

Italy Opposes Sanctions On Japanese

Annual Red Cross Drive Opens Tues.

City Divided Into Nine Sections By Captains of Work

The annual Red Cross roll call in Midland will get underway Tuesday morning at nine o'clock and if possible will be completed Wednesday evening, roll call team captains and committees decided at an early morning breakfast in the Blue Room of the Scharbauer Hotel Coffee Shop Saturday when volunteer Red Cross workers assembled to map out details relative to the staging of the drive and to familiarize themselves with the designated areas in which they are to work.

Division of the city into nine sections and the appointment of a captain to direct the drive in each particular section, was announced by Russell C. Conkling, roll call chairman, who presided at the breakfast. The team captains previously had been asked to select the workers who will assist in the membership solicitations. Membership booths will also be set up in six of the downtown lobbies, a station and several workers to be stationed at each booth. Roll call headquarters has been established in the chamber of commerce office in Hotel Scharbauer.

Team captains attending the Saturday morning breakfast were Mrs. Holt Jowell, Mrs. I. E. Daniel, Mrs. J. P. Butler, Mrs. Alf Reese, Mrs. J. W. Rettig, Mrs. Foy Proctor, Mrs. Allen Tolbert, Mrs. Don Sivalls, Mrs. Earl Ticknor, Mrs. Barron Kidd, Mrs. Jimmy Maxwell, Mrs. Bill Collins, Mrs. Bill Epley, Mrs. Tom Sealy, and Mrs. J. D. Dillard. John P. Butler, treasurer of the Midland Red Cross Chapter, and Bill Collins, publicity chairman, also attended.

The Midland goal has been set at 900 memberships, local workers being of the opinion that the drive will go "over the top" by several hundred memberships. An effort will be made to contact every citizen of Midland relative to a membership in the American Red Cross, local residents being urged to join when called upon during the two-day campaign. For many years the Midland Chapter has exceeded its membership goal, this year's goal being the highest ever set for the local chapter.

Business firms and offices whose entire personnel join the Red Cross will display attractive 100 per cent Red Cross stickers. It is hoped that many such stickers will be displayed throughout the city.

In a statement issued today, Chairman Conkling urged all residents of Midland to join the Red Cross and to give as generously as possible when called up this week. He called attention to the fact that memberships in the Red Cross range from one dollar up, the amount of the membership contribution being left entirely up to the individual. Fifty cents of each contribution, whether one dollar or five hundred dollars, goes to national headquarters, the remainder being retained by the Midland Chapter for use locally, he said. Citizens are urged to respond readily when called upon during the roll call in order that the drive may be completed as quickly as possible.

The great American Red Cross is sustained by the annual roll call, said Chairman Conkling, and it is necessary that ample funds for the year's program, both nationally and locally, be raised during the campaign which is being staged throughout the nation from Nov. 11 to 25.

Join the Red Cross when called upon next Tuesday and Wednesday.

Noted Pastor Will Speak Here Today

Guest Pastor

REV. W. C. MORRO

Dr. W. C. Morro to Fill Pulpit at the Christian Church

Dr. W. C. Morro, president of the Christian Church Convention of Texas, head of the Brite Bible college of Texas Christian University and one of the foremost denominational leaders of the present time, will fill the pulpit today at the First Christian church here, it has been announced by the Rev. J. E. Pickering, pastor.

Rated by critics as "one of the six greatest pulpit thinkers in American religious history," Dr. Morro was for many years pastor of the great Union Church of Christ in Sidney, Australia, and for several years held revival meetings in the British Isles and on the European continent. He later was head of the Bible department of Transylvania University, Kentucky.

Dr. Morro is the third outstanding American churchman to fill the pulpit at the First Christian church here this year, other notables having been Dr. W. G. Snodgrass and Dr. Marion Ross.

The visitor will preach at both the morning and the evening services, with special music being furnished by Mrs. M. A. Park, directing the choir, and Mrs. Lee Cornelius at the piano. Detailed announcement of the service appears in the religious column of today's paper.

Six Seamen Saved After Ship Sinks Off Cape Hatteras

NEW YORK, Nov. 13 (AP).—A lifeboat containing six seamen was picked up off Cape Hatteras today, five hours after the Greek freighter, Tzeny Chandris, sank in a gale before daylight.

Eight of the remaining 23 crewmen, wearing life belts, were floating in a high sea. Fourteen others are somewhere in a lifeboat, a radio marine dispatch to the coast guard here said. One crewman was unaccounted for.

Red Cross Broadcast Will Be Made Today

A special Red Cross broadcast will be presented over radio station KRLL from 4:30 to 4:45 o'clock Sunday afternoon, Russell C. Conkling, chairman of the annual Red Cross roll call in Midland, announced yesterday. Another special Red Cross program will be broadcast from the local station Monday afternoon at the same time.

The annual Red Cross roll call will be staged here on next Tuesday and Wednesday.

Christmas Seal Sale Work Begun

Activities of sponsors of the Tuberculosis Christmas Seal Sale have already begun, according to Mrs. E. H. Ellison, chairman of the tuberculosis committee of the County Health Board.

Girl Scouts have helped fold the seals.

Folding and stamping of envelopes have also been engaged in by Mrs. Fred Fuhrman, Geo. Wallace, Fred Wilcox, L. G. Byerley and Ellison.

All work of the Seal Sale is done by volunteer helpers.

Four Students Hurt When Cars Collide

CROCKETT, Nov. 13 (AP).—Four Glover high school students were injured, one critically, in an automobile collision 15 miles east of here last night. Gorman Johnson, who suffered a crushed chest and internal injuries, was in a serious condition.

MRS. CAMP VISITS

Mrs. Van Camp, former member of the public school faculty here, is visiting Midland friends. She now lives in Dallas.

Economic Situation Is Foremost With Solons

WASHINGTON, Nov. 13 (AP).—Congress will meet Monday to tackle unfinished farm and labor legislation, but some members indicated improvement of the economic situation is uppermost in their minds.

Chairman O'Connor of the house rules committee suggested congress try to stimulate business by immediate tax revision.

Speaker Bankhead said that tax revision is "too big a problem" for hasty action. He and other leaders proceeded with plans to stick to legislation the president had asked for crop control, wage-hour legislation, government reorganization and regional planning.

Many members expressed doubt

U. S. Finds a Dictator In Own Backyard

Although President Getulio Vargas, who is pictured in a characteristic pose, has been virtually in control of Brazil since revolutionary trouble in 1935, his recent action in setting up a new "authoritarian" government started the United States because of its close resemblance to Fascist dictatorship. The map shows how large a block of South America is covered by Brazil and indicates the influence Brazil wields over the entire continent. San Paulo, Brazil's richest state and famed for its coffee and cotton, is virtually under Vargas' federal control. The state of Rio de Janeiro, which surrounds the federal district, is also Vargas-controlled. The new constitution gives Vargas right to declare Brazil in a "state of war" at any time, thus nullifying civil authority.

Getulio Vargas

Runaway British Balloon Crashes On French Soil

CHAUMONT, France, Nov. 13.—A runaway British balloon, breaking from its mooring near Rams Gate, England, last night, crashed here today. Nobody was aboard. Two miles of dangling cable wrecked French power lines, depriving 1,000-000 persons of electric light. The balloon carried valuable meteorological instruments.

Colored Singers to Broadcast Program

Colored singers will present a musical program over KRLL Sunday afternoon from 4:30 o'clock until 5 o'clock.

The choir of the Macedonia Baptist church will be presented under direction of Grace Jones, with the program under supervision of Mary Graham.

The opening number will be "Swing Low, Sweet Chariot," led by Booker T. Shepherd, will sing "In the Morning Soon," and other numbers.

"Traveling On," a duet, will be presented by Eliza Johnson and Edna Mae Decker.

Washington Is Hit By Heavy Rainfall

WASHINGTON, Nov. 13 (AP).—Washington and vicinity experienced a record November rainfall of 2.95 inches in the last 24 hours a gauge this afternoon showed.

Streams overflowed, causing considerable damage to Maryland communities. Water ran three feet over Brandenburg road at the peach crossing. A rescue squad removed 25 persons from North Brentwood homes.

Insurgents Open Drive on Rebels

HENDAYE, France, Nov. 13 (AP).—Spanish government forces began an artillery drive along the entire Aragon front today while warplanes raided insurgent supply centers at Teruel, Calatayud, Molinde and Pamplona in an effort to delay prospective insurgent invasions of Catalonia.

Insurgent headquarters said that more than 100 persons had been killed at Pamplona.

Doc Bloss Cleared By Racing Comm.

Effective January 1, Dr. Wm. Bloss of Midland, veteran race horse trainer and owner, will be free to race his horses on any track, he said Saturday. Barred some time ago on account of mix-up in name of a horse alleged to have been Blue Book, proceedings recently were passed by the Texas racing commission clearing him of all responsibility.

