"HASKELL—A GOOD PLACE TO VISIT; A BETTER PLACE TO LIVE"

VOLUME NINETY

14 PAGES

HASKELL, TEXAS, 79521, THURSDAY, NOVEMBER 11, 1976

NUMBER FORTY-SIX

Last week's election was a surprise to many people. Not so much the outcome but the unexpected quantity of voters who cast their ballots. Many pollsters predicted pretty accurately that the Presidential race would be very close. They got that part right but really blew it when they predicted "one of the lowest turnouts in history." A total of 3,290 people voted in Haskell County last week. That total represents 68% of the total registered voters in Haskell County. Only once during the past twelve years has that total been exceeded. During the Presidential elect-

ion of 1964 a total of 3,460 ballots were cast. In 1968 there were 3,210 votes cast and in 1972 a total of 2,699.

While on the topic of elections, enjoyed a story of Lois Redwine's granddaughter, Monica, who visited in Haskell last weekend. She excitedly told her grandmother that in their school election this year they voted for people. When questioned she proceeded to explain that in years past they had voted for elephants or donkeys. The next question was which of the two she had voted for. Her answer was totally sensible and to the point, "The elephant, nobody wants a donkey for President."

City Council Awards Sewer Plant Contract

Members of the Haskell City Council met in regular session Tuesday night and awarded a contract on a new wastewater treatment plant.

The contract was awarded to B. and J. Escavating, Inc. of Dallas. They submitted the low bid on the plant when bids were opened early in October and following approval by the engineer and Environmental Protection Agency the City officially awarded the contract. Total amount of the contract was \$240,071.00.

In other action the council heard a report by the Mayor that a total of \$555.35 had been received on the Room Occupancy Tax for the third quarter, and discussed a dog ordinance with instructions for the City Attorney to begin work on a new ordinance.

Mayor Belton Duncan called the meeting to order which was opened with prayer by Councilman Loraine Johnson. Others attending the meeting were Councilmen Guy Kennedy, Earl Proctor, and E. J. Stewart, City Secretary Desmond Dulaney, and City Attorney Joe Williams. The next meeting of the Council will be held November 23.

NOTICE

The Haskell Indian Basketball season begins with workout on November 15, according to head basketball coach James Raughton. Coach Raughton requests that all mothers of candidates for the boys' high school basketball team, i.e., varsity, jayvees, and freshmen, meet with him in the High School Library, Tuesday, November 16, at 6 p.m. to discuss the upcoming season.

Commissioners Canvas Election

Members of the Haskell County Commissioners Court met Monday and canvassed the General Election results held November 2.

When the court compared the results turned in by election judges and the totals marked on the tally sheets several discrepancies were noted. The only significant variations in the totals were in the Associate Justice Place 3 race where apparently the straight party tickets were added to each of the three candidates in Box 9, Paint Creek, and in Box 2, where each unopposed candidate received approximately 60 more votes than were listed on the unofficial returns last week.

In other court action, Earl Proctor, owner of Haskell Abstract and Title Company was granted permission to use space in the basement of the Courthouse for abstract work. They also agreed to advertise for bids on a used motor grader for Precinct 4, and voted to purchase doors for the closets at the County Jail. The court also suggested closing the Courthouse on the 25 and 26 of November for Thanksgiving.

NOTICE

Members of the Haskell Spanish I class are currently selling chances on one-half beef to be given away at a drawing held December 11, on the Courthouse lawn. You need not be present to win and tickets are available from any member of the Spanish I Class.

Tribe Downs Hounds 42-9

The Haskell Indians gained some measure of sweet revenge against the Knox City Greyhounds to the tune of 42 to 9 last Friday night. Knox City had defeated the Indians the past two years since Haskell had dropped to Class A. With this victory, Haskell returns to the victory trail after 2 straight defeats and bring their season record to 6 wins and 3 losses. The Indians will wind up their season at Crowell this Friday night at 7:30. The

Wildcats defeated Hamlin last Friday. If Crowell defeats Haskell, Crowell will win the district. It is another game pitting a strong defense against the Haskell high voltage offense. Last Friday night, the Indians completely dominated the game from the beginning. Knox City returned the kickoff and mounted a short drive; however, they lost the ball and the Indians marched quickly for a touchdown. Vonnie Hise

ripped over the middle for the last 10 yards, the PAT failed. At the opening of the second quarter, the Greyhounds marched again. However, they were forced to punt. The Greyhounds stopped the Indians but fumbled the punt. Haskell then struck quickly for 54 yards with Kelvin Marshall ripping 41 yards to eat up most of the yardage. Hise plunged over from 1 yard out. PAT failed. Knox City then mounted a drive which culminated with a field goal. Knox City tried an inside kick which failed giving the Indians good field position. The Indians quickly stormed for another TD with Kelvin Marshall tearing over from the 4 yard line. The PAT failed, making the score 18 to 3 at half.

Haskell was severely hampered by penalties in the 3rd quarter and could not move the ball enough to score. Knox City moved in for one touchdown to make the score 18 to 9.

The 4th quarter was all Haskell with the relaxed Indians scoring three touchdowns and 3 two point conversions. The Indians scored on the second play of the quarter with Marshall getting his second TD of the night on an 11 yard run. After a Greyhound turnover, the Indians scored again with Hise going 35 yards on a draw play. The third Indian touchdown came on a pass from Gary McAdams to Nati Escobedo who made a good catch between two defenders. All the conversions were good in this quarter as the Indians ran their PAT special. McAdams passed for one; he pitched to Marshall who passed to McAdams for one, and Kelvin Marshall scooted in for one. After the last touchdown, the Haskell reserve played the remainder of the game.

Kelvin Marshall had his 7th game in which he topped 100 yards with 109 on 13 carries. Vonnie Hise got 102 on 10 carries. Others doing an outstanding job for the Indians on offense were Chris Colbert, Johnny Larned, and Mike New. Defensive standouts were Gary McAdams, Jesse Billington, Jimmy Browning, and David Tidwell.

INDIAN RUNNERS consistently broke tackles last Friday night for good gains against the Knox City Greyhounds. The Tribe downed Knox City 42-9. They will travel to Crowell this Friday for the last game of the 1976 season. (Staff Photo)

Band Receives 1st At Contest

Haskell was well represented by the Indian Band on Wednesday, November 3rd, when the band took part in the annual UIL Marching Contest in Abilene.

The Indians worked diligently the past several weeks, preparing their routine for this contest. They performed exceptionally well, and were awarded a 1st division rating by each of the three judges there. Haskell's was one of the few Class A Bands in this area to receive a superior rating. This accomplishment is the first step toward another Sweepstakes trophy for them.

The Indian twirlers also gave an outstanding performance. Each solo and ensemble performed by Haskell twirlers received a 1st division rating. The girls participating were: Kim Drinnon, solo; Jill Adkins, solo; Cindy Ivey, solo; Patricia Arrendondo, solo;

Sarah Cortez, solo; Karon Gray, Vicki Bledsoe, and Sonya Tidrow, trio; Kim Drinnon, Jill Adkins, Cindy Ivey, and Patricia Arrendondo quartet.

Paint Creek To Host Supper November 13

A special invitation has been extended to all former residents, ex-students, teachers and friends of the Paint Creek Community to a Thanksgiving Community Supper, on Saturday, Nov. 13th at 7:00 p.m. It will be in the H. P. Morrison Auditorium at the Paint Creek School. Everyone bring a covered dish and enjoy a Thanksgiving program and singing. Tea and coffee will be furnished.

CHOSEN AS BAND SWEETHEART for this school year last week was Debbie Stubblefield. The crowning took place last week during the pep rally. She was escorted by David Gray and crowned by band president John Cox. (Staff Photo)

Free Press Publisher Attends Meet

Mr. and Mrs. Bill Comedy attended a Texas Press Association Legislative Briefing in Austin last Thursday and Friday.

The meeting was held to inform Texas newsmen of the upcoming events of the 65th Legislature which convenes in January.

According to Charles Lewis, Kilgore News Herald, chairman of the Committee which planned the meeting, "This is a program designed to inform. Newspapers of every size will benefit from this preview of the 65th Legislature whether they make an effort to cover the legislature or not. What lawmakers do during the next session will affect, either directly or indirectly, every newspaper publisher in Texas, as well as their readers." Speakers at the meeting included: Governor Dolph Briscoe, Lt. Gov. Bill Hobby, Tom Keel, director, Legislative Budget Board, House Speaker Bill Clayton, Comptroller of Public Accounts Bob Bullock and Attorney General John Hill.

During his speech, Gov. Briscoe told those present that it was too early to announce plans for re-election but he did make it plain that he was seriously considering running for a third term as Governor. Approximately 150 newsmen and women from all over Texas attended the meeting at the Hilton Inn.

Rochester Receives Approval Of Grant

WASHINGTON, D.C.—Congressman Omar Burleson announces the approval of a \$20,020 Environmental Protection Agency grant to the City of Rochester.

The funds will be used in the construction of the new wastewater treatment plant, oxidation ditch and rehabilitation of the lift station.

Rochester received a previous award in the amount of \$66,980.

NOTICE

The Haskell Jaycees are at a standstill in their planning of a Turkey Shoot to benefit the West Texas Rehabilitation Center. The Jaycees issued a plea last week to local merchants to donate merchandise to be given as prizes at the shoot and have had very little response. Merchants who wish to donate merchandise for prizes at the Nov. 21 shoot should contact any member of the Jaycees, Wallace Wooten or Don Comedy.

Band Names Sweetheart At Pep Rally

This past week the Indian Band chose their band sweetheart for this school year. The presentation took place at the pep rally November 5th.

The three contestants were: Jo Ann Dean, daughter of Mr. and Mrs. Jesse Dean, escorted by James Wittenborn; Mona Bledsoe, daughter of Mr. and Mrs. Earl Smith, escorted by Clark Richardson; and Debbie Stubblefield, daughter of Mr. and Mrs. Lee Roy Schaake, escorted by David Gray.

