

NEW CRIMINAL INVESTIGATOR...Bob Baker, left, receives the oath of Criminal Investigator of the 39th Judicial District from District Judge Joe Williams. Looking on is District Attorney Joseph Thigpen. Baker is a native of Haskell and a graduate of Haskell High School. He has about 20 years experience

in law enforcement work. He and his wife Judy have four children, Robin, 18, Jeff, 17, Shelly, 11, and Brooke, 4. Thigpen stated following the ceremony, "I'm pleased to have an individual with Bob's experience and qualifications assist me in serving the people of the 39th Judicial District." (Staff Photo-DC)

Council OK's Cable Request

Members of the Haskell City Council met with Jerry Smith, manager of Cen-Tex Cablevision, during their regular meeting Tuesday night. Smith requested that the council amend the company's franchise by extending the terms of the agreement 10 years and also allowing the company to increase rates up to 5% per year. He explained that the rate increase would be optional and that at the present time the company has no intention of increasing rates without providing new

channels. He told members of the council that the company is currently looking at a 24 hour independent station and also a Christian Broadcast Network station. Council members agreed to the changes and will vote on the amendment to the franchise ordinance at the next regular meeting. In other action, members of the Council agreed to purchase 12 pagers for use by individuals in the fire department. The individuals agreed to

repay the purchase price of the equipment during the next two years. Members of the council also re-appointed Jimmy Bynum and Wayne Lehrer to terms on the board of the Haskell Housing Authority and agreed to sell three lots to Ponciano Lopez Sr. for back taxes. Mayor Royce Williams reported to council members that the City had received room occupancy tax in the amount of \$808.18 and sales tax in the amount of \$5,741.45.

Win On Penetrations

Tribe Ties Quanah, 21-21

What started as a battle between the Indian Tribes of Haskell and Quanah ended in a 'Mexican Standoff' as the two teams fought to a 21-21 tie last Friday night in Quanah. The game was earlier predicted to decide the winner of District 7-A. Assuming that Haskell beats Paducah and Quanah defeats Aspermont this Friday, Haskell will represent the district in the playoffs because they defeated Quanah, 4-3 in penetrations. If Haskell wins and Quanah loses, Haskell will be the district champions. If Quanah wins and Haskell loses, Quanah will be the district champions. If both teams win, Haskell and Quanah will be co-champions.

Quanah received the opening kickoff last Friday and marched 71 yards in 10 plays for the first score of the game. The Tribe punted on their first possession and lost the ball on their next try with an interception. Indian Giles Kemp recovered a Quanah fumble early in the second quarter and the Tribe scored three plays later on a 13 yard pass from Monnie Hise to Joseph Browning. Quanah came back to drive the ball 79 yards in 12 plays for their second score of the game. Both teams threw an interception during the remainder of the first

Warriors

The Haskell Jr. High Warriors finished their season on a successful note by defeating Stamford. The 8th graders showed the 1 formation for the first time this season and used it to good advantage. They ran up their largest score of the season and defeated Stamford 34-22. The 8th grade finished their season with a record of 6 wins and 2 losses.

The 7th graders worked their way to victory by a score of 18-6. Their season record is 6 wins and 2 losses.

The 9th graders defeated Stamford by a score of 26-22 on a last second pass in the 4th quarter. The freshmen wound up with a season record of 6 wins, 1 loss, and 2 ties.

The Jayvees finished the season the week before with a record of 5 wins and 4 losses.

The Junior High teams open the basketball season Monday, November 19, at 4 p.m., against Munday at the Indian gym. Four games will be played, 7th grade girls followed by 7th grade boys, and 8th grade girls and 8th grade boys.

GAME CHANGE

The Weinert High School football game with Gordon has been changed to Thursday night, November 15, at 7 p.m. The game was originally scheduled for Friday night.

half and the Tribe went to the dressing room trailing 14-7.

Quarterback Jim Harris connected with Kirk Flippin for 41 yards early in the third quarter and six plays later, Hise carried in from the 4. The PAT tied the game at 14-14.

Following a Quanah punt, Harris connected with Flippin again, this toss good for 71 yards and the go-ahead score.

The two scores took 3:14 and the Tribe enjoyed the lead until 8:21 in the final period when Quanah scored and the PAT tied the game again.

The Tribe moved the ball to within 13 yards of a score in the final minutes of the game but an interception halted the drive. As it turned out, the drive was good for a penetration which may decide who will represent the district.

The statistics kept by the Free Press and the film of the game both reveal that Haskell actually had five penetrations, but officials only had us credited with four.

The Tribe will host Paducah this Friday night in the final regular season game of the year.

Paducah has only won one game this

"HASKELL—A GOOD PLACE TO VISIT; A BETTER PLACE TO LIVE"

VOLUME NINETY-THREE HASKELL, TEXAS, 79521, THURSDAY, NOVEMBER 15, 1979 NUMBER FORTY-SIX

Travel Receipts Total \$1.9 Million

Haskell County received \$1,922,000 of the State's \$7,032,369,000 travel receipts in 1978, a national study commissioned by the Texas Tourist Development Agency has disclosed. The 1978 figures reflect an increase of

11 percent in travel receipts over 1977 for Haskell County.

In addition to gross receipts, the study found that Haskell County in 1978 had 75 of the state's 243,887 travel-related jobs, with an annual payroll of \$449,000.

It also estimated \$78,000 in state and \$11,000 in local taxes were paid by county visitors in 1978.

The study was done by the U.S. Travel Data Center in Washington, D.C., an independent travel research organization funded jointly by public and private sectors.

It was based on the Center's Travel Economic Impact Model which breaks out a state's share of the national travel market on a county-by-county basis.

The model measures the economic impact of all travel involving overnight trips away from home, and day trips at

least 100 miles or more from home. Thus it includes travel by Texans as well as out-of-state visitors, for all purposes.

It includes estimates of the traveler's spending at home in preparation for the trip, his spending en route, and that at his destination.

Basic data for the model comes from the National Travel Survey, conducted every five years by the U.S. Census Bureau, and from the Center's own National Travel Expenditure Model.

It was the latter which estimated that in 1975 Texas had dislodged New York for third place in the nation's travel industry. The 1978 figures, however, show Texas back in fourth place behind California, Florida, and New York.

"We're pleased that travel research techniques have finally developed to the point that states can determine where, within their boundaries, travel dollars are spent and travel-related jobs exist," said Frank Hildebrand, executive director of the Texas Tourist Development Agency.

"Now we can trace travel's considerable economic impact on a county-by-county basis; observe changing patterns annually, and help direct the rapid growth of this burgeoning industry."

Thanksgiving

Service Set

The Haskell Ministerial Alliance will sponsor a Union Thanksgiving Service on Sunday, November the 18th at 7:00 p.m.

The Service will be held at the First Presbyterian Church of Haskell with the Rev. Darrell Feemster of the East Side Baptist Church preaching the sermon.

Member churches of the Ministerial Alliance are: First Baptist Church, First Methodist Church, East Side Baptist Church, South Side Baptist Church, Trinity Lutheran Church, First Christian Church, Foursquare Church, Church of God, First Presbyterian Church and St. George's Catholic Church.

The community is invited. A nursery will be provided.

Commissioners Canvas Election

The regular meeting of the Commissioners Court of Haskell County was held Tuesday with all members present.

Commissioners agreed to give \$500.00 as the County's portion of funds necessary to operate the Ambulance service.

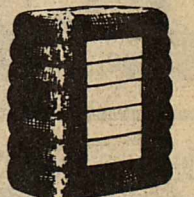

Commissioners canvassed votes cast in the recent constitutional amendment election and also heard J.C. Yeary request assistance in stopping soil erosion.

In other action, members of the court voted to request that quail season be changed to November 15 through February 1 next year.

Fire Station Donations

Donations to the building fund of the Haskell Fire Department continue to be received with the fund now totaling \$52,297.80.

