Events are showmanship at halter, western pleasure, western horsemanship, poles, barrels, and stake race. There will be five playdays with the best three used to tabulate scores. Awards will be presented at the end of the series. If you would like to participate but have not enrolled in 4-H, call the Extension Office at 387-3101 for more information.

Relay for Life co-chairs, Erica Morriss and Shanna Johnson, and secretary/treasurer, Tamra Wolfe, present Dorothy Baker of the American Cancer Society - Sutton Unit, a check for \$14,200 at the closing ceremonies of the 18 hour event.

Relay event raises over \$14,200 contributions still being accepted

By Stephanie Campbell

Many months of preparation for the Relay for Life paid off when the goal of \$3000 was exceeded four times over. The amount raised for the fight for cancer in one weekend totaled \$14,200.

Cancer survivors opened the event with an emotional victory lap as other participants lined the track and cheered for their success.

Carolyn Earwood's ballet class and moms performed a number of colorful dances. Then the band, Whiskey Creek of San Angelo took the stage.

After dinner, provided by the Knights of Columbus, teams began to settle into their camps. The County's Hula Gang imported some real beauties from the islands, thus, raising more than \$900.

Other activities included a dunking booth, 3-on-3 tournament,

cream the cop, and a jail.

At ten o'clock, a solemn lumina-ria ceremony set the mood in the stadium as Arett Wireman sang. The track was lined with brown bags lit by candles. Written on each bag was a name honoring those still in the fight or memorializing those no longer with us. As the crowd walked around the track reading each name, it reminded us what this weekend was for.

During the night, at least one team member was walking, or running in the case of the Good Shepherds and Colt Crusaders, at all times. The Crusaders were recognized for walking the most laps and the Shepherds were most spirited. The Crusaders were also the runner-up for showing the most spirit.

The Downtown Lion's Club served a pancake breakfast Saturday morning. After breakfast, Carol Love won the bad hair day contest.

The Devil's River News office will be closed Monday, May 26 in observance of Memorial Day.

Summer reading program: The Incredible Dream Machine

The Sutton County Public Library and Texas State Library are pleased to announce the 1997 Texas Reading Club Summer Reading Program for children, *The Incredible Dream Machine*. The program will begin June 4 - July 23 9-10 for PK-2nd grade, 11-12 for 3rd-5th grade (97-98 school year).

The purpose of the Summer Reading Program is to promote reading, stimulate curiosity, and attract children to the library. The emphasis is on having fun with books.

The Incredible Dream Machine is a reading club where children keep track of the reading they do. Many activities have been planned at the library to highlight this year's theme.

Please call the library for more information, 387-2111.

Dermody receives outstanding recognition for reading program

Submitted

A Sonora Elementary School teacher has been cited for outstanding performance in reading education, The Institute for Academic Excellence recently announced.

Louise Dermody, who teaches at Sonora Elementary School, was awarded Reading Renaissance Model Classroom certification by the Madison, WI, based Institute. Model Classroom certification indicates that Louise Dermody's efforts to adopt Reading Renaissance methods have resulted in measurable increases in student reading performance.

"Louise exemplifies the kind of commitment to the success of every student that is at the heart of effective teaching," Institute President Barry Mirkin said in making the award.

To receive Reading Renaissance Model Classroom certification, teachers must demon-

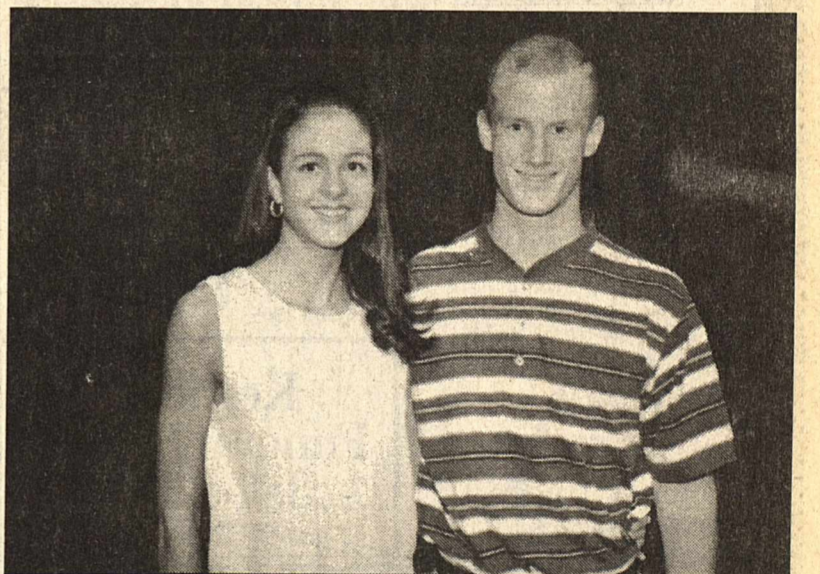

strate that their students receive a minimum of sixty minutes of reading practice time daily. In addition, teachers must be actively working with individual students to meet Institute-recommended standards for reading achievement.

In addition to national recognition, Louise will receive a grant of \$150 for this achievement, and Sonora Elementary School will receive discounts on educational software and staff development opportunities.

The Institute for Academic Excellence works with educators nationwide to disseminate classroom-proven teaching strategies and techniques. The Institute's Reading Renaissance program is a comprehensive reading improvement strategy that combines computer technology with a regimen of extensive reading practice to rapidly build student reading comprehension.

Camille Marshall and Caleb Barker were recognized as the All Around Athletes at the Sports Banquet hosted by the Bronco Booster Club and Sonora High School.

Michele Cramer and Andy Mirike were announced the 1996-97 Mr. and Miss SHS at the Awards Assembly.

Crafts & Such celebrates grand opening

By Staff Writer

Sharon Dallas has opened a new handcraft store in Sonora. And yes, her relatives were involved in naming the town of Dallas, Texas. "I don't remember their names but my relatives told me that my grandfathers had something to do with naming Dallas," said Sharon.

Sharon grew up in the farming community of Portales, New Mexico, where her mother and father ran a dairy and taught her a good work ethic.

Dallas began her crafting career in 1989 with her first store in Portales, which is still in operation. She started her next store in Clarendon, Texas.

She now has seven crafters who have allowed her to exhibit their handmade items in Sonora's Crafts & Such. "I have handcrafted items

from; Ohio, Pennsylvania, San Angelo, Amarillo, Iowa, Silverton, Lubbock and three crafters from Sonora."

Crafts & Such accepts these handcrafted items on consignment. "We would like to have more crafters from Sonora and would also love to have some paintings. We had such good luck with paintings in Clarendon, they did extremely well with the crafts," said Dallas.

Inside the craft store you will also notice tub and tile displays in the back portion of the store. This is the new Tub - Tile & More. Jim and Benny Dallas operate the tub and tile department. The 'More' includes all kinds of remodeling jobs, deck building, and carpentry work.

Ok, so your wondering where are the interesting Crafts & Such! Well they're right downtown at 216 E. Main.

On May 14th, Kelly Harrelson signed a National Letter of Intent to play basketball at Texas Lutheran University. Sonora's Athletic Director and Kelly's dad, Coach Scott Harrelson, and mom, Evie, watch proudly.

Harrelson signs letter of intent to play basketball at TLU

By Stephanie Campbell

"I'm excited," Sonora's 5'8" senior, Kelly Harrelson beamed. Miss Harrelson has earned a basketball scholarship to Texas Lutheran University in Seguin.

