

WHITTLIN'
By DOLPH MOTEN

Whew! What an election. It was bad enough, as we see it, for Texas to re-elect a Republican senator and for the 18th Congressional District to elect a Republican representative, but why did Parmer County, and the Bovina box especially, have to go along?

We were frankly surprised at the outcome of the vote, especially in this county. Those who favored the Republican candidates did so in a quiet way. As far as we know, backers of the winning candidates did no work at all locally in the representative race and there was little done for Tower.

We realize, believe it or not, that big city daily newspapers are shipped in and television commercials are piped in and possibly this made the difference. But we doubt it. Something else was the matter.

As far as we're concerned, the best thing that can be said about Bovina's voting box is that it's next door to Oklahoma Lane, which gave a comfortable margin to Demo candidates in both the aforementioned races. The Oklahoma Lane box was the only one of eight in Parmer County to go for Carr and Miller.

Bouquets to those fine voters! Bovinians didn't favor Carr and Miller, but the Bovina box had a better percentage, Democratically-speaking, than did any other box in the county except Oklahoma Lane. For that, we're glad, of course, even if it is sort of a lefthanded way to say something good about the vote results here.

Ideas about why the election Tuesday of last week went the way it did have been expressed freely for the past week. We won't argue with any of them since most have some merit.

One observation we'd like to make here, though, is that the Republican candidate for governor, his last name was Kinnerly, made a mistake, or his party did, by not campaigning more. With the Republican machine in high gear as it was this year, he might have made a showing against Governor Connally. But it was a cinch he couldn't if he didn't try.

That's Monday morning quarterbacking on our part, we'll admit, and Kinnerly himself probably realizes what we're saying as well or better than any one now.

We understand, though, that campaign funds weren't available for other GOP candidates because they (Republicans of the state) were going all out to see that Tower was re-elected to a six-year term. If that's the way they wanted it, they should be happy; they were successful if that was the goal.

We think it was a poor goal, but they didn't ask us. New Mexico, for instance, had a Republican candidate for governor come from out in left field and win over a strong Democratic candidate. It looks from here as though it could have happened in Texas, too, particularly this year, if the right kind of campaign had been conducted.

Community Christmas lighting for Bovina has been a problem for years. Various organizations, most recently the Junior Chamber of Commerce, have worked and worked hard to see that Bovina's main streets were appropriately adorned with colorful lights and decorations for the Christmas-New Year's holidays.

The job is almost too much, though, for any one organization. The work load is almost too much for volunteers to handle, especially during the busy holiday season. Also, the expense of the decorations is enough to knock a pretty good sized hole in the budget of most any civic organization.

There's some talk for this year, however, of turning the project over to the city government. We think that idea has merit. The city, as we see it, is the logical choice to be responsible for the Christmas decorations. From the standpoint of paying for the lighting, putting them up, taking them down, maintenance and what-have-you, the city is in the best position year after year.

In our opinion, the city government could and would take (Continued on Page 2)

Set For December 3 --

School Board Announces Bond Election

Car-School Bus --

One Injured In Accident

Only one person received minor injuries in a car-school bus accident near Bovina Wednesday afternoon on Farm-to-Market Road 1731 about 3:05

p.m. after school had turned out early that day.

The school bus, driven by Gene Douglas, had stopped at the Leon Schilling farm to let a student off when an automobile, driven by Carolyn Johnson, hit the rear of the bus.

Carolyn, a student in Bovina schools, was also going home after classes were dismissed. She received minor leg lacerations and a bump on the head and was kept in the hospital overnight for observation.

None of the approximately 30 students on the school bus was injured.

Deputy Sheriff Henry Miner reported that Carolyn said her brakes failed to hold as she approached the bus. It had previously been snowing and the pavement was wet.

Miner said damage to the Johnson car was estimated at about \$500 and damage to the bus about \$250.

The accident was also investigated by the state highway patrol.

Snow, Rain Measure .44 Last Week

Snow and rain fell here Wednesday, Nov. 9, and measured .44 on the government weather gauge kept in Bovina by W. E. Williams.

This amount of moisture brought the total for the year to near the 16 inch mark, which Williams said is about three and one-half inches below the yearly average.

Temperatures fell to 20 degrees that day, the coldest reading this fall was during the first week of November when the thermometer registered 15 degrees.

Balmy weather has been recorded here the past several days, although heavy fog blanketed the area Monday and Tuesday mornings. On Sunday the low was 34 degrees. Highest reading this month was on Tuesday, Nov. 8, when the thermometer reached 69 degrees.

The moisture received here last week brought a temporary halt to cotton stripping, but was considered a benefit to the wheat crop.

Turkey Shoot This Sunday

Bovina Lions Club will sponsor a turkey shoot Sunday from 1 to 5 p.m. at the gun club range east of Bovina on Highway 60, south of the railroad track.

Jim Russell, Nick Trienen and M. H. Carson are in charge of the event.

The Lions Club will also hold its light bulb sale beginning the second Thursday in December under direction of Woodrow Wright, Carl Rea and Earl Whitten.

Parmer 4-H Banquet Set Saturday

The Parmer County 4-H Club Achievement banquet will be Saturday at 7:30 p.m. in Bovina Schools cafeteria, according to Ronny McNurt, county agent. Club members who have carried out projects in 4-H Club work and those who have earned awards will be recognized at the event, he stated.

Classes Out Early For Thanksgiving

Classes will be dismissed for Thanksgiving holidays at 2 p.m. Wednesday, Nov. 23, according to Otis Spears, superintendent of Bovina Schools.

The holidays will continue over the weekend and classes will resume at their regular time on Monday morning.

Church Sets Film Dates

A film titled "Whatever Happened To Eight?" will be shown on Monday, Nov. 28, at 8 p.m. and on Tuesday, Nov. 29, at 2:45 p.m. at the First Baptist Church under auspices of the W.M.U. Mrs. Jesse Walling announced.

Received from the Institute For the Achievement of Human Potentials, the film will be in Bovina for five days. Other churches and civic organizations are also urged to show the film.

