

## Bull Town Bulletins

By  
Bill Ellis

**BOVINA'S OWN DON CUMPTON** has his Hereford Whitefaces all charged up and headed down the playoff road in football. Hereford waxed previously unbeaten El Paso Bel Air, 22-0 last Friday night in El Paso.

As of this writing, the Whitefaces have a 12-0 season record, the best in the history of the school, and will face Eastern Hills of Fort Worth in the state quarter-finals this Saturday in Texas Stadium, home of the Dallas Cowboys.

Putt Powell says "Wonder if the Harris Rating System has noticed the Hereford Whitefaces yet. Harris, which rates high school teams, never had Hereford rated higher than 32nd in class AAAAA during the season."

Cumpton is a native of Bovina, graduating with the class of 1963. While in high school, he played quarterback. He was on the team which won the district title for the Mustangs in 1961, losing out to Groom in bi-district.

After college (at West Texas State), Cumpton served as assistant coach for several years at Hereford. He was head coach at Sanford-Fritch two years, winning district in 1975. He then went to Muleshoe, where he turned the football program around, posting a 9-1 season record which included a tie for the district title in 1977.

This is his fourth year at Hereford, and the program has been coming up gradually. In 1980, the Whitefaces had an 8-2 season record and finished second in district. This year the team put it all together. A tough 9-7 win over Plainview at Plainview was the team's springboard to the district title.

The 'Faces beat Palo Duro in their bi-district game at Buffalo Bowl, and then beat the El Paso area champs, Bel Air, in the Sun Bowl. Last Friday's game drew almost 20,000 fans, including a number from the Hereford area.

Included in that number was Don's mother, Bobbie, of Bovina. Bobbie and her late husband Allen have always been Don's top fans. We used to visit with Allen every week, and he would have a progress report to give us on Don's team.

This year, we've had some help, as the media in the area has gotten behind the Hereford effort. Here's hoping that the team goes all the way.

**SPEAKING OF FOOTBALL**, we had the opportunity to see our favorite team, the Dallas Cowboys, play Washington at Texas Stadium on November 22.

Although we seldom ever miss a Cowboy game on TV, this was our first chance to see the team play in person, and we thoroughly enjoyed the experience. Although the old adage that "you can see the game better on TV" has some credence, there is a lot to be said for "being there."

Son Stanley and I shared the experience. We got to see some good running by Tony Dorsett, good passing by Danny White, good catching by Butch Johnson and Drew Pearson (who also had a great reverse run), and some good moves by the Cowboy Cheerleaders.

**CONGRATS TO FRIEND Ken Horn**, who is the champion of the Bovina Businesses Football Contest for 1981. Ken has been a longtime entrant in the event, but this is his first title. He joins a pretty elite list of former champions in the event.

According to Ken, he's sort of been biding his time, and decided "What the heck, why not just win it" in regard to the 1981 contest.

• It is not necessary to understand things in order to argue about them.  
—Beaumarchais (1732-99)

**BEGINNING TO LOOK ALOT....It's beginning to look like Christmas in Bovina. Christmas decorations were put up last week in Bovina. There are only 23 shopping days until Christmas and the customers are gearing up for a busy shopping season.**

## Ken Horn Wins Football Contest

Rhonda London and Brad Lance are the winners of the thirteenth week of the Bovina Businesses Football Contest, as they both came away with scores of 13 each and scored 16 on the tie-breaker guess.

This is a first time this year for anything of this nature to happen and the chances of this happening again are very slim, indeed.

Ken Horn locked up the overall contest with a total score of 132 and thus earning himself a \$100 prize. Horn was also named second place winner this week, and will carry home a \$5.00 check in addition to his other earnings.

Third place winner this week was Erith Hawkins, whose 12 correct guesses and tie-breaker of Oakland 28-Seattle 21 was the third closest score.

Horn's tie-breaker score was Oakland 28-Seattle 24. Rhonda guessed the tie-breaker at Oakland 17-Seattle 30, with Lance guessing the score at Oakland 27-Seattle 20.

The actual score of the game was Oakland 32-Seattle 21.

Weekly winners in this year's contest have been Michael Shepherd, Julia Moody, Edna Minyen, Larry

Wiseman, David Boozer, Chad Clayton, Wes Cockerham, Joe Pat Wright, Todd Schilling, Jimmie Cockerham, Johnny Curtis, Joe Olvera and Rhonda London-Brad Lance.