Bloss sold the horses he had been racing, some of them being on the major tracks at present. He said he would not immediately return to horse racing but would continue to be located here through the winter.

FROM LOUISIANA

Mr. and Mrs. Willis Blackburn of Crawley, La., are here visiting her parents, Mr. and Mrs. M. W. Whitmire. Mrs. Blackburn is the former Miss Lenora Whitmire.

Pecos Area "Whatisit" Holding Attention of West Texas Oilmen

BY FRANK GARDNER.

Attention of virtually all West Texas oil men was turned at the weekend toward the Imperial area of northern Pecos county as rumors ran rampant regarding Magnolia Petroleum Company's Ordovician wildcat, the No. 1-A McKee.

With definite information not yet available, the most popular theory is that the well has topped the Simpson, middle Ordovician at an unusually high point in drilling to present depth 4,914. It is shut down awaiting 4-inch drillpipe.

A Simpson top at around 4,900 feet in the well would mean that it is running more than 700 feet high to Gulf No. 5 W. W. Waddell, record 8,179.44 barrel producer in the Sandhills Ordovician pool of western Crane county, some 11 miles to the north.

The Magnolia well is located near the Pecos river, 2,310 feet from the south, 430 feet from the west line of section 24, block 9, H. & G. N. survey, an acreage acquired by Magnolia from Tex-Mex Petroleum Corporation, Tex-Mex No. 1 McKee, the original test, located 200 feet south of the No. 1-A. Junked hole after insurmountable fishing job developed at 2,720, while Magnolia No. 1 McKee, 100 feet east of the Tex-Mex test, also junked hole at around 1,200 when derrick sank in soft surface soil.

Lease and royalty play brought about by the rumors is said chiefly to be northeast, north and northwest of the well.

L. B. Hoss and Frank J. Downey No. 1 Cities Service-Cordz, Pecos river test southwest of production in the South Ward field, topped anhydrite at 891 feet and is drilling in that formation at 1,100. Location is in the northeast corner of section 81, block 8, H. & G. N. survey.

Cochran Try Starting.

Cellar and pits have been dug for Joe Meeker No. 1 Della Slaughter Wright, new test in southeastern Cochran county. It is in the south half of labour 26, league 96, Mills county school land, about five and one-half miles north by northwest of Wiggins, Lawson and Hyde No. 1 Dean, producer which extended the Duggan pool four miles to the northwest. George Livermore has been awarded contract on the Meeker test. It is on acreage blocked by H. N. Harris of Fort Worth. Shell, Magnolia and other majors bought spreads.

Devonian No. 1 Duggan, one mile north by northeast extension of the pool, is drilling lime at 5,035 feet. At 5,019 it swabbed five barrels hourly after treatment with 800 gallons of acid. Oil is being kept swabbed down.

After third stage of acid treatment, 4,000 gallons in amount, Humble No. 1 Riley, Wasson pool well, headed for one hour, then

Drivers License Applicants Will Be Examined Here

AUSTIN, Nov. 13.—Two driver's license examiners of the Department of Public Safety will be in Midland on Thursday, Nov. 18, to conduct tests for drivers applying for their first license, according to Col. H. H. Carmichael, director of the public safety department.

Establishing headquarters at the court house, the uniformed officers will give the examinations every Thursday of each week from 11 a. m. to 2 p. m. In applying for the driving tests, the applicant must furnish his own vehicle or one he proposes to operate after he secures a license, the safety director pointed out.

After oral quizzes are completed each applicant will be required to drive his car or truck over a designated route under the supervision of one of the trained examiners. During the drive the operator must demonstrate the use of his foot and hand brakes; stop for signals and perform other acts necessitated in ordinary traffic conditions. Before the actual driving test is made the examiners will quiz the license applicants on safety regulations and signals, highway laws and make tests of their eyesight and hearing. Any physical deformities will be recorded on a grade card.

Not only will driver's license applicants be examined as to their ability to handle a vehicle with safety, but the vehicle itself will be tested for defects in brakes, horn, lights, rear-view mirror, and windshield wiper.

If a driver proves his ability to operate his vehicle with care and safety he will immediately receive his license at the examination headquarters. If a passing grade is not

PROCLAMATION BY THE MAYOR

Once again the time has come for our community to demonstrate its concern for maintaining a very necessary part of our civic welfare program—the work maintained by the Midland chapter of the American Red Cross.

It is not necessary for me to remind citizens of our community that the work of the Red Cross is a vital contribution to our community welfare. We have all seen, during the past year, how effective Red Cross work is, both from the standpoint of the year-round program and that done during times of great national emergency. Perhaps never before has the work of this great national agency been so universally endorsed as in this year during the gigantic relief operation in the devastating floods in the Ohio and Mississippi River valleys. It was a great work, done in an efficient manner, and truly deserves our most sincere commendation.

Our community, I am pleased to say, carried its full share of the responsibility for making this great relief work possible, through contributions of our citizens.

The annual Roll Call of the Red Cross, through which such fine work is supported, is from November 11 to Thanksgiving Day, November 16-17 having been designated as Roll Call days in Midland. Memberships enrolled during that time will support the work for the year ahead of us. The Red Cross asks little from the community, yet contributes much to the general welfare of our people.

It gives me great pleasure, as mayor of Midland, to set aside the designated period as the time when all members will be asked to renew their memberships and those who have not enrolled before are urged to add their names to the ranks of Red Cross members in our community.

(Signed) M. C. ULMER, Mayor
of the City of Midland.

Koo Demands Embargo Be Authorized

Military Action Of Nipponese Is Criticized By 3

BRUSSELS, Nov. 13 (AP).—China's demand for a practical equivalent of sanctions against Japan was dramatically opposed by Italy today in the conference seeking to end the Chinese-Japanese war.

Dr. Wellington Koo, Chinese delegate, urged a conference decision to withhold war materials and credits from Japan and to supply them to China. The Italian delegate immediately opposed the proposal.

Nevertheless, the United States, British and French delegations presented a draft of a joint declaration stressing the illegality of Japan's military action, asserting it amounted to defiance of the whole world.

Norman Davis, head of the American delegation, declared there are "compelling reasons" why Japan should cooperate in search of peace.

The Italian delegate pointedly put the question that the conference would do next. As if in reply to the tri-power declaration was distributed to the delegates, who were to reassemble late today to consider it.

Dr. Koo, referring to Japan's rejection of a second invitation to discuss peace possibilities, urged the delegates to act "now that the door of conciliation and mediation has been slammed in your face."

Davis expressed a hope Japan would "still see the way clear to doing so."

He reiterated, however, the conviction that respect for treaties and observance of the pledged word were the only possible basis "for an equitable, lasting solution of the Sino-Japanese conflict."

Japan, a signatory of the nine-power treaty to protect China, under which the Brussels conference was called, had refused two invitations to participate in the international efforts to find an avenue to peace in her war with China.

Davis spoke with the heads of other delegations in consideration of the latest Japanese rebuff at the start of deliberations on a possible showdown with Tokyo.

Narrow Escape From Injury Is Had in Accident

Five Midland young people narrowly escaped serious injury Friday night near Big Spring when the car in which they were riding was forced from the highway by another car and plowed into a telephone pole.

Those in the car were E. B. Roundtree, L. J. Burdine, Bill Harris, Miss Eddie Jean Cole, and Miss Wanda Ticknor. Burdine was the most seriously hurt, receiving a lacerated forehead which was treated by Big Spring physicians. Others in the car received only bruises and shocks.

The accident occurred as the group was leaving the Scenic Drive southwest of Big Spring a short ways. As they started to round a curve, they declared, the other car passed them and forced them off the road and into the ditch at the side. The car was practically demolished.

MRS. WADLEY WORSE

Mrs. T. B. Wadley, one of Midland's pioneer citizens, who has been ill for the past few years, was reported late Saturday to be in a serious condition and little hope was held for her recovery. Addison Wadley, her son, said her condition had grown steadily worse Saturday.

Children's new books:

"Famous Girls of the White House" by Kate D. Sweeters: Miss Sweeters has chosen a group of a dozen or more girls whose merry laugh and chatter enlivened the stately walls of the White House. Among them are Patsy and Polly Jefferson, Patsy being the devoted comrad of her lonely father, Nelly Custis, the girl of Mount Vernon, whom George Washington adopted as his own daughter; fascinating Dolly Madison; Maria Monroe, the first daughter of a president to be married in the Executive Mansion; and others coming down to Alice Roosevelt, Helen Taft, and the Wilson girls.

"Treasure Mountain" by Eric P. Kelly: Two boys with their fathers made a trip to New Mexico to investigate some property—and the very first night after their arrival are catapulted into an unexpected and exciting adventure. A shot in the dark, a dead Indian, a stone in his hand with strange markings—starts them off on a treasure hunt which leads through thrilling mysterious byways involving a discharged foreman, an outlaw, an Apache Indian.

