Nation's Railroads Refiguring Freight Rates Which Are Equal For All Sections Of Country

WASHINGTON—(P)—The nation's railroad freight bill is being refigured. In a move widely significant to the South and West, the Interstate Commerce Commission:

1. Ordered freight rates of those sections—except for the Far West—equalized with Eastern rail charges.
2. Directed that the nation's carriers simplify rate-making by setting up a uniform system of freight classification for the entire nation.

Upton Discovery Flows And Dies; Given More Acid

By JAMES C. WATSON, Oil Editor
Humble Oil & Refining Company No. 1 Parrott, East-Central Upton County discovery for production in the lower Permian, in section 3, EL survey, flowed 150 barrels of fluid in 19 hours with shut-out of from six to eight percent sand sediment, from perforations at 9,100-9,893 feet. Casing pressure varied from 800 pounds to 550 pounds and tubing pressure ranged from 175 pounds to zero. Operator was swabbing off residue and load Monday morning, after treating with 6,000 gallons of acid at 9,100-9,884 feet. The zone had previously been treated with 2,000 gallons of acid. 3-B Skaggs Flows Continental Oil Company No. 3-B Skaggs, diagonally outpost to the discovery, and up to now the lone producer from the Wolfcamp-Permian in the Skaggs area in East Lea County, New Mexico, were continuing to test, after flowing 484.5 barrels of 41.79 gravity oil, with no water, in six hours through a three-quarter inch choke on 2 1/2-inch tubing. In last hour of the six hours the well made 82.5 barrels of oil. Gas was at rate of 768,000 cubic feet per day. Total depth is at 7,698 feet, and 7-inch casing had been cemented at 7,658 feet. Mabce Oil & Gas Company No. 1-B J. E. Mabce, free, to be 660 feet from south and west lines of section 14, block 39, G&MMB&A survey, T-2-N, is to be a 5,000-foot wildcat in Southwest Martin County. It is approximately one and one-half miles northeast of nearest production in the Mabce field along the Andrews-Martin county line. It is to start as soon as a rotary rig can be moved in. Another For Winkler The Ohio Oil Company has filed application with the Railroad Commission of Texas to drill No. 1 Laura E. Evans to 6,500 feet, in Southeast Winkler County. This project is slated to start digging around June 15. Some sources report that should it be dry in the lower Permian it likely will be drilled to the Ordovician. The location is six miles southwest of the Wheeler-Ellenburger-Devonian field; eleven miles southeast of the Keystone field, and seven miles northeast of the North (Continued on Page 2)

War Bond Sales Total \$352,913

War Bond sales in the Mighty Seventh War Loan campaign in Midland County reached \$352,913.25 Monday morning following a \$25,000 purchase by the County of Midland. The Series E total had reached \$153,018.75. The county bought the War Bonds with road and bridge funds so money will be available for the purchase of road machinery after the war. Mayor A. N. Henriksen, campaign chairman, received notice Monday the Rockwell Brothers Lumber Company would allot \$4,000 of its War Bond purchases to aid Midland's need. Its large \$1,425,900 quota, \$600,000 of which is for Series E Bonds. V-Mail Forms Are Popular Citizens with relatives in the service overseas are showing a great interest in the V-mail form with the reproduction of a War Bond on it. It can be mailed to men and women in the services overseas to show War Bonds have been purchased for them. The forms have not been available in previous campaigns. All Midland War Bond issuing agencies have the forms. "While a number of citizens have purchased War Bonds in previous campaigns, the new V-mail form gives a more personal touch to the purchases," Henriksen pointed out. "If all citizens with relatives overseas will buy one for them it will go a long way toward meeting Midland's quota."

Sunday Records Year's Highest Temperature

Midlanders sweltered Sunday as the thermometer registered the highest temperature of the year from 6 to 7 p. m., a hot 98 degrees. Sunday's reading even topped the 96 registered from 3:45 to 4:15 Saturday. The mercury fell from Sunday's 98 to 58 degrees at 8 a. m. Monday.

Conference Passes First Big Hurdle

By JOHN M. HIGHTOWER, SAN FRANCISCO—(P)—Agreement among the Big Five and Latin American nations on plans for regional self defense systems within a world organization Monday put the United Nations Conference safely past its biggest stumbling block. Russian acceptance of the regional defense system in this hemisphere was followed by signs that a smooth and early solution of Soviet-American differences over a system of international trusteeship is close at hand.

Melted Opposition Furthermore, satisfaction of the Latin American republics that the regional defense system in this hemisphere will be preserved melted their opposition to decisive action on other major conference issues mainly a veto-voting system for the big powers in the proposed world security council. As the fourth full week of the conference opened, many United Nations leaders were hopeful that the job of charting the new international league could be finished June 2. Proposals for speeding up the work to meet the deadline were ready for a steering committee session Monday.

Full Protection American military authorities were under no delusion that the security arrangements already on or in the making offer full protection to the United States regardless of how the projected league works out. Much of the maneuvering to date has been due to the efforts of all the nations, but particularly the big powers, to set up its main safeguards as they can for their own future protection. Thus Russia early obtained agreement of the Big Five to allow defense treaties against future Axis aggression to remain unchanged under the world organization system.

Schoerner Is Captured By 42nd Division

PARIS—(P)—Field Marshal Ferdinand Schoerner, commander of hold-out Nazi troops who resisted the Red Army in Czechoslovakia many days after Germany's unconditional surrender, was an American captive Monday—turned over to the 42nd Division by troops of a German Army command post. Schoerner, who deserted his troops in the field and fled out of Czechoslovakia May 8, was disguised in a Tyrolean native costume when he sought refuge with the German First Army group, only to be surrendered promptly to the Americans. The amount for Gestapo Chief Heinrich Himmler identified an armored automobile confirmed as having belonged to him was found near Neunkirchen, close to the area where Arthur Greiser, former Nazi overlord of Posen, was caught on May 17.

