John Jones, Levi Pool, Chris Neal, and Josh Burnham; Sonora Wild Bunch - Tom Payton, Tyron Fields, Keith Wallace, Vickie Wallace, Edward Earwood, and Bill Cascadden; Sonora Wild Ladies - Vickie Wallace, Anita Spiller, Carolyn Earwood, Margaret Cascadden, and Tom Payton.

Q. I am working on my family tree and have come across an old card dated December 1897 showing a relative J.M. Odie living in Sonora. The family bible says J.M. died in 1898 but no other date or explanation of this death can be found nor entry of who J.M. is or J.M.'s sex. Did he/she die in Sonora? What did he/she die from?

A. We found the following in The Devil's River News of January 22, 1898: Ballinger Texas, Jan. 12 - A man by the name of J.M. Odie who came here from Sonora last Sunday morning for treatment, being in the last stages of consumption, was found dead in his room at the Pearce hotel, having died in the early morning with a severe hemorrhage. He was an entire stranger here, but has a brother in Macedonia, Ill., who has been notified.

We suggest you contact Ballinger to get any further information regarding death certificate or place of burial.

Someone asked me once if I had any information on the murder of Jack Adams in Temple, but they didn't have any date for the murder. We just happened to come across it in the same issue of The Devil's River News: Temple, Tx., Jan. 13 - The city was startled this

morning by the news of the killing of Jack Adams by T.M. Keith. Mr. Adams with Mrs. Keith and Mrs. Con Sullivan were in a surrey going to Belton, Mrs. Keith as complainant and Mr. Adams as a witness in divorce proceedings, the case being docketed for trial today. When just at the city limits, at the reservoir, Mr. Keith stepped from behind a telephone pole and fired twice a shotgun loaded with buckshot. One load struck Mr. Adams in the left head and arm, the other entering the breast. The horse ran and the body of the dead man fell over the wheel, upsetting the vehicle. The ladies ran screaming to the house of Mr. C.C. Dickson, who was close by, and Keith mounted his horse and rode up there and called for his wife. She refused to come out and he rode away, but in a few minutes returned and again called for his wife, promising to surrender his gun to Mr. Dickson if she would come out, but she refused. He then galloped back to town and took refuge under the house of Jeff Leak, where he had formerly made his home. Marshal Williams and Constable Roper went after him and Keith proposed to surrender if the marshal would pledge not to put him in jail. The promise was made and Keith came out and surrendered and he was immediately taken to Belton.

We suggest you contact the Bell County Courthouse in Belton, the county seat for information on the outcome of this incident.

Here are a few other articles of interest in this paper: Mr. and Mrs. Fred Berger were in Sonora several days this week from E.E. Sawyer's ranch. W.T. Haines sold his house in West Sonora to W.W. Pittman this week for \$350. Dr. C.F. Gray, the dentist with patent electric inhaler, for the extraction of teeth without pain or harm, by means of vitalized air, is in Sonora, and will remain until Wednesday, Jan. 26th. Persons wanting work done in his line, should call on him at the Commercial Hotel. Tom Ake of Coleman bought Hennen Caruther's interest in the Red Front Livery Stable for \$1500.

The following prices were quoted by March Brothers of San Angelo: 20 bushels of corn at 43 cents totals \$8.60. 500 lbs. highest patent flour for \$2.50 per hundred or \$12.50 300 lbs. short clear bacon \$5.90 per hundred wt. or \$17.70. 100 lbs. standard granulated sugar \$5.75. 60 lbs. 1 bushel Irish potatoes for 85 cents. 10 sacks of no. 2 Kansas salt at 96 cents a sack or \$9.60.

If you have any questions concerning Sutton County history, send them to: "Ask the Historical Society", P.O. Box 885, Sonora, TX 76950-0885 or give us a call at (915) 387-5144 or 387-2855, after noon, please.

Saturday night's rodeo was declared "Luther Chalk Night". Luther (Center) was recognized for all the work he has done to help make the Sonora rodeos better for everyone. He was presented with the Top Hand Award and was given a belt buckle in appreciation of his efforts. Pictured with Luther are (Left) Stacey Pennington and (Right) Tommy Love.