"Riding West on the Pony Express" by Charles L. Skelton: Jeff and Chet Harlowe, aged seventeen, arrive in St. Louis, Missouri, in search of jobs, and there they hear of the Pony Express just being organized. Sixty riders are needed and most of them have already been chosen. Youth, loyalty, and good horsemanship seem to be the most important requirements for riders—so the boys apply. Chet is accepted. He takes the Rider's Oath and rides away with the first express, leaving Jeff who is a little too young, behind. It is not long before Jeff joins up too, for Chet has been

wounded in a hold-up and his brother is on the spot to offer his services again. Here is a thrilling chronicle built out of actual records, an adventure story full of intrigue, mystery and interesting personalities.

"A Pageant of Kings & Queens" by C. E. & M. Cattington: A thousand years ago England was first united under a native born king. The same ceremonial was followed in the 1937 Coronation of King George VI as was used in the crowning of his remote ancestor Athelstan, who reigned in 930. This book gives form and story to the continuity of the history and the long tradition of the English monarchy; it tells of the triumphs and failures of English kings and queens through centuries of change, and of the new responsibilities falling upon a king of England today.

"The Last of the Zuider Zee" by S. Franke: Why must the drain of every person on the fishing island of Urk. When draining was recently completed, Urk as a fishing village ceased to exist. The last fishing days of Urk fill the lives of Jake and Knells, the inseparable heroes of this book. They enjoy for the last time that any Urk boys even can—all the picturesque and salty games and scraps which make a Dutch boy's life worth living. They borrow the Markmaster's skiff, and almost get drowned by the rising tide; the great day comes when they are allowed to join a fishing cruise; they use their flits a little, listen to Grandfather's preposterous legends, get adrift on an ice-flow. Finally bowing to the inevitable, Jake goes to Umuuden to begin life as a hand on a herring lugger.

New books for adults just received: "The Rain Came," by Louis Bromfield: A long tense novel in which Mr. Bromfield brings a sophisticated group of English, Indians, Eurasians, and others together in the atmosphere of modern India and, by submitting them to the terrors of a disastrous flood, and the subsequent ravages of disease, develops the inherent traits of each.

"Enchanters Nightshade," by Ann Bridge: Into the midst of the Vill' Alta family with its numerous ramifications, its intrigues, loyalties and peculiarities, is dropped the new governess, Almira Prestwich, twenty-two, Oxford graduate, brimming with book knowledge but unbelievable ignorant of the Vill' Alta's world. Though the setting is the beginning of this century, the pace and structure are entirely modern.

"The Turning Wheels," by Stuart Cloete: A story of the Great Trek of 1836 to the Transvaal. The sturdy and stubborn Boers, seeking freedom from the oppression of the British at Cape Colony, brave all the hardships of the vast African Veld, war with natives, bush fires, thirst, sickness, and terrible toll. Led by the great Hendrik van de Berg, they reach their land of Canaan and start a new Dutch colony. It is an exciting tale told by a master storyteller.

The fifth installment of International Mind Alcove books, sent through the Carnegie Endowment for International Peace:

"Daughter of the Eagle" by Nexhmie Zalmi: Childhood in Albania and an escape from its conventional strict seclusion to the first government high school for girls, described by a girl who is now at Wellesley. A personal, informal account of quaint customs and traditions now passing, and of the reaction of an isolated people to the introduction of modern ideas and an unfamiliar civilization.

"Monaco and the French Riviera" by Frederick W. Pickard: "The beauty and grandeur of this 'Pleasure Ground of the World' are depicted in this volume as a background to its many old and quaint towns, each with its curious legends and misty history. Numerous illustrations, and a map, add to the attractiveness of the book.

"Volunteer in Spain" by John Sommerfield: "Here are the men from all over the world who, in the Spanish Loyalists' International Brigade, are fighting what they believe to be the world's greatest struggle for civilization and sanity and order. Their story is told, in cameo-clear phrases, by a brilliant young Englishman who writes as well as he fights and has produced one of the few war books of lasting value in our day." (Bruce Bliven, Editor of 'The New Republic')

"China Changes" by Gerald Yorke: The condition of China and the recent history of the country as a correspondent for an English news agency saw it during two years' residence and travel.

THE SEVEN WHO FLED, Frederic Prokosch; Harper and Brothers. Each year Harper and Brothers award a prize for the best novel submitted to them. The judges this year were Sinclair Lewis, Louis Bromfield and Thornton Wilder. They have selected as the prize novel THE SEVEN WHO FLED by Frederic Prokosch, author of THE ASIATICS and THE ASSASSINS. Sinclair Lewis says THE SEVEN WHO FLED "a distinguished novel of great beauty. It embodies all of

The Town Quack

lute team lost most of its good ponies in a truck which overturned. Maybe Jay and Clarence knew that when they issued the challenge.

Before Ralph Shuffler of Odessa has a chance to take me on for quoting the Wink-Odessa score at 41-7, I will admit that I had the score mixed with that of the Wink-Monahans game.

Bill Collins is working on getting the Wink-Roscoe bi-district game here again this year. Bill doesn't see any way for those teams to avoid the meeting and he believes Midland is the logical central point. We gave them a \$1,600 gate year before last.

Guy Cowden, listening to a lot of talk by lobby horse traders, said he was satisfied with a \$40 pony, but preferred a \$300 bull. Imagine a man as young as Guy giving all of his attention to his cattle business.

Hilary Bedford said he came to this country almost thirty years ago because his brother-in-law, George Ratliff, thought he was in bad health. George weighs a pound and a half more than he did then and hasn't missed a day when there was work to do at the ranch.

Western man's long dream about the mystery, the dark adventure, and feverish color of the Orient, told in a style of which any writer would be proud.

"THE SEVEN WHO FLED" is a novel in which Europe, past and future, in miniature wanders over barren Asia. The seven are a Russian, two Teutonic geologists, a Belgian degenerate, an English aristocrat, a French novelist and his Spanish wife.

Prokosch writes of more than the Asiatic wanderings of his six men and one woman, who are physically lost; they are also spiritually unrecognizable. They are searching and seeking but there is nothing for them to find or to recover. Al though his book is pessimistic it is written with a beauty, a passion, and an understanding of the torments of the whole Western world that puts him in the first ranks of the really brilliant young writers in Europe and America today.

RALSTON'S RING, California Plunders the Cofstock Lode: George D. Lyman; Charles Scribner's Sons. This is the story of a gambler who worked on a magnificent scale, who ruthlessly stole, browbeated, and plundered, but who had such an extraordinary personality—and was such a fine fellow!—that he kept the affection of every one who knew him. His personality has triumphed through time for Dr. Lyman, the author of this book, is fond of Ralston as the readers of his book will be.

This is the story of Ralston's Ring, but Ralston so far overshadowed the other members that it becomes and the finger was amputated.

Ready to Fight Japs or Deluge

Holding his umbrella at ready and his rifle at ease, this Chinese soldier presents a view of a novel type of military equipment. Frequent rains make necessary the issuance of umbrellas as part of the regular equipment of soldiers in north China.

narrative of the leader's activities. It was through his cunning that they gained control of the Comestock Lode and many other rich mineral deposits. He needed money and more money for his woolen mills, his foundry, his bank, his furniture factory, his Palace Hotel, his theatre, his magnificent home, and his many other activities. When he discovered something that would make money he went after it. What did it matter whether he had a right to it, or if thousands of small stockholders would be financially ruined? When he finally lost his foothold to the "Bonanza Kings" and the great crash came, even the European markets trembled and Ralston drowned himself in the Bay of San Francisco.

This is a dramatic—even a melodramatic—narrative with details almost too fantastic to be true. But the whole book is actual facts. Life was fantastic, unreal, fast-moving in the '60's and '70's.

Police Chief Loses Digit After Prisoner's Bite HARRISBURG, Ill. (U.P.)—Otto Pickering, local chief of police, is wary of biting prisoners. Recently a prisoner bit the chief's finger. Infection developed; other members that it becomes

Oil News--

southeast of section 2-118-36e, is drilling white crystalline lime at 5,044 feet. No shows of any consequence have been logged. An important discovery in eastern Eddy, Ralph A. Shugart No. 1 Coult-hard, drilled more saturated sand from 3,467-75, making its pay section thus far 35 feet thick. When swabbed down it fills up 750 feet in 18 hours. A slight showing of water present is believed coming from behind leaky casing. The discovery is in the center of the north-west of the southwest of section 35-188-36e, about ten miles southwest of the old Maljamar pool. It is drilling ahead at 3,475 in sand. Martin Wildcat at 3,995.

J. L. Greene, R. C. Conkling and T. R. Parker No. 1 O. B. Holt, interesting western Martin wildcat, last night had drilled to 3,995 feet in anhydrite and red rock. It is 440 feet north and west of the center of labour 20, league 319, Garza county school land.