Debbie was crowned the new band sweetheart by John Cox, the band president, and was given a lovely bouquet of a dozen red roses.

OBITUARIES

M. J. Sellers

Funeral services for M. J. (Pat) Sellers, 66, of Sagerton were held November 5, at the Rule First United Methodist Church with the Rev. Allen C. Forbis, pastor, and the Rev. Danny Johnson, Baptist minister of Anson officiating. He died November 4, at Haskell Memorial Hospital following a stay of about five days.

Burial was in Willow Cemetery directed by Holden-McCauley Funeral Home. Born August 16, 1910 in Sabanna, he was a retired service station operator. He married Margie Bush on September 28, 1940 in Haskell. She preceded him in death January 2, 1975. He had been a resident of Sagerton since 1943 and had moved to Rice Springs Care Home in July 1976. He was a member of the First United Methodist Church of Sagerton.

Survivors include two sons Billy Lloyd Sellers of Abilene, and Terry Pleamon Sellers of Wichita Falls; one daughter, Mrs. J. W. (Hazel Dean) Johnson of Lubbock; mother, Mrs. Alice Sellers of Haskell; one sister, Mrs. W. E. (Toots) Irvin of Haskell and 4 grandchildren.

Palbearers were Alvin Ulmer, Delbert LeFevre, W. A. (Cotton) Bell, Joe Soto, Sam Neinst, and Cliff Gholson.

VA News

Some veterans, as well as widows and parents of deceased veterans, are required to report their income to the Veterans Administration each year in order to remain eligible to receive benefit payments. According to C. H. Herren, Service Officer for Haskell County, persons who are required to report their income will receive a questionnaire with their regular benefit check on November 1, 1976. The income report must be completed and returned to the VA by January 1, 1977 or payments will be terminated.

The annual income report will be sent to veterans and widows who are receiving nonservice-connected disability and death pension. Also required to report annual income are the dependent parents of veterans whose deaths were caused by service-connected disabilities. A veteran or widow with no dependents, or a single parent, is entitled to VA benefits if annual income does not exceed \$3,300. The income limit for a veteran or a widow with dependents is \$4,500. When there are two eligible parents, or a remarried parent living with his or her spouse, the annual limit is also \$4,500. When completing the questionnaire, all income should be reported. Present laws authorize the VA to allow 10% deduction on income received from retirement benefits, including Social Security. Thus, only 90% of such income is counted by the VA. Each

claimant is allowed to also report any family medical expenses which were incurred during the year. Any such expenses which are in excess of 5% of the reported income of the claimant may be used by the VA to reduce the countable income, thereby establishing entitlement to a larger monthly payment.

Veterans, widows and parents should seek competent assistance to complete the income reports. Such help may be obtained by contacting your local Veterans Service Officer. If incorrect information is reported, the VA may be required to suspend or terminate benefit payments.

Mental Retardation

Editor—This is one of a series of articles about Mental Retardation prepared by Mrs. Eugene Cochran and the Public Education Committee of the Texas Association for Retarded Citizens.

Life Insurance Is Essential

Every parent needs life insurance to provide for the support of the family's children in case the breadwinner should meet with untimely death. This support will be needed in most families for only the temporary period until the children become self-supporting. However, for retarded children, this period of required support will usually be longer, and in many cases, it will extend over the entire remaining lifetime of the child. Therefore, parents of retarded children need extra amounts of life insurance. Any life insurance plans you acquire necessarily depend on

what other funds are available for your children, what other provisions you have made for them and any last will and testament that you have drawn. All of these things are related and should receive careful consideration when making your insurance plans. Naturally you want the largest amount of insurance that can be bought for the least amount of money. The younger the parent when he starts on his insurance program, the better it is. It will be the quickest and least expensive way to set up an estate because the estate is established, for all practical purposes, as soon as the first payment is made on the

insurance contract.

Because the life insurance field is a specialized one, it is mandatory to obtain the advice of a good insurance counselor. Tell him your problem, give him complete details of your particular situation and let him suggest the best possible life insurance program for you.

Planning an Insurance Program—The amount of life insurance you should own depends on many variable factors. Although not all-inclusive, these are basic: 1. Your age, your earnings and the number of years you can anticipate having such earning power if you enjoy a normal life span; 2. The number and ages of your dependents; 3. The amount and kind of real and personal property you own and your dependents may own; 4. The income and period of time you and your dependents may receive benefits from Social Security or other governmental programs; 5. The manner in which you have arranged your estate, keeping in mind the impact of income, estate, gift and inheritance taxes; 6. Your philosophy of life and living for yourself and your dependents, the community and society.

The first five factors can be accurately appraised by a qualified life underwriter working cooperatively with a trust officer and an attorney. It is important to remember, however, that each factor is subject to change and will change. A periodic reappraisal of these factors is therefore essential.

STOCK MARKET

The market at Haskell Livestock Auction was steady on a run of 1221 head of cattle, 291 hogs, and no sheep and goats at its sale Saturday, November 7, 1976 according to James Powell reporter.

Packer cows and bulls steady; feeder steers and heifers sold stronger. Stocker steers and heifers 50 to 100 higher. Plain stockers \$1.00 lower. Pairs and springers steady.

Butcher calves: choice, 28-30; good, 25-28; standard, 23-25; rannies, 18-23.

Cows: fat, 18-23; cutters, 16-19; canners, \$2-16; stockers, 18-23; 150-200 by head.

Bulls: bologna, 26-30; stockers 23-36; utility, 21-26.

Stocker Steer Calves: choice 34-41; good, 28-34; medium, 25-28; common, 20-25.

Stocker Heifer Calves: choice, 28-32; good, 25-28; medium, 23-25; common, 16-23.

Feeder Steer Yearlings: choice, 33-36; good, 28-33; medium, 25-28; common, 20-25.

Feeder Heifer Yearlings: choice, 26-30; good, 24-26; medium, 22-24; common, 16-22.

Cows & Calves: choice 300-380; good, 200-300; plain, 160-200.

Top on butcher hogs, \$30.80. Bulk of butcher hogs 29-30; sows 24-26; boars 16-20; shoats 20-30; no pigs offered. Due to large run of hogs, Hog Sale begins at 10:30 each Saturday.

Leisure Lodge News

Anna Lee Tribbey, Activity Director, attended a Reality Orientation Workshop at Big Spring last week.

The Kathryn Bartley Blue Grass Group kept the residents and visitors entertained last week with singing, playing old favorite tunes, break-downs, and etc.

Mrs. Carrie Edwards visitors the past week were her daughter, Mr. and Mrs. Bill Grant from Wickett, her grandson Bob Cole from Plano, cousins, Mr. and Mrs. John White from Hale Center, Mrs. Danny Furr from Lubbock.

The residents wish to thank the Methodist Church for a most enjoyable month of October.

We also want to thank Mr. Gene Wells for his scripture readings and prayers.

Mrs. W. L. Davis from Morton is visiting her mother, Mrs. Beulah Lackey. Mrs. Davis is helping to get ready for the celebration of Mrs. Lackey's 90th birthday. We wish her many more.

G. C. Brockett of Weinert,

Roy Moore of Goree and Mrs. Florene Sorrells of Rule visited Mr. W. O. Lewis.

Mrs. Randolph visited Mrs. Bessie Hutchens.

Mrs. Linnie Lee Chambers from La Feria, Texas visited Theda Neel.

Mrs. Ivy Massie spent the day Sunday with her sister, Mr. and Mrs. Elmer Wheatley and enjoyed both lunch and dinner.

Mrs. Clifton Cobb from Stamford visited Norma Baker and Nannie Cobb.

The ladies from the Assembly of God Church brought the Tuesday devotion. Mrs. Ammons brought the devotion. Singing was also enjoyed.

Mr. and Mrs. Jess Day from Stamford, Mrs. Helen Pierce from Rule, and Mrs. Pauline Bush also from Rule visited Mrs. Olga Tribbey.

Mr. Vernay Howard from Paint Creek visited his mother Mrs. Sarah Howard.

Mr. C. T. Chaney from Stamford visited Mrs. Cora Chaney.

Rev. Shipman was out on Thursday night and brought a good gospel message.

HERMANN SONS

The Hermann Sons lodge will meet November 14 at 3 p.m. After the meeting there will be a barbecued hamburger supper. The committee will furnish buns and trimmings. Those attending are asked to bring meat and salads or sweets.

BIRTHS

Mr. and Mrs. Ronald Carroll Jeter of Haskell announce the birth of a daughter, Shayla Marquet Jeter, born November 8, 1976 at Haskell Memorial Hospital weighing 8 lbs. 15 1/2 oz.

Mr. and Mrs. Billie J. Myers of Munday announce the birth of a son, Keith Allen Myers, born November 8,

1976 at Haskell Memorial Hospital weighing 6 lbs. 10 oz.

Mr. and Mrs. Catrino Macias Jr. of Sagerton announce the birth of a son, Nathan Macias, born November 3, 1976 at Haskell Memorial Hospital weighing 6 lbs. 11 oz.

Mr. and Mrs. George T. Sasseen III of Abilene announce the birth of their daughter, Terri Jeffrey, on October 26, 1976 at 5:59 p.m. She was born at Dyess AFB

Hospital weighing 7 lbs. 2 ozs. and is 19 inches long. Maternal grandparent is Mrs. Sally White of Abilene and paternal grandparents are Mr. and Mrs. George T. Sasseen, Jr. of Cocoa Beach, Florida. Mrs. Sasseen is the former Donna White of Haskell.

Better Eating... FROM START TO FINISH

The Kitchen Almanac

"Fried Egg on a Raft": spread a piece of pound cake with cream cheese and top with a drained cling peach half cut-side down.

