

Jacque McLaughlin holds Savanah, first baby born in Sonora in 1997.

First Baby Born in Sonora in 1997

Wayne and Jacqueline McLaughlin are proud to announce the birth of their daughter, Savanah. She was born at Hudspeth Hospital January 8, 1997, at 7:03 p.m. weighing 6 lbs. 3 oz. and was 18" long. Savanah is welcomed home by big sister Sarah, 2, and brother Jeremiah, 14.

"We usually have one birth a year at Hudspeth, but it has been two years since we've had a baby in Sonora," stated Ram Perez, Director of Nursing.

Jacque and Savanah are under the care of Dr. Pajestka and the Hudspeth nursing staff.

Commissioner's Report

The Sutton County Commissioners met January 13 and approved prior minutes and accounts payable. Sheriff Webster reported billing for 151 man days for \$204 and billed \$3605 to the Federal Bureau of Prisons.

Joyce Chalk presented the quarterly treasurer's report. It was approved and is printed in this week's issue. Pat Campbell stated the EMS made 30 runs in December. Due to winter storms, they have made 41 runs January 1 to date. Campbell also reported 14 injuries and assistance from the Ozona organization while working two accidents simultaneously. Ron Geske informed the commissioners of the upcoming tire order for equipment. Rex Ann Friess said the 96 levy is at 22.5% and 70% should be collected this month to bring it up to 90% for 1996. David Wallace reported \$306.50 in hot checks for December. He also received correspondence from the bonding company concerning Coats Construction, contractors for the new library building. The bonding company offered a settlement for \$3000. Wallace advised the commissioners to proceed with the case and not accept the settlement. The commissioners. agreed. Tryon Fields, high school baseball coach, requested extra pitching mounds for practice be placed at the baseball field. Judge Garner received a letter from Oasis Pipeline Company for the transfer of assets and liabilities to a limited partnership. The commissioners requested more information about the transfer before signing an approval. The commissioners decided not to act on the agenda item concerning heating in the courthouse restrooms. Judge Garner stated that with few cold days it wouldn't justify rectifying the situation. Garner also informed the commissioners of the rotted windows in the courthouse. She stated a company who is repairing the Methodist Church windows will look at the courthouse windows and give the commissioners an idea of how much it will cost to repair the windows.

Broncos Win A Thriller!

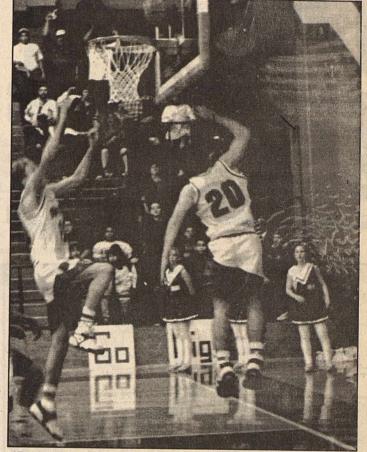

submitted

John Paul Hudman's basket with two seconds left may have been the biggest basket in Sonora history. The win against Greenwood combined with the Crane win on Thursday is the first ever combined wins against these two District 4-3A power houses. In addition, it places the 17-3 (2-0) Sonora team on the TABC top 20 elite list for the first time at #19.

The game was exciting as no team ever led by more than eight points. The last three minutes had five lead changes. Greenwood had the ball with 30 seconds left and called time out with the score knotted at 66. The next play brought back memories of the 1981 NCAA championship as the Georgetown player threw the ball to a nonexistent player giving Michael Jordan's UNC team the championship. After holding the ball for 20 seconds the Greenwood coach yelled instructions to Wootan who passed to Settles who quickly glanced at the clock and passed to a spot where the player had been, and the ball

went out of bounds to Sonora. Sonora's play had been called during the last time out, so Sonora called no time out, but as the play unfolded there were problems. "I called for a play in the last time out to get a back screen pass to JP but Mirike and Barker were on the wrong sides. Ty alertly changed the play by penetrating and passing to the open Hudman who made an aggressive move to win the game," said Coach Harrelson. Harrelson led all scorers with 34, followed by Hudman who logged his sixth double double in eight games with 12 points and 11 rebounds. Barker rounded out the double figure scorers with 11.

If you haven't seen these Broncos, you are missing something special. They rank #2 in scoring in the Concho Valley and #8 in team defense. Harrelson is third in scoring with 21.9 points per game, Hudman ranks 14th with 17.8, and Hudman is 10th with 9.8 rebounds per game. The remaining home games are January 17 (Kermit*), January 24 (Colo. City) and February 4

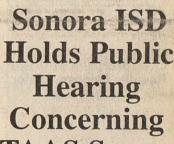

JP Hudman attempts a lay-up as Justin House goes for the rebound.

