

FDR Favors Cash Policy For Defense

Will Oppose Any Tax Increases to Carry on Program

WASHINGTON, Dec. 7 (AP)—A pay-as-you-go policy for the forthcoming vast armaments program was laid down Tuesday by President Roosevelt, but he indicated a hope this might not necessitate an increase in the federal tax burden.

He said, in answer to a question at a press conference, that he favored the pay-as-you-go policy even if it meant increased taxation, but quickly added that because certain government expenditures are self-financing, the total tax revenue may not have to be increased.

Stephen Early, presidential secretary, said afterward that tax increases for defense might be avoided through "budgetary adjustments."

The president disclosed that when he makes his recommendations to congress to reinforce land, sea and air defenses, he will not link them with attempts to stimulate business and employment through pump-priming.

National defense is national defense and nothing else, he commented crisply.

The chief executive earlier had reviewed European developments with three of his key ambassadors and Sumner Welles, acting secretary of state. At the meeting with newsmen he gave no explanation of the subjects touched on.

After declaring he did not know yet where an attempt should be made to meet part of the cost by taxes, he added that it was a long and difficult subject, which was being studied.

The three envoys the president consulted were William Phillips, Hugh Wilson, and William C. Bullitt, ambassadors to Italy, Germany and France, respectively.

Rogers & Rogers Are Starting Important South Andrews Test

By FRANK GARDNER.

Starting of an important new wildcat in southern Andrews by Rogers & Rogers, Oklahoma City firm, was reported today. It is their No. 1-B University, in the center of the southern quarter of section 20, block 9, University survey. Cellar and pits have been completed, and derrick is being moved in to the location. It is understood that operators hold lease on the southwest quarter of the section.

H. C. Wheeler No. 1 White & Shelton, four miles west of the cans pool of northern Andrews, this morning was scheduled to acidize lower pay from 4,650-72, with 1,000 gallons. Nine-foot section of jelly seal was to be spotted from 4,672-81, total depth, and tubing packer was set at 4,625. The well is in section 18, block A-36, public school land.

Three and one-half miles to the southwest, Texas No. 1-H State today is gauging Yates gas after gas-producing 7-inch casing with 18 shots from 2,920-50. Hole was plugged back to 4,380 from 4,450 with rock and lead wool. The well failed in the lower horizons in going to total depth of 4,856 feet, showing sulphur water.

Anderson-Prichard and Osage No. 1 University, wildcat two and a half miles southwest of the Lake, topped anhydrite at 1,670 feet, datum of plus 1,540, which is reported 32 feet higher than Gulf No. 1-G State (University) failure a mile and a half to the east. The Anderson-Prichard et al well is shut down for pump repairs at 1-680 feet. It is 330 feet out of the southeast corner of section 13, block 14, University survey.

Rotary is being rigged up for Humboldt No. 54 J. S. Means, new test 661 feet, from the south, 667 from the north line of section 1, block A-35, public school land.

Extension Offset Staked. West offset to J. L. Frick and Osage Drilling Company (Copo) No. 1 Riley, Gaines producer indicating four-mile northwest extension of the Seminole pool, is being started by Osage at No. 1 Tippett. Location is 1,980 feet from the north, 600 from the east line of section 266, block G, W. T. R. R. survey. Derrick is being moved in.

Two miles and a quarter farther east, Adams & Bradley No. 1 Ohio-Glenn Crain, wildcat in section 216, block G, this morning was drilling at 4,825 feet in lime.

On the northwest edge of the Seminole pool proper, Amerada No. 2 Eiley stopped drilling at 3,933 feet in anhydrite and is preparing to set string of 8 5/8-inch casing as safeguard against gas due to be encountered in the Yates sand zone.

Longvinton Test Tops Anhydrite. Anhydrite was reported topped at 2,070 feet, datum plus 1,777, by Skelly Oil Company No. 1-N State Longvinton area wildcat in Lea county, southeast of New Mexico. On the first marker, the well is running 52 feet high to Continental and Helmerich & Payne, Inc. No. 1-K-29 State, dry hole a mile and a half to the east. It also is 153 feet low to the Westmount Oil Company No. 1 Amerara-State, discovery (See OIL NEWS, page 6)

England's Edens Visit America

The impeccable and handsome Anthony Eden, former British foreign secretary, and Mrs. Eden are bound for New York on first trip to U. S.

Death Penalty Of Slayer Is Upheld Today

AUSTIN, Dec. 7 (AP).—The court of criminal appeals today affirmed the death penalty assessed Ugenaro Lugo, 26, for slaying R. T. Christensen, Odem constable, last February.

Lugo's counsel claimed the trial court erred in declining to quash an indictment and special venire panel on the grounds of discrimination against the Mexican race, of which Lugo is a member.

Humble Official Is Speaker at Luncheon

Taking as his subject "Employee-Employer Relationship," W. M. (Bill) Holmes, head of the Industrial Relations Department of the Humble Oil and Refining Co. here, was the principal speaker at the noon luncheon of the Midland Lions club today.

Holmes being introduced by R. D. Scruggs who was in charge of the program.

Relationship between employee and employer is a problem in which American people are vitally interested at this time, he said, due to recent legislation having to do with employees and their employers. The Wagner Act and other legislative measures having to do with labor policies were mentioned briefly by the speaker. It is notified, more efficient and more loyal employees, he said, Holmes spoke briefly regarding the numerous benefits available to employees of the Humble company, similar benefits being offered employees of most other oil companies. Regardless of the size of the company, Holmes urged employers and managers to follow the Golden Rule in dealing with employees.

Two clarinet solos by Lion Thomas Inman accompanied at the piano by Mrs. DeLo Douglas, featured the musical part of the program.

U. S. Urged to Provide a New Home for 100,000 Jews

BERLIN, Dec. 7 (AP).—An appeal to President Roosevelt to help hard-pressed German Jews by offering 100,000 of them temporary refuge in the United States was published Tuesday by the Juedisches Nachrichtenblatt, only remaining Jewish organ.

Simultaneously several German newspapers assured their readers that an anti-Jewish campaign in Rumania had only just started, that the anti-semitic iron guard organization there was stronger than ever and that Corneliu Zelea Codreanu, iron guard leader who was shot dead by Rumanian guards Nov. 30 would be avenged.

Propaganda Minister Paul Joseph Goebbels' newspaper Der Angriff published the caption "Ugly

2 Officers, Escaped Convict Slain After Fight Early Today

BURLINGTON, N. C. Dec. 7 (AP).—Two officers and an escaped convict were slain in a gun fight in a filling station here today.

Sheriff M. P. Robertson and policeman S. E. Vaughan were slain when they rushed into the filling station to investigate after seeing a light burning.

The convict was shot by another officer as he rushed from the station. Another prison fugitive escaped.

District Meeting Of County Agents Held Here Tuesday

County agricultural agents and county home demonstration agents of this area met here Tuesday in an all-day district meeting.

Miss Jennie Camp, A&M college extension specialist in food production, Miss Ruth Thompson, district home demonstration agent, and Pruitt, district agricultural agent at A&M were among speakers and out-of-town visitors.

In the Women's Meeting

From 9 to 11 o'clock Tuesday morning, Miss Camp held individual conferences with the various county home demonstration agents on food production plans for 1939.

At 11 o'clock she spoke on the challenge to Texas farm people to meet food and feeds needs through timely planning.

Lunch was served to the group at the Cactus Cafe.

Afterward, county home demonstration agents held individual conferences with visiting officials.

Visiting home demonstration agents included: Miss Mattie Phenix, Miss Lora Parnsworth, Miss Elizabeth Parker of Pecos county, Miss Alpha Lynn of Denton was a visitor and Miss Mary Jo Weigers of Midland county, host agent.

Several county agricultural agents were present in addition to Mr. Pruitt and Midland county agent, S. A. Debnam.

