Passage of Court Bill Forecast by FDR

M'CAMERY IS HIT BY TORNADO AND 3 PERSONS HURT

Streets Piled With Debris After Storm
DAMAGE \$50,000
50 Buildings Partly Or Altogether Destroyed

M'CAMERY, June 4. — A tornado, whipping at this oil field town, first struck from the northwest shortly after dusk last night, recircled and struck with ravaging force about 8 o'clock, injuring three persons, leveling fragile oil field houses with the ground and hurling debris through the streets. Damage was estimated roughly at \$50,000, with at least 50 buildings partly or wholly destroyed.

The injured were:
Mrs. R. L. Bell of Rankin, cuts and bruises.
Mrs. E. E. Johnson of McCamery, cuts and lacerations about the face.
Gus Rousch, broken collar bone.

The storm crippled power here to leave the town in blackness and the deluge that fell during the blast poured across a section south of the downtown area to maroon residents in the outer portion of the city.

Debris from wrecked buildings littered the streets and rain poured from the main street into store buildings. There was no estimate on the amount of the fall.

An insurance representative here said after a hasty check that 50 structures covered by tornado insurance were affected by the storm. He estimated damage roughly at \$50,000. Darkness prevented accurate checking. It was not determined immediately if there were any casualties.

A portion of the roof of the post office, a concrete and stone building, was blown away. Porch columns of the Baptist Church, a stucco structure, were gone.

Many Roofs Damaged

Sections of the roofs of the Burlington Hotel, sheet iron building, and the Texas Hotel, frame structure, were destroyed.

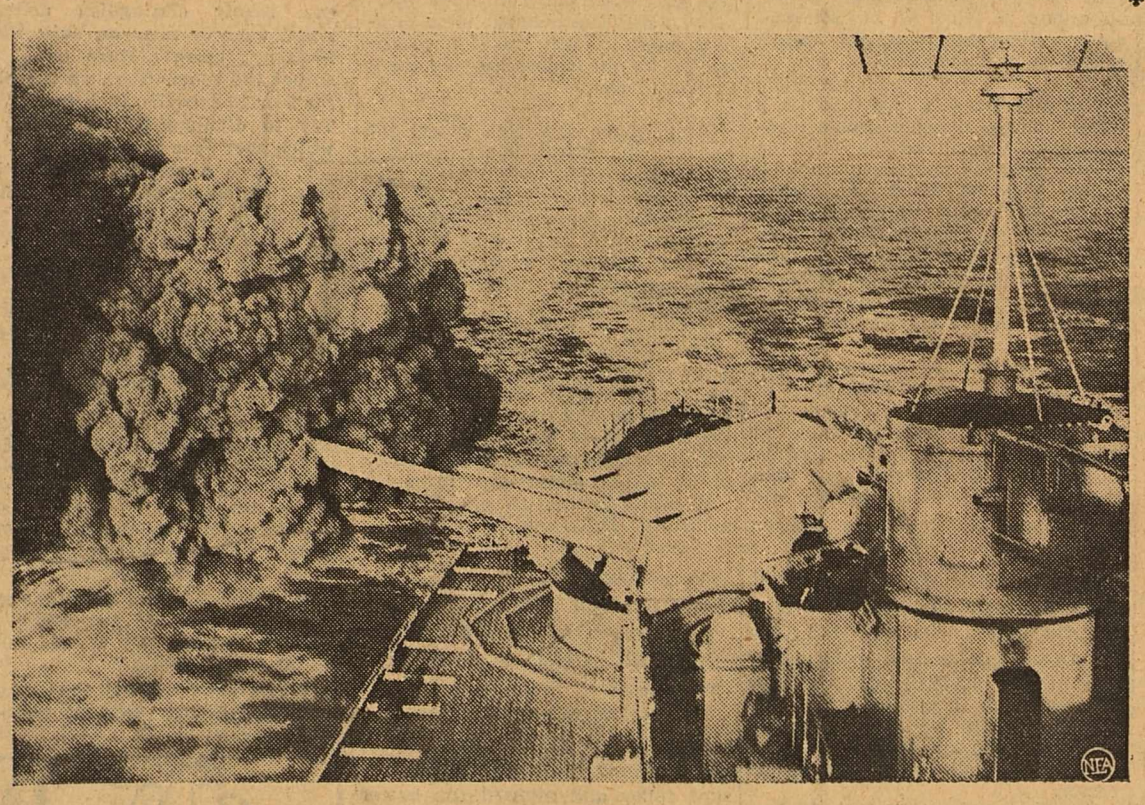

Most of the wind ravage was in the residential sector of the town. Plate windows in the downtown section were shattered by the impact, however.

Milton Kenley, owner of the Kenley Motor Co. in San Angelo and operator of a used car agency at McCamery, learned that the fence around his place in McCamery was blown flat and three cars damaged.

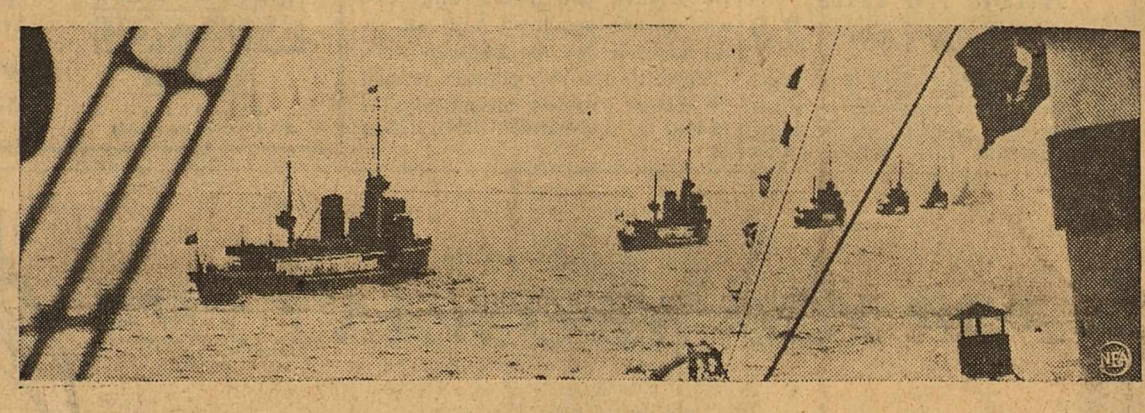

For 30 minutes during the wind impact the town was under water.

A tornado lashed this oil town June 4, 1935, resulting in \$10,000 damage.

Almeria Shelling Echoes Versailles Treaty Violation

In maneuvers, the huge Nazi naval guns above announced the rebirth of the German Navy and roared a defile of the Versailles treaty, which forbade their existence. At Almeria, Spain, devastating shells darted out of the smoke clouds that billow from the guns' muzzels and turned large areas of the unsuspecting city into a shambles in a tragic reprisal for the bombing of the battleship Deutschland. Below, through the shrouds of another vessel can be seen a section of a German parade of its naval might.

