

Record Crowds Expected at Ball Game

Entire Town Will Close From 4 to 6

'Doctor, Lawyer, Merchant, Chief', Will Take Advantage of 'Holiday'

Midland will be truly a "deserted village" this afternoon from 4 until six while doctor, lawyer, merchant, chief and all others, take advantage of a 2-hour "holiday" to see the Midland Cardinals and the Odessa Oilers inaugurate the baseball season here.

In response to a plea by the Retailers' Committee of the chamber of commerce, practically every place of business in the city will close. Every drugstore, dry goods store, grocery store and all others will bar the doors and "take off" for the game.

Plans calling for a parade through the downtown section of the city were cancelled today because of the limited amount of time existing between the time of closing the stores and the start of the game.

The game is scheduled to start at 4:30 and there is sure to be a rush for tickets almost impossible for the ticket sellers to handle.

A large delegation of fans is expected to come from Odessa to see their team in action in the first league game. Claims were voiced this morning that at least as many as 500 persons would journey from the Ector capital for the opener here.

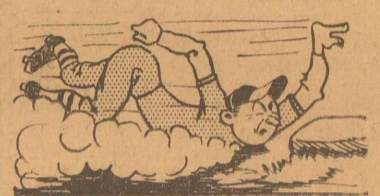

The two clubs will play here today and tomorrow and will be in the Odessa park Thursday and Fri-

day of this week, following that the

Cardinals will be at home for four days against Wink and Hobbs. There will be very little ceremony before the game this afternoon. Umpires Hunter and Calloway will call "play ball" and Mayor M. C. Ulmer will toss the first ball to Mayor Wiggins of Odessa who will be at the bat. Behind the plate will be Wray Query, veteran minor league player and owner of the Midland franchise.

The Anderson Music Company of Big Spring has offered a large gold trophy to the league club boasting the largest attendance opening day

and local officials frankly are "gunning" for it. Permanent ownership of the trophy is offered the club winning it this year.

Admission will be only 40 cents for adults and 25 cents for children. Knot Hole tickets will be given to all youngsters below the age of 12 tomorrow but the tickets do not admit them to Sunday and holiday or the opening games.

'Tis Mutiny—All Members of Party Catch Tarpon Except The President

CORPUS CHRISTI, May 4. (P)—President Roosevelt sailed aboard the yacht Potomac today from Port Aransas to Port Isabel for an expected two day trip. The president got one tarpon yesterday while son Elliott and others accounted for 13.

CORPUS CHRISTI, May 4. (P)—Fisherman's luck was not with President Roosevelt Monday morning as he trolled along the south jetties at Port Aransas. Nine tarpon were caught by members of the presidential fishing party in about three

hours of fishing. The president received two pulls but failed to land a silver king.

Captain Bastille of the destroyer Moffett landed four tarpon. The president's son, Elliott, and Col Edwin M. Watson, military aide to the nation's chief executive, each landed two tarpon. Dr. Ross McIntyre, White House physician, caught one tarpon.

Catches made by those in the party did not discourage the president, who declared: "I'll take my chances with the rest of them."

He fished again in the afternoon.

BASQUES WAGING BITTER FIGHT TO REPEL FASCISTS

Passenger Liners Rush Evacuation Of Residents

ST. JEAN DE LUZ, France, May 4. (P)—Bilbao's Basque defenders fought to the last ditch in a battle against a crushing insurgent drive today as a fleet of passenger liners raced to assure evacuation of refugees to about 10,000 women and children.

The wife and children of the Basque President, Juan Antonio Aguirre, arrived Monday at Biarritz, France, after flight from Bilbao, besieged capital of their country, from which French and British warships began evacuation of their own nationals.

The flight of the president's family was regarded as indicating the grave view taken by Basque leaders of the fate of their chief city. Senora Aguirre and her children joined hundreds of other Basque leaders who had preceded them into France.

To St. Jean De Luz the British destroyer Faulknor brought the first refugee contingent, arriving from Bilbao with twelve passengers, including the British consul and vice-consul. A little later came the French dispatch ship Somme, carrying 72 French and Belgian refugees.

New President Of General Motors

DETROIT, May 4. (P)—William S. Knudson, who worked up from the ranks, was named president of General Motors today, succeeding Alfred P. Sloan, Jr., now board chairman.

WALLY, EDWARD ARE REUNITED IN FRANCE ONCE MORE

Wedding Plans Will Be Announced In Near Future

MONTIS, France, May 4. (P)—Edward, Duke of Windsor, was reunited with Wallis Simpson, for whom he gave up a throne, on the doorstep of a rambling old castle here today.

The Duke took her in his arms, then they went inside the house. She had sent a motor car to meet the train on which he was riding, and he made a cross-country trip for the last four hours.

His journey was hastily begun yesterday after he heard that her divorce decree was final. Friends said that marriage plans of the couple would be announced soon.

