

Bevin Tells Commons Europe Starving

Nobel Prize Awarded Penicillin Discoverer

STOCKHOLM—(AP)—The 1945 Nobel Prize for physiology and medicine has been awarded to Sir Alexander Fleming of London University, discoverer of penicillin, and two of his co-workers.

Dr. Ernest Boris Chain, professor of chemical pathology at the William Dunn School of Pathology, Oxford, and Sir Howard Walter Florey, also an Oxford pathology professor, were honored with Sir Alexander. The three will share equally in the prize, which amounts to about \$30,000.

The award was made for the discovery of penicillin and its healing effects for infections.

Sir Alexander, who visited the U. S. last summer to survey American applications for penicillin, was born in Ayrshire, Scotland, in 1881. It was his laboratory, birthplace of penicillin, that two significant new medical theories were advanced: First, that bacteria can cure as well as kill; second, that a substance thriving upon decay can cure advanced septic conditions.

Dr. Chain Is Refugee

Dr. Chain is a German political refugee who came to Britain in 1933 and is the least known of the three. He is now in New York City.

Prof. Florey, born in Australia, Sept. 24, 1898, is the author of many articles on physiology and pathology, and has worked with American scientists and drug companies to increase penicillin supplies.

Atlantic I-A U-T Flows 170 Bbls. Oil In 9 Hours

By JAMES C. WATSON
Oil Editor

The Atlantic Refining Company No. 1-A University, East-Central Crane County discovery for flowing production from the Devonian and the Ellenburger, was flowing to test Friday from the lower section.

In nine hours the well flowed 170 barrels of pipe line oil, natural, from open hole at 10,380-458 feet. It is expected that operator will treat that section with acid to stimulate production. Gravity is approximately 47 degrees.

More Oil In 1-BB

Stanolind Oil & Gas Company No. 1-BB University, South Andrews County discovery, about three-eighths of a mile southeast of discovery well for the Three Bar field, and in center of northwest quarter of northwest quarter of section 17, block 11, University survey, recovered 5,500 feet of clean oil and 150 feet of oil sand and gas out during a two-hour drillstem test at 8,037-8,110 feet, in top of the Devonian pay section.

Gas came to surface in 16 minutes after tool was opened. No estimate of the flow was reported. The drill-pipe unloaded twice while the tester was being pulled from bottom. The project is to drill ahead.

More Testing

Amerasia Petroleum Corporation No. 1-A Jones, in section 3, block A-6, psi survey, Northwest Gaines County discovery for Devonian, and possibly basal Permian production, plugged back with plastic from 9,113 feet to 9,103 feet, and will perforate at 9,075-85 feet. The section at 9,085-9,103 feet, is still open, and it is likely that operator will test the entire interval to see if water has been eliminated and enough oil bearing section left to make an oil well from that formation.

This area has been designated as the Jones Ranch field by the field naming committee of the West Texas Geological Society. Confirmation of the designation has not been received from the Railroad Commission of Texas.

Getting Down

Corrigan and Crump No. 1 Nystel, in section 8, block 38, psi survey, in Southeast Terry County, had reached 4,840 feet in lime and was continuing.

Skelly Oil Company No. 1 Slaughter, in Central Cochran County, one location northwest of the recent wildcat discovery made by Texas Gulf Producing Company in its No. 1 Slaughter, was testing after treating with 2,000 gallons of acid at 5,132-63 feet.

The well had swabbed 155 barrels of fluid in 12 hours, with cut ranging from 12 per cent to 38 per cent acid residue. The remainder was oil. No formation water had developed.

A Shallow Wildcat

Harley Sadler of Sweetwater has staked location for another 2,000-foot wildcat in Northwest Tom Green County. It will be his No. 1 Bob Mims, and is 2,310 feet from south and 1,650 feet from west lines of section 34, block 5, H&TC survey. (Continued on Page Two)

Nazi Labor Leader Hangs Self In Cell

By GEORGE TUCKER

NUERNBERG—(AP)—Bull-necked, lugubrious Dr. Robert Ley, one-time luxury loving chief of Hitler's labor front, hanged himself in his cell Thursday night at the Nuernberg jail, where he was awaiting trial as a war criminal.

Col. John Tarland Amen, interrogation chief, disclosed Friday that Ley had left a document entitled "My Political Testament," which Amen said was "a terrific apology for his anti-Semitism." The message was directed to "My German People."

Ley also left two other documents, prepared in his cell. One was a will, addressed to his children; the other a long discourse directed to his three wives. A spokesman said he called upon his last wife not to remarry, "because I know you love only me."

His suicide may mean major changes in preparation for the trial of the 22 other leading Nazis incarcerated there. With the opening of the trial just 24 days away, Ley's death was believed to exclude the use of certain documents with high value as evidence, pertaining only to the ex-labor boss.

Ley was pronounced dead Thursday night after efforts to revive him failed. The official announcement issued by prison commandant Col. C. E. Andrus of Denver, Colo., said the body was discovered by a sentinel who became suspicious when Ley remained seated motionless in his cell for more than two minutes.

"The sentinel called the prisoner by name and received no answer," the announcement said. "The guard and the corporal of the guard entered the cell and discovered Ley was on the toilet seat. His mouth was stuffed with rags torn from his underwear. Around his neck was the hemmed edge of a towel, fastened to the top of the flush pipe of the toilet. The guard called the prison officer, Lt. Paul H. Graven, Madison, Wis., to cut the prisoner down."

State Police Carefully

Ley had wet the toweling to make sure that the knot would not slip, and had drawn the noose tight when he seated himself. The guard, who looked into the cell every 30 seconds, could see only the prisoner's knees. Apparently Ley had planned his suicide long and carefully.

The 22 other top-ranking Nazi defendants were not informed of Ley's death. His body was removed to the prison morgue. He was buried early Friday in an unmarked grave.

Ley was indicted Oct. 18 with 23 other defendants.

The indictment charged him on three counts—promoting the accession to power of the Nazi conspirators, war crimes, and crimes against humanity.

GOP Contends Order Unfair To Members On Inquiry Group

By JACK BELL

WASHINGTON—(AP)—President Truman has signed an order which Republicans said Friday gives Democratic members of the Pearl Harbor Committee a stranglehold on the investigation's course.

The order provides that witnesses to interview be summoned only by majority action of the text-member Senate-House group. Six members are Democrats.

At the same time the President rejected a proposal that individual committee members be permitted to interview prospective Army and Navy witnesses and to look over official records.

Republican protests may explode in the Senate and House unless some compromise is reached.

They are keeping silent now in the hope they may force approval of procedure similar to that of the Senate War Investigating Committee. Each member was free to poke into any government records he wanted to see.

Democrats retort that the whole committee, no any individual, has the responsibility for the investigation and the whole committee should decide its course.

French Reporter Makes Story In Radio Studio

PARIS—(AP)—Christian Basque, reporter for the Paris Matin, thought things were being run rather too loosely at the Radio Diffusion Nationale the French government controlled radio.

So, by his own account, the reporter went to its offices, and announced he was new director of broadcasts. He said he was shown to an office. He stamped all material submitted for broadcast.

Basque said he kept this up for two days and before walking out, went to the microphone himself and announced the results of his investigation of the French radio would be published the following day in the Paris Matin. It was.

