## COTTON STRIPPING STARTS

BY BILL ELLIS

THOSE OF US who are still fairly young, or consider ourselves to be in the "young" bracket need to be concerned over the status of social security.

If you hadn't already noticed, your social security payments or deductions have been going up at an alarming rate in recent years.

When most of us began working, the social security deduction was a very insignificant deduction, hardly noticeable. In the beginning, it amounted to only one per cent of your wages.

++++  
AT THE PRESENT time, workers pay, and employers match, 5.85 per cent of their income to Social Security tax.

Also, in the beginning, you paid social security only on a part of your wages. We're not sure what it was to start out, but seems we can remember paying on the first \$3,600 you made in a year's time. The remainder of your salary was exempt.

We have seen the wage base go up, to \$4,800, \$6,000, \$9,000, and this year to \$13,200. If you were one of those in the \$13,200 income bracket for 1974, you will pay a total of \$772.20 in Social Security tax this year, and your employer will have to match that amount.

By boosting the wage base as shown above, the Social Security people now have the "middle income" group paying the tax on just about all of their yearly income, if not all.

In fact, predictions are that the wage base will be raised to \$15,300 by January 1, 1976, and in future years as much as \$17,000.

++++  
THE ORIGINAL INTENT of the Social Security tax was for the worker and employer to pay into the fund until retirement, and then start collecting a "modest" retirement paycheck.

However, since the program has begun to pay benefits to people who never paid any social security tax, or very little, as well as to disabled workers and to survivors, the Social Security fund never has had an opportunity to build up.

In fact, according to an article in the current issue of "Nation's Business," it takes all that the government collects on a current basis to pay the checks going out.

At the present time, this is well and good, the magazine points out. A big portion of the tax being paid presently is by those young folks who were a part of the great "baby boom" of the 1946-69 era. This big segment of the population will be able to keep the social security program solvent for a number of years, it would appear.

But what happens when this group gets ready to retire? When they start retiring, somewhere around the year 2010, the tax will then be collected from today's group of "babies," who are part of the "Zero Population Growth" movement, which has seen our birth rate decline in this decade.

Most of us would rather take the \$772 per year and invest it in a high-rate savings program to pay off at retirement.

A little calculating revealed that if we had this amount, matched by the employer, and could put at (Continued on Page 10)

# Sunshine Speeds Harvest To Conclusion Corn, Milo Yields Down

**WINS SECOND PLACE....**Jerry Bunch, an employee at Bovina Supermarket, picked eight out of 10 winners in last week's Bovina Businesses Cotton Bowl Football Contest to take second place and \$3. Albert Johnson of Farwell was first place winner. He picked nine of the

10 games for first place and \$5. Winning third place was Joyce Sikes. She also picked eight winners. Emmett Tabor picked six winners to bring his total to 82 in the contest and is being challenged by Mrs. Hattie Burnett, who now has 29 points.

Harvest of the Bovina area's corn and milo crops hit peak proportions last week with spokesmen at the two elevators here estimating that 85 to 95 per cent of the grain was in the elevators.

Aided by a week and a half of moisture-free weather, harvest operations were beginning early in the morning and continuing at a steady pace until far past midnight in many instances.

Harry Johnson at Sherley Grain Co. estimated that 95 per cent of the corn crop had been gathered with some amazing and some very disappointing yields reported. "The high yield so far has been something over 10,000 pounds of dry corn and we've had quite a few averages in the 9,000 pound range," Johnson said. When queried about low yields, he said the lowest yields were reported north of town in the weak water where "the rains just didn't come soon enough."

Larry Webb, manager of Bovina Wheat Growers, Inc., reported that most yields brought to Wheat Growers were in the 7500 to 8000 pound range with some higher and some lower. Webb estimated yields were down about 15 per cent from last year's bumper crop.

Both men agreed that milo yields were down considerably from last year—anywhere from 30 to

40 per cent. Webb said that the average is 6,000 pounds per acre and some below. The lessened yields were attributed to the summer drought and rains in the summer which kept the late milo from pollinating. The freeze also damaged some of the later milo.

Price quotations on both corn and milo have fallen the limit the past two days. Corn was quoted at \$5.28 per hundredweight and milo at \$5.30 per hundred on Tuesday. Webb said he believed the recession the country is in is probably causing the market to fall the way it has the past week.

++++  
Harvest of the cotton crop here, no longer as important as it once was due to low acreage, also got underway last week with the first bales of cotton ginned Friday at Lawlis Gin and Bovina Gin Co.

Jim Heard brought the first bale of cotton to Lawlis Gin with Ovid Lawlis reporting that he had ginned some 21 bales since Friday. Stanley Bishop of Friona brought the first bale to Bovina Gin Co., according to Dwight Cox, manager.

Lawlis said some of the cotton crop in the area will be "pretty good" and estimated yields will range from one-quarter to one and one-half bales per acre. "Some won't even be worth stripping," he noted.

Cox and Lawlis said the recent rains had hurt the maturity and quality of the crop with a number of farmers suffering boll weevil and 2,4-D damage. Most of the cotton suffering from 2,4-D damage is in the area west of Bovina, near the New Mexico state line.

Both men reported they had been unable to secure a price quotation on cotton. Cox reported that he had

learned through a friend in North Carolina, a major cotton mill state, that the spinning mills are shutting down or only running about 30 hours a week. Lawlis reported that "people have just quit buying clothes." Cox said he looked for the price to be about 35 cents a pound, down some 30 cents from last year's record price for the commodity.

