Broncos Crush Reagan County, 22-7

Sonora Defense Dominates Owls as Broncos Improve to 7-2

The Sonora Broncos allowed only one decent offensive drive during the entire game Friday night in Big Lake. The offense, moving effectively through the air and on the ground, ate up the clock and scored consistently in a much anticipated battle with Reagan County. The Owls, fighting to maintain their very dim playoff hopes, tried valiantly to move the ball against Sonora, but the Bronco defense, as patched-up and makeshift as it was, did a great job stuffing the Owls through the air and on the ground.

Caleb Barker and Josh Burnham led the Bronco defensive efforts. Barker returned an interception for a touchdown with 3:08 remaining in the 1st quarter, intercepted another pass later in the game, and recovered a fumble deep in Bronco territory to thwart a Reagan County scoring attempt. Burnham was in on many tackles throughout the evening and equally effective in pass defense; he and Chad Bruns, playing linebacker for the injured Adrian Mata and Levi Pool, had solid performances to seriously hinder Reagan County's ability to run the ball all night long. Raymond Hubble, John Jones, and Andy Mirike all contributed solid performances on defense as well.

The offense was also effective against Reagan County; Caleb Barker ran and passed the ball well, making good decisions and hurting the Owl defense with his efforts. Davis Hale had a big night catching the ball, as did Steven Gandar and Justin House running the ball. The Bronco offensive line, although undersized compared to Reagan County, did a superlative job opening holes and giving Barker time to pass. The Broncos were particularly effective running the ball off tackle and wide against Reagan County, thanks in large part to the blocking of tight end Curt

Dempsey and wingback Colely Thompson.

Reagan County received the first kickoff of the evening and drove, on their most impressive offensive effort of the evening, to the Bronco 5 yard line before Caleb Barker pounced on a loose ball in the Owl backfield to end the scoring threat. During the drive Davis Hale recorded a sack and caused another fumble, recovered by Reagan County. The Broncos were able to move the ball well on their first possession, which started at the Sonora 1. Steven Gandar carried the Broncos' offensive load initially, breaking runs of 8 and 38 yards to move the ball to the Sonora 47 before the drive stalled. Davis Hale made a great catch at the Owl 45 to bring up 2nd and 2, but on 2nd down Gandar was tackled for a loss, and a Barker pass attempt fell incomplete on 3rd down. Massey's punt forced the Owls to begin their next possession at

The Owls tried to run on 1st and 10 from their 20, but end Kris Wood stuffed the off-tackle play and on 2nd and 8 a pass into the left flat was read perfectly by Barker, and 25 yards later resulted in the Broncos' initial score of the evening. The run was remaining in the 1st quarter.

The game settled into a between-the-twenties dual during the second quarter, with both teams seeking to establish some offensive consistency and neither able to do so. Both teams had long drives, but both were stopped well short of the end zone by stingy, tough defenses. Josh Burnham emerged as a force during the 2nd quarter, springing several fine runs from his new fullback position, and hurting the Owls up the middle almost every time he touched the ball. Steven Gandar and Barker also played well in Burnham, Offense Best Game - Davis Hale, Defense Best Game the 2nd quarter, but despite their efforts and due to the efforts of the Bronco defense, the score at halftime remained 6-0.

The Bronco offense got the ball after halftime and, just as Reagan County did as the game began, marched down the field on a very impressive drive. The Broncos were initially hindered by an illegal procedure call, but a Barker pass to Hale in the right flat and a twisting run by Gandar helped the Broncos overcome the error and gain a 1st down at the Sonora 32. Another complete pass to Hale gave the Broncos another first down, and from the 45 Barker hit Raymond Rainer for 20 yards with a well-thrown ball, and a roughing the passer penalty moved the ball to the Owl 15. From here Gandar took over, running around and through the Owl defense until, with 6:08 remaining in the quarter, he bulled into the end zone. Barker's option keeper into the end zone for the two point conversion gave the Broncos a 14-0 lead.

Josh Burnham (12) Defensive MVP for the Reagan County game tackles an Owl as Raymond Hubble (62) attempts to assist.

