APPRAISERS FROM McMorries and Company measure a house in Haskell. The company has been employed by the Haskell Independent School District to

conduct a revaluation of all real property in the district. The project will take approximately four months to complete. (Staff Photo)

Band Boosters Set Salad Luncheon Wednesday

Boosters of the Haskell Indian Band will have their salad luncheon November 1, at the Corral Building at the Haskell Fair Grounds. The luncheon will begin at 11 a.m. and continue until 1 p.m.

Tickets are \$2.50 each and will be available at the door. The only fund raising activities of the band boosters are the concession stands at football games and the salad luncheon.

Since 1974, the band boosters have made the following purchases: heating, cooling, and insulation for the band hall; carpet for band hall; contributed \$1,700 toward the purchase of new uniforms; purchased three new uniforms; new suit for director; hat protectors; tape recorder; electric piano and amplifier for stage band; lead banner; drum major head dress; oboe;

baritone horn; tenor saxophone; strobo-tuner; ice machine for concession stand; and repair on concession stand.

In addition to the above, the band boosters also: bought jacket patches; provided refreshments for after concert receptions; purchased sound-color movie films of the band at UIL marching contests; paid clinician fees for outstanding directors to work with the

concert, marching, and stage bands; and much more support.

The total approximate cost of these projects since 1974 is \$13,355.00.

The band boosters have adopted as their project this year the purchase of a video tape recorder and camera and a new copy machine. All funds raised by the band boosters go toward the betterment of the band program.

Halloween Carnival Set Next Tuesday Night

There will be spooks, monsters, goblins, and witches aplenty at the Haskell Jaycee-Jaycee-ette Halloween Carnival Tuesday night, Oct. 31 from 7 till 10:30 p.m. at the Corral Building in Haskell.

The feature "fright" of the night will be a "walk through the graveyard" to the "Haunted House". Featured "scares" of the house will be "The Wild Man, Count Dracula, Frankenstein, The Dead Man, The Hatchet Man, Werewolf, Headless Horseman, Dr. Hyde" and various other ghostly characters to chill you and thrill you!

There will also be games and refreshments available to entertain old and young alike. Games will be a ring toss, grab bag, tic-tac-toe, goin' fishing, and a cake walk. One featured attraction will be Sister El Carla-Mina.

School Holiday Set Monday

School will be dismissed next Monday in order for the teachers to attend a Teachers Meeting at Snyder.

Classes will resume Tuesday morning at the regular time. However, buses will run at 2:45 on Tuesday in order for the Teachers to attend a local faculty meeting concerning the new school accreditation process.

Dr. Wayne Millikan from the Regional Service Center will be the consultant.

STEW SUPPER

Haskell Young Homemakers will sponsor a stew supper Friday night, November 10, before the Haskell-Quanah football game. The menu will include stew, cornbread, cole slaw, and cobbler. Tickets are \$2.50 and may be bought from any club member or at the door.

Indians Host Aspermont This Friday

After a week's rest and new hope for a District Championship following last Saturday's defeat of Knox City by Munday, the Haskell Indians will host the Aspermont Hornets Friday at 7:30.

Aspermont currently has a district record of 0-3 with losses to Knox City, Paducah and Crowell and a season record of 1-6. In pre-district play the Hornets lost to Roby, Rule and Jayton and defeated Rochester.

The Hornets have a good defensive unit but so far this year haven't been able to get their offense moving.

District competition is getting tougher by the week and at this time, Munday is the only undefeated team in district play. Three teams, Haskell, Knox City and Quanah, have each lost one district contest.

The Tribe has had good workouts for the past week and a half and injuries to Robert Rodriguez and Robert Browning have caused some changes in the secondary. Both Rodriguez and Browning are improving and their playing status for this Friday was not known early in the week.

All other players are healthy and the Tribe plans to pass the half-way mark of District play this Friday with a win.

City Council Accepts Flood Damage Bids

Members of the Haskell City Council Tuesday night, awarded contracts on six separate projects of work in connection with August 3 and 4 flooding in Haskell.

The contracts were awarded subject to approval of disaster program authorities. The low bids were approved in each of the six areas.

Receiving approval from the council on the flood work were: dirt streets, Haskell Paving Inc., \$101,984.25; Asphalt work, Lipham Construction Co., Aspermont, \$29,939.20; Bridges, Strickland Bridge, Haskell, \$9,307.00; Top soil, Anderson Construction Co., Haskell, \$10,500.00; and Sludge beds, Strickland Bridge, \$5,175.00.

In other Council action, members:

*Signed agreement to allow City of Aspermont to locate a water storage tank near the Haskell Airport.

*Heard a report of sales tax receipt in the amount of \$3,608.05.

*Heard a report of a preliminary flood damage grant in the amount of \$125,000.00.

pendent School District.

The appraisers will physically inspect every house and lot in the city of Haskell and all farm and ranch lands and houses in the rural areas of the district.

Jim McMorries, owner, told the Free Press that the project would take approximately four months to complete and that the sole objective of the appraisal firm was to achieve equity in all property in the district. He said that the market value placed on each piece of property would be computed on actual sales of

property sold recently in Haskell County.

The appraisers will have a minimum of twelve years experience and will follow stringent guidelines in their inspections. All appraisers are registered by the State Board of Tax Assessors Examiners.

When the appraiser arrives at a house, he will knock and introduce himself to the adult at the house. If a minor child is alone, the appraiser will not enter the home and if there is objection, he will not enter. If no one is home he will complete his appraisal and leave a business card. If the appraiser does go into a house he will not enter the bedrooms or bathrooms unless requested by the owner. Owners are encouraged to point out anything which could affect the value of the home. In most cases the appraiser will not need to enter the house.

The firm uses a complex system of grading houses to arrive at a value. A total of 80 grades will be used. The appraiser can give the owner a grade following the inspection but will not be able to assign a dollar value to the house.

Following the completion of the inspections, dollar values of all properties in the district will be computed and letters will be mailed to all property owners showing values. Property owners will be given an opportunity to compare values with other properties and discuss the value with the appraiser. If requested the appraiser will re-inspect the property with the owner.

The project will include only houses, lots, farm and ranch land, and commercial businesses. It will not include any personal property such as cars, tractors, furnishings, and other like items.

All agriculture lands will be valued on market value and production value since at this time it is not known which system the Legislature will approve when they meet in January. There will be eight grades of farm land and eight grades of ranch land. Soil survey reports published by

the Soil Conservation Service will be used in conjunction with physical inspections of all agriculture property.

Damaged land due to salt, oil or erosion will be taken into consideration.

Any person with questions about the appraisal of their property if they were not at home at the time of inspection and later find the business card can call the Haskell Independent School District Administration office and leave word and the appraiser will contact them.

Junior High Teams Win Two More

Victory turned sweet again for the Haskell Jr. High Warriors as they traveled to Seymour last Thursday night to face the highly touted Cubs. The 7th graders overcame a 6-0 deficit to streak to a victory by a score of 16-6. This win brings the 7th graders' record to 6-0 for the season. The 8th graders also had to come from behind to achieve their 6th victory of the season. Seymour led at halftime by a tally of 8-6, but the Warriors got their offense in high gear during the second half to win going away 24-14. The 8th graders have not tasted defeat this year.

