

## Bull Town Bulletins

By  
Bill Ellis

IF YOU HEAR strange, beeping noises these days when you come home from work, which sounds like ships from outer space have landed in your living room, that's a pretty good sign that your household was the recipient of one of the new video games this Christmas.

The Atari and other similar video games seem to have been among the most popular games this year for the gift-givers.

Kids of all ages (even those entering their second childhood) can play the games, although admittedly some of these, usually the younger and older ones, can't play them quite as well as others.

Virtually everywhere this writer went during the week or so following Christmas, people were talking about their new video games. "Have you played such-and-such on the video?" they would ask.

We had been hearing a lot about the new type of video pinball machines which have been sweeping the arcades across the nation. Apparently, the new home version of the games are a result of this earlier craze.

So, it may be that you'll have to get used to these new noises in the house. And if your game isn't quite as good as your young teenager's, perhaps you could sneak into the house the first time you have some free time and sharpen up your skills.

**THE RE-APPOINTMENT** of the county, in order to get the four precincts as nearly equal, according to population, is causing considerable problems for our county commissioners' court.

Part of the problem lies in the fact that Precinct 1 (Friona's precinct), has roughly half of the county's population, and yet Friona isn't exactly near the geographical center of the county.

The first solution advanced by the law firm which the commissioners retained to re-draw county lines, was a situation which split the city of Bovina's voters and gave half of them to the Farwell precinct, and the other half to the Lazbuddie precinct.

Commissioner Jack Patterson, currently representing Bovina, would have had to annex the western part of Friona, and would have lost all of Bovina, under this original plan.

The Lazbuddie precinct, meanwhile, would have been roughly 50 per cent larger in size, in order to get this needed population, as decreed by Supreme Court decisions.

Another plan currently under study by the court, would leave all of Bovina intact in its voting precinct, and add a smaller portion of Friona to Patterson's precinct.

The Lazbuddie precinct would come up and take in a portion of the east side of Friona, in order to get its needed population. The Farwell precinct would be the least changed. In order to keep the commissioners from having to add great chunks of road areas which they would have to maintain, the new proposal would allow the precinct line to follow a highway into towns, where the needed population would be annexed.

Under this second proposal, Friona would find itself included in three different voting precincts.

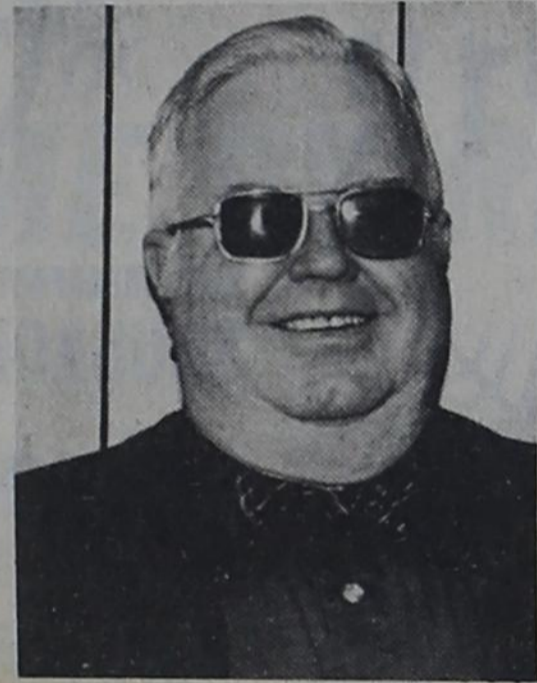

There are problems involved in redrawing the precinct lines, any way you go about it.

**As of Tuesday, January 12, 1982, a total of 60,701 bales of cotton had been ginned in Parmer County.**

## Roberts Announces For Re-Election

Porter V. Roberts, who is in his third year as Parmer County Judge, announced this week that he would be a candidate for re-election, subject to the Democratic primary in May.

Roberts said in his statement: "I am seeking re-election as County Judge of Parmer County. I have served one year as appointed County Judge and am now starting my second year after being elected to an unexpired term, so by the end of the year I will have served three years as County Judge of Parmer County. "I was born and raised in Oklahoma, attended grade school in

PORTER ROBERTS

Maud. The family then moved to Ada where I graduated from high school. After approximately three years in the Army, I attended East Central State College also at Ada. Since coming to Texas in 1949 I have worked for Southwestern Public Service Co. and Service Pipeline Co. I operated a furniture store for four years then worked 13 years as Tax Assessor-Collector for the Friona Independent School District and 2½ years with Gary Cook Oil Co., Inc. before being appointed County Judge upon the retirement of Judge Paul Fortenberry.

"My wife, Jean, and I have lived in Friona nearly 22 years. We have one daughter, Patricia, who now lives in Houston, and one son, Mike, who now lives in Dimmitt. We are members of the First Baptist Church of Friona.

"I am a member of the Friona Volunteer Fire Department, the Friona Lions Club (Evening), the Friona American Legion Post and the Friona Chamber of Commerce and Agriculture.

"In seeking re-election as County Judge of Parmer County, the only promise I will make is to try to do the best I can for the good of Parmer County. Your vote and influence will be greatly appreciated."

(Paid political advertisement.)

## Bovina Police Dept. Gives Year's Summary

A ten month summary of activities handled by the Bovina Police Department was reported recently and the facts of this summary are outstanding.

In misdemeanor incidents reported to the Bovina police, 109 incidents were the number handled by police for the past ten month period.

Forty-three felony incidents were reported to the local police, and there were 56 total arrests stemming from these incidences.

There were twenty-four traffic accidents reported to the Bovina police in the past ten months and 134 assistance rendered calls handled by the five member force.

Police officers attended to 114

public relations functions over the past ten months and were responsible for catching 203 wandering, stray, or unwanted animals.