In Glasscock, Amerada No. 1 A. D. Neale is rigging up Cardwell cased tool unit. It drilled to 2,690 feet in lime with rotary, then cemented 6 5/8-inch casing at 2,686 with 150 sacks of cement.

In Hudspeth county, Haymon Krupp No. 1 Thaxton is underreaming 7-inch casing, bottomed at 3,230 feet in lime. One hundred and forty-six sets of underreamer lugs have been used in working 150 feet of hole. Sharp particles of sand are responsible for the abnormal wear on lugs.

Also in Hudspeth, Krupp's No. 1 Briggs is drilling blue shale at 1,450 feet. Milhoan Cores Saturation. Streaks of saturation were evident in 15 feet of core pulled between 4,100 and 4,118 in Milhoan Drilling Company et al No. 1 Gulf-B. H. Blakemey, important Ector wildcat three miles west of the North Cowden pool and between it and the Goldsmith field. Lime top in the well is 3,940. It is coring ahead.

J. D. Bodkins No. 1 W. P. Edwards, in southeastern Ector, is drilling at 2,400 feet in salt and anhydrite. Anhydrite and salt were tapped by operator to have been topped at favorable points. The test is 330 feet from the south, 2,310 feet from the east line of section 37, block 43, township 3 south, T. & P. survey. Two completions were reported

for the North Cowden pool. De-laney No. 1 Smith flowed 406.73 barrels a day after shot with 630 quarts at 4,320, and Stanolind No. 9 Roberts flowed 1,620.77 a day at 4,330 after shot with 460 quarts.

Truck Driver Saves 25 Parishioners From Fire

CONTINENTAL O. (U.P.)—When the United Brethren Church of Keifersville, four miles from here, burned during the Sunday school period, the sharp eye of an unnamed truck driver was credited with saving the lives of 25 persons.

Is your kitchen
CLOSED
TO GUESTS?

Today, the kitchen is as important as any other room in the home. Perhaps no other room has so much to do with creating a favorable impression of the house.

And guests have a way, these days, of making themselves at home in the kitchen. No kitchen is safe from sudden social invasions at any hour of day or night.

Are you proud of your kitchen? Is it a room that you thrill to show to guests? If not, start today to modernize it. There never was a better time; it has never been so easy.

One thing at a time is the sensible way to make these changes. And the natural beginning is to replace the old stove with a modern Magic Chef. No other home improvement will give you so much pleasure. Magic Chef gas ranges have all the advanced features that simplify cooking and baking tasks. You'll be astonished at the way this one change will cheer up the whole room. Many sizes, styles, prices to choose from.

JIMMY SMITH, PAUL OLES TIE IN CITY TOURNEY PRELIMINARIES

FIVE OTHERS ARE WITHIN 4 STROKES OF TWO LEADERS

Paul Oles and Jimmy Smith turned low scores in the first day of the City Open tournament, both of them carding a 73 for 18 holes yesterday afternoon.

Only ten players were left in the championship flight after the withdrawal of two qualifiers, and the championship will be settled today with each of them playing 36 holes. Medal play is to decide the winner, low score for the 54 holes winning the Reporter-Telegram loving cup.

Pat Riley trailed Smith and Oles by only one stroke and F. A. Stacey came in with a 76 to be in fourth place at the end of the first day's play.

Frank Johnson and Clyde Pate stayed in the fight by turning in a 77 each, one stroke better than a 78 carded by E. B. Dozier. Maurice Green carded an 80, W. P. Thurman an 83 and R. T. Mobley an 85.

In the first flight preliminaries, Bill Larson shot championship flight golf in leading the division with 75. His round was three strokes better than the 78 made by Don Sivals and four strokes better than cards turned in by M. A. Park, Pearl Blair, R. W. Hamilton—all of whom carded a 79. Bill Simpson was one stroke behind them with an 80. Others remaining in the fight for first honors were Sid Iverson with an 84, Lloyd Mackey, 87; H. R. Hoec-

RICE SCORES IN LAST THREE MINUTES TO TIE TEXAS AGGIES WITH 6-6 SCORE

HOUSTON, Nov. 13. — A valiant band of blue-shirted Rice Owls finally managed to come from behind in the last quarter today and get a 6-6 tie with the A&M Cadets after trailing for almost one half of the game.

It was big Ernie Lain, 202-pound halfback, who made the tying score with only three minutes to go after staging a one-man offensive in the last quarter. In four power bursts off the right side of his own line, Lain carried from the Aggie 25-yard line over the goal. Vickers was rushed into the game to attempt the kick from placement but Britt, Cadet end, broke through to block the try.

The Aggies scored in the second quarter and the six points appeared good for victory until the final few minutes as they turned back the

Owls time after time without letting them get close to pay dirt.

On a fake punt, Dick Todd, who was the ground gaining ace of the day for the Aggies, raced 36 yards to the Rice 12-yard line before he was knocked out of bounds by Cor-dill. On the second play he passed over the goal to Britt for a touchdown.

Rice threatened to score in the second quarter when they carried to the Aggie 7-yard line but lost their chance when Routt intercepted a Rice pass and brought it out to the Aggie 43. Late in the third quarter they carried to the Aggie 18, only to lose out again on a pass interception.

The Aggies played a 5-man line most of the time to effectively throttle the Rice passing attack but could do nothing with Lain in his last period plunges.

Games This Week:
Stanton at Pecos
Monahans at Midland
Kermit at Odessa

Thanks to the Odessa Bronchs, the Wink Wildcats have had their drive to the championship of district 7-B simplified—as if they needed any help!

The Bronchs did the Wildcats a big favor Armistice Day when they went over and knocked Pecos off their half of the top seat, 21-7. All Wink has to do now is defeat Pecos to allow Odessa to finish second and Pecos third. And there is no one in their right frame of mind that will take Pecos for as much as a five-cent wager.

The district is to get a rest from the usual weekly drubbing of some member club by the Wildcats as Wink will rest this week. And that brings a fervent "Amen" from all concerned. Just so often as a club has considered it was going to make a splash in the district middle just so often did the Wildcats come along and slap them back in a way that left no doubt of who had THE club in this district.

Only three district games are scheduled this week and only one of them is likely to be worth the price of admission. Midland and Monahans are booked for a battle on Lackey field that may turn out to be a scoreless tie or might turn out to be a free scoring affair.

The dope can be turned around

kendorf, 85; Fred Bishop, 81; R. J. Steele, 91.

Play in the championship round will start this morning at 8 o'clock with Oles, Smith, Riley and Stacey in the first foursome. Johnson, Pate and Dozier will tee off ten minutes later and Green, Thurman and Mobley will start play at 8:20.

First flight rounds will start at 8:30 with Larson, Park, Sivals and Hamilton teeing off first. They will be followed by a foursome consisting of Blair, Bishop, Simpson and Iverson. Hoecendorf, Mackey and Steele will tee off at 8:50.

to make either club a favorite, regardless of which you prefer. Midland defeated both Stanton and Kermit worse than did Monahans, but Pecos and Wink had more trouble in subduing the Lobes than they did the Bulldogs.

However, Monahans has not been held scoreless in any game this year and only some tough breaks kept them from defeating Pecos. They did everything but out score the Eagles and they pushed them all over the Monahans grid.

Pecos will take on the weak Stanton club in the Reeves county capital in what should be a breather for the Eagles. The Stanton club, after showing remarkable improvement to indicate they were double-tough for the rest of the year, have seen their offense completely wrecked through some uncontrollable events within the past week. Graham, their chief ground gainer, dropped out of school when he decided married life was better than bachelorhood. As if that were not enough, the lone Stanton scoring threat left, Eidson, generally conceded to be the best passer in the district, received a slight brain concussion against Midland Thursday that will keep him on the bench this week. The Pecos game was the last of the schedule of the Buffaloes this year and coach Henderson is probably glad of it. If the breaks keep coming against him like they have in the past few days he probably would be unable to place a team on the field by Thanksgiving.

