## **Sutton County Days Makes Memories**

The dust has cleared at the Sutton County arena and the Sutton County Park, but the memories will last for a long time.

Cowboys and cowgirls of all ages, from all over the United States competed for the gold buckles and the added money at the Sonora Outlaw Pro Rodeo. Bad Company Rodeo brought to town some of the best livestock and entertained crowds Wednesday through Saturday.

On Friday night, Gunter Pennington took first prize in the Mutton Bustin' to start the night off right.

Then on Saturday night, the new Miss Sutton County was crowned before the main grandstand crowd. Heather Lawson was second runner up, and Shalayne Hobbs was named first runner up. Both girls will receive a \$250 dollar scholarship to the college of their choice. Shalayne will also receive a hand made silver medallion, donated by Lee Silver Co.

The second runner-up Little Mr. was J.D. Garcia; the first runner-up was Garrett Sharp and the new Little Mr. Sutton County is four year old Dustin Holmes. Mingo Saldivar, Border Trash, Souls Afire and Manuel Campos entertained afternoon crowds with a variety of music and fun. Shoppers were treated to a vast array of crafts, clothes and items of all sorts to choose from. Saturday afternoon, Chelsey Lou Campbell and Kallie Humphrey took the first prize honors at the Sutton County Days Talent Show. The girls recited a poem entitled "Cow Attack" by Baxter Black. Erin Newton was second, singing and playing the saxophone.

## New Laws Take Effect

Each year during the legislative sessions, laws are updated and new laws are adopted. The following is a summary of several changes that might be of interest to the public. These summaries were provided to the Sonora Municipal Court by the Texas Municipal Courts Education Center. If you wish to get more information on the completed list of changes and updates, you may visit their web site on the internet at www.tmcec.com.

"Open Container" Law HB 5

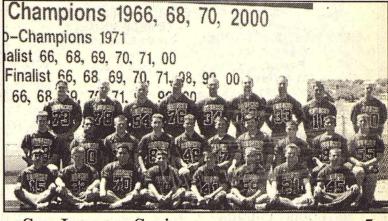

Effective Date: September 1, 2001

Creates the new offense of Possession of Alcoholic Beverage in Motor Vehicle (Penal Code, Sec. 49.031). A person commits an offense if the person knowingly possesses and open container in a passenger area of a motor vehicle that is located on a public highway, regardless of whether the vehicle is being operated or is stopped or parked. Possession of one or more open containers constitutes a single offense. It is an exception that at the time of the offense the defendant was a passenger in certain designated areas. The offense is a Class C misdemeanor. Under certain conditions, the statute specifically requires peace offers to issue a written citation and a notice to appear in lieu of taking the defendant before a magistrate.

Interference with Police Service Animal HB 280

Effective Date: September 1, 2001

Creates Section 38.151 of the Penal Code. It provides that a person commits an offense if the person acts to abuse or harm a police service animal. It is a Class C misdemeanor to taunt, torment, or strike a police service animal. It is a Class B misdemeanor to throw an object at a police animal. Interference or obstruction of the animal is a Class A misdemeanor. Injury or attempted injury of a

School Board Sets Superintendent's Goals

#### submitted

The Board of Trustees of the Sonora Independent School District met for a regular meeting at 6:30 p.m. on Monday, August 13, 2001.

Present for the meeting were: Tryon Fields, President, Dayton Armke, Jesse Bustamante, Scott Jacoby, Tom Payton, Brant Myers, Superintendent, Rex Ann Friess, Diane Jacoby and Cynthia Keel.

After being called to order, Board member Tammy Favila stated that the minutes of July 9, 2001 contained a typographical error regarding the word "turnover". Board members unanimously approved the amended minutes of July 9 and the minutes of July 26, 2001 as presented after a motion by Scott Jacoby and a second by Tammy Favila.

Chief Appraiser, Rex Ann Friess, stated that 98.7% of the current levy had been collected.

Superintendent Myers gave information regarding the implementation of new finance software which is a requisition/purchase order program providing a good system of checks and balances regarding purchases along with making personnel accountable for spending.

Mr. Myers stated that the new

the Superintendent's Goals for 2001-2002 were unanimously adopted after a motion by Tammy Favila and a second by Jesse Bustamante.

Superintendent Myers reviewed the revised Standard Operating Procedures (SOPs) and stated that member Scott Jacoby had requested that the Superintendent also be tied to the Code of Conduct. Following discussion of that area, the Board also requested a change to the wording of item VI., section A as follows: "The summative evaluation will generally be conducted bi-annually in the last third of each semester."

Board members unanimously approved the revised SOP's after motion by Tom Payton and a second by Dayton Armke. Myers informed the Board that the district must give the state a decision regarding insurance by September 1; however, the insurance co-op will not meet until August 23. Therefore, Myers requested that the Board give him the authority to make a determination regarding the insurance. The Board unanimously approved this request after a motion was made by Dayton Armke, seconded by Tammy Favila. Myers distributed information from Pfluger and Associates regarding preliminary numbers involved in one part of the renovation project - the food service area at the Middle School. He also stated that he, along with members of the Facilities Committee, would be attending various community group meetings in order to explain the bond issues. Myers continued his remarks by stating that a video regarding the project had been made by teacher, Kristen Keel and was being show that night at the Middle School parent meeting. He encouraged Board members to view the video and stated that he would be utilizing it along with the story boards made by the administrative staff when he gave his presentations. The Superintendent concluded his remarks by saying that the bond election would be called at the August special meeting, at which time Bob Henderson, the district's investment advisor, would present pamphlets publicizing the bond issue.

receive a \$500 scholarship, a tiara donated by Tedford Jewelry, and a hand made bracelet donated by Lee Silver Co. She will go on to represent Sutton County at many function in town and in surrounding counties.

In the Outlaw Team Roping Challenge, Hayes Worthington and Sterling Price were first with a 43.65 on 4 steers. Worthington and Cole Wadesworth were second and Mike Rabenaldt and Cliff Davis were third.

The Sonora Outlaw Pro Rodeo was just one of the events held during Sutton County Days.

The Sutton County Days Fun Run and 5-K run got everyone off to an early start Saturday morning. Everyone was a winner this year, with all ages being represented. **Division I**

Graduated Driver's License (Drivers Under Age 18) SB 577

Effective Date: January 1, 2002

Modifies current law to incorporate components of the graduated driver licensing system into the current provisions for driver's licenses. Amends Section 521.204 of the Transportation Code to prohibit the Department of Public Safety from issuing a Class A, B, or C driver's license other than a hardship license to an applicant under 18 years of age unless the applicant has held an instruction permit or hardship license for at least six months preceding the date of the application. A licensed driver who is at least

21 years old (increased from 18) must accompany a driver with an instruction permit operating a motor vehicle on a highway.

