Summer-Time Safety and First Aid Program_

submitted

Lillian M. Hudspeth Memorial Hospital announces the second program in the 2001 educational series. Summer-Time Safety and First Aid will be offered to the general public on Wednesday, June 20, 2001 at 11:30 a.m. in the Hospital Annex.

This program, instructed by Keith L. Butler, Licensed Paramedic and Patrick Campbell, EMT-Paramedic, will focus on issues

such as heat related illness, bites and stings and other general first aid and common home environment safety issues.

The program should last approximately 30 minutes and is free. A Hospital Auxiliary Luncheon will follow the program. Those interested in the luncheon should RSVP no later than Monday, June 18, 2001. No RSVP is required for the educational program.

Commissioners Approve Redistricting Plan

by Storie Sharp

sioners voted on and approved the new redistricting plan at Monday's Commissioner's court. By approv-ing the new plan, the polling loca-tion for Precinct 2 will have to be moved. The Pct. 2 polling place was in the Elementary school gymnasium, which is no longer a part of that precinct. There will also be classes held in the gym next year, posing another problem. Sutton County Judge Carla Garner suggested asking the Hospital District for use of the Nursing Home lobby as the new polling place.

Adelita Alvarez, Justice of the Peace reported 850 criminal cases filed in the month of May. \$22,114.25 was collected in fees, with \$8368.25 going to the County. Alvarez then reported that she had received the applications for the clerical position in her office. She will begin interviews this week. She then asked the court to consider letting her hire two positions for the office, with the higher starting salary pay level since both would have to be sworn in as court clerks. The commissioners discussed this request and decided that the hiring of an additional position would have to be made during the budget hearings. The court did approve the hiring of the one position at the higher salary pay rate.

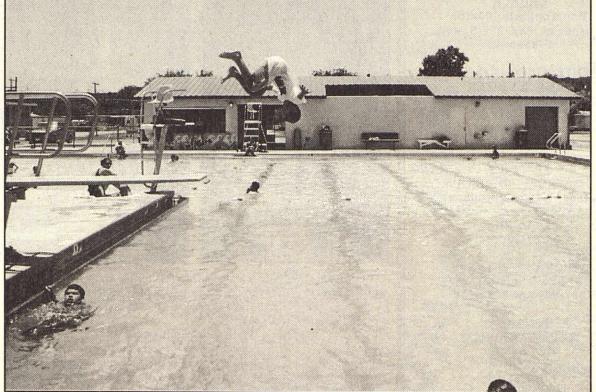

Joe Fincher reported 50 new inmates in the Sutton County Jail for the month of May, with a daily aver-

County Tax Appraiser, Rex Ann The Sutton County Commis- Friess, reported that taxes were 97% collected for the 2000 tax levy. She informed the court that everyone who had not paid as of yet had been sent their second notices. Friess also reported that there is an estimated increase in value that will be confirmed on July 25.

Mrs. Cynthia Petty, visitor, expressed displeasure with the handling of hiring cleaning crews at the Civic Center. Judge Garner explained that there had been some miscommunication about how the situation was going to be handled. It had been discussed at the April meeting, to look for several crews interested in rotating the schedule, so that no one crew was responsible for every weekend. Due to a low amount of response to the advertising for cleaning crews, the court had decided to pursue further options and up-date existing policies to ensure proper maintenance at the Center.

After much discussion regarding the issue, Judge Garner apologized to Mrs. Petty for any misunderstandings and encouraged her to go put her name on the cleaning list at the Civic Center until a permanent decision is made. Garner assured Mrs. Petty that she would call her when the court agreed on a system that would work for all concerned.

A request was heard from the Committee on Aging to waive rental fees for the annual Bar-B-Que at the Civic Center. Judge Garner remindage of 9.7 He reported that the dis- ed the court that the electricity was patchers had taken nearly 1300 calls running about \$100 a day this sumlast month and that over \$5,000 had mer. After some discussion on the subject, it was decided to charge the Committee on Aging the cleaning fee, as voted on in April, and to charge a \$100 fee to cover the electricity. It was also decided that this matter should be pursued further. The court then went into execu-

Vacationing students "flip" over spending time at the Sonora Swimming Pool this summer. The pool is open six days a week from 1:00 p.m. until 6:00 p.m. The pool is closed on Wednesdays.

New Teachers Hired at School Board Meeting

by Storie Sharp

The Sonora I.S.D. Board of Trustees met on Monday, June 11, 2001. After newly appointed President, Tryon Fields called the meeting to order, County Tax Appraiser, Rex Ann Friess reported that 98% of school taxes have been collected. Friess reported that historically, this is about average for this time of year. She also informed the Board that second delinquent notices have been sent out. Friess told those present that it is estimated that local values will be up this year, possibly at \$94 million. This amount will not be certified until after July 25th. This increase could have major effects on the school district and the amount of money received by the State.

