

Solution to Crisis Appears Likely

Czechs Protect Reich's Envoy

(NEA Radiophoto).

Fearful that rejection of Chancellor Hitler's Godesberg ultimatum for the complete surrender of Sudetenland by Czechoslovakia would provoke hostile demonstrations against Germany's resident diplomats, the Prague government ordered a guard thrown about the German legation. In the radiophoto above, a squad of Czech soldiers is shown standing guard before the headquarters of the Reich in Prague.

Czechs and Nazis Clash On Frontier

Troops Fall Back To Entrench for German Armies

SCHIRNDING, Germany (At the Czechoslovak Frontier), Sept. 29 (P).—Heavy exchanges of shots between embattled Sudeten Germans and Czechoslovak troops occurred Wednesday before the Czech first line of defense three miles west of Eger. Their cross-fire closed the Eger-Schirnding road and cut off even pedestrian traffic.

Transportation service generally over the entire German-Czechoslovak frontier already had been suspended as a result of the Czechoslovak general mobilization.

As Czech troops fell back at several points to more strategic positions to be ready if the German army should attack, Sudeten forces moved up, occupying additional hamlets. The Sudetens also began setting up provisional civil government in the strip they have occupied along the frontier.

They established their own frontier service in the customs house at Muhlbach.

German army forces were scrupulously refraining from setting foot on Czechoslovak soil, but the Sudetens moved freely across the border. Rations for Sudeten "free corps" members were brought by carts from Sudeten headquarters at Arzberg three miles inside German territory.

Fighting between the Sudetens and Czech troops was generally diminishing as both sides awaited the expiration of Adolf Hitler's ultimatum to Czechoslovakia Saturday.

The Sudetens were moving up only when the troops fell back for strategic reasons.

While there was a considerable number of German troops in this region, which is opposite the westernmost point of Czechoslovakia, and a new motorized unit of some 200 trucks arrived with light artillery, there was no mass concentration comparable to that on the Czechoslovak side.

Negotiations are under way between German and Czechoslovak officials at Eger for another exchange of Sudeten and Czech prisoners.

Kirkham Succeeds Oliver as Theatre Assistant Manager

Tom Kirkham, formerly of Cleburne, has moved to Midland to become assistant manager of the Yucca, Ritz and Rex theatres, operated by J. Howard Hodges, succeeding C. G. Oliver who is being transferred to the same position with the Griffith theatres at Pampa.

Kirkham held the assistant manager position of the Cleburne theatres and expressed pleasure at being transferred to the growing West Texas town. His wife and small son have accompanied him. Mrs. Kirkham is a sister of Mrs. W. L. Sutton and daughter of Mr. and Mrs. R. D. Hudson.

Oliver, who with his family will leave Sunday for Pampa, expressed regret at leaving Midland, although the move is a promotion in the Griffith chain. He and Mrs. Oliver have been active in civic and religious affairs, having lived here almost two years.

Veterinarian to Open Office Here

Location at Midland by Dr. J. O. Shannon, veterinarian, was announced here today. Location was being sought for offices and laboratory, with announcement expected to be made soon. Dr. Shannon has for several years been in the service of the federal government, having been located at Ft. Worth. He resigned to enter private practice at Midland.

MRS. BELL ILL. Mrs. Foy Bell is critically ill in a Midland hospital, it was reported this afternoon.

Hitler's Ultimatum at a Glance

The map of Czechoslovakia above was drawn from an NEA Service radiophoto of the official one given by Chancellor Hitler to Prime Minister Neville Chamberlain of Great Britain during their recent Godesberg conference. It shows the territory demanded by Hitler in his ultimatum. Indicated by vertical shading between the heavy outline, present Czech border, and the light inner line, lies the area he demanded outright, with all the property in it. The small cross-hatched spots indicate territory in which he demanded a plebiscite by November 25th.

