HASKELL—A GOOD PLACE TO VISIT: A BETTER PLACE TO LIVE

VOLUME NINETY-THREE HASKELL, TEXAS, 79521, JANUARY 31, 1980 NUMBER FIVE

New Officers Elected For Chamber Year

John Wayne McDermott, Haskell County Judge, was elected president of the Haskell Chamber of Commerce Tuesday afternoon by members of the organizations board of directors.

McDermott will take office at the annual chamber banquet scheduled

February 15.

Von Marr, manager of Bynum's Furniture, was elected first vice president and Sue Pate, manager of West Texas Utilities, was elected second vice president. Sandy Horton, of Sears, was elected treasurer and Rex Felker was elected

manager of the chamber.

New directors recently elected by chamber members include: Lois Richardson, Donnie Rieger, Von Marr, Gene Long, Joe Alves and Bill Lane Jr.

All officers and directors begin terms of office at the banquet. Officers serve for one year and directors serve for three year terms.

Officers and directors finalized plans for the February 15 banquet during their meeting. The banquet will be held at the elementary school cafeteria and tickets are \$6.50 each.

Banquet speaker will be Ray Overton Jr., formerly of Haskell. Overton is currently head coach of Abilene Cooper High School.

State President Visits

Texas Jaycee President Jay Brim of Austin was the keynote speaker at the Region I-C visitation held in Haskell Monday night January 21 at the Haskell Country Club.

Brim told the Jaycees in attendance that Texas could very well be the top state in the national rankings, and urged them to go out and do the best they could the next four months.

Jaycees in attendance assured President Brim of their continued support in the areas of membership growth, extension of other chapters, and retention of present members.

Chapters represented at the meeting were from Abilene, Snyder, Lamesa, Seymour and Haskell.

Also in attendance were several state officers, Lynn Smith of Snyder, Area Vice President of Area I; Regional Director A. J. Clinton of Abilene; District Directors, Tommy LeRoux, Jim Pace and Joe Langdon.

Charles Andress, president of the Haskell County Jaycees was presented two awards by President Brim for excellence in the area of membership retention for the months of October and November.

AAM Sets Chili Supper

The American Agriculture Movement of Haskell will have a chili supper, Thursday, January 31 at 7:00 p.m. at the grade school cafeteria.

Joe Cook of Cee Vee will be the featured speaker. Joe has designed his own alcohol plant and produces alcohol out of almost everything. He will discuss some of the methods and techniques. The state and federal licenses will also be covered in the discussion.

The upcoming trip to Washington will be discussed and planned. Also, there will be a report on what is happening in Washington on the farm front. The report on beef referendum and cotton incorporated hearings will be of interest to all farmers.

County Beef Producers To Vote

Haskell County beef producers are currently in the process of registering to vote on a beef referendum proposal.

This issue of the *Free Press* contains news releases prepared by two different groups which present both sides of the referendum issue. The articles are printed on page nine and give the views of the Independent Cattlemen Association which opposes the referendum and the other gives the views of the co-chairman of the program.

Producers must register at the Haskell County ASCS office between now and February 6 and vote February 19-22.

Ice Disrupts Area Travel

A thin film of ice has disrupted the routine in the Haskell area this week.

Accumulations of ice thus far have not been great enough to cause damage to trees or utility lines but the ice has caused several traffic accidents.

At least three vehicles have overturned in accidents resulting from the ice and several minor accidents have occurred.

The ice resulted in slowed or

halted deliveries into Haskell for several products.

One decided advantage of the ice is the moisture content applied to area farm lands. Area farmers are more than happy to tolerate any minor inconveniences for the needed moisture. With cotton stripping almost completed, most farmers would rather have the moisture for dry wheat crops than continued mild weather.

This is the first winter storm of any magnitude to reach this area after an unusually mild fall and winter.

Jaycees Set Casino Night Saturday

The Haskell County Jaycees annual "Casino Night" will be held Saturday night February 2 at the American Legion Hall in Haskell. Hours will be from 7:30 till 12:00 with tickets being \$5.00 each.

This fund raising affair will be to assist the Jaycees and Jaycee-ettes in their various projects throughout the year.

Merchandise will be auctioned off at the end of the night to the highest bidder. The merchandise will consist of many good items such as stereos, home appliances, personal care items and many others.

For a really great night of entertainment plan to attend our own "Little Las Vegas" here in Haskell, and support the Jaycees and Jaycee-ettes.

(Staff Photo By Don Comedy)

ICY COATING

A thin coat of ice has covered most of Haskell this week and at press time Wednesday the first thawing trend of the week was noted. The above photo shows the coating of ice on a small weed Tuesday morning. With the problems of travel on ice also came the advantages of the much needed moisture.

Six Jaycees Attend Legislative Seminar

Weekend legislators from across Texas gathered in Austin this past weekend to attend the Austin Jaycees Legislative Seminar. These would be senators and representatives assembled at the State Capital to present bills and resolutions which they felt were pertinent to these times in which we live, and to experience the actual legislative process which governs our everyday lives.