SOVIET GROUPS TO UNITE AGAINST GERMANY, ITALY

'United Front' For Spain's Safety Agreed Upon
ATTACK IS CAUSE
Almeria Bombing Is Reason For The New Union

MOSCOW, June 4. (P)—The Komintern, third Communist International, today ended a quarrel with the second Socialist International, proposing a united front throughout the world for "action against German and Italian intervention in Spain."

George Dimitroff, Komintern secretary-general, said the German shelling of Almeria was the cause of the move. He said that mobilization of the masses of workers would be made to force British and French governments to take energetic steps against Fascist intervention in Spain. Germany and Italy will be forced to withdraw troops, he said.

Communist and Socialist labor unions in Spain had appealed for a "united front to save Spain," Dimitroff said.

The proposed pact would include all national league labor unions.

HUNDREDS HEAR BRUNSON RITES HERE THURSDAY

Pioneer Resident Of City Eulogized In Last Rites

Hundreds of residents of Midland and surrounding territories attended the funeral services Thursday afternoon for D. W. Brunson, 80, retired cattleman and banker, who died suddenly at his home here Tuesday. The Rev. Winston F. Borum, pastor of the First Baptist church, officiated in an impressive service at the church auditorium. It was the first funeral ceremony conducted in the newly remodeled church. Pipe organ music was played by Wallace Wimberly and hymns, favorites of members of Mr. Brunson's family, were sung by a select choir directed by W. W. Lackey. Mrs. De Lo Douglas sang a soprano solo.

The Rev. Borum fittingly paid tribute to the useful and influential life of Mr. Brunson, a citizen of Midland since 1886, who had played a large part in development of civic, educational and religious activities here.

Voluntuous floral offerings, a lengthy procession from church to cemetery and a large attendance of friends from neighboring towns and the adjacent ranch territory marked the final tribute to the deceased public benefactor.

Survivors are his wife, Mrs. D. W. Brunson of Midland; five sons W. W. Brunson, L. A. Brunson, G. C. Brunson and D. W. Brunson of Midland, and Henry Brunson of Albany; two daughters, Mrs. A. L. Stell of Fort Worth and Mrs. W. D. Bond of Abilene; sixteen grandchildren and four great grandchildren.

THERE IS A SATURATION POINT

(An Editorial)

Rentals usually are governed by the law of supply and demand. In Midland, demand has exceeded supply for several months, due to the fact that oil activity has made it convenient for many hundreds of good citizens to transfer their places of residence here.

Although approximately two hundred good homes have been constructed during that period of growth, and many houses have been equipped for rental of apartments and rooms, still the demand has exceeded the supply.

Consequently the price of rents has climbed out of proportion. House and apartment owners, having been besieged with applicants for places to live, have been able to ask rentals several times higher than they could have obtained a few months ago and the applicants have been at their mercy.

Even the most reasonably minded people are tempted by such demand to get all the traffic will stand. Thus those who pay rent have been faced with steadily climbing expenses. There is a saturation point. Large corporations employing many of these renters will not continue to see their representatives be the victims of exorbitant expenses. Some already have moved from Midland on this account. Once the trend is started, many others will follow. Property owners can render service both to themselves and to the newer citizens by holding rents to a reasonable basis.

COMPROMISE MAY BE AFFECTED; HE INTIMATES TODAY

Parries Questions On Any Possible Changes
BURKE ADAMANT
Declares Foes Not To Allow Change In The Court

WASHINGTON, June 4. (P)—President Roosevelt today told a press conference there was no question but that the court reorganization bill would be passed this session, but parried questions about a compromise.

He indicated a possible compromise, however, by saying that Senator Robinson gave a correct statement last night when he said the administration might accept modification.

Robinson said amendments would be offered to the bill when it came up on the floor, to which Senator Burke, Nebraska, opponent of the legislation, answered with a no compromise stand.

The Arkansas senator said after the two-hour session at the executive mansion that the bill to add new justices to the court if incumbents over 70 do not retire would be pressed for action at this session.

He quickly added, however, that some amendments would be submitted and that he may offer one himself.

Robinson would not disclose what the amendments would be, saying "You will have to wait and see."

There has been persistent reports, especially since Justice Van Devanter announced he would retire, that the administration may be willing to accept a bill providing for only two or three new justices, instead of the five provided in the legislation as it now stands.

Robinson also said the conference discussed the general legislative program for the remainder of the congressional session and added that while there was no "must" list, it would be desirable if congress acted on the following:

1. Legislation to help tenant farmers become land owners.
2. Low cost housing and slum clearance.
3. Extension of nuisance taxes and closing loopholes against tax dodgers.
4. Government reorganization.
5. Minimum wages and maximum hours.

FASCIST LEADER IN SPANISH WAR ACCIDENT VICTIM

General Mola Dies After Plane Crashes

VITORIA, Spain, June 4. (P)—General Emilio Mola, commander of all insurgent armies in northern Spain and director of the two-month-old siege of Bilbao, was killed Thursday in the crash of a four-engine airplane.

Two of his staff officers and two pilots died with him in the wreck near Brivesca, 25 miles northeast of Burgos, capital of Generalissimo Francisco Franco's insurgent regime early in the war and still a Franco stronghold.

Mola's body was thrown 25 yards from the wrecked plane and was so badly mangled it could be identified only by the tan waterproof coat he wore.

The bespectacled Mola was Franco's right-hand man, accounted the ablest strategist among all the insurgent chieftain's lieutenants. He was in command of the drive which had carried the insurgent forces within sight of Bilbao, Basque capital of the Bay of Biscay.

Mola was flying from the Bay of Biscay front when he met his death.

BEARD PAYS WITH LIFE FOR MURDER DALLAS OFFICER

Protests Innocence Before Dying In Electric Chair

HUNTSVILLE, June 4. (P)—Augustus Dwight Beard, 27, who once played football for North Carolina State College, died in the electric chair at the state penitentiary early today for the slaying of a Dallas detective, John R. Roberts.

The first bolt of electricity struck him at 12:02 a. m.

Beard, former college wrestler and religious worker, died for slaying Roberts in a garage holdup two years ago.

When he had entered the death chamber this morning, he calmly surveyed the group of about 40 newspaper men, prison officials and witnesses, and said to Warden W. W. Waid.

"I want to say that the crime I was convicted of in Dallas, another man is guilty. He is in Arlington. The crime in North Carolina that I was accused of, another boy was guilty in that crime."

Arlington is a small town between Dallas and Fort Worth. Father Hugh Finnegan administered last rites to Beard in his cell yesterday.

Beard kissed the cross, shook hands with Father Finnegan, looked about him carefully and deliberately seated himself in the chair.

EDWARDS PLATEAU TEST HITS WATER

Wildcat Northeast of Town Of Rockspings Now Testing

BY FRANK GARDNER

Showing of salt or sulphur water amounting to four and one-half barrels in four hours, somewhat cooled interest today in Dan Auld, Floyd C. Dodson and C. V. Lyman No. 1 Rigby, wildcat 15 miles northeast of the town of Rockspings in Edwards county. The water was described as hot, and had been encountered from 3,940-50. Testing was in progress today at 3,950.

