Bonilla Visits Sonora

Congressman Henry Bonilla (R-TX-23) was in Sonora Monday meeting with mohair producers and other Sonora residents. At the meeting Bonilla discussed a new U.S. Department of Agriculture (USDA) loan program for mohair producers included in the Omnibus Appropriations bill. The bill was approved by the House of Representatives last week.

Bonilla worked through his position on the House Appropriations Agriculture Subcommittee to secure the mohair loan program. The program provides three year loans with the first year interest free. The loan rate is two dollars per pound.

"Since virtually no mohair has been sold in the last three to four years, this loan program is vitally important for mohair producers," Bonilla said. "It will provide them the money they so desperately need to keep afloat through this down time in the mohair market. These loans will definitely make the difference for mohair producers who

Congressman Henry Bonilla visted the Sonora Wool & Mohair to speak with local Mohair Producers

haven't sold mohair in several years."

Last August Bonilla sent his agriculture aide to West Texas to listen to the concerns of mohair producers and discuss ways to lessen the stress the down-swing in the

mohair industry is causing for producers. This loan program is one of the solutions discussed in the August meetings. Bonilla informed those in attendance that, as more information is received concerning the program, he will be updating the community

Police Dept. gives tips for a safe Halloween

By Police Chief Chris Croy

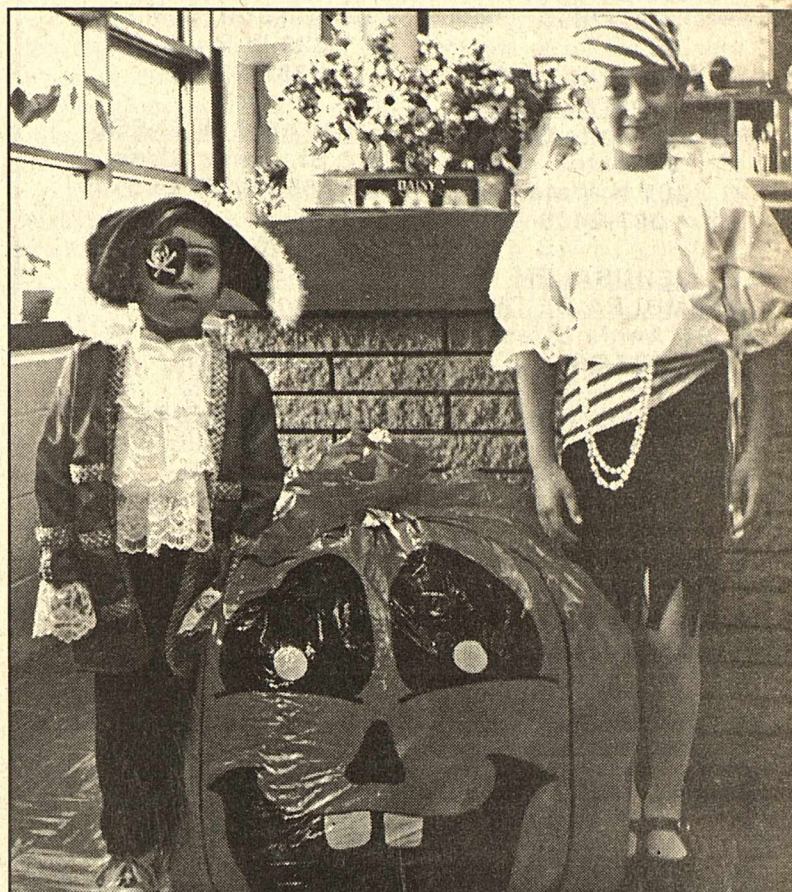

Hopefully this years Trick or Treating will be an enjoyable and safe event for everyone. I would like to suggest that everyone Trick or Treat on Saturday the 31st of October between the hours of 6:00 P.M. and 9:30 P.M. This way the young and old will get to participate. I have put together some safety tips for the little ones and for you older ones as well.

Parents: Make sure a responsible adult or teen accompanies your child or children. Try not to have more than five (5) children in a group. Go only to well-lighted houses with porch lights on. Please do not invite children inside, give candy or goodies from the door way. Give commercially wrapped candy only. If you have homemade candy, give it to children you know personally. Keep costumes simple, flame retardant and use non-toxic make-up instead of masks for better visibility. Use reflector patches or strips and someone in the group needs to have a flashlight. Use sidewalks, make children walk, never run and look both ways when crossing the road. Keep all pets inside the house or in the backyard. Teach your children when to call 911 and when not to call. **Hudspeth Hospital will x-ray your candy between 8 p.m.-10 p.m. Saturday and Sunday nights.** If your child needs a trick or treat bag, and did not receive one from the school program on the 28th, come by the Police Department and

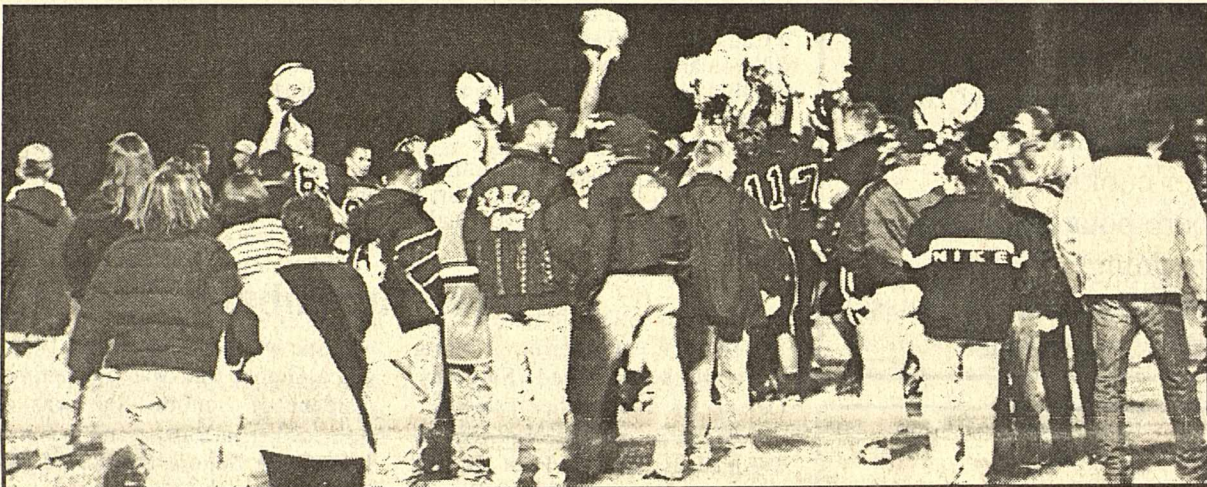

we will provide one.

