

BY BILL ELLIS

SATURDAY WILL BE a busy day in Parmer County and throughout the area.

For one thing, it's the opening day of the 1977 pheasant season. For another, it's the day set for the runoff election for the state senate, where Bob Price and Bob Simpson will square off.

The candidates hope that the pheasant hunters will pause long enough sometime during the day to cast their ballots.

The opening of pheasant season may detract somewhat from a vital election that may have trouble attracting a very large percentage of voters.

Less than one-fourth of the eligible voters went to the polls during the special election on November 8. Election officials expect even less than that for the runoff.

The candidates have conducted a low-key campaign for the most part during the runoff stage of the election. Neither candidate has come up with the angle to capture the fancy of the voters.

At this point in time, it looks like the vote may be a close one, and we are hard pressed to pick the winner.

Don't fail to go out and cast your ballot. Votes never counted as much as they do when so few are expected to vote.

And remember, it doesn't matter whether or not you voted the first time around. Every eligible voter may cast a ballot in the runoff election.

We encourage you to vote. Like we said, your vote will never be worth more

CONGRATS TO Allen Cumpton, who not only held on, but won the Blade's football contest "going away." Allen, the only repeat weekly winner the event had during its 13-week run, won by a final margin of five points.

That was in contrast to last year, when the tie-breaker scores had to be consulted to separate Greg Hromas and Wayne Gilliland after those two contestants had finished deadlocked.

The winning score of 134 was the highest ever in the contest. It was up from the score of 114 posted last year by Hromas and Gilliland.

Cumpton "came out of retirement" to score his second "grand prize" win in the 18-year history of the event. He had previously won the contest in 1965. But he had not entered the contest for the past ten years, Cumpton said.

After winning \$115.00 in the contest this year, Cumpton may be persuaded to try again next year.

BOVINA'S FILLIES are off to a good start, and Coach Joel Nelson says he is impressed by the way the girls are playing. At this point it appears they are headed for a very successful season.

The Fillies won a tournament last weekend. It had been at least four years since a girls basketball team had achieved that honor at BHS. The team has defeated the Friona girls, and it also had been a number of years since that had been accomplished.

The team is blessed by a number of young players, who are gaining some valuable experience during the non-conference portion of the season. By the time district play starts, the Fillies should be ready and able to mix it up with about anyone, including Vega, with the prospects of coming out on the long end of the score.

CONGRATULATIONS to the Clovis Wildcats on winning the New Mexico state football championship.

And a personal thanks to KENW-TV, Channel 3 (educational channel) for televising the state finals game, played in Clovis last Friday.

It was quite an undertaking by the educational channel, and it made it possible for thousands of fans, both in Eastern New Mexico and West Texas, to watch the game—which was a dandy.

Pheasant Season Begins Saturday

Area hunters are ready and waiting for the opening of Parmer County's most popular sport. The 1977 pheasant season will get

Runoff Vote Set

The special state senate runoff election will be held Saturday, Dec. 10.

According to Jay Sherrill, election judge, the voting place will be the American Legion Hall on Third Street and voting hours will be from 7 a.m. to 7 p.m.

So far as is known at this time, Mrs. Marie Venable will be election clerk.

Voters are alerted that they may vote in the runoff election, whether or not they voted in the Nov. 8 election. All eligible voters may cast a ballot in the runoff.

Opponents in the runoff are Bob Simpson, Democrat, and Bob Price, Republican, who were the leading vote-getters in the special election Nov. 8, called to choose a successor to Max Sherman.

Simpson led the voting in the first round, getting 8,777 votes in the district. Price was second in the five-man race with 7,924.

underway Saturday, Dec. 10, and continue through Sunday, Dec. 25, spanning three weekends this year as it has in the past four years.

An excellent pheasant crop is forecast for the 1977 hunt. According to Jack Patterson, who has been close to the pheasant program since its inception, the pheasant population seems to rise and fall with the area's winter wheat crop, which was good this past year.

It will mark the 14th annual pheasant season for hunters in Parmer County.