Moscow Demands

Moscow commentators Sunday night demanded to know why some Nazi war criminals had not been captured by British-American authorities. The American military government froze financial assets of Nazi leaders Sunday, limiting them to \$30 a month for living expenses. Those affected, all of them liable to arrest, included all general staff officers, Reichstag deputies, SS members, officers and non-commissioned officers of the Waffen SS and SA, police above the rank of lieutenant colonel, security police, Gestapo members and all above the rank of captain in the administration of occupied territories.

Army Men Of 40 Eligible To Get Out Under New Ruling

WASHINGTON—(P)—The Army Morale fixed at 40 years the age at which enlisted men may apply for discharge. The Army only last month had lowered the discharge age to 42 years. An estimated 30,000 enlisted men in the Army are in the 40 and 41 year age groups. At the same time, the War Department announced that WACs 40 years of age or over who have served the required period on active duty will be eligible for discharge. It estimated that 8,000 enlisted WACs will be eligible under this provision. The new order provided that in the case of men 40 or 41 years of age, commanders will be permitted to retain for not more than 90 days any man for whom a replacement is not available at the time he requests discharge. The War Department said that "when the military situation permits a further reduction in the age limit will be made."

All Jap Students Mobilized To Fight On Nip Homefront

SAN FRANCISCO—(P)—Critical developments in the war situation Monday led Japan to mobilize its 20,000,000 students on a full wartime basis "actively to participate in the defense of the homeland," the Japanese Domei news agency said. The dispatch, recorded by the Federal Communications Commission, said the mobilization order effective Tuesday, would convert all students in educational institutions from the universities down into a "student corps." The ministry of education announced the "new wartime education decree" and said students will receive special training "to qualify them for active combat duties." The dispatch, garbled in spots, said a diploma would be granted for unfinished studies "in case of death." The decree was passed by the cabinet on April 20, Domei said in another broadcast, but was not approved by Emperor Hirohito until Monday.

Farm Security Benefit Plan Still Barred By House At Austin

AUSTIN—(P)—The House stood pat Monday on a previous decision against memorializing Congress to extend social security benefits to farm and domestic workers. Defeated was a motion to suspend rules to reconsider a vote of several days ago by which a memorializing resolution failed of adoption. Debate on the motion to suspend rules produced one of the biggest laughs of the session. Rep. Rae Files of Waxahatchie, arguing for the resolution, said it would be beneficial to farmers. "I know because I am a farmer. I was born on a farm," she told Rep. Homer Leonard of McAleer who was at the opposite microphone. "I was born in a hospital and I am neither a doctor nor a nurse," replied Leonard amid an uproar of laughter. Previously Leonard had described Miss Files' farm as "a window box overlooking the main street of Waxahatchie."

British Press Clamors For Settlement

LONDON—(P)—The British press clamored Monday for an early meeting of the Big Three to settle a multiplicity of vexing problems in shattered Europe as tension mounted in the dispute over the Adriatic port of Trieste. "The time has come when Allied leaders must rally their peoples to a united front for peace as they did in war," declared the Daily Sketch, adding that "some of the issues are beginning to assume the nature of international crises" and "there are still darker clouds ahead."

Truman Forsees New Powerful Blows On Japs

WASHINGTON—(P)—President Truman told Congress Monday that American forces were preparing to strike the Japanese with "overwhelming" power. Speaking at ceremonies at which he awarded the Congressional Medal of Honor to Tech. Sgt. Jake W. Lindsey of Lucedale, Miss., the President asserted: "This is a proud and moving occasion for every American. It follows the complete victory of the Allied forces over a powerful enemy in Europe, it finds us striking devastating blows in the Pacific. We are preparing to strike them later in an overwhelming force. Before the battle against Japan is won, we shall have other men to honor—men whose deeds, like those we celebrate today, will have brought closer our inevitable victory." Lindsey is the 100th infantryman to receive the nation's highest award for valor in battle and the President, in making the presentation personally before a joint session of Congress set a precedent for such ceremonies. "Through him (Lindsey) we pay a grateful Nation's tribute to the courage of all our fighting men," the President said. "The history of this war is filled with countless acts of valor by our soldiers and sailors and Marines under fire." The President pointed out that no officer ordered Lindsey, when wounded, "to engage eight Germans in hand to hand combat. Those decisions came from his own heart," the President asserted. "They were a flash of the nobility which we like to think is a part of every American. They were the unselfish valor which can triumph over terrible odds. They were the very essence of victory."

Nearly All Coal Mines Have Returned To Work

WILKES-BARRE, PA.—(P)—Of the 333 anthracite coal operations under government control, 326 are working Monday, J. J. Forbes, manager of the anthracite industries for the Solid Fuels Administration, said. Forbes, called to Wilkes-Barre when the government took over Pennsylvania's hard coal fields, estimated the industry's manpower at 68,800. He said 93 per cent of that number returned to work Monday. He said Monday's output will equal 95 or 90 per cent of the estimate normal daily production of 206,000 tons, shut off May 1 when the miners' union contract expired. The only idle collieries are in the Pottsville, Pa., area, he said, where high water and mechanical deficiency closed at least two mines. 222 Medals Awarded Since the war started, he said, 222 Medals of Honor have been (Continued on page 2)

Single Navy Bomber Sinks Jap Convoy

MANILA—(P)—In one of the war's outstanding aerial feats, a single Philippines-based Navy patrol plane destroyed an entire Japanese convoy of five ships, totaling 17,000 tons off Formosa Saturday, Gen. Douglas MacArthur reported Monday. The largest ship, more than 5,500 tons, was a troop carrier, judging from its numerous life rafts.