Creates Section 545.424 of the Transportation Code, prohibiting a person less than 18 years of age during the six-month period following issuance of an original driver's license from operating a motor vehicle after midnight and before 5 a.m. unless operation of the vehicle is necessary for the operator to attend or participate in employment (including work on a family-owned farm), school, or because of a medical emergency. Nor may the person operate a motor vehicle with more than one passenger in the vehicle under 21 years of age who is not a family member.

A person under 17 years of age who holds a restricted motorcycle license or moped license, during the six-month period following the issuance of an original motorcycle license or moped license to the person, may not operate a motorcycle or moped after midnight and before 5 a.m. unless the person is in sight of the person's parent or guardian, or the operation of the vehicle is necessary for the operator to attend or participate in employment or a school-related activity or because of a medical emergency.

These new restrictions do not apply to the holder of a hardship license or to a motorist with a qualified adult companion.

school year had started mar the new school year had started smoothly and that he was very optimistic about projected enrollment figures along with the rise in values. Myers also informed the Board that he anticipated there would be 2-3 vacancies in the auxiliary staff (Elementary Library Aide, Special Education Aide, and a mid-year aide

vacancy at High School). The Superintendent presented information regarding energy deregulation, stating that the district would have to begin bidding out the district electricity. He then asked the Business Manager for her comments regarding the new finance software and a general discussion about the program was held.

The Business Manager stated that due to complications with the computer, she had been unable to process all bills and therefore, the check list was considerably smaller. Board members unanimously approved current bills in the amount of \$97,781.08 after a motion by Jesse Bustamante and a second by Tammy Favila.

Myers reviewed the proposed budget for 2001-2002, stating that it was his opinion that it was a good, solid document. Additionally, Mr. Myers expressed his appreciation to all office personnel for their work in getting the budget prepared.

A motion was made by Jesse Bustamante, seconded by Tom Payton, to adopt the proposed official estimated budget for 2001-2002. The motion carried unanimously.

Myers gave information regarding the proposed tax rate of \$1.41046 for 2001-2002. The Board President stated that the tax rate would provide a slight comfort level in light of the Superintendent's vigilance regarding spending.

A motion was made by Tom Payton to adopt the Tax Rate Ordinance for 2001-2002. The motion was seconded by Jesse Bustamante and carried unanimously.

President Fields reviewed the revised Superintendent's Goals for. 2001-2002 and they are as follows: 1. a district wide attendance

rate of 97.5%; 2. a district wide 5% reduction in energy consumption; Board members unanimously voted to employ Rick Fisher of Fisher & Newsome as the district's bond attorney. The motion was made by Scott Jacoby and seconded by Tammy Favila.

After a discussion of the upcoming TASB Convention in Dallas, President Tryon Fields volunteered to be the district's official delegate.

The Superintendent reviewed the revised redistricting plan which had been adopted by the Sutton County Commissioners Court. A motion was made by Jesse

## Ask the Historical Society

by Jo-Ann E. Palmer, Secretary your order.

Q. Didn't you once mention that the Half Century Club met in Sonora?

A. Sonora Sun, Thursday, June 5, 1902 - YOU ARE INVITED -The Half Century, or Old Men's Club is going to give an old time Pic-Nic at Leifeste's Grove, four miles east of Sonora on Saturday, June 21st, 1902, Messrs, M. B. Atkinson, Joe Glasscock, committee on grounds selected the site for the picnic.

It is to be a basket picnic; everybody is invited to attend, and bring a basket. All candidates are cordially invited and they are not barred from bringing two baskets, if they want to do so. The following named gentlemen will have charge of the arrangements and see that all who attend will have a good time: P. Hurst, W. J. Owens, B. F. Bellows. "The proof of the pudding is the eating of it," and the only way you can enjoy an Old Fashion Pic-nic, is to attend one; sit down on the ground and partake of the good things on the "Spread" as your ancestors did in olden times. Now, the Old Boys of the Half Century Club, want to show the children of this generation how their ancestors enjoyed pic-nics in their days.

In order that the young people may not be disappointed arrangements have been made for an up-todate baseball game between two nines of this day and generation; after the game of ball is over, there will be speaking by Messrs S. C. Tayloe, Jas. Cornell and W. A. Anderson; music by the celebrated Blind Band.

Now if you want to have a good time, don't forget the day and date Saturday, June 21st, 1902. By order of the Committee you are invited to attend

Note: The Half Century Club was organized in Sonora, January 1, 1902 and dissolved March 19, 1915.

Henry Decker, Coleman Whitfield, Jim Keene and Lon Reynolds went out for a short excursion last Sunday; they took their guns with them and killed doves; the boys will please accept our thanks for a nice mess of birds.

Bob Martin was in town the first of this week; he says that his little boy has been suffering recently from a cancer of big toe; the toe was amputated at the first joint and the little fellow is getting along nicely.

Ed Grimland and family and W. B. Keesee and family went out to the Allison ranch last Sunday to spend the day; after partaking of a "kid" for dinner, W. B. wanted to round up a whole flock of goats and drive them to town to show what good eating is.

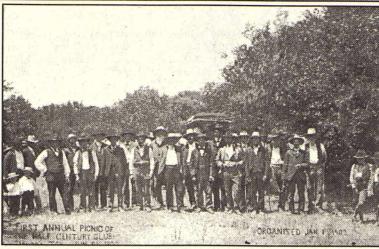

Frank Sparks, proprietor of the Bank Saloon, left for Del Rio Sunday on a visit to his wife and son. He will bring them home with him.

Bob Ogle, charged with killing his brother, was tried for insanity before the county court and the jury returned a verdict of "Non Compus Mentus"...Rocksprings Rustler.

B. F. Bellows and his assistants are busily engaged this week in putting a new roof on the E. F. Vanderstucken store.

The Grand shirt sleeve and empire ball given at the courthouse last Friday night was the finest ball of all the season. Ozona, Rocksprings, Eldorado, and the surrounding county turned out in full force. Everything passed off nicely and all in attendance had a remarkable good time.

G. W. Morris returned home last Saturday; when he reached San Angelo he decided to give his order for an Automobile to Chris and Geo. Haglestein. The machine will be ready for operation about the 15th of

have an automobile in San Angelo this week and they are going to make a run to Ozona, to Sonora, to show our people how the machine works. The Sun hopes that the machine will prove a success. Mr. Morris thinks that the road from Sonora to San Angelo can be made a good road at small expense. He will put a team and hands on the road to work the same; the different counties on the line have promised him assistance in the work, and the road, after being graded and ditched in some places will be easily kept in repair except in rainy season.

