Hospital-Commissioners Hold Joint Called Meeting

Members of the Board of Directors of the Haskell Memorial Hospital and the Haskell County Commissioners Court held a joint meeting in the board room at the hospital last Thursday night.

The purpose of the meeting as explained by Hospital Board President Buck Everett, was to bring the court up to date on the condition of the hospital.

Everett said that since the

hospital board is appointed by the Commissioners Court that the board felt the court should be kept informed concerning the hospital.

Russell Altmiller, CPA, from Olney, who does the annual audit on the hospital, was present at the meeting and explained the financial condition of the hospital.

Altmiller said that the hospital lost \$83,793.00 last year. This total was compared to a loss of \$26,852.00 for 1977. Altmiller stated that the two main reasons for the larger loss during the past fiscal year were due to increased costs and fewer patients.

1971 will be paid this year. There was some question about the original proposition during the bond election in 1971 and board members agreed that they would seek a legal opinion. The proposition

is worded such that it is not possible to tell if the board must reduce the tax rate to 55c per \$100.00 valuation when the bonds are paid off.

Altmiller said that the rate must be left at 75c and general prices must be increased in order to keep the hospital open.

The hospital has already requested price increases from medicare and Blue Cross for room rates and other services and is in the process of cutting expenses.

County Youth Take Four District Food Show Titles

Four Haskell County 4-Hers were first-place winners in the District 4-H Food Show Saturday, January 27, at Wichita Falls.

In the senior division, Sonja Tidrow took top honors in the Bread and Dessert Class; and Kay Campbell took top honors in the Main Dish Class. Miss Tidrow is the daughter of Mr. and Mrs. Gaston Tidrow. Miss

Campbell is the daughter of Mr. and Mrs. Duward Campbell. As top winners at the district level, they will compete in the State 4-H Food Show in College Station on June 5. Both are members of the Haskell 4-H Club.

In the junior division, Holli High, daughter of Mr. and Mrs. Doyle High, was the top winner in the Bread and Dessert Class; and Kay Fischer, daughter of Mr. and Mrs. Walter E. Fischer, was the top winner in the Main Dish Class. Miss High is a member of the Haskell 4-H Club and Miss Fischer is a member of the Paint Creek

Ruling Expected On Swink Hearing

District Judge Joe Williams had not ruled Wednesday morning whether Roy Glenn Swink could afford to pay for his appeal in connection with the murder conviction of his brother, Royce.

Swink had filed a paupers

affidavit stating he did not have the funds necessary.

If Judge Williams rules Swink is a pauper, Stoneval County will be required to pay for the appeal. If it is found that Swink can afford the appeal then he will be required to pay the expenses.

Swink was found guilty of the murder of his 14 year old brother during a six day trial which ended December 28.

A hearing on the paupers affidavit was held last Friday in the district courtroom. Testimony in the hearing lasted until about 7:30 p.m. Friday evening and Judge Williams took the matter under advisement.

The hearing began with Wayne Swink testifying concerning the expenditures of the estate funds of H.W. Swink. Wayne is the guardian of Roy Glenn Swink, who was a juvenile when the incident occurred after which he was charged with the shooting deaths of his brother, father, and step-mother. Wayne is also the executor of the will of H.W. Swink and the administrator of the estate.

Swink testified that about 70 cows had been sold as various

leases expired and the money was placed into the estate account.

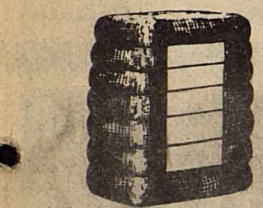

In addition to normal bills of the estate, attorneys for the defense of Roy Glenn were paid from the estate account. Testimony revealed that the total cost of attorneys for Roy Glenn amounted to \$27,146.15. Other expenses for Roy Glenn which were paid from the estate funds included depositions, fees to psychiatrists, psychologists and a television for Swink to watch while in jail. The expenses amounted to approximately \$2,450.00.

Swink's attorney Clifford Brown of Lubbock testified that the estimated cost of the appeal including the transcript from the trial and the attorneys fees would be a minimum of \$10,000.00 after the court reporter had stated the estimated cost for the transcript was \$4,500.00.

Roy Glenn had signed a disclaimer and waiver which would enable the insurance companies to pay benefits from policies into the estate. According to testimony, the insurance companies would not pay the benefits until Swink signed the waiver stating the funds would go to the estate and not to him.