Statement Of Confidence Is Signed At UT

AUSTIN—(P)—University of Texas faculty members numbering 115 have signed a statement of confidence in the security of academic freedom and tenure at the University of Texas, faculty sources announced Monday. At the same time, it was revealed that during an executive session of the April meeting of the board of regents, the board authorized Chairman Dudley K. Woodward and acting University President T. S. Palinter to give the statement the "widest possible distribution and publicity." The announcement of the statement of confidence was made by Dr. M. R. Gutsch, secretary of the faculty and Dr. E. C. Barker, professor of history. Not Official Dr. Gutsch said the statement was not an official faculty action, but was an action initiated prior to the last board meeting by individual faculty members. It was circulated among the 368 voting members of the faculty, who have until Wednesday to sign or not to sign. Meanwhile, in Chicago, there was an additional reflection of the university controversy that led in November to the dismissal of Dr. Homer P. Rainey as president, after a long series of conflicts over administration with the regents. A spokesman for the executive council of the American Association of University professors said there would be a delay until Autumn in its investigation of University of Texas affairs.)

Invasion Of Japan Imminent As All Fronts Drive Ahead

By LEONARD MILLIMAN, Associated Press War Editor
Two significant new China offensives reclaimed three cities as signs indicated Monday the invasion of Japan is not far off. Four Yank divisions closed in on key Shuri fortresses to speed the end of the campaign for Okinawa, from which the U. S. 10th Army commander said "the death blow can be dealt the Japanese empire."

Second Guessing

Now that Germany has capitulated, the military experts are revising the second guessing that began long ago, and are revamping their lists of the errors by which the Nazis beat themselves. Most such lists continue to include at least two fatal mistakes—one, Hitler's failure to invade Britain in 1940; another, his treacherous attack on Russia.

Monday-morning quarterbacking is often justly derided. It is much easier to decide correctly after a decision has been tested by an event. And Hanson Baldwin, the New York Times' capable military writer, points out that wars never do go according to plan, notwithstanding claims made in official communiqués. The best of generals make mistakes.

Put it another way. Germany and Japan were strong enough, in the opinion of informed critics, to have conquered the remainder of the world. They failed only because of a series of errors. It seems far from impossible that they could not overcome all of them.

The more those ifs are emphasized, the better. We can not remind ourselves too often of the narrow escape we had. We must realize and never forget that the Nazis are beaten today and the Japs will be beaten eventually by their own mistakes—not by our foresightedness.

Without being conversant with the legal niceties by which war criminals are defined, we agree with the National Maritime Union that Grand Admiral Karl Doenitz should be included among them.

It was Doenitz who scorned humanity as weakness and ordered his crews to machine gun survivors of torpedoed ships. Because of this utter disregard of civilized rules which mitigate the uncivilized practice of war, most of the 15,000 United Nations seamen who died in the war against Germany lost their lives needlessly.

As commander-in-chief of a defeated enemy, Doenitz apparently would not be tried for war crimes. But he assumed that rank, as Hitler's successor, in the closing days of the war. Before that he was in command of the Nazi U-boats.

Because of this utter disregard of civilized rules which mitigate the uncivilized practice of war, most of the 15,000 United Nations seamen who died in the war against Germany lost their lives needlessly.

As for Ezra's last statement, we go along with him on that reliance in the American sense of justice. And for that very reason we'll bet him even money that he doesn't beat that treason rap.

vantages in certain commodity rates.

Class rates are applied to the shipment of articles of the same general character which are placed in a class or category and where the shipment is not large enough to demand a commodity rate.

Commodity rates apply principally to carload shipments of single or closely related commodities being moved at a specified price for a specified haul. Products customarily moved on commodity rates include such things as coal, lumber, grain and cotton.

A commission study of less-than-carload traffic in 1941 showed that such shipments accounted for \$150,263,282 in railroad revenue in Eastern territory, \$55,899,927 in the South, and \$100,678,278 in the West.

Assuming arbitrarily that all this traffic moved on class rates (which it didn't), the temporary reduction would have reduced the freight bill for Southern shippers by \$5,589,927 and for Western shippers by \$10,367,827. The 10 per cent increase for the East would have raised the freight bill in that area by \$15,526,528.

Premiere Cooper, former governor of Tennessee and former chairman of the Southern Governors Conference, said the decision "will have the South a billion dollars during the next few years," and Edgar Watkins, Atlanta attorney in rate matters, said the "order should mean an advantage of at least \$25,000,000 annually for the Southeast."

Refusal To Alter Report Resulted In Discharge FCA Employee Charges

KANSAS CITY—(AP)—A. C. Utterback, a supervising examiner for the Farm Credit Administration, said Sunday he had been discharged by order of Claude R. Wickard, Secretary of Agriculture.

Utterback charged he was kept without assignment for six months because he had refused to change a bank report.

In July, 1944, Utterback and his assistant, Roland W. Bush, filed a report of their examination of a Texas bank for cooperatives. Bush, who resigned in October of that year, charged that the FCA was suppressing the report.

Officials of the FCA said they had not asked Utterback to change his report, but only to substantiate charges he had made in it.