Reagan County scored on its next possession, completing an 80-yard touchdown pass and running it in for the score on a broken play, but the Owls never threatened to score again. The game again settled into a battle for field position, with neither offense wanting to make a mistake that would cost the ball game. The Bronco offense continued to move the ball as Justin House spelled Gandar at tailback and Barker continued to pass the ball well, but Reagan County was able to stop the Broncos on key downs, and the Bronco defense returned the gesture, stuffing Owl attempts to move the ball through the air or on the ground.

The score remained 14-7 until late in the 4th quarter. The Broncos had been winning the strategic battle of field position during most of the 4th quarter, forcing the Owls to escape their own end of the field before they could make headway offensively, and the Owls weren't up to it. As the clock wound down the Owls Knew they would have to sustain a drive in order to score a tying touchdown, so when they intercepted a pass at the Reagan County 9, they figured their chance had arrived. The Bronco defense wasn't quite ready to allow a drive, however. Reagan County tried two passes and two runs and gained a total of six yards before the Broncos took over on downs at the Owl 15. Two plays later Steven Gandar ran into the Owl end zone to put the icing score on the game; Barker hit Hale with a pass to convert the 2-point try, and clinch the game, 22-7, with 2:48 remaining in the game.

The Broncos' next game is Friday night at Bronco Stadium against the Crane Golden Cranes, a large, quick team that has a great individual effort as Barker tight roped down the sideline be quite a challenge for the Broncos as they seek to end their regular season at 8-2. Come on out to Bronco Stadium at 7:30 and support the Broncos - we'll see you at the game.

MEMBER 1995

TEXAS PRESS ASSOCIATION

I would like to personally thank everyone who chose to attend the town meeting, Monday, October 30th, concerning the recent rate increases and more specifically the landfill issues.

We thought it was important to give everyone a chance to be heard and possibly get some feed back as to how we could more effectively raise revenue and lower blood pressures. We did get some very good ideas as to what you would like changed and A big thank you goes to the Sutton County Steak House for how you would like it done. The City Council will be discussing these ideas at the next regular meeting, Tuesday, November 21st at 2:00 p.m. at City Hall. Some of you have said that 2:00 p.m. meetings are not very convenient for working folks. For years, the meetings were held at 9:00 a.m. and many complained so we changed them to 7:00 p.m. for six months with no increase in attendance. We have adopted the 2:00 p.m. schedule and it seems to be working.

> In the eleven years, I've been on the city council, I've missed only three regular monthly meetings. I am very proud of that record. I also realize and accept the fact that the buck does stop with me. As Mayor, I'd like to say a few things in defense of the council members who all have full time jobs, families, hobbies, bills to pay and headaches, like most of you. They along with myself, get \$50.00 a month for attending the regular meeting and \$25.00 for special meetings, This covers their time and effort spent taking care of city business. I realize they knew this when they accepted the responsibility. They deal with problems and agencies that were not even heard of ten years ago. They are expected to have first hand, up to date information on ever changing regulations handed down by the E.P.A., A.D.A., T.N.R.C.C., F.E.M.A, C.O.G, and so on. It's not an easy job, I

> Most of the issues we handle are mandated by some higher form of government and we are expected to implement it into our local government at what ever cost or inconvenience to the taxpayer. It can be very frustrating and nobody intentionally wants to do something to make anyone angry. So please, get the facts before you criticize. Call City Hall, call your council representative, or feel free to call me.

It's not easy to put your name and ego on a ballot, so if you are not willing to do that, please try and support those who are.

Again, thanks to all who came out for the meeting and feel free to attend the next regular meeting or any future meetings. Margaret Cascadden Mayor

What wonderful weather! The change of seasons is always my favorite time of year. I would not be a good citizen of Hawaii where the weather is practically the same year round. I

love the changing seasons.

Bridge was at Jerry Wallace's house on Tuesday. Bridge favors were masks that made everyone look like a spook. Chocolate cakes baked in the mini-bunt pans were desserts. This made them look like tiny pumpkins topped with orange icing. Pecan pie and fruit were also served. Twelve of the fourteen members were present, which was a record for this Club. Many members travel and attend events of grandchildren, so we are often lucky to get two tables together. Nell Wallace won the slam prize and Vicky Wallace helped host the party with Jerry.

