

JAPAN HAS INVASION JITTERS

Details On German Rule Not Settled

By JAMES F. KING LONDON — (AP) — A hint that the site of the next "Big Three" parley already had been set was given Commons Wednesday, as one report that the first meeting of the delegates to the Allied Control Council in Berlin had "ended abruptly" created new anxiety here.

Without elaboration, Chancellor of the exchequer, Sir John Anderson, told Commons there was "no chance" that the Big Three would meet in London, leaving the suggestion that a site had been selected.

Meanwhile, fresh concern arose also over the situation in Austria. General Eisenhower and Field Marshal Montgomery left soon after the Berlin meeting without attending a Russian banquet, saying they had to return to their headquarters Tuesday evening.

The first Berlin meeting of U. S., British, Russian, and French delegates left unsettled details concerning the organization of the Allied Control Council and how it will govern Germany.

Richard K. Law, speaking for the Foreign Office, told Commons that although Allied military missions arrived in Vienna last Sunday for preliminary discussions, "it might be some time before a control commission for Austria is set up."

With the increasing number of diplomatic problems—including Poland, Syria and war criminals trials—there are many reasons for an early Big Three meeting, President Truman and Prime Minister Churchill have announced they would like to meet with Marshal Stalin as soon as possible.

Wins Promotion

Capt. Wilbur L. Burall, commanding officer of the 8th Ferrying Service Station at Midland Municipal Airport, has been promoted to major. The announcement of the promotion was received Tuesday afternoon from Brig. Gen. Bob E. Nowland, commanding general of the Ferrying Division of the Air Transport Command.

Thrills Promised Citizens By Big Infantry Show

Everything is in readiness for the biggest special War Bond event ever held in Midland, the "Here Is Your Infantry" show at the high school stadium at 8:30 p. m.

Admission is free, and a spectator does not have to purchase a War Bond to witness the spectacular event. Troop 5 of the Girl Scouts, under the direction of Mrs. John J. Hill, will sell refreshments.

The 77 enlisted men and five officers of the show with their large truck loads of equipment arrived in Midland Tuesday afternoon and were met at the city limits by Chief of Police Jack Ellington who escorted them to the city.

The enlisted men were billeted at the High School Gymnasium and the officers had rooms in the Scharbauer Hotel. Police roped off the west side of Loraine Street in the courthouse block Wednesday so there will be no cars there when battle equipment carried by the unit is displayed from 3 to 6 p. m.

As citizens of Midland County prepared to attend the infantry show the county was gradually nearing the million dollar mark in its huge \$1,425,000 War Bond quota. Total sales reached \$917,453.50 Wednesday morning, of which \$211,590 was in Series E Bonds, Hendrickson announced. The Series E quota is \$600,000.

Russians May Have Body Of Adolf Hitler

By JOSEPH W. GRIGG, JR. Representing the Combined American Press BERLIN — (AP) — A high Russian military source said Wednesday a body found in Berlin had been identified with fair certainty as that of Adolf Hitler.

The body, smoke-blackened and charred, was one of four discovered in the ruins of the great underground fortress beneath the new Reichschancellery after the fall of Berlin. These four bodies, any one of which answered pretty well to Hitler's description, were removed and carefully examined by Russian Army physicians.

All were badly burned from the flamethrowers with which the Red Army soldiers finally cleared the underground command post where Hitler and his leading Nazis made their last-ditch stand.

Examined Teeth After careful examination of teeth and other characteristics the Russians singled out one body which they believe almost certainly is that of the Nazi fuhrer.

Asked why no official announcement of the discovery has been made yet by Moscow, this Russian source said that as long as any element of uncertainty exists the Russians do not wish to state definitely that Hitler's body has been found. The source added, however, that there seemed little doubt that this actually is the corpse of Hitler.

Examination of the body showed that the man almost certainly died of poisoning. Whether this was self-administered there is no sure means of knowing. It will be recalled, however, that Russian sources recently reported Hitler died of an injection given him by his physician, Doctor Morel, after he had been insane and half-paralyzed for several days.

Examination of the body showed that the man almost certainly died of poisoning. Whether this was self-administered there is no sure means of knowing. It will be recalled, however, that Russian sources recently reported Hitler died of an injection given him by his physician, Doctor Morel, after he had been insane and half-paralyzed for several days.

German Civilians Clear Berlin

The famed Unter Den Linden in Berlin is badly damaged by aerial bombing and shelling. Civilians work under the direction of Russian soldiers to clear away the rubble.

Mattabel Downing Gets Wings As Naval Navigator

WASHINGTON — (AP) — Eighty WAVE officers designated as naval air navigators are the first women in American history eligible to serve in military flight crews.

Subjected to the same rigorous training given men selected for similar assignment, the WAVES will wear regulation Navy navigator wings.

While trained primarily to replace male navigators assigned to sea duty, the women officers already have proved their versatility in every phase of air navigation, the Navy said, and are functioning now as navigational instructors.

In addition, they will serve as trans-ocean navigators in theaters where WAVES may be assigned to duty. This will permit them to join crews flying to such points as Hawaii and the Aleutians.

The WAVE navigators were trained at schools in Hollywood, Fla., and Shawnee, Okla. Among WAVE officers thus far qualified to wear the wings of naval air navigators is Lt. (jg) Mattabel Downing of Midland, Texas. She formerly was a teacher in Midland High School.

WAR AT A GLANCE

By The Associated Press OKINAWA: Official American news blacked out. Japanese reported their troops and Americans locked in fierce fighting.

PHILIPPINES: Twin columns continued squeeze against Nipponese retreating from Davao sector on Mindanao. On Luzon, Yanks continued to press forward in Cagayan Valley.

CHINA: Chinese occupation of Liuchow, railroad junction and former American air base in Kwangsi Province, reported.

Brazil Declares War On Japan RIO DE JANEIRO — (AP) — Brazil declared war on Japan Wednesday. Brazil broke diplomatic relations with Germany, Italy, and Japan on Jan. 28, 1942, and declared war on Germany and Italy Aug. 22 of the same year.

A Brazilian expeditionary force fought in Italy in the latter phases of the Italian campaign.

Top Performers Enter Eleventh Midland Rodeo

Contestants for the World Championship Rodeo Thursday, Friday, Saturday and Sunday were arriving in Midland Wednesday, getting ready for the first performance of the big West Texas show at 9 p. m. Thursday.

Everitt Colburn, arena director, said the number of telegrams he had received from star rodeo performers indicates that when the entry list is made up Thursday it will carry the names of many of the top performers of the nation.

Ticket sales were reported brisk. The duceats have been on sale at the Chamber of Commerce all week. Thursday a ticket booth will be opened in the lobby of the Scharbauer Hotel. They also will be on sale at the gate at each performance.

C. C. Workers Busy Paul Nelson, chairman of the Chamber of Commerce's rodeo ticket sale committee, said Wednesday all of the 12 workers calling upon business concerns with tickets had not turned in reports.