Truman To Give Wage-Price Plan On Radio Tuesday

By HAROLD W. WARD

WASHINGTON—(AP)—President Truman will announce his proposals for wage and price stabilization in a radio address Tuesday night as part of a fast-developing government attempt to end strikes.

The president will broadcast at 9 p. m. (CST) the outline of a policy he and his advisers hope will at least head off further walk-outs for pay increases.

Truman made known his plan at a news conference Thursday. He also:

1. Spiked reports that his chief price adviser, Reconversion Director John W. Snyder, would resign.
2. Announced appointment of a seasoned labor trouble-shooter, Dr. John R. Steelman, as a presidential special assistant.
3. Said he had not encouraged Charles E. Wilson, president of General Motors, to propose a national 45-hour work week, as Wilson did after a White House visit last Friday.
4. Made public the agenda for the labor-management peace conference beginning November 5 and letters from leaders who planned it.
5. Renewed his demand for enactment of the so-called Full Employment Bill now bottled up in a House committee.

Communities Must Provide Jobs Says Director Of USES

AUSTIN—(AP)—Texas needs 500,000 new job opportunities by the fall of 1946, J. H. Bond, regional director of the United States Employment Service, said in a prepared address Friday.

"The problem of potential unemployment must be licked at the grass roots," Bond said in the address, prepared for delivery by E. R. Speer, chief of the placement division of the regional USES office at Dallas.

The speech opened the Texas Personnel Conference at the University of Texas. Bond was absent in Washington.

"Industrialists, business men, labor men and community leaders in each separate community must lose no time in sitting down together, determining what the present situation is in the community, what the outlook is, and planning and putting into action measures that will insure effective and full utilization of the manpower resources of the community."

NOW WOULD YOU CALL THIS RECONVERSION?

SHERMAN—(AP)—Reconversion was pretty simple for W. C. Knight of Perrin Field.

Knight got out of the Army while serving at Perrin Field, and promptly got his civilian job back. His old job was in the Army post—at Perrin Field.

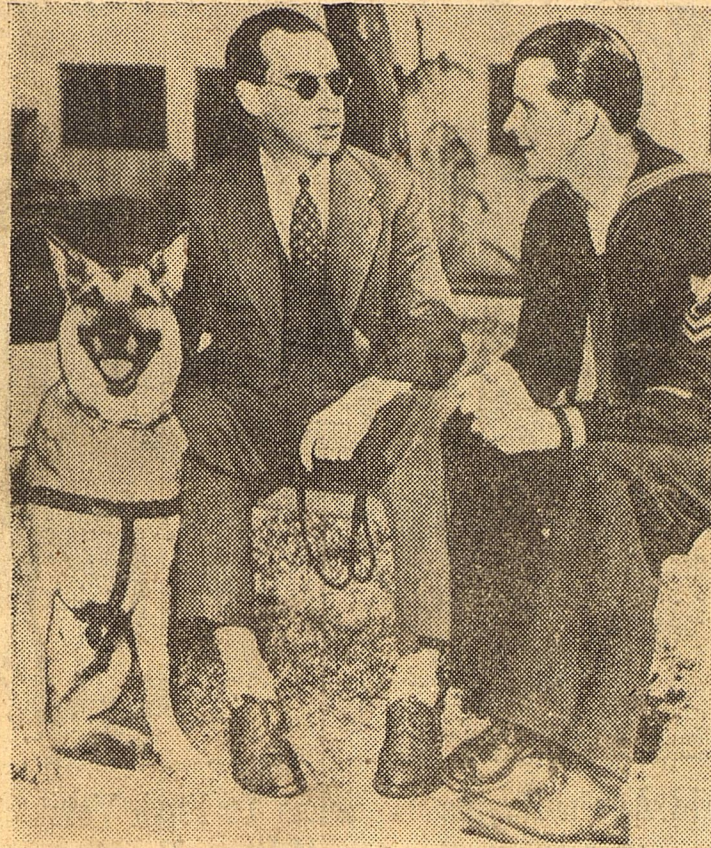

LATE NEWS FLASHES

WASHINGTON—(AP)—President Truman has asked Paul V. McNutt, Philippine high commissioner, to make a prompt investigation of the activities of "a guerrilla army" which "threatens the stability of government," the White House reported Friday.

TOYKO—(AP)—The Japanese foreign office Friday showed reluctance to obey General MacArthur's unprecedented orders for the diplomatic isolation of Japan as Domei Agency said foreign office officials "would sound out" Allied authorities on whether the directive "conforms to the Potsdam declaration."

CARACAS, VENEZUELA—(AP)—Chancellor Carlos Morales of the new Venezuelan government said Friday the revolutionary regime had not asked for recognition by Spain and the Dominican Republic because they qualified as "dictatorships."

Sailor Slowly Going Blind

(NEA Telephoto) William P. Bingham, Ships Cook 2/c, right, is the victim of a strange disease which may leave him totally blind. He fears that he will be totally blind before he sees his wife and children who are at present smoldering in government red tape in New Zealand. He is visited by his brother, Thomas P. Bingham, of Atlanta who is also blind. Appeals through the Navy and Red Cross have failed and Bingham now seeks aid from Congress.

Russo-American Relations Seem Much Improved Friday

By GRAHAM HOVEY

WASHINGTON—(AP)—Relations between the United States and Russia seemed on the mend Friday in an atmosphere of better understanding.

These were the heartening developments:

1. State Department disclosure that the two governments were discussing the Soviet proposal for a four-power council (U. S., Russia, Britain, China) to govern Japan.
2. Indications Russia would agree that when differences arose in the council, the U. S. position would govern.
3. Timely delivery of Russia's United Nations ratification documents, which permitted the world security organization to become a fact Wednesday.

Washington officials hoped the weekend might bring at least one more air-clearing event; an announcement that Russia had decided to participate in the Allied Far Eastern Advisory Commission which will meet there for the first time Tuesday.

Thursday night's State Department announcement reiterated that the "original" Soviet proposal "appeared to propose a control council for Japan which, in its important aspects, would closely resemble the control council for Germany."

It added that recent diplomatic exchanges indicated Russia "is now insisting upon this position."

Texas Cities Will Celebrate Navy Day Saturday

By The Associated Press

Texas, which once boasted a navy all its own and which during World War II had 100,000 of its sons in the U. S. Navy, Saturday joins the nation in celebrating the first peacetime Navy Day since Pearl Harbor.

Almost all cities will observe Navy Day in some manner, but major celebration will occur at coastal points where battle-scarred ships will be on hand.

Galveston, Corpus Christi, Houston, Brownsville, Port Arthur, Beaumont, and Orange will have the largest celebrations.

Victory Chest Total Goes Up Slowly As Campaign Nears End

With only three more days in which to meet its \$23,077 quota in the Victory Chest campaign, Midland County was still \$6,610.95 short of the goal Friday morning, R. I. Dickey, campaign chairman, reported. Total contributions stood at \$17,466.05.

Unless the quota is met, Boy Scout and Girl Scout activities here will be faced with the handicap of operating with a very limited budget, Dickey pointed out.

The first \$13,077 obtained goes to the National Victory Fund to be used in sending USO shows overseas and for relief activities. The remainder of the Midland County budget is for the Boy Scouts and Girl Scouts.

"Generous contributions are needed if the quota is to be obtained," Dickey declared.

Contributions to the chest can be made with Ralph Barron, treasurer, at the Midland National Bank.