Nancy Neil Law and Judy will be visiting in Sonora with Mrs. Jack Neill. Plans are underway for several days of bridge. Nancy's son Jack Neill Law and wife Rebecca also plan to visit later this week. Jack (known to many as Pepe) is stationed at Mildenhall Naval Air Base in Great Britain. He has been flying helicopters, but is now flying VIP's throughout Europe and Great Britain. Nancy has recently returned from Africa where she was with a group studying gorillas in the wild. She said that one frightening event occurred when a large male gorilla charged the group. The guides stand and shake branches at the gorillas, to indicate that everything is okay. The group followed instructions and fell in a pile when the large male charged. Nancy said she was trying to be on the bottom of the pile. When the group fell down, the gorilla stopped his charge. He had won, and he was dominant. He didn't have to hurt anyone to prove his point. Most of the time, the gorillas are very friendly and almost indifferent to visitors. They are all very protective of their young. Nancy will be going back in January to watch the gorillas again, with son, Jack, and his wife Rebecca. Tourists going to see the gorillas is one of the major ways of saving them.

Woman's Club met Thursday, at the home of Debra Williams. The program was a style show with The Image, The Bright Spot, and Ol' Sonora Trading Co. participating. It is true that you can be well-dresses and shop totally in Sonora. The stores here have wonderful things in all sizes. Lunch was a feast with baked turkey and dressing, mashed potatoes and gravy, steamed broccoli and carrots, fruit salad, assorted fruit and nut breads, and pecan pie. Jesse Lem Wardlaw and Pat Merrill will be in charge of the door prizes next month. The December meeting will be at Debbie

Tiffee's home with a program of Christmas Music by Ron Meyer.

The library opening has been set for early January with the Chamber of Commerce organizing the festivities. The building will be ready on schedule, but it will take a bit of time to move in. Efforts are being made to sign up volunteers to keep the library open 4 nights a week, extending the library hours to 9:30. Volunteers will be on hand, after some training, to check out books and help students with computers. If you are interested in signing up for a night, call Virginia Epps or Patricia Johnson. The Sonora Woman's Club voted not to do the volunteer work as a club, but to support it as individuals. The club has too many young mothers, who need to be home at night with their children and many older women, who are not comfortable supervising computers. If you can volunteer at night and can supervise computers, call and offer your services. You are needed.

The 1920 Woman's Club Cookbook is full of recipes that may sound outdated in the description of the ingredients, but are still wonderful recipes. Mae Ward still uses the Caramel pie recipe in the book. It was submitted by Mrs. Stella Stanley. I thought you might like a very old

recipe that is as good today as it was back then. Caramel Pie:

1 cupful of sugar; 1 cupful of milk; 2 tablespoons of flour; 3 eggs; 1 tablespoon of butter. Beat yolks of eggs and add half the Sugar to which flour has been added, then add milk. Brown the other half of sugar, add butter to this, and mix all together and cook in double boiler until thick. Let cool, pour into baked crusts. Beat egg whites, to each egg use 1 tablespoon of sugar. Spread on pie and brown in oven.

With the pecan harvest underway, I thought that you might like Mrs. Sam Hull's recipe for pecan pie. This is also from Mae Ward's copy of the 1920 Woman's Club Cookbook.

Pecan Pie:

Take 2 cups sugar, 2 cups water, boil to thick syrup, to this add lump of butter(size of egg), separate 4 eggs. Add to the yolks, 2 tablespoons of flour or cornstarch, 1 cup sweet milk, stir this mixture in syrup. When thick, remove from stove, add 2 cups of pecans, finely chopped, flavor vanilla. Bake crusts before putting in filling. Put whites of eggs on top and place in oven to brown slightly.

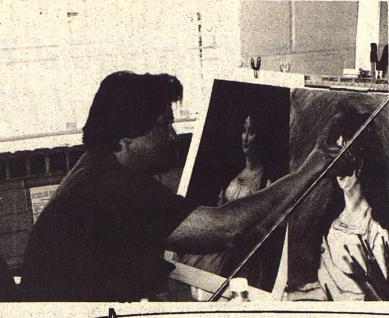

It seems that cooks back then assumed that you knew what temperature to use. No oven temperatures are listed. I have never used unbeaten egg whites on a pie, but I think that this must put a glaze on the pecans on top of the pie. It might be hard to decide how much butter is a "lump the size of an egg", but maybe it means that the amount of butter can vary without making a difference. Let me know if you try either of these. I think that they are good recipes.