Children: Never eat treats from trick or treating until your parent(s) have examined them. Go to well-lighted neighborhoods and to houses with porch lights on. Stay on the sidewalks, not on the roadway.

Walk to each house, never run. Look both ways when crossing the street. Do not get in anyone's car unless your parents know about it. If someone tries to hurt you or a friend, call 911. Be safe and have a great time!

Broncos go wild after winning the game against the Forsan Buffalos

Broncos Win Thriller

by Tryon Fields

In defeating the Forsan Buffalos last Friday night, the Broncos took a giant step toward winning the first football district championship in the last 18 years. With two games left to play, in District 2-2A, the Broncos have their own destiny in their own hands. Not only to wear the District crown, but to also go undefeated in District 2-2A. Sonora will not have an easy time of it, as they still have to play Wall and Eldorado. Both of these teams are fighting for a play-off spot, and defeating Sonora will help in that endeavor.

If you were one of the few that did not go to the game last Friday, you missed a very exciting football game. The Forsan Buffalos, who came into town sporting a 7 and 0 record, showed everyone in attendance that they are for real. For most of the game, the Buffalos controlled both sides of the ball. The Broncos got the win, but the Buffalos dominated in every category. Their offense controlled the game clock, holding possession of the ball for almost 32 minutes of the 48 minute game, had 16 First Downs to the Broncos 10, and 270 total yards of offense to the Broncos 170. They also had 2 turnovers where the Broncos had none; this

might possibly have been the difference in the ball game. As one of these came on a fumble mid-way through the 4th quarter that stopped a 6 minute drive at the Bronco 22 yard line. The other was a pass interception at mid-field with 5 seconds left in the game.

After Forsan won the coin toss and deferred to the second half, the Broncos received the opening kick-off. Anthony Renfro opened the game with a good kick-off return to the Bronco 39 yard line. After two running plays, one by Tom Jacoby and one by Renfro, Bryce Williams on 3rd and short found Brad Legan on a slant route for an apparent first down. After much discussion, the referees ruled that the ball had been dropped, setting up a 4th and 2. Renfro boomed a 50 yard punt to the Buffalo 3 yard line, where Mr. Special Teams (Cole Cearley) downed the ball. The Buffalos now in a hole, tested the powerful Bronco defense for the first time. Brad Legan, Tanner Fields, Breg Hughes, and Michael Castilleja forced Forsan to punt after only gaining 6 yards. The Broncos, now having excellent field position at the Forsan 48, could not get anything going, in fact, the Forsan defense pushed the Broncos back to their own 45 yard line, where the Broncos were forced to

punt once again. With 6 minutes and 54 seconds left in the 1st quarter, The Buffalos began to move the ball down the field. Starting at their own 21, the Buffalos, behind the running of Cory Walker, Daniel Smith, Justin White, and Brian Mims, stampeded down the field. Using all of the 1st period clock, the Buffalos had moved the ball to the Bronco 15 yard line. On a 2nd and 8 at the Bronco 15, the Bronco rush of Lupe Ramon and Simon Murrillo caused Cade Park (Buffalo quarterback) to fumble the ball; however, the Buffalos were able to recover the ball, but not until after suffering a 16 yard loss. Being this close to the promised land, the Buffalos used their next two plays trying to get into the end-zone. The Bronco defense, as it has done on numerous occasions, bent, but didn't break, and the Broncos took over on downs. The Broncos, behind the running of Anthony Renfro finally began to move the ball down the field on their next possession. At the 43 yard line of the Broncos, the Buffalos stopped the Broncos and forced them to punt. Renfro, under a heavy rush, was only able to get off a short punt, and the Buffalos set up shop at their own 42 yard line. For the next seven and a half min-

Donna Ballard Scheduled to Visit

Donna Ballard, candidate for State Board of Education - District 1, was in Sonora last Friday visiting with people in the community. Ballard, who has been referred to as "Basic Ballard" by the Houston Press, is known for her 'back to basics' academic initiatives. Ballard is in strong defense of parental rights and even wrote the resolution to return to parents their fundamental right to direct the upbringing of their children. Among other accomplishments, Ballard has called for the abolition of the TAAS and a return to standardized testing, rejected the SBEC's requirement for teacher re-certification, and led the effort to make available a systemat-

ic phonics curriculum for all local school districts. Ballard will be traveling with Congressman Henry Bonilla this week to Del Rio, Pecos, Presidio and Fort Stockton. Bonilla says "Donna Ballard has a proven track record of being willing to make the tough decisions necessary to improve Texas' public schools and she has my full support."

Donna Ballard will be speaking this week in the Community Room at the Sutton County National Bank on Friday, October 30, 1998 from 3:00 p.m. - 4:00 p.m. The public is encouraged to come by and visit with Mrs. Ballard. Refreshments will be served.

Cards of Thanks

The family of Dr. Leticia Galindo would like to express their immense gratitude to everyone who helped support them during this difficult period. The food, plants, flowers, cards, funeral meal, and especially the love and prayers were all greatly appreciated. A special thanks goes out to the ladies who helped prepare the house while we were in Arizona- Fela Perez, Elida Guerra, Maria Carrasco, Juanita Mata, Anabelia and Terry Castro, and Rosa Galindo.

For the beautiful church service, we thank Father Henry and the Eucharist ministers: Mary Perez, Shenta Lopez, and Linda Mungia. We are also grateful for Arturo and Brenda Sanchez's hospitality in the use of their restaurant- La Mexicana.

Muchisimas gracias a todos que nos acompañaron en este tiempo de tristeza.

Lydia, George, Jimmy, Gracie, Mary, Manuel, and Nora.

We would like to thank our family for being there for us while we waited for our bundle of joy. Thanks also to our friends and family for their calls, cards, gifts and visits. We love you all.

Joe and Crystal Delgado

Obituaries

Delma Leticia Galindo

On October 17, 1998, our beloved daughter, sister and mother, Delma Leticia Galindo, went to be with our Lord. She was born May 13, 1952, in Sonora. She graduated from Sonora High School in 1970 and went on to get a bachelor of arts degree from Angelo State University. Leticia continued her educational career by earning her master's and doctorate in Spanish and linguistics from the University of Texas at Austin. Since 1990, she had been a professor at Arizona State University in Tempe, Arizona. She was an active faculty member who was dedicated to her research and students.