## IN DISTRICT COURT

# Jury Returns 19 Indictments

Nineteen indictments were returned Monday of last week by the grand jury in District Court, according to Dorothy Quickel, District Clerk.

The indictments include the following: Rojelio Reyes, indicted for using a knife as a deadly weapon; Rocky Steelman, forgery; Rocky Steelman, theft; Raymond Drager, malicious mischief; David Carlisle, murder; Emilio Castaneda, assault; Charles Cregue, forgery; Victory Manuel Arzola, DWI subsequent offense;

Mrs. Tom Caldwell, Joe Blair, W.M. Massie, Clay Henson, James Ensor, Mrs. Billy Sides, Vernon Symcox, Mrs. Dean McCallum, Wayne Foster, Kenneth Johnson, Mrs. D.W. Pierson, Jack Williams, Howard N. Hays, Clarence Johnson, Mrs. Earl Whitten, Curtis W. Murphree and Randall M. Barrett.

Jurors elected to serve were Dean, Mrs. Caldwell, Massie, Ensor, Mrs. Sides, Symcox, Mrs. McCallum, Foster, Kenneth Johnson, Mrs. Pierson, Hays and Clarence Johnson.

## Thanksgiving Holidays Set Next Week

Thanksgiving holidays will begin at 3 p.m. Wednesday of next week when classes will be dismissed at Bovina Schools, announces Superintendent L.F. Jacobs.

Buses will run at that time.

The holiday will include Thursday and Friday, in addition to the weekend, with classes scheduled to resume Monday morning at the regular time.

## AT FIRST BAPTIST

# Oscar Combs Services Held

Funeral services for J.O. (Oscar) Combs, 81, were held Thursday morning at First Baptist Church of Bovina with Rev. Larry Heard, pastor, officiating. Burial was that afternoon in the City of Lubbock Cemetery under direction of Parsons-Ellis Funeral Home of Friona.

Mr. Combs died about 11:45 a.m. Tuesday at Methodist Hospital in Lubbock, after undergoing emergency open heart surgery earlier that morning.

A native of Wise County, he came to Bovina in 1946. He had operated grocery stores at Lariat and Bovina before his retirement a number of years ago. Mr. Combs was a long-time member of the First Baptist Church of Bovina where he sang in the church choir. Prior to moving here he had sang in area religious music quartets. He was married to the former Miss Bessie Nell Mann in 1917 at Paradise. Survivors include his

wife; two sons, Doug Combs of Roswell, N.M., and Harold Combs of Portland, Ore.; a daughter, Mrs. Eugene Guyer of Lubbock; four sisters, Mrs. Euna Stevenson of Clayton, N.M., Mrs. Gertrude Hefley of Shamrock, Mrs. Myrtle Lindsey of Fort Worth and Mrs. Ophia Lenard of Paradise; a brother, Wilburt Combs of Longview; 12 grandchildren and 16 great-grandchildren. Grandsons served as pallbearers.

## TWO WEEKS REMAIN

# Johnson Wins Week Eleven; Tabor's Lead Cut To Three

Albert Johnson of Farwell was the only one of 119 contestants last week to call as many as nine out of 10 games correctly in the 11th week of the Bovina Businesses Cotton Bowl Football Contest. Johnson picked up

\$5 for his efforts. He missed the outcome of the Groom-Lefors tilt which Lefors won in a mild upset.

Seven contestants picked eight of the 10 games on the slate with Jerry Bunch winning second and \$3 and

Joyce Sikes winning third and \$2.

Bunch missed the Baylor win over Texas Tech and the Washington win over Dallas and picked Hart to win, 35-6, six points off the actual 41-6 score. Mrs. Sikes missed the

Olton win over Dimmitt and the Miami win over Buffalo and picked Hart to win, 31-6, 10 points off the score.

Other contestants with eight correct predictions were Lynn Read, 12 points off; Hattie Burnett, 14 off; Monty Malcom of Tulia, 17 points off; Earl Whitten, 21 off; and Mrs. Norma Noyes, 27 off. All five missed the Lefors win with two missing the Washington win and the other three missing the Baylor, Monterey and Miami wins.

Of the remaining contestants, 26 came up with seven correct predictions. They were Kathy Boozer, Tom Bonds, Jon Cox, Jimmie Cockerham, H.J. Charles, T.W. Carpenter, Gene Ezell, Judy Fillpot, Mike Grissom, Leon Grissom, Joyce Hughes, Rickey Heard, Wesley Harris, Mrs. Albert Johnson, Evanna Jamerson, Jacque Nabers, Pat Read, Don Stone, Bonnie Stanberry, Billy Smith, John Sikes, Robert Sierra, Pat Sherrill, Steve Taylor and Billy Whitecotton.

Thirty-eight contestants had six right, 32 had five, nine had four and six had three correct predictions.

Games most often missed on the contest slate last week were the Olton-Dimmitt game, in which only 40 contestants picked the winner; Lefors and Groom, with only 26 picking Lefors; Washington and Dallas, with 31 picking Washington; and Baylor

and Tech with 48 picking Baylor.

Emmett Tabor, with six correct predictions last week, now has a total of 82 points for a percentage of .752 in the contest.

However, he is being challenged by Mrs. Hattie Burnett who pulled to within three points with her eight correct predictions last week. Mrs. Burnett now has 79 points.