Sonora's newest business opened its first auction and should now have completed 2 weeks of sales. The new auction is at the Sonora Stock Pens, and may make it possible for Sutton County ranchmen to sell stock with out hauling the animals so far. The first sale sold cattle a bit low, but other stock sold high. An effort is being made to get buyers into Sonora for the sales. The opening was well attended. BBQ was served and many local ranchmen participated. It is great to have, a new business like this in Sonora.

The town is full of hunters and our first thoughts are SAFETY. Let's hope that this hunting season is a safe one. The big Game Dinner has become so special that it has outgrown almost all facilities. We are fortunate to have so many local people to support the project. I don't know what it is like in other communities, but in Sonora, we are lucky to have a general feeling of welcome for our hunters. They are with us only a short time and are a major asset to our economy. Let's remember to welcome them and make them remember that Sutton County is the best place to hunt.

Dean and I have taken on a new assignment. We have been named judges for ATAC, a group that selects the Globe Award winners in theater in San Antonio. These are the Oscars in San Antonio. Our job is to see as many theater productions in San Antonio as possible and judge them. Awards are given for direction, stage design, lighting, and acting in dramas, comedies, and musicals. It is a big job and we should see 50 or 60 productions during the year. The year is August to August, and we are well underway. We have rated 10 shows so far, and have seen some wonderful productions and some really awful shows. If you have an opportunity to see the play, Monday after the Miracle, try to see it. We were very impressed with the play. It takes the story of Helen Keller on into her adult life and the problems that she and Annie Sullivan, her teacher, had to face. Annie and Helen both wanted a life as women, and their close dependency upon each other made it difficult. I would love to see a high school do this play. It would be a winner.

Sonora Middle School, known for years as Sonora Junior High, boasts among its talented staff a quiet man who has developed a reputation for dedication to his profession and for

one hundred percent dependability. He is Reed Jennings, now in his 23rd year as a social studies teacher, all of it with the Sonora Independent School District.

Born in the long-lost town of Utopia, (reportedly located somewhere in the Camp Wood area), Reed married Barbara Wilson. They are the parents of two grown sons, David, a rodeo photographer, who with his wife Dedra also operates a travel agency in Sonora, and Larry, a math teacher at Sonora High School. Larry

and his wife, the former Kate Mathews, a junior high teacher, have a boy and a girl who are the most wonderful grandchildren in the world, according to Grandpa. That, of course, is an opinion without bias.

In addition to his duties as a history teacher, for seventeen long years Reed was the official lunchroom supervisor. It is no small task to oversee 250 very young teenagers eating and talking, and insuring peace and tranquility at the same time. But he managed to do it with a high rate of success, DO NOT RUN! He also drove the band bus on every trip but one during a seven year period.

Smith Neal, Jennings' principal for years, remarked that, despite his good nature, it was possible to irk him. Just let him catch a boy with a cap on inside a building, and Reed would tell him that if he was old enough to wear a hat, he was certainly old enough to know when to wear one. Mr. Neal also noted that Reed was a hard working man who had the respect of both his fellow teachers, and certainly of the students to whom he is so dedicated.

It is to be hoped that when he finally decides to retire, Read Jennings will have many years to enjoy his hunting and watch his beloved decedents grow to be as successful in maturity as he has

BRONCO BAND NOTES

by Stacey Key

Hi Bronco fans! I would like to take this opportunity to tell you about up coming events for the Mighty Bronco Band. Sonora ISD will be hosting the All-District Band tryouts November 18. There will be thirty-nine participants out of Sonora alone. "This year, All-District Band is going to be harder to make because of the fact that there will only be one band," Says band director Wayne Warren.