The complicated legal matter got more involved when attorneys representing two children of Ilene Swink and two children of Roy Glenn's

Cookie Sale Begins Friday

KNOCK-KNOCK! at 4 o'clock (not a minute sooner) Friday afternoon February 2nd, you may open your door to friendly smiles topped by pairs of shining eyes and hear the perennial chant, of buddies in unison, "We are selling Girl Scout Cookies! Do you want to buy some?"

These little Girl Scouts of the West Texas Girl Scout

Council are the future home-makers, teachers and community leaders of the next decade. They are learning to accept responsibility today as they experience the thrill of meeting the public on its terms, making change for the \$1.25 per box of cookies, and telling customers that they have 2 new cookies this year. A natural ingredient Granola

cookie and crunchy Sesame Wheat Crackers are being sold in addition to the usual peanut butter patties, sandwich cremes, thin mints, shortbread, and peanut butter sandwich.

Through participation in the 1979 Cookie Sale, Girl Scouts are living their ethical code, recognizing fairness, honesty, cheerfulness, courtesy, and

respect for others and themselves in their salesmanship development in business-like transactions. They learn to say "Thank You" and smile even when you say, "not this time".

Rewards are many for the Scout: a cookie patch if she sells 48 boxes, a Brownie can take her father to the Brownie/Dad Special to be held June 8-9 and July 6-7 at Camp Boothe Oaks if she sells 84 boxes. A third grade Brownie might elect to attend a summer session at camp instead of going to the Br./Dad event. Partial or full campership can be earned through selling from 9 to 22 cases. There is a new Cookie program which will give Cadettes and Seniors an opportunity to earn credit toward Council events and Wider Opportunities.

Income from the Cookie Sale is used to build the troop treasuries, provide camperships and awards, help members attend national and international events and training, maintain established camp, promote troop camping, make improvements at Camp Boothe Oaks, and maintain the Council properties.

The Hot Air Balloon Cookie Patch to be awarded this year carries out the theme of the sale, Looking Up-Aiming High. Cookies freeze well and can be enjoyed all year long.

The West Texas Girl Scout Council is a participating agency of the United Way.

Chamber Banquet Set

The Rule Chamber of Commerce met for its January meeting on Friday morning, Jan. 26, at the Bluebonnet Cafe, with nine members present.

Chamber president, Weldon Normon, presided for the business meeting.

Plans are in progress for the Annual Chamber of Commerce Banquet, which has been set for Friday night,

March 23 at 7 p.m. It will be at the school cafeteria.

Madison "Mad" Crawford, son of Mr. & Mrs. Maurice Crawford of Wichita Falls, and nephew of Mr. & Mrs. Frank Campbell of Rule, will be the speaker of the evening. Maurice Crawford is a Haskell native. Madison lives in Bentendorf, Iowa and is a member of the Knife & Fork Dinner Club.

Tickets will be \$4.00 and the meal will be served by the Junior Class.

Other plans for the program and decorations will be finalized later.

New officers to be presented will be: Eugene Rhoads, president; Wallace Allison, Vice President; Faye Dunnam, secretary and Nona Norwood, treasurer.

HUD Requests Information From Flood Victims

As a result of flooding that occurred during late July the Department of Housing and Urban Development (HUD) placed many families into temporary housing in Young, Haskell, and Shackelford counties. HUD now faces the task of assisting these families in their attempts to obtain permanent housing accommodations. Local area residents can help. If you have or receive information about available rental housing in these three counties, telephone the information to the Breckenridge HUD Disaster Housing Office. The number is (817) 559-8232 and you may call them collect.