Uncooked chicken keeps well in the coldest part of the refrigerator for up to two days, says the National Broiler Council. To store longer, freeze the chicken.

A nice rice tip from Mrs. Joan Wanderer of Larchmont, N. Y.: For a change of pace, try baking — "Oven Cooked Rice".

Put two cups of raw rice in a baking dish. Add one teaspoon salt and four cups of boiling water. After stirring mixture, cover and bake at 350 degrees for 35-40 minutes. Add butter and chopped parsley. Serves eight (at Joan's table — or yours).

Consumer question box — From Mrs. Lois G. of Urbana, Ill.: "I've often heard the phrase — 'This appliance will pay for itself.' Exactly what does this mean?"

Answer: This generally means that the particular appliance — say an automatic dishwasher — usually costs less to operate or maintain than other comparable models, say researchers for KitchenAid appliances. The money you save in operating

and maintenance costs can eventually add up to the costs of the appliance itself — thereby "paying for itself".

They say the company's new KitchenAid dishwashers, for example, not only save energy, but use less water, as well. (An "energy-saver" button shuts off the heater during the drying cycle, saving from 40 — 60% of the energy normally used.)

Fish is low in calories and most of the fat in fish is polyunsaturated. Have you ever tried eating fish for breakfast? It can be downright delicious.

Food for thought. It appears the nutritional status of consumers is getting worse, not better. Over half the U.S. population have poor diets, concludes the National "Day of Bread" Committee.

Consumers select foods to fit life styles rather than to meet nutritional needs. The shortages often appear to be in vitamin A, calcium, vitamin C, and iron.

Apple pancakes! Add thinly sliced bits of fresh apple to pancake batter.

Send your kitchen tips and ideas to: Harry G. Clark, 2 North Riverside Plaza, Chicago, IL 60606.

With our connections, we can supply all the gas you'll need.

Lone Star's existing gas reserves will meet the requirements of all of our customers for the next 12 1/2 years, based on 1975 consumption rates.

What about the thirteenth year — and beyond — when these reserves are depleted?

Fortunately, Lone Star is in a position to buy new gas reserves that could last our customers far into the 21st century.

We're in the right place at the right time. And we have all of the right connections.

Lone Star's pipeline system enters eight of the nine major gas producing areas in Texas and Oklahoma.

Our transmission lines cross areas which contain over 50% of the remaining on-shore gas reserves in the continental U.S.

This strong network puts Lone Star in one of the most favorable buying positions of any natural gas company. **All we need is the money to buy ahead.** The price of gas will keep increasing, because producers will have to drill much deeper and more costly wells to develop new reserves.

It's going to take a lot of money to secure this area's share of these reserves. Unfortunately, Lone Star's ability to bid successfully for new reserves hinges greatly on the existence of adequate rates for the gas we sell.

The time to begin an aggressive resupply program is now, while we have a competitive buying edge and while economical gas is available.

With a fair return on our necessary investment, we can make the long-term financial commitments that will assure our customers all the natural gas they'll need for decades to come. And we will.

Lone Star Gas Company

Laughlin-Menchaca Wed

Exchanging wedding vows November 7th, in the First Baptist Church of Rule were Tina Laughlin and Johnny Menchaca. Rev. J. R. Williams, pastor, officiated for the double ring ceremony.

The bride is the daughter of Mr. and Mrs. J. D. Laughlin of Irving and the granddaughter of Mr. and Mrs. W. B. Miller and Mr. and Mrs. Clyde Laughlin of Rule. The groom is the son of Mr. and Mrs. Leonard Menchaca of Rule.

Organist was Miss Joanne Cloud.

Presented in marriage by her father, the bride wore a peach colored floor length dress with ruffles on the skirt and a fitted bodice. She carried a bouquet of daisies.

Attendants of the couple were Miss Lynn Fouts and Johnny Baitz of Sagerton. Ushering guests was Leonard Menchaca Jr.

Following the wedding, a reception was hosted in the home of the bride's grandparents, Mr. and Mrs. W. B. Miller.

The bride is a student of Rule High School. Menchaca is a graduate of Rule High School and attended Ranger Junior College. He is employed by Texas Instruments Company in Lubbock, where the couple will make their home.

MRS. JOHNNY MENCHACA
...formerly Tina Laughlin

Engagement Announced

Mr. and Mrs. Travis Solomon Jr. have announced the engagement of their daughter, Becky to Michael Dulaney son of Mr. and Mrs. James Dulaney.

The bride elect is a dental assistant employed with the Texas Department of Public Health.

The prospective bridegroom has attended Western Texas College and Texas Tech. He is self employed.

The couple plan a December wedding.

Around Town

by Lois and Lisa

Mrs. Vern Foreman, Flint and Monica Nanny of Odessa spent the weekend in Haskell.

Eulless Hayes, Jr. and family recently returned to the States after an extended stay in Germany. They visited in Washington, Oregon and Texas. In Haskell, they visited with Mrs. Edith Hudspeth.

They left the States and went to Venezuela but had to return to the States because of the death of Mr. Hayes' stepfather. They have now returned to Venezuela and will make their home there for some time.

Mrs. John Rike has returned from Hopewell Junction, N.Y. where she visited her daughter and family, Mr. and Mrs. Dick Winstead, Steve and John Richard. Mrs. Winstead is the former Ann Kathryn Rike.

Mr. and Mrs. Randy Shaw spent the weekend in Abilene visiting with Mr. and Mrs. Danny Stocks.

Visiting the E. L. Hilliards over the weekend were Mr. and Mrs. Kenneth Hilliard of Lubbock, Ellen Hilliard and Jean Ballard of Abilene.

Mr. and Mrs. Virgil Wall spent three weeks at Port Aransas. Several couples from Nocona and Holliday met them there to fish.

Natalie, Joe Dell, and Kelly Adress of Fort Worth were recent visitors in Haskell with family and friends. Leland Cagle of Fort Worth also

Study Club Looks At Past

The regular meeting of the Progressive Study Club was held November 4, with Mrs. Elbert Johnson presiding.

Directing the program "A Look at the Past" was Mrs. Mary Martin. Members answered roll call by telling how many years they had been in the club.

Mrs. W. E. Woodson, who served the club as president in 1940-41, read a history of the organization which was written by Ann Taylor Fisher, first president who served in 1937-38. Mrs. Woodson reminisced about the years she has been in the club.

Other past presidents who reviewed programs and happenings of the club were Mrs. Garvin Foote, 1942-43; Mrs. W. H. Pitman, 1945-46 and 1960-61; Mrs. R. W. Herren, 1950-51; Mrs. R. A. Lane, 1952-53; Mrs. Virgil Cobb, 1961-62; Mrs. Kenneth Lane, 1969-70; Mrs. W. V. Felker, 1970-71 and Mrs. R. C. Couch, Jr., 1971-73.

Mrs. Pat Henry presented each of the past presidents a long-stemmed red rose as a token of appreciation from the club.

During the social hour members enjoyed looking at yearbooks and scrapbooks from the past. It was noted that a book with excellent pictures captioned "Before" and "After" which was prepared as an entry for a community improvement contest has been missing for several years and anyone knowing its whereabouts is asked to contact a club member.

Hostesses for the evening were Mrs. R. A. Lane, Mrs. Pat Henry, and Mrs. Mary Martin.

visited friends in Haskell.

Mrs. Richard Huckaby and son Darren of Breckenridge spent last weekend with Mr. and Mrs. Winfred Adress, Sheila and Rickey. Mrs. Huckaby is the former Kathy Morales of Haskell.

Matrons Club Holds Meeting

The Weintert Matrons Club met Thursday, Nov. 4 in the Community Center. Nine members were present. Mrs. Ramon Liles, vice-president called the meeting to order. The secretary read the minutes of the previous meeting. Mrs. Henry Smith assigned lists of food to be brought to the Love Feast in the home of Mrs. Ramon Liles on Nov. 18.

Mrs. Liles reminded members to bring gifts to the Love Feast to be sent to the Vernon Health and Rehabilitation Center for Christmas. The club also voted to send \$12.00 to the 200 Club in the Vernon Health and Rehabilitation Center.

Roll call was answered with "Some Things I Could Do Better."

Mrs. J. A. Mayfield was program chairman for the day and introduced the topic for discussion: "Beginning Today to Improve Public Affairs."

Mrs. R. J. Rainey spoke on "The Day All the Volunteers Quit." She mentioned how much volunteers help in schools, churches, hospitals, rest homes, and space projects. She asked what would happen if all volunteers were to quit.

Mrs. Ramon Liles spoke on "Resolutions". She explained how to write them and how to understand them.

Mrs. Floyd McGuire spoke on "People Power in the Polls." She emphasized the importance of voting.

Mrs. D. L. Moody was hostess for the day.

Medication Aid Course To Be Offered Nov. 18

A medication aid course will be organized November 18, at 7 p.m. at Haskell High School. Interested persons should attend this most important meeting.

Requirements for the course include 1. must be employed as a nurse's aide in a nursing home or hospital; 2. must be recommended for the course by administrator of nursing home or hospital; 3. must be interviewed by course instructor; and 4 must take a physical examination prior to enrolling.

In the U.S. today a lot of people can rely on more available nursing care. According to the U.S. Census Bureau, the number of active registered nurses has almost doubled in the past 25 years.

B&PW Club Holds Meeting

The Business & Professional Women's Club met Tuesday November 2 in the City Cafe with the Public Affairs and Civic Participation Committee as hostess.

Mrs. Callie Robison presided. Mrs. Ozelle Frierson read the Collect and minutes were read and approved. At the request of the Chamber of Commerce the club voted to again sponsor the Christmas lighting contest. A committee will be appointed and rules and entry blanks will be printed in the Haskell Free Press at a later date.