Six Haskell County Jaycees attended this annual event and

participated in the proposals, debates, and the actual votings. President Charles Andress led the delegation, with Earl Proctor, Jake Dusak Jr., Charles Thornhill, Jack Rueffer and Jim Pace attending.

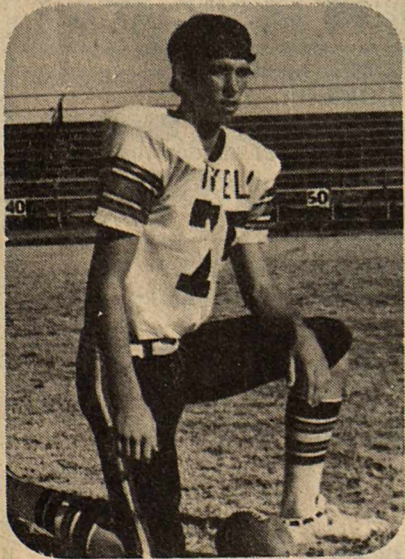

The two key proposals recommended new resolutions supporting a "Drive 55" campaign, and draft registration for all young people between 18 and 26 years of age. Both of these passed by a large majority.

Saturday's banquet featured well

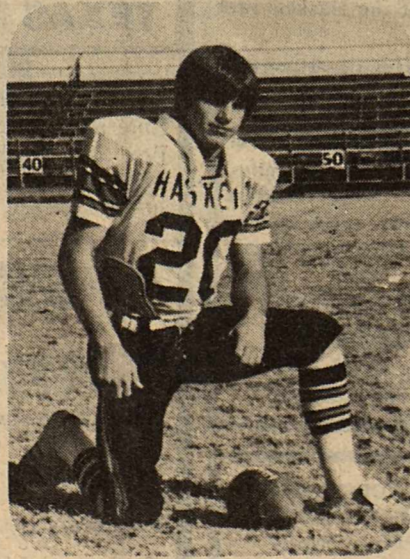

known Austin resident and comedian Cactus Pryor, and Sunday's keynote speaker was Senator Bill Doggett of Austin, who spoke of the problems and challenges faced by the next session of the legislature in 1981, that were to be of great importance to all Texans.

Other action during the seminar was the unanimous support of the Jaycee Board of Directors for State President Jay Brim as a candidate for National Jaycee Vice President, and also the announcement of Lynn Smith of Snyder of his candidacy for State Jaycee President.

Two Selected To Area Teams

GILES KEMP

MONNIE HISE

Two Haskell Indians, Monnie Hise and Giles Kemp, were named to all area teams this week.

Both Kemp and Hise were named to the defensive unit of the *Abilene Reporter-News* All-Area team, Kemp as a lineman and Hise as a back.

Both were selected to places on the *Wichita Falls Times-Record News* small school team. Hise was selected as a running back and Kemp as a defensive lineman.

Anson Farmer To Head Cotton Council

Herman A. Propst, Anson, cotton producer, is the 29th president of the National Cotton Council. Chosen by the board of directors at the Council's 42nd annual meeting in New Orleans January 28, he has been chairman of the Producer Steering Committee for the past two years. A member of the Council board, he served on the Industry Practices and Policies Committee. Propst was vice chairman of the agricultural advisory committee on cotton for the Multilateral Trade Negotiations during the Tokyo Round.

He is a former president of the Rolling Plains Cotton Growers Association and past chairman of the Texas Association of Cotton Producers Organizations.

Cotton is the major crop on Propst's farm in Jones County where he also grows wheat and raises livestock.

He attended high school in Anson and graduated from the University of New Mexico in Albuquerque. An Air Force veteran of World War II, he is married to the former Helen Baker and they have two children, a daughter and a son.

Active in civic affairs, Propst is an elder and choir member of Stamford Presbyterian Church and

serves on the boards of West Texas Rehabilitation Center in Abilene and the Chisholm Trail Council of the Boy Scouts of America. He is a member of the Stamford Exchange Club and the West Texas Chamber of Commerce.

Propst succeeds C. Hoke Leggett, Hobgood, N.C., producer, as Council president.

Buyers

Haskell County Junior Livestock Show officials omitted several names from the buyers list published last week in the *Free Press*.

Buyers which should have included in the list are: Bill Reed, Stamford; J. R. Perry, Rick Perry, Leland Thane, and Stamford Cotton Oil Co.

MISS PAM BARTON of Lubbock was married to Steve Baker January 16, 1980 in the Chapel of the Bells, Las Vegas, Nevada. The bride is the daughter of Mr. and Mrs. Richard Barton of Lubbock and the granddaughter of Mrs. Maye Holcombe and the late Lela Barton Baggett of Haskell. The bridegroom is the son of Mrs. James Baker of Big Spring. The couple will make their home at Buffalo Lake in Lubbock.

WOO's Plan To Read Bible

"Read The Bible Through This Year" was the theme of the W.O.O. (Senior Adults of the First Baptist Church) meeting Tuesday evening in the Fellowship Hall.

