

Give Blood Friday — 1-6 p.m.

NEW RUNWAY

Haskell athletes will now have the benefit of a new track facility with the addition on Friday on a 42"x130' concrete runway for use in the pole vault and broad jump. According to track coach Jim Baldwin, the facility was badly needed and will be an asset in team training. Funds for the runway were donated completely by Pat Hale of Hale Farm Supply in Haskell.

HHS Track Team Wins Two Of Four Meets

Coach of the Haskell Boys Track Team, Jim Baldwin is extremely pleased with his team's performance this season and with good reason. The Haskell Tracksters have claimed overall winner in two out of the four competitions they have attended and placing Runners up in the remaining two.

"I think this is the finest track team I have seen since I've been with Haskell," commented the coach who has been at the school for the past five years.

Starting out the season as Runners Up in the Wichita Falls meet, the team has followed with two first at Ranger Junior College on March 7th and Aspermont on March 15. The Haskell boys continued a good showing at Snyder on Saturday bringing home another Overall Runner Up from what Coach Baldwin felt was an especially tough competition.

Two consecutive meets will be held this Friday, March 28th, and Saturday, March 29th, at Jayton and Olney.

Individuals placing in the past three meets are as follows:

Ranger Junior College meet: Sprint relay-Joe Benavides, Joe Wilfong, Kerry Therwhanger and Jim Hise 3rd; 120 yd high hurdles-Joseph Browning, 1st, and Kerry Therwhanger, 3rd; 440 dash-Joe Benavides, 2nd; 330 Int. hurdles-Joseph Browning, 1st, and Robert Marshall, 2nd; mile relay-Joseph Browning, Joe Benavides, Joe Wilfong and Kerry Therwhanger, 3rd; and pole vault-Kirk Flippin, 1st.

Aspermont Meet: Sprint relay-Joe Benavides, Joe Wilfong, Kerry Therwhanger and Jim Hise, 3rd; High hurdles-Joseph Browning, 1st; 440 dash-Joe Wilfong, 4th; Int. hurdles-Joseph Browning, 1st; 1 mile run-Leroy Diaz, 2nd; 1 mile relay-Therwhanger, Browning, Wilfong and Benavides, 1st; Pole vault-Jim Harris, 2nd and Kirk Flippin, 3rd; High jump-Jim Harris, 5th.

Snyder Meet: Sprint relay-Jim Harris, Joe Wilfong, Kerry Therwhanger, Robert Marshall, 4th; 120 yd. high hurdles-Joseph Browning, 2nd; 440 yd dash-Joe Wilfong, 3rd; 330 int. hurdles-

Joseph Browning, 1st; mile relay-Kerry Therwhanger, Robert Marshall, Joe Wilfong, Joseph Browning, 4th; pole vault-Jim Harris, 1st.

Bloodmobile Visit Scheduled Friday

The Red River Red Cross Bloodmobile will be in Haskell for the first time this year Friday and local blood drive officials are hoping to start 1980 with a successful drive.

The bloodmobile will be in the Community Building of the Haskell National Bank from 1-6 p.m. and the quote for this visit is 80 units.

All local organizations have been contacted and urged to aid in the recruitment of volunteer donors.

During 1979, the bloodmobile made three trips to Haskell and a total of 112 units of blood was donated. During the same time, Haskell Memorial Hospital used a total of 156 units, 44 more units than were donated in Haskell.

During the past 12 visits of the bloodmobile, the goal of 80 units per visit has been reached only two times, once in 1976 and once in 1978.

The region served by the Red River program includes 41 counties and covers North Texas and Southern Oklahoma. Current blood needs in the region are about 100 units per day.

Persons who would like to donate

are asked to attend the bloodmobile. Further information is available from Brian Burgess at 864-3250.

Jaycees Bass Tournament Set Mar. 29-30

The Haskell Jaycee Bass Tournament is scheduled to be this weekend, March 29 and 30. Headquarters for the tournament will be at Anchor Marina on Lake Stamford.

The tournament time will be the same both days with fishing to begin at daylight and weigh in to be at 3:00. The first three places will be \$150.00 first, \$100.00 second and \$50.00 third, with prizes to be awarded through 15th place.

Registration will begin Friday night at the Anchor and continue through Saturday morning. Entry fee will be \$15.00 for both days and \$10.00 for one day. Rules for the tournament will be posted at tournament headquarters.

City Seeking Aid On Creek

Representatives of the U. S. Army Corps of Engineers were in Haskell Tuesday to discuss the possibility of entering into a project with the City of Haskell to do work on Rice Springs Creek.

After examining much of the creek area and watershed, the Corps representatives, City officials, and J. C. Yearly, of the U. S. Soil Conservation Service, met to discuss the project.

The first project considered was the location of one or more reservoirs on the upstream watershed. Due to the flat watershed area it was decided that a reservoir was not possible.

The next project considered was a Corps project of channeling the actual creek bed through town to flow more water. Based on the preliminary study, it was decided that the project would not meet Corps guidelines.

The basic guidelines require that

the cost of work completed stop flooding to an extent that the prevented flooding in a fifty year

Broom And Mop Sale Set

Members of the Haskell Lions Club will hold their annual broom and mop sale on the courthouse lawn, April 17.

In addition to brooms and mops, approximately fifty other items will be sold.

This year's project will differ from those of years past in that the club members will not go door-to-door.

Everyone is invited to attend the sale and support the local Lions Club projects and at the same time support the Lighthouse for the Blind.

period would equal the approximate cost of the project.

The average annual flood damage created along the creek was estimated at \$28,000.00 and with that basis, the Corps officials estimated that the maximum expenditure for the project would be approximately \$500,000.00.

They added that this figure would not be close to the amount required to complete the project and that Corps guidelines would not allow a partial project.

Those attending the meeting then discussed several other possibilities for funding the project. Mayor Royce Williams stated that the City was concerned with the flooding potential along the creek and would continue to look for assistance in solving the problem.

He also indicated that the City would begin work on a Community Development Block Grant to be used on the creek.

Large Crowd Attends Hee Haw

An estimated total crowd of 800 people packed the auditorium of the Sagerton Community Center last Friday and Saturday nights to enjoy the 10th production of the Sagerton Hee Haw.

Long-time residents say the "largest crowd ever" jammed the building Saturday night.

Mrs. Joe (Dorothy) Clark, producer-director of the show since its origin in 1971, was honored Friday night as Citizen of the Year and was awarded a silver plate inscribed with the following: "For many years of unselfish devotion to the Sagerton Community — Outstanding Citizen — Mrs. Joe 'Dorothy' Clark. Hee Haw 1980."

Joe and Dorothy Clark have 3 children: Mrs. Don (Patsy) Bivins of Sagerton, Ray Clark of Sequin, and Mrs. David (Peggy) Adler of Pecos, and six grandchildren. They were all present Friday night when their mother and grandmother was honored.

Mrs. Clark thanks the people of the Sagerton Community for their patience, hard work and tribute to her, and the people from the surrounding area for supporting the show.