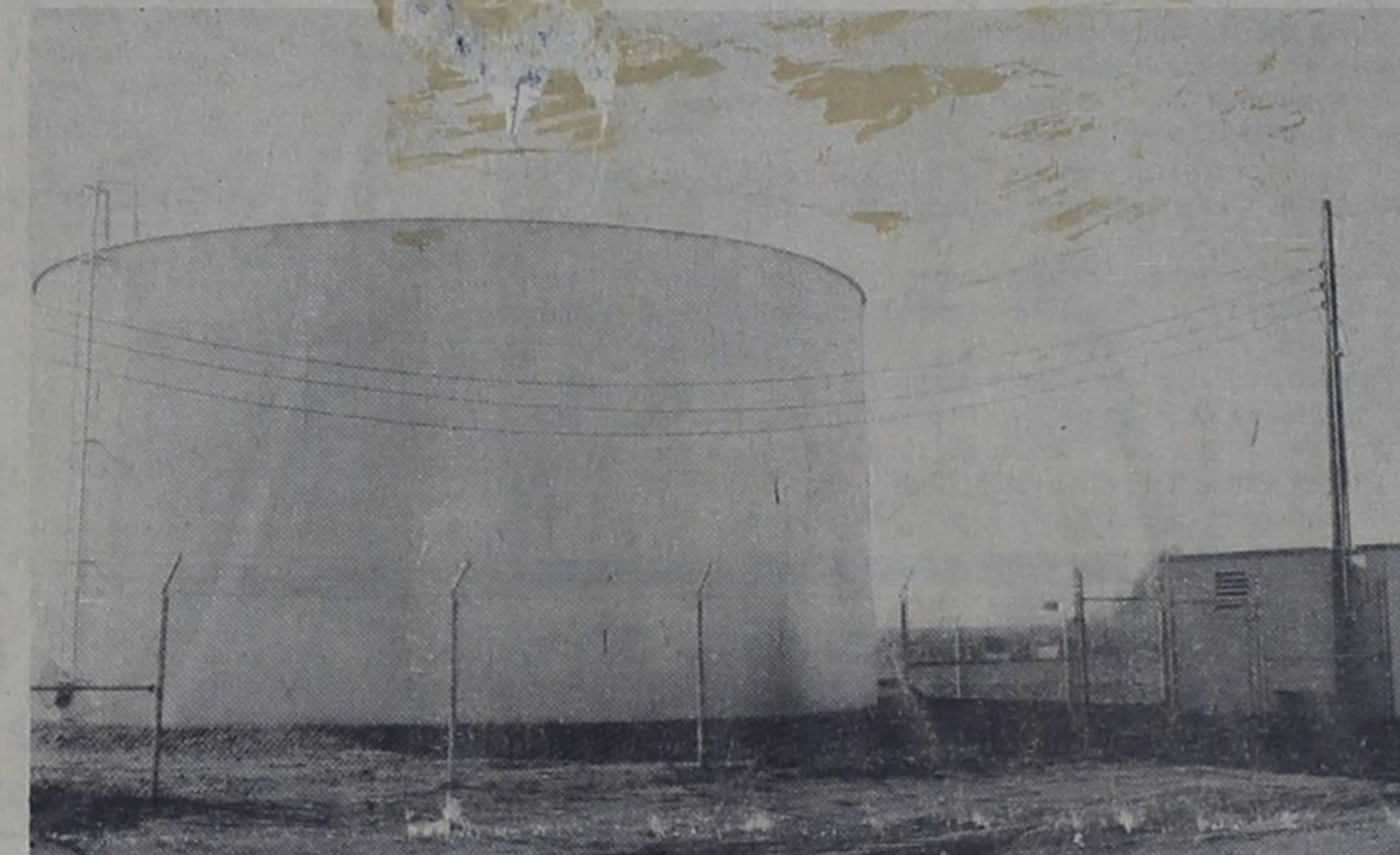

Begins 7:30 P.M. --

Junior Play Slated Here Friday Night

"Ten Thousand Dollar Secret" is the title of the Junior Play to be presented in Bovina

TURNING WATER ON -- Bovina got a new supply of water Friday afternoon when John Wilson, city water superintendent, and Ralph Douglas of Muleshoe, engineer, turned on the pumps of the new 700-gallon a minute well on Ninth Street. At this rate, it takes seven hours to fill the new 300,000 gallon storage tank.

BOVINA'S NEW GROUND STORAGE TANK -- This water tank holds a total of 300,000 gallons of water to be distributed to users in the City of Bovina. This is in addition to the 100,000 gallon overhead tank already in existence. The booster pumps provide a total of 850 gallons of water a minute to the city water system.

★ Turned On Friday --

New Water System, Tank In Operation

Friday afternoon Bovina had new water supply and storage facilities when the valves were

turned on at the new well and 300,000-gallon-capacity ground storage tank on Ninth Street.

This greatly increased Bovina's storage facilities, which was previously 100,000 gallons in the existing overhead tank.

John Wilson, city water superintendent; Ralph Douglas, engineer from Muleshoe; and Otho Hammonds, who did the electrical work, were on hand to turn the valves and start water from the new well, which pumps 700 gallons a minute.

The facilities were given the go-ahead Jan. 15 when Bovina citizens voted a \$100,000 bond

issue on three proposals. The new storage tank and well constituted \$60,000 of the issue, a city paving project \$20,000, and the third a \$20,000 tax bond to pay off short term notes on the new fire station and other city equipment.

A contract was let to Plains Utility Co. of Lubbock in April for the water facilities and work began last spring.

Engineer Douglas pointed out that the storage tank takes seven hours to fill at 700 gallons a (Continued on Page 2)

For Medical Services --

Survey Completed, Results 'Over Top'

The Community Medical Survey, conducted since Oct. 26 by the Bovina Woman's Study Club, was completed Tuesday morning. Final figures show the area far "over the top" in comparison to what is required to receive a Sears-Roebuck Foundation grant which will furnish equipment for a medical clinic and provide a doctor.

The survey, which quizzed 100 families in this area, drawn from a hat, shows that these 100 spend nearly \$60,000 per year for medical services. This is an average of \$582.50 per family.

To qualify for aid from the Sears-Roebuck Foundation, the 100 families contacted was required to spend in the vicinity of \$25,000 per year for medical services.

Mrs. Jesse Walling, chairman of the Community Improvement Committee, who has headed the survey, said even though the total seems extremely high,

most estimates made by those contacted were conservative, and most of them are lower than what is annually spent.

Those names drawn for the survey were a cross-section of Bovina and included families of every race and income bracket. The forms filled by each family will now be sent to the Medical Programs Department, Sears-Roebuck Foundation in Chicago, Ill. There they will be processed and then probably will be double-checked by representatives of the Foundation.

If the need is shown in the survey, the Foundation will

equip a clinic in Bovina and provide a doctor in good standing with the American Medical Association.

Bovina will be required to provide a building to house the clinic. Last year over \$4,000 was raised by various community projects toward securing a clinic and doctor here. Rummage sales, the Christmas card project fund, etc. are expected to increase that amount this year.

Those who volunteered their services to conduct the survey, representing churches and civic organizations of Bovina, included Mmes. Reagan Looney, Leslie McCain, Jay Harris, Wallace Rogers, Chester Rogers, Leon Ware, Tom Ware, Arnold Rogers, Bessie Webb, Robert Read, Johnnie Horn, Ralph Roming, Tommy Williams, Thomas Rhodes, Don Murphy, Jesse Walling, Earl Stevenson, and Mr. and Mrs. Buck Ellison and W. E. Williams.

Weather by Willie
Good chance for a change in the weather by weekend.
--Willie

JUNIORS PRESENT PLAY -- Rehearsing for the Friday night performance of the annual class play, "Ten Thousand Dollar Secret," are Lucretia Klondike, seated left, portrayed by Larry Mitchell; and gunman Slappy Wertz, played by Lynn Murphy. Standing are gun moll Rose Duval, portrayed by Vicki Jacobs; and Charlie Kenman, in the person of Bill Caldwell, Mitchell and Caldwell share the leading roles in the presentation.

cast includes six boys and six girls. Rehearsals have been underway for about four weeks and sponsors Richard Roberts and Mrs. Ann Corn say that 16 members of the class have been responsible for directing and staging the play this year.

The cast is composed of Bill Caldwell, Larry Mitchell, Barbara Allen, Theresa Page, Rex Cumpton, Daryl Kirkpatrick, Zeldia Donaldson, Vicki Jacobs, Linda Hemke, Larry Grissom, Linda Rejino and Lynn Murphy.

Between-acts entertainment will be provided by a newly-organized musical junior group, "The Leftover Five," and by a duet, Sharon Pierson and Margaret Jo Venable.

Student directors are LaNelle Christian, Judy Minyen and Judy Dendy.

In charge of make-up and costumes are Judy Sisk, Kay Stone, Cecelia Denney and Sharon Pierson. Arranging the sets are Roy Lee Stowers, Carolyn Johnson, Carol Mast and Carl Harris. Mistress of ceremonies will be Margaret Jo Venable. The welcoming committee is composed of Diane Stowers, Gina Clawson, Gaylon Hromas and Mike Grissom.

Everyone is urged to attend the presentation. Admission will be \$1 for adults and 75 cents for all students.

School Bond Election

The board of trustees of Bovina Independent School District has called a bond election for Dec. 3 to improve and expand facilities of the school plant.

The forthcoming election, if it carries, will provide a total of \$268,000 to be used to upgrade the school system. This is a considerably smaller proposal than was submitted to voters of the school district last Spring.

That election called for more than twice the amount proposed this time. It was defeated by the voters by a margin of more than two to one, 226-103.

The major portion of this election is for construction of an elementary school. Classroom space is now limited and will be filled to overflow in the near future, according to school officials who are in a position to accurately see school population - increase trends.

There seems to be no question about the need for more classrooms. To provide the kind of facilities most citizens here want for their school system, classrooms must be constructed. The only question is when.

Bovina Schools also have a tremendous lack, comparatively, in football facilities. The present fieldhouse, which would be replaced if Proposition No. 3 carries in the December election, is highly inadequate. It is better than nothing, but that's about all that can favorably be said about it.

The football field itself, which would be improved if Proposition No. 2 is approved, is just not up to par for Class A standards. Bovina now has, by far, the poorest football facilities of any school in our present district. There's no reason for this that we can see. We're not in a district with oil-field rich schools.

Other members of District 3-A at present are Farwell, Sudan, Springlake - Earth and Kress.

Can those communities afford better facilities for their young people than Bovina can? We're in favor of all three propositions which will appear on the December 3 ballot.

The school board, and school officials and advisors, have done a better job this time in presenting the needs of the school district in a way which the voters can more easily understand and approve.

We think the people of the Bovina Independent School District are progressive in their views toward their school system and will approve school board presented proposals in next month's election.