Horse owners of the county were busy grooming their animals for the parade which will leave the high school at 5 p. m. Thursday. The riders will meet at the school at 4:30 p. m. Prizes will be given to the most typical cowboy under 50 years of age or over, and to the most typical girl rider 15 years of age or over, and to the best appearing girl rider under 15. The boys will share in the list of prizes with a prize for the best appearing rider of 15 or over, and another for the best under 15.

New Blackout Hints At American Success In Okinawa Campaign

By LEONARD MILLIMAN Associated Press War Editor A new kind of underground warfare was promised Wednesday by invasion-jittery Japan as an unexplained American news blackout hinted at the possible end of the campaign on Okinawa, potential staging base for the assault on Nippon.

Four American divisions drove toward the climactic battles of the Philippines, and reports from China said Chinese troops Wednesday morning captured Liuchow, one-time important U. S. air base.

Only reports on Okinawa fighting, 325 miles south of Japan, came Wednesday from Japan. The government-controlled Domei news agency said "fierce fighting" was under way, with Japanese entrenched in new positions facing overwhelmingly superior Yanks.

However, Admiral Chester W. Nimitz silence recalled previous official American news blackout preceding major developments such as the end of organized resistance. Recent sweeping U. S. advance tended to support the possibility of final collapse of the shattered and dismembered enemy garrison known to have been reduced from 85,000 to less than 20,000 soldiers.

The American advance which reduced Okinawa to a "strategically isolated island" and air attacks such as Tuesday's 450 plane S. I. fort raid on Kobe were interpreted by the Tokyo newspaper Yomiuri as "unquestionably significant" of a direct invasion attempt against the Japanese mainland in the near future.

Newspaper Warns Japs As Yomiuri warned that "the moment of a battle of decision on our own soil is rapidly approaching," the newspaper Manichi published a poem calling on Japanese children to "follow in the wake of the children of Aka-Jima," who it reported charged American tanks on Okinawa with hand grenades.

Tokyo radio boasted of elaborate underground fortifications of a type never seen before which "will mark an epoch in military history." It described them as bomb-proof and they probably are.

Eight American Superforts were lost in the successful fire raid on Kobe, at least one of them to a piloted "Baka" rocket bomb. Parachuting American airmen were strafed by Japanese pilots. Tokyo reported Southern Japan was raided again Wednesday. Sink More Ships American planes sank seven Japanese ships and damaged five in their daily patrols along the shores of Japan and Korea. Troop-laden barges were caught by others in the Hong Kong-Canton area, where Chinese reported Japanese were steadily shortening their lines. Chinese advisers said the Nipponese were also preparing to abandon the important river port of Wuchow, 120 miles west of Canton.

Chinese Troops Occupy Liuchow

CHUNGKING — (AP) — Reports from American sources said Chinese troops Wednesday occupied Liuchow, Kwangsi Province rail junction and site of a former U. S. air base.

Earlier, Gen. Yang S'ui, governor of Kwelchow Province, announced the re-winning of the city, but there was no official army confirmation.

The Chinese high command said an enemy pocket at Laping, 40 miles south of Liuchow, was cleared Monday after severe fighting, but made no mention of Chinese occupation of Liuchow.

John Redfern Jr. Named President Of Midland Lions

John J. Redfern Jr. was elected president of the Midland Lions Club at its meeting Wednesday noon in the Crystal Ballroom of the Scharbauer Hotel.

Vice president elected are John Dungan, Frank Monroe and Cliff Biggs. Ernest Sidwell was elected Lion tamer. R. D. Scruggs and C. W. Van Alstyne were named as new members of the board of directors.

The importance of the United States' good neighbor policy in South America was discussed by the Rev. Howard Bryant, missionary to Chili from the First Baptist Church here.

Popular Front Government Chile has the only popular front government in South America, the speaker said. Mr. Bryant said by realized citizens of the United States because of the nation's slowness in breaking relations with the Axis powers, but pointed out Chile had 3,000 miles of coastline and only one battleship to defend it.

Government Seizes Humble Oil Plants

WASHINGTON — (AP) — President Truman Wednesday directed Secretary Ickes to seize and operate the Humble Oil and Refining Company plants at Ingleside, Texas, as a result of a labor disturbance.

The President's order, said the company's facilities were needed for the production of crude oil and other products vital to the war effort and that their operation is threatened with interruption by the labor dispute.

The President directed all federal agencies, including the War Relocation Commission, the Selective Service system and the Justice Department to cooperate with Ickes, as war petroleum administrator, in the operation of the facilities.

The executive order was recommended by William Davis, director of economic stabilization. In a report to Davis, the War Labor Board said the company had declined to allow its relations with employees to be governed by the terms and conditions of a WLB directive. The WLB added that this action "is viewed as a threat to continued production at the company's plant."

The board asserted approximately 285 employees were involved in the dispute.

Natural Gas Inquiry Committee Is Named

AUSTIN — (AP) — Lt. Gov. John Lee Smith in appointing a Senate committee to investigate the state's natural gas resources named members from oil and gas producing districts.

The committee which has been authorized to determine the state's potential gas supply, the purposes for which it is being used and the daily withdrawals is composed of H. C. Chadick of Qulman, chairman; Howard Carney of Atlanta, Wardlow J. Lane of Center, James Taylor of Kerens and R. A. Weinert of Seguin.

Chadick said it would be the purpose of this group to ascertain facts for presentation to the Legislature which would protect the state's rights in event a proposal for federalization of the gas industry threatened to encroach upon the state.

A youth was killed when police attempted to break up the demonstrators of approximately 10,000 persons.

War Bulletins

GUAM — (AP) — Japanese admitted Wednesday American invaders have reduced Okinawa to an "isolated island" and warned an invasion of Japan was "imminent."

MANILA — (AP) — Japanese forces on Mindanao, thrown back from all useful areas of the island, may have to make their last stand in the mountains east of the Sayre Highway and west of Davao.

GUAM — (AP) — Anticipating greater B-29 destruction of Japanese cities, the Tokyo government created a new reconstruction agency Wednesday, as the great port city of Kobe smoldered from Tuesday's 450 plane fire-bombing.

## Notes On New Cabinet Appointments

The search for "trends" in the Truman Administration was speeded up by the President's new cabinet appointments. Of the two New York newspapers which consistently and unquestionably supported the late President Roosevelt, the Post found the appointments indicating that Truman was abiding by Roosevelt's "left of center" policy while PM discovered through them that Truman was sticking to the "middle of the road."

The truth may well be that the appointments mark no trend whatsoever. Truman seems to have been intent on filling the posts with sound unspectacular men who were not so prominent or so long in government as to have incurred those ideological enmities which long official residence in Washington so often engenders.

This reasoning doesn't apply to Truman's dispatch of Harry Hopkins on a mission to Moscow. Hopkins is long prominent and the object of intense feelings pro and con.