She is survived by her mother, Lydia Galindo; her son, George Reyes Jr.; a brother, Jimmy Galindo and his wife, Gracie; two sisters, Mary Galindo and her husband, Manuel Juarez and their three children, Andrea, Marcella and Manuel Jr., and Nora Galindo; and her grandmother, Rosa Galindo. She was preceded in death by her father, Pedro Galindo Jr.; her grandfather, Pedro Galindo Sr.; and her grandmother, Juanita P. Mejia.

Beloved One- so brave and so

feisty up to the end. Your suffering was so great. You couldn't understand what was God's plan.

And you asked Him- Why me? Then God held out his hand and took your pain unto Him. Finally, setting you free.

We love you and you and you are in our hearts forever.

A Song of Praise I waited patiently for the Lord's help;

then he listened to me and heard my cry. He pulled me out of a dangerous pit,

out of the deadly quicksand. He set me safely on a rock and made me secure.

He taught me to sing a new song- a song of praise to our God.

Many who see this will take warning and will put their trust in the Lord.

-Psalm 40:1-3

Q. How did the Dry Devils River get its name? Why is it called a river when it is dry all the time?

A. After looking at old maps going back to the early 1800's I am even more confused than when I started looking up a concise and correct answer to this question.

Before 1846 the Devil's River was called the San Pedro River. I then found old maps showing the San Pedro River from Del Rio north to Beaver Lake where it changes to the Devil's River and an unnamed, at that time draw, that runs to Howard's Spring. On several old maps of trails we find the San Pedro changed to the Devil's River to its source, north of Sonora. Then around 1930 suddenly the name changed to the Dry Devil's River up to Sonora then we find that what had been Ft. McKavett Draw has been renamed the Lowrey Draw and Meckel Draw is still in existence. The current map of Sutton County shows the Dry Devil's River running up into the city limits and then further north lists Meckel Draw and

Lowrey Draw. How these changes came about and how the names were changed, except for the 1846 change from the San Pedro River to the Devil's River we don't know. You would have to ask Austin why their people labeled the draws the way they did in the 1930's when they came out here and started putting signs in the ground.

In 1890 articles in the Devil's River News, Mike Murphy tells of setting at his table in his tent and writing his column with the Devil's River roaring in the canyon outside. So in 1890 he refers to the Dry Devil's River as just the Devil's River and further west as Howard's Draw. We really don't know anymore because of all the map changes just what is supposed to be what anymore and will refer you to Austin. Mike's tent was set up at the corner of Main and Concho where Westerman Drug now stands so he was definitely talking about what is now labeled as the Dry Devil's River.

Now we will address why it is called a river. The water table has

fallen greatly during the years. Many old timers have said that there was always a trickle of water at least in the now called Dry Devil's River but that as the springs dried up so did the water. Since early days the placid little now dry draw has turned into a roaring broad river. There have been many times it has overflowed its banks and since the bridges were erected it has been up over the top of them. Don't be fooled by these dry little washes around here; pay strict attention to the high water signs put up in them. Inattention could cost you your life.

There are articles telling of people putting up dams along side the river and creating water holes and stock pens. There had to be water running most of the year to enable them to do this. One man even made a pond along side the river and had paddle boats in it and a small restaurant. In these articles it its again called the Devil's River. I can easily understand why there is so much confusion regarding the name after looking at all these maps and reading articles that refer to the town

Sonora on the banks of the Devil's River. Since this is a historical society and we don't guess we will refer you to Austin for clarification.

Q. How did Sonora get its name?

A. There are two different theories on how Sonora was named in the early editions of the Devil's River News.

One states that Charlie Adams named the town Sonora because it reminded him of an area in Sonora, Mexico. The other is that Charlie was going to call the town Randall but his wife became very upset because he had promised her she could name the town. She cried and carried on and Charlie gave in and let her name the town anything she wanted. The legend is that she had a servant, probably from Sonora, Mexico whose real name she could not pronounce, who was called Sonora. Supposedly she liked this name so much that she named the town Sonora.

In a 1930's newspaper article there is a story of "How a Woman's Tears Changed the Name of the Town from Randall to Sonora." This story is vouched for by Mrs. Adams son who was living in California. In a turn of the century paper we found the reference to Charlie calling the town Sonora. Since all the principles are deceased we will probably never know for sure which is the true version.

If you have any questions concerning Sutton County history send them to "Ask the Historical Society," P.O. Box 885, Sonora, TX 76950-0885, e-mail them to schs@sonorax.net or give me a call afternoons or evenings at 915-387-2855.

Sonora Ministerial Alliance will distribute deer to local families

The Sonora Ministerial Alliance will coordinate the local deer distribution program during the hunting season.

A field-dressed deer will be delivered to families who request one. If you would like to receive a deer this season, you may call the office of Justice of the Peace-Adelita Alvarez at 387-3322 or the office of the Texas Department of Health at 387-2234.

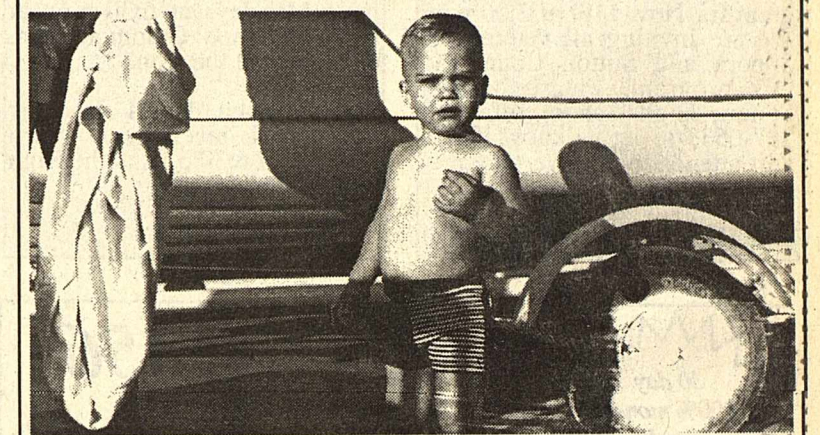

The site for receiving deer from hunters or landowners has yet to be determined for this season. Notice

will be published in The Devil's River News as soon as the site has been established.

This will be the seventh year of operation for the deer distribution program in Sonora. Dozens of local volunteers have assisted in the distribution of some 1,000 deer over that period.