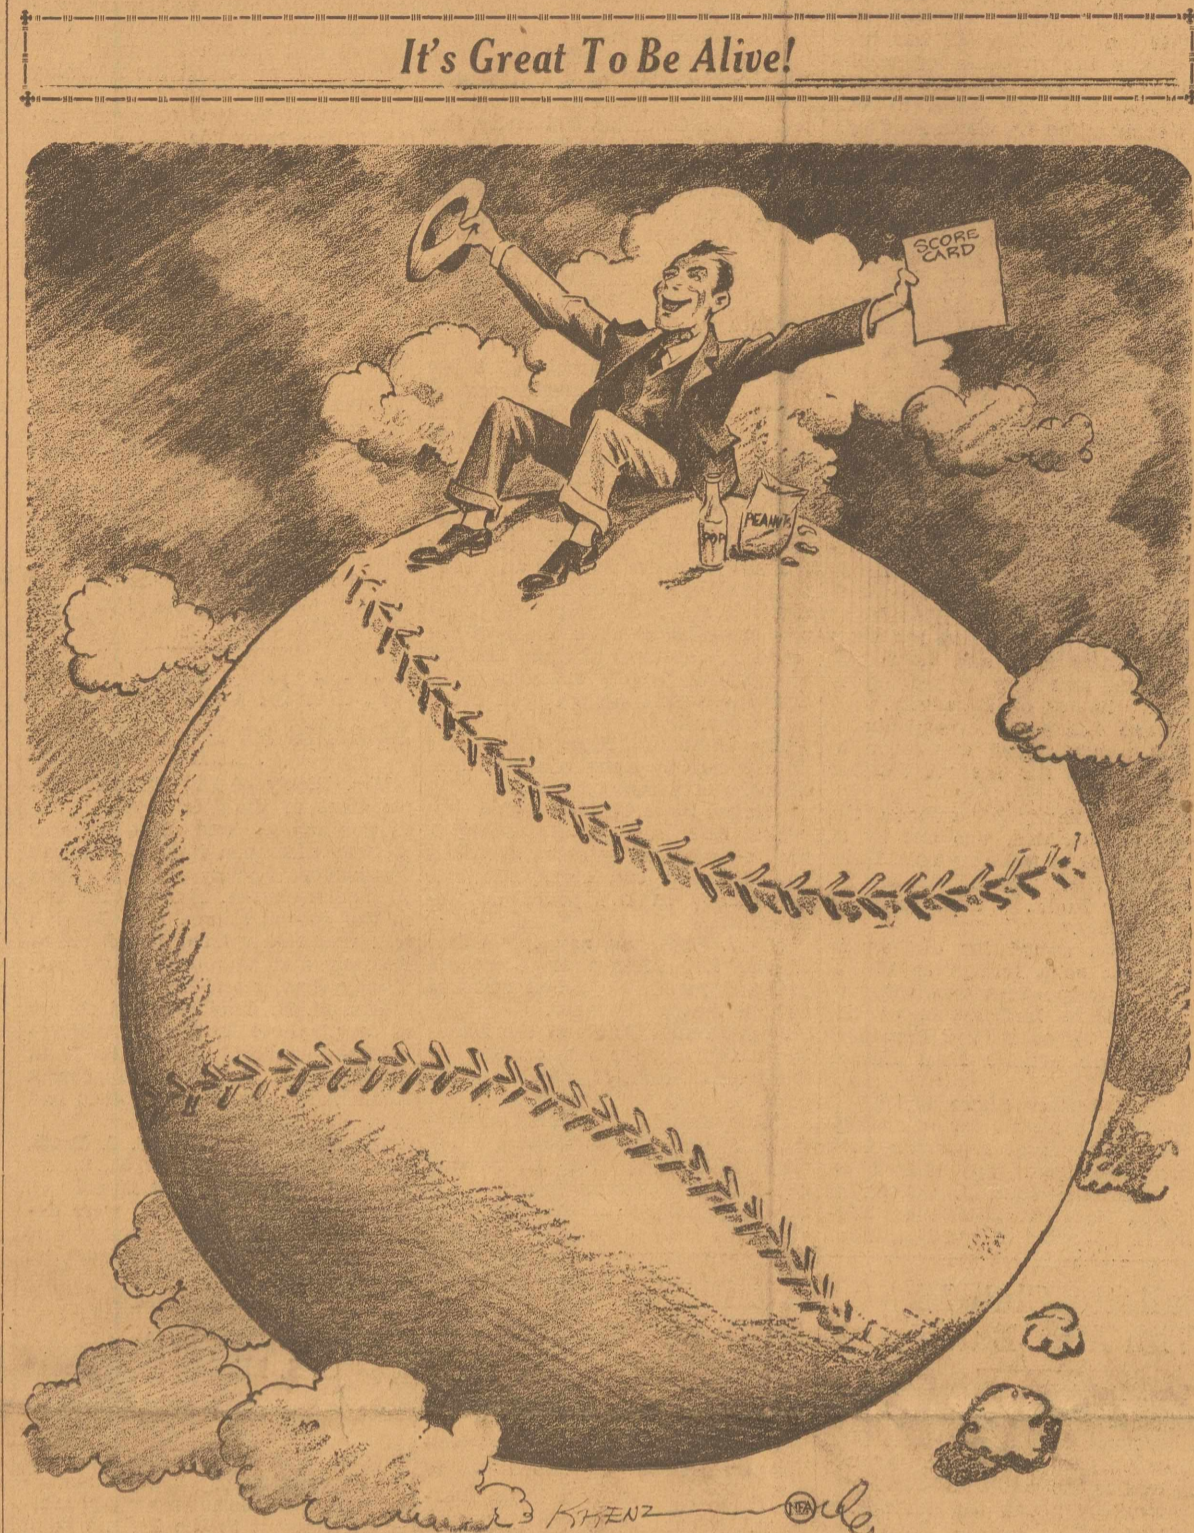

FACULTY PLAY TO BE OFFERED WED.

High School Auditorium Scene of Annual Affair

A program always looked forward to from year to year is the annual faculty play. This year, two one-act plays will be presented tomorrow evening at 8 o'clock in the high school auditorium.

"The Bishop's Candelsticks," based on a scene from Hugo's "Les Miserables," is of a serious nature; "Fourteen" is a clever comedy with lively dialogue.

Admission charges will be 10 and 25 cents. Proceeds will be used for the "Catoico," high school annual, fund.

It's Great To Be Alive!

San Francisco Hotels Are Shut Down By Strikers In 16

RADIO TO LINK ALL COUNTRIES WHEN CORONATION CEREMONIES HELD MAY 12

LONDON, May 4. (U.P.)—Five hundred million people, it is unofficially estimated, in every country of the world will listen in to the Coronation on May 12.