The Frosh avenged a previous loss to Seymour at Indian Stadium as they trounced their counterparts to the tune of 30-6. The Freshmen now have a season record of 3 wins and 2 defeats.

The Jayvees battled to a 0-0 tie with Seymour. This is their second scoreless tie of the season. Their record is now 3 wins, 2 losses, and 2 ties.

This week the Jr. High teams travel to Stamford for 5:00 and 6:30 ball games, while the Freshmen and Jayvees entertain Stamford at Indian Stadium at 6:00 and 7:30 respectively.

Jaycees, Jaycee-ettes Receive Awards At Regional Convention

The Haskell County Jaycees and Jaycee-ettes "wowed em" at the annual Region I-C Jaycee Convention in Abilene this past Friday and Saturday, October 20-21, taking in a total of 25 awards and recognitions for work done this year.

The Haskell Jaycee-ettes, in only their first year of competition received first place in participation, with Diane Owens, Jaycee-ette President, taking first place in "Have Your Say" and "Spoke" Competition, with

Mexican Food Supper Set Friday Night

There will be a Mexican Food Supper sponsored by the junior class before the Aspermont game this Friday night. Serving time is from 5:30 to 7:30 at the high school lunchroom. Tickets are \$2.75 and may be purchased from any junior class member or at the door.

Come by and enjoy all you can eat of the various homemade casseroles before going out to cheer the Haskell Indians to another victory. All proceeds from the supper will be used for the Junior-Senior banquet in the spring.

second place in Composition Competition and Leadership Dynamics. Laura Andress took second place in Personal Dynamics Competition.

The Haskell Jaycees won several awards as a club, winning the Travel Trophy (1st place), special recognition from Texas Jaycee President Elvis Wilson for achievement in membership percent overbase and numerical overbase during July. The Jaycees also presented President Wilson with their second internal Extension of the Year, (growing by at least 12 members in 1 month), and external extension, the Throckmorton Jaycees, who were formed only this past week, with help from the Haskell Jaycees, with 21 members. Haskell Jaycees were also recognized as being the first chapter in the state to "Triple Up" in membership since May.

Individual Awards in Competition were won by Thurman (Bud) Howeth, Jr. with 2nd place finishes in Leadership Dynamics and Personal Dynamics competition, and 3rd place in "Fast Timers" competition. Jake Dusak, Jr. won 2nd place in Armbruster Competition, for Jaycees over 1 year.

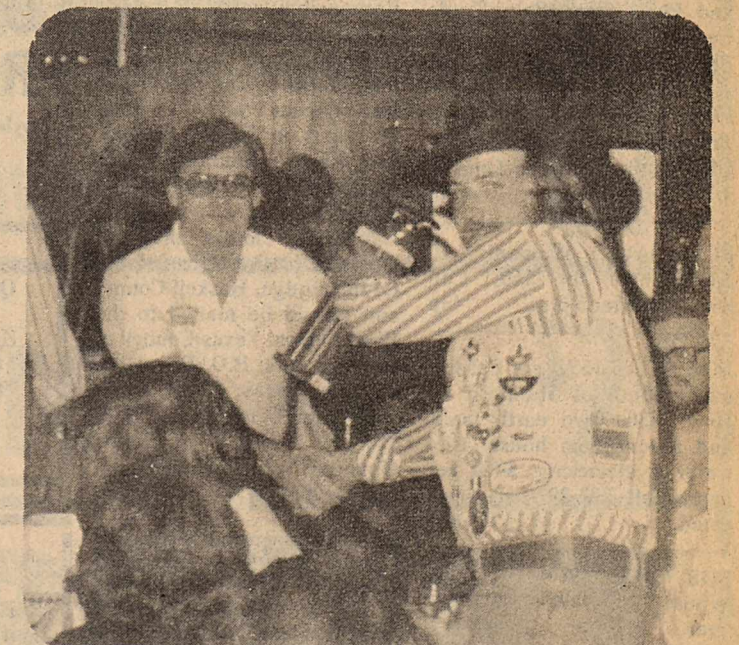

Special awards of white cowboy hats were given to Don Comedy, Bo Owens and Charles Thornhill for outstanding performance in the area of membership growth by Regional Director, Lynn Smith of Snyder, making them charter members of the "Good Guy White Hat Gang" of Region I-C, Texas Jaycees.

District Director, Bo Owens, received recognition from President Wilson for membership percent overbase and numerical increase for the month of July, and leadership areas of growth and retention, and was named outstanding District Director of Region I-C.

Charles Thornhill was recognized as Outstanding Local President of Region I-C. A total of 21 Jaycees and Jaycee-ettes attended the convention from Haskell. Those attending were: Jim Pace, Ricky Lee Andress, Jack

Rueffer, Terry Joe Brugge-man, Mike St. John, Bud Howeth, Bo and Diane Owens, Charles and Laura Andress, Charles and Louise Thornhill,

Gwynn and Carla Butler, Gene and Doris Butler, Bill Trammell, Mike Jordan, Eddie and Cindy Hester, and Jack Martin, Jr.

HASKELL JAYCEES received both individual and club awards last Saturday at the Regional Jaycee convention in Abilene. Here Jim Pace accepts the travel trophy from State Jaycee President Elvis Wilson. The trophy is awarded to the club with the most man miles at the convention. The Haskell Jaycee-ettes also won numerous awards at the convention. (Staff Photo)

WARNING

A black and white calf was lost from a trailer recently on FM 2163. The hide was found later and the person or persons who butchered the calf are urged not to eat the meat. The calf had been given medication for several days and eating the meat could be very hazardous or fatal.

Obituaries
Mrs. Lackey

Funeral services for Mrs. John Lackey, 92, of Haskell were held Oct. 24 in East Side Baptist Church in Haskell. The Rev. Jimmy Griffith, pastor, officiated. Burial was in Willow Cemetery under the direction of Holden-McCauley Funeral Home.

Mrs. Lackey died in Haskell Memorial Hospital Oct. 23 at 1:45 a.m.
Born Nov. 8, 1885 in Milam County, she married John M. Lackey in Taylor County in 1902. He preceded her in death January 1943. She moved from Taylor County to Haskell County in 1903. She was a housewife and a member of East Side Baptist Church.

Survivors include three daughters: Mrs. W.L. (Gladys) Davis of Morton; Mrs. Beno (Opal) Andress of Haskell; and Mrs. Cliff (Lois) Nicholson of Clovis, N.M.; four sons: Cecil B. of Haskell; R.J. of Ft. Worth; J.M. and L.R. both of Irving; two sisters: Mrs. Sterling (Willie) May of Ft. Worth; Mrs. Homer (Faye) Allen of Cameron; and one brother, W.E. (Dick) Andrews of Haskell; 31 grandchildren, 63 great grandchildren and 30 great great grandchildren.

