

Fire Station Donations Top \$10,000

BY DON COMEDY

Donations and pledges for a new Fire Station in Haskell continue to be received and the fund is now over \$10,000.

Department members are confident that the goal of \$60,000 can be reached, but have agreed to concentrate efforts to raise \$38,000 in the next two weeks.

The new 50x100 foot station will be a metal building with adequate storage for all present equipment and equipment which the department anticipates needing in the next several years.

The estimated cost of the building, erection, foundation, and doors for the building is approximately \$38,000. This price estimate is good for approximately four more weeks without increases caused by inflation.

During the next two weeks, department members will raise the funds needed to guarantee payment for this portion of the building project and order the building, doors and foundation.

Estimated delivery of the building after ordering is eight to ten weeks which will be ample time for site preparation and pouring the foundation. The new station will be located east of the City Hall.

The fund drive will continue after the building is ordered to secure funds to complete the inside of the building. Department members intend to do all interior work themselves and many local businesses have agreed to sell materials at cost.

Present plans for the new station call for one large door facing the north which will provide access to the highway to two fire trucks and two large doors facing east which will provide space for four more trucks. There is also ample room for trucks

to be stacked behind each other making total parking spaces available for up to ten vehicles. The department currently operates with five vehicles.

The plans also call for a garage type door at the rear of the building which will enter into a work area for maintenance and care of the vehicles. Ultimate plans also include a training room for members of the department and office and storage space.

During the fund drive, several

persons have asked why department members were attempting to build the facility with donations instead of using City funds.

Department members explain that there were many reasons for undertaking the project in this manner, some of which include: the project would probably have required a bond election with bonding agents, election costs, architects and many other cost increasing factors; the bond election would have necessitated a tax increase which

would impose a severe burden on local taxpayers, especially those living on a fixed income; local suppliers offered special prices on various components of the building project which would not have been offered to the City; and department members felt that many persons living outside the city limits would be willing to contribute to the project distributing the cost over a larger portion of the population served by the department.

The project will be built in stages with the only pressing part the actual building itself. The cost of the building is a large part of the entire project and with present inflationary trends, a small percent increase will amount to a considerable dollar increase if the price estimate is not met.

After the building is erected, the project can be spread over several months as time and money allow.

Members of the Haskell County

Jaycees have undertaken the project of clearing debris from Rice Springs Creek left from the August flood and have agreed to donate disaster funds received from this project to the building fund.

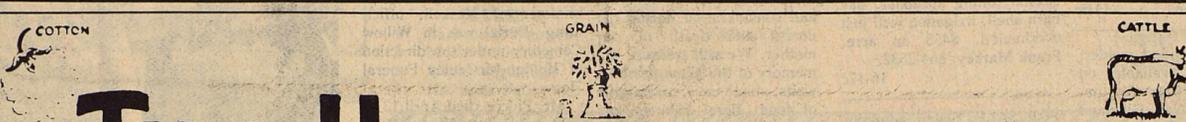

Work on the creek is nearing completion and volunteer workers are urged to attend a workday this Sunday afternoon beginning at 1 p.m. If enough workers and equipment is available, the project can be finished before dark Sunday and approximately \$10,000 to \$12,000 will be added to the building fund.

Donations can be given to any member of the Fire Department, at the Fire Station, or to any teller at Haskell National Bank.

Donations received this week to the fund include:

Mr. and Mrs. Marvin Loewen	5.00
Mrs. Opel Andress	5.00

VOLUME NINETY-THREE HASKELL, TEXAS, 79521, THURSDAY, APRIL 19, 1979 NUMBER SIXTEEN

HASKELL LIONS CLUB members held their annual broom and mop sale last Thursday and set a club record for sales. The club made over \$400 on the sale and wish

to express their thanks to everyone who helped make the sale a success. Shown are Lion Bill Trammel and project co-chairmen O.W. Tooley and Aubrey Carroll. (Staff Photo)

Superkids Set Saturday

The Haskell Jaycees will sponsor "Superkids" this Saturday at Indian Stadium beginning at 9 a.m.

Superkids is like an old fashioned old day consisting of ten events. The project is conducted to raise funds for the North Texas Lung Association.

Each entrant in Superkids will earn points based on the number of events they enter and how they place in each event. The Superkids will ask friends, relatives and businesses to sponsor them in the competition and agree to pay one cent per point received.

The competition will be held in four age groups and winners in each event and each age group will be awarded 100 points. In this manner, no sponsor will have to pay over ten dollars and that amount would be paid only if someone they sponsor wins every one of the ten events.

Trophies and ribbons will be awarded to all winners following the competition and Superkids will have until May 5 to turn in funds received from their sponsors. The money should be turned in to Charles Thornhill at M-System.

Prizes will be awarded to the three Superkids who receive the most pledges. These prizes will be presented during the Rice Springs Rodeo scheduled May 24, 25, and 26 in Haskell.

All events will take place on the football field and members of the Haskell Jaycees-ettes will provide a concession stand during the day.

Events scheduled are: 50 Yard Dash, 100 Yard Dash, Frizbee Throw, Football Throw, Long Jump, Soccer Obstacle Course, Softball Throw, Potatoe Sack Race, Obstacle Course, and Potatoe Race.

Competition will be divided into four age groups, 5-6 year olds; 7-8 year olds; 9-11 year olds; and 12-14 year olds.

All contestants must wear gym or tennis shoes when competing in any event. No metal or fiberglass spikes or cleats will be allowed during any of the events.

A list of sponsors and a release form printed below must be signed before the Superkid can compete.

Co-Chairmen of the project, James Davis and Ervin Unger, have placed a limited number of registration forms in schools in the county and urge all entrants to have the form signed and returned to school by Friday afternoon.

If the form is not available, the form printed below should be signed and brought to the football field Saturday morning along with a list of sponsors.

In consideration of the North Texas Lung Association permission to participate in Superkids, I hereby waive and release any and all rights and claims for damages which I may have against the North Texas Lung Association, the location at which the events will take place, as well as any other person connected with the North Texas Lung Association, their heirs, executors, successors, administrators and assigns for any and all injuries which I may suffer for taking part in Superkids as a result thereof.

Signature of Parent or Guardian

Charles Andress Elected Local Jaycee President

Officers for the year 1979-80 were elected Thursday, April 12 during the regular meeting of the Haskell County Jaycees. These officers will serve one year and will be responsible for the activities of the club during that time.

Elected president was Charles Andress, a two year Jaycee who served as a director of the chapter this year. Charles is 29 years old, a native of Haskell, graduate of Haskell High School, and Hardin-Simmons University with a degree in engineering. He is married to the former Laura Sampson also of Haskell, and they have two children, Jeremy, age 3, and Joseph, 8 months. Charles and his father, Vernay Andress, own Queen Roofing Co. in Haskell. He is a member of the First Baptist Church and is also a member of the Haskell Volunteer Fire Department. He has been quite active this year in Jaycees, having been chairman of several projects, and will be the guiding force for the Jaycees this year.

Vice president for the coming year will be Charles (Bo) Owens, Jr., with the responsibility for external programming in community projects, and Mike Jordan will be the vice president in charge of internal programming within the chapter.

Elected secretary was Jake Dusak, Jr., and Ronnie Reynolds will be treasurer.

James Davis will be the State Director for the coming year.

Directors of the club will be Ervin Unger, Mike Cook, Thurman Howeth, Jr., Eddie Hester, Larry Walton, Don

Comedy, Gwynn Butler, and Robert Clayton.

These newly elected officers will begin their term May 1 and will serve for one year. They will be formally installed on May 17th at the Jaycee-Jaycee-ette installation and awards banquet.

Rodeo Events To Be Anagram Subjects

Five weekly editions of the Haskell Free Press, prior to the annual Jaycee rodeo slated to be staged here on the dates of May 24, 25 and 26 will run an anagram on each of the five major contest events of all rodeos.

The first one will be BRONCRIDERS and the object for the reading public is to endeavor to make as many English words from the given word by rearranging the letters.

Slang words and those of Foreign languages will not be acceptable for the contest. However, both the plural and singular forms of English words will be deemed proper to be eligible to win. Each week's winner will receive two

free passes to the up coming rodeo.

All ages are eligible to participate and are urged to do so. Please type or print the words you wish to enter in the contest so they will be perfectly legible.

All entries are to be mailed to the Chamber of Commerce office, Box 713, or brought by in person.

This little word game will give each of you the opportunity to test your vocabulary. Each week will be an entirely separate contest and entries must be received before the next week's edition of the Free Press is released.

So, dust the cobwebs out of your attic, turn the TV off, and lets see how many English words you can come up with by using BRONCRIDERS for copy.