U. S. Urged to Provide a New Home for 100,000 Jews

BERLIN, Dec. 7 (AP).—An appeal to President Roosevelt to help hard-pressed German Jews by offering 100,000 of them temporary refuge in the United States was published Tuesday by the Juedisches Nachrichtenblatt, only remaining Jewish organ.

Ohio Woman Dies Tonight In the Chair

Counsel for Anna Marie Hahn Makes Final Try Today

COLUMBUS, Dec. 7 (AP).— Counsel for Anna Marie Hahn, scheduled to die in the electric chair tonight, sought a writ of mandamus in federal court today as a last step to save her.

The poison slayers' attorney contended she was not given a proper opportunity to defend herself. A hearing has been set for this afternoon.

Meanwhile, Mrs. Hahn fought for composure after collapsing during the night.

The prosecution charged Mrs. Hahn poisoned four elderly men so she could obtain their meager savings to pay her race track losses.

Ohio's governor yesterday blasted Mrs. Hahn's hopes of escaping the electric chair tonight.

"I have decided not to intervene," Gov. Martin L. Davis announced. "There are no grounds upon which I could intervene."

"Oh my God!" Mrs. Hahn exclaimed. "I didn't think he would do that to me."

A few minutes later her 12-year-old son came to her Ohio penitentiary cell to visit the convicted killer of Jacob Wagner, 78-year-old gardener.

She embraced the boy and both cried.

Preparations got underway in the prison for the first electrocution of a woman in Ohio's history.

At Cincinnati, Philip Hahn, telephone-husband of the 32-year-old convicted poisoner, commented only "I am very sorry, friend, I have nothing to say" when a newspaper man advised him of the governor's decision. He then visited Mrs. Hahn since she entered the penitentiary last December.

Traffic Officer Is Guest Speaker of Safety Council

Enumerating the most frequent traffic violations in Midland and suggesting measures which would improve the traffic situation here, Franklin Manning, city motorcycle officer, was the guest speaker at the regular monthly meeting of the Midland Safety Council at the chamber of commerce office Tuesday evening.

Manning called attention to the highly successful and widely publicized safety campaign sponsored by the San Diego Safety Council and recommending the adoption of a similar campaign in Midland. The speaker called particular attention to the lack of knowledge of hand signals on the part of the average motorist of Midland.

Lack of interest as to safety measures on the part of Midland motorists was also called to the attention of the council. A round table discussion followed the address, questions being asked by various members in attendance.

Mrs. John W. Skinner was appointed to make the regular weekly safety talks over radio station KRLH during the month of December.

Safety posters will be distributed by Mrs. R. C. Conking during the remainder of this month.

It was called to the attention of the council that outside doors on various of the school buildings of the city cannot be opened from the inside when locked, constituting a safety hazard in case of fire or panic.

Members present voted to recommend to the Midland School Board that an investigation be made, from a safety standpoint, of locks on outside doors at the various school buildings. Pressure locks were suggested.

Need of additional uniformed men on the city police force and need of a police station with night sergeant on duty at all hours of the night were expressed by various members, the matters being tabled until the January meeting.

Distribution of bicycle safety booklets will be made at the local ward schools before the Christmas holidays, a committee representing the safety council to be in charge of the distribution.

An address pertaining to safe driving during the Christmas holidays will also be made by a representative of the council at a high school assembly next week.

Glad to Get Home After Honolulu Visit

"It was a grand trip but still we're glad to get home," Mrs. J. H. Elder in discussing the recent cruise to Honolulu, from which she and Mr. Elder have just returned. They were decked with flowers by the natives and enjoyed all the usual pleasures ascribed to visitors in the Islands.

Demonstrations Continue--

AGITATION FOR COLONIES RISES A Playboy King Cracks Down on Foes

Plots, Intrigue Highlight His Spotty Career

By NEA Service

TURBULENCE always, the career of Rumania's King Carol reaches its electric chair tonight, current internal struggle, involving the Fascist Iron Guard and the killing of 17 of its leaders.

Around Carol's life has been woven a pattern of tempest and intrigue a plot and counterplot—a real life story which would do credit to the fanciful flights of a Graustarkian novel.

The tall, slender, 44-year-old ruler should be accustomed to crises. He has known little else.

A MARRIAGE WAS ARRANGED

Born in 1893, Carol was dominated through boyhood and young manhood by his mother, the late Queen Marie. In September 1918, he deserted his regiment, engaged against the Germans on the front, to elope with Mile, Zizi Lambrino, a Rumanian girl. He was confined in a military fortress for jumping the army, the marriage was annulled by church and state.

Persuaded by these methods to cement a Grecian matrimonial alliance, the prince wed Princess Helen in 1921. This was after reconciliation of a family quarrel precipitated by Carol's desire to renounce his right of succession.

Renunciation became complete nevertheless in 1925 when Carol deserted his wife to live in Paris with Mme. Magda Lupescu, who seemed to have broken the young man's inferiority complex, a result of long years of strict parental guidance.

Although the prince and his mother reached a minor reconciliation in 1926 when the queen was en route to America, doors of Rumania remained closed to the wayward son. Upon the death of King Ferdinand in 1927, Carol was forbidden to attend the funeral and his 5-year-old son, by Princess Helen, Michael, was proclaimed king under a regency.

WHERE HE GOES MAGDA GOES

Shortly thereafter, however, the death of Premier Jonel Bratianu, most powerful figure in Rumanian politics, changed the situation. More favorable to Carol was the new premier, Julius Maniu.

When revolution threatened and the populace clamored for Carol's return, Maniu arranged a coup. On the throne as rightful heir stepped King Carol. Mme. Lupescu remained temporarily in the background.

Hopes for a Carol-Helen reconciliation died. Not long after the coronation Mme. Lupescu was spirited into Rumania, where she

The romance of Carol and Madame Lupescu has dominated the life of the spectacular Rumanian ruler.

return, Maniu arranged a coup. On the throne as rightful heir stepped King Carol. Mme. Lupescu remained temporarily in the background.

Nazi Decrees Will Affect U. S. Property

BERLIN, Dec. 7 (AP).—The United States embassy today was understood to have sent a detailed report to the state department expressing belief anti-Jewish property decrees announced Monday may affect American property rights.

The embassy was said to have asked Washington for instructions. Since publication of the decrees the United States has been trying to obtain official German interpretation of them.

Cantata Rehearsals Grow, All Ready For Annual Event

With only two more rehearsals left before the concert-Sunday night, attendance at the city-wide Cantata practice last night was 107. Many said that it was the best rehearsal ever held by the organization. With forty sopranos, thirty alto, twenty tenors and about twenty basses, the chorus sounded well finished for the performance, but two more rehearsals remain before the concert, one Friday night at 7 o'clock and the other Sunday afternoon at 2. Due to the book review at the high school tonight, given by Miss Evelyn Oppenheimer under the auspices of the senior class, the choir will not meet, and due to choir rehearsals by the different church choirs on Thursday night, the city-wide Cantata Choir will not hold a rehearsal on that night. A full attendance for Friday night and Sunday afternoon, however, is assured, Director W. W. Lackey announced.

Two grand pianos have been installed in the high school auditorium for the occasion by two music houses of San Angelo, the Geo. Allen Music Company and the Bearden-Hunter piano company, the former installing a Chickering and the latter a Hadorf. Both instruments have been installed and tuned together free of charge to the Midland musical organization for the concert Sunday night.

Miss Jesse Scott Price and Mrs. C. Y. Barron will be at the piano as accompanists for the 100-voiced choir. Every choir director of the city, together with many of the best voices in the various church choirs and many not affiliated with any choir are in the massed choir for Sunday night. No admission charge will be made to this annual community affair.

Denison Dam Project Studied by Engineers

DENISON, Dec. 7 (AP).—Seven engineering experts, collaborating with army engineers on the proposed \$54,000,000 Red river hydro-electric and flood control project, met here today.

