THE NEWSPAPER THAT WORKS FOR A BIGGER, BETTER BOVINA

Wednesday, September 5, 1973

Bovina, Texas

Vol. 18, No. 11

BY BILL ELLIS

SUMMER TRIES to hang on, what with temperatures staying in the high 80s these days, but the coolness of the morning tells you that fall is just around the corner.

You might say that it's football weather, and just in time, since Texas high schools from border to border kick off the 1973 season this Friday night.

The Mustangs kick off their season with a home game against Boys Ranch, and Coach Roger Ezell's charges will be out to throw the Roughriders, and get their '73 season off to a winning start against the class AA team.

Two of Bovina's four non-district games are against class AA opponents, which should be a good tune-up for district play.

The first two games, against Boys Ranch and Friona (the AA schools), are at home, then comes four straight games on the road. After the first two games, it will be game number seven before the Mustangs again play at home.

WITH SCHOOL just started, we thought we'd pass along this little gem, which really happened.

Older sister, having learned a new word on the first day of school, decided to try it out on her brother.

"Did you know that you are a homo sapien?" she proudly asked.

"I am not. I'm a Tarus!" was the curt reply.

SPEAKING OF FOOTBALL, the Blade's annual football contest kicks off in this week's issue, giving football experts in this area an opportunity once again to match wits and see who can come out on top in the season-long contest.

Once again, ten sports-minded businesses in the Bovina area are joining the Blade in sponsoring the event, which annually draws an amazingly high number of entries during the course of the contest.

It behooves those with aspirations of winning "all the marbles" to get in on the contest from the start, since the competition is so fierce that a week's absence just about rules you out of the running.

The first week or two are sometimes the hardest, until you find out who is going to be tough and who isn't. One thing about it—everyone starts out the same.

Believe it or not, it's even tough on the contest editors the first week or so, just picking out games to include on the contest.

The first week's contest can be found on Page 3. Why not fill out a form and drop it by—this might be your lucky year.

Our predecessor, ole Moten, used to make a practice of picking the games each week, with a comment about each one. We recall this, because we always checked his predictions, then chose otherwise, and this usually was a pretty good system.

We haven't decided yet whether or not we should provide this service or not, since anyone could use the same system we had with Moten's predictions, and have a perfect entry. We'll have to think about this for a while.

14th CONTEST BEGINS

FB Contest Entrants Vie For Bowl Trip

Football season gets underway across the country this week and in Bovina the 14th annual Bovina Businesses Football Contest makes its 1973 debut.

It's back to the Cotton Bowl for the grand prize winner this year as grandstand coaches, arm chair quarterbacks and just plain football fans begin the annual guessing game that will result in a trip for two to the annual classic in Dallas.

Last year's winner in the 13-week long contest was awarded expense money and two tickets to a Dallas Cowboy professional football game.

Sponsored by 10 area businesses, a full page advertisement will appear in The Blade each week for 13 issues. In each of the sponsor's advertisements will be listed a game being played that week. Contestants must choose a winner and write his or her choice on the line corresponding with the advertiser on the entry blank. A tie-breaking score must be predicted for the weekly Bovina Mustang game.

Sponsors for the contest this year include Big Nick Farm Machinery, Chuck's Spraying Service, Birkelbach Machine and Pump, Charles Oil Co. and Shelley Grain.

Also, Parmer County Spraying Service, Bovina Gin Co., Agri-Sprayers, Oklahoma Lane Farm Supply & Gin and First State Bank.

Contest rules are listed on the contest page. Only one entry blank may be submitted by each contestant. Deadline for entering is 5 p.m. Friday. Entry blanks may be brought by the Blade office on Third Street or postmarked on Friday each week.

Weekly cash prizes of \$5, \$3 and \$1 will be awarded the first three winners. Contestants must be 10-years-old or older.

Winner of the 1972 contest was Gary McCormick of Bovina.

Past winners include Ted Graham, 1971; Donna Criswell, 1970; Larry Wardlaw of Farwell, 1969; Bill Roberts, 1968; Leroy Lance, 1967; Truck Lusk, 1966; Allen Cumpston, 1965; Jeanne Kerby, 1964; Paul Jones, 1963; Emmet Tabor, 1962; Erith Hawkins, 1961; and Neil Smith, 1960.

Tabulations of individual entrants will be kept all season and at the end of the 13-week contest, a grand prize winner will be named.

A scoreboard, with all contestants listed in alphabetical order, will be on display in The Blade office. Beside each contestant's name is the

number of games picked correctly each week and a running tabulation of the total score. Contestants are welcome to come by The Blade and check on their standings at any time. Entry slips are kept throughout the contest. Anyone having questions or wishing their entry re-checked is free to request such.

BY 19

Student Numbers Increase

Enrollment in Bovina Schools increased by 19 last week and this after the opening day total was announced, according to Superintendent L.F. Jacobs.

dip in the number of students year for enrollment in the this year from last year. It Bovina Schools to decrease marked the second consecutive slightly.

Total number of students as of Tuesday morning was 618 as compared with the total of 599 on opening day Monday of last week.

The enrollment this year is off 16 from the same time a year ago when the count was 634.

Jacobs says he expects the number of students enrolling here to continue to increase for the next two weeks.

Broken down into grades, the enrollment is as follows—kindergarten, 26; first grade, 56; second, 46; third, 40; fourth, 70; fifth, 49; sixth, 53; seventh, 60; eighth, 43; ninth, 49; 10th, 48; 11th, 39 and 12th, 39. A total of 287 students are enrolled in elementary grades, 156 in grades six through eight, and 175 in grades nine through 12.

