FUMC Becomes Winter Shelter During Storm

A total of 39 stranded motorists and family members found a warm safe haven in which to spend a cold, snowy, icy, and dangerous Sunday night on November 24, 1996. That haven was the First United Methodist Church of Sonora: thanks to the coordination of Sutton County Emergency Management, local law enforcement, and Linda Fisher of the First United Methodist Church.

Cowboy Christmas Promenade Held Downtown Tuesday

by Sharon Key

Chilly weather greeted downtown visitors and shoppers on Tuesday evening's "3rd Cowboy Christmas Light Promenade." Retail merchants and Sonora Merchant members displayed holiday "specials," while various businesses welcomed everyone with a variety of warm drinks and special

desserts. Area arts and crafts were also available for inspection during the two hour shopping time immediately before the Christmas lighting. Special thanks go to the First Baptist Church Youth taking part in a Living Nativity and the Ol Tyme Bank for two hours of entertainment at the Kerbow Building.

The Lighting is the first step

toward the Annual Ticket Drawings that begin on Saturday, December 7th. The first drawing will be held in the downtown area at 2:00 p.m., and everyone is encouraged to bring their ticket stubs and take part. It is necessary to be present to win!

Community Choir Presents Musical

submitted

The Community Choir of Sonora will present, "Love Song," a Christmas musical by John W. Peterson. The musical will be performed on December 14th and 15th at 7:00 p.m. The choir, under the direction of Paul Cornelius, is made up of people from several churches in our community. The cast members are Mr. Ron Watson, Miss Shawna Faris, Mr. Joe Hopkins, Mr. Phil Scott, and Mrs. Helen "Peanut" Scott. The performances will be at the Outdoor Amphitheater behind the Sutton County Library. In the event of inclement weather, the performances will be held at First Baptist Church. Admission is free and refreshments will be served following the performances.

County-Wide Planning Group Formed

submitted by Preston Faris

The Extension Program Council in Sutton County is part of a statewide program developed by the Texas Agricultural Extension Service or TAEX which is a part of the Texas A&M University System. The purpose of the Extension Program Council is to help persons in the county identify potential problems and to work together to find solutions. In the past, the Council has worked with city and county government, taxing authorities, the business community, and local individuals to provide educational programs for all of Sutton County. The Executive Board of the Sutton County Extension Program Council has developed a new project to aid in planning for the future welfare of Sonora and Sutton County. The vision or mission statement for this effort was developed at a recent meeting of citizens involved in this innovative effort. It is stated as follows: COOPERATION OF CONCERNED SUTTON COUNTY CITIZENS IN THE PROGRESSIVE EFFORT OF ECONOMIC DEVELOP-MENT, COMMUNITY HAR-MONY, IMPROVED HEALTH CARE & SOCIAL SERVICES,

EDUCATIONAL EXCEL-LENCE, AND PROVIDING EQUAL OPPORTUNITY TO ALL CITIZENS THROUGH PLANNING AND ACTION.

The preliminary planning group made up of executive board members and other local citizens has met twice to do initial planning for this process. The first meeting was moderated by Dr. Larry White from Texas A&M University and was used to identify critical areas of concern in our area. Questions were raised about the oil and gas industry, business growth, educational opportunities, and health care. Plans are underway for one additional planning meeting to be followed by an open community forum to be conducted in early January. The forum will be followed by indepth planning sessions in two major areas: business and services. These are broad topics but for good reason. Many of the areas we discussed are closely inter-related and work on one will affect the other. We felt that after the community had a chance to talk about the broad areas of interest everyone could more easily break up into committees to work on specific rate, and a wonderful climate.

Some of the key concerns identified thus far are as follows: Sutton County has suffered a two year decline in the tax base totaling in excess of eighty million dollars. The loss of the incentive program to the agricultural community has resulted in a loss of some 5 million dollars of revenue annually. Current production in the gas field is estimated to last no more than 15-20 years with a level plateau for the next five years and a steady decline to follow unless new reserves are discovered. While the real estate market is good, there is little availability of rental property to invite migration into our community. Property taxes are becoming burdensome to both the homeowner and landowner. Taxes will inevitably be increased over the next few years to fund existing services for all of our taxing entities, or those services will have to be diminished leaving the question, "What will be cut?"

