LAST WEEK WE REPORTED some of the winners of Senator William Proxmire's "Golden Fleece Awards," which are tongue-in-cheek awards by the senator for the best job of wasting tax money during the year. The examples we reported in our last column were bad enough—but they just skimmed the surface. If you feel like getting mad again, try some of these examples on for size:

The government, during 1978, awarded \$2,500 to a county in Virginia, to find out "Why people are rude, and why they cheat and lie on the local tennis court." (Apparently this county did not have a golf course, so that saved us some tax money.)

And then, the Department of Agriculture was awarded the tidy sum of \$46,000, to "Discover how long it takes to cook breakfast." Included in this in-depth study was to be the revelation of such little-known facts as how long it takes to crack an egg, etc. Senator Proxmire calls this grant "The \$46,000 hoax."

Another bargain conjured up by our government spenders was a grant of \$27,000 to study why inmates want to escape from prison. "It all came down to the fact that when you're in prison, you want to get out. This was utterly ridiculous," Proxmire said.

The Federal Energy Administration was awarded \$25,000 for its administrator to spend ten months jetting around the country in a chartered aircraft urging businessmen and civic groups to economize on their energy resources—not to take unnecessary trips, etc. In the course of the travels, the agency official used some 19,000 gallons of gas. His actions spoke much louder than his words.

If that wasn't bad enough, the Department of the Navy was awarded \$191,000 to fly 1334 officers to Las Vegas for a private reunion, during the height of the energy crisis. This soaked up a whopping 347,000 gallons of fuel (sorry your gas will cost more for your trip this summer).

The government doled out \$57,800 to the Federal Aviation Administration to "study the body measurements of stewardess trainees." Here again, many of us would have volunteered for the job, and perhaps paid our own way, in the interest of saving tax money.

The National Science Foundation was given a tidy chunk—\$500,000, to discover "Under what conditions rats, monkeys and humans bite and clench their teeth." (They need to add another condition, now). The cost turned out to be a cool million bucks.

The perpetrator of this fiasco sued Sen. Proxmire, saying that this was "a very serious study." We imagine that for a million dollars, you can get pretty serious. We could.

A grant of \$38,174 was made to the Environmental Protection Agency to show that "Runoff from open stacks of cow manure in Vermont causes pollution of open streams and ponds." We could have verified this for the EPA, without even going to Vermont. (That's just a lot of B.S.)

We subsidized a total of \$102,000 to the National Institute of Alcohol Abuse to study the effect of gin and tequila on the behavior of sunfish. I suppose the study will tell you if a sunfish that drank gin was more aggressive than one who drank tequila. That's probably a piece of information our entire country will be waiting to get.

We also paid out \$84,000 to the National Science Foundation (one of our favorite charities), to do a study on "Why people fall in love." This has been the mystery of the ages, and if they pin it down, even for \$84,000, it's going to make interesting reading.

Many of our legislators are joining

Welding Course Underway Locally

Farmers, ranchers and other interested adults are reminded of the Oxy-Acetylene Welding Short Course to be held June 11-14 at 8 p.m. in the Bovina High School Agriculture Department.

Charles H. Yeates, Oxy-Acetylene Welding Specialist with the Texas Education Agency and Texas A&M University, will conduct the short course.

Subject areas to be covered in this short course are: safety in handling, transporting, assembly and storage of oxy-acetylene equipment; the proper

line pressures to use for different tip sizes and welding jobs; cutting, welding, and brazing steel; welding and brazing cast iron; welding aluminum, welding aluminum to steel, stainless steel, copper, brass and cast iron.

Mr. Yeates will be available during the day for on-the-farm instruction to class enrollees having individual welding problems.

Further information may be obtained by calling Lawrence Widner or Pat Barrett at 238-1317.

NEARING COMPLETION....The new Senior Citizens building is shown above as the construction begins to

show signs of completion. The building is located at the corner of North and First Streets. The Senior

Citizens are still trying to raise money for their building and any help in any way would be appreciated.

Six Injured In Car Wreck

Six area residents were injured, two seriously, after a car-pickup truck collision about 1:15 p.m. Wednesday on Texas Highway 214, eleven miles north of Muleshoe.

Laura Jesko, 11, of Muleshoe remained in critical condition Monday night at Methodist Hospital with head injuries suffered in the crash. Her 16-year-old sister, Angelea, and her mother, Brenda Collier Jesko, 35, both were listed in satisfactory condition at Methodist Hospital.