Foreign Secretary Says Human Loss Is More Than In War

LONDON—(AP)—Foreign Secretary Bevin declared in a House of Commons debate Friday hunger and privation in Europe may bring "a further prolific human loss more devastating than the gun or the atomic bomb."

Bevin said conditions in devastated Europe resulted from a policy Hitler imposed. When the Nazis discovered they could not win the war, Bevin said they decided to leave Europe in a state of "complete anarchy."

"We had studied the situation for months and when we saw what had happened, we had to alter all our plans and revise the system," Bevin continued.

He described the Germany left by Hitler as a "country with no organization at all."

He said Great Britain alone could do "very little" to relieve conditions in Europe.

Although everything was being done to feed the people in the British occupation zone, Bevin said it had to be "balanced against the resistance of our people to the cutting of their supplies."

He said grain was being burned in the Argentine because of the lack of oil and that it would be common sense to send oil to Argentina in return for the grain "but there again politics intervenes."

"More wheat must be supplied if a disaster is to be avoided this year," the stocky foreign secretary added.

President To Talk On Foreign Policy In Major Speech

WASHINGTON—(AP)—President Truman expects to deliver Saturday in New York "the most important speech from a news standpoint" that he has made since entering the White House, a presidential secretary said Friday.

Marking Navy Day, it will deal with foreign policy.

The 25-minute address, the second the President will make while in New York, will be broadcast on all networks.

The address will be at 12:30 p. m. Central Standard Time.

The first speech, a nine-minute affair, will be at 10 a. m., C.S.T., aboard the new aircraft carrier Franklin D. Roosevelt at the Brooklyn Navy Yard.

Eben Ayres, assistant press secretary, labeled the second address, to be made in Central Park, the most important since the President took office.

Marine And Girl He Weds Second Day Ride Taxi Across Nation

LAFAYETTE, GA.—(AP)—Minutes are precious, especially if you married the girl the day after you met her, and your leave is running short.

That's the way Marine Captain J. L. Kipp felt about it. And that's why he and his bride left in a taxi for San Diego Thursday—a cost of \$750.

Captain Kipp explained he hired the taxi for the transcontinental trip after he failed to obtain train reservations. His leave from San Diego Marine Base is running dangerously short.

Kipp, who comes from Silver Creek, Minn., and Miss Norma Clinton of Lafayette, met for the first time Oct. 1 and they were married Oct. 2.

But they weren't strangers. When he was stationed in Savannah, he was introduced to his soon-to-be bride by mail. Then Captain Kipp went to the Pacific to fight the Japs.

The correspondence kept up, for 13 months. They got engaged in April.

The story of the courtship by mail was told here Friday by the mother of the bride, Mrs. Clarence Clinton.

For a honeymoon the newlyweds recently took a taxi trip through the Great Smoky Mountains.

On the present trip, they're traveling by way of Meridian, Miss., Shreveport, La., Dallas, Fort Worth and El Paso, Texas, and Phoenix, Ariz.

LAST GIS SHIPPED FROM AUSTRALIA

BRISBANE—(AP)—The last big group of U. S. military personnel shipped for home Friday on the 18,000-ton liner Matsusia amid special precautions to prevent Australian brides of GIs from stowing away. Nearly 3,000 Americans were aboard the ship.

Weather

Fair Friday afternoon and Saturday. Warmer.

Midland Jeweler Dies Following Airplane Crash Near Goldsmith

J. E. Stovall, about 27, a Midland jeweler repairman, died in an Odessa hospital at 9:33 a. m. Friday from injuries suffered when an airplane which he was piloting crashed near Goldsmith Thursday afternoon.

Funeral arrangements will not be made until a brother arrives in Odessa Friday night from Fort Worth.

Stovall was rushed to an Odessa hospital following the crash and a leg was amputated in an effort to save his life.

The plane Stovall was flying was obtained at the Midland Commercial Airport, operated by R. A. Plunk, on the Garden City Highway. It was a high wing tandem monoplane.

His widow and three children reside in Odessa.

Cruiser Houston To Reach Home Port

HOUSTON—(AP)—The Cruiser Houston arrives here Friday to participate in Navy Day celebrations Monday.

Thousands are expected to line the bank from Morgans Point to the Houston turning basin to watch the fighting ship and its escort steam into the cruiser's home port.

The vessel leaves Galveston at dawn Friday.

Airliner Completes First Trans-Ocean Round Trip

BOSTON—(AP)—Americans along the Eastern Seaboard woke to the realization Friday that they were little more than an overnight commuting flight from England as American airlines completed its first commercial trans-Atlantic round trip.

The trip from New York to Hurst, England, about 120 miles from London, took 15 hours and four minutes actual flying time while the airborne time for the return was 21 hours and 29 minutes.

Oh my God, incline Thine ear, and hear; open Thine eyes and behold our desolations, and the city which is called by Thy name: for we do not present our supplications before Thee for our righteousness, but for Thy great mercies.—Daniel 9:18.

Let's Finish The Job

The last of the War Loan drives—the Victory Loan—will be held throughout the nation, October 29 to December 8. In contrast to seven preceding drives, it carries a unique appeal. The world is at peace and the specific urgencies of the solicitation deal with the maintenance and enhancement of that peace. The war loans were essential to our successes in the field, and this single, peacetime loan is equally vital if we are to enjoy the fruition of our victory.

In previous campaigns we have been told that dollars meant guns, tanks, planes and ships. Had security permitted we might have learned that our money also was being invested in the development and perfection of an atomic bomb. These tangible, highly destructive products required huge sums of money and yet it was natural for the public to perceive their worth.

The nation realized that our forces could not pulverize industrial cities from the air, carry on tremendous military operations on land and participate in unprecedented amphibious and logistic operations at sea without the citizenry footing the bill. The response indicates how fully the public appreciated these facts. The quota for all seven drives was approximately \$95,000,000,000; total sales exceeded \$135,000,000,000. No drive failed; all were oversubscribed.

Our purchase of Victory Bonds in this final campaign represents, in every sense, an investment in the peace. The goal of \$11,000,000,000 which the Treasury has set, \$3,000,000,000 less than the Seventh War Loan quota, will provide funds for veteran rehabilitation and care of the wounded, for the accelerated demobilization of our Army and Navy, for troop redeployment to this country, for the maintenance of armies of occupation and for the conversion to a peacetime economy. These things do not come cheaply. Yet we cannot afford to stop after financing the forces for destruction and in so doing overlook the constructive elements of victory.

More than 90,000,000 Americans own War Bonds, and it seems almost superfluous to reiterate the myriad advantages gained by their purchase. The public knows there is no better investment. It appreciates that buying Victory Bonds today provides security for the future. And since present figures indicate that this year there will be about \$40,000,000,000 more income than there will be goods and services to spend it on—which is called the inflationary gap—the restraints on inflation resulting from investment in Victory Bonds are obvious.

The nation is in a period of great transition from war to peace. By unity and sacrifice we have won the most devastating conflict in world history. It is unthinkable that we will compromise or dilute our victory now by failing to sacrifice for peace.

New 1946 Model Ford Is Big Attraction

A feature attraction in Midland Friday morning was the showing at the Murray-Young Motors of the first new model Ford car. Crowds were on hand to view the new super deluxe Ford tudor when Harry S. Murray, manager, opened the doors and they continued to fill the showroom throughout the morning. The crowds started arriving while the car was still on the wash rack being readied for its showing.

