SISD works in conjuction with **Police** Department

Sonora Police Department and SISD worked together upon request of Superintendent Harlan in bringing in narcotics dogs to the Jr. High and High School campuses on Tuesday May 25th.

Drug paraphenalia and under 2oz. marijuana were found on school property. Charges were filed against two local students.

If narcotics are found on school property or within 1000 ft. of any owned, rented, or leased propertycharges can be enhanced 1 degree.

"I, Chief Croy, hope to continue the practice of running drug dogs in the school district, contingent upon a contract approval between the school district and the company that handles the narcotics dogs.'

Ashley Henson won the Girl's for

award Outstanding Golf Award at the Sports Banquet.

El Paso man charged with possession

On Sunday May 31st, 1998 an El Paso man was stopped for a traffic violation. Officer Humphrey received written consent to search the suspect and his vehicle. Upon search of the man, a baggie of marijuana was found in the suspects pants pocket.

Further investigation revealed a false compartment in the the trailer bed. No contraband was located in the compartment. The suspect was transported to the Sutton County Jail and booked for possession of

Mark Cooper received a second division at U.I.L.

1998 Sonora Basketball Camp will be June 8-11. Boys grade 1-2 will be from 9 a.m.-10:30 p.m and cost \$12.00; boys grades 3-6 from 9 a.m.-12p.m. and cost \$30.00; boys grades 7-9 from 1p.m.-4p.m. and cost \$30.00; girls camp will be held as soon as a girls coach is appoint

May 29th fell on Friday this year and so did graduation and the all night bash "Project Graduation" which is held for all Junior and Senior students of Sonora High School. Immediately following graduation at the Bronco Stadium, a carnival of games along with plenty of food, fun and excitement began at the Sonora High School Commons Area. Both the JV and Varsity gyms were open for several games. The Knights of Columbus had a free throw and shooting baskets game. Several coaches and parents offered various games in the gyms. Remote control car races were a favorite to try. The Devil's River News crew kept lots of students entertained with "Plinko". Washer pitching, putt-putt, tin can alley, wheel of fortune, ring toss, hoop ball, bean bag throw, and darts gave plenty of choices for the students. Parents and teachers kept these games going until wee hours of the morning. The Senior Citizens offered "Bingo". Eight casino tables made for a fun and exciting time. All the dealers were parents, teachers, or just plain ol' good folks.

The "store" also housed lots of workers. This is where the students gathered to spend their "hardearned" play money they had won thru the night. And what a store it was. Anything from microwaves, vcr's, stereos, calculators, typewriters, to hair dryers, razors, picture frames, and laundry baskets. Play money was made by a fine group of pretend bankers.

If the students chose, they could save their money and go to the auction after the games stopped. Held in the auditorium so the students could have the comfort to

ning can be difficult at 3:00 a.m.

Finally, the grand drawings were held. This year along with the senior drawings there was a junior drawing. Any student whose name was drawn had to be present to win whether awake or asleep. A chance of winning a computer, for a senior or a TV for a junior made everyone suddenly not so sleepy at 4:30 a.m.

ing the games loud and lively music was provided by a D.J. Gift certificates for gasoline, phone cards, cases of oil and lots of cash were given away in a random drawing every 15 minutes.

Everyone was offered various

decide very carefully on what items they wanted. Anyone that has been to an auction knows that once the auctioneer opens bids how exciting and sometimes impulsive bidding can be. Such grand prizes as TV's, stereos, a computer, cordless telephones, microwaves, refrigerators, bicycles, an electric B-B-Q and various gift certificates from local merchants. Careful strategy and plan-

To keep everyone awake dur-

choices of energy food during game time. Banana splits, pizza, cookies, candy, sno-cones, popcorn, and soft drinks were on the list for power food. At 2:30 a.m. the Sonora Firemen brought in breakfast burri-

Project Graduation was started by the Texas Department of Transportation because of the high incidence of alcohol related deaths. An all night bash gives graduates a place to go and celebrate alcohol

The volunteers put numerous

hours and a lot of energy into making "Project Graduation 1998" a great success. All the cash and prizes were generously given by businesses and individuals. Hopefully, the students who won or bought a prize received something that can help them in their future. 56 out of 70 seniors were present, and 44 out of 78 juniors were present. We know that all of these lives were saved on graduation night, May 29,1998. Sonora, Texas, what a great place to live and raise your

Cahill/Bradley Wedding Announcement

Miss Dawn Eugenia Bradley and Mr. Carl James Cahill, III, ("Chacho") were married May 2, 1998. The marriage was performed at the First United Methodist Church of Sonora by the Reverend Suzanne Steves and the Reverend Ronald R.P. Myers.

