

## Bull Town Bulletins

By  
Bill Ellis

AT A TIME WHEN virtually everyone in our immediate area is finding it tough to make a living, and many would be pleased to come out "in the black" at the end of the year, it becomes hard to drum up much sympathy for the striking members of the National Football League.

We don't blame anyone for wanting to make as much money as they possibly can, and particularly to get their pay scale up to the point that they feel they are being paid "what they are worth," but the idea of a strike which could ruin most people's favorite pastime, goes against the grain.

In the first place, one needs to be reminded that in many cases union demands, and hard-nosed approaches are many times the reasons for certain industries to just close up shop and cease to exist.

The union has been inbedded into the auto industry for a number of years, and while you can't lay the woe of this industry completely at the union's feet, there are no doubt many arguments for the fact that the unions have not helped the plight faced in Detroit and many other industrial cities.

We don't see how the players can expect to have their salaries escalated to the point that every player is in the super-salary bracket.

Professional football is bound to be like every other business today, beset by high prices and inflation on every hand, and there must be a limit as to what they can pay out in salaries. The owners deserve to be able to make this determination, and to deal with each player on an individual basis, according to that player's ability.

It will be interesting to see what develops, in the event that the strike is not resolved between the representatives of the players and the owners prior to this weekend's schedule (which begins on Thursday, or was to).

At least some of the owners feel that they are in the business to provide football for the fans who shell out their hard-earned money to see the professional games, and that even if they have to hire some guys working in parking lots, or bring up all the rookies who had been cut from training camps, they should play the scheduled games.

This point is undoubtedly one that may not find agreement by every team in the league, but it might cause the striking players to call off their treasure hunt, or at least settle at a more reasonable level, if they see some rinky-dink taking their place on Sunday (and especially if the substitute should happen to stand out).

Somehow, it's hard to visualize the Dallas Cowboys taking the field with a lineup which would not include the likes of Danny White, Tony Dorsett, Drew Pearson and company.

But on the other hand, the owners have an investment and an obligation to fulfill. As Lamar Hunt, Dallas owner of the Kansas City Chiefs said "There's bound to be a number of players out there who want to play and will if offered the opportunity."

Hunt knows his business. In fact, if it were not for Hunt, there would be no Dallas Cowboys team, no Oakland Raiders, San Diego, Denver, Kansas City, New York Jets, and several others. He helped start the American Football League in 1960. (Yes, we know the Cowboys weren't in the AFL—but the NFL finally agreed to a team in Dallas, just to oppose Hunt's venture.)

Hunt had tried unsuccessfully for a number of years to get the NFL to give him a franchise in Dallas, and when they would not, he started his own league (now a part of the NFL). So, if his statements sound a bit rash to this generation of football fans—don't sell him short yet.

The Homecoming King and Queen will be crowned at halftime of the game.

The seniors are also sponsoring a Homecoming Dinner on Sunday, September 26, beginning at 11:30 a.m. Ham, beans and salad will be on the menu. The dinner will be held at the school cafeteria until 1 p.m.

## County Employees To Get Slim Raises

Mostly routine business was transacted at the regular meeting of the Parmer County Commissioners Court this past Monday.

It was voted to give all county employees a three per cent increase in salary, except that the four county commissioners are to receive no increases in salary or travel allowance. The pay increase is to become effective January 1, 1983.

Payments approved by the court included \$75 for law books for the District Judge; \$75 to Ellis-Blackwell Funeral Home for arrangements and transportation expenses involved in an autopsy ordered by a county Justice of the Peace.

Also approved was boarding care bills for Parmer County foster children in the amount of \$1,312, which amount will be reimbursed to the county; and a filing fee of \$65 for a mental health hearing in Wilbarger County for the indefinite commitment of a Parmer County patient.

A bill from the Parmer County Tax Appraisal Office in the amount of \$83.96 for extra fees was approved. Motion was approved to service the fire extinguishers in the court house, which had not been serviced since 1980.

A request for an easement for a water line in Precincts 1 and 2 for the city of Friona was approved. This

deals with piping the city's new water supply into town.