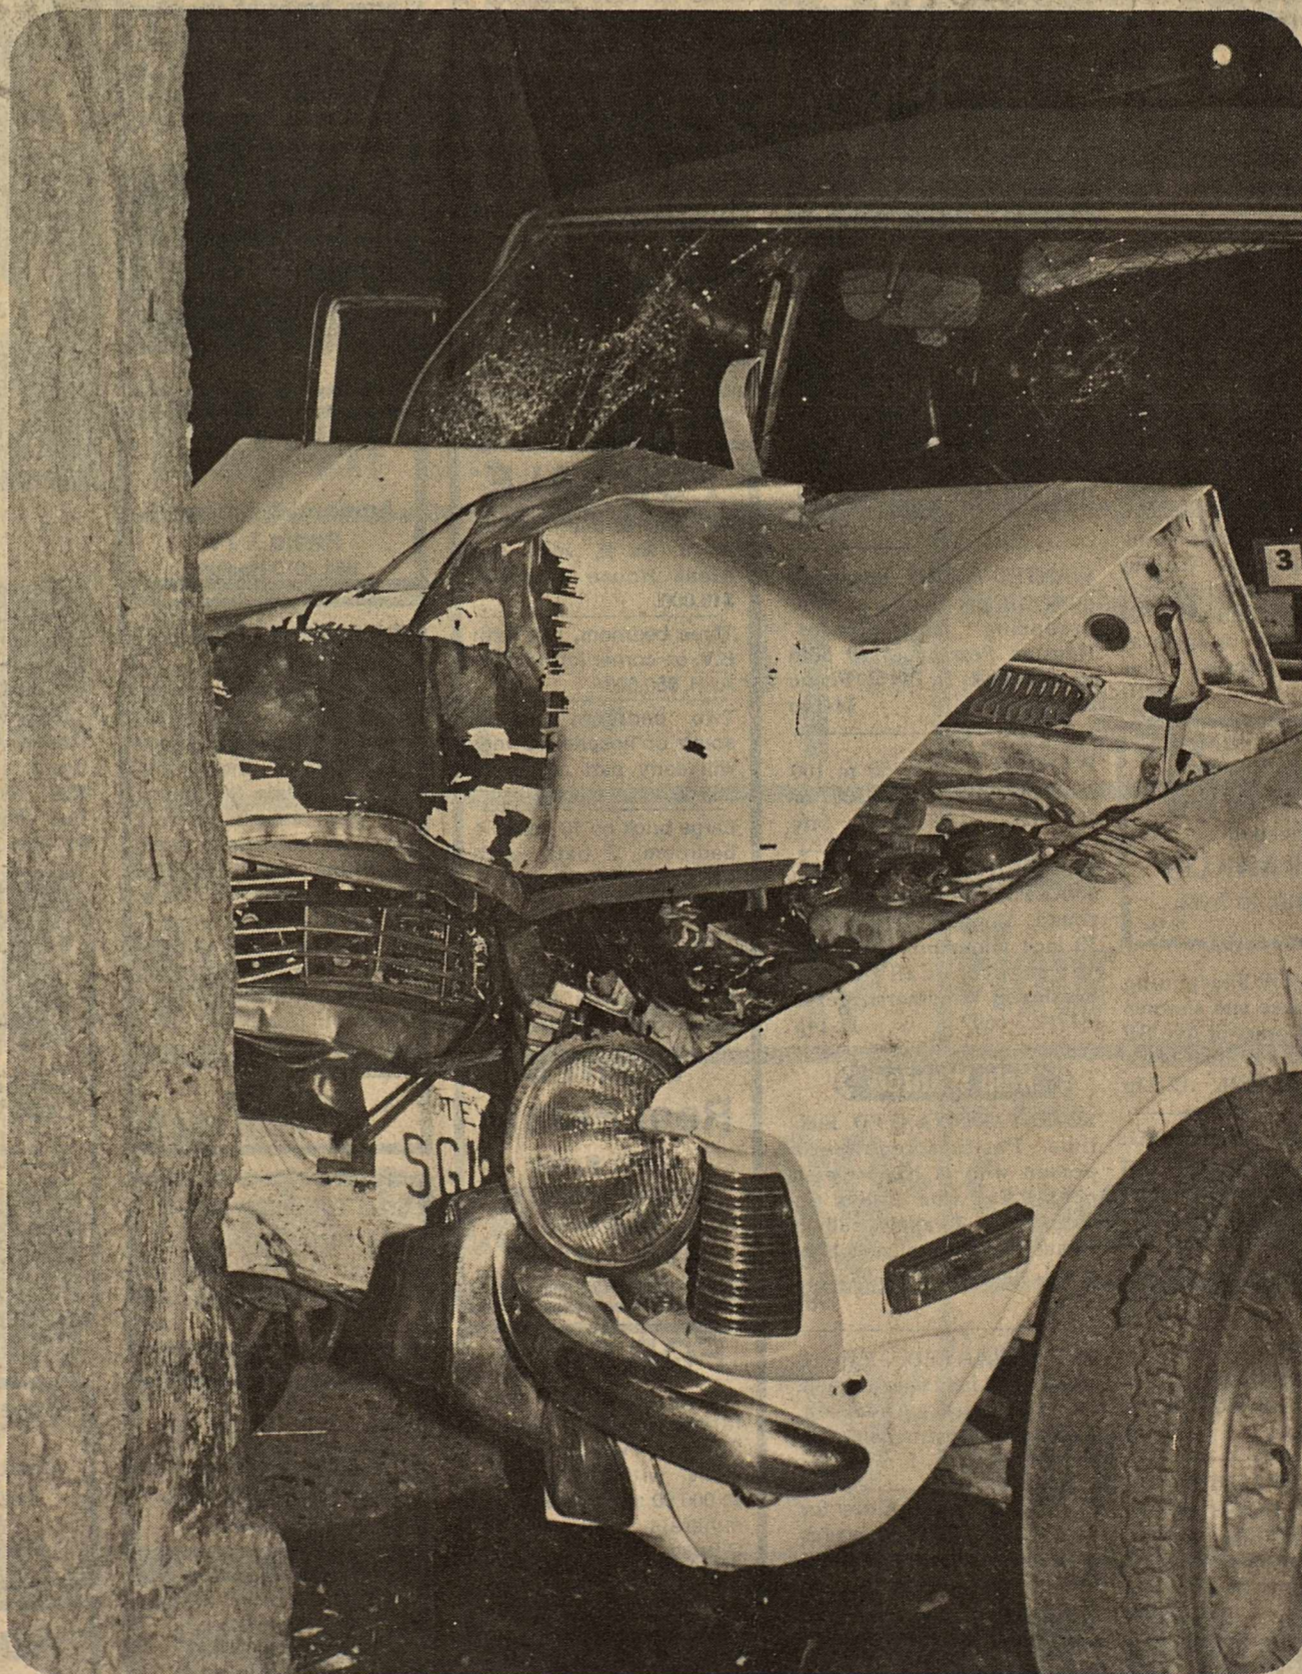

Rule Chamber Banquet Set Next Tuesday

Bob Jett of Dallas, Consumer Communications Specialist with the Lone Star Gas Co., will be the speaker at Rule's 20th annual Chamber of Commerce Banquet on Tuesday night, April 1.

Rule High School Cafeteria will be the meeting place. The meal will be served at 7:30.

Eugene Rhoads, outgoing president, will preside. Musical entertainment will be by Ronnie and Mary Lou Landes and Susan and Larry LeFevre.

New officers will be presented and outstanding citizens introduced. Tickets are on sale by chamber members for \$4 each.

Staff Photo by Bill Comedy

TWO INJURED

Earnest McFadden and Roger Bryan both received multiple cuts and bruises when this 1974 Toyota drive by McFadden collided with a tree in front of the Baptist Church about 3:30 a.m. last Saturday. Both were taken to Haskell Memorial Hospital by ambulance where they were admitted. McFadden was released Tuesday and Bryan was released Monday. The vehicle was traveling south on U. S. 277 when it left the road on the right and collided with the tree. City Policeman Robert Wright investigated the accident.

Congressional Comment

Food Costs Rising Slower Than Other Prices

Congressman Charles Stenholm
FOOD COSTS frequently receive more than their share of the blame for rising inflation rates and it's time we put those increases into true perspective.

A recent report in Time magazine showed that of the major items included on the Consumer Price Index, food and beverage costs were the second lowest category of the major increases. From January, 1979, to January, 1980, food costs rose 9 percent, a heavy blow to the household budget until compared to the whopping 60 percent increase

reported by gasoline. Only clothing costs rose less than food last year, at 6 percent. Other increases reported included: Total energy, up 42 percent; mortgages, taxes and insurance, up 30 percent; public transportation, up 19 percent; and medical care, up 10 percent. Total increase for the Index last year was 14 percent.

Targeting on the last six months of the year, the U.S. Department of Agriculture reported that food costs rose 8.2 percent, while all other items on the list skyrocketed by 16.1 percent.

One of the reasons that

food has been incorrectly focused upon in discussions of "who's to blame" is the fact that food costs led the pack when inflation began its dramatic rise several years ago. In 1977, for instance, food costs rose 6.3 percent, about equal with all other items. By 1978, food costs were up 10 percent — and consumers began to holler — while all of the rest rose 7.2 percent. Food seemed to be the villain in the budget-stretching battle.

We must not lose sight of the fact that, while consumer prices of food have gone up during the past year, that doesn't mean that farm prices

have kept pace. Prices for many commodities have dropped during the year, while production costs keep on going up. Many of those price drops have been passed on to consumers, particularly those items requiring less processing, and therefore less costs for energy, transportation and labor.

Eggs are down, pork products are down, beef is down, turkeys and broilers are down. Food prices in general are up, but the farmer is the victim — not the villain.

the Soil Conservation Service, I felt that there was a great deal of misinformation and misunderstanding concerning USDA's preliminary study of future plans and programs for soil and water resources.

Of most concern to landowners in our area is the proposal to require compliance with any and all USDA recommended conservation practices for a given farm of forfeit all federal program payments for which the individual might be entitled.

THE WEEK I wrote to Secretary of Agriculture Bergland, joined by 12 of my colleagues, asking for an extension of the review and comment period of the Resource Conservation Act until April 28.

WE HAVE Riverside Family Reference Bibles. These large Family Bibles include presentation page, complete family record section, Biblical Cyclopedic Index, Study Helps, Great Bible Truths, Beautiful Illustrations, full page maps, padded cover with velva-gold edges. Haskell Free Press.

The temperature of the interior of the sun is estimated at 20 million degrees Fahrenheit.

Fund Raising Dinner Set March 29

A Fund Raising Dinner will be sponsored by the Young Adult Choir of Independent Baptist Church on Sat. Mar. 29, 1980. The meal which consists of Chitterling Plates will start being served at 12:00 a.m. and cost \$2.75. Proceeds from the dinner will go toward purchasing robes.