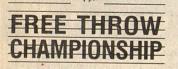

(Reagan County). Road games include January 28 (Crane), January 31 (Greenwood), February 7 (Kermit), and February 11 (Colo. City).

Support your Broncos as they represent you with class and heart.

*Note location change on Kermit game.

TEAM EVENT TO FIGHT CANCER

Relay for Life... A unique, challenging and fun

way to raise money for the American Cancer Society.

The Relay for Life consists of teams of runners/walkers competing against each other to raise the most money. This event is a relay that lasts for 18 hours.

Anyone interested in helping or learning more about the 1st Annual ACS Sutton County Unit Relay for Life should join us for a meeting on Tuesday, January 28, at 6:00 p.m. at First National Bank Annex Building - second floor. We are in need of enthusiastic people willing to help make our first relay a huge success. If you are unable to attend this meeting please contact: Erica Morriss 387-9003 or Shanna Johnson 387-3378.

Briefly **Pinewood Derby**

The Pinewood Derby will be held January 25th at the Jr. High Snack Bar. Weigh-ins begin at 8:00 a.m. Must be there by 8:30 a.m. to qualfy for the race which begins at 9:00.

Peppermint Ball

Peppermint Ball pictures may be icked up at the Chamber office after February 10th.

After the approval of the clerk's report, the commissioners adjourned.

Seventy-five tractor trailors, 14 recreational vehicles, 88 cars and pick-ups, and one Bud Man were parked in and around Perry's parking lot during the closing of Interstate 10, Tuesday.

Tuesday the 14th, Chief Chris Croy, Officer Bryn the warnings and abandoned the Humphrey, and Trooper Don Van Zant assisted the 178 motorists after the Monday closing of I-10 from Ft. Stockton to Junction was lifted.

Many of the travelers heeded interstate but local officers escorted the rest from the interstate in a three hour period Tuesday. Chief Croy stated that a few admitted to driving around

the barricades and that the barricades in Ozona had been removed.

The traffic jam ended in about 15 to 20 minutes when motorists exited Sonora.

Luttrell Named EMT of the Year

submitted

During the annual Sutton County EMS Christmas party, Jody Luttrell was awarded the Gene West Memorial Award for EMT of the Year.

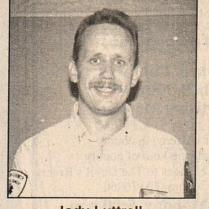

This award has been presented to an outstanding member of the organization since 1985. The award is voted on by the entire membership from among three nominees and personifies the person for service "above and beyond the call of duty," recognizing the guidance and leadership of the person elected to receive the award. Nominees for the EMT of the Year included Maggie Mesa and Eddie McReynolds.

Jody attained an Emergency Care Attendant certification in May 1987 and joined Sutton

County EMS in May 1988. He then received his Emergency Medical Technician - Basic Certification in May 1989 and proceeded to go a step higher and was certified as an Emergency

Technician Medical Intermediate in September of 1996. Jody is certified through the Texas Department of Health as a lecturer and examiner; certified through the American Heart Association as a CPR Instructor; and is also certified through the State Fire Marshall Association as a Basic Firefighter. Jody has been employed by Louis Dreyfus Natural Gas since 1989 where he has been involved instructing First Aid and CPR classes for his fellow employees.

Throughout his years of service to the organization, Jody

Jody Luttrell

was treasurer in 1988-90, secretary in 1991-92, vice president in 1993-94 and 1995-96, historian in 1994-95, and is currently serving as president.

Jody has two children Michael Brandon and Logan Nicole.

TAAS Scores

The Sonora ISD Board of Trustees met Monday, January 13. After calling the meeting to order and an invocation by Superintendent Ernesto Martinez, a public hearing comconcerning the menced Academic Excellence Indicator System Report for the 1995-96 school year. Elementary principal, Terry Marrs presented the first of two parts in the presentation concerning TAAS scores. He covered grades 3-8 and 10 in the areas of reading, writing, and math. Mr. Marrs stated he had been asked by many about the Texas Monthly issue rating the elementary schools in Texas. He said there is not much information on how the Texas Monthly article came about the rating of one star and he does not know who Sonora was compared to. Mr. Marrs also discussed exemption rates, SAT/ACT scores, and the Texas Learning Index. According to the TLI, Sonora ranked 13th of 40 in reading and 7th of 40 in math. Mr. Marrs also stated it is more beneficial to the students to use the TAAS test as a means to show which areas need improvement and not necessarily teach solely for the test.

