# **Outstanding Young Homemaker Named**

Mrs. Tim (Paula) Everett was recently named recipient of the Outstanding Young Homemaker Award for the year 1976-1977. She was presented a gold charm at the ice cream supper held August 25 at the Haskell Park. farijane Cunningham presented the award.

Paula is the daughter of Mr. and Mrs. V.P. Terrell of Haskell. She was born in Haskell and graduated from Haskell High School where she was a band member, twirler, and drum major.

She attended McMurry College in Abilene where she was a member of Delta Beta Epsilon Sorority, and the Wah Wahtaysee science organization. She received her degree in elementary education in 1971. She taught school in Breckenridge for two years, Sweetwater for two years, and then returned to Haskell where she has been teaching first grade until May 1977.

Paula is married to Tim Everett who is engaged in farming and ranching. She is a member of the First United Methodist Church. Her hobbies include cross-stitching, needlepoint, gardening,

a new baby which the Everett's are expecting in October.

# W. E. Wooten Wins **Dove Shoot Title**

The 1977 World Dove Shooting Championship narrowed down to four in the final hours of the competion Sunday at the Haskell Trap Club. Larry Rush, from Paducah, withdrew after two straight misses. Adolph McKnight, of Arlington, withdrew after one hit and four misses. W.E. Wooten, of Haskell, became the champion after running six straight, missing two, and hitting two more to bring his score to eight out of ten. Michael McKnight, from Dallas, came in the runner-up spot. He shot six out of ten dove at the World Dove Shooting Championship.

Each shooter shot a total of 400 clay targets in four events Saturday and Sunday, to determine who would be eligible to compete. Ten shots were fired at dove on the wing with a score keeper and referee. Each shooter took his turn. After two shots another dove shooter took his place while the others looked on.

The shoot took place East of Haskell. The dove were scarce and fast. The dove shoot was a real test of shot gun pointing.

# **Band Boosters Elect Officers**

The Haskell School Band Boosters met Tuesday evening, August 30, 1977 in the Band Hall.

Elected officers for 1977-78 are: President, Mrs. Jim Rea, Treasurer, Mr. and Mrs. Biggon Drinnon, Secretary, Mrs.Leon Jones, Reporter, Mrs. Wallace Cox, Jr.

Mr. Gideon reported that there will be 74 students in the High School band, 55 in Junior High Band. The 6th grade band is in the organization stage.

The band boosters voted to purchase a new lead banner for the HHS Indian Band and a new Indian head dress for the majorette. The group voted to give free cokes to the football team at half.

It was decided to have a Salad Luncheon November 2. Mrs. W.H. McBroon will serve as chairman. The place and time will be announced

Mr. Gideon urged band parents and friends to support the Indian Band by attending contests. The first event will be November 1, at Shotwell Stadium in Abilene.

The major money-making project for the Band Boosters is the Concession Stand at football games. The menu includes homemade ice cream baked potatoes, hot dogs, frito bags, Cokes, Mr. Pibb, and an assortment of candies.

a rest stop over the weekend and served refreshments to about 80 passing motorists.

Telethon and Rest Stop Chairman Bill Steele expressed his thanks to the following groups for their donations which helped to make the two projects a success: M-System, JRB, Busters Drive In, Anderson Tire Co., Chamber of Commerce, Dept of Highways and Public Transportation, Anderson Constructon Co., Haskell National Bank and Gill's Grill.

penalties, and key turnovers. The Tigers received the opening kickoff and marched the ball 64 yards to the one

vard line and were held by the Indian defense. The Tribe took the ball out to their own 42 before punting and the defense again held Anson allowing only 5 yards in

three plays to force the punt. On the sixth play of the Indians second drive, a 15 yard penality, nullified a 60 yard TD by Bruce Enriquez and two plays later Anson intercepted a pass to set up thier first score.

Early in the second quarter, the Indians threatened to score but gave the ball up on downs, 14 yards from pay dirt.

Following the second Anson score, another Indian drive was stopped with a fumble 9 yards from the end zone.

A fumble also ended the first Indian drive in the second half and led to another Anson score. Then Anson intercepted the ball on the next Indian possession and scored again two plays later.

The Tribe got on the board the first time with 2:33 left in the third period on a 40 yard pass from Indian Quarterback Rex Pittman to Enriquez. PAT run failed.