Another sister, Ginger, 7 has been released from Muleshoe's West Plains Hospital.

The driver of the pickup, Joe Nanez, 51, of Friona was released from the Muleshoe hospital, and his son, Jessie Manuel, 9, was treated at West Plains and later released.

Department of Public Safety reports show that Mrs. Jesko was going north on Texas 214 and Nanez was traveling south on the same highway when the accident occurred. Trooper Jim Bishop said the two vehicles struck almost head-on about 350 feet north of the intersection of Farm Road 145 and Texas 214.

Music Show To Be Held In Bovina

"The Golden Years of Country Music" is coming to Bovina, for a performance June 19.

The country music road show, a production of South Plains College, Levelland, will be performed at 8:30 p.m. on the High School Football Field. Back-up site, in case of inclement weather, will be the High School Auditorium.

"Golden Years" features about 40 songs spanning 50 years of country music history.

Golden Years will feature faculty and students from SPC's country and bluegrass music program and students from the speech and drama department as well.

Reflections From The Blade

20 YEARS AGO—JUNE 3, 1959
Bud Crump, manager of Parmer County Farm Supply, was admitted to West Texas Hospital in Lubbock Saturday. His condition is not considered serious and he is expected to be released in the next few days.
Hail struck a devastating blow to this community Monday night. Damage caused by the storm has been estimated at more than a million dollars to crops alone. Homes and other buildings also were damaged by the hail.
Bill Moore has purchased the Gulf

Station on Highway 60 in Bovina from Elton Venable.

15 YEARS AGO—JUNE 3, 1964
Visiting in the home of Mr. and Mrs. W.E. Williams are their two daughters and their families. They are Rev. and Mrs. George Small and family of Fayetteville, Arkansas and Mrs. Jack Barnett and family of Dallas.

Mr. and Mrs. Elton Kesner and daughter, Eva of Hobbs, N.M. visited in the home of his parents, Mr. and Mrs. Shirley Kesner, over the weekend.
John David Ferguson, son of Rev. and Mrs. John Ferguson, was released from Northwest Texas Hospital in Amarillo Saturday. He was hospitalized after receiving a severe blow on the head from a baseball.

10 YEARS AGO—JUNE 11, 1969
Extensive damage resulted and one life was lost in an explosion at Sherley-Anderson Elevator in Lazbuddie Friday afternoon. Two men were also injured in the accident and two others received physical check-ups and then returned to work clearing away grain and debris to assist in locating the body of Cloys Stanberry, 31, who was killed in the explosion.
Pam Grissom, featured twirler for the Bovina High School Band, recently won six awards at the June Twirling Festival in Lubbock.

5 YEARS AGO—JUNE 12, 1974
Wilber Charles, father of five, grandfather of 15, and great-grandfather of 12, has been selected as "Father of the Year" in a contest sponsored by the Bovina CowBelles in conjunction with a beef promotion for Father's Day.
Michael O'Hair, son of Mr. and Mrs. Fred O'Hair of Bovina, has been named to the Dean's List for the spring semester at Texas Wesleyan College in Fort Worth.
Threats of rain here during the past two weeks have produced little more than widely scattered showers for the Bovina community with the tornado and hail producing storm clouds apparently building up over Parmer County before traveling east to vent their fury on other communities.

Letter To The Editor

Dear Mr. Ellis,
I would like to take this opportunity to express my appreciation to the young people of this town.

Never in my life have I ever been accorded the consideration your young people have shown me! I come from Dallas and we have visited Amarillo, lived in Hereford and Friona and in these cities and towns no one ever allowed me the right of way to cross their streets. Please allow me to explain.

I am in leg braces and must use my crutches when outside of the house. Of course this slows me down when crossing the streets. Your young people see me at a corner and come to a complete stop allowing me to cross without fear of being hit nor the fear of trying to rush across, losing my balance and falling.

People claim everything is wrong with young people but seldom do they tell the world the good they do. I, for one, can prove these dire predictors wrong with young people but seldom do they tell the world the good they do. I, for one, can prove these dire predictors wrong with young people but seldom do they tell the world the good they do. I, for one, can prove these dire predictors wrong with young people but seldom do they tell the world the good they do.