Two weeks remain in the 1974 contest with the contestant having the highest number of points at the conclusion of the 13th week winning an expense paid trip to the Cotton Bowl game in Dallas on New Year's Day, 1975.

Standings in the contest at the end of the 11th week are as follows:

- 82 Emmett Tabor.
- 79 Hattie Burnett.
- 77 Janice Carpenter, Jeanne Kerby.
- 76 Mike Grissom, Rickey Stanberry, Billy Whitecotton, Ronnie Wines.
- 75 Albert Johnson, Suezy Smith.
- 74 Dorothy Harris, Johnny Miller, Joyce Sikes.
- 73 H.J. Charles, Gary McCormick.
- 72 Tom Bonds, Gary Cox, Joe Haseloff, Joyce Hughes, Jacque Nabers, Jim Noyes, Sandra Ware.

**CHAMBER'S GOOD GUY....**Don Stone, an employee with the Texas Highway Department here, was selected recently by the Bovina Chamber of Commerce and Agriculture to receive the "Good Guy" award. Stone was the "man on the spot" last spring in possibly saving the

life of a toddler who was choked on a piece of candy. He was among fire department volunteers answering the call and was the only one on the scene who knew immediately what action to take.

# Reflections

From  
*The Blade*

**FIFTEEN YEARS AGO--NOVEMBER 18, 1959**  
Blazing stacks of bundled feed threatened barns on the John R. Cook farm east of Bovina last Tuesday afternoon but volunteer firemen from Bovina answered the call and saved the nearby buildings.

Bovina Schools will be dismissed two days next week for Thanksgiving.

Those attending homecoming at Texas Tech Saturday were Mr. and Mrs. Dean McCallum, Mr. and Mrs. Bedford Caldwell, Mr. and Mrs. Vernon Estes, Mr. and Mrs. C.R. Brandon, Joy Redden and Mr. and Mrs. Warren Morton.

An effort is currently underway to bring wildcat basketball back to Bovina after a three-year absence. Jerry Rogers, organizer and spokesman for the group attempting to organize a Bovina team, says plans for the season will be worked out at a meeting of men interested in joining the team.

+++  
**TEN YEARS AGO--NOVEMBER 19, 1964**

The District 1-B champion for 1964 will be named on Mustang Field Friday night. Bovina's Mustangs take on the Vega Longhorns in the game which will decide the title winner of the conference.

In an effort to increase already-high football spirit of the community for the Vega game here Friday night, special activities have been planned. A pep rally is scheduled for downtown Bovina Thursday beginning at 6:30. Fathers of football players will be honored at the Friday night game. It has been designated "Dad's Night."

Bovina FFA's junior chapter conducting team placed second in a field of 12 in Littlefield District competition Saturday at Muleshoe. Bovina's radio broadcast team placed fifth and the senior chapter conducting group was fifth. Members of the junior chapter team were Bill Caldwell, Mike Grissom, Larry Mitchell, Lynn Murphy, Galen Hromas, Alan Carson and Daryl Kirkpatrick.

The Mary Marr Shop, located on Third Street in Bovina, has been sold by Mr. and Mrs. J.W. Harris to Mr. and Mrs. Otis Spears. Transaction was effective last week.

A tie has developed in the race for the grand prize in Bovina Businesses Football Contest. Jeanne Kerby pulled into a deadlock with Dixie Carson last week. They each have a total of 82 points out of a possible 110 for a percentage of .745.

+++  
**FIVE YEARS AGO--NOVEMBER 19, 1969**

The curtain will open at 8 p.m. Saturday on the annual Junior Class play in Bovina Schools auditorium. "Hillbilly Wedding" by LaRoma Greth will be the three-act comedy presented under direction of Mrs. Janie Sudderth and Bill Nitcholas.

An exercise machine, based almost completely on the weight-lifting method, is in use at Bovina Schools. It arrived here Thursday after the machine was ordered by the Mustang Booster Club, which is making financial arrangements for it.

Miss Carolyn Cox, junior student, will be sawed in half on the stage of Bovina Schools auditorium Tuesday night when the Zogi Variety Revue appears here.

The Bovina Mustangs closed the 1969 season on a sour note Friday night at Vega. The Longhorns, scoring with only 1:28 remaining in the game, came out on top of a 20-19 count.

## LETTERS TO EDITOR

Lou Nuttall  
Bovina Blade  
Bovina, Texas

Dear Editor,  
Basketball season started in Bovina Monday night and what a sight!

The contrast between the football players uniforms and some of the basketball uniforms was unbelievable.

It would be hard for anybody (especially Kress) to believe they were right in the middle of the third wealthiest agriculture county in Texas.

Surely to goodness the Bovina Schools can afford to buy some decent uniforms for the seventh grade boys. The "suits" they had on Monday night were a disgrace to the community. Those baggy gray P.E. shorts and ragged jerseys with numbers taped on must have been more embarrassing to the players than their parents. At least they were to this parent.

## Young Homemakers

### Hear Attorney Speak

Husbands of members of the Young Homemakers Chapter of Bovina were guests at a Thanksgiving dinner Tuesday night at Community Room of First State Bank of Bovina.

Mr. and Mrs. Richard Clark of Friona were special guests. Clark, an attorney, spoke to the group on the process of making wills and the consequences of not having a will.

Joe Blatchford gave the invocation prior to the meal. Mrs. Kregg Wilson introduced Clark.