MANY HASKELL RESIDENTS had friends and relatives who lived in the area of Wichita Falls and Vernon which were severely damaged last week by a tornado. Many persons in Haskell have expressed a desire to provide aid for persons in the area and a fund

has been started at Haskell National Bank. The donations received in the fund will be presented to the American Red Cross to be used to aid disaster victims in the area. (Staff Photo)

Public Notice

LEGAL NOTICE
The City of Weinert has been notified by the Texas Department of Health that the water being supplied by our system exceeds the maximum constituent level for Nitrate specified by the Department's "Drinking Water Standards" which were promulgated as required by the "Safe Drinking Water Act"; Public Law 93-523 (U.S.).
The limit is set at 10 milligrams of Nitrate (as nitrogen) per liter of water. The amount of Nitrate (as nitrogen) in the water we supply was reported to be 10.7 milligrams per liter.
Adults and children over the age of 6 months need not be concerned about drinking water from the tap. An excess Nitrate intake by an infant under the age of 6 months may reduce its available oxygen supply and possibly produce "blue baby" symptoms. Parents are advised to find other sources of drinking water, such as bottled water, for their infants under 6 months of age. All doctors and hospitals in the area have been notified of this situation.
CAUTION:
DO NOT BOIL YOUR WATER
Boiling the water will increase the concentration of Nitrate.
The City of Weinert has applied to the Texas Department of Health for an exemption from the Nitrate requirement while we search for alternate sources of supply and investigate available treatment techniques which would lower the Nitrate to an acceptable level. In the meantime, please follow the precautions mentioned. 15-17c

Card of Thanks

CARD OF THANKS
The family of Mary Strickland wish to express their appreciation to all our good friends and neighbors for their many acts of kindness and consideration during the illness and death of our mother. We still treasure the memory of the many personal visits, phone calls, cards, gifts of food, floral tributes and memorial contributions to charities you made. We wish to especially thank the Doctors and nurses of the Haskell Memorial Hospital and Rice Springs Care Home for the loving care they gave her. The spiritual guidance of Rev. James Putnam and his consoling words were deeply appreciated and our thanks go to members of the Methodist Church for the food and services they provided. We also wish to thank Charles McCauley and his staff for their kindness and the beautiful services. Our Loving thanks and may God richly bless you all.
The Strickland Family 16p

OBITUARIES

W. W. Pidcoe

Services for William Weston Pidcoe, 78, of Haskell were held April 18 at 2:30 p.m. in Holden-McCauley Funeral Home with Rev. Dudley Bragg, pastor of the First Baptist Church, Haskell, and Rev. Hubert Sego, Baptist minister of Haskell, officiating. Burial was in Willow Cemetery under the direction of Holden-McCauley Funeral Home.

Mr. Pidcoe died April 13 at 7:30 p.m. in Shday Oaks Lodge in Abilene after a long illness.

Born May 16, 1900 in Frankford, Kansas, he married Una DeBard in 1929. He served in the U.S. Army in WWI. He was a graduate of the University of Wisconsin and had been a bank examiner for many years in Madison, Wisconsin moving to Haskell following his retirement.

Survivors include his wife; two daughters, Mrs. Ronald (Annie) Igo of Tucson, Arizona and Mrs. Harry (Patricia) Kessenich, Jr., of Madison, Wisconsin; one son, William Weston Pidcoe, Jr., of Reno, Nevada; and two grandsons, Andres and Michael Kessenich of Madison, Wisconsin.

Pallbearers were Clay Smith, George Fouts, Wallace Cox, Jr., Royce Adkins, R.C. Couch, Jr. and John Rike III.

Little League Workday Set

Little League workers are asked to attend a workday this Saturday beginning at 1 p.m. at the Little League park.

Purpose of the workday is to clean the infield and repair bleachers.

Little League players and their parents are asked to bring wire brushes and pickups for the workday.

Farm Meeting Set April 24

R.C. "Dick" Siewert of Cytosyme of Texas will hold a farmers meeting April 24 at 8 p.m. in the Community Building of Haskell National Bank.

Siewert will present a program on increasing crop yields.

All area farmers are invited to attend the meeting.

Texas' Share of Exports Tops \$2 Billion

AUSTIN—Texas agricultural exports during 1978 totaled over \$2 billion, Agriculture Commissioner Reagan V. Brown has announced, with increased volume in shipments upping the final estimate.

Major increases were in cotton, animal by-products, wheat and rice, with a decrease in grain sorghum sales, Brown said. "The drop in value of the dollar in foreign trade made American farm goods very attractive in 1978."

Because of merging shipments at ports, it is almost impossible to obtain precise data on the amount of Texas commodities that are exported, Brown explained. The accepted method of estimating totals for exports is to determine the percentage of the U. S. total produced in Texas.

Using that method, cotton farmers in the state generated sales of an estimated \$664.6 million. Wheat farmers added \$276.1 million; grain sorghum producers, \$151.1 million.

With Texas being the major cattle slaughtering state, much of the U. S. volume of animal by-products is from the state. Estimates are available only for Texas-oriented hides and skin which accounted for an estimated \$100 million last year.

Soybeans and oil brought in \$73.3 million; peanuts and oil, \$26.4 million.

Grand Jury Indicts Three

A Haskell County Grand Jury returned three felony indictments Monday.

Indicted were Stephen Michael Logsdon of burglary, Gary Lee Louis for aggravated assault, and Joe Jay Weaver for bail jumping and failure to appear.

Serving on the grand jury were: Tomi May, foreman, Tiffen Mayfield, Jerry Walker, James Beauchamp, Larry LeFevre, Coy Hewitt, Terry Mathis, C.B. Banner, Felton Everett, Mike Wilcox, Willie Peiser, and Mable Overton. 31tf

NOTICE TO ARTIST

Suzanne (Thomas) Wollard will be instructing a German Folk Art Workshop in Acrylics April 27, 28, and 29. Harold Scott will be in our shop May 3, 4, and 5 instructing in landscapes. Hurry and sign up as classes will be limited.

180 Attend Reunion

The family of Victor J. and Catherine Josselet held a reunion April 14-15. Those present were the descendants of Lydia Turnbow, Annie Thomas, Ardonia Toliver, Esther King, and Dave, Paul, Felix, Andrew, and Jesse Josselet.

Saturday evening a picnic supper of sandwiches and homemade ice cream was enjoyed at Rice Springs Park. On Sunday, family members met at the Haskell Country Club for a barbecue dinner. Some of the men cooked the meat and beans. The ladies brought salads and desserts.

One hundred-eighty persons attended the Easter Sunday dinner. Esther King, the only living descendant of the original Josselet family, was in attendance. The living in-laws present were Luther Toliver and Carrie Josselet.

Luther Toliver, 90 years of age, also was the oldest person present. The youngest ones at the reunion were Ember Josselet, daughter of Mr. and Mrs. Danny Josselet, and Sybil Ryan, daughter of Mr. and Mrs. Chang Cousins of Huntsville. Mr. and Mrs. Buster Medford from Dover, Ohio came 1,000 miles which was the farthest distance. The D.J. (Dave) Josselet clan had 40 members attending, which was the largest group.

A short business meeting was conducted by the presi-

dent, Alfred Turnbow. Minutes were read by Doris Reeves. New officers were elected for the next reunion which will be at Easter in 1981. They are president, Adell Thomas; vice president, Olen King; secretary, Bailey Toliver; reporter, Alta McGuire; and historians, Imogene Aycock and C.W. (Biggon) Drinnon.

A good time was experienced by one and all. The Josselet Family is looking forward to our next get-together.

Jaycee & Jaycee-ettes Happenings

Congratulations to all you newly elected Jaycee officers. The stage is set for a super year and with the slate of officers and directors you chose, it is bound to happen.

April 20 (Friday) is the Blue-Chip deadline for the year! We must have all our information compiled and in the mail Friday. We will need a lot of information Thursday night from all of you, so be there and let's get the job done!

Super Kids this weekend! Looking for a bunch of kids. We will need all of you Jaycees and Jaycee-ettes there to help. See Ervin Unger James Davis, or Mike Poteet! Come out and help.

All of you who plan on attending state convention-contact Laura Andress and get your new vest fit. Time is running out!

Creek project-deadline May 3, we will be working Sunday afternoon, April 22nd from 1 till 7 and again the next weekend. We must finish this project now! We need all of you!

Newly elected officers, make plans now to attend Head Officers Training Seminar on June 1, 2, and 3 in Temple. The information you gain there will surely make your job easier this year.

Super things are happening to the two chapters we extended this year; Throckmorton and Anson. Throckmorton has had several successful projects and has 30 members. The Greater Anson Jaycees started just three weeks ago, have grown to 32 members, and have already run two very successful

project. These are young men who are involved and dedicated to their community.

Rumors persist of one more extension for the Haskell County Jaycees before April 30th. We can do it if we really make up our minds and go to it.

Our membership goal of 600% growth is nearly there. We only need seven more as of press time, but time is running out! We must extend a hand of friendship to every young man in Haskell and invite them to join the Jaycees, get them involved in the community, and make leaders of them.

Casino Night, April 28, you guys sell these tickets and make this a success.

Three awards were received this month from the U.S. Jaycees. Bo Owens was recognized as number 1 in per cent overbase for the U.S. Jaycees, The Haskell County Jaycees were number 2 in per cent overbase, and Charles Thornhill was named "Motivator of the Month" for February by Jim Varner, U.S. Jaycee Representative for the Southwestern United States.