The town of Bovina can truly take pride in their young people. The world will be a better place to live because of them.
Let me "thank you" for your smiles and kindness. Others should be so fortunate in their young people.
Thank you again and God bless.
Truly yours,
Betty Spring

Scooter's Scoops

By Scooter Russell

Bessie Webb underwent surgery in the Deaf Smith County Hospital in Hereford three weeks ago. She is still in the hospital and the family does not know when she will get to come home.

Hugh Rogers underwent back surgery Thursday of last week at the St. Mary's Hospital in Lubbock.

He came home Tuesday of this week and is getting along fine.

Gene Hutto was riding the fork lift Wednesday of last week at the Gary Cook Oil Company in Friona when the radiator cap blew off. He suffered bad second degree burns to his right arm and a portion of his back. He came home Monday morning and is getting along pretty good.

Several attended a softball tournament in Colorado Springs June 1, 2 and 3. They were: Mr. and Mrs. A.L. Nuttall, Mr. and Mrs. Mike Spears and Mr. and Mrs. Mike Grissom. Mike Spears reported that the team "bombed" out but they enjoyed a good time.

Mike and Lisa Spears went to Yellowstone National Park from there and had a good trip except for the cold weather and said they also had some snow during that time. They returned home Saturday night.

Freddie O'Hair graduated from Kilgore Junior College of Kilgore, Texas, May 17.

He received an Associate of Applied Science Degree. He plans to

continue his education and is majoring in electronics.

Freddie is the son of Mr. and Mrs. Fred O'Hair of Bovina.

Furne and Jay Harris drove last Thursday to Dallas and had a good visit with their sons, daughters-in-law, and grandson, Wesley, Carla Harris and son Christopher, and also Kyle and Beverly Harris.

The family enjoyed a trip to Six Flags together and on the way home they visited with Jay's sister and her husband, Bonnie and Gene Butler of Hamlin.

Esther and Joe Steelman have had company recently: Esther's sisters, Sandra, Naomi and Cynthia Mejia of Memphis, Texas.

The girls came a week ago last Saturday and left to go home Monday of this week.

Services were held Saturday for Mrs. Lorna Preston, 90, in the Central Baptist Church of Lubbock last Saturday. She died Friday after a lengthy illness.

She is survived by one son, Neff Preston of Lubbock, three grandchildren and eight great-grandchildren, and one sister, Mable Smith of Floydada.

She was Judy Hodnett's grandmother.

The children and grandchildren hosted a 50th wedding anniversary reception Sunday for their parents and grandparents, Mr. and Mrs. Bill Bradshaw of Bovina. They were:

their daughter, Ella Bishop and children, Terresa, Larry, Don and Leigh Ann of Houston; another daughter and her family, Dyalthia and Larry DeSever and son Dirk of Amarillo; their son and his family, Cotton and Avis Bradshaw and son Darrell of Lubbock.

Also attending was Mrs. Bradshaw's brother and his wife, Mr. and Mrs. J.W. Hulsey of Downey, California, and they went home Tuesday.

Reports are that it was a very lovely occasion and over 100 people attended.

Mrs. Ross had company recently, her daughter and granddaughter, Mary Evans and Linda Ross of Oklahoma City. They came a week ago last Wednesday and left the following Sunday.

Juanda and Don Murphy went Friday to Ballenger and visited with several relatives: Don's parents, Mr. and Mrs. Elvin Murphy, Juanda's dad, Elmer Patton, Juanda's brother and his family, Bobby, Janice and children Beth and Paul Patton.

While they were there, the family had dinner at Bobby and Janices home in honor of their grandmother, Ora Wood of Whorton, who celebrated her 81st birthday.

Dorothy and Grady Sorley attended the Sorley reunion recently in Petersburg. The family enjoyed good food, a good visit and the Sorley family always have a worship service at the Petersburg Community Center on Sunday.

This year the Grady Sorleys presented the music and Grady brought the devotion. A cousin of the

Sorleys also had a part in the worship, Tom Sorley, who plays for the Nebraska Cornhuskers.

Mr. and Mrs. Weldon Moody recently attended the Lloyd family reunion at Lake Whitney, which is south of Ft. Worth. Sid Lloyd and her brother, Elbert Kelley, Mr. and Mrs. Larry Webb and children, Becky and Kendall also attended the reunion.

The Moodys left Bovina Thursday and came home Sunday night. Seventy-five people were at the Lloyd reunion this year.