Motion was passed to purchase lots 1 and 2, Block 79 in Friona, for county use was approved.

Bernie Gowens presented the 1981 audit of the county's financial records. Motion was passed to accept the report.

A lengthy discussion was held on items to be added or deleted from the 1983 budget. A motion was passed unanimously that a fourth county deputy be hired for the Sheriff's Department for the Lazbuddie area.

The tax rate for the county was set at \$.3125 per \$100 valuation, the same as it had been the previous year.

A public meeting on the proposed county budget for 1983 was set for September 27 at 5 p.m. at the county courtroom in Farwell.

Soil conservation work on the farms of Jesse Lane, Ed Clark and James Anthony in Precinct 1, and James Haseloff, Don Geries and Frank Redwine in Precinct 3 was approved, subject to the availability of county machinery, and the farmers involved to reimburse the county for the work involved.

Charles Aycock, representing a "jury of view," reported on a road which is to be opened. Gilbert Kaltwasser, Henry Haseloff, Hubert Gohlke, Billy Mayfield and Richard Haseloff were appointed as members of the jury to assess damages to the land involved when the proposed road is opened in Precinct 3.

## Prospect Show Set

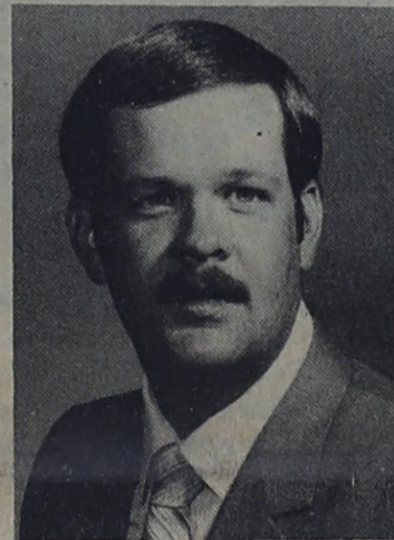

A Parmer County Prospect Show, for all county 4-H and FFA steers and heifers, is scheduled for Saturday, October 2 at the County Showbarn in Friona.

All showmen who are raising steers or heifers for the 1983 Parmer County Jr. Livestock Show are urged to call 247-2784 for details.

## Miss A Dish? Check Church

A spokesman for First Baptist Church requested this week that all women who have left dishes at the church to pick up their dishes by Sunday, October 3.

Dishes not picked up by that date will be disposed of, it was announced.

REV. WYATT CARPENTER

## New Pastor Named For OL Church

Rev. Wyatt Carpenter, 31, is the new pastor of the Oklahoma Lane Baptist Church.

Rev. Carpenter was born in South Carolina. He received his collegiate degree in animal science from Texas A&M University, and operated a livestock breeding service in Shamrock, before his decision to enter the ministry. He is a recent graduate of the Southwestern Baptist Theological Seminary, Fort Worth.

The new pastor's wife is Dayna, who is a native of Shamrock. The couple has a five-month-old daughter, Ashli Nicole.

This is Rev. Carpenter's first pastorate. "I look forward to working with the people of the community," he said this week.

Rev. Carpenter replaces Rev. Howard Rhodes, who resigned as pastor of the Oklahoma Lane Church to enter ministry work.

## '83 Model Car Show Is Slated

The 1983 model automobiles will be shown in Friona on Thursday, September 23.

For the first time locally, four makes of new automobiles will be featured on show date, since the addition of the Mercury line by Friona Ford-Mercury. That company's show will run Thursday and Friday.

Meanwhile, the 1983 Chevrolets and Oldsmobiles will be shown by Reeve Chevrolet-Olds on Thursday.

The shows will be conducted in the respective showrooms of the two local agencies.

Refreshments, as well as door prizes, will be featured at each of the dealerships during the new car showing. Each agency extends a cordial invitation for their customers and friends to attend the showing of new models.

CONTEST WINNER....Paula Beth Marquez won the third week of the Bovina Blade football contest. She is being presented her winning check by Harry J. Charles, one of the contest sponsors.