More than 2,000 pheasants were released in the county by the game association in 1962 and '63, with the population growing steadily since then.

The more colorful male pheasant is the only legal game for hunters, with the hens being protected by state laws.

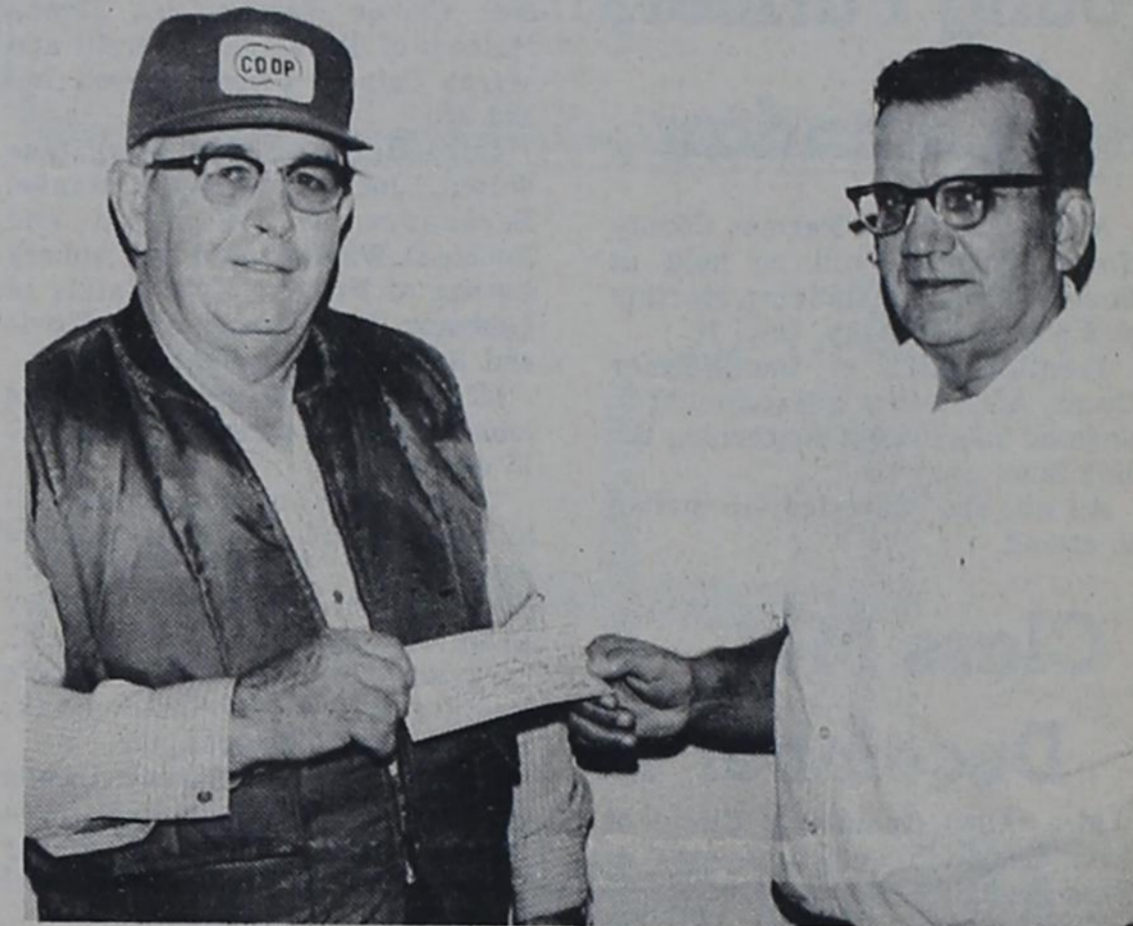

The limit this year will be two cocks per day with four in possession, the same as the past several years. The season and rules are set by the Texas Parks and Wildlife Commission.

The later season for hunting pheasants has proven popular, especially with college students. Although a large number of hunters will be in the fields throughout the season, most of them will be stalking the colorful bird during the opening weekend of the season.

