HARD HITTING

The Haskell Indians and the Hamlin Pied Pipers fought a tough battle last Friday night in Hamlin with the Pipers coming out on top, 20-15. The Tribe will be open this Friday and will host Stamford September 25 for the first home game of 1981.

Indians Fall, 20-15 To Hamlin Pied Pipers

The Hamlin Pied Pipers rolled-up 380 yards total offense to defeat the Haskell Indians, 20-15 last Friday night.

The loss brings the Tribe's season record to 1-1.

The Pipers scored TD's in each of the first three periods on drives of 56, 80 and 70 yards. Haskell's TD's came in the third and fourth quarters.

Hamlin led in statistics with 18 first downs to Haskell's 12; 313 yards rushing to 184; and 67 yards passing to 5. The Pipers completed 12 of eight passes to Haskell's one of four and intercepted one pass, losing two to Haskell. Hamlin lost four fumbles and Haskell lost 2.

Bolden led the rushing game with 164 yards on 17 carries to average 9.6 yards per carry. Indian Jonnie Hise led the Tribe with 146 yards on 19 carries for a 7.7 average.

The Indians took the opening kickoff but managed only seven yards in the first series and were forced to punt.

On their first offensive play of the game, Lakey connected with Hayden Merket for a 48 yard pass to move the ball to the Haskell 12.

Two plays later the Pipers fumbled the ball back to the Tribe. The Indians failed to make a first down and punted the ball back to Hamlin.

Bolden carried for 21 yards and

Lakey scored from the 40 to put the Pipers on the board with 7:01 left in the first quarter. The PAT failed.

The remainder of the first period was a defensive battle with both teams punting once.

The Indians were also forced to punt on the second play of the second quarter but managed to intercept a Piper pass on the next play. The turnover was to no avail when the Tribe was again forced to punt the ball back to Hamlin.

The Pipers put together their second scoring drive on their next possession moving the ball 80 yards in six plays for the TD.

Lakey and Bolden alternated carries on the first four plays moving the ball to the 20. Lakey carried in from the 17 for the score after a three yard gain by Mark Combs. The two point conversion failed and the Pipers led 12-0 with 7:49 left in the first half.

Three fumbles and two punts was the story during the remainder of the first half with neither team keeping possession of the ball for more than four plays.

The Pipers fumbled on the third play of the second half and the Indians began their first scoring drive.

The drive covered 55 yards in 15 plays and ended with a three yard run by Hise with 5:45 left. The PAT was good making the score 12-7.

On their next possession, the Pipers moved the ball to their own 43 yard line before Bolden broke loose for a 57 yard TD scamper. The two point conversion was good and Hamlin lengthened their lead to 20-7.

The second play of the fourth quarter Hise intercepted and returned a Piper pass for a TD. The two point conversion was good.

The Pipers moved the ball to the 17 on their next possession but the drive was halted when the Indians recovered a fumble.

The Indians moved the ball 62 yards but were unable to gain yardage on a crucial fourth and five situation giving the ball back to the Pipers with 3:00 left.

The Indians will be off this Friday and will host Stamford September 25 in the first home game of the 1981 season.

7-8th Grades Split With Hamlin

The Warriors will host the Olney Clubs today (Thursday) at 6 p.m. on Indian Field.

The seventh grade Warriors began the season with a shut out, defeating Hamlin 24-0. Joel Torres scored three touchdowns and Roy Graham, one.

The strong defense held the Pipers and gave the offense the tremendous scoring effort. The offensive line did an exceptional job of blocking which contributed to an average of about six yards a carry.

Indian Band Receives Fair Trophy

The Haskell Indian marching band received a first place trophy during the West Texas Fair Parade last Saturday. The band was judged the best in Class AA in the parade.

Band members also recently elected new officers. They are: Ronnie Rea, President; Domingo Villa, Vice President; Emily Cox, Secretary; and Kiersta Lane, Reporter.

Band members invite everyone to support the Indians and the Indian Band at the first home game September 25 against Stamford.

The eighth grade Warriors were put to the test as they fell 12-32. Chris Medford and Daniel Salazar scored the only touchdowns for Haskell.

"Fans are encouraged to attend the games each Thursday. The foundation for the athletic program is begun in the junior high system," said Coach Mickler.

"As we teach them the fundamentals that will hopefully carry them through their high school years with a winning attitude, we encourage fans and parental support during these building years.

"We've got to remember that the most important football game for that hard-charging 12 or 13-year-old is the one he plays that week. So come out and back your team and show them you care. That will mean more to them than anything else they experience in junior high," he said.

Bob Craig, publisher of *The Hamlin Herald* for the past 21 years, died Sunday at the age of 50.

Bob had held all offices of the West Texas Press Association, was President in 1967, and was serving in his twelfth year as Secretary-Treasurer.

Bob was recognized as a 'doer' by members of the WTPA. He took the tasks no one else wanted and did a good job.

Bob was a big man, standing about 6' 6". His mere presence commanded respect, but when you listened to what he said, his knowledge and experience commanded even more respect and attention.

Bob was a leader not only in press circles, but also in Hamlin. He was serving on the Jones County Tax Appraisal District Board of Directors at the time of his death.

Bob had also served as President of the Hamlin Lions Club and the Hamlin Board of Community Development.

140 Attend Irby Homecoming

The Irby Homecoming was held Saturday, September 5 at the Sons of Hermann Lodge Hall.

Lena Kubena began registering guests at 2:30 p.m.

Harry Koehler, president of the local lodge, opened the afternoon program with a welcome to all ex-students, and guests.