## WITH A "10"

# Paula Marquez Is Grid Contest Winner

With the old "upset bug" biting a number of teams on the contest slate, quite a race developed in the race for the weekly prize in the Bovina Businesses' football contest.

Adding a little spice to the weekly event was the first tie game on a weekly contest lineup, which gave every contestant an automatic "miss," since it is technically possible (although extremely rare) to pick a tie.

Best score for the week was ten correct, and this score was achieved by nine contestants. Out of this group, Paula Beth Marquez claimed the weekly cash prize of \$7.50 on the basis of her tie-breaker score on the Dallas Cowboy-St. Louis Cardinal game.

Paula Beth picked the Cowboys, 21-7, missing the actual score of the game by only three points.

Two other contestants, Sandy Ware and David Murphy, tied for second and third prizes, each missing the tie-breaker score by ten points. Mrs. Ware picked the Cowboys, 24-17, missing St. Louis' total by ten, and Murphy pegged the score at 28-13.

Other contestants with ten games right but missing out on one of the top three spots were Shana Gober, Mike Read, Roy Lee Stowers, Dick Morgan, Bobby Johnson and A.J. Shepherd, who had the misfortune of forgetting to enter his tie-breaker score.

Contestants are cautioned to fill out all the blanks on the entry form, starting with their name. An entry with no name has been turned in twice out of the three weeks. Occasionally a contest game is left blank, as the contestant apparently intended to go back and write this game in before turning in their entry.

Contestants correctly picking nine games included Rocky Bartlett, Jo Blackwell of Friona, Jose Cruz, Jim Cockerham, Eloy Florez, Al Kerby, Jr., Susan Kerby, Jim Lance, Julia Moody and Sam Morgan.

Also, Celeste Olvera, Joe Olvera, Donna Radford, Leon Schilling, Anita Serna, Ricky Shepherd, Ken Sorley, Claude Tamez, Jr., Burry Thatcher, David Villarreal, Johnny Villarreal, Bud Venable, Paula Whitecotton and A.M. Wilson.

Among the games most missed were the Kress-Petersburg, Lockney-Olton and Friona-Shallowater games in high school action; Texas Tech-Air Force among the college games, Atlanta-L.A. Raiders and San Francisco-Denver in the pro ranks.

In case of a player strike that would cause the NFL games not to be played, the pro games included on the weekly slate would be thrown out and only the other games considered. We will have a "cautious" approach due to the threatened strike, with fewer games in the pro ranks.

Mike Read, Wayne Thatcher and Larry Wiseman took the lead in the race for grand prize with scores of 30. The contestant leading at the end of the 13-week period will receive a cash prize of \$100.00.

## Free Cheese Is Available

The Department of Human Resources will be distributing surplus cheese at three locations during the next week.

Dates and locations are September 29, Friona, at food stamp office; September 30, Bovina, at the Neighborhood Center on Second Street and October 1, Farwell, at the court house.

## Boosters Set Pie, Meeting

The Bovina Booster Club will meet Tuesday at 8 p.m. to view the films of the Bovina-Dexter game.

The club plans to have a pie supper following Friday's homecoming game.

QUEEN HOPEFULS...Candidates for Homecoming Queen are (top row) Misti Boozer, Shauna Gober, Wendy Hall and Casey Riddle. Bottom—Lisa Schilling, Teresa Shepherd, Ester Silva and Patti Sherrill.

KING CANDIDATES...Eight BHS Mustangs are vying for Football King. Top, left to right: Andy Alexander, Joe Black, Mark Clayton, Dale Gilbreath. Bottom—Jose Gomez, Jon Riddle, Richard Shepherd and Joe Pat Wright.

**Bull Town....**

(Continued from Page 1)

Which brings up another point. The players would like to have 55 per cent of the teams' gross receipts. Where were the players when the teams were being formed? It was the owner, or owner groups, who risked their money, and took out giant loans at variable interest, or passed bond issues, to get multi-million dollar stadiums built, to house the super-stadiums.

Pro football has been practically a golden idol in our country, maybe even the goose that each week lays golden eggs. The players need to take care: that they don't kill the goose.