The bride is the daughter of Col. (Ret.) and Mrs. Peter William Bradley of El Paso. Her grandparents are Mr. and Mrs. Herbert Handler of East Hampton, New York, and the late Mr. and Mrs. Thomas Roberts of Macon, Georgia.

Mr. Cahill is the son of Mr. and Mrs. Carl James Cahill of Sonora. His grandparents are Mr. and Mrs. Durwood Neville of Sonora, and Mr. and Mrs. Walter Pressly Shafer of San Antonio.

Mrs. Stacy Gabriel Jones of Blairstown, New Jersey, served as matron of honor. The bridesmaids were Mrs. Amy Lyn Grau of Houston, Miss Virginia Nan Johns

of Dallas, Miss Christi Brooke Jones of Dallas, Miss Courtney Ana Osbourn of Paris, Texas and Mrs. Kelly Cahill Owen of Sonora.

Mr. Cahill's best man was Tracy Gene Love of Midland. The groomsmen were Rodney Grant Bradley of El Paso, Todd Allan Keller of San Antonio, Terry Lee Owen of Sonora, Warren Andrew Stokes of San Antonio, and Keith Warren Wallace of Sonora. Justin Stanley Condra of Austin, Allen Joseph Hoelscher of Lubbock, Jacob Joel Kimbrel of Sonora, Kevin Warren Pettyjohn of Hobbs, New Mexico, and Walter Pressly Shafer, IV of San Antonio were Ushers.

Mrs. Cahill graduated from Texas A&M University and Texas Tech University School of Law and is an attorney with Wallace Law Offices. Mr. Cahill graduated from Texas Tech University and works for CJC, Inc., in Sonora.

Ronnie Cox would like to be your pharmacist.

LETTERS TO THE EDITOR POLICY The Devil's River News encourages letters from its readers. Letters should be to the point, typed if at all possible and signed. Address and telephone numbers also should be included for verification purposes. No letters will be published without the author's name. Letters will be printed on a space available basis. Letters should stick with issues, and not simply be personal attacks. Letters endorsing a particular position on issues of local interest will be accepted, however letters endorsing a candidate for political office will not be accepted. We reserve the right to edit for length, content and potentially libelous statements.

Letters to the Editor published in this newspaper do not necessarily reflect the position of this publication on any subject. Correspondence should be mailed to: The Devil's River News-Letters to the Editor, 228 East Main, Sonora TX. 76950

Letters to the Editor

Dear Sonora Citizens:

In an age when our young people are shocking the world with headlines about criminal behavior and violence, it is heartening to have something positive to say about the young people of your community. Having been a member of the Sonora Community, I am well aware or the nurturing and caring concern which you give your young people. It does make a difference!

I am now in a position which requires me to hire numerous college students as library workers. At Texas A&M University, I am responsible for the circulation of all library materials and maintain a the fall. staff of approximately 35. I look for young people who are bright, respectful, and know how to work. Sonora continually produces young

people with those qualities. I have hired your college students and they have been successful. I have enjoyed them and they have enriched my life with their exuberance. Their work ethics and personnel demeanor while on the job are above reproach. I have no doubt that they will all become worthwhile, contributing adults. I want to commend you as a community and their parents for a job well done!

Former and current workers are: April Spiller Murden, Vicky Richardson, Toni Balas, Curt Dempsey, Christina Ramirez, and Angela Mayfield. I will be adding another Dempsey and Ramirez in

> Sincerely, Sandra Cooper, Program Coordinator, Evans, Library, TAMU

Midland from San Antonio with a vanload of young people from our church when we started experiencing car trouble. It was about 5:30 on Sunday, May 31, 1998. We managed to make the first exit to Sonora off IH 10 and could not get it going any further. The temperature was well over 100 and the youth jumped out and attempted to push the van. We quickly learned that it would be next to impossible to push that van for 4 miles-over steep roads into Sonora. Within just a few minutes we were spotted by several drivers, who were not even going our way, who took the time to stop and assist us. One gentleman loaded our young people on the back of his truck and proceeded to push the van into Sonora. The employees of the Town & Country Shamrock Station were so patient and cooperative and gave us information and even called a mechanic for us. The mechanic,

We were traveling enroute to Alfred Virgen came right over and without question started working on the van. The problem was rectified, and he gave us his card and told us if we had any problems on down the road-regardless of the time of night, to call him and he would come and help us. Another elderly gentleman of the town gave us other information and many of the townspeople stopped to see if there was something they could do to help. We were so blessed and after Mr. Virgen's assistance, we made it on home without a hitch.