Pallbearers were Ben McGee, Odis Smith, Frank Jenkins, John Bartley, J.B. Kirby, and John Larned.

Special Guests Visit In Frank Cadenhead Home

Mrs. Koji Ishikawa and her three year old daughter, Utako (Melody), have been visiting in Haskell and the Frank Cadenhead home this past week. Mrs. (Susie) Ishikawa and Melody came to Haskell from Barrington, Illinois, where they visited friends of Susie's school years in the United States.

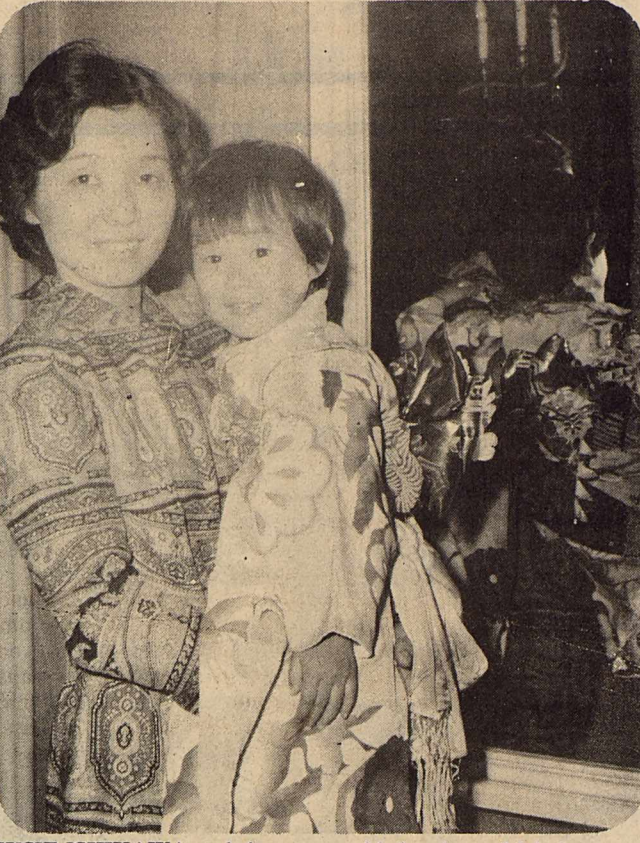

While at the University of Illinois in Chicago, Susie became a Christian. She transferred to Wheaton College, near Barrington and spent much time in the home of Mr. and Mrs. Harry Dickelman of Barrington. After she received her BA degree in English from Wheaton College, Susie became a member of the Campus Crusade for Christ in 1967.

Koji Ishikawa, Susie's husband, spent several months visiting in the Cadenhead home in Haskell the winter and spring of 1967. After leaving Haskell, Koji visited in Kansas and Nebraska. In Nebraska, a new Christian friend led him into an interest in the Campus Crusade for Christ and he attended seminars of the organization in Arrowhead Springs, California. It was there that he and Susie first met the summer of 1967.

The Crusade work led them on separate paths until 5 years later when they renewed an old acquaintance in the Great Commission Training Center in the Philippines. They were married in Tokyo, April 20, 1974. Melody ("Her father named her from Ephesians 5:19," says Susie.) was born February 25, 1975.

After many years of leadership in the Campus Crusade for Christ in Japan and Korea and through a close and personal involvement with a local church in Tokyo, in the spring of 1975, Koji was led into the pastorate of the Akabane Bible Church in the northern part of Tokyo. From a small beginning of six members meeting in the home, the church has grown to forty members and owns its own church building.

As Susie planned her trip to America, it was Koji's wish that she include Haskell on her agenda so that she might meet, personally, the "fine people of Haskell" who had encouraged and nurtured him as a new Christian.

SUSIE ISHIKAWA and three year old daughter, Melody, were visitors in the Dr. Frank Cadenhead home this week. They will leave Haskell this morning for their home in Japan. Melody's Kimona and Obi Sash were made by her grandmother. (Staff Photo)

Sagerton News

There will be a large number of Sagerton kids in the Rule Annual Queen contest coming up. Queen and Princess candidates include Kimberly Diers, Rene Toney and Susan Swafford. Emmalee Bivins will be a flower girl. Charles New, Angel Macias and Carl Stegemoeller are escorts for their respective classes.

Several of our kids will be introduced as personalities of Rule High School during the contest. Carl Stegemoeller and Lisa DeBusk were voted the "Most Friendly" at RHS. The other nominee is Tony Carter, the grandson of Mr. and Mrs. Alvin Bredthauer.

Karla Kupatt will be introduced as the sophomore class favorite and Lisa DeBusk as the FFA Sweetheart. As usual the Sagerton kids are well thought of and quite an asset to the Rule schools. We wish them the best of luck.

August Balzer is now home and doing well after undergoing surgery recently. Mr. and Mrs. Larry Cornelison of Lewisville have been here this past week visiting him.

Several ladies from the ALCW of Faith Lutheran Church attended an all-day district meeting at Haskell Saturday. They include: Lillian Neinst, Alice Bredthauer, Frieda Knippling, Louise Stegemoeller, Adella Nierdick and Lisa Ritter.

Jill LeFevre was a Sunday

dinner guest in the home of Mr. and Mrs. Delbert LeFevre. Kraig Kupatt and Clyde Stegemoeller, students at Western Texas College and Texas Tech University, were home for the weekend.

Last Thursday night, Mr. and Mrs. Delbert LeFevre attended the McMurray-Ranger Jr. College football game in Ranger. They were accompanied by Mr. and Mrs. Gary Laughlin of Lamesa. The Laughlins spent the night with Mrs. Cliff LeFevre and ate Friday breakfast with her.

Congratulations to Mrs. Alvin Ulmer who has been selected as a nominee for Club Women of the Year for the Haskell County Home Demonstration Clubs. She has been a member of the L.O.C. Club for 7 years and has served as secretary-treasurer, council delegate, and has served on the county finance committee. She is an active member of the Sagerton Methodist Church, and has been involved in all of our community activities. As the saying goes "behind every good man is a good woman." She is the woman behind Alvin Ulmer, a strong and respected leader in our community. Alvin takes on many unwanted jobs, perhaps the most important one being the chairman of the Sagerton Water Supply Corporation. Everyone will agree that both of these fine citizens will always do more than their

part. The quarterly conference of the Sagerton Methodist Church was Sunday, October 15. Brother Gerald Sharp, the district superintendent from Seymour brought the sermon and conducted the meeting. Donald Holt of Lubbock and Mr. and Mrs. Fred Morgan of Hobbs, New Mexico have been visiting James and Eunice Gellner.

Mrs. Emma Lammert and Mrs. Alvin Holle, former residents of Sagerton currently residing at Rice Springs Care Home in Haskell, visited with Mr. and Mrs. Alvin Bredthauer and Mrs. Lillie Lehrmann last weekend.

Women of the Sagerton United Methodist Church met Wednesday, October 11, at the church. Frances Clark conducted a study on the topic "Faith". The meeting was held and the ladies decided to sell linen calendars to aid the building fund.