First State Bank Presents-- COW POKES By Ace Reid

"If that's his final word, I'm gonna take my business elsewhere!"

DRIVE-IN BANKING

1ST STATE BANK OF BOVINA

--Member FDIC--

Reflections From The Blade

TEN YEARS AGO Nov. 20, 1956

Construction began Monday morning on an addition to Willford Gym. The addition will house a concession stand. Bovina, like the rest of Texas, is confused, undecided and split about which Thanksgiving to observe this year. The national holiday is November 22. The state holiday has been designated as November 29.

Debra Kirkpatrick, four-year-old daughter of Mr. and Mrs. J. D. Kirkpatrick, was honored with a birthday party in her home Saturday morning.

Bovina Jaycees discussed awards to be made to local high school football players at a regular meeting Saturday noon in Bovina Restaurant. Plans were to give an award to the best-all-around player and the best sportsman.

Possibly the smallest vote in modern history for the Bovina precinct turned out last Tuesday to vote on Amendment Nine. Eighteen poll taxpayers went to the polls. Seventeen voted for the amendment that will provide for disabled Texans and one was against.

Mrs. Ira Wilborn was awarded the "big" prize in the Bovina Jaycee-merchant sponsored drawing Saturday afternoon. She received \$15.

Mr. and Mrs. Buck Ellison and Ike Quickel returned home last Wednesday from their annual hunting trip.

Bovina Mustangs put a dismal end to a dismal season Friday night as they lost to Whitharral's Panthers 34-0 at Whitharral.

Mr. and Mrs. Pearson Adams took their three year old son, Jackie, to Lubbock Tuesday last week for a checkup. The boy is recovering from a broken leg.

SIX YEARS AGO Nov. 22, 1960

Bovina city hall was robbed of approximately \$100 sometime during the week end. The robbery was discovered at 8 Monday morning when City Secretary Virgil Tritsch opened the office for the day's business.

Some \$300 was overlooked by the burglar, Tritsch says. Warren Embree was elected president of Bovina Chamber of Commerce and Agriculture at an organization meeting Thursday night in school cafeteria.

Bovina's Mustangs placed two men on All-District 2-B team and two on second team with five receiving honorable mention. Quarterback Don Caldwell and End Jerry Strawn were honored with first team placing.

Cotton harvest in Parmer County was reaching its peak this week with yields generally running a little higher than had been anticipated.

Bovina basketball teams dropped a pair of games to Texico here Friday night. The A team went under 47-38 while B teamers fell 32-25.

The annual Parmer County Farmers Union meeting will be held Monday at 7:30 p.m. in Hub community building. County President T. O. Lesly urges all locals to have a good turnout.

Bovina Home Demonstration Club voted to send \$15 to Girls Town for a Christmas Project.

At Home In Parmer County By CRICKET B. TAYLOR County HD Agent

One of the important lessons in youth development is teaching them to "share." Another important phase along this line is developing skills.

Mrs. Walter Kaltwasser, 4-H leader of the Oklahoma Lane 4-H Club really uses every opportunity for girls and boys to develop these desirable characteristics. Most of the Oklahoma Lane Club is made up of boys. In their last meeting in

Whittlin' --

(Continued from Page 1)

on the task on a regular basis with proper encouragement from citizens.

Now is not a bit too early to get something decided about this year's Christmas lights, either.

One of the drawbacks in years past has been the time element. Too often, the decorations were put up too late and were taken down too late.

Turning this over to an interested, responsible city government could solve one community problem once and for all.

Anybody agree?

Water System --

(Continued from Page 1)

minute. Booster pumps of 500 gallon and 350 gallon a minute capacity, or a total of 850 gallons a minute, pump the water from the tank into the Bovina system. He pointed out that it pumps out faster, but also said this is possible because of the large storage.

home of the Charlie Christians, members made Christmas gifts suitable for giving by both boys and girls. The best gift of all is one where we give of our time and talent. Would be good for leaders to furnish more opportunity for this type of activity.

Recently when visiting in the Joel White home, Lynne, the teenage daughter, showed me a new dress she had made. It was a "fetching" number. Lynne won't have to worry about cost of dresses if she keeps on using some of the skills she has learned in clothing project work. All these experiences add up to a good 4-H'er developing skills for the hand.

FOOD PROJECT work will soon get underway. The new project guides have fewer lessons which will make it possible to finish and do project work in another area of home economics. This year though, records must be submitted for judging at the food show. Leaders need to keep this in mind.

The Leaders Symposium in Hereford on Nov. 17 is an event that all 4-H leaders should attend. Mrs. Wayne Magness and Mrs. Paul Lloyd of Bovina plan to go. They will have room for three or four more so contact them or the Extension office if you need a ride.

Bulletin "TOYS FOR TOTS" is available in the office. Call or write the Extension Office for a free copy.

New Publication - "Your Family Business Center" - Get your free copy from our office.

COUNTY 4-H ACHIEVEMENT PROGRAM

The annual county 4-H Achievement Program and Banquet will be held at 7:30 p.m. Saturday, November 19, in the Bovina Schools Cafeteria.

4-H Club members that have excelled in 4-H Club work this year will receive awards.

Guest speaker is Rudolph Baumgardner, a Texas Tech student and former Hale County 4-H Club member. Rudolph will speak on his trip to Germany as an International Foreign Youth Exchange student.

COTTON PRODUCTION AND QUALITY REPORT FOR PARMER COUNTY

The following information was taken from a report made by the Plains Cotton Growers, Inc. This information was collected from 1960 through 1965.

*The highest total bales produced of these six years was in 1962 when 80,328 were produced. The lowest total bales produced was in 1960 when 39,946 were produced. In 1965 a total of 58,050 bales were produced.

*As for pounds of lint produced per acre 1962 was again the highest with 789 lbs. 1960 was the low year with 375 lbs. and 1965 averaged 588 lbs.

*To compute the quality of cotton for these six years a high of 3,613 samples were taken in 1962 and a low of 1,284 were taken in '65.

In order to determine average grade it is necessary to assign a number to each grade classification.

- Grade code - 1 - Good middling 2 - Strict middling 3 - Middling 4 - Strict low middling 5 - Low middling

*Average grades for the six years show a 2.9 grade for 1961 and the lowest grades of 4.3 and 4.1 for 1964 and '62 respectively. 1965 averaged 3.9.

*In 1964 a total of 11.4 per cent of the crop turned out wasties with an average micronaire of 2.5, 14.3 per cent of the county crop was wasty in 1965 with an average micronaire of 2.5.

*Fiber properties for 1965 are as follows:

9.4 per cent of staple went 31/32 and over. The average staple was 29.8 thirty-seconds. The average micronaire was 3.0 with 11.2 per cent with a 3.5 or above.

*The following information concerning nitrogen was presented by John Box, Associate Extension Agronomist.

*As much as two-thirds of the total uptake of nitrogen may occur during the first 60 days of the life cycle of cotton, corn or grain sorghum.

*Functions of nitrogen in plants are as follows:

- (1) increase seed and fruit yield (2) improve quality of leaf and forage crops (3) plentiful supply of N means higher protein content in grains such as milo and wheat.

*Pale yellow leaves on the lower part of plant that look burned are deficiency symptoms of nitrogen.

*A good rule of thumb is the addition of 20 to 25 lbs. of nitrogen per ton of residue. This does not necessarily hasten decomposition of residues, but will keep soil nitrogen from becoming unavailable for the following crop.

*Nitrogen can be applied in late fall or winter after soil temperatures fall below 55 degrees F.

CROP Assists Haiti

A CROP shipment including 120,000 pounds of corn, 60,000 pounds of wheat and 10,000 pounds of non-fat dry milk will be on its way this week to Port-au-Prince, Haiti, to meet emergency needs created by Hurricane Inez in Haiti according to Norman A. Sundwall, Field Representative for Church World Service in Texas.

An on-the-spot survey in Haiti by Wilson Radway, Special Projects Director of Church World Service and former CROP National Field Representative, reports 50-80 per cent loss or damage to housing in the Jacmel area of southern Haiti.

"There is virtually no food available in the area," says Radway. "We have already provided 45 tons of food, from supplies warehoused in Haiti. While some fruit is now available from 'salvage' in ten days there will be serious hunger and starvation." Radway reports 4,000 cases of kwashiorkor, a protein-deficiency disease, in the devastated area.