The head table was centered with an arch of green cut-out letters forming the words "Read The Bible Through This Year" with an open Bible under the arch. English Ivy and small white flowers completed the arrangement. Other tables held various versions of the Bible standing with English Ivy and a white Camellia at the base of each. Green and gold book markers inscribed "I Am Reading The Bible Through This Year" with spaces to check as each book is read and stickers reminding one to read the Bible daily marked places at each table.

The meeting was called to order by John Therwhanger, committee chairman and prayer was led by Ora Childress. During the business session, a letter of thanks for the W.O.O.'s support of the Christmas program at the Abilene State School was read and an Easter project for the school was discussed, to bring Easter eggs, grass or crepe paper to the March meeting. Plans were made to attend

"Holiday On Ice" in Abilene on February 14. Reservations may be called in to the Church Office.

Brian and Jennifer Burgess brought the program for the evening. Brian's devotional included several beautiful vocal selections with Jennifer accompanying him on the piano.

Sandwiches, cookies and cheese balls were served with coffee and hot chocolate during the social hour. Eula Mae Herren, Bessie Fouts and Beulah Gibson assisted the committee with the serving. Edna Fouts registered thirty eight members and guests, Brian and Jennifer Burgess.

HFD Ladies Auxiliary To Meet

The Ladies Auxiliary of the Haskell Fire Department will hold their monthly meeting Monday night, February 4 at 7:30 in the home of Lisa Watson. The program will be presented by Charles McCauley of Holden-McCauley Funeral Home of Haskell.

Third Grade Adopts Grandteacher

A "grandteacher" has entered the lives of the children in Mrs. Pam Gibson's 3rd grade class at the Haskell Elementary School. Weekly Reader's exciting new Adopt-A-Grandteacher program has put the class in touch with Mrs. E.G. Larson, a retired teacher living in Dallas.

Mrs. Gibson's pupils have each made a Christmas card and written two letters to their new grandteacher. Mrs. Larson has responded by writing letters to each individual student.

Adopt-A-Grandteacher is sponsored by the editors of Weekly Reader and is a new phase of their Writing Pals program—a nationwide program designed to foster enthusiasm for writing.

Adopt-A-Grandteacher is Weekly Reader's way of providing our nation's youngsters with a way to get to know and appreciate their elders and, at the same time, to keep retired teachers in touch with Young America.

Students involved in this program are: Alberto Alvarez, Nicole Anderson, Shelly Briscoe, Michelle Bynum, LaKay Gibbs, Dalyn Gilly, Ray Gonzales, Marc Grupe, Chan Guess, Loutina Hadaway, Shelly Hawkins, Brenda Hicks, Shanna Langford.

Hospital Notes

ADMISSIONS
MEDICAL: Opal Nimmo, Haskell; Arthur Lee, Haskell; Dewey Melton, Munday; Oma Brazell, Haskell; Otie Mayfield, Weinert; John Vernon, Rule; Samuel Kelso, Haskell; Lafie Williams, Rule; Carl Fischer, Haskell; Anna Montgomery, Haskell; Eunice Wilhelm, Stamford.
SURGICAL: Wretha Melton, Haskell.

DISMISSALS
Lois Gray, Ola Yeary, W.D. Reed, Nina Bryant, Billie Jean Walters, Thelms Henderson, Martin Rueffer, Ella Cartwright, Violet Allen, Edward Melton, Myron Biard, Gloria Fernandez, Gary Hale.

MR. AND MRS. CARL WAYNE MYERS of Haskell are announcing the engagement of their daughter, Lisa Kay, to Henry Earley Rogers Jr. of Knox City. Parents of the prospective bridegroom are Mr. and Mrs. James Byrd and Henry E. Rogers Sr. both of Knox City. The couple plans a March 8th wedding at Trinity Baptist Church.

MR. AND MRS. WILLIAM R. WALKER of Richmond announce the upcoming marriage of their daughter, Ruth, to Terry Chapman, son of Mr. and Mrs. Jack Chapman of Haskell. The wedding has been set for Saturday, March 8 at the First Baptist Church in Richmond. Both the bride-elect, a graduate of Lamar Consolidated High School, and the prospective groom, a graduate of Haskell High School, hold B.S. degrees in Agriculture Economics from Texas A&M University. Ruth is currently residing in Norman, Oklahoma, where she intends to begin graduate studies at University of Oklahoma. Terry is employed as a Market Representative with Livestock Marketing Association.

Women's Role Is Study Club Theme

Mrs. Curtis Jennings, President, conducted the short business meeting at the last Progressive Study Club.

Mary Martin was program director for the evening. "The Changing Role of Women" was the theme of a skit presented by Mrs. W.H. Pitman, Mrs. Elbert Johnson and Mrs. Gary Druesedow. Mrs. Martin used an opinion poll to further emphasize the changing life styles of women. Mrs. Buck Everett led the group in singing "Have You Ever Been to Texas in the Spring" and "Texas Our Texas". At the conclusion of the program all of the club members participated in a lively game of charades.

Mrs. Howard Perry, Mrs. Faye Woodson, and Mrs. Lee Roy O'Neal were hostesses for

the evening. Refreshments of cookies and lemonade were enjoyed around a red-checked covered table centered with early Texas memorabilia.