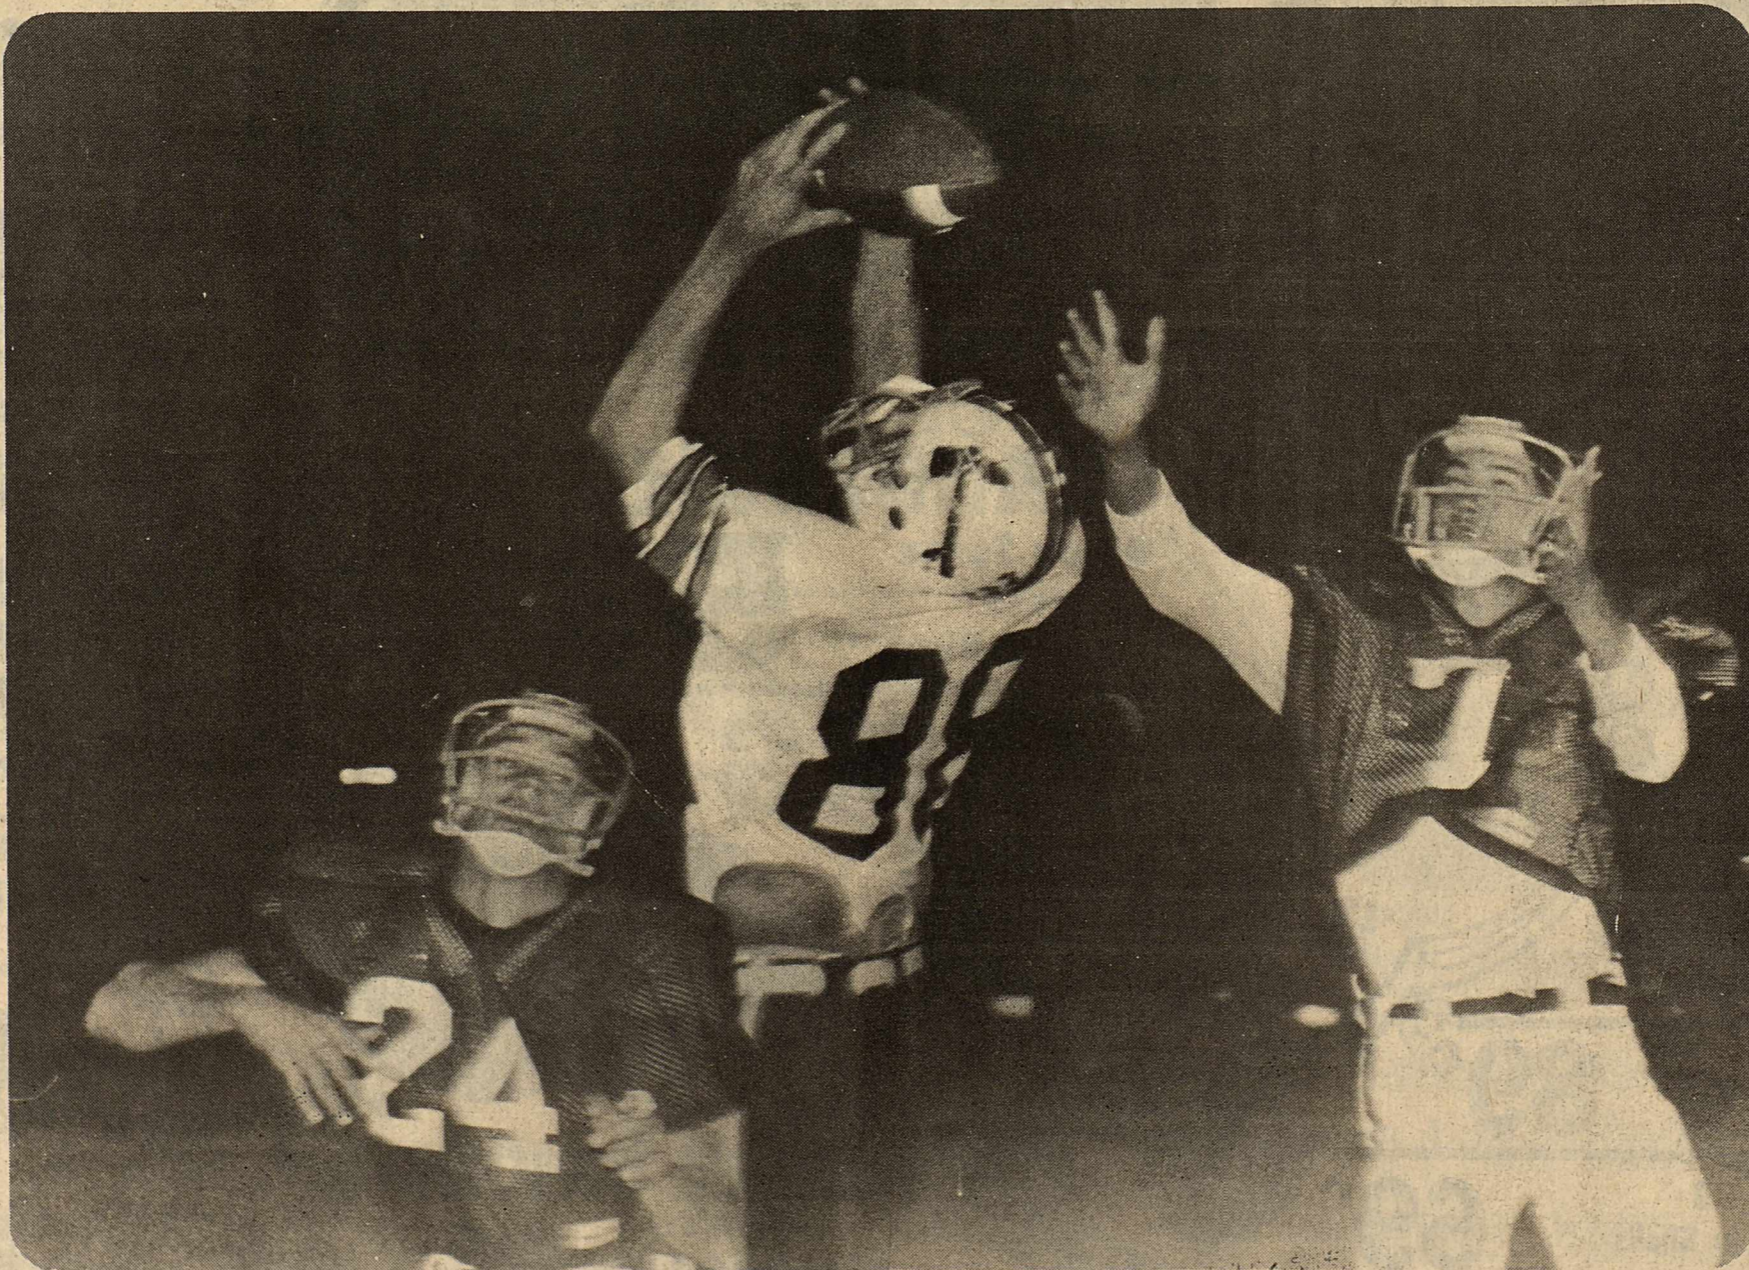

Donations to the fund this week include: Mr. and Mrs. Charles Swinson, in memory of E.A. Russell, \$10.00; Anonymous, \$25.00; and Bob and Judy Baker, \$25.00.