J. J. and Ely Kuykendall, the tank builders were in town this week; J. J. claimed that he was electioneering for the county judge but some of the boys say he was setting his cap for some pretty widow.

The following are candidates for office: County Judge; R. C. Dawson, D. B. Woodruff, J. O. Rountree. Sheriff and Tax-Collector; Henry V. Sharp, Sam Merck, W. D. Thomason. District and County Clerk; S. H. Stokes and T. A. Cahill. Tax Assessor; George J. Trainer and R. H. (Bob) Martin. Treasurer; Theo Savell and D. H. Burroughs. Note the following were elected to serve: R. C. Dawson, County Judge; J. L. Davis, Sheriff and Tax Collector; S. H. Stokes, County and District Clerk. County Commissioners were R. F. Halbert, A. T. Word, H. Theirs, and E. L. Martin. Note: It was interesting to see that J. L. Davis was not running at the start of the electoral race but won the office. E. S. Briant and J. L.

Davis, Henry V. Sharp and W. D. Thomason were all in on the capture of Will Carver in April of 1902. If you have any questions con-

## Area Wide Worship

The Church of Christ of Sonora is inviting friends and neighbors of this community to come and enjoy an evening of spiritual fellowship at the Civic Center on Sunday, August 26th. At 5:30 p.m. the singing group, Koinos Adamah, of Odessa will sing. This group is made up of the Lonnie Hamill Family associated with the Sherwood congregation in Odessa. They have sung at many special occasions.

At 6:30 p.m. we will begin the evening worship. We have invited John Snider of Greenwood near Midland to be the guest speaker. Steve Forehand of Uvalde will lead Singing. Both of these men do an excellent job. Due to the universal involvement in singing, we will be adding a few extra songs which will be very uplifting.

Following the worship assembly there will be sandwiches, chips and dips, and desserts for all to enjoy.

Also invited are about 25 area congregations. In fact, we expect there to be about 300 in attendance. The Church of Christ of Sonora would like to invite everyone to be a part of this very special occasion.

## Sonora ISD Does Well On TAAS/State Accountability\_\_\_\_\_

Texas school districts' official accountability ratings came out on the 16th of August and the children and teachers of Sonora ISD fared very well. Overall the district rating was the same as last year - Recognized - but at a much closer glance, our students improved a great deal and the district was very close to becoming Exemplary. The individual campuses were rated as follows: Primary - Recognized; Intermediate - Recognized; Middle School - Exemplary; and High School - Recognized. The Middle School and the Intermediate School also received additional acknowledgments for attendance and the Middle School for campus comparable improvement in reading.

Sonora ISD student subgroup percentages for the TAAS were outstanding when compared to those same percentages from last year and statewide.

## Broncos Kick Off 2001 Season

#### by Tryon Fields

Last Saturday, the 2001 Sonora Broncos opened the much awaited football season. The highly ranked 2A Broncos traveled to Ingram to shold their first of two controlled scrimmages against the '3A Warriors. The horsepower of the Broncos (and I mean race horse power, not diesel) proved too much for the Ingram squad. As the Broncos were able to tally 4 scores; while holding the Warriors to none.

Coach Jason Herring and his staff took the field with what many would consider a very young and inexperienced team. Gone are the Seniors; who were the main stay of last years State Championship team; in their place a whole host of new faces. Only eleven returning letterman, with six of these being starters on last years team. Tradition means a lot to any competitive organization. Tradition along with the five extra games the Broncos played last year will go a long way in helping overcome the inexperience. Saturday, the Broncos did not look like they had been out of a football uniform for eight months. Yeah .... a little ragged, rough around the

edges, but my hat is off to this bunch of Broncos that have some pretty Big shoes to fill. And Saturday ..... this group of young men began to fill those shoes!

Offensively, the Broncos used eight or nine different running backs to carry the football. Of these, the yardage gained was fairly equally distributed between, William distributed between, Renfro, Sean Fields, Dustin Martin, Juan Rodriguez, and Scottie Moore. With Chance Armke, Thomas Bloodworth, Brandon Adkins, and Imanuel Lopez also contributing positive yardage. The passing game which has taken on a new look this season; still features James Elliott; but with Coach Herrings spread offensive; be on the look out for Stetson Hall, Sean Fields, Juan Rodriguez, Imanuel Lopez, Dustin Martin, and Chance Armke just to name a few. The Ingram Warriors got a good dose of all the above mentioned names. As everyone was kept guessing as to who was going to get to touch the pigskin next. The Broncos scored twice on the ground with Sean Fields and William Renfro getting the honors. Scottie Moore connected with James Elliott

#### twice for the Red Hosses other two tallies.

Defensively, Coach Russell's Broncos kept up last years "Bend, but not Break" policy as they limited the Warriors to very little positive yardage. But; when Ingram would break a long gainer, the Broncos would step up and deny them the promised land. Thomas Bloodworth, Stetson Hall, Chance Armke, James Elliott, and Sean Fields led the Bronco charge in effectively shutting down the Warrior offense.

All in all ..... this was a very good first outing for this years Mighty Broncos. Yes - they still have things to improve on and there will be times that the inexperience will show up. But with Tradition, Dedication, and Hard Work - Who is to say that the 2001 Sonora Broncos might not just put their names in the history books!

Tonight, Thursday, the Broncos will host Rocksprings in their second controlled scrimmage. The JV will kick things off at 5:00 p.m. with the Varsity starting about 6:30. So come on out and support the Broncos as they continue on the road to their ultimate goal.

WASHINGTON, D.C. - Rep. Henry Bonilla (R-TX)

Well, it's that time of year again our kids are heading back to school. It's a time or new beginnings, a new

school year, new grade levels, new teachers and new classrooms. Fresh from the long summer break, students all over Texas are trotting off to school once again to begin a new year of homework, studying and tests.

But students aren't the only ones marking a new beginning this school year. Parents, teachers and local communities all over the country are marking a new beginning as well. It's the beginning of the end of the federal one-size-fitsall approach to education.

Earlier this year, Congress passed the president's education plan. The "No Child Left Behind Act" is going to change the education of our children. By cutting the bureaucratic red tape, we're putting our nation's education system in the hands of educators, not political leaders in Washington, D.C.

Our new approach is going to cut down on federal requirements and give schools more of the flexibility they need and deserve. First things first, we're making it possible for schools to reduce class size by hiring more teachers. This is simple math. The smaller the classroom, the more attention students receive

Act" is going to promote early reading skills and increase the focus on math and science education. Funds will be allocated for better math and science programs. We're also going to encourage schools to make their programs more rigorous to help children reach higher education goals. The new plan includes a performance-based grant program. This program is going to supply more funding to schools to increase literacy in technology. In other words: schools that need the most help will get the most help. Perhaps the most important

aspect of this legislation is that we're putting discretion in the hands of the schools. We're giving the schools the decision of how to spend federal funding. They can choose to spend more on development or they can make reducing class size a priority. Schools will make the decisions, not bureaucrats.