Excitement ran high yesterday over No. 1 Rigby when it made a barrel of high gravity, sweet oil hourly, originating from 3,920-22, in the Ellenburger, lower Ordovician. Stain of oil had been present in samples of hard green lime from 3,865-74, and top of the Ellenburger was called by some at 3,874. Elevation of the well is 2,281 feet, and it topped Pennsylvania at 945, Bend series at 3,610 and the Mississippian at 3,380.

Location of the test is 330 feet from the north and 660 feet from the west line of section 16, block K, G. C. & S. F. survey.

Wasson Test Unchanged

A. G. Carter-Continental Oil Company No. 1 A. L. Wasson, closely-watched wildcat in northwestern Gaines county, this morning was drilling at 4,803 feet in lime, unchanged. Possible gas showings, the first since 4,648-55, had been reported from 4,694-700 and from 4,732-43. The Wasson test is located 2,310 feet from the north and 330 feet from the west line of section 48, block AX, public school land.

Shell No. 1 Mann, second producer on the Seminole structure in Gaines, had cleaned out to total depth at 5,060 and was preparing to run liner to shut off high gas encountered above the pay.

BUS DRIVER AND 9 PASSENGERS DIE

Bus Overturns and Burns Near California Town Early Today

REDDING, Calif., June 4. (P)—Nine, including the driver, burned today when a Greyhound stage overturned at Shiloah Springs early today. Enrollees of a CCC camp nearby threw water on the flames. Passengers included men, women and children, but their identities are unknown since the bus company had no names. It was believed all aboard the bus perished.

SAILOR DIES IN FIRE ABOARD SHIP

Four Companions Are Hurt As Ship Ravaged; Rescue Made

MANILA, P. I. June 4. (P)—A sailor's death from burns in a fire and explosion aboard the German motorship *Oliva* was told today as a rescue ship brought four badly burned companions to Manila.

Officers aboard the rescue ship said that seaman Albert Gestner, Mannheim, Germany, was buried at sea last midnight.

The still smouldering *Oliva* made toward this port under escort of the German steamer *Friedrun*.

EMPLOYERS WARNED FOLLOW PROVISIONS SOCIAL SECURITY ACT

Employers of eight or more who have failed to make returns in accordance with the provision of Title IX of the Social Security Act, which imposes an excise tax on employers, commonly known as the unemployment compensation tax, were today warned by Collector of Internal Revenue, W. A. Thomas, that they faced delinquent penalties ranging from 5 per cent to 25 per cent of the tax their pay rolls call for. The returns are to be made on Internal Revenue form 940 and were due on April 1, last.

Collector Thomas referred to Article 502 of Regulations 90, which provide that "failure to file a return when due causes to accrue, under the provision of section 406 of the Revenue Act of 1935, a penalty of from 5 per cent to 25 per cent of the amount of the tax, depending upon the period of delinquency." Employers were granted an extension See (EMPLOYERS) Page 6

BOXER FIGHTS FIRES WHILE OUT OF RING

CLEVELAND, Ohio, June 4. (P)—Paul Pirrone, Cleveland pugilist, fights not only in the ring but at fires as well.

Pirrone's hobby is hopping fire trucks and helping the Garfield Heights Fire Station No. 1 firemen put out blazes. In the past few years that he has practiced this hobby, the boxer has had many and varied experiences.

He once lost the decision in an attempted rescue of two canary birds.

SMITHS RETURN HOME

Dr. and Mrs. W. M. Smith returned yesterday from San Angelo where Mrs. Smith had been in a hospital as the result of an automobile accident recently. He will be able to be back in the office probably Monday.

Chrysler, Packard Plants Have Strike Trouble Today

REICH ATTAINS NEW PINNACLE AS AIR POWER; GOERING TOPS HIS FIRST GOAL

11,000 Workers Quit Jobs in Shop At Detroit

By Associated Press

Chrysler and Packard corporations in Detroit both had strike trouble again today, sitdowners causing Chrysler officials to close plants employing 11,000, and production being curtailed at the Packard plant.

Disorders in a Michigan lumber camp strike left one dead and five injured. Six thousand odd went on strike in the Timken roller bearing plant at Canton, Ohio.

A peace conference between Philip Murray, steel unionist leader, and Ohio's governor held at the attention of 70,000 strikers.

DOCTORS INVITED TO HEALTH MEET

Special Study at Big Spring Conducted by State Health Body

West Texas physicians have been invited to attend a program at Big Spring, June 7 and 8, for postgraduate study in pediatrics and obstetrics. The meeting is one of a series sponsored by the state department of health, division of maternal and child health, through funds made available under the Social Security Act. The medical branch of the University of Texas, Baylor Medical College and Texas State Dental Society are cooperating with the advisory committee of the health department.

Three consecutive monthly programs of two days each will be conducted in fifteen districts of Texas. Lecturers will be outstanding Texas obstetricians and pediatricians recommended by the advisory committee of the State Medical Association to the state health department.

SMITHS RETURN HOME

Dr. and Mrs. W. M. Smith returned yesterday from San Angelo where Mrs. Smith had been in a hospital as the result of an automobile accident recently. He will be able to be back in the office probably Monday.

BULLETIN

AUSTIN, June 4 (AP)—The house today passed, 93-13, a bill passed by the senate yesterday, outlawing pari-mutuel wagering on horse racing in the state.

Because the bill failed of gaining a two-thirds majority in the senate, it will not become effective for 90 days, probably late in September. The governor's signature is still needed to complete legislative action.

VISITS IN DALLAS

Marjorie Barron, seven year old daughter of Mr. and Mrs. R. M. Barron, is visiting her grandmother, Mrs. J. L. Carter at Dallas. She went there alone Tuesday by train.

MARTIN COUNTY GIRL IS KILLED BY LIGHTNING

STANTON, June 4. (SPL).—Charlene Hayes, 15, Knott community resident, was instantly killed about six o'clock Thursday afternoon when struck by lightning in the home of a sister, Mrs. O. G. Langston. Two sisters, Margie and Effie Hayes, and Mrs. Langston, all of them in the room with the girl, were unhurt, but O. G. Langston, approximately 30 yards from the house at the time, was severely hurt by the same bolt. He is in a hospital where his condition was described as serious but not critical.

Detective Starts Search, Bumps Into His Man

BIRMINGHAM, Ala., June 4. (U.P.)—Perhaps it was luck—or just a coincidence.

Detective Fred Cain opened his mail and studied a circular from New York authorities which described Harry Becker, 48, wanted for parole violation in that state.

Detective Cain filed the circular, put on his hat and started to the corner lunch-wagon for a morning snack.

On the steps of the police station he collided with a man who answered Becker's description.

Arrested, the man admitted his identity. He was returned to New York.

U. S. JEW PLACED ON GUILLOTINE IN BERLIN BY NAZIS

Pays With Life For Treason Against Germany

BERLIN, June 4. (P)—Helmuth Hirsch, 21-year-old Jewish United States citizen through naturalization of his grandfather was guillotined at dawn today for alleged treasonable plots under the German explosives law.

Since he was sentenced March 20, the United States ambassador protested, and a state supervisor of public health nursing, after a period of five years in which no appropriation was made for the position. Miss Marie Jacobson has been appointed to the post.