This program has provided effective assistance to landowners who actively manage their deer herds, and has been a good way for many Sonora residents to share the bounty of Sutton County.

Did you really think we'd let you turn "30" without some HARASSMENT!!!!

Happy Birthday Mickey!
From your Family & The Sonora Outlaw Gang

Carman Via Satellite

Cowboy Church of Sonora, New Hope Baptist Church and The First Baptist Church are gathering their youth together for a youth rally on October 31st. This is an alternative to celebrating Halloween in the normal way. The Christian singer "Carman" is doing a live broadcast on TBN (Trinity Broadcasting Network). He will be singing, showing his new videos and having a nationwide altar call for salvation. ALL youth 7th grade through 12th grade are invited to come and help us celebrate with "CARMAN." We will be having games, fun and PIZZA. This is a great opportunity to share Jesus with the youth of Sonora. Grandparents, Moms, Dads, Aunts and Uncles encourage the youth in your family to be there to have fun and learn more about Jesus. We are gathering at the

Sonora Auction Barn at 6 p.m. to 11:30 p.m.

Also, Please agree with us in prayer that the youth of Sonora will have an experience with the Almighty God. For more information call 387-3625 or 387-6141.

To schedule an appointment, please call
1-800-530-4143, extension 3235 or 3229

It's important

Although women should get an initial mammogram by age 40, it's especially crucial for older women to have regular screenings because the risk of developing breast cancer increases with age. Women ages 40 or above should have annual screenings, because early detection is a key factor in successful treatment.

Medicare will pay for an annual mammogram for eligible women.

The Sonora Cheerleaders attended a National Cheerleaders Association summer camp this past summer. The National Cheerleaders Association selects award winners at each of the over 1,100 camps it administers around the world each summer. The NCA, the largest privately held cheerleading organization in America, holds events for over 150,000 cheerleaders and dancers around the world. The NCA, founded in 1948 by L.R. Herkimer, has been conducting training camps for 50 years.

The All-American award is the most prestigious individual award in cheerleading today. Participants vying for All-American status were judged on motion technique, jumps, tumbling, spirit & enthusiasm, voice projection and overall crowd appeal. These individuals are eligible to perform at various NCA special events, including the Aloha Bowl in Hawaii or the Hula Bowl in Maui.

THE HAWKS ARE FLYING BY THE DARK OF THE MOON,
 THEY KNOW THE BRONCOS ARE COMING SOON.
 THE BIRDS WILL GET A FRIDAY NIGHT FRIGHT,
 AND ALL THEIR MUMMIES WILL BE UPTIGHT.
 WHEN ON THE FIELD COME THE BOYS IN BLACK AND RED
 THEY WILL SEE THE REASON FOR THE DREAD.

THE MIGHTY BRONCOS WILL SNORT AND STOMP
 OVER THE HAWKS FOR A LITTLE ROMP.
 UP AND DOWN THE FIELD THEY WILL GO
 PROVIDING A DELIGHTFUL HALLOWEEN SHOW.
 THE FANS OF THE BRONCOS WILL SHOUT WITH GLEE
 WHILE THE WALL HAWK FANS WILL WANT TO FLEE.

WHEN TIME RUNS OUT AND THE GAME IS OVER
 THOSE GREEN WALL HAWKS WILL RUN FOR COVER.
 BACK THEY WILL GO TO THEIR HOME IN THE NORTH
 WISHING THEY HAD NOT VENTURED FORTH.
 THEY WILL GO TO THEIR NEST IN HOPELESS DEFEAT
 AS THE BRONCOS RUN BY SAYING "TRICK OR TREAT!"

Thriller Contd. from pg. 1

utes, the Buffalos gave the Broncos a lesson in the finer art of the running game. With Mims being the weapon of choice, the Buffalos chewed up large chunks of real estate. With time running out in the half, it looked as if the Broncos would once again bend and not break. But, with 17 seconds on the game clock and a 3rd and 5 at the Bronco 5 yard line, the power running of Mims was too much. Forsan scored its go ahead touch down and Daniel Smith added the PAT to give the Buffalos a 7 point lead. The Broncos elected to run out the clock and went to the locker room down by 7.

Forsan 7 - Sonora 0

The second half began with Forsan receiving the Andy Sanchez kick-off. An inspired Bronco defense led by Brad Legan, Anthony Renfro, Lupe Ramon, and Greg Hughes stopped the power running attack of the Buffalos. The Buffalos were forced to punt, and the Broncos took over on their own 28 yard line. Not having much success on the ground, the Broncos went to an air attack. On a first and ten at the Bronco 28, Bryce Williams found Ernie Perez for a 35 yard gain to Forsan 37. A short gain by Simon Murrillo moved the ball to the 35 yard line. Williams then hit Brad Legan for a 24 yard gain to the Buffalo 11 yard line. Tom Jacoby moved the ball to the 9 on the next play. On a 2nd and 8 at the Buffalo 9 yard line, Williams threw a strike to a wide open Demetrio Castro for the touchdown. The point after attempt by Renfro was wide to the left, leaving the Buffalos with a 1 point advantage. Forsan 7 - Sonora 6.

On the ensuing kick-off, the Forsan deep receiver elected to run the ball out of the end-zone after it was muffed. Johnny-on-the-spot, Cole Cearley made him pay for the decision, as he downed the Forsan