Most schools throughout the Plains area reported a slight

BY LIONS CLUB

Broom Sale Set Friday

Bovina Lions Club will have its annual broom sale Friday. The club will be selling quality blind-made products to residents and local merchants.

The membership of the Lions Club will be organized to supply area residents with the quality merchandise. "We have cleaning products that every household can use and every item sold helps some blind person to help himself," Lewis McDaniel, Lions president, says.

Sales of blind-made products held by the Lions Club in previous years have proven successful and McDaniel expressed confidence in another successful sale this year.

The sale will begin at 8 a.m. and continues until 4 p.m. The truck delivering the merchandise will be parked downtown throughout the day.

WHAT KIND OF DOG CATCHER?...A waterdog catcher, what else. Designed by an Arizona man and constructed by Al Kerby of Bovina, the strange looking apparatus attached to the front of the boat supposedly will scoop up waterdogs from lake bottoms. The boat is on a small lake east of Missouri Beef Packers. The Arizona man claims he

will catch enough waterdogs to sell for fish bait to make the venture a profitable one. However, he was unavailable for comment when the picture was made. He moved the boat to the lake during Bull Town Days. Could be another profitable venture is brewing in diversified Parmer County.

SEPT. 15

TGSP Deadline Nears

The September 15 deadline for mailing TGSP ballots in the biennial election is approaching. Over 29,000 ballots have been mailed to potential voters in the 29-county Texas High Plains area and additional ballots have been mailed to county agents for those farmers who may qualify to vote but do not receive a ballot by mail.

Running for six year terms in the election are incumbents—A.W. Anthony, Jr., of Friona, John Gilbreath of Hart, Don Marble of South Plains, and E.C. Witten of Edmonson. Also seeking terms are candidates—John Dunlap of Floydada, Don Nelson of Tulia, and Troy Sloan of Spearman.

To qualify as a voter, one must farm or cause to be farmed grain sorghum in the counties served by the Texas Grain Sorghum Producers

Board. Those counties are—Armstrong, Bailey, Briscoe, Carson, Castro, Cochran, Crosby, Dallam, Dawson, Deaf Smith, Floyd, Gaines, Hale, Hansford, Hartley, Hockley, Hutchinson, Lamb, Lubbock, Lynn, Moore, Oldham, Parmer, Potter, Randall, Sherman, Swisher, Terry and Yoakum.

The sealed ballots will be tallied by a committee of people not associated with the Texas Grain Sorghum Producers Board. The committee will be sworn in by county judge Roderick Shaw and the operation of counting the ballots will be conducted under the observation of the judge, a Texas Department of Agriculture official, a representative from the extension service and an officer of TGSP.

Ballots can be disqualified for the following reasons—1) if more than one ballot is signed

by the same person; 2) if the voter fails to sign the ballot in the spaces provided and does not write his full address; or 3) if the ballot is postmarked later than September 15, 1973.

A large turnout of voters is expected. At last check with the Texas Grain Sorghum Producers Board office, located at 1212 14th Street, Lubbock, Texas, ballots were arriving at about 100 or more each day. They will be opened and counted September 18.

Weather

By Willie
Chance for showers this week—no floods.
P.S. Cyclones turn to the right; hurricanes turn to the left.

Showers Dot Area Last Week

Showers ranging from one-half inch to over two inches dotted the Bovina area Wednesday and Thursday of last week.

Up to two inches of moisture was reported in areas west and north of town.

The rainfall came at a timely moment for those lucky enough to be under one of the wandering showers, aiding grain sorghum and corn crops that had been sweltering in near 100 degree temperature for several days. The rain was also considered highly beneficial for those farmers who were ready to begin sowing the 1974 wheat crop.

Clovis Men Arrested On Drug Charges

Two Clovis men, employees of Missouri Beef Packers, were arrested about 11 p.m. Tuesday night of last week and charged with possession of under two ounces of marijuana.

Highway Patrolman Bob Dorris of Farwell and City Marshal Ronald Mitchell took

(Continued on page 6)

LOTS OF WATERMELON...A crowd of several hundred people were on hand at the annual community-wide watermelon feed Tuesday night of last week at Mustang Field. Shown here serving a portion of the 100 watermelons to Tammy Hutto, left, and

Diana Naegle is C.E. Trimble, board member. The event is personally hosted by members of the board of trustees of the school district as an occasion for residents of the community to get acquainted with new teachers in the school system.

Reflections From The Blade

TEN YEARS AGO—SEPTEMBER 4, 1963

For the second consecutive school year, enrollment here soared past the 500 mark. A total of 544 students had been registered by noon Tuesday with more coming in at that time. The total was expected to reach 560 by yesterday afternoon.

Construction work is in progress this week on a new concession stand and restrooms for Mustang Field. The structure, which will be of concrete tile construction, will cost about \$2800, Superintendent Warren Morton says.

Bovina Mustang Band will make its first marching appearance in past few years at halftime of Friday night's football game between Bovina and Springlake.

Mustang Field is slated to be in tip-top condition for the first football game of the season. It has new turf and recent showers have aided in getting it ready for the fast-approaching season.

Jim Russell, manager of Bovina Wheat Growers, Inc., presented a premium check to Jim Heard, Bovina farmer, for delivering the first load of 1963 grain sorghum to Bovina last week. The load was received here earlier than usual—August 27.