PROCEEDS FROM ROCK N' ROLL
 Chris Collins, activity director at Leisure Lodge, presented funds from the Lodge's Rock N' Roll Jamboree to president of the local chapter of the American Heart Association Abe Turner, on Tuesday. Residents of Leisure Lodge raised \$1,418.56 for the Heart Association and Mrs. Collins expressed appreciation for the kindness and generosity of those who sponsored participants. Also pictured is treasurer, Carolyn Everett. Those who would like to donate to the Heart Association may contact her at Haskell National Bank.

Services Held For Mrs. Wheatley

Funeral services for Mrs. Elmer C. Wheatley, 75, of Haskell were held March 22 at the First Baptist Church with Rev. David Bradshaw, associate pastor of the church, and Rev. H.H. Sego, Baptist Minister of Haskell, officiating. Burial was in Roberts Cemetery under the direction of Holden-McCauley Funeral Home.

Mrs. Wheatley died March 20, 1980 at Haskell Memorial Hospital.

She was born August 7, 1904 in Summerville County and came to Haskell County in 1907 with her parents, the late Mr. and Mrs. J.A. Mapes. On Nov. 17, 1924 she married

Elmer C. Wheatley. She was an active member of the First Baptist Church and a housewife. She was preceded in death by her husband on July 29, 1977 and a daughter, Genetha Wheeler, on August 23, 1975.

Survivors include: one son, Dr. Durwood Wheatley of Wichita Falls; one sister, Mrs. Ivy Massie of Haskell; four grandchildren, Gale and Glee Wheeler of St. Louis, Mo., Travis Ray Wheatley and Vesta Marie Wheatley of Wichita Falls.

Pallbearers were Johnny Wheatley, F.A. Bryant, Virgil Cobb, Alfred Turnbow, Milton Christian and Joe Davis.

OLYMPIC READERS

Haskell Elementary School students receiving certificates for participation in the March of Dimes Reading Olympics included: (l to r) Cathy Judd, Kelliann Jennings, Emery Baker, Irma Diaz, Joe Martinez, Kelly Wallace, Lynn Dewey, Diana Jarred and Tamala Randle. Haskell Jaycee-ette Liz Reynolds (left) made presentations on behalf of the Jaycee-ettes who sponsored the fund raising program in cooperation with the March of Dimes.

Farmers Planning Fewer Acres Of Potatoes, Onions in Texas

AUSTIN—Total acreage for both spring potatoes and summer onions are expected to be down in the state this year, according to Agriculture Commissioner Reagan V. Brown.

Spring potato acreage is expected to be down 13 percent while nine percent fewer acres are to be planted

in summer onions. Total estimates for spring potatoes is 6,200 acres, compared to 7,100 harvested last year. Summer onion producers have announced planting intentions of 7,500 acres, down from 8,200 a year ago.

Potato harvest in the Lower Rio Grande Valley is expected

to begin in mid-April. Except for a light freeze March 1, growing conditions have been favorable, Brown said.

Mild temperatures in the Winter Garden area promoted growth that was set back temporarily by the March freeze. Harvest will begin there around May 1. In the Knox-Haskell area planting is

underway.

Brown said most onion transplanting should be completed this month on the High Plains with harvest expected in July.

Onions are making good growth at Presidio where harvest should begin in early May. The Pecos harvest will start around June 1.

Hobby Club Happenings

In the regular meeting of Hobby Club on March 20th, it was voted to donate \$25.00 to the Volunteer Firemen to be used in any way they chose to use it. A report was given of the Safety Program of the Literary Club to which we were invited. It was suggested that everyone clip from the Twin Cities newspaper the

listed precautions and preparations necessary to assure survival in case of stormy weather.

Twenty-eight visitors ate lunch with the club when Evelyn Rogers was hostess. Sixteen members were present. At the next meeting, April 3rd, Tinnie Mae Short will be hostess.

VINYL SIDING

CUSTOM BUILT STORM WINDOWS CUTS ENERGY COST & SAND & DUST

SUNGLAS® is doubly effective in insulated prime windows or storm windows

Double glazing with a lite of Sunglas and a clear lite produces a double energy savings. This combination improves the shading coefficient and relative heat gain performance plus provides a "U" value of .56 to .64. The air trapped between the lites insulates the home year-round. Cool interior temperatures are more easily maintained in the summer while in the winter, less internal radiant and conductive heat is transferred to the outside.

Call us today and

We'll show you how STYROFOAM TG* brand insulation can be applied to your home. You'll appreciate the fuel saving advantages we offer when we re-side and insulate your home at the same time.

It's a simple and relatively inexpensive operation.

OLD SIDING
NEW SIDING
STYROFOAM TG brand insulation

The savings add up.

Depending upon the climate conditions and the cost of energy, the use of STYROFOAM TG brand insulation can save up to \$381.00 per year. That's based on today's energy cost. As utility rates go up, and you can be sure that they will, those savings will be even more.

A home is an investment in any terms. So a home with STYROFOAM TG brand insulation is a sure investment in the continuing comfort and increased savings in heating and air conditioning costs.

Common sense tips from Dow about energy conservation:

While residing time may be your best chance to economically add wall insulation, it is also a good time to consider additional ways to save energy in your home. Ask your dealer about...

Insulated Siding—Can be installed directly over STYROFOAM TG brand insulation. And, as the old adage says, "Every little bit helps."

Storm Windows, Storm Doors—An energy-saving plus in most climates. Makes good sense for comfort.

Attic Insulation—Most experts recommend 6-10 inches of blanket or blown insulation in your attic.

NEVER NEEDS PAINTING . . . beauty is more than "skin deep." The color is the material.

INCOMPARABLE COLOR LINE . . . widest in the industry, complements any architecture—compliments your good taste.

CARE-FREE MAINTENANCE . . . won't scratch, flake, peel, chip, warp or rust.

WEATHER RESISTANT . . . lightning proof, withstands temperature extremes, the sun can't blister it.

FLAME RETARDANT . . . will not support combustion.

EXCELLENT INSULATION . . . will not oxidize as metal sidings will.

PEST PROOF . . . guards against rodents, termites, rot.

SPRING-BACK MEMORY . . . its resiliency resists the onslaught of hail, baseballs, rocks.

EASY CLEAN SURFACE . . . doesn't attract airborne dirt—cleans up with a hose-down.

NON-CONDUCTOR OF ELECTRICITY . . . doesn't need grounding and won't interfere with TV reception (like metal sidings do).

ANTI-NOISE POLLUTION . . . hail, rain, street noises bounce off like cotton balls.

PAYS FOR ITSELF in reduced cooling, fueling, painting, repair costs—then goes on paying savings dividends.

NATURAL WOODGRAINING . . . so natural it could fool a woodpecker. Available, too, in a smooth, flat finish.

INCREASES PROPERTY VALUE . . . gives you a new home at the old address.

It's Incredible!

Milliman, Skipworth United In Evening Ceremony In Ft. Worth

Sheridan Elayne Skipworth of Ft. Worth and Rittie Wayne Milliman of Ft. Worth, were united in marriage at 7:30 Saturday evening, March 22, 1980, in a candlelight cere-

MRS. RITTIE WAYNE MILLIMAN
...formerly Sheridan Elayne Skipworth

mony at the Travis Avenue Baptist Church in Ft. Worth. Dr. James Coggin performed the double ring ceremony.

Mr. and Mrs. Travis B. Britt of Ft. Worth are the parents of the bride and Mr. and Mrs. Nathan Milliman Sr. of Lafayette, La. are the parents of the groom.

The center of the altar was decorated with a huge floral arrangement of shasta daisies, tulips, lilies, rose buds, carnations, baby's breath, and lemon leaves, in colors of apricot, candlelight, and turquoise. On each side of the altar were matching brass spiral candleabras holding ivory tapers, with green fern at the pedestal base of each candleabra. Votive cups holding ivory tapers flanked with lemon leaves completely surrounded the background of the altar and half encircled all of the wedding party.

The pews had bows of candlelight ivory with long-stemmed silk flowers in apricot and turquoise colors.

Candlelighters were Brent and Scott King of Ft. Worth, nephews of the bride. They wore ivory tux with candlelight sweetheart rosebud boutonniers.

Larry Wilcoxon was the organist and was accompanied by a quartet of strings that played the traditional "Bridal Chorus" and "The Wedding March."

The bride was escorted to the altar by her father and given in marriage by her parents. The bride's wedding gown was a formal gown of candlelight oval patterned lace reminiscent of the Renaissance Era. The bodice was gracefully fitted with princess lines piped in satin with a basque waistline. The sleeves were a double puff with the cuff extending to a point over the hand. The stand up collar was fluted and rolled back on the edge. The Juliet cap was edged in pearls as was the cathedral length veil. The bride carried a bouquet of ivory gardenias with stephanotis and baby's breath interspersed upon a background of dark lemon leaves. The bride's wedding gown was designed by her mother. For something old the bride carried a handkerchief belonging to her great-grandmother. For something new she wore a solid gold hammered nugget ring given to her by the groom. For something borrowed she wore a family heirloom cameo pendant belonging to the maternal grandmother of the groom, Mrs. R.W. Turnbow. She wore a blue garter and a lucky sixpence in her shoe.