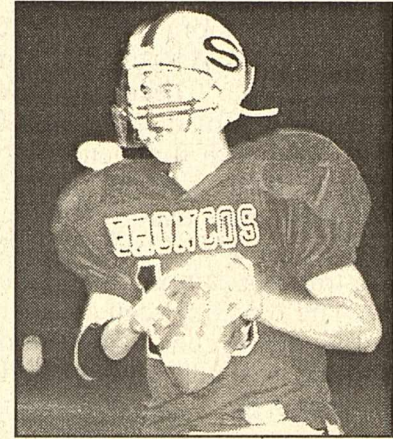

ball carrier at the Forsan 2 yard line. A fired up Bronco defense, led by Anthony Sanchez, Michael Castilleja, Lupe Ramon, Anthony Renfro, and Tanner Fields, forced the Buffalos to punt from their own end-zone. The Broncos, taking control of the ball at the Forsan 35 yard line, could smell pay dirt. However, the Buffalos plugged all the holes and even forced the Broncos backward, as the Broncos were forced to punt after only 5 plays. On the punt, Renfro pinned the Buffalos back at their 6 yard line. The Buffalos used the remainder of the 3rd quarter (2 minutes and 52 seconds) and almost 2 minutes of the fourth quarter on their next possession. The Bronco defense continued to bend, but this time they did not break. The Buffalos were forced to punt and the Broncos took over on their own 30 yard line with ten minutes and fifty-one seconds left in the game. A swarming Forsan defense kept the Broncos from moving the ball across the yardage. Cory Walker and Brian Mims ripped off runs of 12, 14, and several 6 yard gains to move the ball to the Bronco 22 yard line. On a 4th and 4 at the 22, Walker got the call. After a 4 yard gain, several Bronco defenders stood Walker up. With Walker struggling for more yardage, Tanner Fields, from his corner back position, stripped the ball from Walker's grasp and fell on it at the 21 to stop the Buffalo drive. With 2 minutes and 58 seconds left on the game clock, and down by 1 point, the Broncos were faced with a do or die situation. After an incomplete pass on first down, Tom Jacoby slashed through the Buffalo defense for a 16 yard gain, to the Bronco 37. On the next play,

Graham Bloodworth was able to get outside of the Buffalos and scampered down the Bronco sidelines for an eleven yard gain. Jacoby got seven more yards up the middle to move the ball to the Bronco 48. On a 2nd and 3, Williams hooked up with Legan for a 7 yard gain to move the ball into Buffalo territory. With a 1st and 10 at the Buffalo 38, Williams once again went to Legan. What appeared to be a twenty yard pass play was nullified by an ineligible receiver being down field. Instead of being on the Buffalo 18 yard line, the Broncos now found themselves on the Buffalo 44. Reaching inside themselves, the Bronco offense found a healthy quantity of intestinal fortitude. Behind some excellent blocking of the offensive line, Tom Jacoby powered his way for 22 yards on 2 carries, moving the ball to the Buffalo 25 yard line. On a 2nd and 7, Bloodworth gained 4 yards to the 18. But, more importantly, the ball was now resting almost in the middle of the field. With a 3rd and 3 and a minute and sixteen seconds left in the game, the Broncos called a time out. After a short discussion, the Broncos decided to throw the ball, Williams tried to get the ball to Castro slanting across the middle. The Buffalo defensive back made an excellent play on the ball and broke the pass play up, almost intercepting the ball in the process, 4th and 3 at the Forsan 18 yard line. Without hesitation, the Bronco coaching staff called for Anthony Renfro to attempt a 35 yard field goal to put the Broncos in the lead. With the missed extra point looming on everyone's mind; breaths were being held - fingers and toes being crossed, and probably quite a few silent prayers being said, even one fan said, "I turned away, because I couldn't watch". The ball was snapped, the hold was down, and the kick was on the way - As the ball split the uprights with distance to spare - every Bronco fan in attendance proclaimed as one - IT'S GOOD!!!!!! With 46 seconds left in the game, the Broncos had taken a 2 point lead: Forsan 7 - Sonora 9. With 40 seconds left, the Buffalos found themselves 71 yards from the goal line. The Broncos went into a prevent defense, in hopes of keeping the Buffalos out of the end-zone and preserving the victory. On first down, the Buffalos tried some razzle - dazzle. What I call the flea flicker, and if the running back had

not of dropped the ball, it might have gone for the distance. But instead it only gained 10 yards to the Forsan 39. With 27 seconds left, the Buffalos tried a deep pass to their wide receiver. Anthony Renfro and Tanner Fields broke the play up to force a 2nd and 10. On the next play, the Buffalos tried another pass play. This time the Bronco secondary had every receiver covered and Michael Castilleja was able to tackle the Buffalo quarterback for a 2 yard loss. 13.5 seconds left and a 3rd and 10 at the Forsan 39 yard line, Park, the Forsan quarterback, threw up a desperation pass. Tanner Fields intercepted the ball at the Bronco 46 yard line and elected to fall to the ground and protect the football. With 4.9 seconds on the game clock, Bryce Williams and his Bronco offensive unit were satisfied with kneeling the ball to run out the clock and preserving the hard earned victory.

Destiny - Will of the Football Gods - What ever the reason, the Mighty Sonora Broncos prevailed. This will go down as one of the most exciting games that the Broncos have played in the last ten years. This could be the beginning, that the Broncos have been waiting for. One still must remember, that there are still games to be played, but what awaits this Bronco team is their destiny.

The Mighty Broncos will entertain the Wall Hawks this Friday at 8:00 p.m. Try to come out and support the Broncos, as they continue their quest for a district championship. GOOD LUCK BRONCOS!!!!!!!

Bryce Williams looking for a receiver.

The Abdication of The GOP

by Patrick J. Buchanan

Clinton's cohorts have, in 10 days, trapped us in possible foreign wars, foreign quarrels and foreign bailouts. The New World Order rises brick by brick, as the GOP chats up its hopes of picking up seats next Tuesday. Why, pray tell, does it want them?...

Between 1992 and 1994, a historic swap took place in U.S. politics. Republicans, who had had a quarter-century lock on the White House, gave it up to the Democratic Party, while Democrats, who had had a 40-year lock on the Congress, gave it to the GOP.

The GOP traded a horse for a rabbit. Congress has become about as relevant to the most fateful foreign-policy decisions as the student council at Ridgemoor High.

Consider the last 10 days:

-- The United States has given an ultimatum to Belgrade: Pull your troops out of your Kosovo province, or face NATO air strikes. But Congress never authorized any ultimatum or air strikes.

-- At Wye Mills, Md., President Clinton agreed to have the CIA monitor and judge compliance with the Netanyahu-Arafat accord. We are diverting crucial intelligence assets to duties having nothing to do with U.S. security, exposing CIA agents to terrorism, and ensnaring America in a 50-year-old ethnic, religious and territorial war. Congress was out of the loop.

-- The New York Times reports that Treasury Secretary Robert Rubin is cobbling together a \$30 billion Mexico-style bailout of Fernando Cardoso's Brazil, with tax dollars that Congress never appropriated.

Clinton's cohorts have, in 10 days, trapped us in possible foreign wars, foreign quarrels and foreign bailouts. The New World Order rises brick by brick, as the GOP chats up its hopes of picking up seats next Tuesday. Why, pray tell, does it want them?

With \$18 billion sent off to the International Monetary Fund as Congress' final act, and a \$30 billion bailout of Cardoso on the way, at last we know where our budget surplus is going -- to finance Brazil's deficit.