Harrelson moved to Sonora from Waynesburg Central High School where she was a two year letter winner. She also received the Scholar Athlete Award twice and was Most Promising Underclassman for the Pittsburgh Metro-index Camp '94.

Kelly was also a two year letter winner in Sonora and named All-Tournament.

All-District Newcomer of the Year '96, All-District Honorable Mention, and also received two time Academic All-District recognition.

"I'm real excited that her best

basketball is in the future, that her potential is not even closely touched yet. Coach Callicoate is building an excellent program at Texas Lutheran and I'm glad Kelly will be part of it," stated Coach Harrelson.

Kelly is also a member of the National Honor Society and is the editor of the UIL Award winning SHS newspaper. She is an active member of the First United Methodist Church of Sonora.

"I'm very proud of Kelly. She's worked very hard for this. I'm anxious to see her play at Texas Lutheran," said Kelly's mom, Evie.

TLU is a NCAA Division II school which has an excellent academic reputation. TLU's coach Kim Callicoate is excited to have Kelly play for her at TLU.

Our Sympathy

Mary O. Watson

Mary O. Watson, age 80, passed away Saturday, May 17, 1997, in a Bronte nursing home.

Memorial services were held Monday, May 19, at the First United Methodist Church in Bronte with the Rev. Elmer Beck officiating. Arrangements are by Johnson's Funeral Home. Graveside service will be at 2 p.m. Wednesday, May 21, in Havana Cemetery in Havana, Kan.

Mrs. Watson was born Dec. 14, 1916, in Hodges, Texas, to Cal and Linnie Stokes. She was a homemaker.

Survivors include two daughters and sons-in-law, Beverly and

Bob Ragsdale of Bronte and Mary and Willis Weber of San Angelo; four grandchildren, Joe Bob Ragsdale and wife, Paige, of Sonora, Jana Brisbin and husband, Jeff, of Robert Lee, Scott Weber and wife, Cynthia, of Fort Worth and Greg Weber and wife, Diane, of San Angelo; seven great-grandchildren; one sister, Gertrude Whitman of Abilene; and numerous nieces and nephews.

A special thanks to Dr. Irvin Zeitler Jr. and staff, North Runnels Home Health, Bronte Nursing home staff, and caregivers Linda Jones and Gladys Braden.

Memorials may be made to a favorite charity.

Richard Taylor

Richard Taylor, 32, of San Angelo died Thursday, May 15, 1997, in San Angelo.

Graveside services were Monday, May 19 in Cedar Hill Cemetery. Arrangements are by Preddy Funeral Home.

He was born June 12, 1964 in Sonora.

Survivors include his mother, Romney McKeniz of Vancouver, British Columbia, Canada; his grandmother, Aenid Tait of Vancouver; a daughter, Britney Taylor of San Angelo; a sister, Carolynn Walter of Surrey, British Columbia, Canada; and a brother, Robert Taylor of Vancouver.

Thank You

The Sutton County Health Fair Committee would like to thank everyone that attended this year's Health Fair. Your participation whether by having a booth, volunteering your time to help, donating "goodies", just stopping by to visit

or by donating blood, is greatly appreciated. Our success could not be possible without everyone of you. Once again thanks for coming and we hope to see you next year. Sutton County Health Fair Committee

Thank You

I want to thank The Hula Gang for participating in the walk relay, Adelita Alvarez, Yvette Guerrero, Charles Graves, Celia Pena, Jon and Prissy Cook, Joe David West, Larry Finklea, Sandi Espinosa, Danine Brister, Carlos Gallegos, Carla Garcia, Amparo Enriquez (Ozona) Melody Jeter (San Angelo), Karina Hernandez, Santos Hernandez, and

Michelle Weingart. Special thanks to Eddie Martinez and Cliff Brister for being such good sports and helping us raise money.

Thanks to all the people that donated money! We all had a great time!

Sincerely,
Maura Weingart

Thank You

The Bronco Belles would like to thank the following people for their generous donations to help us raise money for the American Cancer Society:

Juanita M.Shurley for donating the handmade quilt, Ol' Sonora Trading Company for donating the mohair throw, and the Elementary teachers for donating the bike.

We would like to congratulate: Seth Prather winner of the mohair throw, Faye Deel winner of the handmade quilt, Victoria Capuchin

winner of the bike.

We appreciate all your help and support.

Thank you from The Bronco Belles: Kay Friess, Elaine Newton, Evie Harrelson, Laura Tovar, Sandi Espinosa, Lori Solis, Gloria Lopez, Mary Perez, Cathy Parks, June Williams, Cindy Feagin, Mari Sanchez, Irene Casillas, Tara McMeans, Sandi Ainsworth, Connie Castilleja, Peggy Harlan, Nellie Adkins

Thank You

Sonora Elementary has had a successful year with its reading program, earning almost 29,000 points. This is due in part to the generosity of the Sonora merchants and supporters. We would like to extend our appreciation to the following merchants for their year-long support of The Accelerated Reader Program: Sonic, Dairy Queen, The Video Store, and Pizza Hut. These merchants supplied incentives which kept our students reading all year long.

We would also like to thank the supporters of the Hog Wild Reading Rally. We exceeded our 4-week goal of 3,500 points by nearly 1,500 points. These sponsors include-

Westerman Drug, Sonic, Subway, Food Center, Vallree's Bright Spot Fashions, Vivian's Modern Way, Team Graphics, Sutton County Library, The Video Store, Double D Brangus, Image, Edwina Friess Ranch, Caverns of Sonora, Dairy Queen, Elliott Law Office. In addition, we wish to thank Kelly Thorp and Tracey and Sherry Taylor for the use of their pigs. Dean Dermody, Bob Brockman, Dale Cadell, Ollie Smith, Ron Meyers, our parent volunteers, and lastly and most importantly, Mr. Marrs and Mr. Martinez for being good sports and meeting the challenge for our students. Thank you, Teachers of Sonora Elementary

Thank You

Thanks to all the folks in Sonora for the way they turned out for the Relay for Life. What a wonderful way to raise money for the American Cancer Society. Much better than going door to door asking for donations. It's been a long

time since I've had so much fun. We laughed and we cried and just had a good time together. Some people can really walk and run. Did you see the Betty Stephen? I'm really looking forward to next year. It's going to be bigger and better than ever.
Betty Dillard

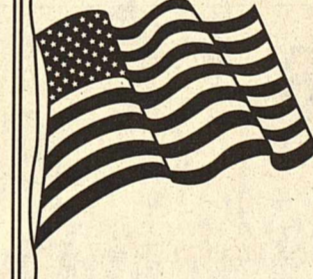

Thank You

We would like to express our thanks to all the people for the calls, cards, prayers, money, food and

flower's during his recent hospital stay.
Thank you,
The Galindo Family

I would like to thank my dear friends for giving me such a lovely going away party and the beautiful red roses. This will always mean so much to me in years to come, thinking back on mine and Pads' years in Sonora.
Juanita Buntyn

By Jo-Ann E. Palmer

Since we did not have any questions this week I thought you might like to take a walk down memory lane to May of 1929.

Devil's River News, May 17, 1929

Headlines this week read Orient Ry. Granted Permission to Extend Rails to Sonora. It seems that in Washington the Interstate Commerce Commission had finally granted permission of the Kansas City, Mexico and Orient Railway to construct 65 miles of road between San Angelo and Sonora on the conditions that construction begin by January, 1930, and be completed by December 1, 1930.