Not only did Ken Horn win this football contest, but he reportedly won the same type contest being run by the Farwell State Line Tribune. He and his wife, Gay, will be guests of the Farwell paper for a stay in Dallas. They will be provided with hotel accommodations and tickets to the Dallas-Philadelphia football game being furnished by the paper. They will depart for Dallas on December 13.

When asked how he acquired all this knowledge, Ken simply replied, "Well, I've been at it all my life. After a while you learn the ones to pick."

There's no doubt about that!

## Beef Market By Texas Cattlemen Pays Dividends

Since July 1, Texas cattlemen have been investing 25 cents per animal toward national beef programs of research, education and promotion coordinated by the Beef Industry Council of the Meat Board.

Now Texas cattlemen are reaping the rewards of that investment.

During September and October, the Beef Industry Council conducted an extensive advertising and promotional campaign in six markets--Dallas/Ft. Worth, Cleveland, Denver, Minneapolis/St. Paul, San Diego and Sacramento--and preliminary reports indicate that the campaign brought more people into stores to buy beef.

The campaign featured TV advertising and point-of-purchase materials tied to the general theme "Make Ends Meat--With the Great Taste of Beef."

Although detailed results from the promotion are still being tabulated, some markets have already reported a dramatic increase in beef sales during the campaign's flight dates compared to year-ago figures. Three supermarket chains in Dallas reported 5-24 per cent beef sales increases; San Diego and Sacramento reported 8-20 per cent increases; a supermarket chain in Denver reported a 36 per cent increase; and a large chain in Minneapolis reported a 24 per cent beef sales increase.

"We've had nothing but positive response from our customers since we posted 'Make Ends Meat' promotional materials," said Don Mobley, meat director for Affiliated Foods in Dallas. "Every store owner I've visited has been quite pleased with the amount of consumer interest this program has generated."

Jim McKenzie, meat merchandising manager for Safeway stores in Denver reported that store managers in his area were particularly pleased with the quality of the "Make Ends Meat" promotional materials.

"I visited eight to ten of our stores last week and I happened to notice that every one of them had 'Make Ends Meat' materials in prime locations," said McKenzie.

"This is a good sign. Many times promotional materials sent to stores from outside sources get either thrown out or put in areas of low visibility. But not this material. Stores I visited had placed the material in excellent, highly visible locations."

Dick Root, meat buyer for Alpha Beta stores in San Diego agrees. "All our managers were quite impressed with the quality of these promotional materials. One picture is worth a thousand words--and those 'Make Ends Meat' posters really seem to appeal to consumers."

In Cleveland, stores have tied-in heavily with the "Make Ends Meat" promotion. Bi-Rite Supermarkets, for example, have utilized the campaign's promotional materials in their newspaper food page advertising.

"This campaign has been very gratifying for us," said Earl Jackson, Bi-Rite meat merchandiser. "Our customer counts at the meat counter are way up and I've heard nothing but favorable comments from consumers. This campaign has been tremendous for us."

Beef Industry Council Promotion Manager Jim Olson is pleased with the promotion's results to date.

"Judging from reports we've received from all markets, the 'Make Ends Meat' fall campaign has generated much positive consumer response," said Olson. "The point-of-purchase materials coupled with the extensive television advertising campaign seem to have helped stimulate demand, which is exactly what we were aiming for."

**HONORED....**Devera Rhodes of Friona and Charles Johnson of Bovina were recognized at the 4-H Awards Banquet held in Lubbock November 23. The two 4-H members were recognized for having earned the Gold Star Award at the county level.

## Local 4-H'ers Are Recognized

Forty-four outstanding members of 4-H Clubs in the South Plains were honored here Monday night, November 23.

In addition to receiving the Gold Star Award, highest honor presented at the county level, the youths were challenged by a top administrator of the Texas Agricultural Extension Service to strive for a good finish as a climax to their outstanding start in life.

Joining the youths at the awards banquet in the cafeteria of Coronado High School were parents, government officials, Extension leaders, fellow 4-H'ers, educators and other community leaders.

Honored from Parmer County were Devera Rhodes, daughter of Mr. and Mrs. Wayne Rhodes of Friona and Charles Johnson, son of Mr. and Mrs. Billy Johnson of Bovina.

The belief that we need to get off to a fast start is deeply ingrained in American custom, Dr. Uel Stockard of College Station, state leader for the county programs with the Extension Service, told the audience. But he stressed that the long run of life requires more than a good start.