Tailfeather contests will be conducted in Friona, Bovina and Farwell again this year, with three cash prizes offered for the longest tailfeathers.

The hunter turning in the longest feather in each town will receive a \$15 cash prize, with second place awarded \$10 and third place, \$5. The hunter with the longest tailfeather in the county will receive an engraved plaque from the Parmer County Game Management Association.

On Saturday, the Bovina Jaycees will sponsor an early morning Pheasant Hunters' Breakfast, to be held in St. Ann's Parish Hall from 4:30 a.m. to 10 o'clock.

THE CHAMPION....Allen Cumpton won the Bovina Blade's annual football contest, posting a record score of 134 to win by 13 points. He received a grand prize of \$100 for his

efforts, and also won the final week's contest, to collect \$107.50 in one stop. Blade editor Dick Jones is shown presenting Cumpton his prize.

Cumpton Runs Off With Contest Crown

A veteran participant and winner of the championship in 1965, Allen D. Cumpton, rode the crest of a sustained seven-week drive to triumph in the 18th Annual Bovina Business Footbal Contest.

With his second title, Cumpton also received the \$100 Grand Prize. He finished the season with 134 points of a possible 182, leading his nearest rivals by five points. In addition, he snared the first-place

award of \$7.50 in the final week to make his total one-week winnings, \$107.50. Cumpton's winning total was a record for the contest.

There was the usual stiff battle for the weekly prizes, four contestants tying for the awards with scores of 12 each.

Cumpton, Jay Sherrill, Myrna Cain of Friona and T.W. Carpenter of Clovis were involved in the tie-breaker to determine the order of finish. Emphasizing his long-term 1977 dominance, Cumpton won the \$7.50 top prize, predicting 23-14, one point off the actual 24-14 Dallas-Philadelphia score. Sherrill had 21-10 (7) and Myrna Cain, 31-14 (7), while Carpenter predicted 42-20 (24). They share the \$8 second and third prizes.

Twice this season the Grand Prize winner has finished first in the weekly games and once he shared the third-place money with Ronnie D. Wines.

Until this year, Emmett Tabor had been the only two-time champion, doing it in 1962 and 1974.

Cumpton had said during the season: "I surely would like to see my name on that honor roll for the second time." He achieved his goal.

Following are those who finished in the top ten:

Second, 129--Donna Grissom, Jeanne Kerby, Donna Malcom of Tulia.

Third, 128--Manuel Hernandez, Jr., Joel Nelson, Emmett Tabor.

Fourth, 127--Billy Whitecotton.

Fifth, 126--Leon Grissom.

Sixth, 125--Mike Grissom.

Seventh, 124--T.W. Carpenter of Clovis, Dixie Carson, Jacque Nabers.

Weekly prize winners during the course for the year were:

First--Mary Hernandez, Emmett Tabor, Pamela Stanberry, Dean (Continued on Page 2)

Grand Jury Given Bartlett's Case

Examining trials were conducted Friday for three area men who were recently arrested and arraigned in connection with two separate cases. According to Parmer County Judge Paul Fortenberry, who presided over the hearings, Fulgencio Ortiz of Farwell and Barty Bartlett of Bovina were bound over for grand jury action.

The two men were involved with separate cases dealing with violations of marijuana laws. Ortiz was arrested and charged with felony possession marijuana following an undercover narcotics investigation sponsored by the City of Farwell.

Bartlett was charged with possession of marijuana over four ounces following the discovery of a marijuana field growing 12 miles north of Farwell. Similar charges were also brought against Bartlett's father, Houston Bartlett. According to Fortenberry, Houston Bartlett was not bound over for grand jury at this time.

The county judge explained that in an examining trial all the evidence and other information scrutinized and if it is considered to be sufficient

then the suspect is bound over for grand jury action.

BSM Sets Sunday Opening

Bovina Supermarket announced this week that it will begin opening on Sundays, starting December 11. "For the convenience of our customers with limited shopping time, we will begin opening Sundays, from 9 a.m. to 8 p.m.," says Billy Whitecotton, in announcing the store's plans.