Matron of honor was Mrs. William Mitchell of Ft. Worth. Bridesmaids were Mrs. Rodney Baskin of Burleson, Mrs. Dan McNorton of Corpus Christi, Miss Pat Milliman and Miss Pam Milliman of Lafayette, La. sisters of the groom. All the attendants dresses were identical street length chiffon sheer fabric with water color splash flowers in browns, beiges, bronze, and turquoise over a matching slip of the same floral pattern. They each carried long-stemmed silk flowers in the matching colors tied with candlelight satin. In their hair were very small silk candlelight flowers.

Krishna Denise Blackwell of Ft. Worth was the flower girl. She wore a floor length dress of sheer candlelight organza with eyelet embroidery. Her corsage was of candlelight rosebuds. In her hair were very small candlelight silk flowers. She carried an ivory basket accented with an ivory bow, of candlelight rose petals which she placed in the bride's path.

The groom wore a solid ivory tux with a boutonier of 3 candlelight stephanotis taken from the bride's bouquet.

Vic Milliman of Houma, La. was his brother's best man. Groomsmen were Nathan Milliman Jr. of Lafayette, La. brother of the groom, Mark Knight of Lafayette, La., John Stoltz of Ft. Worth, and Joey Skipworth of Ft. Worth, brother of the bride.

Ushers were William Mitchell and Hank Holdridge of Ft. Worth.

All of the groom's attendants wore toast coloured tux trimmed in darker toast coloured velvet, their boutoniers were candlelight sweetheart rose buds.

The bride's mother wore a pale apricot floor length dress of silk and polyester. The groom's mother wore a pale pink sheer chiffon floor length dress with a matching sheer floor length over jacket. Both mothers wore candlelight gardenia corsages. Both fathers wore sand colored tux with candlelight sweetheart rosebud boutonniers. The grandmothers wore candlelight sweetheart rosebud corsages, the grandfathers boutoniers were Talisman rosebuds.

The bride is a graduate from Southwest High School and from the University of Texas at Arlington with a B.B.A. in Accounting.

The groom is a graduate from Lafayette High School and attended the University of Southwestern Louisiana. He is a sales representative with Gearhart-Owen Industries in Ft. Worth.

The bride chose a white on white street length sheer chiffon dress with fitted bodice, elbow length sleeves, and circular skirt, matching white dress heel sandals and beaded bag. Her corsage was an ivory gardenia with stephanotis and baby's breath taken from her wedding bouquet.

After a wedding trip to New Orleans, La. the couple will reside at 4821 Lubbock in Ft. Worth.

Guests registered from out-of-town were, Mr. and Mrs. O.D. Martin of Corpus Christi, the bride's maternal grandparents, Mr. and Mrs. Frank Skipworth of Burleson, paternal grandparents of the bride, Mrs. C.C. Chancellor of Corpus Christi, Mrs. Dan McNorton of Corpus Christi, Mark Knight, Nathan Milliman Jr., Pat and Pam Milliman, Mr. and Mrs. Nathan Milliman Sr., all of Lafayette, La., Vic Milliman of Houma, La., Mr. and Mrs. R.W. Turnbow of Haskell, maternal grandparents of the groom.

Suites of rooms were leased at the Howard Johnson Hotel for out-of-town guests.

Upon the arrival of the newly weds at the Moisant Airport in New Orleans, La., much to their surprise they were greeted with a red carpet reaching from the plane to a waiting chauffeured Cadillac limousine complete with a

champagne bar to carry the elated couple to their suite at the Bienville House in the middle of the French Quarter. This delightful surprise was made possible for the couple by Scott Prichard with Prichard and Mullins Drilling Co. of New Orleans, the brothers of the groom, Vic and Nathan Milliman Jr., and Mark Knight of Lafayette.

The parents of the bride hosted the reception following the ceremony in their home at 109 Forest Green in Burleson. The walkway leading to the reception area was lined with hurricane lamps tied with bows of candlelight, apricot, and turquoise. Guests were greeted at the door by Mr. and Mrs. Travis Britt, bride and groom, and all of the wedding party. Guests were registered at the wedding and reception by Mrs. Danny Deal of Ft. Worth.

The bride's table was done by "Weddings by Dorothy." The table was covered with Candlelight linen with appointments in silver, crystal, and china. The three-tiered wedding cake featured two white doves and wedding bells on the top layer, this wedding cake decoration was first used by the bride's mother, then by the bride's three other sisters. Centering the table was a large floral arrangement of the bride's chosen colors of candlelight, apricot, and turquoise. Punch was served from a silver punch bowl, nuts and mints were served from china. The buffet table was covered with candlelight linen serving hors d'oeuvres of assorted meats, assorted cheeses, crackers, and delectable assorted fruits. Coffee and hot tea were served from silver appointments. Champagne was served from a half

assorted dips, assorted cake squares. Punch, coffee and hot tea were served.

Registering guests was Mrs. Robert Blackwell. Guests were received by the honoree, her mother, Mrs. W.J. Trice and Mrs. William Mitchell of Ft. Worth.

Gifts were displayed throughout the beautiful home of Mrs. Trice. Bridesmaids and friends of the bride-elect gave the bride a surprise trivia shower March 20th. Then took her to dinner at the House of Mole in Ft. Worth.

Gena Fischer Receives Award

Gena Fischer, 18 year old daughter of Mr. and Mrs. Walter E. Fischer of Paint Creek, was awarded a \$100.00 scholarship at the Extension Homemakers Council meeting March 19.

The Extension Homemakers award this annual scholarship to a deserving 4-H'er each year. Mrs. Paul Fischer, Council Chairman, presented the 1979 scholarship to Gena for her outstanding 4-H school and community work.

Gena was active in the Paint Creek 4-H Club. She had projects in many phases of 4-H work. Her favorite project was clothing, in which she participated nine years. She won many awards with her clothing projects. The highlight of her clothing projects came during her last year of 4-H participation when she designed her own outfit out of cotton-blend fabrics. She advanced from the County Fashion Revue to the State Fashion Revue where she won the cotton award.

Other projects that she carried were Junior and Teen Leadership for three years,

Food Preservation for seven years, Registered Roller Pigeons for one year, and Foods and Nutrition for eight years. She also advanced to the State Food Show one year.

She served in every office of her local 4-H Club and served on the Haskell County 4-H Council from 1973 to 1979.

In 1977 she was a delegate to Washington, D.C. to the National Heritage Tour and Citizenship Shortcourse.

In her school work Gena was an honor student with a grade average of A or above in all subjects throughout her twelve years of public school. She played basketball, tennis, ran track and participated in the U.I.L. events. She served as President of both the F.F.A. and F.H.A. Chapters. She also served as Sweetheart of the F.F.A. Chapter. She was on the annual staff four years and ended her high school career as Salutatorian of her graduating class.

Gena is now enrolled in Hardin Simmons University where she was named to the Dean's List for the 1979 Fall Semester.

SCHOLARSHIP

Gena Fischer, left, was presented with a \$100.00 scholarship March 19 by the Extension Homemakers Council. Making the presentation is Mrs. Paul Fischer, Council Chairman.

Homemakers Award 1979 Scholarship

The Extension Homemakers Council met March 19 at 2:00 p.m. in the kitchen of the County Extension Office. There were thirteen members, one alternate, and the Agent present.

The highlights of the business meeting are as follows: The Council voted to award the 1979 \$100.00 scholarship to Gena Fischer from Paint Creek now attending Harding Simmons University.

Mrs. Adell Thomas reported that reservations are due by April 1 for the District TEHA Meeting in Seymour on April 17.

Mrs. M.C. Cunningham from Weinert was elected as alternate voting delegate. Mrs. Paul Fischer, Paint Creek, Mrs. Tom Yates, Weinert, and Mrs. Earmel Bevel, Haskell, will serve as

voting delegates.

The Josselle club served spring time refreshments to the members after the meeting was adjourned.

When I insured my store, I was Mr. Creamy. When I had a claim, I was Mr. 873-54269.

Not when you deal with an Independent Insurance Agent.

When you buy insurance, there are two types of agents you can deal with. A one-company agent who works directly for one insurance company. Or an Independent Insurance Agent who represents several companies. What's the difference? There are quite a few. First of all, if you buy insurance from a one-company agent, he's probably not the person you talk to when you have a claim. Most one-company agents have nothing to do with the claims process. If you have a claim, it's between you and the adjuster. Your Independent Insurance Agent doesn't do business that way. He's right there ready to serve you when you have a claim...helping you reach a fair settlement as quickly as possible. Personal involvement is not the only advantage your Independent Insurance Agent offers you. Since he doesn't represent only one insurance company, he can offer you policies from several companies. So he can help you choose the policy that's right for you—at the right price. Whether you need homeowners, auto, life or business insurance. We treat you like a person. Not a number. If you're an insurance agent, call (800) 852-8522. If you're a consumer, call (800) 852-8522. For information call (800) 852-8522. In Alaska, Hawaii and New York call (800) 852-8522. Independent Insurance Agents of America.