Technical problems of building the Denison dam were discussed.

Rumania's Carol Shows Mailed Fist at Last

has quietly remained near the king.

The later crises in Carol's life have been political, not personal. Slaying of Corneliu Zelea Codreanu and 16 of his Iron Guard followers for an alleged attempt to escape prison is the newest act in the drama.

FIRM AGAINST NAZI AGITATION

Observers believe that the Iron Guard's original intent was a German-backed plan to Nazify Rumania and use it as a base of operations against Russia. Rumania is rich in natural resources, particularly oil.

Spurred by Hitler's successes, Codreanu, a native of Poland, had founded the anti-Semitic order which later became the Iron Guard. Openly he taunted the king on his "friendship" with the part-Jewish Mme. Lupescu. In 1933 Premier Duca, was assassinated. But Codreanu, a codetendant in the trial of the assassins, was acquitted.

King Carol remained silent and opponents charged the monarch with deliberately flirtation with Fascism.

Then Codreanu's aims soared when, a year ago, his party increased its number of seats in Parliament to 62.

But in February, 1938, Carol made himself virtual dictator and decided to strike at the Iron Guard.

Now he is faced with the problem of cautiously playing his hand against his opponents without throwing his nation into a turmoil which might lead to internal breakdown.

German could use Rumania very nicely. Jealous Hungary would like Transylvania, taken from her and annexed to Rumania following the World War.

Prodigal and playboy, perhaps, but Carol stands his ground firmly against opposing groups to continue a limited monarchy in a Europe rife with "isms." At the showdown, he has decided that if there is to be dictatorship in Rumania, he, and nobody else, will be the dictator.

He dictated and forced through a popular vote Rumania's current constitution, which bars the Iron Guard. He has thwarted death plots against himself and Mme. Lupescu. At the moment he more nearly fits the title "king" than ever before.

Improved Airmail Service Here Aim Of C C Committee

A determined effort to secure improved airmail service for Midland will be made immediately by a special chamber of commerce committee this afternoon appointed by Marion Flint, chamber of commerce president. The special committee being composed of R. E. Gile, chairman, Allen Tolbert, John W. House, Addison Wadley, K. L. Sappington and J. P. Butler.

Initial meeting of the committee will be held at the chamber of commerce office Thursday afternoon at 4:30 o'clock, chairman Gile announced this afternoon.

First step of the committee will be to line up support of Odessa, Monahans and Pecos in an effort to secure a star route for air mail between Big Spring, Midland and points west. The post office department, through Congressman R. E. Thomason, will then be requested to establish the star route which would carry only air mail.

The persons or persons awarded the star route contract would leave Pecos shortly after noon, picking up air mail at Monahans, Odessa and Midland, arriving in Big Spring in ample time to make connection with the east bound mail plane. The return trip would be made following the arrival in Big Spring of the west bound plane, air mail to be distributed by the star route carrier at points between Big Spring and Pecos.

Such a service would speed up air mail delivery, saving a full day in all incoming and outgoing air mail.

Commends Policy of O'Daniel's Advisors

Clarence Scharbauer, back today from Fort Worth where he attended the meeting of Governor-Elect W. Lee O'Daniel's advisory board, said that constructive measures were given approval at the conference. He expressed the belief that if the state's business can be run on the policy worked out in the conference, it can be restored to a cash basis. The Midland cattleman, banker and hotel operator represents the tourist industry on the advisory board.

Voters Keep Faith

OMAHA, Neb. (AP)—Voters have faith in George Brandeis, well-known Omaha merchant. For many years justice of the peace of Fairacres, Brandeis again was elected to that post—but he still has his first case to hear. After each election he neglects to post the necessary bond

Police Guards Stop Students At Consulate

Italian Papers Keep up Demands For New Leads

ROME, Dec. 7 (AP)—Anti-French demonstrations in Naples today continued noisy Italian agitation for Africa and Mediterranean territories held by France.

Classes were suspended at the University of Naples and several hundred students marched on the French consulate. At the consulate, however, strong police guards turned them back.

Italian afternoon papers kept the agitation boiling.

Premier Benito Mussolini's controlled Fascist press described the new anti-French outburst as a justifiable answer to demonstrations against Italy in Tunis and on the French island of Corsica last week end.

The press reported simultaneous demonstrations by Italians in Tunis, where hundreds of students shout "We want Tunisia and Corsica" marched through the streets of the French-controlled city on the North African coast.

The students carried banners proclaiming Corsica is Italian and Tunisia is part of Italy's just aspirations in the Western Mediterranean.

It was evident that the student outbreaks were officially condoned, if not inspired.

The new surge of hatred against France, occurring almost at the moment Germany and France were signing a no-more-war declaration in Paris, coincided with discussion by high-ranking Fascists of six minimum demands underlying the demonstrations.

Senior Class to Present Review Of Book Tonight

The Senior class of the high school will present Miss Evelyn Oppenheimer of Dallas in a book review at the high school auditorium this evening at 8 o'clock. Proceeds of the affair will go to the benefit of the school annual, "Catoico."

Miss Oppenheimer will review "Fanny Kemble, A Passionate Victorian" by Margaret Armstrong. The book is a biography of the famous English actress and was on the best-seller list for 1938. It tells of an English actress and was one marriage, divorce, and famous Shakespeare readings of Miss Kemble.

Tickets at 50 cents each may be of the childhood, career, unhappy for high school students or at the door.

The public is invited.

Conference to Aid In 'Understanding,' Hull Says Today

CALLAO, Peru, Dec. 7 (AP).—Secretary of State Hull, pausing here on his way to the Pan-American conference, said today he expected the sessions to contribute heavily to "Inter-American solidarity and understanding."

"We should spare no efforts to consolidate gains made and to assure continuance and safeguarding our American system, the secretary said."

The American delegation, officially welcomed by Larraza Stehnbard, American ambassador in Peru, is headed next for Lima, where the conference opens Friday.

15 Shopping Days Till Christmas

REFORMERS WERE LAUNCHING CLEANUP OF NEW YORK STAGE

LOOKING BACK TO CHRISTMAS 15 YEARS AGO—Santa was being good to Toronto to Drs. Banting and MacLeod; they got Nobel Prize for their discovery of insulin.

Reformers were launching cleanup of New York stage.

Because of change from Julian to Gregorian calendar, practically whole Christian world celebrated Christmas on same day—Dec. 25—for first time in three centuries. . . . President Coolidge freed 31 war prisoners.

## Football for a Dime

Ten cents admission to a football game is the proposal of Robert Hutchins, president of the University of Chicago, for removing overemphasis and its attendant evils from college football.

Removal or reduction of the amount of money available to college sports departments would do much to clean up the game, Hutchins feels. He was the boy wonder of college presidents a few years ago. As the head of the great and richly endowed University of Chicago he can launch there an experiment in sociology and advanced pigskin ethics that the world will watch with interest.

Thousands of football fans in the middle west will be glad to co-operate in his purge of the wicked dollar from the gate. Meanwhile Dr. Hutchins' premise that people go to college to improve their minds can wait. That will be taken up by the quarterbacks' club right after the first 10-cent football game.

## New Job Is Created By Chevrolet Co.

Chevrolet's facilities for growth in the important Southwest region to which this territory belongs have been increased by the creation of a new post, that of assistant regional manager in charge of new car operations, it was announced this week. E. S. Graham, formerly man-

# The Town Quack

and undertaking establishments Thanksgiving night to find out who you were before you tried to turn two curves where there was only one.

Gerald Lowellen, back from California, says there are two kinds of people there, the ones who have been there all their lives and the other so-and-sos.

A big man of America said, commenting on freedom of the press:

"Were it left to me to decide whether we should have a government without newspapers, or newspapers without government, I

The other day we got another one of those political books. It was written by Herbert Hoover and entitled "Addresses Upon the American Road." Of course, a newspaper is supposed to read and criticize the book, or review it or something to pay the publishers for sending out the free copy (which would sell for 65 cents).