RAAF Began Mining China Coast Last Fall
MELBOURNE—(AP)—A few days after the Americans landed in the Philippines last October, Royal Australian Air Force Catalinas began to mine the China coast and have been at it ever since, Air Minister A. S. Drakeford said Monday.

The Catalinas are manned by American and Australian crews, he said, reporting that their efforts has spread chaos among Japanese shipping.

There was slight shows of oil at about 4,900 feet to about 4,970 feet, and a considerable amount of salty sulphur water from 5,105 feet to total depth.

Changing Derrick
Amerada Petroleum Corporation No. 1-A Jones, Northwest Gaines County possible discovery from the lower Permian, in section 3, block A-6, psi survey, was bottomed at 9,284 feet in lime and chert, and was changing derricks.

Magnolia No. 1 Veach, in southeast corner of a 167.16-acre lease in section 1255, block D-19, psi survey, and an outpost to production in the 212D field in Northwest Garza County, has been plugged and abandoned on total depth of 3,580 feet in lime. It had only slight indications of petroleum, and had signs of sulphur.

Phillips Petroleum Company No. 1-A TXL, West Ector County Ellenburger development in northwest corner of section 21, block 45, TP survey, T-1-S, and which has shown for prolific production in that zone, has found the water, and is due to start completion—possibly in both Silurian and Ellenburger.

In a drillstem test at 9,825-50 feet, open for one hour, there was a blow of air first 40 minutes, and a blow of gas last 20 minutes of the test. Recovery included 300 feet of oil and gas cut drilling fluid and 1,000 feet of basic sediment and sulphur water.

Magnolia Petroleum Company No. 1 Wolcott, Northwest Martin County exploration in northwest corner of league 252, Ward County School Land survey, was drilling ahead below 5,031 feet in lime.

A drillstem test was taken for one hour at 4,940-60 feet. Recovery was 100 feet of drilling mud, with no shows of oil or gas. That section had shown slight porosity and some blebbing oil and gas in cores.

A core was taken at 4,960-70 feet, and recovery was nine feet of lime with slight porosity and a slight show of gas. A core at 4,970-80 feet recovered three and one-half feet of lime, with no shows.

Settles Flows
Continental Oil Company No. 1-D Settles, South Howard County discovery for flowing production from the Pennsylvanian at 9,100-20 feet, flowed 202 barrels of oil in 19 hours on a 1/4-inch choke, and then died.

Operator swabbed the well and it kicked off and flowed 23 barrels in four hours through a 1/8-inch choke, on 2 1/2-inch tubing. It was shut-in Monday morning to take bottom-hole pressure tests.

Humble No. 1 Buchanan, East Midland County wildcat in Baldridge survey No. 32-692, ten miles southeast of Midland, was making hole below 11,559 feet in chert.

Cooperation To The Nth Degree

DENVER—(AP)—A corporal wearing overseas campaign ribbons with stars asked the housing desk of the servicemen's center for a house for himself, his wife and their three-year old son—a near impossibility in Denver.

An excited attendant who had just finished talking on the phone, told a corporal a landlord had offered a desirable vacancy, but that a family with two children was wanted.

"Tell him we'll take it," said the corporal. "If he insists on two children, we'll have another one."

It's A Grand Feeling Says Liberated Peyton

Mr. and Mrs. E. H. Peyton of Midland received their first letter written by their son, S/Sgt. William L. Peyton since they were notified by the Red Cross May 15, that he had been liberated from a prisoner of war camp in Germany. The letter was written on May 5, in France.

Sergeant Peyton reported that he was feeling one thousand per cent better after arriving in France, where he had a shower and was issued new clothing. He said, "What a feeling! Just like being a rookie again, but no one minded that—and the chow!—we had steak and chicken our first meal."

He is now being processed for shipment to the States and expects to be home some time between June 1 and June 15, for a visit with his parents and friends.

Oil Men Testify Against Cartels

WASHINGTON—(AP)—Two oil executives testified Monday they oppose the principle of foreign cartels and monopolies but asserted that U. S. business must compete abroad on conditions existing there or die.

Orville Harden, vice president of Standard Oil of New Jersey, told a Senate Oil Resources Investigating Committee:

"We are opposed to cartels; we know of no dissent in the American petroleum industry on this point. All of us would like to see the adoption of our American philosophy of business, world-wide."

Harden said, however, that whatever the answer to the cartel, it cannot be the abandonment of "our foreign markets" which he described as vital to the U. S. in prosecuting this war or any future conflict.

Hopper Urges Graduates To Be Considerate Of Other Persons

Graduates of Midland High School were urged Sunday night by the Rev. Hubert H. Hopper to be more considerate of other persons. The subject of his baccalaureate address in the high school auditorium was "Paying the Price for Growing Up."

The auditorium was crowded to capacity when the seniors marched in and took their places.

Mr. Hopper discussed childish traits which must be abandoned by the students and urged "self-examination" by each.

"Assume more responsibility, be

more considerate and be willing to pay the price for growing up," he said. "Cast off irresponsibility."

"Priests' March"

"Sharon Cornelius played the professional 'Priests' March' from 'Athaliae.'"

The congregation joined the students in singing "The Star-Spangled Banner," and also in giving the pledge to the flag. The Rev. Vernon Yearby offered the invocation and benediction and the Rev. Father Trigg gave the scripture reading and offered a prayer.

The school's a cappella choir sang three selections and the senior girls' quartet sang "Roses of Picardy." The recession was played by Miss Cornelius.

The seniors will have their class day program Tuesday and commencement exercises will be held at 8:30 p. m. Friday.