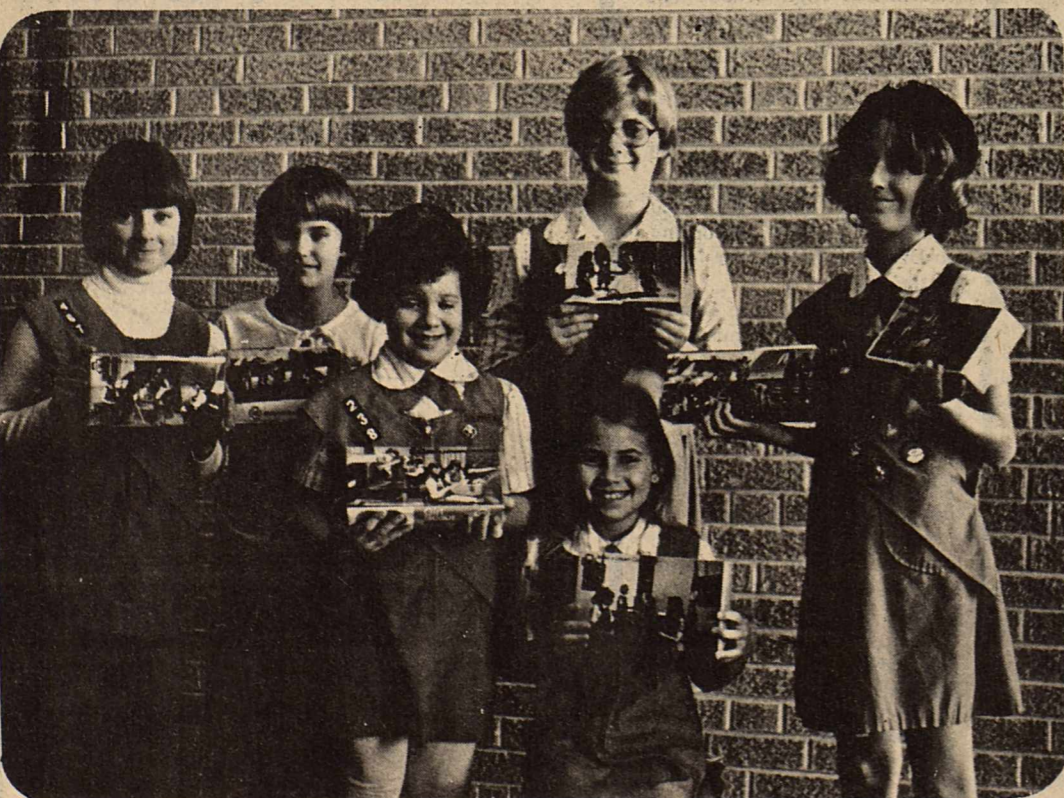

Haskell Wins Three Second Places in Tourney

The Haskell Junior High tournament came to a roaring climax with Seymour winning three of the four divisions, and Knox City taking the other. Haskell took three seconds.

On the opening day of the tournament, the 7th girls defeated Stamford by a score of 33-13, the 7th boys defeated Stamford to the tune of 25-15, the 8th girls beat Stamford to the tune of 29-7; the 8th boys were defeated by Stamford by the score of 24-21.

On Saturday, the 7th girls were defeated by Seymour for the championship by the score of 25-5. The 7th boys suffered their second defeat of the season in a close, hard-fought game with Knox City. The final score was 31-30. The 8th girls lost to Seymour by the score of 24-16. The 8th boys were defeated by Knox City for third place by a score of 44-38.

All 4 Junior High teams will see action this coming Monday with the 7th, 8th, and 9th girls traveling to Stamford while the 7th, 8th, and 9th boys will host Stamford here starting at 5 o'clock.

GIRL SCOUT COOKIES will go on sale this Friday afternoon at 4 p.m. Shown displaying this year's cookies are: (l to r) Tammi Miller, Troop 467; Mindy Smith,

Troop 468; Julie Nanny, Troop 238; Tammy Flanary, Troop 461; Teresa Unger, Troop 470 (seated) and Judy Iley, Troop 461. (Staff Photo)

Jaycee & Jaycee-ettes Happenings

Countdown has begun on the final 90 days of this Jaycee year, and much has been done to make this a great year, with much more to be done before April 30th. The last quarter is where the true winners really come forward, and Haskell County Jaycees & Jaycee-ettes, **WE ARE WINNERS.**

Area I convention is coming up February 9, 10, 11 in Fort Stockton, and we are looking for a large delegation from Haskell County to attend, compete, and be a winner, and then go to El Paso in May (10, 11, 12) and really show this State that the Haskell County Jaycees & Jaycee-ettes are **FOR REAL.**

Thursday night, Feb. 1, we will have a membership blitz, with Bar-B-Q Supper at the American Legion Hall in Haskell. Jaycees must bring 1 prospective member, or else pay \$2.00 for the supper. This begins at 7:30 p.m., and all young men of Haskell County are invited to attend.