This plan is not a one-size-fitsall approach. Of course we're looking at our public education system, but we're also including programs that will protect home schooling and make schools safer from gun violence. This is a comprehensive plan that is going to give the power to the schools, because as we all know: that's where it belongs.

In the spirit of the season, of a new school year and of new beginnings, I'm proud that our new education initiative will begin the process of removing Washington from the education equation. Local control of education will provide our students with the best education possible. Class dismissed.

Last Saturday was a day die-

hard Bronco fans have been waiting

for since December 16th last year.

The Sonora Broncos' football sea-

son was finally underway again -

even if it was a scrimmage. The

scrimmage was held at the Warriors'

down and no injuries on either side. The Bronco Varsity took the field at 6:30. Sonora was on defense for the first twenty plays. The initial snap of the ball yielded a loud smash

of helmets and pads. The Broncos stuffed the first run. The Bronco starters shut Ingram down and didn't allow their offense into the Red Zone. The Bronco offense with Scottie Moore under center consisted both of passing and option plays along with the tried and true sweep and off tackle plays. The Bronco offense scored four touchdowns evenly divided between passes and runs. The Varsity's final result was Sonora's four touchdowns to Ingram's two touchdowns. Probably just as important, no Bronco was injured during the scrimmage.

The next scrimmage is on Thursday at Bronco Stadium with the Junior Varsity taking the field at 6 PM followed by the Varsity at 7 PM. Come out to support the Mighty Broncos and sign up to join the Bronco Booster Club.

**Broncos Scrimmage Ingram Warriors** 

August 1 2001, Bandimere Speedway Denver, Colorado.

The NHRA Jr. Dragster Western Conference Finals drew over 500 racers from as far away as Australia to compete for the title of National Champion.

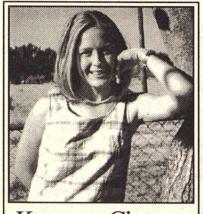

On August 2, 2001 time trials began with Stephanie Murray driving the Sonora Chemical & Supply sponsored dragster. Stephanie set the pace with the best reaction time of the day with a .504 second reaction time. This record held till the first round of eliminations when she again set the pace with a perfect .500 second reaction time and a first round win. With 500 + cars she was the only one to achieve this and was presented with a trophy by the track owner. "When I got into the car I was so nervous I wanted to throw up, but when I finished and won the first round I wanted to cry" Stephanie said. On August 3, 2001 Stephanie was set and drove to five more wins as the field was reduced by half each race. During the quarterfinals, Stephanie had some engine problems but still managed a win and a trip to the semi-finals. With the engine back

Drag Racer, Stephanie Murray

together, Stephanie ran a great race, but ran 22 thousands of a second too fast and broke out of her dial-in. When asked about the loss, Stephanie said " We did not know if the engine would even start when we went to the starting line -- that's drag racing". Out of 96 cars in Stephanie's age group, she finished third. With two trophies, a check for \$1000.00 and Third place in her age group at the Nationals, she will be smiling for a long time.

## Kearney Chosen as Who's Who

Kelly Kearney, a sophomore at Sonora High School, has been chosen for publication in the Who's Who Among American High School Students, 2000-2001. Only 5% of the students from the nation's 24,000 high schools are honored in Who's Who each year.

Being chosen for Who's Who allows Kelly to be eligible to compete for one of 200 scholarships of \$1,000 each, which will be awarded this year. Over \$2,907,000 has been awarded through this program to date. Recent surveys indicate that 95% of responding colleges use the CRS, a reference service for college-bound Who's' Who students, to recruit students for admissions.

Kelly is the daughter of Kent and Brenda Kearney. She has one sister, Kasey and she is a cheerlead-

A special "Thank You" to Police Chief Chris Croy, our local police officers, and Harold Martinez with the Texas Department of Transportation, for all their help and support. We are looking forward to next year's parade and hope it will be even bigger and better!

The Middle School Cheerleaders would like to say thank you to the Wardlaw Brother s for the use of their 18 wheel truck that was used in the Parade on Saturday for Sutton County Days. We also want to thank Lisa Karnes for gathering and decorating.

Thanks so much to Kendra Vyvlecka for a great 10 year High School reunion! Your planning, plus the help of other classmates living in Sonora, made a reunion to be remembered. Also, thanks to Vicky Wallace for the parade float and decorations, and to Bill and Judy Webster for Friday's party.

Class of '91 Out-of-towners

The Cub Scouts of Pack 19 had a great time at the Sutton County Days Parade on Saturday, August 18, 2001.

The Scouts decorated their float with hay bales, campfires, trees, a tent and even "WILD" animals! All the boys needed were the stars overhead to complete their campfire theme.

We would like to thank the scouts and their parents, along with all the leaders, for their help in decorating the float.

We would also like to extend our thanks to: Sonora Wool & Mohair-wool sacks, Rafter W-Coastal hay, Multi-Chem-Semi truck rig, balloons and streamers, Kingdom Transportation-Flat bed trailer, and Jesse Paredes for driving our float and our District Executive, Matt Vercher who brought all the banners from San Angelo.

We will be having our Cub Scout Rally on Monday, August 27 at the Jr. High Snack Bar at 6:00 p.m. If anyone is interested in becoming a Cub Scout and enjoying lots of outdoor fun, please come and join us. Be sure to bring your parents!

Los Jarritos Resteraunt and Bar would like to thank everyone that came by during the Sutton County Days. We would also like to thank Los Temibles for coming on a short notice. We would also like to apologize for the other group that cancelled with three days notice. This shows poor management and disrespect to all Jarritos customers The Sonora High School Color Guard and Drum Majors would like to thank the following people for helping (or rather getting dunked) in our booth at Sutton County Days. Mr. Myers, Mr. Baucom, Mr. Berry, Miss Bell, Mr. Young, Mr. Martinez, Tabitha Ovalle, Cerissa Hedgecock, Mrs. Esparza and Lori Newton. A special thank you to Johnny Esparza for getting the dunking booth and setting it up for us and to Wayford Tyler for filling it up for us. To anyone we forgot, we apologize and thank you.