A Young Democrats Club for Parmer County was discussed this week, and an organizational meeting scheduled for the Hub Community Center next Monday night.

Pam Wilson, daughter of Mr. and Mrs. A.M. Wilson, was honored with a party on her eighth birthday Wednesday afternoon. The group had a theatre party and returned to the honorees home for refreshments of ice cream, cake and punch.

"Woman's Role in a Changing World" is the theme for Bovina Woman's Study Club yearly studies. Hosting the meeting will be Mrs. Charles Ross and Mrs. Clarence Jones.

The area pheasant population was increased by 150 Thursday.

That many birds were purchased and released by 14 businesses and individuals.

This is one of a series of shipments slated to be made in the county. Birds were also released in the Farwell, Friona and Rhea areas.

SIX YEARS AGO—SEPTEMBER 6, 1967

Students in Bovina Schools, many accompanied by mothers and dads, trekked back to school here Tuesday morning ending the summer vacation and beginning a nine-month school year.

A nose count that morning showed 642 boys and girls had enrolled for classes, with more expected, according to Superintendent L.F. Jacobs.

This week marks the beginning of the eight consecutive Bovina Businesses Cotton Bowl Football Contest.

Everyone 10 years of age or older is invited to pick the winners for weekly cash prizes and the grand prize of a free trip for two to the Dallas Cotton Bowl classic.

A three-day Fiesta on Sept. 14, 15 and 16 will be held for the first time in Bovina to commemorate the 157th anniversary of Mexico's independence. Proceeds for the celebration will go to the Bovina Clinic Fund, according to Victor Barraza, president of the committee, which is sponsoring the event.

The three-day event will begin with a dance on Thursday. Miss Diana Esquivel will be crowned queen of the Fiesta by Mayor Bedford Caldwell. Also included on the agenda is a parade and public dance.

Football season, 1967, begins for the Bovina Mustangs this week.

They go to Cooper, south of Lubbock, to take on the Class B Pirates in the opening tilt of the new season. The Mustangs will be favored to win the tilt, though little is known about the Pirates since this is also their opening game.

Dr. and Mrs. Alan Staley and son have moved to Abilene from Greeley, Colo., where he has accepted a position as an instructor at McMurtry College. Staley is a former Bovina High School principal and Mrs. Staley is a former homemaking teacher here.

The annual Mexican Dinner, served by the Guadalupana Society of St. Ann's Catholic Church, will be held Sunday.

First State Bank Presents - -

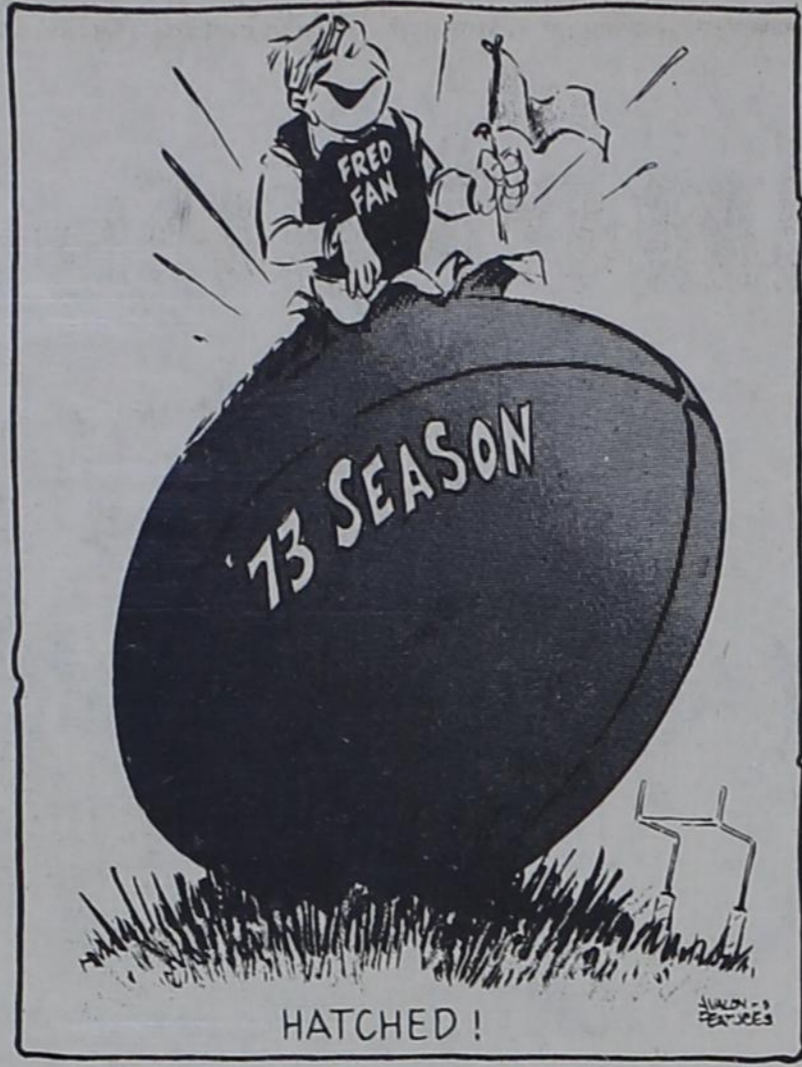

"I don't know what you call 'em here, but in Boston they're prime and choice!"

The First State Bank of Bovina, Texas has announced it will pay the maximum rates of interest on Savings account and Certificate of Deposits.