To develop more intensively the work of public health nursing, Texas will be divided into six districts in September. Great progress is the improvement of general health conditions, as result of programs conducted by counties, was reported.

Veteran Motorist, 89, Drives 45th Machine

BARRE, Mass., June 4. (U.P.)—Chas. H. Follansbee, 89, passed his driving test, compulsory at 85, with flying colors—four Barree residents didn't think it strange.

For Follansbee was the first man in town to purchase an automobile and has owned 45 during his life. He has held a license since 1900 and has made 38 transcontinental tours.

BEHIND THE SCENES IN WASHINGTON

By RODNEY DUTCHER
Reporter-Telegram Washington Correspondent

WASHINGTON, June 4. — There seems to be no immediate prospect that the administration will officially promote consumer co-operatives, as some business men have feared.

But hundreds of minor New Dealers, have taken the matter into their own hands and established a series of small but growing co-operative enterprises in the capital. This group includes a considerable number of employees of the several federal agencies, which in one way or another have had contact with phases of the co-operative movement in the last four years.

Last year, when Roosevelt appointed a committee of six to study the co-operative movement in Europe there was some disturbance among American merchants and tradesmen who feared the committee's study might be a prelude to an active government program aimed at extending the movement in the United States.

The committee has returned and made its report without any drastic recommendations. Some members urged the extending to consumer co-operatives the same kind of credit aid the government gives to farmers purchasing and marketing co-operatives. Establishment of an information service for co-operatives similar on a small scale to what the Bureau of Foreign and Domestic

Commerce is to industry, was recommended.

No action has been taken on the reports, but they serve as a reliable source of information, and to some extent have helped stimulate co-operative enterprises among Washingtonians in their position as consumer and private citizens.

Turning Them Away
THE newest "co-op" is the Rochdale Restaurant, Inc., behind whose establishment Chairman Jacob S. Baker and the President's committee has been a moving spirit. More than a hundred persons subscribed to share of stock and opened it at a central spot with a block of the State Department, Interior Department, WPA, PWA, SEC, the Social Security Board and other government agencies. It has been turning people away and plans to expand. Operating on Rochdale co-operative principles, it sells shares of stock at \$5, limits purchases to 40 shares per member, allows but one vote per member, can pay a maximum 4 per cent dividend on shares, returns most of the profits to patrons and pays union wages.

The Washington Consumers Club has 480 dues-paying members. Its aims and activities include promotion of co-operatives and legislation for consumer protection, co-operative library and local news service, public meetings, arrange-

W. T. C. C. HEAD IS FOR FIESTA

"We are enthusiastically for the Fort Worth Frontier Fiesta," Judge Miburn McCarty of Eastland, new president of the West Texas Chamber of Commerce, is telling Mrs. James F. Pollock, wife of the Frontier Fiesta general manager, at the recent Fiesta dinner in Fort Worth attended by 350 civic leaders of the state, largely from West Texas. The W. T. C. C. Building at the Fort Worth exposition, opening June 26, will feature the exhibits of 180 West Texas cities.

ments for club discounts on member purchases of milk, fuel, jewelry, books and men's clothing and affiliation with a co-operative mail order house in New York.

There is a co-op grocery store which serves buying units in different sections of Washington and suburbs, with shares held by about 175 members. Selected gasoline and oil are sold by another incorporated co-operative, which has about 300 members and recently paid a patronage refund of 6 per cent after six months of operation. The Co-op Fashion Shop has blossomed out in the same block with the RFC building and advertises "well tailored coats, suits, toppers, dresser, millinery."

Credit Unions Organized
AT least three groups within the government are promoting co-operative housing projects.

About 88 co-operative credit unions have been organized mostly under the federal credit union law. There's co-operative insurance for sale and a large number of co-operative ventures appear to be in the planning of discussion stage.

Government agencies with co-operative phases include: Farm Credit Administration, which has banking facilities for farmer purchasing and marketing co-ops and fosters and helps organize credit unions. Bureau of Labor Statistics, which collects co-op statistics, is now making a national survey of consumer co-op activities and houses the Consumers' Project, which has worked out model state and federal co-operative laws. Rural Electrification Administration, which helps organize co-operatives among farmers for purchase of electric power. Resettlement Administration, which has organized consumer co-ops in Resettlement communities, WPA, which still has a small self-help co-operative section and once started several producer-consumer co-ops of that type. AAA Consumers Council's office, which has issued a directory of co-operative information and services by the government and other co-op information. TVA, which is experimenting with the idea in the Tennessee Valley.

Toast to Death Under Padlock

MENOMONIE, Wis., June 2 (U.P.)—Elaborate safeguards have been attached to the key of a strongbox to assure the survivor of the Last Man's Club of the Menomonie and Chippewa Falls Voitures of the 40 at 8 his drink.

Einar O. Wang, Cornell, club president and returned keeper of the key, provided what he believes is the ultimate in loss-proof key rings. The sole drawback, members believe, is the problem of finding a storage place for the ring. The key attached to it unlocks a strongbox containing a drink for the club's last man to toast his departed comrades.

The ring and appended safeguards devised by Wang consist of a one foot length of chain, formerly used to tether cows, and three pieces of board each about 14 inches long. The chain is riveted to a hardwood piece on which the other two are hung in tandem.

The first board is used to list the names of past club presidents, with space to carry them until 1976. Successive keepers of the key will be listed on the opposite side of this board. The names of deceased club

The Town Quack

(Reserves the right to "quack" about everything without taking a stand on anything).

And don't get that the SSB stands for so-and-so's. It means the Social Security Board.

The last story we received yesterday, after we were on the press but in time for a bulletin, was that the senate had concurred in repealing the racing bill. So we won't have any more legalized pari-mutuel wagering. Which means we won't have any more horse racing. Except maybe we can run a few cowboy races. The quarter horse business ought to pick up. I'm in the market for the fastest 300-yard horse in West Texas.

I always knew I ought to be a sailor. This morning we got a postcard from Paris (not one with the Paris picture's you are thinking about) from H. L. Woods, whose address is U. S. S. Vincent, 4th Division, Boston Yards. While I sit here pounding a typewriter and Sailor Woods' brother, Lewis, delivers the Dairyland milk, Sailor Woods is seeing the big old world.

I've just received a copy of the New Deal alphabet. There are initials for 46 different bureaus or administrations. You can't always tell what bureau it is by the initials, however, as CCC stands for both the Civilian Conservation Corps and the Commodity Credit Corporation.

members appear on another board, while the third lists the members.

India inked steel dies are used to stamp the names, inscriptions and designs into the wood. Shellac is applied as a preservative. The records are to be brought up to date by each keeper before relinquishing the key and ring to a successor.

The keeper for 1937 is J. P. Lee, Menomonie druggist.