The name of Jake Dusak, Jr. was left out of last week's report on Jaycee week and 10 Outstanding Young Men at Tulsa-Sorry about that Jake.

Jaycee of the month and quarter awards will be given this Thursday night at the Bar-B-Q, so come see what the

winners look like. Jaycees and Jaycee-ettes, election time is coming up soon, and you will be electing your leaders for the coming year. How about YOU tossing your hat in the ring for local office or even state office?

A personal note from Charles Thornhill, President.

"Fellow Jaycees & Jaycee-ettes, as we come to the close of this year, let me express my heartfelt thanks to each of you for your participation, dedication, and hard work this past 9 months. We have worked hard and long to accomplish the projects completed to date, but there is still much more to do, the rest of this year, and in years to come in Haskell County, Texas, the United States, and the world. If you truly believe that "Young men can change the world", this past 9 months will only be the beginning of what the Haskell County Jaycees can and will accomplish. You are somebody, Jaycees and Jaycee-ettes, and now is the time, and the place to really step forward and realize the greatness within each of you."

Sincerely,
Charles Thornhill
Be Great, Be a Jaycee, Be a Winner.

SENIOR CHAMPS—The top young culinary artists in the senior division of the District III 4-H Food Show at Sikes Center at Wichita Falls Saturday, all of whom are advancing to state competition, display their silver trophies to Ed Garnett of Vernon, District Extension Agent for Agriculture, who presented awards at the show. From left are Sonja Tidrow and Kay Campbell of Haskell County, bread and cereal and main dish category first place winners, respectively; Mr. Garnett, and Julie Posey of Fisher County, the side dish winner, and Mary Annett Carnahan of Baylor County, the snacks and beverage winner.

Jaycees Attend Seminar

Five Haskell County Jaycees & 1 Jaycee-ette attended the annual Texas Jaycee Legislative Seminar and State Board meeting Saturday and Sunday, January 27 and 28 in Austin. Those attending were Bo and Diane Owens, Charles Andress, Larry Walton, Jake Dusak, Jr. and Charles Thornhill.

The Legislative Seminar is held annually in Austin, and gives Jaycees from throughout the state a chance to actually work in the House and Senate Chambers, to form committees to prepare and discuss legislation, to present these bills to each house, debate on them, and pass or fail the bills, much as the actual legislative does. These bills are actually sent to the legislative for recommended action during this current term.

The Jaycee State Officers

served as lobbyists, local presidents served in the Senate, and local members served in the House of Representatives.

The Haskell County Jaycees were honored at Saturday night's banquet for membership growth and for successfully completing one extension to date, as was Bo Owens, District Director of District 135.

The State Board Meeting was held Sunday after the Houses adjourned, and a recommendation for a \$2.00 per member dues increase was passed, to become effective in June.

Highlight of the meeting was the resolution presented to the House for the manufacture of hot dog buns and the packers of franks to resolve their differences in quantities of their packaged product, and pack an equal

amount of each for the consumer. Considerable debate was held on this, and passage of the resolution called for diligent effort on the part of both parties to resolve this. This was passed unanimously by both houses.

Savings Bond Report

NOW IS THE TIME...YES! Now is the time to begin construction and vegetation of GRASSED WATERWAYS. Winter is usually the best time to construct waterways since it has the least rainfall. New waterways should not be exposed to long periods of damaging rain.

Planting should follow construction as soon as possible. The most desirable time to establish vegetation is the first part of the growing season, immediately following the winter or dormant months. If the waterway is constructed

during the winter, it will be ready for planting at the beginning of the growing season. This would reduce the time that the newly constructed or unprotected waterway is exposed to damaging rain, and allow the vegetation to make maximum use of the growing season for establishment of cover.

Waterways are natural or man-made water courses protected against erosion by a grass cover. They serve as safe outlets for terraces, diversions and contour rows. They may also conduct outside

WESTERN WHEATGRASS and Bermudagrass waterway on the Milton Christian Farm north of Haskell served well without damage during the August, 1978 flood.

water onto or across the farm. The best location for waterways is in a depression or draw that is part of the natural drainage pattern. However, it may be desirable to construct the waterway along the edge of a field to aid in farming practices. The outlet should empty into a stable, vegetated area.