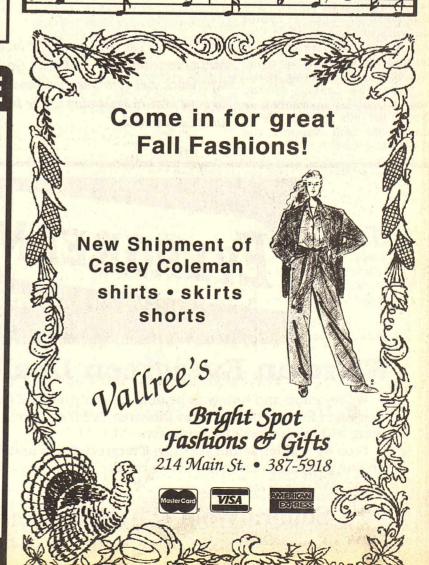

This week, the Sonora vs. Crane game will be at home. So, for a change our seventh and eighth grade bands will be performing with us in the stands. The show consists of "This Land/ Circle of Life", the featured flag tune "Twist and Shout", and marching off to the Fight Song.

If you were unable to attend the game in Big Lake last week, the band played "This Land/ Circle of life", "Smoke on the Water", and the Fight Song. Before "Smoke on the Water", the band did a scatter drill and came together to form a "B" while the percussion formed an "S". We hope to see you at this weeks

JV Broncos Overpower Reagan Owls, 24-12

In a game of big plays, big hits and big mistakes, the Sonora JV Broncos jumped out to a three touchdown lead in the first quarter, then held on for a 24-12 victory over the Reagan Owls Thursday night at Bronco Stadium.

The Broncos drew blood before fans had absorbed the shock of sitting on cold aluminum. Anthony Renfro momentarily bobbled the opening kick off, picked it up at the 10, found a crease at the 20 and burst into the clear, outrunning pursuers the length of the field for a 90 yard return. His point after kick was good, only 16 seconds into the 1st quarter Sonora led 7-0.

On the Owls' possession, Brad Legan recovered a muffed hand off in the Reagan County backfield at the Sonora 44. Seven plays later, rushes by Renfro, Jason Jacoby, and Legan brought the Broncos to the Big Lake 4. Shiloh Sykes, David Arevalo, Nathan Favela, Mayer Anderson, Blaine Wilkinson and Jacob Mendez pushed the Big Lake line around like they were wearing roller skates. From the 4, Tanner Fields faked to Legan over left guard then bootlegged around right end untouched. Renfro's kick made it 14-0 with 4:18 remaining in the quarter.

On the 4th play of Reagan County's next drive, Dustin Harris' jolting tackle on the tailback jarred the ball loose. Harris made the recovery at the Owl 43. Lupe Ramon picked up 6 cheap yards, then earned

3 tough ones at the end of the Gann sacked the Owl run. From the 34, Legan took a hand off toward right guard, hesitated momentarily at the line of scrimmage, then broke left through a suddenly gaping hole and was long gone. Renfro's kick was true, and Sonora led 21-0 with 2:28 left in the quarter.

Big Lake answered on their next possession. Six rushing plays brought the Owls from their own 24 to Sonora's 43 yard line. On third and 1, with 2 wide outs split to the left, the Owl quarterback lofted a pass to the tight end on the right, who had gotten behind the Bronco secondary. With the 2nd quarter barely begun, the Owls trailed 21-6. Sykes stopped the 2 point conversion

Sonora threatened late in the half as Renfro and Jacoby rushed to the 13 after the Broncos took over on downs at the Owl 41. In fact, Renfro took a pitch left for an apparent touchdown, but a holding penalty late in the play negated the score. On the following play Fields was jolted loose from the ball at the 12. The half ended 2 plays

On the opening play from scrimmage in the second half, Renfro ripped off 30 yards through a huge hole on the left side. The drive eventually stalled at the Owl 8. On 4th down, Renfro kicked a 25 yard field goal. The drive had consumed over 6 minutes and stretched Sonora's lead to 24-

could not move, handing the ball over on downs at midfield. A combination of passes and draws took the Owls to Sonora's 20, where a sack by Kino Marines cost Big Lake 5 yards. But the Owls got that back and all the rest on the next play, a pass to the slot man on the fly. The point after attempt was unsuccessful. With 1:35 remaining, Sonora led 24-

Though Reagan County got the ball after a beautifully executed onside kick, Renfro intercepted on the next play to stifle any further threat.

Statistics can not tell the full story of the game. Offensively, Sonora rushed effectively against a defense which often had all 11 players within 4 yards of the scrimmage line. Defensively, the Broncos held in check the most diversified offense seen all year.