TOUCHDOWN IN PROGRESS...Indian Kirk Flippin leaps high to capture a Jim Harris pass while surrounded by Quanah defenders. Flippin caught the pass and ran the remaining distance for a Tribe score. The pass and run covered 72 yards and with the PAT,

gave the Tribe a 21-14 lead in the game. Quanah scored another TD in the final period to tie the game but the Tribe won the contest on penetrations. The Tribe will host Paducah this Friday night in the final regular season game. (Staff Photo-DC)

Card of Thanks

CARD OF THANKS
I would like to thank all the wonderful people in Haskell and the Big County for your love, special prayers and concern for me since the accident.
For the quick action of each person involved in lifting the car and those who pulled me to safety.
To the Doctors who performed my surgery each time and the nurses for their care.
Thank you for the visits, telephone calls, flowers, cards and gifts and my classmates for the huge poster and letters. Thanks to Mr. Blakely and my teachers for helping me with my school work. I shall always be grateful to each one. Kevin Strickland. 46p

ASCS News Reports Due Soon

Grain sorghum may no longer be withdrawn from the farm-owned grain reserve without penalty since the national average price for October fell below the release level. Therefore, release for grain sorghum is being discontinued.
Loans for 1979 crops of grain sorghum and cotton are available.
Applications are now being taken to determine eligibility for the Emergency Feed Program. Contact this office for additional information.
From mid-November to early January, many Texas farmers and ranchers will receive a crop and livestock questionnaire from the Texas Crop and Livestock Reporting Service or will be personally interviewed by the Service field staff. Each farmer or rancher receiving a questionnaire is urged to fill it out carefully and return it promptly to the Agricultural Statistician in Austin.

McManamon, Fouts Wed

Wedding vows were read Saturday November 10, at 11:30 a.m., uniting Betsy Ann Fouts and Patrick David McManamon. The ceremony was performed by David

MRS. PATRICK DAVID McMANAMON
...formerly Betsy Ann Fouts

Bradshaw, minister, First Baptist Church, at the home of the bride's parents. The bride is the daughter of Mr. and Mrs. George W. Fouts of Haskell. The groom is the son of Mr. and Mrs. John McManamon of West Columbia.

The bride, given in marriage by her father, wore a street length Ivory Qiana dress with a soft accordion pleated skirt, topped with matching short jacket. Her colonial bouquet was an arrangement of miniature white carnations, celosia, English Ivy, and baby's breath.

Gloria Darnell of Irving was maid-of-honor, and wore a deep pink Qiana crepe dress, side wrapped into a full swing skirt and topped by a chiffon print jacket. She carried a single long-stemmed frosted pink variegated carnation.

Mike Weger of Irving was the groom's best man.

Diane Procter of Waco gave a selected reading, and Mrs. Frank Cadenhead was the pianist.

Following the ceremony a luncheon was given in the home of the bride's parents.

The bride is a graduate of Haskell High School, and Texas Tech University, Lubbock. She is employed by Houghton Mifflin Publishing Company, Dallas.

The groom is a graduate of Robichaud High School, Dearborn Heights, Michigan, and Pensacola Junior College, Pensacola, Florida. He is a patrolman for the Irving Police Department.

After a wedding trip to San Antonio, the couple will be at home in Irving.

Out of town guests were: Mr. and Mrs. G. William Fouts, Nathan and Allison of Arlington, Virginia, Gloria Darnell, Mr. and Mrs. Mike Weger of Irving, Mr. and Mrs. Tim Mathes of Lubbock and Mr. and Mrs. Bill Procter and Angela of Waco.

Cooking Tips For Roast Turkey

Turkey is one of today's best meat buys, both nutritionally and economically.

The turkey you buy today is oven ready-dressed, washed, inspected and bagged. After the turkeys leave the processing plant, no hands touch them until time for kitchen preparation.

An unfrozen turkey requires only 6 minutes to prepare without stuffing for roasting.

Follow label instructions for roasting, or use these simple directions to obtain a beautiful golden brown, ready-to-serve and eat turkey:

1. THAW (if not frozen, begin with Step 2.)

Do not thaw at room temperature. Leave turkey in original bag and use one of the following methods:

*No hurry: Place on tray in refrigerator for 3 to 4 days (24 hours for each 5 pounds of turkey.)

*Fastest: Cover with cold water, changing water frequently (1/2 hour per pound of turkey.)

Refrigerate or cook turkey as soon as thawed. For maximum eating quality, refreezing uncooked turkey is not recommended. Commercially stuffed turkeys should not be thawed before roasting.

2. PREPARE FOR ROASTING Remove plastic wrap from thawed turkey. Remove giblets and neck from the body and neck cavities. To remove the neck, it may be necessary

to release the legs from the band of skin or wire lock. Rinse the turkey inside and out with cool water, then pat dry with a paper towel or clean cloth. Return legs to hock lock or bank of skin or tie loosely. Tuck tips of wings "akimbo" under back of turkey. Neck skin should be skewered with a poultry pin or round toothpick to back to provide a neat appearance at the table. The turkey is now completely ready for roasting to a delicious golden brown. The family's favorite roast turkey can be prepared and roasted much more quickly if it is not stuffed. If dressing is desired, the National Turkey Federation suggests that it be prepared separately and roasted in a covered casserole for the last with the turkey. If you prefer to stuff the turkey, spoon stuffing loosely into body and neck cavities prior to skewering neck skin and replacing legs in hock lock or skin band.

3. ROAST Place turkey breast-side up on rack in shallow open roasting pan. If a meat thermometer is used, insert into center of thigh next to body not touching bone. Place a "tent" of light weight foil, shiny side down, loosely over turkey to prevent over-browning. Roast in 325 degree F. oven. Turkey may be basted. Foil may be removed during the last half hour for a final browning.

APPROXIMATE ROASTING TIME IN 325° F. OVEN

Weight	Unstuffed	Stuffed
8 to 12 lbs.	3-4 hrs.	4-5 hrs.
12 to 16 lbs.	3 1/2-5 hrs.	4 1/2-6 hrs.
16 to 20 lbs.	4 1/2-6 hrs.	5 1/2-7 hrs.
20 to 24 lbs.	5 1/2-6 1/2 hrs.	6 1/2-7 1/2 hrs.

Turkey is done when meat thermometer registers 180° to 185° F., thick part of drumstick feels soft when pressed with thumb and forefinger or drumstick moves easily. Stuffing in a turkey needs to reach 165°F. to be sufficiently cooked. Let turkey stand at room temperature for

15 to 20 minutes for easier carving.

Factors affecting roasting times are variations in ovens, shape of turkeys and degree of thawing. These variations make it important to begin checking for doneness about one hour before the end of the recommended roasting time.

Delta Kappa Gamma Holds Memorial Service

The Beta Chi Chapter of Delta Kappa Gamma met Saturday, November 3, in the First Methodist Church in Aspermont at 2:30 p.m. and a memorial service was held for the former member Martha Jane Jones.

President LaRue Reeves called the meeting to order. Music was provided by George Ann Robinson and Nancy Robinson. The "Battle Hymn of the Republic" was sung by the group and led by Mary Martin. George Ann Robinson gave a life sketch of the author, Julia Ward Howe.

Personal Growth committee members, Lillian Logan and Judy Burnett, gave the program on "Lamp of Memory". Lillian gave interesting information on present outstanding women of America. "The Year of the Child" was also presented on cares and interests of the present children. The ladies also noted that this was "the year of the child." Judy directed a series of lively questions and games on what can women do regarding care and improvement of the children in their community.

Attractive yearbooks were passed out and enjoyed by those members present.

The nominating committee elected at the meeting were Kathleen Diggs, Mabel Deer, Virginia Casey, Dana Martin, Willie Geer, Sudia Cash, and Christina Stapleton.

Ina Cowan personally thanked the group for quilt blocks that members made for what has become her favorite quilt.

Erma Liles and Mary Martin gave a report on the Area VII workshop-luncheon which they and LaRue Reeves attended in Jacksboro on October 20.

The memorial service for former chapter member Martha Jane Jones was conducted by Sudia Cash and Lillian Logan, who gave beautiful thoughts and moving memories of Martha Jane from the time of her birth on December 28, 1926, until her untimely death on September 19, 1979.

Mary Martin accompanied by Virginia Casey at the piano sang "In Memory". Mrs. Cash presented Delta Kappa Gamma's symbol, a red rose, to a Beta Chi sister, Hazel Jones Long, who is an aunt of

the deceased. Erma Liles moved that the material used for the Martha Jane Jones memorial be placed in her Delta Kappa Gamma file.

Mrs. Reeves closed the meeting with prayer.

The social and visiting hour was enjoyed by all with Aspermont members as hostesses. Refreshments of finger sandwiches, vegetable dip with crackers, cake, tea and coffee were served. Mauryse Stone won the door prize which was a cake.