Water Conservation Conference Will Be Held in Capital

AUSTIN, Sept. 29. — Conservation of Texas' water resources is of paramount importance in the program of stabilization of agricultural and industrial expansion, Governor James V. Allred commented in inviting civic leaders of the state to a general Water Resources Conference in Austin, October 5 and 6.

"One of the major problems facing us today is that of prudently conserving and putting to proper use the water resources of Texas," Governor Allred said. "Unless this is done, we cannot materially hope to expand our industrial status, nor increase the population in many sections of the state."

The importance of water conservation has been emphasized by Governor-Nominatee W. Lee O'Daniel, who will address the conference in one of his few public appearances prior to his inauguration. Mr. O'Daniel's subject will be "The Industrial Development of Texas Dependent on the Conservation and Prudent use of its Water Resources."

The conference will be held in the senate chamber of the state capitol, starting at 9:30 Wednesday morning, October 5, and continuing through the 6th. All citizens of Texas interested in this vital matter are cordially invited to attend and acquire a more thorough knowledge of the surface and ground water resources of Texas, as well as their economic possibilities.

Governor Pat M. Neff took the first decisive step toward water conservation when he called a statewide conference at Austin in 1921, for a discussion of this important subject. During the intervening years, much progress has been made, and a widespread interest created, and a program looking toward the beneficial utilization of the ground and surface waters of Texas.

Congressman J. J. Mansfield, chairman of the House Committee on Rivers and Harbors, F. O. Hagie, Secretary-Manager, National Recreation Association, and other speakers of like prominence will discuss the various phases of water conservation, control, protection and utilization at the Austin conference.

Midland Pastor to Speak at Big Spring

Rev. J. E. Pickering, pastor of the First Christian church here, will be the chief speaker at the opening meeting of the annual series of all-church-night-supper programs at the First Christian church of Big Spring Friday evening.

He will speak on the goals for the second year of the five-year program of advance.

Insurance Address Given by McKee at Rotary Luncheon

Statistics showing the part of life insurance in the present day business world, also the service of life insurance to humanity, were recounted by Roy McKee in an address at the Rotary club today. McKee had just returned from attending the convention of National Life Underwriters at Houston, also a convention of agents of the Great American Life Insurance co. at Galveston.

He showed that life insurance comprises more than one third of the nation's wealth, that 61 per cent of all benefits paid last year were to living policy holders, that in Texas there were paid \$56,000, that there is in force \$4,000,000,000 of life insurance in the state which ranks tenth in payments, and that Texas companies wrote 58 per cent of the insurance written in Texas last year.

He pointed the responsibilities and opportunities of the life insurance agent, the service to widows and orphans far outranking the mere earning of commissions.

Brief talks were made at the Rotary luncheon by President Clinton Lackey; S. A. Debnam, retiring program chairman; Secretary W. I. Pratt; James Henry Beall of Sweetwater, introduced as one of the men who delivered the charter to Midland Rotary club in 1928; Given Bradley of Gainesville and Louis Fischbein of El Paso. Other visitors, besides those speaking, were Harry Harper, E. W. Appleby and E. B. Ribble of Odessa; Jake Brillhart of Fort Worth and Bill Ruddlel of El Paso.

Father of Mrs. Pace Buried at Clayton

Mr. and Mrs. J. W. Pace of Midland have returned from Clayton, N. M., where they attended the funeral Monday of their father, Oscar Adams, 77, who died Saturday in Denver, Colo., where he was visiting a daughter. He had been ill three weeks. Mr. Adams was an old-time cowboy who came to Texas in 1870 and after working on the range, engaged in ranching in Pecos county until 1917 when he moved to Clayton.

At the time of his death, he was vice-president of the Southwestern Old-Trip Drivers' Association.

He is survived by eight children including three daughters, Mrs. Pace of this city, one in Denver, and one in Clayton, and five sons, one at Abilene, Texas, two in Clayton, one in Denver, and one in Walden, Colo. A brother at Teague Texas, and a sister at Houston also survive.