Aiding Rubin's public relations offensive are journalists who know better. The Times' story reports the bailout is to "insulate Brazil and the rest of Latin America from the financial turmoil circling the globe." It is being sold by the Big Media as a U.S. flu shot for Latin friends who are faced with an Asian contagion that is no fault of their own.

But in the case of Brazil, this is as fraudulent as it was in the case of Moscow, where we now know we were lied to. A glance at its fiscal picture shows that Brazil's problem is Brazil, not Asia. And \$30 billion will not bail Cardoso out; it will only bail us in.

Brazil is running a budget deficit of 7.5 percent of gross domestic product; half of its \$70 billion in hard currency has left the country since July; interest rates have been pushed up to 40 percent. This is like the United States running a \$640 billion deficit and Alan Greenspan hiking interest rates to 40 percent to finance it. If that were our situation, could a U.S. president get away with claiming it was all Asia's fault?

Not to worry, we are told, now that Cardoso is re-elected, he will impose an austerity program that will make our bailout billions a wise and safe investment.

But, as the saying goes, fool me once, shame on you; fool me twice, shame on me.

It took us 30 years to erase our own deficit. And if neither Ronald Reagan nor a GOP Congress has been able to cut spending to 20 percent of GDP, does anyone believe Cardoso, with his leftist coalition partners and neo-Marxist opposition, can wipe out the equivalent of a \$640 billion deficit in two years, or three, or four?

Unlike politicians, markets do not lie. What the markets are saying is that Brazil's regime is fiscally irresponsible, it cannot or will not control spending, and its debts are so huge that a default or devaluation is in the cards. In demanding 40 percent interest on money, Brazil's markets are saying: You take a huge risk buying our paper.

But if investors are dumping Brazil's paper, unless paid loan-shark rates, why would the U.S. government put tax dollars into it?

Answer: Clinton's globalists are investing in a global world order. They are ready to take risks to bring it off. They have the courage of their convictions and confidence in their capacity to buffalo the frightened free-marketeers of the GOP Congress.

What an opportunity has been lost. When Asia crashed, the whole idea of an interdependent Global Economy was discredited. The evidence for an America First policy of protecting our markets from foreign man-made disasters was being daily adduced.

The Republicans could have thundered: "We told you the Mexican bailout would come back to bite us! Not one more dime for the IMF! Let free markets, not socialist bureaucrats, decide winners and losers in the world economy."

Instead, terrified that Clinton would blame them, they buckled and broke, voted the IMF another \$18 billion and kicked the can up the road. Thus, when the collapse comes, some hapless Hooverite Republican may be sitting in the Oval Office.

Tell us again why we should all go out and vote for the GOP.

Texas Wildlife Association to Host San Angelo Workshop

SAN ANGELO -- Presentations on a variety of topics on wildlife management issues highlights the Texas Wildlife Association's Region 3 Wildlife Workshop here Oct. 30.

The site for the workshop is the Texas A&M University Agricultural Research and Extension Center north of San Angelo on U.S. Highway 87. Registration begins at 8:30 a.m. The Texas Agricultural Extension Service is co-sponsoring the program with TWA.

"This exciting event should prove informative and entertaining," said Greg Simons, San Angelo-based TWA regional director and a workshop coordinator. "We have several noted guest speakers lined up, as well as some informative field activities. This is a can't-miss opportunity for wildlife managers and others interested in hunting or outdoor recreation."

The morning session includes

presentations on the purpose of the Texas Wildlife Association, outdoor enterprises, aflatoxin in feed, brush sculpting, managed land deer permits and marketing hunting programs.

Following a noon lunch, the workshop resumes with sessions on landowner liability and hunting lease insurance, implications for managing wildlife and livestock, and property tax alternatives.

The technical sessions will end at 2:45 p.m. The workshop will reconvene at a TWA member's ranch for some hands-on practice in range plant identification and habitat management. The workshop will conclude with a meal, discussion and a social.

Pre-registration is \$25 per person. The fee covers both meals. To pre-register, call (800) 460-5494. Writer: Steve Byrns, (915) 653-4576; s-byrns@tamu.edu

West Texas Ranchers' Conference Set for November 4th

SAN ANGELO -- The third annual West Texas Ranchers' Conference is set for Nov. 4 in the exhibit building at the San Angelo Fairgrounds. Registration starts at 8:30 a.m. The conference concludes at 2 p.m.

"This year's program offers a wide array of topics for the West Texas rancher," said Jeff Ripley, Tom Green County Texas Agriculture Extension Service agent and a conference coordinator. "The topics are timely and all the presenters are top-notch experts in their respective fields."

The Texas Department of Agriculture will offer an optional laws and regulations training and an integrated pest management training following the conference at 2:30 p.m. The training is worth two Continuing Education Units.

The conference opens at 9 a.m. with a cattle and sheep market outlook by Dr. Ernie Davis, Extension economist at College Station. James Fuqua of the Lazy U Ranch near Quanah follows Davis with ideas on planning for hard times.

Other presenters include Dr. David Bade, Extension forage specialist at Bryan, who will discuss haying and grazing annual forages, followed by Dr. Bryan McMurry, Cargill Animal Nutrition at Fort Worth, who will talk about strategic planning for supplemental feeding.

The noon meal is sponsored by Hi-Pro Animal Health and Bayer Animal Health. The Texas and Southwestern Cattle Raisers will hold a town meeting immediately following lunch.

The afternoon session begins with a panel discussion featuring topics that include breeding heifers back, body condition scoring, and the economics of restocking. Panelists include Dr. Rick Machen, Extension livestock specialist, Uvalde; Dr. Steve Hammack, Extension cattle specialist, Stephenville; Davis; and

McMurry.

The final conference speaker is officer Grab Davis with the Tom Green County Sheriff's Department. Davis will address horse theft prevention.

The conference is sponsored by the county Extension offices in Tom Green, Runnels, Irion, Concho, Sterling, and Coke counties and by the Texas and Southwestern Cattle Raisers Association.

For further information contact Ripley at (915) 659-6524 or call any of the sponsoring county agents. This conference is free to all individuals who pre-register by Oct. 30. To pre-register, call (800) 242-7820, extension 192. Writer: Steve Byrns, (915) 653-4576; s-byrns@tamu.edu

Bronco J.V. Shuts - Out Forsan

by Tryon Fields
 What transpired last Thursday, was a good old fashioned lesson in how to play ground control football. The Sonora J.V. traveled to Forsan to play the first ever game against the Forsan Buffalos. Not knowing what to expect, the Bronco J.V. was somewhat in awe of the facilities not to mention the rather large size of their opponents. However, it did not take the young Broncos long to overcome this awe and commence to demolish their counterparts.