The church basement was attractively decorated with many brightly colored and beautifully made Halloween figures and scenes.

Members will meet December 1 at 2:30 p.m. in the Munday High School home-making department with Goree and Munday members as hostesses. The subject will be "Let There Be Peace on Earth" and the world fellowship committee of Georgan Meadors and Ann Therwanger will present the program on "Research on Composer with Music".

PARTIES

A gift party was given in honor of Miss Betsy Ann Fouts on the evening of Saturday, October 20th in the home of Dr. and Mrs. Frank Cadenhead.

Betsy and her fiancé, Patrick David McManamon, were joined by her parents, Mr. and Mrs. George W. Fouts, and her grandmother, Mrs. John Fouts, as they greeted about 100 friends who attended.

Mrs. Sammy Larned registered guests. Mrs. John P. Fouts and Miss Gloria Darnell poured coffee and punch.

A large dining table was spread with a candlelight satin floor-length cloth, centered with a bouquet of white carnations, baby's breath and greenery. Corsages and boutonnières for the honorees and their folks were of white carnations and baby's breath.

Green punch and a variety of cookies, sandwiches, sweets, fruits, pickles, olives, meats and breads were served while guests visited together and viewed the gifts.

Those who served as hostesses and hosts with the Cadenheads were: Mrs. Frank Martin, Mrs. Harold Spain, Mrs. C.O. Holt, Mr. and Mrs. Bud Herren, Mrs. Pete Mullins, Mr. and Mrs. Buster Gholson, Mrs. Cody West, Mr. and Mrs. Lynn Pace, Jr., and Mr. and Mrs. Sammy Larned. Those who were hosts and hostesses but unable to attend the party were: Mrs. Douglas Lees, Mr. C.O. Holt, Mr. Pete Mullins, Mr. Cody West, Mr. and Mrs. James E. Crawford, and Mr. and Mrs. Sam Herren.

CowBelles Visit Fields Museum

The Haskell CowBelles met November 6 in the Fields Museum.

The museum was shown by Mrs. J.G. Vaughtner, who told many interesting facts concerning antiques and history of years gone by of the life of Mrs. J.U. Fields.

Refreshments of sandwiches, crackers, cookies and punch were served by the

hostess of the evening, Mrs. John Rike Sr.

A business meeting followed with Mrs. Buddy Brazell presiding. Mrs. Gaines Post was a visitor.

Rice Springs News

Another week has come and gone here at the home and it seems time is really passing fast as we get nearer to Thanksgiving and Christmas holidays. With the varied activities going on, most weeks pass very fast, and the only way that we can have these different activities are the many volunteers who come week after week and help us out. We are really grateful for all of our volunteers who do all kinds of things here. With the holiday season nearly upon us, we are going to be in need of volunteers to help us with our increasing amount of mail.

The Tom Watson Singers were with us last week again and were greatly enjoyed by all. We missed them not being with us during the month of October because of sickness in their group. We also were glad to have Jo Simpson back to give our Friday morning devotional after her having to miss a couple of weeks. She always does such a good job. The ladies of the Trinity Lutheran Church came on Thursday afternoon to share music with us and also brought fruit and candy which they passed out among the residents. Then on Thursday night the Sweet Home Singers came to present special music and also have some sing along

songs. The residents always enjoy them very much. The Sunday services brought by East Side Baptist and the Church of Christ were also enjoyed by all who attended and also by the ones in their rooms who couldn't attend, but could hear them.

Bro. Walter Copeland was admitted to the Haskell hospital on Friday of last week and Mae Belle Turnbow is still in the hospital in Abilene. We hope both of these are well soon, so they can return to the home.

We also welcomed another new resident to the home last week. She is Dovie Gregory who came here from Teakwood Manor in Stamford. We hope she will be happy with us here and invite all her friends and family to come and see her.

On Monday Morning, some of the U.M.W. ladies of the First United Methodist Church of Haskell and their pastor, Rev. Putnam, came and presented us a very good song service and a fine message on "Prayer and Its Need."

Sunday Nov. 11 was not only Armistice Day, but also the birthday of one of our residents, Charity Bradley. Coming to help her celebrate her 93rd birthday were her niece, Geraldine Pool, and her sister-in-law, Mary Place, both of Rule. Other out-of-town visitors for Charity were Ruth Eaton, Mr. and Mrs. Bill Matysiak, Mr. and Mrs. Walter Rinehart and Pauline Williams, all of Rule, Essie Long of Childress, Allen Matysiak of Clovis, New Mexico, and Elsie and Jan Eastland of Abilene.

Alma Allen of Rule visited with all of her friends here at the home.

Alvis and Verlene Mondy of Sweetwater visited with his aunt, Cleo Mondy.

Visiting Dessie Marion were her son, Mr. and Mrs. J.P. Marion of Walsh, Colorado and her daughter, Essie Long of Childress.

Coming to see Mary Schonerstedt were her daughters, Mrs. A.H. Teichelman of Sagerton, Lena Boedeker and Ella Nauert, both of Stamford. Mrs. Ewell Kittley and Fay

Gibson of Rule visited with Emma Lammert and Nannie McCaul. Also visiting Nannie were her daughter, Eunice Hunt, Mr. and Mrs. Bill Matysiak, Ruth Eaton, all of Rule and Allen Matysiak of Clovis, New Mexico. Other visitors of Emma were Evelyn Kainer and Annette Wilson and her three boys, all of Stamford.

Visiting Mary Bradley were her niece and great-niece, Elsie and Jan Eastland of Abilene.

Jonny Belle King and Karen Smart and children, all of Rochester, Earlene Smith, Flora Smith, Laverne and Julie Lee, and Valerie Minefee, all of Rule, visited with Maggie Martin.

Botch and Doris Burson of Wills Point came to see her aunt and uncle, Hazel and Manley Branch.

Visiting John Earp, Walter Copeland, and Mary Liles were Eddie Sanders of Weinert.

Ennis and George Webb of Rule came to see Dutch Cross.

Visitors of Martin Letz were his son and daughter-in-law, Allen and Hazel Letz, Bill Suter, and Helen Lehrmann, all of Old Glory.

Mr. and Mrs. Erwin Niemtochok of Thorndale visited with his aunt, Emma Pueschel.

Hilda Kupatt enjoyed a visit from her son, Mr. and Mrs. Fred Kupatt of Sagerton.

Visitors to the room of Alma Cole and Ora McCollough were Mary Sue Henry, Rubye Faye Norman, Geraldine Pool, Tomi May, Frances Campbell, Thelma Cole, Ruth Eaton, Gladys Mathis, Rev. Waylon Dowden, Lou Hisey, Mary Place, Minnie Dickey, Allene Whorton, Zina Bills, all of Rule, and Alva LeFevre, Etta Leach, and Louise Stegemoller, all of Sagerton.

Edna Collins enjoyed the visit of her old friends, Mr. and Mrs. Walter Rinehart of Rule.

Orman Yarbrough of Abilene came and took his mother, Irene Yarbrough, to Rule to eat lunch and also to visit her old home there. Bill and Lynn Matysiak of Rule and Allen Matysiak of Clovis, New Mexico also visited Irene.

Visiting Trudie Bush were her daughter, Earlene Smith, and Flora Smith, both of Rule.

Marvin Phemister and Helen Boykin of Weinert came to see their mother, Ida Phemister.

Visitors of Alvena Holle were nephew, Clancey and Helen Lehrmann of Old Glory, great-nephew, Steve and Karen Lehrmann and sister, Lillie Lehrmann, all of Sagerton, niece, Mrs. Carl Opitz of Abilene, and great-niece, Gail Lehrmann of Omaha, Neb. She also went over to the Haskell hospital to get a peek at her new great-great niece, Jennifer.

Lou Hisey visited her mother, Belle Kuenstler.

Visiting Dovie Gregory was her daughter, Faye Overby of Hurst.

Ada Williamson enjoyed the visit of Elsie Eastland of Abilene.