The waterway should be shaped to prevent concentrations of flow. Trees and brush should be removed, gullies and washes should be filled, and the sides should be gently sloped to aid crossing, mowing, seeding and harvesting with normal farm equipment.

A protective cover should be established as soon as possible after shaping. Unprotected waterways are subject to severe erosion due to concentrations of flow and are difficult to repair. Perennial grasses with deep, dense, sod-forming root systems offer the best protection against erosion. Bermudagrass is one of the best examples of waterway protection, but many other grasses will also adequately protect the waterway. Outside water should be excluded during the establishment period if at all possible. Waterways, like any other

conservation practice, farm equipment or automobile, must be maintained. They can be the most productive acres on the farm if properly maintained. Ground cover-the key-is reduced by mowing, grazing and vehicle traffic. Prevent fires and livestock trailing, repair washes and fertilize regularly to maintain cover and increase production.

Soil Conservation Service personnel, assisting the Haskell Soil and Water Conservation District at 102 N. Ave. E. (US 277) in Haskell can help with the design, location, construction and vegetation of waterways. So, get off to a good start now. NOW IS THE TIME.....

Community Service Is Study Club Program

Mrs. Bailey Toliver was director for the program "Community Service", presented to Progressive Study Club Thursday, January 18.

Guest panel members were Jerry Jennings, Director of the Mental Health, Mental Retardation Clinic; Max Jennings, Infant Stimulation Program; Mildred Robertson, Community Action Program; and Joan James, County Home Economist.

Jerry Jennings explained that the M/H-M/R Center, which has recently been renamed the Headstream Memorial Center, is for all community citizens and is a branch of the Vernon Center. It is now being remodeled.

The Infant Stimulation Program has been in existence for seven years, Mrs. Jennings said, and the local agency is one of six in the state. Children cared for are from birth to three years and the services are for all income groups. The agency is financed through Abilene State School; rent and utilities are paid by the city and county.

Mildred Robertson gave the background for the Community Action Program which was developed by the Poverty Act of 1964. Persons with income of \$6,000.00 or less are eligible for the services provided. One important project is the immunization program for children.

Joan James explained that the County Extension office is financed by county, state and federal funds. Those interested in Family Resource Management, Family Stabilization, Family Health, Family Clothing or Housing and Environment are invited to call the local office, she said.

Anita Payne, who is district chairman for Fashion for the

Handicapped, displayed a bag she had created for use by Care Home patients or shut ins. It may be attached to a walker, wheelchair or bed rail and used to hold personal items. Anyone interested in making these may contact Mrs. Payne.

During the business session which followed the program Mrs. Jimmy Hudson reminded members of the Bazaar-Auction which will be held February 1 at the regular meeting. Members are to bring guests and everyone will be invited to make sealed bids on handmade articles and baked goods.

New officers elected for the 1979-80 club year are Mrs. Curtis Jennings, president; Mrs. Virgil Cobb, first vice president; Mrs. Dean Byford, second vice president; Mrs. Jerry Sorrells, recording secretary; Mrs. Howard Perry, corresponding secretary; Mrs. R.C. Couch, Jr., treasurer; Mrs. Gary Druesdow, board member; Mrs. Abe Turner, historian.

Members of the 1980-81 nominating committee are Mrs. R.A. Lane, Mrs. R.C. Couch, Jr., Mrs. Buck Everett, Mrs. Cliff Dunning, and Mrs. R.W. Herren.

Mrs. Bailey Toliver was appointed chairman of the committee to restore the LaBriere Home.

Refreshments were served by Mrs. Dudley Bragg, Mrs. Howard Perry, and Mrs. Abe Turner, hostesses.

Sagerton News

Congratulations to Dewayne Monse who recently placed 3rd with his swine in the heavy-weight Duroc division of the Haskell County Fair.

The Rule Home Ec. girls hosted the Golden Age Group last Monday in Rule. The group was treated to an assembly program of "Ragtime Music" and the girls prepared refreshments. The table was portrayed in a Valentine theme. The girls also modeled the garments made in the Home Economics program.

Those present included: Mrs. Alice Newton, Mrs. Maude Kittley, Mrs. Louise Stegemoeller, Mrs. Etta Leach, Mrs. John Clark, Mrs. Lora Mathis, Mrs. Clara Hines, Mrs. Steve Ritter, and Mrs. Fred Kupatt.