A number of prospective buyers placed orders for new Fords to be delivered when they start arriving. Murray was placed in the unhappy situation of not being able to tell the price of the 1946 models as the OPA hasn't reached an agreement on the ceiling price of the new models.

Veteran Long Is Attending College

STEPHENVILLE—Joe Long, returned Midland veteran of World War II, is enrolled at John Tarleton College along with 35 other veterans and is majoring in engineering.

Long is an active member of the Veterans Club, a students' organization composed entirely of veterans and sponsored by faculty members who are veterans.

Livestock

FORT WORTH—(AP)—Cattle 2,000; calves 1,500; active, fully steady; beef steers and yearlings in meager supply, few common and medium lots 10.50-13.00; good beef cows 11.50-12.00; common and medium 8.00-11.00; cutter 7.25-8.00; canners 5.50-7.00; good and choice slaughter calves 12.5-13.25; common and medium 8.50-12.00.
Hogs 25; active and steady; good and choice 140 pounds up 14.65; sows 13.90.
Sheep 4,000; slaughter lambs scarce, other classes steady; 500 head of medium grade yearlings 10.35; good ewes and aged wethers up to 6.00. Medium grade light-weight feeder lambs 12.50.

MARRIERS AT GANGPLANK SAILS FOR JAPAN
SEATTLE—(AP)—Cupid overlook Pvt. Raymond A. Prentiss of Los Angeles Thursday at the gangplank 15 minutes before he sailed for Nagasaki, Japan, with his Army company.

Friday he is a married man at sea, literally, and his bride, Tennis Star Mary Arnold, is heading back to their home city of Los Angeles to await his return.

Velasquez, one of the greatest painters the world has known, was descended from a noble Portuguese family.

C'mon, Mister, Get Busy!

World Again Begins Race For Armaments

By JOHN M. HIGHTOWER
WASHINGTON—(AP)—The great debate over the atomic bomb and universal military training has made one thing clear:

The world is beginning an armaments race without parallel in history.

The mutual confidence which the Allied powers were supposed to feel as a result of their common victory is tearing at the seams.

Once more everybody is getting ready for a war and nobody can afford another.

Half the world does not trust the other half. The United States and Britain know how to get along; but Anglo-America and Russia simply haven't had the combination.

Washington and London shared virtually all their top war secrets—not all but 90 or 95 per cent. Russia would not trade.

Nor were the United States and Britain inclined to give secrets away to the Soviets.

There it was—even under the pressures of war Anglo-America and Russia could not really get together. They did not trust each other.

Soviet Sets Up Puppets
After the victory the Russians established puppet governments throughout Eastern Europe.

They did this for security reasons—official Washington thinks—to help protect them against the capitalist west.

The United States, while professing to love everybody, began staking out claims on strategic bases in the Pacific.

Perhaps the United States really does love everybody—but the Russians seemingly aren't convinced.

Into this brew of suspicion drop the atomic bomb.

The Russians haven't said anything about the policy of keeping it more or less "secret." But diplomatic and scientific Washington are convinced that Soviet physicists and engineers are working 24 hours a day to catch up.

That is where the armament race begins.

The atomic bomb threatens the vitals of all the great land masses. Army, Navy and political leaders say this means the United States must be so powerful that no other

House To Push Vote On Military Service

By WILLIAM F. ARBOGAST
WASHINGTON—(AP)—House leaders have decided to take the membership off a political hot spot by disposing of the universal military training issue before Christmas—and before the 1946 Congressional elections.

Present plans, it was learned Friday, call for a showdown late in November or early in December. The outcome is presently regarded as a toss-up.

The House Military Committee opens public hearings, expected to last two weeks, on November 8.

Thereafter probably a week will be required to write a bill embodying President Truman's request that every able-bodied youth be required to take one year of training.

An informal poll of the committee showed that the President's request for the legislation probably will be approved there.

The members may tack on requirements that trainees be given regular Army disability payments if injured and an opportunity to go to college with government aid if they demonstrate military proficiency.

Some favor an amendment providing that West Point and Annapolis appointees be chosen from among youths who have demonstrated officer caliber during their training.

As to the bill's chances in the House, even its opponents admit it might be passed.

T. E. Allen says, "I know you will enjoy the new Circle Arrow Show on WFAA, 9:30 Sunday morning."

country will dare attack. And Russia feels she must be so powerful that no nation will dare attack her.

Mayor Tells Jaycees Of Plans For City

Mayor A. N. Hendrickson told members of the Junior Chamber of Commerce about city improvements now in progress or contemplated at their meeting Friday noon in the Scharbauer Hotel.

The mayor said work will start next week on the city's \$210,000 water distribution project, and that 2,200 feet of four inch line has been put down recently in the negro section of the city. More water lines will be put down in the negro section as quickly as pipe can be obtained.

New Lighting System
The Texas Electric Service Company is now at work on a new street lighting plan for the city which will be designed to light all parts of the city adequately.

In discussing the city's plans for paving, the mayor pointed out the saving and drainage improvement projects involved negotiations with the Texas and Pacific Railway and the Highway Department, but that present indications are they will result favorably for the city.

Ted Thompson reported on the organization's recent extermination campaign.

John Scrogin announced plans for the formation of a booster club to back student activities at Midland High School.

The Rev. Hubert Hopper, president, presided and Al Boring was program chairman.

Vassar College covers 1,000 acres, has 40 buildings, and more than 200,000 volumes in its library.

(Continued from Page One)
vey. It is two miles west and slightly south of the Funk pool.

Texas Gulf Producing Company No. 1 Lester, in east corner of section 42, block 35, H&TC survey, in Southeast Crane County, one-half mile south of the Crossett-Devonian field, had penetrated under 3,200 feet in lime, and was continuing. It had not developed any shows of production in the middle or lower Permian.

Sliding Rig
Sohio Petroleum Company No. 1 Ward, in section 257, block D, H&TC survey, in Northwest Stonewall County, failed to recover lost tools, on total depth of 2,720 feet, in lime and shale section, and skidded 20 feet west to start a new hole. Depth had been corrected from 2,760 feet to 2,720 feet.

Cole, Gruber and Coburn No. 1 Superior-Starnes, in section 1, block W, GO&SF survey, in Southwest Upton County, had recovered lost tools and was milling on junk, over total depth of 1,853 feet in lime. Operators expect to resume drilling shortly.

Humble Oil & Refining Company No. 1 Arnold, Southeast Lamb County, wildcat, in northwest quarter of section 12, block A, R. M. Thompson survey, one mile west of discovery well of the Anton field, was drilling below 5,939 feet in dolomite, with over 2,350 feet of oil in the hole. A slight amount of sulphur water had been shown, but it did not appear to be strong enough to cause too much trouble.

Swabbed Water
The Texas Company No. 1 Callahan, in northwest corner of section 308, block D, John H. Gibson survey, in North Yoakum County, was swabbing to test, after treating with 1,000 gallons of acid at 5,156-5,340 feet.

In 14 hours of testing it produced 75 barrels of water and spent acid. In next five hours it made 10 barrels of salt water and no oil, and had a slight show of gas. At last report it was swabbing two barrels of black sulphur water per hour. No plans for the future of the project have been reported.

Gulf Oil Corporation No. 1-E Muir, in southwest corner of section 23, block B-27, ps1 survey, in South Crane County, had progressed under 5,150 feet in dry lime, and was continuing.