Commentators from 15 countries will describe the happenings in 14 languages through 58 microphones which necessitate 472 miles of wire connections and 12 tons of other special equipment. Some Eskimos in the Arctic wastes will hear the same things as the natives in Central Africa. The Africans' radios are switched on automatically, leaving them the alternatives of listening or putting a spear through the offending "magic box."

The broadcast will be available to those at sea, in the air and even to a group of cave explorers who will listen to a radio 400 feet below the ground. All these audiences have been made possible by the plans of the British Broadcasting Corporation, which is preparing for the most complicated and extensive broadcast yet undertaken by the corporation.

Post Set Up In Palace
The descriptive part of the Coronation Day broadcast will start at 10:15 a. m. (4:15 a. m. E. S. T.), at which time an announcer in a specially constructed observation post overlooking Buckingham Palace will describe the activities there as the procession moves down the Mall.

The arrival of peers, commoners, Dominion representatives, foreign royalty and other important personages at Westminster Abbey will be described before King George VI and Queen Elizabeth make their appearance in the palace courtyard at 10:30 a. m. (4:30 a. m., E. S. T.).

An observer inside the precincts of the Palace will announce the entrance of Their Majesties into the ancient, gilded state coach and their departure for the Abbey. Other commentators will pick up the royal party as it passes along the crowded route, while special "effects" microphones will record the noises of the streets to add a realistic touch to the narrations.

To relay these descriptions, two separate control rooms are being established—one, for the home and empire programs, in a room on the southwest side of the nave of the Abbey, and the other, for foreign

commentaries, at the Middlesex Guildhall nearby.

Changes Will Be Possible
Installation of equipment was carried out in such a way that last-minute changes in the observers' positions and requirements could be met without serious dislocation.

In these two control rooms are panels on which will terminate all lines from the Abbey itself and along the route of the procession.

Amplifiers will magnify the weak currents from the microphones to make it suitable for feeding to the connecting control rooms of broadcasting stations. The program will also be fed to each observation post so as to assist the announcers in maintaining continuity.

The foreign panel will be connected with telephone and cable lines, linking them to their respective countries. In addition to the descriptions in English for American stations, the program will be announced in Czech, Danish, Dutch, Finnish, Flemish, French, German, Hungarian, Japanese, Norwegian, Spanish, Swedish and Yugoslavian.

Of the 58 microphones, 29 will be in the Abbey. This large number is necessitated as there will be considerable movement and it is also hoped that this number will enable the listeners to hear the King's voice as the service progresses.

Service May Be Heard
The description of the actual ceremony will be made as well as of the entry and exit of the procession to and from the Abbey. It will be the first time that a radio audience has heard the service.

The return from the Abbey to Buckingham Palace will be broadcast in a similar manner as the trip to the Coronation. The final part of the broadcast will be between 3:30 and 4 p. m., when the appearance of Their Majesties on the balcony of the Palace will be described.

To insure against a possible breakdown, a large number of the many circuits will be duplicated. The installation and maintenance of this equipment is being accomplished by a corps of E. B. C. engineers who also are responsible for the loud-speakers which will be along the route to keep the millions of spectators informed as to happenings on others parts of the route.

Labor Threatened In Many Places By New Troubles

SAN FRANCISCO, May 4. (P)—Guards were reinforced around some of San Francisco's 16 strike-besieged hotels today as hopes for a quick settlement waned.

The sanitary department threatened to shut buildings if regulations are violated. No new guests are being accepted.

In Pittsburgh, Pa., negotiators for the Lewis steel union pressed demands for a contract from the Crucible steel company and two other independents, saying they will "get definite action today one way or the other."

In Washington, Secretary of Labor Perkins proposed to the second labor-industry collective bargaining conference that a state labor mediation service be expanded to help settle strikes.

LONDON BUS STRIKE CRIPPLES TRANSPORTATION

LONDON, May 4. (P)—Any attempt to break the strike of busmen now might cause complete tieup of all subway and street car unions which are reported eager to join in the strike, which is giving Britain a headache before the coronation of the King May 12, it was reported today.

WOMEN PICKETS CALLED OFF IN HOLLYWOOD

HOLLYWOOD, May 4. (P)—Women marchers were called off picket lines about the motion picture studios here today by the strike committee.

No reason was given but an official said the decision was made after "trouble last night," referring to three vandals who caused an estimated \$15,000 damage to a luxurious beauty salon.

Clothing Needed For Ill Persons

Several persons of destitute families need clothing in order to enter the sanitarium for treatment. Perhaps some of the people of Midland would like to help provide clothing for these cases. If interested, call Case Worker, Welfare Office, 419 E. Texas, telephone number 159.

BOTH CLUBS "SET" FOR INAUGURAL GO

With Old Sol promising to "behave" after having threatened to disappear in favor of rain clouds earlier in the day, a record number of spectators was anticipated at the opening game of the West Texas-New Mexico League baseball game this afternoon at 4:30 when the Midland Cardinals and the Odessa Oilers take the field at City Park.

Managers Joe Davis of Midland and Charley Bryan of the visitors indicated their charges were "set" for the opener and both promised to "shoot the works" in an effort to cop it.

LIONS CONVENTION INTO FULL SWING: 25 GO FROM HERE

New Governor Will Be Chosen Today In Big Spring

With over 250 registrations recorded, the annual convention of district 2-T, Lions International, was in full swing by yesterday evening, the convention calling for adjournment early this afternoon following a general assembly luncheon at the Settles Hotel today noon at which time the new district governor was to have been elected and the next convention city selected. Joe Pond of Colorado and Omar Burleson of Anson were the principal candidates in the race for district governor, very active campaigns being waged. Lubbock is bidding for the 1938 convention, no opposition having been voiced by late yesterday evening.