Alice Cox was present to give the Special Education report. Cox shared this year's parent surveys most of the comments were positive a Special Education teacher and an

was in progress, including repainting, general cleaning and waxing. He reported that the gym floors would be replaced in July and the floor in the High School that had broke would be repaired. The fire alarms in the Vocational Building area also being repaired.

Myers reported that there had been some shuffling of personnel, due to several positions being open. Coach and Mrs. Randolph, Bruce and Kelly Hirt, Brian Lowe and Tony Brown will all be leaving this summer, in addition to Reed Jennings and Betty Stephen retiring. This leaves several positions in need of replacement. Myers said that by moving people within the District, S.I.S.D. is saving money. Some positions will have to be filled by hiring new teachers, a History teacher/Coach at the Middle with the Board. She reported that School, a Pre-Kindergarten teacher,

that routine summer maintenance the pros and cons of this program a motion was made to allow the Superintendent to be a part of TSII by providing funds to attend. Voting in favor were Board members, Tammy Favila, Jesse Bustamante, Tryon Fields, Tom Payton and Sam David Hernandez. Voting No was Scott Jacoby, who felt they should wait one year. Absent from voting was Dayton Armke.

Two additional transfer students were approved as presented.

A special Board meeting was scheduled to allow the trustees to meet with the Facilities Committee. The meeting will be on June 19 at 6:30 at the Vocational Euilding. Architects from Pfluger and Associates will be there to present their proposed changes that need to be made to the Sonora schools. The public is invited and encouraged to attend this meeting.

The proposed budget was dised at length. The Administration is still working on the budget, mak- rather drastic changes for those ing cuts wherever possible. The budget workshop will be planned at the July 9th meeting. Superintendent Myers said that he is being very optimistic about this budget.

Sixty-Fourth Annual Sonora Wool & Mohair Show

Writer: Steve Byrns, SONORA-The 64th Annual Wool and Mohair Show and the 42nd Annual National 4-H Wool Judging Contest are set for June 19-21. Activities for both events are set for the Sonora Wool and Mohair Company Warehouse and the Sutton County 4-H Civic Center.

The Sonora Wool and Mohair Show is open to sheep and goat exhibitors of all ages and is considered the premier event of its type in the world. The accompanying contests have attracted the top youth teams from across the nation since 1947.

The show is sponsored by the Sonora Lions Club and Chamber of Commerce in cooperation with the Sonora Wool and Mohair Company and the Texas Agricultural Extension Service.

A host of activities fill the three-day event. Included are an All-Texas Show for 4-H Clubs and FFA Chapters, an open show for all U.S. producers and the featured event: the National 4-H Wool Judging Contest.

The national contest will be expanded this year to include the first National FFA Wool Judging Contest. Other changes in this year's contests include:

a special emphasis on individual fiber fineness in the wool and mohair fleece shows;

the commercial class for individual wool fleeces is limited to non-registered animals only;

there is no longer a commercial mohair fleece show in the junior or

open divisions;

'bellies" (inferior wool shorn from underneath the animal) must be removed from all wool fleece entries

wool fleeces must no longer be tied, but must be exhibited in plastic

bags similar to those used to exhibit mohair; and

a meat goat class has been added to the youth livestock judging contest.

"We recognize these are some familiar with the contests," said Preston Faris, Sutton County Extension agent and a contest coordinator. "They are being made to keep up with the changes in the industry" and to continue to offer "the highest quality educational

been collected through the jail.

Fincher reported that the Sheriff's office had logged approximately 55,000 miles and gas expenses were up about \$300 from last year.

Pat Campbell reported the EMS department had served 29 patients, with \$6,370.50 billed out and \$9,102.32 collected in May.

tive session regarding park personnel.

\$113.8 Billion Biennium Budget Doesn't Need Tax Hike To Meet State Needs

by Jeff Wentworth, State Senator, grants. District 25

In spite of the demands of a growing population, a tight economy and rising health care costs, the 77th Texas Legislature made ends meet for the next two years without raising taxes.

۲

۲

The \$113.8 billion budget for 2002-03, which includes federal funds, is an 11.6 percent increase over the 2001-02 budget. Unlike 1999, when a strong economy and \$458 million tobacco settlement provided the state with a large budget surplus, the members of this session's Senate Finance and House Appropriations Committees were working with a budget that necessitated difficult funding decisions.

Three days before the session ended on May 28, the Legislature sent Governor Rick Perry a budget that focused on the priorities of public education, health and human services, state employee pay raise, school employee health insurance and higher education.

To meet escalating health care costs, Texas legislators earmarked \$5.1 billion more money for health care. Health and human services programs will receive more than \$34.9 billion, or 30.8 percent of the budget. A large share of the money will fund services such as the Children's Health Insurance Program (CHIP) and Medicaid.