Beginning this week, I will be having a new item in our

BIRTHS

Fischers Celebrate 45th Anniversary

Mr. and Mrs. Walter A. Fischer of 912 S. 1st Street, Haskell, were honored in their home November 3 with a 45th wedding anniversary reception.

Hosts of the event were their children and grandchildren. They have one son, Eugene Fischer of Paint Creek, two daughters, Sharon Stuart of Richardson and Sue Morris of Hereford, and eight grandchildren.

Walter was born in Jones County and his wife Birdie in Fannin County. They met after she came to visit a sister in the Paint Creek Community, and were married in the First Baptist Church Haskell on November 3, 1934.

The Fischers are retired farmers from the Sagerton Community, and are members of the Plainview Baptist

Church. Silk flowers in fall colors graced the serving table along with their wedding picture. The grandchildren served the guests dipped cake squares and punch from silver and crystal appointments.

The evening brought back many special memories as they visited with numerous friends and relatives.

Out-of-town guests attending were: Mr. and Mrs. Douglas Morris, Alan, Jeff of Hereford, Mr. and Mrs. Bob Stuart, Dennise, Amy of Richardson, Mr. and Mrs. Lloyd Womack of Macomb, Oklahoma, Gena Fischer of Abilene, Mr. and Mrs. Herbert Bosse, Mr. and Mrs. Carl Marugg, Lorie, Michael, Mrs. Frieda Marugg, Mr. and Mrs. George Hanson all of Stamford, Mrs. David Holcomb of Rule, Mrs. Elda Aikin, Mr. and Mrs. Buford Gholson of Rochester, and Gordon Malkosy of Abilene, Mr. and Mrs. Darrell Richardson, Ursula, Fritz of Leuders.

Dr. Spencer Addresses Surgeons

Dr. Frank C. Spencer, a Haskell County native, was featured guest speaker at the 65th Annual Clinical Congress of the American College of Surgeons in Chicago, Illinois in late October.

Dr. Spencer spoke on "Two Qualities of Excellence: Competence and Compassion."

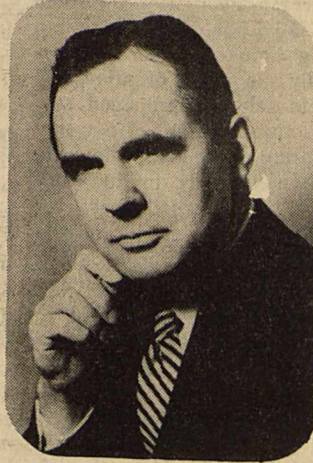

Speaking about areas of competence, Dr. Spencer, particularly, emphasized a surgeon's need for keen abilities in research, decision making, dexterity and teaching.

Under research, the "magic" of intellectual productivity is fostered-enhanced-by the discovery of new knowledge and the teaching of critical thinking. Examples from the annals of medical history and other scientific areas of pain-staking research attest to the benefits derived for mankind because of those who have worked diligently and persistently-pressing onward toward ideas and goals with an inner faith and confidence which, often, sustained and motivated them through decades until the realization of final success.

To teach critical thinking is vital for day to day application in the treatment of patients and fosters all scientific investigation as the student learns the "pleasure of intellectual productivity and the excitement of the discovery of new knowledge."

Decisions, as required in the surgeon's arena, demand speed. Speed which has been "judged" within the "balance of probabilities." Caution, alertness and an awareness of various probabilities, temper the surgeon's decisions even as he acts in speed as distinguished from "snap judgment." Observation of all available information on the case, coupling that which is seen with that which is not seen, gives balance and aides in diagnosis.

Deduction, the critical thinking of all aspects of each problem, leads a surgeon into the final step of his decision, action. Although the action, usually, involves operating, changes in treatment and care may complete the decision

DR. FRANK C. SPENCER

process.

Within the operating room a surgeon applies the concepts which have led him there along with the qualities of dexterity which have contributed to his competence: 1) the operative plan, 2) anticipating unexpected, stressful decisions, 3) intensity of concentration, and 4) the constant awareness that nothing in an operating room is neutral.

Notes, immediate post-operative dictation of conditions, findings and steps in procedure, should be made within fresh moments of memory for future reference and use. Use of such data is very valuable. Unexpected stressful situations must be anticipated to such a degree that when such do occur the surgeon is emotionally and intellectually prepared for them.

During surgical procedures, the intensity of concentration must not swerve. Although qualities of intense concentration do not lend one to idle chatter or careless movement, there is no cause for uncomfortable tenseness, temper, or rote speed.

Obviously, the operating room is not a social arena and those within its confines best be limited to the medical team, assistants and students. Dexterity is defined, basically as an eye-hand proprioceptive reflex. It is "second in importance to decision making" but crucial. A "skillfully performed operation is about 75% decision-making and approximately 25% dexterity." Serious deficiencies can be seen in the teaching

concept which minimizes actual participation in surgical procedures. Dexterity does not come automatically; it is a continuing process. Learning dexterity requires precise teaching. Mere observation is dangerous. Practice and more practice, hands moving repeatedly through procedures and motions until a reflex of precision and strength develop; these prepare the surgeon for his work. Teaching techniques which are adapted to "learn by doing" are the concept of some surgical schools.

Of teaching, Dr. Spencer expressed "a particular fondness for teaching." "The goal in teaching is to teach how to learn, teaching concepts, not facts."

Effective teaching involves enthusiasm, intensity of concentration and pace, suspense, audience participation, and informality. Competence and compassion, seemingly contradictory, do reinforce each other; yet, the most often heard criticism of surgeons or physicians is that he is "competent, but cold and indifferent."

Some thoughts relating to the juncture of compassion/competence follow: The importance of compassion is rooted in the fact that illness creates anxiety; a sick patient is scared although he may not admit it, perhaps is scarcely aware of it. Placing one's health-life in another's hands does heighten anxiety and deserves more than indifference.

Developing compassion may be difficult for the surgeon because of a feeling that getting "too involved will interfere with his thinking and a feeling involvement is unsophisticated." A quote from Dr. Francis Peabody puts these difficulties in proper perspective: The secret of caring for the patient is caring for the patient.

Compassion is expressed by tone and manner: grim facts can be related with gentleness, sympathy, and understanding.

An honest and humble approach stating facts gently and simply, admitting to areas of lack of knowledge are

"fundamental in developing a patient's trust and confidence." "Almost everyone realizes that medicine is an inexact biological science."

"To help a sick patient get well, to make him more comfortable if he cannot be cured, to help him approach death with dignity if he must-this is the real essence of medicine, the vital spark of mankind."

Physician-surgeons from throughout the United States and Canada attended this annual meeting. One such area physician, Dr. Ed Bebb of Wichita Falls reports that Dr. Spencer's speech was received with great enthusiasm and admiration by the medical group. Dr. Spencer's mother, Mrs. Frank Spencer, Sr., resides in Haskell.

Paint Creek ISD Is JETS Test Center

Paint Creek ISD has been designated as a test center for the National Engineering Aptitude Search test sponsored by Junior Engineering Technical Society.

The test is for students in grades 9 through 12. The test's purpose is to provide an opportunity to find out about a student's abilities in the engineering-technical field, estimate and perhaps improve their chances for college scholarship aid and learn more about a challenging, exciting field, vital to the United States' progress.

Two test dates have been scheduled. The first is January 19, 1980, and the second is February 16, 1980. Each test will begin at 9:00 a.m. in room 5 of the high school building at Paint Creek.

Student applications must be returned by November 16, 1979, for the January test and by December 14, 1979, for the February test. Students must send applications and fees directly to JETS State Coordinating Office, 204 Zachry Engineering Center, College Station, Texas 77843.

Area students can obtain application forms and further information from Howard Brass, Department of Mathematics, Paint Creek ISD, Haskell, Texas, telephone 817-864-2471 or by writing to Howard Brass, Box 60, Rt. 1 Rule, Texas 79547.