At the time of Roosevelt's death, his cabinet was made up of five New Yorkers, two men from Pennsylvania, and one each from Indiana, Illinois and Iowa. Now, for the first time in our history, half the cabinet members hail from west of the Mississippi. They are Commerce Secretary Wallace of Iowa, Postmaster General Hannegan of Missouri, and the three newcomers, Attorney General Clark of Texas, Agriculture Secretary Anderson of New Mexico and Labor Secretary Schwollenbach of Washington.

When talk of Frances Perkins' resignation was revived a few months ago, it was said that she probably would not be replaced because Roosevelt could not find a replacement acceptable to the two big labor organizations.

Truman apparently got around that difficulty simply by selecting a man with a good labor record. At least, the CIO and AFL weren't heard from in public statement or speculation until after Schwollenbach's appointment, when both organizations informed the President that the new labor secretary was acceptable.

President Truman, who won national attention as head of a Senate investigating committee, put another investigator in the limelight when he named the new secretary of agriculture. Anderson, who came to Congress in 1940, wasn't even on the House Agriculture Committee. But he headed a special House committee looking into the food shortage, and apparently did a good fact-finding job.

It may be typical of Truman's methods that Anderson, like Schwollenbach, was not an outside organization's choice. Though a farmer, he doesn't belong to any national farmers' association.

## Food And The One-Front War

Speaking of Anderson, one of his predecessors in the new double-barreled job of agriculture secretary and war food administrator made a rather puzzling statement upon leaving office.

Marvin Jones, retiring WFA head, said that since the European fighting has ended, there is no need for a separate war food agency in a one-front war. He doesn't say why.

We have recently been promised that American food stocks will hit a wartime low in August with few reserves in sight for winter. Ann it's apparent to anyone who eats that the food shortage is getting worse.

We sincerely believe that the whole problem of food control, and that the move to put it there is long overdue. production and distribution should be under one central But we can't see that a one-front war was needed as an excuse, or that it has a great deal to do with the overall difficulty.

## S-E Howard Area Gets Wildcat

(Continued from page 1)  
of 156.4-1. Pay at 4,384-4,533 feet had been treated with 2,000 gallons of acid.

Texas Pacific Coal & Oil Company No. 1 Murr, Northwest Kimble County Ellenburger prospector, in section 28, block E, GH&SA survey, had reached 4,535 feet in lime, and was continuing.

The Atlantic Refining Company No. 1-A TXL, in east-half of southeast quarter of section 29, block 45, T-1-S, on southeast side of the TXL area in West Ector County, was making new hole, after showing more oil in the lower Permian at 7,460-7,525 feet.

**More Oil In Permian**  
The test was for two hours. Gas came to surface in one hour and 25 minutes, after there had been a good steady blow throughout the period. Recovery was 900 feet of oil cut with gas and with a little drilling mud. The project has shown oil and gas on two previous drillstem tests in the Permian.

Sinclair Prairie Oil Company No. 1 Williamson, in southwest quarter of section 40, block 45, TP survey, T-1-S, was making hole below 7,981 feet in chert, probably Devonian. Base of the Permian, according to a report in Fort Worth, was at 7,863 feet, which gave it a datum of minus 4,525 feet, and put it about three feet low to the Devonian discovery of the TXL field, about three miles northwest.

**Nothing New**  
Continental Oil Company No. 1-D Settles, South Howard County exploration in section 13, block 29, W&NW survey, was still swabbing to cleanout and test on perforated section at 8,910-50 feet, after acid treatment. No new oil had been recovered from the zone up to Wednesday morning.

Union Oil Company of California No. 1 Edmondson, Northeast Glasscock County wildcat, in section 210, block 29, W&NW survey, had reached 3,490 feet in lime, and was drilling ahead.

Mabee Oil & Gas Company No. 2 Mabee, Southwest Martin County exploration had made hole under 3,070 feet, in anhydrite. Top of anhydrite was at 1,950 feet, on an elevation of 2,880 feet. That mark

was slightly lower than it is in the Mabee field, closest production, but it is considered still satisfactory.

**To Test Shortly**  
Ledge Petroleum Company No. 1 Broussaren, Northwest Crockett County discovery for Clear Fork production had run tubing, set a packer, and was connecting with storage, preparatory to starting production tests. The well was standing full of oil, and some petroleum had been swabbed out.

The Texas Company No. 1 Butler, three-quarters of a mile north of the discovery well for the Leveland field, in West-Central Hockley was cleaning out at 4,670 feet, after a 240-quart nitro shot at 4,767-4,930 feet. The well would not flow after the explosion.

**Edwards To Plug-Back**  
Stanford Oil & Gas Company No. 1 Edwards, in section 13, block L, psd survey, Southwest Cochran County probable discovery, swabbed at the rate of a barrel and one-half of water per hour from section at 5,082-96 feet.

Operator was preparing to plug back to somewhere between 5,075-30 feet, to try to get away from the water. The plugged-back total depth previously reported at 5,090 feet, had been corrected to be 5,096 feet.

Shell Oil Company, Inc., and Cities Service Oil Company No. 1-D TXL, in northwest corner of section 17, block 45, TP survey, T-1-S, and a southeast outpost to discovery for Devonian production in the TXL field, was bottomed at 8,114 feet in chert, and was to take another drillstem test.

**May Be "Burger"**  
The Texas Company No. 1 Edwards, in section 58, district 11, SP survey, in Southeast Tom Green County, was making hole below 5-370 feet, in dolomite, which probably is Ellenburger. No top on the formation had been picked.

Texaco No. 1 Brown, in northwest quarter of section 9, block 146, T&STL survey, in West-Central Pecos County, and an outpost to the Fort Stockton field, recovered 500 feet of oil and gas cut drilling, and in a two-hour drillstem test

## Series E Bond Sales Total \$1,992,000,000

WASHINGTON—(AP)— Purchases of "E" bonds in the Seventh War Loan Wednesday totaled \$1,992,000,000 or 49.8 per cent of the \$4,000,000,000 quota.

Total individual purchases were \$4,139,000,000 or 59 per cent of the overall quota of \$7,000,000,000. The campaign opened May 14 and closes June 30.

at 2,939-50 feet, in the Yat, sandy lime.

George P. Livermore, Inc., No. 1 Rollins, Northwest Lubbock County wildcat, in section 5, block P, EL survey, six miles south and east of the discovery well in the Anton field in Southeast Lamb County, was bailing drilling mud out of hole to test, after a core at 6,541-51 feet, had recovered 10 feet of fairly porous dolomite, with a good oil odor and stain. The section is probably lower Permian.

Sunray Oil Company No. 1 Glass, Northwest Sterling County prospector, was due to start drilling from 250 feet, with rotary, after spudding and setting surface casing at that depth with a cable tool rig.