Recent improvements at the Methodist Church include the new restroom that was recently added. Perhaps now, the call of Mother Nature during services will not present such a problem.

The L.O.C. home demonstration club will enjoy a covered dish luncheon on the second of November in the home of Mrs. Lorene Hanson. The event is scheduled to start at 12:00. Mrs. J.A. Hertel and Mrs. F.A. Ulmer will present a program on selecting cookware.

Get well wishes go to Mrs. Rosie Stremmel who is a patient in the Stamford Memorial Hospital. We wish her a speedy recovery.

Mr. and Mrs. Herbert Stremmel went to Dallas last week and picked up their little granddaughter, the girl's parents were ill so the Stremmels will be keeping her for a while.

Lynn Fouts from Texas Tech University was home visiting with her parents this weekend.

Hertel Ceramic Shop is now at a new location. The gift shop is located right next to the home of Mr. and Mrs. J.A. Hertel. Mrs. Hertel has a wide variety of gift items including Ceramics, greenware, and beautiful hand-painted plaques.

American Ag News

BY BETTYE McBROOM

The following advertisement appeared in the April 10, 1978, issue of THE WASHINGTON POST, and is used by written permission.

America Has A Balance of Payments Problem...With The Farmer.

Every year the American farmer puts a major investment, a considerable risk, and a large measure of hard work into producing a crop. But when he goes to market with his products, what happens? He sometimes shows a "trade deficit," more often a trade-off, and all too seldom a reasonable profit.

Something is wrong. The American public has a balance of payments problem with the people who put the food on our table. We simply aren't paying them quite enough for it, and the situation could become critical for two reasons.

First, reduced profits will cause some farmers to cut

back production and others to go out of business. The predictable result will be skyrocketing grocery bills for everyone.

Second, and equally important, we need continued high farm production to provide enough food for export. Overseas trade deficits are rising, and sapping the strength of the American dollar. The more oil we have to import, the more food we ought to export. Even today, agriculture is one of the few categories on the plus side of our international balance sheet-to the tune of a \$10 billion surplus in 1977.

What's the answer? Certainly one answer is increased agricultural exports. We need stronger & bigger efforts and a higher investment in promoting and marketing the food we produce; this will help pay for the oil we need while establishing firm and fair farm prices at the same time.

Then, with the expectation of a reasonable return, farmers will continue to invest the capital and labor necessary to maintain the high productivity so vital to our economy.

In the interest of better understanding about the American farmer and his

impact on our lives and our economic future, as individuals and as a nation, this message is brought to you by Massey-Ferguson Inc., Des Moines, Iowa 50315. American Agriculture Movement appreciates the good advertisement for the

American farmer through THE WASHINGTON POST by Massey-Ferguson Inc. We thank them for their backing for better prices, and especially their helping to educate the consumer as to the real reason for the low prices the farmers are receiving.

Howard, Escobedo Wed

Louisa Leanora Escobedo and Hollis Wayne Howard were married Saturday, October 21, at 3:00 p.m. at St. George Catholic Church with the Rev. Stephen White officiating.

The bride is the daughter of Mr. and Mrs. Fidencio Escobedo and the bridegroom is the son of Mr. and Mrs. J.W. Howard.

MRS. HOLLIS WAYNE HOWARD
...formerly Louisa Leanora Escobedo

The bride, given in marriage by her father, wore a formal gown of candlelight miramist chiffon polyester over taffeta. The empire bodice paneled with French chantilly lace was fashioned with a mandrin lace collar. The long full sleeves with insets of lace were cuffed with lace. The a-line skirt with back fullness was fashioned with lace at the waist line and paneled the skirt that flowed to a chapel train. Matching lace circled the hemline.

Her lace covered camelot cloche held the chapel veil of silk illusion, which was circled with matching lace. She carried a bouquet of white roses with Baby's breath and English Ivy. The traditional something old and borrowed was a necklace belonging to her aunt, Dora Lopez. Something new were her earrings, something blue, her garter and she wore a sixpence in her shoe.

Guests were registered by Gail Ann Allmon, sister of the bridegroom. Wedding music was furnished by Patricia Arrendondo.

Kevin Allmon, brother-in-law of the bridegroom, read a portion of Scripture from I Corinthians 13. The bride's sister, Cynthia Parker of Amarillo, served as Matron of Honor. Bridesmaids were Teresa Howard of Wylie, cousin of the bridegroom, and Gena Lopez of Lubbock, cousin of the bride. The attendants wore identical sundresses in apricot sheer silesta polyester. The fitted bodice held by spaghetti straps were topped with a removable capelet, held with self bows on the shoulders and finished with fluted type stitching. The a-line full length skirt fell to a full drape in the back. The bridesmaids carried identical bouquets of apricot colored carnations.

Royce Meier served as Best Man. Groomsmen were Johnny Lancaster of Canyon, and Danny Miller of Houston. The groomsmen and ushers wore brown tuxedos with huge ruffled shirts. The bridegroom's tuxedo was in a lighter shade. The boutonnières were apricot colored carnations and the bridegroom's was a white rose. Ushers were brothers of the bride, Nati Escobedo and Jackie Escobedo, and Leonard Howard, brother of the bridegroom.

The reception was held in the Haskell Bank Community Room. The rehearsal dinner was hosted by the parents of the bridegroom at their home on Friday, October 20.

The bride is a graduate of Haskell High School and is employed by the Haskell School tax office.

The bridegroom is also a graduate of Haskell High School and is employed by Bobby Hanson Paint & Body Shop.

After a wedding trip to Corpus Christi, the couple will live in Haskell at Route 2, Box 515.

Rev. and Mrs. J.C. Amburn

Amburns Celebrate 25th Anniversary

It was on October 18, 1953, that J.C. Amburn and Nell King began their life as Rev. and Mrs. J.C. Amburn. During this time the Lord has filled their lives with many blessings, among which are their two daughters, Olivia and Brenda, and one son, Noel.

The Amburns have sown the seeds of faith where they have lived. Among the fruits of their ministry is the beautiful new Assembly of God Church in Haskell.

It was in the Fellowship Hall of this Church that their children and the members of their congregation helped them to celebrate their 25th wedding anniversary on

Shower Honors Miss Escobedo

A bridal shower honoring Louisa Escobedo, bride elect of Hollis Wayne Howard, was held October 17, at the Haskell National Bank Community Room.

Liz Reynolds registered guests.

In the receiving line with the honoree was her mother, Mrs. Fidencio Escobedo, the groom's mother, Mrs. J.W. Howard, his great grandmother, Mrs. Claudine Chapman, and grandmother, Mrs. William Hollis Howard. Another grandmother, Mrs. Wayne Carlton of Stamford also attended.

The chosen color of apricot was carried out in the decorations with the serving table cloth in apricot with white net and lace over laid. Punch, decorated white cake squares, nuts, and mints were served by Charlotte Peiser and Pat Grand.