The Lonely Heart

Work Is Child's Play Telecast Scheduled

"Work is Child's Play," a 30-minute Color special which shows the concept of Career Education at work in Texas schools, will be broadcast over a 19 station television network during "Career Oriented Education Week," September 2-9. Station KGNC-Amarillo will carry the program from 7:30 to 8 p.m., Friday, September 7. KLBK Lubbock will carry the telecast from 6:30 to 7 p.m., Wednesday, September 5.

"Work is Child's Play" was filmed on campuses in six school districts around the state and in community locations in Arlington, Dallas, Fort Worth and Houston. The program stresses the personal side of Career Education, examining the concept from the student's point of view.

The special also portrays the various approaches to Career Education at different grade levels—awareness in elemen-

tary grades, exploration at junior high level, and skill training in high school situations. Texas Governor Dolph Briscoe introduces the special with a 30 second endorsement of the film and the concept it embodies.

"The following television colorcast, 'Work Is Child's Play,' portrays children becoming aware of themselves and the world of work," the Governor says. "Career oriented education is relevant education for all students," he concludes, "and it is a dream becoming a reality."

Funding for the special was provided by the Agency department of Occupational Education and Technology and was produced by the Region XII Service Center and Fred Miller Productions of Austin. Telecast time provided by Regional Service Centers.

Miss Dickerson, David Dixon Exchange Double Ring Vows

The wedding of Miss Barbara Zonelle Dickerson and John David Dixon was solemnized in a double ring ceremony at 6 p.m. Saturday, August 25, in the Assembly of God Church in Canyon with the Rev. A.J. Pettit, pastor, officiating.

The bride is the daughter of Rev. and Mrs. Lloyd Dickerson of Campo Mourao, Brazil. The groom is the son of Mr. and Mrs. John F. Dixon of Bovina.

Vows were exchanged before an altar setting of a 15-branch candelabra flanked by baskets of yellow and white chrysanthemums. Twin seven-branch candelabra framed the wedding party, completing the decorations at the altar.

The bride, presented in marriage by her father, wore a formal gown of Shasta lace and bridal bombasine designed with a high-rise fitted bodice, stand-up collar accented with lace scallops and sweetheart pouf sleeves. Her full controlled skirt formed a chapel sweep. Her cathedral length veil of illusion was bordered with deep, scalloped lace attached to a Dior bow.

She carried a cascade of yellow baby roses with white pom-pom chrysanthemums accented with baby's breath atop a white pearl New Testament.

Carrying out tradition, the bride's slippers were something old, something new was her bridal ensemble, something borrowed was the New Testament and something blue was a garter.

Miss Angela Roll of Albuquerque, N.M., was maid of honor. Miss Marilyn Schuette of Canyon was bridesmaid and Mrs. Joe Don Stevens of Amarillo was bridesmatron.

The attendants wore formal gowns of a floral print in lemon yellow and lime green designed with sheer yokes and pouf sleeves. Complementing their attire, the attendants wore yellow picture hats and carried nosegays of yellow pom-pom chrysanthemums and gypsophila.

Michael Dixon of Bovina served as his brother's best man. Groomsman were Edwin Caddell of Texline and Roger Edwards of Plainview, cousin of the groom.

Jeff McDowell and Bobby McDowell of Canyon, cousins of the bride, lighted the candles. Ringbearer was Shawn Pearson of Canyon. Ushers were Steve Lane of Lubbock, Richard Yancey of Canyon and

MRS. JOHN DAVID DIXON

Eugene Bowman of Bovina.

Mrs. E.G. Peppard of Canyon presented traditional wedding music at the organ and accompanied Miss Cynthia Carter as she sang "The Twelfth of Never," "Let It Be Me," and "The Wedding Song." She also accompanied the bride's parents as they sang "Sunrise, Sunset."

The bride's mother chose a lime green formal gown accented with a yellow glamelia corsage.

Thrifty Club Meets

Mrs. Wilbur Charles hosted members of Thrifty Club at her home Monday afternoon. Members spent the afternoon visiting and working on individual projects.

Refreshments of sandwiches, relishes, cheese cake with apricot topping, iced tea and coffee were served to Mrs. Jerry Ware, Mrs. Bill Bradshaw, Mrs. P.O. Dixon, Mrs. L.M. Grissom, Miss Lola Grissom, Mrs. George Douglas, Mrs. Myrtle Perry and Mrs. Mona Smith.

In a shell

by Lou Nuttall

Hope must spring eternal in the human breast!
For the past week, everyone has opened the conversation with "When does the football contest begin?" And we know of several inter-family and friendly rivalries already springing up with predictions of who will do the best in the annual contest. Don't know whether its football or fall weather, but everyone seems to really perk up when September arrives with its cool nights.

We've already dusted off our stadium seats, sent the stadium bag to the cleaners and sharpened our pencils in anticipation.

Speaking of cool nights, the first norther blew in Monday morning. Hope everyone noted it on their calendar because that first freeze must be due around November 3. One lady has already asked if the First Freeze contest is open for entries yet!

We took a week off after the big Bull Town doings and fully intended to think seriously about the future of BTs. But we slept about 18 out of every 24 hours and consequently didn't get too much thinking accomplished.

However, we do believe there needs to be some major changes in the celebration if we continue to put on a top-notch show. For instance, maybe we need to delete some of the less-popular events, or make some drastic changes and consider adding some new features.

If it were left up to us, we would get the variety show out of that miserably hot auditorium and out on the football field, school officials willing, or at least the roping arena. The auditorium was less than half-filled this year and the temperature was the reason stated for not attending by almost everyone we talked with.

