Sutton County Days to Feature a Variety of Entertainment

With Sutton County Days a week away, the entertainment has been booked and it's shaping up to be a potpourri of entertainment for everyone. From good ol' Cowboy Music and story telling, to an interactive old west melodrama, to classic Rock & Roll music there should be enough variety to keep everyone on their toes. Justin McGeath said, "We wanted to add enough variety to the entertainment that there would be something for just about anyone that comes along." Returning this year to Sutton County Days will be the "Badland Rangers", who will be reenacting a scene straight out of the famous courtroom of the honorable Judge Roy Bean. The Rangers will be performing their rendition of "how it really happened", on the main stage at two different times on Saturday.

Other familiar faces to Sutton County Days will be "San Angelo Mariachi". Some of you may remember this group from their talent show fame of 1998. The band seemed to steal the show during last year's talent show and as tradition tainment. One of San Angelo's

calls, the band will be coming back this year for a full performance on the main stage. Another familiar face will be Miss Laura Aguirre, who has also been a past Sutton County Days Talent Show winner.

The new comers to Sutton County Days all come from different backgrounds and all bring unique brands of entertainment. T.R. Stephenson, the Master of Ceremonies for this year's event comes from a long line of Texans and his brand of cowboy poetry and music shows it. The cast from "The Legends and Lies of Sutton County" are all native West Texans with a flair for the stage. They will be performing the recently written melodrama about the struggle for survival during the early days in Sutton County. The melodrama will kick the afternoon off on Sunday at

The Sahawe Indian dance group may be the most unique new comers to Sutton County Days. They will combine athleticism with an ancient art to produce an intriguing and fascinating form of entermost popular and talented entertainment attractions, the NDC Mystery Band, will also be making their first appearance at Sutton County Days

This group of Texans will bring their popular mix of Jazz, Blues and Rock & Roll to the main stage of Sutton County Days on Saturday afternoon. If you take some of our local talent, combined with an old west setting and make it into a Christian production, what you'll get is "Exodus from Egypt County". This play, produced and directed in part by Reverend Suzanne Steves, will be featured at the Depot Amphitheater on Saturday after-

The entertainment line up for Sutton County Days Silver Anniversary should be as enjoyable as ever, so make your plans to be there on Saturday August 21 beginning at 9:00 a.m. with the parade. Don't forget that Sunday will also include live entertainment and an extra day of shopping, all beginning at 12:00 p.m.

Community Event

Bonilla to hold Community Event in Sonora

U.S. Congressman Henry Bonilla will hold a community event in Sonora on Tuesday, August 17, 1999. The meeting will be held in front of the County Courthouse (rain location is inside Courthouse lobby) from 1:55 p.m. - 2:45 p.m. Residents of Sonora and the surrounding area are invited to participate in this community event where Bonilla will outline the accomplishments of the 106th Congress so far this year.

Bonilla will also discuss legislation he recently introduced in Congress that puts us on the road to abolishing the Internal Revenue Service (IRS) as we know it. Bonilla has been a harsh critic in Congress of the IRS, calling the current tax system tyrannical, intrusive, overwhelmingly complex and

Bonilla's plan will replace the IRS with a tax system that is fairer and simpler. He says it's time to get rid of the IRS as we know it and replace it with a system that treats us, the taxpayers, fairly.

City of Sonora for her unexpired term at a salary of \$50 which was raised to \$75 at the March 7, 1918 meeting. At the May 6, 1918 meeting it was voted that she receive \$100 for 1918.

E. F. Vanderstucken, T. L. Benson and Fred Simmons were made the Board of Equalization to equalize value of city property as to city taxes. A tax rate of 10 cents on the \$100 was set.

Kenneth Taliaferro was appointed Judge of the Election and paid \$6 for that position.

George B. Hamilton and E. S. Long replaced Roy Aldwell and Theo Savell in this election and were sworn in before County Judge

E. S. Briant on May 6, 1918. S. L. Merck was paid \$1.50 for each dog destroyed. He was the Animal Control Officer. His duties were to impound hogs, goats, calves, oxen or cattle, horses, mules, jackasses, jennita, and sheep running at large within corporate limits, and after 5 days of notice sell them at public auction to the highest bidder. If an owner came to claim them he had to show proof of own-

ership and pay a fine.

A City Marshall was listed. among the officers but his name was never given in the minutes. His duties allowed him to put a ball and chain on prisoners when working them on streets or public works to prevent their escape.