A good start is important, whether it's eating a good breakfast to provide a nutritious start for the day or getting a good education to prepare for life, he said.

He told how Curtis Bickey of Bryan, now a professional football player with the Baltimore Colts, became a world class track star by practicing his start for sprinting.

### Tax Rep. Sets

### Visit Dec. 16

State Comptroller Bob Bullock has announced that Raymond Bogus from his Lubbock field office will be at the Parmer County Courthouse in Farwell on December 16 from 2-3:30 p.m.

A comptroller's representative is available to assist local residents at the courthouse the third Wednesday of each month.

Bullock urged anyone with problems or questions concerning state taxes to contact Mr. Bogus at the courthouse in person or call the Lubbock field office at (806) 795-0691. A toll free number (1-800-252-5555) is also available to Texas taxpayers.

It's hard to believe the kind of weather Bovinians received over the weekend. Very unusual to have Spring rains in November accompanied by thunder and lightning. It has slowed cotton harvest down a bit but Ovid Lawlis of Lawlis Gin said the delay was minimal. I talked Monday morning this week to the people in eleven cotton gins in the county and the total bales ginned so far has been about 21,209 bales. Looks like another good year for cotton.

Congratulations to Ken Horn, our grand prize winner of the 1981 Football Contest, with a score of 132.

#### NEWS AROUND TOWN....

Dickie and Mary Evelyn Steelman made a trip to Glenrose last week and spent a couple of days with Dickie's sister and family, Evelyn and Art Vineyard and son Bill.

On the way to Glenrose the Steelmans stopped at Buffalo Gap and spent the night with Mr. and Mrs. Grady Hall who have recently moved from Bovina. Buffalo Gap is just outside of Abilene. The Steelmans said the Halls were happy and getting along fine. They said the country was absolutely beautiful this time of year where the Halls live.

Bobbie and Chester Haney had a houseful of company visiting over the Thanksgiving holiday; their son Dewayne and Pam of Dimmitt; Bobbie's mother, Ruth Terrell of Muleshoe; her grandmother, Mrs. C.F. Sullivan, also of Muleshoe; other guests were Virginia Lambert of Clovis and Tamara Serna of Lubbock.

Mrs. W.W. Wilcox spent last Wednesday night and Thanksgiving Day with her daughter and family, Ruby and Junior McCormick and children, David, Anissa and Keith of Clovis. While there they attended a program Wednesday night at the Parkland Baptist Church which was presented by a group of singers from Wayland Baptist College in Plainview.

Thanksgiving company in the home of Dickie and Mary Evelyn Steelman was Mary Evelyn's mother and father, Mr. and Mrs. J.D. Vaughn of Mangum, Oklahoma. Also visiting were the Steelman's daughter and son-in-law, Sharon and Don Johnston of Hereford.

Reports are that Oma Gunn who has recently been hospitalized for several weeks in Lubbock is spending time with her son in San Antonio and

## Around The House

By LAURA JACOBS

Consumers should not eat chicken broth from 13½ oz. cans produced by Sweet Sue Kitchens, Inc., Athens, Ala., with the production code 1B084 and the plant code P-732 on the label, a U.S. Department of Agriculture official said recently.

Laboratory tests indicate that some product might contain C. botulinum Type A, which produces a deadly toxin, said Donald L. Houston, administrator of USDA's Food Safety and Inspection Service.

Consumers should destroy the cans or return them to the store where they bought them, Houston said.

"Sweet Sue Kitchens has directed its distributors to locate and return all product with code 1B084 to the plant," Houston said. "There have been no illnesses reported as a result of people eating the product."

her condition is steadily improving and that's real good news.

Mr. and Mrs. Auther Judd have had much company during the Thanksgiving holidays. Visiting in their home were Auther's two brothers and their wives, Mr. and Mrs. H.L. Judd of New Castle, Oklahoma and Mr. and Mrs. James D. Judd of Oklahoma City; Auther's sister and brother-in-law, Mr. and Mrs. Vern Baker, also of Oklahoma City.

The Judds also enjoyed having their children with them, son Corby and Jennifer Judd and daughter Molly of Santa Fe, New Mexico, Dianne Crone and daughter Amy of Albuquerque; and their daughter Kim of Lubbock.

Furne and Jay Harris and grandson B.J. went to Hobbs, New Mexico, where they enjoyed Thanksgiving Day with their son Dana. Their other son Wesley and his family of Midland joined them for the day. Wesley's children, Christopher and Misty came back to Bovina with the Harrises and stayed until Sunday.