In an amateur contest staged in the city auditorium at Big Spring yesterday evening, Dick Colvin, representing the Midland Lions Club, won first prize with a tap dance number, generous applause recalling Colvin to the stage five times. Colvin was accompanied at the piano by Miss Mary Beth Scruggs.

The Midland club was awarded further honors when it was announced that the local club was one of the 13 model clubs of the district. Peocos was acclaimed the most model club of district 2-T.

The convention got underway Sunday night when Attorney General William McCraw addressed a large gathering at the First Baptist church. Early morning breakfasts Monday morning started yesterday's activities, the convention proper opening at 9:15 o'clock, District Governor Elmer Elliott of Daltair presiding.

Addresses of welcome were made by W. T. Strange, Jr. and Clyde Thomas of Big Spring, response to the addresses of welcome being given by Lion Claude O. Crane of Midland, John P. Butler, president of the Midland Club, was appointed chairman of the credentials committee.

The Monday morning session was featured by an address by International Director J. Earl Tanner of El Dorado, Kansas, the speaker stating that Lionism is continually growing, there now being over 2,700 Lions Clubs with a total membership of over 90,000. Lions International, organized in 1917, was the first organization of its kind in that it was organized primarily as a service club, stated Lion Tanner. Tanner discussed the six major objectives of the international organization, stating that during last year Lion clubs recorded over 12,000 activities which were beneficial to the various communities where Lionism is known.

An interesting and inspirational address, interspersed with a bit of humor, was delivered by Ross Covey of Sweetwater, governor of District 2-E. Covey took as his topic, "How to Measure a Lion or a Man."

Model luncheons by the Colorado, Floydada and Alpine clubs were staged during the noon hour.

The afternoon session featured an address on "Safety," by Dr. Bradford Knapp, president of Texas Tech at Lubbock.

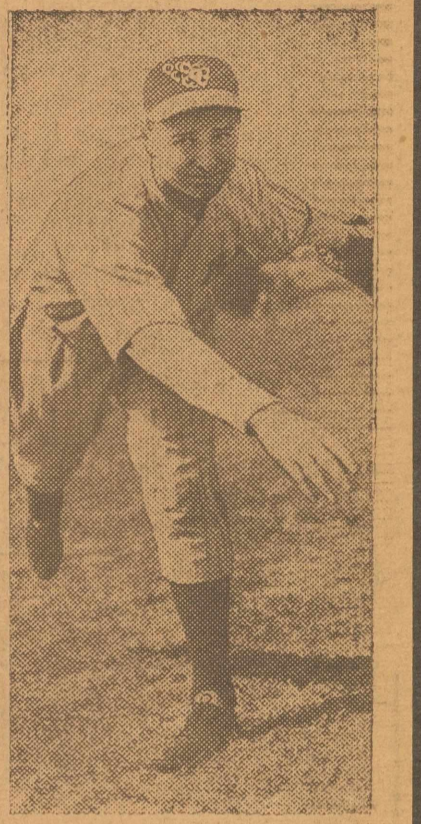

A barbecue at the City Park and the Governor's Ball at Hotel Settles wound up the Monday program.

Among those from the Midland club attending the convention on Monday were: John P. Butler, president, George Phillipus, secretary, Claude O. Crane, R. C. Conkling, Tom Parker, Thomas Imman, Jimmie Hoover and Bill Collins. A large delegation is in attendance today.

Pope Answers Note From Nazi Germany

VATICAN CITY, May 4. (P)—The pope replied to a recent German church note today by saying that the Catholic church must be left free to "fulfill its mission" in Nazi Germany.

Cardinals

Dais—P.

Nook—P-OF

Schiffer—1-B.

Because of a severe chest cold that he has been unable to rid himself of, Davis indicated he would probably call upon one of his younger pitchers to pitch the opener, "Andy" Daiss, right-hander, was expected to get the nod, having shown more form in recent workouts than any of the other boys.

Bryan indicated he would probably start Woodyard, a left hander who shut out the Big Spring club Sunday without a hit in the three innings he toiled. Should relief

Tickets to today's game can be purchased at the Wall Street drug store at 108 West Wall street. The rush at the park ticket windows can be avoided by buying the tickets before game time.

pitchers be needed by either club Noren will probably get the call from Davis while Keller will probably take the place of Woodyard.

At first base Davis will start Schiffer, one of the two left-hand batters of the squad. At second will be Orr, at short stop, Stine, at third, serafine in left field, Nook, the other left-hand hitter, in center Randall and in right Murphy.

The Cardinal pitching staff looms as 100 percent right handed, Nook being the only possibility of a left hand hurler. He is being used in the outfield because of his hitting ability. The Odessa mound staff is predominately left handed with Woodyard their number one south-paw.

It will be the first look at the Midland team that patrons have ever had, no games having been played since their arrival here. Most of the boys are from California, having been sent here by the St. Louis Cardinal management, father club of the local team.

The Odessa club will present one face familiar to baseball fans here in the person of first baseman Haley White. White was a member of the local semi-pro club a couple of years ago and was one of the most popular ball players ever to play here.

A left hand hitter, White has been hitting the ball hard in practice games of the Oilers and is expected to prove troublesome for the Cardinal right handers this afternoon.

The Midland batting order will be as follows:
Murphy—RF.
Orr—2-B.
Randell—CF.
Nook—LF.
Serafine—3-B.
Stine—SS.
Schiffer—1-B.
Potocay—C.
Daiss—P.

COUNTRY TO GAIN 8 MILLION AFTER NEW COURT RULING

Russian Agreement Upheld Monday By Court

WASHINGTON, May 4. (P)—A 1933 agreement under which Soviet Russia sought to turn over to the United States \$6,000,000 worth of assets located in this country survived a test in the Supreme Court Monday.