Certainly the residents of Sutton County are proud of where we live. We have many things for which we should be thankful such as excellent water quality, a relatively low crime

This group of concerned citizens wants to advertise the things that make us all want to call Sutton County home. We must, however, act now to address the concerns that are apparent to many of us and plan for ways to meet the challenges which seem inevitable as a result of change. Some have said that our community is resistant to change, but change is a fact of life and those who survive are those who proactively plan rather than react

to dilemmas. Complete community involvement is not absolutely necessary but it would definitely make the job easier. We need input from city and county government leaders, business owners, land owners, employers, employees, and students. The idea is not to create another level of bureaucracy, but to provide help and ideas to the city and county groups that are already working at making a difference.

If you would be interested in helping in this planning process, you are encouraged to contact Nick Garza, EPC Chairman at 387-3237 or Preston Faris at the County Extension Office at 387-3101 or at home at 387-5035.

With the ever-increasing tensions in the Middle East and the recent turmoil in Bosnia, our nation's military has been at the forefront of each and every major international crisis. While a major role of the Navy is to protect the United States from our enemies in time of war, it also supports U.S. foreign policy in time of peace.

The Navy forward-deploys ships around the world to maintain a U.S. presence and provide rapid response in times of crisis. Sailors, like Navy Seaman Stephen Tidwell onboard the USS Nashville, are often the first to arrive in situations ranging from humanitarian relief efforts to combat operations.

USS Nashville recently left his homeport to take station in the Mediterranean. The amphibious transport dock ship, transports landing forces ashore and provides support to troops for

A 1994 graduate of Wink High School, Tidwell joined the Navy later the same year. Having already seen countries like Italy, Greece, Malta and Spain, he said he's anxious to return to the Mediterranean to visit even more.

"I really enjoy going overseas and visiting foreign lands. I'm looking forward to going back to the Mediterranean Sea...a lot of people from my hometown will never have that opportunity."

Although he doesn't plan to make the Navy a career, Tidwell said he's benefited personally as well as professionally from his experiences.

"The Navy enabled me to get away from home and learn how to take care of myself, and taught me how to discipline my life in the future," he explained. "You should take what the Navy gives you and go from there. I've also learned how to work with all kinds of people, together as

Tips To Prevent Holiday Overspending

submitted

With three weeks left before Christmas, Consumer Credit Counseling Service warns consumers it's still not too late to prepare a holiday spending plan.

"It is easy to get caught up in pre-holiday sales and incentives; however, if consumers establish strict guidelines for shopping and other expenses, the end result will be a more enjoyable holiday season--free from the worries of credit and debt problems due to overspending," according to Marianne Gray, President of Consumer Credit Counseling Service.

CCCS offers the following

tips for surviving the holidays debt free:

• Prepare a list of all your holiday expenses. Along with gifts, include all the added expenses that accompany the holiday season such as travel and entertaining costs.

· Review your gift list and cross off unnecessary gifts such as those for acquaintances or coworkers. Only buy gifts for family and close friends.

· Suggest new family traditions that help with expenses such as drawing names or setting spending limits. Don't spend more than you've allotted each person on your list.

· When using deferred billing plans, begin putting funds aside immediately to avoid any interest charges when the bill comes due next year.

· Once you've purchased items for everyone on your list...stop shopping.

The Importance of Choosing Safe Toys

submitted

At this time of year parents, grandparents, and friends will be spending a great deal of time searching for just the right toy for the children in their lives. Unfortunately, price, advertisements, and anticipated child appeal are often more persuasive than how safe a toy may be.