FIRST SUTTON COUNTY FAIR A GREAT SUCCESS

by Kelly Lewis

The first Sutton County Fair, sponsored by The Sonora Chamber of Commerce and The Texas Agricultural Extension Service was a big success. Over 200 entries from youth and adults were displayed in the old Spain's building during this year's Sutton County Days festivities. The 1995 Bronco football season got off to a big start with a hamburger supper-intrasquad scrimmage held at Bronco Stadium on Friday, August 18. The scrimmage was preceded by comments from Cory Turner, team trainer, and Head Coach Bob Bellard. Bellard spoke to a very nice crowd of close to 100 parents and Bronco Booster Club members, all of whom braved hot temperatures to get a glimpse of the 1995 edition of the Sonora Broncos.

The Broncos, coming off a sterling 1994 campaign, demonstrated impressive team speed, which appears to be their most dangerous weapon in the coming season. Recent Bronco teams have showcased very fine athletes, and the Broncos have had large, talented linemen; this team also looked to have a significant degree of talent, but quickness, not size, appears to be the Bronco strength this season. The Bronco defense was particularly effective in shutting down the offensive plays run against it, and the defense's speed was demonstrated in gang tackling; few plays run against the 1st team defense gained any yardage, and most were stopped in the backfield by more than one 1st team defender.

The Bronco 1st team offense started the scrimmage passing, and was marginally successful moving the football. Josh Burnham started with the 1st team at quarterback, with Mike House at fullback and Justin House at tailback. Burnham showed a strong passing arm in his pass attempts, but due to some good play on the part of the defensive secondary there were several incompletions and the Broncos went back to their running game to get themselves moving. During the Broncos' first offensive series Justin House had a 4 yard run and Mike House had a 1 yard dive after a Burnham incomplete pass, and the Broncos were forced to start over from their 30 yard line.

The Bronco second offensive series was more successful. Two incomplete passes started the series, but Adrian Mata, replacing Justin House at tailback, ripped off a 10 yard gain on 3rd and 10, energizing the offensive effort. On 1st and 10 from the 40 yard line Mike House gained 6 yards on a fullback dive, but his effort was followed by two incompletions, bringing up 4th and 4. Mata again sprang free in a clutch situation, gaining 7 yards on the 4th down play. This would be the last play for the 1st team offense, and the 1st team Bronco defense took the field.

The Broncos are employing a split defense this year, very similar to last year's defense, which should again help their outstanding linebackers, Josh Burnham and Levi Pool, to chase down more ball carriers outside the immediate line of scrimmage. If this scrimmage was any indication the strategy appears to be working; both were in on many stops, along with cornerback Caleb Barker, lineman Ben Taylor, and end Raymond Hubble, all of whom looked very effective shutting down running lanes and pursuing to the ball.

The offense attempted an off-tackle right play on 1st and 10 from the 30 yard line, but Hubble, Barker, and Pool shut it down for no gain. The left side of the Bronco line appeared a bit less stable on second down as an off-tackle left play broke for 13 yards. At the 43 yard line, however, the offense being run against the Bronco 1st team defense ran into a brick wall, and gained no more yardage the rest of the evening.

The Bronco defense stopped everything; Davis Hale defended a pass attempt on 1st and 10 causing an incompleting, Caleb Barker and Hubble stuffed a sweep right attempt on 2nd down, Pool and Barker stopped an off-tackle right play on 3rd down, and Alex Gonzales delivered a crushing sack on the 4th down pass attempt. Ben Taylor also recorded several tackles during the following series against the Bronco defense, including a tackle and resulting loss of 5 yards on an option play left.

The scrimmage was, by all accounts, a success. The Broncos were able to see what needed work offensively and evaluate some personnel on defense while still looking very impressive in their 1995 debut. The Broncos' next outing will be another controlled scrimmage on Friday, August 25, against the Iraan Braves, who are picked to finish first in their district this year, and have some team speed of their own. The scrimmage should be entertaining and a good early-season test for the Broncos. The Iraan scrimmage will be held at Bronco Stadium, and all fans are encouraged to attend and support the Broncos in their efforts during the 1995 season.