On November 4, 1918, W. L. Aldwell resigned and his resignation was accepted on February 1, 1919. E. S. Long was appointed Mayor Pro-Tem.

On April 7, 1919, Claude Keene was Mayor, W. L. Aldwell, George B. Hamilton, E. S. Long, L. W. Elliott, and G. W. Stephenson were Aldermen. Mr. Hamilton and Mr. Long were appointed to assist the Woman's Club in their city wide cleanup campaign. Geo. J. Trainer, C. F. Adams, and Kenneth Taliaferro were each paid \$2.00 for holding the city election. Mrs. J. A. Cope was reappointed to office.

At the April 4, 1921 meeting Dr. A. G. Blanton was voted City Health Officer.

In the 1921 election the following were elected to serve: W. E. Caldwell, Mayor; Claude E. Keene, G. W. Stephenson, and W. L.

Aldwell, Aldermen. Mrs. J. A. Cope and S. L. Merck were reappointed to their offices.

The County Judge gave permission to use the County Jail for City of Sonora prisoners but the City of Sonora must pay board of their prisoners.

That pretty much covers the first few years of officers and I hope answers your question.

It must have been a wet year. Even with Miracle Grow the best I could do the last few years was a shoulder high sun flower and some kind of worm killed them. All my veggies were destroyed by bugs in their infancy. Rick says I have a brown thumb and it is cheaper to buy vegetables at the store than let me try to grow them.

Pointers For Parents

Raising A Happier Child

by Marie Pace (NAPS)—As a professional educator for 10 years, I have found two things vital to the successful maturation of a child. It is these two factors—and not peer pressure—that form the path of growth.

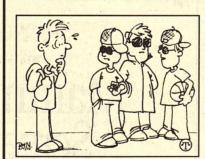

The first is the home environment. Author and humanitarian L. Ron Hubbard wrote that the family was the building block of any society. In the book, What is Scientology?, it goes on to state that the reason family relationships improve so much with Scientology is that it teaches an individual to communicate more freely with family and friends.

The second is the quality of education. Through exhaustive research, Hubbard developed an

Peer pressure has less influence on a child's development than a sound family life.

innovative technique for studying that enables the student to not only fully grasp the subject matter

Children with failed learning skills may be more likely to fall prey to peer pressure.

being pursued, but also to proficiently apply it in life or work.

It has been my observation that children from shaky home environments and with failed learning skills readily fall prey to the taunts and pressures that peers can inflict.

Conversely, children with a sound family life and effective study skills, have the inner strength on which to build a future of their choosing and the ability to strive for and achieve their goals.

I have found, through the use of the philosophy of L. Ron Hubbard, a sure-fire approach to raising a happy child. If you have not explored it, then I urge you to find out for yourself. Get the book, What is Scientology? and see how you can ensure a successful future not only for your child but for your whole family.

Marie Pace is executive director of the Lafayette Tutoring Center.

WTU Offers Solutions to Combat Higher Electric Bills

Traditionally, August is the hottest month of the year. As temperatures soar, so does electricity usage and that means higher electric bills. While summer temperatures haven't reached the intensity of last year, air conditioners, the largest energy users, are working hard to keep up with the demand placed on them. West Texas Utilities Company's power plants and electrical facilities are also working near

capacity to meet customers' demands for electricity. As an ongoing practice, WTU encourages customers to conserve energy especially during the peak times of the day between noon and 7 p.m. when electric usage is highest. By following some simple tips, customers can help avoid overloading conditions and save money on their

To assist with bill payments, WTU provides a variety of payment options. The Average Monthly (AMP) us a very popular program because customers pay an average amount over a 12-month period to even out the highs and lows of the bill. Enrollment Tips For This Year's Ranch to Rail Program

It's that time of the year again. The 1999 Texas A&M Ranch-to-Rail program will be taking cattle deliveries in October. But right now, producers need to begin the process of selecting and preparing their entries.

Ranch-to-Rail gives producers the opportunity to check feedlot performance and carcass traits of steer dalves produced from their herds. Cattle are fed at the Hondo Creek Feedyard at Edroy or Friona Industries' yard near Amarillo, or

"Participation involves a threestep process," said John McNeill, beef cattle program leader with the Texas Agricultural Extension Service in College Station.