TO COLORADO.

Dr. W. G. Whitehouse plans to leave Friday on a vacation trip into Colorado.

War News

MUNICH, Sept. 29 (P). — A German government spokesman said tonight the government heads of Germany, Britain, Italy, and France had practically reached an agreement in their conference on the future of Czechoslovakia and means of assuring Europe's peace.

How quickly and how far Czechoslovakia must withdraw her troops from the Sudeten region is the only remaining difficulty to be decided, the spokesman said.

LONDON, Sept. 29 (P). — The Czechoslovak legation disclosed today that Czechoslovakia had suggested the whole Sudeten German issue be submitted to President Roosevelt if other efforts to solve it fail.

PRAGUE, Sept. 29 (P). — The foreign ministry today decided to send an observer to the Munich four-power conference by airplane.

The decision followed an announcement Czechoslovakia would accept "in principle" the new British plan for execution of the Anglo-French scheme to cede Sudetenland to Germany but make "some reservations."

GENEVA, Sept. 29 (P). — The League of Nations assembly today passed unanimously a resolution associating itself with President Roosevelt's message to European governmental heads in an effort to preserve peace.

PARIS, Sept. 29 (P). — The French government was empowered by decree today to mobilize the entire nation for war at a moment's notice, should the Munich conference break down.

Capital Applauds Peace Conference Between Leaders

WASHINGTON, Sept. 29 (P). — Washington applauded last night the decision of Europe's great nations to try the conference table again instead of resorting to the battlefield.

President Roosevelt, author of repeated appeals for peace and, too, for a letter that urged Premier Mussolini to take a hand in the situation, was tremendously pleased.

Whatever the extent to which his efforts influenced the day's historic turn of events, the result was what he had requested—that there be no breakdown of negotiations, lest war ensue.

Although opinions varied as to the outcome of today's session in Munich, to be attended by Chamberlain of England, Daladier of France, and Hitler of Germany, with Mussolini as mediator, the view was general a heartening breathing spell was provided.

NEW PLAN OFFERED GROUP BY BRITISH

MUNICH, Sept. 29 (P). — Informed German sources said tonight Reichsfuehrer Hitler had agreed the German army would make only a "parade of occupation" in Eger and Asch regions and western Czechoslovakia on October 1 and 2.

Other sections of the Sudetenland are to be occupied only gradually, these informants said, under a plan said to have been accepted by the fuhrer in place of his original intention of having his armies march in Saturday with flags waving.

This token of occupation, however, would show symbolically that Germany had become master of regions in Czechoslovakia whose population is predominantly German.

The disclosure came as the four-power conference continued tonight. The plan was also reported to bear terms for calling plebiscites in doubtful areas.

Hitler would not insist upon resignation of President Benes of Czechoslovakia under another term of the pact.

A German spokesman made it plain, however, that Germany expects him to resign voluntarily.

MUNICH, Sept. 29 (AP). — Four men of Europe's zero hour met today in Adolf Hitler's palace here and after two hours of discussion high quarters expressed a hope for an early settlement of the German-Czechoslovak crisis.

Chancellor Hitler, Premier Mussolini, Prime Minister Chamberlain and Premier Daladier parted at 2:45 but arranged to resume discussions at 4:30.

During recess British officials said a new plan for German occupation of the Sudetenland had been submitted and indicated belief it would be accepted.

German officials also expressed confidence of an early settlement of the dispute.

It was indicated the conference would meet Hitler's demands that his troops be permitted to march into Czechoslovakia's Sudetenland on October 1 for at least symbolic occupation.

The British plan, countering Hitler's demands, was understood to provide the German army would march into the Sudetenland without fanfare, accompanied by detachments of British, French and Italian armies to make it look less like a German invasion.

Evidence that Hitler himself was confident an accord would be achieved was seen in the fact he had preparations made for a banquet tonight at his palace.