Lois Redwine introduced the speaker, Judy Ender, home economist with West Texas Utilities. Mrs. Ender is a native of Knox County and has a BS degree in Home Economics from North Texas State University in Denton. She is a member of the Stamford B&PW. Mrs. Ender spoke on "The American Homemaker" and compared the role of a wife and mother to that of a jigsaw puzzle, pointing out that all pieces must fall in place to make a perfect home.

Mrs. Bettye Johnson, president of the Stamford B&PW accompanied Mrs. Ender to the meeting.

ENGAGEMENT ANNOUNCED—Mr. and Mrs. Ridencio S. Escobedo announce the engagement and approaching marriage of their daughter, Cynthia, to David Parker, son of Mr. and Mrs. Kenneth J. Parker. The couple plan a January 22 wedding in St. George Catholic Church in Haskell. Both are graduates of Haskell High School and the prospective bridegroom is employed by Iowa Beef Processing in Amarillo.

November 16 in the City Cafe at 7:00 p.m. and will be the annual Thanksgiving dinner. Novella Rastatter will speak. The next meeting will be

SO YOU CAN KNOW US BETTER

INTRODUCING...

TO SERVE YOU BETTER

Cindy (Mrs. Gary) Mayfield is one of Haskell National Bank's most recent acquisitions, employee wise. She began her employment in April of this year, in the bookkeeping department. In her very calm and quietly efficient manner, she has made her presence felt in many areas of work in her department. The new employee usually feels very frustrated, for the first few months, there is so much to learn, and so many things to distract concentration, that it takes much will power, and a very strong desire, to succeed. The first introduction to the task-at-hand is usually a mound of checks, (that keeps growing all day) and must be arranged in alphabetical order. This task is increased a hundred fold, due to the fact that many signatures are very hard to decipher. They must be memorized for absolute accuracy in posting and filing, and for making statements. Along with this chore, the new employee assists with customers at the statement window, and in opening Safe Deposit boxes. As the days and weeks pass, the routine broadens to include lessons in operating the computers and line printer, continually striving harder each day to improve speed and accuracy to equal the pace set by the others. Cindy has worked diligently in learning this, and has also learned to operate the coin wrapping machine. This machine looks like a space age creature, but if the correct levers are pulled, the correct buttons punched, the correct gadgets set, with supreme confidence shown, as Cindy displays, the most beautifully wrapped rolls of coins will present themselves almost as quickly as they can be boxed, for use in the tellers' windows. Cindy has made a fine contribution to the over-all efficiency of the bookkeeping "crew", and H.N.B. is more than pleased that she decided to join its staff of employees.

Cindy is the daughter of Mr. and Mrs. Wayne Adkins of Haskell and was graduated from Haskell High School. She is married to Gary Mayfield, also a H.H.S. graduate. They both attended Angelo State University, and later, attended Texas Tech in Lubbock. Cindy worked in the Tax Collector's office there, and worked in Haskell County Clerk's office, and Tax Collector's Office after they returned to Haskell, and before coming to H.N.B. Gary is employed with Koch Oil Company and they also own and operate Mayfield Cleaning and Laundry. Cindy and Gary have two sons, Jay, age 4, and Stacy, age 1.

The Mayfields live at 706 South Sixth Street, and attend the Trinity Lutheran Church in Haskell.

Rice Springs News

The United Methodist Church held services Sunday morning and the Church of Christ held services Sunday night at the home. Both services were enjoyed by several of the residents.

Betty Letz, Hazel Letz, Odine Spitzer, Adeline Spitzer, Moneta Newman all of Old Glory, Mr. and Mrs. Steve D. Letz and Kevin of Abilene visited Mr. and Mrs. Herbert Klump.

Mrs. Johnny Spitzer of Sagerton visited with Mrs. Lillie Spitzer.

Mr. and Mrs. Bill Grant from Wickett, and Mrs. Gary Miller and daughter Dana from McCamey visited with Mrs. Ida Roberts.

Kathy Sloans and fiancé Gus, from New York visited with Cleo Mondy.

Mr. and Mrs. Randolph Robertson from Brownwood visited with Mrs. Pinkie Robertson.

Bertha McQuinn from Rule visited with Fanny McQuinn.

Nancy Hatfield of Mineral Wells, Shirley Story of Abilene and Mr. and Mrs. J. W. Gifford of Brownwood all visited with Mae Bell Turnbow.

Aubrey and Winford Pilley, Johnny Bell King, Mrs. Fleming and daughter all from Rochester visited Velda Carter.

J. W. and Lora Gifford from Rising Star, Lucy Williams and Clara Hines from Rule visited with Dessie Marion.

The ladies from the First Baptist Church of Rule came Monday afternoon and brought a program of entertainment to the residents. Mrs. J. R. Williams led the group in singing several of the favorite songs and Frances Campbell played the piano. Tommie May sang a solo entitled, "There's Just Something About That Name." Psalms 23 was read aloud to the residents and several other requested scriptures.

Otto, Lula and Shane Peiser all from Lubbock visited with Mrs. Martha Peiser.

Don Carpenter from Wichita Falls, visited with Mrs. Annie Sorenson.

Virgil and Charlene Mitchell from Rochester visited Eugene Collier.

Mr. and Mrs. Gus Rueffer from Weinert visited with Oscar Vanderworth.

Mrs. Hal Murphree of Houston visited with Elizabeth Yakey.

Jewell Harvan visited Annie Vojkufka.

Jean Bell of Rule visited Mr. W. F. Goad.

Mae Holler of Salem, Ill., Wesley Almond of Arlington, Pauline Metcalf of Fort Worth, Mr. and Mrs. Gene Wood of Munday, Mrs. Bill Stone of Henderson, Clara Hines and Lucy Williams of Rule and Velma and Clayborne Clarke of Stamford all visited Bertha Yarbrough.

Mrs. Irene Yarbrough, Mrs. Clara Hines, Mrs. Lucy Williams all of Rule, Mrs. Elsie Eastland and daughter Jan of Abilene, Mrs. W. C. Camp, Mrs. Ima Lee Smith, Mrs. Mary Place all of Rule visited Mrs. Charity Bradley.

The devotional Wednesday morning was brought by Jo Simpson and the title of the message was "Neighborly Love". The residents truly enjoyed the lovely talk.

Mr. and Mrs. Lath Williams of Rule visited with Ethel Rose.

Johnny and Joan Medford from Grand Prairie, Mr. and Mrs. Olin Willis of Comanche Mr. and Mrs. Allen Keel of Brownwood, Mr. and Mrs. Jim Gaines of Munday and Terry Lynn Buckley of Abilene all visited with Mrs. Lola Medford.

Mr. and Mrs. N. E. Hosea of Munday visited with Carrie Gates and Pearl King.

Opal Striker and Earlene Smith of Rule, Grace M. Bristow of Rule visited Trudie Bush.

Mr. and Mrs. Robert Johnston of O'Brien visited with Emma Banner.

Mr. and Mrs. Clancy Lehrmann of Old Glory visited Alvena Holle.

Joe Isabell from Odessa visited with Ola M. Isabell.

Mr. and Mrs. Lloyd McMillin of Pine Rose, La. visited with John McMillen.

Allen and Ida Mae Keel from Brownwood and Ollen and Willie Willis of Comanche and J. W. and Lora Gifford from Rising Star all visited with Stella Josselet.

We would like to thank all the people who answered our call for help on the Christmas Craft Box, we really appreciate your help. Also, thanks for all the entertainment that was provided the past week for the residents.

LOVE AND INSPIRATION signature editions. Tiny books on Love, Faith, Friendship. A thoughtful idea to send to someone you care about. Only \$1.35 at the Haskell Free Press.

THE END OF AN ERA was witnessed by several onlookers Tuesday afternoon as the sign from Oates Drug Store was removed from the 'same old corner.' The store was operated under the name "Oates Drug Store" from 1915 until recently when Doyle High constructed and opened a new store, "The Drug Store" on the southwest corner of the square. (Staff Photo)

When an accident occurs, getting emergency medical assistance to the scene rapidly can mean the difference between life and death. That's one reason the Texas Department of Health Resources is interested in that phenomenon of personal communications gadgetry: the Citizens Band radio.

During the past two years, the number of licensed CB radio operators has grown to an estimated 8 million in the United States. According to a spokesman for the TDHR Emergency Medical Services Division, the sheer number of people who have CB radios in their homes as well as in their cars has sparked the interest of public health officials.

Dennis Raines, coordinator of the EMS Division's CB Radio Project, explained, "We started realizing about a year ago the potential that Citizens Band radio would have" in guiding emergency medical help to accident scenes more rapidly. Raines said, "We have tried to put together a program to standardize reporting procedures by a motorist to law enforcement agencies as well as emergency medical facilities around the state."

Raines said that the CB project has four objectives, the first of which is to standardize reporting procedures. The second is to promote the use of CB radios to avert impending disasters, or at least to warn the community. "We see this every day," Raines said, "when motorists are reporting hazardous road conditions and weather conditions further down the road." Highway travelers who are given this advance warning may be able to seek shelter from a major

storm, or choose a safer and less congested route around a major accident scene.

A third objective, according to Raines, is to encourage the use of CB radio during community-wide emergencies. Volunteers equipped with radios can keep in touch with public safety and emergency personnel, can control traffic and crowds, and in some cases can serve in place of conventional communications systems—such as which may be out of service during a severe storm, hurricane or other disaster. Amateur operators have served in this capacity for many years, but the number of CB radio users is vastly greater than the number of "hams."

Finally, the fourth objective is to educate the public, Raines said, "to try to get them to realize that CB radio can be used for other things than just having fun and evading traffic tickets." This educational effort is aimed not only at licensed CB operators, but at the general public as well, since in an emergency situation they may need to rely on a CB'er for help.