Individual commitment to a group effort is what makes a team work, a community work, a nation work, a civilization work. Each of you as Jaycees or Jaycee-ettes should make the commitment to make our team work today, tomorrow and forever and be as great as we really are! Be Proud to be a Jaycee! Be Proud to be a Jaycee-ette! Be Proud to be an American!

Why settle for less?

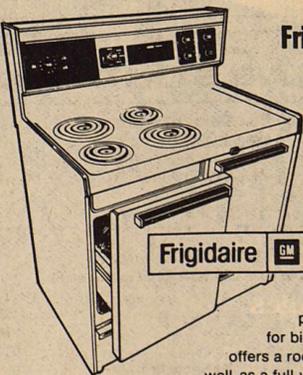

Choose Frigidaire Quality And Dependability...

Frigidaire 30" Range

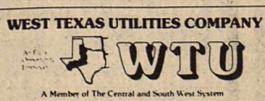

- You can program the oven to start baking or roasting at the time and temperature you desire, — even tell it when to stop — thanks to automatic Cookmaster controls.
- Put the drudgery of oven cleaning behind you. The Electric-Clean oven can clean itself automatically.
- For better, more uniform broiling, a self-cleaning Broiler Shield reflects heat from the broiler unit away from the top of the oven and back across the broil area.

Frigidaire 40" Range

- The Electric-Clean oven can clean itself automatically, electrically, reducing baked on food spatters to a trace of ash that can be wiped away with a damp cloth.
- To help radiate heat upward, — and provide positive contact with your pots and pans — the exclusive Radiantube surface units are V-shaped... with wide, flat tops.
- To help you find room for those pots, pans, and other large utensils you need for big-family cooking, this Frigidaire Range offers a roomy waist-high storage drawer — as well as a full-width drawer underneath.

Around Town

Mr. and Mrs. J.B. Dunnam invite everyone to come by and see their Irises. They are blooming.

Mr. and Mrs. Vern Foreman, Flint and Monica Nanny of Odessa and Mrs. James Lundy, Chad and Jennifer of Canyon flew to Haskell Sunday to visit Mr. Foreman's and Mrs. Lundy's parents, Mr. and Mrs. Charley Redwine and their grandmother, Mrs. E.W. Andrews. The Nanny children visited with their father, Joel Nanny and Mrs. Nanny.

Gena Sonnamaker spent the Easter holidays with her grandparents, Mr. and Mrs. Max Brown, in Abilene.

Bobby Hunt of Waco was in Haskell visiting Mr. and Mrs. A.M. Stocks and Phillip and Mr. and Mrs. Randy Shaw and other friends and relatives.

Mr. and Mrs. Billy Bob Shaw, Druann and Shawna were in Haskell over the Easter holidays visiting his parents, Mr. and Mrs. Bill Shaw.

Mr. and Mrs. Larry Cockerell and daughter of Amarillo and Mr. and Mrs. Lee Roy Cockerell of Breckenridge spent the weekend in the home of Mr. and Mrs. Lee Cockerell.

Out of town guests in the home of Mr. and Mrs. J.W. Hawkins and Mrs. Mamie Vaughn this weekend were Mr. and Mrs. John Conn and sons of Odessa, Mr. and Mrs. Johnny Hawkins and daughter of Lubbock and Mr. and Mrs. Dolan Vaughn, Cynthia and Matt of Panhandle.

Mr. and Mrs. A.J. Schnuriger of San Antonio spent the Easter holidays with Mrs. Buster Shelton and Herbert Clanton.

Mr. and Mrs. Ed Walling of Haskell and Mr. and Mrs. Donnie Rieger of Waco attended an Exxon Retailer Convention which was held in New Orleans, Louisiana, April 11, 12, 13 for the Midland and Houston districts in Texas.

The main theme of the convention was "Put Yourself In Their Shoes". The agenda included a three act Broadway show pertaining to Exxon and their retailers, with comedy, a Mardi Gras party/dinner, major issues seminar, question and management panel, displays, reception, dinner,

show, dance and prize drawings. This was the first convention held out of Texas.

John and Shirley DiLorenzo and daughters Shannon and Jennifer from Cincinnati, Ohio spent last week with Shirley's parents, Felix and Lydia Klose, and other relatives.

Mrs. Ruth McKennon of Munday visited her nephew and his wife of Big Springs from April 4th to 6th, Mr. and Mrs. Bob Brock. She bought a new Thunderbird from Bob Brock Ford in Big Springs. Mrs. McKennon and Mrs. Bob Brock, Sr., of Haskell spent the weekend with Mr. and Mrs. Vernon Bowen of Lubbock. They came home Monday the 9th.

Donna and Vernay Lusk, Jim Lusk and family of Morenci, Arizona visited their mother and grandmother, Mr. and Mrs. Jerry Harrell, Sunday and Sunday night. Vernon Lusk also spent Sunday visiting at the Jerry Harrells.

Visiting with the John Scheets were Howard and Frances Scheets, Connie, Deanna and Earl of Rochester; Dale and Bonnie Breit, Vera, Joe, Sean and Meechele of Napa, California; Chuck and Faye Coddington, Barbara and Diana of Abilene; Weldon and Minnie Scheets, Donna, Jesse, Cindy, Gary and Bobby of Midland; Roy and Lou Scheets, Wesley, Wayland and Winnett of Midland; Marvin and Linda Scheets of Portales, New Mexico; Mike and Margie Cale and Marjorie of Abilene; Jerry and Rose Scheets, Anthony and Jerry Jr. of Perryton; Ellen Hilliard and Jean Ballard of Abilene; Elmer and Bernice Hilliard of Haskell; Ronnie and Edith Hilliard, Jarred and Jason of Lockhart; Carrol and Faye Scheets and Cora of Haskell; Thomas Brown and Tony White of Abilene; and Estebell Turnbow of Haskell.

Mr. and Mrs. Charles Lynn Blake of Goree announce the birth of a son, Gregory Charles Blake, born Sunday, April 15, 1979. Gregory weighed 5 lb. 2 oz.

LUANN BROWN

Luann Brown Representative In Queen's Contest

Miss Luann Brown, daughter of Mr. and Mrs. Gene Brown of Eagle Lake, will represent the Eagle Lake Noon Lions at the District 2-53 Lions Convention Queen's Contest to be held in Bryan the weekend of April 27, 28 and 29th.

Luann is a junior at Rice Consolidated High School and is a twirler for the Raider Band. She is an honor student and is an active member of the jazz band, golf team and Future Teachers of America.

She is the granddaughter of Mr. and Mrs. J.R. Fouts of Haskell.

Mrs. Perry Presents Program

The Haskell Garden Club met on Thursday, April 12 at 2 p.m. at the Community Room.

The theme was "Happiness is—Potting and Caring and Sharing."

Mrs. K.H. Thornton, president, presided. Mrs. J.R. Perry gave a very interesting talk on Moon Lore. Mrs. Thornton spoke on The Language of Flowers and Mrs. Cliff Dunnam spoke on Succulents and cactus, showed several different kinds and had several plants to give and also sample jars of cacti jelly.

A short business meeting was held. Several members brought horticulture and brought some plants to exchange. Mrs. R. L. Lemmon brought beautiful various colors of tulips from her yard.

There were fourteen present. Hostesses were Mrs. J. R. Perry, Mrs. Robert Free, and Mrs. Ira Davis.

Lillian Garner, Artie Cameron, Beatrice Livengood, Dorothy Reddell, Edgar Jones, Helen Matysiak, Mary Lou Summers, Letha Isbell, Eugenia Searcey, Kelli Jennings, James Cooke, Deanna Jordan, Lee Ann Colbert, Jauna Tuggle, Bessie Gregg.

agri-facts

Pat Hale

Cardboard chewing cattle may become more common during the next few years. Researchers say cellulose in cardboard provides a much better diet for cattle than newsprint materials which were experimented with for several years. Giving the new product the title, "Rumose", promoters are pushing for acceptance of treated corrugated boxes as a viable feed supplement in the feedlot for commercial feeders. Developers advocate grinding or pelleting of the boxes, then mixing with whey (waste material from cheese making) or other materials to make the boxes more palatable. One of the key researchers for this project is Dr. John Campbell of the University of Missouri. Dr. Campbell says the process of manufacturing the boxes may increase their digestibility which "approaches or even exceeds the digestibility of common forages". For cattle, "box" lunch may take on a whole new meaning.

FBC Classes Hold Easter Breakfast

The Naomi and Fidelis Classes of the First Baptist Church had their Easter Breakfast Sunday morning, April 14th at the Church. The tables were beautifully decorated with bluebonnets.

The group sang, "He Lives" for the opening song. Maye Belle Taylor led in prayer and Opal Nanny welcomed the guests. Invocation was given by Lois Sherman, then the group enjoyed a delightful breakfast.

Special music was by Carolyn Everett accompanied at the piano by Pam Gibson. Billie Cadenhead brought the lesson summary, The Resurrection in Christian Experience, which was very inspiring. Her scriptures were taken from the Book of Romans. She emphasized the empty grave, and since Jesus has risen, Christians will also live again; although He was God's Son from eternity, Jesus was uniquely shown to be God's Son by the resurrection. His resurrection is our assurance as believers of victory over death.