The budget dedicates \$13.4 billion to higher education, including \$71.7 million to fund enrollment increases, \$33.7 million for research, \$110.6 million for healthrelated institutions and \$200 million for the TEXAS Grant program. The \$100 million increase in TEXAS Grant program's appropriation will expand the program from 11,000 grants to almost 100,000. College students from families whose annual total family income is \$40,000 or less are eligible for TEXAS college

Recognizing that employers in

the private sector have attracted

many former state employees with

offers of higher pay and better fringe

benefits, the Legislature approved

\$480.1 million for state employee

pay raises. This is a four percent or

\$100 minimum monthly raise for all

state employees and non-faculty

higher education employees who

have at least one year of service. We

also approved a \$78.4 million appro-

priation for Texas Department of

Criminal Justice pay raises, includ-

lion for public education. A school

employee health insurance plan that

we hope will help reduce the teacher

shortage is included in the appropri-

ation which also increases funds for

public school facilities and other

ing prison guards.

education needs.

and that they had gotten a better response from the parents of the younger children. These surveys are done to receive input from the parents. Cox told the Board that there are two Special Education students attending summer camps for students with disabilities. These children were able to attend the camps because of some funds that she acquired from the state.

The Quarterly Investment report was given by Diane Jacoby. Jacoby reported that there were no deposits for March, April and May, since they are done the months prior. She stated that interest rates are steadily declining.

Superintendent, Brant Myers began the Superintendent's report by presenting a graph of budget history to the Board. The history was of the last six years, and was broke down by student population, teacher population, and overall staff population. The charts showed how the populations affected the budgets each year, and helped to show where budgeting adjustments needed to be made.

Superintendent Myers reported that there are 90 students enrolled in summer school, ranging from Kindergarten to 8th grade. There are 3 High School students making up time lost, due to absences.

The Superintendent reported

Elementary teacher.

The Board approved the payment of \$216,969.12 in current bills

A budget amendment was accepted as presented, for coaching school and the purchase of certified helmets for the Middle School.

The bank depository bids were received and discussed. The Bank & Trust offered better fixed interest rates and lower service charges, and was awarded the bid for the school's depository for two years.

A motion was made and approved to allow the Superintendent to award food service bids, pending recommendation of the food service manager. This will help to expedite food orders and service.

GM Southwest offered basically the same insurance package as last year, with no increase on the premium.

The insurance bid was approved as presented for student and football insurance. A discussion regarding imple-

menting a Standard Operating Procedure for the Board was tabled until next meeting.

A lengthy discussion was held regarding allowing the Superintendent to participate in TSII. The program would help prepare the Superintendent for future dealings, but cost about \$3,000. After reviewing

Board President Fields expressed his appreciation for the experience to the youth involved in continued work on this budget. the sheep and goat segment of agri-Superintendent Myers said that the culture. Principals, Alice Cox and all involved have done a great job this year and so far have cut about \$102,000 from last year's budget.

The Board then went into Executive Session to discuss Personnel matters, including the hiring of professional personnel and the review or revision of a salary schedule.

After reconvening in open session a motion was made and approved to accept the recommendation of Robert & Becca Coates as presented by Superintendent Myers. Robert will be hired as a Middle School Teacher and Coach and Becca will be hired as a 7th and 8th grade reading teacher.

The Board approved to revise the salary schedule for the Administration Secretary.

The final motion approved was to allow the Superintendent to have an appraisal done on the Castlehill Apartments.

Help Prevent **Grass** Fires

With conditions in West Texas being so dry, grass fires are a big threat. The following hints are given to help Prevent Grass Fires:

 Don't throw cigarette or cigar butts on the ground or out of a vehicle. Dispose of them properly and make sure they are completely extinguished.

• Keep a 30-foot "safety zone" surrounding the home clear of brush and cedar, especially for those living in a woodland area. Grass should be cut short in this area as well. For homes that sit on a steep slope, the safety zone should be increased accordingly.

 Stack firewood at least 15 feet and uphill from the home.

Rake leaves, cut off dead limbs and twigs, and mow grass regularly. • Cut tree limbs within 15 feet of the ground and remove dead branches that extend over the roof.

· Don't park cars, trucks, or recreational vehicles on dry grass or The Ladies Golf Auxiliary shrubs. Exhaust systems on vehicles would like to extend our thanks and can reach a temperature of more than 1000 degrees; it only takes about 500 degrees to start a brush fire in the summer.

· Parents should emphasize to their children the dangers of playing with fire. Many grass fires are started by children who have no idea Jodi Finklea, Poochie Olson, Loca- how quickly flames can grow and tion Builders, Main Street Realty, spread.

· Homeowners who barbeque Neville, Team Graphics, Multi- should maintain a 10-foot area free of brush and shrubbery around grills and propane tanks. Non-flammable screens should be placed over the grill (with mesh no coarser than 1/4 inch thick). Never leave a grill unattended. After use, place grill ashes in a metal bucket and soak in water. Keep a shovel, bucket of water, fire extinguisher, or other fire suppression tools on hand.