Kyle and Beverly Harris flew to Dallas and watched the Cowboys play Chicago. Their little son B.J. stayed with his grandparents, the Jay Harrises.

Mr. and Mrs. John Gee went to San Antonio for the holidays. They visited their son and family, Mr. and Mrs. James Gee and children, Pam, Kim and Jason. The Gees went by Snyder where they picked up their daughter Joan McCormick and her daughter Lori who accompanied them to Snyder. Another daughter Linda Henderson of Alvin joined the family there. Linda also had her four sons with her, Jeff, Danny, Randy and Chris.

Mrs. Gee said it was a warm 87 degrees in San Antonio while they were there.

**CORRECTION:** The Blade made an error...Virgie Cary's recipe for "quick fudge" in last week's issue should have read:

- 2 large pkgs. milk chocolate chips
- 1 can Eagle Brand milk
- 1 teaspoon vanilla
- 1 cup pecans
- Pinch of salt

In double boiler put milk and chips, melt then add salt, vanilla and pecans. Stir well and turn into 8 inch square pan that has been greased lightly with oleo. Will take several hours to cool.

If you cut this out of last week's

paper be sure to correct it with this week's recipe. It is too expensive to get it wrong. Anyway, sorry about that.

Visiting with John and Elizabeth Lorenze for Thanksgiving were their children and grandchildren, Harry and Wyneta Buckner and Kimberly of Lubbock, Royce and Donna Lorenze, Victor Brian and Chad of Hobbs, New Mexico, Nadine Andrews, Joyce Lorenze and Kevin, Royce Lorenze Jr. of Albuquerque and Rick and Glynda Trotter and Justin of Grand Prairie, Texas.

Sue Fowler called and wanted me to pass on a few hints on how to keep your Christmas poinsettias alive for a longer period of time. We do appreciate this, Sue.

1. Do not let them get chilled.
2. Bright filtered light but no direct sunshine.
3. Only water when top soil begins to feel dry.

The Alvin Glasscocks had lots of company during the holiday: Doris' brother and his wife, Mr. and Mrs. W.K. Jones of Fort Worth; and her niece and family, Mr. and Mrs. Mike Jenkins and sons, Heath and Chris; the Glasscock's sons and families, Ronnie and Carol of Lubbock and their children, Dana, Brandon and

Hope; Mac and Elaine and children, Terry, Todd and Tiffany; and Kent and Harriet, all of Bovina.

Virgie and Kenneth Cary attended funeral services for her Uncle Ed Lange of Clifton, Texas. Services were held last Friday morning and Virgie said he was 76 years of age and passed away after a lengthy illness.

Harry J. and Ruth Charles have had family visiting during Thanksgiving, Leslie and Rocky Carlson and children, Chris and Carey of Billings, Montana; Ruthie's sisters and brother-in-law, Maxine and Euel Hart and Jo Rinli of Lubbock. Also visiting were Harriet Lou and daughters, Melissa and Ginger and Ginger's friend, Chris, of Lubbock.

If you have lost a little black slick haired dog with two front white feet, give me a call.

Nelline and Henry Spicer enjoyed a day Thanksgiving Day with their family present: Nena and Mike Veazey of Hereford and Joe and Kay Stanton and daughter Kristin of Farwell.

Have a nice week and thank you for helping with the Scoops.... Scooter.

## Parents, Babysitters' Event Set December 5

What should the obligations of babysitters be? What should parents look for in a sitter? What is a reasonable rate for a babysitter?

These questions, as well as others will be examined in a seminar dealing with babysitters and parents, which will be held on December 5 in the Woman's Study Club.

The program will be conducted from 9-12 noon, and parents and sitter alike will have a chance to express just what makes a good babysitter.

Featured speaker for the event will be Sarah Owen, who is a nurse and she will give pointers on what should and should not be considered a serious problem when sitters are left with children and a medical problem crops up.

Parents and prospective sitters will be able to face questions from one another and tips on how to choose a babysitter and what should be expected of a sitter will be fielded.

The Bovina chapter of the Young Homemakers of Texas will be participating in part of the program and the Bovina Woman's Study Club is also jointly sponsoring this

seminar. Also a list of babysitters will be available following the meeting.

Refreshments will be served and any interested parent or any person interested in babysitting will be offered the opportunity to have their names and qualifications posted.