I don't know the names of all people who assisted, but hopefully, if they read this article they will know that we are extremely grateful for their warm spirit of hospitality and helpfulness. We found out that there was a little town called Sonora that has a heart as big as Texas !! Thanks to everyone for your help.

Sue Roseberry and the Faith Temple Church Purity Class

Cards of Thanks

I was away from home for 4 days last week. A hydrant in the kitchen malfunctioned causing the house to be flooded. (In the midst of a drought!) Allie and Vestel Askew became suspicious when they saw water running down the driveway. They confirmed it was coming from the inside of my house, and without hesitating, began action.

Cam Campbell, Mike House, Mike Jr. and Mario Galindo came at once with equipment to begin removing the water and moving furniture to the garage. These men worked in the heat without stopping.

My daughter, Susan, made arrangements for a company to begin professionally drying rugs, carpets, and any storage areas that had been dam-

A repair man from WTU came and confirmed that the refrigerator was no longer usable; Jaime Chavez arrived and examined other plumbing and

confirmed we could turn on the water again. Last but not least, my son-in-law from Arkansas arrived, and as a parttime housing contractor, helped in many ways. He especially helped with the replacement of the refrigerator as well as transporting the new one from San Angelo in a pick-up, and bringing it in the house. He had it working at

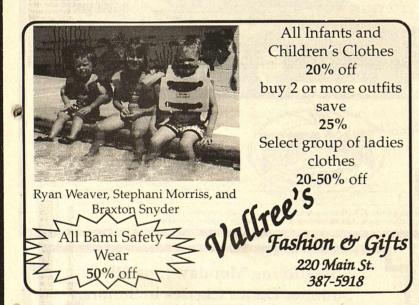

once and found an unusual way to dispose of the old one! Things could have been much worse; a hail storm, tornado, or fire! And I could have been living in a town where the residents are not as

concerned with their neighbors. Thank you from the bottom of my heart to all of you who helped in any

Celeste Prugel

We would like to give Michelle Anderson a personal and great big "THANK YOU" for all the hard work and the long hours that she put in for "Project Graduation 1998". If it was not for her dedication we would not have had all the fantastic prizes that the students received. We had a great time and lots of fun!

Sincerely, Tressa, Ashley, and Marisha Henson

Sutton County Days Association meets

It's that time again. Sutton County Days is right around the corner. August 19-22 will be here before we know it. The Sutton County Days Association Planning Committee met on May 28,1998 at the Sutton County National Bank to start finalizing plans to make this years Sutton County Days a big success.

Pam Haynes and Storie Sharp, representing the Sonora Outlaw Rodeo Committee announced that in addition to the "Special" slack performances on Wednesday Aug. 19 and Thursday Aug. 20 and the regular rockin' rodeo performances on Friday Aug. 21 and Saturday Aug. 22 there will be activities the weekend before. The Sutton County Team Roping, an all age Barrel Race, and the preliminary round of the children's Mutton Bustin' will be held the week-end of August 15, 1998. All the kids in Sutton County are invited to come try their hand at staying on a sheep for six seconds. The top 10 riders will get to perform in the rodeo performances (5 Friday night - 5 Saturday night). Prizes will be awarded to the winner.

Tonya Brown representing the Parade committee reminded everyone that the parade will be held on Saturday August 22nd at 9:00am this year. Hopefully this will make the parade bigger than past years because it is COOLER and everyone won't have to rush from school, work, the Cowboy Golf Scramble, etc. to get there on time. There will be an Ugly Vehicle Contest again this year. Not just trucks have to be entered, so get that hunk of junk up and running and ready to go. Anyone interested in participating in this years parade can contact Tonya Brown for an entry blank.