Totally, there were 741 calls answered by the Bovina Police Department, and this amounted to 2,172 man hours of labor by the regular officers and 1,464 hours worked by the reserve officers, of which there is four presently, with only 48 days vacation taken off by the regular officer in charge, Chief John Detten.

So, if there are any questions as to where the police officers are when they are needed...they are out in Bovina, on the streets, in the alleys, and in the public-enforcing the laws, as these statistics bear out.

## Commissioners Have Session On Jury List

The Parmer County Commissioners met in regular session on December 23, 1981, and then held a called meeting on Thursday, December 31, 1981.

In the regular session, discussion was held concerning the reappointment of the commissioner precincts. Work is progressing about as could be expected, but the completion of the project is still some time off, according to County Judge Porter Roberts.

Since there had to be recounting of population in selected portions of Friona and Bovina, to verify that the population had not changed

## Card Project Nets \$1,212

It was stated in the Blade last week that the Bovina Christmas Card Project netted \$1,121.68, but this figure was erroneous.

The project actually netted \$1,212.68, and worked out to be one of the larger amounts ever collected on this type of project.

The members of Bovina Women's Study Club wish to extend a sincere thanks to those who contributed to this fund.

**BLOW THE MAN DOWN...** A worker at Lawlis Gin struggles against bitter cold and howling north winds to load a truck with bales of cotton Tuesday. Weather dropped to the teens Monday morning early and Tuesday.

## Chamber Directors Discuss Banquet

The Bovina Chamber of Commerce and Agriculture met in their monthly session, Wednesday, January 6 in Bovina Restaurant, with eight members and one guest present.

Dennis Willard, Bubby Marshall,

Galen Hromas, B.J. Charles, Harry Johnson, Virgie Cary, Scooter Russell, Kenneth Gauntt, and Janet Wilke, editor, were present at the meeting, in which the members discussed several items of business

concerning the spring events, including the banquet and the Bovina junior livestock show.

It was decided by the members present that the Chamber would co-sponsor the Bovina Junior Livestock Show, along with assistance from the Bovina Lion's Club. Galen Hromas made this suggestion in the form of a motion, and it was seconded by Dennis Willard and approved unanimously.

Galen Hromas, Steve Sherrill and Bubby Marshall were selected to head up the committee to organize the Chamber's part of the livestock show.

Norma Whitten, who was absent from the meeting, is in charge of the decorations and theme for the banquet. She left word with Kenneth Gauntt, Chamber president, that she had thought the theme, "We Are Bovina" might be a good possibility for the Chamber's banquet. She was also needing the members to decide on what a suitable budget for the banquet decorations might be. The members set the budget the same as it was last year, \$125.00.

Kenneth Gauntt brought up the fact that in the November meeting while the other committees were being named and set up, the set-up committee had not yet been appointed. Gauntt said he would name some high school students to work on the committee, if a chairman could be selected to supervise the students.

Galen Hromas volunteered to serve as the chairman of this committee.

Also discussed by the members present was the possibility of having a form of entertainment, if a speaker could not be found for the banquet. Others suggested that the banquet might have both a speaker and some form of entertainment if each could be found in time.

The names of Betty Hawkins and Coach Don Cumpston came up as possible speakers and/or entertainers for the banquet.

A committee of Steve Sherrill, B.J. Charles and Kenneth Gauntt was approved to find a suitable speaker and/or form of entertainment.

The date for the 1982 Chamber of Commerce Banquet is set for March 19 and at that time, four new chamber members will need to be selected as well as the Man and Woman of the Year, the Outstanding Students and the Outstanding Teacher. Nominations for these honors will be presented in the February meeting, it was decided.

## Appraisal Dist. Begins Tax Collection Feb. 1

The Parmer County Appraisal District will start collecting delinquent taxes February 1, 1982, for the following Taxing Units: County of Parmer, City of Farwell, Farwell Hospital District, City of Bovina, Bovina I.S.D., City of Friona, Friona I.S.D., Lazbuddie I.S.D. and High Plains Underground Water District.

The date to start collecting for the Farwell I.S.D. will be July 1, 1982.

Effective January 1, 1982, taxes which become delinquent will incur a penalty of up to 12 per cent and interest at a rate of 12 per cent per annum. This change will affect 1981 taxes which become delinquent on February 1, 1982. As a result, 1981 taxes will accrue penalty and interest at the following rates:

	Penalty	Interest	Total
February	6 per cent	1 per cent	7
March	7 per cent	2 per cent	9
April	8 per cent	3 per cent	11
May	9 per cent	4 per cent	13
June	10 per cent	5 per cent	15
July	12 per cent	6 per cent	18
Each month thereafter		Add 1	

The above chart is the per cent of interest due in the month named.

Filing for exemptions and renditions for all Taxing Units are to be made at the Appraisal District Office. These forms will be mailed out within the next ten days, to all taxpayers in Parmer County.

One time application requirements are: Residential Homestead Exemptions; Charitable Organization Exemptions; Youth, Spiritual, Mental and Physical Development Exemption; Association Exemption; Religious Organization Exemption; Private Owned Schools Exemption; 1-D-1 Agricultural Land Exemption; 1-D-1 Timber Land Exemption; 1-D-1 Ecological Laboratory Land Exemption; Appraisal of Public Access Airport Property Exemption; Appraisal of Recreation Park or

# REFLECTIONS From The Blade

25 YEARS AGO—JAN. 9, 1957

Bovina students and teachers—some of them at least—enjoyed two more days of vacation last week after attending school one day following their two-week Christmas-New Year's dismissal. Those who didn't enjoy the idle two day session were those who had the measles. And that was the reason school was dismissed.