E.M. Kirkland has let the contract for a twenty-five room boarding house to Scott and Knapton to be located in the southeast part of town. This structure will be of stucco and sheet rock inside and will contain modern conveniences and should be ready for occupancy the middle of July.

Scott and Knapton have workmen busy tearing away the old Sonora Motor Company sheet iron building which adjoins the Tourist Hotel, preparatory to the construction of a brick and tile building 100 feet wide and 60 feet deep which will be divided into three store buildings.

Robert Halbert's \$25,000 home

in the south part of town is going up rapidly and will be completed in a few more weeks say J. T. McClelland, contractor.

Several truck loads of material have arrived from San Angelo for the building of the William Cameron lumber yard, office and warehouse. The office and warehouse will be 24 x 131. William Cameron will handle all kinds of building material and hardware.

Four girls and one boy will graduate from the Sonora High School this year, M.O. Britt said. They are Margaret Hull, valedictorian; Exa D. Meckel, salutatorian, and Gertrude Babcock, Mildred Turney, and John McClelland.

Harold Saunders sold his home in Sonora and also a rent house to Libb Wallace. Mr. Saunders and family will leave after school closes for San Marcos where Mr. Saunders has a ranch.

Mack Elliott, charged with possession of intoxicating liquor, was tried here this week in district court. Judge Sutton asked the young man if he had an attorney. Elliott replied: "The state has no attorney, and I feel that it is not necessary that I have one." Elliott was acquitted by the jury within ten minutes after going to the jury room.

Mr. and Mrs. Bob Martin, former Sonora ranch people, were here from their ranch near Eagle Pass the latter part of last week. Mr. Martin

is the father of Russell Martin of this place and Ben Martin.

Mrs. C. C. Smith has accepted a position with the First National Bank. Mrs. Smith, formerly Miss Pearl Hull, was employed in this bank before her marriage about two years ago.

R.C. Hill has installed in his cafe an Electromouse, an electric music machine. The instrument was purchased from A.O. Allen and Sons music dealers of San Angelo and cost \$1,500. It will play any standard record and will automatically change them until twelve have been played.

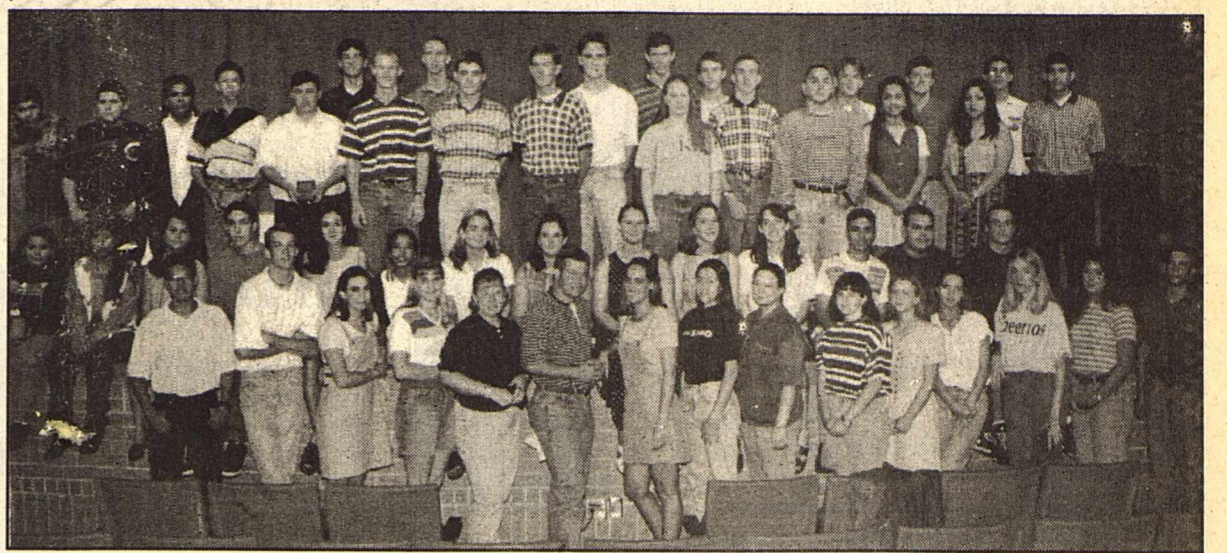

When the Orient builds into Sonora we suggest to Director Aldwell that it will be useless to erect crossing signs saying: "Look Out for the Cars" for the people of Sonora have been looking out for them the past twenty years or more and will doubtless see them before they are here long.

R. G. Nance of the Walker-Nance ranch reports a unusual freak of lightning during a wind and electrical storm. The lightning struck the earth where there were quantities of rock but no timber and the ground was torn up much the same way hogs do rooting. For the space of several years the center of the rocks were thrown out of the ground and broken just as if heavy charges of dynamite had been exploded there.

At E. F. Vander Stucken Co., Inc. you could purchase a 12 pound sack of American Beauty Flour for 57 cents, a 24 pound sack of Purity Flour for 97 cents, a no. 2 can of blackberries for 15 cents, and a gallon can of blackberries for 63 cents. Nine large cans of Borden's or Carnation Milk were \$1.00 and 18 small cans of Borden's or Carnation Milk were \$1.00.

Judge Alvis Johnson had the misfortune of getting his wrist broken the first of the week when a wiry broncho bucked him off. It is said that the judge is not a very good rider but will attempt to "set" any of them. His wrist was set by Dr. A. G. Blanton and is getting along nicely.

If you have any questions concerning Sutton County history, send them to Ask The Historical Society, P.O. Box 885, Sonora, TX 76950-4624 or fax them to 915-387-5691.

1997 SHS award winners

The 1997 SHS Awards Assembly was held Friday, May 16. Following are the recipients in each category:

DAR Good Citizen Award - Brenda Murillo; Army National Scholar Athlete Award - Andy Mirike and Angela Mayfield; Yearbook - Sarah Marrs; Newspaper - Kelly Harrelson; VAC - Jose Deluna; ACTS - Anthony Gibson; Agriculture Science - Michelle Frye; Agriculture Mechanics - Walker Wallace; Art - Danny Ozuna; Electronic Media - Jennifer Stroud; Building Trades - Carlos Sanchez; Home Repair - Caleb Barker; Health Occupations - Sonia Martinez; Micro-Computer Applications II - Joey Gandar; Keyboarding - Erin Marrs;

Computer Science - Carla Weaver; Accounting - Walker Wallace; Microcomputer Applications - Clint Bowers; Home Economics - Sarah Marrs; Apparel - Charollette Alewine; Health - Lizzy Badillo; Physical Education - Eusebio Esquivel; English I - Allen Nicholas; English II - Dustin Dillard; Speech - Johnna Adams; Radio/TV - Mondo Castilleja, Lora Hale, J.P. Hudman, Mike McReynolds; English III - Will Allen; English IV - Kristi Burge; AP English - Mayer Anderson; Theatre Arts - Justin Eaton; Tech. Theatre - Pam Jones; Spanish I - Brenda Oliden; Spanish II - Isaac Ramos; Spanish III - Valerie Garza; World History - Erin Scott; World Geography - Ernie Perez; Government - Michael Barthelemy;

Economics - John Brown; US History - Tracy McKnight; Algebra I - Cindy Jones; Geometry - Erin Payton; Algebra II - Tommy Gutierrez; AP Calculus - Carla Weaver; Physical Science - Jason West; Chemistry - Michael McLaurin; Pre-AP Chemistry - Stacy Becknell; Biology I - Kimberly Bustamante; AP Biology - Michele Cramer; Physics - Andy Mirike; Pre-Calculus - Drew Dempsey; Trigonometry - Camille Marshall; State Qualifier UIL Computer Science - Carla Weaver; UIL Scholar Awards - Josh Akins, Michele Cramer, David Fisher, Andy Mirike, Sarah Marrs, Angela Mayfield, Carla Weaver; Mr. & Miss SHS - Andy Mirike and Michele Cramer

Rev. Lewis Allen is pictured with Marj Carpenter, former moderator of the Presbyterian Church, the highest elected office in the church. She spent 17 years as news director of the church and 28 years in the newspaper business in West Texas. She has been in over 530 missions and traveled to all 50 states and 114 countries. "That's mainly what I talk about, what I've seen." Mrs. Carpenter was in Roanoke, Virginia last week and Sonora this week at the Church of the Good Shepherd.