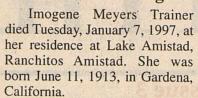

Mr. Martinez presented the personnel segment of the public hearing. A beginning teacher's salary is \$22,419 compared to \$22,782 in the state. Twenty or more years in Sonora is paid \$36,023 compared to the state's \$39,809. The average salary for teachers is \$32,071. The student/teacher ratio is 13:1, lower than the state average. And class sizes are all lower than the state average. The district's value after exemption is \$448,812,483 which calculates to \$409,874 value per pupil. The state's value per pupil is \$176,591. Q. When was the Sonora Wool and Mohair Co. founded?

A. The following appeared in The Devil's River News Friday, April 4, 1930:

Contract for a mammoth wool and mohair warehouse to be erected on Tayloe Avenue south of the Santa Fe tracks was let here Saturday when fifteen or more contractors furnished estimates. S.H. Martin, San Angelo contractor, was the lowest bidder with \$27,424.

The warehouse will be owned by the Sonora Wool & Mohair Co., composed of Sutton county ranchmen, and will be incorporated for \$50,000. Application for a charter has been made, according to those interested in the new project. will accommodate 1,500,000

be very beneficial to the ranchmen in this part of the country, as Sutton wool and that from a few adjoining counties is considered to be of the best produced in the

United States. Ranchmen say that a wool warehouse here will result in two or three cents more per pound for both wool and mohair.

The following officers and directors have been chosen by the stockholders:

Ed C. Mayfield, president, W.A. Miers, J.N. Ross and Robert Halbert, vice presidents; directors include the officers, Fred T. Earwood, Sam Allison, Sam Karnes, C.T. Jones, Dan Cauthorn, L.W. Elliott, Alvis Johnson, Roy E. Aldwell, Ben F. Meckel, J.M. Lea and Joe M. VanderStucken.

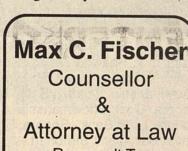

Work on the warehouse will be rushed to completion within forty-five working days, according to the contract. It is expected

commissioners Hull and Gilmore were almost unanimously chosen to serve another term. Only 48 votes were cast in the very light election.

The year old baby of Mr. and Mrs. S.T. Morris died from complications of pneumonia. measles and heart trouble. Burial was held in San Angelo.

The Hulls will give their annual free dance Monday night, April 14. Everybody is invited to the dance in the Sonora Motor Company building - the largest fireproof garage building in West Texas.

Geo. Barrow, experienced jeweler of Coleman, has made arrangements with Misses Allison and Wardlaw for space in the A&W Drug Store for a jew-

Horse Salve Eases Arthritis Pain

ent derived from hot peppers that decreases inflammation in racehorse's legs, has now been approved by government researchers for human use. The ingredient has been formulated into a product called ARTH-Rx[®]. ARTH-Rx comes in a strength designed for humans. Researchers are excited and say the formula can relieve arthritis pain for millions.

Developed by the Phillips Gulf Corporation, ARTH-Rx is a breakthrough in the treatment of painful disorders ranging from minor aches and pains to more serious conditions such as arthritis, bursitis, rheumatism, tendonitis, backache and more.

Although the mechanism by which ARTH-Rx works to relieve pain is not totally clear, scientists suggest that pain is relieved because ARTH-Rx intercepts the messenger substance that sends pain signals to the brain.

ARTH-Rx is available in a convenient roll-on applicator without a prescription. According to a spokesperson for the company, due to the overwhelming demand for ARTH-Rx. supplies are sometimes limited. ARTH-Rx can also be ordered by calling 1-800-729-8446. © 1996 PGC ARTH-RX is available locally at:

> The cookie sale not only hapmajor fundraisers. It is also one tomers look forward to the most. Girl Scout Cookie sales benefit the girls, troops, council, and community.

pating in cookie sales are taught important life skills such as decision-making, communications, responsibility, team work, and goal setting. Individual girl incentives encourage them and

recognize their efforts. Each troop participating receives funds that are used by the troop to provide program activities, patches and supplies for the girls. Many troops plan Brownie, Junior, Cadette, Service projects, in addition to taking educational, fun trips.

El Camino Girl Scout Council uses cookie sale proceeds to provide program and training activities for girls, training materials, resources, and volwith six full time staff members and seven part-time/seasonal staff members.

Thanks to the support of the communities in our 18 county area, El Camino Council is able to provide the Girl Scout experience to girls age 5-17. Community service is a significant part of girl scouting, and we are proud of our girls dedication to their individual communities. Today's Girl Scouts are tomorrow's scientists, mothers, teachers, doctors, and community volunteers. They are our leaders for the future.

Mohair Council To Meet January 23

Mohair Council of America and the coming year will be major topics at the organization's annu-Angelo, January 23, at the Holiday Inn.