Rival Pitchers Allow No Hits, One Loses, 2-0

DEDHAM, Mass. (U.P.) — A baseball "miracle" occurred here when the opposing pitchers in the Dedham-Hingham high school game

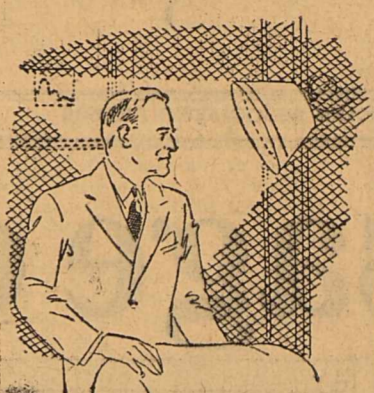

both pitched a no-hit game.

Dedham won 2-0, and to Charley Landers went the greater glory for having pitched a no-hit, no-run game.

Landers, a righthander, lost his chance for a perfect game when the Dedham shortstop juggled a slow roller and allowed the batter to reach base—the only Hingham man to do so.

Johnny Cole of Hingham was wild in scoring his no-hit game. He granted two passes, and two wild throws combined with an error allowed the two Dedham runs. Together the two pitchers fanned 29 batters, Landers accounting for 16 and the left-handed Cole retiring 13.

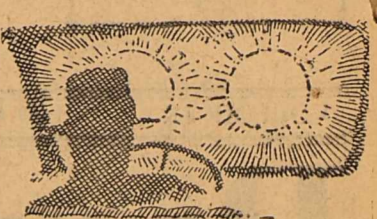

FUN with FACTS

THE FUN

1. In a room darkened so that you can barely distinguish articles, stand over or near an unlit light. Pick out some picture or object across the room. Turn on the light for 8 or 10 seconds, then turn it off. Try to distinguish the object on which your eyes were focused.

2. Place a match box or other small article on the edge of a mantelpiece or have someone hold a pencil vertically at eye level. Walk

away six or eight feet. Close one eye tightly. Walk forward and try to place the tip of your finger on the object.

THE FACTS

1. Notice that there is quite an appreciable interval before the object becomes visible again. This nearly duplicates driving conditions at night with headlights of an approaching car. During the several seconds which may elapse before maximum vision returns, your car may travel more than 100 feet. (40 M.P.H. = 60 feet per sec.)

2. Without the unobstructed vision of both eyes, it is difficult to judge distances accurately.

(Travelers Safety Service)

Oregon Acts to End Hide Bounty Racket

PORTLAND, Ore., June 4 (U.P.)—The process of soaking cougar hides and stretching them on frames—to conceal the removal of the perforated "O. G. C." from the neck may pass into the limbo of other days, a ruling of the Oregon State Game Commission held.

The board believed that they may have paid two or even three \$20 bounties to predatory animal hunters on a single skin.

It had been noticed that cougar hides of rather weird dimensions

had been brought into headquarters for the royal fee. Henceforth, commission members held, the perforated stamp will be made in the middle of the skin and on various other sections of the hide.

Series of Bridge-Luncheons Given By Mmes. Henderson, Inman and Brown

Five Attractive Parties Are Given

Mrs. R. H. Henderson, Mrs. C. R. Inman and Mrs. Jack Brown have been hostesses at a series of five bridge-luncheons this spring, the first of which was given at the Henderson home, 1901 W. Texas, May 21. Spring flowers and dainty appointments in pastels were used in the entertainments.

Mrs. I. E. Danter won high score, Mrs. W. G. Henderson won second high and Mrs. Allan Hargrave won high cut.

Guests included Mesdames Allan Hargrave, J. M. Armstrong, R. W. Hamilton, I. E. Daniels, E. H. Ellison, John House, L. B. Lancaster, Alden Donnelly, Joe Crump, Elliott Cowden, R. C. Tucker, W. G. Henderson, M. D. Self, Harvey Conger, Paul Oles, D. C. Sivals.

The second of the entertainments was May 22, at the Henderson home with Mrs. C. A. Mix winning high score, Mrs. Franklin Stacy, second high and Mrs. J. W. Rettig, high cut.

Guests were Mesdames Wilson Keyes, Charles McCann, E. A. Culbertson, W. R. Bowden, H. C. Wheeler, J. W. Rettig, David Googins, W. B. Harkider, A. P. Loskamp, Franklin Stacy, Hall Edwards, James FitzGerald, Paul Osborne, Harvey Hardison, C. A. Mix, and Miss Iva Williams.

Mrs. Brown's home, 206 W. Louisiana, was the scene of the third party, Mrs. D. L. Del'Homme won high score, Mrs. J. D. Dillard won second high, and Mrs. Walter Col-

lins won high cut. The guests were Mesdames Robert Dewey, V. C. Maley, Jack Rankin,

D. L. Del'Homme, S. P. Hazlip, P. A. Neison, James S. Maxwell, James H. Chapple, O. R. Jeffers, Duke Kimbrough, Clyde Cowden, Lem Peters, J. E. Simmons, J. D. Dillard, J. R. Martin, W. M. Holmes, D. C. Norwood, F. P. Dewey, Bud Lewis, Joe Chamber, and Walter Collins.

May 29, the luncheon was given at the Jack Brown home and high score went to Mrs. Charles L. Klapproth, second high to Mrs. Frank Fuik, and high cut to Mrs. P. T. Bridgewater.

Guests were Mesdames J. M. Haygood, O. C. Harper, Overton Black, J. H. McClure, P. F. Bridgewater,

Fred Wilcox, R. W. Patteson, F. F. Winger, A. N. Hendrickson, H. J. Phillips, E. A. Wahlestrom, W. A. Yeager, J. J. Hancey, Hugh Corri- gan, Charles L. Klapproth, Frank Fuik, L. E. Douglas of Houston, Frank E. Lewis and W. B. Harkider.

The last of the series of delightful bridge-luncheons was given June 2. Miss Lucile Thomas was awarded the prize for high score, Mrs. W. M. Blevins won second high, and Mrs. Barron Kidd won high cut.

Places were laid for Mesdames Ralph Geisler, John M. Speed Jr., Barron Kidd, Ray Parker, Alf Reece, Tom Sealy, Ben Black, Frank Miller, Hugh West, Walter Crimmin, Lewis Thomas, W. M. Blevins, and Misses Lucile Thomas, Aldine Goss, and Georgia Goss.

Rebekah Lodge Meets Garrett-Dunlap Rites At Odessa Thursday Are Announced Here

There were fourteen present last night at a meeting of the Rebekah Lodge at Odessa. They had an interesting meeting and made plans for instituting the lodge between June 12 and 19. There have been 17 applications for membership and the petition for a charter has been almost filled.

Friends here have received the announcement that Miss Louise Garrett and Mr. Earl Dunlap of Abilene were married in Deming, New Mexico, and are now at home at 1441 Lakeshore Drive, Los Angeles, California.

Mrs. Dunlap is a cousin of Mrs. J. B. Ford and until recently was a nurse at the Thomas Hospital here.

as well as other officials and one hundred guests.

Ceremony Unites Miss Ozella Bryant And Ernest Scales

In a quiet ceremony at the home of her parents, Miss Ozella Bryant became the bride of Mr. Ernest Scales of Benjamin Thursday afternoon. Miss Bryant during the past year has been a faculty member of the Prairie Lee school of which her father is principal.

Mr. Scales received his degree this spring from the A. & M. College of Texas and is in the employ of the League Hereford ranch of Benjamin, Texas. The couple will live at Benjamin.