Overheard many comments about the much-smaller crowd attending the barbecue. Tain't so, though. People just finally wised up to a much cooler way of getting to eat that delicious barbecue.

Why go down and stand in line at 6 p.m. when one could just as easily wander over to the line at 7 p.m. and not have to wait? And that is just what people did, apparently, because the plate count remained about the same as in years past and the servers agreed that people kept coming longer than they had in the past. Even had to open one serving line up again when a large crew of New Mexicans came about 7:30.

If anyone has any suggestions for improving the celebration, and especially any additions that might be a welcome change, why not tell one of the chamber directors? We all need to work at keeping Bull Town Days a fresh, enjoyable event that puts our best foot forward.

Since Dolph Moten isn't here to give his witty and unpredictable football contest predictions, would anyone be interested in knowing how the distaff side would predict the games each week?

Aw, come on!

Savings Bond Sales

Series E and H United States Savings Bond sales in Parmer County during the month of July totaled \$2,800, according to County Bond Chairman Frank A. Spring of Friona.

Sales for the seven-month period were \$52,505 for 52 per cent of the 1973 goal of

\$100,000. Sales in Texas during the month amounted to \$17,185,499, while sales for the seven-month period totaled \$137,169,781 with 63 per cent of the yearly goal of \$216.6 million goal achieved.

Invite Bands To Participate

LUBBOCK-Invitations have been forwarded to all high school bands in the South Plains and eastern New Mexico area to participate in the Parade of Bands here Sept. 24.

The parade is scheduled in conjunction with the 56th annual Panhandle South Plains Fair, and cash awards of \$1,250 are being offered in each of the five UIL classifications—AAAA, AAA, AA, A and B.

A \$100 top prize is offered in all divisions. A \$75 award is earmarked for the second place bands, \$50 goes to third place units and \$25 for fourth. Trophies also are presented.

Judges this year include G.T. Gilligan of Kermit, Bill Dean of Odessa and Russell L. Wiley of Lawrence, Kansas. Competing bands will be judged as follows—playing, 50 per cent; marching, 30 per cent; and appearance, 20 per cent.

Entry deadline is Sept. 14, according to fair general manager Steve L. Lewis.

The parade in the past has been the official lid-lifter for the fair. However, the exposition this year gets underway two days earlier—on Saturday, Sept. 22—in its expanded eight-day run.

The fair's "Shower of Stars" has been lauded as the best ever since it was announced

earlier in the year. It offers "family fun for everyone" from the opening show—Lobo and the Earl Scruggs Revue—to the finale, Mel Tillis and Jody Miller, on Sept. 22 and Sept. 29, respectively.

Slated Sept. 23 is Fiesta Mexicana, featuring Vicente Fernandez and Oscar Zamora. Other shows include Mac Davis and Donna Fargo, Sept. 24-25; Lynn Anderson and the Statler Brothers, Sept. 26-27; Dawn, featuring Tony Orlando, plus Ralna English and Guy Hovis

on Sept. 28. Tickets for all shows—slated at 5:30 p.m. and 8:30 p.m. daily—are priced at \$2.50, \$3.50 and \$4.50. They may be purchased at the Fair Park Coliseum box office from 9 a.m. to 5 p.m. Monday through Friday or at Sears' downtown store, Luskey's Western Wear, TG&Y Continental or at The Stage Door in South Plains Mall.

Mail order requests also are being accepted by the fair association, P.O. Box 208, Lubbock, 79408.

Coaches Wives Host Kick-Off Koffee

A Kick-Off Koffee, hosted by wives of the Bovina Mustang coaches, was held Saturday morning prior to the Mustang-Clovis scrimmage in Community Room of First State Bank of Bovina.

Mothers of high school football players were guests at the event.

The serving table was covered with a white cloth and centered with an arrangement of white football mums centered with a gold "B," white spider mums and greenery

accented with maroon ribbon clusters holding miniature footballs. Guests were served fresh fruit compote from a watermelon bowl, sweet rolls and coffee from crystal and silver appointments by cheerleaders, Terri Willard, Pam Wilson, Mary Marcom, Rhonda Rhodes, Christi Trimble and Cathy Trimble.

Approximately 25 attended the coffee which was hosted by Mrs. Roger Ezell, Mrs. Corky Criswell, Mrs. Eugene Boaz and Mrs. Zane Reeves.

natural energy HOME

CLEAN ENERGY FOR TODAY AND TOMORROW

A Natural Energy Home uses natural gas for heating, cooling, water heating, cooking and clothes drying to save you money and help conserve our cleanest natural energy resource... natural gas.

That's because electricity in West Texas is generated by burning natural gas, and in the process of generating and transmitting electricity to your home, 2/3 of the gas energy is lost.

So, by using gas directly in the home for the jobs it can do, you're helping to conserve it and you're getting more energy for your money.

REV. TWEDDLE, D.D. © CHAS. CARTWRIGHT 1246

"Now I know how you talked them into special rates for the clergy!"

A Worthy Cause

Men want to live for something. They want a cause for which to live, and, if necessary, for which to die. They, of course, want to embrace a cause that is worthy of their dedication and loyalty.

When good men are convinced that a cause is noble and worthy of their efforts, they will give themselves to it. It does not even have to be a popular cause. Woodrow Wilson once put it this way—"I'd rather lose in a cause that will one day win than win in a cause that will someday lose."