Those nominated include Canyon High School students Scott Sauer of 8623 Olympia, Amarillo, and Janie Baird of 1110 6th Avenue, Canyon, playing trombone and oboe, respectively; Texico High School students Jesse Orozco of Star Route, Bovina, and Audrey Autrey of 2924 Horne, Clovis, playing cornet and alto clarinet, respectively; Booker High School student John Reimund playing tuba; and Clovis High School students Roy McClintock of 412 Eastridge Drive, Clovis, and Cathy Wood, 909 Harvard Street, playing B-flat clarinet and flute/piccolo, respectively.

"Once again, a very select and talented group of boys and girls have been nominated from our area to the All-American Band," said Ronald C. McVean, owner/operator of

"This was me  
66 pounds ago..."

Like so many American children, Peggy Powell struggled with the physical and social problems associated with being overweight. At 12 years old and weighing 186 pounds, Peggy recalls having been teased by sisters and classmates and being excluded from games and parties. The picture at the left is all that remains now of those days.

**... Then I found Diet Center!**

On Diet Center's Weight-Control Program for children, Peggy lost 66 pounds, quickly and safely. Private, daily counseling, sound nutrition; and an education in what her body requires to function at peak efficiency helped her take control of her eating habits and gave her a real feeling of accomplishment and self-worth. Peggy's family was so impressed with her progress that her sister and her grandmother also took their weight problems to Diet Center.

**WHAT TO SAY TO KIDS WHO MUST WEAR EYEGLASSES**

Now and then, we will hear a well-meaning relative or friend say to a parent: "Alice is such a pretty child--too bad she has to wear eyeglasses."

If Alice happens to overhear such a remark, she may conclude that there is some kind of stigma attached to wearing eyeglasses; that could lead to an inferiority complex, and an unwillingness to wear the glasses.