Kathryn Hanks Is Member Of Sorority

ABILENE — Kathryn Hanks, daughter of Mr. and Mrs. L. L. Hanks of Midland, recently was initiated into the Zeta Alpha chapter of Alpha Psi Omega, an honorary dramatic organization, at Abilene Christian College.

Miss Hanks, a sophomore, was taken into the organization because of outstanding work done in dramatics and in the field of play production.

DE WOLFE STUDIOS TO PRESENT RECITALS HERE THIS WEEK

The DeWolfe Music Studios will present two groups of students in recitals here this week. Piano and instrumental numbers will be featured.

Tuesday, at 7:30 p. m., has been set for the first program, to be held in the North Elementary School Auditorium. The second recital will be presented Thursday at 7:30 p. m., at the same place.

A cordial invitation is extended to the public to attend these programs.

The summer term of the studio will begin June 25 and terminate Aug. 30, it was announced.

'Double Take' Outfits

By EPSIE KINARD
NEA Staff Writer

Multiply one suit by one pair of shorts and the sum a girl, who goes in for this kind of arithmetic, gets two outfits, more wardrobe for less money, more fun that comes from juggling.

The way it works is proven by two "double take" outfits above, of black wool, combined with black

and white striped Erin cloth. The blouse boasting a man's styled dickey and the matching striped jacket take a skirt (left) to make a suit which can go anywhere. At the right, they take a pair of clam-digger shorts—made jaunty with striped-faced frontier pockets and knee suits—and give a girl a casual outfit for her wardrobe.

Texas Sergeant Gets Croix de Guerre

MCKINNEY — (AP) — Sgt. Jack Tucker of Covington, Texas, now a patient at Ashburn General Hospital, has received the Croix de Guerre from the French government.

While serving in Italy the tank unit to which Tucker was assigned was attached to a French division during the Liri Valley campaign. The unit withstood two days continuous German attack, though suffering heavy casualties.

At the battle's end only two of the five tanks comprising the unit were in action. One was operated by Tucker.

MUSICAL TEA HELD HERE SATURDAY AT SCHARBAUER HOME

Members of the Junior Girls' Music Club entertained with a musical tea Saturday afternoon honoring their mothers. The social was held at the home of Martha Mae Scharbauer, with Miss Camilla Birkhead sharing hostess honors.

The program for the afternoon was as follows: Violin, "Flow Gently Sweet Afton" and "Beautiful Dreamer"; Jerlen Jowell, with accompaniment by Mrs. Holt Jowell; piano duet, "Jolly Dardies," Miss Scharbauer and Caroling Kemp; "Beethoven, Haydn and Mozart Join In a Hunting Song," Miss Kemp; "Half Minute Mannikin," Marian Sevier; "Berceuse," Toya Chapple; "Moon Boat," Miss Birkhead; and "The Watermelon Patch," Miss Scharbauer.

Lace-Covered Table

After the program refreshments were served from a lace-covered dining table which was centered with an arrangement of pink and white carnations. Adding to the decorations were tall pink tapers in crystal candelabra. Mrs. J. B. Koenig, club sponsor, presided at the punch bowl.

Those present in addition to members appearing on the program were Mmes. Koenig, Holt Jowell, Gilbert Sevier, J. H. Chapple, E. H. Kemp, E. P. Birkhead and Arnold Scharbauer.

Marriage is a Serious Business

By Randolph Ray

There's a Little Church Around the Corner... THE marriage relation has been my constant preoccupation, and naturally so, for during the 20 years in which I have been rector of the Little Church Around the Corner, more than 50,000 marriages have been performed here. Indeed, the 95 years of the church's existence have witnessed the weddings of over 100,000 couples. More marriages take place at the Little Church than anywhere else in the world and, paradoxically, it is probably the most difficult church in which to be married.

The Church of the Transfiguration was founded in 1848 on 29th Street in the heart of New York City—now a busy thoroughfare but once, oddly enough, known as Lovers' Lane. Its founder and first rector, Dr. George Hendric Houghton, has been described as the First Saint of the American Episcopal Church. Unshaken in principle and gentle in person, he was at once an upholder of the most conservative views and a bold supporter of unconventional action when he believed it to be right.

"Be kind," was his constant admonition to those he married. "To be kind, you must be of one mind—you must really understand each other."

The strangest of all the paradoxes concerning the church is the fact that it was a funeral which made it famous for marriages.

It happened in 1870, when a well-known English actor named George Holland died. His wife wanted him to be buried from the Church of the Atonement on Madison Avenue and 28th Street. Joseph Jefferson, the most beloved actor of his day and a close friend of Holland, went to the minister with his request.

The minister listened to his story and shook his head. "We cannot," he said firmly, "bury an actor from this church. It is impossible." He saw Jefferson's ex-

pression and added, "However, there is a little church around the corner where they do that sort of thing."

Jefferson answered, "Then, if this be so, God bless the little church around the corner."

Dr. Houghton heard Jefferson's account of the death of his friend and his desire that Holland should be buried from the church. The actor went on to explain his friend's profession.

Dr. Houghton stopped him. "I only know," he said, "that your friend is dead and my services are asked. That is quite enough."

At that time, the theatrical district was downtown and actors, learning the story of George Holland's funeral, began to attend the Little Church Around the Corner in great numbers. Many of them were married there. Little by little, more and more people desired to be married from the church which had a reputation for turning out happy marriages.

The brides came from New York City and from near-by towns; they came from the Middle West and the Far West; later, they came from Europe and the distant corners of the earth. Eventually, children and grandchildren of those early brides came to the church to be married. During those years, almost a century, fashions have changed. Brides have come to their weddings in hansom cabs and taxicabs; they have worn bustles and short skirts and—more recently—uniforms. They have worn trailing robes and been surrounded by large parties; they have worn simple street clothes and borrowed attendants at the church. The one thing that has not changed during all this time is the institution of marriage itself. Marriage, indeed, is one of the few things that have not changed during the Christian Era. It is one of a Trinity with Birth and Death.