J. Travelstead, whose "Prickly Pear" column in the Del Rio News always bristles, reviewed the book well enough for both of us, so I'll reprint his comment:

"We do not intend to waste any time reading Hoover's book of office when this country was at the height of prosperity—the day he left office all banks were closed and the nation was bordered on a revolution. If a man takes a bankrupt outfit and fails to pull out he is not to be blamed, but there is little excuse for wrecking a prosperous one."

On Thanksgiving day, a Tennessee paper printed a request to its readers which, aside from the references to football, would be applicable at any time:

"The editorial staff would greatly appreciate it if all citizens planning to take a few quick snorts of fire-water before getting into the car to drive to Grandma's or the football game would first stop by the office and leave a few notes on their obituaries. This thoughtfulness will do away with the necessity of our having to chase around hospitals

During the first nine months of 1933 a total of 2873 airplanes were manufactured. This is an increase of 116 over the number produced during the same period of 1932.

On January 6, 7, and 8, 1933, the annual Miami Air Races will be held.

ager of the Houston zone has been named by W. E. Holler, general sales manager, to the new position. Graham will assume duties connected with the supervision of new car and truck operations throughout this territory, acting as aide to R. W. Hill, manager of the Southwest region. His appointment rounds out the region's executive personnel, which was augmented two years ago by creation of a national used car department, with specially-trained personnel in each of the company's regions and zones. Nearly 10 years' experience in the automotive industry qualify Graham for the post to which he has been advanced. He joined Chevrolet as a warehouse foreman at Dallas March 4, 1929, going into training for service promotion representative the following month. For about five months after completion of this course he served as service promotion manager at El Paso, after which he was assistant parts and service manager at San Antonio until April 1, 1930.

Between that time and May 6, 1933, Graham served as parts and service manager at El Paso, Oklahoma City and Houston. He became assistant zone manager at Houston and one year later city sales manager, serving in the latter capacity until March 16, 1935, when he was promoted to similar work in the Chicago zone. His first zone managership came in March 1931, when he assumed that post at New Orleans. Since April 1, 1933, he has been manager of the Houston zone.

# LISTEN FOR THE DANGER WHINE

REPLACE with a DELCO  
The dull whine when the starting motor is laboring to turn over a motor due to a weak battery is an ominous warning of impending starting trouble, or complete starting failure. Don't take a chance and be caught away from a service station and put to a great deal of inconvenience and expense. Have your battery checked now and if it is run down or worn out, REPLACE WITH A DELCO—THE ORIGINAL EQUIPMENT BATTERY—the Battery with the reputation for unflinching service.

## Game Luncheons Focus of Social Interest

### Mrs. Hal Peck Is Hostess to Unique Party Series at Her Home This Week

High point in unusual social affairs among those filling the early-December calendar is the series of game luncheons given by Mrs. Hal C. Peck at her home, 1200 W. Missouri, this week.

Mrs. Peck, a member of the State Game, Fish and Oyster Commission, is internationally known as the only woman game commissioner. She is active in game conservation work and has attended numerous meetings of game commissions outside Texas.

In keeping with the "wildlife" theme of the luncheons, the table is centered with a reflector on which are arranged deer horns, deer feet, fall leaves, and mistletoe. Throughout the house mistletoe and colored autumn leaves form decorative arrangements.

Mrs. John Dublin poured coffee Tuesday and Mrs. Paul Oles today.

The invitation list for the series includes: Mmes. Clyde Cowden, Ellis Cowden, Joe L. Grump, John Dublin, W. Bryant, J. R. Martin, Hayden Miles, Tom Nance, Roy Parks, Foy Proctor, Harvey Sloan, J. M. Speed Sr., Mayme Stokes, S. P. Shirey, Henry Wolcott, Miss Mary Pemberton, Mmes. Geo.

### George Holt Glass Honored With Party On Sixth Birthday

George Holt Glass, son of Mr. and Mrs. Geo. Glass, was complimented with a party Monday afternoon at the Glass home, 911 W. Texas, in celebration of his sixth birthday anniversary.

Gifts presented to the young honoree were opened and inspected, after which Miss Mary Pemberton of Denver, Colorado, entertained the group with stories.

A picture of the group was made. At the refreshment hour a pink and white birthday cake topped by pink candles was cut.

Favors for guests were cellophane packages containing horns and candy.

The invitation list included: The honoree, Robert Payne, Bobby Holt, Allan Nelson, Duane Abell, Graham Mackey, Goss Yeager, Richard Gile, Norman Cornelius, Frank Ingham, June Hazlip, Jereen Jewell, Diane Buffington, Mary Fay Ingham, Arliss Ann Klebold, Jo Ann Wyche, Toya Chapple, Mary Helen Winston, and three older girls, Monta Jo Glass, Elizabeth Ann Cowden, and Dorothy Fay Holt.

### Beta Sigma Phi Study "The Art of Dress" in Program

"The Art of Dress," a subject close to every feminine heart, was studied at the program meeting of Beta Sigma Phi in the private dining room of Hotel Scharbauer, Tuesday evening. Miss Willette Duncan was in charge of the meeting and Miss Marguerite Bivens, chapter president, presided.

Mrs. Tom Potter discussed "Color," telling of the relations and combinations of the various colors.

"Linear Design" was the subject of Miss Ruth Pratt's talk. She told of proportion and symmetry and relation to the natural figure.

Mrs. M. D. Johnson Jr spoke on "The Ensemble," developing the ensemble as to color, as to line, and as to occasion.

Miss Lou Annice Reeves discussed "Psychology of Dress" under the sub-topics of "Creation of Personality" and "Expression of Individuality" by dress.

The sorority will have a Christmas party at the home of Miss Mary V. Miller, 1801 W. Holloway, Thursday evening, Dec. 15, at 7:45 o'clock. It was announced. Members of Beta Gamma chapter at Odessa will be special guests.

Miss Norene Kirby presented the critic's report.

Mrs. Emil Stuter, who came here from Brownwood following her marriage recently, entered the Midland chapter as a transfer from Brownwood chapter.

Present were: Miss Bivins, Miss Maedelee Roberts, Mrs. T. J. Potter, Miss Ellen Potter, Miss Kirby, Mrs. Frances Stallworth, Miss Vivian Smalley, Mrs. S. R. McKinney, Miss Duncan, Mrs. Johnson, Miss Reeves, Miss Alma Heard, Miss Pratt, Mrs. Johnny Sherrod, Miss Miller, Mrs. Stuter.

### Edelweiss Club Is Complimented With Dessert-Bridge

Mrs. Clyde Cowden entertained Edelweiss club and a group of guests with a dessert-bridge at her home, 111 North D street, Tuesday afternoon. Her party followed a game luncheon at the home of Mrs. Hal C. Peck, making the day's occasions in the nature of a progressive entertainment.

Mistletoe and Christmas motif characterized decorations for the dining table.

Tallies for the bridge games which followed the dessert course were in Christmas theme and prizes were attractively wrapped in cellophane in gold, purple, green, red, and other hues.

Awards went to Mrs. A. P. Shirey for high score, to Mrs. Hayden Miles for second high, and to Mrs. Guy Cowden for guest high.

Guests were: Miss Mary Pemberton of Denver, Colorado, Mmes. Guy Cowden, Geo. Glass, O. B. Holt, Elliott Cowden, Bert Ross, Bill Wyche.

Members attending were: Mmes. Ellis Cowden, John Dublin, W. Bryant, J. R. Martin, Hayden Miles, Tom Nance, Hal C. Peck, Foy Proctor, Harvey Sloan, J. M. Speed Sr., Mayme Stokes, A. P. Shirey, Henry Wolcott, and the hostess.