The tribunal ruled that the American Government could sue to obtain \$25,438 which the Petrograd Metal Works had on deposit with August Belmont & Company, New York bankers, at the time the metal works and other private corporations were taken over by the Bolshevik regime.

As part of a plan to adjust claims and counterclaims made by the United States and Russia, the Soviets agreed in 1933 to assign the \$25,438 metal works assets and other property to the United States.

Share Croppers In Flood Areas Move

CHARLESTON, Mo. May 4. (P)—Sharecroppers began evacuating the southern half of Birds Point and the New Madrid floodway today, threatened with inundation for the second time within five months from the Ohio river.

The evacuation order was issued when a 48-foot flood stage was forecast for Cairo Saturday.

SHARP REMINDER

The recurrence of flood conditions in Pennsylvania is a timely little reminder that the administration had better not be too hasty in its sudden desire to lop expenditures off the federal budget.

When the winter's floods struck, it was generally agreed that the government must prepare to lay out vast sums on a comprehensive program for flood control. As the water receded, agitation for such a program died down a bit. Then, when the president called for economy, it began to be more or less taken for general that this flood-control program might be one of the things that would have to wait.

But the need is as pressing as ever. A few days of heavy rain gave dwellers in the Ohio valley a sharp reminder that the conditions which make disastrous floods possible are still present. It would be poor economy to let them go unremedied much longer.

The Ohio golfer who figured in an auto collision near Greensboro, C., perhaps should improve his driving.

Psychologist says that when the hand itches it indicates you are going to receive something. We presume that when the head itches you have received it.

Perhaps Il Duce sent his topnotch soldiers to Ethiopia, and only the backward ones to Spain.

SOCIETY NEWS SECTION

Miss Bennie Sue Ratliff and Mr. Louis Thomas United in Ceremony Here

Rev. McKissick Of Cisco Reads Service

Culminating a series of pre-nuptial social courtesies since the announcement of her engagement, was the marriage of Miss Bennie Sue Ratliff and James Louis Thomas Monday morning at 9 o'clock at the home of the bride's parents, Mr. and Mrs. George Ratliff, 401 North Marientfeld.

Beautiful in its simplicity was the single ring ceremony in the room decorated with roses, sweet peas, larkspur, and gladioli. Rev. J. T. McKissick, president of Randolph College in Cisco, read the nuptial vows in the presence of close friends and relatives.

For her wedding dress the bride chose a two-piece triple sheer navy blue dress with white lingerie trimming, and accessories also in navy and white. Her flowers were a corsage of gardenias.

Immediately after the ceremony the couple left for a wedding trip to southeast Texas.

The bride is the daughter of Mr. and Mrs. George Ratliff. She is a graduate of Midland high school and Texas Christian university, and for the past two years has been secretary to the superintendent of schools here.

Mr. Thomas, son of Mrs. Alma Thomas, is a graduate of Midland high school and the University of Texas. He is district superintendent of the Production Credit Company.

Out of Town Guests Out of town guests at the wedding service were Mr. and Mrs. Thelbert Thomas of El Paso, A. L. Cowden of Valentine, Mr. and Mrs. J. O. Jones of Lubbock, and Mr. and Mrs. E. T. Bailey.

Recital Is Tonight At Christian Church

Mrs. Lee Cornelius is presenting Norma Jean Stice in a piano recital tonight at 8 o'clock at the First Christian church. The public is cordially invited to attend. Norma Jean is ten years of age and is the daughter of Mr. and Mrs. O. W. Stice, 701 North Colorado. She will be assisted by Margaret Ann West, expression student of Mrs. R. Steele Johnson.

The program that is to be presented tonight is as follows: Musette (Bartok) (J. S. Bach), Sonata, No. 1, Op. 1 (Krause) Norma Jean Stice.

Papa's Little Boy (Anon) Yawcob Strauss (Anon) Margaret Ann West. Mazurka, Op. 33, No. 3 (Chopin) Song of the Plowman (Bachmann) Dance Caprice (Greig) Norma Jean Stice.

Mrs. Johnson Is Hostess Monday

Mrs. Frank Johnson, 1805 W. Wall, was hostess yesterday to the Episcopal Auxiliary. Mrs. F. E. Lewis read the lesson for the day from "Forward Day by Day." The Stag Dinner has been postponed until next week because of illness.

The auxiliary will meet with Mrs. C. R. Inman next Monday.

Mrs. Dick Gile and her mother, Mrs. Kirk, were guests. Members present were Mrs. Jack Brown, Mrs. I. E. Daniel, Mrs. J. D. Dillard, Mrs. Allan Hargrave, Mrs. C. R. Inman, Mrs. Robert Muldrow, Mrs. Don Silvals, Mrs. S. B. Iverson, Mrs. Charles Vertrees, Mrs. A. N. Hendrickson, and the hostess, Mrs. Johnson.

'Gone With the Wind' Awarded The Pulitzer Prize for Novels

NEW YORK, May 4 (AP)—The St. Louis Post Dispatch, the novel "Gone With the Wind," and the play "You Can't Take It With You," received Pulitzer awards for excellence in American journalism and letters last night.

The committee, announcing the awards at its annual banquet last night, said the "disinterested and meritorious public service" for which the Post Dispatch was honored was the exposure of wholesale and retail frauds in St. Louis.

The prize for the best American historical work went to Vau sale registration frauds in St. Louis. Wyoks Brooks, for his "Flowering of New England."

Nevis' Biography Wins The biography prize was given to Allan Nevins, for his "Hamilton Fish, the Inner History of the Grant Administration."

"Gone With the Wind" is Margaret Mitchell's Civil War novel which has set a record as a best seller and soon will be made into a moving picture. Charging that certain parts of her book, "Authentic History of the Ku Klux Klan," were used without permission in "Gone With the Wind," Susan Lawrence Davis of Washington, D. C., has filed suit asking a profit accounting and injunction from the sale of the novel. Miss Davis' book was published in 1924.