Raines said he sees the possibility of statewide network of emergency monitors using CB radios at some future time. "Citizens Band clubs are getting their people to monitor the FCC-designated emergency channel, which is channel 9," Raines said. "We see other organizations such as REACT and Dallas Community Watch cropping up all over."

REACT is a nationwide organization of local volunteers who monitor the emergency channel and relay messages to the police, fire department, highway patrol,

4H CLUB

The Beehives met November 8. They made pizzas and ate them. They would like to invite any girls to join.

The Dandy Cooks met for their first meeting on October 28.

Officers elected were: Sheila Moeller-President; Donna Kemp-Vice President; Beverly Campbell-Secretary and Reporter. They made onion rings, also drew a picture and wrote a report on the digestive system.

On November 4th they opened with the 4-H Motto and Prayer. Cooks made pizzas and collected newspaper advertisements offering specials and checked the prices to see if the specials were bargains. They also talked about nutrition in foods.

COMBINE a Bates Director List Finder and a Phone Pen for a thoughtful gift. Pen holder adheres to any surface and holds refillable ball point pen. Haskell Free Press.

from which a message can be relayed to the appropriate authorities. In some cases, it may be possible to contact Texas Dept. of Public Safety officers on channel 9, since some of the Highway Patrol officers have their own CB units in their patrol cars.

HELP REDUCE RISK OF NEEDLESS DEATHS

Home fires kill 12,000 Americans annually. Many could have survived if they had adequate warning and been briefed on fire emergency procedures. Home fire drills are a very effective way to make sure that every member of your family knows what to do in case fire breaks out in the home. Talk to your family about it tonight. Some points you'll want to emphasize include:

- Sleep with bedroom doors closed. They'll briefly provide a temporary barrier for fire and smoke.

- If a door is hot to the touch, don't open it. It takes only seconds to be overcome by fumes.

- Every family member should know alternate routes of escape from bedrooms if doors and hallways can't be used.

- Set up a central gathering point safely outside the house and make sure everyone knows to go there for a head count.

- Once outside a burning building, don't go back inside under any circumstances.

- Practice fire drill procedures until they're practically reflex—especially for young children. Too often youngsters will panic in an emergency situation and hide under a bed or in a closet with tragic results.

Once you're aware of the procedures, an early warning of a fire is critical to getting out in time. A smoke alarm such as the one by General Electric can warn you of a fire. The Home Sentry smoke alarm by GE contin-

uously "sniffs" the air circulating around it and will sound a penetrating 85 decibel alarm when it senses smoke reaching it. It's available as an easy-to-install battery-operated model, or a unit featuring a 9 ft. cordset that can plug into an electrical outlet. In addition, a third type can be wired into the home's electrical system. Both wired-in and corded models feature a Signal Indicator Light, which shows that the unit is energized and working, and a unique system test-fire drill button. In addition to the test-fire drill button, the battery-operated unit features a 30-day low battery "beep" warning when the battery is low. A flag pops out when the battery is removed to remind the householder to replace the battery. All models include a red button in the middle of the unit; by pressing it, you can test the entire system to be sure it's working properly.

There is no guarantee against fire, but with the proper precautions and by making use of a smoke alarm like the one from General Electric, you can reduce the risk of needless tragedy. Additional units will further reduce risk.

GRAND OPENING

DOYLE HIGH'S THE DRUG STORE

SOUTHWEST CORNER OF THE SQUARE IN DOWNTOWN HASKELL NOVEMBER 11, 12 & 13

STATEMENT TO THE PEOPLE OF THE HASKELL AREA:

We would like to take this opportunity to invite you to help us celebrate the GRAND OPENING of our new store. Also, we would like to thank "YOU", the people of the Haskell area, for being so good to us the past seven years. We are looking forward to spending many more good years in Haskell. We are moving from the "same old corner" to a "brand new corner" with mixed emotions. The Oates Drug corner has been very good; however, the parking problem and a desire to have a bigger and better store prompted us to build "THE DRUG STORE"—"THE DRUG STORE" has approximately 3 times the selling space as Oates Drug and parking space for 15 to 20 cars. Also, we have a drive up window at the pharmacy area for those who do not have time to come inside. We have moved all of the prescription files and merchandise from Oates Drug Store to "THE DRUG STORE". Our mailing address will stay the same (Box 518) and our telephone will not change (864-2515).

Again, we would like to invite you to our grand opening. We are looking forward to serving as your drug store for many years to come. Doyle and Roberta High.

TFB Outlines Solution To Deficit Spending

HOUSTON—The president of the 2,500,000 member family American Farm Bureau Federation says that farm and ranch families have a sure-fire plan to do away with federal deficit spending.

The solution? No salary increases for any elected federal official until the federal budget is balanced.

Speaking Thursday (Oct. 28) before an agribusiness seminar called by the Houston Chamber of Commerce, Federation President Allan Grant praised Texas state "pay as you go" fiscal policies.

"If states like Texas can operate on a strict, balanced budget, so can the rest of the states, and so can this nation..." Grant said.

He said that farm and ranch people suggest an amendment to the U. S. Constitution requiring that Congress operate on a balanced budget each year, and that only in extreme national emergencies should this requirement be waived through concurrence of the House, Senate and executive

branch.

"And while we're at it, let's knock out legislative authority for wage and price controls. They deal with symptoms and not the causes of inflation. They are a broken crutch, and a temptation for political misuse..." Grant said.

The farm leader noted that the economic climate of Texas has been attractive to industrial growth, and linked this attraction to the fact that Texas is a right-to-work state "known for its fair—but firm—attitude toward organized labor."

"Agriculture has been concerned about what appears to be the growing monopoly power of labor unions. We see government officials, political candidates and social leaders going out of their way to appeal to, and appease, organized labor.

"If you—as businessmen—were to engage in some of the practices common to organized labor, you would be vulnerable to Federal Trade Commission and Justice Department scrutiny, and poss-

ible action.

"While raising food prices through harvesttime strikes of fruit and vegetable processors through antiquated methods to make work, through featherbedding and slow-downs, union leaders have tried to distract consumer attention by suggesting that farmers cause higher food prices," Grant said.

He added that labor costs now represent more than half of the total food marketing bill, and make up 67.4 percent of the average food store's total operating costs.

Grant said it is unfortunate that repeal of the state right-to-work laws has become a major issue in the Presidential campaign. He noted that in 20 states, including Texas, the right of a worker to freely decide whether to join a union or not, has been protected by the law.

"In 30 other states, that precious right of free decision has been abridged."

"Farmers believe that the Constitution of the United States guarantees to each individual the freedom to engage in worthwhile work of his choosing, and that this freedom must not be contingent upon paying homage, or union dues, to any individual or organization," Grant concluded.

Wake Up To A Hearty Breakfast

Why eat-and-run when you can enjoy a good old-fashioned hearty breakfast? Start with a packaged mix and add a few extra ingredients for Apple Pancakes. They're light, tender and especially good with lots of Log Cabin syrup. For another variation of this recipe, try Sausage Pancakes.

Apple Pancakes

1 egg, slightly beaten	1 1/2 cups grated unpeeled apple
1 3/4 cups milk	2 tablespoons sugar
2 tablespoons liquid shortening	2 teaspoons lemon juice
2 cups pancake mix	Pancake and waffle syrup

Add egg, milk and shortening to pancake mix; beat until smooth. Stir in apple, sugar and lemon juice. Bake on hot griddle, or in lightly greased skillet, turning to brown both sides. Serve with syrup. Makes about 20 four-inch pancakes.

Sausage Pancakes. Prepare Apple Pancakes as directed, omitting grated apple, sugar and lemon juice, and adding 2/3 cup diced cooked sausage to the batter.

Cotton Classing

ABILENE

Prices paid for cotton ranged from 70 to 75 cents per pound, reports B. B. Manly, Jr. of the USDA Cotton Classing Office, Abilene. The higher prices reflect the high quality (Grades 21 and 31) of the Martin County crop. Grade 31 and higher, staple 32 and longer was bringing around 75 cents. In the other markets, grades 41, 42 and 32,

agri-facts

Pat Hale

Branding with confetti is making things rougher for grain thieves. Grain producers are picking up the old practice of marking small slips of paper with identifying numbers and mixing the confetti with their stored grain crop. According to producers who have been using the confetti method for some time, it takes only about seven pounds of the paper to adequately mark and identify 50,000 bushels of grain. Although the small slips of paper are virtually impossible for thieves to separate from the grain, mill operators report they have no problem in removing the confetti during their washing process. Agricultural authorities in areas where the grain identification program is used extensively report a remarkable decline in the number of grain thefts.

HALE FARM SUPPLY
Phone 864-2692

staple 31 and longer brought 69 to 71.50 cents per pound. Around 15,000 samples were processed during the week ending November 5. Most of the samples were from bales ginned before the heavy rains, but heavy backlogs of unginned cotton kept several gins running until producers were back in the fields, especially in Martin and Howard Counties.

Cotton qualities cover a wide range. Grade 41 was predominant with 24 percent; grade 31, 18 percent; grade 42, 17 percent; and grade 32, 10 percent. Twenty-eight percent was reduced on account of bark. Staple 31 was predominant with 52 percent, with staple 32, 26 percent and staple 30, 13 percent. Micronaire readings were 86 percent in the 3.5 to 4.9 range, with 8 percent above 4.9, and 6 percent below 3.5.

The office at Munday classed only 4 samples, but next week they expect heavy receipts as more strippers are beginning to operate each day.

CONSERVATION VIEWPOINTS USDA Soil Conservation Service

Assisting California Creek and Wichita-Brazos Soil and Water Conservation Districts

CROP AND LIVESTOCK REPORTS NEEDED

Many Haskell County farmers and ranchers will receive a crop or livestock questionnaire between mid-November to early January from the Texas Department of Agriculture. Directors of the local California Creek and Wichita-Brazos Soil and Water Conservation Districts urge you to complete the questionnaire with as accurate estimates as you can.