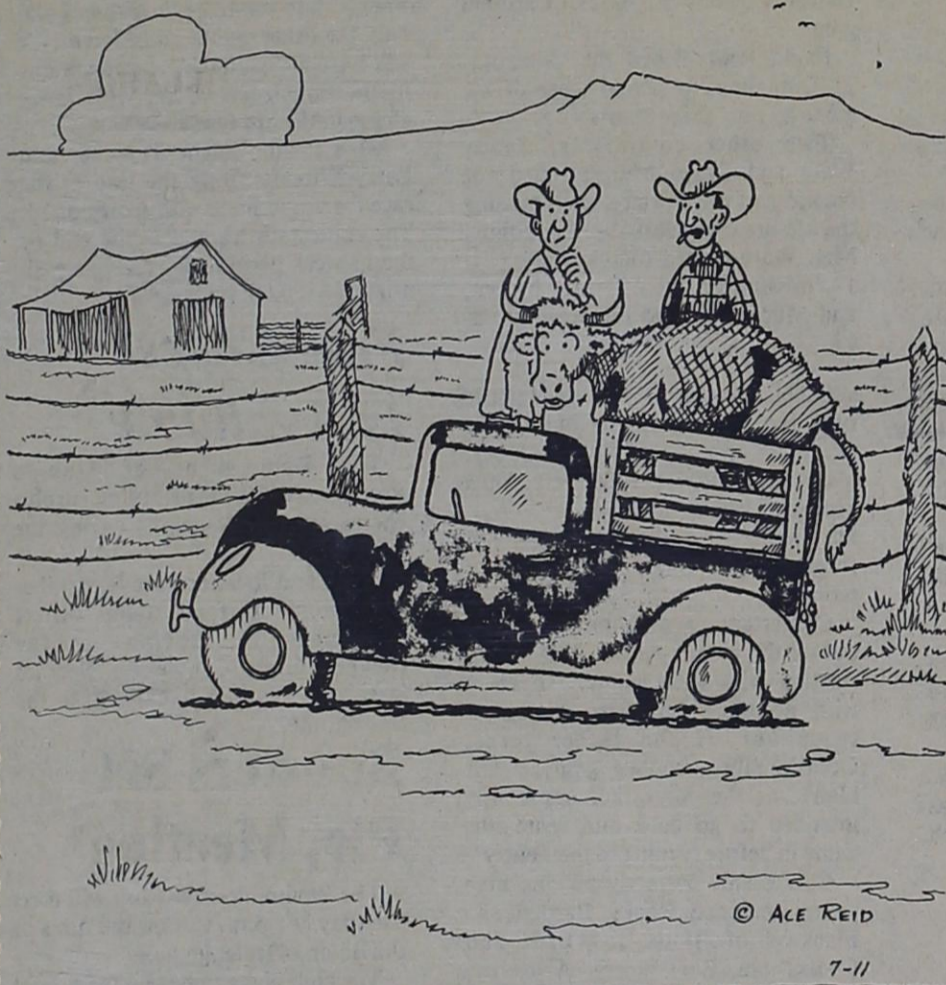

Optometrists have learned that children have very little difficulty getting used to spectacles, much less than adults. Your vision specialist's primary concern is with an individual's life-long ability to see well and be comfortable. However, modern eyeglass frames can now be designed to enhance a person's looks and be a cosmetic asset instead of a liability. Most Optometrists have assistants well trained in the styling of eyeglasses and can be depended upon to be a great assistance in helping the patient to select a frame that will be flattering to their facial features.

So, the next time you see a small child wearing eyeglasses why not say: "Alice is such a pretty child--and doesn't she look beautiful in those new eyeglasses!" You have done her a favor and helped her to preserve and protect her precious vision. You will be glad you did.

This message is brought to you in the interest of better vision by Drs. Armistead & Smith, Optometrists, Littlefield, Texas.

We went to the mountains over the weekend near Eagle Nest and had a great time fishing and camping with our two year old granddaughter, Gina. It rained most of one day and the weather was nice and a little chilly most of the time. The fishing was really good. The trees were just beginning to turn and everything was lovely. We went last Friday and came home Sunday night.

He is also famous for starring in "Malibu Run," and movies include "South Pacific," "The Remarkable Mr. Pennypacker" and "Doc Savage."

The Dinner Theatre is located at 1-40 and Grand in Amarillo. It is open Tuesday through Sunday evening for dinner and the show. Buffet food service begins at 6:30 p.m. and performance at 8 p.m. except for Sundays and show time is 7:30 p.m. Reservations may be made by contacting the box office.

We want to announce the Country Bazaar is set for September 25 at the Sugarland Mall in Hereford. Show hours are from 10 a.m.-6 p.m. There will also be salads and barbecue available during the show and prepared by Savage's Barbecue. Artists and craftsmen from all across the Panhandle of Texas and New Mexico are preparing for the large crowds that attend this show.

We enjoyed a good visit recently with my sister and brother-in-law, Jane and Jeff McBeth of Colorado Springs. They were in Hereford visiting with my mother.

Kelly, daughter of Larry and Donna Mitchell, was hospitalized in Muleshoe last Thursday. I talked with her grandmother Martha and she said the little girl is under oxygen in the hospital at this time and her condition was some improved Tuesday morning of this week. She is suffering from pneumonia and a bacterial infection.

Brent, son of Ronnie and Nancy Sudderth, was hospitalized in Muleshoe during recent days with a bacterial infection but is home and getting along fine.

We regret that between now and November 1, 1982, we find it necessary to raise the cost of electricity to our customers an average of 42 per cent.

We are all aware of cost increases due to inflation, government regulations, fuel costs, interest and taxes, all of which contribute to rising electrical costs.

We realize that an increase averaging 42 per cent is more than our members have ever been asked to accept, but in order to provide the quality of electric service, retain our financial integrity and pay our capital credit accounts, this increase is necessary.