STYLE SHOW

The finance committee of the Progressive Study Club met this week to finalize plans for the March 8th gala celebration of Lane-Felker's Ruby Anniversary with a Style Show at the Haskell Country Club. Since there will be limited seating at this Club 1979-80 benefit project, tickets must be purchased in advance and will go on sale for \$3.00 next week by club members or may be purchased at several locations to be announced later.

Hearing Test Set For Haskell

Free Electronic hearing tests will be given at the Fieldan Motel, 115 S. Avenue E, Haskell, Friday, February 1, 9 a.m. to 1 p.m.

Factory-trained hearing aid specialists will be at the Beltone office to perform the test.

Anyone who has trouble hearing is welcome to have a test using modern electronic equipment to determine if his loss is one which may be helped. Some of the causes of hearing loss will be explained, and diagrams of how the ear works will be shown.

Everyone should have a hearing test at least once a year if there is any trouble at all hearing clearly. Even people now wearing hearing aid of those who have been told nothing could be done for them should have a hearing test and find out if they are one of the many a hearing aid can help.

The free hearing test will be given at the Fieldan Motel, 115 S. Avenue E, Haskell. If you can't come in on Friday, call 864-2251 for in-home test.

All hearing aid users are welcome to our service-batteries for all makes.

Don't Let Your Chimney Go Up In Smoke

Unless your chimney is cleaned regularly; you may have a firebomb in your house; ready to ignite without warning. When wood is burnt in your fireplace or woodburning stove, two highly flammable by-products are given off. These are soot and creosote, which cling and accumulate in the flue just waiting for a chance spark to ignite it. If you're lucky, the fire will just burn the chimney clean. If you're not so lucky, the fire will cremate the flue's lining and dangerously weaken the chimney. If you're down right unfortunate, the flames will take the whole chimney and the rest of the house along with it. Be Safe. Call

Author To Speak In Abilene

David Wilkerson, the famed author of *The Cross and the Switchblade*, will be speaking at a public meeting, to be held at Taylor County Coliseum on Feb. 4th and 5th at 7:30 p.m. There is no admission charge.

The Cross and the Switchblade, Wilkerson's first book, is the account of Mr. Wilkerson's first efforts to reach and rehabilitate street gang members during the era of the gang wars of the late 1950's and early 1960's. The book, first published in 1962, is in its twenty-eighth printing, has been translated into 42 languages and has passed the 16 million mark in sales. It was made into a feature-length movie in 1970 with Pat Boone playing the part of David Wilkerson.

Wilkerson's book details the formation of the organization called Teen Challenge which

in the past decade has become one of the most successful in the world for the rehabilitation of drug addicts. Teen Challenge now has facilities in over 50 cities in the United States, and a documented cure rate of 74%.

One of Mr. Wilkerson's first encounters with a teen gang member, as related in his book was with Nicky Cruz, the leader of the notorious Mau Mau's. Cruz was known as one of the most feared and hated street fighters in New

York. When Wilkerson first approached Cruz, he spit on him, slapped him across the face and told him to "go to hell." Nicky Cruz later became David Wilkerson's first convert and one of his most trusted assistants.

David Wilkerson now spends the majority of his time speaking to teenagers about drugs, sex, alcohol, rebellion, and other subjects of current interest.

Dallas Holm and Praise will also be in this crusade.

At First Federal, watch the little get big. And the big get bigger.

USDA Soil Conservation Service

Conservation Viewpoints

LTA CONTRACTS
Long-term Agreements (LTA's) between the Agricultural Conservation and Stabilization Service (ASCS) and the following producers have been developed: Mrs. Flora Josselot and Roger Moeller, Haskell, 190 acres; and Mrs. Ola Mae Lisle and James Lisle, Jr., Rule, 164 acres.

Parallel terraces and grassed waterways along with conservation cropping systems, crop residue management, and contour farming are the major conservation measures planned for these two units.

All conservation plans and conservation measures installed on an individual farm or ranch unit in the Haskell Soil and Water Conservation

District are aimed at controlling and reducing soil losses both from wind and water erosion.

GREAT PLAINS CONSERVATION PROGRAM
GPCP contracts have been approved for Agnes C. Rike and John S. Rike, III, Haskell, 86 acres; Bill and Buford Cox, Haskell, 1430 acres; Jerry Manske, Sagerton, 236 acres; R.V. Earles, Paint Creek, 680 acres; Billy Middlebrook, Paint Creek, 397 acres; and H.L. Guess, Weinert, 360 acres.

GPCP contracts have been or are being prepared for Don and R.C. Cobb, Stamford, 635 acres and for Leroy Casey and Bobby Kittley, Rule, 747 acres.

These eight contracts will

use up all the financial allocations for Haskell County for this fiscal year.

Pending applications for GPCP contracts are currently on hand with the following producers: Larry Blackwell, Stamford, 660 acres; M.W. and Van Sedberry, Haskell and Rule, 390 acres; Tom and David Patterson and Mrs. G.V. Middlebrook, Haskell, 157 acres; John Grand, Haskell, 245 acres; George W. "Bill" Wedeking, Stamford, 379 acres; Sargent Lowe and Sons, Munday, 435 acres; and Mrs. Elizabeth Coffield, Haskell, 316 acres.