### Bridgette Club Plans for Annual Christmas Party

Plans for a Christmas party to be held at the Log Cabin Inn on the night of Dec. 14, were made at the meeting of Bridgette club with Mrs. R. R. Cowan, 606 S. Colorado, Tuesday afternoon at 2 o'clock.

Two tables of bridge were played with high score going to Mrs. A. E. Horst and second high to Mrs. W. B. Stowe.

The hostess served a salad course at tea time to the following, all club members: Mmes. S. M. Warren, Bill Van Huss, Horst, Stowe, K. S. Blackford, A. H. Riley, S. O. Cooper, E. D. Richardson.

### Bible Class Has Study on Second Corinthians

Chapters 7 to 13, inclusive, of Second Corinthians formed the scriptural study at the meeting of the Women's Bible class at the Church of Christ Tuesday afternoon at 2 o'clock.

Minister Harvey Childress taught the lesson.

Members present were: Mmes. S. A. Debnam, Tom Roper, Chas. Ulmer, Smith, W. F. Hejl, J. C. Reynolds, Harvey Childress, E. W. Watlington Jr., O. H. Jones, Gertrude Cantelou, A. G. Bohannon.

The miniature dripolator has a handle, is light, and is delightfully inexpensive. It's a must for budget Christmas lists—for the live-aloner who knows her coffee.

This thing of making collections is reaching an ultimate high in something or other. Dallas has a high school freshman girl who col-

lects eyelashes — real ones — from her friends.

Each single eyelash is tagged and put away in a scrapbook under a bit of cellophane.

Worse, much worse, than the collections of slightly off-rhythm verse which grandmother collected in her day.

But there's one virtue which collectors must admit that youngsters these days have—that is originality.

For night-time luxury we advocate a thermos jug set for the bedside table of the sleeper who finds he wakes up thirsty in the wee small hours.

The news stands boasts a quart thermos jug, keeping water cold or milk hot, along with two crystal glasses.

Such a thing makes a nice gift, especially for older people.

All transport pilots must take a physical examination under the Civil Aeronautics Authority laws, every six months.

### FEMININE FANCIES

By Kathleen Eiland

Most ingenious small device heard of recently is the miniature "pans presser," a gadget which insures perfectly pressed pants for the man who likes good grooming even though he spends his time traveling and tailor shops are not always available.

The presser consists of a double blade shaped something like a cleaver and a six-foot cord to be plugged into a light socket. The blades are allowed to heat, and the heated cleaver is run down the pants legs to make a sharply defined crease.

Sounds like something most any bachelor would appreciate, or married man either, especially the one who likes to cut down a tailor's bills.

The gadget sells for less than two dollars.

For the bachelor girl who likes her morning coffee with dispatch and without fuss, there's a new little aluminum coffee-maker which fits snugly upon the top of a tea-cup and makes one cup of coffee at a time by the drip method.

### Mrs. Skinner Will Read Paper Friday Before Federation

Mrs. John W. Skinner will be guest speaker at the meeting of the City-County Federation at the county courtroom in the courthouse Friday morning at 10 o'clock. She will read a paper on "Mexican Sports and Customs."

The Federation urges all club representatives to be present at the meeting.

Mrs. F. H. Schouten, president, will preside at the session.

### Mrs. Cornwall Is Hostess Tuesday At Bridge-Luncheon

Four guests, in addition to club members, were present for the bridge-luncheon with which Mrs. John Cornwall entertained the Tuesday Luncheon club at her home, 1402 W. Ohio, Tuesday at one o'clock. The four were: Mmes. Watson LaForce, O. C. Harper, I. E. grave, Clarence Scharbauer, W. B. Simpson, Don C. Sivals, Frank Johnson, R. C. Crabb, Allen Tolbert, Harry Tolbert, Ben F. Nysewander, Jimmie Greene, Joe Youngblood, Roy Parks.

### Mrs. Bruhn Is Hostess to Party For Bridge Club

Mrs. P. Erich Bruhn, 610 W. Storey, entertained for her bridge club with a party at 2 o'clock Tuesday afternoon.

Two tables were appointed for the games which furnished diversion to the group.

Included were: Mmes. Allan Hargrave, Fred Wright, M. D. Sell, A. P. Loskamp, Ed Whitaker, K. L. Sappington, Cary P. Butcher, and the hostess.

Coyote Led To Bounty.

OAK, Cal. (U.P.) — Tony Briceao knows how to bring 'em back alive when it comes to coyotes. Unable to run one down with his car because the animal kept too close to a fence, he turned his headlights on so that it would be blinded by the glare, jumped out of the car, Daniel, Aiden Donnelly.

Luncheon was served at foursome tables after which bridge games occupied the afternoon.

Club members present were: Mmes. A. B. Cather, John W. Rettig, J. E. Simmons, R. C. Tucker, and the hostess.

# Giants and Cubs Swap Six Players in First Big Deal

By KENNETH GREGORY.

NEW ORLEANS, Dec. 7. (AP).—Manager Gabby Hartnett, in a move to rebuild the National League champion Chicago Cubs, swapped off Shortstop Billy Jurges, Catcher Ken O'Dea, and Outfielder Frank Demaree Tuesday to the New York Giants for hard-hitting Outfielder Hank Lieber, Catcher Gus Mancuso, and Shortstop Dick Bartell.

The deal was completed with the Giant's Bill Terry here on eve of the 37th annual convention of the National Association of Professional Baseball Leagues, traditionally the scene of a flurry of winter trading.

The St. Louis Browns, however, announced the trade on undisclosed terms of Infielder Tom Carey to the Boston Red Sox for Pitcher Johnny Marcum.

Also, in addition to their three-for-three players deal with the Cubs, the Giants announced Chalmer (Bill) Cissel, veteran second baseman, had been sold to the Hollywood club of the Pacific Coast League on a straight cash deal.

Terry had huddled with a number of delegates, giving rise to the possibility the Giants were formulating a working agreement with New Orleans of the Southern Association.

The rumor wheel also said Frankie Frisch, former St. Louis Cardinal manager, was slated either to take over management of New Orleans or join the Giants as coach.

Hazen (Kiki) Cuyler, veteran major league outfielder who was with Brooklyn last season, was signed to a one-year contract to manager the Chattanooga Lookouts.

Manager Oscar Vitt of the Cleveland Indians reported he was interested in signing, as utility infielder and coach, Tony Lazzeri, who was granted his unconditional release by the Chicago Cubs.

More than 1,000 delegates, including Judge K. M. Landis, major league commissioner, and Judge William G. Bramham, commissioner of the minors, were on hand for the opening session of the association at whose business confab action was likely to be taken to place all minor leagues on a uniform basis.

## Rain Prevention Service Offered San Jose, Calif.

SAN JOSE, Cal. (U.P.)—Secretary of the Chamber of Commerce Russ Pettit is still trying to think of the right answer to give a San Francisco inventor who wrote to know if the Santa Clara Valley could use a rain prevention service.

This service, it seems, would be to prevent or minimize unnecessary and unwanted rainfalls coming at a time, for instance, when they might damage orchards, gardens and vineyards when the crop is ripe. The writer insisted he had a scientific process ready.

# WPA Projects Of \$1,400,000 Get Approval

## Over 3,500 Men to Get Employment as 27 Jobs Planned

SAN ANTONIO, Dec. 7.—Approval of twenty-seven Works Progress Administration projects, involving expenditures of \$962,115 in Federal funds and \$437,187 supplied by local government agencies, was announced today by Stearns S. Tucker, deputy state administrator.

Projects approved, with amount of Federal funds, sponsors' funds, and number of workers to be employed, follow:

**BEXAR COUNTY**  
**ALAMO HEIGHTS.**—Construct 150,000-gallon water storage tank and 1,810 feet of water lines, on Tuxedo Avenue between Loveta and Ciruela Streets; Federal funds, \$15,064; sponsor's funds, \$13,524; workers, 43.