**An Interesting Point**  
This exploration topped redbeds at 190 feet, which, according to some geologists, was about 180 feet high to that point in Phillips Petroleum Company No. 1 Sterling, a dry hole about one and one-quarter miles northwest which had some good shows.

This is said by some observers to be a rather important angle and might mean a high structural position for the Sunray wildcat.

## Legislature Left Score Of Bills On Desk Of Governor Stevenson

By WILLIAM E. KEYS  
AUSTIN—(AP)— The general session of the 49th Legislature, second longest in history, was history Wednesday.

Its work ended Tuesday, a few hours after the noon adjournment time when the last bills were enrolled and signed.

It left on the governor's desk a score or more of bills which the governor has 20 days to consider. It left the people eight constitutional amendments to vote upon in a special election Aug. 25 and in the 1946 general election. Submission of these proposed changes in the state's organic law possibly are the outstanding accomplishments of the session.

On the statute books it put many new laws. Relatively few of them were of general application, however. They did not greatly alter present state policies.

One important tax bill passed was a measure increasing the state property tax for schools to the constitutional maximum of 35 cents per \$100 valuation. The present rate is 18 cents. This will not affect all state tax purposes.

**Appropriations Boosted**  
Appropriations were boosted, mostly because of salary adjustments to state workers and because of increased aid to public schools. More money was allocated to old age assistance, principally on a cost-of-living adjustment basis. Because revenues are up and may remain up for the next two years major appropriations increased about \$17,000,000 to \$104,992,101 for the biennium beginning Sept. 1.

This does not represent all state spending which is about \$250,000,000 a year. It is that which comes mostly from the general revenue fund, the barometer of the state's financial condition.

There was quite a bit of legislation in other categories. Some of it included regulation in the interest of public health and safety; laws designed to benefit war veterans in their readjustment to civilian life; creation of a state aeronautics commission to aid in orderly development of air ports; salary increases for county officials; authorization for school districts to increase local taxes by vote of the people; provision for state office buildings, giving Prairie View Normal and Industrial College for Negroes the status of a university; and other miscellany.

**Many Proposals Failed**  
The lawmakers snubbed legislative and judicial redistricting, although both subjects had a brief run. The list of other proposals that died in committee or on House and Senate calendars was long.

Topping this category was a bill outlawing the closed shop in Texas. It passed the House after much debate but died on the Senate calendar.

Squeezed under the wire minutes before the adjournment deadline were resolutions submitting two important constitutional amendments and the \$28,000,000 rural aid appropriation bill on which the House

and Senate had deadlocked for several days.

The constitutional amendments, both submitted in the 1946 general election were those:  
Authorizing the legislature to issue bonds as needed, to a maximum of \$25,000,000 to purchase land which will be sold to veterans of World War II on convenient terms. The permanent school fund, the University of Texas permanent fund and other similar state funds may purchase the bonds. Otherwise they can be sold on the market. Enabling legislation must be passed by the 50th Legislature to give full effect to the plan.

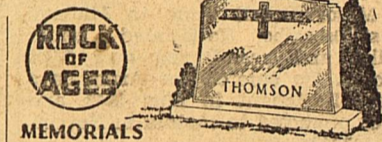

Preventing future diversion of road funds. The amendment has the effect of freezing into the constitution present statutory provisions on allocation of revenues from automobile registration fees and motor fuel taxes.

## Frances Mernin Becomes Bride Of Lt. Leo H. Foust

Wedding vows were repeated by Miss Frances Cecilia Mernin of Storm Lake, Iowa, and Lt. Leo Henry Foust of Sulphur Springs, Iowa, in a high noon ceremony Monday at the Midland Army Air Field Chapel.

Chaplain James F. Orford officiated for the double ring rites as the bride and groom stood before the altar decorated with white daisies, carnations, fern and candelabra.

Pre-nuptial music was by Sgt. Donald M. Gillert, organist. He played "Ave Maria," "On This Day," "O Beautiful Mother," "Cantilene Nuptiale," "Serenade" and the traditional wedding marches. Sister is Maid of Honor.

The bride wore a princess style wedding gown designed with a net veil decorated with rosettes of pearls. Her finger-tip veil was attached to a crown of orange blossoms. Her colonial bridal bouquet was of yellow roses.

Miss Mary Jane Foust, sister of the bridegroom, was maid of honor. She chose a blue and peach brocaded satin with all over blue net gown and matching bonnet style hat. She carried a bouquet of gladioli and white carnations.

Attending the bridegroom as best man was Flight Officer Edwin Hobby of MAAP.

Both the bride and bridegroom are graduates of Providence Consolidated High School in Sulphur Springs. She is the daughter of Mrs. Clarence Mernin of Storm Lake and he is the son of Mr. and Mrs. Chester Foust of Sulphur Springs.

Following the ceremony a dinner party was held at the Scharbauer Hotel. The bride's mother and Lieutenant Foust's parents were present for the marriage rites.

## Davis Home Scene For Chicken Supper

The home of Mrs. La Davis was the scene for a chicken supper in honor of members of the Dorcas Class of the First Baptist Church Tuesday evening. Hostesses for the entertainment were Mrs. Davis, Janice Davis and Mrs. Jean Hyatt.

Mrs. Marcelene White presided during the business session which was held following the outdoor supper. Two guests, Mrs. Delma Gullidge and Mrs. Pete Stringer, and the following members were present: Mmes. Louise Carter, Louisa Marse, Era Hobbs, Dee Beall, E. R. Powell, G. A. Wakefield, Wallace Henry, James Walton, Ray Blackburn, Irene Murff, Marcelene White, Marvina Jones, Janice Slagle, Wilma Austin, A. A. Jones, J. H. Moseley, Cecil Waldrep and Misses Alta Merrell and Lona Mae Cook.

## DAY OF PRAYER IS OBSERVED AT MEET OF CALVARY WMS

A day of prayer and giving for ministerial relief was observed at a meeting of the Calvary Baptist WMS Monday afternoon at the church. Mrs. Nancy Tisdale opened the session with a prayer.

Included on the program was a program entitled "The Backward Look, The Glorious Hope" by Kathleen Harwell and Delbert Shelburne.

As the concluding part on the program, the Rev. A. W. Smith delivered a message, "His Precious Promise," and members contributed to a special offering. Mrs. A. W. Smith offered the closing prayer.

Those present were Mmes. E. MacFadin, Nancy Tisdale, Myrtle Wood, A. W. Smith, Hoyt Burris, F. C. Gamble, A. R. Baker, Harold Hips, W. G. Flownoy, Annie Bishop, Whitley and Allen Heard.

## MARRIAGE REVEALED OF MISS MARGIE MAYO AND DONALD MILLER

Announcement has been made here of the marriage of Miss Margie Mayo, daughter of J. D. Mayo, 502 South Weatherford Street, and Petty Officer Donald M. Miller, son of Mr. and Mrs. J. H. Wallace, 1001 West Wall Street. The marriage was an event of June 1.