Bovina Supermarket also announced this week that Santa Claus will visit the store on Wednesday, December 14 from 11 a.m. until 6 p.m. to visit the youngsters. Color photographs of the children visiting Santa will be available, it was announced.

Postmaster In Appeal For Mail

With Christmas mail load now hitting its peak, Postmaster Gene Ezell expressed his appreciation for the fine cooperation on the "Shop and Mail Early for Christmas" Campaign. "Time means everything now," he said. He warns that only by stepping up all Christmas card and gift package mails immediately will it be possible to process and deliver all cards and packages by Christmas Day. He urged the use of ZIP Codes on all mail.

The Post Office faces a critical situation during the next few days. Every postal employee is digging in for the final big rush. They urge that mailing Christmas cards and packages be done now. A delay of a few hours may mean they cannot arrive at their destination before Christmas. Make this the merriest Christmas yet by "Mailing Early and Often."

PHEASANT TIME....The pheasant cock will be the object of hunters all across the Panhandle beginning next Saturday, December 10, when the annual pheasant season opens.

Although a good hunt is expected on opening day, the colorful birds usually manage to make themselves scarce. (Photo courtesy of Texas Parks and Wildlife)

Lions To Sponsor Decorating

The Annual Christmas Home Decorations Contest in the Bovina community will be sponsored again this year by the Bovina Lions Club, Bedford Caldwell, club secretary, announces.

The Lions Club has sponsored the decorations each year since the contest began, although temporary halts have been called, due to the various energy crises.

Cash prizes will be \$25 for first place, \$15 for second and \$10 for third—a total of \$50 in prizes.

An entry blank appears in this issue of The Blade for those wishing to enter their decorations in the contest. All one must do is fill in the blank and mail to Bovina Lions Club, Box 220.

Deadline for entry is Friday, Dec. 16. Judging will be concluded by Monday, Dec. 19. Those entering the contest should leave their lights on until at least 10 o'clock on the nights of Dec. 16, 17, 18 and 19.

The prize-winning homes will be announced in the Christmas edition of The Blade.

Lions Club members state they feel the decorations contest is definitely an asset to Bovina during the holiday season. Not only does it

inspire interest, but provides additional "color" and spirit for the season, they say.

FFA News

By JIM RHODES
The Littlefield District Banquet was held on Nov. 28 at Muleshoe High School.

The members attending from Bovina were David Steelman, Steve Cockerham, Littlefield district secretary; Laura Widner, Pam Rhodes, Scott Johnson, Mike Read, Jim Rhodes, the Plow Girl, Annette Stevenson, the Sweetheart, Denise McCormick and the advisors.

The District Sweetheart Contest was held at 6:00, with the announcement of the winner later at the banquet. Denise was a finalist in the contest and we were very proud of her. Candy Moore of Lazbuddie won the honor of District Sweetheart. She will go on to represent our district at the area contest in the spring.

Everyone enjoyed the entertainment from the Sudan High School Stage Band. The group was really good.

The speaker, Paul Hermesmyer, vice president from the Greenbelt District, gave some very good reminders on our opportunities in the FFA.

The meal was served by the Muleshoe FFA girls. It consisted of chicken fried steak, rolls, green beans, potato salad and apple pie. The meal was really good.

Steve Cockerham gave the District Awards and Mike Read was recognized as the District Star Chapter Farmer.

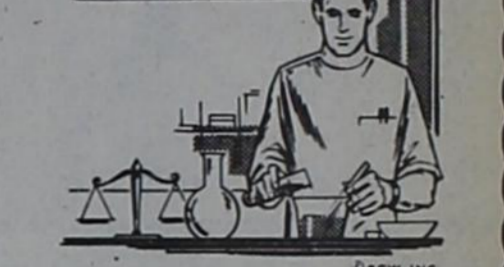

The 1977 Bovina Radio Team received a banner for second place in the fall leadership contest. Those team members are Jody Bandy, Scott Johnson, Ricky Mayfield and Eddie Garcia. We would like to thank all the members, our Sweetheart and our Plowgirl for representing our chapter and school so well.