Obituary Roy David Brister, Sr.

Roy David Brister, Sr. of Orange Grove passed away Friday, June 1, 2001 at the age of 71 years, 9 months and 9 days.

Funeral services were held Monday, June 4 at 10:00 a.m. at the Sawyer George Funeral Home in Corpus Christi with Pastor Michael Vaughn of Pflugerville officiating and Pastor Lisa Hart of Orange Grove assisting. Julie Martinez, a grandaughter read a poem about her grandfather; Kelly Brister, a daughter-in-law, shared with those in attendance some highlights of Mr. Brister's life from boyhood to the very recent; James Richter, of Callallen sang "The Old Rugged Cross".

A graveside sunset service was held Tuesday, June 5 at 7:00 p.m. at the Colony Cemetery near Bend, Texas with the Rev. Don Graham of Bend officiating. Julie Martinez and Kelly Brister shared the poem and memories of Mr. Brister with those friends and family members attend-

Services were under the direction of Sawyer-George Funeral Home, Corpus Christi and Howell-Doran Funeral Home of San Saba.

Pallbearers were Walter Brister, Larry Brister, Thomas Brister, Gene Brister, Michael Brister, Clifton Brister, Gregory Brister, Jeffrey Brister and Bill Herman, Jr.

He was born Aug. 23, 1929 at Rough Creek near Bend to George H. and Jesse J. Brister. He attended the Colony School and San Saba Schools. On Oct. 7, 1940, he married Amelia (Millie) Stone at her parent's home. Mr. Brister was baptized in 1950 in Rough Creek along with parents and brothers and sisters

Roy David Brister will be remembered for his great love of

hunting, fishing, camping and play-ing '42' in dominoes. His unending. patience, kindness, and love for his family, as well as his many talents will be held close in the hearts of all who knew him.

Survivors include his wife of over 50 years, Amelia, a daughter and son-in-law, Kathy and Frank Rokohl of Calallen, a daughter, Joey Christopher of San Antonio; four sons and three daughters-in-law, Roy David Brister, Jr. and Kelly of Springdale, Arkansas, Ira Brister and Judith of Gatesville, Clifford Brister and Danine of Sonora and Brad Brister of Austin; nine grand, children, Jennifer Richter and husband, J.B., Cody Rokohl, Tim and Julie Martinez, Brandy and Patti Brister, Shane and Sarah Brister and Mandy Brister; one greatgrandaughter and one great-grandchild on the way. Also surviving are two sisters, Frances Morris of Dallas and Evelyn Herman and husband, Bill, Sr. of San Angelo; five brothers and their wives, Rayford and Helen Brister of San Antonio, Emerson and Gladys Brister of Thrall, Vernon and Judy Brister of Wellington, Jackie and Charlene Brister of Bend and Dewayne and Marty Brister of Stafford, Kansas.

He was preceded in death by his mother, July 13, 1996; father, March 19, 1985; two brothers, A.J. Brister, April 8, 1991 and Eugene Brister, April 2, 1989; three sistersin-law, Phyllis Brister, Feb. 12, 2000, Betty Ann Brister, Aug. 7, 1995 and Virginia Brister, Dec. 3, 1994 and one brother-in-law, Willard Morris in 1969.

The family requests that memorials be made to Vista Care-Hospice, 5656 S. Staples, Suite 350, Corpus Christa, Texas 78411.

by Jo-Ann E. Palmer, Secretary

Q. Do you have any information on James Martin

A. We have several people named James Martin listed in our files:

James Henry Martin was born on 8th Sept 1826 at Cape Girardeau Co., Missouri to Andrew and Sallie Martin. He died on the 19th of October 1849 and was buried at Gentry Cemetery Kimble County. Gentry Cemetery is six miles below Junction on the Mason Road.

He had been married on 31st of October 1849 in the home of Harris Rowland in Saline Co., Arkansas to Mary Lee Rowland daughter of Harris Rowland and Francis Willis. He resided in Missouri until a short time before the War, when he moved to Little Rock, Ark. James Henry Martin served throughout the war in the Confederate Army. He immigrated to Clarksville, Red River Co, TX, immediately after the war. While in the army he contracted stomach trouble which caused his death. James and Mary Lee Rowland had the following children:

Andrew Harris Martin born: 20-9-1852 at Saline Co. Ark. married Annie Sandherr. He died 1928 in Comstock, Val Verde, Texas.

Martha Jane Martin born 2-7-1855 Saline Co. Ark married Joe Terry. She Died in 1934 at Matador, Motley Co., Texas.

John J. or T. Martin 27-2-1858 Saline Co., Ark. Died in infancy

Francis Emily Martin 30-7-1860 Ripley Co, Missouri married James Monroe Brotherton 30-4-1876. She died 24-9-1936 in Del Rio, Val Verde Co., Texas.