## did you know?

"One kilowatt-hour costs about 6¢. Your electric bill is figured on the number of kilowatt-hours of electricity you use. A kilowatt-hour is 1,000 watts of electric power used for one hour, so if you use a hair dryer for an hour you have used a kilowatt-hour of electricity. (Hair dryers use an average of 1,000 watts.) Today that kilowatt-hour costs about 6¢—less than it cost in 1927! In those days, electricity was used for lighting only. Today electricity does many other tasks for you and saves you time... and that's money."

Dune Bini, Home Service Director, Amarillo

"Coal is decreasing the increase. Fuel is the biggest cost factor in your monthly electric bill and that cost would be much higher if Southwestern had not begun a move away from gas as fuel. Even figuring the costs of transportation, regulation and environmental protection, coal is still a less expensive fuel than gas. SPS was a 100% natural gas-fired system as recently as 1976. Now more than 40% of the electricity we generate is coal-fired, and by 1985 more than half will be by coal. In this way, SPS will be able to continue to decrease the increase in your electric bill."

Erwin Glover, Industrial Services Engineer, Lubbock

"How a heat pump works? The heat pump does just what the name implies... it pumps heat into your home in winter and out in summer. The electric heat pump consumes less energy than any other electric heating and cooling system. There is warmth in the air in winter (even at 0 degrees F), and the heat pump squeezes out every bit of that warmth. Supplemental electric heaters are used in the heat pump for extremely cold temperatures, but in the generally mild temperatures of our service area, the heat pump simply takes advantage of mother nature. This means savings to you while you enjoy the clean comfort of electric heating or air conditioning."

Tommy Smith, Equipment Service Specialist, Roswell

# Blade's Edge

Commentary From The Editor

By Janet Wilke

Well, it's over...And Ken Horn made it to the finish with enough points to win \$100.

In case you are lost, I am speaking about the football contest.

Thirteen weeks of grueling, scientific reasoning, scheming and plotting on how to overthrow your neighbor have ended--and, this is only saying what your editor did to get the contest finished each week.

I know that there are some of you out there who worked hard each week to try to find a fool-proof method of winning the contest.

A few of you (we don't mention names) went as far as mentioning a possible bribe if the contest could be "arranged." But, as always, your editor was incorruptible. After all, what would I have gotten out of it?

I realize that Ken will probably be real excited when he gets his check...after all, who could not use \$100 extra around Christmas time? The only thing bad is how short a length of time it takes to spend \$100 these days. It's gone before you know it....

\*\*\*\*

If any of you missed the Bovina-Friona basketball game Tuesday night, you missed a thriller.

The games were all exciting, and the varsity boys game was possibly the most exciting game I've seen in over a year.

Bovina and Friona were tied up at the end of regulation time and it was only through the persistence of Friona did the Chiefs win at last. But, the Mustangs had nothing to hang their heads about. They played good, solid basketball, and gave every fan at the game a really exciting conclusion.

If you have not yet seen a basketball game, get out and watch these high school athletes perform. I am convinced that this is really what sportsmanship and character is all about.

\*\*\*\*

Periodically I receive in the mail pamphlets from the Department of Public Safety, giving interesting stats about why it is important to drive 55 miles per hour.

I was looking through one of these leaflets recently and ran across this interesting note:

"On the average, a traffic accident occurs in this state every 74 seconds. A Texan dies in one of those accidents every hour and 59 minutes. One of every 60 babies born today will eventually die in a traffic accident, and two out of three will suffer injuries."

Those are not very good odds, in my opinion. It takes just a little more time to drive 55 and get where you're going than it does to drive 65 and risk your safety.

In this same brochure, it showed that a car going 65 mph for a distance of 10 miles would make it in 9 minutes while a car going 55 mph at 10 miles of distance would be there in 11 minutes. Two minutes difference...two minutes to live or die.

At a distance of 200 miles, the time at 65 mph would be 3 hours and 4 minutes as compared to 3 hours and 38 minutes at 55 mph.

And, driving 55 mph saves alot more than just gasoline...it saves lives.

Don't let a Trooper have to tell your family you've been killed in an auto accident. Take some time to get where you are going, especially in this holiday season.

It is a matter of life and death.

## Principal Gives JHS Honor Roll

Those making A's and B's were: Eighth grade--Allen Griffin, Alfredo Marquez, Marie Pesch and Blake Scaff.

Seventh grade--Cathy Castillo, Jonathan Gauntt, Tracy Moore, Mindy Neal, Homero Renteria, Anna Villarreal, Robbie Stowers and Javier Villalon.