Producers are listed in the order in which their applications were received beginning with Blackwell in September, 1978 and ending with Mrs. Coffield in June, 1979. Should any producer fail to take up his option for GPCP as his name comes up, the next applicant on the list will be eligible to receive assistance.

It is the hope of the Haskell SWCD Directors and the Soil Conservation Service that all these applications can be honored, contracts prepared, and funds obligated within the next twelve to fifteen months.

Work has already been started on all the new contracts recently approved. All work on the Rike contract has been completed with the exception of seeding the shaped critical area. Application work is also continuing on GPCP contract approved in prior years.

J.C. Yeary, Jr., District Conservationist

Cotton Classing

Maidens Split Two Games

Prices for cotton increased from a week ago, according to Garland Dye, Officer in Charge of the Munday Classing Office. Demand was strong and local markets were active. Buyers were seeking cotton at prices from 2 to 3 cents per pound above those of a week earlier. Grade 32, Staple 33 with 3.5 to 4.9 mike brought from 66.45 to 68.45 cents per pound. Grade 42, Staple 33 brought from 64.15 to 66.15 cents per pound. Cotton miking below 3.5 sold at prices from 8 cents above loan for 2.7 to 2.9 mike to 17.50 cents above loan for 3.3 to 3.4 mike.

The Munday Classing Office classed 9,643 samples for the week ending January 24th. This brought the total classed for the season to 179,469. An additional 16,000 samples were classed at Abilene earlier in the season.

Grades were mostly in the Light-Spotted color group. Grade 42 accounted for 31 percent followed closely by Grade 32 with 28 percent. Nineteen percent of the grades were in the Spotted color group and 15 percent were in the White color group. Staples were mostly 32 and 33. Staple 33 accounted for 45 percent and Staple 32 made up 38 percent. Staple 34 was 9 percent and Staple 31 was 6 percent.

Micronaire readings continued to be mostly in the desirable range of 3.5 to 4.9; 74 percent compared to 69 percent a week earlier. Twelve percent miked between 3.3 and 3.4, 11 percent 3.0 and 3.2, and 3 percent was below 2.9.

Last week was the last week of operation for the Munday Classing Office. The remaining samples for the territory will be classed at Abilene.

BY KIM LANE
Another big victory is marked up for the Maidens as is a big loss. The Maidens played the tough Hamlin Piper team here Tuesday (22nd). This is where the big victory came, unfortunately, a non-district game, but nevertheless a good win. Everything seemed to tick correctly—the passing game was good, shooting and defense were also strong.

Quarter	1	2	3	4
Haskell	12	26	40	58
Hamlin	12	21	28	47

Scorers: Dumas-19, Lane-14, Everett-9, Cox-8, Johnson-6, Starr-2. Ms. Hustle-Dumas, Ms. Defense-Johnson.

The Maidens traveled to Aspermont Friday (25th) for the first game of the second round of district. Here is where the tough loss falls. The Maidens lead the whole game and definitely out played the Hornets. Inexperience of the young team was revealed and hurt them. Maturity will come as the experience comes.

Quarter	1	2	3	4
Haskell	6	25	44	46
Aspermont	12	24	34	50

Scorers: Johnson-12, Lane-11, Dumas-10, Cox-6 Everett-5, Turner-2. Ms. Hustle-Cox, Ms. Defense-Cox.

The Maidens played Knox City here Tuesday (29th) and Crowell comes here Friday (1st). These games will be reported in next week's paper. Your support is greatly appreciated and again, thank you.

College News

A Haskell student at Angelo State University was among 182 students who completed degree requirements at the conclusion of the Fall semester.

James Daniel Raughton received a degree with a major in Health & Physical Ed. Of the 182 graduates, one earned a master of arts in teaching, four masters of business administration, three masters of public administration, two masters of science and four masters of education. Bachelors degrees conferred include 44 bachelors of arts, 48 bachelors of business administration, 75 bachelors of science and one bachelor of science in nursing.

Diplomas will be mailed to graduates upon receipt from the engraver. December graduates may, upon request, participate in Spring commencement exercises.

Midwestern State University honor rolls for the fall semester listed 67 students on the Dean's roll and 154 on the University roll.

Students meeting the requirements for the Dean's honor roll made no grade below "A" for at least 15

semester hours. Those meeting the requirements for the University honor roll made a minimum grade point of 3.5 on a 4.0 system and no grade below a "C" on at least 15 semester hours.

Students making the Dean's honor roll from Haskell include: Connie Frierson, daughter of Mr. and Mrs. Ervin E. Frierson.

Registration-Election Set On Beef Referendum

Agruments Against

The Independent Cattle-men's Association of Texas is urging all cattlemen to register to vote in the upcoming Beferendum.

Cattlemen planning to vote must register first at the local county Agricultural Stabilization and Conservation Service (ASCS) office from Jan. 28 to Feb. 6. The rules provide for one vote for each separate cattle business entity, be it an individual, family business, partnership or corporation. Absentee registration and

voting will be permitted.