A brief business session followed the dinner with Mrs. Wilson, second vice president, in charge. Mrs. Bob Turner, secretary, read the minutes of the last meeting. The club's bazaar and bake sale were discussed and also plans for a December social.

The Young Homemakers will sponsor a bake sale Tuesday with tables set up at Bovina Supermarket and First State Bank. The sale will begin at 9 a.m. and continue until everything is sold.

Attending the Tuesday night dinner were Mr. and

Mrs. Wilson, Mrs. Turner, Mr. and Mrs. Jim Noyes, Mr. and Mrs. Eddie Corn, Mr. and Mrs. Ronny Dyer, Mr. and Mrs. Lowell Boozer, Mr. and Mrs. Blatchford, Mrs. Garry Beauchamp, Mrs. Don Stone, Mrs. Radford Venable, Mrs. Mike Beauchamp, Mrs. Bernita Burnett and Mrs. Robert Hughes.

### Bazaar Slated Friday

The annual holiday bazaar, sponsored by United Methodist Women of the First United Methodist Church here, will be Friday at Community Room of First State Bank, according to Mrs. Dean Hastings.

The bazaar will open at 8:30 a.m. and continue until everything is sold.

Homemade pie and coffee will be sold throughout the day along with baked goods, candy, pecans and handwork.

### County Group Meet

#### With Mrs. Witten

The Iota Eta Chapter of Delta Kappa Gamma met in the home of Mrs. Jo Witten on Saturday, November 16.

Mrs. Fay Reeve, president, presided over the business meeting. A song session was led by Mrs. Witten.

Mrs. Carmaleet Truitt gave a talk to the group concerning "Expanding Her Personal Ideology."

Hostesses for the occasion were Mrs. Witten, Mrs. Lois Miller, Mrs. Leota Hardgrove and Mrs. Margaret Duggins.

Members present were Mrs. Dorothy Donaldson and Mrs. Marue Snodgrass, both from Bovina; Mrs. Francis Boling, Mrs. Hattie

Coffer, Mrs. Donna Clapp and Mrs. Patricia Owens, all from Farwell; and Mrs. Martha Bates, Mrs. Mary Bavousett, Mrs. Ethel Bengner, Mrs. Wana Brewer, Mrs. Karen Carter, Mrs. Fay Reeve, Mrs. Jeanne Mosley, Mrs. Valoris Osborn, Mrs. Cheryl Weatherly, Mrs. Truitt and the hostesses, all from Friona.

### YH bake Sale

#### Set Saturday

#### At Bank, BSM

A Thanksgiving bake sale will be held Tuesday at Community Room of First State Bank of Bovina and Bovina Supermarket. Sponsoring the sale is the Bovina Young Homemakers.

The sale will begin at 9 a.m. and continue until everything is sold, according to Mrs. Mike Beauchamp, spokesman for the club.

### FREEZONE IS FOR CORNS THAT HURT.

Why fool around with painful corns, when Freezone can help you remove them. Try it. You'll see. In just days, the corn will be gone... the hurt will be gone. Painlessly. No dangerous cutting. No ugly pads or plasters. Drop on Freezone—take off corns.

GUEST SPEAKER...Richard Clark of Friona, an attorney, was guest speaker at a meeting of Young Homemakers Chapter Tuesday night of last week at Community Room of First State Bank of Bovina. Visiting with Clark is Mrs. Kregg Wilson, second vice president of the chapter, who introduced the speaker.

### Mrs. Hastings Presents Program At UMW Meet

Mrs. Dean Hastings presented a program entitled, "When I Needed a Neighbor," at the monthly luncheon and meeting of United Methodist Women Tuesday of last week in Fellowship Hall of the church. Hostesses for the luncheon were Mrs. Vernon Estes, Mrs. Margaret Caldwell and Miss Rita Caldwell.

Mrs. George Turner presented a scripture reading and Mrs. Bedford Caldwell, accompanied by Mrs. Estes, sang a solo as Mrs. Hastings showed a filmstrip based on the scripture. As each member presented her

pledge for the coming year, a prayer chain was formed for various mission projects. Mrs. Joe Fowler led the group in a prayer.

Mrs. Billie Sudderth, president, was in charge of the business session. The group met yesterday (Tuesday) afternoon to make new ornaments for the Christmas tree which will be trimmed Tuesday, Nov. 26. The group discussed the annual bazaar slated Friday at First State Bank of Bovina. Crafts and baked goods will be sold throughout the day along with coffee and pie.

### Yule Projects

#### Discussed By Alter Society

Various Christmas projects was the topic of discussion at a meeting of St. Ann's Society Sunday afternoon in Parish Hall of St. Ann's Catholic Church.

Mrs. Larry Jesko read a letter from a girl in Brazil, who the society sponsors through the "Help A Child" program. Reports were given on the D.C.C.W. Convention held in Seminole recently. An ecumenical luncheon, to be held in January during the Week of Prayer for Christian Unity, was discussed and planned.

Father John Coppinger gave a brief talk on prayer with a prayer service held in the Blessed Sacrament Chapel. Mrs. Phil Brockman presented a program entitled, "Six Ways to Kill a Society."

Duties for the month of December were assigned as follows: Martha Koelzer, Mary Mesman and Dora Rejino, gifts; June Klimek, Eunice Schilling and Mrs. Mesman, church cleaning; and Mrs. Koelzer, laundry.