The Rev. Winston F. Borum officiated in the single ring ceremony which was held at three o'clock Thursday afternoon at the Bryant country home adjoining the Prairie Lee School. Family members, neighbors and a small group of friends attended.

A reception was held after the ceremony and the couple left immediately for Carlsbad Caverns and other New Mexico points.

Bridge Party Given At Larson Home

Mrs. Philip D. Larson, 800 W. Louisiana, was hostess Wednesday afternoon at an informal bridge party. Her home was decorated with roses and verbenas.

Mrs. Allen Flaherty won high score and Mrs. James Maxwell won high cut.

Guests were Mrs. D. L. Del'Homme, Mrs. S. C. Giesey, Mrs. L. E. West, Mrs. C. P. Lancaster, Mrs. James Maxwell, Mrs. Bill Fritz, Mrs. S. B. Iverson, and Mrs. Allen Flaherty.

CHRISTIAN SCIENCE SERVICES

"God the Only Cause and Creator" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist on

Sunday, June 6. The Golden Text is: "In the beginning God created the heaven and the earth" (Genesis 1:1).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "When Christ, who is our life, shall appear, then shall ye also appear with him in glory" (Colossians 3:4).

The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Spiritually to understand that there is but one creator, God, un-

ELECTRICITY KEEPS THEIR FOOD FRESH and WHOLESOME

● Summer sunshine helps build sturdy bodies, but summer heat may cause food illnesses in children unless their food is kept fresh and wholesome. Your electric service will remove all doubt as to the freshness of food your children eat, for food in an electric refrigerator is kept below 50 degrees, the food safety zone.

Regardless of how hot the weather, you can depend upon your electric service to keep your refrigerator temperature in the frigid temperature zone which is necessary to keep milk, meat and other foods free from harmful bacteria. The reserve capacity that is built into electric refrigerators to cope with Texas summer heat is always ready to give constant protection to your food. And yet the cost for electricity that gives you this food protection amounts only to a few pennies a day.

● Visit your Electric Refrigerator dealer today and see the new models and convenient terms he has to offer.

CARDINALS AND TROJANS DIVIDE FAST DOUBLE-HEADER THURSDAY

RED BIRDS PLAY WINK SPUDDERS TONIGHT AT 8:30

The Midland Cardinals saw their lead over the field in the WTNM league drop to 1 1/2 games yesterday as the best they could do was divide a couple of games with the cellar Monahans club while Odessa was defeating Roswell.

The first game yesterday was the fastest and one of the best of the season here. The Cards defeated the Trojans 4-1 in 1 hour, 40 minutes behind the six hit pitching of Manager Davis, making his first start in a couple of weeks. The Cards got no more hits than did the losers but they managed to bunch two of them with four walks and one error in the third inning for three runs. They made their other tally in the second frame on a single by Nook, who then stole second, and was driven home by Serafine's single.

The lone Trojan run came in the

first when LeBarron, first up, reached base on an error, advanced on a single by Craig and scored when Landthrip singled.

After the first inning the Trojans could never get a man past second base as Davis mowed them down in order most of the time. He struck out seven, three of them in succession in the fourth inning. Harkey walked seven while Davis did not issue a free pass, spelling the difference between winning and losing.

The second game was slowed up by intermittent showers that fell during the last five innings. Manager Davis used three pitchers and two pinch hitters in a vain effort to win.

The Trojans got off to a one run lead in the second when Thomas walked three and gave up one hit and then came through with four in the fourth on four hits, a walk and two errors.

The Cards got three of them back in the fifth when Schiffler walked, Potocar singled, Davis, hitting for Thomas, doubled to score Schiffler and Orr doubled to score Schiffler and Davis. The Trojans came right back in the sixth to make two tallies when Kile singled and Landthrip hit a home run. The Cards got a couple of runners on base in their half but a promise at a rally faded when Frost, hitting for Smith, who had relieved Thomas, struck out.

Monahans made two in the ninth just to be sure of a victory for Rose. In this inning they put together a walk, two hits and an error off Dais for the runs.

The Red Birds made a final effort in the seventh for victory when Murphy reached base on an error, scored on a double by Nook. Nook then came home on Serafine's single.

The Cardinals tonight will play the Wink Spudders. The game is scheduled to start at 8:30 on the Spudders' home field. It will be the first night game of the year for the Red Birds, but reports from Wink indicate the Wink management has one of the best lighted plants in the state and that players find little difficulty in changing from daylight hours.

Manager Davis has announced that Andy Dais, fast ball right-hander, will be on the mound for the Cards.

Boys Save Dog in Well
By Ingenious Device

VICTORIA, B. C., June 4 (U.P.)—A dog's yelp enabled two Parksville boy scouts, Albert Transfield and Harry Burton, to do a good turn. The boys were wandering near an old well, half caved in and 45 feet deep, when they heard the dog's cry. Looking down in the well, they saw it at the bottom. Baiting a box with a sandwich, they lowered it into the well with strong wire. The dog jumped in and they pulled it up.

Britain Starts Building
World's Fastest Warship

CLYDEBANK, Scotland, June 4 (U.P.)—Work has begun on Great Britain's \$30,000,000 battleship, destined to be the fastest in the world. The frames which will intersect the lower sections of the vessel were electrically welded, and preparations made on a berth for the keel. It will be numbered No. 554, and will be constructed in the shadow of the Queen Mary's sister ship, No. 552. Although weighing 35,000 tons, it will be bigger than any ship of similar weight, as electric welding will displace rivets in all sections, thus reducing weight. It will be the fastest battleship in the world and will provide employment for 6,000 men for six years. A special power station is being erected for welding.

Johann Sebastian Bach never fully recovered from the eye strain suffered as a boy. Christoph, a brother, owned a manuscript which he believed too advanced for Johann, and he denied him the use of it. But Johann was determined to have it, and by night he crept to a bookcase and copied the manuscript by the dim light of the moon.

BOOTS AND HER BUDDIES THAT'S SWELL CANDY BOOTS! DID YOUR FRIEND, MR. NOBODY, SEND IT TO YOU? YES, ISN'T IT TOO SILLY FOR WORDS? HONEY, HEAN'S ANOTHAR BATCH OF FLOWAHS... WIF NO CARD IN 'EM

Not Curious, but— NO FOOLIN', JIMMY... WHO'S SENDIN' ME ALL THESE THINGS? DO YOU KNOW? NOPE! CROSS MY HEART AT FIRST, I THOUGHT IT WAS JUST A GAG. OF COURSE, I'M NOT ONE BIT INTERESTED, BUT NOW... GEE! I WISH I KNEW!

WASH TUBBS Rita Is on the Spot I AM SO SORRY I CANNOT DINE WEETH YOU TONIGHT, WASHHEE. MY ONCLE FROM QUITO EES COMING TO SEE ME. BRING HIM ALONG, TOO. NO, NO! PLEES YOU MUS! NOT EVEN COME TO THE CABARET. HE DO NOT LIKE AMERICANOS.