First, producers need to enroll their cattle. To sign up, contact your focal county extension agent or McNeill at (409) 845-3579. Enrollment forms must be submitted this month.

Next, producers should identify a minimum of five steer calves to

"Only steers will be accepted and there's no age restriction. We recommend weights between 500 and 800 pounds," said McNeill. Individual identification will be maintained on each calf for the length of the program.

The last step may be the most important, according to the beef expert, who said calves will need to be prepared for the feeding program. Although a preconditioning regimen

isn't required, it is highly recommended, he said.

"Ideally, the calves should be weaned a minimum 45 days before shipping."

"We like to see the animals vaccinated against viral and bacterial pathogens that can lead to illness once the calves leave the ranch," he added. While not required, these preparations will reduce the risk of health problems enroute to the feed-

The steers selected also need access to a complete mineral supplement, good quality grass hay or pasture, and a high protein supplement. Even if calves are not weaned for that long, the schedule for administering some vaccinations may require producers to begin in ate August.

Whether now or later, today's beef producers must be knowledgeable about the product they market. Ranch-to-Rail offers the chance to learn more about their cattle and their industry to boot.

Sonora Showdown **Meat Goat Show**

The Sutton County 4-H Club and the Sutton County Extension Agricultural Committee cosponsored the first ever open prospect show in Sutton County this past weekend at the Sutton County 4-H Civic Center. The event included an open meat goat show on Saturday evening at 6:00 PM. The show, judged by Mr. Billy Reagor of Ozona, had 188 entries from across Texas. The Grand Champion and the Reserve Grand Champion of Show A were exhibited by Tye Fowler of Andrews, Tx. Class winners were 1) Colt Brandenberger of Junction, 2) Colton Moore of Sonora, 3) Alexandra Bean of Ozona, 4&5) Lacey Ganon of San Angelo, 6) Garrett Wood of Water Valley, 7 & 8) Tye Fowler of Andrews, 9) Courtney Brown of Eldorado, and 10) Lacey Ganon of San Angelo.

The second day of activities kicked off with an optional church service attended by 52 persons. The sponsors of the show wish to thank the West family of Sonora for the music and Rev. Taylor Norman for the message dur-

ing the worship service.

Show activities for the day began with a showmanship contest for three age categories. The Pee-Wee (9 and Under) division was won by Sarah Schwertner of Ballinger, the Junior (10-13) was won by Billy Bob Moczygemba of Kenedy, and the Senior (14-19) division was won by Lacey Mercer of Brownwood. A total of 252 goats were exhibited on Sunday in Show B. The Grand Champion goat of Show B was exhibited by Tye Fowler of Andrews. The Reserve Champion goat of Show B was exhibited by Corey Owens of Big Lake. Class winners were 1) Jodi Sissell of Telegraph, 2) Neal Higgins of Eldorado, 3) Alexandra Bean of Ozona, 4) Corey Owens of Big Lake, 5) Tye Fowler of Andrews, 6) Lacey Cornett of McCamey, 7) Tye Fowler of Andrews, 8 & 9) Lacey Ganon, and 10) Billy Bob Moczygemba of Kenedy. The official judge for all of Show B was Dr. Frank Craddock of

Numerous compliments were received by the show management for the excellent facilities to host the show which means that everyone in Sonora should be proud. The new portable pens and show ring really complimented the civic center facilities to make the show run very smoothly. A total of 111 exhibitors representing 33 towns from Premont and Mathis to La Grange to Coleman to Snyder to Andrews and McCamey with their families came to Sonora for the two day event.

The show sponsors wish to thank all of the local volunteers for their many hours of service to make the show a huge success. Discussions are now being held to determine whether the show will become an annual event.

Texas Rambouillet Breeders Host Sale in Sonora

The Texas Rambouillet Sheep Breeders Assn. hosted their annual show and sale at the Sutton County 4-H Center in Sonora on August 6 & 7. The champion ram was exhibited by Val Gene Eckhoff of Bend, Tx., and the Reserve Champion ram, which was also the high selling ram of the sale, was consigned by Scotty Menzies of Menard, Texas. The high selling ram sold to Marck Schaffer, Walking Bars Rambouillets of Garden City, Tx. for \$725.

The association annually sponsors a ewe lamb futurity for junior exhibitors which involves a point system by participation in the shows of Texas. In 1998-99 a total of \$1600 in premiums were returned to the youth involved in this event. Texas breeders consign some of the best retary of the TRSBA.