COAST GUARD SEARCHES FOR MISSING FISHERMEN

BEAUMONT—(AP)—A search was pressed Friday for three Port Arthur and Beaumont business men, who have been missing since Wednesday morning while on a gulf fishing trip.

The Coast Guard reported Thursday night it had found a small motor boat believed to be the same craft occupied by the three missing men, Gilbert Heartfield, Albert Perkins and Lt. Louis Johnson.

It is believed the small craft overturned when a northwest wind hit Wednesday afternoon.

High School Student Entertainment Planned

All high school students of Midland and Abilene are invited to attend the Baptist Hi-Night activities at the First Baptist Church Friday immediately after the football game.

Refreshments will be served and an interesting movie program will be presented.

To All Who Suffer Gas Pains—Distress After A Good Meal!

Try Hot Water and A Little Neutracid

If you or any relative or friend suffer the symptoms of acid indigestion, gastritis, heartburn, sourness, gas or other stomach distress due to gastric hyperacidity, then by all means get a box of Neutracid—put a teaspoonful in half a glass of hot water and drink slowly after meals. Neutracid is new—made especially for the symptomatic relief of gastric hyperacidity so often the cause of stomach distress, acid indigestion, gas pains, heartburn, burning sensation, and other upset conditions.

Never have you had more blessed relief. Get a box today—ask for N-E-U-T-R-A-C-I-D at Midland Drug Co.—Central Drug Store—Palace Drug Store and all good druggists.

'Post War Problems' Program Theme For Fine Arts Club

"Post War Problems" was the theme for the program presented at the Fine Arts Club Wednesday at the home of Mrs. Selmon J. Lones, 1803 West Wall.

After the business session, Mrs. L. G. Byerley reported on "Community Service for Returned Veterans." The remainder of the program included a talk on the topic "San Francisco Conference" by Mrs. Paul Barron, and a talk by Mrs. Nelson Puett on "Our Islands."

All members were urged to cooperate in gathering clothing and household articles for the rummage sale Saturday in the Latin American section of the city.

A book review of "China To Me" by Emily Hahn will be given by Mrs. Fred Wemple at the next meeting, at the home of Mrs. O. J. Hubbard.

The book "China To Me" centers around the life of the author when she lived in China from 1935-43. Announcement was made that Mrs. Donald Knight had been elected to membership in the Fine Arts Club.

Those present were Mes. Barron, Byerley, Tom C. Bobo, Alden S. Donnelly, George Kidd, J. D. McClure, Hubbard, J. Howard Hodge, Wemple, Fred Fuhrman, Harvey Sloan, Scharborum, Nelson Puett, Foy Proctor, W. A. Yeager, J. B. Richards and Miss Lydia Watson.

FINE ARTS CLUB WILL SPONSOR RUMMAGE SALE

Members of the Fine Arts Club will sponsor a rummage sale Saturday at Benita Juarez Hall in the Latin-American section of the city. Anyone having clothing or household articles to contribute is asked to notify Mrs. J. D. McClure or Mrs. J. Howard Hodge.

Grand Relief FROM SNIFFLY, STUFFY DISTRESS OF Head Colds!

DOUBLE-DUTY NOSE DROPS WORK FAST RIGHT WHERE TROUBLE IS!

Instant relief from head cold distress starts to come when you put a little Va-tro-nol in each nostril. Also—it helps prevent many colds from developing if used in time! Try it! Follow directions in package.

Flattering
8923
34-48

By **SUE BURNETT**

Here is a simple, graceful all-occasion frock for the larger figure. Soft shoulder shirring and flattering gored skirt are details every woman likes.

Pattern No. 8923 is designed for sizes 34, 36, 38, 40, 42, 44, 46 and 48. Size 36, short sleeves, requires 3 1/2 yards of 35-inch fabric or 4 1/4 yards of 39-inch; three-quarter sleeves, 4 yards 39-inch fabric.

For this pattern, send 20 cents, in COINS, your name, address, size desired, and the PATTERN NUMBER to Sue Burnett, The Reporter-Telegram, 530 So. Wells Street, Chicago 7, Illinois.

MRS. E. L. PHILLIPS HONORS STUDENTS AT HALLOWE'EN PARTY

Mrs. E. L. Phillips, speech teacher, entertained with a Halloween party Thursday evening at her home on West Texas, honoring her speech students and their parents.

A program was presented with the following taking part: Mary Jo Hejl, Evelyn Hejl, Ann Armontrout, Helen Golladay, Sara Cameron, Helen Zant, Sandra White, Paula Jean Crites, Sandra Rinker, Patricia Murphy, John Zant, Dossie Don Hargrove and Billy Blalock.

Coming Events

SATURDAY

A meeting of the Moment Musical Club of the Watson School of Music will meet at 11 a. m. at the studio.

Members Of St. George's Catholic Church Will Observe Prayer Season

Garden Club To Display Floral Arrangements At Midland County Fair

A display of floral arrangements will be shown by the Midland Garden Club in one of the booths at the Midland County Fair opening at 10 a. m. Saturday in the Civic Auditorium.

Mrs. L. C. Mills will have charge of the booth and will be assisted by Mrs. Ray Pool.

Bishop E. H. Jones Will Conduct Mission At Episcopal Church

A preaching mission at the Trinity Episcopal Church conducted by the Rt. Rev. E. H. Jones, bishop of West Texas, will begin with the 11 a. m. Sunday service and continue through Wednesday.

The service Sunday morning will consist of confirmation and morning prayer. The Rev. R. J. Snell, rector, will present the class for confirmation. Services will be held by Bishop Jones at 8 p. m. Monday, Tuesday and Wednesday, with the communion service scheduled for 10 a. m. Wednesday.

Bishop Jones will address the United Council of Church Women at 3:30 p. m. Monday at the Episcopal Church. Other engagements to be filled by the bishop are as follows: A confirmation class Sunday in Odessa and talks at the Men's Club of the Trinity Episcopal Church Monday night and the Lions Club Wednesday.

New Frigidaires Are Received By Caffey Appliance Company

C. E. Caffey and L. W. Soulon of Caffey Appliance Company, local Frigidaire dealer in Midland, announced Friday that they had received the first four new postwar Frigidaires and that refrigerators have now been released for sale to the public.

"These refrigerators," Caffey said, "have been in production for some time, but have not been available to the public due to War Production Board restrictions."

"Now that restrictions have been lifted, the refrigerators now on hand and those which will be manufactured in the future will be for sale. Right now," he continued, "the demand for new refrigerators far exceeds the supply, and, for a short while the supply will be limited, but, every day production at Frigidaire is increasing."

Frigidaire Division of General Motors Corporation, began a limited production of refrigerators following termination of its war contract in July. Following V-J Day the all-out job of reconversion and production began at the huge Dayton plants where refrigerators, electric ranges and commercial refrigeration products are being made for civilian consumption. In an unbelievably short period of time, and due to its 25 years of experience in household and commercial refrigeration, Frigidaire reached peak efficiency.

Caffey stated also that Frigidaire did not lose sight of the fact that quality, dependability, and service are equally as important as quantity.

Midland Sergeant Studies In England

WITH THE UNITED STATES FORCES IN GREAT BRITAIN — Sgt. Erwin M. Daniel, former manager of White's Store in Midland, Texas, now is studying department store management at Jessep's Company Ltd. in Nottingham, England.