Shipments are made possible by such drives as conducted here by Bovina Methodist Youth Fellowship when over \$250 was collected, according to Rev. J. B. Fowler, pastor of Bovina Methodist Church.

Know The Truth

By Lavern Stewart

Through Moses God gave a law to one nation, the Israelites, to curb sin and to foreshadow the coming of Christ and the perfect law of liberty. Our Lord was born under the Jewish law, kept it perfectly, removed it by fulfilling it, and by His blood sealed the New Testament which was based on better promises. He nor the apostles preached to Gentiles before the cross, but after He had brought life and immortality to light through the Gospel (Because He now had all authority, Matt. 28:18), He commissioned the apostles to go into all the world with the Gospel. The Holy Spirit would guide their preaching, Jesus would be with them as they went forth from Jerusalem, and heaven would bind or loose whatever they bound or loosed. According to Matthew and Mark the apostles were to "go to the lost; and whereas Matthew says teach, Mark says preach, Mark shows it is the Gospel that must be preached, it alone saves according to Romans 1:16; Luke adds that they were to start from Jerusalem, and he also shows one must repent as well as believe and be immersed. Belief and immersion Mark stressed. The preachers had to lead men to believe in Christ before they called on them to repent because faith must furnish the motives for repentance. It is quite plain from Matthew and Mark that Jesus made baptism necessary to obtain salvation, which salvation is had by our connection with God, Christ, and the Spirit. To the unlearned baptism for the forgiveness of sins is foolishness, yet to a believer it is the wisdom of God, 1 Cor. 1:18-20.

Pheasant Hunt Set Dec. 1-7

Pheasant hunting season will be the first week in December again this year in Parmer County, announces Jack Patterson, president of Parmer County Game Management Association.

Pheasant hunting has been drawing a larger share of the sports spotlight each year since the first season was established in '64.

The county was stocked with pheasants by individual farmers a few years ago. The bird population has evidently increased on a gradual basis each year.

"More pheasants than ever" is the unofficial report from farmers and sportsmen from all across the county.

Only cocks may be killed again this year. The limit is two birds a day with four in possession.

There are a few reports of hunters from outside the county coming here this year for the pheasant hunting season.

State game wardens are expected to patrol the county during the season.

Contests have been conducted during the past two years to reward hunters who bring in the longest tail feathers and will possibly be again this year. These have been handled by businesses in the county.

Thanksgiving --

Turkey Baking Time Arriving

By Cricket B. Taylor
Parmer County Extension Agent
Check the Calendar -- only a few days are left until Thanksgiving.

It's time to place an order for the traditional turkey. Shopping a little early assures one of getting just the desired size bird.

To be sure of quality, buy a turkey that has been graded by the U. S. Department of Agriculture's Consumer and Marketing Service. Birds have to be inspected before they can be graded, so shoppers are automatically assured of wholesomeness.

To rate U. S. Grade A, the turkey must have a well-fleshed, long and broad breast. The entire carcass must be well-covered with fat. It has an overall pleasing appearance -- no pinfeathers and only a few cuts, tears and bruises. It has no broken bones, and the breast and back may be slightly curved.

The U. S. Grade B turkey is fairly well-fleshed and the breast bone not prominent. It should have enough fat to prevent a dark appearance of the skin. The carcass must look fairly desirable, with only a few pinfeathers and small cuts, tears and bruises. No protruding broken bones are permitted. The breast and back bone may be slightly curved.

Asid from the time that is needed for thawing a frozen turkey in cold water, keep both the turkey and giblets in the refrigerator until time for cooking. Then check to see that all the pinfeathers have been removed. Rinse the bird inside and out under cold running water and blot dry. Slow oven-roasting in an open pan assures a very flavorful and evenly browned turkey with a minimum amount of shrinkage and juice loss. After the inside of the turkey has been washed, the cavity should be salted and stuffed, if desired. To hold the wings in place during cooking, bring wing tips onto the back of the bird and place over the flap of neck skin. Wrap string around the ends of the legs and tail, then tie. Or if there is a band of skin above the tail, tuck the legs into it.

Brush the skin with soft butter, margarine, or other shortening. If a meat thermometer is used, place it in a thick, meaty part like the thigh, so it does not touch bone and can easily be read.

Place the turkey on a rack in the roasting pan to keep it out of the juice. A good way to insure even browning of large turkeys is to start roasting the turkey breast side down, then

turn the bird breast side up for the last hour of cooking. Special racks may be purchased to hold bird up with breast down.

Sometimes turning the turkey is just too difficult. Good results can be obtained by roasting the turkey breast side up for the entire cooking period. To prevent excessive browning and drying out, cover the bird with a piece of cheesecloth dipped in melted fat or a tent of aluminum foil.

Baste the turkey several times during roasting. When it is half or two thirds done, cut the string or skin to release the legs.

Roasting time is affected by the size of the turkey, and whether or not it is stuffed. There are several quick ways to tell if the turkey is done to tender perfection. The drumsticks should twist freely and the joint break easily. The meat in the fleshy areas like thighs and breast should feel soft when pressed with the fingers. If a meat thermometer is used, the internal temperatures should register at the poultry mark -- around 190 to 200 degrees F.

To Overseas Posts --

Christmas Mail Regulation Set

Postmaster Gene Ezell of Bovina has announced that henceforth all first class mail, personal sound recordings (voice letters), and parcels weighing five pounds or less and measuring not more than 60 inches in length and girth combined, will be airlifted on a space available basis between the United States and all military post offices overseas.

Also, under Public Law 89-725 -- The Dulski Military Mail Act -- which was signed by President Johnson November 2, 1966, second class publications such as newspapers and magazines published weekly or more often, and featuring current news of interest to the military, will be airlifted from

San Francisco to the armed forces serving in Viet Nam. To speed up separation and delivery of these smaller parcels falling within this category, Postmaster General Lawrence F. O'Brien directed that all parcels be clearly marked upon acceptance at the post office with the letters SAM (surface airlift mail).

Postmaster Ezell also reminded mailers that Christmas parcels weighing 5 pounds and under, though they are given airlift priority from San Francisco to Vietnam on a space available basis, should be mailed no later than December 1. Airmail, he said, should be sent no later than December 10.

SUPER MARKET Bovina

Of Interest To ★ THE WOMEN ★

Bovina Club Hears History Of Document

Mrs. V. Scott Johnson of Clovis was the guest speaker at a meeting of the Bovina Woman's Study Club Thursday afternoon in the club house.

A registered nurse and wife of the former Farwell doctor, Mrs. Johnson spoke on the story and history of the Declaration of Independence, displaying a mounted parchment document.

Mrs. Jesse Walling and Mrs. Charles Ross were hostesses for the event when 18 members attended and guests, Mrs. Bob Anderson of Farwell and Mrs. C. E. Trimble.

Mrs. Billie Sudderth reported that the weekly rummage sales have been doing very well, a project of the club in conjunction with the Community Improvement Committee to secure a clinic and doctor here. Last Saturday the Catholic

ladies conducted the sale and individuals have helped the club on other days.

The BWSC invites organizations wishing to take a Saturday for the rummage sales to call Mrs. Walling or any member of the club.

Next meeting of the Study Club will be Nov. 21 when the program will be "Challenges of Women of the Bible." This meeting is on Monday instead of Thursday because of Thanksgiving holidays. Hostesses will be Mrs. Earl Stevenson and Mrs. Jack Clayton.

The chili and soup supper held Friday night preceding the Bovina-Seagraves football game was well received, according to Mrs. Bill Bradshaw, and the club expresses its appreciation to the community for a good turn-out.

Woman's Society Bazaar Scheauled Friday A. M.

The annual bazaar conducted by the Woman's Society of Christian Service of the Methodist Church will be held on

Friday beginning at 9 a.m. in the Glasscock Building at Third and Main, according to Mrs. Billie Sudderth.

The bazaar will stay open until everything is sold.

Homemade pie and coffee will be served during the hours the bazaar is open.

On sale will be cakes, bread,

candy, relish, other such items, gifts of all kinds and shelled pecans. Everything offered for sale will be made by members of the society.

Members remind Bovina citizens that it will be a good time to obtain cakes, bread, etc. for Christmas and Thanksgiving seasons.

School Menus

Nov. 21 - Nov. 23
Monday: Roman holiday, black-eyed peas, tossed salad, cornbread, butter, milk, cookies.

Tuesday: Turkey and dressing, giblet gravy, green beans, cranberry sauce, rolls, butter, milk, fruit jello.