Hostesses for the occasion were: Mrs. Alline Bredthauer, Janis Browning, Janis Brzozowski, Pauline Dick, Irma Escobedo, Heneritta Fischer, Pat Grand, Geraldine Hise, Eunice Koehlor, Ladell Opitz, Patsy Sams, Roxie Parker, Charlotte Peiser, Erna Peiser, Lil Peiser, Janis Payne, Liz Reynolds, Elvira Schmidt, Ann Young, and Frances Weise.

Wilson, Lacy Repeat Vows

On Saturday Oct. 7th at 3:00 p.m., St. Paul United Methodist Church was the setting for the marriage of Tena Ann Lacy and John Michael Wilson. Officiating the double ring ceremony were the Rev. Tommy Nelson and the Rev. Bob Chandler.

Jim Lacy, Midland and Annie Claude Hall Lacy, of Las Vegas, Nev. are the parents of the bride. Mike's parents are Mr. and Mrs. John Mac Wilson, Midland.

Grandparents of the bride are Alvin Hall, Haskell and the late Mattie Payne Hall. Step-grandmother is Nialene Hall. Mrs. Johnnie Montgomery, sister of the bride, was Matron of Honor. Bridesmaids were Leah Fowlkes, Lubbock, Jenny Kelly, of Tulsa, Okla., and Kim Collins of Abilene. Robert Strom of Weatherford, Okla., uncle of the bridegroom, was Best Man. Groomsmen were Mitele Wilson, brother of the bridegroom, Curt Denny, and Terry Edwards.

Steve Spain was organist with Mrs. Johnnie Montgomery and Mrs. Susan Brown soloist.

Presented in marriage by her father, the bride wore a gown of white sheer organza designed with a molded bodice and bishop sleeves. Wide lace and ribbon covered the front and back bodice, waistline, cuffs, and encircled

the sleeves. The long chapel length skirt was edged in matching lace. Her two-tiered veil was held by a camelot cap. She carried a cascade of waburn abby roses, stephanotis, apricot kalanchaes and

Baby's breath. Reception was held in the Fellowship Hall. After a wedding trip to Ruidoso, New Mexico, the couple will be at home at 2101 W. Washington, Midland.

Young Homemakers Hold Meeting

Monday night, October 16, Young Homemakers met at the cottage for their regular monthly meeting. The program, "How To Protect Yourself From Attack," was presented by Wendell Rehm, an officer from the Abilene Department of Public Safety. Officer Rehm's slide presentation was very informative and posed situations that women should be cautious of. Many helpful and useful tips were given on ways women can prevent and protect themselves from attack.

Following the program a club auction was held. Craft items, made and donated by each member, were sold to fellow club members as auctioneer Shirley Sloan conducted the sale. \$200 of the proceeds were donated to the Haskell Jaycees to help pay for the new Christmas lights.

Refreshments and decorations followed the Halloween theme. Hostesses were Shirley Sloan, Louise Thornhill, Brenda Jones, Mary Walling, and Susie Pond.

John Hill calls for state tax freeze

"Our state taxes in Texas are among the lowest in the nation, and I want to keep them there. As I've said many times, I'll veto a tax increase before the ink dries on the bill."

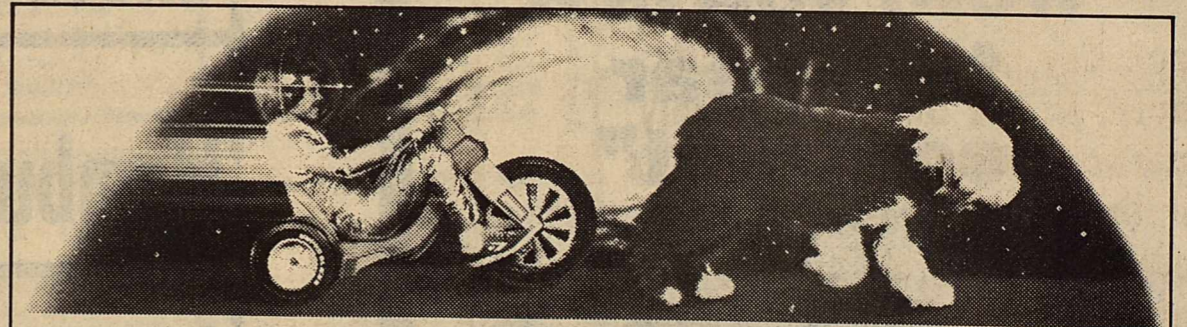

As Attorney General, John Hill proved he could increase the efficiency of his office without any unnecessary budget increases. He absorbed a three-fold increase in his office caseload by hiring top legal talent capable of higher productivity. The result: his staff lawyers doubled their average workload, and the increased court judgments and enforcement of civil penalty laws returned \$25 for every \$1 of state funds spent on his office.

As Governor, John Hill will insist on this same type of increased productivity for all state agencies. He will institute new controls over federal funds, demand that we follow our "pay-as-you-go" budget policy, and use zero-base budgeting to eliminate unneeded programs before any new programs are added. And he'll block any state tax increase — there won't be any new taxes under John Hill.

How long can you depend on Lone Star for natural gas service?

- 10 Years 20 Years 50 Years
 More Than 50 Years

"Natural" is the key word in question. Unless regulatory price limitations make the development of new gas fields unprofitable for this area's producers, it will be many years before natural gas supplies run short for our million-plus priority customers.

The good news, however, is that these "natural" reserves can be supplemented with enough synthetic gas to keep Lone Star in the gas business for the next 50 years. And beyond. Lone Star has weathered too many storms in the last 69 years to shy away from the challenge of the energy future. We know what must be done to meet that challenge, and we'll meet it.

The groundwork is done.

There are excellent reasons for optimism. Foremost of these is the fact that 50% of the known onshore gas reserves in the United States are in areas where Lone Star already has pipeline systems in operation.

The energy outlook becomes even more promising when you consider the enormous, long-term potential of the gas fields under development in Texas' Gulf Coast waters. Lone Star is already buying some offshore gas. And we intend to buy enough of it to satisfy our customers' demand as it becomes available in volumes large enough to be gathered efficiently and economically.

Lone Star's ability to take delivery of new natural gas reserves as they are developed gives us an outstanding opportunity to buy our

area's fair share—enough gas to last our customers for many years.

Whether we can take advantage of this opportunity depends mostly on whether we'll be allowed to recover our actual costs on a timely basis.

Without the ability to pay our gas bill, earn a reasonable rate of return on our investments and recover our operating expenses, we will be unable to continue an aggressive supply program in time for it to be really effective.

There is no shortage of natural gas.

There's only a shortage of the low-priced, easily accessible gas that nearly everyone took for granted in years past.

If gas producers are given incentives to continue their risks in exploring for deeper, more inaccessible reserves, there is little reason for our high-priority customers to face natural gas shortages until we're deep into the 21st century.

After that, the future for gas energy still looks good. The technology for gasifying coal is a fact, not some fantasy of the future. And our nation has enormous coal deposits.

Converting it into gas makes sense. Because gas burns clean and doesn't pollute. It also makes economic sense, because this gas can be distributed through the pipeline system we have, and the families who have gas appliances can keep right on using them.

How long can you depend on Lone Star for gas service? We intend to make sure your children's grandchildren can depend on us.