Thank you,

Missy Longoria, Savanah Hedgecock, Noemi Fay, Karri Wertz, Evangelina Martinez, Erica McClintock, Sarah Quiroz, Brittany Longoria and Morgan Hobbs

I would like to thank everyone who supported me last year as Rowdy. I would especially like to thank my "secret" candy supplier Linda Burge and Marla Percifull for helping me sell raffle tickets on the megaphone to purchase the new Rowdy costume. Thank you all very much for buying the tickets. The winner of the megaphone was Glenda Barton, who donated it back to me. The megaphone will be put on display at the business that is selected as the "Rowdy Bunch" of the week - details will follow later. I look forward to "horsing around" again this year. Let's have another STATE CHAMPIONSHIP!!! Thank you all very much - GO BRONCOS Jalys "Rowdy" Mabry

I would like to thank everyone who supported me in the Miss Sutton County Queen contest. I appreciate you buying tickets from me and encouraging me over the last few months.

Thank you to the businesses that allowed me to wear their clothes and accessories at the Style Show and everyone that helped organize the event. Thank you also to everyone who came to the Style Show, it was a lot of fun.

Thank you to my sponsors, Sutton County Steakhouse and Stagecoach Grill and Cantina, and all the employees for all their help. I appreciate your efforts.

Thank you all very much, Jalys Mabry

I would like to say thank you to all who supported me during my run for Miss Sutton Co. I would especially like to thank The Bank & Trust and Corner Drug for being great sponsors. Thanks to all my family and friends who supported me through it all. I would also like to thank Storie and Kim for all the time they gave to us and to Storie for all she taught us through the past few weeks. This was a great experience and I learned a tremendous amount. I believe even more now that Sonora is a great place to live. Thanks for the memories.

Heather Lawson

I would like to thank my sponsors, Fran Pennington from image and Mary Ann Kenney from Ol' Sonora Trading Company.

I'd also like to express my thanks to Storie Sharp for the time and dedication that she gave to all of the contestants during the weeks of preparation for the style-show, television, and radio interviews leading up to the rodeo.

To Pam Powers Haynes and the rest of the Sutton County Days Association members, a big "Thank You!" for presenting such a high quality rodeo. I attended several area rodeos during the weeks leading up to ours, and I can say without a doubt that the "Sonora Outlaw Pro Rodeo" is the best. It always brings us a little rain too! For that, we are truly thankful.

To my parents and grand-parents, my sister and brothers, aunts and uncles, my St. John's Episcopal Church family, the Multi-Chem bunch, Marla Percifull, the guys at the Powers' Farm and the people of Sutton County who encouraged and supported me (financially and emotionally), I really appreciate you opening your hearts and your pocketbooks. I couldn't have done it without your support!

Sincerely,

Tori Valliant, Miss Sutton County 2001

Effective Date: September 1,

2001 Amends Section 545.412 of the

Transportation Code to increase the penalty for child seat belt and safety seat system offenses by imposing a minimum penalty of \$100 and a maximum penalty of \$200. The former law provided a minimum penalty of \$25 and a maximum penalty of \$50 for offenses involving unrestrained child passengers.

Defendants accused of violation Section 545.412 or Section 545.413(b) (i.e., failure to secure a child who is at least four years of age but younger than 15 years of age) who wish to take a driving safety course under Article 45.0511 of the code of Criminal Procedure must take a special course approved by TEA which includes four hours of instruction encouraging the use of child safety seats and restraints.

Notwithstanding 542.402(a), a municipality or county shall send the Comptroller 50 percent of the fines collected under Section 545.412 and 545.413(b) at the end of the fiscal year. The Comptroller shall deposit the fine money into the Tertiary Care Fund for use by trauma centers.

Bustamante to adopt the Resolution of the Sonora Independent School District Board of Trustee Precincts. The motion was seconded by Tom Payton. Voting aye were Dayton Armke, Jesse Bustamante, Tammy Favila, Tryon Fields, Scott Jacoby and Tom Payton. Absent and not voting was Sam David Hernandez. The motion carried.