The threatened victim of attack—Czechoslovakia—is absent from the Munich council table, though her minister to Britain, Jan Masaryk, quickly protested to Chamberlain against the fact.

So is another power, Soviet Russia, whose millions of man-power has been counted on to help the victim.

But Chamberlain only a few months ago declared the peace of Europe depended on the understanding among the four powers who are there and that for the moment was enough to banish the fear of horrifying air raids and gas attacks from the minds of millions.

Preparations were made in Britain and France, however, pending concrete steps toward some peaceful solution of the German-Czechoslovak issue. France called additional reserves to swell the 2,000,000 she already has under arms.

Lays War Plans

Visit of Gen. Maurice Gustave Gamein, above, chief of the French defense forces, to London, where he joined discussions between Prime Minister Chamberlain and French government leaders, was seen as an indication France and Britain were ready for joint military action if negotiations with Adolf Hitler over Czechoslovakia collapse.

Brownwood Woman Rankin Crash Victim

McGAMNEY, Sept. 29. — Funeral services for Mrs. R. K. Boettcher, 35, Brownwood woman killed seven miles west of Rankin yesterday when the car in which she and three occupants were riding overturned, will be conducted at the Episcopal church in Brownwood Friday afternoon, and burial made at Schulenberg, Tex.

Harris Luckett funeral chapel took the body overland to Brownwood. The husband of the dead woman arrived here at 7 o'clock.

The other victims, Mr. and Mrs. L. A. McChristie and Miss Eloise Finlay, all of Brownwood, are expected to live. Reports at a local hospital where they were taken stated that Mrs. McChristie sustained a serious back injury and Miss Finlay a bruised arm and lacerated ear. McChristie, postal clerk at Brownwood, had only minor injuries.

The accident occurred shortly after noon apparently when a tire blew out. Mrs. Boettcher, who was crushed, was returning from California where she visited a brother, L. A. von Rosenberg at Los Angeles.

RETURN HOME. Mrs. Frank Cowden and son, James Franklin, have returned from Oklahoma City.

Drivers Ordered to Pull to Curb When Siren Is Heard

City officials today pointed out to citizens the ordinance declaring all vehicular traffic must be halted when a siren is heard in an effort to cut down on possible accidents that might occur.

One official declared that the number of cars that follow the fire truck on each call creates a distinct traffic hazard and declared prosecution of persons guilty of this would be started unless drivers stopped it.

Hereafter, each time the fire truck is started on a call an amber light will be turned on at all street lights and will remain that way for three minutes. Persons driving through against the amber light will be subject to prosecution.

Fellowship Night To Be Observed by Christian Church

The local Christian church will observe the National Fellowship night of Christian churches throughout the United States Monday night with the San Angelo Christian church as their guest. Rev. J. E. Pickering, pastor said today. Rev. Elmer Henson, pastor of the First Christian church of San Angelo will bring the worship message.

Special music for the service will be under the direction of the director of music of the church, Mrs. M. A. Park. The entire membership of the church is being urged by the pastor to be present.

The pastor of the local church, Rev. Pickering, will preach a similar worship message Friday night at Big Spring, Tuesday night at Odessa, and Wednesday night in Pecos. The aim is to bring the entire Brotherhood into a closer fellowship.

Mr. Henson is one of the leaders of the Christian church of Texas and is a most forceful speaker. Mr. Pickering said. The public is cordially invited to worship with the local congregation in this special service Monday night.

Mississippi Legion Delegation to Make Stop Here Tomorrow

Members of the Mississippi delegation to the recent national American Legion convention in Los Angeles will stop in Midland for lunch Friday, the group being scheduled to arrive here at about eleven o'clock in the morning on their return trip to Mississippi, according to information received here this morning.

The local Woods W. Lynch Post No. 19 of the American Legion was this afternoon making arrangements to meet the group on the west outskirts of the city, extending an official welcome and escorting the delegation into the downtown section. Arrangements were being made by J. F. Friberg, service officer of the local post. City and chamber of commerce officials will also be included in the welcoming party. It was not learned whether or not a luncheon would be tendered the visiting group.