These estimates and reports are very important in light of the supply-demand situation facing agriculture today. Individual reports are confidential and used only for state and county estimates.

Your data will help provide an accurate picture of agriculture for Haskell County.

NATION GIRDS TO FIGHT "SWINE" FLU

To prevent a possible epidemic of "swine" influenza, a nation-wide vaccination program is in operation and will continue through December.

SCS has been asked to assist in advising local citizens concerning the program. If you haven't had your "swine" flu shot, I would strongly advise you to secure this

protection. The epidemic might never happen, but almost everyone agrees that it is better to have an immunization program without an epidemic than to have an epidemic without an immunization program.

NEW GREAT PLAINS CONSERVATION PROGRAM CONTRACTS

New Great Plains contracts have been prepared for Dale Middlebrook of the Paint Creek Community and Marvin W. Phemister of Weinert.

Wallar and Mrs. Mabel Overton are in process of developing a contract on new lands secured by Mrs. Overton.

Johnny Wheatley has made application for assistance, but planning has not been started. Haskell County received an allocation of \$25,000 for new Great Plains contracts for the next twelve months. If you are interested, better get in soon and let us know your interests and needs before our allocation is gone.

Student Election Results Near Average

Approximately 272 eighth through twelfth grade students in Haskell voted in a mock election November 2.

The election was conducted by the history class of Pat Neill and was run as nearly authentically as was possible. Regulation size ballots with stubs were used and poll watchers and judges were appointed from history classes.

Prospective voters were checked from school enrollment lists and only registered students were allowed to vote.

The results of the election were much closer to the State and National elections than the County Election.

Carter-Mondale received 56% of the vote and Ford-Dole received 39%. Bentson defeated Steelman by receiving 62% of the vote. Jon Newton received 62% of the vote and Walter Wendlandt received 30%. In the only other contested race on the ballot, Dan Yarborough received 86% of the votes cast and Sam Houston and Tom Loranace splitting the other 14% as write-in candidates.

In the proposed constitutional amendments local students downed both proposals by a 65-35 percent count.

As happens even in the general election some of the students used their vote to write-in candidates of varying qualifications. The write-ins ranged from the serious thoughts of Ronald Regan for President; Royce Adkins, Dist. Atty.; Leon Newton and Olen King for Sheriff to local students and teachers for several offices and votes for Dick Tracy, John Wayne, Micky Mouse, Dagwood Bumstead, Billy the Kid, Mohammed Ali, Donald Duck and Derrell Royal.

Seventy-four of the students voted a straight Democratic Ticket.

Members of the Sophomore Class had the best turnout with 91% of the class voting. The eighth grade had 81% voting. Freshmen and Seniors both had 79% and the Juniors had 74%.

It is interesting to note that early last May members of the History Class conducted a straw poll and decided that

Ford and Carter would be the candidates of their parties. The poll was conducted before either of the conventions and listed all announced contenders and several possible contenders.

District 3 4-H Luncheon Set Nov. 16

The annual 4-H Gold Star luncheon for District 3 of the Texas Agricultural Extension Service will be Nov. 16, beginning at 12:30 p.m. in the Vernon Wilbarger Memorial Auditorium.

The Gold Star, highest honor on the county level, is the only award given in the vast 4-H program by the Texas Agricultural Extension Service which administers the program through County Extension Agents.

The luncheon is sponsored annually by West Texas Utilities Company of Abilene.

Nancy Nehring, Extension 4-H Specialist, said that Sam Hill, of the First State Bank in Abilene will speak and Brady Chapman of Hawley will introduce him.

Other 4-H youths who will conduct the Nov. 16 program are Rod Townsend of Rochester, member of the District 3 4-H Council, presiding; Reida Mullino of Haskell providing dinner music; David Winkler of Albany giving the invocation; Steve Clemmer of Hawley, member of District 3 4-H Council, responding; and Kim Campbell of Haskell and Brad Lindsey of Throckmorton introducing special guests.

Thelma Wirges and Ed Garnett, District Extension Agents, will present the Gold Star honorees. Secretary Debbie Hightower of Childress and Treasurer Max Kemp of Fisher County will join Chairman John Walker of Dickens County and other officers for a meeting of the District 3 4-H Council at 10:00 a.m. prior to the luncheon.

Haskell County 4-H Gold Star Boy and Girl, Kim Campbell and Russ Lewis will also be recognized along with other Gold Star 4-H members from District III.

STUDENTS AT HHS held their own election Tuesday and made every effort to make it as realistic as possible. Eligible voters in the election were high school students and members of the eighth grade class. Shown above are (left to right) Gail Howard, sophomore election judge; Tamara Parrott, freshman voter; Ronnie Hise, sophomore election judge; and Vickie New, freshman voter. The judges assisted voters in how to vote a split ticket or straight party and answered other questions but did not advise how to vote. (Staff Photo)

Corduroy Is More Versatile

Corduroy today is more versatile than ever, Mrs. Barbara Elliott, County Extension Agent, says.

It's a soft, smooth light-weight fabric available in no-wale, pin-wale or wide-wale. Corduroy made from 50 percent cotton/50 percent polyester is easy care and can be machine washed and dried. That made from 84 percent cotton/16 percent polyester will bleed and crock to give the faded washed-out look, she added.

Corduroy may be knitted as well as woven. It is popular because it can look dressy or casual; it holds its shape; and it is adaptable to men's, women's and children's wear. It's durable and can be printed in vibrant designs or just plain solids.

Corduroy is a napped fabric, which makes the fabric look darker and richer when the nap is running up. When it runs down, the fabric looks lighter and shinier. Napped fabrics wear better when the nap runs down. When sewing at home, choose whichever you like, just be sure all the pattern pieces are running in the same direction to avoid shading. Purchase fabric by the "with nap" yardage and use the "with nap" pattern layout. If you cut the garment in both directions, it will look different colors, she explained.

Wide-wale corduroy can be used effectively to make chevrons, diagonal stripes meeting in points at the seams and should be treated like a striped fabric, she said.

When machine stitching corduroy, use a slightly longer stitch than regular and a small needle. Avoid using a needle smaller than size 14 with American-made polyester or cotton-covered polyester threads that are not long staple. Basting the seams by hand may be necessary to prevent slippage. Loosen the thread tension to prevent

puckering and lessen the pressure on the pressure foot, if the machine has one to avoid marking the fabric. A zig-zag seam finish will keep seams from raveling.

Topstitching on corduroy may be undesirable because stitching on the right side of a napped fabric roughs the pile.

Finger press seams with steam on the wrong side as you sew. Needle boards or a Turkish towel used on the nap side of the fabric prevents the nap from flattening when pressing. If a needle board or Turkish towel is not available, press with a scrap of the napped fabric on the underside. Put the napped side to the napped side. A final steaming by dry cleaners give a more professional look, she noted.

Warriors End 1976 Season

The Haskell Warriors wound down their 1976 season at Rotan last Thursday night. All the younger Haskell teams had several cancellations which caused a somewhat abbreviated season. However, they worked diligently and several of the young players showed good improvement and promise for the future.

The 7th graders were defeated 29 to 2 by Rotan. The bigger and faster Wasps were simply too much for the Warriors. The 7th graders wound up with a record of 3 wins and 2 losses. This group of boys includes several good sized boys and shows some promise for the future.

The 8th graders lost to Rotan by the score of 29 to 12. The 8th graders dropped behind by the score of 21 to 0 at the end of the 1st quarter; then, battled back valiantly to make a good game for the remaining 3 quarters. The 8th graders wound up with a season record of 4 wins and 3 losses.

The freshmen and junior varsity were consolidated for this game. They defeated

Rotan jayvees by the score of 22 to 13 in a wild, exciting 'tough game. The jayvees went undefeated for the season. They only had one close game—that being the Rotan game. Most of the jayvees will be moving to the varsity next season. This year of experience plus the determination they have displayed will stand them in good stead for the coming season.

For the first time in several seasons, Haskell also had a Freshmen team. The Freshmen wound up with a record of 1 win, 2 losses, and one tie. Again, the experience they gained will be of great value as they move up the ladder of progress to their future as varsity Indians.

Approximately 105 boys have participated in football in Haskell this season. Percentage-wise, this is excellent participation.

Split peas are specially grown whole peas that are dried and their skins removed by a special machine. A second machine then breaks the peas in half.

Bynums Announce Winners

Door prize winners for the 35th Anniversary celebration of Bynum's have been announced by Jimmy Bynum and are as follows:

Thursday winners: Mrs. Tim Burson, Tommy Watson, Mrs. Ernest Moeller, Mrs. David Frierson. Friday winners: Mrs. Winona Tibbetts, Mrs. Frank Jircik, Mrs. Floy Mapes and Mrs. A. C. Pierson. Saturday winners: Mrs. Iola Everett, Mrs. Royce Williams and Gene Campbell.

The Bynums had a most enjoyable celebration of 35 years in business in Haskell and were joined by several hundred friends, neighbors and customers in helping them to celebrate, this was evidenced by the number who came to visit, register and have refreshments with them.

Mrs. Bynum says their hopes are to continue to serve their many valued customers with the finest merchandise available at the very best prices and the same friendly atmosphere, for another 35 years in Haskell, the nicest town in Texas.

Mr. and Mrs. Bynum and Jimmy have a warm THANKS for everyone who helped them with this celebration; especially the ladies who helped with the serving and the lovely floral arrangements sent from friends and business associates from the area.

WASHINGTON

OMAR BURLESON Congressman—17th District

WASHINGTON, D. C.—PROBABLY FEW WOULD DENY THE RIGHT of public employees, including policemen and firemen, to form their own local organizations in order to express their grievances. It is natural that they act collectively to bargain with their local entity of government on pay and working conditions.