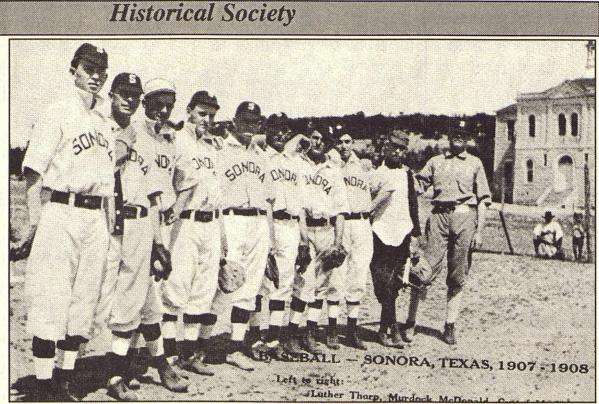

James Alexander Martin born 5-11-1862 Saline Co., Ark. Married 1 Amanda Kimble 2 Emmie Walker. He died 2-9-1910 buried Gentry Cemetery, Junction, Kimble Co., Texas.

Next Twins - John Rowland Martin and Sallie Hutchinson Martin born 24-12-1866in or near Clarksville, Red River Co., TX John married Stella Acheah McMillan on 8-7-1891 He died 29-1-1956 Junction, Kimble Co., TX . Sallie Hutchinson Martin married Charlie Chester Kimble. She died 2-9-1940 at Douglas Arizona.

Mary Isabella born 19-12-1868 in or near Clarksville, Red River Co, TX married Walter E. Whitehead on 24-12-1885. She died 27-4-1941 in Del Rio, Val Verde, TX

William Allen Martin born 21-11-1870 in or near Clarksville, Red River Co, TX married Irma Ballew. He died 10-11-1949 at Burbank, Oklahoma.

> First United Methodist Welcomes New

Sonora Baseball, 1907-1908 - Luther Thorp, Murdock McDonald, Gustof Meckel, Bart DeWitt, Roy Aldwell, L.E. Johnson, Lea Aldwell, Benny Wyatt, Owen Cathey, Unknown.

Robert Henry Martin 7-1-1873 born in or near Clarksville, Red River Co., TX married a woman called Eliza Ann and he died 10-11-1940 Del Rio, Val Verde, TX.

Susan Farrow or Forrest Martin born 10-6-1875 in or near Clarksville, Red River Co., TX married a person named Staak and died 18-4-1891 in San Francisco, California.

Note: James Alexander Martin had two wives 1 Amanda Byrd Kimble and 2 Emmie Walker of these unions only 2 children, from his first wife were born. They are Harold 1894-1972 and Prosser 1896 - 1970.

Note: James Henry Martin was married first to Martha Hammond. They married in 1847 in Saline Co., Ark. Martha died in 1848.

In another family note it states that Walter Whitehead married Mary Isabell Martin at Howard's Well in Crockett Co., Texas in Dec. 1855 and that their children are: Emma (Wardlow), Charlie, W.R. (Lee), Willie B., F.H. (Tuffy), L.D. (Son), and Lois Dell (Topsy) Taylor. Son and Topsy are twins.

We also found a James A. "Turk" Martin, 48, died Wednesday in the Veterans Hospital in Big Spring Services will be at 2 p.m. today in Peters-Roberts Funeral Home in Hobbs, N.M. He was born June 17, 1926 in Bowie Ariz., lived in Sonora several years and was married to Margaret Goolesby in Hobbs, N.M. August 16, 1958. Survivors include his wife, two daughters, Cheryl Martin and Tami Martin both of Hobbs, N.M. and his parents Mr. and Mrs. John A. Martin of Sonora. (1974)

We hope this helps you find the James Martin you are looking for.

Q. In our baby book it says Great Aunt Beulah Pfiester. How is she related to the Decker family?

A. Beulah Celeste Johnson Pfiester (1875-1962) was the daughter of Mr. and Mrs. Henry Johnson. W. F. Decker was married twice. His second wife was Laura Johnson Buchanan Decker Masters. They are related through the Johnson line. Mrs. Master's obit says that she is survived by 2 sisters: Mrs. Thomas of Sherwood and Mrs. Pfiester of Sonora.

Q. How many children did Walter Horace Gilbert and Ida Isabelle Decker Gilbert have?

A. 3: Weldon Bruce Gilbert, Fred Truman Gilbert and Esther Lee Gilbert Hughs.

Q. How many children did James L. and Alma Wagley White Decker have?

A. 3: Lane Decker who stayed with his father when Alma died. David Shurley 1929-1993 and James Lewis Lightfoot 1928-1924 were given up and adopted and took their new families names.