22 Dead, 300 Hurt When Charleston Struck by Tornado

CHARLESTON, S. C. Sept. 29. (P). — A tornado hit historic Charleston today, killing at least 22 and injuring probably 300.

A sudden storm of not more than a minute's duration in any one place was paced by a torrential downpour as it swept down on various parts of the city.

Who's Who in Europe as Continent Totters on Brink of War

ADOLF HITLER, one-time Austrian house painter with power of life and death over 75,000,000 Germans, demands right and justice for Germans in Czechoslovakia, talks of war if Czechs don't give in to the Sudetens.

KONRAD HENLEIN, gymnastic instructor and war veteran. He began the Sudeten German movement in the Turneverein societies of Bohemia. Today, the puppet leader is Henlein but the power behind him is Hitler.

EDUARD BENES, once a village schoolmaster, is the second president of the 20-year-old republic of Czechoslovakia. His beleaguered country is tightly wedged between belligerent dictator states, but is ready to fight.

WALTER RUNCIMAN, baronet, is a sea dog. His father is England's greatest shipping master. A Liberal, he was in Parliament at 26. Today he represents Britain in Prague, trying to conciliate Czechs and Sudetens.

NEVILLE CHAMBERLAIN, Prime Minister of England, has a doped a firmer hand with the dictators. No orator. He speaks a great deal. Coolest head in Europe, he goes fishing when war seems inevitable.

NEVILLE HENDERSON left Eton to become an attaché of the British embassy at the court of the Czars in St. Petersburg. Today the Rt. Hon. Sir Neville is British ambassador to Berlin, a key post in the puzzle of Europe.

EDOUARD DALADIER is the Coolidge of France, making only three speeches in one year as premier. His political career began with his election to the Chamber of Deputies, Armistice Day, 1919. He backs up the Czechs.

BENITO MUSSOLINI, blacksmith's son who rules Italy. Affirmed buddy of Hitler, he now listens glumly, may wonder when Hitler will ask justice for Germans in the Italian Tyrol. He was pleased about Austria.

War on Social Disease Given Impetus by State Financial Aid

Further impetus to the campaign in Texas to reduce and finally eliminate the dread disease syphilis was given during the week when announcement was made that financial aid would be extended to locally operated clinics.

Federal allotment of \$128,000 will be matched by departmental funds, according to Dr. George W. Cox, state health officer, for aiding city and county clinics treating indigent patients. Free medicines also will be provided for rural indigents on proper classification from medical associations.

Great strides have been made in the reduction of spread of syphilis since the common sense measure of bringing social diseases before the attention of the public was adopted. Placing the fight "out in the open" has meant the detection, classification and treatment of many cases, also the adoption of sanitary measures to prevent further outbreaks.

The state health department, the medical profession and the health organizations deserve much commendation for this worthwhile program.

Roy Parks says he can't get weather conditions the way he wants them. Last spring the cowmen were cussin' because it was too windy, and now they are cussin' because it's too still. The engines are running night and day to keep the stock watered.

County Commissioner "Uncle John" Roberts says a prairie fire could be started mighty easily now. Grass is tall and dry. A little blaze started by a cigarette, with a slight breeze to start it spreading, and many sections could be lost. A lot of fire guards have been built over the country, so that in many instances a fire could be held to only a few sections, if the wind were not too strong. But you can't tell when the wind will come up and even a few sections would represent a big loss to a ranchman, with winter coming on, no rain and no growing weather left.

There has been some talk about starting a livestock auction here. Some think it would have to be a "once a week" job, like they are having all over the country about every twenty miles, while others think one really worthwhile auction about once a month, with some choice livestock consigned and enough of it to attract buyers from southeastern states and from all over the country. Many of these weekly auctions are kept going by small traders and auction racketeers who bring back the stuff they buy this week to sell next week, hoping there will be a dollar or two advantage in the swap.