"You Can't Take It With You," is a comedy of American life written by Moss Hart and George S. Kaufman, and now is playing to capacity houses on Broadway.

Anne Leads Correspondents The poetry award was given to Robert Frost for his "A Further Range."

The best newspaper cartoon, the committee decided, was one by C. D. Batchelor of the New York Daily News, entitled "Come On In, I'll Treat You Right. I Used To Know Your Daddy."

The \$500 award for distinguished service as a foreign or Washington correspondent was voted to Anne O'Hare McCormick, of the New York Times, for her dispatches and feature articles from Europe in 1936.

Five Scribes Share \$1,000 The \$1,000 award for a distinguished example of reporter's work during the year was shared by five reporters, John J. O'Neill, of the New York Herald-Tribune; William L. Lawrence of the New York

Times; Howard W. Blakeslee, of the Associated Press; Gobind Beharilal, of the Universal Service and, David Dietz, of the Scripps Howard newspapers.

They were awarded the prize for their coverage of the Harvard tercentenary celebration last year.

The \$500 award for distinguished editorial writing during the year went to John W. Owens, editor of the Baltimore Sun.

Swasey Gets Art Prize On nomination of the teaching staff of the graduate school of journalism, Columbia University, the following received traveling scholarships, valued at \$1,500 each.

Richard T. Baker, of Cedar Falls, Iowa; Fred J. Panwitt, of Nokomis, Ill., and Robert W. Root, of Ames, Iowa. Alternates were Jack Steig of Rockaway, N. J., Elizabeth Ryan, of South Hadley, Mass., and Vance Packard of State College, Pennsylvania.

The annual scholarship of \$1,500 to the student of music deemed most talented went to Ross Lee Finney, of Smith College, Mass., and the \$1,500 scholarship in art was awarded to David P. Swasey, of New York City.

In the field of journalism the following received honorable mention: The Providence Journal and Evening Bulletin (Rhode Island) for a research study of direct and indirect taxes based upon a year's detailed expenditures of three families of working people, revealing that taxes take 14.74 cents out of every dollar spent.

The Cleveland Press (Ohio) for its exposure by news, editorials and cartoons of a cemetery racket.

Dallas News Cartoon Listed The Atlanta Journal (Georgia) for its campaign by news, editorials and radio to end corruption and inefficiency in the police department.

W. W. Maymack, associate editor of the Des Moines Register and Tribune, for distinguished editorial writing during the year.

John Francis Knott of the Dallas News (Texas) for his cartoon on dust storms, entitled, "Nature's Answer."

Quincy Scott of the Portland Oregonian, for his cartoon entitled "East Side West Side. All Around the Town," depicting Alfred E. Smith walking with the republican elephant.

Palette Club Met With Mrs. Barron

Mrs. Ralph Barron was hostess Monday night to the Palette Club at her home, 311 North F street. Mrs. Willie Stell Oliver gave an interesting talk to the group. Roll call was answered by giving the name of a Texas artist.

Each member brought the favorite piece of their own work and the paintings were on display for the evening.

After a business session, there was a social meeting. A refreshment plate was served to two guests, Mrs. Rushing and Miss Shaw, and the following members: Mrs. N. W. Bigham, Mrs. Mary S. Ray, Mrs. Willie Stell Oliver, Mrs. Clarence Hale, Mrs. P. H. Lanham, Mrs. G. H. Butler, Mrs. D. B. Snider and the hostess, Mrs. Barron.

Brown Neutralizes Too Bright Light

In decorating a bedroom which has plenty of light, brown, a light coffee color, cinnamon, or medium brown may be effectively used. In suburban homes some bedrooms with windows on two or three sides have too much light for a restful effect, and brown tends to tone down the light. Brown walls are good also in a room finished in the natural shade of the wood, creating a sense of harmony.

The choice of many interior decorative effects may be made by the prospective owner of a home financed under the insured mortgage plan of the Federal Housing Administration.

Naomi Class to Have Business Meeting

The Naomi Sunday school class is to have a business meeting tonight at 7:30 at the home of Mrs. Butler Hurley, 604 N. Big Spring. All members of the class are urged to be present for the meeting.

Appreciative Group Attends Recital

There was a record attendance last night at the piano recital of Miss Cieta Dee Tate in the Crystal Ball Room of Hotel Scharbauer. She was presented by the Watson School of Music and gave a very lovely recital. The ball room was decorated with spring flowers and pot plants of varied colors. Miss Tate is the talented daughter of Mr. and Mrs. Harry S. Tate, and will graduate from Midland high school this spring.

Assisting the pianist were Bettie Jo Tate, violinist; Miss Lucile Guffey, pianist, and a selected string ensemble. Ushers were Misses Frances Mahoney, Lucile Guffey, Clio Tidwell and Bertha Flournoy.

Miss Tate presented the following program: The Field Ensign, (Goggan) Select String Ensemble.

Etude de Concert, No. 2, (Chaminade) Cieta Dee Tate.

Fragment from Concerto in G Minor, (Mendelssohn) Cieta Dee Tate.

Nocturne, Opus 15, No. 2, (Chopin), (A) o. 1 from 16 Two Part Inventions (Bach), (B) Prelude, Opus 28, No. 20, (Chopin) (C) Mazurka, Opus 68, No. 3, (Chopin), Cieta Dee Tate.

Violin, Valse Bluette, (Drigo) Bettie Jo Tate.

The Rosary, (Nevin), Cieta Dee Tate.

Witches Dance, Opus 17, No. 2, (McDowell), Cieta Dee Tate.

Well Acquainted Trees, (Wagness), Cieta Dee Tate.