Dick Sparks suffered a heart attack Monday and was taken by ambulance to the hospital in Friona. The family says he is getting along fine but will remain in the hospital for three days before being released.

Betty Spring was taken to the Friona hospital by ambulance Monday after sustaining injuries caused by a fall. She was treated and released.

Kenneth Cary and son Ronnie are getting along fine after having surgery last week in the Methodist Hospital in Lubbock. Cary had heart surgery and his son Ronnie had knee surgery.

Mr. and Mrs. Jim Noyes had company over the weekend: Jim's parents: Mr. and Mrs. J.L. Noyes of Arnett, Oklahoma.

They came Friday and left Sunday.

Several relatives were visiting the Jay Sherrill's over the weekend and attended the wedding of their son Steve: Pat's brother and their wives: Mr. and Mrs. Cecil Clem of Tahoka, Mr. and Mrs. Roland Clem of Tahoka, and Mr. and Mrs. Vernon Clem of Lubbock. Also, Pat's sisters and their husbands, Mr. and Mrs. Bob Connolly of Tahoka, and Mr. and Mrs. Jim Huntley of Post; Pat's niece and her husband, Mr. and Mrs. Mac Shipley of Lubbock, and Jay's sister and brother-in-law, Dr. and Mrs. Bervin Caswell of Roswell.

Several men enjoyed a fishing trip over the Memorial weekend: Jim Noyes, Larry Wilson, Mark Gunnels,

Jim said the fishing was terrible and that every fish that Larry caught that was over 10 ounces, he threw back.

Husband Jim will be having a good Father's Day Sunday. Our daughter Janee and children Jason and Rene' came from Mt. Home, Idaho, last Monday. Our son-in-law, Bill Griffin arrived in Bovina Monday night of this week. Our daughter Tracy and husband Clay Wright will be flying in from Idaho Thursday. And also our children Tami and Arty Kunselman of Lazbuddie will be with us. Yep, it will be a fine day around our house!

First Baptist Church Plans Special Program

What does the Jewish Passover and Jesus' Last Supper have in common? David Baker, staff evangelist with Jews for Jesus, will answer that question as he presents "Christ in the Passover" at First Baptist Church on Sunday, June 17 at 7 p.m.

Says Mr. Baker, "As a Jew and a Christian, I've come to have a new appreciation for the Jewish feasts in

light of New Testament truth. All the early Christians were Jews, the New Testament was written by Jews and Jesus Himself is a Jew, so it shouldn't come as a surprise to anyone that Jewishness and Christ go hand in hand."

The purpose of the "Christ in the Passover" presentation is to enhance the Christian understanding of the New Testament by showing a Jewish background for the Communion celebration. Ancient and modern Jewish customs are discussed and described with an emphasis on the aspect of redemption that Christ accomplished at Calvary.

A table is set with the traditional Jewish Passover items, including representative foods which are explained, but not eaten. Members of the Jews for Jesus group have given this demonstration in more than one thousand different churches. It was originally written in 1956 by Moishe Rosen, the founder and leader of Jews for Jesus. It was abstracted

from the writings of the former rabbi, Leopold Cohn, who came to Christ in 1894 and died in 1936.

Rosen contends that some of the most important elements of Christian doctrine, such as the Trinity, the principle of Substitutionary Atonement, and salvation through a personal relationship with the Messiah, are implied in the Seder (Passover feast) as observed by Orthodox Jews even today. The Christ in the Passover demonstration is an abbreviated form of the Seder. Ordinarily, the celebration of the feast takes about four hours to present in the Jewish home.

Many of the elements of the Passover feast are observed by Orthodox Jews today in the same manner that they were in Jesus' time. One important ingredient, however, is missing, inasmuch as the Jewish people of today do not eat the Passover lamb since the destruction of the Temple in Jerusalem in 70 A.D.

PRESENTS PROGRAM....David Baker will explain "Christ in the Passover" as he presents the program at First Baptist Church on Sunday, June 17 at 7 p.m. He is a staff evangelist with Jews for Jesus.