Voting dates for the referendum, which could provide a check-off of 20 cents per \$100 sales of your livestock for promotion of beef if passes, are Feb. 19-22. For the referendum to be valid, 50 percent or more of those who register must vote. And for it to pass, a simple majority of those voting must favor the program.

After a thorough investigation of the pros and cons of the Beferendum, the members of

ICA at the 5th annual convention this past summer voted overwhelmingly to oppose the Beferendum.

ICA opposition is based primarily on these points:

1. The Beferendum would allow the U.S. Department of Agriculture as a bureau to grow larger, more unwieldy and unresponsive to ranchers' needs.

2. If the program is implemented, the Agriculture Secretary would be able to appoint members to the Beef Board from eligible organizations. The industry, even though it's paying for the Beef Board, cannot elect anyone, and eligibility of organizations is determined by the Agriculture Secretary.

3. Consumers would be on the board in addition to cattlemen. Even though they are to be in advisory positions in the beginning, the government could pass a law at a later date making them voting members. The Egg Board is facing this possibility and the Cotton Board, a model for the proposed Beef Board has been very unresponsive to the producers who have put money into it and has distinguished itself only through internal

problems.

4. If the Beferendum passes, the Secretary has the power under Sections 14 and 18 to seize and confiscate records and take you to court if you do not follow the value added procedure properly.

5. The Beef Board must turn in a budget to the Secretary for his approval and must justify amounts spent for advertising, research, sales promotion and consumer information.

6. No funds collected by the Beef Board can be used to influence government policy or action.

7. Foreign meat cannot be assessed because foreign producers will not be represented on the Beef Board. Since imported meat makes up a large percentage of the beef consumed in the United States, American ranchers would actually be advertising foreign beef at their expense.

Roy Wheeler, ICA president, said that cattle producers who vote in favor of the Beferendum are inviting the government into their private business.

An administrator with the USDA admitted at a hearing Oct. 16, 1979, before the subcommittee on Dairy and Poultry of the Committee on Agriculture in Washington, that producers who enter a promotion program of their products, enter into a partnership with the government.

The following is a direct quote taken from Barbara Lindemann Schlei, administrator, Agricultural Marketing Service, USDA, at the Oct. 16 hearing:

Ms. Schlei: "While industries would like to have the greatest possible alternatives available to them, they have a recognition that when they enter into a program such as this, in partnership with the Government, that that in turn does bring with it certain restrictions."

Agruments For

"Cattle producers can do something to help themselves and assure a better future for their industry," says O.J. Barron, Spur, Texas rancher and co-chairman of the Texas Beferendum. "They can vote on a self-help program of beef research, information and market development."

To vote, Feb. 19-22, cattlemen must register at their ASCS office before Feb. 6. They may register and vote absentee, however, by requesting both forms from the ASCS office. Any person who owned cattle during 1979 is

entitled to vote.

"Beferendum is a national movement by cattlemen, seeking to help themselves," says Barron. "It's a cattlemen's program all the way—initiated by cattlemen, to be financed by cattlemen and run by cattlemen—all aimed at helping cattlemen."

"If approved by a majority of those voting, 20c out of each \$100 value added to an animal will be deducted at sale time," explains Barron. "but those not wishing to participate may request a refund and get it immediately."

The funds raised, estimated

at \$40 million per year, says Barron, will be used to fight anti-beef propaganda...promote the nutritional value of beef...combat beef substitutes...expand foreign markets...and increase demand for beef.

"We are disappointed," he said, "that some self-serving leaders are opposing the self-help program by cattlemen. They either are misinformed about the program or are intentionally and maliciously attempting to mislead cattlemen."

"Contrary to their mislead-

ing claims," he continued, "this program will be run by cattlemen and cattlemen only through a Beef Board of 60 cattlemen nominated by existing cattlemen's organizations." The Secretary of Agriculture will have only an oversight role, he added, to assure that producer funds are used to improve beef markets in accordance with the law. Refunds will be made promptly—within 60 days after a valid request is made. Barron said, no extra records will be required, no fines will be levied unless there is fraud or other violation of the law.

"Cattlemen need this program," concludes Barron. "our current efforts, through the National Live Stock & Meat Board, are not adequate to fight the anti-beef propaganda—that beef causes cancer or heart disease. These false claims, by activists and government, are eroding our markets. If cattlemen don't respond, if we cattlemen aren't willing to help ourselves, nobody else is going to."

Leisure Lodge News

This past week has been about the same as usual, but today has been cold with quite a bit of ice on the roads. But neither rain, or sleet, or ice stopped those real nice ladies who came out to give our residents their Birthday party Monday, Jan. 28. Our birth-

days this month were Clonie Tarpley, Jan. 1st; Pearl Lackey, Jan. 17; Theda Neel, Jan. 21; and Dora Long, Jan. 29th. Many thanks to the Naomi S.S. Class from the First Baptist Church, they were: Mrs. Kenneth Sherman, Lola Henshaw, Mrs. Frank Cadenhead, MaeBell Taylor, Mrs. Barnish Ivy, and Mildred Mancile. The residents and the employees enjoyed the singing very much. We thank you each and everyone.