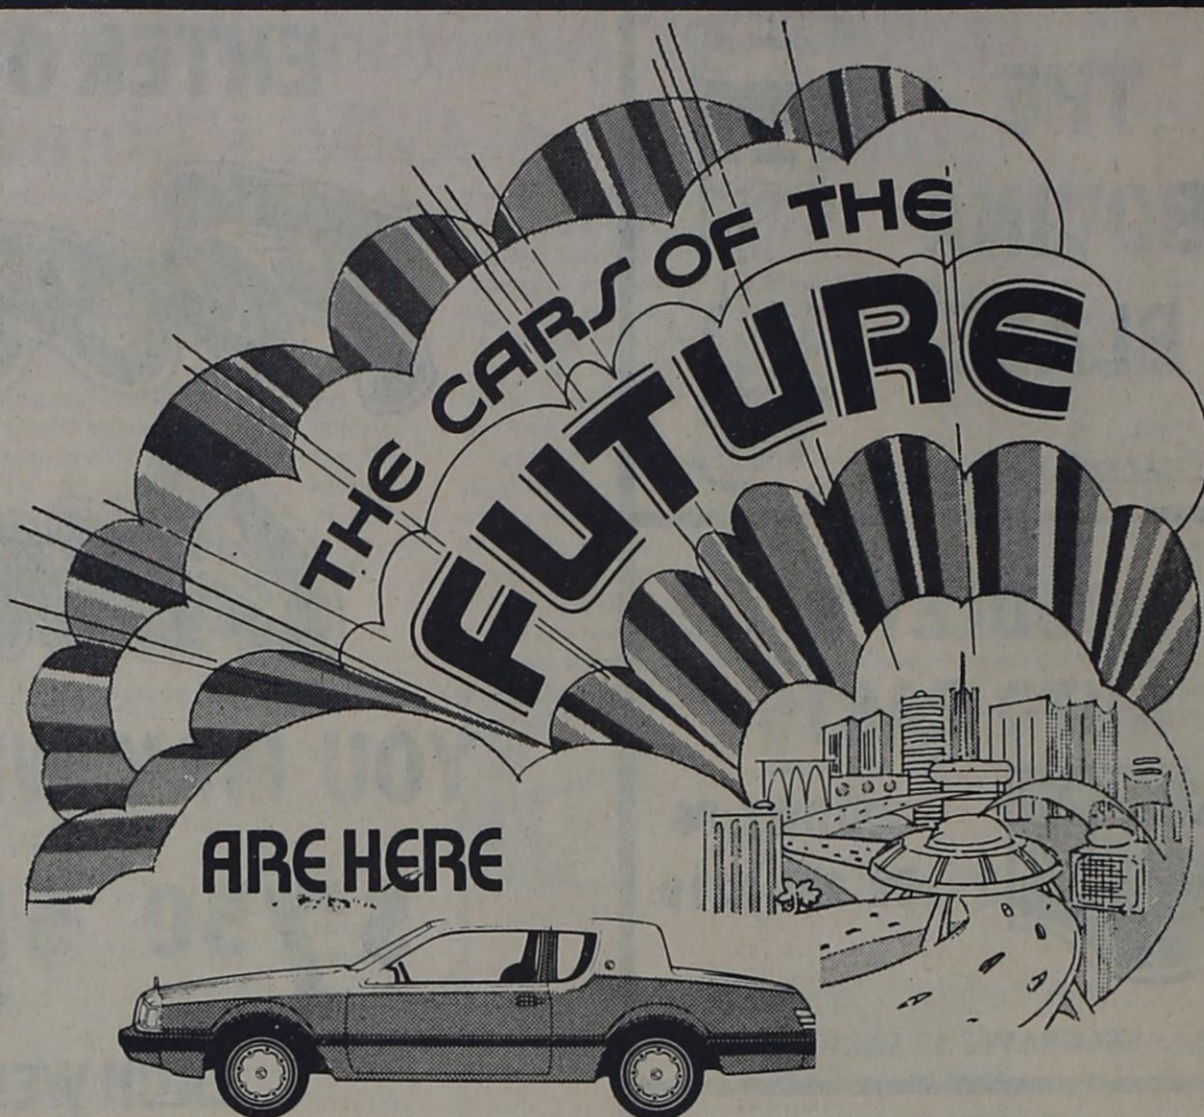

We know you share our concern of rising electrical costs, and pledge to keep these costs as low as humanly possible.

## Locals Are Thanked For Charity Work

Sandra Johnson and the Bovina 4-H Club raised \$392.00 in the May drive benefitting the Mental Health Association in Texas, it was announced this week.