**FORT SAN HOUSTON.**—Waterproof 51 buildings; termite-proof 300 buildings; reconstruct 17 stall garages; construct addition to greenhouses; construct minor improvements to various other buildings; install traffic signs; Federal funds, \$40,646; sponsor's fund, \$4,091; workers, 183.

**RANDOLPH FIELD.**—Construct concrete curbs, asphalt ramps, concrete servicing pit slabs; relocate service pits and install air, water, gas and electric service lines to servicing pits to take care of transient aircraft; Federal funds, \$12,995; sponsor's funds, \$17,568; workers, 75.

**SAN ANTONIO.**—Inspect and make necessary repairs to ammunition material at San Antonio Arsenal on South Flores Street; Federal funds, \$13,613; sponsor's funds, \$5,157; workers, 51.

Inspect and renew 5,080 feet of water lines at San Antonio Arsenal on South Flores Street; construct 2,000 feet of new water lines and 2 new pumps; Federal funds, \$5,249; sponsor's funds, \$1,852; workers, 30.

Construct 84,190 feet of sanitary sewer lines in Hot Wells area; Federal funds, \$176,092; sponsor's funds, \$54,756; workers, 445.

**COLLIN COUNTY**  
**ANA.**—Remodel high school building; construct new building, walks, playgrounds and athletic fields; Federal funds, \$36,861; sponsor's funds, \$15,162; workers, 100.

**COOKE COUNTY**  
**GAINESVILLE.**—Gravel walks and drives, lay water lines, landscape grounds of Girls Training School 3 miles east of city; Federal funds, \$18,099; sponsor's funds, \$4,090; workers, 104.

**DALLAS COUNTY**  
**MESQUITE.**—Construct 3-room Negro school building and addition to lunch room at white grade school; Federal funds, \$14,819; sponsor's funds, \$5,574; workers, 90.

**COUNTY.**—Grade, construct rock base on 3.8 miles of farm-to-market road northwest and southeast of Westmoorland, to widen existing roadway by 24 feet; Federal funds, \$45,486; sponsor's funds, \$16,928; workers, 319.

**DELTA COUNTY**  
**PECAN GAP.**—Demolish 2 old school buildings, use salvaged materials in construction of new 9-room brick building including combination auditorium - gymnasium; construct concrete walks and playgrounds; Federal funds, \$49,972; sponsor's funds, \$23,518; workers, 158.

**EL PASO COUNTY**  
**EL PASO.**—Manufacture 2,200 tons of concrete pipe to be used in drainage structures on farm-to-market roads throughout county; Federal funds, \$9,485; sponsor's funds, \$17,315; workers, 72.

**HENDERSON COUNTY**  
**ATHENS.**—Construct 20,000 feet of curbs and gutters, 10,000 feet of sidewalks throughout city; Federal funds, \$15,704; sponsor's funds, \$6,749; workers, 73.

**HOPKINS COUNTY**  
**MILLER GAP.**—Demolish old school building, use salvaged material in construction of new brick building with 10 rooms and auditorium; construct concrete walks; improve grounds and athletic field; Federal funds, \$30,502; sponsor's funds, \$12,709; workers, 99.

**JASPER COUNTY**  
**COUNTY.**—Clear, grub, fence, drain, grade, gravel 10.24 miles of farm-to-market roads north of Jasper; Federal funds, \$26,208; sponsor's funds, \$4,075; workers, 124.

**LAMAR COUNTY**  
**PARIS.**—Wreck all structures at old abattoir site and construct new warehouse; construct new incinerator at new abattoir site; Federal funds, \$24,121; sponsor's funds, \$10,835; workers, 177.

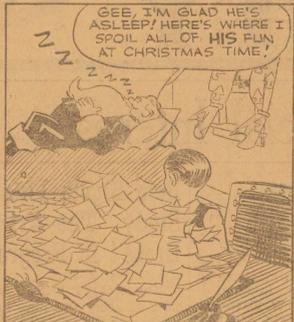

**LEON COUNTY**  
**COUNTY.**—Clear, grub, fence, drain, grade, gravel 3.2 miles of Marquez-Centerville Road; Federal funds \$6,342; sponsor's funds, \$2,514; workers, 45.

**McLENNAN COUNTY**  
**MOODY.**—Demolish old school building, use salvaged material in construction of new building; Federal funds, \$45,577; sponsor's funds, \$29,015; workers, 100.

**NOLAN COUNTY**  
**COUNTY.**—Construct general improvements to spillways at Lake Sweetwater and Lake Trammell; Federal funds, \$122,572; sponsor's funds, \$23,091; workers, 248.

**NUECES COUNTY**  
**CORPUS CHRISTI.**—Extend and renew 54,720 feet of water lines throughout city; Federal funds, \$55,138; sponsor's funds, \$106,237; workers, 152.

## BOBBY'S CHRISTMAS DREAM

**PARKER COUNTY**  
**COUNTY.**—Fence, grade and construct drainage structures on farm-to-market road in and near Springtown; Federal funds, \$12,761; sponsor's funds, \$4,515; workers, 119.

**TARRANT COUNTY**  
**BIRDVILLE.**—Install new equipment and facilities in school building; Federal funds, \$23,580; sponsor's funds, \$6,148; workers, 72.

**FORT WORTH.**—Landscape, grade and sod grounds; construct concrete curbs, gutters and walks; gravel drives and install drainage lines in Forest Park, Rose Garden and Trinity Park; Federal funds, \$59,081; sponsor's funds, \$27,463; workers, 198.

**HENDLEY.**—Construct curbs, gutters, walks, drainage lines throughout city; Federal funds, \$30,439; sponsor's funds, \$9,634; workers, 121.

**COUNTY.**—Construct metal stilling well and shelter to house continuous water stage recorder at Stone Boundary Road crossing on clear Fork Trinity River; Federal funds, \$143; sponsor's funds, \$925; workers, 8.

**VICTORIA COUNTY**  
**VICTORIA.**—Construct 1,570 feet of concrete sanitary sewer lines on Washington and Glass Streets; Federal funds, \$2,730; sponsor's funds, \$817; workers, 21.

**WEBB COUNTY**  
**COUNTY.**—Clear, grub, fence, grade section of proposed State Highway 257 from Highway 81 near Laredo to Duval County line; Federal funds, \$68,302; sponsor's funds, \$12,332; workers, 256.

**High School Grid Games to Be on Air**

Four special radio networks have been created to broadcast the quarter-final games in the Texas High School Football Championship race.

Each broadcast will originate at the field, and play-by-play descriptions will be given by outstanding sports announcers.

The first game of the Quarter-Finals will be played Friday, December 9, when Lubbock meets Breckenridge at Lubbock in the Texas Tech Stadium. The play-by-play description will be given by Cy Leland.

The game starts at 2:30 p. m. and will be broadcast over KFYO 1310 kc., Lubbock, and be carried by KGNS, 1410 kc., Amarillo; KBST, 1500 kc., Big Spring; KRBC, 1420 kc., Abilene; KGKI, 1370 kc., San Angelo; KPND, 1310 kc., Pampa; and KGKO, 570 kc., Fort Worth.

**Highland Park (Dallas) meets Masonic Home (Fort Worth) at O'Connell Stadium, Dallas, Saturday, December 10th.** The play-by-play description will be given by Charlie Jordan. The game starts at 2:30 p. m. and will be broadcast over KRLD, 1040 kc., and WRR, 1280 kc., Dallas; KTAT, 1240 kc., Fort Worth; and KRRV, 1310 kc., Sherman.