Matrons Club Has Thanksgiving Feast

Members of the Weinert Matrons Club met for their annual love feast and Thanksgiving program Thursday, November 8. Mrs. W.A. King, who has recently moved to Monday, invited the club into her lovely new home.

Members carried food and all enjoyed a bountiful meal. Mrs. R.C. Liles, club president, returned thanks for the food.

After the luncheon, Mrs. Liles called the meeting to order, and Mrs. W.A. King read the minutes of the October meeting.

Mrs. Floyd McGuire was program director for the day. She introduced the theme and called upon other members who had parts on the program. The theme for the day was "Home Life," and Mrs. J.A. Mayfield spoke on "The

House Where God Lives." Mrs. W.A. King spoke on the subject "Home Is," and Mrs. D.L. Moody spoke on "Humor Holds Our Home Together."

Mrs. Mayfield reminded members that it takes more than a house to make a home. Mrs. King said that home is a place for being oneself and for love and friendship. Mrs. Moody suggested that problems in the home can often be overcome if there is a sense of humor among family members.

Mrs. Liles read the words of the song "Faith of Our Fathers," and the meeting was adjourned.

Members brought gifts to be sent to the Vernon Mental Health and Retardation Center.

4H CLUB

The Haskell 4-H Club met on November 12. The program was given by Jerry Jennings and it was on Drugs. Those attending the meeting were James and Carl Hopkins, Kathy and Kristen Campbell, Lynn and Lex Weatherly, Christi Bartley, Teresa Unger, Hester and Jessica Owens, Michelle Bynum, Tammi Miller, Leiza Morales, Holli and Kirk High, Kristi Brister, Bo Owens, Sharla Jetton, Lori Darden, Dalyn Gilly, Blake Starr, Ricky Moeller, Jill Jenning, and Tiffany Moeller. Gwne Campbell was the adult leader.

PROCLAMATION

WHEREAS President Carter and the Congress of the United States have approved and called for a White House Conference on Libraries and Information Services to be held in the Nation's Capitol November 15-19, 1979; and

WHEREAS there have been Governor's Conferences throughout the Nation preceeding the White House Conference; and

WHEREAS the Texas Governor's Conference, held in Austin, in November, 1978, generated an enthusiasm for libraries and recognized that libraries have shown themselves to be enriching, entertaining and rewarding, and worthy of promotion in generating support; and

WHEREAS the Governor has issued a proclamation in support of this program; and

WHEREAS it is widely known that libraries have expanded their offerings to include modern, up-to-date and current collection of media, the Texas Governor's Conference, out of respect for the past and concern for the future, therefore resolved that important though these technological innovations may be, the basic tool available in all libraries is the book.

NOW, THEREFORE, I, Royce L. Williams, Mayor of the City of Haskell, Texas, do hereby proclaim the dates of November 15-19, 1979 as

BE WITH A BOOK FOR A DAY

in Haskell.

FURTHER, I call on all citizens of Haskell County to join with me on this occasion by being with a book of their choice and showing their support for libraries.

Royce L. Williams

College Night Set Nov. 26

Junior and senior students of high schools in the Big Country who are planning to go to college and the parents of these students will have an opportunity to meet and talk with representatives from various colleges, universities, and vocational training schools at a college night program at Abilene High School on Monday, November 26, at 6:00 p.m. Representatives from thirty-seven institutions have been invited. In addition, representatives from the Army, Navy, Marine, and Air Force ROTC programs and a representative to discuss Financial Aid will participate in the program.

The evening program will begin in the auditorium where Reggie James, President of the Abilene High School Student Council, will preside. Mr. Walter Bryan, Assistant Superintendent for the Abilene Independent School District, will welcome the students and parents. Following the general meeting in the auditorium, each student and parent will have an opportunity to attend three discussion groups of thirty minutes each to obtain information about three different colleges in which they are interested. College representatives will discuss entrance requirements, application procedure, estimated yearly cost, courses

of study, types of housing available, financial aid, and other topics of concern to students and parents. The colleges and universities which will be represented are: Abilene Christian University, Abilene Intercollegiate School of Nursing, Angelo State University, Austin College, Baylor University, Cisco Junior College, Hardin-Simmons University, Howard Payne University, Incarnate Word College, Lubbock Christian College, McMurry College, Midwestern University, Rice University, St. Mary's University, Schreiner College, Southern Methodist University, Southwest Texas State University, Southwestern University, Sul Ross State University, Tarleton State University, Texas A&M Engineering, Texas A&M University, Texas Lutheran College, Texas State Technical Institute-Sweetwater, Texas State Technical Institute-Waco, Texas Tech University, Texas Woman's University, Trinity University, University of Dallas, University of Houston, University of Texas at Arlington, University of Texas at Austin, University of Texas at El Paso, West Texas State University, Western Texas College, North Texas State University, Texas Christian University, Air Force ROTC, Army ROTC, Marine ROTC, Navy ROTC, and Financial Aid for College.

Each day, more than 180,000 adults in the Big Country rely on *The Abilene Reporter-News* for their local news and sports, as well as a complete package of national and world news, special features and leisurely entertainment. WTU Files For Increase

West Texas Utilities Co. has filed for an increase in wholesale rates for electric energy it supplies to 14 rural electric cooperatives and one municipality.

The increase would average 10.6 percent, and for most of the co-ops would be the first increase in base rates in 15 years. Most of them have been buying power from WTU under contract initiated in 1965.

WTU, in its filing with the Federal Energy Regulatory Commission in Washington, estimated that the increase would amount to \$2,261,349 in additional revenue for the Company during the 1980 calendar year.

The increase would be effective January 1, 1980. All of the existing co-op contracts expire on December 31, 1979. The contract with Sonora, which is the municipality involved, expires December 31, 1983, but contains provisions for rate changes.

W.P. (Bill) Sayles, WTU's vice president for customer services, said rising costs of providing service made the

increase necessary. "Fifteen years without an increase is a long time," he said, "especially in a period of inflation." He said the proposed rate structure is designed not only to bring charges to wholesale customers more in line with WTU's increased cost of service, but to encourage the co-ops to level their loads.

This incentive is provided in a demand charge, based on a ratchet clause which allows WTU to bill these wholesalers for up to 80 percent of their peak demands over a 12-month period and helps level costs over the year. It also gives them the opportunity to actually decrease the unit cost of electric energy and mini-

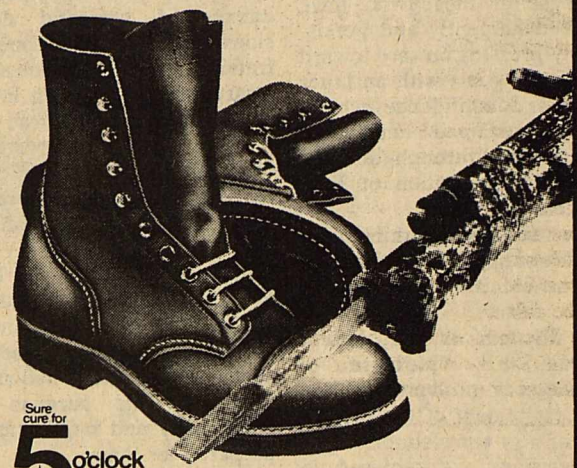

mize costs to their customers by shifting load to off-peak periods.

"We chose the demand charge because we feel it will be beneficial to the co-ops and their customers, and to the overall efforts to conserve energy," Sayles said.

"Without such a provision there is no incentive or benefit for the wholesale customers to implement load management programs."

Sayles said the proposed new contract had been discussed with all of the co-op managers and their engineering consultants before the filing was made with the Federal Energy Regulatory Commission.

Deep Basins:

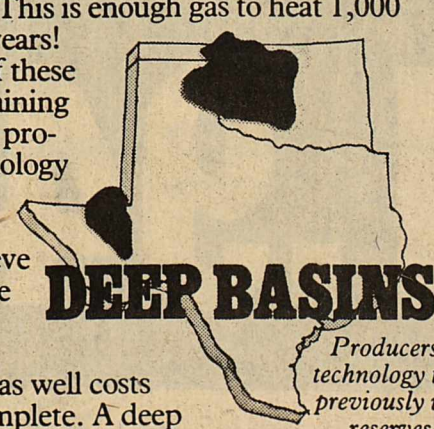

AMERICA'S NEXT GREAT SOURCE OF NATURAL GAS?