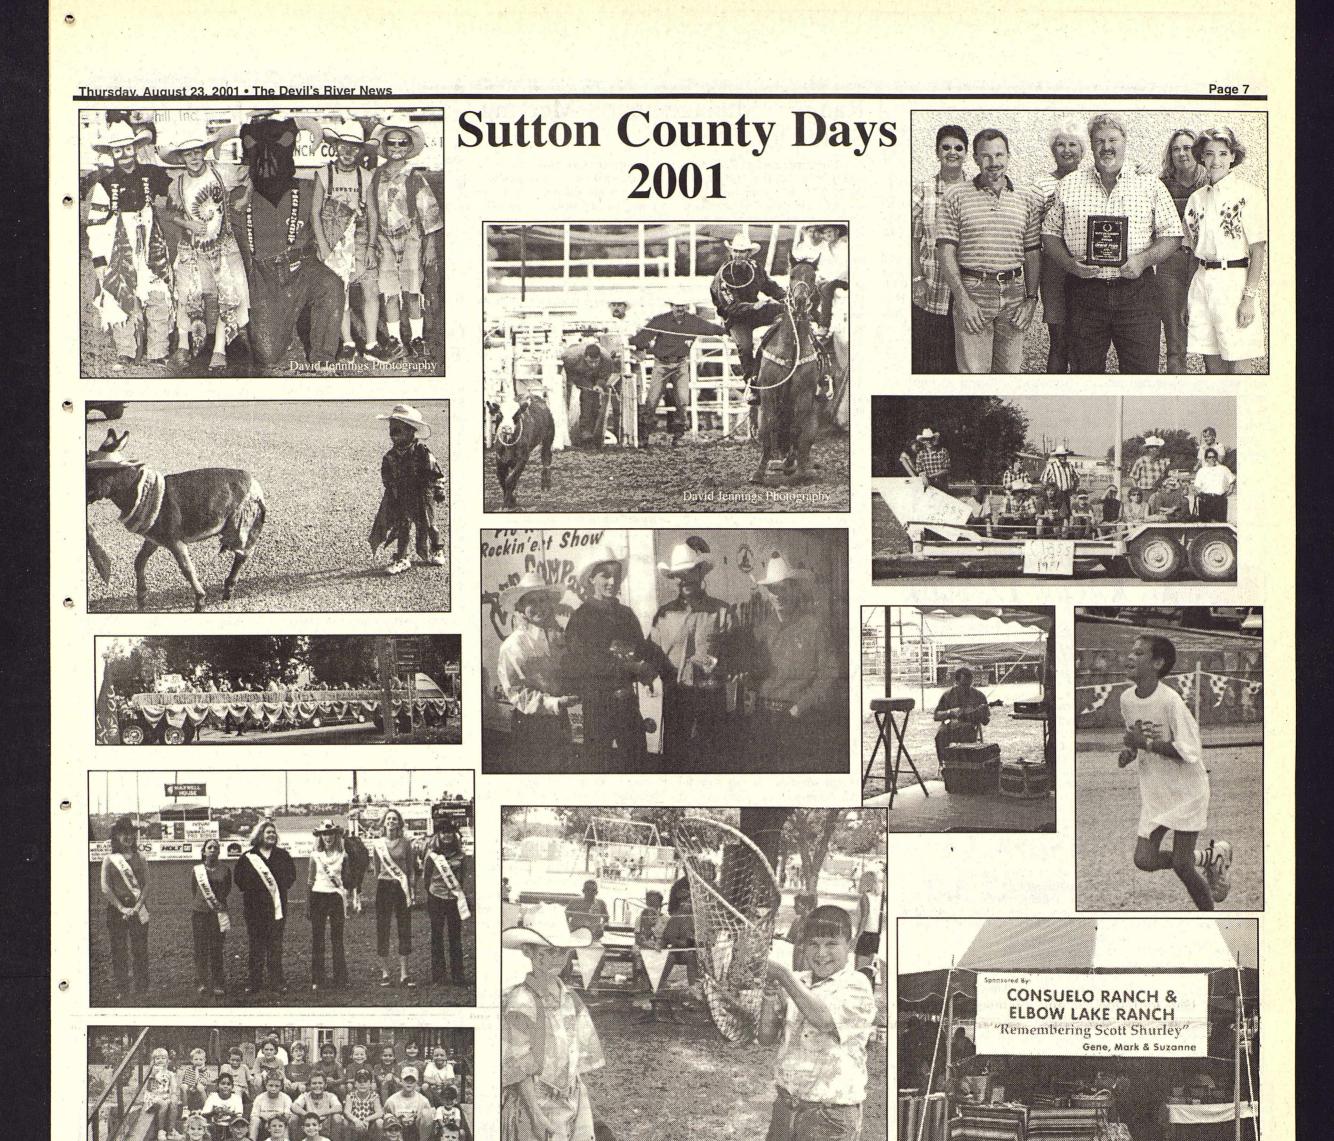

Superintendent Myers explained that there were several items to be addressed before the end of the district's fiscal year on August 31 and there would be a need for a special board meeting. A motion was made by Dayton Armke to hold the special meeting at 5:00 p.m. on Thursday, August 30, 2001. The motion died for a lack of a second.

A motion was then made by Scott Jacoby to hold a special meeting at 5:30 p.m. at the Administration Building on Thursday, August 30, 2001. The motion was seconded by Tammy Favila. Voting aye were Jesse Bustamante, Tammy Favila, Tryon Fields, Scott Jacoby and Tom Payton. Voting no was Dayton Armke. Absent and not voting was Sam David Hernandez. The motion carried.

At this point in the meeting, member Tom Payton congratulated both Amy Davenport and Kay Friess on recently being awarded Masters Degrees. Mr. Payton also congratulated the High School Flag Corp for their outstanding achievements at camp, commenting that their awards had provided positive recognition for the band program. Payton concluded his remarks by also congratulating the cheerleaders for their outstanding achievements at camp.

The board then went into executive session. After reconvening at 8:29 p.m., a motion was made by Dayton Armke, seconded by Scott Jacoby, to employ Toni Haydon as the IPC teacher at the High School. The motion carried unanimously.

There being no further business to bring before the Board, the meeting was adjourned.

## Oil & Agribusiness Arroyo Grande Ranch Hosts Huntmaster Workshop

The Arroyo Grande Ranch hosted a Texas Youth Hunt Program (TYHP) Workshop August 10 - 12. The workshop was conducted to train adult leaders as HUNTMAS-TERS for the Texas Wildlife Association TYHP hunts.

This workshop was geared to enable graduates from the seminar to conduct youth hunts on various ranches throughout Texas. These hunts are designed to allow young hunters to experience outdoor adventures in a positive and safe manner. These hunts can only be realized with the help and support of Landowners. Each hunt is closely supervised by trained Huntmasters and volunteers.

The advantage for Landowners is the TYHP program is a low impact program that helps groom future hunters and provides insurance coverage for the event. These

landowners have the privilege of introducing the next generation to a safe, enjoyable, and rewarding experience.

During the workshop Huntmasters are instructed on such topics as running a Hunter skills trail, that simulates a real hunt, How to conduct a safe rifle range program, to assure the abilities of young hunters, Game recovery techniques, and First Aid.

The rewards of working with the youth of Texas in a positive way are boundless. Anyone that is interested in helping on a youth hunt or becoming a huntmaster please contact the Texas Wildlife Association at 1-800-460-5494. Anyone that is interested in having a youth hunt on their land or that has a child that would like to participate can also call the Texas Wildlife Association at 1-800-460-5494

## Range Management Meeting Time To Renew Your Brand

In accordance with Article 144.044 of the Agriculture Code "Recording" on Thursday, August 30, 2001, the Clerk's office will begin the process or renewals of your brands. You will have until Thursday, February 28, 2002 to renew your registration. On Friday, March 1, 2002, all brands that have not been renewed will become "open brands" for the general public. Any brand that is not renewed becomes "void" on March 1, 2002, in accordance with the Agriculture Code.

The recording fee will be \$11.00 per brand per location. Additional locations filed at the initial filing will be \$5.00 per location.

If you also have brands registered in other counties in the State of Texas it will be necessary for you to contact the office of the County Clerk of that County and renew your registration there also.

Our office is located at the Annex Building: 300 E. Oak, Suite 3, Sonora, Texas 76950, (915)387-3815. Office hours are from 8:30 a.m. to 4:30 p.m. Veronica E. Hernandez, Sutton County Clerk

### Organizations Team Up To Honor Three Texas Congressman

The Texas Sheep and Goat Raisers Association, the Texas and Southwestern Cattle Raisers Association and the Texas Farm Bureau have teamed up once again to host the "Tres Amigos Appreciation Dinner," honoring Chairman Larry Combest (R-Lubbock), Chairman Henry Bonilla (R-San Antonio) and Congressman Charlie Stenholm (D-Stamford). The dinner will be held on Wednesday, August 29, 2001 at the East Pavilion Paseo de Santa Angela, in San Angelo, Texas. Registration will begin at 5:00 p.m. and dinner will start at 6:00 p.m..

"These three Congressman do so much for Texas agriculture, we wanted to take the time to show how much we appreciate all their hard work. They have been very busy this year on agriculture issues such as the farm bill and emergency economic assistance," Glen Fisher, President of Texas Sheep and Goat Raisers Association (TSGRA) said.

This is the second year these three organizations have hosted this event. Last year more than 200 people came out to say "Thank you" to the three Texas Congressmen. Chairman Bonilla and Congressman Stenholm have both confirmed that they will attend the event.

'We hope to see as many members of all three organizations there as possible. We want this to be even bigger and better than last year," Fisher said.

TSGRA does ask that anyone planning to attend please RSVP by calling 915-655-7388, to ensure an accurate count for dinner.