The Lord's Prayer was repeated in unison by the group, and then the group sang "Bless Be The Tie That Binds."

Guests attending the breakfast were: Mms. Ruby Faye Schnuriger, San Antonio; Mary Alice McPherson, Chillicothe; Lucille Sherrill, Abilene; Carolyn Everett, Pam Gibson, Rose Iden, Lee Barnett, and 28 members.

CAP News

Monday, April 23 is the date for regular CAP Fellowship Luncheon which was started last month with a good attendance. Everyone is invited to come and bring a covered dish and have lunch and fellowship together.

This will be a time for people to let their needs be known, then together, try to solve them or find some way to work together and better our community.

CAP board members and their wives or husbands are invited as special guests. At this meeting, three board members from the community people will be elected so they may be represented on the CAP board. Members appreciate the good response received at the last luncheon, and hope to grow into a bigger and better organization, with more people participating.

Book Review Heard By B&PW Club

Tuesday evening, April 10, at seven o'clock in the Haskell National Bank Community Room Mrs. T.E. Simpson of Rule reviewed a book listed as one of the best sellers as inspirational reading for the Christian family for members of the Business and Professional Women's Club—"Papa's Wife" by Thyra Ferre Bjorn and based on her reminiscences of her early life; the story of a silver tongued preacher who was determined to remain a bachelor, a young woman housekeeper with other ideas, their courtship, marriage, life in America, return to their native Lapland

and the preacher's desire to climb old Gellivara mountain to see the midnight sun.

"Let us remember that life is very much like climbing a mountain. We must reach the heights before we can behold the view. For in the fullness of God's promise, the higher we climb, the smaller become the things of earth; doubts, fear, envy, selfishness; and the nearer your Heaven" quoted Mrs. Simpson.

The story continued with Reverend Franzon's death before reaching his mountain top, his parting thanks to Maria for bringing him home,

Mama's return to America, concluding with the exciting news that she would no longer be just Papa's wife but Grandma Franzon!

The Membership Committee composed of Dona Montgomery, Jeff Adams, Maye Bell Taylor and Madalin Hunt, Chairman, served as hostesses for the evening. Easter motif was used throughout. The speaker's table was centered with an arrangement of pastel Easter lilies. Basket shaped almond cake pastries filled with cherries were served with coffee, nuts and olives.

The Country's No.1 Bestseller

More things are sold through the Yellow Pages than any other buying guide.

If you think the Yellow Pages is just a listing, think again.

It contains all sorts of information that can be extremely helpful no matter what you're shopping for.

Like, does the place take credit cards?

What are their hours? Etc. Etc. Etc.

Maybe that's why more people read the Yellow Pages last year than just about any book published.

Curl up with it the next time you're shopping for something.

MR. AND MRS. JAMES MARQUIS of Rule announce the engagement and approaching marriage of their daughter, Cheryl Elaine, to William Michael Hertel, son of Mr. and Mrs. Bill Hertel of Sagerton. The couple plan a June 9th wedding in the Faith Lutheran Church in Sagerton. Both will be May graduates of Rule High School. The prospective bridegroom will then be engaged in farming with his father.

CowBelles Discuss Projects For Year

The Haskell CowBelles met April 16, 1979 at 7:30 p.m. in the Haskell Bank Community Room for their monthly meeting. Mrs. Buddy Brazell, president, opened the meeting with prayer. Mrs. Brazell gave her report on Ag Day and different projects for the year were discussed.

Two new members were presented: Mrs. Dwight Burgess and Mrs. W.R. Moore. Mr. Bobby Howard, treasurer, handed but copies of the financial report. For the next meeting, there will be a speaker for the group. Meeting adjourned and refreshments were served by Mrs. Brazell.

Delta Kappa Gamma Honors Louise Lemmon

The Beta Chi Chapter of Delta Kappa Gamma met Saturday, April 7, in the Truscott Community Center with Truscott and Benjamin members serving as hostesses. Hostesses were Belle Grill, Sybil Simmons, Valarie Kinnibrugh, Margaret Todd and Virginia Casey. Thirty-two chapter members and two guests were present.

Virginia Casey introduced Tracy Shaw, whom she accompanied on the piano. Tracy sang "I Write The Songs", "The Rock and Roll Waltz" and "I'm Forever Blowing Bubbles".

Hostesses served refreshments of chocolate covered cream puffs, topped with whipped cream and cherries with tea and coffee.

Dorothy Myers won the drawing for the door prize which was a bronze Knox County coin.

Club president LaRue Reeves called the business session to order and led the group in the reading of the chapter collect. Mrs. Reeves reported to members that 1) chapter reports are due; 2) the Delta Kappa Gamma state meeting will be held in San Antonio June 7 through 10; and 3) the Delta Kappa Gamma national convention will be held in Dallas July 23 through 26. Mrs. Reeves commented that she is plan-

ning to attend the national meeting in Dallas and invited other members to attend with her.

Louise Davis Green Lemmon was honored with the chapter achievement award. Mary Martin gave an account of Louise's teaching and Delta Kappa Gamma work and also presented the award.

The Constitution Committee with Rozella Wilkinson as chairman presented the program on the subject "Golden Vision". Faye Woodson discussed "The First Fifty Years in Delta Kappa Gamma" and Rozella took a future look at the organization's next fifty years. Delta Kappa Gamma was founded in 1929 and this year is the club's golden anniversary.

Eula Lee Carter of Fort Worth organized the Beta Chi Chapter of the four counties of Knox, Haskell, Stonewall, and Throckmorton in 1936. Charter members are Mrs. Rotha Berry, Ruth Faye Miles, Mrs. W.A. Baker, Marquerite McCullum, Mrs. E.F. Branton, Mary Louise McNeill, Madalin Hunt, Mrs. Alex Dickie, Mrs. Irene Ballard, Mrs. Gladys Crume, Mrs. W.D. Hinson, Jr., Mrs. John B. Ingram, Grace Orsborn, Mrs. Hazel Weaver, Minnie Ellis, and Mrs. George B. Wimbish.

Marie Ward and other chapter officers initiated three active members into Beta Chi Chapter including Anna Decker, Nancy Kathryn Abernathy, and Kathleen Lollar Tanner.

The club's next meeting will be a fiftieth anniversary luncheon in observance of its golden anniversary on May 5 at twelve noon in the Munday Methodist Church, where Goree and Munday members will serve as hostesses.

BIRTHS

Mr. and Mrs. Henry C. Jimenez announce the birth of a son, Tommy Lee Jimenez, born Wednesday, April 11, 1979. Tommy weighed 6 lb. 10 oz.

MR. AND MRS. MANUEL CARDOZA of Rochester announce the engagement and approaching marriage of their daughter, Janie Cardoza, to John H. Andrada, son of Mr. and Mrs. Raymond Andrada of Haskell. The bride-elect is a 1978 graduate of Rochester High School and is employed by Heidenheimer's. John will be a 1979 graduate of Haskell High School and is employed by J&R Radiator Shop. The couple plan a July 28 wedding at St. Joseph's Church in Rhinecland.

Rosemary Kimbrough of Lanco Insurance, 510 N. 1st, Haskell, receives her copy of the Big Country telephone directory from Peter MacInnes, Manager of Big Country telephone directory, Abilene.

NEW WIDE-AREA TELEPHONE DIRECTORY AVAILABLE

A new wide area telephone directory for Callahan, Fisher, Haskell, Jones, Nolan, Shackelford, Stonewall, Throckmorton, and a section of Taylor counties is now being delivered.

The wide area telephone directory published by Associated Publishing Company is a handy reference of business buyers and sellers in the Big Country area. It is designed to be a complete source of information in the white pages and the yellow pages. Over 30,000 directories are being delivered free to area business and residences.

The advantages of the wide area directory over similar telephone directories are many according to Peter MacInnes, manager of Big Country telephone directory.

The directory is compact with easy reference. One book covers an entire market area. It is the most complete source of information on business and residences that covers the big country area. It is also available to guests at hotels and motels in the area. Particularly significant is the lower advertising rates, says Mr. MacInnes.

As the "Big Country" telephone directory is put into daily use in the area, directory company representatives are optimistic that the community will find it as useful and successful as any area telephone directory found in similar markets throughout Texas.

This new wide area telephone directory is another reliable service provided by Associated Publishing Company to the Big Country community.

If you have not received your copy of the Big Country telephone directory, pick one up at Lanco Insurance, 510 N. 1st, Haskell or the local Chamber of Commerce.