'Chicks And Chuckles' Coming To MAAF

Maxine Barratt

"Chicks and Chuckles," another sprightly USO Camp Show, will come to the MAAF Post Service Club next Tuesday night at 8:30 p. m.

No admission will be charged and according to advance publicity, MAAF personnel can look forward to seven acts, including:

Johnny Hyman, vaudeville headliner known as "The Blackboard Marvel." His mind works at break-neck speed with words and figures from items suggested by the audience.

Hunt and Juliet, a man and wife magic comedy act with a surprise finish. This act has appeared in countries around the world.

Six G-ful Girls, a dancing line of lovely girls in a vest-pocket edition of the revues playing big time in the largest cities.

Estelita Zarco, a young dancer from El Paso, Texas, who whirls through colorful Spanish dances.

Coco, Steve & Johnny, knock-about comedians, a rough, rowdy riot act billed as "Getting Up In the World."

Maxine Barratt, club, stage and screen personality, who sings and dances through an act which has been featured in the nation's smartest spots. She has been featured in Broadway musicals and in television.

Two Black Crows, blackface comedians. George Moran has been a vaudeville headliner for nearly half a century and Rade Sadler has been riding "low" to Moran's "riding high" for ten years.

Josephine Bond is pianist and musical conductor.

The Scala palace in Verona was the home of famous poets and artists under the rule of the Scaliger family, 1260-1387.

up the South hand he naturally thought he would be the declarer. It never dawned on him that he would never enter the bidding.

When East bid two spades, Goren decided not to double, feeling quite confident that West would not stand for two spades. West did pass and Peter Leventritt, his partner in the North, doubted. Of course Leventritt was asking Goren to bid but Goren was well satisfied and passed. Now, when West bid three diamonds, this was to Leventritt's liking.

The plus-300 score was a top. Most players got into trouble with Goren's hand, as they felt that when East opened with the spade, he was putting in a psychic, and at several tables North and South tried to play the hand at as much as three spades.

Tattle Tale Cards Implicate The Villain

SPRINGFIELD, ILL.—(AP)—Stray chickens were eating seeds as fast as he could plant them in his victory garden, H. Clay Gott of the attorney general's office reported.

So he attached a thin string to a hole bored in corn kernels, and to the other end tied a card reading: "I have been a bad bird. Please keep me home before I get killed."

The corn, string, and cards are gone. Gott is waiting.

Seventeen Year Old Golfer Wins Midland Country Club Championship

Charles Tims, 17-year-old Arlington, Texas, golfer, Sunday won the championship of the Midland Country Club's 1945 invitational golf tournament, defeating Lt. D. J. Cunningham of the Midland Army Air Field 4 and 3.

As titleholder, Tims succeeds Major Richard Ashley, who took the top honors in 1943 and 1944. The officer now is overseas and was unable to defend his title.

In the semi-final round, Tims eliminated the tourney medalist, Chick Trout of Lubbock, one up on the 19th. In the other semi-final match, Cunningham beat Bill Davidson of Odessa 5 and 4.

Capt. Jim Elder of MAAF won the consolation prize, defeating Judge R. S. Stocker of Odessa, one up.

R. S. Farmer Wins
R. S. Farmer of Odessa won the honors in the first flight, defeating Lt. Steve Krolinsky of MAAF 4 and 3.

In the fifth flight, Jim Yates of Lubbock took the honors, beating C. W. Chancellor, Midland, one up.

Honors in the sixth flight went to Lt. J. E. Kearney of MAAF, who bested Capt. C. L. Clark, MAAF.

Browns Will Owe Yankees If They Stay In Race

By JOE REICHLER
Associate Press Sports Writer
If the St. Louis Browns retain the American League championship, they may have their ancient nemesis, the New York Yankees, to thank.

In capturing both ends of a double header from the Brown batters Sunday, 10-1 and 5-2, the Browns jumped right into the thick of the flag fight, tied with Detroit for second place, only a game behind the league-leading Chicago White Sox.

Nelson Potter and Bob Muncief were the Yankees spoilers Sunday. Each won his third game, Potter yielding only four hits and Muncief spacing nine hits effectively in the nightcap.

St. Louis won the opener in the first inning, scoring seven runs against Atley Donald. A two-run homer by opposing pitcher Walter Dubiel prevented Muncief from hurling a shutout.

Pete Gray of the Browns was the hitting star of the day with four safeties, three in the opener.

White Sox
The White Sox protected their first-place berth by defeating Boston twice 4-2 and 8-2 to drop the Red Sox into the cellar.

Pitching continued to be the White Sox forte as Thornton Lee and Orval Grove went the route for Chicago's 15th and 16th complete game in 22 contests.

The largest crowd of the major league season, 51,340, of which 46,575 paid, saw the National League-leading New York Giants divide a twin-bill with the Pittsburgh Pirates at the Polo Grounds.

The Giants won the opener, 5-1, as Bill Voiselle gained his eighth straight triumph without a defeat. Preacher Roe handed the New Yorkers their first shutout of the season, 4-0, in the nightcap on four hits.

Cubs Win Twice
The Chicago Cubs tread the Brooklyn Dodgers twice, 4-2 and 4-1, before 33,708 paid customers, to move into fourth place in the National League.

Paul Derringer won his fifth game in the opener and Hank Wyse his fourth triumph in the nightcap.