MR. AND MRS. HOBERT STORY of Haskell announce the engagement of their daughter, Janie Sue Howell, to Jimmy Don Smith, son of Mr. and Mrs. Jim Smith of Haskell. The couple is planning to marry April 13, 1980 in the Church of God in Haskell. The bride-elect is a graduate of Abilene High School.

Cancer Topic Of Study Club Program

Dr. Charles Brown, executive assistant to the president of M.D. Anderson Hospital and Tumor Institute, presented the program for the Progressive Study Club. His accounts of the advances made in cancer research and treatment were encouraging. The film "Shhhh...Cancer" gave the members a glimpse into the life of a cancer

patient. It was also encouraging for the young man had a very positive outlook on life.

The hostesses for the evening were Mrs. H. Pittman, Mrs. David Burson, Mrs. J.A. Carroll and Mrs. Abe Turner. They served punch, assorted cookies and smoked pecans from a yellow covered table centered with an arrangement of Spring flowers.

PAINT CREEK READERS

Paint Creek students Rhonda Coleman, Kay Fischer, Sondra Patterson, Keith Medford and Gina Calk were awarded with medallions on Thursday for exceptional performance in the March of Dimes Reading Olympics. Also awarded medallions but not shown were elementary students Blake Liles and James McPhail. Sponsored by the Haskell Jaycee-ettes in cooperation with the March of Dimes, the Reading Olympics program was geared to encourage the participants to read as well as raising funds for the March of Dimes campaign against birth defects.

"Feds" Need To Trim Fat

By Gina Jennings

After considering the financial plight of our nation and turning over in my mind the vast and complex problems involved for over a half hour, I believe I have some significant suggestions. It must be understood that I am not belittling the solutions proposed by our nation's leader. It is just that men of high position and authority sometimes tend to overlook common-sense, practical solutions to such problems.

Grand and sweeping plans are quite nice theoretically but when it comes to just plain economizing, nothing works better than plain old penny-pinching. It appears to me that federal indebtedness is simply a fancy term to describe a government that's gotten flabby by living too 'high on the hog.'

The answer must lie not in inflicting further financial torture upon the citizens of said government but in reminding it of the truth of old Ben Franklin's adage. (By the way the saying was "A penny saved is a penny earned" not a penny taxed is a penny earned.)

In order to avoid being

accused of being too general and of avoiding an outline of specific actions to be taken, I have sketched out some rough ideas on just how the government can start trimming the fat. I have composed the following list which, of course, is incomplete and to which any American who has learned to make the switch from ham to hammock could add easily.

1. Pomp and splendour, traditionally associated with the presidency has got to go. In hard times, one doesn't wear satin slippers when saddle oxfords will keep the feet just as warm. The presidential motorcade, for example, is too extravagant to be borne.

The long, gas-guzzling limousine and those scores of motorized escorts should be replaced by something just as sturdy and more practical. The Budweiser Clydesdales would work splendidly. That way, grain could be converted into fuel without the aid of a gasahol still. And the savings on gas would more than compensate for the additional salary of a few extra Secret Service men to sweep up after the president passes.

2. The inordinate costs of

State Dinners could be completely obliterated by a simple presidential request that guests each bring a sack lunch for the occasion. This suggestion has limitless possibilities in the diplomatic realm. If, perhaps, the ambassador from Egypt feels a need to more fully identify with and understand the culture of the U.S., he and the President could swap sandwiches.

3. Camp David, of course, would have to be sold. Although I am the first to admit that a man with the tremendous pressures and responsibilities of being president must have a place of refuge and relaxation, I would be more inclined to agree to the financing of a magazine rack and a sturdy lock for the White House men's room. Different arrangements would have to be made for the meetings with Sadat and Begin certainly but that could be worked out.

4. I concede that air flight is an unavoidable expense when dealing with government affairs. But I question the necessity of every government official—high ranking or low—booking first class flights on major airlines everytime they have to go hopping about the world. There is a perfectly good travel service called the Dwight L. Feltson Airline and Stormdoor Company that would cut travel expense at least in half. Admitted, the planes are a little small and the ride occasionally rough, but pills for motion sickness could be distributed for a small fee at Congressional Meetings.

5. Finally, I believe, there should be a tremendous staff cut made through the elimination of ¼ of the Secret Service Staff. They could be easily and inconspicuously replaced with what I would call the Confidential Canine Corps. Most Secret Service men I have seen could be switched for a German Shepherd or even a Great Dane without anyone being the wiser.

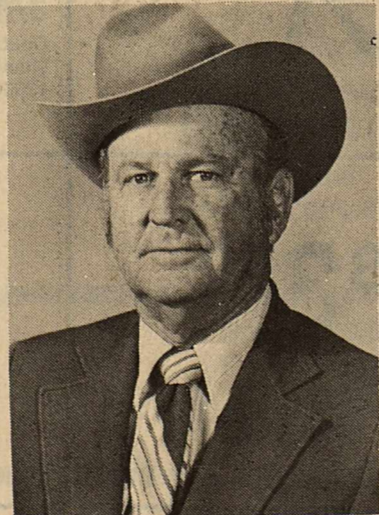

I know for a fact that it would secure the President's physical safety because I used to know a guy who jogged nightly in the most dangerous park in town completely unmolested because of his 'big dog.' I don't know how he got that dog to believe that tall people were trees and short people fire hydrants but he did and nobody would get within ten feet of him. At any rate, the FBI could contact him and I'm sure he'd be glad to tell how he did it...

As I mentioned before, these are only a few simple suggestions and probably not at all what the government has in mind but I think it is about time that government took note and found out a little about how the rest of us turkeys are getting by.

Reunion Set For County Ex-Students

The Haskell County Ex-student Public and Rural Schools Annual Reunion will be held at the Haskell National Bank Community Building this Saturday night, March 29. Basket lunch will be served at 6:00 p.m. Everyone is invited to attend.

Card of Thanks

A SPECIAL THANK YOU
Yall were the first. To give me a real job. As waitress and cook. But now it will be stuck back in a memory book. Yall were just like family to me. And I must admit it was fun. But we all must move on. And my time came. There was our silly nicknames: There was Henry, the boss. Ralph, one of the nicest persons I know. Aunt Lucy, who kept me going in the right direction. Maw, whom I will always consider my maw. And the rest to which I won't forget. And when we weren't busy. There was these crazy little jokes we were pulling. And it was all a pleasure. But now it's something I'll always treasure. And I want to thank yall for everything. Yall were easy to get attached to. But you won't be easy to forget. Yall will always be carried in my heart! 'George'

CARD OF THANKS

On behalf of our community, I would like to thank everyone from the surrounding area for supporting us at the Sagerton Hee Haw. And to the Sagerton people, I say thank you very much for your patience and hard work, and for the award you presented to me.
Mrs. Joe Clark 13c

Men In Service

Second Lieutenant Charles H. Townsend, son of Mr. and Mrs. Henry Townsend of Rule has graduated from the U.S. Air Force aircraft maintenance officer course at Chanute Air Force Base in Kelly. Lieutenant Townsend, now qualified to supervise repair of aircraft electrical and instrument systems, is being assigned to Dyess Air Force Base. A 1975 graduate of Rule High School, Lieutenant Townsend earned a bachelor's degree in 1979 from Texas A&M at College Station, and was commissioned through the ROTC program.

Tarleton Offers Music Courses For Fun

STEPHENVILLE — By signing up for certain courses, Tarleton State University students may be fulfilling a lifelong dream of learning a musical instrument or improving their vocal ability. Three classes, piano, guitar and voice, are offered to students this spring, regardless of their major. The piano major is offered for students with little or no musical background. "By mastering a few chords," says music professor Gregory Pike, "virtually every pop tune becomes accessible to the beginning piano student." The same philosophy underlies the course design in guitar and voice. All three courses are taught for the students' enjoyment and relaxation.

Rice Springs News

We want to open our column this week by welcoming two new residents to Rice Springs. They are Nannie Winter, formerly of Merkel, and Lillie Ray of Rule. Lillie's husband, Joe, was already a resident here at the home. We hope these two ladies enjoy being a part of Rice Springs and we know that all of us are going to enjoy having them here with us. We want to invite all their family and friends to be sure and come out to see them.

We had one lady to celebrate her birthday last week. It was Ethel Rose, who celebrated hers on March 14. We know she had a good day and wish her many more happy, healthy birthdays.