The Buffalo J.V. received the opening kick-off and set up their offense at their own 18. The Broncos, still somewhat in a stupor over the Buffalo size, let the Buffalos gain 32 yards on 4 carries. This would be the only series of the first half that the Buffalos would move the football. On a 3rd and 3 at the Bronco 49, Bronco linebacker Stetson Hall dropped the Forsan quarterback for a 3 yard loss to force the Buffalos to punt. The Broncos would get their first possession with 6 minutes and 58 seconds left in the first period. On the Broncos first play from scrimmage, Nick Lozano found Riley Crain over the middle for a 15 yard pick-up. On the 2nd play, an over eager Bronco moved, causing the yellow laundry to flutter to the ground. With the nose of the ball resting at the Bronco 34 yard line, Bill Renfro's number was called. 66 yards later and after several broken tackles Renfro flew across the goal line for his first score of the game. Stetson Hall split the uprights to give the Broncos a 7 point lead with only 17 seconds being used off the game clock. The Bronco J.V. defense began to settle into its familiar role of not letting the opposing team do what they want to do. Cameron Sims, Bill Renfro, Riley Crain, and Sean Fields led the charge to stop the Buffalos on their next possession. On a 3rd and 8 at their own 34, the Buffalos tried the airways to advance the ball. What the Forsan quarterback found was the Bronco free safety, James Elliott, who stepped in front of the Buffalo receiver and intercepted the ball. Elliott returned the ball to the Forsan 48, where the Broncos started their second possession. Two running plays by Sean Fields moved the ball to the 27 yard line. On a 2nd and 3, Lozano called for a screen pass to Renfro. End result; touchdown. Running behind some excellent downfield blocking, Renfro scored his second touchdown of the afternoon. Mr. Automatic, Stetson Hall, split the uprights once again. Having only used a minute and 25 seconds total, the Broncos had scored twice and now led 14 to 0. On their next possession, the Buffalos went back to their ground game, but to no avail, as Riley Crain and Ed Mayfield combined to limit the Buffalos to only 3 positive yards. After the punt, the Broncos took over at their own 30 yard line. On this possession, the Broncos suffered their only offensive misfire of the day, as Lozano under a tremendous rush, forced a pass that was intercepted by the Forsan defender, Adam Dunlap. The young Buffalos, were only able to gain 5 yards on this possession, as Danny Solis, Chris Green, and Nick Lozano effectively shut the Buffalo

offense down. The Broncos 4th possession began at their own 21. Alternating plays, power running by Fields and speed running by Renfro, the Broncos quickly chewed up the yardage. On a 1st and 10 at the Buffalo 43, Renfro got his 3rd touchdown of the day. Starting inside and busting to the outside, Renfro quickly outdistanced the Buffalo defenders for the score. It happened so quickly, that the Bronco place kicker was unable to get on the field for the PAT, and the Broncos failed on the two try. Bronco J.V. 20 - Forsan J.V. 0

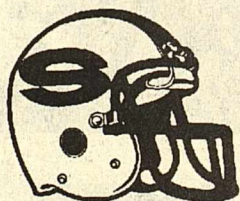

Bronco defense men, Chris Green, Mathew Torres, and Stetson Hall, filled the bill on Buffalo's next possession, as the Buffalos were only able to come up with 8 positive yards and were forced to punt for the 3rd time. The high powered Bronco offense struck quickly, as it only took two plays and 46 seconds to tally its fourth score of the first half. Chance Armke gained 6 yards to the Bronco 46 and Bill Renfro did the rest of the work, as he raced 54 yards to pay-dirt. Stetson Hall added his fourth point of the afternoon to give the Broncos a commanding 27 point lead. Sonora 27 - Forsan 0. With 3 minutes and 28 seconds left in the second quarter, the Buffalos took possession at their own 17 yard line. After a penalty against the Broncos and a 7 yard pass gain, the Buffalos looked as if they might get their offense going. However, Cameron Sims from his safety position recovered a Forsan fumble to stop the Buffalo advance. With 2 minutes and 18 seconds on the half-time clock, the Bronco J.V. was not through. Starting at the Buffalo 37, it only took the Broncos 5 plays and 2 minutes to put the ball in the end-zone. Runs by Fields moved the ball to the 10 yard line, and Renfro covered the remaining distance on runs of 6 and 4 yards for the touchdown. Hall added the point after to put the Broncos up by 34 points. At the half, the score -board read Sonora 34 - Forsan 0.

The Broncos received the second half kick-off and picked up where they left off in the first half. The duo of Fields and Renfro continued to deal the Buffalos misery. The Bronco J.V. moved the ball 61 yards for its sixth touchdown of the evening. On a pass play and 2 running plays Fields gained 42 yards and Renfro gained 18 of his game high 231 rushing yards to move the ball to the Buffalo 6 yard line. From this point, Renfro put the football in the end-zone for his sixth touchdown of the day. On the extra point attempt, the unheard of happened, Hall missed wide to the left. Sonora 40 - Forsan 0

The Buffalos trying to salvage some pride, took possession of the football at their own 21 after the ensuing kick-off. Defensive plays by Chong Hernandez, Riley Crain, and Ed Mayfield forced the Buffalos to punt after only 3 offensive plays. On the punt reception, James Elliott struggling for more yardage, lost the handle and the Buffalos came up with the ball. The Buffalos had now crossed the mid-field stripe for only the 2nd time of the game. Riley Crain and Chance Armke led the Bronco defense and forced the Buffalos to punt the ball once again. The Broncos started their next possession at their own 15 yard-line. A pass from Nick Lozano to Cameron Sims moved the Broncos to the Buffalo 39 yard line. On the next play, Sean Fields, twisting and turning, ripped off 46 of his 141 rushing yards to move the ball to the Forsan 15 yard line. From here Renfro scored his seventh touchdown of the afternoon on a 15 yard run. Stetson Hall got back on track, as he split the uprights to give the Broncos a 47 point lead. Sonora J.V. 47 - Forsan 0