Hernandez celebrates Quinceanera

Lorena Hernandez celebrated her Quinceanera (Sweet Fifteen), Saturday, April 26th.

Lorena, along with her parents, family, court of honor, which consisted of fourteen girls and their escorts, and many friends celebrated with a Mass of Thanksgiving.

The community joined Lorena and her parents in giving thanks to God, not only for being able to celebrate the first fifteen years of her life, but for the gift of life. The Mass consisted of Lorena's renewal of Baptismal Rites, her dedication to God and The Virgin Mary, and the receiving of special gifts, all of which have a special religious meaning. The gifts consisted of a ring, earrings, necklace, crown, Bible and rosary, a bracelet, and a watch. Celebrant of this special mass was Fr. William Dubussion OMI. The St. Ann's Choir made this day even more special

with their beautiful singing.

A reception was held after mass at the Clint Langford Memorial Building. Lorena, along with her Court of Honor, were driven in style

around town and to the memorial building in a white extended limousine, which was Lorena's surprise gift from her father.

Following these introductions,

presentation began with the introduction of Lorena and her parents, the presentation of her Court of Honor and their escorts.

Following these introductions,

Hernandez. Lorena was then ready to dance her first waltz with her father. The *Butterfly Waltz* is a beautiful song. It symbolizes a caterpillar becoming a beautiful butterfly—a little girl becoming a beautiful young lady.

At the end of the presentation, her father, Esteban Hernandez, presented his daughter with her very last doll and danced with her to the song *The Very Last Doll*. It's a moving and emotional song about a father who comes home with a doll for his little girl. He does not find "daddy's little girl" but a young lady instead. His beautiful little girl is all grown up.

A dance for the entire community was held after the presentation. Music was provided by El Ultimo Tren from Del Rio, Texas.

All who joined Lorena and her family in this special celebration had a wonderful time.

Lorena was crowned with her dance crown by her grandmother, Maria Robles. Next came the removing of her flat shoes and replacing them with her first high heel dance shoes by her mother, Hermelinda

around town and to the memorial building in a white extended limousine, which was Lorena's surprise gift from her father.

That evening Lorena was presented to the community. The pre-

Faris receives San Angelo Stock Show Foundation scholarship

Submitted by Linda Rhodes

The San Angelo Stock Show Foundation recently awarded fifteen \$500.00 scholarships and renewed sixteen previously awarded \$500.00 scholarships to local and area students.

First time recipient from Sonora is Shawna Faris. She will be attending Texas A & M University and is the daughter of Mr. and Mrs. Preston Faris.

The scholarship trust fund was established in 1987 by the association to provide a vehicle whereby students from Tom Green and other counties within a 150 mile radius of San Angelo could further their educational pursuits. Since its inception, the fund has awarded \$129,500.00 in scholarships to one hundred and fourteen local and area youth.

The trust allows the \$500.00 scholarships to be paid directly to

the educational institution. The scholarships may be renewed for a maximum of four years provided requirements are met. A four member committee meets annually to review the applications and award the scholarships.

The scholarships may be used to attend a Texas vocational/technical school or accredited Texas college or university. Applicants are members of 4-H, FFA, and FHA. Applicants do not have to pursue a career in agricultural or related fields. Scholarship applications are accepted without regard to socioeconomic level, race, creed, sex, color, religion, or national origin.

To obtain an application, contact the San Angelo Stock Show Foundation Scholarship Committee, 200 West 43rd Street, San Angelo, Texas 76903. Application deadline is April 1st of each year.

"By George! It works!" user crows.
Little-known 'vitamin' makes love grand

McKinney, TX—Little did Dr. Philip Handler know, back in 1941, that his newly discovered nutrient "Vitamin 15" would one day have men and women all over the country smiling quietly to themselves.

Today, N,N-Dimethylglycine (DMG) is no longer classified as a vitamin. But it has changed the lives of thousands of men and their mates.

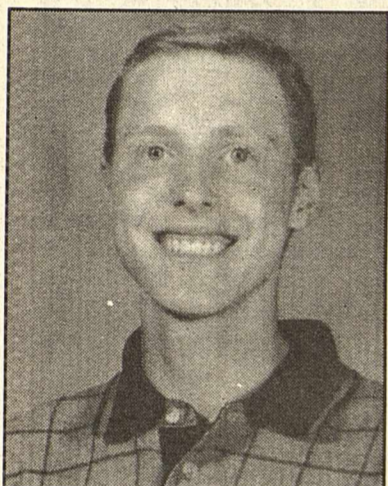

A naturally occurring nutrient sold under the brand name NutriSurge (but more often called simply "The Love Pill"), DMG works by increasing energy, improving metabolism, enhancing oxygen utilization and increasing the flow of blood to key areas of the anatomy.

NutriSurge has a cumulative effect: the more you take it, the better it works. Most users take two, but up to six tablets may be taken daily. Satisfaction is guaranteed.

See for yourself why thousands swear by NutriSurge. Send \$29.95 plus \$4.95 postage & handling for a 60-tablet supply to TDM Research, Dept. NSC31, 123 South St. Oyster Bay NY 11771. Or call toll free 1-800-645-9199 and ask for Operator C31. Use the whole supply; then, if you are not completely satisfied, return the box for a full refund.

Henke qualified for state UIL meet in Persuasive Speaking

John Henke

John August Henke, grandson of Mrs. Celeste Prugel of Sonora, qualified for the 1996-97 UIL Academic State Meet Finals held in Austin at the University of Texas at Austin. Representing Menard High School, Henke is the son of Dr. and Mrs. Clyde and Susan P. Henke of Menard County.

Henke qualified for the State Finals by placing in the top three at the District meet, the

Regional meet held in Abilene at Hardin-Simmons University, and the preliminaries in Austin.

Henke's event is Persuasive Speaking focusing on current events. Mrs. Prugel has been a facilitator to the event since the onset.