Refreshments were served to 11 members and Father Coppinger by Vernie Schacker and Mrs. Rejino.

**TO BOVINA STUDENTS**

**Language Lab Proves Useful**

Amarillo—The new Language Laboratory opened this fall by the English Department of West Texas State University is proving useful in bettering language skills, according to a poll taken among lab users in October.

Located in room 415 of the University Complex South, the Language Lab's services are available to any student enrolled in freshman English, upon referral by an English faculty member. The lab is staffed from 10 a.m. to 4 p.m. Monday-Wednesday-Friday and 9:30 a.m. to 4 p.m. Tuesday-Thursday by Mrs. Wanda Fullingim and Mrs. Mary Haraden.

Candor is the common denominator in students' assessments of the problems that bring them to the Language Lab. Frequently identifying English as their "weakest subject," some believe their difficulties began in high school, while others trace the problem back to the primary level.

Beatrice Guzman, Floydada freshman, is one of the many whose earlier education failed to prepare them for the rigors of college English. "When I was in grade school," she explained, "I didn't learn much because we would migrate about twice a year. I would go to different schools which were different in the material they used. So ever since I've had trouble trying to do my English homework."

"I believe I didn't have enough drill on proper usage," responded Jerry Platt, Amarillo freshman; "and when there was drill, it lacked a good presentation, or interest."

A number of students complained that they never understood exactly what was expected of them in high school English. Others owned up contritely to the fact that years of "goofing off" had indeed taken their toll. Many students visit the lab simply for review. This service is particularly use-

ful to students returning to school after an absence of several months or even years.

The necessity for a good command of written as well as spoken English is recognized by West Texas State University students with diverse career plans. Individuals contemplating office jobs, nursing, industry, teaching, business and law responded alike to the recent poll of lab users: English expression must be given a high priority in career preparation.

The comment by Jose Bazaldua, Bovina freshman majoring in business administration, was typical: "My field requires learning to communicate with other people, and English is the only means of communication." One student even responded to the poll with the intriguing thought that being able to use language well "would make life more interesting."

A variety of materials and approaches are utilized by

the staff in meeting students' needs. They include 40 pen-and-paper drills on specific points of grammar, four sets of recordings based on the audio-lingual approach to self-improvement, and 30 film strips, several with accompanying cassette tapes, covering study areas which are adaptable to visual presentation.

Since the Language Lab is organized so as to help

students help themselves, the materials provided are designed to be self-teaching. However, individual assistance from the lab instructor is available when needed.

The fact that attendance in the Language Laboratory has increased day by day to its present average of 43-45 weekly users indicates that a genuine need among WTSU freshmen is seeking and finding its solution.

"I owe my success as a salesman," said the speaker addressing the gathering of young men being trained for this profession, "to the first seven words

I invariably utter when a woman opens the door. Miss, may I speak to your mother?"

"Better hit him for your allowance AFTER he gets through writing his sermon!"

Read John 10:9-15

"I have come in order that they might have life, life in all its fullness."  
—John 10:10 (TEV)

A FRIEND once told me of getting up on one of those blue-grey days, despondent and depressed. It seemed too much! She found herself saying, "I wish I were dead—oh, I wish I were dead!"

Then something inside her said imperatively, "Wish you were alive!"

This thought came as a fresh alternative, and an exciting one. At that point she began to tune herself in to the source of life, who is Christ.

Jesus' presence is a divine glory that props up our sagging spirits. His presence is light that dispels our gloom and despair. Instead of merely existing, we begin to really live!

It is a thrill to find those young and old, and those in between, who are alive in Christ. He promises this thrilling fullness of life to all who will follow and obey Him. In fact, this is the very reason He came—to put the "plus" into life!

PRAYER: I confess, O God, that I have lived many days below par with my connections not open to receive all. You wanted to give. Help me to let faith in, that You may transform my every day. I believe this is what You want. Help me to reach out and receive now. In Jesus' name, Amen.

THOUGHT FOR THE DAY  
Jesus wants me to have fullness of life now.

## Guimarin To Present Program

Spencer Guimarin, a director of Texas Health Careers Program, will be presented in a Health Careers Assembly at Bovina High School Monday at 1 p.m., according to Gary Cox, high school principal.

The unique presentation by Guimarin is designed to introduce career opportunities in health care to all students.

Guimarin has been giving assemblies for five years and has more than 500 shows to his credit in Arizona, New Mexico and Oklahoma. He has taught at secondary and college levels and has a master's degree in European history and speech. He is active in the entertainment industry and the after-dinner speaker's circuit.

With ever-advancing technology and research, the health care field offers great employment opportunities to people with a diversity of education and training. By 1980 it is projected the health care industry will employ more than any other single industry in the United States with the exception of federal and state governments.

The Texas Health Careers Program is a project of the Texas Hospital and Education and Research Foundation and was begun in 1964 by the Texas Hospital Association because of a severe shortage in all health manpower categories. During the past seven years, the program has been presented to more than a million Texas high school and junior high students.

## Hunters Should Stress Safety

Some millions of American males-along with more than a few females-are taking to the woods this month, firearms in hand, in search of live targets.

These are the hunters among us.

The Texas Medical Association has a note of caution for those who are planning a fall safari into the fields and woods in search of deer and other game.

Know what you're firing at before you pull the trigger.

The hunter who blazes away rapidly at everything that moves is a highly dangerous animal. His quarry might well be another hunter.