Wednesday: Fried chicken and gravy, creamed potatoes, cabbage and green peppers, rolls, butter, milk, apricots.

Thursday and Friday: Thanksgiving holiday.

Scoopin' Around

By Pat Jacobs

Thanks to Dan Valentine, by way of the Gunnison News-Champion, the following contains excerpts from his squib entitled "What Is a Teacher?"

What is a teacher? A teacher is many things . . . She's knowledge with a smile on her face . . . Democracy with a book in her hand . . . Wisdom with a flick of white chalkdust on her left eyelid.

She's the future of the nation in a sack dress . . . Love with a college education. In her everyday work week, she's expected to be: Diplomat, philosopher, politician, fight referee, pediatrician, policewoman, practical nurse -- and quiz program conductor.

She's a psychiatrist without a coach . . . Politician without a promise . . . Baby-sitter without the right to raid the icebox. She makes more money than a dishwasher . . . or a ditch-digger . . . or a garbage collector . . .

She makes less money than a woman wrestler . . . Burlesque striptease dancer . . . or the women blackjack dealers in Nevada.

Her days are filled with school bells . . . Young chatter . . . Waving hands . . . and worried parents.

She spends four years in college, studying hard, in order to learn how to: Make orange paper pumpkins at Halloween, umpire baseball games at recess, tell young boys to throw bubblegum in the wastebasket.

While grateful parents spend their evenings watching television, attending cocktail parties, complaining about the high cost of the school system, teachers spend their evenings correcting examination papers -- Smiling at people at parent-teacher meetings . . . and wishing they had become stenographers.

Teachers are expected to: Go to church . . . Keep out of debt . . . Have creative minds (but not disagree with the board of education) . . . Stay away from cigarettes, beer and bingo games . . . and give willingly to the United Fund.

A teacher dispenses magic . . . Sells futures . . . Dreams are her stock in trade.

From her small classroom will come the doctors of tomorrow, the men who will go to the moon, the great artists and novelists of the year 2000 . . . The industrial tycoons and all the leaders America will need to survive in a puzzled world.

She's the future of the world with a ruler in her hand . . . Progress with a pencil back of her ear.

Unappreciated at times, harried and overworked, she gains her pay in secret satisfaction . . .

Secretly, she will admit, "I have the greatest job of all . . ." And she has . . .

Because she holds the history of the world in the palm of her little hand . . .

She's a teacher!

FREE Christmas Prizes (Cash!)

FOURTH GRADE OPERETTA -- "Little Gypsy Gay" was presented to Bovina students Friday by all members of the fourth grade. Standing, left to right, are Alton McCormick, Audrey Magness, Diane Ward, portraying Little Gypsy Gay, and Joe Steelman. April Wilson, seated right, is having her fortune told by Luanne Peoples. Looking on at right are two singers, Jimmy Lance and Berry Goldsmith. The production was under the direction of Mrs. Dorothy Donaldson, Mrs. Lana Moody and Joe Wayne Harper.

A GYPSY CAMP -- A large group of fourth grade Gypsies surround a camp fire in the Friday afternoon presentation of "Little Gypsy Gay," an operetta staged for elementary students in Bovina Schools auditorium.

Bridge Luncheon Held Thursday

The Thursday Bridge Club was entertained with a luncheon in the home of Mrs. Vernon Estes this week when three tables of players attended.

Shower Honors Mrs. Radford

A come-and-go wedding shower for Mrs. Sam Radford, the former Miss Janice Garrison of Friona, will be held from 2 to 4 p.m. Saturday in the First Baptist Church.

Hostesses will be Mrs. Burl Jenkins, Cloyce Stanberry, Barbara Melton, Don Bandy, Prentice Pruitt, Joe Collins and J. O. Latham.

Ladies Attend Honor Banquet

Three Bovina ladies attended the Grand Cross of Mystic Rainbow banquet Saturday night in the Green Room of the West Texas State University Student Union building.

Mrs. Mary Jane Wilson, Mrs. Julia Leake and Miss Linda Langston were the honored guests from Bovina and were among the 32 ladies of the Pan-handle attending. Also among those at the banquet was Mrs. Cortez Dowling of Canyon, Grand Visitor.

Mrs. Estes awarded prizes to high and low players at each table. Those winning high were Mrs. A. M. Wilson, Mrs. J. E. Sherrill and Mrs. Leon Grissom. Receiving the prizes for low were Mrs. Durward Bell, Mrs. Frank Henke and Mrs. J. B. Fowler. Mrs. Bedford Caldwell won the bingo prize.

Others attending were Mrs. Vernon Willard, Mrs. Bob Wilson and Mrs. Jim Ware. Guests were Mrs. Gabe Anderson and Mrs. Fowler.

Served at the luncheon

Shower Honors Fred Kepleys

A wedding shower and tea honoring Mr. and Mrs. Fred Kepley will be held in the home of Mr. and Mrs. Wendol Christian Sunday from 2:30 until 5:30 p.m.

Hosts and hostesses for the event will be Mr. and Mrs. R. E. Blankenship, Mr. and Mrs. Harold Carpenter, Mr. and Mrs. Leon Billingsley and Mr. and Mrs. Christian.

Tasti-B Postponed

The Tasti-B, planned for Nov. 17 by the Future Homemakers of America, has been postponed, according to Linda Rejino, president of the Bovina chapter.

A new time will be announced later.

DINNER MEETING -- Members of the Woman's Society of Christian Service held its general meeting in the home of Mrs. Oakley Stevenson Tuesday, Nov. 8, when Mrs. E. E. Hamblin of Shallowater, seated left, Northwest Texas Conference Secretary of Supply Work, and Mrs. Hal Spencer of Lubbock, Conference Secretary of Membership Cultivation, were here to discuss supply work with the Bovina society. Mrs. Joe Fowler, standing left, is vice president of the Bovina WSCS and Mrs. Mabel Newberry, Bovina secretary of Supply Work, were among 20 members attending the dinner, along with guests, Mrs. Bill Crume of Lubbock and Mrs. A. F. Reese of Shallowater.

Conference Officers Speak At Bovina WSCS Luncheon

Two officers of the Northwest Texas Conference Woman's Society of Christian Service were guests of the Bovina WSCS at a luncheon held Tuesday of last week when Supply Work was discussed by the group.

Mrs. Hal Spencer of Lubbock, conference secretary of membership cultivation and former