Brigitte Rogers, Ringgold, Juanita Mesa, and Pete Samaniego representing Committee on Aging and The

Senior Center discussed the plans for this years Senior Center BBQ dinner. Since the parade will not be on Friday afternoon to draw everyone downtown, it was suggested that the BBQ be moved to the Sutton County Park. This will make it more convenient for everyone attending because they can come have a great BBQ dinner with some relaxing musical entertainment and then mosey on over to the rodeo arena to enjoy the fast paced action of the Sonora Outlaw Pro Rodeo.

The Schedule of events for Saturday August 22,1998 have tentatively been set as follows: 9:00am

- Sutton County Days Parade 9:00 am - Registration begins for Little Miss and Little Mr. Sutton County at the Chamber Tent. 10:00 am -

Ceremonies on the Courthouse lawn 10:00 am - All Booths Open for Business, Registration for Washer Pitching and Horseshoes, Miss Sutton County Queen Contestants introduced on the main stage

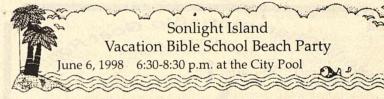

10:30 am - Little Miss and Little Mr. Sutton County contest 11:00 am - Fiddler's contest

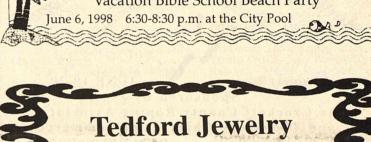

11:30 am - Bed Race on Main

1:30 pm - Children's games

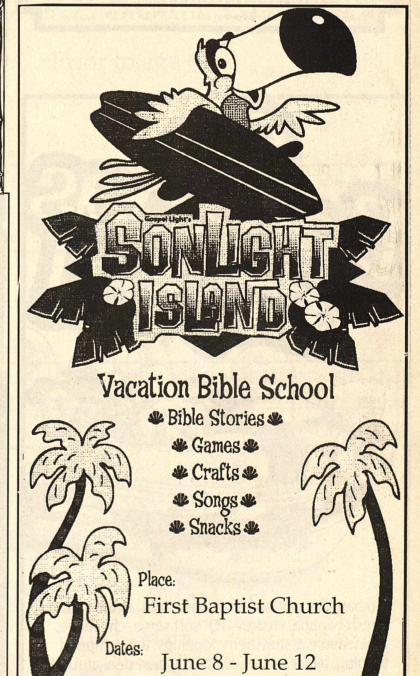

3:30 pm - Talent Show 5:00 pm - Closing Ceremonies The Sutton County Days Planning Committee will meet again at the Sutton County National Bank on June 16,1998 at 6:00pm. The Sonora Outlaw Pro Rodeo committee will also meet that same week. An exact date has not yet been set, but will be posted in the Devil's River News. Anyone interested in helping with any projects during the 1998 Sutton County Days activities please feel free to

attend these meetings.

Weekly Texas Hay Report

5/29/98

Trade and movement light to moderate. Prices mostly steady in light test on alfalfa, some small squares .50 higher per bale. Few sales of Costal Bermuda steady to .50 higher per bale and 5.00 higher per roll. Seeing old crop Bermuda being traded due to the lack of rain. Most producers in Texas have finished their first cutting of alfalfa and several have cut their second cutting, if irrigated, dryland still waiting for rain before they have enough growth for second cutting. Several areas have cut wheat for hay, market not fully established some sales have taken place. Few producers starting to cut dryland Costal Bermuda in spite of dry weather, irrigated Bermuda beginning second cutting. Most areas of Texas still dry with some areas very dry, few areas did receive some rain this past week. Several areas are supplemental feeding again. Prices for hay and pellets quoted per ton except where noted.

Quality Designations: Supreme; Premium; Good; Fair and Low.

First Baptist Church kicks off VBS with pool party

The First Baptist Church of Sonora will spend a fun filled weekbeginning on June 8,1998 having Vacation Bible School. The theme of this year's Bible School is Sonlight Island. Children from ages 4 years to those having completed the sixth grade are encouraged to attend. Bible school will begin each morning at 8:30 a.m. and end at noon. Each day will be filled with Bible stories, singing, games, crafts,

recreation and snacks.

A swim party for the children will be held on Saturday, June 6,1998 at 6:30 p.m. until 8:30 p.m. to pre register children for VBS. Parents are invited to attend this function with their children and enjoy a meal, games and meet the

Plan now to attend Vacation Bible School - you won't want to miss out on a single day.