After Stubby Overmire, Detroit's lefty, had beaten Washington in the opener, 4-1, for his initial victory of the season, Marino Piretti pitched the Senators to a 1-0 triumph over Al Benton. The rookie right-hander yielded only three hits for Benton's first loss against five victories.

Bucky Walters batted rather than pitched his way to his first victory of the year as Cincinnati split with Boston, the Reds winning the opener, 10-8, and dropping the second, 9-4. Walters hit two homers to account for the winning markers in the first game.

Cards Split
Coaker Triplett and Glenn Crawford gained revenge on their old teammates collaborating on a ninth-inning score to give the Philadelphia Phillies a 7-6 victory over the St. Louis Cards, after the Redbirds had won the opener, 6-2.

Whitey Kurowski homered in each game, while Vince DiMaggio hit one with the basis loaded in the second game.

Cleveland and the Philadelphia Athletics split. The A's won the opener, 6-2, on a four-run outburst in the 10th inning and the Indians copped the nightcap, 4-2. Charlie Gassaway gained his first American League triumph in the opener.

Texas University Has Conference Sewed Up

By The Associated Press
All the University of Texas needs to do this week is win one game and it will have the Southwest Conference baseball championship.

Only Rice has a chance of edging Texas out for the title and that chance is quite remote. The Owls would have to win three games from the Longhorns to turn the trick.

Texas and Rice play at Austin Friday and Saturday to finish out the regular schedule. Should the Owls win both games, a postponed tilt between the two would have to be made up. It would be played at Houston and the winner would be conference champion.

Won Two Games
Last week Texas beat Texas A. and M. in two games 4-3 and 15-2 to stay in undisputed first place with eight victories and one defeat. Rice had no games.

Texas Christian downed Southern Methodist three times—5-3, 8-2 and 14-2—in other games played during the week. T.C.U. still has a game with Texas A. and M. — a postponed affair — but probably won't play it as it will mean nothing in the conference race.

Gober Is Favorite At Amarillo Meet
AMARILLO (AP)—Three ex-champions have arrived here for the 11th annual tri-state senior golf tournament which opens Wednesday and continues through Friday.

Here for preliminary practice rounds are Red Gober, Austin, defending champion, Harrison Smith, Oklahoma City, 1943 winner, and Roy Allen, Oklahoma City, 1942 champ. Bill Gallagher of Carizozo, N. M., 1938 champ, is expected Monday.

Despite a stiff wind, Gober shot a 72, two over par, in practice Sunday. He is a favorite to win.

San Antonio PGA Tournament Closes
SAN ANTONIO (AP)—The week-long PGA golf tournament ended here Sunday with the Texas Cup matches.

The pros won the matches, defeating the amateurs 7 to 1 in the singles and 3 to 2 in the doubles.

Pfc. Rowe Hart, war veteran, was the only amateur to win the singles. The Duffers tourney, a blind bogey affair, was won by Maj. J. P. Dudley.

Amon Carter Jr. Arrives In U. S.
NEW YORK (AP)—2nd Lt. Amon G. Carter Jr., son of the president and publisher of the Fort Worth, Texas, Star-Telegram, arrived here Sunday night. Carter was recently liberated from a German prisoner of war camp.

His father, Carter said, would leave Paris Tuesday for home. Carter Sr. has been in Europe with a group of editors to view the atrocity camps.

Army Cut Production Week Before Surrender
WASHINGTON (AP)—The Army discloses indirectly it was so sure V-E Day was just around the corner that it started flagging down a million tons of war cargo almost a week before the German surrender was announced.

THE WAR TODAY

By DEWITT MACKENZIE
Associated Press War Analyst

The unity of the Big Three is likely to get a sharp and revealing test in the explosive situation created by Yugoslavia's territorial claims against Italy and Austria—and the Anglo-American order to their diplomatic representatives and nationals in Yugoslavia to prepare for possible evacuation indicates that a showdown is near.

This crisis revolves around dynamic Marshal Tito, Yugoslavia's Red politico-military chief, and the position in nutshell is this: Tito is claiming Italian territory around Trieste and Gorizia, and east of the Isonzo River. He also claims Austrian territory in the Allach-Klagenfurt zone. His troops occupied these areas.

Asked Withdrawal
British Field Marshal Alexander, as Supreme Allied Commander in the Mediterranean Theater, asked Tito to withdraw his soldiers from the disputed area and let his claims be settled at the peace conference.

Tito, while expressing willingness to have his claims thus adjudicated, replied that his military occupation wouldn't "prejudice the decisions of the peace conference."

This brought a pungent message at the week-end from Alexander to the Allied troops in his command. He declared that it is "Marshal Tito's apparent intention to establish his claims by force of arms and military occupation. It is to prevent such actions that we have been fighting this war."

He said the American and British governments had taken the matter up direct with Tito and that Moscow has been kept fully informed.

Alexander's statement was issued Saturday and Sunday the United States and Britain ordered their diplomatic corps and citizens in Yugoslavia to be prepared for evacuation. Meanwhile Tito's commanders moved their main headquarters out of Trieste (there was no relaxation of Yugoslav military control to be seen in the city) and it was reported without confirmation that Tito had agreed to withdraw from Austrian territory.

Well that's the way things stand at this writing—a tense and dangerous situation.

MAAF Invaders Top San Angelo 21-13

The Goodfellow Field Skyhawk baseball team lost to Midland Army Air Field Sunday afternoon, 21 to 13, in a three hour 17 minute marathon played on the Midland diamond.