Cindy Gammon, Dee King Exchange Wedding Vows

In a candlelight ceremony at Lazbuddie Church of Christ at 7 p.m. Saturday, November 19, Cindy Gammon became the bride of Dee King. The double ring vows were read by Andy Rogers.

The setting for the wedding was formed by a candelabra arch holding pink tapers centered with a basket of pink snapdragons and carnations with matching baskets of flowers and a spiral candelabra on each side.

Parents of the couple are Mr. and Mrs. D.T. King and Mr. and Mrs. J.W. Gammon, all of Friona.

Mrs. Teddy King, Friona, sister-in-law of the groom, was the matron of honor. The maid of honor was Sarah Gammon, a student at West Texas State University, Canyon, and sister of the bride.

Other bridal attendants were Mrs. Doug Blgrave, Ackerly, sister of the groom; Sherri Rector, Friona,

cousin of the bride; and Jon Ann Galloway, Wichita Falls.

The matron of honor wore a pale pink knit formal with matching jacket and hood and white muffs. The other attendants wore identically designed formals in deep rose.

Teddy King, Friona, was his brother's best man. Doug Blgrave, Ackerly, brother-in-law of the groom; Kelwin King, Friona, brother of the groom; David Hutson and Gene Schueler, Friona, were groomsmen.

Ushers were Mark Gammon, Friona, brother of the bride; Garvin Thorn, Friona, cousin of the bride; Joe Cunningham and Ronnie McLellan, Friona.

Candles were lighted by Christy Luckey and Cindy Cox.

A quartet, Libby Procter, V.R. Wilcox, Charles Caudill and Glenda Procter, sang "Can't Help Falling In Love," "Let It Be Me," "You Light Up My Life," "Evergreen" and "Annie's Song."

As the bride was escorted and presented in marriage by her father, she wore an old fashioned Victorian style gown of white organza veiled over bridal taffeta with accents of antique Brussels lace, Venise lace and tatting.

The princess silhouette featured a deep pearl beaded yoke of antique lace framed in Irish Cluney lace ruffling. The high Victorian neckline repeated the ruffling. Her long pearl beaded lace sleeves tapered to ruffled lace cuffs falling over the

wrists. The full circular skirt was designed in panels with pearl beaded Venise lace medallions. The entire hemline and cathedral train was encircled in Cluney lace ruffling.

Her matching fingertip veil was attached to a pearl beaded Cluney lace caplet which fell in triple tiers, also edged in Cluney lace.

She carried a bouquet of pink cymbidium roses and baby's breath tied with white satin picot ribbon love knots. Her only jewelry was a string of pearls, which belonged to her grandmother, the late Mrs. W.H. Gammon.

The groom's mother wore a burgundy velvet formal and Mrs. Gammon wore a mint green formal of quiana. They wore identical corsages of pink rosebuds.

The couple greeted guests at a reception following the ceremony. The four tiered cake was decorated with pale pink rosebuds and clusters of larger roses in deep rose color. Cake, punch, nuts and mints were served by Amal Malouf and Kim Bryant, both of Lubbock; Johnnie

Walters and Amanda Miller, both of Friona.

Others in the houseparty were Bobby Mimms and Tommie McGeehee, both of Lazbuddie.

Guests were registered by Pam Cockerham, Amarillo.

For a wedding trip to Galveston, Mrs. King wore a peach colored suit and boots.

Mrs. Clarice King, Plainview, grandmother of the groom was a special guest.

Out-of-town guests included Mr. and Mrs. H.R. Conrad, Headrick, Okla.; Mr. and Mrs. Larry Allison and Mrs. Bertha Greteman, Elk City, Okla.; Mr. and Mrs. F.H. Halwood, Canyon; and Scott Avent, Claude.