OKAY, I'LL GIVE YOU A RING. VER! WELL, BUT—BUT EEF A MAN ANSWER THE PHONE, SAY NOSSING! HANG UP! ALWAYS REMEMBER—EEF A MAN ANSWER— HANG UP. HUMPH! SOUNDS LIKE ANOTHER BOY FRIEND TIME. SEELY BOY! YOU KNOW THERE EES NO WAN BUT YOU. 'OW CAN YOU SAY SUCH 'ORRID THINGS?

ALLEY OOP! OH, WELL—I DON'T KNOW WHERE I'M GOIN', BUT I'M ON MY WAY. NOW, WHAT TH—? GOOD NIGHT, SUMPIN'S COMIN' AN' I CAN'T SEE A THING! WHATEVER THAT THING IS, IT'S PROBABLY HARMLESS—BUT... CRUNCH! RATTLE RATTLE! RATTLE CLINK, BANG! CRUNCH! SCUFF!

Out of the Fog I AIN'T TAKIN' ANY CHANCES. I HOPE IT CAN'T CLIMB. SCUFF SCUFF SCUFF! PUFF! PUFF! CRUNCH! OW! IT'S BIGGER'N A MOUNTAIN!

MYRA NORI, SPECIAL NURSE A Toast to "Bluebeard" SILENTLY, LEW WEN MAKES HIS WAY UPSTAIRS, SEEKING ANTON BREESE... VERY STRANGE... BOUDOIR DOOR OPEN... AS LEW PAUSES INDECISIVELY ON THE PARKENED THRESHOLD, THERE IS A SWIFT RUSH FROM BEHIND, AND A PILLOW CASE IS THRUST OVER HIS HEAD. SPLENDID! NOW THERE IS NONE LEFT BUT THE GIRL... AND SHE SHALL BE NEXT.

BELOW IN THE DRAWING ROOM, THE GRAND MARCH HAS COME TO A HALT BEFORE THE LONG REFRESHMENT TABLE. OKAY, COUNT... HERE'S WHERE YOU DO YOUR STUFF! LADIES AND GENTLEMEN—MAY I PROPOSE A TOAST? TO EXPRESS THE CONTEMPT IN THE HEARTS OF OUR CHARMING HOSTESS AND MYSELF... I GIVE YOU... 'BLUEBEARD!'

FRECKLES AND HIS FRIENDS I CAN GET IT TO HIT ON ONLY THREE CYLINDERS! LOOKS TO ME AS IF THE OTHER ONE IS GOING ALONG JUST FOR THE RIDE!! I CAN'T FINDER THE SLOW LEAKS IN EITHER OF THESE SPARE TUBES! ONE GOES SOTT IN HALF AN HOUR, AN' THE OTHER IN TWENTY MINUTES! WHICH SHALL I PACK? DON'T ASK FOOLISH QUESTIONS... PACK THE GOOD ONE, OF COURSE!

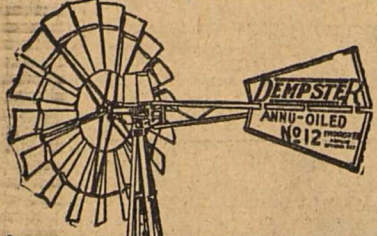

He Knows His Car I HOPE YOUR MOTHER HAS IMPRESSED ON YOUR MIND THE RULES OF SAFE DRIVING! I DON'T WANT YOU HAVING ACCIDENTS ALONG THE HIGHWAY! DON'T WORRY ABOUT US, POP! WE WON'T HIT ANYTHING! HOW DO YOU KNOW YOU WON'T? IF WE HAVE AN ACCIDENT IN THIS CRATE, IT WON'T BE FROM HITTING SOMETHING... IT'LL BE FROM BACKING INTO IT!!

OUT OUR WAY S-S-ST—ONE OF YOU STAY HERE, AND WHEN I BLOW MY WHISTLE, CLOSE IN ON 'EM! THIS SABBATH BASEBALL HAS GOT TO STOP! YOUR BALLOON WILL HAVE TO BE SOME MOUNTAIN GOAT, TH' WAY I FIGURE IT! YOU'LL HAVE TO SEND YOUR CAMERA 500 MILES TO GET A PEEK AT TH' ECLIPSE! LAUGH! YOUR MINDS FAIL TO COMPREHEND THE GENIUS THAT DESIGNED THIS CAMERA—UMF-F—ITS EYE CAN LOOK AROUND CORNERS, AND SHOULD STORM CLOUDS BLOT THE VISION OF OTHER SCIENTISTS, MY INVENTION WILL SAIL INTO THE STRATOSPHERE AND OBTAIN THE ONLY RECORD OF THIS IMPORTANT EVENT! MY UNCLE PEACH WENT UP IN A STRATOSPHERE BALLOON ONCE—A FOG CAME UP AND HE WAS LOST FOR THREE DAYS, THEN THEY DISCOVERED HE HAD FORGOTTEN TO UNTIE TH' ANCHOR ROPE, AND HAD BEEN FLOATING AROUND LIKE A KITE, ALL THAT TIME! THE MAJOR THINKS OF EVERYTHING=

MAJOR HOOPLE YOUR BALLOON WILL HAVE TO BE SOME MOUNTAIN GOAT, TH' WAY I FIGURE IT! YOU'LL HAVE TO SEND YOUR CAMERA 500 MILES TO GET A PEEK AT TH' ECLIPSE! LAUGH! Chatting on the snow-covered aerodrome at Kholmogory, near Arch angle, Russia, just before taking off on the flight to the North Pole, are M. V. Vodopyanov (right), commander of the flagship plane and I. T. Spirin, navigator. The fleet of Soviet planes carried to the pole the men and equipment for a year's study of polar conditions, accomplishing in a few hours what Admiral Peary's men required months to do.

Oil News--

CONTINUED FROM PAGE ONE
Section 19, block B-28, public school and, had drilled to 2,025 feet in anhydrite and red rock.
Showing Gas
Continental No. 1-A-18 Wight out-crop a mile east of Pure-Cowden production in the Goldsmith pool of Ector, was testing today and 1964 feet in lime, showing an estimated 1,000,000 cubic feet of gas and no oil. It had drilled soft from 4,952-64. Located 440 feet out of the southwest corner of section 18, block 43, township 1 south, T. & P. survey, it had shown gas from 3,897-99 and from 3,907-10.
In the Goldsmith pool, Landreth No. 2-I Scharbauer rated 24-hour potential of 1,049 barrels, based upon the last six hours of a 12-hour test. Pay between 4,180 and 4,220 was acidized with 4,000 gallons.
Atlantic No. 2-B Ramsey, also in the Goldsmith pool, rated potential of 364 barrels a day, bottomed at 4,280. It topped pay at 4,185 and was treated with 3,000 gallons.

Atlantic No. 5 Cowden flowed at the rate of 485 a day at total depth of 4,260. It was shot with 340 quarts.