HASKELL, TEXAS

Rice Springs News

To start our week off, the Haskell First Methodist Church brought a devotional and lots of good singing Monday morning. We had about thirty residents to attend and really enjoyed the service and visits from the Methodist. Tuesday we started off with exercises and playing games, of course, we had lots of laughs and comments. Some residents even showed us some new exercises to try out. We ended our morning with a song led by one of our residents. Tom Jones from the First Christian Church in Haskell brought our Bible Study Wednesday afternoon. Several of our residents take an active part in Bible Study and would like to thank Tom for giving of his time to us. Thursday we took it easy with a little exercise, songs, and that afternoon, bingo. A going away party was given

Friday afternoon for our Activity Director, Teresa Denson. We all chipped in and gave her a little going away present to remember us by, as we will miss her and hope she will come back to see us often. We would like to thank all the ladies from Haskell, Rule, and Old Glory who were so kind to donate cookies, cake, and punch for our party. Sunday, The Church of God brought our morning service and The Church of Christ brought our evening service. There were about twenty-five residents who enjoyed these Easter services.

We had many visitors over the Easter Holidays. Dessie Marion enjoyed visits from Mr. and Mrs. Oris D. Gibson, Darla and Rhonda all of Victoria, also Mrs. M.F. Foster and Emmie Conner from Rule.

Alva LeFevre, Etta Leach of

Sagerton, Mr. and Mrs. Corzine, Rev. Waylon Dowden, Lavern Lee and Julie all of Rule, Mr. and Mrs. Nathan Hosea of Munday, Harold and Ada Snyder and Dora Holt of Seymour, Ellitda Young of Quanah, Beatrice Lee of Loraine, Benny Allison and family from Amarillo and Sid Smart and family from Rochester all visited with Mrs. Maggie Martin through the week.

Mrs. Mojia Howard had visits from Don Howard and family from Tulsa, Oklahoma, also Kenneth Howard and family from Ft. Worth and Elliott and Bonnie Jean also of Ft. Worth.

Mr. and Mrs. Jerry Stewart of Midland, Mr. and Mrs. Virgil Mitchell of Rochester and Mr. and Mrs. Forrest Teffeller of Midland all visited with Charlie and Eugene Collier over the weekend.

Mr. and Mrs. Sam West of Rule visited with Jim and Dutch Cross.

Mr. and Mrs. Manley Branch were visited by Mr. and Mrs. John Smith and family from San Angelo.

Bill Harrell's guests were Mel Brown of Ft. Worth and Mr. and Mrs. Bill Slater and girls, also from Ft. Worth, Mr. and Mrs. Gary Davis from Rawls and Doris Slater of Hutchinson, Kansas.

James and Wanda Brown from Lubbock visited with Angie Mullino over the weekend.

Guests of Anita Threet were Ruth Williams from Sagerton and Carl Johnson, Mary Beard and Janet Threet from Lubbock.

Mrs. J.G. Lumpkin of Amarillo visited with Walter Copeland.

JoAnn Strickland of Montgomery, Alabama and Clara Hodges of O'Brien visited with Joe Teague.

Mr. and Mrs. Melvin Bruce of Smiley were guests of Mr. and Mrs. Ragsdale.

Lola Tipton from Edinburg visited with Mrs. Phemister.

Mrs. Nannie McCall went to Rule Easter Sunday and visited with Mr. and Mrs. Festus Hunt and Nicky.

Mrs. Ethel Thurman and Mr. and Mrs. J.R. Thurman all of Jacksboro visited with Jessie Lee Brown and Claudia Blankenship.

Guests of Johnnye Pumphrey included Kit Tennison and John Pumphrey of Ft. Worth, Sara English McDonald of Stamford, Sara McDonald of Midland, and Hazel Letz of Old Glory.

Truitt and Weldon Rose and families from Rule visited with their mother, Ethel Rose.

Steven Lehrmann and Mrs. Lillie Lehrmann of Sagerton, Mrs. Allen Davis of Old Glory, Mr. and Mrs. Don Clayton of Ft. Worth, and Mrs. Larry Lehrmann and daughter Sarah of Colorado all enjoyed visiting with Alvena Hollie.

Mrs. Ruth Eaton, Mrs. Pauline Ross, Mrs. Willie Geer and Mrs. W.D. Payne all of Rule, Mrs. Ada Snyder of Seymour and Mr. and Mrs. Verlin Barbee and son Randy from Bronte visited with Mrs. Charity Bradley.

Visitors with Trudie Bush were Dora Holt from Bomarton, Horace and Ada Snyder from Seymour, Oscar and Lillie Corzine of Rule, Gracie Mae Bristoe and granddaughter, Kelly, Mrs. Raymond R. Smith, Mrs. Flora Smith all from Rule. Also J.A. and Deal Bush of Plainview.

Alma Cole's visitors included Alva LeFevre and Etta Leach of Sagerton, Roy A. Sanders of Wichita Falls, Mr. and Mrs. Henry Blackburn of Amarillo, Mr. C.A. Murray of Canyon, Rev. Waylon

Dowden, Mary Sue Henry, Mrs. Thelma Cole, Lynn Matysiak, Ruth Eaton, Reba Mahler, Mrs. A.D. May, and Mrs. Hubert Hunt all of Rule, Mrs. John May of Knox City and the C.R. Clarks of Abilene.

Visiting with Ora McCollough were Tomi May, Mary Sue Henry, Ruth Eaton, Hallie Morgan and Zina Bills all of Rule. Also visiting were Etta Leach and Alva LeFevre of Sagerton.

Mr. and Mrs. Lon McMillion and daughter of Abilene visited with Beulah Persons.

Mr. and Mrs. Luther Hines were visited by Sigmund Stovall of Hamlin.

Fees Collected

A Monthly Report Of Fees collected in the County Clerk's Office at Haskell County by Sue Fincher, County Clerk, for the month ending March includes:

Recording Fees, \$1,197.00; Chattel Mortgage Fees, \$341.25; Marriage License Fees, \$90.00; Copies, \$237.25; Civil Court Fees, \$24.00; Criminal Court Fees, \$30.00; Criminal Justice Planning Fund, \$10.00; Law Enforcement Education Fund, \$2.00; Probate Court Fees, \$54.00; Miscellaneous Fees: Notary, Brands, Letters of test, \$49.00; Fines, \$190.00; Judge, Sheriff, County Attorney, \$74.00; Law Library, \$20.00; and Trial Fees, \$2.00 for a total of \$2320.50.

Sagerton News

We certainly hope that everyone survived the dust storm we received this last week. Let's hope we don't have any more of them for a while.

This was Easter weekend and we had a lot of visitors in the community. We also had visitors here for the baptism of Sarah Lehrmann and Jeffrey McEwen at Faith Lutheran Church Sunday morning. They are the children of Mr. and Mrs. Roy McEwen and Mr. and Mrs. Larry Lehrmann.

On Tuesday of last week, Mr. and Mrs. T.L. Green of Hawkins and Mr. and Mrs. Robin Green of Dallas visited in the homes of Mr. and Mrs. August Angermann and Mrs. Hilda Koch.

Only six showed up for the workday at Faith Lutheran Church Saturday morning. They were Mr. and Mrs. Leonard Kieke, Mr. and Mrs. J.B. Toney, Steve Lehrmann, and Johnny Baitz. Isn't it wonderful that a whopping 3% of the congregation cared enough to show up?

The Lutheran Brotherhood served breakfast to over 100 people prior to worship services. The food was delicious and everyone really felt like they got their money's worth. Members of the brotherhood prepared bacon, sausage, and pancakes for the hungry folks that attended.

Following the breakfast, an overflow crowd attended Easter services at Faith Lutheran. There were even people sitting in the Parish Hall. Following services, an Easter egg hunt was held in the grassy area west of the church.

Sunday guests in the home of Mr. and Mrs. J.A. Hertel included Mr. and Mrs. Melvin Baitz, Mr. and Mrs. Fred Baitz and Kacy, Johnny Baitz, Mr. and Mrs. Kenneth Hertel and Gail of Hamlin, Gary Hertel of Hamlin and his friend, Lyn of Lubbock, Dwayne Hertel of Garland, and his friend, Pam of Austin, Mr. and Mrs. Bill Hertel and Mike, Mr. and Mrs. Sam Smith and Craig of Swenson Ranch and Sheba Hertel.

Mr. and Mrs. Leon Stegemoeller and Carl honored Clifford Stegemoeller with a birthday party in their home Monday, April 9th. Those present included Clarence Stegemoeller, Walter and Erna Schaake and Mrs. H.C. Raphelt of Stamford.

On Saturday evening, Mr. and Mrs. Fred Baitz and Kacy visited with the Stegemoellers. Saturday night the following were guests in the Stegemoeller home for a flashlight Easter egg hunt: Mr. and Mrs. Marvin Stegemoeller and Brenda, Mrs. Mac Hearn and Leslie, all of Rochester, Clarence Stegemoeller, Susan Stegemoeller of Lubbock, Robert Turner of Rule, Tammy Shipman of Haskell, Mr. and Mrs. Clayton Stegemoeller and Stephanie of Lubbock, Mr. and Mrs. Calvin Stegemoeller of Duncan, Oklahoma, and Clyde Stegemoeller of Lubbock.

All of the Stegemoeller children and their families enjoyed the weekend with their parents. Mrs. H.C. Raphelt of Stamford visited with them and with Mrs. Otto

Schaake on Sunday afternoon. Johnny Baitz visited with Mrs. H.C. Raphelt of Stamford Thursday morning and with Mr. and Mrs. August Angerman on Sunday afternoon.