Mrs. John Clark received a gift for having the most grandchildren, and Mrs. Lora Mathis for the most great grandchildren. Mrs. Etta Leach received a cookbook prepared by the girls as a door prize. Everyone had a good time.

Kraig Kupatt is continuing his studies at Western Texas College in Snyder. He was a guest in his parents home this past weekend.

Mrs. Pearl (Dedman) Barnard of Mesa, Colorado, a graduate of Sagerton High School, spent a few days last week with Mrs. John Clark.

Melvin Baitz celebrated his birthday Saturday night with

the following guests present: Mr. and Mrs. Buster Trede-meyer, Mr. and Mrs. Charles Diers and Kimberly, Mrs. H.C. Rappelt, and Erna and Walter Schaake of Stamford, Mr. and Mrs. Fred Baitz and Kacy, and Mrs. Melvin Baitz.

Mr. and Mrs. Leon Stegemoeller and Mr. and Mrs. Melvin Baitz and other members of the Rule School Board were entertained in Buffalo Gap Friday night by Superintendent and Mrs. Lavon Beakly of Rule.

Gail, Stacy, and Sammy Ray were baptized into Faith Lutheran Church at Sunday morning services. The girls and their mother are from Aspermont.

Congratulations to the boys and girls basketball teams at Rule High School. Both were victorious over Leuders-Avoca Friday night and remained undefeated in district play at 4-0.

FAMILY DINNER

Sunday, February 4 will be family dinner at the Rule Recreation Club. Members and prospective members are urged to bring their food and families and join in the fellowship.

Mr. and Mrs. G.C. Brockett, Sr. were honored recently with a reception in celebration of their 50th wedding anniversary. They were married on January 29, 1929 in the Lake Creek Community and have lived and farmed in the Weinert Community for 50 years.

The reception was held in the Weinert Community Center. Mr. and Mrs. Brockett received some 125 guests during the afternoon reception hosted by their children: Mr. and Mrs. W.C. Nance, Mr. and Mrs. Don Coffman, and Mr. and Mrs. Pete Brockett. Assisting with the reception were Mrs. Cathy Reeves and Mrs. Kim Swann, granddaughters of the couple, and Mrs. Juanita Grimes the couple's niece.

One son, G.C. Brockett, Jr., living in Alamogordo, N.M., was unable to attend due to bad weather conditions but called his parents to give them his love and best wishes on their happy occasion. Among many other relatives and friends who called was their grandson, Ricky Nance of Angelton and granddaughters, Monica Brockett of Odessa and Dana Kubezka of 29 Palms, Calif.

American Ag News

BY BETTYE McBROOM
As the Tractorcade moves on toward Washington, D.C., there are more and more people joining the ranks. One of the routes is approximately 50 miles in length, a second route is approximately 40 miles in length and the third route (which is combined of three starting places) is approximately 40 miles in length. It is being estimated by the time the three routes merge on Friday the length will be 150 miles to go into Washington on Monday.

tape (1-800-692-4055 toll free) that the Tractorcade was the most impressive sight he had ever seen in his life. The overall view and the miles and miles of vehicles with American flags on them was something that every American citizen should see. He said that he was most impressed with the people and their reception in that part of the country. The people are lining the fences on the controlled excesses, waving flags and cheering the farmers on. There were hundreds of people on a single overpass waving

too. The reception reminds this man of a Liberation Army that is going into an oppressed country during war. He feels that anyone who is not a part of the Tractorcade is a loser.

My mother and step-father, Juanita and Cliff Dunnam, have driven all the way with route 1 of the Tractorcade. Cliff has been a relief driver for Paducah farmers. When Mother called Saturday morning early, getting me out of bed, I ask her if she was ready to come home and her answer was, "No, I am having a good time!" She said that the police had been the nicest, most cooperative they had ever seen. All along the way they have been escorted through cities and states. The reception from the people has been fantastic!

There are some 2,000 vehicles plus some tractors and support vehicles from Canada on the roads to Washington. On February 2, there will be a Bar-B-Q and rally at Warrenton, VA, for the some 7,000 expected persons when the Tractorcades all join together. There they will rest until Monday when they will begin their last leg to the Capitol. When they all drive into Washington, they hope to have enough vehicles to completely surround Washington, D.C.