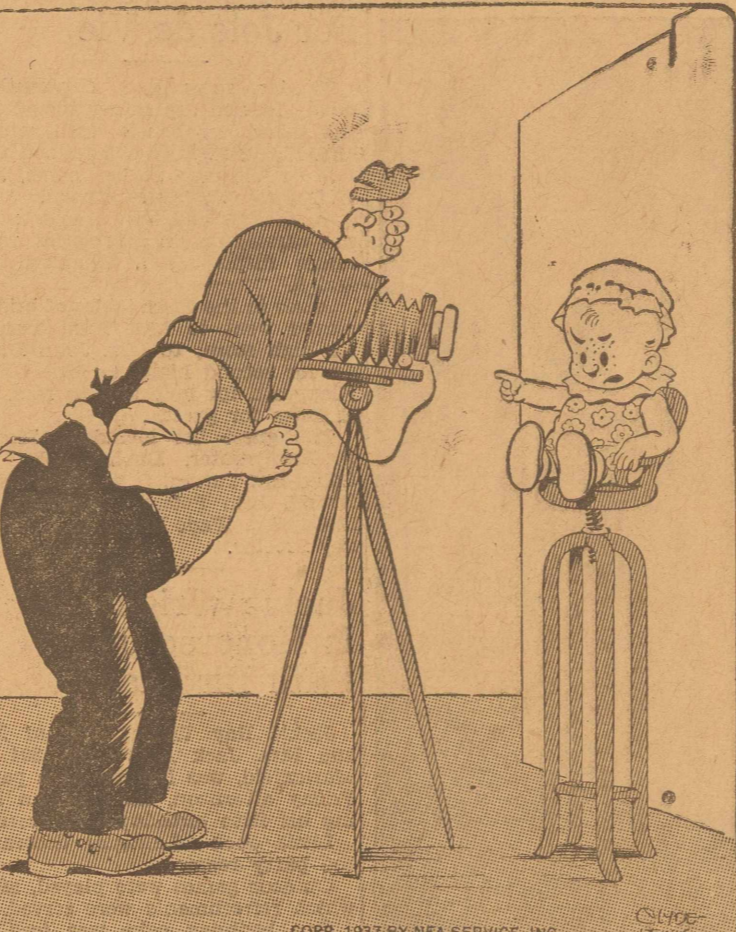

The other game of the week will find the strong Odessa Bronchs playing host to the weak Kermit Yellowjackets. The Kermit team has been unable to score a point against any kind of opposition this year and their chances of scoring against Odessa are practically blank. The game should be a mere warm-up for Odessa, giving them a little practice for their Thanksgiving Day game with Midland.

Swain Buys License Before Asking Girl

SEMINOLE, Okla. (U.P.)—A highly nervous young oil field worker had difficulty in signing his name to the marriage license he was buying. He asked that issuance of the license be kept from the newspapers.

"Why?" asked Leone McCabe, deputy court clerk.

Hold Everything!

"Never mind that old 'watch the birdie' stuff. Just watch you don't overexpose that plate!"

Unemployed Gain By Signing Census

Every unemployed or partially unemployed person gains by registering during the National Unemployment Census to be taken November 16 in this and all other communities of the United States, according to the pamphlet, "General Information," issued by Administrator John D. Biggers, in charge of this progress.

The pamphlet quotes the President's message on the face of the report cards, in which he said: "If you give me the facts, I shall try to use them for the benefit of all who need and want work and do not now have it."

It also recalled that Congress directed the census to be taken "to aid in the formulation of a program for reemployment, social security, and unemployment relief for the people of the United States . . ."

Thus, while the unemployed are warned by the pamphlet that "registration on the report card is in no sense registration for a job," there is the implied intention of Congress to use the information obtained in this census, for development of constructive plans aimed at improving the condition of the unemployed.

Analysis of the information sought through the 14 questions on the card shows that when the census has been completed, Congress and the Government will have data it has not had in the past in dealing with unemployment, as there has been no general census since 1930.

Information will now be available showing the age groups in which the employable unemployed or partially unemployed are found. The answers obtained from the cards will show in what trades there is the most enforced idleness, and the parts of the country in which unemployment most prevails.

The authorities will have data to show which industries are lagging in reemployment, and thus will know which industries would contribute the most new jobs by their revival. The cards will reveal what new industries are needed to augment available work in all parts of the country.

SOCIETY NEWS SECTION

Midland Girl and Big Spring Man Are Wed Here Friday

In a quiet home wedding Friday evening, witnessed only by relatives and close friends of the couple, Miss Melrose Bumgarner of Midland, daughter of Mrs. Vera Bumgarner of Big Spring, became the bride of Fred Gadbois of Big Spring. The ceremony was read at 8:30 o'clock at the home of the bride's cousin, Mrs. J. E. Hammond, 107 N. Marientfeld, Rev. W. J. Coleman of the First Presbyterian church officiating.

Tall vases of fall blossoms formed an improvised altar before which the couple stood to exchange vows in the single ring service.

Mrs. Juanita Dorsey attended the bride as matron of honor and Howard Johnson of Iran was best man.

Mrs. W. J. Coleman was at the piano for the nuptial music, playing Lohengrin's Wedding March (Wagner) for the processional, Liszt's "Liebestraum" during the ceremony, and Mendelssohn's Wedding March as the recessional.

The bride wore a velvet afternoon gown of deep wine, touched with gold. Her accessories were black.

Mrs. Dorsey wore an afternoon costume of navy blue and white.

An informal reception followed the wedding, with the bride cutting the large white and green wedding cake.

Later, Mr. and Mrs. Gadbois left for Big Spring where they will make their home.

Per-traveling, the bride chose a

MRS. JOSEPHINE MOULLET

Mrs. Josephine Moullet, Corsetiere of the Formfit Company, will be in the Corset Department at Wadley's tomorrow and Tuesday, November 15 & 16, to assist you in selecting the proper foundations for your figure.

It is with great pride that we present a stylist whose training over a period of years in the fashion centers of America, enables her to properly diagnose your needs in foundations . . . so essential to the well-dressed woman. We invite you to consult Mrs. Moullet Monday or Tuesday. There is no obligation. (Adv.)

Mrs. Bryant Ends Serial Story at Saturday Hour

The story of "Alice in Wonderland," by Lewis Carroll, which Mrs. W. Bryant has been telling in serial fashion at the weekly story hour was concluded Saturday morning.

She also told the story of "The Yellow Dwarf" by Andrew Lang, "Mother Spider" by Frances Bliss Gillespie, and "The Quarrel of the Winds" by Johnny Gruelle.

Stories were told by four children including Donald Prager, Roy Ruten, Peggy Riley, and Patsy Riley.

Children present were: Lois Jane Black, Betty Jean Wilson, Charles and Richard Gile, Toya Chaplain, Patsy and Peggy Riley, Peggy Joyce Minear, Eloise and Betty Ruth Pickering, Audie and Geneva Merrill, Billy Don Hope, Roy Ruten, Gary Dale Nichols, Margaret Ann, Nichols, Donald and Marvin Prager, Jimmy Lot, Jimmy Frank Wilcox.

Business Women Will Sponsor Silver Tea at Court House

The Business and Professional Women's club will sponsor its annual silver tea in the assembly room of the county court house Saturday afternoon from 3 o'clock until 5 o'clock. Proceeds of the affair will go to children needing medical aid, several children having been assisted through funds from the club's tea last year. The public is invited to attend.

Miss Elma Graves is in general charge of arrangements for the tea, with Mrs. Susie Graves Noble chairman of the program committee; Miss Fannie Bess Taylor chairman of the service committee; Mrs. Addison Young chairman of the decorations committee; and Miss Norene Kirby chairman of the refreshments committee.

Mrs. Frances Stallworth is president of the club, which is a service organization of business women.

Mrs. King Is Hostess to Bible Class Friday

Mrs. Herbert King was hostess to the Belmont Bible class in its weekly study meeting Friday.

Mrs. W. L. Fickett taught the lesson from chapters eight and nine of Revelations.

Mrs. Pearl Parrott was a visitor. Present were: Mmes. T. O. Midkiff, Fickett, Parrott, T. Simpson, H. Braebzelle, W. P. Collins, J. M. King, C. E. Nolan, W. G. Attaway,

Leopard Woman

Miss Bettina Belmont, of Washington, D. C., is spectacular in a gown of spotted velvet recreating the leopard skin robes our cave-woman ancestors wrapped around themselves. It's pale cream, with brown spots, has a deep V neckline, wide belt, straight skirt.

H. H. Nicholson, and the hostess. Next Friday the class will meet at the home of Mrs. Attaway, 404 W. Ohio, for a party at 3:30 o'clock. Memory verse for that day will be Psalms 55, verse, 22.

Club Hears Lecture On Arrangement of The Bedroom

Mrs. W. H. Thomas was hostess to the South Camp home demonstration club at her home Thursday afternoon. Chrysanthemums and roses were used for decorations throughout the house.

Mrs. Lura Hollingsworth, county home demonstration agent, gave a lecture on bedroom arrangement. She stressed the fact of putting away unnecessary articles such as children's toys that might be boxed up and stored or given away. The room should have a balanced effect with the furniture set square with the walls. Mrs. Hollingsworth said the room should contain the sleeping, sewing, writing, and dressing centers and two chairs. There should also be plenty of fresh air and thin curtains should be used that let in the sunlight and catch as little dust as possible.

A refreshment plate carrying out the Armistice Day motif was served to: Mmes. M. C. Wilson, John Cogburn, H. M. Barron, A. G. Bohannon, Misses Dova and Gertrude Cogburn, Mrs. Hollingsworth, and the hostess.

The next meeting will be with Mrs. J. R. McCarter, Dec. 2. Mrs. McCarter is bedroom demonstrator for the club and will exhibit her room that day.