It is at this time we wish to express our deepest appreciation to our employees here at Leisure Lodge. During the winter months, there are many colds and sometime more work on our faithful employees whose first concern is the welfare of the residents. We want to thank you all for your selflessness and faithfulness. You all are Super employees and we thank you.

We want to take this time and express our Sympathy to the Charles Monse family who lost their loved one this week. Our thanks goes to the First Presbyterian Church and the Church of Christ for their Sunday services throughout the month of January, they were enjoyed by all. Also we want to express our gratitude to the First Baptist Ladies, the Methodist Ladies, the members of the Church of God, Rev. Hodges from the Church of God in Christ, and the

Sweet Home Singers. The residents really enjoy the services and singing, so we welcome any others that would want to come out.

We hope that Mr. J.A. Wright who is still in the Abilene Hospital and Mr. Lee who is in the Haskell Hospital have a speedy recovery and come back to us soon.

Our out-of-town visitors for the week were: W.T. and Sam West of Lubbock visiting their brother Mr. Ned West. His cousin Lloyd West of Silvertown also visited him.

Johnnie Adkins visited his grandmother, Pearl Lackey, and his aunt, Ola Mae Smith. Others visiting Mrs. Lackey and Mrs. Smith were Susie Brockett of Weinert and Jo Coffman of Goree. They also visited Mr. W.O. Lewis. Mr. Lewis attended the Retired Federal Employees meeting Wednesday, Jan. 23.

Visiting Anita Sorrells and Oscar Lewis were Mr. and Mrs. Derrel Sorrells of Rule, Mrs. Marie Brother and Mrs. Bill Hunt also of Rule. Mrs. Sorrells went over to Rule to be with her son Derrell on his birthday. She stayed for dinner and supper.

Visiting Mrs. Myrtle Russell were Mr. and Mrs. Sam Basden and Mrs. W.H. Patterson from Rochester. Visiting Clonie Tarpley was her son Billy Joe Tarpley of Aspermont.

Mr. and Mrs. Velton Schmidt and Edgar Lee Schmidt of Stamford visited their parents, Mr. and Mrs. Albert Schmidt. Visiting Eva White were Lorene Vernon, Mrs. Lynn Matysiak and Mrs. John Ested of Rule, Mr. and Mrs. D.I. White of O'Brien

and Mr. and Mrs. Dick Roberson of Rochester.

Visiting Edith McDaniels were Anna Lee Cook and Marie Townsend also Lorene Vernon of Rule.

We also had visitors here in town, thanks for stopping by, we'll see you next week.

"You Block people really know your stuff. I shoulda come here last year."

Each year, all Block preparers are updated on all the latest changes in the tax laws. That's another way of making sure we can complete your return accurately and correctly.

Rice Springs News

You might think that living in a rest home might be very boring and depressing, but most of the time, this is not the case at all. Before I began working here as the activity director, that was sort of my concept of a rest home, but I soon found out, that this is not true. I've never seen so many happy, smiling faces anywhere, even if they may not be feeling their very best, that I've seen since coming to work

here. Also I've never experienced as much love and appreciation shown one another as I have here either. I'm sure most rest homes are like this. Of course things aren't always rosy, but everyone has to accept some bad with the good. Most of the residents here are very happy pleasant people who enjoy living life to it's fullest, by keeping active doing all sorts of things. I wish everyone outside of the home

could come in and share in the lives of the residents the way I have been privileged to do.

We had two ladies celebrating their birthdays last week. They were Kate Hemphill who celebrated her 89th and Iva Simpson who celebrated her 91st, both on the 23rd. Kate had planned to go out to eat lunch, but because she had not been feeling well for several days she had to stay in, but her niece did bring her lunch to her. Iva said she really enjoyed the day and sure did enjoy all the pretty cards that she received. We hope these two ladies have more happy, healthy birthdays.

We also had two new residents to move in last weeks. They were William Reed of Haskell, who has been a resident here once before, and Ellie Cartwright of Rule. We want to welcome these two and hope they enjoy being a part of Rice Springs.

We would like to extend our sympathy to the family of Claudia Blankenship who passed away on Monday. Our sympathy especially goes to Claudia's sister, Jessie Brown, who is also a resident here at Rice Springs.

We also would like to welcome a new volunteer to the home. He is William Hodge who will be coming each Tuesday afternoon to have a Bible study with us. We thank him, along with everyone of our other volunteers, whether they were group or individual, who came out this past week and shared their time with us in any way.

At this time we want to thank all of the visitors for the past week. The out-of-town ones were as follows:

Essie Long of Childress visited her mother, Dessie Marion.

Lena Boedeker and Ellar Nauert, both of Stamford, came to see their mother, Mary Schonerstedt.

Coming to see Joe Ray were Mrs. Burnie Camp and Mrs. Joe Ray, both of Rule.

Visitors of Jim and Dutch Cross and Ida Brinlee were Mr. and Mrs. Sam West of Lubbock and Rodney and

Barbara Miller of Austin.