**<b>Yang** The Now **₩** Washbasket By Steffne Miller

In these hot, humid summer months, cleaning the bathroom is an important activity for all homemakers. Here's a routine for doing this necessary task:

Start with the toilet bowl. Use a commercial bowl cleaner according to label directions. If possible, let the cleaner remain in the bowl for about ten minutes to thoroughly clean and disinfect, then flush. Next, clean the shower/tub

enclosure. You'll get best results by using a non-aerosol product, such as 20 Mule Power® Industrial Strength Bathroom Cleaner, manufactured by U.S. Borax, It removes hard water deposits and soap scum, kills mold and mildew and prevents regrowth up to 30 days. Also, since it's liquid, it's recommended for cleaning water fixtures and ceramic tile, as well as porcelain, synthetic marble, and fiberglass surfaces, which are easily scratched by powdered cleansers. To use, spray the product on the surface, let stand 3 to 5 minutes, wipe with a soft cloth or sponge, and rinse thoroughly. Scrub corners and grout with a non-abrasive pad or brush.

Mirrors and windows should be cleaned with a glass cleaner and buffed with a soft cloth to bring out their natural shine and lustre. Finally, encourage the members of your family to clean up after themselves after using the bathroom. Keep rubber gloves, a sponge and a bottle of 20 Mule Power Industrial Strength Bathroom Cleaner in a convenient place - ready for use. For more information, write to: U.S. Borax Consumer Information, Department 20, P.O. Box 75128 Sanford Station, Los Angeles, CA 90075.

# **TFC Urges** Wheat Grazing Approval

In a letter to the Secretary of Agriculture, Texas Farmers Union President Jay Naman urged that wheat farmers be permitted to graze set-aside acres and that diversion payments be made to compensate wheat farmers for their set-aside.

also cattle producers need the opportunity to graze set-aside acres to supplement lowincome from wheat production It will encourage their participation in the wheat program," Naman said.

Texas Farmers Union has criticized the level of set-aside as being inadequate, but feels that the set-aside provisions can be a ministered in such a way as to get maximum participation. Permitting grazing on set-aside acres would encourage wheat farmers to comply and to participate in the farm program, according to the Farmers Union.

Naman urged Secretary Bergland to announce a diversion payment in connection with the set-aside. According to Naman, the Secretary of Agriculture should authorize the payment of an amount sufficient to compensate farmers for abadoning setaside acres. Naman said, "The grain

glut that farmers find themselves in was not their responsibility. They werer encouraged and even coerced to expand acreage by the previous administration. It is the responsibility of the government and the general public to see to it that wheat farmers are extricated from their serious economic predicament."

The question of grazing set-aside acres is expected to be decided in a matter of days if the farm program is passed and signed by President Carter. Texas wheat producers are in general support of the liberal grazing regula-

# Brown, Jones Repeat Vows

Before an alter setting with white floral arrangements and a background of greenery and candlelabras, Linda Kyrene Jones became the bride of James L. Brown on Friday, August 26th, 1977, at 8 p.m. in the Klondike Baptist Church. Rev. A.E. Burns, pastor, officiated for the double ring ceremony.

The bride is the daughter of Mr. and Mrs. James Jones of Rule and the bridegroom is the son of Mr. and Mrs. Clifford Gandy of Tahoka.

Organist John Harris of Klondike played wedding sel-

Given in marriage by her father, the bride wore a formal length white gown with lace bodice and long sheer sleeves gathered at the wrist with a lace cuff. Her head piece of a lace cap with scalloped roses with pearl trim held a chapel length veil train. She carried a long cascade of Sonya roses with apricot glads and ribbon

streamers. Matron of honor was Mrs. David McCarley, of Tucson, Arizona, sister of the bride. Bridesmaid was Mrs. Tommy Jennings of Houston. They wore apricot street length dresses with empire waist and carried bouquets of apricot carnations and glads tied with white ribbons.

Rangers play the Boston Red Socks. Those attending from Haskell were: Mr. and Mrs. Jack Daniels, Mr. and Mrs. G.W. Roberts, Mr. and Mrs. Wayne Phemister, Ricky, Missy, Randy and Kem Kemp, Mr. and Mrs. Bobby Roberts, Tammy and Jimmy, Mr. and Mrs. Albert Roberts, Tonya, Lee and Chad.