Sonora students named to 97 collegiate Who's Who

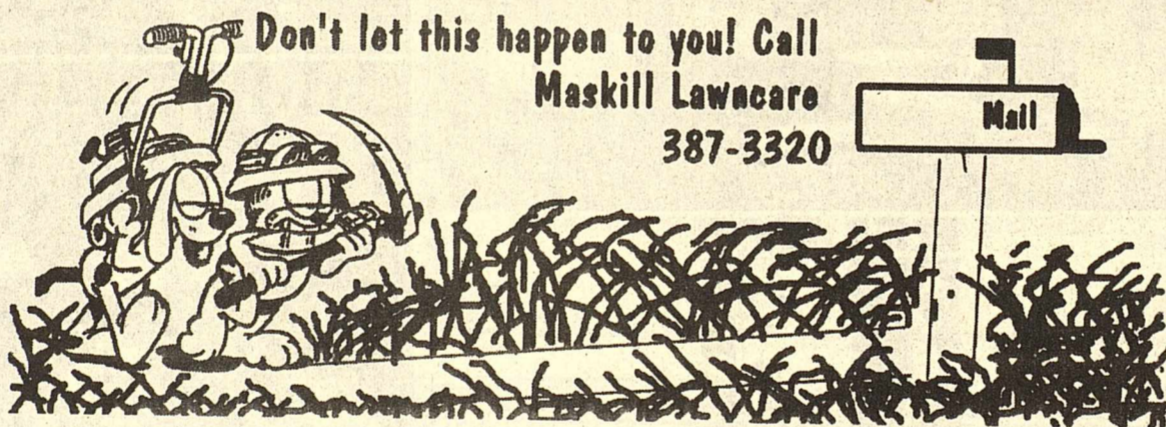

Eighty Angelo State University students included in the 1997 edition of Who's Who Among Students in American Universities and Colleges were honored at a reception Friday, May 9.

Campus nominating committees and editors of the annual publication have included, from Sonora, William Paul Haltom and Robert Joseph Powell based upon their academic achievement, service to the community, leadership in extracurricular activities, and potential for continuing success.

Jack Smith of the Federal Land Bank presented scholarships to Tye Williams of Eldorado, Michelle Frye of Sonora, and Belio Rendon of Rocksprings. Not pictured is Amy Laughlin from Ozona. The recipients were honored with a dinner at the Depot Monday, May 19.

Looked At Your Cellular Bill Lately ?

If you haven't, it just might surprise you as to how much unused airtime you pay for each month. Especially if your cellular provider is still rounding up to the nearest full minute for airtime charges.

If you're tired of flipping your wig each month over airtime charges, it's time to talk to Plateau Cellular Network about Six Second Billing. With Six Second Billing from Plateau Cellular you pay only for the part of the minute you use, not the whole minute.

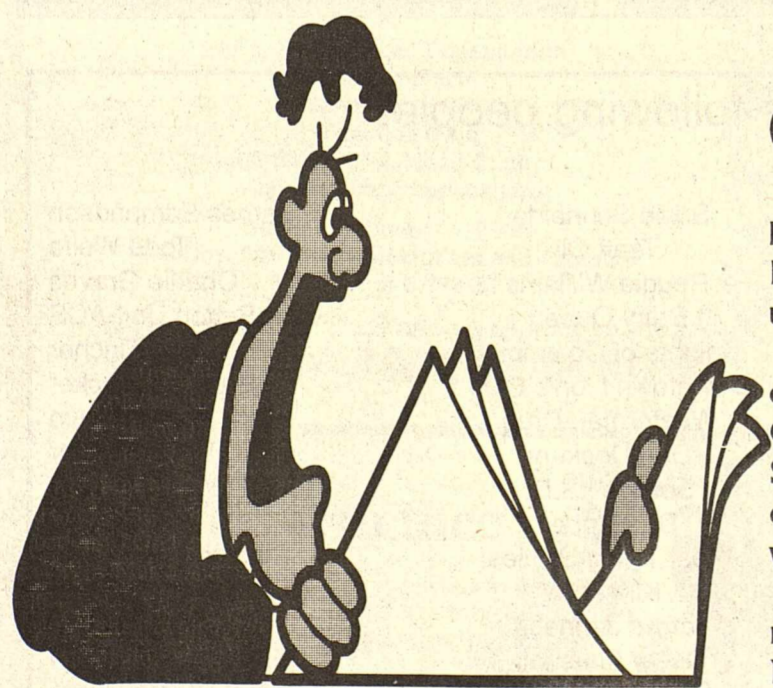

And for the month of May, Plateau Cellular makes cellular service even more affordable with a **NO ACTIVATION FEE.***

For complete details on all the advantages of service from Plateau Cellular Network, see one of these Authorized Agents today.

Boer Goat School Scheduled

Submitted
The American Boer Goat Association has scheduled 5 schools which will be under the instruction of P.B. Botha and Lucas Burger who are respected Boer breeders and judges in the Republic of South Africa. Students will receive hands on training in the evaluation of bucks and does of various ages as well as classroom instruction. The schools are open to anyone who is interested in learning about the Boer Goat. Successfully completing level One and Level Two are required to become an ABGA Approved Boer Goat Judge or Inspector.

tered for those who wish to be considered for certification as a judge or inspector and those who want to continue their education by enrolling in a Level Two course. The test is not mandatory if you are taking the course for your own personal growth or information.

Locations and dates for Level One schools are as follows: June 12-13, Goldthwaite, TX; June 18-19, Umatilla, OR; June 27-28, Fayetteville, NC; July 7-8, Ozona, TX. Fees for Level One are \$100 for ABGA members and non members pay \$150.

Upon successful completion of Level One, students are invited to participate in the Level Two course which has been set for July 10-12 in San Angelo, TX. This three day course has more in-depth instruction and more opportunity for individual contact with the instructors as enrollment is limited to 25 students. Fees for this class are \$150 for ABGA members and \$200 for non members.

Four of the schools will be Level One which covers basic fundamentals including history of the breed and breed standards. Pen work will instruct participants in the visual evaluation of animals as individuals as well as how to rank a group from the best to the least desirable. This course is limited to 40 students per class.

At the conclusion of the two day course, a test will be adminis-

Junction Sheep and Goat Auction

5/20/97

Compared to last week: Feeder lambs steady to 1.00 higher, light lambs weaker. Slaughter ewes and bucks mostly steady. Stocker Spanish nannies 3.00-5.00 lower. All classes slaughter Spanish mostly steady. Stocker angora nannies and muttons fully steady. All classes slaughter angora mostly steady. Supply included around 11 percent sheep including near 250 lambs.

Stock and Feeder Sheep: Feeder Lambs: Medium and Large 1: 60-85 lbs 101.00-110.00 CWT.

Stock Ewes: Medium and Large 1-2: 80-105 lb ewe lambs 82.50-84.00 CWT.

Barbados: ewes 40.00-46.00 per head.

Slaughter Sheep: Slaughter Lambs: Choice and Prime 2-3 115-125 lbs 90.00-92.00 CWT.

Slaughter Ewes: Utility 2-3 39.00-43.00; Good 2-3 45.00-51.50; Bucks

37.50-47.00 CWT.

Fort Worth June 19-20, 1997, Green Oaks Park Inn, 6901 W. Freeway

AGRIBUSINESS

Rep. Bob Turner Passes Landowner Protection Bill

submitted

Rep. Bob Turner (D-Voss) has passed legislation which gives liability protection to owners of agricultural land who allow the public to enter their property for recreational purposes. House Bill 2664 has been signed by the governor. Turner passed a similar bill in 1995, but a subsequent lawsuit

the same limits on liability as one who does charge admission. A landowner must have a liability insurance policy in place in order to qualify for the limits afforded by this bill.

the Texas Parks and Wildlife Department already owns more land that it can take care of

"I believe this legislation accomplishes two important goals," said Turner. "First, it helps reduce the pressure on the state to acquire private land for public recreation. Second, it gives landowners an incentive to invite everybody from the girl scouts and boy scouts to bird watchers and hunters to come on their land and enjoy nature. The incentive I am speaking of is actually the removal of a disincentive -- which is the threat of an unlimited liability claim that could literally cost somebody the farm," Turner said.

acquire private land for public recreation. Second, it gives landowners an incentive to invite everybody from the girl scouts and boy scouts to bird watchers and hunters to come on their land and enjoy nature. The incentive I am speaking of is actually the removal of a disincentive -- which is the threat of an unlimited liability claim that could literally cost somebody the farm," Turner said.