"Too many people don't know what safety features to look for when purchasing toys," says Joyce Baker, Program Director of Prevent Blindness San Antonio. "That's one reason why toys now rank as the number one cause of eye injuries in children." Last year more than 15,500 eye injuries caused by toys were reported in hospital emergency rooms. This number does not include injuries treated at outpatient clinics or private doctor's offices. 90% of these eye accidents were preventable. By offering the fact sheet "Tips

for Choosing Safe Toys," Prevent Blindness hopes to reduce the number of toy eye injuries that occur among children each year. Selecting safe

toys can be an easy task if giftgivers keep the following tips in

* Avoid toys that shoot or include parts which fly off. BB guns, slingshots, and even water guns are dangerous because they invite children to shoot at other F396. This indicates the product

* Inspect toys for sound construction. Products given to young children should be made of durable plastic or wood with toys should also withstand impact.

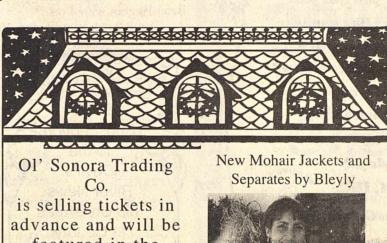

* Avoid purchasing toys with small parts for young children. These youngsters tend to Dr. Ste. 202, San Antonio, TX put items in their mouths,

November 18, 1996 7th Grade Boys "A" Sonora 47, Iraan 8

James Elliot 16 pts., Chance Armke 8 pts., Bill Renfro 6 pts., Beau Hughes 4 pts., Justin Routh 2 pts., Tim Warden 2 pts., Chance Dillard 2 pts., Lionel Cervantez 2 pts., Ricky Lumbreras 2 pts., Baldemar Hernandez 2 pts., and Byron Williams 1 pt. Free throws: attempted 2, made 1, at 50 %.

This week the A and B team combined for a runaway win. All team members hustled well and 11 of 18 players scored. Other team members are Stetson Hall, Brandon Scott, Sean Fields, Jeremy Brown, Ruben Brown, Chris Strubhart, and Jerry Lopez.

> November 25, 1996 7th Grade Boys "A" Sonora 31, Eldorado 19

James Elliot 10 pts., Chance Armke 7 pts., Bill Renfro 6 pts., Sean Fields 5 pts., Justin Routh 2 pts., and Brandon Scott 1 pt.

The A team played very well against a very aggressive, quick Eldorado squad. We had several steals off our full-court press and many lay-ups against their fullcourt press. Other team members are Lionel Cervantez, Chance Dillard, Stetson Hall, and Tim Warden.

7th Grade Boys "B" Sonora 4, Eldorado 4 Beau Hughes with 4 pts.

The B team played one 10

minute quarter and ended up with a 4-4 tie. All played well and gave 100 %. Other team members are Chris Strubhart, Ruben Brown, Baldemar Hernandez, Ricky Lumbreras, Jeremy Brown, Jerry Lopez and Byron Williams.

December 2, 1996 7th Grade Boys "A" Sonora 29, Ozona 27

Chance Armke 9 pts., James Elliot 8 pts., Bill Renfro 6 pts., Stetson Hall 4 pts., and Brandon Scott 2 pts. Free throws: attempted 12, 5 made, and 42 % at the free throw line.

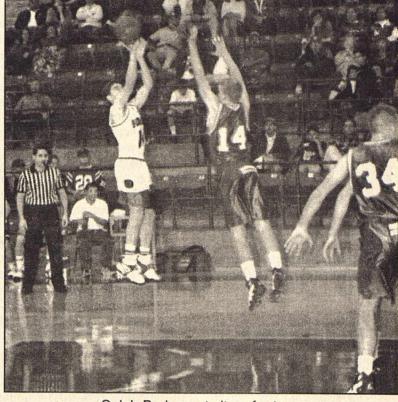

A very exciting game that was decided in overtime. Four key free throws by James Elliot lifted the team to the win. The game was close the whole way with no one up by more than 4 points. With about 5 seconds left in overtime a 10 foot jumper by Elliot was the game winner. Other team members are Sean Fields, Justin Routh, Lionel Cervantez, Chance Dillard, and Tim Warden.