Installers from Automatic Electric Company have arrived in Bovina to begin installing dial equipment in the new Bovina dial building located between Avenue A and Avenue B on the alley west of Second Street.

Bovina city commissioners voted unanimously Monday to pass a paving law for the City of Bovina. Henry Minter, city secretary, was instructed to ask Sam Aldridge, city attorney, to draw up the law immediately so it could be signed and put into effect by the commission.

Farm income in Parmer County pushed to the highest point in history in 1956, in spite of history's greatest drought in the Plains states, the annual county agent's report showed this week. Gross income totaled \$26,500,000 from the sale of cash crops.

\*\*\*\*

20 YEARS AGO—JAN. 10, 1962

Bovina Schools Superintendent Warren Morton is in Austin to attend the annual School Administrators Advisory Conference on Education.

Time is running out for payment of 1961 taxes. With 21 days remaining before the January 31 deadline, taxes of Bovina Independent School District are about 15 per cent collected, according to Mrs. Pearl

Dodson, school tax assessor-collector. Statement of condition of First National Bank of Bovina at the close of business December 31, 1961, shows that deposits are increased from the same time a year ago.

The trailer home of Mr. and Mrs. Jack Kesler was destroyed by fire here Tuesday morning.

Burglars made another of their all-too-often attacks on Bovina Businesses over the weekend. Their efforts netted little gain, however, as they broke into Charles Oil Co. service station and Paul Jones Texaco station on Highway 60.

\*\*\*\*

15 YEARS AGO—JAN. 11, 1967

Bovina Volunteer Fire Department was called to Bovina Gin Co. Friday morning to help control a fire in the burr pit which began during blowing dust and high winds which gusted to 60 miles per hour. The fire department quickly extinguished the threat to nearby cotton trailers and the gin plant.

Groundwork was laid Wednesday noon at a meeting of the Bovina City Council and Santa Fe officials from Amarillo for better protection of vehicle drivers at the two railroad crossings in town, one on Third Street and the other at the east end of Main Street.

The seventh annual Bovina Chamber of Commerce and Agriculture Banquet will be held this year on Thursday, March 16.

Proposed building programs for Bovina Independent School District were discussed in an open meeting Monday night in the school cafeteria.

\*\*\*\*

10 YEARS AGO—JAN. 12, 1972

There were no injuries in a spectacular car-truck crash about 9:30 Tuesday morning at the intersection of Highway 60 and Third Street when an automobile was struck by a loaded cattle trailer truck.

The contract of Superintendent L.F. Jacobs was extended for an additional year at a regular monthly meeting of the board of trustees of Bovina Independent School District Monday.

Six Bovina businesses were

burglarized Monday night, according to Parmer County Sheriff Charles Lovelace. Entrance to the buildings was made by prying doors open.

Burning trash, spread by high winds, resulted in a \$20,000 to \$25,000 blaze late Saturday afternoon at the brick farm home of Mr. and Mrs. James Ensor, about two miles south of the Oklahoma Lane community.

\*\*\*\*

5 YEARS AGO—JAN. 12, 1977

Snow, which began late Saturday afternoon, and a brisk north wind combined to chill anyone venturing out of doors, severely restricted visibility and caused hazardous driving conditions for motorists during the weekend. Approximately three inches of snow fell in the Bovina area, although drifting prevented accurate measurement.

The regular monthly meeting of Bovina City Council was held on Thursday, January 6 with an agenda of ten items to be considered. The council accepted a bid of \$11,900 from Sherrill Lumber Co. for remodeling and renovation of City Hall.

## Local Men Are Interviewed By P.M. Magazine

Butch and Ben McCain, newscasters for Channel 4 in Oklahoma City, were recently interviewed for "P.M. Magazine," a nationally telecasted show which features local interest stories, it was announced Friday by Robbie Robertson, their agent.

The McCain brothers have drawn acclaim from being perhaps the only brother team on any news station in the United States.

Their segment of "P.M. Magazine" will air in the Oklahoma City area later on. A definite date was not given by Robertson.

The interview took place at the McCain home, here in Bovina.

## Hospital Report

### ADMISSIONS--

Spencer Turner, Texico; Kirk Wright, Friona; Monica Rincon, Hereford; Mona Smith, Bovina; Margaret Wilshire, Friona; Mary Ruiz, Friona; Janie Aguirre, Hereford; Mary Tarango and baby girl, Hereford; Sally Cocannouer, Friona; Nettie Wilson, Bovina; Ruby Smith and baby girl, Muleshoe.

### DISMISSALS--

Julie Guzman and baby boy, Steve Batenhorst, Kirk Wright, Mary Ruiz, Spencer Turner, Helen Estlack, Julio Hernandez, Jr., Monica Rincon, Margaret Wilshire, A.E. Baise, Janie Aguirre, Mary Tarango and baby girl, Leslie Caroland and Mona Smith.

## Parmer County Law Enforcement Report

### DPS REPORT

One wreck was reported to the DPS the past week and this was passed on to the Blade by Trooper Steve Talkington.

James Waddell of Meeker, Oklahoma, who was driving a 1977 MG westbound on US 60 ran into a Bradford Cattle truck, driven by Terry Stanberry of Friona, who was headed east on US 60.

It was reported to the DPS that Waddell had fallen asleep behind the wheel of his vehicle and crossed into the other lane striking the truck on the left rear wheel.

Damage to the car was sustained in the front left side of the car, tearing the wheel from the car and crushing in the side of the car. There were no injuries reported.

Waddell was cited for wrong side

of the road, not passing.

### SHERIFF'S REPORT

In cases tried before the 287th District Court, the following persons were charged:

James Dennis Boles, 21, of Friona, pled guilty to charges of felony theft and received four years probation.

Fernando Tovar, 20, of Bovina, pled guilty to felony theft and received four years in the Texas Department of Corrections.