Goodfellow moved into a 10 to 3 lead at the end of the fourth inning, but weak pitching mixed with several errors shoved Midland into the lead in the eighth inning.

Joe Sanders' Band At MAAF This Week

Joe Sanders, the "Ole Left Hand-er," and his Nighthawks orchestra will play at two free dances for

JOE SANDERS

MAAF personnel this week, the Personnel Services Office announces.

Wednesday night the dance will be for officers and guests and Thursday night for enlisted personnel and guests. The old pre-war hours of 9 p. m. to 1 a. m. will be in force.

The delectable music of the former baseball star first became popular at Chicago's Nighthawk restaurant, giving the orchestra its name. The group has also played at the Palace and the St. Francis in San Francisco, the Nicollet in Minneapolis, the Lowry in St. Paul, the Gibson in Cincinnati and others.

Sanders was once cited by Ripley as holder of the world's strikeout record, 27 in 9 innings. He has composed several hits, including "Beloved," which sold over a million copies.

Arrest Negro For Highway Offense
A 25-year old Midland negro was arrested by police Sunday on a complaint a car which he was driving side-swiped another car near the roadside park on Highway 80 east of Odessa. No one was injured. He was released to the sheriff's office.

Love Can So Blind Couples—
SEATTLE (AP)—Seaman Rudolf Sengobosh, Newark, N. J., on leave here, and his fiancée from Newark, Mary Alexander, discussed their marriage plans as they blissfully taxied away from the railroad station.

Sometime later Miss Alexander discovered she had left her purse containing \$500 in cash and \$15,000 in jewels in the cab.

The cab company was notified and they began questioning their drivers. The 52nd one queried found the purse and valuables on his back seat, ignored by several other fares.

Snead and Nelson Spend Week Preparing For Pending Contest

By HAROLD CLAASSEN
NEW YORK (AP)—Sammy Snead and Byron Nelson will spend the coming week preparing for the pro golfers rehabilitation fund match in all the secrecy usually reserved for participants in bowi football games.

Snead will seclude himself for the major portion of the week at the Winged Foot Course where Craig Wood, National Open Duration Champion, will see if he can find a flaw in the socking sailor's swing.

Nelson, the Toledo umbrella man, will work out at the Atlantic City, N. J., Country Club under the scrutiny of Ed Dudley, PGA president.

Will Four 36 Holes
The two gladiators will tour 36 holes over the Fresh Meadow Course in stroke play Saturday and 36 or less the next day in match play on the Essex Country Club layout at West Orange, N. J.

Receipts will go to the PGA fund for the construction of golf facilities near veterans' hospitals.

Snead, who was discharged last year from the Navy because of a back ailment, was forced to leave the winter gold-coast tour for a time in January when his ailment became too severe but he has promised to be in the best of shape for the coming duel.

Nelson, however, closed the tour with a sensational 283 for 72-holes play in the April Iron Lung Meet at Atlanta. The score is a record as are the eight titles he won during the junket.

Sports Roundup

By Hugh S. Fullerton Jr.

NEW YORK (AP)—News item: Mort Cooper is to be represented by a lawyer in Tuesday's conference about his salary dispute with the Cardinals. . . . That may be okay in this case, but think what would happen if ball players made it a habit. . . . Like this imaginary scene at home plate.

Umpire: "Stee-rike three, yer out."

Batter: "Why, yuh blind baboon, that was a foot wide."

Lawyer Appears
Batter's lawyer (appearing from nowhere): "Let me handle this, Mr. Umpire, what evidence have you that my client is out? Can you prove that ball was over the plate? Can you produce a college degree or other qualified evidence that you can count to three? And where's your corpus delicti?"

Ump (bewildered): "One more word from you . . ."

Lawyer: "Objection. My client hasn't said anything; you can't intimidate a witness."

Catcher: "He's out; let's get on with the game."

Catcher's lawyer and pitcher's lawyer (appearing simultaneously from a pink cloud just above the horizon): "Don't say anything unless you consult us first, Mr. Umpire, this witness never has been sworn in. His testimony is incompetent, irrelevant and inappreciable."

Batter: "Why you . . . Ump: "Yer outta the game."

At this point the managers, each accompanied by an attorney, appear from the dugouts.

More Lawyers
Home team's lawyer: "Mr. Umpire, in the case of Durocher vs. Magerkurth, fifth volume Brooklyn 1941 . . ."

Visiting team's lawyer: "The precedent established in the matter of Dykes vs. Passarella . . ."

Batter: "I'm just as competent as any left-handed pitcher in the league."

Batter's lawyer: "I'll appeal this to the supreme court."

Pitcher: "It was a slow curve."

Pitcher's lawyer: "I demand a dismissal on the ground that it hasn't been proved my client missed the plate."

Umpire: "Get someone up here to bat."

Trio of lawyers representing the two league presidents and the baseball commissioner: "Game called, darkness, high wind or something."

OPA Finally Gives Sensible Ruling
FAIRMOUNT, MINN.—(AP)—The Rev. W. A. Korfhage found a three-pound package of meat on the counter of a local bank last week.

He turned it over to the cashier, who took it to a grocery and asked that it be placed in cold storage. The banker then asked the Fairmount Sentinel to help find the owner.

Two days passed. The owner failed to show up. The OPA was asked for a ruling.

NOT A MAN OF WORDS, THE JUDGE FELT HE SHOULD BE SEEN AND NOT HEARD—ESPECIALLY BY WASHINGTON.

"If someone finds three pounds of meat and no one claims it, does the finder have to forfeit ration points to keep the package?" OPA Chief Al Anderson was asked.

"No," he answered. "Someone has already paid points for it."