To offset the loss of profit from cotton, and the worn out land in many sections, farmers of East Texas and from states to the southeast are stocking their farms with good breeding stock. There is a strong demand and available financing for cattle such as are produced in this section, but those farmers have to buy little bunches of from ten to a hundred head. Most of the ranchmen of this section prefer not to round up a herd unless they are selling from 500 to 2,000 head.

Health and Safety Talks Features of Fine Arts Meeting

Discussions on health and safety

and a parliamentary drill formed the double-subject program at the meeting of the Fine Arts club with Mrs. T. Paul Barron, 405 N. Lorraine, Wednesday afternoon. Mrs. Harvey Sloan and Mrs. Geo. Kidd reported on "Public Health

and Safety in Midland." Mrs. Tom C. Bobo discussed "Food in Relation to Health." Mrs. Fred Fuhrman told of "Traffic Common Sense," taking the place of Mrs. Lem Peters who is out of town.

Mrs. E. H. Ellison, in the period devoted to parliamentary law, spoke on "What Every Woman Should Know in Parliamentary Law." Mrs. Geo. Kidd reported on the library work done among the negroes of Midland. It was announced that the club will subscribe to two magazines, "Hygeia" and "The Defender," to be placed in the negro

Mexican Theme Carried Out in Midweek Club Bridge-Breakfast on Wednesday

The Mexican motif distinguished appointments for the bridge-breakfast with which Mrs. Hugh Corrigan entertained the Midweek club in its initial fall party Wednesday morning, naming her mother, Mrs. Mary March of Duncan, Okla., as guest of honor.

Eight-hued zinnias and Mexican pottery formed decorative notes of vivid colors in the entertaining rooms where guests gathered at 9:30 o'clock.

Breakfast tables were spread with Spanish cloths and appointed with two colors of pottery at each table. One of the deeper-toned shades and one of the newer pastel tones. Centerpieces were pottery bowls of fruit. Tiny Mexican carts held matches. The breakfast menu furthered the chosen motif, featuring a Spanish omelet and Mexican cakes.

Five tables of bridge formed the diversion for the morning after the meal was served. Unique tallies displayed table and couple numbers in Spanish and were of Mexican design as were the score pads.

Mexican prizes were wrapped in the colors beloved by the Land of Manana and after they were wrapped, Hugh Corrigan Jr., son of the hostess, had painted watercolor Mexican designs on the packages.

Playing awards went to Mrs. Allan Hargrave for high score among the club members, to Mrs. Fred Wright for high cut, to Mrs.

Libary. Mrs. Tom Sloan and Mrs. L. A. Absher were voted in as new members of the club. Members present were, Meses, E. H. Barron, Bobo, W. Bryant, Harvey Conger, Ellison, Fuhrman, W. H. Gilmore, Kidd, Roy Parks, Harvey Sloan, R. C. Tucker, Miss Lydia Watson, Mrs. J. M. White, and the hostess.

Home Art Club Meets at Home of Mrs. N. W. Bigham

Presentation of two papers, report of a club representative, and needlework formed a varied program of activity for the Home Art club which met with Mrs. N. W. Bigham, 605 N. Big Spring, Wednesday afternoon.

In the absence of the club president, Mrs. Ernest Neill, Mrs. Iris Bounds reported on the recent meeting of the City-County Federation, telling of the work to be done this year.

Mrs. John B. Mills presented the study program for the afternoon, reading two papers, one on "The Family and the Living Room," and the other on "Paper and Walls of a Room."

Remainder of the afternoon was spent in needlework. Refreshments were served to Meses, Bounds, Guy Brennehan, M. D. Cox, Julia Filson, Mills, B. C. Girdley, John Dunagan, and the hostess.

Personals

Mrs. M. Norris and Mrs. J. H. Longbaugh of Wink are visiting in Midland.

Mr. and Mrs. Kemper Kimberlin will attend the TCU-Arkansas game at Fort Worth this week-end.