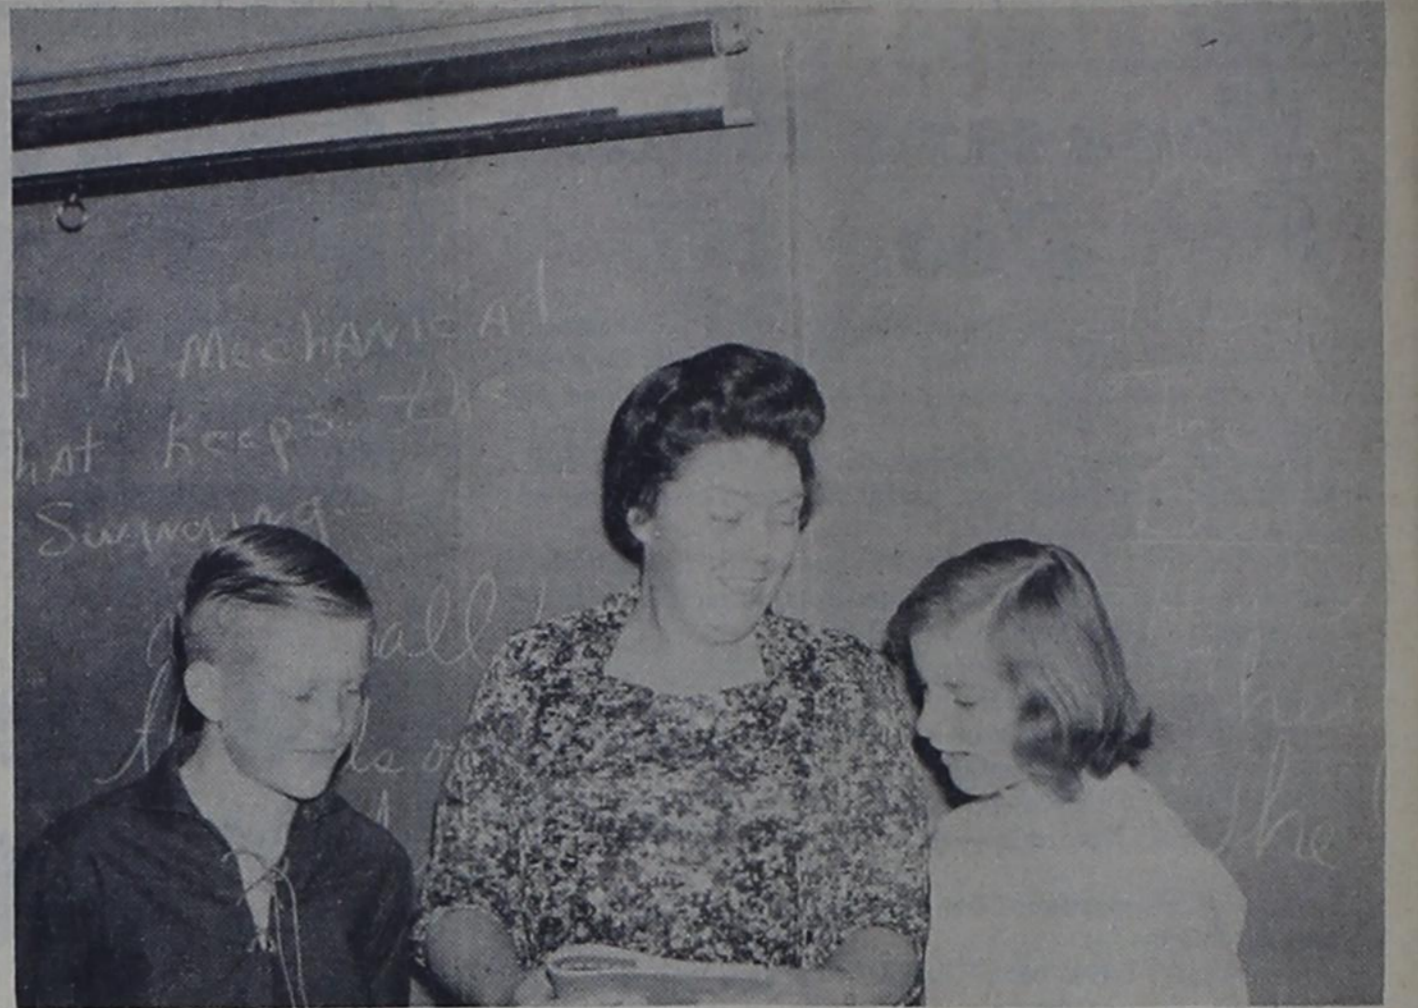

secretary of supply work, and Mrs. E. E. Hamblin of Shallowater, the current conference secretary of supply work, conferred with the 20 members attending from the Bovina society, according to Mrs. John Dixon, WSCS president.

Mrs. Oakley Stevenson was hostess for the event held in her home.

Mrs. Joe Fowler presented the devotional in the form of a responsive reading from Roman 12 and introduced the speakers.

The guests presented their program in the form of a conversation skit on the history of supply work and the things it is doing currently.

Mrs. Dixon opened the business session with a devotional from Romans 8:3. At the suggestion of Mrs. Mabel Newberry, the group voted to place

POTENTIAL WINNERS -- Mrs. Rita Mast, Parmer County director of this school year's annual Spelling Bee, is discussing the event with Larry Wiseman and Kim Douglas, sixth grade students, who are interested in entering the contest in Bovina.

Mrs. Mast Director Parmer Spelling Bee

Mrs. Rita Mast, librarian and teacher in Bovina Junior High School, is the 1967 Spelling Bee Director for Parmer County. Some time before April 1,

the Parmer County Bee will be held and the Champion will go to Amarillo on April 22 for the annual regional elimination for the National Spelling Bee.

Last year, Greg Hargrove, son of Mr. and Mrs. Elmer L. Hargrove was the Parmer County Champion and placed 13th in the Regional Bee. The Champion was an 8th grader in the Farwell Junior High School.

The 1967 Golden Spread Bee will be co-sponsored by West Texas State University and the Amarillo Globe-News, L. J. (Jack) Edmondson, West Texas State University Director of Public Services, will be Bee Director for the Golden Spread. Again there will be a unique secondary contest - the Junior Spelling Bee, open only to contestants from the 6th and lower grades. The National Spelling Bee is open to all students, from first to eighth grades.

The Parmer County Junior Champion for 1966 was Jana Lynce Bass daughter of Mr. and Mrs. J. L. Bass. She was a student in the Farwell Junior High School.

First place winner in the Golden Spread Bee will go to Washington during the first week in June 1967, to participate in the National Spelling Bee. The winner will also receive several other attractive prizes, and his (or her) school

will have a full year of use of the Britannica film service. A traveling plaque, carrying the names of all Regional winners since 1949, will hang at the school of the winner.

Last year's prizes for other top contestants included a Zenith stereophonic record player, a 24-volume set of Encyclopedia Britannica, several volumes of the Lincoln Library, a Capri Paper-Mate pen set, the seven-language Britannica dictionary, a World Atlas and cash prizes. Virtually the same prize list will be available this year.

Each County Champion receives an engraved plaque and a gold pen. Each County Junior Champion is given a trophy and a silver pin during the intermission at the Regional Bee (but there is no regional contest between the juniors; they are merely guests for the annual Spelling Bee luncheon held in the Amarillo Club).

In the school contests, each winner receives a Paper-Mate pen, inscribed "School Champion" and a blue and gold ribbon likewise imprinted. Each school junior winner receives a red and gold ribbon trophy. Each student who entered the Bee receives a ribbon trophy also.

The National Spelling Bee, sponsored by newspapers throughout the 50 states, is in its 38th year. High Plains champions have placed fairly high in the contests, but none has won the national crown.

Mrs. Mina O'Hair of Lubbock, mother of Mrs. Ed Dendy, had major surgery Thursday in Parmer County Community Hospital at Friona. She is reported to be doing nicely and is expected to be released in another week. She had been visiting here for three weeks prior to the surgery.

Big travel bargains are back on the Santa Fe!

What's the gimmick?

Simple. It's the off-season. Now through May 15th, you can save up to 20% (sometimes even more) on round-trip rail fare. First class or coach, either way it's a travel bargain. And not just on special days, but any day of the week. Your return ticket is good for 30 days--on any Santa Fe train. There's no tax on Santa Fe tickets.

So you see, there's really no gimmick. Just savings. This time, why not take a vacation on the way? Travel Santa Fe. And save. Ask your local Santa Fe agent for full details on Bargain Fares--and other Santa Fe travel bargains.

"Adam and Eve started it, but WE always got blamed for it!"

Whom Say Ye That Christ Is

Mat. 16:13-16

The Pharisees with the Sadducees came tempting Christ desiring that they should see a sign from Christ. Christ replied to them that they were able to predict the weather by the way the sun rose or set. They were seeking something that met the eye rather than the heart of man.

After Christ's dealing with the Pharisees and Sadducees he began to talk to his disciples. He ask them a question -- "What they were saying about Him. 'Whom do men say, that I the Son of man am?'" The disciples began to reply -- Some say "Thou art John the Baptist - a man that was beheaded for the Lord's sake and the work of the Lord. Some say Elias, Jeremias or one of the Prophets." In other words some People were saying as People say today that Christ was a great man in His day, but He was just a man. But my Bible indicates to me that He was God and a perfect man.

Christ didn't stop there, He wanted to know just what His disciples thought about Him. "Who say ye that I am?"

Peter answered - "Thou art the Christ, the Son of God, Oh, that we today would really know who He is. We can know who He is, if we will take Christ into our hearts - let Him become a part of our living, let Him change our lives and make us a new person in Christ Jesus. This is what Christ can do for you today if only you will accept Him as the Christ the Son of God.

Through ASCS Office --

Producers To Vote On Cotton Research

Producers of upland cotton will vote Dec. 5-9 to determine whether a research and promotion order should be issued for upland cotton, the U. S. Department of Agriculture announced today.

Farmer County cotton farmers will receive their ballots by mail from the ASCS office in Farwell, in conjunction with the upland cotton marketing quota referendum, but will be in a separate ballot. After marking the ballot for or against, it will be returned by the farmer to the Farwell office.

Approval by two-thirds of the producers voting, or by a majority of producers voting if that majority accounts for two-thirds of the cotton represented in the referendum, is necessary for the order to become effective.

The proposed cotton research and promotion program would be administered by a Cotton Board composed of members nominated by cotton producing organizations and selected by the Secretary of Agriculture.