House Bill 2664 clarifies that an owner of agricultural land who does not charge admission or who invites a person to enter the property for recreational purposes is entitled to

Rep. Turner, who represents 17 mostly rural counties in Central and West Texas, is the chief proponent of private property rights in the Texas House of Representatives and is the

NONCITIZENS RECEIVING SSI HAVE 90 DAYS TO PROVE ELIGIBILITY

Submitted

Noncitizens will have up to 90 days from the date they receive a notice to submit proof of U.S. citizenship or eligible alien status to continue receiving Supplemental Security Income (SSI) payments. Social Security recently notified more than 895,000 individuals whose records do not show that they meet the new SSI immigrant citizenship or eligible alien status requirements established by recent welfare reform legislation. To get SSI, individuals must be either a U.S. citizen or national or a legal alien in certain categories.

If you receive a notice and are a U.S. citizen, you need to let us know. You will need to bring us evidence of citizenship, such as certificate of naturalization or your U.S. passport.

If you meet one of the eligible alien categories, you should bring us an unexpired Immigration and Naturalization Service document listed in the notice. You will need to bring us the original document to establish your eligibility. Social Security does not accept photocopies of documents.

People who submit proof of eligibility on time will receive a notice informing them of the eligibility category they meet, and the proof we used to make our decision. If you do not contact Social Security or submit proof of your eligibility, you will receive a second notice informing you that we plan to stop your SSI payments in August or September. The notices will explain your appeal rights and what you should do if you become a citizen or your alien status changes and you think you are eligible for SSI.

If you have any questions about the notice, you should contact your local Social Security office right away.

EMS and TDH remind Texans that "Nothing is Soft at 200 mph-Practice Air Bag Safety"

Submitted

Sutton Co. EMS and the Texas Department of Health remind you and your family that the air bag in your car that saves your life could seriously injure or kill a child.

According to Patrick Campbell, EMS Administrator, "Air bags have saved an estimated 1,700 lives and have reduced fatalities by 30 percent in head-on crashes. But an inflating air bag can also severely injure or kill an unrestrained or improperly restrained child."

To ensure that all children and adults ride safely, you should follow these guidelines:

- * Correctly restrained in the back seat is the safest place for children of any age to ride.

- * Never put an infant (up to 20 pounds and less than one year old) in the front seat of a vehicle with a passenger-side air bag.

- * Infants must always ride properly restrained in the back seat facing the rear of the vehicle.

- * Make sure children are properly restrained and in the back

seat. Children in the seat are particularly at risk for being hurt or killed by an air bag.

- * Everyone should wear both the lap belt and shoulder belt in the vehicle.

- * Move the vehicle's front seats as far way from the air bag as you can without hampering control of the vehicle.

"Air bags and seat belts should be used together to protect you and your family if you are ever involved in a crash. Children in car safety seats should never be placed in front seat of a car with passenger-side air bags and children under age of 12 should always ride in the back seat," Patrick Campbell said. "Motor vehicle safety plays an important part in our efforts to educate the community about injury prevention. We want people in Sutton County to remember that practicing air bag safety could save not only the adults' lives, but also children's lives."

Cub Scout "Mom and Me" Campout

Submitted

On Saturday, May 3-4, 1997, the Cub Scout "Mom and Me" campout was held at Camp Sol Mayer in Fort McKavitt. All of the boys and their moms had a great time with wonderful weather! They participated in canoeing, bb gun shooting, archery, rock throwing, frisbee golf, Saturday night campfire, and many other fun activities. On Sunday, everyone attended an outdoor worship service.

Those attending were 4th grade Webelos: Ronda and Laramie Hall, Sue and Nathaniel Prather,

Julie and Andrew Barthelemy, Linda and David Luna, and Kristin and Clayton Hicks; 3rd grade Bear scouts: Viola and Roland Solis, Antonia and Frank Gallegos, Linda and Leono Luna, Laurie and Embré Smith, Sue and Patrick Shahan, Julie and Steven Barthelemy, Angela and Will Crittendon, Christie and Tyler Talley, Pam and Brandon Munn, Melissa and Steven Duhon, Becca and Ty Love, Beth and Warren Wallace; 2nd grade Wolf scouts: Melissa and Dustin Duhon, Becca and Shane Love; 1st grade Tiger cubs: Jane and Hunter Rushing.

Basic Trauma Life Support Course

Submitted

A Basic Trauma Life Support Course was held at the Sutton County EMS Training Facility on the weekend of April 19 and 20, 1997. The course was an intense, two days of lectures and skill stations and was held from 8:00 a.m. to 5:00 p.m. on both days.

The classes were attended by 23EMS personnel from Sonora, Eldorado, Iraan, and Odessa, one fireman, and three nurses. From Sonora, the class was attended by 13 Sutton Co. EMS members, one Sonora Fireman, and two nurses from Hudspeth Hospital.

The instructors were from the Texas Tech University Health Sciences Center, Department of Emergency Medicine of El Paso. The Texas Department of Health awarded Texas Tech a grant to provide rural and frontier areas with EMS courses to certify personnel, for continuing education and training,

and to enable EMS personnel to upgrade and advance their personal certification.

A major focus of the BTLS Course is the identification of severe trauma conditions that require immediate care and transport. In order to be certified, the students must be taught by instructors in the International Basic Trauma Life Support Organization. The certification requires a successful completion of a written and skills evaluation.

Those completing the course from Sonora and Eldorado were: Pascal Allison, Tonya Brown, Patrick Campbell, Karen Frasier, Glenna Hulseley, Donna Keese, George Keese, Monica McGee, Stella Salinas, Echi Samaniego, Tim Thorp, TJ Thorp, Mary Beth Turney, Tim Talley, Maggie Bernal, Virginia Gallion, Victor Bellman, Brenda Greer, Sheila Prater, and Susie Richter

Mexican-American Foods Can Fit

Submitted by Kelly L. Thorp, CEA-FCS Sutton Co.

From a nutritional standpoint, a traditional Mexican-American diet offers many advantages, but some ingredients cause people to become overweight, making them more susceptible to diabetes, says a registered dietitian.

"The Mexican-American diet reflects Spanish and Indian influences--mainly vegetarian, based pri-

marily on maize, beans, and squash," said Dr. Mary Kinney Bielamowicz, a nutrition specialist and professor with the Texas Agricultural Extension Service. "It is high in complex carbohydrates and emphasizes the consumption of fruits and vegetables rich in vitamins A and C, which is just what the USDA dietary guidelines recommend."

The two drawbacks of the

Mexican-American diet are the liberal use of added fat, particularly lard, and a preference for high-fat meats. A contributing factor is stove-top cooking, such as stewing or frying with liberal amounts of oil and lard, instead of baking or broiling. Most foods, including meat, beans, tortillas, rice and potatoes, are fried.

