## City-County Federation Has Business-Social Session

### Dr. W. T. Waggoner Discusses Health Organization and Work in Talk Friday Mornng

Members of the City-County Federation of Women's Clubs occupied themselves with business and social aspects of their club work Friday, attending a business meeting in the morning and a luncheon in the early afternoon.

Approximately 30 members of the Federation were present at the business session, held in the courthouse at 10:30 o'clock, with Mrs. F. H. Schouten, Federation president, presiding.

Mrs. Barney Greathouse was appointed club delegate to the City Safety Council. The project of city and highway beautification was approved by the meeting to be the club's project for two years. The club will work with the other civic clubs and the city government on any projects they may sponsor which will come under this heading.

Principal speaker was Dr. W. T. Waggoner, director of district 6, of the state health department, with headquarters in San Angelo. The staff at San Angelo is comprised of director, sanitation inspector, food inspector, district nurse, office nurse and secretary. All members of the personnel work in the district doing field work, except the secretary. The West Texas district covers 40 counties. The department is particularly interested in prevention of communicable diseases, tuberculosis, food, water and milk sanitation, sewage disposal. Dr. Waggoner said he also stressed the necessity of immunization of children of pre-school age against diphtheria. Dr. Waggoner said he did not feel the work the public health

department was doing would conflict in any way with the regular work of the regular work of the medical profession, as there is room for both groups to work together in harmony.

Mrs. Chas. L. Klapproth gave a short talk on "International Relations." Adjournment followed.

The luncheon which followed the business meeting, was held on the mezzanine of the Hotel Scharbauer. Mrs. E. H. Ellison was chairman of the luncheon committee and Mrs. W. G. Whitehouse and Mrs. J. H. Chapple had charge of flower arrangements.

## Women Golfers Plan Full Schedule for Coming Months

October breezes cavorting gaily over the links at the Country Club are more than just a sign of autumn to feminine followers of the fairway. To enthusiasts of the Country Club Women's Golf Association they are a lure to long, delightful hours on the course, in weather that is neither too hot nor too cold for play.

Mrs. J. L. Rush, president of the Association, reminds all women interested in golf that team play is to be started, with handsome prizes offered winners, and that an interesting schedule of activities is to be offered the "golf girls" of the town. Visitors are invited to play with the Association.

Because of the cooler weather, opening hour of play has been set for 10 o'clock each Friday. Arrangements will be made for luncheon and a full day of activity is planned. Friday's play was featured by a match between Mrs. Rush and Mrs. M. E. Tatom to decide the place of consolation winner and runner up in the recent Odessa tournament. Mrs. Rush won consolation, with Mrs. Tatom ranking as runner up.

The dozen women taking part in the morning's sport went to the home of Mrs. Rush, 1211 W. Missouri, for a Mexican luncheon. Present were: Mmes. Dudley Wood, N. E. Tanner, Griffin, Tatom, Ellis of Odessa, W. B. Harkrider, Chas. Mix, Dan DelHomme, A. H. Flaherty Jr., Jack L. Brown, Sidney B. Iverson, and the hostess.

## Midland Girl Weds in Los Angeles Ceremony; Sails for Honolulu

Announcement has been made here of the marriage in Los Angeles, Calif., Oct. 1 of Miss Doris Black, daughter of Mrs. W. A. Black of Midland, to Clifford L. Stark.

Mrs. Stark, a graduate of Midland High School, is well known here where she was a popular member of the young social set.

The following account of the wedding is taken from the REDLANDS DAILY FACTS, Redlands, Calif., Oct. 2 issue.

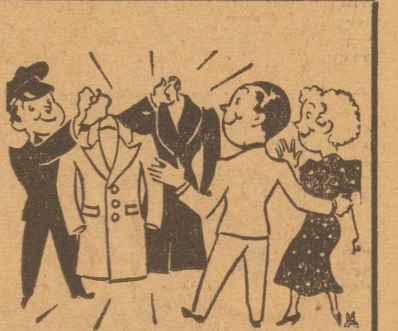

Mr. and Mrs. Clifford L. Stark sailed last evening for Honolulu, following their wedding at the Chapman Park Pueblo Oratorio, Los Angeles. They will make their home in Honolulu.