Employers--

(Continued from Page 1)
of time for the filing of returns and paying of the tax until April 1 by Commissioner of Internal Revenue Guy T. Helvering.
The Social Security Act, Mr. Thomas explained, calls for a pay roll tax of one percent on the 1936 pay roll containing eight or more persons on each of some twenty days during the taxable year, each day being in a different calendar week. Each employer is entitled to a credit of ninety per cent of his federal tax, provided he has contributed at least this amount to unemployment compensation funds established by the states in conjunction with the Federal Social Security Law in which he employs.
Collector Thomas said that recognition of the following facts by all employers would remove a great deal of the confusion that apparently exists as to the provisions of Title IX of the Social Security Act.
1. The employer's excise tax, provided for under Title IX of the Social Security Act is separate and apart from the employer's excise tax and the employee's income tax provided for under Title VIII of the same act. Participation in one does not exempt an employer from participation in the other.
2. Officers or corporations are considered employees for taxable purposes.
3. No federal credit is allowed an employer for a state contribution unless the said state contribution is paid prior to the due date of the federal return.
4. Employers alone pay the tax levied under Title IX.
In a fight between two elephants housed in circus winter quarters, one pushed the other through a solid brick wall 14 inches thick.

'David Harum'

Because he himself knew that the picture provided a tailor-made role for his talents, in addition to presenting the most laughable, lovable and popular character in American fiction, Will Rogers broke an important personal rule during the filming of "David Harum," the Twentieth Century - Fox adaptation of Edward Noyes Westcott's novel coming Sunday and Monday to the Ritz Theatre.
Contrary to his established custom, the famous humorist every morning visited the studio projection room to view rushes of the previous day's shooting, so anxious was he to see that the part was done well.
Evelyn Venable and Kent Taylor support the cowboy jester in the romantic leads in the film directed by James Cruze, which has one of the most vivid and exciting climaxes ever screened.

Fans From Here to See Cardinals Play Wink Club Tonight

Several Midland baseball fans are expected to go to Wink tonight to see the Midland Cardinals play their first game of the season under the lights against the Wink Spudgers.
The Wink club has been playing under the lights for the past two weeks, and reports indicate their attendance has more than doubled since dropping daytime ball. Monahan is to turn on their lights Monday night for the first after dark game of the season there, and Hobbs is expected to be ready to start playing night ball within two weeks.
The three other clubs in the league, Midland, Roswell and Odessa have discussed the possibility of installing lights but to date nothing definite has been done.
The game tonight will be the first game of professional baseball any of the members of the Cardinals except Manager Davis has ever participated but most of them have had experience at playing night ball during their school and semi-pro careers.
Andy Dais, one of the leading Card hurlers with five wins and two losses, will be on the mound for the Red Birds when the game starts at 8:30 tonight. The Cardinals will also play in Wink tomorrow night, and Sunday and Monday will be in Roswell if the playing field at Roswell can be put into condition by game time. The recent floods in Roswell have played havoc with the baseball field and games for the past week have been transferred. There is a possibility the Sunday and Monday games will be moved here but it is not known definitely yet whether or not they will be.

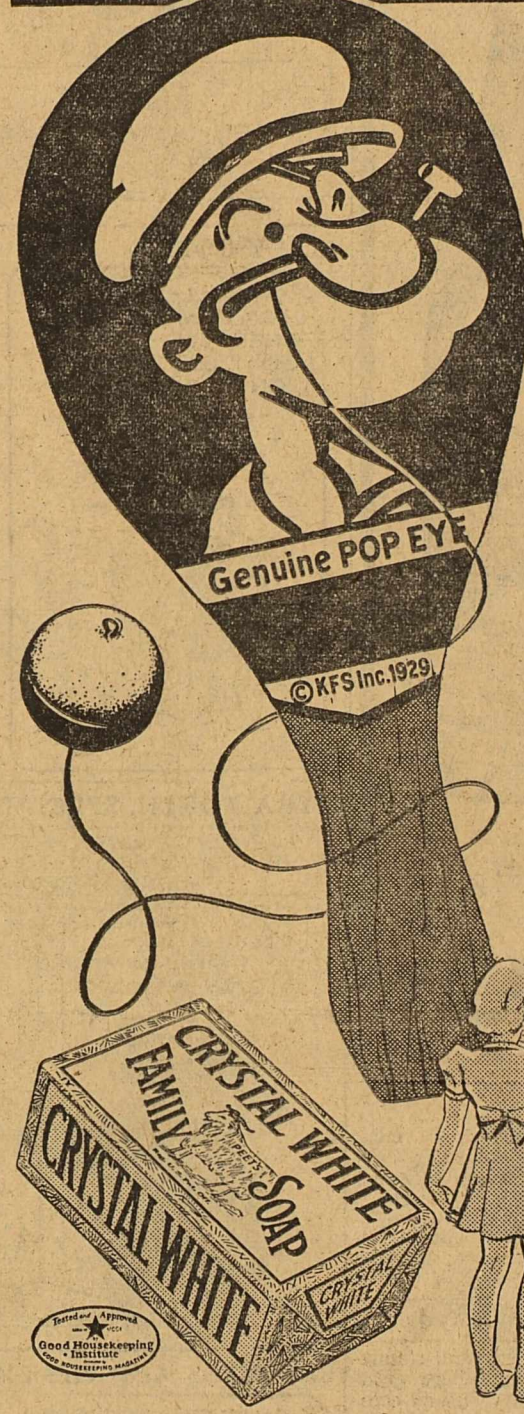

Late News

VENICE, Italy, June 4. (AP)— The newly-weds, the Duke and Duchess of Windsor, took a trip on the canals of Venice today as they waited for a train into Austria where they will spend their honeymoon.
WASHINGTON, June 4. (AP)— Secretary of Labor Perkins today told a congressional committee that she was not sure of the wisdom of writing a fixed minimum wage into the proposed labor standards act.
BILBAO, June 4. (AP)— As bells of insurgent Spain tolled in requiem today for General Emilio

Mola, killed in a plane crash yesterday, Bilbao hoped for a breathing spell from the eight-week siege he had commanded.

Ahoy! FREE TOY FOR GIRL OR BOY

CRYSTAL WHITE SOAP
Offers a "POPEYE" BIFBAT Free
FOR ONLY 5 WRAPPERS FROM CRYSTAL WHITE SOAP

MOTHERS, here is a grand gift for your youngsters—a genuine "POPEYE" BIFBAT! There's fun for every boy and girl with this sturdy wooden paddle to which a lively rubber ball is attached by "extra-stretchy" elastic—every time the ball is batted—it comes back again!
And it's so easy to get "Popeye" Bifbats, too! All you have to do is send 5 wrappers from Crystal White Soap for each Bifbat you want.
Crystal White is the creamy-white family bar soap that gives richer, thicker, longer-lasting "billion bubble suds"—even in hard water. That is because Crystal White is made with the same costly tropical oil used in making expensive toilet soaps.
These richer, harder-working suds dissolve grease and grime like magic—get everything spotless and sparkling. What a blessing that is for all hard cleaning jobs! Yet Crystal White Soap costs just half the price of soap in fancy packages. You'll find Crystal White ideal for laundry—dishes—pots and pans—all your household cleaning.
Get at least 5 bars from your dealer today—and send the wrappers to Crystal White, Kansas City, Kansas, for your free "POPEYE" BIFBAT!