**Deagan (Houston) will play Corpus Christi in Houston on Rice Field, Saturday, December 10th.** The play-by-play description will be given by Byron Saam of the Columbia Broadcasting System. The game starts at 2:30 p. m. and will be broadcast over KTRH 1290 kc., Houston; KFDM, 560 kc., Beaumont; KTSB, 550 kc., San Antonio; KRIS, 1330 kc., Corpus Christi; KRGV, 1290 kc., Westaco; and KNOW, 1560 kc., Austin.

**Tyler will play Temple in Fort Worth, at T. C. U. Stadium, Saturday, December 10th.** The play-by-play description will be given by Bill Ware, ace sports announcer from Cincinnati. The game starts at 2:00 p. m. and will be broadcast over KTEM, 1370 kc., Temple; WACO, 1420 kc., Waco; LAND, 1210 kc., Corsicana; KNET, 1420 kc., Palestine; KFFO, 1370 kc., Longview; KOCA, 1210 kc., Kilgore; and KGKB, 1500 kc., Tyler.

## TCU Ranked First Over All Teams in The Final Standings

By BILL BONI.

NEW YORK, Dec. 7. (AP)—Texas Christian, which placed two of its stars on the Associated Press All-America team, Tuesday gained further fame as it won first place in the final Associated Press national ranking poll of the season.

The Texans, winning the Southwest Conference title, undefeated and untied in 10 games and held to less than 20 points in only one of those victories, have a post-season date, 149, Minnesota, tenth, 111.

Second ten—Texas Tech 42, Cornell 7, Alabama 25, California 20, Fordham 19, Michigan 16, Northwestern 15, Villanova 13, Tulane 11, Dartmouth 10.

Application for membership in the league was made by a team that will be formed in Stanton. Action was delayed, pending final organization of the league.

Other firms indicating they would enter clubs in the league were To's Gulf service station, Atlantic, Texas, Standard, Stanolind, First Baptist church and an independent team.

A committee composed of L. W. (Bud) Taylor, L. H. Chatham and L. M. Freels was appointed to write a constitution and by-laws for the league.

Tentative plans call for play in the league to start soon after the first of the year and, in all probabilities, a split season rule will be in effect with the winners of the two halves meeting in a play-off series early in March.

**Constable Charges Police With Obstructing Justice**

NEWPORT, Ky. (U.P.)—It was a case of the law against the law in Campbell County Circuit Court here when Constable Paul Beard charged three Newport policemen with obstructing justice and the officers accused him of the same offense.

The charges grew out of a dispute over which law enforcement agency had the prior right to mark automobiles for violation of local parking ordinances. Judge A. M. Caldwell persuaded both parties to drop the charges.

"If you peace officers fight each other, how do you expect citizens to respect the law?" the judge inquired.

## Tentative Plans for Basketball League Perfected at Meet

By BILL BONI.

Tentative plans for an eight-club city basketball league were adopted last night by a group of fans that met at the gymnasium to perfect the organization.

Dr. David M. Ellis was elected president of the league and announced an open-to-all meeting at the court house Friday night, at which time organization of the league will be completed. Other officers besides Ellis will be chosen at the meeting.

Approximately 25 persons were present at the initial meeting and eight indicated they would sponsor clubs in the league. If it appears likely more than eight clubs would like to enter, another league will be formed.

**Economy Runs Reveal High Fuel Mileage**

Covering a grand total of more than 95,000 miles with loads averaging 6,000 pounds, eighteen Ford V-8 134-inch wheelbase cab-over-engine trucks obtained fuel mileages ranging up to 13 1-2 miles to the gallon in long-distance economy test runs held recently in various parts of the country, according to reports to the home offices of the Ford Motor Company. The test runs were held under the direction of Ford branches.

The highest fuel mileage of 13 1-2 miles to the gallon was obtained on an economy run held by the Oklahoma City branch. The lowest, 8.7 miles to the gallon, was recorded on an economy run through a thickly populated area in the East.

However, 78,000 of the 95,000 miles were averaged at better than 11 miles to the gallon. Only 17,500 miles were operated at an average of less than 10 miles to the gallon. The highest average speed, 43 miles an hour, was maintained on a run staged by the Dallas branch. The lowest average speed, 28.4 miles an hour, was recorded in the mountainous region in Pittsburgh branch territory.

Tally sheets maintained on all of the runs revealed that no oil was added between changes for the entire 95,000 miles. All the units participating in the runs were standard in every respect. Most of them were equipped with stake bodies.

The state of New York uses an airplane to catch fish pirates.

Why shouldn't I come right out with it? If people want to switch they will. Using Conoco Bronz-z-z they don't want to, and why should they? Just suppose it is 20 degrees colder today and they bought their Special Winter Blend Conoco Bronz-z-z yesterday. Just the same, they can start right up, and they won't lose out on mileage, either—because their Conoco Bronz-z-z is refinery-adjusted according to all the weather records ever made here at this exact time of year. Probably most of my customers don't even think of that, because they just know they can start. That's all—they start. That's what everybody wants—quick-starting—and so that's what I've got here... quick-starting Conoco Bronz-z-z.

## 11—Employment

### DIESEL

A bonded personnel officer of the Anderson Diesel School will be in Midland for a few days to select a few men to start immediate training for permanent position in this rapidly expanding industry. Only men of good character who are ambitious and mechanically inclined will be considered. Those selected will be trained by actual experience, under supervision of Diesel engineers to install, operate, service and repair all types of Diesel equipment. Transportation allowance to Los Angeles and employment sufficient to defray living expenses while training will be given those who qualify. We will select also a few high school students for extension work now and practical training later. For interview Thursday, write Box D. S., care this paper, or call Mr. Cox, Scharbauer Hotel. (235-1)

## 12—Situations Wanted

## Foreclosures on Urban Homes Drop

WASHINGTON.—Foreclosures on non-farm homes during October dropped to the lowest point reached since the peak of 1933, another indication that the American home-buyer is "paying his way out", the Federal Home Loan Bank Board announced today on the basis of a nation-wide survey. The Board collects data on urban foreclosures by all kinds of mortgage lending institutions and makes a monthly survey of this information.  
 By almost every standard of comparison, the study showed, the foreclosure situation in October and during the first 10 months of this

year displayed marked improvement over recent periods. High points of the report were:  
 1. Foreclosures for the first ten months of this year were 30,000 cases (or 23 per cent) less than for the corresponding period of 1937.  
 2. October foreclosures—8,773 in number—were less than 80 per cent of those for the same month last year.  
 3. October marked the fourth consecutive month in which foreclosures remained below the average month of 1928, generally regarded as a year of prosperity.  
 4. Foreclosures in October declined by 84 per cent, or by 804 cases from those of the preceding month, September, which itself showed a decline from August and July. The decline in foreclosures was shared

in by the greater part of the country, seven of the 12 Federal Home Loan Bank districts reporting fewer foreclosure actions in October than September.  
 An even more optimistic picture was presented by the long-term report on foreclosures for the first 10 months of this year as compared with the same period of 1937. Each of the 12 Federal Home Loan Bank districts and all but eight of the 48 states reported fewer foreclosures in the January-through-October period of 1938 than for the same months last year.  
 "October foreclosures projected on an annual basis were at the rate of 5.6 cases per 1,000 non-farm dwellings, which compares favorably with a rate of 6.6 for the 12-month period ending September

30," said Corwin A. Fergis, chief of the Board's Division of Research and Statistics.  
 "Each size group of cities showed a similar movement as did each Federal Home Loan Bank district, except Little Rock where the rate remained the same. The October rate for communities with less than 5,000 non-farm dwellings was 2.7, whereas for communities with over 60,000 non-farm dwellings, it was 8.7 cases per 1,000."

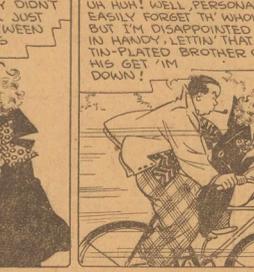

**Golden Gate Fair Sets Quarantine for Crooks**  
 SAN FRANCISCO (U.P.)—An "unwelcoming committee" is being organized by Chief of Police William J. Quinn and the police officials of seven surrounding counties

to keep crooks from reaching Treasure Island, site of the Golden Gate International Exposition.  
 A quarantine line will be established for a radius of 50 miles around the exposition and data on every known crook in the United States will be available to police.