Producers are finding a lot of "super" gas wells in Oklahoma's and Texas' deep basins. A super well produces enough gas in a year to equal the energy in a million barrels of oil. This is enough gas to heat 1,000 homes for almost 56 years!

Exploration of these ultra-deep basins is gaining momentum now that producers have the technology to drill below 20,000 feet. In fact, many industry experts believe the deep basins will be America's next great source of gas.

The average gas well costs about \$300,000 to complete. A deep well can cost up to \$10 million, which explains why it's often necessary to pay higher prices for the gas we buy.

Lone Star has been buying gas from shallower production in the deep-basin areas for years. Our pipeline network will help us buy new gas selectively, negotiate hard for terms favorable to you, and deliver the gas efficiently and economically.

DEEP BASINS

Producers now have the technology to tap enormous, previously unreachable gas reserves in this area's ultra-deep basins.

Gas. It's plentiful, efficient and right for the times.

Lone Star Gas Company

WTC To Mark 10th Anniversary

Western Texas College will mark its 10th anniversary with ceremonies on the afternoon of Nov. 18, and area residents are invited to attend.

State Senator Ray Farabee of Wichita Falls will be guest speaker for a ceremony planned for 3:30 p.m. near the Scurry County Museum on the south side of the campus. Special guests to be introduced include members of the original steering committee for the college.

A campus open house is scheduled from 1:30-3:30 P.M., with tours of the campus. Visitors are asked to register in the Student Center. A luncheon is planned from 12:15-1:30 p.m. in the college cafeteria. Tickets, priced at \$3 each, are to be reserved by writing Mickey Baird, Student Activities Director, or by calling her office at 573-8511, extension 276.

It was in November, 1969, that Scurry County voters approved by a 10-1 margin the first bond issue which made the long-awaited college a reality. Construction on campus buildings was begun the following year and the college enrolled its first students in the fall of 1971.

The anniversary observance will also include the introduction of ex-students and faculty

at the half of the WTC-South Plains College basketball game starting at 8 o'clock on the night of Nov. 17 in the Scurry County coliseum. This game is part of the WTC Classic scheduled Nov. 15-17. Tickets may be purchased at the door.

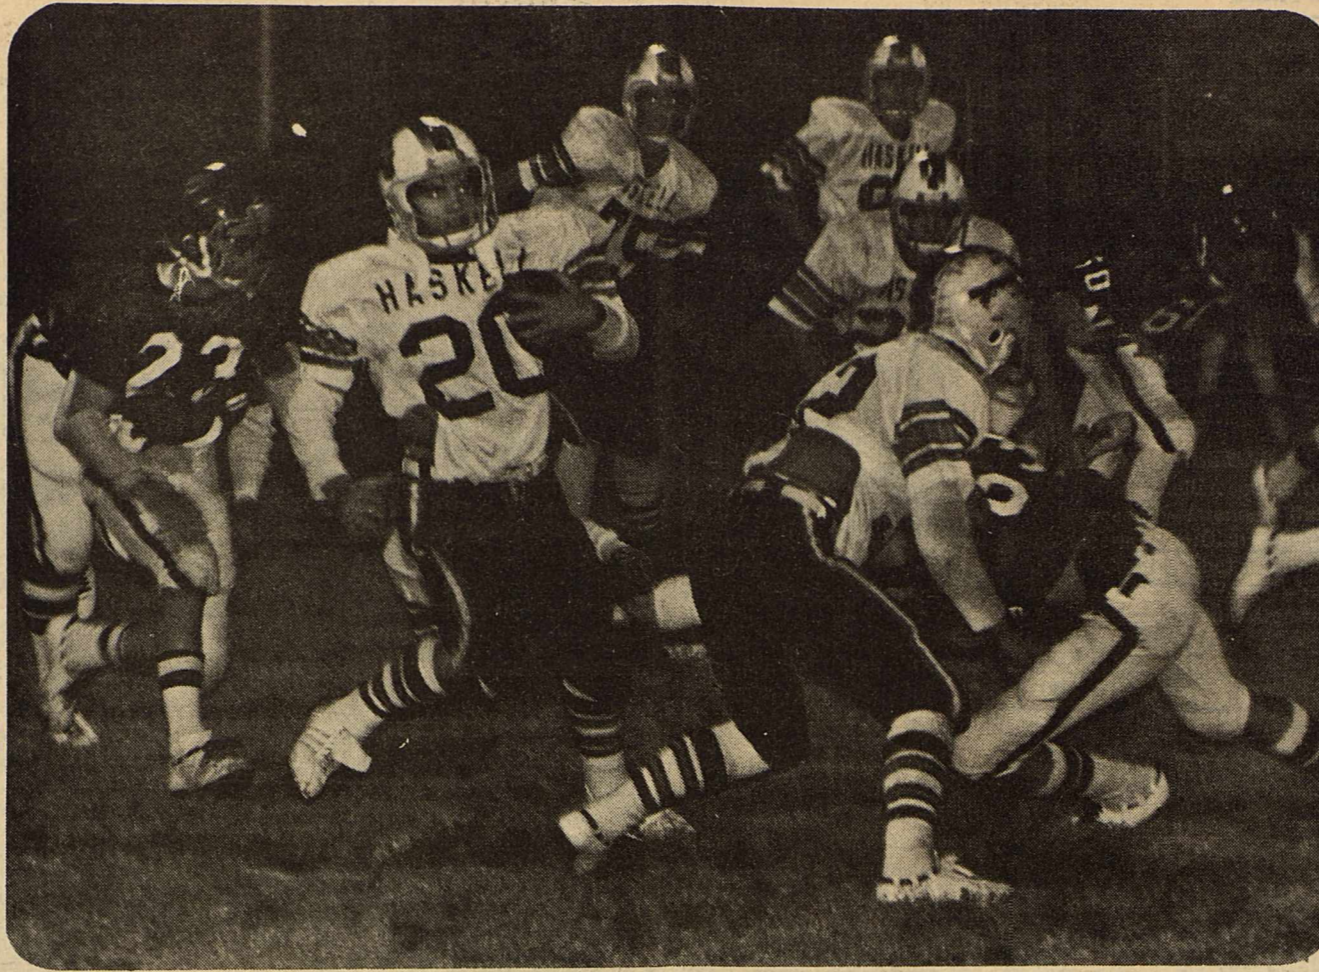

Also scheduled for 8 p.m. on Nov. 17 is "The Effect of Gamma Rays on Man-in-the-Moon Marigolds" in the Fine Arts Theatre on campus. This production is the season opener for the college drama department and runs Nov. 15-16-17 and 19. Tickets may be reserved by calling the Fine Arts Division office at 573-8511, extension 234.

College News

Billie Cockerell McKeever of Haskell received the master of education degree in secretarial teaching and English during the annual summer commencement exercises at Abilene Christian University Aug. 17.

Miss McKeever is a 1964 graduate of Paint Creek High School.

INDIAN MONNIE HISE carries over the goal line for six points against the Quanah Indians last Friday night. The third quarter score and PAT tied the game at 14-14. The Tribe scored again about three minutes later and Quanah scored a final TD in the fourth quarter tying the

game. The Tribe defeated Quanah 4-3 on penetrations and if the two teams win their games this Friday, they will share the District 7-A title. Because of the penetrations, Haskell will represent the district if the two teams tie. (Staff Photo-DC)

Cotton Classing

Cotton prices were slightly higher on the local cotton market according to Garland Dye, Officer in Charge of the Munday Classing Office. Demand improved for most qualities of current ginnings. Grade 31, Staple 32 brought from 57.35 to 58.10 cents per pound. Grade 31, Staple 31, brought from 56.00 to 56.75 cents per pound. Grade 41, Staple 33 sold for 58.20 to 58.95 cents. Farmers received around 110 dollars per ton for cottonseed.