The wise Texas hunter will be wearing a "hunter orange" vest or, at the very least, a cap made in this glowing bright fluorescent color. The color sends a glowing signal to other

hunters, but goes unnoticed by color-blind game such as white-tail deer, which will only be alarmed when it distinguishes motion, sound, or scent.

Each year several hunters return from fall outings via hearse. Many others return with a load of bird shot or a rifle bullet to be dug out by a doctor. Behind almost every hunting accident is one cause: carelessness.

Never cross over or through a fence or climb a tree with a loaded gun. It might fall and discharge. Don't shoot at a hard, flat surface. Glancing bullets can carry long distances. Even a small bore rifle has considerable range. Know where your bullet will stop before pulling the trigger.

Keep guns away from children. Never leave a weapon unattended without unloading it. Store guns and ammunition beyond the

reach of youngsters, preferably under lock and key.

Always carry a gun so that you can control the direction of the muzzle if you stumble. Keep the safety catch on until ready to shoot. Be sure the barrel is clear of mud, snow or other obstructions. A clogged barrel may burst.

Leave your liquor bottle at camp, and wait until you're through with the day's hunting and the guns are unloaded to take that first drink. And don't overdo it.

# SCS Report

How soil surveys can help you is the subject of a new set of color brochures available from the USDA Soil Conservation Service.

The leaflets are designed to describe uses which can be made of soil surveys by nine different groups including homebuyers, builders, developers, land use planners, land appraisers, farmers, ranchers, construction engineers and others.

District Conservationist Herb Evans of Friona said single copies of the leaflets are available free from his office.

Soil surveys have been made on about 120 million acres of land in Texas as part of the National Cooperative Survey. Additional land is being mapped at the rate of about 5 million acres per year.

The surveys are made by SCS soil scientists who examine the soil acre-by-acre. They record depth,

percent sand or clay in each layer, acidity or alkalinity, wetness, flood hazard, and other features by soil name symbols on aerial photographs. After a county survey is completed, the survey is published for public use.

Evans said the survey for Parmer County is complete but not published. Until the report is published, soil information for all land mapped in Parmer County is available at the Friona SCS office.

Soil surveys can be interpreted to determine suitability to soil for home sites, building foundations, septic tank filter fields, gardens, cropland, trees, parks, fill material, and other uses.

They can also be used to predict depth to bedrock; locations of sand, gravel or caliche deposits; corrosivity to metal pipelines; shrink-swell hazards; and dozens of other features.

## Lazbuddie Youngsters Exhibit At State Fair

Two Parmer County 4-H members exhibited their barrows at the State Fair of Texas in Dallas, Oct. 14-18. Sherrie Seaton exhibited a Poland China, a Chester White and a Crossbreed, while Joe Dan Tarter showed two Durocs and a Chester White. Both youngsters are members of the Lazbuddie 4-H Club. Their parents are Mr. and Mrs. Jimmie Dale Seaton and Mr. and Mrs. Joe Tarter.

The barrows were hauled to Dallas on Monday, Oct. 13, and weighed on the 15th. The first three breeds were shown on Wednesday afternoon and judged by Jim McManigal, West Texas State University. In the Chester White show, Joe Dan had the third place mediumweight, and Sherrie had the sixth place mediumweight. She came back

stronger in the Crossbreed show by exhibiting the second place heavyweight and Reserve Champion Crossbred barrow.

Thursday was the final day of showing. Joe Dan finished up his part of the day with the 11th place heavyweight Duroc barrow. Sherrie came back after lunch to win the heavyweight Poland China class and go on to win the Champion Poland China title. This is the second year in a row for her to win this breed at Dallas.

This was the last show of the Fall season for Parmer County 4-H to exhibit in. The 1975 season will start the first week of January with the Sandhills Hereford Show in Odessa.

The 4-H'ers were accompanied to Dallas by Mack Heald, county agent.

ON CHANNEL 4

# 'You Can Do It' Beginning Saturday

Parmer County "do-it-yourselfers" will have "their own" television series with the start of a new program on KAMR-TV, Amarillo Channel 4, at 1:00 p.m. Saturday, November 23.

Cablevision viewers in Friona will see the series on Channel Four.

According to Miss Jana Pronger, Parmer County Extension Agent, the new series, "You Can Do It!" is a 6-part, educational series on home care and repairs.

"It is designed to teach viewers simple, money-saving care and maintenance techniques," she said.

Locally, the half-hour programs each Saturday will be sponsored by Parmer County Family Living Committee and KAMR-TV.

Created and produced by home economics specialists with the Texas Agricultural Extension Service, The Texas A&M University System, through a special United States Department of Agriculture grant, "You Can Do It!" is being aired statewide on an alternating basis.

During the 6-week series, hostess Cindy Kidwell will teach lessons on how to repair leaky faucets and how to caulk and weather-strip, Miss Pronger said.

On the first program, viewers will learn how to do simple electrical repairs.

Other lessons will teach viewers how to make toilet repairs and adjustments, and how to care for carpets.

Viewers are urged to check local program listings during the series for any

changes in programming.

Local homemakers will learn how to make and use low-cost cleaners during this week's "You Can Do It!" television program at 1:00 p.m. on KAMR-TV, Amarillo, Channel 4.

Featuring hostess Cindy Kidwell, the educational program will teach viewers how to make cleaning products for windows and mirrors, porcelain, furniture, and general household uses.