Q. Where did S. G. Tayloe come from?

A. The father of S. G. Tayloe was J. W. Tayloe and he died in Memphis at the age of 90.

The new Sutton County Historical Society Office Building is coming along nicely. Windows are ordered. Dirt work is partially complete and footings will be dug soon. Once the back building is up and roof ready to tie into the front house the old roof will be torn off and the new roof put on. Then we will shift into high gear on getting the interior work done. I know it looks so lonely and empty right now but soon it will be filled with Sutton County Historical Society members and researchers.

If you have any questions concerning Sutton County History, send them to "Ask the Historical Society, P.O. Box 885, Sonora, TX 76950-0885 or e-mail them to schs@sonoratx.net. You may also leave them at the Devil's River News Office. We still have a few copies of "How Sutton County Helped Win WWII" and you may purchase them at Al Elliott's office on Main Street.

Rick and I have turned the building over to the builders, dirt movers, concrete men, etc. We have done our part and wish to once again express our sincere appreciation to all those who volunteered their time to help us with the project. Thank you all so very, very much. We couldn't have gotten this far, this soon, without your help. God Bless you all!

Pastor

Members of First United Methodist Church in Sonora are to welcome a new pastor June 17.

The Rev. W. Conrad Archer, 60, replaces Rev. Suzanne Steves at the 305-member congregation. Steves, 45, who served in Sonora for four years, becomes paster of First United Methodist Church, La Grange.

Bishop Joel N. Martinez of San Antonio announced the ministerial appointments in Corpus Christi during the June 6-9 session of the united Methodist Church's Southwest Texas Annual Conference.

Archer has been pastor of First United Methodist Church, Ganado, and Louise United Methodist Church since 1998. Before that, he served congregations in Bishop, Jacksonville and Temple.

Fifty-six of the 357 United Methodist congregations in Southwest Texas are to receive new pastors June 17. United Methodist bishops assign clergy members under their supervision to posts annually. A pastor may serve a congregation for more than one year if the bishop reappoints him or her to that post.

The Southwest Texas Conference area covers 77 counties in the southern third of the state. Total United Methodist membership in the region numbers more than 119,000.

Walk Across Texas Update

Walkers are still going strong! Remember: The first team to El Paso wins a prize, but it is the team with the most accumulative miles that is the big winner!! A Texas map plotting the teams headway can be seen at the Post Office and the Extension Office.

Teams who have reported mileage this week are:

Cemetery Stalkers: 173.7 miles (831.7 total) **Walking Shepherds:** 98.5 (375 total) **Street Patrol:** (632.95 total) **Old Grey Mare and Two Fillies:** 107.5 (391.5 total) **High Lonesome:** (660 total) **Money Bag Ladies:** 122 (wk. 4) 186.10 (wk. 5) **Bad Girls:** 95.5 (wk. 4) 115.5 (wk. 5) (565.80 total).

OIL & AGRIBUSINESS

Chairman Bonilla Says Agriculture Bill Will Fund Important Texas Programs

WASHINGTON, D.C. - U.S. Representative Henry Bonilla (R-TX) Chairman Henry

Bonilla today presented the Agriculture Appropriations Sub-

committee with the agriculture funding bill for 2002. The legislation was approved by the subcommittee and is expected to gain full approval by the House of Representatives by the end of June.

This is an excellent budget that both sides of the aisle can agree upon," said Chairman Bonilla. "It's perfect example of responsible spending: we're taking care of our nation's farmers and ranchers while keeping our nation's consumers healthy and happy.'

The appropriations bill funds \$15.519 billion in discretionary Budget Authority, which is just above the request made by the president. The bill includes an increase of \$119 million for the Farm Service Agency; an increase of \$765 million for the Agricultural Credit Programs; an increase of \$70.2 million for conservation operations; and an increase of \$79.4 million for the Agricultural Research Service. The bill also includes funding increases for the Food Safety and Inspection Service, Child Nutrition Programs, Food Stamp Program and Food for Peace Program.

'In addition to funding a wide range of important, traditional programs, we're also looking ahead to prevent future problems our nation may face, including foot and mouth disease," said Chairman Bonilla. "Agriculture fuels our nation's economy. This appropriations bill is going to help keep the agriculture industry strong and prosperous."

The legislation provides funding to combat possible outbreaks of Foot and Mouth Disease and Bovine. Spongiform Encephalopathy (BSE). The Food and Drug Administration, which oversees Foot and Mouth Disease prevention, will receive an increase of \$120.4 million. This additional funding is intended to aid the FDA's prevention exercises and prepare them for any outbreaks. The subcommittee also provided \$5 million for BSE research that will help with detection and diagnosis of the

disease as well as safe disposal of carcasses.

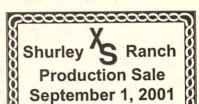

Important Texas projects will also receive funding from the appropriations bill. The subcommittee will provide continued funding for the Weslaco bee research program; bovine genetics research will receive a funding increase of \$900,000; the plant germplasm research at College Station will receive a funding increase of \$1.5 million; and nutritional requirements research at the ARS Human Nutrition Center in Houston will receive an increase of \$500,000.