Alfredo Alanzo, 20, of Bovina, was given three years probation for theft of a motor vehicle.

In reports to the sheriff's office, Monte Corbin of Clovis reported that four motorcycles had been stolen January 8 from Specialty Beds, Inc. in Farwell. Their approximate value was \$1,600.

## Scooter's Scoops

By Scooter Russell

The cold winds still plague our area but as we watch the TV weather forecasts for other parts of the nation we realize how fortunate we are to have our kind of weather....We're asked to remind you that Basketball Homecoming is February 12 and Bovina will be playing against Hart...Our people have had lots of sicknesses recently and several deaths have been reported...We wish to express our sympathies to these families.

### NEWS AROUND TOWN....

Jessie Sisco of Modesto, California died of cancer December 18. He was Mr. and Mrs. W.W. Wilcox's son-in-law. He lived with his wife, June, and their two children, Cheryl and Bret, several years ago in Bovina and Jessie was employed at the Bovina Wheat Growers. They left Bovina in 1965 and moved to California. Later they had a daughter, Teresa.

Mrs. Wilcox was in California with the family at that time.

January 12, Mr. Wilcox's sister, Gladys Richardson of Sayre, Oklahoma passed away. Services

were held in Oklahoma.

Ken Pryor was hospitalized in Friona a week ago Sunday and transferred to High Plains Baptist Hospital the following Monday. He is home now after having tests run and his condition is some improved.

Wilma White, 55, of Albuquerque, New Mexico, passed away and graveside services were held in Muleshoe Monday afternoon. Her sisters are Gwen Pryor of Friona and Laverne Brownlow of Texico, New Mexico. She was survived by several nieces and nephews and was Lavoida Hawkin's aunt.

Services were held Saturday morning in Canyon for Chester Reynolds. He was Gaylon Rhodes' uncle. He was survived by his wife, two sons, and one granddaughter. Shelby Rhodes was telling me he had worked for Pioneer Natural Gas in Canyon for 33 1/2 years. The Rhodes family attended the graveside services.

Nettie Lee Wilson was rushed to Parmer County Community Hospital by Bovina ambulance Monday morning of this week. I talked with her Tuesday morning at the hospital and she said it was inner ear problems which caused dizziness and made her fall at her home. She said she fell 'real easy' though and wasn't hurt by the fall. She felt she would be released in a day or so.

Marilyn and Kirby Carrell drove to Lubbock Sunday night and got Kirby's mother and niece, Muri Carroll and Devin who flew into Lubbock from Houston. They will be spending several days with the Carrells. Marilyn said they called Houston Monday night and the temperature was 12 degrees, so it's not all that much of a change for the ladies.

Billy and Paula Whitecotton and family spent the weekend at their mountain home between Mora and Eagle's Nest, New Mexico. They reported they had a good time skiing and the temperature was between 30 and 40 degrees.

## Letter To The Editor

Mrs. Janet Wilke,  
Hooray for the article "Six Flags Train Engineer Retires At the Age of 94." What better way to brighten the gloom of last week's tragic events. Let's have more of this, pleasant articles.

Respectfully,  
W.W. Simms

## Shower Honors Tamra Ortiz On January 16

A shower honoring Tamara Reed Ortiz has been set for January 16 in the Community Room of the First State Bank in Bovina, from 10-11:30 a.m.

Hostesses for the shower include Katherine Gromowsky, Lula White, Joe Looney, Natalie Wilson, Margaret Meason, Helen Blalock, Billie Manuel, La Voida Hawkins and Furne Harris.

Selections are at Kirkpatrick's Department Store.

## School Lunch Menu

**WEEK OF JANUARY 18-22**  
**MONDAY**--Corn dogs, macaroni and cheese, peas, slaw, butter cookies and milk.  
**TUESDAY**--Pizza, pinto beans, lettuce, tomatoes, crackers, mixed fruit and milk.  
**WEDNESDAY**--Fried chicken, gravy, creamed potatoes, green beans, hot rolls, butter, Jello with fruit and milk.  
**THURSDAY**--Hamburgers, salad dressing, mustard, pickle relish, lettuce, tomatoes, French fries, brownies and milk.  
**FRIDAY**--Tuna sandwich, carrot sticks, pork and beans, peaches, oatmeal cookies and milk.

Bridal Shower Honoring LaToya Hutto, Bride-Elect Of Kenneth Wilson Saturday, January 16 Home of Mrs. Amos Steelman, 700 Avenue G. From 2:30-4 p.m.

## Junior High Teams Play In Farwell

The Bovina Junior High teams had some good showings against Farwell and Vega the past few days.

In the junior high boys games, Bovina seventh graders won a close decision over Farwell's seventh graders, 27-26.

Michael Shepherd led in scoring for the Bovina boys with eight points, and was followed closely behind by Jesse Lumbra with seven and Steve Lara with six.

In the eighth grade boys game, the Bovina Colts did not fare as well as their seventh grade counterparts, as they fell to Farwell, 31-19.

Terry Glasscock chipped in six points, as did Blake Scaff to lead in the scoring, and Chet Hawkins also had five points for Bovina.

Against Vega, the boys teams did considerably better.

In the seventh grade game, Bovina mutilated the Vega crew, 37-17.

Michael Shepherd, as a seventh grader, scored an unbelievable 24 points in the game, and was aided by the scoring of Homero Renteria with six and Steve Lara with four.

Eighth grade Colts had a closer game, but just as good when they beat Vega, 29-22.

Blake Scaff and Chet Hawkins led in the scoring for the eighth graders with ten points each and Terry Glasscock had five and Amador Elias had four.

Coach Roy Phelps said he was pleased with the comeback after Christmas of both of the boys teams as they were not really with the program before the Christmas break.