The Devil's River News

228 East Main 387-2507 (Red, Blue or Black Ink, while supplies last)

I have started walking vigorously but after about a half mile my lower back starts to hurt. What's the problem? A likely cause of your comp' int is instability of the knee joint leading to lumbar lordosis or an abnormal spinal curve. n this case the low back may be trying to compensate for lower back abnormality which brings on quick fatigue, strain and discomfort. Your chiropractor is likely to suggest low impact and non-weight bearing exercises such underwater exercise. A second factor could be weak abdominal muscles. but only a close exam by your chiropractor will pinpoint the problem.

My chiropractor referred me to another chiropractor for a shoulder problem that developed during a period of golfing daily. Do chiropractors specialize?

Chiropractors are educated in more than 100 treatment techniques and it is not likely that each one will be an expert in all those techniques. It is common for chiropractors to refer a patient to another DC whose practice specializes in treating injuries of a specific type. I would guess that possibly your chiropractor has sent you to a colleague

Back

Chiropractic Care Questions & Answers

who specializes in sports injuries. That doctor my be certified in sports chiropractic and the professional most able to diagnose and effectively treat your shoulder.

Why does chiropractic treatment require so many visits?

Many patients feel that the healing is complete when the pain is gone. This misconception is one of the chief causes of reinjury among patients. Musculoskeletal injuries vary in lengths of time and treatment necessary for total healing. Soft tissue injuries go through three stages: the acute phase in the first 72 hours, the healing phase of six weeks, and rehabilitation of up to 12 months. Typically a whiplash injury

will require a full year to see the patient return to full normalcy. A patient's adherence to the treatment program often determines the length of time its takes for an injury to heal and be rehabilitated completely. Abandoning treatment risks serious reinjury and possible permanent damage. Chiropractors gauge the healing process by a variety of factors including range of motion and strength.

Mr. and Mrs. SHS Jason Jacoby and Camille Marshall 11th Annual Menard Jim Bowie Days and A Song of Silvers

Mark your calender for the third weekend in June for Menard's 11th Annual Jim Bowie Days and "A Song of Silver". Area residents are invited to partake of the activities planned for June 18, 19, 20, and

"A Song of Silver" is a musical production locally written, produced, directed and performed by a talented cast of about one hundred amateur thespians.

Set in a natural amphitheater on a quiet hillside just south of town, the outdoor performance begins at sundown at Silver Ridge. The twohour production is an action-packed historical account of the legendary Jim Bowie and his quest for the Lost Spanish Silver Mine.

You'll think you've stepped backwards in time to the pioneer days when the action begins. A number of the original songs have been compared favorably to Texas in Palo Duro and the crowd continues to grow each year.

If you've seen it once, plan to come again as new sections are added, changes made and scenery updated to keep "A Song of Silver ' alive and interesting.

Performances will be Thursday,

Friday and Saturday, June 18-20. The Menard County Fair will be held in First United Methodist Church across from American

Legion Park in downtown Menard. Exhibits will be on display all day Friday and Saturday; there's no admission fee.

Legion Park will come alive with the annual arts and crafts fair that weekend under the towering pecan trees. Live entertainment on stage will delight the crowd and there will be washer pitching, games for the youngsters, the Little Mr. and Mrs. Silver Nugget Contest, and a melodrama featuring Menard's award-winning gunfighters, the Silver Ridge Runners.

The Ridge Runners have appeared in numerous area parades and won ribbons and plaques. They most recently performed for Texas Governor George Bush and the International Association of Royalty Owners in San Angelo.

An exciting, almost-authentic Pony Express Race at Stockpen Crossing Park along the scenic San Saba River will be held late Saturday evening. The weekend will begin to wind down with Cowboy Church Services on Sunday morning in American Legion Park.

For more information about Jim Bowie Days or advance tickets for "A Song of Silver", contact the Menard Chamber of Commerce, Box 64, Menard, Texas 76856, telephone 915-396-2365.

What to do during a tornado warning

1. When a tornado has been sighted, stay away from windows, doors and outside walls. Protect your head from falling objects or flying debris. Take cover wherever you

* In a house or small building, go no the storm cellar or basement. If there is no basement, go to an interior part of the structure on the lowest level (closets, interior hallways). In either case, get under something sturdy (such as a heavy table) and stay there until the danger has

* In a school, nursing home, hospital, factory or shopping center, go to a designated shelter area. Stay away from windows and open spaces.

* In a vehicle, trailer or mobile home, get out immediately and go to a more substantial structure.