There were several activities that our residents enjoyed the past week. Among them were our Sunday morning service presented by the Foursquare Church of Haskell, the Sunday evening service presented by the Haskell Church of Christ, the Tuesday afternoon Bible Study by Rev. William Hodges, the Wednesday afternoon Bible Study by Rev. Tom Jones, and the Friday morning devotional by Jo Simpson. We also enjoyed the ladies from the First Baptist Church of Haskell coming on Tuesday morning, March 18, and presenting us a good program. Delia Ashley led the singing, Phylecia Bailey played the piano, and Bamah Ivey gave a good devotional on "Good Neighbors." On Wed. night, Mar. 19, the Young People of the Haskell Assembly of God Church came and presented a good musical program. Then on Thursday night, the Country Band of Stamford came over and played some good old country music for everyone to enjoy. We want to say a big thanks to all our volunteers who came, whether they come each week or just once a month. We also want to welcome any new volunteer to feel free to come out any time or call us and we will tell you what we need people to do and a time to do it.

Our out-of-county visitors for the past week were as follows: Mrs. M.L. Raynes of Munday visited her aunt, Mary Liles. Visiting were Texie Perdue and Ellie Cartwright with Texie's granddaughter, Sharon Brown and her daughter, Tammy, Mrs. Donnie Perdue and her son, Richard, all of Abilene.

Loma Taylor of Sweetwater and Joan Mondy of Odessa visited Cleo Mondy.

Coming to see Manley and Hazel Branch were their children, Roy J. and Mavis Peace of San Angelo, Mr. and Mrs. N.M. Stewart of Lamesa, and Marvin and Ann Branch of Fort Worth, and also their nieces, Kitty Wingo and Winnie Thornton, both of Fort Worth.

Dora Holt, Agnes Bowman, and Ada Snyder, all of Seymour, came to see Ada's sister, Maggie Martin, her sister-in-law, Trudie Bush, and also visited with Charity Bradley while they were here. Another visitor of Charity's was her nephew, Wendell Rose of Highland, Calif., who came by to tell her and his mother, Ethel Rose, by before he returned home.

Roy Phemister of Ackerly visited his mother, Ida Phemister, and also A.C. Boggs, Mr. Boggs' daughter, Mrs. C.E. Brasher of Seymour, also came to visit him.

Frances Hendrix and her daughter, Shirley, both of Austin came to visit Frances's mother, Hilda Kupatt, and to also take her to Sagerton to spend the week-end.

Visiting Emma Lammert was her grandson, Bobby Vaske of Paris.

Visiting John Earp were his daughters, Beth Heiskell and Darlene Dunnam, both of Pampa.

Clara Hodges of O'Brien visited her brother, Joe Teague.

Visiting Mamie Angley were her sons and families, Coy and Glenda Angley of Abilene and Roy, Carolyn, and Chris Angley of Odessa.

Visiting Elizabeth Yakey and Jonnye Pumphrey was Mrs. Yakey's daughter, Bess H. Murphree of Houston.

Evangelyn Clark of Abilene visited her great grandmother, Alma Cole.

Jessie Brown was taken to Jacksboro by her niece, Mary Pharris, to see her sister-in-law, Ethel Thurman, and some of her nieces and nephews.

Jerry and Alta Stewart of Midland came to see his mother, Eunice Stewart.

Edna Collins went to Knox City to spend the nights with her daughter and her family, Mr. and Mrs. Ophus Posey and Nita.

Visiting Eunice Honea was her daughter, June Martin of Anson.

Coming to see Hoyt and Lois Gray were their daugh-

ters, Mr. and Mrs. Wayne Warren of Tahoka and Mrs. Lee Rice of Lubbock, and their granddaughter and her boys, Mrs. Walter Axtell, J., Brian, and Stephen, all of Plainview.

Again we say thanks to all our visitors, whether we got to print your names or not. We encourage all of you to keep coming.

MEET OUR RESIDENTS

The resident that I would like you to meet this week is Jessie Lee Brown who was born near Austin on Nov. 14, 1892 to Henry B. and Molly E. Thurman. The family later moved near Shady in Baylor Co. on Aug. 12, 1902, where she attended the Lake Creek School, which was located 2 miles from her home. In 1907, they moved on to Round Timbers which is about 25 miles southeast of Seymour, where Jessie finished her limited schooling. In Jan. 1909, the family moved south of Bomarton, where her mother died on Jan. 9, 1909, leaving Jessie to help her father raise her four brothers and one sister. Later the family moved back to Round Timbers, where Jessie met Lewis Brown, who was a widower with two small boys, Herman and Owen (Tiny). She was married to Mr. Brown on Aug. 30, 1914 by a Rev. Dunn in Rendham. They lived in Round Timbers awhile and then moved to Lubbock, where they lived for 2 years before moving back to Round Timbers to farm her father's place. Later they returned to Lubbock, where they bought 160 acres to farm. After 2 years, they moved to Seymour, where Mr. Brown worked in a blacksmith shop and then later moved to Burkburnett, where he worked for the Magnolia Oil Co. for the next 16 years. It was while they lived there that Owen (Tiny) was killed in a car wreck.

The family made other moves, but finally settled in Seymour. It was there that Mr. Brown died in 1968. After his death, Jessie moved to Maybank, where she lived 2 years before coming back to Seymour to help take care of a brother who was seriously ill. After his death, she moved back to Maybank. Later she moved to Lufkin to live with her step-son, Herman. When her sister, Claudia Blankenship, became ill and needed her help, Jessie moved to Haskell to aid in taking care of her. When the family could no longer take

care of Claudia at her home, Jessie and Claudia entered Rice Springs on April 7, 1979. Jessie was saddened by Claudia's death earlier this year, leaving her the only one of her immediate family still living.

Jessie is a very active lady and likes all sorts of things. She loves to walk, piece quilt tops, and also loves good music and singing. She loved church work and is still a member of the First Baptist Church in Lufkin.

She is the proud grandmother of two grandchildren, four great grandchildren, and four great-great grandchildren.

She says that she loves living here at Rice Springs and loves all the other residents and staff. She not only says she loves us, but she also shows her love for each of us by the many kind deeds that she does each and every day.

USDA Soil Conservation Service

Conservation Viewpoints

USDA's Soil Conservation Service (SCS) is currently making a study of alternative ways in which a National Plant Materials Centers Program can be conducted that responds to resource conservation needs. SCS is asking the public for their views on alternatives under consideration and for other proposals.

SCS, in cooperation with other Federal and State agencies and through other arrangements, presently operates and maintains 22 plant materials centers (PMC's) in the United States. Each center develops new plants for conservation purposes in the geographic area it serves that are released jointly with the State's agricultural experiment station and other State and Federal agencies to commercial growers for production.

The plant materials center serving Texas and Oklahoma is located at Knox City. Plants that have been released from the Center in the past are Selection-75 kleingrass, Alamo switchgrass, and Aztec maximilian sunflower. These plants have done well in our locale. A planting of Lehmann

Lovegrass from the PMC at Knox City was made in 1975 on the R.V. Earles farm at Paint Creek and has done very well on shallow soils.

New species under evaluation at Knox City include T697 blue grama, Old World bluestem, and Haskell sideoats grama. Old World bluestem is to be released informally soon, and Haskell sideoats grama is scheduled for release in 1981. 802 Indiangrass, Lampasas origin, is to be released for 1980 spring planting. The Haskell sideoats grama originated on the Haskell Golf Association grounds, and looks exceptionally good. It may even replace El Reno sideoats, a long-time old stand-by.

The range of alternatives being studied for conducting a National Plant Materials Centers Program vary from continuation of the program as is to transferring complete operations and management of the centers over to non-federal entities. First, we need to know what the public needs and wants—and possible alternative ways national conservation plant materials needs might be met.

Additional information concerning the plant materials program may be obtained at the SCS office in Haskell or Knox City. SCS would welcome concerned citizens inquiries and expressions of views.

Interested persons wishing to comment about the direction they think the future plant materials program should take are being encouraged to write letters by April 1 to George C.

BYNUM'S FURNITURE & CARPETS

Haskell, Texas

Sagerton News

GAME WARDEN CADET, Cris Wesley Love, son of Mr. and Mrs. E.B. Love of Haskell, has been accepted to attend the Texas Parks and Wildlife Department's 34th Game Warden Training Academy at Austin. Upon graduation in July, he will be commissioned as a state game warden.

Mr. and Mrs. Tommy Mrazek and son, Jason, of Houston have been visiting Tommy's grandparents, Mr. and Mrs. Leo Monse.

Charles and John Vahlenkamp of Denton visited their grandparents, Mr. and Mrs. Leo Monse.

Erna and Walter Schaake of Stamford, Clarence Stegemoeller, Clyde Stegemoeller and Mr. and Mrs. Alvin Bredthauer helped Lena Schaake paint her house Tuesday. Then, later on, Ladain Anderson of Houston and Henrietta Stegemoeller came to play pinocle that night.

Mr. and Mrs. Alvin Bredthauer went to Abilene Tuesday to get the commodity for the V.I.P. Center at Stamford.

The LOC Hobby Club met in the home of Mrs. Alvin Ulmer the 18th of March. Those attending were: Mrs. M.Y.

Benton, Mrs. Louise Stegemoeller, Frieda Knippling, Margie Hertel, Joyce LeFevre, Christine Stremmel, Rachel Teichelman, Wilma Teichelman and Lorene Hanson.