"The Farwell game was a poor game for both teams. Neither of the teams played as well against Farwell as they were capable of playing. I think this was because of the fact that they had their minds on Christmas vacation, and not in the games. But, in the Vega game, both teams hustled well and played hard in the games. They decided before they played the games that they were going to go out and hustle all four quarters, and it paid off for both teams."

### Girls Win Four Games

The Bovina junior high girls team could be said to be on a roll, after besting Farwell in both the seventh and eighth grade games and then coming back from the holidays to beat two Vega teams.

In the seventh grade girls game against Farwell, Bovina rolled on to a two point victory, 15-13 to win.

Mindy Neal was the high individual with four points with Valerie Shepherd and Nellie Tamez with three each, Robbie Stowers and Tracy Moore with two and Mary Lou Fuentes with one point to round out the scoring.

In the eighth grade girls game, Bovina held the hapless Steerettes to two points, 29-2.

Terisa Shepherd led in scoring with ten points as Marie Pesch had eight, Kim McClaran had six, Gracie Robledo and Belinda Ortiz with two each, and Donell Garner with one point.

are former Bovina residents.

Sandwiches, assorted cheeses, chips and dips, Christmas cookies and candies were served to Gaylon and Shelby Rhodes, Eugene and Holly Griffin, Kirby and Marilyn Carrell, Don and Juanda Murphy, all of Bovina, and Ernestine and Allen Doane of Tulsa.

One of the ladies was telling me how they all enjoyed being with the Moodys and about their lovely home in Plainview.

Mr. and Mrs. French Crook were away from home December 16-30, visiting with their family. They visited their son French, Jr., his wife Shirley and their children, Mike, Pat, Amy and Trey of Grand Prairie; and their daughter Patricia and Roger Simmons and their children, Linda, Becky and Kathy of Gulfport, Mississippi.

While they were at Gulfport the Lloyd Gobers came to see them. The Gobers were visiting their son Dr. Lane Gober and his family and Lane is a urologist in Gulfport. The Lloyd Gobers' daughter, Kim, accompanied her parents on their trip. Kim teaches near Lubbock.

Thank you for helping with the Scoops, have a good week and keep warm....Scooter.

Bovina had the Farwell girls shut out until the final period when Farwell at last was able to score two points.

In the Bovina-Vega seventh grade girls game, Bovina romped once again, winning it 22-17.

Tracy Moore led the scoring with nine, as Mindy Neal had seven, Valerie Shepherd had four, and Robbie Stowers had two for the young Fillies.

The seventh grade girls are 3-2 in district play.

In rebounding and interceptions, several individuals distinguished themselves as Tracy Moore had one offensive rebound, Mindy Neal had two offensive and one defensive rebound, Valerie Shepherd had one offensive and two defensive rebounds, Robbie Stowers had one defensive rebound, and Mary Lou Fuentes had three interceptions.

Eighth grade girls won a two point decision, 24-22 over Vega.

Terisa Shepherd led in scoring with eight, as Donell Garner and Marie Pesch each had five, and Kim McClaran had six points.

The eighth graders have a record of 5-0 in district.

Outstanding play came from Holly Clayton with one defensive rebound, Kim McClaran with three offensive rebounds and two blocked shots, Marie Pesch with two offensive and one defensive rebound and two blocked shots, Terisa Shepherd with one offensive rebound and Gracie Robledo with one blocked shot.

After the Bovina Junior High Tourney, which will be held January 14-16, the junior high teams will resume normal district play against Kress on January 18, here, beginning at 5 p.m. with four games.

## REFCO Names Executives

Larry Burgess, Manager of REFCO Commodities, Inc. in Amarillo has announced Gary Culp, Roger Dreyer and Bob Henderson have joined REFCO as account executives.

All three were formerly with FGL Commodity Services.

Culp, a graduate of WTSU and Texas A&M, was previously with the Texas Cattle Feeders Association and has been a commodities broker two years.

Dreyer was employed by Iowa Beef Processors for fifteen years and managed the Processing Division of the Amarillo Plant before entering the commodity business.

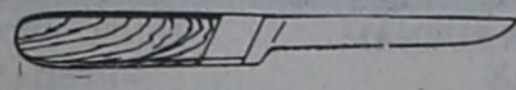

Henderson majored in agribusiness while attending WTSU and has been a commodities broker two years.

REFCO is a full service commodity futures clearinghouse with cash connections in the livestock, grain and metals markets that is represented by over forty offices in the U.S. and Europe.

# Blade's Edge

Commentary From The Editor

By Janet Wilke

We owe the Bovina Women's Study Club members an apology, as the amount brought in from the Christmas Card Project was actually 1,212.68, instead of \$1,121.68, as we had stated in the news story.

However, it still remains a point of community pride when a town such as Bovina can reach a little farther into their pockets, even in a year which has not yielded a high paying harvest such as this one, and come up with such a generous contribution.

It would have been easy for some, and yes maybe even made them more financially secure, had they left off giving to the Project Christmas Card fund, but these types who give, even when it seems to put them in a bind, are the real backbones of the community. They see a need and rise, financially or otherwise, to meet the occasion.

All Bovinians should be proud that they live in community which is so civic-minded.

We received a call from Robbie Robertson, agent for Ben and Butch

McCain, the famous TV celebrities who star each night on Channel 4's news and weather, out of Oklahoma City, Oklahoma.

It seems that the dynamic duo will once again be honored as they will be featured on a national TV broadcast of "P.M. Magazine," a national talk show with local human interest stories.

According to Robertson, the two men will be interviewed by a person of the show's choosing, but instead of being taped in Oklahoma City, the show will be taped here.

In fact the show was taped here, Saturday in the boys' home.