"Cleaning on a Shoe-string," this week's lesson, also will feature ideas for cleaning marble, tile, aluminum, and chromium, according to Miss Pronger, Parmer County Extension Agent.

"You Can Do It!" is a 6-part educational television series, which will run through December 28. It is

sponsored locally by the Parmer County Family Living Committee and KAMR-TV.

It was created and produced by home economics specialists with the Texas Agricultural Extension Service, The Texas A&M University System, through a special United States Department of Agriculture grant.

Programs in upcoming weeks will include lessons on repairing leaky faucets, toilet repairs and adjustments, caulking and weatherstripping.

Bulletins on any of the projects taught during the series are available at no charge through the County Extension Office, at 481-3619, or Box 683, Farwell, Texas 79325.

Next week's program will teach leaky faucet repairs.

"YOU CAN DO IT!"...A new series for do-it-yourselfers, will begin broadcasting Saturday, November 23. The show may be seen at 1 p.m. on KAMR-TV, Channel 4, Amarillo. Cablevision viewers in Friona will see the series on Channel 4. During the six-week series,

hostess Cindy Kidwell, pictured, will teach lessons on do-it-yourself home repairs. According to Jana Pronger, Parmer County Extension agent, the series is a six-part, educational series on home care and repairs.

FRIDAY NIGHT

## Jaycees Host Family Night

Bovina's Jaycees hosted a Family Night Friday at the Bovina Restaurant with 55 members and their families present. Friday was the first of what will be a monthly event with Family Night to be held the third Friday night of every month, according to Ken Horn, Jaycee president. Jerry Wright was named Jaycee of the Month during the evening.

Some 39 members of the chapter here attended a regional Jaycee work forum Saturday night at Friona. Over 162 Jaycees attended, some as far away as Booker.

Bovina will host the next regional work forum on Saturday, Dec. 14. About 150 are expected to travel with the theme of the forum to be child abuse.

Horn reported that the Jaycees have four projects currently underway or soon to begin. They include Little Dribblers, with Greg Bell chairman of the project; Moto-Cross races, Ronnie Sudderth chairman; the annual Farm Auction, Joe Jones chairman; and Pro-

ject Mainstream, four programs concerning drug and child abuse, VD and alcoholism.

Also in the planning stages are Project Identification, working in conjunction with the city and Horn Insurance Agency; a "Lock It and Pocket It" program; a campaign, to be co-sponsored with other civic organizations in Bovina, to clean up alleys and vacant lots in town; and a project to set up a crisis center in conjunction with Hereford, Farwell and Friona. If the project is feasible, a crisis center will be operated 24 hours a day with trained counselors in attendance.

Horn reported that 10 Jaycees had completed a Leadership in Action program, consisting of six classroom hours; and that 10 couples are enrolled in a state-sponsored Family Development course.

DEDUCTIBLE RATES

### Health Cost Rise Alters Medicare

Rising costs of health care require an increase in the deductible for hospital insurance under Medicare, according to William Ent, social security field representative. For hospital stays beginning in 1975 the beneficiary will be responsible for the first \$92 of his hospital bill, an increase of \$8 over the present amount. (This compares to a \$12 increase last year.)

A Medicare beneficiary who has a hospital stay of more than 60 days will pay \$23 a day for the 61st

through the 90th day, rather than the present \$21 a day. The first 60 days in the benefit period are without charge to a beneficiary after the initial \$92. For a post-hospital stay of more than 20 days in a skilled nursing facility he will pay \$11.50 a day instead of the present \$10.50.

The cost to a person who must draw on his "lifetime reserve" will rise from \$42 to \$46 a day. The "lifetime reserve" is the 60 days a beneficiary can draw on one time if he is hospitalized more than 90 days during a benefit period.

The present deductible will apply to all hospital stays that start in 1974, even though they may extend over into 1975.

IN '74 FINALE

# Longhorns Gore Bovina Mustangs, 41-6

Bovina's Mustangs closed out the 1974 football season on a sour note Friday at Hart, losing to the powerful Longhorns, 41-6.

Hart celebrated the victory even further Friday night, winning a coin flip at Plainview to send the Longhorns into bi-district playoffs against Petersburg Friday night at Plainview.

Hart wound up in a three-way tie for district honors with Vega and Springlake-Earth, who also won their final games of the season that night.

The Mustangs started the game with a bang, scoring on their first possession of the evening, and, for a brief time, it looked as if the Ponies might be able to upset the highly-favored 'Horns.

Tommy DeLeon returned the opening kickoff to the Mustang 23 and five minutes and 48 seconds later the Mustangs were on the scoreboard.

Bovina began the drive with a Dennis Willard pass to Halfback Clint Cox for a

17-yard gainer to the Bovina 40. With Cox picking up most of the yardage in the drive, the Ponies drove to the Hart seven in 11 plays.

From there, Cox picked up four, Willard two and Fullback Ray Martinez almost a yard for a fourth and goal from about the one foot line. Willard scored on a quarterback keeper with 6:12 on the clock in the initial period. The snap on the extra point attempt salled over holder Alton McCormick's head, however, Mustang fans were elated at that point with a 6-0 lead.

The Longhorns came right back, however, to score seven points and gain the

lead which they never relinquished.

Putting the ball into play on their own 30, the 'Horns scored nine plays later with Fullback Terry Hill going over left tackle from the four. Danny George's extra point kick was good and Hart led, 7-6, with 3:15 remaining on the scoreboard clock in the first quarter.