Carol Dudensing of Dimmit was home for the weekend visiting with her mother and brother, Odene, and LynDale Dudensing.

Kraig Kupatt was home for the holidays visiting with his family, Mr. and Mrs. Fred Kupatt and Kris.

Guests in the home of Mr. and Mrs. Leo Monse, Sr., for Easter were Mr. and Mrs. Franklin Mrazek, Bubba and Dana of Aspermont, Mr. and Mrs. Jack Monse and Dwayne of Sagerton, Mr. and Mrs. Norvell Lehrmann and Marla of Rule, Mr. and Mrs. Virgil Vahlenkamp, Charles and John of Denton, Mr. and Mrs. Bobby Smith of Rule, Mr. and Mrs. Donny Barbee, Eric and Mitzi of Rule, Mrs. Larry Howle, Jeff and Jill of Abilene, Monty Mitchell of Aspermont, Tony Carter of Rule, Mr. Fred Monse of Duddie, Mr. Charlie Monse of Leisure Lodge in Haskell, Mr. Robert Monse, Mr. Ted Monse.

On Wednesday, Mr. and Mrs. Rudolph Monse of Ballinger were guests in the Leo Monse home.

Mr. and Mrs. Johnny Cobb and son of Midland spent part of the weekend in the home of their grandmother, Mrs. John Clark.

Mrs. Linda Bailey and children have been spending the week with the Delbert LeFevres.

Model Airplanes—More Than Just Kid Stuff

By Gina Jennings
Special Correspondent

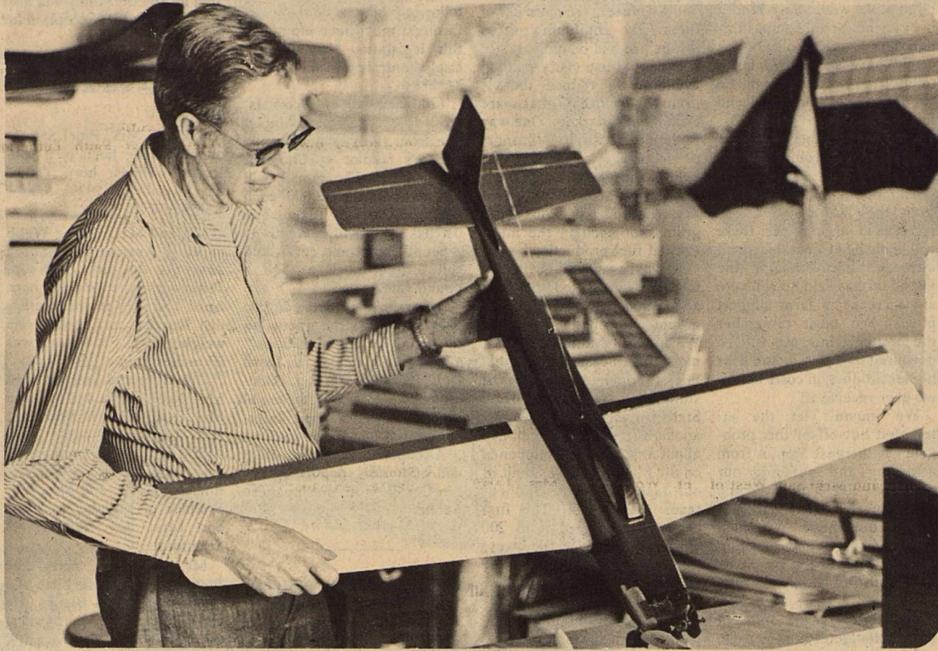

On almost any Saturday or Sunday the planes can be seen overhead, whirling and diving. Pilots gather with stopwatches and radio controls, skillfully maneuvering their custom-made aircraft. It is a delightful display of model aeronautics by local enthusiasts from Haskell, Munday and Stamford who bring their fragile, handcrafted model planes to the Haskell airport for an afternoon of flying fun.

Some of the models may be sailing silently on the wind while others may be accompanied by the roar of a motor. They come in all sizes and colors, ranging from the inexpensive balsawood gliders to the precision scale models costing up to \$6,000. Even the ages of the pilots may vary from youngsters such as 14 year-old Mark Bailey to veteran flyers like Ervin Frierson of Haskell who is, let's simply say, well past fourteen.

Ervin Frierson has been flying model planes since the age of six and beams enthusiasm for his sport. He has built many types of these models over the years and one careful look at their delicate

construction verifies his mastery of the skill. However, he is bothered by most Americans' lack of appreciation for the model planes. "Everyone here looks at model planes as toys and they definitely aren't," explains Frierson. "In Europe," he continues, "Model aeronautics is a respected sport. There are even special colleges in Eastern Europe to train model pilots to represent their countries in the world-wide competitions."

Even without the support of the general public, there are over 270,000 contest flyers in the United States and, according to Frierson, probably five or six times that many are not official members of the organization. In addition to a U.S. Organization, there is also a Worldwide Organization which holds competitions all over the world for representatives from the various countries. This year's World Competition will be held in South Africa which demonstrates just how dedicated some of these people are. That may seem like a long way to go to fly such a small plane, but for avid enthusiasts like Ervin Frierson, such trips are not unusual.

Ervin Frierson

Frierson frequently visits all across the country to compete with other flyers. Taft, California is a favorite example which the Haskell flyer describes as the free flight capitol of the United States. Taft may be insignificant to most people, but among model buffs like Ervin Frierson, it is famous. "Taft is normally just a quiet little oil town," he explains. "But when a model competition is there, the people pack in from all over. It really comes alive!"

Frierson most often competes in the Towline Glider Division in which a light model towed into the air with a line must stay up for at least three minutes. For a plane without a motor, that can be a very long three minutes. At the competitions, flyers will start trying to get their planes up before dawn when conditions

are best and will repeat their efforts seven times during a day.

Although Frierson himself has reached final competitions twice, he explains the difficulty of this achievement. "A contestant must go through two years of eliminations before he becomes eligible for the finals," he says. "And even though 30 to 175 flyers may be competing after those two years, only three will be chosen for the final team."

Whether or not the veteran flyer returns from competitions with a trophy cup, he thoroughly enjoys the fun and fellowship of the events. "It's great to get to see everybody," he exclaims. "I often hear from people all over the United States that I've met again and again at these competitions." They are also a family affair for the Friersons.

Mrs. Frierson enjoys helping fly the models since her husband switched from the noisy motor planes to the quieter gliders. And, although his daughters don't fly the models as they did when they were younger, they still attend the competitions. Grinning, Frierson admits they go more to meet the boys than to see the planes.

Frierson emphasizes the importance of the sport to many of those who regularly attend competitions events. It is definitely not just "kid

stuff." Telling of twin brothers he has come to know over the years who have flown their models literally all over the world, he chuckles. "They retired together from the military and decided to settle in California just because that's where most of the model activity is. That's the only reason they live there!"

Although California may be where the majority of the model activity is, there's quite a bit of it happening in this part of the country too. A

monthly sail plane contest is held at Tarrant County Junior College South and, in May, there will be a radio control plane competition in Abilene. According to Frierson, there is a full slate of contests and the local enthusiast can easily attend one every month.

A Haskell club for model airplane buffs was organized last fall and holds meetings every first and third Thursday at the City Hall. Besides just sharing their general enthusiasm for the sport, the club members have also aided novices with step-by-step information on how to build their own models. Frierson

states that they are eager for new members and anyone interested is welcome to attend.

The group hopes to get its own landing field soon where they can be away from airport aircraft. But until the flyers locate another field, they will be found almost any Saturday or Sunday afternoon chasing their planes across the Haskell airport. Whether you want to join them with your own model or simply sit back and watch them soar and sail (or crash and crumble), feel free to stop by. According to Ervin Frierson, "They'll be more than glad to have you."

Citation 4-Door Hatchback

CHEVY CITATION.

Citation goes a long way on a tank of gas. But that's just the start. Citation has the traction of front wheel drive, rack-and-pinion steering, front disc brakes, and a transverse-mounted engine that's cradled in rubber-cushioned mountings to reduce engine vibration. Sleek Citation is easy to park, yet big enough for five adults and lots of cargo. See Chevy Citation for yourself. And to really appreciate it, get behind the wheel.

EPA ESTIMATED MPG **24** CITY ESTIMATE
38 HIGHWAY ESTIMATE
With standard 4-cylinder engine and manual transmission

Remember: Compare the estimated MPG to the "estimated MPG" of other

cars. You may get different mileage depending on your speed, trip length, and weather. Your actual mileage will be lower in heavy city traffic, and your actual highway mileage will probably be less than the estimated highway fuel economy. The "estimated MPG" is more likely to reflect actual overall mileage than the "combined estimate".

Chevrolet cars are equipped with GM-built engines produced by various divisions.