Robertson declined to say when the show would be seen in the Oklahoma City area, but I am sure that their parents, Rose and Les, are very proud of their sons, who, by the way, came to prominence by virtue of the fact that they may well be the only brother broadcasting news team in captivity.

Wouldn't it be interesting if they were?

I suppose this follows along with

the statement made last week in Blade's Edge...about Bovina's ability to produce winners. The facts are facts, and cannot be changed. There are countless numbers of ex-Bovina residents who have gone into the world after leaving Bovina, and made a success of themselves.

And the list is too numerous to go into, and I would fear leaving out the name of several.

However, it is things like the community Christmas Card Project, the Bull Town Days celebration, the support of the local churches and school, but mostly the people living here, which contribute so much to the success of those who have passed this way once and are no longer living here.

We often get letters stating how much these former residents miss Bovina and of how they enjoyed the people, friendly and neighborly, while they were here. Many recall fond memories of their time in Bovina.

Perhaps there is more here to be proud of than meets the eye.

## Bovina To Host Junior High Tourney

Bovina schools will host a junior high basketball tournament, January 14-16, and there will be approximately six area schools taking part in this tourney, including teams from Bovina, Olton, Farwell, Dimmitt, Gattis Junior High School in Clovis, N.M., and Muleshoe.

Bovina will have two eighth grade and two seventh grade teams seeing action, as Olton will have two teams in action. Farwell will have their eighth grade boys and girls teams here. Dimmitt will have their eighth grade girls and boys only. Gattis will play only the eighth grade boys games, and Muleshoe will have their eighth grade boys and girls here in the tourney.

The first game for the girls will begin at 11 a.m. Thursday, January 14 with the Bovina seventh grade girls pitted against the Olton girls.

The first boys game of the day Thursday will see Farwell and Muleshoe get together at 2:45 p.m.

This will be featuring junior high school teams only, and there should be plenty of action for any basketball fan in the area.

Two-16" acres irrigated with circle sprinkler, center pivot area near Oklahoma highway intersection.

466 Acres irrigated, 4 miles east of Bovina on Highway. Lays nearly perfect.

**Girl Scout Cookie Sales Begin Jan. 29**

Kookaburras and Hoedowns are the newest cookies to be added to the Girl Scout line of familiar favorites, announced Mrs. Nolen Swain, President of the Caprock Girl Scout Council. The Girl Scout cookie sale begins January 29 and will run for two weeks, concluding on February 14.

Kookaburras are thin cookie wafers with caramel in between and

are covered in chocolate. Hoedowns combine peanut creme and chocolate with a cookie crunch. Also, Mints, Savannahs, Scot-teas, Dutch-n-Such, and Chocolate and Vanilla Cremes will be sold again this year. Each box of cookies will sell for \$2.00.

All money collected from the cookie sale remains in the Council. It will help support seminars, workshops and other troop and council sponsored activities. It will help local girls participate in National Girl Scout events, such as the Wider Opportunities program. The funds will also help maintain and develop Camp Rio Blanco, a resident camp for the 18-County Caprock Girl Scout Council and located northeast of Crosbyton.

The girls are presented awards according to the number of boxes they sell. Top prize is an \$85 campership toward resident camp or council event, awarded to those selling 180 boxes or more. Certificates, posters, patches, T-shirts and a \$55 campership are also awarded. This year the cookie mascot is a frog which will appear on all awards.

**did you know?**

SPS works with other electric utilities to guarantee that its customers will have adequate power even in emergency situations. SPS is a member of the Southwest Power Pool, which is made up of electric utilities in parts of Texas, Oklahoma, Louisiana, Arkansas and Missouri. These utilities work together in planning and operations to keep down operating costs, conserve fuel and increase the reliability of their systems.

Bob Maxwell, System Operation Supervisor, Amarillo.

Preheat your oven for no longer than 10 minutes for most efficient use. To conserve energy while cooking, cook the entire meal or several foods at the same time and temperature setting. And don't keep peeking to see if your foods are cooked, since the temperature inside an oven drops 25 to 50 degrees every time the oven door is opened.

Vivian Limer, Home Service Advisor, Lubbock.

Southwestern's efficiency is 99.978 percent. This means that our customers can be sure of all the electricity they need. SPS has nine active power plants, interconnected by more than 5,000 miles of power lines to guarantee that customers in our 45,000-square-mile service area will always have access to the electricity they need for their homes and businesses.

Bill Bankston, General Foreman, Hereford.

Knowing what electricity is worth is worth knowing. For answers to your questions, call or write your SPS manager.

## Mustangs, Fillies Blast Lazbuddie

The Bovina Mustangs and Fillies made believers out of their neighbors to the southeast as they hosted the Lazbuddie Longhorns Tuesday, January 5 and all the Bovina teams barbecued the Longhorns.

In the varsity girls game, Bovina stifled the Longhorns girls, 74-35.

Lisa Shepherd led the scoring for the Fillies with 30 points, and Connie Shelby contributed 26 points to Bovina's cause.

Lisa Schilling had ten points, Stacey Whitecotton had four and Sonya Mayfield had two.

In offensive and defensive rebounding, Shelby had three and 14, Lisa Schilling had 5 and 4 respectively, Lisa Shepherd had 3 and one, Stacey Whitecotton had one and three, Rande Cupit had two defensive rebounds and Sonya Mayfield had one and three respectively.

Connie Shelby had one steal. Jeanna Richards had one steal. Lisa Schilling had three steals, Lisa Shepherd had five and Rande Cupit had two.

Coach Topliff said of his girls game, "We did not play up to our potential in the Lazbuddie game. But there were some fine individual efforts in the play of Lisa Shepherd and Connie Shelby. Lisa played a good inside game and Connie, in pre-district play, is averaging 20 points per game. She also came on strong on the boards against Lazbuddie."