Capt. and Mrs. Edward Briles and family of San Antonio, Leonard and Linda Rhoads from Abilene, Mr. and Mrs. Gene Rhoads and Mike of Rule, Mr. and Mrs. John Letz, Mr. and Mrs. Herbert Lammert of Old Glory, Mr. and Mrs. Arthur Knippling, Mrs. Leonard Kieke, Mr. and Mrs. J.A. Hertel, Mrs. Lena Boedeker, Mr. and Mrs. Timmie Muehstein of Stamford and Mr. and Mrs. Anton Teichelman helped Mrs. Fred Schonerstedt celebrate her birthday in their home March the 16th.

Mr. and Mrs. David Letz visited in Abilene Sunday afternoon with their son, Dave

Letz and family.

Mrs. Lavene Stanhope, Mrs. Emma Raphael of Stamford and Mrs. H.E. Dreissner of Onalaska visited in the home of Lillian Neinast Sunday afternoon.

Kathy Cornelison of Lewisville, Mr. and Mrs. Gus Balzer of Schulerburg, Lillian Neinast, Louise Stegemoeller, Henrietta Stegemoeller and Mr. and Mrs. Roland Stegemoeller and family of Slaton came to help August Balzer celebrate his birthday.

A pink and blue shower was given for Mrs. Calvin Stegemoeller in the home of Johnny Scoggins in Rochester. Those attending from Sagerton were Mrs. Fred Baitz, Kacey, Mrs. Melvin Baitz, Mrs. Joe Clark, Mrs. Leon Stegemoeller, Mrs. Emma Raphael from Stamford. There were 42 ladies present.

Mr. and Mrs. Clayton Stegemoeller and Stephanie and Mr. and Mrs. Calvin Stegemoeller spent Saturday night with the Leon Stegemoellers.

Mr. and Mrs. Butch Winkler, Mr. and Mrs. Alvin Palnick, Mr. and Mrs. James Palnick of Abilene, Erna and Walter Schaake, Emma Raphael of Stamford, Pastor and Mrs. David Adler and son from Pecos, Mr. and Mrs. Clayton Stegemoeller and daughter of Lubbock and C.E. Stegemoeller attended the Hee Haw show and visited the Leon Stegemoellers after the show.

Tom Bunes from Plano and Jaime Wanez of El Paso attended the Hee Haw with Clyde Stegemoeller and spent Saturday night and Sunday in the Stegemoeller home. They are Clyde's friends from Tech.

Beth Pumphrey was Carl's guest at the Hee Haw Saturday night and ate dinner with the Stegemoeller's on Sunday.

Carl and Clyde Stegemoeller were at home last week during Tech's spring break.

Mr. and Mrs. A.L. Gibson of Toyah were in Sagerton for

the Hee Haw show Saturday night.

Mr. and Mrs. Joe Ray Baitz and Timmie of Austin visited in the home of Mr. and Mrs. Zenor Summers and attended the Hee Haw show Saturday night.

Ken Stegemoeller and family came to see his mother, Mrs. Henrietta Stegemoeller and attended the Hee Haw show.

Mr. and Mrs. Dick Gibson are visiting with Mr. and Mrs. J.E. Kittley and attended the Hee Haw show. There were lots of old friends in Sagerton for the Hee Haw Friday and Saturday.

Mr. and Mrs. Murry Schroeder of Abilene came for the Hee Haw show Saturday night.

Mr. and Mrs. Kenneth Stegemoeller and family of DeSoto came to see his mother to help her celebrate her birthday and attended the Hee Haw show.

Saturday night after the Hee Haw, Mr. and Mrs. Joe Clark were hosts for the following guests: Mr. and Mrs. Marvin Evers, Vervian Youngquist, Bill Beard, Deon Williams, John Fred Phillips, Ed Gazaille, Arthur Siewiert, Rod Maxson, Robert Stephan, Edward Reece, James Collings, Walter Mergenhagen, Morris and Mrs. Marie Brawne all of Abilene, Mrs. Emma Raphael of Stamford, Mr. and Mrs. Ray Clark of Seguin, Rev. and Mrs. H.E. Dreissner of Onalaska, and Mr. and Mrs. Leon Stegemoeller and Clifford.

Rev. and Mrs. David Adler, Anna Marie and Christopher of Pecos were over night guests of Mr. and Mrs. Joe Clark Friday night and attended the Hee Haw.

Rev. and Mrs. H.E. Dreissner from Onalaska were weekend guests of the Joe Clarks. They came especially for the Hee Haw. Pastor Dreissner is a former resident of Sagerton, when he served as pastor of the Zion Lutheran Church from 1946-1951. He is retired now and they are living in a new home at Lake Livingston.

Mr. and Mrs. Roy Clark and Phillip were weekend guests of their parents, Mr. and Mrs. Joe Clark and Mr. and Mrs. Herman Hearn of Rochester. Ray helped in the Hee Haw. They were supper guests of Mrs. J.A. Clark Thursday night and Phillip visited with his cousins, Coleman, Tom and Emmalee Bevins Saturday night.

Fred Wenderhorn came from Dallas to spend some time with his mother at Stamford and attended the Hee Haw show at Sagerton Saturday night.

Letters To The Editor

Dear Editor:

I am a Federal Prisoner that is serving time for a non violent crime and I have been locked up for 32 months. Since my arrest my friends and family have all deserted me. I have many lonely hours in each day and I wish to find someone that will be my Pen Pal.

TO EACH VOTER OF PRECINCT II OF HASKELL COUNTY

Two years ago, I asked for your vote and influence to elect me as your Commissioner of Precinct II. When I was not elected at that time, I knew that I would try again in the next election. That time has come and I am now asking again for your vote and influence to elect me as Commissioner of Precinct II of Haskell County, Texas.

I am a native of Haskell County, having started first grade at Lake Creek School east of Weinert and having graduated from Haskell High School in 1949. My parents are Jesse and Susie Kreger of Haskell. I am the granddaughter of the late Mr. and Mrs. C. W. Marion and the late Mr. and Mrs. E. W. Kreger, Sr., all of Haskell. I am married to Bobby L. Howard, Sr., the son of Mrs. Annie M. Howard of Haskell and the late Mr. Fred A. Howard. We have two children. Ginger is a legal assistant in Dallas and Bobby, Jr. farms and does custom farm machine work here in Haskell. Bobby, Jr. is married to the former Kim Hager, the daughter of W. R. and Joyce Hager of Weinert.

I have lived and worked in Haskell County all of my life, with the exception of two years during the drought of the 1950's. During that time, Bob worked for a construction company building farm-to-market roads and highways, so we lived away. I have worked as a bookkeeper for an elevator, sale barn, and myself for several years. Keeping books, handling large sums of money, and handling public relations were the most important parts of these jobs. We have farmed for the past 27 years and have also done custom farm machine work. Everyone in Haskell County probably knows that I have always worked right along beside my husband, doing whatever job needed to be done, as well as helping take care of the business, financial and decision-making end of it. So, I am well acquainted with many different types of work as well as making business decisions. I realize that it takes a lot of money to operate any business these days and also realize it takes a lot of hard, constant work and good management to be able to operate and show progress. Bob and I work together on everything, therefore, you can be sure that I have his full consent, support, cooperation and help should I be elected Commissioner!

I am sure that I can work with the other members of the Commissioners Court. I would not be ashamed to voice my opinion on any issue 'for' or 'against', even though I should be the only one to vote that way. I believe in working together for the good for all, but I do not believe in being a "yes-person".

I have been a member of several organizations and have worked as an officer in many. The organizations I belong to at present are: American Agri-Women, Texas Women for Agriculture, American National CowBelles, Texas CowBelles, and Haskell County CowBelles. I am presently serving as President of Haskell County CowBelles, Secretary of the Board of Directors of Haskell Community Action Program, Trustee of Sons of Hermann Lodge No. 241, and Secretary-Treasurer of Haskell's American Agricultural Movement. All of these organizations work for the betterment of our American Way of life. I feel that the Haskell County Commissioners are also working for the betterment of each person in Haskell County and I am quite sure a Commissioner's job is not easy. The decisions on spending the taxpayer's money for the most good of all concerned would be hard. There are so many places that have to have so much money just to function. However, just think of the good feeling we all have when we look at our courthouse. I am sure we all are grateful for the services from which we benefit from our tax dollars. Consider the good that comes from the County Agent, Experienced Citizens' Center, Home Demonstration Agent, the Library, Mental Health Clinic, Training Center, Veteran's Service Officer, Highway Patrol Office, Texas Ranger's Office, all the regular County offices, schools, hospitals, roads, etc.

The county roads are a great problem! I realize all roads cannot be gravel, but all roads should be kept in top shape at all times. If I am elected Commissioner of Precinct II, I will work hard to improve the road situation in Precinct II.