Additional programs based in Texas that will receive funding support include: the new U.S. Plant Stress and Water Conservation Laboratory in Lubbock will receive \$750,00 for staffing needs; Dairy and meat goat research, wool research and livestock and dairy policy research will receive funding through the Cooperative State Research, Education and Extension Service; and the boll weevil and cattle tick pest management programs will receive funding through the Animal and Plant Health Inspection Service

Other Texas programs that will receive funding include: the Texas Wildlife Services Program will receive a funding increase of \$1 million; Texas pecan research will receive an increase of \$300,000; the Grazing Lands Conservation Initiative will receive an increase of \$2 million bringing the total funding to \$20 million; the Natural Resources Conservation Service (NRCS) will receive \$500,000 to facilitate water conservation and efficient irrigation activities in the Bexar, Medina and Uvalde counties of the Edwards Aquifer; and additional funding through NRCS for the Bexar-Medina-Atascosa Watershed Project.

"I'm proud to help make a difference for farmers and ranchers across Texas and the nation," said Rep. Bonilla. "This bill is going to mean a safer, better informed and more advanced agriculture industry. That can only mean positive things for the consumer and for the industry as a whole.

Rep. Bonilla is chairman of the House Agriculture Appropriations Subcommittee, which oversee all of the nation's agriculture funding.

Ranch Estate Planning

CARL' J. CAHILL, INC OIL FIELD CONTRACTO

Estate taxes are a major problem for ranch owners -- and their heirs. Dr. Wayne Hayenga, an Attorney with the Texas Agricultural Extension Service, will hold a Ranch Estate Planning Seminar on-August 8 and 9, 2001, in conjunction with the Annual Beef Cattle Short Course. The Seminar will start at 1:30 p.m. on August 8, and conclude at 4:30 p.m. on August 9, 2001. It will be held at the College Station Conference Center.

Topics covered will include the basic tools of estate planning: Wills, Living Trusts, and Powers of Attorney. But most of the time will be spent on income and estate tax saving plans for ranching families. Irrevocable trusts, generation skipping trusts, bypass trusts, property ownership, community/separate property, special use valuation for

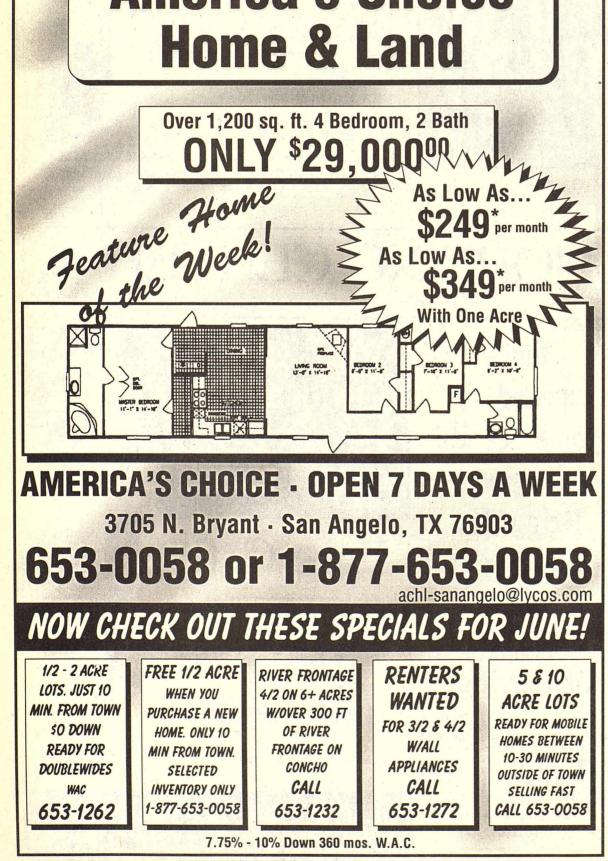

ranches, partnerships and corporations will be discussed in the context of the gift and estate tax rules.

Dr. Hayenga is an excellent communicator. He delivers a top notch educational program emphasizing key points with an entertaining style illustrating estate and income tax law provisions with practical-examples that make learning a pleasure. His teaching makes full use of his broad background and practical experience as a farmer, banker, and lawyer.

Registration fee is \$100.00 per

0

person. It includes seminar materials, snacks on Wednesday evening and lunch on Thursday, as well as refreshment breaks. For more information, call Sharon at (979)845-2226, Fax; (979)847-9374 or email: w-Hayenga@tamu.edu.

Pet Talk - Fighting Fleas and Ticks

those pesky fleas and ticks that plague your pet, but buyer beware, warns a Texas A&M University veterinarian.

Flea collars and tick treatments are commonly found on store ate climate, Texas is considered shelves this time of year, but you may want to think twice before purchasing, says Dr. Bonnie Beaver, a veterinarian in the Small Animal Clinic at Texas A&M University.