## Mosquitoes 2001: Threat to Human & Livestock Health - Part I

By day, the hovering needlenosed pests attack silently, evidenced only by a bloody "splat" or ugly welt. In darkness the mosquitoes dive bomb, their highpitched drone cutting a swath through slumber. In late summer 2001, however Texas health officials are the ones losing sleep because of mosquitoes. While most of the time, the pests are just unpleasant and troublesome, this year mosquitoes are threatening the health of humans and livestock. Staff members from the Texas Department of Health (TDH) and Texas Animal Health Commission (TAHC), the state's livestock health regulatory agency, are pooling resources to prevent, track and alert Texas about cases of mosquito-borne viruses.

#### West Nile Virus

In mid-August, West Nile Virus (WNV) was detected in a dead bird in a suburb of New Orleans, meaning this virus, first discovered in the US in 1999 in New York City, has made significant progress in its migration toward Texas. The disease, common in Africa, Middle East and West Asia, was not docuThis year, a dozen states and the District of Columbia have detected WNV in mosquitoes or birds: New York, Maryland, Massachusetts, New Jersey, Connecticut, Rhode Island, Ohio, Pennsylvania, Virginia, Florida, Georgia, and Louisiana.

"WNV will eventually come to Texas," said Dr. Joe Garrett, veterinary epidemiologist for the Texas Department of Health's Zoonosis Control Division, which tracks animal diseases which can affect humans. "As soon as it is detected in Texas, state agencies will alert veterinarians and physicians so they can be prepared to recognize the disease in their patients."

"WNV is carried by at least 54 species of wild birds that die from the disease," explained Dr. Garrett, who is also a former TAHC epidemiologist.

"After mosquitoes feed on affected birds, they're then able to

transmit the virus to people or other animals."

He said most WNV-infected humans will have no symptoms of illness.

However, a small number of victims develop fever, head and lymph glands. Fewer than one in a develop inflammation of the spinal Symptoms may involve coma, ness and paralysis. Since 1999, 85persons in the US have been diagnosed with West Nile Fever; nine have died.

This summer two persons hospitalized in Florida and another in New York were diagnosed with the disease.

"Anyone experiencing symptoms compatible with West Nile Fever should see their physician as soon as possible," advised Dr.

Garrett. "Good supportive medical care is needed to assist patients in recovering from the illness. Those persons over 50 years of age, or suffering from other medical problems are at highest risk for illness if they are exposed to the virus."

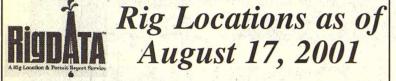

West Nile Fever is not spread by human or animal contact. And, although there is no evidence that dead birds can transmit infection, Dr. Garrett urges that gloves be worn when handling wild dead birds or animals that may have been exposed to the virus.

"Horses affected by WNV usually don't have signs of illness. Like human victims, however, a few may develop acute illness, and may stagger, become weak, be unable to rise and eventually, could die," he said. Twenty-four horses have tested positive for the disease in 2001; 23 in Florida and one in Georgia.

## Letters to the Editor

#### Dear Editor,

My husband Karl D. Dobie is a stroke survivor. He made a point of going to your fair city for many many years before he ever met me. He was himself a "cowboy" as a youth, and participated in amateur rodeo. Also ranch foreman but always a fan of rodeo.

We came last year, and brought Karl's three wheel scooter to help his mobility. We were stunned at the obstacles he faced. Has anyone with any authority ever taken a wheel chair, walker or scooter out to your rodeo grounds and attempted to seat yourself in either the boxes or stands. I would like to encourage that. Make sure you take along an elderly spouse to practice the push-

ing and or pulling up, over or through in a safe stressless manner. The angles are steep enough to prohibit a pole climber.

Again, this year we came. Hoping that "someone" had already done the complaining, and the issues had been resolved.Not so! I cannot believe that someone in your community is not elderly or infirm.

There has been in place in the country for several years, something called the Americans with Disabilities act. Directing that every reasonable effort should be made to give disabled Americans a fair chance to enjoy all public venues.

It has become a law and I am prepared to enlist the legal profession to ensure that the sparse but precious time my husband has left in his life to enjoy a rodeo in Sonora or any where else is fairly available.

I am sending a copy of this letter to the media in your area and the ADA council

(Austin) - Living trust sales are growing area of consumer fraud. It is estimated that thousands of consumers lose between \$500 and \$5,000 each year through unnecessary living trust purchases.

Living trusts are generally established by people attempting to avoid probate, the legal process that transfers a person's assets after death. When a living trust is established, assets are immediately transferred to the trust, and the trust is considered owner of the assets.

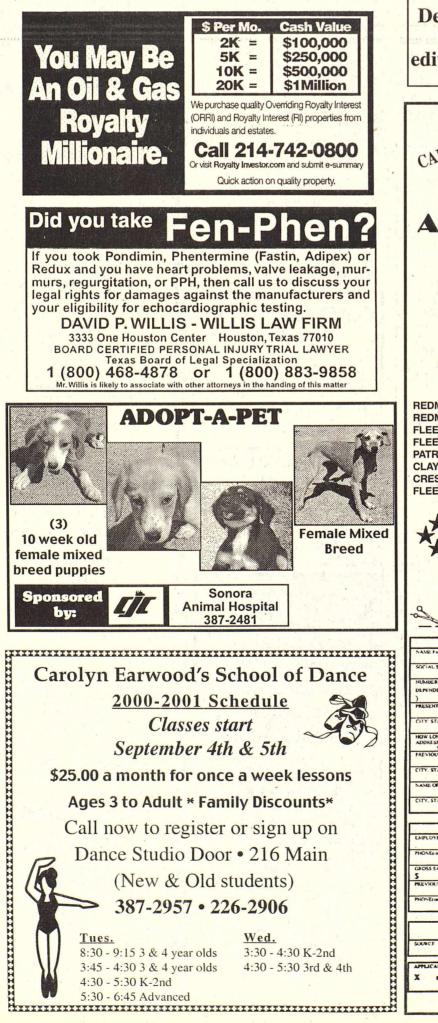

For Texans with properly draftwills who do not own property in Dear Editor,

I am very grateful for our school system. Fortunately, we have a group of people committed to our children. However, I am concerned about the numerous typographical errors and misspelled words in school documents, i.e. the student handbook and letters/notes sent home from school. The student handbook I received had numerous typographical errors and a few misspelled words (It was also stapled to its cover backwards). In the past and already this year we have received school notes with incorrect grammar, misspelled words and typographical errors. I don't think our

#### Dear Editor,

I am writing about the lack of competition that exists in the local phone market. While it appears that competition might flourish and grow in the deregulated power market, it seems that quite the opposite is happening to the local phone market. Sprint and other companies have offered local phone services in Texas, and have then pulled that service. The problem is that is isn't profitable for them due to high access rates charged by the regional Bell operating companies (RBOCs). Now the RBOCs are pushing legislation that would completely gut the 1996 Telecom Act in a bill called the Freedom and Broadband Deployment Act of 2001, H.R. 1542, also known as the Tauzin-Dingell bill. This bill would allow the RBOCs to enter long-distance without having to rove to the Fedreal Communication Commission that they have opened up the data side of their local networks to competitive local exchange ge carriers (CLECs) at wholesale rates. In effect, the bill would remove the RBOCs' incentive to allow the CLECs to use their networks. Thus, we go back to only one choice for local phone service. Of course we didn't have much choice now, since the "wholesale" rates have been more retail than wholesale, but at least we had a guise of competition.