The 'Horns scored once again on the first play of the second quarter with Hill once again doing the honors from the one. George's kick failed, giving Hart a 13-6 lead. The hosts had recovered a Mustang fumble at the Bovina 33 and took only six plays from there to push

across the touchdown.

A Mustang fumble late in the second quarter set Hart up for their third touchdown of the evening at the Bovina 42. Hill scampered seven yards for the TD with George's kick good for a 20-6 Hart lead with 2:43 left in the first half.

However, the speedy 'Horns weren't through scoring in the first half of the game. Kerry George, reserve quarterback, fielded a Mustang punt at the Hart 40 and ran it all the way back to the Bovina four before being caught from behind.

A 15-yard holding penalty on Hart on first and goal moved the ball back to the

19. Quarterback Danny George hit FL Randy Finch on a 19-yard scoring toss with Hill running the extra points to give Hart a 28-6 lead with only 30 seconds remaining in the half.

On Hart's initial possession of the second half, Mustang lineman Dana Harris recovered a 'Horn fumble at the Hart 37 to give Bovina new life.

From there, Cox rambled for 22 yards and DeLeon picked up two to the Hart 13 before the drive stalled at the 10.

Hart was penalized half the distance on its first play, but traveled the 95 yards to paydirt in only nine plays. This time, Gilbert Rodri-

quez took the ball in from the three with George's kick for the extra point good to give Hart a 35-6 lead with 5:32 left on the clock in the third quarter.

The two teams punted, fumbled and intercepted passes to exchange possession of the pigskin 11 times until late in the final stanza.

Hart pounced on a Pony fumble on the Bovina 40 and Quarterback Kerry George promptly hit Tailback Barry George on a 40-yard scoring bomb with Mario Martinez' extra point attempt kick failing to end the scoring for the evening at 41-6 with 4:24 left in the ball game.

Cox was the workhorse for

the Mustangs, picking up 89 yards in 16 attempts for a five and one-half yard average and snaring two passes for 28 yards for a total of 117 yards. DeLeon picked up 25 steps in 10 carries for a 2.5 average and caught one pass for five yards. Martinez picked up 28 steps in seven carries for a 4 yard average.

Defensively for the Mustangs, Harris recovered two 'Horn fumbles and Alton McCormick and Tommy Serna intercepted one pass each.

Two seniors in the Mustang lineup closed out their careers Friday night—Halfback McCormick and Offensive Guard Wesley Cockerham.

# Basketball Makes 1974-'75 Debut

When the first northerners of the fall season hit, basketball fans know the roundball season isn't far behind.

Football season officially ended for Bovina Friday night and sports fans had no

time to catch their breaths with basketball season getting underway Monday evening at Willford Gymnasium when the junior high teams met Kress.

On Tuesday night, Bovina

High School hosted teams from Adrian in four games.

Bovina Junior High was scheduled to enter a tournament at Farwell this weekend, however, officials were notified Tuesday that the tourney had been canceled.

The Mustang and Filly varsity squads are entered in a tournament at Spade Thursday, Friday and Saturday.

The Fillies will meet Lubbock Christian High School at 3:30 p.m. tomorrow (Thursday) with the Mustangs scheduled to meet LCH at 5 p.m. Other teams in the tournament are Lazbuddie, Three Way, Pep and the host teams. Two teams—Hart and Amherst—dropped out of the tournament with officials there seeking teams to replace those two.

The seventh and eighth grade boys and girls teams will play at Springlake-Earth Monday afternoon with the first game getting underway at 4 p.m.

Bovina will host Nazareth Tuesday night with the junior varsity boys and the varsity teams playing. The first game is set at 4 p.m.

New admission rates have been set for the 1974-'75 season by District 3-A officials, according to L.F. Jacobs, Bovina superintendent. Admission to var-

sity games will be \$1.25 for adults and 75 cents for students. Admission to junior high games will be 75 and 50 cents.

Bovina's varsity squads and three of the junior high squads will be under new coaches this season.

Mary Clark will coach the varsity, junior varsity, seventh and eighth grade girls. She will be assisted by

Mrs. Cindy Carthel.

Zane Reeves will make his debut as head coach of the Mustangs and will also be coaching the junior varsity. He will be assisted by Kevin McClellan. McClellan will coach the eighth grade boys

with Corky Criswell coaching the seventh boys.

Reeves is in his second year as a member of the Mustang coaching staff. This is McClellan's and Miss Clark's first year to coach at Bovina Schools.

George Mahon

The election is over but the problems remain. I want to express my gratitude to the people of this district for their continued goodwill and support. I pledge my continued best efforts in Congress in behalf of our area and the nation. Thank you.

We suppose that's part of the price we pay for being Americans. But it's beginning to be an awfully high price.

### Pets To Get Rabies Shots Here Today

Dr. B.L. Russell, Clovis veterinarian, will be at the Bovina fire station today (Wednesday) to administer rabies vaccinations to pets, according to Billy Whitecotton, president of the Bovina Chamber of Commerce and Agriculture. The chamber sponsors the annual project.

Members of the organization will be on hand to assist Dr. Russell.

A fee of \$2 per vaccination will be charged pet owners for the service.

City license tags may be purchased for pets at the city hall for \$1 each after the shots have been administered.

Dogs not tagged may be picked up by city officials if complaints are registered.