No Greater Gift

Read 2 Timothy 1:3-6

Honour thy father and thy mother. —Exodus 20:12

THANK God for the parents I had. Ours was a simple, warm, uninvolved life. I look back on it now and know that my mother and father saw to that. As I grew up I had a sense of security that I took for granted. Our lives revolved around our home; the small town of Centerville, Tennessee; and most of all, the Methodist Church, where we were to be found every time the doors opened. Later in my life, when I hit the hard road of show business, as Minnie Pearl, I was to look back on that Christian background as a bulwark. However far I strayed, I was always brought back to sanity by that early "pot-bellied stove" religion, so called because that type of stove furnished heat in the church. My mother and father were godly folks. Theirs was a strong and uncomplicated faith, and they lived by it. We believed in the Bible—and I still do. So, daily, I thank God for my fine parents and the Christian background which they gave to me. They could have given me no greater gift.

PRAYER: Dear Father, how grateful we should be for all the gifts of Thy love. Make us especially thankful for the guidance of godly parents and Christian homes. In Jesus' name. Amen.

UIL Activities Set New Records

Participation in the athletic, literary and academic, and music programs reached record highs in 1978-79, reinforcing the long-standing contention that one of two graduating seniors in Texas has taken part in a UIL activity during his high school career.

"Certainly, the UIL has had its problems the past year, with the numerous court cases and occasional one-sided press coverage," said Dr. Bailey Marshall, League director. "But I would be remiss to emphasize the negative and overlook the positive aspects of our programs."

"More students were involved in UIL activities this past year than ever before and this participation by students on a fair and equal basis has been and remains our ultimate goal: This is the reason the UIL exists," he added.

Across the board, participation by schools remained stable, with the exception of girls' basketball, which increased by 55 schools. Football, girls' volleyball, boys' basketball, swimming and track and field remained on a per-school participation basis near their 1977-78 marks.

Individual participation, however, continued its upward surge, with more than 42,000 playing football, 30,000 and 23,000 in boys' and girls' track respectively, and 23,000 and 19,000 in boys' and girls' basketball

respectively. Elsewhere, participation in boys' baseball neared the 16,000 mark, while more than 20,000 took part in boys' and girls' tennis. Approximately 8,000 participated in boys' golf and 4,000 in girls' golf. Swimming figures reached 3,500 for the boys' and 2,500 for the girls', while cross country boys' and girls' totals sped near the 600 plus mark.

In the UIL music program, some 71,000 took part in choral competition while 40,000 participated in the solo and ensemble contest, and a whopping 215,000 joined bands and orchestras in UIL contests.

"The University Interscholastic League embraces more than a half-million participants and anytime you're working with a program having the scope this one has, you must operate under a system of uniformly enforced rules and regulations," Dr. Marshall said. "The school administrators and educators of Texas have voted for and support rules governing inter-school competition. To abandon these rules would be detrimental to the educational benefits of the overall program."

"It is wise to keep in mind that Texas school people, with the support and counsel of their local patrons, have built the UIL into the most outstanding organization of its kind."

Parents who have been on vacation or have sent their children to Vacation Bible School are encouraged to contact Mrs. Widner about the program.

Land Bank To Increase Rates

Ernest Kerr, Manager of The Federal Land Bank Association of Muleshoe, announced recently that The Federal Land Bank of Houston's billing rate on farm and ranch loans and rural residence loans will be increased from 8½ per cent to 9 per cent effective June 1, 1979.

In making the announcement, Kerr stated that the increase in the billing rate became necessary because of the continued high cost of funds to finance the Bank's lending operation and no substantial decline is anticipated in the near future.

He further stated that in today's

economic climate the 9 per cent rate is very competitive.

The Land Bank in Houston introduced a variable rate plan in 1969 which allows the billing rate to increase or decrease with variations in the money market. This increase in billing rate will affect 320 loans in the total amount of \$15,602,700.00 for the association in Muleshoe.

The Federal Land Bank Association of Muleshoe makes long-term real estate loans on farm and ranch land and rural residences throughout Bailey and Parmer Counties.

For more production, less grain loss

Here's a combination that pays.

A Cat 3208 Diesel Engine in a Sperry New Holland TR70 combine gives you the combination that pays — big displacement power and Twin Rotor™ combine harvesting efficiency.

The 636 cubic inch 3208 gives the TR 70 pulling power for high production harvesting. Its Cat no-adjustment fuel system delivers top fuel economy. And continuing product improvements add to proven 3208 dependability.

With the TR 70, you can harvest with less damage to corn, beans and small grain. Unique Twin Rotor combine design delivers less crop loss and bigger returns for you.