THE TROUBLE IS THAT IT IS DIFFICULT TO DISTINGUISH in law between purely local organizations and the big national unions with their monopolistic power. Because of their political clout, the big unions usually resort to strikes

or the threats of striking as their first move in collective bargaining.

STRIKES AGAINST GOVERNMENT AT ANY LEVEL are different from strikes against the private sector. In the first place, the public gets hurt since there are no corporate profits against which to measure the unions' demands. Secondly, the taxpayer's wallet is the source of whatever additional cost is involved.

AN INDEPENDENT RESEARCH GROUP HAS GATHERED figures from the Bureau of Labor Statistics on what has happened in the 34 States where governments are required by law to engage in collective bargaining. The report shows four interrelated trends over the last several years.

"1. A dramatic increase in the number of state and local employees.

"2. An increase in unionization. Since 1956, the number of employees in the public sector has increased six-fold.

"3. A trend toward legislation giving these unions more power in dealing with governments at all levels. During the period surveyed all but 7 of the 34 States which have such laws or executive orders outlawed strikes by public employees and even those 7 imposed some restrictions.

"4. A sharp increase in the

number of strikes against the public even in such states where strikes are prohibited by law."

"IN EVERY STATE EXCEPT ONE," the Council says, "passage of a compulsory public sector bargaining law has resulted in increased strike activity." The figures show that the number of strikes in states with collective bargaining laws has been consistently greater than in those without.

EVEN IF THERE WERE NO STRIKES, there is a danger in allowing public employees to become putty in the hands of the big national unions which have no interest in the local community but only for power brought about by the size of the union. If public sector collective bargaining proves to be the wave of the future then we are going to have to keep these dangers in mind or else like the horrible example of New York City—ordinary citizens will be working for the unions.

Farm-facts

A Weekly Report Of Agri-Business News

Compiled From Sources Of The
TEXAS DEPARTMENT OF AGRICULTURE
John C. White, Commissioner

Adding It Up . . . Number Two And Three . . . Down From Last Year.

While the figures are still being compiled on 1976 agriculture income, Texas during 1975 continued its number two and three rankings nationwide in value of crops and livestock.

Texas ranked number three in crop and livestock total value in 1975 with a total of \$5.8 billion. If you add the \$281,000,000 in timber income, that would put Texas above \$6 billion. Only Iowa and California are above the \$6 billion figure.

In crop value, Texas was third with \$2.8 billion; in livestock and livestock products, Texas is second with \$3 billion.

A half dozen Texas counties during 1975 had more than \$100,000,000 in value in crops and livestock. The number one county in the state is Deaf Smith with a crop and livestock value of \$180,860,000. Other counties in the top ten in crop and livestock total values are Hidalgo, Parmer, Castro, Hale, Lamb, Wharton, Lubbock, Swisher, and Hansford.

The top ten counties in crop value were Hidalgo, Parmer, Deaf Smith, Hale, Castro, Wharton, Lamb, Cameron, Lubbock, and Floyd. The top ten counties in livestock and livestock product values are Deaf Smith, Gonzales, Hopkins, Castro, Nacogdoches, Shelby, Parmer, Sherman, Swisher, and Hansford.

The \$5.8 billion figure for Texas' 1975 farm income of crops and livestock represents a slight increase from 1974, but is considerably below the \$6.5 billion figure for 1973.

Take a look at the gross and net income figures for the state and you get a better idea of how Texas farmers are faring financially.

Net farm income is down \$132,800,000 from 1974; and the 1974 net is down \$33,200,000 from 1973. The year of 1973 was the big one in net farm income for Texas with \$2 billion plus.

On a per-farm basis in Texas, the average farm produced a net income of \$4,610 in 1975.

Total gross income from agriculture nationwide as well as Texas is expected to be near the 1975 levels, but net income is expected to be lower due to increased production costs.

HARVEST OF THIS YEAR'S CROPS is fairly close to the three-year average overall. Corn harvest is more than 85 per cent complete; cotton harvest is about a fourth finished; sorghum harvest is nearing completion. Peanut and soybean harvests are close to the three-year average levels.

Wheat planting is more than 80 per cent finished and oat planting is more than two-thirds complete.

Elsewhere throughout the state, pecan harvest continues to progress and production is about 50 per cent under a year ago.

In the Rio Grande Valley, citrus harvest continues. Planting of spring onions is active with some replanting required.

On the Coastal Bend, cucumber harvest is in progress; in the San Antonio Winter Garden area, bell pepper harvest continues.

Sagerton News

The home of Mrs. Clancey Lehrmann was the scene of the L.O.C. Demonstration meeting Thursday of last week. Mrs. Amy Segerst of Stamford, a special guest demonstrated how she made her quilt or bed coverlet in the "Around the World" pattern by tacking it together instead of quilting. Other guests were Mrs. Bernhard Letz and Mrs. Otto Lehrmann.

Mrs. Jimmy New, chairman conducted the business meeting.

WASHINGTON

"As It Looks from Here"

OMAR BURLESON
Congressman—17th District

WASHINGTON, D.C.—

Congressman Omar Burleson (D-Tex) said today that the Civil Service Commission is now receiving applications for the 1977 competitive examination for summer employment with the United States Government. The examination, which includes a written test, applies to most Federal summer jobs in clerical and administrative positions, as well as in engineering and the physical and biological sciences, GS-1 through GS-4.

The Congressman urges applicants to file early to receive maximum consideration for employment because opportunities for summer employment are extremely limited.

Tests are scheduled locally by CSC area offices. Applicants who file with an area office by Dec. 9 will be tested in January. Those who file by January 13 will be tested in February. Any applications postmarked after January 13 will not be accepted.

Notification of when and where to report for the written test will be given about two weeks in advance.

Those candidates who took the test and qualified for summer employment in 1976 may renew their eligibility without taking the written test again by submitting an updating form by January.

Complete instructions for filing for the written test and for renewing eligibility, along with all necessary forms, are included in the CSC announcement No. 414, Summer Jobs in Federal Agencies, which may be obtained upon request through Congressman Burleson's Washington office, 2369 Rayburn House Office Building, Washington, D.C. 20515, or from Federal Job Information Centers, most college placement offices, or from the Civil Service Commission, Washington, D.C. 20415. The nearest Job Information Center is listed in most local telephone directories under "U.S. Government" or the toll-free distance telephone number in Texas can be obtained by calling 800-555-1212.

The U.S. Postal Service is not participating in the 1977 summer employment program. Inquiries regarding summer employment in the Postal Service should be directed to the post office where employment is desired.

The club Christmas party was planned for December 13 at the Sagerton Community Center. Committees for this will be: program: Velma Lou Hertel, Wilma Teichmann, and Verlene Corzine; food: Janet Thane, Rachel Tiechelmann and Mandy Tiechelmann; and decorations: Joyce LeFevre, Helen Lehrmann, and Adele Nierdieck.

Plans were discussed for the November Golden Age Luncheon, which the club sponsors on November 22 at the Sagerton Community Center. Everyone is asked to bring a covered dish. Other things will be furnished by the hostesses: Mrs. F. A. Ulmer, Mrs. Delbert LeFevre, Mrs. Jimmy New and Mrs. Leland Thane.

Anyone who has been in the Sagerton Community Center lately has seen the new tables that were made by our commissioner and his workers while it was too wet to work out of doors. They are really appreciated and will enable everyone to have a place to sit when we have large groups for dinner meetings.

Get well wishes go to Mrs. Joe Swofford, who had surgery at the Stamford Memorial Hospital last week, and to Mrs. Aubrey Fouts, who is also a patient there after fracturing a hip in a fall at her home last week. Mrs. Herbert Stremmel was taken to the Stamford Memorial Hospital Saturday afternoon after she was bitten by a rattlesnake at her home. Since she was rushed to the hospital and treated immediately the bite was not fatal.

Many from our community attended funeral services for Pat Sellers at the Rule

Methodist Church Friday of last week. He passed away at the Haskell Memorial Hospital after a long illness. While Pat was in good health, he and his family were an asset to our community and always ready to help anyone in need. Our sympathy is extended to his children, Billy, Terry and Dean and his mother, Mrs. Alice Allen, who is now living in Haskell.

Mr. and Mrs. Allen Meier and Kevin have purchased the Sellers service station and home, and will be open for business around the first of the year.

The Sagerton United Methodist Church will hold their annual Thanksgiving supper at the Community Center on Wednesday, Nov. 17.

Everyone is asked to remember that the Sagerton Saturday Night Musical will

not be held this Saturday night as usual. It will be postponed until the fourth Saturday night, which will be November 27. Everyone is invited to go to Rochester next Saturday to take part in their annual Armistice Day celebration and musical that night.

Mr. and Mrs. Louis Helm and Mrs. Lena Wilmann of Roscoe visited with Mr. and Mrs. Otto Schaake Monday. They are cousins of Mrs. Schaake.

Mr. and Mrs. Billy Laughlin and children came by for a short visit with Mrs. Cliff LeFevre Thursday off their way home to California from Cyril, Oklahoma where they visited with Mrs. Edward Laughlin.

The Rev. Don Fuller and his wife, Helen, from Odessa were the guest speakers at the Faith Lutheran Church Mission Festival Sunday. A pot luck dinner was served at noon.

JR HI SWEETHEART AND HERO

Karla Kupatt David Lisle

During halftime ceremonies between the Rule Junior High game vs Newcastle Junior High, last Tuesday night, November 2nd, the Rule Drill Team crowned their Football Sweetheart and Hero.

Receiving the honor of Football Sweetheart, voted on by the members of the football squad, was Karla Kupatt, daughter of Mr. and Mrs. J. D. Kupatt. David Lisle, son of Mr. and Mrs. James A. Lisle Jr., received the honor of Football Hero, voted on by the members of the Drill Team. Preceding the crowning ceremonies the cheerleaders and twirlers performed a routine to the tune of "Low Down". The Drill Team formed a heart for the crowning of their royalty.