The couple will go to San Diego, Calif., June 18 to make their home. Petty Officer Miller has been in the U. S. Navy three years.

## ARRIVES FOR VISIT

Mrs. Evelyn Ezell of Bakersfield, Calif., arrived Tuesday for a visit with her parents, Mr. and Mrs. A. R. (Shorty) Beals.

## Dirndl Frock

8872

11-18

Sensational summer junior miss frock—slim, cool and demure. Simple to make—just six pieces in the pattern. This week's ABC Special.

Pattern No. 8872 is designed for sizes 11, 12, 13, 14, 16 and 18. Size 12, requires 3 yards of 35 or 39-inch material; 6 yards of ric-rac to trim.

For this pattern, send 20 cents, in COINS, your name, address, size desired, and the PATTERN NUMBER to Sue Burnett, The Reporter-Telegram, 530 South Wells Street, Chicago 7, Ill.

Send for your copy of the new Spring issue of FASHION—just off the press. Book full of smart, up-to-the-minute styles. 15 cents.

## Interesting Study Heard At Meet Of Baptist YWA Unit

"The Church and the Light of the Morning" was the theme of the program at a meeting of the Margie Schumate YWA of the First Baptist Church Monday evening at the home of Betty Lou Wood on East Highway 80. Members responded to roll call by giving verses of scripture.

Several songs were used as the opening part on the program and included: "This Little Light of Mine," "Jesus Said That Whosoever Will," "Christ For Me," "Every Day With Jesus," and "O Zion Haste." Prayers for the evening were by Ruby Hale and Mrs. E. R. Powell.

Those giving talks in keeping with the program theme were: Betty Lou Wood, Wilda Drake, Faye Shelburne, Alma Ruth Streeter, Vida Mae Engel, Dorothy Gay and Virginia Stewart.

During the social hour, the birthday of Corrine Akins, president of the organization, was celebrated. Refreshments were served by the hostess to Ruth Wood, Virginia Stewart, Corrine Akins, Dorothy Gay, Vida Mae Engel, Wilda Drake, Faye Shelburne, Rossella Green, Clara Belle Kelton, Margie Rohus, Willene Pace, Ruby Hale, Alma Ruth Streeter and three visitors: Mrs. Powell, Mrs. J. D. Wood and Lt. Donna Wisman of Midland Army Air Field.

## Marilyn Lee Murray To Receive Degree From Northwestern

Miss Marilyn Lee Murray, daughter of Mr. and Mrs. Harry Murray of this city, will receive her degree in psychology from Northwestern University in Evanston, Ill., in graduation exercises at the university June 15.

Miss Murray will visit friends in Michigan and Washington, D. C., before returning to Midland.

## FOOD FOR THE DEAD

A number of prescribed foods were placed beside the mummy case to help take care of the deceased in the next world, in ancient Egypt. This costly laborer for the dead included 10 kinds of meats, 16 kinds of wine, four kinds of beer, five of poultry, and 11 kinds of fruit, in addition to a quantity of sweets.

## Stamford Cowgirl Sponsor

Miss Dorothy Yates will represent Stamford when she rides in the Cowgirl Sponsor contest at the Midland Rodeo.

## Second Installment Income Tax Is Due

By JAMES MARLOW  
WASHINGTON—(AP)—About 10 million people must pay—by June 15—the second installment on their 1945 income taxes.

You're one of them, if by last March 15, you filed a declaration of estimated tax for this year and then paid the first installment.

If you're in this group, you probably have received a bill from the collector of internal revenue for the second installment.

That bill will show—if you don't want to pay the full balance—what is due on your quarterly installment.

So, unless you want to pay the full balance, just pay the installment. Most people will do that.

This year—in order to get as many people as possible on a pay-as-you-go basis—full taxes are being withheld on all salaries and wages up to \$5,000.

People in that under-\$5,000 group don't have to pay any installments.

THE SITUATION: You are having a hard time finding prizes for a bridge party which you are going to have.

WRONG WAY: Decide not to have prizes.

RIGHT WAY: Give Defense Stamps or potted plants, or home-baked pies or cakes.

They didn't have to make any estimates. Full tax is being withheld from them.

### Coming Events

**THURSDAY**  
The Palatte Club will meet at 1 p. m. at the studio on North Colorado for a luncheon and business session.

Miss Velma Barrett of Odessa will be heard on the Midland County Library radio program at 4 p. m.

The Friendly Builders Class of the First Methodist Church will meet with Mrs. R. F. Duffield, 1811 West College, at 8 p. m.

### PIANO SCRAP

Residents of New York City contributed 417 old pianos to a scrap drive in two and one-half days. Each piano contained about 300 pounds of metal.

## Third Election May Be Necessary

AUSTIN—(AP)—An apparent error by the Legislature will require submission of constitutional amendments at three elections instead of two in the next two years.

Gov. Coke R. Stevenson revealed Wednesday that a joint resolution on an amendment authorizing creation of a state land sale plan for veterans submits the amendment on the first Thursday in November, 1946. The Legislature intended to submit this amendment at the General Election in 1946. The general election falls on the first Tuesday after the first Monday in November in 1946.

Three other amendments were properly submitted for that date and apparently there is no way to correct the date on the veterans land sale amendment since the Legislature has adjourned.

Four additional amendments were submitted for a special election next Aug. 25.

## FISH WITH WEED

Native Fiji Islanders fish with a poisonous weed that grows only on their islands. The weed has a stupefying effect and the natives dangle it beneath the surface of the water in shallow lagoons.

### 60,000 Essential Workers May Lose Draft Deferments

By MARVIN L. ARROWSMITH  
WASHINGTON — (AP) — Sixty thousand currently "irreplaceable" industrial workers 26 through 29 years of age stand to lose their draft deferments by fall, government officials estimated Wednesday.

Munitions cutbacks and diminished urgency of other war supporting activities will reduce by at least 17 per cent the total of 350,000 key men of that age now occupationally deferred, said the officials. They are familiar with a preliminary manpower survey, but asked that their names be withheld.

The survey is being made by the government's inter-agency deferment committee in line with Selective Service's new policy of meeting calls from the ranks of men under 30.

This committee is headed by War Manpower Commissioner Paul V. McNutt.

Most registrants who qualified were given six-month deferments beginning in March or April. But Selective Service plans to cancel any of these before their September or October expiration dates in cases where deferred men are laid off or no longer can be classified indispensable.

### Jap Officer Ignored Plea Of Missionary And Killed Americans

By RICHARD BERGHOLZ  
ILOILO, PANAY — (AP) — Mrs. Charma Covell, her hands tied behind her, pleaded with the Japanese captain, Kunoyi Watanabe, as he prepared to wield his Samurai sword.

"Why will you kill us all?" she asked.

"We are Christian missionaries." The imperturbable officer, surrounded by Japanese soldiers, said nothing.

Eleven times that day at that spot Watanabe's sword fell. Eleven Americans were beheaded. In another house, the same fate befell five others. Three small American boys were killed by Japanese bayonets.