Put this profitable combination to work in your fields. Ask us for more information about the dependable Cat-powered TR 70 combine.

What Are The Odds?

The odds are that 3 out of every 4 people over 65 will develop cataract, but of those who undergo surgery to correct this leading cause of blindness, 95 percent will recover their sight.

Children don't usually complain about a vision problem because they don't know how well they should see. But the odds are one in 20 that a preschool child has some kind of eye disorder.

Mr. and Mrs. Phil Hoover

Karen Clark, Phil Hoover Exchange Wedding Vows

Karen Kay Clark and Phil Duane Hoover were united in marriage on May 18 in the Beaver Church of Christ in Beaver, Oklahoma. Lee Clark officiated over the ceremony.

The bride is the daughter of Mr. and Mrs. Lee Clark of Bovina. The bridegroom is the son of Mr. and

Mrs. Earle Hoover, Beaver, Oklahoma.

The bride wore a floor length gown of chantilly lace designed with a full bodice and natural waistline. The gown featured a low square neckline with a Queen Ann collar. The bodice was outlined with seed pearls and crystals. Full Juliet sleeves were attached to a full longated cuff with self-covered buttons vested with seed pearls. The controlled skirt front was accented with tiers of lace and a border of scalloped lace at the hemline forming a cathedral length train.

Kay Jones of Bayfield, Colorado

was the maid of honor. Nance Moore of Tulsa, Oklahoma, Donita Pinion of Oklahoma City and Gae Hoover of Beaver, Oklahoma attended the bride. Monica Hensen of Graham, Texas was the flower girl.

Monte Hoover, brother of the groom, was the best man. Groomsmen were Chris Hoover, Greg James, both of Beaver, Oklahoma and Darrill McClendon of Illinois. Noel Hensen was the ring bearer.

Assisting at the registry table was Tanya Holman of Oklahoma City.

Serving at the reception were Dana

Hemphill, Janice James and Jan Lenz.

The singers were Mr. and Mrs. Mike Patrick of Bayfield, Colorado, Susan Pierce of Beaver, Oklahoma and George Saunders of Forgan, Oklahoma.

Serving as ushers were Chris Hoover and Randy Hemphill.

The bride was graduated from Oklahoma Christian College, Oklahoma City. The bridegroom graduated from Oklahoma State University Tech. He is employed by Sandia Laboratories in Albuquerque, New Mexico.

Movie To Be Shown At Church

A new color motion picture honoring the life of Corrie ten Boom will be presented at Bovina United Methodist Church, Bovina. Entitled "Corrie: The Lives She's Touched," the film, produced by World Wide Pictures, will be shown on Sunday night, June 17, beginning at 6 p.m.

Filmed in Denver, before a live audience of more than 2,000 persons gathered to pay tribute to Corrie's ministry of love and compassion, "Corrie: The Lives She's Touched" shares in greater detail the events that have taken place in her life.

During World II, Corrie and her family, residents of Haarlem, Holland, became involved in the Dutch Underground following the invasion of their homeland by Hitler's Nazi forces. They are credited with saving the lives of scores of Jews, by hiding them in a secret room in their home, and by arranging safe passage out of the country. For their effort, they were arrested in a surprise raid, and sent to prison. Corrie was sent to Ravensbruck Concentration Camp, and is the lone survivor of the immediate family.

Corrie's story has been shared with millions around the world through the book and motion picture, "The Hiding Place." A 1975 World Wide Pictures release, "The Hiding Place" has been dubbed into several foreign languages, and has been well received in England, Holland, and West Germany, as well as throughout the Far East.

"Corrie: The Lives She's Touched," is hosted by Cliff Barrows of the Billy Graham Evangelistic Team, and features a number of surprise guests from Corrie's past, including her nephew, Peter van Woerden, who, as a youth, was also involved in the work of the

Underground, and Diet Ehrlick, who was in the concentration camp with Corrie.

Other guests on the program included Jeannette Clift, the actress who portrayed Corrie in "The Hiding Place," and Tom Claus, an American Indian Chief who inducted Corrie into his tribe as an honorary member.

Music is featured throughout the one-hour program by Evie Tornquist, George Beverly Shea, the Bill Gaither Trio, and by Tedd Smith, pianist and composer of the film score for "The Hiding Place."

According to Reverend Dick Richards, pastor of the United Methodist Church, the showing is free and open to the public.