Lone Star Gas Company
We're working energetically for your area's future.

400 Attend Appreciation Dinner

Over 400 people attended the John Connally-Bill Fisher Appreciation Dinner Tuesday night, October 17th. The event, billed as "An Evening of Political and Musical Entertainment" featured three musical groups and three political speeches.

Connally was introduced by Jack Cox, who was Connally's Republican opponent for governor in 1962. Connally, responding to his introduction, told the crowd "We didn't come here to talk about me, but about Bill Fisher."

Connally said through his travels he sees that the people lack confidence in government. "They are concerned," he said, "about inflation, taxes, the bureaucracy, budget spending and deficits." He pointed out that the President was not totally at fault. The blame, he said, goes to the Congress that has been controlled by Democrats for all but two sessions since 1931.

Governor Connally said he did not know Fisher's opponent and he did not need to. "I'm sure he's a nice man and a good farmer," he said, "but we need good farmers to farm." Connally added that Stenholm should not be elected to Congress for any reason because "what we don't need is more Democrats."

In his speech, Fisher said he is "tired of promises" from Democrats including his opponent. He echoed Connally in saying there is a need for Republicans to "change the complexion of Congress." Fisher added that Stenholm is definitely committed to supporting and working with the liberal Democrats in Congress including "Tip" O'Neill and Jim Wright.

There will be a musical at the Legion Hall in Rochester Oct. 28, at 7:30. Everyone is invited to attend.

Letters To The Editor

(EDITORS NOTE: The Haskell Free Press will publish letters to the Editor dealing with any subject. All letters must be signed but names will be withheld by request. All letters are subject to editing for length and liability.)

Dear Editor,

With the elections due soon we are being exposed to a lot of television & newspaper advertisement by the respective candidates. Since we live in a conservative region they all seem to say the same thing. Lower taxes, right-to-work, less government, reduce spending, etc. is the slogan for all.

With this in mind I compared the National Platforms for the two major parties to see if there was a difference. What follows is a summary of that comparison:

- | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>DEMOCRATIC Inflation
Direct Government involvement in wage and price controls.</p> <p>Jobs
Government has responsibility to provide all Americans opportunities for jobs.</p> <p>Health Care
Support a mandatory National Health Insurance program financed with tax dollars.</p> <p>Welfare
Federalize all welfare and provide a guaranteed annual income for the poor.</p> <p>Labor
Seek repeal of Section 14(b) of the Taft-Hartley Act and the States right-to-work laws.</p> <p>Energy
Oppose deregulation of natural gas prices.</p> <p>Gun Control
Support Gun Control.</p> | <p>REPUBLICAN Inflation
End deficit spending and oppose wage & price controls.</p> <p>Jobs
Help business expand and oppose massive federally funded public-employment programs.</p> <p>Health Care
Support catastrophic illness protection and oppose national health insurance.</p> <p>Welfare
Oppose federalizing welfare programs and oppose the guaranteed annual income concept or any program that reduces the incentive to work.</p> <p>Labor
Support the right-to-work laws which provide a worker need not join a union to hold a job.</p> <p>Energy
Immediately eliminate price controls on oil and new gas.</p> <p>Gun Control
Oppose Federal regulation of Firearms.</p> <p>Education
Oppose forced busing.</p> <p>Agriculture
Oppose government controlled grain reserves and guarantee farmers access to world markets.</p> <p>Prayer in School
Support a constitutional amendment to allow non-sectarian prayers.</p> <p>National Defense
Support a national defense posture second to none.</p> |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

It is interesting to note, on the above comparison, the following:

- 1) The Democratic Party of the 1930's has moved to the left so far it is dangerously close to socialism.
- 2) Democratic candidates who favor right-to-work, less government, oppose National Health Insurance, etc. Do not favor the National Platform of their party.
- 3) The Republican Party, which is the minority party in Texas, seems to reflect our conservative views.

President Carter has recently said the policies of the Democratic Party are outlined in their national platform. How much more of these policies, can we stand?

STARTING SCHOOL... A BIG STEP FOR CHILD AND PARENTS

You can do a number of things to get your child off to a good start in kindergarten:

1. Arrange for an appointment with your family physician or local health clinic to receive required immunizations before starting school. His vision should be thoroughly tested and he should have a dental examination, too.
2. Attend a planned get-acquainted program or kindergarten roundup before your child is to begin school. This allows you and your child to meet the teacher, and it gives the child a "pre-view" of the world that awaits him.
3. Walk with your child to the school building a few times before the school year begins. Stress safety.
4. Review with your child his name, address and telephone number. Even if he knows them perfectly.

In spite of all his enthusiasm, your child may have a few misgivings about starting school. Encourage him to talk about school and ask him if there are things he has questions about.

Teachers care about kids. Help them. Get involved in your school.

Mary Sorrells Putnams Visit Methodist Home Is Certified Assessor

Mary Sorrells, Assessor-Collector for Haskell, ISD, has been designated as a certified Texas Assessor by the Board of Directors of the Institute of Certified Texas Assessors, the professional organization of the Texas Association of Assessing Officers.

The achievement of this designation of "CTA" represents years of work and study. There are only 334 active certified assessors in the state of Texas, and this designation is recognized by the legislature of the State of Texas.

The objectives of this institute are to develop the profession of assessing, establish and maintain standards of performance, and provide education for its members.

These active tax assessors strive to give fair and equal assessments throughout their communities.

The Rev. and Mrs. James Wm. Putnam of Haskell, were among some 225 Methodist who recently attended the Commissioners Meeting on the Methodist Home Campus in Waco.

Commissioners are a group of men and women in Texas and New Mexico who go to the Home each October, then return to their own homes and "tell the story" of the multi-faceted child-care program.

Purpose is to help in promoting the annual Decem-

ber Christmas offering, an integral part of the budget needed to pay the costs of caring for some 400 children on the main campus, at the Guidance Center, at Methodist Boys Ranch, in foster homes and those in the college-work program.

Now one of the country's

outstanding child-care centers, Methodist Home was founded in 1890. Since then, hundreds of Methodist Home children have grown into productive citizens, now occupying important roles in business, medicine, law, social work, education and other areas.

Branding with confetti is making things rougher for grain thieves. Grain producers are picking up the old practice of marking small slips of paper with identifying numbers and mixing the confetti with their stored grain crop. According to producers who have been using the confetti method for some time, it takes only about seven pounds of the paper to adequately mark and identify 50,000 bushels of grain. Although the small slips of paper are virtually impossible for thieves to separate from the grain, mill operators report they have no problem in removing the confetti during their washing process. Agricultural authorities in areas where the grain identification program is used extensively report a remarkable decline in the number of grain thefts.

YOUR JACUZZI DEALER!

Remember that car you bought, thinking you couldn't afford a better one? Remember how often it was in the garage, wasting your time and money? You wished you had spent a little more to begin with, didn't you?

Well, remember all that when you're buying a water system. It works the same way. Jacuzzi equipment may cost a few dollars more than some of the racy little stripped-down models, but Jacuzzi builds quality and dependability into it. That way you never wind up paying more for repairs than you did for a pump.