This training course is made possible as a part of the Army education program being conducted in Europe through the Information and Education Division, TSFET, headed by Brig. Gen. Paul W. Thompson.

Sergeant Daniel is a veteran of the Normandy, Ardennes, Northern France, Rhineland and Central Europe campaigns, and was in charge of a platoon in combat.

How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel fern laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly lays the cough or you are to have your money back.

First Baptist Church To Be Scene For Royal Ambassador Conclave

W. M. Hoverfield of Dallas, state Royal Ambassador, will hold a conclave at 10 a. m. Saturday in the Educational Building of the First Baptist Church for the Royal Ambassadors of Midland and surrounding counties.

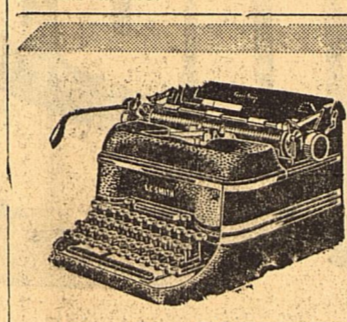

This conclave is being held for instruction and inspiration in Royal Ambassador work. All junior intermediate age boys of the First Baptist Church and Calvary Baptist churches are urged to attend.

Lunch will be served at the church and the afternoon will be spent in playing games and contests.

Shrine Dance Will Be Held Saturday

All Shriners are requested to wear their fez to the dance at 9 p. m. Saturday in the Crystal Ballroom of the Scharbauer Hotel. The El Malda Temple of El Paso is host for the entertainment.

Nobles of other temples and their ladies are invited to attend the informal dance.

ESME OF PARIS

APARTMENT IN PARIS

XIX

AFTER stopping in Paris, I crossed again to Buenos Aires. The season with Michailovitch was successful but not as exciting as the one before in which I had founded my own company. After eight months I began to feel a little disgusted with the type of show I was doing—it had been "pot-boiling," and I knew it and wanted to work at something for my own satisfaction. So I headed back to Paris.

I had long dreamed of taking an apartment with mother, and had even written to her from South America about it—explaining how I proposed to rent and keep it up, providing she would live there with me and share expenses. She had agreed to everything I had suggested, and I now set out to look for one.

After searching the entire city in the company of an impressive personage from "l'Agence d'Immobilier" with a silky black beard, a briefcase, and an umbrella, at last I found what I wanted on the Avenue de Bois du Boulogne, now called the Avenue de Marechal Foch, a stone's throw from the Bois and the Port-Dauphin. It was a large apartment opening on its own tiny garden with a gate leading into the street behind, and next to a garage. There was a delightful round room for mother and her piano, with another enormous salon for my own work. The whole place was ideal.

Mother wrote from Vienna that the place sounded wonderful in every respect, and she would be looking forward to living there. I immediately signed the lease and started looking for furniture. Then, without warning, came a letter from my brother that worried me very much.

He begged me to come at once

cessfully, and the apartment looked lovely. I filled every corner with mother's favorite flowers—lilies of the valley and bowls of big pink roses. Then I went flying to the hotel to fetch her.

Everything was packed when I got there, and Marie was just closing her trunk—but not to come to the Avenue du Bois! Mother was leaving for London on the 2 o'clock plane from Le Bourget, to commence rehearsals with the Swedish Opera. Before leaving Salzburg she had signed a contract with them to tour the United States.

I LEFT for Salzburg at once and found mother at the Schweitzerhof Hotel, surrounded by a group of actors, singers, and musical phenomena.

When I spoke to her about her health, contrary to other occasions when she had complained so bitterly about it, she would not discuss it or give me any idea of what the doctor had told her. I saw clearly that she suspected me of having come to Salzburg for the express purpose of preventing her from getting involved with any more engagements that might require traveling. I told her plainly that I expected her to take life quietly and live in the apartment I had worked so hard to acquire, where she could have proper rest and comfort and sing in concert or at the Ope. Comique—work that I felt would not harm her health. But it was not until the fourth of June that I finally managed to get her started for Paris.

In the meantime, I had received a letter from my beautiful little cousin, Pepita. She was in Paris and broke, having got herself into a series of difficulties. She had been working at the Colliseum in London with the Diaghilev company but did not tell me how she came to be without a job. When we arrived in Paris, there she was—installed at our hotel!

I took Pepita with me to the half-empty apartment and made her understand that for once in her lazy young life she was going to earn her board bill and help me get the place finished so that mother could move in at the end of the week. This we did suc-

Soldier Is Denied Divorce In Court

A soldier's suit for divorce was denied by Judge Cecil C. Collins in district court Thursday after the wife contended the soldier had not lived in Texas long enough for the court to have jurisdiction.

Two other divorces were granted.

Cotton

NEW YORK (AP)—Cotton futures at noon Friday were 20 to 65 cents a bale higher. Dec. 23.86, March 23.85, May 23.85.

Fenimore, Oklahoma A&M Favored Over TCU; SMU Over Tulane

By HAROLD V. RATLIFF
Associated Press Sports Editor

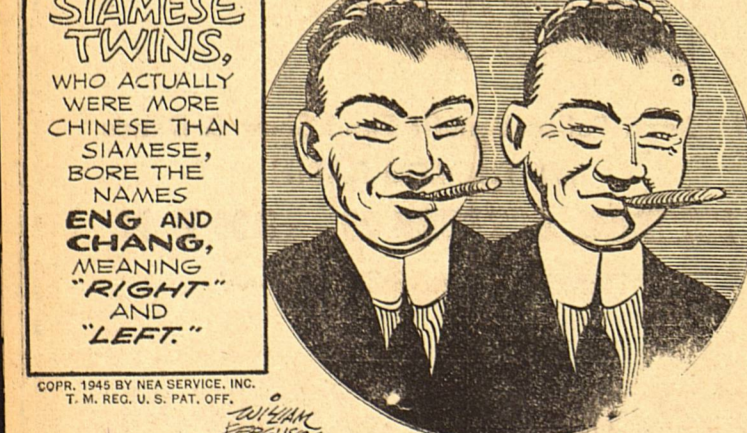

Three teams will be fighting for survival in the Southwest Conference football race Saturday when Rice tackles Texas at Austin and Baylor invades College Station for a crack at Texas A&M, while the rest of the field will be battling intersectional opponents.

SIDE GLANCES

THIS CURIOUS WORLD

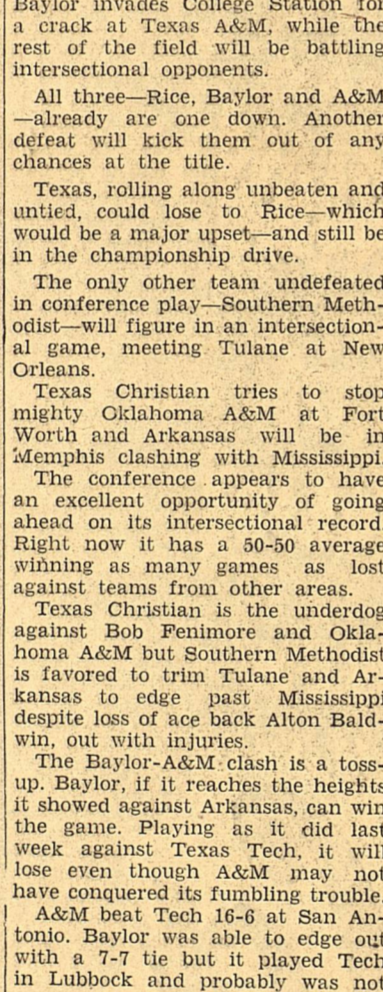

THE ORIGINAL SIAMESE TWINS, WHO ACTUALLY WERE MORE CHINESE THAN SIAMESE, BORE THE NAMES ENG AND CHANG, MEANING "RIGHT" AND "LEFT."