* If there is no shelter nearby, lie flat in the nearest ditch, ravine or culvert with your hands shielding

2. Do not attempt to flee from a tornado in a car or other vehicle.

Abilene woman to lead Human Services program Pump Boys & Dinettes visit Sonora in West Texas

(Abilene) - - Barbara Evans, and Abilene native and resident, has been selected as the new Regional Administrator for the Texas Department of Human Services (DHS), Region 02/09. The selection was made by DHS Commissioner Eric M. Bost and became effective May 8, 1998.

Ms. Evans replaces former Regional Administrator David Maberry. Ms. Evans oversees 875 employees, who administer the Food Stamp, Temporary Assistance for Needy Families (TANF), Medicaid, Community Care for the Aged and Disabled and other programs that help low-income families and children and persons who are elderly and disabled in the 60 counties Region 02/09 covers.

"I look forward to working with the staff and the community as we continue to provide services to folks in this part of West Texas who need help" said Ms. Evans. "It is truly an honor to have been selected serve as the Regional

Barbara Evans, Regional Administrator for the Texas Department of Human Services

Administrator ."

Ms. Evans started with DHS as the secretary to the Regional Administrator in 1980. In her 18 years with DHS, she has held a variety of management positions including Public Information Officer, Volunteer Services Director, and Community Services Director.

College Survival Camp

Roughly one out of every three students don't make it through college. That's an alarming statistic from the U.S. Department of Education about students who drop out of college, missing not only their educational opportunities but diminishing their earning potential for years to come.

This is where College Survival Camp (CSC) comes in. CSC offers three full day camps on college survival skills for high school and college students and their parents. The 1998 season will kick off in Dallas, July 17-19, at the Crowne Plaza North Dallas - Addison Hotel, formerly the Harvey Hotel Addison, and in Houston, July 31 - August 2, at the Renaissance Houston Hotel.

College Survival Camp is a college and career development and training camp that offers such camps five times a year in major U.S. cities. Through the strategic educational workshops, students learn the latest tips, techniques and ideas for success both in the classroom and boardroom. The workshops and general sessions are specifically designed to provide indepth interaction and exchange of ideas on the challenging issues in higher education and career entry. Participants choose ten, 1 1/2 hour

long workshops to attend from a topic list of 24, including such topics as financial aid, money management, value based time management, business etiquette, campus safety, academic planning and many, many more. College Survival Camp works with students before, during and after college years, providing guidance and direction toward successful and progressive professional

In the "Opportunity Showcase", students receive early exposure to top college and job recruitment representatives through a combination college/job fair. The showcase is a full day event.

Camp should be fun and that's a big part of the program. Each evening features the best in entertainment, from sporting events-to comedy and magic shows-to concerts including the high powered Professor D and the Play School band. Education, entertainment and success...just call it Club Ed!

to attend the Dallas and Houston

For more information, call metro (817)417-0491 or if calling from outside of the DFW metro area call (877)877-2267 (camp).

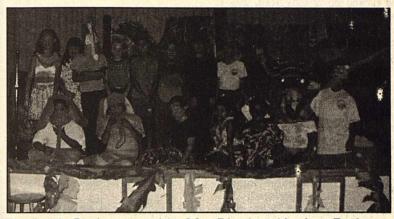

Pump Boys & Dinettes by John Folesy, Mark Hardwick, Debra Monk, Cass Morgan, John Schimmel and Jim Wann is a riproaring mixture of country-pop and musical theatre produced by the McMurry University Theatre Department in Abilene, Texas. The Pump Boys sell the high octane on Highway 57 in Grand Ole Opry country (somewhere between Frog Level and Smyrna) and the Dinettes, Prudie and Rhetta Cupp, run the Double Cupp diner next door. Together, they fashion a night of songs that received unanimous raves from the New York critics. It tickles the funny bone while celebrating freindship and life's simple pleasures. All members of the cast sing and play musical instruments. Directed by Barry Smoot, the production features James Jay Kay as Jim, Brandon Ray as L.M., Rowdy

Stovall as Jackson, Kara Dudash as Rhetta, Melissa Oden as Prudie and Ethan Logan as Jim.

This play is being brought to Sonor for your enjoyment by the Sonora Chamber of Commerce-Justin McGeath, Manager and the Main Street Advisory Board-Mary Ann Kay, Coordinator.