Visiting Eunice Stewart, Joe Teague, and Charlie and Eugene Collier were Mr. and Mrs. G.J. Stewart of Midland. Floyd Stewart of Seymour also visited his mother, Eunice.

Alice Bredthauer of Sager-ton came over to visit her mother, Emma Lammert, and to also take her to town on a short shopping spree.

Etta Leach and Alva LeFevre, both of Sager-ton, visited with Emma Lammert, Trudie Bush, Alma Cole, Mr. and Mrs. Luther Hines, Hilda Kupatt, and Maggie Martin.

Hazel Letz of Old Glory visited with Alvina Holle, Mr. and Mrs. Sam Bradford, Mr. and Mrs. Luther Hines, and several other residents while she was here.

Visiting Alvina Holle were her sister, Lillie Lehrmann of Sager-ton and Mr. and Mrs.

Alvin Schmidt of Slayton.

Visitors of Charity Bradley were Hazel Lewis, Opal Stryker, and Mrs. W.S. Cole, all of Rule, Alta Stewart of Midland, and Ada Snyder and Agnes Bowman, both of Seymour.

Visiting Trudie Bush and Flora Smith was Mrs. Raymond Smith of Rule. Also visiting Trudie were Opal Stryker of Rule, and Ada Snyder and Agnes Bowman, both of Seymour.

Coming to see their mother, Ida Pheister, were Roy Pheister of Ackerly and Mr. and Mrs. Marvin Pheister of Weinert.

Alma Cole enjoyed the visits of Mary Sue Henry, Hazel Lewis, Thelma Cole, Lynn Matysiak, and Nell Estes, all of Rule, and Grace West of Lubbock.

Visiting Jonnye Pumphrey were Irene Roa and children of Fort Worth.

Coming for a short visit with her grandmother, Mae Bell Turnbow, was Shirley Storey and son Craig of Wichita Falls.

Visitors of Nannie McCaul were her daughter, Eunice Hunt, and Lynn Matysiak, Nell Estes, Mary Sue Henry, and Hazel Lewis, all of rule.

Visiting Maggie Martin were Laverne and Julie Lee, Opal Stryker, all of Rule, and her sister, Ada Snyder, and also Agnes Bowman, both of Seymour.

Visiting in the room of Ada Williamson and Cleo Mondy were Mr. and Mrs. Rex Murray and Ed, and also Mary Sue Henry, all of Rule.

Mr. and Mrs. D.M. McNair of Hammond, Louisiana visited her father, Bill Carothers. "MEET OUR RESIDENTS" The resident that I would

like you to meet this week is James W. (Jim) Cross. Jim was born on January 1, 1898 in Palo Pinto County to R.W. and Minnie Cross. He had two sisters and two brothers. The sisters are Grace West of Lubbock and Kate Johnson of Albuquerque, New Mexico. His brother C.L. (Dutch) also resides in Rice Springs and his brother, Henry, died in 1926.

The Cross family moved from Palo Pinto County to Haskell County in 1980, settling near Rule. His mother died in 1910. Jim never married. He was a farmer, but served in the Coast Artillery at Camp Callahan, California during World War II. After one year, he received an honorable discharge because of his age and he went back to being a farmer.

Jim took care of his father until his father's death in 1958. After retiring, Jim

moved into Rule. Jim always loved to fish and hunt. He was very interested in the Rule football team and also other school sports. He always supported everything that he thought was best for the community. Jim has been a Mason for approximately sixty years and is also a Methodist.

Jim came to live at Rice Springs on June 25, 1975. He seems to like living here and participates in some of our activities. He is good in playing most of our morning games. He spends a lot of his time just sitting in the living room talking to the nurses or anyone else who happens to come by his way.

That's the news for another week and until next time, think bright, happy thoughts and maybe this dreary weather won't seem so bad and will soon pass.

Energy Saving tips on Electric Heating.

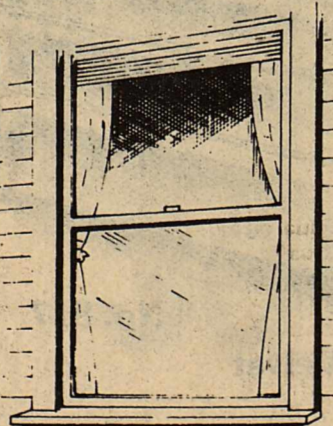

Check your thermostat setting. Recommended temperature setting for winter heating is 68°. Remember, the lower you set the thermostat in the winter the lower your energy cost.

Have your heating system checked regularly! Proper servicing is good preventive maintenance.

Keep filters clean. Check the filter every 30 days on forced-air systems. If filter is permanent, clean it by manufacturer's directions, if it's disposable, replace when dirty.

Use the warmth of the sunshine! On sunny days open the drapes. The sun shining through the glass will supply additional heat at no cost.

Have your home properly insulated! Adequate home insulation keeps the warmth in, cuts energy use... can pay for itself by lowering heating (and cooling) costs.

Remember, Reddy Supplies the Energy, only you can use it wisely!