There is something that can fix the problem. Senators Hollings, D-SC, Daniel Inouye, D-Hawaii, and Ted Stevens, R-Alaska have introduced the Telecommunications Competition Enforcement Act of 2001. This bill would add more

teachers would give their students "A's" if they were to turn in these sorts of error filled papers. If this is what our school, who teaches our children, generates, then how can we expect our children to be taught correctly? I think that a school above all would publish and type letters with the utmost diligence in its grammar, spelling, and typing. Personally, I think it's an embarrassment to our school system's image in the eyes of our peers, our children, and most of all, we parents who want an excellent education for our children. I look forward to seeing improvement in this area.

Thanks, Mary Beth Luttrell

enforcement teeth to the 1996 Telecom Act as well as require the local dominant carriers to put their wholesale and retail operations in separate divisions. This would allow competition to succeed because Verizon and Southwestern Bell would have to buy access to the lines that connect us to their offices at wholesale rates just like the CLECs. I would bet on them actually offering wholesale rates, since their retail divisions will have to pay them. Once this happens, the retail operations would actually have to compete with the CLECs and we should start seeing the benefits like we did when long distance was made competitive. There is a possibility for abuse. Each retail division would be paying the respective wholesale division of the same RBOC. These payments of "funny money"", or money that stays in the same company can allow for creative bookkeeping to make the retail unit "lose" money while making tons of money on the wholesale side in an attempt to bleed the competition dry. I think this can be caught, and the legislation also give the FCC the power to turn the wholesale and retail divisions into separate subsidies if they don't behave. Needless to say, the RBOCs are already screaming that this legisla-tion isn't fair! Waaah! Letting monopolies bleed us dry isn't fair. I recommend everybody check out the website www.voicesforchoices to see how the RBOCs are stifling competition. It is pretty enlightening

equine issues specialist and director for counties in northeast Texas, noted that the US Department of Agriculture's Center for Veterinary Biologics has issued a conditional one-year license to Fort Dodge Laboratories for a West Nile vaccine for horses. He said the product will require two doses, administered three to six weeks apart. Final approval for the vaccine may be granted after information on the effectiveness and potency of the drug is reviewed.

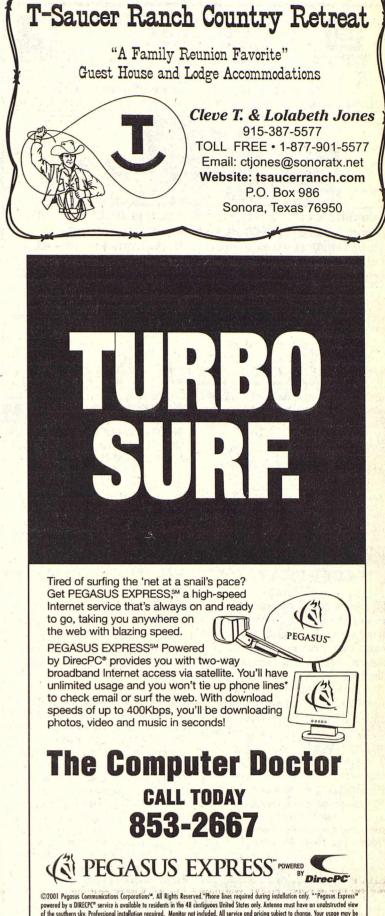

"The drawback is that Texas may be down the list on receiving supplies of the vaccine, as it will be issued first to states that have experienced the disease. Futhermore, anyone shipping animals internationally should be aware that this vaccine could cause false-positive blood tests, hindering the ability to export horses," he noted.

Through a grant from the Centers for Disease Control, TDH staff is conducting surveillance on mosquitoes, dead crows, blueiavs and hawks. To submit a bird for laboratory examination, call your regional Texas Department of Health office or the Texas Department of Health in Austin at 1-512-458-7255.

The TAHC and TDH are testing equids, such as horses, mules, donkeys and asses. TAHC field personnel are collecting an extra blood sample for WNV when they draw specimens from equids suspected of being infected or exposed to equine infectious anemia (EIA), an unrelated viral disease that does not affect humans. (The extra blood sample will be tested for WNV in the TDH laboratory.) The owner's names will remain confidential, and only the county names will be reported as part of the federally funded study.

another state, a living trust is usually unnecessary.

"While living trusts meet the needs of some consumers, they are not the best option for everyone," says Texas Young Lawyers President Amos Association Mazzant of Sherman. "The cost of creating, funding and administering a living trust outweighs the benefits for many people."

Con artists often mislead senior citizens to believe that living trusts help reduce death taxes and avoid creditors, contested wills and guardianships expenses. Some salespeople falsely claim that probate requires excessive time and money and that a living trust is the only way to avoid probate.

When estate planning, consumers should take sufficient time to make decisions, realizing that legitimate advisors will not encourage a hasty decision. Seniors should speak to a trusted and knowledgeable source before making a commitment and avoid responding to offers they do not fully understand.

Consumers should be cautious business that promote living of trusts through free seminars and estate analyses, telemarketing, direct mail, door-to-door sales and advertisements without describing the pros and cons of selecting a living trust.

If a living trust appears to be a consumer's best option, it should be drafted by a licensed Texas attorney with expertise in estate planning to ensure that the document is tailored to meet state law requirements. A trust prepared by an attorney will generally cost less than the prices charged by sales representatives.

Anyone who believes they have been a victim of a living trust scam should call the State Bar of Texas at 800/204-2222. While non-attorneys are not subject to State Bar rules, they may be practicing law without a license.

The Texas Young Lawyers Association, in conjunction with the State Bar of Texas, has created a pamphlet, Living Trust Scams and Senior Consumer, which exposes living trust myths and provides suggestions for well-informed decision making. To receive a free copy of the pamphlet in English or Spanish, call the State Bar Communications Department at 800/204-2222, ext. 2610 or view online at www.texasbar.com/pubinf/legalinfo/scams.htm