In addition to the 90 yard kick off return, and not counting the nullified 98 yard scramble form pure formation, Renfro had 119 yards on 15 carries. Legan had a touchdown and 71 yards on 10 carries. Jacoby carried 3 times for 25 yards, Ramon had 3 carries for 9 yards, and Fields carried 7 times for 8 yards and a touchdown.

The Broncos allowed 98 yards rushing on 32 carries; surrendered 2 touchdowns, 132 ball was hiked to the upback in the formation, who headed right. As Gann smeared him, he yards on 14 passes. Heading into their final game of the pitched back to the punter, trailing wide. Gann crawled season, Sonora's JV has won 7 over the original ball carried to against 2 losses.

Scout Report

Wolf Scouts

Den 2 of the 2nd grade Wolf Scouts have been working hard on Scout activities in October.

The boys in Den 2 are Steven Duhon, Will Crittendon, Miguel Lerma, C. J. Turney, Joshua Dunn, Warren Wallace, Cameron Cox, Embre Smith, Walsh Hearn, Cullen Parker, Roland Solis, Aaron Warren and Tyler Talley. Leaders are Beth Wallace, Faye Cox and

Jeannie Warren. During the month of October the boys began working on achievements and have spent time earning basic first aid skills, making personal first aid kits. They have also practiced flag ceremonies and learned about our flag. The boys also have worked on making stencils and other art activities.

On October 21, the boys participated in a bike safety class at the monthly pack meeting and all of the boys received their Bobcat badges, an achievement of which they are very proud!

Webelo Scouts

The fourth grade Webelos were busy in October. These boys are: J.D. Lee, Norbert Ortiz, TaTa Yorba, Shawn Ramos, Devon Yourand, James Ross, Wilson Wallace, David Cook, Joseph Ainsworth, Trapper Valliant, Scottie Moore, Payton Holekamp, and Stevie Hernandez. The fourth graders are led by Camille Ross, with the assistance of Sandi Ainsworth and Beth Wallace.

They have worked hard to complete their Fitness and Engineering achievements. The boys also began working

on the Handyman achievement and rode their bikes to Teaff Oil Co. where Mike Villanueva gave them a demonstration on changing car headlights, bike adjustments and other useful skills. The boys also spent the day at the Canyon Ranch on October 28, working on wood projects and outdoor projects.

At the pack meeting on October 21, all of the boys received their Engineer pins, and Devon Yourand, Shaun Ramos, J.D. Lee and Tata Yorba received their Bobcat badges.

Reagan County to defend their undefeated record Thursday, November 3. When the grueling game was over, the Colts were on top 31-0. Reagan County received

the opening kick off and ran it ten yards before being tackled by Sonora. Reagan County was stopped by Sonora's tough defense and was forced to turn the ball over on downs at the Colts 34 yard line. Sonora ran two plays before fumbling back to the Owls. Reagan County took over and on their 4th down punted. The ball went over the punter's head and was recovered by the Colts at the Colts' 13 yard line. Bryce Williams kept the ball for a 40 yard gain. On the next play of this drive Sonora scored with Crispin Lira running nine yards into the end zone. Jason Ayala kicked the extra point to make the score 7-0 Sonora.

After trading possessions with the Owls, Sonora got the ball from Reagan County on a

punt early in the 2nd quarter 50 yard run. The 2-point conversion was also scored by Crispin Lira. Reagan County received the kick but did not score before the 2nd quarter wound down.

7th Colts Shutout Reagan County Owls

Sonora received the kick at the beginning of the 3rd quarter and in a few plays Simon Murillo scored Sonora's 3rd touchdown on another 50 yard run. Tom Jacoby scored a 2-point conversion to make the score 26-0, Sonora. Reagan County received the kickoff, but fumbled to Riley Crain on their first play. Sonora scored on a 9 yard run by Simon Murillo. Bryce Williams threw a pass to Ed Mayfield to score the 2-point conversion to make the score 31 to 0. Reagan County received the kickoff late in the 3rd quarter. They could not score in three and punted the ball away to Sonora. Sonora kept the ball all the way through the 4th quarter. When the final seconds ran out, the score was 31-0 Sonora. GOOD GAME

COLTS!!!