Sixth grade--Patricia Anaya, Missy Cupit, Anna Koelzer, Kirk Scott, Todd Ware, Tommy Reyes, Angie Riley and Tandra Turner.

High points came from Kathy Moore and Casey Riddle, who both had four points, with Shana Gober getting two, Misti Boozer, three, and Sally DeLaRosa, two.

Coach Ulibarri said, "I know the girls were playing scared. But they hustled just the same. I was a bit disappointed with the game, but these girls will get better the longer they play together."

In the varsity games, the Fillies lost to Amherst, 60-47 at Amherst on November 23.

Connie Shelby turned in an 18-point performance, with Rande Cupit scoring 13, Lisa Shepherd scoring 12, and Stacey Whitecotton scoring four.

Joyce Jones of Amherst led the Bulldog gals in scoring with 26 points, and she was followed by Cammie Campbell with 12 and Tammy Cowan with ten.

Coach Paul Toppliff said he felt the girls played inadequate defense in the third quarter, and his possibly cost them the game. "We did come back and play well in the fourth quarter, but the deficit was just too big to make up," said the coach.

The Fillies made 30 per cent of their field goals in the game and also did well on their free shots.

"I felt that Connie Shelby played a good game against Amherst. But, as young as we are, our youth showed through against Amherst," commented Toppliff.

In the varsity boys game, Bovina routed Amherst, 59-47.

Richard Shepherd led in the scoring attack for the Mustangs with 16 points followed by Edward Chisom with 15, and Ricky Shepherd with 14.

James Price of Amherst led the Bulldogs' scoring with 18 and Tommy Williams contributed 12 for Amherst.

Greg McClaran was recognized by coach Clifton Neal as having played a good game, coming off the bench.

"Greg has improved 100 per cent from last year," commented the coach.

Bovina completed 12 of 21 attempted free shots for 57 per cent and shot 32 per cent from the floor.

In the Fillies' game against Friona, Bovina won the game 57-44. Connie Shelby led in the scoring with 24 big points for the Fillies, with Rande Cupit coming in to score 15, Lisa Shepherd getting eight, Lisa Schilling, seven, and Stacey Whitecotton, three.

Cari Hand scored 23 points for Friona.

In the scoring for Bovina, Lisa Schilling pumped one in with 2:09 in the first quarter to begin the scoring, with Connie Shelby coming back to score at 1:19. Rande Cupit also scored twice in the first quarter.

In the second period, Lisa Schilling scored twice on two field goals and one free shot, with Connie Shelby scoring three free throws and Lisa Shepherd getting two free shots. Rande Cupit made one field goal from the top of the free throw circle and two free shots with 4:52 left in the quarter.

At 3:05 Bovina was up by 6, 21-15, and carried their lead through the half.

In the fourth quarter, played picked up and at 2:14 Rande Cupit was able to connect on two one-and-one shots, after Lisa Shepherd and Connie Shelby had missed their attempted shots at the free throw line. Later, at 1:04 left Connie Shelby made two points on a free throw attempt, followed by a shot from Friona which was no good.

To round out the scoring, Stacey Whitecotton made the second free throw of two to boost the Fillies to their win.

Good efforts came from Connie Shelby and Lisa Schilling. Coach Paul Toppliff said he was pleased with the play of his guards and the hustle of the entire team.

The girls will meet Morton's girls Thursday in the Sudan tournament at 10:30 a.m.

The Mustangs played a tough ball game against Friona's Chieftains but the overtime edge went to Friona as the Chiefs won 49-46. Bovina led through most of the game.

Edward Chisom pitched in 15 points for Bovina, with Ricky Shepherd also getting 14 points. Mike Neill earned 14 points for Friona, with Mark Tucker getting 13.

In individual efforts Richard Shepherd led with ten rebounds in the game.

Coach Neal said, "I was very pleased with the play of Charlie Trimble in particular. He has come back this year to fill the shoes of Lynn Read and is going a good job of it."

The coach said the key to winning would be the team's ability to play as a team and keep their cool.

"We quit doing the things we knew to do against Friona. They made us lose our composure, and that was the main turning point in the game."

Joe Black was cited for his effort in rebounding, as well as for his attitude in the game.

"The whole team has a good attitude," said coach Neal.

The varsity players will face Morton's JV team in the Sudan tournament Thursday, at 12:20 p.m.