The Mustangs continued Bovina's succession of winning as they repeated the feat, 78-36.

Richard Shepherd led the scoring for the Mustangs with 22 points, and was followed by Edward "Bull" Chisom with 17 and Ricky Shepherd and Charlie Trimble each had 12 points.

Mark Lust and Johnny Gonzales led in scoring for the 'Horns with eight points each.

Bovina took off in the first quarter and never looked back as they led the Horns 22-8 at the end of the first period and 38-19 at the half. In the third quarter, Bovina had run up a 56-27 lead over the Longhorns and Lazbuddie never got an upper hand.

In offensive and defensive rebounding, Bull Chisom had four and five respectively, Ricky Shepherd had five and four, Charlie Trimble had six each, Richard Shepherd had four and two and Dale Gilbreath had two and five, respectively.

Coach Clifton Neal said of the game, "Our team shot well as a team, and we had put in a new offense and they also seemed to take to this well. Bovina played a good game."

### FRIONA UPENDED

The Fillies upended Friona varsity girls, 46-38 in Friday night's contest played in Friona.

Connie Shelby led in scoring with 17, followed closely by Lisa Shepherd with 16. Lisa Schilling had eight and Rande Cupit had six.

Coach Paul Topliff said this was a defensive battle and that was what won the game for the Fillies.

"The girls played well defensively and we had put in a new zone trap which worked well for us," commented the coach.

Shelby had two offensive and ten defensive rebounds with Lisa Schilling five each way, Lisa Shepherd with one and two, Stacey Whitecotton with one and two, Rande Cupit with one and four, and Beverly Barrett with two defensive rebounds.

Lisa Schilling had one steal as did Lisa Shepherd with Stacey Whitecotton and Rande Cupit each getting two steals each.

Connie Shelby, Lisa Schilling and Rande Cupit each had one assist, and Lisa Shepherd had four assists. Shelby blocked two shots.

In the varsity boys game, Bovina lost a heartbreaker by one point, 49-48 to the Friona Chiefs.

Bull Chisom had 18 points for Bovina and Ricky Shepherd had 16 also for the Mustangs. Mike Neill scored 16 for Friona.

At one point in the third quarter, Friona had rolled up a ten-point lead, 39-29, but the Mustangs were on a comeback trail which ended just a

little too soon.

Bull Chisom led in rebounding with six.

Coach Neal says he takes the blame for the one point deficit. "Friona made a technical shot because we had one of the numbers wrong in the score book, so I will personally take the blame for the loss."

The coach also said, however, that the Bovina players showed a lot of class in the way they came back after trailing by ten points.

"The kids deserved to win that game, and I was very proud of the way they hustled. They never quit."

In looking at the district schedule, Bovina met Kress Tuesday night in Bovina then will travel to Springlake-Earth to try the Wolverines on January 15. Homecoming will be January 19, next Tuesday night, against Hart.

According to Coach Topliff, "We have got to play better in the second half than we did in the first."

"Prior to Christmas, the girls were playing pretty well, but we gave them a little more rest than usual at Christmas and they came back a little flat."

The coach cited Springlake as possibly the toughest team in the district for the girls to beat. He said, "They played the toughest non-district schedule, then I think Bovina had the second toughest." Farwell and Hart were also picked as teams to watch.

All three of the above mentioned teams have records of 12-1 or 2.

"Hart may be the dark horse of the season. Bovina may be. The Fillies are listed fourth in district, but I feel that we can make the district tourney. In fact, that is the girls' objective...as well as to win 20 games this year."

Bovina's Fillies are now 13-4 in non-district play.

The Mustangs stood at 11-5 coming into district, and are also looking at being one of the four representatives in the district tourney after the regular season's play has ended.

"We will have to improve in every district ball game in order to keep our goal of winning 20 games," said Coach Clifton Neal.

Getting 20 wins was one of each of the Mustangs objectives coming into the year.

Vega, Kress and Hart are looked upon as strong contenders in the district basketball race by Coach Neal.

"We are really looking at Vega due to the tradition which has been built there, but Kress has also emerged as a power, with a 10-2 year to date. Hart will also be in the race as a dark horse."

The Mustangs and Fillies started their quest for the district race on Tuesday night against Kress in Bovina.