So, if you're buying a water system, see us. You could buy a cheaper system, but it would cost you more!

Fields Home Now Open As Museum

On the ninetieth anniversary of her birthday, friends of Florence Baldwin Fields, and members of the disbanded Haskell Magazine Club, met at the Fields home at 401 N. Ave. E. Mrs. Fields died April 3, 1975 and left recorded in her will, a desire to have her home

preserved in a Museum of fine living.

Restoration of the house was recently completed under the direction of Peggy Vaughter, trustee, and the museum is now open to the public each Tuesday and Saturday from 2 to 5 p.m. The museum will also be shown by appointment to school groups and

Stenholm To Visit Haskell Oct. 31

A bus caravan loaded with supporters of Charles Stenholm for Congress will visit Rule, Haskell and Rochester Tuesday, Oct. 31. The bus will be met by local Stenholm volunteers when it arrives in each town. The visit has been arranged by Bruce Campbell of Knox City, area coordinator, and Lennis and Ann Tibbets of Rochester, Haskell County coordinators for Stenholm.

The Stenholm group is due to be in Haskell at 12:45 at the city park.

Stenholm and his wife Cindy will accompany the group of volunteers meeting the people, answering questions and passing out campaign literature concerning Stenholm. Stenholm is the Democratic nominee for the 17th Congressional District.

Stenholm, a farmer-businessman from Stamford, won the Democratic nomination in a landslide, two to one victory in the June 3 runoff. He is seeking the post being vacated by retiring, veteran legislator Omar Burleson. Burleson has endorsed Stenholm as "his successor" on numerous occasions.

Stenholm, 39, has based his campaign on seven major issues facing America: inflation, agriculture, paperwork, energy, free enterprise and defense. "The direction of our country must be changed," states Stenholm.

"Government spending must be reduced. Taxes must be cut substantially to provide private investment capital. The Federal budget must be balanced," Stenholm has repeatedly told his followers.

Public Hearing Set For Oct. 28

A special regional Blue Ribbon Education Committee appointed by Democratic gubernatorial candidate John Hill will hold a public hearing on Saturday, October 28, 1978, beginning at 9:15 a.m. at the Evans Junior High School Cafeteria, Lubbock. The Committee is composed of members spread across a 20-county area bounded by Cochran, Yoakum and Gaines Counties on the West and Knox, Haskell and Jones Counties on the East.

The purpose of the hearing will be to get citizen input from both educators and non-educators alike concerning their sentiments on various education issues facing the upcoming Legislative Session. Seventeen other regional committees are holding similar hearings between now and mid-November.

The regional committee is chaired by Lubbock attorney, Byrnie Bass. Other committee members are Kenneth Sams of Haskell, Janelle Sullivan of Seminole, Bill Hartsfield of Snyder, Ben Bryson of Lamesa, Glenna Lane of Lubbock, Ed Irons of Lubbock, Dean Andrews of Lorenzo, Glen Hunt of Idalou, Lubbock attorney and School Board President Charles Waters, Sue Duncan, Lubbock, Joyce Hill of Lubbock, Eric Swenson of Spur, Mrs. Jerry Beth Shannon of Ropesville, Gerald Rogers of Lubbock, Dr. Delwin Webb of Abernathy, J.C. McClesky of Slaton, Foy Flood of New Deal, Don Taylor of Roosevelt, and Alex Fincher of Aspermont.

clubs. The first special showing was held for members of the Haskell Magazine Club. The club disbanded in 1973. The Club was federated in 1903 and during the seventy years of existence, Mrs. Fields was one of the biggest supporters of the club. She was State Federation president in 1927-28.

The decorations and furnishings of the house are all original and include such things as oriental rugs, antique furniture, vases, crystal sets, and other miscellaneous pieces collected during a lifetime of travel around the

world.

Also displayed is a set of hand painted china, which Mrs. Fields painted before her marriage to J.U. Fields in 1910.

Mrs. Fields belonged to the Daughters of the American Revolution and on display are many awards, certificates and pins. A scrap book on display contains documents dating as far back as the early 1800's.

Mrs. Fields came to Haskell in 1907 to teach after attending the University of Texas for two years. During her lifetime in Haskell she was active in all aspects of the community. She wished to

preserve her home, furnishings, and personal belongings so that future generations could view a portion of the past.

The house was built by Mr. Fields father who was a building contractor in Haskell. The couple moved into the house in 1910 and are the only family ever to live in the house.

Mr. Fields died in 1951 after a long career as a merchant and farmer.

Volunteers who would like to stay at the museum during the hours of 2 to 5 p.m. on Tuesday and Saturday should contact Peggy Vaughter.

Hill Campaign To Be In Haskell Oct. 31

The John Hill campaign for governor will take its warnings of the Republicans' attempt to buy the governor's race to more than 300 cities and towns during October 30-November 3 as 10 John Hill whistle-stop caravans travel around the state.

The caravan going through this part of the state will begin in Wichita Falls October 30 with stops in Burkburnett, Iowa Park, Holliday, Mankins, Electra, Harrold, Oklaunion, Vernon, Lockett, Thalia, Crowell, Benjamin, Knox City, Rule, and Haskell. October 31 stops include Stamford, Throckmorton, Fort Griffith, Albany, Breckenridge, Moran, Cisco, Cross Plains, Baird, Clyde, and Abilene.

The caravan will be led by Mike Perrin, Hill's son-in-law who is an attorney in Houston.

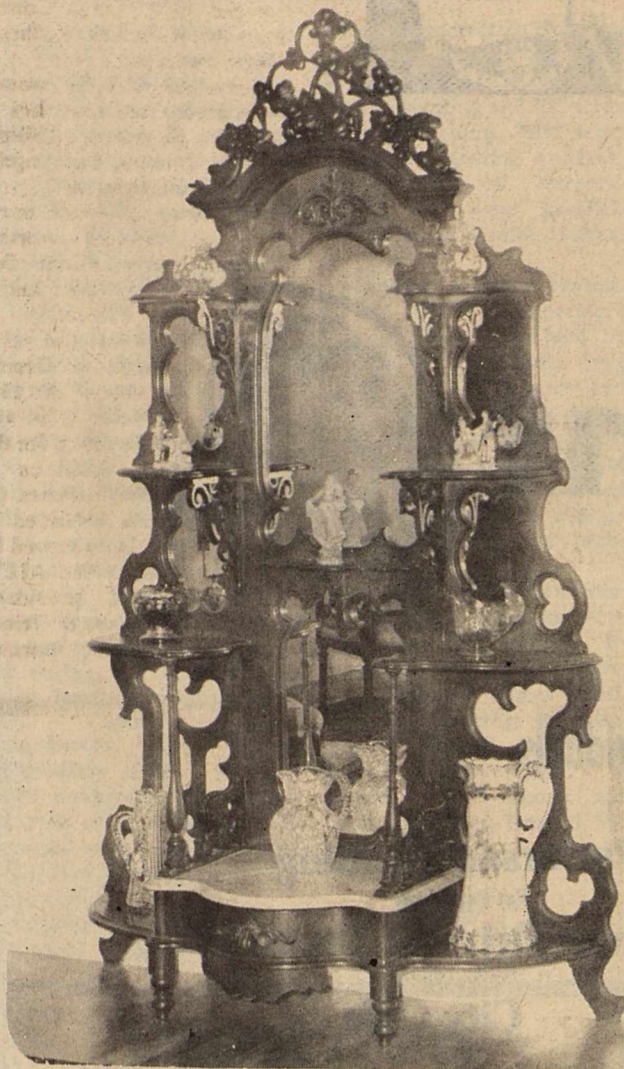

The message these caravans will be taking to the voters during the final week of the campaign will be a warning that the Republicans

are trying to buy the governor's race," Hill said.