American Agriculture News

Stenholm To Host Open House For District Office April 21

BY BETTYE McBROOM

Out of the American Agriculture News, April 17, 1979, comes the following:

We Have What It Takes To Be Unbeatable
By Alvin Jenkins
Campo, Colorado

When I left Washington D.C. to once again begin holding meetings, I was a proud farmer! After walking on the frozen mall and rubbing shoulders with farmers of every kind, I am proud to have had the privilege these past eighteen months to have worked for a better country and a better life for all Americans.

I am so proud that finally I found an organization that will

let me work, play, talk, listen, rather than tell me that a premium is due and if I don't pay it, I will be cancelled out.

I remember it was the people themselves who said they'd had enough, that things must be changed, that defeat would not be accepted, and that they would keep working until victory was achieved. It's at times like this that I think about all the good things farmers accomplished for themselves in 1978. Yes, there were some good things in 1978!

The American Agriculture Movement has accomplished more in 18 months than the rest of the other so-called farmer representative groups have in their combined his-

stories! We must realize that if any other farm organization had effectively worked for improvement in farmer's plights, we would have read it in every newspaper across this nation! Every policyholder would have received a letter telling them of the wonderful good that had been achieved for them.

This year, because the House Ag subcommittee on Livestock and Grain voted unanimously, due to pressure from the AAM, for a 7% increase in target prices, there will likely be at least this small increase, even though the President has said he will veto any increase in farm support prices. We must remember the probable increase will be devoured by inflation and ever higher production costs before we ever receive it!

We mustn't let the attempted buy-off of this probable 7% increase stop us from achieving and pursuing our real goal: 100% parity in the marketplace legislation! We cannot quit now! We must stop talking and fooling ourselves about the problems in agriculture! Now is the time to seriously get to work, through the AAM, and get things changed!

There is a way to accomplish every goal that we originally set out to achieve. We have a network of strike offices and supporters across this nation that, with a united

effort, will be the means of gaining our parity. We have a newspaper and a communications system that are excellent and we must make more use of them. By combining these things, we will be unbeatable! We must use every method available to reduce today's grain surpluses that are choking our markets. One way to begin is through gasohol production on a large scale. I believe the use of these excess grains in gasohol will cause markets to rise for those grains not used in the much needed fuel production.

It was a sad sight to see farmers tear-gassed, clubbed, and locked on a frozen piece of ground and concrete called the Washington Mall. It was the most un-American thing that has happened since the students were shot at Kent State University! I will never apologize, nor do I feel bad about anything that happened on the Mall! Out taxes built it, our taxes repair it, and our taxes maintain it. The first time farmers used it in 200 years was because they were forced to, not because they intended to!

On the other hand, it makes me extremely proud to see true Americans standing up together for what will someday be a proven fact: that it was the people and the small farmers who were trying to save the family farm system in this country!

Don't forget the 1980 election is fast approaching and the ever-important new farm bill will be written following that election! We, as farmers, must have input into this legislation that so precisely controls our destinies! *****

120,000 head of Charolais-cross steers are being shipped live from the North Montana Feeders feedlot at Choteau, MT to Japan. The animals will be worth about \$2,000 each when they get to Tokyo. The carcass value will be about \$4 a pound, but some cuts could sell for as much as \$18 a pound retail.

Japan has no quotas on live beef, but has strict quotas on importation of dressed beef. The cattle belong to Lloyd DeBruycker of Dutton, Montana. The sale was arranged through B.J. Holmes International of San Francisco.

A department store chain will offer the special "Western-Cut Beef" to the Japanese public.

A special tribute to patients in all 172 Veterans Administration Medical Centers on February 14 will involve top government officials and stars of the sports and entertainment worlds. This is the sixth annual national salute to hospitalized veterans.

Congressman Charles W. Stenholm announced today that he and his family will host a formal opening reception for

his district office in Stamford on Saturday, April 21 from 3:00 until 5:00 p.m. Congressman Stenholm, his wife Cindy, and daughter Courtney Ann, are in Texas for the Easter holidays and plan to visit over the 17th District. They will visit in the eastern part including Mineral Wells, Graham, Perrin and Gordon. In addition to several public appearances in Abilene, they will visit westward to Big Spring and Snyder; and southward to Coleman.

"This is a vast area to cover and we want to see as many people as we possibly can," stated Stenholm. "Stamford has always been our home town. Our children were born here and as long as we are privileged to serve in public office and regardless of where responsibilities may take us, Stamford will always be the location of our principal

office and home to us," Stenholm added. The congressional office that has been in the Federal Building in Abilene will remain, but the district office is in Stamford. With modern communication Stenholm feels he can adequately serve the district in this way.

Everyone is invited to attend the open house in Stamford. The building at 903 East Hamilton, Highway 6 east, was originally built as a service station. Al Lewis, the present owner, made some changes for use as Congressman Stenholm's campaign headquarters and more recently the building has been completely renovated for private offices with central heating, metal exterior siding, and all modern arrangements for use as the district office of the 17th Congressional District.

BIRTHS

Mr. and Mrs. Fidel Salinas announce the birth of a son, Santos Salinas, born Thursday, April 12, 1979. Santos weighed 8 lb. 14 oz.

Mr. and Mrs. Wayne Webb of Rt. 1 Avenue in Lubbock announce the birth of a son, Jeffery Wayne Webb, born April 13, 1979 in the Methodist Hospital in Lubbock. He weighed 9 lbs. 7 1/4 oz. and was 23 inches long.

Grandparents are Mr. and Mrs. M.H. Hicks and Mr. and Mrs. B.W. Webb of Rochester and Mr. and Mrs. Jack Aldridge. Great grandparents are Mrs. Lillie Webb of Rochester, Mr. and Mrs. Carl Wallace of Munday and Mr. and Mrs. Roy Aldridge of Stamford.

Mr. and Mrs. Terry Lee Blanks announce the birth of a son, Matthew Gil Blanks. He arrived at Hendrick Medical Center in Abilene on April 9, weighing 6 lbs. 6 oz.

Grandparents are Mr. and Mrs. E.L. Blanks of Abilene, Mr. and Mrs. Burnell Gilleland and Mrs. Stella Tooley of Haskell.

HSU To Host 33rd NIRA Rodeo April 19-24

With an eye toward the sky and a firm grip on tradition, Hardin-Simmons University will host its 33rd annual National Intercollegiate Rodeo Association rodeo April 19-21.

There will be performances each night at 8 p.m. plus a 2 p.m. Saturday show. Admission will be \$2.50 for adults and \$1.50 for students with special parking arrangements for handicapped rodeo fans who wish to sit in their cars and watch the action.

The official kickoff will be at 4:15 p.m. Thursday (April 19) when the rodeo parade will leave the Civic Center parking lot and make a rectangular trip down Pine to South Second over to Cypress and back north to North Seventh and the other side of the Civic

Center. Three trophies will be awarded, one each to the Best Horse Mounted Unit, Best Community/Commercial Entry and Best Float. Additionally, student floats will be eligible for prizes of \$75, \$55 and \$40 for first-through-third place or a \$40 prize for best decorated car.

The winners will be announced at the first performance of the rodeo Thursday at 8 p.m.

The rodeo itself has a packed program as always, plus a history of always going on despite a record rainfall in 27 of the 32 previous rodeos.

Approximately 200 students from colleges and universities scattered all over West Texas and New Mexico will be competing for points and a place in the NIRA finals in Lake Charles, La. in June.

In the team competition, Howard County College in Big Spring is ranked number one and Tarleton State University is second. Among the individual leaders is H-SU's Jerry Huffaker of Abilene, currently listed second in bareback bronc riding. The top two in each ranking advance to the nationals from each region.

Events during the rodeo

include both bareback and saddle bronc riding, calf and steer roping, bull riding, girls' breakaway roping, barrel racing, goat tie-down and steer wrestling.

Individual event winners will receive a trophy belt buckle and second through fourth will be worth either boots, hat, shirt or spurs.

Silver saddles will go to the champion cowboy and cowgirl with team trophies going to the winning girls and boys teams.

Clown Eddie Lang will entertain with his Cosmic Cop Car, Willie the Wonder Dog and Fiance, the world's smartest mule, in addition to fighting bulls and Dr. Bud Townsend will serve as announcer for the H-SU rodeo for the 19th year, giving the rodeo another unique twist since Dr. Townsend won a Grammy in 1975 for his album notes on Bob Wills.

Playday Results

The Stamford Jr. Sheriff's Possee met on March 31 for its first playday and hamburger supper. On April 7 they had their second playday and ribbons were awarded.

Results were as follows: 8 and Under: Lori Lane won 1st all around with three 1st places. Shelly Briscoe won 3rd and 4th.

9-12: Gina Kuykendall won 1st all around with three 1st places. Missy Briscoe won two 3rds and a 4th place. Liza Morales had two 2nds and one 4th.

13 and over: James Hopkins won a 5th, 4th and 2nd. Carl Hopkins won a 1st, 2nd, and 3rd. George Granada won a 5th. Lee Lane won a 1st.

On April 14th a playnight was held and the results are as follows:

8 and Under: Lori Lane won a 1st and two 3rds.

9-12: Shawn Chambers had a 4th and two 1sts. Gina Kuykendall won a 1st and a 2nd.