Then fires were set in an effort to blot out the crime.

Six Victims Women  
Six of the victims were women. Eleven of those killed were Baptist missionaries.

The story of the tragedy, which occurred at Hopevale—"The Valley of Hope"—Dec. 20, 1943, just has been released. It was pieced together from accounts including that of Paterno H. Enano, 23, who witnessed the executions and later became a Filipino guerrilla.

Enano, a former student of the Central Philippine College, heard Mrs. Covell make her fruitless plea. Then he turned his head as Watanabe's sword fell.

A Japanese force of 500 left the township of Libacao in Capiz Province Dec. 18, 1943. On the way to Iloilo, Lt. Robert King of the U. S. Army and two unidentified engineers, later to be numbered among those beheaded, were seized.

### Laval Not Listed As War Criminal

LONDON — (AP) — Richard Law, spokesman for the foreign office, told Commons Wednesday Pierre Laval, who was chief of the Vichy government, had not been classified as a war criminal by the Allies.

"To be that, he would have to be nominated by the French government," Law said, "and so far he has not been so nominated."

### German Rule —

(Continued from page 1)  
dio said Stalin favored a parley soon. Dispatches from Berlin disclosed that General Eisenhower had left Berlin to return to his headquarters at Frankfurt after signing a joint declaration announcing the assumption of supreme authority in the Reich by the four victorious powers.

No Date Is Set  
While it was agreed that further meetings of the council would be held at an early date, the dispatches said, no specific time or place was set.

Correspondents representing the combined American press, who accompanied Eisenhower and his party to Berlin, said it had been expected that the council would get down to business at once after the signing of the declaration and decide upon its permanent headquarters and other matters.

The meeting cut short, however, they said, when the American, British and French representatives learned that Marshal Gregory Zhukov, Soviet member of the council, had no instructions from his government to carry on further discussions until the withdrawal of American and British troops from the zone to be occupied by Russian forces is completed.

The correspondents disclosed that the signing of the four-power declaration was held up approximately six hours when the Russians unexpectedly interposed last-minute objections to Article 10 of the 2,500-word document, which Soviet representatives previously had read and approved in London.

Omit Article  
The Russians apparently believed this article might be construed by the Japanese as a breach of neutrality. The article made property and nationals of Germany and "any other country at war with the Allies," subject to the provisions of the declaration.

After a discussion between Soviet representatives, Ambassador William Murphy, chief of the political division of the U. S. control group, and Sir William Strang of the British Foreign Office, it was decided to omit the article from the declaration.

One of the American pool correspondents, Drew Middleton of the New York Times, wrote from Berlin that while the meeting had "broken the ice" it still left unsolved the major occupation problems confronting the Allies in Germany.

#### VISITS IN MIDLAND

M/Sgt. Dick Crawford, who is stationed at the Army Air Base in Syracuse, N. Y., is spending a 15-day furlough with his sister, Mrs. J. A. Jorgensen, and mother, Mrs. Nettie Crawford, 402 Holmsiey Street. Sergeant Crawford returned to the States in November after spending 34 months in the Pacific.

### Large Army Plane Missing In Africa

WASHINGTON — (AP) — An Army transport plane carrying 18 WACS and a crew of three has been missing for a week on a 766-mile flight in Africa, the War Department announced Wednesday.

The plane left Accra, British West Africa on a flight to Roberts Field in Liberia May 30 and was last reported over Takoradi, British West Africa, about 150 miles west of Accra.

### Scouts At Camp Are All Well And Happy

Midland Boy Scouts now on a camping expedition are all well and happy, without a trace of illness or injury, John Scrogin reported Wednesday on returning from the camp in the Davis Mountains.

About 150 boys are attending the camp and are doing much hiking, Scrogin said.

### in the Livestock

### Cigaret Paper Source

Almost all of the cigaret paper used in America now comes from Brevard, North Carolina, whereas it was formerly imported from France.

### Mexican Incomes

The average daily income of a citizen of Mexico is estimated at \$1.25, although 80 per cent of the people of Mexico receive only 40 cents for a day's work.

### Captain Conner Is Back From Pacific

MIAMI BEACH, FLA. — Capt. James M. Conner, 26, has arrived here from overseas for reassignment processing. He flew 40 missions as a B-24 pilot during 12 months in the Central Pacific theater and was awarded the Air Medal with five clusters. He previously served 13 months in the Panama Canal Zone.

Captain Conner is the son of Mr. and Mrs. James M. Conner.

### Mrs. Friday Receives Phone Call From Hawaii

Mrs. Leta Deel Friday received a telephone call from her husband, a technician fifth grade in the U. S. Army and serving with the Infantry in Hawaii. This is the second call Mrs. Friday has received from her husband, who has been in Hawaii for the last 13 months.

Technician Friday has been in the armed forces for three years and was stationed for training at Camp Roberts, Ark.; Fort Benning, Ga., leaving the States from Camp

### Production Stopped At Goodyear Plant

HOUSTON — (AP) — Officials at the Goodyear Synthetic Rubber Corporation were marking time awaiting word from Washington or Akron, Ohio, Wednesday, while the big plant making synthetic rubber went into the third day with no production because of a picket line apparently aimed at another concern.

Two AF of L pickets were on duty at each of the two entrances to the area in which the Goodyear plant, the butadiene plant of Sinclair Rubber, Inc., and the Kelly-Springfield Tire Company plant under construction by Brown & Root, Inc., are located.

It is against Brown & Root that the pickets, bearing banners charging "This Job Is Unfair," were said to be protesting.

### SCATTERED SHOWERS PREDICTED FOR AREA

A possibility exists citizens attending performances of the rodeo might get wet. The general long range forecast for Thursday, Friday and Saturday is partly cloudy with scattered showers in this section, with temperatures in the high nineties.

### Welterweight Champ In Non-Title Bout

ATLANTA — (AP) — Fred Cochrane, world's welterweight king who is rapidly getting back into the swing of things after a three-year hitch in the Navy, will take on Eddie Miller, slugging St. Louis middleweight in a non-title bout here Monday night.

**Wearily we roll along . . .**  
**But we'll keep on rolling**

Many a worker, who once stepped on his own starter, today counts himself lucky when nobody steps on his toes in a jam-packed 'bus or trolley. Accustomed to shorter hours, he is surprised at his strength and skill to perform the more difficult tasks of a wartime day. It is his ambition to produce and produce and produce and thus hasten the day when our valiant youth will work by his side again.

Yes, everybody has been more weary in wartime than ever before, not forgetting that patient Mother who is first on the job before breakfast. And, who of us isn't determined to carry on to total victory? If America hadn't had the spirit to pull together, if we hadn't sharpened our wits, if we hadn't surprised ourselves with our own sinew and self-reliance, we might feel uneasy over whatever trials may lie ahead. As it is, we can be grateful for our war-found capacities which will help the young folks get started in the sort of a world they want.