The cause of Christ will win. We can know that we are on the road to true victory when we follow our Lord. His enemies thought they had won when they put Jesus to death. Foolish men. When Jesus came forth from the grave He won the battle over sin and death. We serve a victorious Lord.

Our Lord's cause may not be the most popular cause in our nation or even in our community. We may suffer the loss of prestige if we stand firm for the cause of Christ. This should not disturb us. Jesus has said that if we lose ourselves in His cause we will not really be losers. We will find in His service the true purpose of life, and our reward will be eternal life.

The Bible has the answers to the questions of life, not science. Science is not the god, but the work of God. God creates while science describes that which is created. The atomic bomb can kill the living, but only Jesus can raise the dead. The cause of Christ is the most worthy cause.

streaked to the five and one-half furlong win in a time of 1:09. Trimble and A.L. Nuttall are at left of horse. Marcia Image came in second and Perfect Pilot third in the race.

LEGAL NOTICE

NOTICE TO BIDDERS
SEALED PROPOSALS addressed to the Mayor and City Council of the City of Bovina, Texas, will be received at the Office of the City Secretary in the City of Bovina, Texas, until 2:00 o'clock P.M., on the 24th day of September, 1973, for the permanent improvement of portions of certain streets by filling, grading, raising, paving, repaving and repairing in a permanent manner and by constructing, reconstructing, repairing and re-aligning curbs and gutters and by widening, narrowing, straightening and by constructing appurtenances and incidentals to any of such improvements including drains and culverts, in accordance with plans and specifications therefor now on file in the Office of the City Secretary, and at such time and place all proposals will be opened and read.

A certified or cashier's check or an acceptable bid bond in not less than five percent (5%) of the total amount bid shall accompany each bid as a guaranty that, if awarded the contract, the bidder will promptly enter into contract with the City of Bovina, and furnish bonds in the forms provided.

The successful bidder will be required to furnish performance and payment bonds each in the amount of the contract, written by a responsible Surety Company authorized to do business in the State of Texas, and satisfactory to the City Council, as required by Article 5160, V.A.T.C.S., as amended by H.B. 344, passed by the 56th Legislature, Regular Session, 1959.

Attention of bidders is directed to the provisions of Article 5159 a, V.A.T.C.S., requiring that not less than the general prevailing rates of per diem wages for work of a similar character in the locality where the work is performed, shall be paid all laborers, workmen and mechanics employed in the construction of public works.

Information for bidders, proposal forms, plans and specifications are on file at the Office of the City Secretary at Bovina, Texas, and are open for public inspection. A set of such documents may be obtained from Douglas-Cheney, Incorporated, at 1638 Main Street, Lubbock, Texas.

In order to pay the contract price, the City of Bovina will handle the proceedings and take the assessment certificates levied, pursuant to and in accordance with the provisions of Article 1105b, V.A.T.C.S., and the abutting property owners shall pay all the costs of constructing property owners curb and gutter plus an amount not to exceed nine-tenths (9/10) of the remaining costs of such improvements; the balance will be paid for by the City from funds legally available for such purpose; all in the manner provided in the bidding documents which are a part of the plans and specifications mentioned herein and incorporated by reference. The contractor will be paid in cash upon completion and acceptance of the improvements.

The City reserves the right to waive technicalities and to reject any and/or all bids, and to award the contract to the bidder who, in the opinion of the City Council, offers the proposal to the best interest of the City.

SEE THE
"YIELDIN'EST HYBRIDS
YOU'VE EVER SEEN"

P-A-G Hybrid Corns are reaching maturity now in test plots planted for your observation throughout the High Plains area.
 Your area P-A-G Dealer invites you to visit these plots and see for yourself the high quality yields that these Hybrid Corns are again producing in YOUR area.
 Observe these varieties which already have proven performance and several NEW varieties that are being evaluated to insure adaptability for your area.

SX 520...A P-A-G single cross Hybrid Corn that is an excellent dual purpose corn for high grain yield-high quality ton silage. **NUMBER ONE** in yield tests conducted in the Dimmitt area during 1972 with a yield of 221.5 bushels per acre.

SX 98...Distinctive because of its dark green color and relatively upright leaf for maximum light utilization. Has a bred-in "digestive system" that gives it the capacity to make full use of large amounts of fertilizer.

344...A very attractive 3-way cross with dark green color and large girthy ears. A real producer.

492...A tall, rugged 4-way with the built-in capacity to produce "tons" of high quality silage over a wide range of conditions. 492 produces lengthy ears with dense grain high in test weight.

After the visit, plan to book P-A-G Hybrid Corn and see what we mean when we say "Yieldin'est Hybrids You've Ever Seen."

EATING AND VISITING...Shown above is a portion of the crowd of several hundred people on hand for the annual watermelon feed at Mustang Field Tuesday night of last week. The event is sponsored by board

members and gives people of the community an opportunity to be introduced to new teachers in the school system. Perfect weather prevailed for the feast this year.

Film Available For Showing

A new film about four young people who get social security payments is available on request through any social security office.

Called "Four, e.g.," the 20-minute color film is suitable for showing at schools, clubs, organizations, and civic meetings, according to Gerald Schlaeppli, social security Field Representative.

"It shows how young people are protected—now and in the future—under social security's retirement, disability, and survivors programs," Schlaeppli said.

The film features John McCormick, a professional singer; Edwina Barnett, a

SCS News

There has been an unusual amount of interest in the planting of cool season grasses this year according to Herb Evans of the SCS Friona.

The varieties vary with intended use. "What I mean by this" Evans said, "is whether there is lots of water available for irrigation, limited water for irrigation, or dryland condi-

tions. These are key factors in determining variety adaptations."