Three weeks ago Mexico cut off the package meat coming into the United States. On January 22, they stopped the livestock from leaving their country. Mexico has been willing to sell the US meat up until now, but now they have a shortage too so they are keeping the meat they have in their country. We understand there is another country that the longshoremen have refused

to load the meat on the ships because there is not enough meat in their country to eat let alone ship it to America. Now people, you will begin to see the price of meat go up again, but not because of the farmer and rancher, but because there is a shortage that the government does not want you to know about.

Watch the news over the weekend and the first of next week to see if we in the AAM will get the coverage we so rightly deserve for our plea for 100% parity in the market place or at least forcing the 1977 Farm Bill into Action that the USDA claims is so good, and the fight for all America's freedom.

Cotton Classing

Cotton prices remain steady and trading continues to be light, according to Sidney Ferrell in charge of the Munday Marketing Services Office. Prices being offered range from 800 to 900 points above CCC loan levels for mixed lots of cotton.

Grade 42 remained the predominant quality classed this week with 32 percent, followed closely by grade 41 with 30 percent. Grade 51 accounted for 15 percent and grade 52 was 14 percent. About 37 percent of the cotton was reduced in grade because of bark or grass. The predominant fiber length was staple 32 at 55 percent. Staple 33 accounted for 38 percent and staple 31 was 7 percent. Micronaire readings showed a significant increase in the base range of 35 to 49 with 84 percent. This is probably a result of many gins building up remnant bales during the slack time caused by the bad weather. Twelve percent of the cotton tested in the 30 to 34 range and 3 percent was below 30.

About 1500 samples were classed during the week ending January the 26th, bringing our season total to 55,500. Information received indicates that there may be between 30,000 to 35,000 more bales to be ginned in the Munday territory.

Farabee Appointed To Committees

State Senator Ray Farabee of the 30th Senatorial District was appointed today as Chairman of the Senate Jurisprudence Committee. "I am pleased to be appointed to chair a major committee which will provide an opportunity for greater leadership in the State

Senate and greater service to the people of our area", Farabee said.

The Jurisprudence Committee considers the improvement of the judicial and court system in Texas. As chairman of the committee, Senator Farabee will be concerned

with legislation dealing with law and order and the problems involved with the justice system.

Farabee was sworn in today to begin serving his second term as senator for the 30th District which includes Haskell County. Farabee was also appointed by Lt. Governor Bill Hobby to serve again on the Natural Resources and Finance Committees.

The Natural Resources Committee monitors legislation dealing with agriculture and energy, both of which are essential to the economy of the District and the State. "This appointment will provide us in North and West Texas with an

important voice in shaping the policies affecting the energy resources in our area," Farabee stated.

The Finance Committee appointment affords Senator Farabee the opportunity to take an active role in setting the state budget and implementing tax relief. Farabee also serves on the Legislative Budget Board, comprised of four senators and four representatives, which sees that the State efficiently spends the taxpayers' dollars and keeps a lid on State spending.

Heatly Appointed To Committees

State Rep. Bill Heatly (D) of Paducah has been named as Vice-Chairman for Appropriative Matters of the Judicial Affairs Committee and has also been appointed to a position on the Appropriations Committee by House Speaker Bill Clayton.

Clayton said Rep. Heatly would serve in these capacities during the next two years of the 66th Legislature.

Rep. Heatly, an attorney by profession, is serving his 13th term in the House. Last session, he served on the Appropriations Committee.

The eleven-member Judicial Affairs Committee has jurisdiction over all matters pertaining to civil law, civil procedure, uniform state laws, the State Bar of Texas, the Texas Judicial Council, and the State Commission on Judicial Conduct. This standing committee also has jurisdiction over matters pertaining to private corporations, the office of the Attorney General, requests to sue the state, courts, and court procedures.

The twenty-one-member

Appropriations Committee has jurisdiction over all bills and resolutions appropriating, allocating, or diverting funds from the state treasury. The Committee also has jurisdiction over all matters pertaining to claims and accounts filed with the legislature against the state, unless jurisdiction is granted to another standing committee.