Lois Class Discusses Plans

Plans for the future of the class were discussed at the meeting of the Lois class of the Baptist class at the home of the teacher, Mrs. J. V. Hobbs, Thursday afternoon.

Since Mrs. Hobbs has been confined to her home with an injured ankle, the class has met there instead of at the church for its weekly sessions.

Present at the meeting Armistice Day were: Mmes. V. C. Ray, C. W. Kern, M. O. Prestidge, J. J. Hardin, Chas. Langford, Ross Miller, J. V. Hobbs, C. B. Collier, and A. J. Brown.

For That Good SCRUGGS DAIRY MILK PHONE 9000

Mrs. Frank Fulk Is Hostess to Party For Joie de Vie

Zinnias, roses, and chrysanthemums formed the flower theme for the afternoon bridge with which Mrs. Frank F. Fulk entertained the Joie de Vie club at her home, 211 W. Kansas, Friday afternoon.

An orange and brown color note was carried out in accessories, with tallies displaying a Thanksgiving design.

Prizes in the three tables of bridge played went to Mrs. Fred Turner for high score; to Mrs. John Dublin for second high; to Mrs. Chas. Klapproth for cut; and to Mrs. R. E. Estes for guest.

The guest list included: Mmes. F. Bridgewater, Dublin, John M. Speed Sr., Turner, O. B. Holt, Chas. Brown, Lem Peters, Klapproth, R. B. Cowden, Wade Heath, R. E. Estes, Foy Proctor.

Jackie Wright Is Honored on Fifth Birthday

Jackie Ray Wright, son of Mr. and Mrs. Jack A. Wright, 304 N. Marientfeld, was honored at a party Friday afternoon, the occasion being his fifth birthday anniversary.

Little Jack-o-Lanterns decorated the party room.

Outdoor games were played, after which refreshments were served.

The birthday cake was iced in white, decorated with white roses and sweet peas, and lighted by blue candles.

Favors were dolls.

Miss Leta Williams assisted Mrs. Wright in entertaining. Present were: The honoree, Patsy Stringer, Theresa Jane Stringer, Sonny Boy Stringer, Geneva Whigham, Kathryn Whigham, L. D. Whigham, and Frances Whigham, Charline Wood, Patsy Ruth Wood, Donald Sarge, Doris Webb, Lois Webb, Bobbie Jo Webb, Ann Webb, Jo Ann Sullivan, Dolores Barron.

RECEIVES CALF CROP.

O. G. Hill of Hereford received Saturday, at Metz, 250 head of steer and heifer calves which he had contracted previously from Jay McGee of Odessa. He will receive shortly 500 head bought from Radliff and Hurt and 250 bought from Clark Bros., all of Odessa.

City-County Federation Votes to Cooperate in "Better Movie" Project

The City-County Federation regular monthly meeting, Friday morning at the court house was attended by 35 members. Three new members were added to the roll.

The club moved to cooperate with the theatres and the Junior High P. T. A. in sponsoring a better movie project and the following committee was appointed: Mrs. W. L. Simmons, chairman, Mrs. W. L. Sutton, and Mrs. W. D. Anderson.

"International Relations" was the program subject given by Mrs. Chas. Klapproth. Col. John Perkins, attorney, gave a talk on "World Affairs in these Troubled Times."

The next meeting will be held at the court house Dec. 11 at 10:30, followed by a luncheon at 12:30 in the Scharbauer Hotel.

Friday's luncheon in the private dining room of the hotel was attended by twenty three members who were seated at a table decorated with yellow chrysanthemums and individual place cards and boutonnieres.

Mrs. Alma Thomas told some of

Slam Club Host To Husbands at Fifth Week Party

Husbands were guests at the "fifth week" party of the Slam club at the home of Mrs. H. H. Nicholson, on Carrizo street, Friday evening. Hostesses beside Mrs. Nicholson, were Mmes. R. L. Bailey, W. J. Stewart, Herman Whitehead.

Bridge games furnished diversion for the evening with high score for men going to R. L. Bailey, low score and travel prize for men to Frank Nichols.

High score for women went to Mrs. W. G. Attaway and low score to Mrs. R. L. Bailey.

A refreshment course was served to: Mmes. and Messrs. D. W. McCormick, C. R. Martin, R. L. Bailey, Frank Nichols, W. J. Stewart, Mrs. W. B. Morris, Mrs. Frank Simpson, W. G. Attaway, H. Whitehead, O. J. Battell, H. H. Nicholson.

FROM MEXICO CITY.

Mr. and Mrs. H. L. Straughan Jr. have returned from a wedding trip to Mexico City.

Mrs. Hejl Hostess To Group of Young People Friday

Mrs. W. F. Hejl was hostess to a group of young people Friday evening with a 42 party at her home, 704 W. Louisiana.

Three tables of progressive 42 were played during the evening.

The hostess served a refreshment course at the close of games to: Misses Christine Golladay, Laverne Bodine, Norene Kirby, Geraldine Dabney, Eloise Norman, Miss Hanks, and Alden Golladay, Alwin Bodine, J. B. Hanks, Doyle Whitehead, John Flocher, and the host.

Busy Bee Club Elects Officers

Highlighting the meeting of the Busy Bee home demonstration club with Mrs. S. D. Wimberly Friday was the election of club officers for 1938.

Mrs. C. C. Carden was named president; Mrs. O. M. Tyner, vice president; Mrs. S. H. Gwyn, secretary-treasurer; Mrs. G. C. Driver, reporter.

After the business meeting, a social hour was held. Members present were: Mmes. I. M. Moore, A. L. Hallman, S. L. Alex-

7:45 p. m. Wednesday—Choir rehearsal.

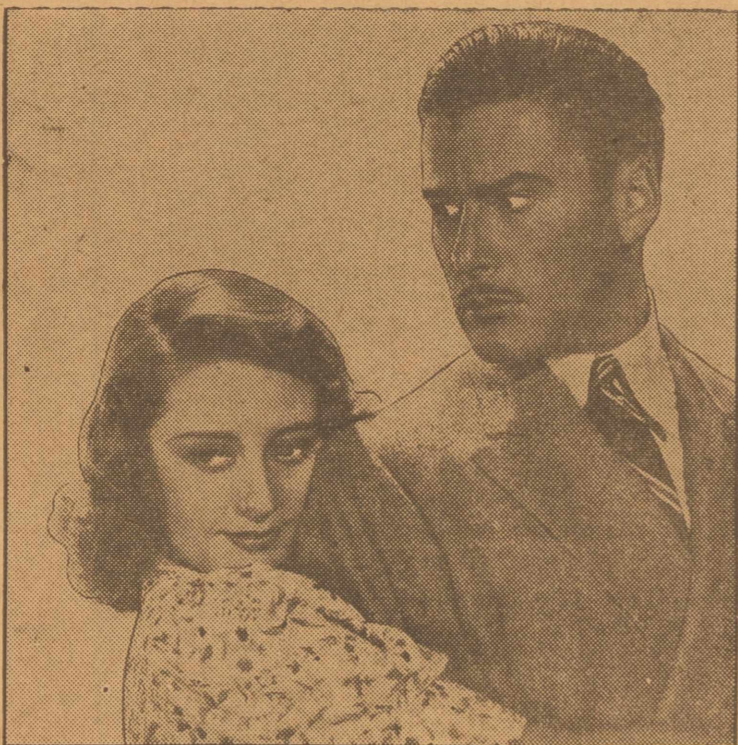

CHRISTIAN SCIENCE SERVICES
"Mortal and Immortals" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, Nov. 14.

The Golden Text is: "Because ye are sons, God hath sent forth the Spirit of his Son into your hearts, crying, Abba, Father. Wherefore thou art no more a servant, but a son; and if a son, then an heir of God through Christ" (Galatians 4:6, 7).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "When Christ, who is our life, shall appear, then shall ye also appear with him in glory" (Colossians 3:4). The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "In his resurrection and ascension, Jesus showed that a mortal man is not the real essence of manhood, and that this unreal material mortality disappears in presence of the reality" (page 292).

FIRST BAPTIST CHURCH

Perfect Specimen Vs. Perfect Nuisance

He doesn't understand it. Neither do we. What's more, he can fight, sign a check for \$20,000,000, dance like a master, cook like a chef, fix broken cars, speak five languages . . . but the way he makes 'love, we don't understand that either. One thing is certain, it's a laff riot from start to finish with Joan Blondell and Errol Flynn in Warner Bros. "The Perfect Specimen," now showing at the Ritz.

Two Will Talk At Senior League

"Making Home Interesting" is the topic for study at the meeting of the Senior League of the Methodist church at the annex this evening at 6:30 o'clock.

Joyce Beauchamp will give the introduction, following the opening hymn. Scripture reading, Matthew 7:12 will be given by Daphne Shafer. Talks for the evening will be presented by Cleo Tidwell and Clea Dee Tate.