13 and over: Terry Kuykendall won a 4th. James Hopkins won a 3rd, 2nd and 1st. Tina Morris had a 3rd.

Time To Spray Pecan Trees Now

Beautiful pecan trees and regular harvests of high quality pecans begins each spring with frequent zinc sprays. Good foliage is the secret to optimum growth, healthy trees and regular production. Mature pecan trees can have double the amount of foliage with three or four zinc sprays in April and May. Leaves on mature trees are full grown by June, so spray early and frequently. Young pecan trees can grow six feet instead of six inches in one year if zinc is sprayed onto the foliage every two to three weeks from April until August. This is of course in combination with a good management program.

There are two types of zinc which can be used in Texas, zinc sulfate or NZN. Each is effective. Commercial pecan producers have used zinc sulfate with good results for over 40 years. Caution will need to be used however because zinc sulfate can kill many types of plants, so spray it only onto pecan foliage. NZN is a new type of zinc which is a liquid. It was developed by Dr. J. Benton Storey of the Texas Agricultural Experiment Station. NZN is highly soluble, less toxic to other vegetation and readily available at many garden centers.

The commercial rates of zinc for spraying pecan foliage in Texas are 2 pounds of zinc sulfate or 1 1/4 quarts of NZN per 100 gallons water.

The homeowner should use 2 teaspoons of zinc sulfate or NZN in one gallon of water.

Annual Singing Convention Set April 21-22

The annual Haskell County Singing Convention will be held April 21 and 22 in the Community Building of the Haskell National Bank, according to Clyde Williams, president.

The singing will start at 7 p.m. Saturday and at 10 a.m. Sunday. The Sunday session will last all day.

There will be a covered dish luncheon at noon Sunday and all area ladies are invited to bring a covered dish.

Many fine singers will attend this singing. Three music companies personnel, several quartets, trios, song leaders and others have planned to attend. The event promises to be an enjoyable occasion with old time singing and fellowship.

Everyone is cordially invited to attend.

RUINS OF APARTMENTS and autos in Wichita Falls... Representatives from the towns of Wichita Falls and Vernon have stated that they no longer need clothing and other similar goods for storm victims as donations

of this type have outnumbered the need. Officials have requested that donations be given to the American Red Cross and an account is open at Haskell National Bank for persons wishing to aid tornado victims. (Staff Photo)

Mexican Produce Inspections Welcome Sign of Cooperation

AUSTIN--Almost 500 million pounds of produce passed through Texas-Federal Inspection Service stations from Mexico during 1978, bound for sales in the U. S. and abroad, Agriculture Commissioner Reagan V. Brown has announced.

Fees collected by the self-supporting state-federal agency amounted to \$283,334.37 for 492,416,921 pounds of Mexican produce. Produce is inspected for quality and size. It included 88.5 million pounds of onions, 31.9 million pounds of honeydew melons, 120.4 million pounds of cantaloupes and 98.9 million pounds of watermelons.

"This program represents our continued good relations with Mexico," said Brown. "As trade possibilities between our countries continue to expand, we expect to work more and more closely with the Mexican government."

"Mexican produce does not represent a threat to U.S. growers," he explained. "It is imported seasonally to insure plentiful supplies for our consumers. When U. S. crops begin harvesting, packers turn to the domestic market."

Brown added that Texas commodity groups are actively seeking to expand their trade with Mexico.

Mexico exports citrus to points outside the U. S. through the Port of Brownsville because Mexican ports are too shallow to accommo-

date large ships. The inspection service inspected 850,000 40-pound cartons of grapefruit and oranges going to Japan and Europe. It also inspected 300,000 40-pound cartons bound for Canada.

Texas Ag Facts

Texas turkey raisers have increased production of heavy breed poulters by some 13 percent so far this year, with a total of 4.19 million poulters hatched by March 17, noted Agriculture Commissioner Reagan V. Brown.

Farm goods make up about one-fifth of all U. S. exports, and contribute significantly to the American trade balance, notes Agriculture Commissioner Reagan V. Brown. Exports of U. S. farm products totaled \$27.3 billion in 1978.

HOW TO BUY A LAWN MOWER.

VACUUM ACTION. Check to see if it has powerful vacuum action that cleans your lawn as it mows, an optional mulcherizer that mulches grass clippings and an optional Snapperizer that pulverizes leaves.

LARGE GRASS BAG. Look for a bag that needs emptying less often. One that's between the handles for easy maneuvering in tight spots.

TRACTION DRIVE. Be certain the self-propelled mower has rear-wheel drive for greater traction.

SIX SPEED. Check to see that it has a 6-speed transmission for easy handling.

CHECK LIST. Now, if it has everything we've mentioned, buy it. It's a Snapper.

All Snapper mowers meet A. N. S. I. safety specifications.

SNAPPER

WICHITA FALLS DAMAGE...Homes in the path of a killer tornado in Wichita Falls April 10 were completely destroyed. Many Haskell residents have expressed a desire to aid victims of the storm and Wichita Falls

Mayor Kenneth Hill has requested that all donations be given to the American Red Cross. A fund is open at Haskell National Bank and will be sent to the Red Cross in Wichita Falls soon. (Staff Photo)

Track Awards Honor Athletes

The Red Howard Track Award is a very coveted award among the girls who participate in track each year. It is presented to a girl who has been outstanding in track during her high school years. This year at the All-Sports Banquet held on April 7, 1979, Renae McBroom was the recipient of this award.

During Renae's freshman year, Kim Drinnon, Sherrie Everett, Marcie Mickler, and Renae qualified the mile relay for the Regional meet held in

Lubbock. The 880 yard relay consisting of Jeanette Randle, Emily Thigpen, Sherrie Everett and Renae also qualified for Regional. The next year, Renae, Sherrie Everett, Kem Kemp and Rachael Gonzales took the mile relay to Regional in Odessa.

This Friday, April 20, Rachael Livingstone, Lorie Johnson, Alicia Walker, and Renae and alternate Emily Cox, will go to Odessa to the Regional meet with the 440 yard relay. Also going will be Cindy Everett in the mile run and Sharon Gray in the high jump.

The Jeffery Anderson Track Award is given each year to an outstanding boy in track. Receiving the award this year was Joseph Browning, a sophomore in Haskell High

School. Joseph's freshman year found him qualified in three events at Regional in Odessa. Running as a team in the mile relay were Bruce Enriquez, Joseph, and

Joseph's two brothers, Robert and Jim. Joseph ran the sprint relay with Bruce Enriquez, Jim Browning and Monnie Hise. He also ran the 330 yard intermediate hurdles.

STOCK MARKET

The market at Haskell Livestock Auction was active on a run of 1,231 head of cattle, 90 hogs, and 1 sheep at its sale Saturday, April 14, 1979 according to James Powell, reporter.

Other comments: Market active and stronger \$2 to \$3 higher on all classes. Good buyer attendance on a good run of cattle. Feeder cattle selling higher as feeders predict 80c fat cattle next week.

Butcher calves: choice, 80-87; good, 78-80; standard, 75-78; rannies, 70-75.

Cows: fat, 55-65; cutters, 50-60; canners, 40-50; stockers, 60-80.

Bulls: bologna, 65-75; stockers, 80-1.00; utility, 50-65.

Stocker Steer Calves: choice, 1.25-1.50; good, 1.00-1.25; medium, 90-1.00; common, 85-90.

Stocker Heifer Calves: choice, 1.10-1.30; good, 1.00-1.10; medium, 90-1.00; common, 80-90.

Feeder Steer Yearlings: choice, 90-1.10; good, 85-90; medium, 80-85; common, 75-80.

Feeder Heifer Yearlings: choice, 85-90; good, 80-85; medium, 75-80; common, 70-75.

Cows & Calves: good, 800-900; plain, 700-800.

Top on hogs: \$43.

Sows: \$38-\$41.

Boars: \$35-\$40.

Shoats: 50-70c lb.

Pigs by hd: 15-30.

Haskell Receives Sales Tax Rebate

State Comptroller Bob Bullock Friday said local one percent sales tax rebates to Texas cities for April were up over the same month last year. Bullock said city allocations statewide for April totaled \$34.9 million, compared to \$20.1 million during April of 1978.

The 1979 payments to date to cities reached \$135.2 million this month, compared to \$121.6 million over the same 4-month period last year.

The City of Haskell received \$5,018.76 this month.

Houston will receive \$7.6 million in rebates this month, compared to a \$4.9 million monthly payment last year.

Dallas will get a check for \$4.9 million in April of 1978.

Fort Worth will receive \$1.4 million, compared to an \$852,000 payment during April of last year.

The sales tax is collected by merchants and other tax permit holders along with the state sales tax and is rebated monthly to some 916 Texas cities in which it is collected by the Comptroller's Office.

HERE'S TO YOUR HEALTH
from Kenneth Jones

Corn meal which contains the complete germ is one of the most healthful foods you can serve to your family. White corn meal is preferred by some, however yellow corn meal has a fuller taste and is more nutritious, as it contains carotene which the body converts to Vitamin A. Cooked corn meal, corn meal muffins, pancakes, bread—all are most nutritious in the human diet.