The school bus route roads should be the most important roads. They should be wide enough for two cars to meet at all times, smooth and level so that our school tax money will not be abused by deteriorating the school buses. There should be clear vision so there could be no chance for an accident to occur due to obstructed vision. OUR CHILDREN OF HASKELL COUNTY ARE OUR MOST PRECIOUS AND PRIZED POSSESSION.

All other county roads should be kept in good condition at all times. All should be wide enough for two vehicles to meet and should be kept smooth and level. The roads should be maintained for clear, unobstructed vision, having the trees and other obstacles removed so that cars, trucks, pickups, trailers, tractors, combines and other machinery can get down the road without damage. I well know the high cost of machinery and the hard work it takes to be able to own it. Almost everyone in Precinct II depends on agriculture to make a living. Therefore, it is most necessary that we have good roads to get our cotton, wheat, grain, hay, cattle, and other farm products to market; just as it is imperative that we have good roads to get our equipment, seed, fertilizers, herbicides, fuel, stock and labor, etc. to our lands. The oil companies also need good roads to get their equipment in and out and the product to market. They also pay taxes to Haskell County.

Should I be elected your Commissioner, you will not have to call me to get the roads in shape before you harvest a crop so that you will be able to get your product to market. Neither will you have to hire another dirt-moving company to repair the roads at your own expense nor smooth them so you can travel to your home or land.

I realize that you may have other problems that I am not aware of at this time and I would welcome your ideas, support, help, and also your criticisms. You will find that I am a good listener and a willing, hardworker. I believe that the present workers of Precinct II should be given the opportunity to continue their employment.

I look forward to talking with each of you personally during the next several weeks. It is not always easy to see each one in person, but I will try very hard. I would like very much to serve you as Commissioner of Precinct II. I know that I would enjoy the work, work toward the best interests of all concerned, and, it is no secret that I do need the job.

Thank you so much for your time and consideration.

Sincerely yours,

Mrs. Bobby L. (Melba) Howard
Candidate - Commissioner, Precinct II

Mrs. Brothers Makes Statement To Voters

Mrs. Charlene Brothers has authorized the Haskell Free Press to announce her candidacy for the office of Haskell County Tax Assessor-Collector.

Mrs. Brothers has lived in Haskell County for 34 years and she and her husband, J.O., are the parents of three sons, Jerry of Azle, Don of O'Brien and Craig of O'Brien.

Charlene has been involved in tax work since 1967 and is quite experienced in the field. She is a Certified Texas Assessor, a Registered Professional Assessor, and a Certified School Tax Administrator. Mrs. Brothers is presently serving as Deputy Assessor-Collector for the Knox City-O'Brien Consolidated Independent School District. She became O'Brien Tax Assessor in 1967 and since the school

became independent in 1973, she has been Assessor-Collector. Charlene also served on the O'Brien City Council as well as being O'Brien City Secretary and O'Brien Tax Assessor-Collector from 1970-1976. She is also a member of the International Association of Assessing Officers.

A member of the First Baptist Church of O'Brien, Mrs. Brothers is also employed as bookkeeper by the O'Brien Coop Gin.

With the tax work experience along with her certified schooling, Mrs. Brothers feels that she is qualified and capable of doing a good job.

Mrs. Brothers is asking the Haskell County voters for their consideration and support in the upcoming election. Charlene plans to try and see every voter at least one time before the election.

MEDAL WINNING READERS

Receiving bronze, silver or gold medallions at Haskell Elementary School Thursday were students (l to r) Tina Lacey, Mickey Dunnam, Seth Pace, Sharla Jetton, Kaelynn Whitfield, Dalyn Gilly and Judy Iley. The awards were given by the Haskell Jaycees, represented by Liz Reynolds (left), in cooperation with the March of Dimes for outstanding achievement during the Reading Olympics.

Prompt Reaction To Tornado Warning May Save Your Life

"We interrupt this program for the following announcement... This is a tornado warning. A tornado has been sighted north of town. All residents are urged to take cover immediately... I repeat, this is a tornado warning..."

These words, along with the piercing sound of sirens, often strike terror in the hearts of those who live in areas prone to tornadoes. Too often, however, the warnings are not taken seriously enough.

How you react if a tornado strikes your town may determine whether you survive the almost certain devastation.

The Insurance Information Institute stresses the importance of staying inside during the storm. Above all, it warns, do not attempt to flee from the path of the tornado in an automobile. Tornadoes are too swift and erratic.

Last April, when a tornado struck Wichita Falls, 26 of the 43 persons who were killed and 30 of the 49 who were seriously injured were attempting to flee the tornado in their car, according to a study by a team of epidemiologists.

The researchers, from the Bureau of Epidemiology at the Federal Center for Disease Control in Atlanta, also reported that of the 56 persons killed or injured in their cars, 43 had entered their car expressly to get away from the tornado.

Avoid Autos, Mobile Homes
The study concluded that automobiles and mobile homes afforded the least safety during a tornado, while apartments and single-family homes were the safest place to be if a tornado strikes.

It pointed out that the

homes which 20 of the victims left while attempting to flee the tornado suffered little or no damage and only five deaths occurred among people who remained indoors during the storm.

The researchers recommended the following:

1. People in single-family dwellings in tornado prone areas should identify and reinforce some interior portion of their house as a shelter.
2. Mobile-home parks should provide a community shelter for their residents.
3. All public buildings should have clearly designated tornado shelters.
4. People in motor vehicles should seek shelter immediately when they hear a tornado warning.

Although more tornadoes occur in Texas than in any other state, no state is entirely free from the threat, the Insurance Information Institute notes. Since these killer storms often strike suddenly and with little or no warning, knowing what to do can save your life.

According to the Institute, the safest place in the home is in the basement. In houses that do not have a basement, residents are advised to take shelter in a bathroom or closet on the lowest level of the structure or under a piece of heavy furniture. Stay away from windows.

If a tornado strikes during school hours, teachers should keep children away from windows and seek shelter either in a designated area or in interior hallways. Concerned parents should not attempt to go out in the storm to pick up their children at

school.

The Institute advises office workers or shoppers to seek shelter in an interior corridor on the lowest level of whatever structure they are in and to stay away from windows or exterior walls. All personnel should be aware of the location of designated shelter areas in their building.

For motorists who happen to be in their car as a tornado approaches, it is best to abandon the vehicle and to seek shelter in the nearest ditch or depression. Again, do not try to drive out of the path of the tornado.

After The Storm

Broken power lines, shattered glass, splintered wood and other sharp objects are some of the hazards that residents may encounter after the storm has passed. Extreme care should be taken when moving about in the area damaged by the tornado.

Home owners and businessmen who have suffered damage to their property are advised to make temporary repairs to prevent further loss from rain, wind and looting. They should also call their insurance representatives as soon as possible, since prompt service is usually available within hours after a tornado or other disaster strikes a community.

During the tornado season, the Institute suggests that home owners, businessmen, schools, churches or other public facilities keep a battery-operated radio, flashlights and a supply of fresh batteries on hand.

Home owners are also advised to make a complete inventory of their personal be-

No Deadline On GI Home Loans

Due to the recent increases in home mortgage interest, many veterans are now expressing sudden concern about their entitlement to GI home loans. According to C.H. Herren, Service Officer for Haskell County, a veteran's GI loan eligibility remains good until it is used. There is presently no deadline date for veterans to use their loan entitlement.

Eligible to participate in the GI home loan program are veterans with honorable military or naval service during World War II, the Korean Conflict or the Cold War and Vietnam Era. For GI loan purposes, World War II extended from September 16, 1940 to July 25, 1947; the Korean Conflict began June 27, 1950 and ended January 31, 1955; the Cold War period commenced February 1, 1955 and ended August 4, 1964; the Vietnam Era dates from August 5, 1964 to May 7, 1975. Also eligible are persons serving 181 days or more (honorably) during the Post-Vietnam Era, which began May 8, 1975, and continuing until such time as the Congress changes the laws.

Also eligible to participate in the GI home loan program are the widows of persons who

died on active duty and of veterans whose deaths are shown to be caused by service-connected conditions.

Veterans or widows who are eligible to participate in the VA home loan program should visit their local Veterans Service Officer. Information can be obtained showing the advantages of the VA programs over some of the others available to all citizens.

Letters To The Editor

Dear Editor:
On behalf of the entire Junior class of Haskell High School I would like to convey through your newspaper sincere thanks and appreciation to the people of Haskell and the surrounding area for the great success of our donut sale on Saturday, March 22.

The proceeds from this sale will be used to finance the annual Junior-Senior banquet and prom.

Sincerely,
Paul C. Williams
President, Junior Class
Haskell High School

Funny of Unfunny

Another CETA horror story: In San Francisco, CETA money was used to hire an ex-con with a three-page criminal record as a school security guard. When the man was accused of distributing drugs and trying to recruit school-girls as prostitutes, school authorities just transferred him from school to school, until a principal refused to take him. He was then assigned to school board headquarters. The law eventually caught up with him and he is now serving a three-year term.

Embarrassed school officials say the guard "slipped through" the job screening because his fingerprints were never taken, and right-to-privacy rules prevented a check of his background.