Since most folks are more tired than usual when they finish each wartime day, a bottle of golden, foaming Budweiser is a welcome companion in a moment of relaxation—and it makes simple, wartime meals taste better.

### Meet 'Damit'

—Official AAF Photo from NEA Telephoto  
 "Damit," the airborne mascot of a B-29 crew training at Pyote Army Air Field, Texas, prepares for a practice jump. "Damit," who wears her custom-made parachute like a veteran, has the duty of carrying messages and sandwiches between crew members of the '29 through the tunnel which connects compartments of the big ship.

### James W. Gregston Wins MAAF Award

A cash award has been presented to James W. Gregston of Midland, an employee of the Post Engineers Department at the Midland Army Air Field.

The award was presented as a part of the Army Air Forces policy of recognizing suggestions from employees which result in a saving of material of man-hours. The amount of each award is based upon the amount of estimated savings by the adoption of the suggestion.

Gregston's suggestion was that a special wrench be made for removing the cap screw in a gas valve, thereby facilitating lubrication of the valve.

The suggestion committee found the wrench would result in a saving of \$20 per year. Gregston was given a check for \$11, less withholding tax.

### Burglaries in Same Building; Two Cities

LOS ANGELES—(AP)—Two separate burglaries occurred in two separate cities—but in the same building.

Los Angeles police were notified when \$40 was stolen from an upstairs room. Downstairs, thieves carted away a safe containing \$3,500 and Beverly Hills police were called. It's a zig-zag building right on the boundary line. Where it zags it's in Beverly Hills.

### GO TO HOUSTON

Mr. and Mrs. George W. Park plan to leave this week for a two weeks' stay in Houston with Mrs. Parks' sister, Mrs. C. N. Greenfield.

By GRANT Mc DONAL  
 SAIPAN, IN THE MARIANAS—(AP) There's a billion dollar junkyard out here near an oily Jap hangar. Inside the hangar it looks like any old pre-war junkyard back home. But outside, where the super junk lies around, everything is king-size.

The boss-man, Major Harry S. Weber of Long Island, N. Y., salvage and reclamation officer, deals in the most valuable junk in the world, and they don't make a dime for themselves.

They gather up all the broken B-29 Superforts that came in beyond repair, either from battle damage, or from crash landings on the field. They strip the giants down, carefully check every piece of equipment worth saving, tag each item and send it to a central supply warehouse, then drag off the old smashed wings and fuselages to an aluminum junkyard.

**Worker Overtime**  
 Back in November and December, before we took Two Jims, folks around the junkyard worked overtime trying to keep up with the mounting piles of wrecked planes smashed by Jap bombing and strafing attacks.

Major Weber explained that the biggest job was breaking up the huge plane bodies after all usable instruments and equipment had been removed.

"We used to cut the wings off and break up the big fuselages with acetylene torches," he said, "but that took too long. A couple of men used to take two days constant burning with torches, and they used more oxygen than we could afford. So we figured out a new method. It's a lot cheaper, and very spectacular."

"We strap blocks of TNT around the wings and bodies and blow the thing apart. In a couple of hours, with this method, two men can knock a whole ship down into easily movable pieces."

# Bill Voiselle Fails Again And New York Giants Slide Downhill

By JACK HAND  
 Associated Press Sports Writer  
 Even a \$500 fine couldn't pull Bill Voiselle out of his losing streak so the New York Giants still are sliding downhill Wednesday toward the surging Pittsburgh Pirates.

Voiselle didn't lose the game Tuesday night to Brooklyn, 6-3, in the fourteenth but he did hit a wild streak with two out in the last of the ninth to load the bases. Then he dished up a pitch that Pinch Hitter Ben Chapman nicked for a game-tying single.

Ace Adams was the eventual loser in the fifth overtime frame when Bill Hart's single followed by Ed Stanky's double broke the 3-3 tie. Goody Rosen then put it on ice with a two-run homer.

But it was Voiselle who took most of the blame in his first appear-

ance since Manager Mel Ott tagged him with the big fine because of one bad pitch in a 4-3 defeat at St. Louis. The husky righthander had a four-hit game in his mitt when Howie Schultz beat out a scratch single in the ninth. Passes to Clyde Sukeforth and Pinch Hitter Bill Hart set the stage for Chapman's blow.

It was the fifth straight time he had failed to ring up victory No. 9 after sweeping to eight straight decisions up to May 20.

**Pirates Win One Game**  
 Pittsburgh moved up a half game to within three lengths of the pacesetters by an even break with the Cincinnati Reds, losing the opener 4-0 to Ed Heusser but cooling off the Redlegs' 9-game win streak in the finale, 9-1, behind Max Butcher.

Both the Boston-Phillies twilight-night doubleheader and the after-dark tilt in St. Louis with the Chicago Cubs were rained out as was the Philadelphia-Boston Red Sox game in the American.

The New York Yankees had to be satisfied with a split in Washington but picked up a half game on the Detroit Tigers who were shut out by Cleveland's army-bound Red Embree, 9-0. Joe McCarthy's gang now leads by 2 1/2 games.

**Etten Gets Four Hits**  
 Atley Donald exercised his old magic on the Senators for a 12-3 landslide in the first tilt, helped by Nick Etten's four hits.

Pinch-sized Marino Pleretti stopped the leaders in the nightcap, 7-3, coasting home on a five-run first inning that routed Floyd Bevans.

The day's pitching honors went to the veteran Al Hollingsworth who tossed a three-hitter for the St. Louis Browns against Chicago, 2-1. It was Joe Schultz' ninth-inning pinch single scoring George McQuinn which broke up a fine duel with Joe Haynes.

Embree showed his best form of the season in racking up his fourth triumph with a six-hit job on Detroit. Les Mueller, who broke into the headlines with a whitewash job against the Yanks last Thursday was belted out early as the Tribe helped themselves to 10 hits in giving Embree a rousing sendoff. The young righthander will be inducted into the armed forces Monday at Glendora, Calif.

## With Either Hand

Few, if any, pitchers broke into majors as auspiciously as young Dave Ferriss. Remarkable six-foot two-inch, 200-pound Army Air Forces discharge turned in three shutouts, yielded only two runs in 36 innings, winning first four starts for Boston Red Sox. While he pitches right-handed, he has played first base left-handed and is a left-handed batter used as pinch hitter.

# Woolf Will Ride Sea Swallow In Kentucky Derby

By ORLO ROBERTSON  
 LOUISVILLE—(AP)—If the 71st Kentucky Derby Saturday comes down to riding experience in the country's major turf event, then the biggest share of the \$75,000 added purse will go to Charlie Howard's Sea Swallow.

On the back of the California-owned son of the great Seabiscuit will be George Woolf, known to the race track crowd as the "iceman". The 36-year-old Canadian-born jockey has ridden in eight derbies, dating back to 1932. He has never been closer than second, finishing in the runner-up spot back of Pensive with Broadcloth last year and with Staretor when Whirlaway won in 1941, but the husky veterans is always at his best when the chips are down.