Also, Mr. and Mrs. Charles King, Tim King and Mrs. Leora Garner, Plainview; Mrs. Weldon King, Waco; Mr. and Mrs. Keith Bohne, McGregor; Mr. and Mrs. Wendell Garner, Mrs. Mardee Grissom, Mr. and Mrs. Keith Garner, Tim, Doyle and Donnell, Bovina; and Terry King, San Antonio.

Mr. and Mrs. King are both 1975 graduates of Friona High School and former students of Texas Tech University, Lubbock. They are at home at 803 Jackson, Friona.

He is associated with his father in business here.

Bob Price has a program for the Texas Panhandle

Only one man has the experience and the background to step forward with a bold new program for the Texas Panhandle as State Senator.

That man is Bob Price of Pampa

TAXES A fiscal conservative, Bob Price has called for an immediate tax cut for all Texas citizens, followed by a decrease in unnecessary State spending.

BUSINESS AND JOBS A successful small businessman, Bob Price has called for positive steps to maintain a sound business environment in the Panhandle, assuring more jobs, more job opportunities and better wages for workers.

FARMING AND RANCHING A Panhandle rancher and farmer, Bob Price stands for 100% of parity, and for special programs to assure adequate supply — at reasonable rates — of oil and natural gas for irrigation and other farm and ranch needs.

SENIOR CITIZENS Bob Price has strongly urged an increase in Homestead Exemptions for our Senior Citizens, thus decreasing the tax burden they face on fixed incomes.

EDUCATION Bob Price thinks it's time to return control of our schools to our hands — and get the Federal Government out of the local school business.

For eight years, he fought for our needs as our United States Congressman. Now, he's ready to serve us in Austin. Bob Price — the proven voice of the Texas Panhandle who will speak with authority, with experience, as our State Senator!

 "Judge not lest ye be judged!"

THE STRENGTH OF AMERICA

The family is not a product of human ingenuity but the result of God's design. From the dawn of history God saw the need for warmth, the love, the security, and the companionship found in marital love and the home. Man and woman are created originally by God to help fulfill the greatest needs of the human heart and to rear children in this atmosphere.

Every family counselor, child psychologist, youth minister, and every other authority on the home will readily confess that the greatest help or hindrance any young person receives is from his own home. If a child receives genuine love and care at home then it is almost impossible for the pressures of his peer group to lead him astray. The home is the strongest segment of society. As Paul reminded us, Timothy was what his mother and grandmother made him (2 Timothy 1:5; 3:5).

The strength of the nation depends upon the strength of the home. One cannot build a strong house out of rotten wood or create an olympic champion out of a diseased body. Likewise, we cannot build a strong nation out of weak, irreligious families. Christian living, like charity, must begin at home. The real strength of any nation has always been in its godly homes.

The heat pump

"THE ELECTRIC SAVINGS MACHINE"

HOW MUCH HEAT DOES THE HEAT PUMP PUMP?

Neither glacial January winds nor a simmering August sun can affect the heat pump's year 'round circulation of air, at just the right temperature.

Now you can stop fussing with the thermostat on those in-between days, too. The heat pump is an automatic climate control system that switches from heating to cooling to maintain the precise temperature you want. On very cold days, resistance heating coils (installed with the heat pump) automatically supplement the heat extracted from outside air. THE HEAT PUMP IS AN ELECTRIC SAVINGS MACHINE. LOW ON COST. HIGH ON COMFORT!

Fillies Win Crown In Meadow Tourney

Bovina High School's Fillies, thanks to a dramatic overtime win over the host team in the tournament finals, won the championship of the Meadow Invitational basketball tournament last weekend.

It was the first tournament championship for the Fillies in at least four years.

In racking up the championship trophy, the Fillies downed Morton, 63-56 in the opening round, followed that up with a 70-56 win over Ropes, and then outlasted Meadow, 69-68 for the title.

Coach Joel Nelson's lassies went on a scoring rampage for the three-day event, scoring 222 points, averaging 74 points per game.

The Fillies had little trouble in their opening round game against Morton's Indian Maidens. Leading by 16 points after three quarters, 64-48, the Fillies soon had a 20-point edge and Coach Nelson emptied his bench.