If there is lots of water for irrigation and an intense management planned the tall fescue is a good grass.

If water is limited or the grass will be under stress for water, the tall wheat grasses are a good bet.

Under dryland conditions Western wheatgrass is the best adapted grass. Some of the producers in Parmer County who are planning on fall seeded grass are Dale Hart, Frank Hinkson, Roy White Estate, and R.Q. Silverthorn.

medical student; Lana Brackenberry, a former "Miss Rodeo America," and Craig Crawford, a high school student and golf course employee.

"If your organization wants to arrange for a showing of the film, call our office in Clovis, telephone-762-2977, Schlaeppli concluded.

County 4-H Fair Is Saturday In Friona

THE 5TH annual Parmer County 4-H Fair will be in the Heathington Lumber Co. building in Friona Saturday, Sept. 8. 4-H youngsters from throughout Parmer County will exhibit crops, canned goods, clothing, crafts and small animals in this event. All 4-H youngsters are eligible to compete regardless of age, race, color or national origin.

AN IN-DEPTH stocker cattle shortcourse and cowboy workshop is scheduled for the nights of Sept. 10, 11 and 12 in the Bull Barn in Hereford. Starting time each night is at 8 p.m. The programs are designed to help the stocker cattle producer and feedlot cowboy with the various problems related with handling stocker cattle.

The speakers for the programs include veterinarians, nutritionists, beef cattle specialists and industry people speaking on various topics from herd health to the cattle outlook for 1973-74. With the increase in stocker cattle production in this area a great many problems confront each producer. Many cattle carry these problems to the feedlot, thus giving the feedlot cowboy more trouble than he wants. These three programs are designed to help solve some of these problems.

Parmer County
Jana Pronger

Although known as a "grain sorghum" or "maize" county, Parmer County is fast being changed to a corn county with figures as released through Mack Heald, Parmer County agent, during the past week.

However, grain sorghum (maize) continues to be the leading crop for 1973, with total planted acreage of 126,224.6 to 108,927 for corn.

The county agent, who got the figures through Prentice Mills of the Parmer County ASCS office, released the crop acreage statistics for this year.

Heald commented, "Many crops showed an increase in acres planted. Those not increasing remained stable. One of the big surprises was the amount of wheat harvested [75,564 acres] as compared to last year's harvest of 43,000 acres.

"Of no great surprise to anyone was the corn acreage increase to a total of 108,927 acres, compared to 37,552 acres for 1972."

What may be a surprise to some persons would be the fact that 36 different 'crops' are listed, several of them counting as major crops in this county.

Below is a chart listed by Heald showing 1972 and 1973 acreages.

CROP ACREAGES

	1972	1973
Corn-Grain	32,800.5	104,889.1
Corn-Ensilage	4,752.8	4,037.9
Grain Sorghum	148,807.7	126,224.6
Wheat	43,499.5	75,564.3
Cotton	37,414.3	29,558.6
Set-Aside	147,493.7	---
Barley	3,934.4	9,766.8

Okra	30.7	---
Squash	---	10.0
Lettuce	---	114.8
	437,672.7	374,747.1

After a summer of shorts and T-shirts, children and mothers are thinking about new school clothes.

Before shopping, take an inventory of clothing the child has on hand.

Examine these garments carefully, note their condition, and sort them. Usually, some are still wearable, others need minor repairs, and some should be discarded.

Next measure each child. This way purchases can be made by size—not age. Over the summer months, a child can grow one or two inches in height or width.

When shopping for school clothes, take full advantage of sales—but don't go "overboard."

Purchase only enough for the first two to three months of school. That way, the child won't outgrow them before he wears them out.

Spreading clothing purchases has another advantage—most children are happier with new things periodically rather than all at once.

Often building a small basic wardrobe around the child's favorite color is the answer. This way, items can be mixed and matched.

Several factors influence how much clothing is needed. These include the number of children in a family, their ages, and how often the homemaker does the family laundry.

As a rule, girls need more clothes than boys—but boys' clothing is more expensive. When purchasing school clothing, consider durability, price and care requirements.

For items receiving the most wear, buy the best quality the family can afford. School clothes and shoes must withstand wear longer than a party dress—which is worn only a few times.

Read all labels and hangtags to determine care requirements.

Remember—drycleaning adds to the initial purchase price—and hand washing takes time. Follow instructions for best results—and best return on money invested.

FRIDAY AT MUSTANG FIELD

Ponies, Roughriders Open Gridiron Rodeo

Football season, 1973 version, will be launched by the Bovina Mustangs Friday night against the Boys Ranch Roughriders.

The contest will be played at Mustang Field and will begin at 8 p.m.

In the Mustang camp, enthusiasm, tempered with a touch of cautious pessimism, is running high for the kickoff of the '73 season. Returning as head coach after a successful '72 debut is Roger Ezell along with nine returning lettermen from last year's District 3-A co-champions. The '72 edition of

the Maroon and White posted a 7-3 season in Ezell's first year at the helm.

The Ponies will be attempting to keep intact their three-year win streak against the Roughriders as opening game opponents. In 1970, the Bovina squad outscored Boys Ranch, 32-7; in 1971, topped their opponents, 27-18; and shutout the cowboys last year, 16-0.

Although the Roughriders are in the AA classification, the Mustangs will probably be given the edge in the contest,

based on the results of the past three meetings.

However, it would be difficult to persuade Ezell to be more than "cautiously optimistic."