Piano Duet, Invitation to the Dance, (Weber), Cieta Dee Tate and Lucile Guffey.

W. M. S. Officer Speaks at Meeting

Mrs. Bickly of Big Spring, vice-president of the North West Texas Conference, was guest speaker Monday afternoon for the Woman's Missionary Society of the First Methodist church. The meeting was in the church annex. Mrs. Bickly's talk was taken from the book of Romans and was on the subject: "Study, Service and Prayer."

Mrs. M. H. Crawford had charge of a playlette entitled "Achievements in World Evangelism," in which Mrs. C. T. Wilson, Mrs. Frank Adams, and Mrs. W. F. Prothro had parts.

Hostesses were Mrs. W. I. Pratt, Mrs. Terry Elkin, Mrs. J. M. Speed, Mrs. E. O. Hedrick, and Mrs. B. G. Grafa. The serving tables were decorated with bowls of honeysuckle and roses and lilies. Thirty members were present.

World Rushes to Buy U. S. Mining Equipment

DENVER, (U.P.)—A recent check-up of leading manufacturers of mining machinery here revealed that European rearmament has increased sales of the base metal mining equipment to the highest point in history.

Orders from all parts of the world were reported by manufacturing company officials to have swamped their plants to the extent that delivery would be delayed until late in the summer. Although requests for nearly all types of equipment appeared on the orders, particular stress was laid upon the heavy machinery used in the mining of lead, copper, zinc and gold.

Auxiliary Has Business Meeting

All circles of the auxiliary of the First Presbyterian church met Monday afternoon at the church for a business session. It was voted to name each circle for a Bible character. Announcement was made that the Presbyterian auxiliary will entertain all missionary organizations of the city on the fifth Monday of the month, May 31, at the church.

The Secretary of Causes made a report, and circle chairmen made their reports. At the close of the business meeting, Mrs. J. M. Caldwell taught the Bible study from the book of Genesis.

Twenty members were present.

Taxicab Company Opens Office Here

C. H. Bush and Horace Cozart have moved to Midland from San Angelo and are operating the Yellow Cab Company in the one hundred block of North Colorado. The two cab operators were formerly connected with the Bowen Motor Coaches, which operate extensively in Texas. Cozart will continue to operate cabs at San Angelo.

A cake of ice 5000 feet thick and the size of the state of Massachusetts could be melted by the solar heat that reaches the earth in a single day.

Announcements

WEDNESDAY

Play Readers Club will meet at 3:30 with Mrs. J. Howard Hodge, 408 N. Mariengeld. Mrs. A. O. Thomas will read the play.

The time of the Weekly Health program which is broadcast over KRLE, has been changed to 11:00 until 11:15.

Modern Study Club meets at 3 o'clock with Mrs. L. Waldo Leggett, 420 S. Main.

THURSDAY

Girl Scouts will meet at 3:30 at the Baptist Annex.

Mrs. F. L. Pickett, 905 W. Missouri, will be hostess to the Thursday Sewing Club.

Visit the County Museum. It will be open from 2:30 until 5 o'clock.

FRIDAY

Members of the Ladies' Golf Association meet at 8:30 at the Country Club to play golf. Make luncheon reservations with Mrs. Howe at the club. The Set Bridge Tournament begins at 2 o'clock.

There will be a social meeting of the Belmont Bible class at the home of Mrs. T. O. Midkiff, 1002 S. Mariengeld.

Mrs. Butler Hurley, 604 N. Big Spring, will entertain the Escondido Club at 3:00 o'clock.

Mrs. Lee Cornelius is presenting her pupils in a General Spring Recital at 8 p. m. at the First Christian church.

W. M. U. of the First Baptist church is mailing a box of new and used clothing to the Butler Orphans Home. If you have any contributions, call Mrs. Elliott Barron or Mrs. Troy Eiland.

SATURDAY

Children's Story Hour is conducted each Saturday morning from 10-11 a. m. in the Children's Library at the courthouse.

DSR Profits From Use of Ford Buses

Use of Ford equipment which is now rolling up over a million and a half miles a month in the service of the Detroit Street Railway has enabled the company to increase patronage, reduce the cost of handling passengers and to profit accordingly, latest figures on the subject reveal.

Records show that the cost of handling passengers with Ford equipment is 5 and 7/100 cents per passenger while the cost per passenger with other equipments is 7 and 55/100 cents.

A part of the reduction in cost of handling passengers resulted from the greater safety with which Ford units are operated. The records show that accidents are 4.5 percent less and claims 18.8 percent less per hundred thousand dollars of revenue with Ford buses than with other equipment.

That the company is making money is indicated by the fact that it now has over a million dollars in cash in the bank, a cash position unique among transportation companies.

Faster and more frequent service which has accompanied the increasing use of Ford units has resulted in a corresponding increase in employment of men and wages paid to drivers and shopmen. Yet the DSR today is paying these drivers and shopmen the highest wages of any transportation company in the country.

Shopmen receive approximately 85 cents an hour and the shop foreman is paid a higher salary than most heads of automotive departments. The increase in patronage, shown to be 43 percent on line on which Ford units are used exclusively, is ample evidence that the public approves the use of light, fast equipment.

Fatted Calf Reduces 200 Pounds in 19 Days

HARRISBURG, Ill. (U.P.)—A 500-pound calf that disappeared from a farm near Carrier Mills, Ill., was found after 19 days in an old straw stack. It was 200 pounds lighter than when it strayed.

When liberated, the calf, though considerably weakened, managed to evade two men and ran to a nearby pond to quench its thirst.

The cameraman's job in the production of a motion picture is said to be the hardest; the actors and actresses get the credit.