"Bill Clements will end up spending more than \$7 million to lose this race for governor. That's something nobody else has ever done in the history of our nation."

"This election has turned out to be a test of the Republicans' theory that the reason they have been losing elections in Texas governor's races for more than 100 years is their lack of a well-financed campaign. This year, they set out to overcome that problem by choosing a candidate who pledged to spend whatever it takes to win."

"What the Republicans failed to realize is that money cannot buy credibility with the voters, and Bill Clements has no credibility. He has no state government experience; he has never run for political office in Texas before; and the only government job he's ever had was a political patronage job he got through the Nixon-Agnew administration in Washington."

ON DISPLAY in the Fields Museum is this set of hand painted china. Mrs. Fields painted the china sometime before she married J.U. Fields in 1910. Groups who would like to tour the museum should contact Peggy Vaughter for appointment. (Staff Photo)

Public Hearing Set For Oct. 28

A special regional Blue Ribbon Education Committee appointed by Democratic gubernatorial candidate John Hill will hold a public hearing on Saturday, October 28, 1978, beginning at 9:15 a.m. at the Evans Junior High School Cafeteria, Lubbock. The Committee is composed of members spread across a 20-county area bounded by Cochran, Yoakum and Gaines Counties on the West and Knox, Haskell and Jones Counties on the East.

The purpose of the hearing will be to get citizen input from both educators and non-educators alike concerning their sentiments on various education issues facing the upcoming Legislative Session. Seventeen other regional committees are holding similar hearings between now and mid-November.

The regional committee is chaired by Lubbock attorney, Byrnie Bass. Other committee members are Kenneth Sams of Haskell, Janelle Sullivan of Seminole, Bill Hartsfield of Snyder, Ben Bryson of Lamesa, Glenna Lane of Lubbock, Ed Irons of Lubbock, Dean Andrews of Lorenzo, Glen Hunt of Idalou, Lubbock attorney and School Board President Charles Waters, Sue Duncan, Lubbock, Joyce Hill of Lubbock, Eric Swenson of Spur, Mrs. Jerry Beth Shannon of Ropesville, Gerald Rogers of Lubbock, Dr. Delwin Webb of Abernathy, J.C. McClesky of Slaton, Foy Flood of New Deal, Don Taylor of Roosevelt, and Alex Fincher of Aspermont.

STEVE MUNDAY
Steve Munday
Appointed TSCRA
News Director

Steve Munday has been appointed to the new post of news directors for the Texas and Southwestern Cattle Raisers Association, announces Secretary-General Manager Don C. King. As news director, Munday will be responsible for all news releases, media relations and promotional materials for the Association.

The Association plans an intensive membership awareness program and, in the connection, he will also edit an Association newsletter to be published bi-weekly, King says.

In making the announcement, King said that Munday's extensive background and experience in the news reporting and journalism fields gave him excellent qualifications for heading up the new position. Munday is a long-time employee of The Cattleman magazine, the official publication of TSCRA.

Jaycee & Jaycee-ettes Happenings

How great it is to be #1, as we will soon be in the state of Texas. Haskell Jaycees and Jaycee-ettes did an outstanding job at the Region I-C Convention in Abilene. Thanks to all of you for going and helping.

Welcome new members to the Haskell Jaycee & Jaycee-ettes. Its really good to see so many young men and women interested in seeing things happen in Haskell County.

The Halloween Carnival is ready to go—we will be working Thursday night, Sunday afternoon, and Monday night, (dress rehearsal). See Cora Proctor and come and help. We need YOU!!!

Jaycee-Jaycee-ette Costume Ball Saturday night, Oct. 28 at the American Legion Hall. Music by Clear Fork

Band, admission \$5.00 couple. Come, dress up in your favorite "ghostly" costume, (not mandatory) and enjoy yourself.

Haskell County Jaycees-ettes will be in Lubbock Saturday for judging in record book competition. No doubt they will come away as big winners. Thanks to all who helped in signing up members at Throckmorton, making them the newest Jaycee Chapter in Texas, with 21 members.

"Sweet is the taste of victory", and after the convention in Abilene, you Jaycees & Jaycee-ettes should realize that we can compete against any club in the state, and win. All it takes is a little extra effort to be #1, so lets do it, and be the best chapter in the State of Texas, and the United States!!!

A TAXPAYER'S BILL OF RIGHTS IS PAST DUE

Bill Clements believes we still have a chance to preserve our future by establishing constitutional protection against excessive taxation and runaway government spending.

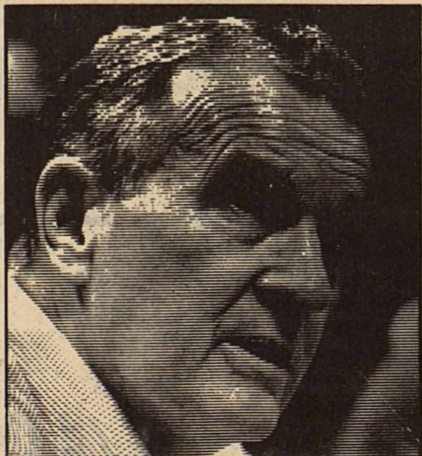

Bill Clements believes the people of Texas should have the power necessary to ratify or reject tax policies made by legislators.

To establish this power (of the people), Bill Clements will introduce an amendment to the Texas Constitution that would give the people of Texas this right.

Bill Clements' "Taxpayers' Bill of Rights" would:

- Give Texans the right of initiative and referendum, a phrase that means we, the people, have a right to vote on the taxes to be levied on us.
 - Place a ban on corporate or personal income tax in Texas.
 - Require a two-thirds record vote of both houses of the legislature to pass a tax bill.
 - Allow local taxpayers to call an election to ratify or reject a tax increase created by a local governmental unit.
- Bill Clements believes in Texas and the people of Texas.
Bill Clements thinks that elected officials must work for the people and represent them properly.
As governor of Texas, Bill Clements will work for and with the people of Texas.

It's about time someone recalled that our form of government was conceived to be a servant of the

people and provide the means to insure that principle endures.

BILL CLEMENTS, A GREAT GOVERNOR FOR TEXAS.

Paid political advertisement by the Bill Clements for Governor Campaign Committee, Tom B. Rhodes, Treasurer, 1901 N. Akard, Dallas, Texas.