"Boys Ranch only had one scrimmage this year (against Friona) and it is almost impossible to know what to expect when you've seen a team only once this early in the season," said Ezell. "However, we do know they will try to run the option and pass against us."

The Roughriders run out of a wishbone formation on offense

Ezell's Troops Ready To Play

and a five-two-four on defense, the Mustang mentor stated.

Although the BR roster received by Ezell did not list the players positions, the team will probably be led by Jim Wallace, 140-pound junior, at quarterback. The roster lists 12 seniors, nine juniors and 12 sophomores. Average weight of the starting line will be 162 pounds with the backs averaging 143 pounds. The roster lists two other possible candidates for the quarterback position in Eddie Wiggins, 140-pound junior, and Butch Bawcom, 145-pound sophomore.

Ezell was both encouraged and apprehensive about his team's effort in a scrimmage session Saturday afternoon

PEACE-KEEPER.

MARINE CORPS RESERVE

against Clovis junior varsity at Mustang Field.

"We moved the ball fairly well on offense, but we were inconsistent," he commented. "Fumbles and offside penalties would have killed our offensive drive if it had been a regular game." Ezell noted that the defensive unit was "weak" on the outside run and the pass.

The Mustangs pushed across one TD on offense and fumbled near the goal line on one drive. Dennis Willard intercepted a pass near mid-field and ran it in

Jr. Varsity Plays Dimmitt Here Thurs.

Football season initially gets underway here Thursday at 5 p.m. when the Mustang Junior Varsity hosts Dimmitt's freshman team. Dimmitt is in a Class AA conference.

The Mustang JV is composed of freshman, sophomores and upperclassmen ineligible to compete on the varsity squad.

Admission to the game will be 75 cents for adults and 25 cents for students, announces Superintendent L.F. Jacobs. Adult admission has been raised 25 cents over last year's prices, however, student admission remains the same.

Included on the JV roster are Robert Olvera, Dean Owens, Rocky Bartlett, Lary Sides, Tommy Serna, George Isaac, Danny Harris, Irvin McDaniel, Hayden Walling, Jimmy Maltese, Joe Olvera, Ken Sorley, Terry Schilling, Ruben Serna, Ellie Hernandez, Steve Guest, John Caldwell, Duane Mitchell and Clint Cox.

for the second Pony score. Clovis pushed across one TD in the contest.

The Clovis scrimmage was the second pre-season workout for the Mustangs against outside opposition. They scrimmaged Lazbuddie the previous week.

The Ponies came through both contests in top physical shape, for a change. No injuries were sustained in either tilt and the roster will be at full strength for Friday's contest.

Admission to varsity games this year will be \$1.50 for adults and 75 cents for students. Adult tickets remain the same as last year with a 25 cent increase for students. Superintendent L.F. Jacobs said the admission prices were set at a meeting of District 3-A officials at Springlake-Earth last week.

Probable offensive starters for the Mustangs--
Center--Ricky Stanberry, 159, sophomore;
Guards--Tony Serna, 181, senior; Joe Steelman, 179, junior;
Tackles--Danny McKay, 222, senior; Terry Sherrill, 212, senior;

Ends--Roy Hartzog, 143, senior; Chuck Gilbreath, 149, senior;
Quarterback--Dennis Willard, 148, sophomore; or Billy Shelby, 170, senior;
Fullback--Alton McCormick, 139, junior;
Halfbacks--Billy Shelby, 170, senior; or Elbert Shelby, 176,

sophomore; or Ray Martinez, 174, sophomore.

Probable defensive starters--
Ends--Elbert Shelby and Martinez;
Guards--Sherrill and Steelman;
Tackles--McKay and Serna;
Middle linebacker--Billy Shelby;

Halfbacks--Joe Delgado, 122, senior; Willard or Tommy DeLeon, 145, sophomore;
Cornerbacks-- McCormick and Gilbreath.

SCHOOL Lunch Menu

Sept. 10-14

MONDAY--Irish stew, cabbage slaw, cornbread, butter, crackers, chocolate cake and milk.

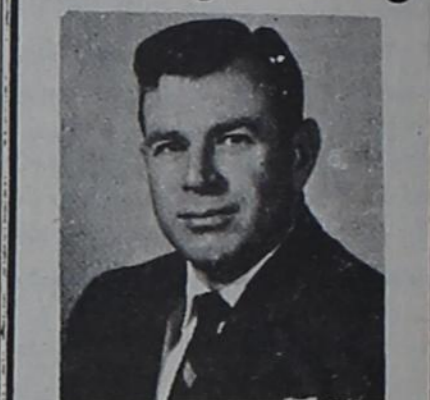

TUESDAY--meat loaf, macaroni and cheese, blackeyed peas, cornbread, butter, apple pie and milk.

WEDNESDAY--steak fingers, creamed potatoes, corn, hot rolls, butter, strawberry preserves and milk.

THURSDAY--lettuce, hamburgers, tomatoes, onions and pickles, brownies, fruit and milk.

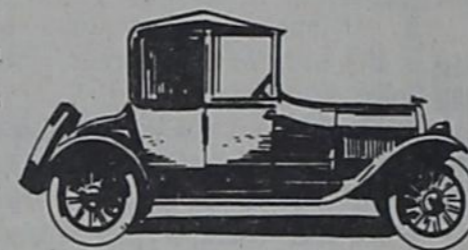

FRIDAY--tuna and noodles, English peas, tossed salad, hot rolls, butter, peanut butter cookies and milk.