Most of the flea collars and treatments found at drug and grocery stores are not nearly as effective as those obtained from a veterinarian, Beaver says.

"The over-the-counter products tend to be very safe, but not necessarily very effective," Beaver explains.

"Treatments and products you get from a veterinarian cost about

You may be itching to get rid of the same but are much more effective. But best of all, a veterinarian can give the owner a total treatment plan for controlling fleas, and that's what is needed most."

Because of its size and moderground zero for fleas.

The pests are a year-round problem for dogs and cats, but any animal can get fleas.

Fleas are excellent jumpers capable of leaping 13 inches or more, which would be comparable to a human hop of 250 feet. An adult female flea can lay up to 600 eggs in her lifetime.

Fleas can cause several medical problems, Beaver says, including tapeworms, skin irritations and anemia. The constant itching and scratching of the pet can make its life miserable, she adds.

Are you over 55? "It's All Free for Seniors"

If a hearing is called, the applicant has the burden to prove the need for an exception. A Protestant should be prepared to establish standing as an affected person, and to appear at the hearing either in person or by qualified representative and protest the application with cross-examination or presentation of a direct case. The rules of evidence are applicable in the hearing. If you have questions regarding this application, please contact the Applicant's representative, John A. Warren, Drilling Manager, at 918-591-1822 If you have any questions regarding the hearing procedure, please contact the Commission at (512) 463-6899.

IF YOU WISH TO REQUEST A HEARING ON THIS APPLICA-TION, AN INTENT TO APPEAR IN PROTEST MUST BE RECEIVED IN THE RAILROAD COMMISSION'S AUSTIN OFFICE BY July 02, 2001 at 5:00 p.m. IF NO PROTEST IS RECEIVED WITHIN SUCH TIME, THE REQUESTED PER-MIT MAY BE GRANTED ADMINISTRATIVELY.

RAILROAD COMMISSION OF TEXAS OIL AND GAS DIVISION

DISTRICT 7C Rule 37/38 Case No. 0228412

DATE OF ISSUANCE: May 29, 2001

NOTICE OF APPLICATION NOTICE IS HEREBY GIVEN that the SAMSON LONE STAR LIM-ITED PARTNERSHIP, SAMSON PLAZA, TWO WEST SECOND ST, TULSA OK 74103 has made application for a spacing and densi-ty exception permit under the provisions of the Railroad Commission Statewide Rule 37 and 38 (16 Tex. admin. Code section 3.37 and 3.38) Applicant seeks exception to the distance between well and lease line and density of the subject field(s) requirement for the drill permit for. Well No. 6, Gerald Nicks Lease, 654.5 Acres, Sec. 7, Bk. CC, EL & RR RR Co. Survey A-82, Denison (Strawn) Field(s), Sutton County, being 8 miles from west of Sonora, Texas. The location of this well is as follows:

TX Driver Licenses Get New Look

The DPS Public Safety Commission today unveiled the newly redesigned Texas driver license and identification card, which includes several added security features and a new vertical format for licensees under 21 years of age.

All driver licenses and ID cards now will have a picture of the state capitol in the background and several new security features to deter

fraudulent activity. 'Several of the design changes

we've made will make it more difficult to counterfeit these documents," said James B. Francis Jr., chairman of the Public Safety Commission. 'We believe the use of advanced technology will help us better maintain the integrity of our driver licenses and IDs."

Issuance of the new licenses and IDs will begin this month for walkin customers, as well as customers who renew by Internet, telephone and mail. Current licenses are valid and will be phased out within the next six years.

DPS also will send out information regarding the new licenses and ID cards to help educate law enforcement officials and merchants.

"We're hopeful the new under 21 design will make it much easier

merchants who sell age restrictive products-like alcohol and tobacco-to identify underage consumers," said DPS Director Col. Thomas A. Davis Jr. "Added security features will

provide law enforcement with addi-

counterfeit and altered licenses." **EMS Runs for**

ATTENTION: USERS OF FEN-PHEN OR REDUX

In September, 1997, Fen-Phen and Redux were pulled off the market after they were linked to serious heart valve damage.

Since then, thousands of lawsuits have been filed against the makers of these drugs. Some of these claims have already been settled.

If you used Fen-Phen or Redux, you should know your rights. Valve damage may be a progressive disease, and often symptoms are not noticeable. You may need more information if you fall into one of the following groups:

- You opted out of the class action but have not hired an attorney or settled your case;
- You did not obtain an echocardiogram until October 1, 1999 or later and you know you have valve damage;
- You are having symptoms such as shortness of breath, swelling in the legs, chest pain or heart palpitations; or
- You have been diagnosed with pulmonary hypertension (PH or PPH).

If you would like further information please call: BRUCE E. HALSTEAD, ESQ. JONES & GRANGER HOUSTON, TEXAS