The play will be in a Dinner Theatre Format on June 6, 1998 at 8:00 p.m. in the Sonora High School Auditorium with dinner in the commons area at 6:30 p.m.

Tickets can be purchased in advance at the Sonora Chamber of Commerce, Business Basics and Sutton County National Bank. Advance tickets are adults \$10.00 and children \$6.00. Play only is adults \$8.00 and children \$4.00. Tickets at the door are adults \$12.00 and children \$6.00 and play only adults \$8.00 and children \$4.00.

How to prepare for a tornado

1. Know the tornado season for

2. Learn to recognize severe weath-CSC expects about 500 students er signs. Tornado weather is usually hot and humid with southerly winds.

3. Know what a tornado looks and sounds like.

4. Know what a tornado watch or

* A Tornado Watch indicates that

the weather conditions may cause tornadoes to develop in or near the watch area. A watch does not mean a tornado has been sighted.

* A Tornado Warning means that a tornado has actually been sighted or indicated by radar and residents should take shelter.

5. Tune in to your local radio station (KHOS-FM), the Weather Channel (Cable 5), or the San

Sharp says growth of Texas Economy may moderate in coming months

(Austin) -- "The Texas econowhat slower growth during the coming months, "state Comptroller John Sharp said.

The Index is currently 132.8, an increase of 2.6 percent compared to one year ago. Compared to one month ago, the Index is flat," Sharp said.

"The Texas economy continues to outperform the national economy. The latest U.S. Index of Leading Economic Indicators is up 1.7 percent to one year ago, and is up just a fraction compared to one month ago. The U.S. enconomy is strong, and that is a positive sign for the Texas economy," Sharp said.

Strong investor confidence, as indicated by the Texas Stock Index, continues to be the strongest component of the Index of Leading Texas Economics Indicators. The TSI is at 641.9 for March, up 114.9 percent compared to the same period last

tern, but the latest Index of Leading home construction permits were 3.3 percent. Economic Indicators points to some- issued in March, up 29.8 percent compared to one year ago. Unseasonably warm weather in February started a construction boom that continued in March.

The Texas Help Wanted Index, a measurement of job listings in Texas newspapers, is up 7.8 percent compared to one year ago, but is down slightly compared to one month ago. During the last year, Texas has gained about 324,000 jobs, an increase of 3.8 percent. Most of the job growth came in services, up 4 percent compared to one year ago. Construction employment rose 5.5 percent. Manufacturing employment is up 2.1 percent.

Consumer confidence, which has been one of the strongest components of the Index of Leading Texas Economic Indicators in recent months, appears to be moderating. Texas consumer confidence is up 7.1 percent compared to one year ago, and is at historic high levels.

in consumer spending. March retail sales rose 5.4 percent compared to one year ago. An expanding economy with strong job growth and low inflation is generating increased disposable income for consumers.

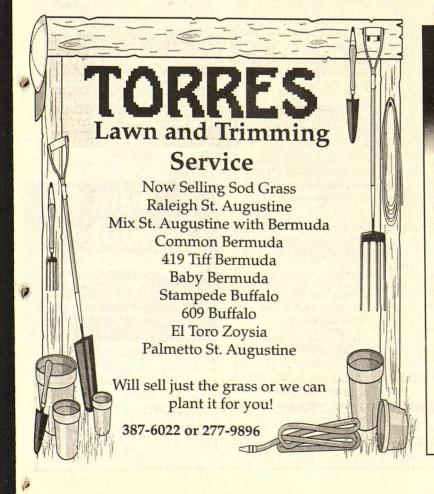

New business incorporations are up 1.8 percent compared to one year ago. The average number of manufacturing hours per work week is up to 0.7 percent. The Texas unemployment rate is down 1 percent compared to last year at this

New homes remain in high However, compared to one month time, and down slightly compared to my remains in a strong growth pat- demand. More than 12,000 new ago, consumer confidence is down one month ago. However, unemployment claims are up 3.9 percent There is no apparent downturn compared to one year ago.

Low oil prices continue to be a negative factor in the Texas economy. The price of Texas crude is down 32.9 percent compared to one year ago, at \$12.69 per barrel in March. Oil prices are down 4.7 percent compared to one month ago.

The State Comptroller's office produces the monthly Index of Leading Texas Economic Indicators to help compare the Texas economy to the rest of the nation, and to help forecast changes in the Texas econo-