The session will begin at 9:00 a.m. and conclude during the afternoon. Other highlights of the meeting will be the setting of the council's 1997/98 budget and the election of officers and directors.

most important meetings," said the council's President Lanny Leinweber of Mountain Home. "We need mohair producers to come and provide input. We invite them - we urge them - to come and take part."

Speakers will include Gerald of these sessions.

The future direction of the Morrison and Steve Berger of Georgia who will discuss and its promotion programs during show examples of mohair carpet now under development; Denice Bailey of Zachary and Associates al meeting to be held in San will discuss mail order catalogs and how mohair products can be marketed through that medium; Richard Pactor, New York City Consultant; and John Fleckenstein of Rauscher Pierce and David Stone of Prudential Securities will report on Mohair Council fund investments.

A meeting of the Council's "This will be one of our Executive Committee and Texas Mohair Producers Board will be held on Wednesday, January 22, at San Angelo Holiday Inn. The Producers Board will meet at 10:00 a.m., and the Executive Committee at 2:00 p.m. Mohair growers are invited to attend each

Sonora Livestock Auction Market Report 1/11/97

Sonora Livestock Auction had a record market as compared to other reported livestock markets. Thanks buyers and producers for your show of confidence. Sharply higher undertone on all classes of cattle. #1 feeder steer at 400-500 lbs rose sharply \$5-\$6 higher, \$65.00-\$71.25 CWT. #2's same weight \$60.00-\$66.00 CWT. Same class heifers #1's \$50.00 to \$60.00 CWT. 300-400 #1 steer calfs \$65.00-\$72.000 CWT. #2 same class weights \$55.00-\$62.00 CWT. Heifers same weight #2 \$52.00-\$58..00 CWT. Not enough other weight cattle of #1 quality to establish market trend. #2 heifers stronger to \$2.00 higher, steers #2 stronger \$5.00-\$6.00 higher.

Due to the weather, few sheep and goats were sold, however we did have a set of Spanish

CELLULARONE

Say a local rancher took a calf to the auction in San Angelo, it was reported to have sold for 71.00 CWT and weighed 503 lbs. Sounds good

billy kids sell at \$92.00 CWT. Spanish nannies sold from \$55.00-\$70.00 CWT. Angora goat kids sold at \$77.00 CWT. Not enough of the other class of Angora to establish market trend. Sheep, ewes not represented, but lambs still selling in the high 90's CWT.

Our new cafe operators did an excellent job, Mr. Sam Mata. The special for the day was Menudo, and some reported this was the best menudo in West Texas. Sam is selling breakfast starting at 7 a.m., lunch starts at 11 a.m., and classes around 3 p.m. (depending on the crowd). Even if you are not buying or selling, come by and enjoy a home cooked meal at Sam's Stockyard Cafe, inside the CWT. Sonora Livestock Auction.

Out Of Town Reality

ups that don't get the best mileage in the world. Then this rancher got hungry and ate breakfast. Again, he left another \$6.00 in this other town. All added up his final check for that steer, less all the deduction, and expenses...\$246.53. Now, compare this to a rancher trading locally? Using the same steer 503 lbs at \$71.00 CWT. Only \$12.00 to sell thru Sonora Livestock Auction. No Shrink, ate at home so no meal expense, and only \$3.80 for mileage. His check for staying at home.....\$341.33. Like all commodity markets, livestock markets, etc. it fluctuates from day to day. What if the market had dropped \$5.00 per hundred between Thursday's sale out of town, and Saturday's sale in Sonora. Sonora Livestock has the advantage every time, this rancher would still get \$69.65 more by trading locally.

Folks, please think before money you think you are making, you gas up to leave and spend in reality is a loss. Remember, your hard earned money in shop at home ... support the local economy!

Thursday, January 16, 1996 • The Devil's River News • Page 7 **Balas Wins Raffle**

Bill Ferguson present Louis Balas with a Winchester Model 70 .270 caliber.

Louis Balas won the local drawing held by the Sutton County Predator Association, Tuesday, January 7th, at Sonora Wool & Mohair.

Mr. Balas works for Frank Bond, and helps many of the local ranchers control their predator situations. He has trapped predators for approximately 30 years and is proclaimed by many to be one of the best.

The Predator Association, governed by President, John Wade, has many members who pay an annual due of \$5.00 per section of land to be a member of the association. When landowners become a member, any predators killed on their property can be brought to the wool house for a bounty, for instance: bobcats-\$40, red fox-\$25, lion-\$100, coyote-\$70. During the contest, trappers filled out an entry form for every predator they brought into the wool house for a bounty. "We had a good response to the drawing,," said Bill Ferguson.