Ask Doctor About This Ideal Way To Lose Fat

Make up your mind now that you'll lose some of that ugly fat and really enjoy life.

No one can blame you if you don't want to take harmful drugs, go on starvation diets and do backbreaking exercises. No sane woman would! And for sensible women like yourself who really want to reduce yet don't expect miracles overnight—who are willing to faithfully follow a most simple, inexpensive and pleasant 28 day plan (women considerably overweight naturally require longer periods), we suggest this easy plan.

First of all go light on fatty foods and sweets. Eat plentifully of lean meats, fresh fruits and vegetables. And, for proper functioning be sure to take a half teaspoonful of Kruschen Salts in hot water every morning. And let's get this straight right now about Kruschen—

It is not harmful. It is NOT just one salt as some people may ignorantly believe. Look on the box! You'll see it is a blend of 6 active mineral salts, which when dissolved in water is similar to the famous medicinal waters of European Spas where wealthy fat people have gone for years.

A jar of Kruschen costs but a few cents and makes 5 gallons of marvelous mineral health water. Get a jar RIGHT AWAY! At Palace Drug Store and druggists everywhere.

A Better Way to Treat Constipation!

When you're constipated, it's a great temptation to be satisfied with quick relief. But medicines may become a habit. And they don't keep constipation from returning. It's so much better to get at the cause of the trouble! If you eat what most people do, chances are the only thing the matter is you don't get enough "bulk." And "bulk" doesn't mean how much you eat. It means a kind of food that isn't consumed in the body, but leaves a soft "bulky" mass in the intestines and helps a bowel movement.

What to do? Eat Kellogg's All-Bran for breakfast every day and drink plenty of water. This crunchy cereal contains both "bulk" and the intestinal tonic, vitamin B. And it's not a drug, not a medicine! All-Bran is made by Kellogg's in Battle Creek. Sold by grocers. Served by restaurants.

BULLDOGS, NUBBINS FIGHT SELVES INTO SHAPE FOR WEEK-END GAMES

Members of the Midland Bulldog third string club were used as "cannon fodder" by the number one team as both prepped for games this week-end.

The "Nubbins" will get their opportunity to show home folks what they can do tomorrow night when they meet the Seminole team on lackey field at 7:30 while the Bulldogs will be forced to wait until Saturday afternoon to get into a game.

The Nubbins consist of ineligible players and others who are just a bit shy of being able to make the second 11. However, most of them have seen service in the two games

played by the high school to date. Should the going get too rough for them tomorrow night coach Jim Moore may call on a few of the second team boys, since head coach Taylor has promised to hold substitutions in the Iran game Saturday to a minimum.

The Bulldogs will meet the Iran Braves Saturday afternoon at 2:30 in what appears to be another easy game for the local club. Iran, although favored to cop the championship of the weak 8-B district, has not appeared to have enough stuff on hand to stop rampaging of Jay Francis and other backs on the Bulldog squad.

The defense of the Braves is said to be weak, due to lack of weight of the forward wall, but their offense has made them the favorites to win out in their district. In a couple of youngsters named Kenimer the Braves boast of having the outstanding brother act and two of the best backs in the district. The boys paced the Braves in their 14-6 win over the Kermit Yellowjackets last week and hopes of an upset victory over Midland are placed on the boy by Iran supporters.

KIDNEYS MUST REMOVE EXCESS ACIDS

Help 15 Miles of Kidney Tubes Flush Out Poisonous Waste

If you have an excess of acid waste in your blood, your 15 miles of kidney tubes may be over-worked. These tiny filters and tubes are working day and night to help Nature rid your system of poisonous waste.

When functional kidney disorder permits poisonous matter to remain in the blood, you won't feel well. This may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. If you have trouble with frequent or scanty passages with smarting and burning, there may be something wrong with your kidneys or bladder.

Kidneys may need help the same as bowels, so ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.