Stenholm Appointed To Ag Committee

Congressman Charles W. Stenholm was today assigned to the House Agriculture Committee, his first choice for Committee assignment. While campaigning for Congress, Mr. Stenholm frequently mentioned his background in agriculture and the importance such an assignment would have for the 17th District of Texas. The Congressman intends to be active in the legislative process and will use his new post to work toward meaningful legislation

to insure a good return on investment for the agricultural producers and an adequate supply for our consumers. Congressman Stenholm would like to express his appreciation to the people of the 17th District who helped make this possible and would be pleased to hear their views on matters that concern them. The newly elected Congressman expressed gratitude that his request to the Leadership in the House was received so favorably.

CONGRESSMAN CHARLES W. STENHOLM, newly elected Member from the 17th District, is shown with his wife, Cindy, and daughter, Courtney Ann, with the Speaker of the House of Representatives.

Congressional Comment

by Charles Stenholm

I come to Washington with feelings of optimism and appreciation—appreciation for the people who sent me here and optimism for the people whom I will work with in the 96th Congress. I am happy to be a part of the younger and increasingly more conservative leadership of this Country. This leadership has been elected by constituencies that are frustrated by inflation, excessive regulation, and high taxes. The People of this land desire stability and a

chance to live more productive and satisfying lives. Too often this has proven an illusion. Discontent has been so widespread that many writers have called this the era of the "Tax Revolt."

The 95th Congress reacted to their cries—although with some reluctance. An airline deregulation bill was passed that sunset a whole government agency and will do much to increase competition and decrease air fares. Congress also passed a budget that had

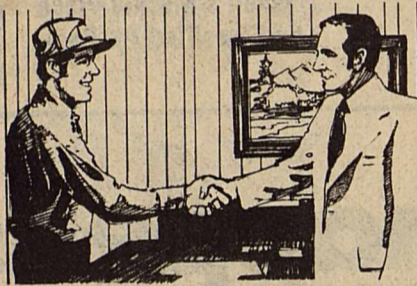

a deficit \$20 billion lower than the Administration had predicted. Certainly these pieces of legislation are important in analyzing the direction of Congress, but more significant is what the 95th Congress did not pass; regulatory nightmares such as hospital cost containment, the Consumer Protection Agency, the Labor Reform Act, and Cargo Preference never received final approval. Several fiscally extravagant measures such as counter-cyclical funds, welfare reform, and national health insurance also did not pass.

Our job will be to continue this trend. Government regulations can be averted by sunseting such agencies as OSHA, the Consumer Products Safety Commission, and the Department of Energy; together with limiting the authority of the IRS, EPA, and FTC, among others, to interfere uneconomically in people's lives and businesses. Federal spending can, and must, be reduced in many places. We also need to furnish better services in areas that only the government can provide—services such as defense, construction of highways and public works can be more cost effective.

While serving in this body my goals will be to reduce government spending and regulation; work toward a sound agricultural policy that will provide a reasonable return on investment for our farmers; and take the government out of the energy industry allowing market forces to guarantee a supply and price we can afford. Hopefully, with your help, we can accomplish these goals. Now is not a time for the paternalism of Big Government but the rugged individualism of private initiative. Our foremost goal should be to insure that each person is allowed to reap the benefits of his labor without the government constantly standing in the way.

Make sure your next loan is easier to pay back

A good loan should be one you can manage on your income.

The Federal Land Bank can tailor a payment plan to fit your income patterns and cash flow. The long-term feature of Land Bank loans helps keep your payments manageable.

At the Land Bank, we want to make sure your loan is as easy to pay back as it is to get in the first place. Stop by and see how we can help.

Hearing Test Set For Haskell

Free Electronic hearing tests will be given at the Fieldan Motel, 115 S. Av E. Haskell, Tx, Friday, February 2, 9 a.m. - 1 p.m.

Factory-trained hearing aid specialists will be at the Fieldan Motel to perform the tests. Anyone who has trouble hearing is welcome to have a test using the latest electronic equipment to determine if his loss is one which may be helped. Some of the causes of hearing loss will be explained; and diagrams of how the ear works will be shown.

Everyone should have a hearing test at least once a year if there is any trouble at all hearing clearly. Even people now wearing a hearing aid or those who have been told nothing could be done for them should have a hearing test and find out whether the latest methods of hearing correction can help them hear better. The free hearing test will be given at the Fieldan Motel, Haskell, Texas. If you can't get there on Friday, call 864-2251 and arrange for an appointment at another time. In home testing is also available.

All former Scott Hearing Aid customers are welcomed to our service.