A hymn and benediction will close the program.

Birthday Party Is Compliment to Miss Shafer

As a courtesy to Miss Daphne Shafer on her birthday, a group of friends entertained with a surprise party at the home of Miss Doris Tidwell, 316 S. Big Spring, Friday evening.

Progressive table games such as 42, dominoes, touring, and monopoly were played. Refreshments were served to: The honoree, Ernest Nance, Luther Meeks, Miss Doris Tidwell, John Rhoden, Miss Kathryn Beauchamp, Miss Petrol Ficke, Miss Mary Jane Walker, Jesse Lee Barber, Miss Bessie Flournoy, Miss Freddie Lou Barber, Marvin Douglas, Bob Roderick, Miss Lois Knuckles.

A Texas geography match was held Friday afternoon. Smaller children of the Stokes school visited at McClintic Wednesday.

J. L. Garrett is a new student.

Warfield. There have been several absent from school at Warfield the past week on account of whooping cough.

The primary room set a new record—no girls were present during the week. The school did not have a holiday Nov. 11 but something happened to break the monotony of the usual routine. Little Earl Edward Houston celebrated his fifth birthday with a party in the primary room from 2 o'clock until 3:30. His mother, Mrs. Bill Houston, was hostess.

Refreshments were served. Schools improvements have been made in several departments: The primary room has a new stove; the school ground has been graded; a basket ball court is completed and the school is ready for some ball games.

Rural Schools

Stokes. Primary pupils of Stokes school had an Arabian party Friday afternoon as the climax of an Arabian unit in their work. Mrs. M. W. Alcorn, teacher, reported. Pupils were dressed in Arab costumes and sat before an Arab tent. Prize for the best costume went to Raymond Lewis.

The program for the Party included: Location of Arabia—Warene Wise How We Made a Salt Map—Helen Herren. The Arabian Scenes We Drew—Troy Gene Alcorn. "Dates and Figs"—William R. Newsom. What Arabs Need Most—Troy Gene Alcorn.

The New Words We Learned While Studying Arabia—Helen Herren and Warene Wise. A Desert Home—Warene Wise. A Caravan—Raymond Lewis. Song "Arabia"—Entire Group. Desert Trains—Raymond Lewis. Camel's Value—Oleta Cain. "The Camel"—Tony Roberts. Arithmetic Activities in This Unit—Troy Gene Alcorn. English Activities—Helen Herren. Geography—Troy Gene Alcorn. Spelling Activities—Raymond Lewis.

Arabian food of brown bread and dates dipped in butter was served. Out-of-school visitors were: Mmes. B. F. Hale, Olin Hart, J. C. Brooks, Marvin Bramlett, and Annie Lee Alcorn, John D. Alcorn and Ben Courtney Hart.

Thursday Valley View school visited Stokes in the afternoon. Stokes won the basketball game played. Wednesday afternoon the primary room went to McClintic school where games were played. Monday at assembly prizes were presented to winners in the candy selling contest.

First prize, stationery, went to Herman Cain; second prize, a hammer set to J. W. Graham; third, a scrapbook, to Polly Herren; and fourth, stationery, to Juanita Lewis. New equipment received by the school includes a new flag, new health scales, and pencil sharpeners.

McClintic. Work on a Texas unit of work has begun at McClintic school and will be carried out in written language

Series of Concerts Calendared for San Angelo

Midland concert-enthusiasts will welcome news of the series of attractions to be presented San Angelo this winter by the West Texas Concert Association.

Four outstanding attractions have been booked for appearance in the Tom Green county capital.

Cornelia Odis Skinner, famed dramatist, will be presented Saturday evening Nov. 20.

Nine days later Efrem Zimbalist, violinist, will be presented on Monday evening, Nov. 29.

Third of the concerts will be that of Margaret Sparks, soprano, on Monday evening, March 17, 1938.

The St. Louis Symphony Orchestra will round out the calendar with its appearance scheduled for Wednesday evening, April 6, 1938.

A season ticket for the four performances is available for five dollars, if purchased immediately.

Doctor Advises Eating Less, Exercising More

ST. LOUIS (AP)—A gradual change in diet to fat-producing foods during the last generation has resulted in an increase in obesity, Dr. Reginald Fitz, associate professor of medicine at Boston University, told the International Medical Assembly here.

"People eat too much and exercise too little," Dr. Fitz said. "The logical remedy is to reverse this process, and eat less and exercise more."

Jersey Style

Handsome Mrs. George B. St. George, danced and dined in a stunning silk jersey evening gown with narrow shoulder straps, extremely low heart-shaped décolletage. Notice the single strand of pearls right in the midst of all the talk about heavy jewelry, also the beautiful corsage of orchids.

Varied Injuries Listed for Patients

Mrs. J. A. Tuttle was admitted to a Midland hospital for treatment Friday and Mrs. George Phillip to the hospital Thursday.

John F. Gray of Andrews was admitted to the hospital Thursday night for treatment of burns on the face.

Mrs. W. P. Steed of Odessa was admitted for medical treatment Friday.

Cleo Pace, who underwent an appendectomy recently, was discharged from the hospital Friday.

Mrs. C. E. Foster of Odessa was discharged Saturday after treat-

ment for a throat infection. The small son of Mrs. Margaret Jensen was treated for face injuries received Saturday in a fall from a ladder but was not retained in the hospital.

Whales have been known to live 500 years.

BALANCE

One requisite of good health is balance, balance of the functions of internal organs. When all these synchronize a healthy body and a poised mind are developed.

Sinus infection, acutely painful, disturbs this balance. A dubious "cure" could increase it and drive it deeper. But medical or surgical measures, undertaken by your physician, can clear it and restore your health to harmony and equilibrium.

Tame Crow Becomes Barnyard Guardian

SOUTH HARWICH, Mass. (AP)—Hazel Hickerson has an efficient "watchcrow" to guard her farm. Jim, a tame crow, recently drove off a hungry hawk about to attack several baby turkeys.

The bird's favorite trick is retrieving sticks and stones thrown for it to chase. Washday is Jim's fun day. It picks clothespins off the line and apparently enjoys seeing the clothes fall to the ground.

High School News

JEANNE DAVIS WINS ANNUAL QUEEN RACE.

That Jeanne Davis, an attractive and popular member of the junior class, was the winner of the annual queen contest was announced in assembly Wednesday by Mr. J. C. Moore, faculty sponsor of the business committee of 1937-38 Catoico and sponsor of the annual queen race.

The six candidates with the next highest number of votes who will be attendants of the queen in the coronation are: Edna Earl Lineberry, Barbara Jean Harper, Jessa Lynn Tuttle, Mary Sue Cowden, Virginia Ford, and Helen Droppelman.

The total receipts for the contest were \$468.85, the largest amount that has ever been received from a queen contest in the history of this school. The proceeds will go to-

ward the publication of the 1937-38 Catoico.

The coronation will be held Tuesday night, Nov. 23.

Jeanne Davis will be crowned in the Court of the Queen of Hearts which is to be an elaborate setting of red and white. The members of the court will represent the great lovers of history.

A special choir in costume will furnish music all during the coronation.

Numbers to be given at the coronation will consist of a short play, musical selections, and dances.

MIDLAND HIGH RENDERS ARMISTICE DAY PROGRAM.

A very suitable and interesting Armistice Day program was given Nov. 10 at 2 o'clock in the auditorium of Midland High School by the Literary Society.

Theatre Calendar

YUCCA

Now Showing: Ronald Colman, Madeleine Carroll, Doug Fairbanks, Jr., in "The Prisoner of Zenda."

Wednesday & Thursday: Barton MacLane and Ann Sheridan in "Wine, Women and Horses."

Friday & Saturday: Charles "Buddy" Rogers, Betty Grable, and Mary Livingstone in "This Way Please."

RITZ

Now Showing: Errol Flynn and Joan Blondell in "The Perfect Specimen."

Tuesday & Wednesday: The Jones family in "Hot Water."

Thursday only: Gertrude Michael and Larry Crabbo in "Sophie Lang Goes West."

Friday & Saturday: The Three Mesquiteers in "Come Cowboys."

REX

Friday & Saturday: Ricardo Cortez in "The Californian."

Woodrow Adams, president of the Midland High School Literary Society, presided at the meeting with Fredda Fae Turner, secretary, reading the minutes of the previous meetings and the program which was as follows:

Chorus: "Pilgrims' Chorus," Wagner, by Midland High School.

Reading: "Love of Country," Hale, by Midland High School.

A dramatization: "Foreboding," by Fredda Fae Turner.

One-act play: "The North and South," Moore, by members of the second period speech class.

The characters were: Frank Nixon, E. P. Lawson, David Wafford, Granada Saye, Brooks Roberts, Pearl Booth Ed Dorsey, and Jesse Lee Barber.