"We Put The DELICIOUS In Deli"

Valliant Effort

by Martha Valliant McLain

It is said that people with the same birthday, even if they are years apart in age, must really be very much alike. Try to think of someone local who has the same birthday as someone famous. Here are some of their professed characteristics. They both grew up in "piney woods". Both are concerned with the national economy. Both love someone named Hillary. Do you know who the birthday twins are?

Saturday was one of Sonora's most successful celebrations. The town was very crowded, and everyone seemed to be having fun. The rodeo in Sonora was packed for performances. We are getting the top talent in the nation for our rodeo, and people want to see them. Are we outgrowing our facilities? Someone mentioned that the stands are overflowing. Someone else said that the bathrooms are in need of repair. Let me know how you feel about our facilities.

Mae Ward was entertaining Martha Keng and family at the Sutton County Steak House last Friday. Martha is planning a move to a retirement apartment in San Antonio. I have driven by the apartments many times, and they are beautiful. She will have some assistance when needed and will have an opportunity to do more with activities planned at the apartment complex and will enjoy the transportation provided for residents. We will miss seeing Martha, but we are happy that she will be able enjoy more activities after the move and have special care when needed. It was great to see Martha's daughter, Dr. Jan Keng Warner and her husband, Dr. Tom Warner. Jan and Tom were joined by their son and daughter with their spouses.

Sonora may not have a Big Mac, but for a week we will have a little Mac. James MacAllister Porter will be visiting his grandparents, A.W. and Leona Bishop. Mac is 6 months old and is the son of Jim and Karen Bishop Porter of Austin.

Joe and Anita Lane have returned from a trip to Tennessee. As Joe continues to improve, he is able to do more to restore the mountain cottage in the Smokies. We are glad that he is home safe again.

I saw a picture this week of Sarah Howie, daughter of Ed and Katherine Parker Howie. She was sitting happily in a back pack on her Dad's back. She was a very contented traveler. She was visiting Rachel Stephen in the Czech Republic. Rachel is a Baptist missionary and will finish her term of duty next December. The Howie's had a wonderful trip, and Sarah was a very happy camper. The picture was beautiful; she is all eyelashes. How many of you made a tour of Europe before age 1?

W. B. and Lucille McMillan, Allie and Vestal Askew, and Bobbie Fawcett were in San Antonio attending a party celebrating the 60th anniversary of Gay and Este Copeland. The party was held in the club house of the beautiful Los Patios where the Copeland's are living. Hosting the party were their children, Ralph, Dick, and Gayle.

Sammie Espy was back for the George Allison Heritage Award. She is recovering from a hip replacement surgery and was walking with one crutch. We are glad to hear that she is recovering rapidly. She will be back on the golf course soon.

Nelson Stubblefield was a host to a reunion of the class of 1940. Billie Cartwright Smith was here to attend with her sister Juanita. It is great that the class could get together, but I hope that

we will see them again in Sept. at the Ex-student's associations reunion. I know that if Nelson was the host, the party must have been great. Have you tried one of his pecan pies? He makes the best!

Happy birthday to Tammy Love who celebrates this month and to Kenny Henderson who is also a year older. His daughter Kaitlyn Henderson is about to be 5.

We celebrated Trapper Valliant's 10th birthday a couple of weeks ago at La Mexicana so that Trapper could have fajitas and chocolate cake. He shared the celebration with Beverly Valliant, his grandmother who was celebrating an undisclosed number of years. Happy birthday to both.

The David Wallace family recently returned home from a visit to Beth's family in Lafayette, LA. The family swam, played tennis, visited, and ate wonderful seafood.

The McMillan's, W.B. and Lucille, returned home from Alaska. They flew to Fairbanks and toured for three days. Then they took the train through Denali Park and saw spectacular scenery and wild life. One exciting event was getting to see a bear chasing a moose. The train trip ended in Anchorage where they spent several days before returning home.

Bennie and Lou Ann King have been to a family reunion in Clyde, Texas. They also visited his 96 year old mother.

Did you see Turney and Irene Friess in the parade? The wagon was wonderful, and so were the costumes. John Duke Hudson, Collier Dermody, and Bailey Joe Pennington were 3 of the little cowboys riding in the wagon.