On the ensuing kick-off, an aggressive Pete Rameriz up-ended the Buffalo ball carrier causing a fumble. A herd of Broncos went after the ball with Mathew Torres recovering the football at the Buffalo 23 yard line. The Broncos now using Brandon Adkins and Pete Rameriz to carry the mail, did not take long to put their final touchdown of the game on the board. This came on a 4 yard run by Rameriz with 7 minutes and 31 seconds left in the game. Hall added the PAT to give the Broncos an overwhelming 54 to 0 lead. For the next seven and a half minutes, the Buffalos were finally able to generate some offense. Starting at their own 8 yard line, the Buffalos marched the ball down the field. Using a strong running attack, they moved the ball to the Bronco 8 yard line. On a 4th and 8 at the 8 yard line, the Bronco defense bent, but would not break. The Broncos stopped the advance of the Buffalos and preserved the shut-out. Bronco J.V. 54 - Buffalo J.V. 0

The Bronco J.V. will travel to Wall this Thursday to play the Wall Hawks. If you are in San Angelo on Thursday, come on out to Wall and support this fine group of athletes. Game time is 6:30 at Wall Stadium.

Like a good neighbor, State Farm is there.

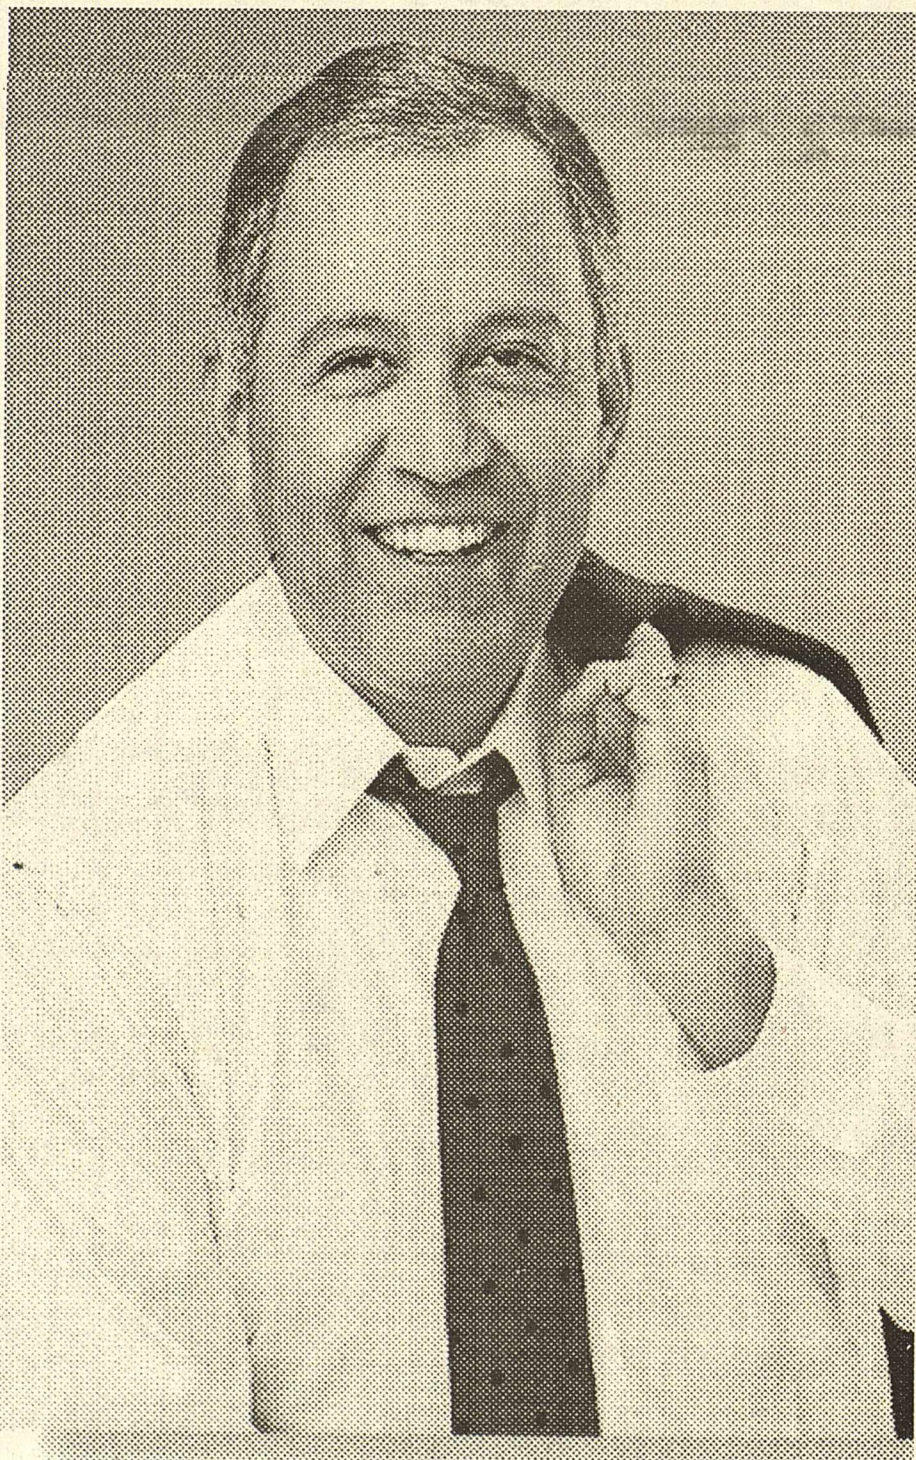

FIRST HE OVERHAULED THE IRS. NEXT HE'LL ABOLISH IT.

This year, Henry Bonilla went on record, stating his position to eliminate the IRS.

Next year he will lead the effort to replace it with a more fair and simple tax system.

BONILLA

Protecting you from the IRS

Already this year, Henry Bonilla voted to reform the IRS, strengthening the taxpayers' rights and making the IRS more accountable. Those changes include:

- The burden of proof is now on the IRS, not the taxpayer;
- Innocent spouses who are divorced or separated are only responsible for their incomes;
- In some cases, taxpayers are now given relief from interest and penalties; and
- The IRS cannot seize a taxpayer's home without a court order.

In addition, Henry Bonilla will continue to:

- Support small businesses;
- Keep taxes down;
- Protect private property rights;
- Keep government out of our lives; and
- Demand accountability and responsibility.

**Early voting ends
October 30. Election day
is November 3rd.**

"Whether eliminating the IRS or working to help you keep more of your hard-earned money, you have my commitment to continue fighting for your interests in Washington."