Coach Dempsey commended the offensive and defensive lines for their great job all through the season. The offensive players that Coach Dempsey applauded consist of center, Cory Schiedemann; right guard, Anthony Sanchez; left guard, Adam Mendez; right tackle, Jake Trainer; and left tackle, Thomas Schenkel. On defense, Coach Dempsey salutes tackle, Joe Galindo; defensive end, Simon Murillo; defensive end, Riley Crain; and tackle, Jake Trainer.

The 7th grade Colts have only had one touchdown scored on them this year. Coach Dempsey credits the Coach Dempsey credits the defense and special teams with a large amount of their success, by getting the ball for the offense deep in their opponent's end of the field.

Thursday of this week will be the Colts last game of this season. They will be playing the Ozona Cubs here at Bronco Stadium. Come and see a truly

Stadium. Come and see a truly superior team of hardworking young men play this last game of the year.

Sutton County EMS History in the Making 1995

by Barbara Stroud

There are 22 members of the Sutton county EMS who all share the responsibilities of this organization. They work on different shifts (6:00am-6:00pm, 6:00pm-6:00am and weekends). While most of them have a full time job. This organization started in July 1984 with 16 devoted members, some who are still active to this day. They have seen many changes come and go. New buildings, new rules and regulations, new and improved ambulances and new members. The senior charter members of Sutton County EMS who are still active are: Lenora Pool., EMT; Tim Thorp, EMT; and George Keese, EMT. Active charter members are: Leslie Thorp, EMT; Donna Keese, EMT; Treva McReynolds, EMT; and Eddie McReynolds, EMT. Other active members are: Pascal Allison, EMT; Patrick Braly, EMT; Keith Butler, EMT-P: Rosie Butler, EMT; Pat Campbell, EMT; Maray Cearley, ECA; Carla Garner,

EMT; Jonnie Hodges, EMT;

Glenna Hulsey, EMT; Jody Luttrell, EMT; Maggie Mesa, EMT; Travis Osborne, ECA; Ben Pool, EMT; Janna Schumacher, ECA; and Barbara Stroud, EMT.

Officers for 1994-95 were: George Keese - President, Carla Garner - Training Officer, Jonnie Hodges - Vice President, Pascal Allison ass't t/o Glenna Hulsey - Secretary,
Barbara Stroud - Reporter,
(Pat) Maggie Mesa - Treasurer,
Jody Luttrell - Historian,

Donna Keese - Administrator.

Now for history in the making. The last year has been one of many different happenings. I sat at the computer for many hours trying to figure out how I was going to put this on paper. The only solution I could come up with was to break every thing up into different categories. The categories are as follows: classes, new members, new arrivals, school, handymen and sympathies.

The Sutton County EMS offered one ECA class this year. The class was attended by 13 people with 11 of them

finishing the class and taking their test. From that class the EMS picked up 4 new members. The EMS also offered 13 CPR classes and 5 first aid classes.

The new members that the EMS picked up after their ECA class were Janna Schumacher, Maray Cearley, Sandra Warford and Russel Green. Sandra and Russel had to leave shortly after joining due to employment factors.

The EMS also received two stretchers, a heart thumper and several computers.

Patrick Braly, Maggie Mesa and Glenna Hulsey attended the EMS conference in Fort Worth. Keith Butler and Patrick Braly attended a BTLS school in Ozona. Pascal Allison and Janna Schumacher attended a BTLS class in Junction. Janna also took the BTLS instructors course while there. Pat Campbell, Patrick Braly, Pascal Allison, Janna Schumacher, Eddie McReynolds and Maggie Mesa attended a CPR instructors course. Donna Keese attended a LEPC meeting in San Angelo Emergency an

Management Seminar in Midland.

We could not have done it with out the handymen of Sutton County EMS. A special thanks to: George Keese, Pat Campbell, Keith and Rosie Butler, Jody Lutrell, Travis Osborne, Patrick Braly, Eddie McReynolds, Tim Thorp and Ben Pool.

Sympathies went out to Ben and Lenora Pool with the passing of Ben's mother. Pat and Butch Campbell in the passing of Pat's mother. Jody and Darla Luttrell in the passing of Jody's grandmother and to the family of Louise Hulsey. Louise was very active in the EMS in the 1980's. Sutton County EMS was a big part of her life. While busy with her own family, Louise was always there.