> 7th Grade Boys "B" Sonora 8, Ozona 14

Beau Hughes 6 pts. and Baldemar Hernandez 2 pts.

This game was shortened to one 10 minute period. We expected to play 2 periods, but due to time constraints we only played one. We thought it was half time, and they celebrated victory. Each team played well, and the Sonora group was really making a charge when the period ended. Other team members are Miguel Leyva, Chris Strubhart, Ruben Brown, Ricky Lumbreras, Jerry Lopez, and Byron Williams.

The Bear Scouts of Den 2, Pack 9 are off to a great start! These are third grade Cub Scouts, of which the following boys are members: Cameron Cox, Frank Gallegos, Walsh Hearn, Will Crittenton, Steven Duhon, Justin Grey, Embre Smith, Roland Solis, Tyler Talley, C.J. Turney, and Warren Wallace. Leader is Beth Wallace, with Assistant Leaders Faye Cox and Christie Talley.

Den meetings began in September, and the boys worked on achievements for our country, "What makes America special" and "Sharing our world with wildlife." The boys learned about famous Americans, historical places, and about our flag. They participated in the flag raising ceremony at homecoming. They also worked on a bird feeder and studied books about birds and made posters of their favorite birds.

On Saturday, October 12, 1996, the boys, along with the third grade Bears from Den 1, visited Fort McKavett. There the boys had a great learning experience about the history of the Fort. They were able to see "soldiers" in authentic uniforms, had a hands-on weapons and uniform demonstration, and were able to hear a drum and fife play original battle tunes.

On Monday, October 14, Wildlife Biologist Mary Humphreys visited with the boys about animals, showing them films, and a collection of deer horns and jawbones.

The boys have also worked on physical fitness and had a bicycle safety training from our police officers at the pack meeting in

At the pack meeting, the boys were honored for their hard work and earned the following: Cameron Cox-progress toward ranks bead, baseball pin, Frank Gallegos-Bobcat badge, progress bead, baseball belt loop; Steven Duhon-progress bead, baseball belt loop and pin; Justin Grey-progress bead, baseball belt loop and pin; Will Crittendon-progress bead, baseball pin; C.J. Turney-baseball pin; Warren Wallace-progress bead, baseball pin; Embre Smith-progress bead, baseball pin; Walsh Hearn-progress bead, baseball pin; Tyler Talley-progress bead, baseball pin; and Roland Solis-progress bead, baseball pin.

The boys have also worked on a writing achievement and have worked on writing about "Doing of our den." The following was written by the boys:

Embre Smith: In Bear Scouts, we do lots of fun things. We play games in our den and raise the flag at homecoming games. Sometimes we go on special trips, like two weeks ago we took a trip to Ft. Mckavett, and every week we go to Camp Sol Mayor. I really like it at Bear Scouts.

Frank Gallegos: We got to go to Ft. Mckavitt and we got to raise the flag we get to color and do games and exercise and it is fun. Will Crittendon: We were haveing fun we were raising the flag

at Sonora Caverns were picking up trash around the city. Cameron Cox: We have lerned a bounch. We play football, socer, baseball, but its a bounch of work. Like rasing the flag at homecoming. My dads a football coach my moms a daycare worker. My favorite sport is football. My favorite players are Kaleb, Justin, Joey Kelly. I have fun in Boy Scouts.

Warren Wallace: At Scouts we do fisical fitniss and we go to raise the flag at bronco football games.

Justin Grey: In Boy Scouts we do a lot of thangs we do fun thangs. We do fun games. We go to the cavarns of Sonora and marsmalos and have hot dogs. We play flag futball.

Tyler Talley: Hi, my name is Tyler Talley and I'm in scouts. I like to play games and do the motto, and draw, and color, and two weeks ago, we went to Fort McKavitt, and raise the flag.