Following the game, the Drill Team and members of the Football Team were surprised with sandwiches,

chips, cookies, brownies and pop by the parents. A gift was presented to the Drill Team sponsor, Mrs. Olga Taylor, in appreciation of her work with the Drill Team.

U.M.W.

The United Methodist Women of the Rule First United Methodist Church met in the Fellowship Hall of the church on Tuesday, November 2, at 2 p.m. with Mrs. R. O. Henry as hostess.

Mrs. J. N. Cornelius opened the program with prayer. Mrs. Olis Macon, president, presided over the meeting and reported on the U.M.W. district meeting held recently in Childress, and reported she had accepted the district office of secretary for 1977 for the Seymour District. It was announced that the U.M.W. would visit at the Rice Springs Care Home on Tuesday, November 9th. On Tuesday, November 16th, a Thanksgiving luncheon will be held in the Fellowship Hall at 11 a.m. with Mrs. T. E. Simpson presenting the program.

Mrs. Rex Murray presented a pledge program for the coming year and reported on the various ways the pledge money is spent in the United Methodist Women organization. Following her program,

pledges for the 1977 year were accepted.

Mrs. H. H. Hines installed the officers for the new year from the list which had been submitted by the nominating committee. As her worship center she had a plaque of the praying hands on a crocheted doily, an open Bible and a pair of glasses.

Officers for the new year, 1977, are: president-Mrs. Olis Macon; vice president-Mrs. J. N. Cornelius; secretary-Mrs. O. G. Lewis; treasurer-Mrs. Rex Murray, Mission Coordinator for Christian Personhood-Mrs. Boyd Baird, nominating committee-Mrs. A. R. Eaton, Mrs. R. O. Henry, and Mrs. Rex Murray, flowers and gifts-Mrs. O. G. Lewis and Mrs. Rex Murray.

Following the installation of officers, new programs for the year were discussed and the meeting adjourned.

KITENS VS KITENS

The junior high game played Tuesday night, Nov. 2nd in Bobcat Stadium was a battle of the cats when the Rule Kittens battled with the Newcastle Kittens with Rule winning 20-6.

Newcastle took the opening kickoff and had to turn the ball over to Rule on downs. Receiving the ball, Rule scored their first touchdown with 4:01 on the clock. David Lisle carried sixty yards for the touchdown and the point after attempt was no good.

In the second quarter, Rule scored their second touchdown. Cary Hannsz carried for the first down and then a quarterback sneak was good for six points. Lisle carried over for the two points to make the score 14-0. As time ran out for the half, Rule was in possession of the ball.

Rule took the second half kickoff and drove toward the goal line and scored with 1:50 left in the third quarter. The point after attempt was no good 20-0.

In the fourth quarter, Newcastle received the ball on downs on Rule's 49 yard line and drove to the goal line and scored with 33 seconds left in the game. Their point after attempt was no good and the final score was 20-6.

A good many of the young boys got to play in the fourth quarter. The offensive line (Casey Hannsz, Victor Ortiz, Wes Jones, Rod Petty, Marc Thane and Terry Threet). Cary Hannsz and Leon Greeson helped Lisle to score with some good blocks. Several of the eighth grade boys played their last junior high game. They were David Lisle, Wes Jones, Marc Thane, Terry Threet, Wayne Stremmel, Cary Hannsz and Stacy Hager.

The Rule Junior high Kittens finished their season undefeated with a 7-0-1 record and co-champs.

Coach Wilson wishes to thank the junior high football boys for their hard work and dedication to a season well done. Also, thanks to the parents for their help and cooperation.

Club will meet in the home of Mrs. Barbara Kile on Tues., Nov. 16th, at 2 p.m. for the purpose of exchanging their books. Members need to be thinking of new books as new books will be purchased and old books drawn when they meet on Nov. 16 in the home of Mrs. O. G. Lewis.

FHA DATE NIGHT

The FHA girls honored their daddies last Thursday night, Nov. 4th, at the annual "Daddy Date Night". The girls and their daddies were dressed as hobos and had a hobo feast of sloppy joes, baked beans, tossed salad, potato salad, chocolate sheath cake and iced tea.

Following the meal, Lynn Fouts gave a tribute to daddies with a reading, Miss Stacy Angle of Knox City entertained by singing several country and western songs. Then several games were played. A "Sugar Daddy" prize was given Norvell Lehmann for taking off his shoes, exchanging socks and replacing his shoes the quickest.

Joe Soto and James Marquis won prizes for the next game—ask them what happened! Winning the game of "Simon Says" was Delbert LeFevre.

Miss Stacy Angle judged the hobo costumes and awarded prizes to Bobby Robinson, Joe Soto, Bobby Lusk, Linda Rhoads, Joni Williams, and Irma Puebla for being the best dressed hobos.

When it was time to go home, no one seemed to want to leave, but some of the girls had to get their "dates" home early so everybody rushed to clean up and left to get their "dates" home before the curfew.

FHA

The Rule FHA wishes to thank all the people in the community who lent clothes to the girls and boys who took part in the "Fashions From the Attic" style show and Womanless Wedding. They appreciate all those who attended and gave their support. Thanks again.

PICTURE RETAKES

Picture retakes for the annual will be taken on Wednesday, Nov. 17th. Please remember this date and dress accordingly. This will be the last retakes.

BOUNCING BALL

In the first game of basketball for the year, the Rule girls defeated the Hobbs girls, Monday night, November 1st, by the score of 54-49.

The girls played at Benjamin last Tuesday night, the 9th, and will play at Stamford, Monday night, November 15th, at 7 p.m. They are entered in the Stamford Invitational Tournament over the weekend of November 18th through 20th.

The boys will begin their basketball play when they, along with the girls host Benjamin at home on Tues., Nov. 23th. Game time is 6:30 p.m.

Junior high boys and girls are entered in the O'Brien Invitational Tournament Nov. 15, 16 and 19th. They will host Paint Creek at home Monday, November 23, at 6:30 p.m.

Haskell, Texas

p.m. in Masonic Temple for a stated meeting and Friendship Night. Mrs. Ethelyn Forbis, the Worthy Matron and Rev. Allen Forbis, Worthy Patron, were in charge of a short business meeting at which a Christmas Party for the December meeting was planned.

Rev. and Mrs. Forbis also reported on the meeting they had attended at Grand Chapter at Fort Worth the last week in October and gave a glowing report of the beauty and of the business sessions they attended all that week.

After Chapter closed, Mrs. Forbis gave a reading about Thanksgiving and had every one to enter in a part of the program by exchanging small packages of mustard seed to the ones who each one felt closest to and to show the faith of love to each other.

A salad supper followed with guests registering from Stamford, Aspermont, Knox City, Rochester and Old Glory.

CUB SCOUTS

The Rule Cub Scout Pack 144, Den I, met for their weekly meeting on Thursday, Nov. 4th. This week the scouts visited the emergency room and the new ambulance service of the Haskell Memorial Hospital in Haskell.

Jerry Sorrells showed the boys the different emergency equipment and what it was used for. He also explained the different radio equipment installed in the ambulance and took the scouts for a ride. The scouts enjoyed the tour very much and it was very educational to them.

The trip to Haskell wouldn't be complete without a trip to the Dairy Queen. After stopping for a coke, the scouts returned home.

Those making the trip were Paul Sorrells, Lester Walker, Randy Andrews, Clayton Sorrells, Kevin Meier, Larson Wampler, and Den Mother, Mrs. Betty Sorrells.

LOOK WHO'S HERE

Mr. and Mrs. Ronnie A. Atkins, 1137 Rock Creek, Garland announce the arrival of their son, Bryon Albert, born Friday, Nov. 5th, at 10 a.m. in Presbyterian Hospital in Dallas. Young Master Bryon weighed in at 7 lbs and 11½ oz. and measured 20 inches long.

Maternal grandparents are Mr. and Mrs. James A. Lisle Jr. of Rule and paternal grandmother is Mrs. Lella Atkins of Coppell, Texas. Great grandmother is Mrs. James A. Lisle of Rule.

CHRISTMAS CELEBRATION

The Rule Chamber of Commerce is sponsoring a special day on Saturday, December 18th, in observance of the Christmas season. A variety of activities will be going on and residents of Rule and the surrounding towns are welcome to participate in the activities.

A Pet Parade will be held at 2 p.m., Christmas Carols will be sung on the streets, ladies clubs will hold a bazaar, 4-H will have a bake sale, there will be a Starving Artist sale, a Tasting Bee will be held at the Village Primitive and at 6 p.m. there will be a drawing for

\$600 in cash and prizes. Tickets for the drawing will be given with each \$5 purchase from the various merchants in Rule participating in the drawing. Saturday, December 18th promises to be a fun filled day. Plan now to attend and participate in all the activities.

7-0. This was the score at halftime with Rule dominating the statistics.

Rule came back in the second half to drive the ball 70 yards on good runs by Leonard Menchaca, Paul and Bobby Flores. Menchaca scored from a yard out, but the extra point attempt was short to make the score 13-0.

Newcastle drove the ball down to the 1 yard line and plunged it over but missed the extra point attempt.

The leading tackler was Jerry Tumlinson with twelve tackles. The leading rusher was Leonard Menchaca with 135 yards on 32 carries. Our line and backs did a good job of blocking.

Our leading blockers of the week were Eddie Brass, Paul and Bobby Flores. Paul Flores also had three receptions for 28 yards. The last game of the season will be Friday night, Nov. 12th, when the Bobcats host Throckmorton in Bobcat Stadium. The season record is now 2-6-1.

Also at halftime, the Rule Bobcats will crown their Football Sweetheart for 1976.

Other district games played Friday night: Rochester 24-Chillicothe 6; Goree 12-Windthorst 6. Non district games Throckmorton 27-Little Elm 6.