SPLITTING A CROW'S TONGUE DOES NOT IMPROVE ITS ABILITY TO TALK. A BIRD'S TONGUE PLAYS LITTLE PART IN ITS UTTERANCE OF SOUNDS.

CARNIVAL

Occupational affliction, Guv'nor—we call it clothes-pin nose!

McKENNEY ON BRIDGE

By WILLIAM E. MCKENNEY
America's Card Authority

We shall probably see no innovations in bidding at the fall session of the national championships tournament in Atlantic City, Dec. 1-9. In my opinion, we may anticipate just good sound bidding. Many outstanding experts have been serving with the armed forces during the past few years and have had no time to develop anything new in bridge.

Many of the experts probably will use the Blackwood four-five no-trump convention but only when its use is obvious. The bidding shown on today's hand is without

26

the use of Blackwood. South's hand is strong enough to jump to five spades, but what should North do? If he bids six spades, the opponents will cash the ace and king of clubs. If the Blackwood bid of four no-trump is employed over three spades, North, with no aces, will respond with five clubs. Now South will know that six spades would be unwise. Even if North held the king of clubs, the ace might be wrong, and if North held the king and queen of clubs, he probably would have bid four spades over three diamonds.

Lamesa Rallies To Tie Bullpups, 7-7

Lamesa's "B" whirlwinds rallied in the final quarter to gain a 7-to-7 tie with Jack Mashburn's Midland High "B" Bulldogs in Lamesa Thursday afternoon.

The Bulldogs went into the lead in the first quarter when they drove the Bulldog "B" team will play Odessa "B" team under the Midland High School athletic field lights at 7:30 p. m. Tuesday night. The Bulldogs will seek revenge for a 26-to-14 loss to the Broncs earlier in the season.

80 yards over the goal, Bill Little, quarterback, plunged over the goal from the four-yard line, but he fumbled, and James Urice, Midland end, recovered for the touchdown.

Midland kept the lead until the last five minutes of play. Lamesa recovered a Midland fumble on the 25-yard line and drove toward the goal. The Bulldogs held, got the ball on downs and kicked out to the 40, but the Lamesa safety man returned it to the 20 from where the Whirlwind drove for the tying touchdown.

Playing outstanding ball for Midland were Little, who intercepted two Lamesa passes and did much of the ball carrying, Urice at end, Joe Birdwell at tackle, and Dean Cox at center.

Facts On Eagle-Bulldog Game

WHO—Abilene's Black and Gold Eagles and the Midland Purple and Gold Bulldogs. The Eagles, pre-season district favorite, has won two games and lost three to date. One of the set-backs was a conference tussle with Odessa. Midland, loser of three non-conference games, has broken even in district play, holding a victory over Big Spring and having lost a District 3-AA affair to Sweetwater.

WHAT—The teams will clash in a conference melee that will boost the winner in District standings and give the victor the lead in the seven-year history of the Eagle-Bulldogs series.

WHEN—Kickoff for the contest is set for 8 p. m. sharp Friday.

WHERE—Scene of the clash is the Midland High School athletic field in northeast Midland.

CROWD—The largest crowd of the 1945 Midland home schedule is expected to see the game. Abilene will send 500 Eagle rooters to cheer the Eagles, including 300 students and 200 adults.

FAVORITE—Abilene is generally favored to win the game but Lorin McMullin, writing in the Fort Worth Star-Telegram, concedes that Midland may upset the Eagles. Abilene has a weight and age advantage over the Bulldogs and their reserves are considered stronger.

Top Games Of Weekend In Wichita And Odessa

By The Associated Press
Highland Park meets Wichita Falls at Wichita Falls Friday night in the headline game of a busy week-end in schoolboy football.

It will bring together two of the state's undefeated, untied teams, each of which has ranked around the top all season.

Other than the Highland Park-Wichita Falls tilt, the schedule is made up mostly of conference games involving all except one of the sixteen districts. The spotlight in District 3-AA will be the San Angelo-Odessa clash at Odessa.

Four games were played in the state Thursday night, the most important being the 13-12 defeat of Amon Carter-Riverside, one of the top-ranked elevens of the Fort Worth district, by Fort Worth Tech.

In other results Texarkana beat Benham 32-0, Lamar (Houston) downed Sam Houston (Houston) 37-0 and Stephenville and Masonic Home (Fort Worth) scrapped to a 12-12 tie.

OBTAIN MARRIAGE LICENSE
A marriage license was issued Thursday at the office of County Clerk Susie G. Noble for Alonzo Reejna and Emma LaRue Haden.

Humble To Broadcast Saturday Grid Games

Humble continues to bring the action of the Southwest Conference race to football fans Saturday with two conference and two inter-sectional tilts on the broadcast schedule.

A conference battle finds Texas U. and Rice clashing at Austin. This game takes the air at 2:15 p. m., over WOI, San Antonio and WFAA-WBAP, Dallas-Ft. Worth.

In the other conference fray of the afternoon, A. & M. meets Baylor at College Station. The broadcast starts at 2:15 p. m. over stations KGKO, Dallas-Ft. Worth and KTSA, San Antonio.

Oklahoma A. & M. travels to Fort Worth to tangle with T.C.U. in an inter-sectional tilt. Game time is 2:15 p. m. KCBS, Midland, will carry the broadcast.

Another inter-sectional conflict brings S.M.U. against Tulane at New Orleans. Broadcast time for this tilt is 2 p. m. over stations KRLD, Dallas and KABC, San Antonio.

FIREMEN ANSWER ALARM—Firemen answered a call Thursday afternoon to the 400 block of South Mineola Street where trash was burning. There was no damage.

Midland Set For Seventh Annual Abilene Game

Midland High School's Bulldogs will scrap with the Abilene High School Eagles at 8 p. m. Friday in a District 3-AA contest on the Midland athletic field.

The largest crowd of the home season is expected to see the game that marks the seventh annual clash between the rival teams. So far, the clubs have won three contests each, and the winner Friday will take the lead in the series that began in 1933 and will climb in district standings.

Casualties struck the Midland team Wednesday when Dunny Goode, right halfback, turned his ankle in scrimmage Wednesday and may not play. Two other Bulldog starters, Jimmy Edwards, center, and Ben Olliff, left end, were ill Thursday morning and missed school. They were back in classes Friday but not feeling up to normal. Because of a lack of reserves, both will see some action in the game.

Two Abilene regulars will be on the sideline when the whistle blows. David Ewers, a guard, is out with a broken foot and Ray Perry, a halfback, is injured and will not play.

The Eagles have a weight advantage in both the backfield and line. The Midland backs average 132 pounds against Abilene's 143, while the Bulldog line averages 167 to the Eagles' 173.