Four players scored in double figures, led by Denise Read, who hit her season's high of 28 points. Belinda Shelby had 23, Pat Shepherd 15 and Elyese Moody 14.

The story was much the same in the team's semi-final game against Ropes. The Fillies, who had great starts in every game, scored 20 points in the opening quarter to break out ahead.

Although leading by just seven points at halftime, 32-25, the Fillies had a great third quarter, scoring 23 points, to open up a 19-point advantage that allowed them to coast in for the win.

The team again had four forwards in double figures, a neat trick since only three can play on offense at one time. Miss Shepherd led with 21 points.

Bovina's game in the tournament finals was a close one all the way.

Although close, the Fillies were in command most of the way. Bovina had an 18-16 lead after a quarter, and kept up the pace exactly in the second period for a 36-32 halftime edge.

The home team caught up, having a 20-point third quarter, to take a

52-50 lead at the buzzer. Bovina forged back ahead as the team swapped baskets.

It looked like the Fillies had things wrapped up, but a Meadow girl hit a shot from virtually the center court just ahead of the final buzzer, to tie the game at 63-all and send the game into overtime.

In the overtime period, Belinda Shelby hit three baskets from the free throw line—where she had been sizzling for most of the night, and that proved to be the difference as the Fillies won, 69-68.

Bovina scorched the nets by hitting 63 per cent of their shots from the field, 31 of 57.

"But we had to shoot hot to win it,

since Meadow hit 65 per cent of their shots," said Coach Nelson.

In addition to praising the work of the forwards, who hit their peak for the season, Nelson complimented the guards for their "tremendous effort." Starting guards are Sandi Sides, Kim Naegle and Carol Ware.

The win brought Bovina's season record to 4-3. The team was hosting Friona on Tuesday night in their eighth outing.

Bands Set Concert Sun.

The annual Winter Concert of the Bovina ISD Bands will be presented in the school auditorium at 3 p.m. Sunday, December 11.

Groups performing will include the Fifth Grade Beginning Band, the Sixth Grade Cadet Band, the Junior High Band, and the High School Concert Band.

Admission to the concert is \$1 for adults and 50 cents for students in grades 3-12.

Parents of High School Band members will sponsor a pie and coffee supper immediately following the concert. Pie and coffee will be served for 75 cents per serving.

FILLIES....Bovina High School's girls team won the Meadow Invitational Tournament last weekend posting three impressive wins. Posing proudly with their trophy are (back row) Coach Joel Nelson, Sandi Sides, Denise Read, Claudia

Chisom, Pat McCormick and Belinda Shelby. Front row: Kim Naegle, Denise McCormick, Annette Stevenson, Diane Glibbreath, Laura Widner and Debbie Whitecotton. Not present for the picture were Carol Ware and Elyese Moody.

Boys Win Trophy At Meet

The Bovina Mustangs did themselves proud in the recent Meadow Tournament, finishing a very respectable third.

Coach Don Heard reported that Lubbock Christian High won the tournament and stated, further, "The tournament helped a lot. The boys were more aggressive and played a better game. We have improved 100 per cent since our first game and we were able to get in only one session of practice before the season started. We only had four boys returning this year who had played varsity ball last year."

Teams Enter S-E Tournament Thurs.

Bovina High School basketball teams are entered in the Springlake-Earth invitational tournament this weekend.

Both will play teams from Hale Center in the opening round. The Fillies meet the Hale Center Owlettes at 1 p.m. Thursday, with the Mustangs and Owls meeting immediately following, at 2:30 p.m.

If the girls win, they would meet Morton at 4 p.m. Friday in the semi-finals, as the Morton girls drew

a bye in the first round. Losers will gain a bye into the consolation finals.

The boys will play the winner or loser of the Silverton vs Springlake-Earth JV team in their second round game, at 11:30 a.m. if they lose to Hale Center, or at 5:30 p.m. if they beat the Owls.

Both teams will be going after their second trophies of the season, after racking up hardware in their first outings at Meadow last week.