"When a person's diet consists of mainly fried foods, added fat and other high-fat products, this could lead to obesity," said Bielamowicz, a member of the cultural diversity committee of the American Diabetes Association-Texas Affiliate. "As a result, this individual could end up with hypertension, heart disease, diabetes mellitus or a combination of these illnesses." According to the American Diabetes Association, more than one million of the estimated 22 million Hispanics in the United States have diabetes-- one in every 10 Hispanic adults. Also, population studies among Hispanic women with diabetes show significantly higher death and complication rates during pregnancy.

Only a few steps need to be taken to cut down on fat, sodium and sugar in the diet, Bielamowicz said. Meals and recipes can be modified by following these steps:

- * Increase carbohydrate intake up to 55 percent to 60 percent. Eat more servings of breads, cereal, pasta, fruits, and vegetables. Continue to serve sopa de arroz (Spanish rice), sopa de fideo (a similar noodle dish), potatoes, tortillas, or beans with each meal.

- * Use corn tortillas instead of flour tortillas. Make tortillas from ingredients using whole wheat flour and margarine made with unsaturated fat such as canola, corn, soybean, and safflower oils. Include beans daily to maintain high levels of soluble dietary fiber consumption. Increase intake of fresh fruits and vegetables.

- * Incorporate sweets such as pan dulcet into a mixed meal that includes protein and fat only if diabetes is controlled and body weight is reasonable. Account for calories in the total meal plan. Use no added sugar in drinks such as licuados and aguas frescas.

- * Eat the appropriate amount of protein. daily protein intake for the average man would be equivalent to that in 8 ounces of red meat or two cups of beans. For woman, the

intake would be 6.25 ounces of meat, or slightly more than one and a half cup of beans.

- * Reduce oil used in preparing sopsas. Prepare frijoles cocidos (boiled beans) instead of frijoles refritos (refried beans). Prepare meats asadas (grilled) instead of fried. Chill and skim fat off broths and stocks when preparing caldos. Use skim, one percent or low fat milk instead of whole milk or cream. Avoid high-fat cheese using part-skim milk queso fresco instead. Bake corn tortilla chips to replace fried chips. Rather than frying tortillas, heat in foil in an oven, in a heavy pan for a short time on each side, or in a microwave oven.

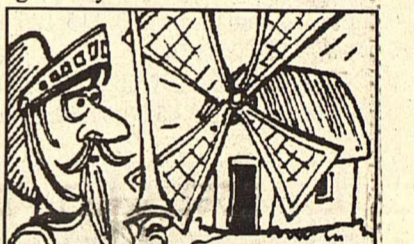

- * Restrict egg consumption to less than there a week. Eat Chorizo (sausage) and menudo only on special occasions. Instead, select some the new, light sausage available on the he market toady. Trim fat from fried Chorizo, and trim visible fat from meats. Avoid using lard in cooking. Use polyunsaturate doils or olive oil instead.

- * Replace sweetened carbonated soft drinks with water or diet sodas. Use artificial sweeteners in beverages.

- * Taste food first before using salt. Minimize consumption of salty snack foods such as chips, chicharrones (fried pork rinds) and dips. Instead of salt, use lemon in drinks or on fruits such as melon. Add flavor to foods using onion, garlic, cumin, oregano, cilantro and other spices.

Nearly any recipe can be modified for a more healthful meal, Bielamowicz said. For example, instead of having refried beans with Mexican sausage, eat boiled d beans with chili sauce made with lean meat.

For more information on modifying recipes and planning healthful menus, contact the family and consumer sciences Extension county agent in your area.

Windmills were being used in Europe by the 1100s. They rotated on a horizontal axis, as they do today, and were used to drain water from the land.

Do you understand the difference between a...

- Living Trust
- Living Will
- Power of Attorney
- Ordinary Will

A will, a living will, a living trust and a power of attorney are important legal documents. Every adult should probably have one of each and know their benefits.

A living trust lets you safely put your assets in your heirs' names before you die. You keep control of your property, but you avoid high estate taxes and time consuming probate.

A living will lets you instruct your relatives and doctors not to use artificial life support to keep you alive if you're terminally ill. Without it, huge hospital expenses could wipe out your savings, leaving nothing for your heirs.

Ordinary Will- Without it, a court - not you - directs who receives your assets when you die. Heirs could wind up sharing your estate with little-known relatives, and the court could assign your minor children a guardian (possibly someone you would not want to raise them).

A power of attorney designates someone to act on your behalf if you become

unable to do so, without going through a lengthy court action.

Why do you need all four? Each document works with the others to protect you and those you love against unwanted interference by strangers.

Do I need a lawyer? You are not required to hire a lawyer to draw up these documents. Attorney reviewed documents, like these, save expensive legal fees and are valid in all 50 states. If your affairs are complex, consultation with a qualified attorney is recommended, though you may still wish to use the kit for interim protection.

Do Not Delay - Anything can happen any time. Kit contains everything you need, including easy-to-follow instructions and fill-in-the-blank forms. Your satisfaction is guaranteed. If not delighted, simply return the kit for a full refund. Send \$19.95 plus \$2.95 s&h to: TDM Research, Dept K1, 123 South St., Oyster Bay NY 11771. NY, TX residents add 8.25% sales tax.

Back Talk **Chiropractic Care Questions & Answers**

pain or discomfort in certain joints as well as soft tissues involved with the joints. Chiropractic treatment reduces the inflammation giving the body an opportunity to heal.

Where did chiropractic originate and are chiropractors really doctors?

Chiropractic as we know it today originated with the work of Dr. D.D. Palmer in 1895. There are records, though, of spinal manipulation being used for centuries prior to Dr. Palmer. Yes, chiropractors are really doctors. They complete much the same educa-

tional requirements as medical doctors, however, the emphasis of chiropractic training is on finding the cause of the patient's complaint and treating it rather than only treating symptoms. Chiropractors are primary care physicians and licensed in every state.

Back Talk is copyrighted by the Texas Chiropractic Association. A panel of chiropractic editors is chaired by Dr. Paul Jaskovick, DC, graduate dean, Parker College of Chiropractic, Dallas. Questions can be sent to Back Talk, TCA, 1601 Rio Grande Suite 420, Austin, Texas 78701

MINIMUM REQUIREMENTS: One year experience in roadway maintenance work or a related field. Knowledge, Skills and Abilities: Working knowledge of methods, procedures and materials used in roadway maintenance work. Skill in the use of some roadway maintenance tools and equipment. Ability to follow oral and written instructions; work effectively with others and the public; work under variable weather conditions. Ability to move 50 pounds. Ability to occasionally move 100 pounds.
Conditions of Employment: Required to work hours other than 8 to 5. Required to work hours other than 8 to 5 in variable weather conditions. Required to work weekends and holidays. Required to wear personal protective equipment provided by employer and comply with all safety requirements. Must have and maintain a satisfactory driver's record. Driver's license check will be conducted by the Department. Must pass a drug test prior to employment for commercial driver and safety sensitive position. Must have or obtain within 60 calendar days from date of employment a Commercial Driver's license. The employee will be subject to post-accident drug and alcohol testing while performing safety sensitive activities immediately after their date of hire. Upon receiving a Commercial Driver's license, the employee will be subject to post-accident, reasonable cause, and random drug and alcohol testing during employment.
REMARKS: On occasion will be required to move large items, truck tire/wheel, items of machinery, bags of cement, etc. Must be able to respond to emergencies within thirty minutes of time of notification. The above statements are not a complete list of all responsibilities, duties and skills held or performed by employees in this job. Employee may perform other related duties as assigned.
Applicants should clearly describe on their applications how they meet the minimum requirements (education, experience, and knowledge, skills and abilities) for the position. In addition to a completed application, the department will accept a separate sheet(s) from applicants