Says Varicose Veins Can Be Reduced At Home

Prove It At Small Cost

If you or any relative or friend is worried because of varicose veins, or bunches, as good advice for home treatment as any friend can give, is to get a prescription known as Moone's Emerald Oil.

Simply ask Palace Drugs or your druggist for an original bottle of Moone's Emerald Oil and apply night and morning to the swollen, enlarged veins. Soon you should notice that they are growing smaller and the treatment should be continued until the veins are no longer burdensome. So penetrating and powerful is Emerald Oil that it helps simple swellings due to strain to disappear. (Adv.)

'She's Dangerous' Showing at Ritz

What kind of women are most dangerous? That question evoked three diverse answers from the principal players during the filming of Universal's "She's Dangerous" the picture opening today at the Ritz. Cesar Romero said, "Red haired women are most dangerous. You never can tell when their sudden temper will blaze."

Tala Birell differed. "No; black haired women are most dangerous. They store their anger until it becomes poisonous enmity."

Walter Pidgeon had another opinion. "The color of a woman's hair alone does not make her dangerous. Remember, no fury like a woman scorned. I think the quiet woman is most dangerous. You can't tell what she is thinking. When her long pen-up anger does break, it's dynamite."

Mystery Golfer Cleans Up With Wagers On Self

MIAMI, Fla., May 4—Los Angeles celebrated mystery man of golf, Johnny Montague, reported to have cleaned up \$10,000 in wagers in the last three years. His victims have ranged from George Von Elm to

OF LOCAL INTEREST

Al Cowden, here from his Davis Mountain ranch, reports good weeds in that area, with a fair growth of dry grass. Another rain in the near future would assure fine summer grazing, he said.

T. E. Johnson, Amarillo newspaper man, and his mother, Mrs. Alice Johnson of Hedley, are here

ELECTRICITY PRODS CATTLE

ST. LOUIS, (U.P.)—Balky cattle at the National Stockyards are shocked into activity by an electric prod invented by Roy McLaughlin, a Pittsfield, Ill., trucker. The device is an electric coil attached to a broomstick and has been praised by the East St. Louis, Ill., Humane Society.

Bing Crosby and Oliver Hardy. As a rule the "mystery man" spots his opponents anyway from 15 to 20 points. . . . Baseball, America's national pastime, just doesn't go with the Britisher. The only baseball on the British Isles is played now by teams composed of U. S. natives working for British firms and only a few spectators see the games. Cricket is the reason why Ralph Guldahl, who seared the Florida links last winter in the Opens, returned to the resort state in early spring and is rounding out a month of training at the Miami Biltmore Country Club course for the coming P. G. A. tournament. . . . Favorites for the 500-mile jaunt over the red bricks of the Indianapolis speedway Decoration Day, according to the bookies are Rex Mays, Kelly Pettito, Wild Bill Cummings and Ted Horn. . . . In a battle royal of eight pro grunt and groan mat artists recently held in Miami, five were knocked out and two thrown out-of-the-ring. . . . Talk of a new Pan American baseball league is centering around the inclusion of Cuba. That would mean "Class B" ball at least, says Max Carey, once a prominent figure in the big leagues. Jimmy McLarrin fought 13 world's champions yet held but one title. Five holes on the Bobby Jones golf course at Augusta, Ga., are being rebuilt to make tougher going. Those five are too easy for Jones himself. . . . Gar Wood, the speedboat king, goes in for astronomy in a big way. . . . Newspapermen are not allowed in the clubhouse of the Brooklyn Dodgers and are practically barred now from the Giants' clubhouse this season also. . . . Horse racing is staged in Nassau, once weekly and approximately \$15,000 passes through the mutuels.

Court Ruling--

Continued From Page One

private property without remuneration.

But the Supreme Court, in a unanimous decision read by Justice Sutherland Monday, decided:

1. That if Russia chose to take over the property of its corporations, it was no concern of American courts.

2. That President Roosevelt had clear authority to negotiate the agreement to accept the assets.

The decision was limited to the \$25,438 case, but Solicitor General Stanley Reed interpreted it as upholding, in general, the United States' rights to the entire \$8,000,000.

TOWNSEND SPENDER FAILS

IDAHO FALLS, Ida. (U.P.)—Rufus Pack, aged 72, failed in a Townsend plan test. Given \$200 to spend in a month, he had \$60 left at the end. He explained his failure by the fact that he had ordered a set of false teeth which failed to arrive before the time limit of his \$200 spending spree had ended.

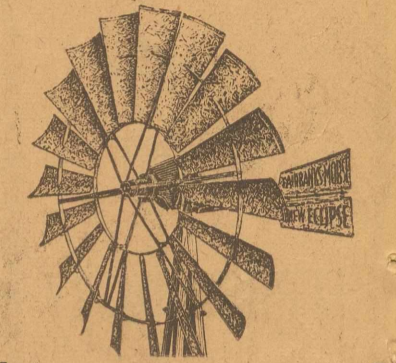

Gas, Gas All the Time, Can't Eat or Sleep

"The gas on my stomach was so bad I could not eat or sleep. Even my heart seemed to hurt. My friend suggested Adierka. The first dose I took brought me relief. Now I eat as I wish, sleep fine and never feel better."

—Mrs. Jas. Filler.

Adierka acts on BOTH upper and lower bowels. White ordinary laxatives act on the lower bowel only. Adierka gives your system a thorough cleansing, bringing out old, poisonous matter that you would not believe was in your system and that has been causing gas pains, sour stomach, nervousness and headaches for months.

Dr. H. L. Shook, New York, reports: "In addition to intestinal cleansing, Adierka weakens bacteria and colon bacilli." Give your bowels a REAL cleansing with Adierka and see how good you feel. Just one spoonful relieves GAS and constipation.

Let us figure your yard irrigation with Fairbanks-Morse electrical pumps or windmills. We handle cypress tanks and steel tank towers.