Mr. and Mrs. Jim Yeary and Stacy of Paul Valley, Okla. and Mrs. Leola McCollum were guests in the J.C. Yeary home this past weekend to celebrate Mrs. J.C. Yeary's

birthday. Mrs. Gary Smith was surprised August 26 with a baby shower in her home. The honoree was presented with several baby items for her new son. Cris Wayne. Those present were: Mrs. Fred Procopio of Grandbury, mother of Mrs. Smith; Mrs. Jackie Betts and Mrs. Curtis Wray of Rule; Mrs. Bruce McCabe and Mrs. Pennie Jackson of Haskell. Cake squares with minature baby items, punch, nuts and mints were served. father, Gary Smith, Larry Jackson, Michelle and Dough Betts, Dane and Eric Smith

Stretch your energy dollars install an energy-efficient electric heat pump

A heating system that's more than 200% efficient may seem like something out of the future. But it isn't. It's yours today, with the electric heat pump. Because when correctly installed in a properly insulated home, the heat pump produces two units of heat for each single unit of electricity it uses. The heat pump operates by using the future's most abundant energy source, solar energy. It transfers heat that's always present in sun-warmed outside air into your home during the winter. And reverses the process, pumping heat outdoors during the summer.

If you have plans to buy, build, or remodel, or are looking for a new heating and cooling system for your home, call a local FACTORY CERTIFIED heat pump dealer or talk with WTU. We will arrange for a WTU heating and cooling specialist to contact you. Learn more about the easy-to-install, economical electric heat pump — your most energyefficient heating and cooling system buy.

Remember REDDY Supplies the energy—but only YOU can use it wisely!

We surely enjoyed the month of August Sunday services brought by the people from the Lutheran Church. Mrs. Dick read the scriptures and a short talk from Luke. The children sang, "Reach Out." Rev. Marquard message was titled, "Love". The service was closed by singing the Doxology and the Lord's Prayer in unison. We appreciate them coming and will be looking forward to their turn

The ladies from the First Baptist Church had their monthly birthday party the last Monday. After delicious cake and punch was served in the dining room, Brian Burgess brought the devotional. He spoke of love, smile and contentment. Mrs. Cadenhead closed with prayer. Having birthdays this past month were: Kathryn Mitchell, Ivy Massie, Mary Bowman, and Tom Rogers.

We are happy that Mrs. Mary Bowman was able to return to her home in Rocheter, although we will all miss her.

Mrs. Ophelia Medford is a patient in Hendrick Memorial Hospital in Abilene and is reported improved at this date after under going surgery for a broken hip. We all wish for her a speedy recovery.

Recent visitors of W.O.

Reindeer rations is not a

subject usually found here, however, it seems the proper time to make our readers aware of modern reindeer feeding procedures . . . some of which are mighty strange. For instance, primary ration for the past 11 months has been hybrid 1975 variety Spirit of Christmas. Beginning about now, some special supplements are being added. Rations of Children's Laughter combined with a high percentage of Joy of Giving have been observed to give reindeer a tendency to fly around and land on rooftops. If that isn't unusus' enough, one member of a special nine reindeer herd is fed an entire sack of fed an entire sack of Happiness . . . inevitably resulting in a downright bright, glowing nose. #### **BOBCATS NIP HORNETS** The Rule Bobcats defeat-

ed the Asperment Hornets Friday night, September 2, by the score of 21-0.

The Bobcats were in command of the fame from start to finish. The first touchdown was scored by tailback Leonard Menchaca with 2:27 left on the clock in the first quarter. He plunged over from the one yard line following a 65 yard drive by the cats. The PAT was no good.

With 2:20 left on the clock in the second quarter, fullback Ronnie Oliver scored from the nine yard line, ending a 60 yard drive. Quarterback Tony Carter hit end Hector Puebla for the extra two points to make the score 14-0 at

In the third quarter of play, back Oliver scored on a 25 yard drive up the middle, climaxing a 50 yard drive by the Bobcats. Jerry Tumlinson. kicked the extra point to make the score 21-0 with 3:15 left in the third quarter and ending

up by being the final score. The hornets were hurt by four turnovers during the game, losing the ball three times on fumbles and once on pass interception. The Bobcats held them to 89 yards total offense for the night.

Quarterback Tony Carter completed three of five passes of the night for 38 yards. Leading carrier was Leonard Menchaca who carried 21 times for 60 yards. Leading tacklers were Ronnie Oliver and Jerry Tumlinson with 13 apiece. On the offense, outstanding game blocking was done by Russ Lewis, Nicki Hunt and Bobby Hunt. Intercepting the Hornets pass during the game was Ronnie Oliver and recovering the