explaining how they meet the Knowledge, Skills, and Abilities stated in the minimum requirements. Interviewee selection is based on information provided explaining how the applicant meets each knowledge, skill and ability requirement.
Applicants may submit attachments to provide the 'Summary of Experience' information in the Employment History section of the application. A note to 'See Attachment' in the experience portion of the application is acceptable. All other items under Employment History must be fully completed. Resumes and attachments explaining knowledge, skills, and abilities will continue to be accepted for whatever additional information they contain, but not in place of a completed application.
* New state employees will normally be hired at the Step 1 salary listed above or on Step 1 of the salary range listed. Screening for minimum qualifications will be based on the identified education and experience, the knowledge, skills and abilities needed to perform the essential functions. Successful completion of a post-offer/pre-employment physical exam at employer's expense is required and is a condition of employment. If hired, you must provide document(s) within three (3) days of your hire date, that establish your identity and employment eligibility. A complete list of acceptable documents is on file with your local Texas Workforce Commission office.

DAYS INN-DEVIL'S RIVER

387-3516

A Hearty Congratulations
Seniors from
The Devil's River News

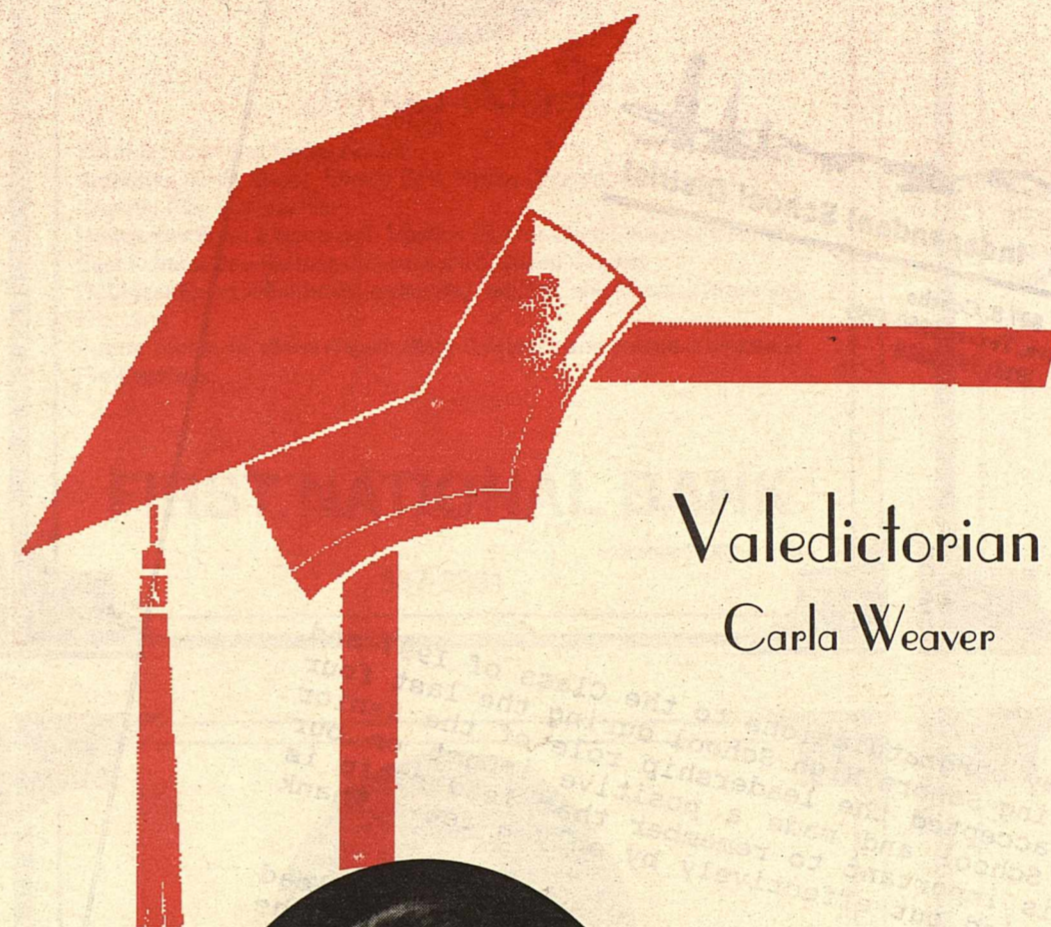

We would like to express our sincere gratitude to the office staff of Sonora High School for all their help throughout the year.

CONGRATULATIONS

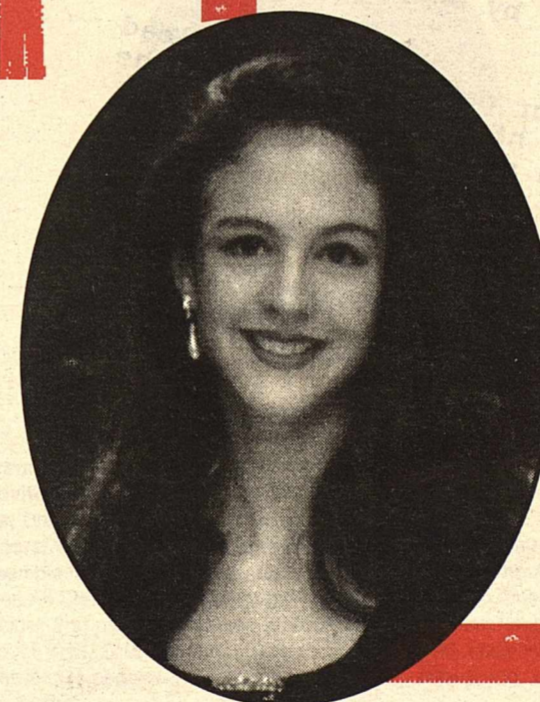

Sincere congratulations and...
Good luck to you today...
May your diploma help you gain...
Success in every way...
May progress mark your every step...
Along your rise to fame...
And may your deeds endow you with...
A good and noble name...
May you fulfill your high ideals...
Without a doubt or guess...
And may your friendships multiply...
Your daily happiness...
Keep up the courage you have shown...
And never shirk or quit...
You know, you only get from life...
What you put into it...
You well deserve the honor that...
The school has given you...
And so congratulations and...
May all your dreams come true.

by James J. Metcalfe

The Devil's River News presents The 1997 Sonora High School Graduates

Valedictorian
Carla Weaver

Salutatorian
Michele Cramer

May 15, 1997

TO THE CLASS OF 1997:

I would like to extend my congratulations to the Class of 1997 and thank you for representing Sonora High School during the last four years. This year you accepted the leadership role of the Senior Class at Sonora High School and made a positive impact on our school district. It is important to remember that leadership is sought by many but carried out effectively by only a few. Thank you for a job well done!

Good luck to each of you as you choose your path in life and lead us into the next century. Set your goals high and "shoot for the moon. Even if you miss it, you will land among the stars".

Sincerely,

Ernesto Martinez
Ernesto Martinez, Superintendent
Sonora Independent School District