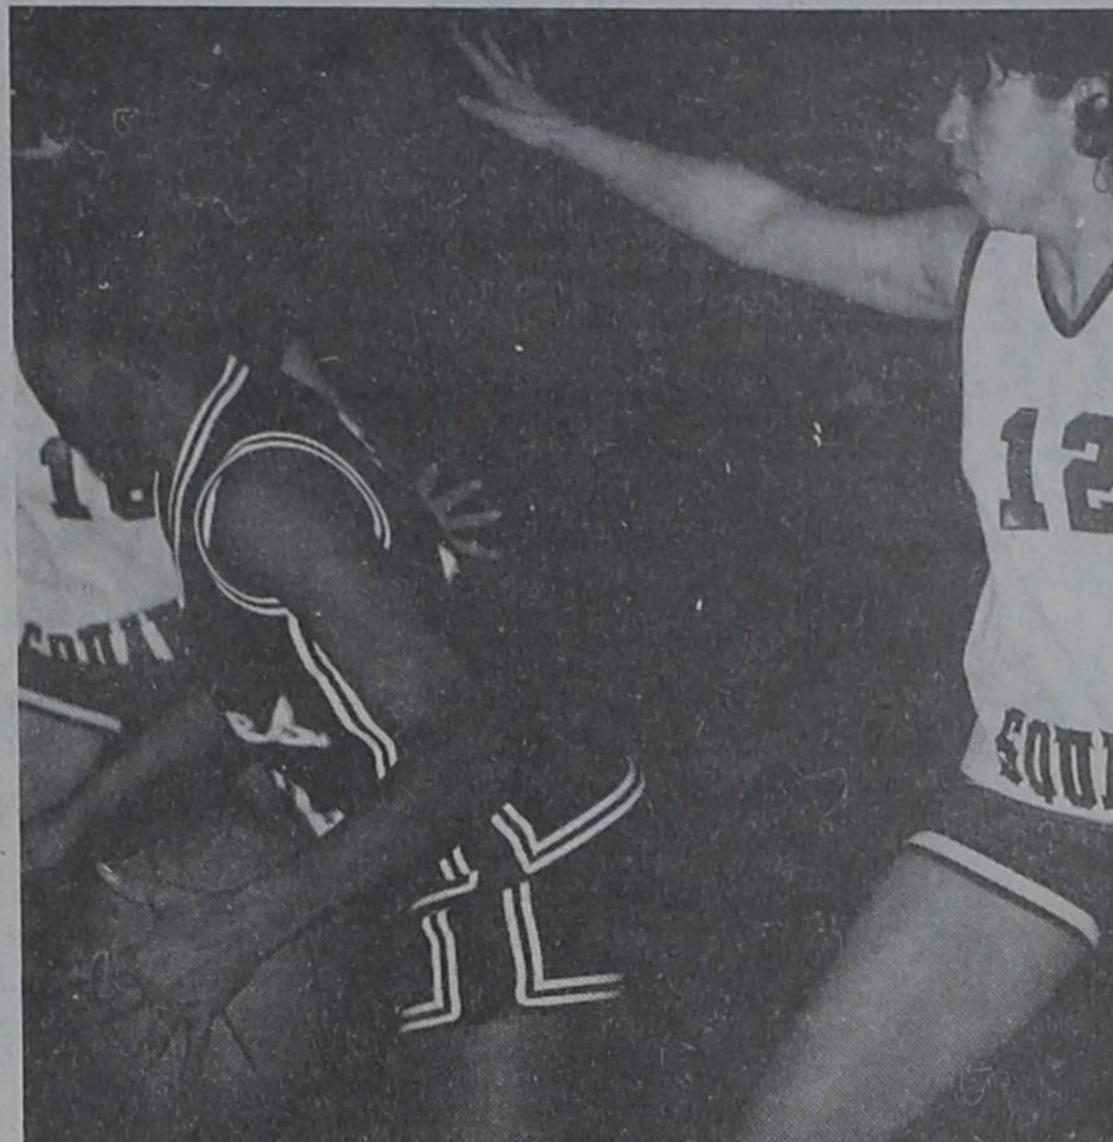

## REC Director Candidates Are Named

The 1982 Nominating Committee of Deaf Smith Electric Cooperative met January 5 in the REC Headquarters Building in Hereford and selected several members to run for three places on the Cooperative's Board of Directors.

Selected to represent Deaf Smith County were incumbent Clark Andrews and Carl Kleuskens of the Hereford area. Also selected were Board President, Sloan Osborn and Clarence Martin of Parmer County. The Committee decided that newly appointed Director Donald Wright should run unopposed at this year's Annual Meeting, slated for March 6 in the Bull Barn at Hereford.

Comprising this year's Committee are Bruce Fuller, Dimmitt; Allen Dobmier, Nazareth; Mrs. Argen Draper, Hereford; Earnest Flood, Jr., Hereford; W.S. "Dub" Ingram, and Lawrence Martin, Friona, and Clint Homfeld, Adrian.

Call 238-1523 To Place Classified Ads.

TRAPPED...It looks as though Lisa Shepherd has met a brick wall of humanity as she struggles to get past two Friona defenders. Bovina won the game.

## JV Fillies Topple Lazbuddie, Then Fall

The JV girls from Bovina blasted their Lazbuddie counterparts in a game in Bovina Tuesday, January 5, 31-16.

Casey Riddle scored 14 for the Fillies with Kathy Moore getting six points and Beverly Barrett scoring three.

Coach Robert Ulibarri said, "I was pleased with the game, as the girls were able to score some points, like I had wanted them to all year, but the Lazbuddie girls came back in the third quarter and got close, 22-14, to us, but we were able to stay in the lead."

The JV boys game with Lazbuddie was cancelled because of a light turnout for practice. The coaches said this was a disciplinary measure.

The JV boys did show up against Friona, but were swamped by the JV Chiefs, 52-25.

Greg McClaran was moved from the varsity for this game and led in scoring with 14 points. Tommy Hutto contributed seven points with Henderson Griggs getting four. Bruce Patterson had 15 for Friona and Charlie Morgan had 14.

Coach Neal took the JV boys in this game as Ulibarri was coaching the girls team at the same time and could not coach two teams. "As I understand it, the boys did not show enough leadership on the floor. We have broken the press before, but

somehow could not do it against Friona. Another factor which hurt us was the fact that we had 20 turnovers in the game," said Ulibarri.

Jay Judd led in rebounding with six offensive and eight defensive as Greg McClaran had nine and seven, respectively, and Don Paul Spring had four and six respectively.

In the JV girls game against Friona, the Squaws were just more persistent as they won the game over Bovina, 32-22.

"This game was completely opposite of the Lazbuddie game, in that our girls played immaturity, as well as inconsistently," commented Coach Ulibarri.

Shana Gober and Kathy Moore tied for high point honors with six points each and Casey Riddle had four.

Sheri Dodson of Friona led in scoring for the Squaws with ten.

The Bovina girls came rallying back after a nine-point deficit in the second period to trail the Friona team 29-14 in the third period, but their lack of scoring in the early part of the game cost them.

Junior varsity teams will be seeing district action in the Kress game, which was played Tuesday, featuring the JV girls and the JV boys. These teams will open district play against Hart in Bovina on January 19.