Bellringer workers collected house-to-house during the Spring campaign.

Proceeds benefit the non-profit, non-governmental agency whose members are dedicated to fighting mental illness while working on behalf of the mentally ill and their families.

"The Mental Health Association exists entirely on donations, such as those raised in the May campaign," said Mrs. Virginia Barlow, state president.

Barlow thanked Mrs. Johnson and the Bellringer workers in Bovina, calling them an important team in the movement to promote mental health in the state.

**Fantastic Fourth Quarter Rally Wins For Bovina Mustangs**

The Bovina Mustangs showed why they are the top-rated offensive team in class AA on the South Plains, and also proved that they can play defense when it counts, in their breath-taking 18-14 win over the Morton Indians at Mustang Field last Friday night.

The Mustangs fell behind at halftime, 14-0 to the big, bruising Indian team.

"It would have been easy for the kids to just have quit. They had every opportunity to give up at halftime. But there's not a quitter on our team," said Mustang coach Larry Helton.

Bovina's defense got "tougher than nails" in the second half, not yielding a point, while the offense manufactured three touchdowns in the come-from-behind win that elevated the team's season record to

2-1. Richard Shepherd scored two of the team's three touchdowns, including the winning TD with 50 seconds left to play.

Shepherd got Bovina's first score in the third quarter, on a seven-yard burst with a quick pitchout from quarterback Dale Gilbreath. That cut the Morton margin to 14-6.

Gilbreath then capped a Mustang drive on a one-yard quarterback sneak in the fourth quarter to pull the Mustangs to within two points, 14-12, as both conversion attempts failed.

In the last minute of play, Richard Shepherd figured in the big offensive as well as the big defensive play for the Mustangs. First, he caught a pass from Gilbreath, and ran into the end zone, the play covering 40 yards.

Bovina had taken the lead for the first time at 18-14, as the home fans went wild. The score came with 50 seconds left on the scoreboard clock.

But the ever-dangerous Indians were not ready to roll over and play dead. Morton had shown they could move the ball quickly, with their two first half touchdowns, and they threw a scare into the Mustangs in the final 50 seconds.

On the final play of the game, a Morton player made a bid to go in for the winning touchdown, but was forced out of bounds at the one-yard-line by Shepherd.

A clipping penalty was called against Morton on the play, which was refused, and that was the ball game.

"Gilbreath did a great job of leading the team, and Richard Shepherd showed that he is tough. He's a clutch player. Joe Black and Joe Pat Wright didn't have quite as good a night in gaining yardage, but they did a great job of blocking," said Helton.

The Mustang coach said it was tough to single out individual players for their defensive play, since everyone played well, but felt that Mark Clayton, Martin Contreras and Jon Riddle paced the second half shut-down on Morton by the

Mustang defense.

He said that the coaches made "only minor" adjustments to their defensive strategy during halftime. "The kids just outthusted them in the second half," he said.

The Mustangs should not hurt their top offensive rating after the Morton game, thanks to a 327-yard effort which showed balance. The team gained 173 yards rushing and 154 yards passing. That put the team over the 1,000-yard mark for the season.

Gilbreath completed eight of 15 passes for the 154 yards, including the 40-yarder to Shepherd for the score. Black was the rushing leader with 66 yards.

After three games, three Mustang runningbacks have gained over 200 yards. Wright has gained 246 yards; Shepherd 226 and Black 204.

Riddle is the team's leading receiver in three games with six catches good for 104 yards.

**Leaders Are Named For Band Group**

Bovina Band Boosters started off their 1982-83 year with cookies and homemade ice cream.

Under the direction of Tom Karvonen, the sixth grade band, junior high band and high school bands played a few numbers for the boosters present.

The officers elected for the coming year are Mrs. Jerry Bradford, president; Mrs. Dan Koelzer, vice president-reporter; and Mrs. Bobby Englant, secretary-treasurer.

Fund raising ideas were aired as well as goals for the coming year. A variety of freezers-full of ice cream pleased everyone present.

The next meeting will be held the second Monday in October.

The Band Boosters will be naming a "Top Squad," based on performances at the individual games.