The program would be financed through assessments of \$1 per bale from upland cotton producers, to be collected by cotton handlers designated by the Cotton Board. Collections from any producer who did not wish to contribute would be refunded upon written application. Assessment would start at the beginning of the ginning season for the 1967 crop.

C&M officials said producers are eligible to vote in the referendum if they were "engaged in the production" of the 1966 upland cotton crop during calendar year 1966. The term "engaged in the production" is defined to include planting an upland cotton crop even though the crop is not harvested if the failure to harvest is not caused by the neglect of the farmer.

Those sharing in an upland cotton crop or proceeds from it, on a farm as an owner, cash tenant, sharecropper, share tenant, or landlord of a share tenant (except for a landlord of

a standing rent, cash rent, or fixed rent tenant), shall also be considered engaged in the production of that crop.

In addition, owners or operators of a farm for which an acreage allotment for an upland cotton crop was established according to the Agricultural Adjustment Act of 1938, as amended, but on which that crop was not produced, shall generally be

considered to be engaged in the production of that crop in the year in which that crop, if produced, would have been harvested.

This definition of "engaged in production" is also used in the marketing quota referenda regulation.

Each producer is entitled to only one "yes" or "no" vote in the referendum.

On Conservation --

SCD Sponsors Essay Contest

Farmer County Soil and Water Conservation District has announced that it will again hold an essay contest in connection with the Fort Worth Press 22nd State-wide Soil and Water Conservation Awards Program.

The District Essay Contest is open to all boys and girls in Farmer County 19 years old or older, in or out of school but not a high school graduate.

A contestant should learn all he can about conservation then write an essay of 300 words or less on "Preserve Our National Resources". A technical paper on how to conserve the soil and water should not be written, but should tell how conservation of soil and water will provide for the future needs of Texas and its citizens.

Farmer County Soil and Water Conservation District will award a total of \$125 in cash prizes for the four best essays. All essays will then be entered in the Fort Worth Press State-wide Soil and Water Conservation Awards Program. The winner of the Fort Worth Press Award will receive \$200 first prize. The Fort Worth Press will also give away 50 trophies and medals.

Those interested in this contest should contact a teacher or one of the Farmer County Board of Supervisors: Leon L.

Grissom, chairman, Bovina; Dick Rocky, vice-chairman, and A. L. Black, secretary, Friona; Vernon Estes, Bovina and Alton Morris, Lazbuddie.

Include the following information on the entry: Name and address, name of school, and the name and number of the local Soil Conservation District.

All entries must be in the hands of the Farmer County SWCS Supervisors no later than Wednesday at 5 p.m., Feb. 1, 1967.

Coffee Honors Publisher Of Herald

Tulia (Special) -- A coffee and autograph party honoring H. M. Baggary, editor and publisher of the Tulia Herald, will be held from 2 to 5 p.m., Sunday, Nov. 20, in the Willie Room of Swisher Electric Cooperative, 401 S.W. 2nd, Tulia. The public is invited.

Purpose of the Appreciation Day is recognition of Baggary and of "The Country Editor", a book written by Dr. Eugene W. Jones, based on Baggary's editorials and columns and their influence on political thinking. Special guests will be U. S. Senator Ralph Yarborough and

Dr. Jones, dean of the department of political science of Wayland Baptist College, Plainview. The author, along with Baggary, will be available for autographs.

Refreshments will be served.

Finishes Course

FT. BENJAMIN HARRISON, IND. (AHTNC) -- Private Kenneth V. Horn, 21, son of Mr. and Mrs. Johnnie N. Horn, Bovina, completed a pay specialist course Nov. 7 at the Army Finance School, Ft. Benjamin Harrison, Ind.

He was trained in the payment of civilian and military personnel, handling of travel allowances, and accounting. Instruction was also given in business law and pay regulations.

Jewell Tabor Holds Lead --

Grid Contest Won By Bovina Coach

For the second time this fall, Truck Lusk won the \$5 first prize in the Bovina Businesses Cotton Bowl Football Contest.

He correctly named nine winners and came closest to the tie breaking score.

Henry Spicer was second, also naming nine winners, as did Jamie Clearman, who won third on his first entry this year. They received \$3 and \$1, respectively. Only other contestant naming nine was Tommy Spears.

Lusk is the only two-time first place winner this year. Because of a controversy over the Friona-Memphis game, it was "thrown out" in the grading of the entries. The teams tied but no contestants picked it that way. However, Friona was declared a winner on penetrations, but this decision was being contested by Memphis, and final decision could take several days.

With three more weeks to go, Jewell Tabor still leads the contest with 70 games to her credit. Behind her two games are Stephen Sherrill and Lusk with 68 each. Three contestants have 67 games, A. M. Wilson, Tom Bonds and Patricia Duffa.

Naming eight winners this week were 25 entries, Albert Johnson and John Getz of Farwell, Leroy Lance, Mrs. Tabor, Bonds, Rex Cumpton, Bill Moore, Roger Ezell, Linda Roberts, Lloyd Gober, J. W. Harris, Billy Whitecotton, Gary Carson, Hugh Rogers, Alan Carson, H. J. Charles, Kim Gober, Mrs. Houston Bartlett, Kathryn Johnson, Barbara Griffith, Pat Sherrill, Wilson, Stephen Sherrill, Darla Hawkins and Bill Hutto.

Of the 123 submitting their football blanks this week, four picked nine; 25, eight; 37, seven; 36, six; 13, five; seven, four; and one, one.

Contest Rules

1. There are 10 high school, college and/or professional football games listed in ads on this page.
2. Pick the team you think will win in each game and place the WINNER'S NAME beside same advertiser's name in the contest entry blank at bottom right of this ad.
3. Pick the score of the tiebreaker game and place your guess in the appropriate blanks on the entry. The tie breaker game will not count on your won-lost record. It will be used only in case of a tie.
4. Winners will be named by the Monday following the contest deadline each Friday and they will be named by Saturday, if possible. Cash prizes of \$5 for first, \$3 for second, and third prize of \$1 will be awarded.
5. Tabulations of individual entrants will be kept all season and at the end of the season a grand prize winner will be named. Grand prize winner will receive two free tickets to Cotton Bowl game plus hotel, food and traveling expenses to Dallas and the January 1, 1967 football classic.
6. There is nothing to buy. No requirements other than to bring the entry blank, filled out, to The Blade office by 5 p.m. Friday of each week.
7. Only one entry blank may be submitted per individual. If more than one blank is submitted by an individual, all will be disqualified.
8. Tabulations will be available for public inspection. Members of Blade staff will serve as judges for contest.
9. Contestants must be 10 years old or older.
10. Everyone, except employees of this newspaper and their families, is eligible to enter.

Don't Lose Out - Enter This Week And Every Week. All You Have To Do Is Pick The Winners. There's Nothing To Buy!

Prospects Good For Girls --

Inexperienced Team Starts Loop Season

Basketball teams in Bovina High are this year competing in Class A for the first time, as in other sports events, and with the season already underway, prospects are from good to fair for winning teams, Coach Darrel Read reports.

The girls' varsity team is expected to be "pretty good", Read said, but the boys will be inexperienced although they could develop into a good team if they provide the "necessary hustle."

Saturday night the varsity boys and girls travel to Elida, N.M. for their second encounter of the young season with games beginning at 6:30 p.m. They opened the season Tuesday night at Lazbuddie.

First home games will be played the following Tuesday night when Nazareth varsity girls and boys come to Williford Gym.

Coach Read has only one starter back from last year's Mustang team, Randy Jones, who is a senior. Only other lettermen returning are Carl Harris, Wayne Davies and Dean Stanberry, and the later is out from a football injury.

Coming along from last year's "B" squad are Lynn Murphy, Mike Grissom, Bobby Redden, Daryl Kirkpatrick, who

also has a football injury, Alfred Stanberry, Kent Stanberry, Gaylon Hromas and Larry Mitchell. Only four of those out are seniors this year.

The girls squad has some height at the forward positions, Read said, in Carol Kirkpatrick, Judy Minyen and LaNelle Christian and Diane Stowers. Expected to see action at guard positions are Janice Booth, Linda Rejino, Margaret Jo Venable, and Candy Fleming. Probably two others will be added to the travelling squad who had not been named last week.

Read said he would be starting mostly juniors on the girls team with one or two starters being seniors.

Girls Team At Clinic

Bovina girls basketball team attended the Flying Queens Basketball Clinic held at Wayland College Saturday.