Bulldogs Are Set
Midland's coaches, Gene McCollum and Aubra Nooncaster, sent the Bulldogs through a series of scrimmage during the week and the Purple and Gold team is keyed for the game. In Abilene, the Eagles went through light drills, as Coach Jake Bentley discarded scrimmage to avoid the risk of incurring more injuries to his team.

The Abilene record for the season is as follows:
Abilene 12, Amarillo 33.
Abilene 13, Ballinger 0.
Abilene 6, Brownwood 12.
Abilene 7, Odessa 18.
Abilene 12, Lubbock 6.
Midland's season record is as follows:
Midland 6, Pampa 25.
Midland 6, Austin (El Paso) 24.
Midland 0, Plainview 20.
Midland 5, Sweetwater 19.
Midland 9, Big Spring 6.

Bulldog-Eagle Games
The Midland-Abilene historical record:
1939 Midland 45, Abilene 7.
1940 Midland 47, Abilene 6.
1941 Midland 0, Abilene 19.
1942 Midland 12, Abilene 14.
1943 Midland 26, Abilene 21.
1944 Midland 19, Abilene 25.

Probable Starting Lineups:
Midland Pos. Abilene
Olliff LE Braselton
Mickey LB Tate
Kidwell LB Lowrie
Edwards C Rely
Scrogin RG Green
Whitson RC Daulton
McNeal RB Hendley
Yeager QB King
Hightower LH Terry
Goode RH Hardin
Cole FB Murphey

Tahoka High Team Will Resume Football Friday

TAHOKA—(P)—The Tahoka High School Bulldogs will be back on the local gridiron in a game against Sundown Friday night, with a new coach on the sidelines.

Prentice Walker, Tahoka businessman, is coaching the team, succeeding H. W. Stewart who resigned Oct. 13 during a recent school dispute.

Walker said Friday he would have a B team out on the field, with only two men who had ever played football before.

Nineteen members of the squad left the team when the controversy over handing of the football players closed the school last week. Classes were resumed Monday.

Classen Picks Navy To Defeat Penn In Top Grid Contest

By HAROLD CLAASSEN
NEW YORK—(P)—There's nothing like an upset to thrill the football spectator and some 73,000 fans will jam Philadelphia's Franklin Field Saturday for Pennsylvania's clash with Navy in hopes of viewing a twist in form similar to the ones which sent Ohio State and Georgia down to defeat a week ago.

Both the Quakers and Middies are undefeated and each holds a berth among the country's top ten teams as determined by the weekly Associated Press poll. The only Penn casualty is Coach George Munger, suffering from influenza.

Navy's hospital roll is longer than a child's Christmas list but the Middies get this corner's very hesitant vote to triumph.

Other selections:
Ohio State-Minnesota: The pressure of their winning streak is off the Buckeyes and they may rebound and halt Minnesota's hope of gaining the Big Ten crown. But the Gopher's all-around attack is too much, Minnesota.

Army Over Duke
Duke-Army: A year ago Duke led Army at the half, 7 to 6, and may repeat that experience this year but by the end of the game the Cadets definitely will be out in front. Army-Georgia-Alabama: Charlie Trippi has had another week to work his talents into the Georgia setup. The Bulldogs will need more than that to stop the tosses of hurling Harry Gilmer, Alabama.

Purdue-Northwestern: Purdue's reaction to its triumph over Ohio State a week ago may make this close, Purdue.

Southern California-Washington: The Trojans haven't been beaten by a college club this year—and don't intend to ruin that record this week. Southern California.

Holy Cross-Colgate: Stan Kosloski, Holy Cross' great back, may not play because of a knee injury. His absence would make it a tight affair, Holy Cross.

Iowa-Notre Dame: This contest ends the Hawkeyes' record of never having lost a football game to Notre Dame. Notre Dame.

Cornell-Yale: Naval transfers and returnees have altered both clubs beyond recognition but Cornell still has the passing of Allan Dekdebrun, Cornell.

Oklahoma A&M-Texas Christian: Bob Fenimore, the nation's top ground gainer, spells the difference. Oklahoma A&M.

Tulsa-Indiana: The Oklahomans aren't making the trip north just to look at the scenery. Indiana's porous pass defense to decide, Tulsa.

Arkansas-Mississippi: The Razorbacks got a lot of bad football out of their system last week while losing to Texas, 34 to 7, Arkansas.

West Virginia-Maryland: At least six of Maryland's regulars are hobbled by injuries. West Virginia.

Vanderbilt-Louisiana State: The Bengals are clicking. LSU.

Joseph E. Harwell Is Staff Sergeant

WITH THE 14TH ANTI-AIRCRAFT COMMAND IN THE WESTERN PACIFIC—Joseph E. Harwell, son of Mr. and Mrs. J. E. Harwell of Midland, is now staff sergeant. He is personnel sergeant major of his organization.

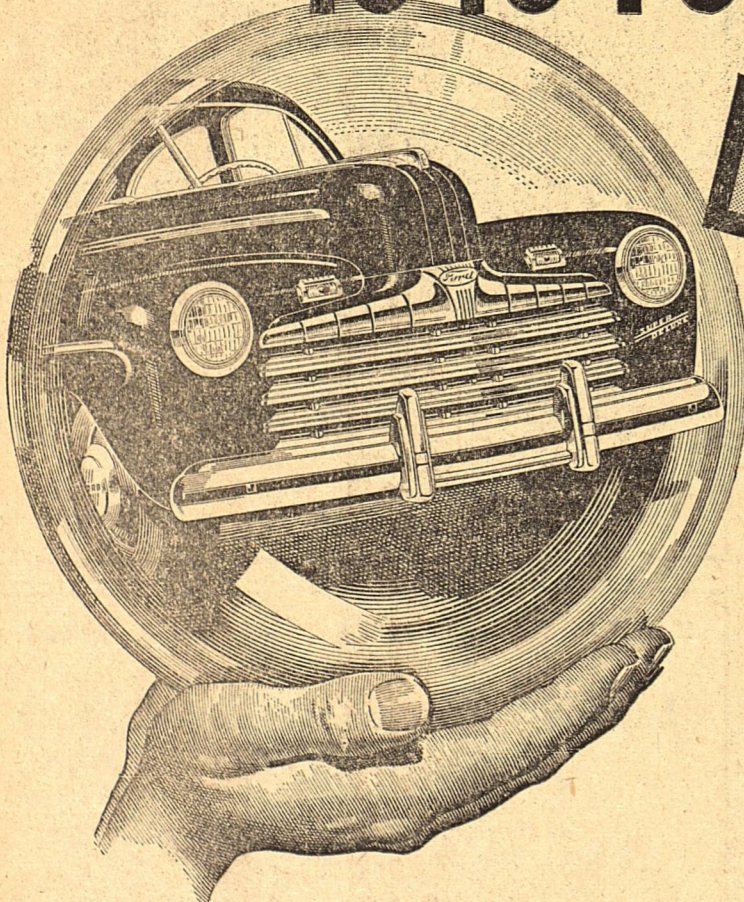

Sergeant Harwell has served overseas two years with the 15th Anti-aircraft Artillery Group, and has been awarded three bronze battle stars for participation in the New Guinea, Bismarck Archipelago, and southern Philippines campaigns. He also wears the good conduct medal, Asiatic Pacific theater ribbon, and the Philippine Liberation ribbon.

He is eligible for return to the United States and discharge.

Sturgeon, which are found in North American, European and Asiatic waters, are never found in tropical waters.