The cotton currently being ginned in the Munday Classing Office territory remained high in quality. Grade 31 continued as the predominant grade accounting for 42 percent of the samples classed. Next came Grade 41 with 30 percent. Light Spotted cotton, mostly Middling Light Spotted made up most of the remainder. Forty-four percent

of the cotton graded had staple length of 32. Twenty-nine percent was Staple 33 and 18 percent was Staple 31. Eighty-seven percent of the samples fell in the base range of 35 to 49 micronaire. Twelve percent miked below 35.

About 10,500 samples were classed this week, bringing the season's total to 39,140. The Munday Classing Office had not opened as of this date a year ago.

Mrs. Lovie Barnes, 89, of Anson died at 9:15 a.m. November 10 in Anson General Hospital following a short illness. Services were held at Trinity Baptist Church in Haskell Nov. 13 at 2 p.m. Burial was at Johnson's Cemetery in Munday.

Born Lovie Auvenshine September 11, 1890 in Comanche County, she grew up in the Beattie Community. She married John Land August 11, 1909 in Comanche County. The couple moved to Knox County in 1921. Mr. Land died there in 1931. She married A.Y. Barnes in 1936 in Seymour. The couple lived in Haskell until his death in 1953. She continued to make her home in Haskell until moving to Leisure Lodge in Anson in December 1976. She was a member of Trinity Baptist Church in Haskell.

Survivors were three sons, Arnold Land of Goree, Jack Land of Wichita Falls, Noble Land of Haskell; one daughter, Mrs. T.S. Busby of Anson; one step-son, Hubert Barnes of Abilene; two stepdaughters, Mrs. Maybelle Bailey of Alamogordo, New Mexico, Mrs. George Whitten of Wyoming; 9 grandchildren; 15 great grandchildren; and 1 great-great grandchild.

Obituaries

Pallbearers were grandsons, Billie Jack Ray and Bill Swinney.

Joe Larned

Funeral services for Joe Larned, 83, of Haskell were held November 13 at 10:30 a.m. in First United Methodist Church in Haskell with Rev. James Putnam, pastor, officiating. Burial was in Willow Cemetery under the direction of Holden-McCauley Funeral Home.

Mr. Larned died November 11 at 1:15 p.m. in Haskell Memorial Hospital after a lengthy illness. Born May 28, 1896 in Hood County, he was a retired insurance salesman. He married Florence Mae Tidwell December 4, 1920 in Haskell. He had been a resident of Haskell since 1916, coming here from Hood County. He was a member of First United Methodist Church.

Survivors include his wife; three sons, Joe Jr. and Kenneth of Port Arthur and Jerry of Monahans; one daughter, Mrs. Alta Faye Harvey of Haskell, 6 grandchildren, 4 great grandchildren and several nephews and nieces.

Pallbearers were J.E. Walling, Jr., Robert Starr, Woody Frazier, O.T. Johnson, Olen Bartley, and Woodrow Jones.

Ralph Teague. Burial was at Rochester Cemetery, directed by Smith Funeral Home.

Born July 26, 1902, in Collin County, he married Erma Hester November 11, 1927, in Munday. He was the retired owner of a service station in Plainview and moved to Haskell in 1973. He was a member of the Masons and the Haskell First Baptist Church.

Survivors include his wife: two sons, Truman of San Bernardino, Calif., and the Rev. James Russell of Alvin; four daughters, Elinor Davis of Ogden, Utah, Gerrie Newberry of Rochester, Nancy Flick and Jo Ann Lindeman, both of Kress; two sisters, Retha Phillips of Princeton and Willie Doyle of National City, Calif.; one brother, I.W. Russell of Plainview; 11 grandchildren; and 6 great grandchildren.

Pallbearers were Morris Jenkins, R.A. Shaver, Vaughn Brooks, Charles Swenson, Doyle Strickland and Dan Wedzcek.

ATTENDS MEETING

Rhonda Moeller, County Clerk, recently attended the area meeting for District and County Clerks. The meeting was held last Friday in Wichita Falls and consisted of workshops.

E. A. Russell

Emmett A. Russell, 77, of Haskell, formerly of Rochester, died at 2:45 a.m. Nov. 8 in Haskell County Hospital. Services were held at 2 p.m. Nov. 9 in First Baptist Church at Rochester. The Rev. Hubert Sego officiated, assisted by the Rev.

Branding with confetti is making things rougher for grain thieves. Grain producers are picking up the old practice of marking small slips of paper with identifying numbers and mixing the confetti with their stored grain crop. According to producers who have been using the confetti method for some time, it takes only about seven pounds of the paper to adequately mark and identify 50,000 bushels of grain. Although the small slips of paper are virtually impossible for thieves to separate from the grain, mill operators report they have no problem in removing the confetti during their washing process. Agricultural authorities in areas where the grain identification program is used extensively report a remarkable decline in the number of grain thefts.

Leisure Lodge News

The Lodge has been busy this week welcoming some new and old faces back. First we want to say a hearty welcome back to Mrs. Gale Tidrow, one of our L.V.N.'s. She has been busy these last few weeks with a new addition to their household, a new

daughter Serita. Congratulations Gale. We also want to welcome a new face for the winter, Mrs. Eva White came to Leisure Lodge last Tuesday. We had several out-of-town visitors this week and we would like to acknowledge them also.

Mr. Lee's niece and her husband, Mr. and Mrs. Edward Armstrong visited him from Brookshire.

Mrs. White's niece and nephew Mr. and Mrs. Maurice Scruggs visited her from Fort Worth. Mrs. Medford had several out-of-town visitors. Van Josselet from Dalhart and Leroy and Evonne Medford from Seagraves. Mrs. Harrington's grandson, Clyde Reynolds and his family, visited her from Abilene and her great grandchildren, Mr. and Mrs. David Maynard and family, visited her from Wichita Falls.

We had several visitors from around the Haskell Area as well. From the Weinert area we had Mrs. Georgia Turnbow visiting Mrs. Mary Smith and Mrs. Oattie Mayfield visited Mrs. Ivy Massie. Mrs. Mayfield also visited Elsie Mithcell. Mr. D.I. White visited Mrs. Eva White. Mr. and Mrs. Monroe Murphy and Mrs. H.H. Grimes visited Jeff and Ola Smith.

From the Rule area we had Mrs. Faye and Ennis Webb, visited Mrs. Edith McDaniels. Also her sisters Marie, Louise, Anna Lee, and Gladys all from Rule visited her. Visiting Mrs. Lummie Westmoreland was Miss Maybell Norman, Vesta Westmoreland, Mrs. A.B. Arnett, Mrs. Minnie Dickey, and Mr. and Mrs. Derrel Sorrells, Cynthia and Jeffery. The Sorrells also visited Mrs. Florence Sorrells. Mr. and Mrs. Elvin Sorrells visited Mrs. Florence Sorrells. Mr. and Mrs. John Greeson visited Mrs. Eva White.

From the Rochester area, Mrs. Mardell Roberson visited Mrs. Eva White.

From Stamford we had Lajin and Aleine Carlton, Velton and Bea Schmidt, Edgar Schmidt and son Bobby visited Mr. and Mrs. Albert Schmidt.

From Knox City we had Sammie White visiting Mrs. Eva White.

Other out of town visitors were: Mr. Kenneth Ray visiting Mr. Ned (C.W.) West and Mrs. O.C. Lewis from Granbury visited Jeff and Ola Smith. Thank you all for coming.

COLLEGE ENTRANCE...Visitors to Western Texas College most often enter the campus through this familiar portico. The college will be observing its 10th anniversary with an open house and ceremonies starting at 1:30 p.m. on Nov. 18 and area residents are invited to attend. All the buildings on campus will be open for visitors and guided tours will be available upon request for those new to the campus. Students in the photograph are (left to right) Louise Johnson of Aspermont, Renae McBroom of Haskell, Paul Pressey of Richmond, Va., Tom Luera of Snyder, Linda Belvin of Loraine and Mark Anderle of Hobbs, Tex.