Leaving here early that morning, the girls attended the clinic that began at 9 a.m. and continued until 4 p.m.

Four girls basketball games were held that afternoon featuring district and regional winners from this area, including Springlake against Friona, Roosevelt vs. Dimmitt, Tulla vs. Spearman, and Floydada vs. Quitaque.

The team returned home Saturday night.

Square Dance This Friday

Square Dancing Club in Bovina will meet at 8 p.m. this Friday night in the American Legion Hall, according to Pat Kunselman, president.

Calling the dance will be Virgil Scarberry of Cannon Air Force Base in Clovis.

Everyone interested in square dancing is invited to attend.

Don't let anyone hear you bragging about how many farms you have worn out.

Band To Contest In Lubbock

Bovina Mustang Band will participate in the Class A Regional Marching Contest to be in Lubbock Tuesday, Nov. 22, according to Joe Wayne Harper, director.

The Bovina marching unit will consist of 48 members and will be the last Class A band to march in the event. Time set for the Bovina band appearance is 12:05 noon at Jones Stadium.

Twirlers of the Bovina band, Pam Grissom, Carol Jamerson and Suzanne Wilson, will compete in twirling contests at 10:30 a.m.

Judging the marching contest will be Warren Thaxton of Madison Junior High School in Abilene, Joe Rogers of New Braunfels High School and J. P. Gilligan of Kermit High School.

Ratings will be announced later that day, Harper said.

The band will travel to Lubbock and return home that same day.

Director Joe Wayne Harper

Junior Teams At Lazbuddie

Junior High basketball teams will open their season this Thursday night at Lazbuddie beginning at 5 p.m.

Under tutelage of Coach Truck Lusk, two games will be played, a Junior High girls game and a Junior High boys game.

Cummings added the double extras to make it 0-30.

Bovina couldn't gain following the kickoff and was forced to punt. Building up momentum as they went, the Eagles scored again minutes later on a 27-yard pass from Cummings to End Tim Blair to boost the count to 0-36.

A fumble by the Mustangs on the first play following the next kickoff gave the ball back to Seagraves on the Mustang 33. They got still another six-pointer in six plays with Fullback Mike Bagley going the final nine yards, Cummings passed to Bradley for the extras and it was 0-44.

The Eagles covered the next kickoff on the Bovina 30. From there, Cummings raced 25 yards to the five and then Thornton blasted over for the TD. The points attempt failed and the scoring was all over, finally, at 0-50.

The Mustangs reeled off a

In High School Assembly --

Twelve New Members Installed In NHS

Twelve new members of National Honor Society of Bovina High School were introduced in an assembly program Friday in the school auditorium.

They joined the four members who had previously been named to the honor organization.

New members, introduced by

Held over from last year's

the sponsor, Miss Pat Simons, are LaNelle Christian, Cecelia Denney, Zella Donaldson, Larry Grissom, Mike Grissom, Linda Rejino, Margaret Jo Venable, Gary Carson, Rose Marie Denney, Kathy Estes, Carol Mast and Timmy Sisco.

Home for opening ceremonies and returned there after the trip to the elevator.

Tommy Scaff operated the cage lift for the den, taking three or four boys at a time.

Making the trip were assistant den mother, Mrs. Houston Bartlett, and members Rodney Hromas, Jimmy and Stevie Lance, Buzzy Mast, Billy Whitecotton, Bartie Bartlett, Dennis Willard and Mike Dixon.

National Honor Society were Lane Gober, Karen Beauchamp, Janie Hawkins, and Nancy Pewitt.

To become a member of the honor organization, a student must maintain a high scholastic average and be deemed outstanding in leadership, service and character. Selection is made by the faculty.

In the program, the National Honor Society saluted Veterans Day. Janie Hawkins presented, "What Is a Veteran," while Zella Donaldson provided background piano music, "Battle Hymn of the Republic". Lane Gober made a short talk on Veterans Day.

Previous to introducing the new NHS members, Karen Beauchamp and Lane Gober told the audience the meaning of the National Honor Society.

Non-District Game --

Mustangs Drop Finale To Seagraves Eagles

The underdog Bovina Mustangs put up a good fight for three quarters here Friday night before the powerful Seagraves Eagles, 5-A representative to the state playoffs, plowed them under by a final 50-0 count.

The Mustangs, outclassed and crippled by injuries besides, held the classy Eagles to one touchdown in each of the first three periods, Seagraves then erupted for 28 points in the final frame to make the game's outcome tremendously one-sided.

For the Mustangs, the non-district tilt was the season finale. The loss made their 1966 season record 2-8.

To say the game was closer than the score indicated would be an understatement. The Mustangs gave the talented Eagles something to worry about in the opening quarter.

Bovina received the opening kickoff and marched down to the Seagraves 17 by picking up three first downs in 11 plays. The drive was halted when a pass by Quarterback Randy Jones was intercepted at the goal line and returned to the Eagles 31.

The big play in the Mustangs' opening offensive drive was a 22 yard pass play which went from Jones to End Lane Gober. The pass was incomplete but an interference call gave Bovina a first down on the Seagraves 45.

The visitors got their first TD without losing possession after the pass interception. The drive covered 10 plays and 69 yards, Terry Cummings did the bulk of the damage for the Eagles. He had a 48-yard run

pair of nice runs as the game ended, Murphy made 14 from the 10 to the 24 on the next-to-last play and Sisco ran for 13 to the 37 on the last play of the game.

Sisco was the leading ball-carrier for the Mustangs, picking up 45 yards in 14 tries. Harris made 42 yards in the same number of attempts. Murphy made 29 yards in eight carries.

STATISTICS:

Bovina	Seagraves
9 First downs	26
96 Yards gained rushing	372
4 Passes attempted	9
2 Passes completed	4
31 Yards gained passing	123
127 Total offense	495
1 Passes intercepted by	1
6 Number of punts	1
37 Punt average	45
7 Number of fumbles	1
Opponent's	
1 fumbles recovered	1
9 Number of penalties	7
98 Yards penalized	85

for a first down on the Bovina 12 and then scored seven plays later from the two. The scoreboard clock showed 2:33 remaining in the first quarter when the Eagles made their first tally.

Seagraves' second period score came with 4:52 remaining in the half. Halfback Dennis McKenzie went over the goal line from four yards out. Halfback Dennis McKenzie went over the goal line from four yards out. Halfback Jerry Hoover carried over the two extra points to make the score 0-14 and that's the way it stood at the midway mark.

Another first half score by the high-flying Eagles was possibly stopped by the half-time clock. The winners had second down on Bovina's three-yard line as the first half ended.

Seagraves received the second half kickoff and marched for a touchdown without giving up possession of the ball. The drive covered 10 plays with Hoover going the final six yards. Cummings ran the extras to make the score 0-22.

The Mustangs made a strong effort to get back in the game following Seagraves' kickoff. They were forced to punt from their own 40, but a fumble by the Seagraves safetyman on Alfred Stanberry's short boot gave possession back to Bovina on the Seagraves 38. A five yard penalty against the Eagles moved the ball down to the 33. Halfback Tommy Sisco, running from the halfback position of Dean Stanberry, who was injured in the Farwell game last week, made six in two tries to the 27. Halfback Lynn Murphy blasted for seven. Sisco and Fullback Carl Harris each got one more yard before Murphy was stopped for no gain and the ball went over on downs on the 18.

As the game clock shifted into the final period, the Eagles roared back up field and to the Mustang 10 yard line before their drive bogged down and the ball went over on downs at the 11.

Then the fireworks started. Seagraves Halfback Mike Thornton tore loose on a 35 yard scoring jaunt the next time his team had the ball.

IGLESIA BAUTISTA MEXICANA BOVINA, TEX., NOV. 24

Greenhands At Contest

Bovina FFA Greenhand (Freshmen) Chapter conducting team will compete in Littlefield District Leadership Contest to be Saturday at Muleshoe, according to John Paul Jones, vocational agriculture teacher.

The team will compete at 9:30 a.m. in the event.

On the conducting team will be Randy Barrett, president; Stephen Sherrill, vice president; Kelly Jamerson, secretary; Stuart McMeans, treasurer; Bruce Caldwell, reporter; Royce Grissom, sentinel; and Steven Wiseman, auditor.

Mr. and Mrs. Bill Bradshaw visited their son and family, Mr. and Mrs. J. F. Bradshaw, in Lubbock over the weekend and attended the Texas Tech-Baylor football game.