**Old Fire Horse Honored in Hollywood Manner**  
 FREDERICTON, N. B. (U.P.)—Hollywood movie stars have nothing on "Bill," a veteran fire horse. When they laid a new pavement in front of the fire station where the horse has been posted for 20 years, they brought him out of retirement and made an impression of his hoofs in the concrete. Above them they wrote his name.

Oil News---

CONTINUED FROM PAGE ONE

gasser of the area and two miles due south of the Skelly test. Drilling this morning in No. 1-N State had reached 2,425 feet in salt.

Stanford No. 1 State, north offset to the Westmount gasser, this morning is drilling at 830 feet in red rock. The northwest offset, Amerada No. 1-LA State, is drilling at 1,793 feet in red rock.

Barnsall No. 1 Humble-State, wildcat three miles northwest of the Westmount well, is drilling at 4,635 feet in lime and anhydrite.

Shell No. 1 Harwood permit, in southern Roosevelt county, stopped coming at 4,765 feet and now is reaming.

Ruys shows gain.

Shell No. 1 J. M. Ruys, one-mile southeast outpost to the Bennett pool of Yoakum, showed some increase in fluid flowing 1,500-gallon acid treatment, pumping 165 barrels, half oil and half gas, sediment and water, in 29 hours. Fluid level remained at 1,500 feet from bottom.

T. P. No. 15 Bennett, west edge test in the pool, is drilling at 5,015 feet in lime and anhydrite. Shell No. 4 Bennett is drilling past 1,505 feet in red beds and shale. Honolulu No. 8-677 Bennett is drilling at 5,110 feet in lime.

Regional Structure Map of Texas, N. M., Oklahoma Available

A regional structure map of practically the entire State of Texas, with parts of New Mexico and Oklahoma, now is available to the oil fraternity. Besides showing all oil fields, the map illustrates generally accepted geological theories regarding unproven or "wildcat" areas, and this is expected to prove of great benefit to independents and brokers as well as company employees.

The map, printed on heavy parchment paper, is 15 1/2 by 19 1/2 inches in size, being an enlargement of the map used as index to regional structure and individual papers presented at the mid-year meeting of the American Association of Petroleum Geologists, sponsored by the West Texas Geological Society and held in El Paso Sept. 29 and 30.

The West Texas society has made the enlargement available to the general public at actual cost price of 50 cents per single copy and 35 cents per copy when bought in lots of one dozen or more.

Prints may be obtained either from Jess Simmons, in the Continental Oil Company office at Room 80, Petroleum Building, or from Ronald K. DeFord, in the Argo Oil

Corporation office, West Texas Gas Company building.

Junior Music Club Is Name Chosen

Junior Music club was the official name chosen at the meeting of the group at the Cornelius studio. A program committee was named including Norma Jean Stice, Van Cummings, and Jean Ferguson.

A social committee was appointed consisting of Martha Jane Preston, Joyce Dameron, and Juanda Lord.

The group was entertained by the following program:

"Story of the Beginning of Music"—Norma Jean Stice.

Reading—"Conscientious Cricket"—Van Cummings.

Piano solo—"Cock o' the Walk"—Eugenia Holmes.

Piano solo—"At Evenings"—Patsy Butcher.

Piano solo—"Melody Russe"—Sharon Lee Cornelius.

Tax Reduction Asked As Way of Providing For Business Gains

WASHINGTON, Dec. 7 (AP)—Business, as represented by Edsel Ford and a half dozen other employers, told a Senate committee Tuesday that lower taxes would go a long way toward promoting industrial recovery.

Ford, president of the Ford Motor Company and son of Henry Ford, its founder, said he believed a reduction of taxes would be "as good an incentive to business as any."

Testifying before the Senate Profit-sharing Committee, he expressed opposition, however, to granting special tax credits for plant expansion, purchase of equipment and regularization of employment, asserting they "might lead to consequences difficult to handle."

(The committee is studying the question of allowing such credits in the hope of encouraging production and the sharing of industrial profits with employees.)

Walter Schwart, Philadelphia textile machinery manufacturer, expressing views similar to Ford's, suggested that taxes be lowered immediately to a rate which would balance government revenue and expenses if the national income were \$80,000,000,000 or \$90,000,000,000 a year.

(Officials have estimated that the national income will be \$65,000,000,000 this year.)

PERSONALS

Mrs. J. B. Thomas will leave today for Big Spring where she will visit her mother, Mrs. J. B. Hurt, for a few days.

Mrs. Paul Jackson is improved after being ill at her home here for several days.

Rex Kirkley of Shelby county, C. Kirkley of Fort Worth, and Mrs. M. R. Hull of Fort Worth left Tuesday morning for their homes after being at the bedside of Mrs. W. T. Beauchamp here.

Official--

(Continued from page 1)

A. L. Gilbreth, Clint Myrick and Bob Williams were appointed as a committee to work with committees from the Rotary club and American Legion in the staging of the annual Christmas theatre party for the children of the community on December 24.

The club's annual Christmas party for members, their ladies and their guests will be held next Wednesday evening, according to an announcement made at the luncheon, the evening meeting to support the regular noon meeting next week.

Guests present at the luncheon included Marion Flynt and D. D. Shillett.

The luncheon was prepared and served by the Valley View Home Demonstration club.

Bar Association Elects Officers

ODESSA, Dec. 7.—Paul Moss of Odessa was elected president of the Ector, Crane, Ward and Midland county bar association for 1933, with County Judge Ed Smith of Crane as vice-president and W. W. James of Odessa as secretary-treasurer, in the organization's regular meeting at the George Washington room of the Elliott Hotel, Monday night. Lawyers of the four counties and several guests were present for the banquet dinner and business session.

New directors of the association elected were John Watts of Crane county, Col. John Perkins of Midland county, T. H. Neal of Ward county and John Fowler of Ector county.

Principal address of the evening was given by Judge Chas. L. Klaproth of Midland, a visitor at the meeting. Other visitor included Judge J. A. Drane, District Attorney William Kerr and Henry Russell of Pecos; District Attorney-Elect Martelle McDonald of Big Spring; District Judge-Elect Cecil Collins of Big Spring; and court reporter Daniel (Uncle Walt) Boone of Midland.

If a candle had three ends...

Those who burn the candle at both ends are borrowing tomorrow's pleasures for today. If a candle had three ends they'd burn them all. Then, there's the fellow who never lights his candle at all. He's bluffed by his fears of tomorrow.

The destiny of our America depends upon those who can see today's needs clearly . . . who can await tomorrow with confidence. Such was the spirit of our gallant forefathers. Had they burned the candle at both ends, or, had they failed to burn it at all . . . they would have accomplished nothing. Instead, they left us a priceless heritage . . . a land and opportunities that other nations envy.

**Daladier Winner of Decision Over Foes**

PARIS, Dec. 7. (AP)—The Daladier government won over Socialist and Communist opposition Tuesday

in the first parliamentary committee test of its firm policy in dealing with strikes.

The finance committee of the Chamber of Deputies voted approval, 26 to 18, of the government's fight against the strikes, in which it has employed military requisition, discharge and arrest against the strikers.

The vote was interpreted to mean he would have a firm majority when Parliament convenes Thursday.

The government proceeded in its drive to end strikes which arose in protest against Daladier's decree laws.

Navy crews went aboard the liner Paris at Le Havre, replacing striking sailors. The navy men sailed the vessel out of the harbor at 10:35 p. m. to pick up passengers tomorrow at Cherbourg.

England imposed a capital levy as early as 1262.