Owner of a restaurant near Los Angeles and said to be well off financially, Woolf doesn't ply his trade as actively as most jockeys. He was up on only 227 horses last year but topped the nation's riders in winning of stake money as he brought home winners in 14 rich events for earnings of \$338,135.

**Other Veteran Rides**  
 Buddy Haas, ending his career at 30 years of age because of difficulty making weight, finished third with Dit in 1940, and Freddie Smith was runner-up with Bimelech in the same race. Smith will throw a leg over J. K. Housse's Bymeabond for which the Las Vegas, Nev., breeder paid \$25,000.

Haas will be up on Lt. Com. T. D. Bull's Air Sailor of Detroit.

Billy Thompson, who is expected to guide E. R. Bradley's Burning Dream, J. R. Layton and Arthur Craig are the only other riders with derby experience. Layton will pilot Tiger Rebel, a rank outsider owned by Ned Brent and William Talbot of Paris, Texas, while Craig has been signed to handle the reins of Arthur Rose's Misweet of Mt. Clemens, Mich.

# Rough and Ready Clothes

FOR UP AND DOING YOUNGSTERS

Vacationing on a farm or working in the backyard Victory Garden, calls for sturdy wearables that can "take it." Country cottons answer the call to action. Cool, comfortable, and very washable! Dresses, slacks, shorts and overalls are right for ambitious little boys and girls looking for fun this summer.

\$1.00 to \$3.95

## Harris-Luckett Is Winner By 6 To 1

The Harris-Luckett softball team won a 6 to 1 victory over The Reporter-Telegram Tuesday night in the first game of the season for both teams.

The next games on the summer recreation program schedule will be played Monday, Gene McCollum, director, announced.

The junior participants in the program will start their summer activities Friday morning with a swim at the city's Pagoda Park pool. Their first ball game will be played Monday.

## Sports Roundup

By Hugh S. Follerton Jr.

**NEW YORK**—(AP)—A couple of years ago Fred Hooper, the Florida horseman, was ready to bid as high as \$75,000 for a colt at the Lexington yearling sales. . . . He was persuaded to stop at \$50,000 and William Helis got the promising youngster for \$66,000 and named him Pericles. . . . Helis, who hoped to win Saturday's Kentucky Derby with Pericles won't even have a starter, while Hooper still is shooting for the big prize with Hoop Jr.

**WEEK'S BEST LINE**  
 Tex O'Rourke's capsule description of Baseball Commissioner Happy Chandler: "The Hillbilly who is stepping into the Mountain's shoes."

**SERVICE DEPT.**  
 George Munger, ex-Cardinal pitcher, gets the credit for the remarkable spectator interest in baseball at Fort Benning, Ga. He has allowed only one earned run in 49 2/3 innings in the Infantry School League, socked two homers in one game and drew the biggest crowd in years—8,500. . . . The Barber's Point team in the 14th Naval District League in Hawaii made five double plays in a recent game with Tom Carey of the Red Sox and Browns the middle man in each. . . . Dick Wakefield, ex-Tiger slugger, graduates from the Navy Physical Instructors' School at Bainbridge, Md., this week.

**PROMOTER JIM MULLEN DIES IN CHICAGO**  
 CHICAGO—(AP)—Jim Mullen, whose story career as a fight promoter is almost a saga of the sport of boxing in the Midwest, will be buried at a private service Wednesday, with only a few of his personal friends present.

Mullen, who gave former heavyweight champion Gene Tunney one of his first big chances for fame, died Tuesday of a heart ailment.

## Moon Mullins Is Assigned To Corpsus

IOWA CITY—(AP)—Lt. Comdr. Lawrence (Moon) Mullins, athletic director at Iowa Pre-Flight for the last two years, is to leave Friday to become staff physical and military training director of the Naval Air Training Base at Corpus Christi.

Pre-Flight officials announced that Lt. Comdr. Jack Meagher, Seahawk football coach last season, will succeed Mullins.

## Hero Of West Africa Desert Battle Now Governor Of Paris

By GEORGE TUCKER  
 PARIS—(AP)—The Horatio Alger fortunes of General Pierre Koenig, which lifted him from obscurity of a captaincy in the French Army, made him a hero in the Western African desert and then landed him in the military governorship of Paris, is symbolic of the rise of the entire de Gaulle provisional government which came from nowhere in five years to head a revitalized fourth republic.

Koenig was the hero of Bir Hacheim, the first great victory of the Free French Forces in the desert. He was a general even then, although as late as 1940 he had been only a captain serving with the French in Scandinavia.

I first knew him in Egypt and Cyrenaica. In those days he was a widely discussed figure. He had a red-haired American girl chauffeur who drove him everywhere in the desert. Almost every correspondent did their damndest to talk to her but none succeeded.

## BETTING IS HEAVIEST IN BRITAIN'S HISTORY

LONDON—(AP)—The betting spurge that has swept race tracks in the United States has spread to England. Bookmakers reported Wednesday that the wagering on Saturday's Derby, Britain's premier racing classic, already in the heaviest in history. They estimated \$10,000,000 would be wagered on the race by post time.

## Dickerson Is Elected President Of Midland Tuberculosis Group

Dr. M. S. Dickerson was elected president of the Midland County Tuberculosis Association at a meeting of the organization Tuesday night in the Midland Health Unit.

Other officers are L. C. Bankhead, vice president; Mrs. R. E. L. Taylor, secretary; and Mrs. J. M. Devereux, executive secretary.

Members of the board of directors include Dr. W. G. Whitehouse, medical advisor; John J. Redfern Jr., seal sale chairman; Mrs. Addison Young, chairman of the education committee; Mrs. Max Davis, Mrs. J. M. Hills, Mrs. Ruth Rhodes, H. S. Fogerson, Dr. J. A. Olean, Mrs. Nettie Romer, Mrs. H. H. Phillips, Mrs. F. R. Schenck and Mrs. R. A. Estes.

Negro citizens will be represented on the board by E. L. Jordan and Josie Lee.

## Band Rehearses For Saturday Concert

Rehearsals for the Midland Municipal Band will be held at 8 p.m. Thursday and Friday in the high school band hall in preparation for the band's first public concert on the courthouse lawn at 8 p.m. Saturday, F. C. Gambill, director, announced Wednesday.

The first rehearsal was held Monday. After this week's rehearsals will be held each Monday and Friday nights.

The program for the Saturday concert will be announced Friday.

Some new music was received by the band this week.

Band instruments still available for free use by citizens wishing to play in the band are two bass horns, a saxophone, an oboe, three mellophones, four drums, two baritones, three clarinets and a number of cornets.

The Grand Canyon is more than 300 miles long, 13 miles wide, and a mile in depth from the brink of the canyon to the river bed.