Steven Duhon: Hi, my name is Steven Duhon. I like to make stuff like a bote and other stuff. We have meetings at Monday at 6:30 from 7:30 and we make more stuff.

Roland Solis: I am boy scouts den 2. We went to fort Mckavitt We rase flag at Homcoming. We have metting on Monday and we play games. We had bike safty.

Jack Turney: I like going to all the meetings and all the camp

Starla Chadwick and Alexandria Kenney enjoyed the downtown lighting activities Tuesday night.

Horse Salve Eases Arthritis Pain

LOUISVILLE, KY An ingredient derived from hot peppers that decreases inflammation in racehorse's legs, has now been approved by government researchers for human use. The ingredient has been formulated into a product called ARTH-Rx®. ARTH-Rx comes in a strength designed for humans. Researchers are excited and say the formula can relieve arthritis pain for millions.

Developed by the Phillips Gulf Corporation, ARTH-Rx is a breakthrough in the treatment of painful disorders ranging from minor aches and pains to more serious conditions such as arthritis, bursitis, rheumatism, tendonitis, backache and more.

Although the mechanism by which ARTH-Rx works to relieve pain is not totally clear, scientists suggest that pain is relieved because ARTH-Rx intercepts the messenger substance that sends pain signals to the brain. ARTH-Rx is available in a conve-

nient roll-on applicator without a prescription. According to a spokesperson for the company, due to the overwhelming demand for ARTH-Rx, supplies are sometimes limited. ARTH-Rx can also be ordered by calling 1-800-729-8446. © 1996 PGC ARTH-RX is available locally at:

PUBLIC NOTICE

NOTICE TO BIDDERS

The Williamson County Commissioner's Court invites the submission of sealed bids for the lease of the surface estate (including grazing and hunting rights) to the following described tracts of land in Sutton County, Texas, which form a part of the Williamson County School Lands. Bids must be received by the undersigned prior to 10:30 a.m., December 17, 1996, at which time the bids will be opened in open court on the 2nd floor of the County Courthouse in Georgetown, Texas. Any bids received after that time will be returned unopened. As to each tract listed in this notice, the court may lease to the highest and/or best bidder.

All bids submitted must comply with the following restrictions, conditions, and limitations which Commissioner's Court has determined to be necessary and prop-

The proposed lease shall be for a term of (5) five years. The Commissioner's Court retains the option to cancel said lease or leases in the event of sale or pro-rate refund of any lease pay- (512) 930-4351.

ments previously tendered.

The lessee shall be obligated to manage the land in a prudent, ranch-like manner, and shall employ the highest degree of care in conserving the land and its produce.

It is the intent of the Commissioner's Court to award leases separately for each tract. However, any bidder who wishes to submit a bid on more than one tract may do so. Unless the bid received expressly states that the bidder will accept only the award of all items bid, each item in the bid will be considered separately and will be rejected or awarded on a high item basis. No more than one bid will be awarded for any tract. Bids may be rejected either reject all bids or award a for some tracts, even though awards are made for others. The convenience of having a single lessee for several adjacent or close tracts will be taken into consideration together with the experience of the bidder, in determining the best bid. The Commissioner's Court of Williamson County reserves the right to reject any or all bids received.

For further information please contact County Attorney, Gene Taylor 405 MLK Blvd., exchange of said property, with a Box 7, Georgetown, Tx. 78626

Pain may be eliminated

(SPECIAL) -- A drug that is excitng researchers in the treatment of pain has been formulated into a new product known as "Arthur Itis," and is being called a "Medical Miracle" by some, in the treatment of debilitating conditions such as arthritis, bursitis, rheumatism, painful muscle aches, joint aches, simple backache, bruises, and more. Although the mechanism of action is unclear, experiments indicate that Arthur Itis, relieves pain by first selectively attracting, and then destroying the messenger chemical which carries pain sensations to the brain, thus eliminating pain in the affected area. Arthur Itis, is an odorless, greaseless, non-staining cream and is available immediately without a prescription and is guaranteed to work or your money back