The stage managers were: Frances Burris, Jerry McMullan, and Zama O'Neal. Woodrow Adams was property manager. The stage setting was in an old southern home and each of the characters was in a costume representative of the part he was playing.

Frank Nixon played the part of Sam Davis, a Confederate soldier. The general, who commanded the Federal Army Corps, was played by E. P. Lawson. Major Cranston, engineer of the general's staff, was David Wafford, and his daughter, Agnes, was played by Granada Saye. The general's aide, Lieutenant Richards, was Brooks Roberts. Pearl Booth played the part of a southern gentlewoman. Mrs. Peyton, Ed Dorsey was Augustus. Mrs. Peyton's negro servant, and Jesse Lee Barber was a Federal soldier.

Louise Elkin, critic, gave the critic's report.

The program was thoroughly enjoyed by members of the student body as well as by the visitors. Miss Agatha Bruner, public speech instructor, and others who aided in the program are to be congratulated on their part in the good work.

Another program and play will be presented at Thanksgiving, to which the public is cordially invited.

MR. PUCKETT ANNOUNCES CONTEST.

Ray Puckett, representative of the Texas Electric Service Company, spoke in chapel Monday morning, Nov. 5, on the contest which is being sponsored by his company, and discussed the rules and prizes.

The contest blanks may be obtained from the electric office and any student under eighteen is eligible.

"Better light for better sight" is the theme of the contest. A diagram of a large house is on the contest blank. Lights are to be placed properly in each room. The best lighted house wins the grand prize which is either a radio or a refrigerator.

Mr. Puckett urged every student

Beautiful Romance At Yucca

The beautiful romance of Rassendyll and Princess Flavia is played by Ronald Colman and Madeleine Carroll in David O. Selznick's production, "The Prisoner of Zenda," now playing at the Yucca. With the two stars are Douglas Fairbanks Jr., Mary Astor and C. Aubrey Smith.

MIDLAND HIGH SCHOOL ANNUAL PROGRESSING.

The Catoico has been progressing very rapidly the last two weeks. The annual staff is working hard to get in all senior, junior, sophomore, and freshman pictures early in order to receive reduced prices.

Few of the pictures have to be remade before being mounted and sent off.

The snapshot editors have been very busy "snooping" around getting pictures on the campus, Lackey field, special events, and happenings around town.

Every member of the annual staff is working for the biggest and best annual ever to be put out in Midland High School and the staff has received perfect cooperation from all members of the student body and faculty.

ON ARMISTICE DAY.

Just 19 years ago last Thursday, Nov. 11, at 11 o'clock, an armistice was signed by the Allied troops and Germany. This armistice made the world safe for democracy.

With the Spanish civil war and the Chinese-Japanese undeclared war, another bigger world war seems to be just around the corner. If such a war were to become a reality, with its more deadly gases and modern aircraft, it would certainly be more horrible than the last.

Let's pledge ourselves to do all we can to help keep the world safe for democracy.

NEW BASKETBALL COURT.

All the boys interested in basketball reported Friday afternoon, Nov. 12, after school for their first meeting. In the former years, the basketball teams have had to practice on a rocky court in the open or practice in Courtney's gymnasium, but this year, the team is to practice on one of the three tennis courts. Mr. Meyer, assistant coach, designed the goal posts that are being placed on the tennis court.

RHYTHM NEWS.

The band went over very good Thursday, Nov. 11. They made a stunt formation which read "Nov. 11" while they played "Star Spangled Banner." The band has improved greatly since last year and its playing is much better. We hope the band keeps on improving.

Jack Nobles is coming along very nicely as a twirling drum major.

GRIDIRON GOSSIP.

Well! We beat Stanton. It was a tough fight and we were lucky to end up on the top part of the score. We are sorry that Eldson

got hurt and couldn't finish the game and also we are sorry that Graham didn't get to play. It is rumored that had Graham played the score would have been different. Maybe it wouldn't. Who knows? Monahans is next on our schedule and we realize they have a good team and we will have to play together, block together and fight together to beat them. Our team is in good physical and mental condition and to make our season a success is to make our last two games of the season victories. The next two games will be different for we will be playing smarter football and more inspired football.

At present we have won five games and lost three. We have had one hundred and ten points scored against us and we have scored one hundred and twenty-five points against our opponents. Figure it out for yourself. Although we'll admit it is nothing to brag about, but any team that does that and has had a fairly victorious season. We are going to try our best not to let our opponents' score raise any more and are going to try to enlarge our score.

The Monahans game next Friday will be a good game, well worth the money paid to see it.

TRIP TO LUBBOCK.

Mr. M. A. Armstrong, director of the Midland High School band, and four student band members went to Lubbock Thursday, Nov. 3, to attend the 1937 school of instruction for band and orchestra directors. The four boys chosen to go were graded on the past record they had made in the band. R. O. Brooks, Lynn Stephens, Robert Blacklock, and Fred Gordon Middleton were the honor students to participate in the demonstration at Lubbock.

This meeting of the 1937 school of instruction was called for the purpose of offering instrumental teachers an opportunity to become familiar with the state course of study and to mutually cooperate in elevating the Texas Instrumental Music Program to the highest degree of state-wide advancement.

Persons giving information at the meeting were: Dr. L. A. Woods, state superintendent of public instruction; Miss Nell Farnley, chairman state director of music.

The guest conductors were: Mr. H. E. Nutt of Chicago, E. L. Gadbois from Minnesota, and L. Bruch Jones from Little Rock, Ark.

The band of selected members was used as a demonstration band in discussing the material to be used. The demonstration band also was used on the Tech football field by Mr. Jones in his two hour discussion of the "Marching Band."

Mr. Armstrong reported the trip was very inspiring and educational for the directors themselves and the students who participated.

TWO QUARTETS SING AT NORTH WARD OPEN HOUSE.

The boys' and girls' quartets of Midland High School sang at the P. T. A. open house at the new North Ward school Tuesday night Nov. 9.

The girls' quartet, composed of Jessa Lynn Tuttle, first soprano; Barbara Jean Harper, second soprano; Jacqueline Crawley, first alto, and Wanda Ticknor, second alto sang "Roses of Picardy."

The boys' quartet, composed of R. O. Brooks, first tenor; Marvin Park, second tenor; Fred Middleton, first bass, and Jack Walton, second bass, sang "Anchors Aweigh."

SENIOR IN HOSPITAL.

Earl Pace, a senior of Midland High School who plays right end on the team, had an appendicitis operation Sunday night, Nov. 7.

EX-STUDENT HONORED.

Dorothy Lou Speed, a 1937 graduate of Midland High School, was nominated for president of the freshman class of T. S. C. W. in Denton, Texas.

ALL IN A LIFETIME.

"Would you be interested in helping sponsor our annual by voting for my candidate for queen?" If you put this question to someone, especially a business man, and his eyes cross, he goes pale, his hair stands on end, and he goes into a nice quiet tantrum—then you know he has heard your line before—many times before! I know of one instance where a boy put the question to an elderly man and received a quarter—the boy fainted. After bringing him around the boy thanked him and then the man fainted!

"If..." (With apologies to Kipling)

Folks, Midland High is a very fine place for those who wish to cooperate; but:

If you learn your lessons, and sonnets, too.

Agree with what Prof and teachers do.

If you are never absent, tardy, or late.

But enter in speaking, in art, and debate.

If you write no notes, and chew no gum.

Nor laugh, talk, sing, or hum.

If you never tear up paper to throw on the floor.

Or make an instructor mad and sore.

If you go to chapel to recite and sing.

And get there before the last bell rings.

If you make all your classmates like you.

Like everything you think or do.

Then—you are not from Midland High, My chum.

—Margaret Watford.

The Two Types of Modern Mattresses

Inner Spring Outer Spring

90% are Spring-Air

Here is the Most Important Fact about Mattresses... All Other Testimonials Are Trifling by Comparison!

There are two types of modern mattresses—Inner-spring and Outer-spring—each having advantages that can be explained to you by your dealer—without prejudice. The right to make both types is shared by over three thousand bedding manufacturers in North America, many of whom do make the two types. Yet, of all Outer-spring mattresses in use throughout the continent over 90% are Spring-Air!

WHY? Because the records made by all competing spring units in this direct, out-in-the-open comparison show the unquestioned superiority of Spring-Air's guaranteed Karr Spring Unit! Important as it is that the vital spring element in an Outer-spring mattress be right, it is even more important in the Inner-spring type where the spring unit is buried inside and hidden from inspection. Every Spring-Air Mattress—Inner-spring or Outer-spring—contains the genuine Karr Spring Unit, fully guaranteed to you in writing. The only way to get this guarantee is to insist on buying a mattress with the Spring-Air label,—priced from \$24.50 to \$45.00.

YOUR GUARANTEE A vital part of the Spring-Air mattress is its guaranteed KARR Spring Unit—famous for Graduated Revitalizing and body-conforming elasticity.

and many hundreds more