We saw Collier Dermody at the Steak House Friday. When we greeted him, he spoke and shook hands with everyone at our table. He's such a little fellow that he had to weave around the table to get to everyone. He finished with us and was headed to the other room to greet all of the diners there. His daddy caught him just in time to head him off from "working the other room". It is wonderful to see a child who has been taught manners.

I heard that J.W. Johnson and Tom E. Valliant were the horse shoe throwing champions. You should watch that competition next year. Those guys are good, and they really work at tossing iron.

Have you solved the riddle of the birthday twins? She grew up in East Texas and he grew up in Hope, Arkansas. He was elected because of the economy and her shopping skills help keep our economy healthy. She has a granddaughter named Hillary and he is married to a Hillary. I am sure that you have figured it out by now. Happy birthday to Martha Wallace and President Bill Clinton. They were both a year older on Saturday.

BRONCO BAND NOTES

by Salvador Trinidad Jr.

Welcome once again fellow newspaper readers! I hope that all of you enjoyed your summer! Yes, it's the time of year when time has moved on and brought us back to another school year. Sonora High School's student population has increased quite a bit this year with the vast amount of freshmen who have come in and also the many new people who have moved to Sonora. It is my understanding that the current Sonora High School student population fluctuates around 350.

With school starting, Monday night practices for the band are also starting. We will practice every Monday night from 7:00 p.m. to 9:00 p.m., except on those Mondays that fall on a holiday. As many of you might know, the purpose for these Monday night practices is to learn our marching show to the best of our ability.

In addition to all of this, I would like to inform you about a SPONSORED FREE CAR WASH! (That's right, you didn't just think that you saw the word FREE, you did see it!) The way this type of car wash works is that members of the Sonora Junior High Bands and the Sonora Mighty Bronco Band get sponsors to make pledges for each car that is washed. We plan to wash at least 250 cars in one day at three different car wash sites. We are asking sponsors to pledge at least one nickel for every car that is washed. (If you wish to pledge more than a nickel, it will be greatly appreciated!) The car wash will be held on Saturday, September 23rd. The SISD Bands, would like to invite and encourage you to bring ALL of your cars, trucks, etc. to have them washed for free, whether you are a sponsor or not! The search for sponsors will begin Thursday, August 31st and continue through September 14th. Don't be surprised if a band member shows up at your door to ask for your support! I'm sure that you will hear more about his later on, so keep your eyes and your ears open for further information.

Thank you all very much for taking a few of your minutes to check out what the band is doing these days. We hope that with your support and your help we will be able to make this a great success for the Sonora ISD Bands!

Until next time, take care and enjoy what's left of summer. Remember - it's only here for a "limited time"!

Mike Hale (right) presents Ben and Lenora Pool with a plaque of appreciation from the Sonora Bronco Booster Club.

BOOSTERS HOST HAMBURGER SOCIAL

by Vickie Barker

President Mike Hale welcomed the crowd at the Booster Club's Hamburger Social. Mike went over a few of the Boosters upcoming activities. He introduced officers vice president, Tom Clifton and secretary, Vickie Barker. Mike thanked all the fans for their support and hopes that this spirit will continue to grow through out the 95-96 Bronco season.

Coach Bellard addressed some of his concerns for the upcoming season. He stressed that he wants the parents and coaching staff to have an open line of communication.

Sports medicine trainer, Cory Turner, explained how to deal with injuries and insurance. He also stressed communication between parents and coaches is a must.

Nelwyn Churchill introduced the varsity and junior varsity cheerleaders. They did a great job of leading a few cheers. They seem to be ready for a great season, leading the Bronco fans in great enthusiastic style.

Nelwyn reported that the cheerleaders had been hard at work painting rally signs and selling Bronco jackets. She thanked all the fans for their support in these projects.

Fans and parents were invited down on the field to watch the Broncos go through some drill work. Then they had an intrasquad scrimmage. Broncos are working hard and it was fun to be down on the field and see the action up close.

After the scrimmage, the Boosters fed over 400 fans, parents, and team members. It was great to see such a good crowd. The Boosters were worried there would not be a big crowd because of the busy Sutton County Days weekend. But we had more this year than last, so, we feel we have accomplished our goal.

The first official Booster Club meeting will be Monday, September 11 at 7:00 p.m. at the High School Library Conference Room.