Mr. Stark and his bride, the former Miss Doris Black, took prominent part in student activities on the University of Redlands campus, where their romance had its inception. Given in marriage by her brother-in-law, Coach E. R. Davies of the University of Redlands faculty, the bride wore her going away costume of beige wool with brown accessories, and an orchid corsage. Mrs. Davies, her sister, was her matron of honor and only attendant, wearing a dark sport dress with a baby rosebud corsage. Roy Lockwood attended Mr. Stark as best man, and James Norwood and Gavlor Fox ushered. Rev. Gordon Chapman of the Westwood Community church officiated.

A reception followed the 5 o'clock ceremony in the patio of the church.

Mrs. Stark, daughter of Mrs. W. A. Black, Midland, Tex., attended the Hockaday School for Girls, Dallas, before enrolling at the University of Redlands, where she was affiliated

with Alpha Theta Phi sorority. She completed her junior year on the campus, and expects to attend the University of Hawaii this year. Mr. Stark graduated from the University of Redlands last June. He was president of Pi Chi fraternity. His junior year he studied at the University of Hawaii. He is now rural sales manager for the Curtis Publishing Co. in Hawaii.

Conference Standings and Season Standings table for the American League.

We called on shot right Friday. anyway. We said that Crane had a good chance to defeat Odessa if they could stop the rampaging Odessa end Callan.

Well, all Callan did was catch one pass for a touchdown and then intercept a Crane pass and return it 85 yards for another score. The final score was 20-7 so you can see the damage Callan did.

It didn't take any seer, palm reader or crystal gazer to know that Wink would be tough this year but few, if any, realized just how tough the Wildcats would be. The coach probably defeat at least a half dozen members of the Oil Belt circuit.

Lee Johnson, who retired as coach of the Wildcats this year to become superintendent of schools at Wink, has finally made an announcement that has sportswriters and coaches of the district in a swoon. He admits that Wink has a damn good club. And when Lee will admit he has anything but a bunch of broken down numbskulls that don't know the difference between a touchdown and a home run that is really news.

The other clubs of the district could make their records for the season look a lot better if they would just forfeit to the Wildcats and take the small end of a 1-0 score. It is going to be a lot worse for all of them unless an earthquake or something else hits the Wildcats.

The Crane-Monahans fuss over who won when the two clubs finally wound up in a 6-6 tie is still going on, but who cares? Neither will be at or near the top.

HADLEY BUMPED FROM THE MOUND IN SECOND FRAME

NEW YORK, Oct. 9.—Carl Hubbell evened his score with the New York Yankees here Saturday afternoon when he pitched the Giants to their first victory of the World Series over the American League.

Hubbell muffled the Yankee siege guns with six hits to cop a well earned 7-3 decision and with better support would have got out with only one run scored against him. Lou Gehrig got hold of one of Hubbell's curves for a home run in the ninth inning but it failed to change the outcome.

Joe McCarthy started the veteran "Bumps" Hadley against the Yankees but he failed to last two innings, going out in the second frame in the face of a six run assault launched by the Giants. The Giants, by scoring six runs in the second, made just twice as many runs as they had scored in the three previous affairs. Their final run came in the seventh off Andrews, who had relieved Hadley.

Wicker pitched the last inning for the Yankees after Andrews had been replaced for a pinch hitter.

The Yankees took the lead in the first inning when Leiber, Giant center fielder, misjudged Rolfe's liner, attempted to scoop-strike it and missed completely, the ball rolling to deep center and Rolfe getting a triple. The second run came in the third inning when Bartell made two errors and Ott made one.