Mrs. Charlie Conner was the only ex-teacher present, and was presented a corsage. Mrs. Conner was known as Lelia Jeanes when she taught in the Irby school in 1913. There were four students present that Mrs. Conner taught, they were Herman Klose of Stamford, George Klose and Laura Klose Parker of Haskell, and Effie Grimsley Lusk of Rule.

Lola Hallmark Odell of Clifton and Frieda Steinfath of Waco were recognized as having traveled the farthest distance.

Pauline Stiewert was recognized as the oldest guest present, and Rachelle Hobbs as the youngest. Rachelle is the great-granddaughter of Mr. and Mrs. George Klose.

Lloyd Klose of Abilene, son of Mr. and Mrs. Felix Klose and Leon Kretchmer, son of Mrs. Annie Goebel of Haskell were recognized as the last two students present, the Irby school closed in 1945.

There were 140 in attendance for the catered supper at 6:00 p.m. which was followed by a dance at 8:30 p.m. with the Yellow Jackets from Rochester on the band stand.

Most of the afternoon and evening was spent by the old timers viewing old pictures, picture taking, and just plain old catching up on latest news, and talking over old times.

A bit of news discovered by the younger generations was the history of the Lodge Hall. The Sons of

Hermann Lodge started in 1908 in a 10x12 foot building, with one door and no windows. It was located about 2 miles west of the Irby Hall in a pasture. The men walked there to hold their meetings since there were no roads. There were 8 members at that time. When it was decided they needed a larger building they bought the one room school house, and moved it with wagon wheels and Grandpa Zelisko's steam engine to F. A. Klose's farm. It was used as the Lodge Hall until the 1930's, at which time an even larger building was built on the Albert Peiser land in its present location. About 2 years ago air conditioning was added and that is progress that the younger generation can relate to.

It was decided that the next homecoming will be held at the same time the Haskell and Mattson homecoming is held.

Chamber To Sponsor Haskell Fair Olympics

Cheerleaders and twirlers from area schools will gather on the Court House lawn September 26 to compete in the Haskell Fair Olympics.

The event, sponsored by the Haskell Chamber of Commerce, will be held in conjunction with the Haskell County Fair. Registration will begin at 1:30 p.m. and competition will begin at 2 p.m.

Cheerleaders or twirlers from Haskell, Weinert, Paint Creek, Rule, Rochester, Stamford and Knox City have all agreed to participate. Munday has also been invited to participate but had not

confirmed their entry at press time Wednesday.

The representatives of the schools will compete in eight events which tentatively include: egg toss, paper wrap, three legged race, scavenger hunt, hula hoop race, spoon race, balloon shaving and tug-a-war.

A giant trophy will be awarded to the winning team and will be kept by the school until next year's fair.

In addition to the competition, special drawings will be held between events and merchandise will be given away to those viewing the contests.

Effort Underway To Build Civic Center

A concerted effort to build a memorial civic center in Haskell is underway according to R. C. Couch, Jr., President of Haskell Memorial Center, Inc.

The Center will be a combination auditorium, banquet center and museum according to present plans.

Members of the Board of Trustees of Haskell Independent School District have agreed to let the Center be built on school property

and will provide maintenance and upkeep.

The Civic Center Board reorganized in January and elected new officers. They include: Couch, R. W. Herren, Vice President; Opal Adkins, Secretary; and Abe Turner, Treasurer. Directors are: Mattie Felker, Dr. William J. Kemp and Juanita Dunnam.

More details of the Center will be presented during Homecoming.

He was a gud'un.

Dodds, Moody Repeat Vows In Stephenville

Elizabeth Gwen Moody became the wife of Delbert Lee Dodds on Friday evening, August 7, at 7:00 p.m. in the First Christian Church of Stephenville. The bride is the daughter of Mrs. Shirley Hatch of Stephenville and Mr. Bob Moody of Houston. Parents of the groom are Mr. and Mrs. Winifred Dodds of Jonesboro, formerly of Paint Creek.

The ceremony began with a violin piece, "Concerto in G Major" performed by Vivian Potts of Ft. Worth and accompanied by David Gibbreath of Waco, organist. Patti Stark, maid of honor, sang "Jesu, Joy of Man's Desiring" by Bach and "Whither Thou Goest" by Cessler. During the ceremony, Miss Stark sang "I Love Thee" and "The Lord's Prayer".

Given in marriage by her father and mother the bride wore an original gown of Chantilly lace and bridal satin which she designed and fashioned herself. The skirt was gathered to a blouson bodice which had a high fitted neck of lace. The long bell sleeves were brought to the wrist by white satin ribbon forming a scalloped ruffle of lace over the hands. The skirt featured a short sweeping train bordered by scalloped lace and seed pearls. The bride's headpiece, also her design, was a wide band of tiny white stephanotis and star flowers with a double veil of bridal illusion.

The bride carried a bouquet of blue and white silk peach blossoms and carnations with a cascade of ribbons. She presented a long stemmed white rose to her mother as she approached the altar and presented a white rose to her mother-in-law as the couple left the altar.

The groom wore a white

tuxedo with tails and white boutonniere of carnation, ming fern and baby's breath.

Patti Stark of Stephenville was maid of honor. Bridesmaids were Margaret Moody of Stephenville, sister of the bride; Leta Dodds of Brownwood, sister of the groom; Veonna Dodds of Jonesboro, sister of the groom; and Julie Smalling of McAllen. The bridal attendants wore formal gowns of blue, silver, and white floral print with scooped necklines and short sleeves with tucks on the lower skirt and sleeves. The dresses were completed by a wide white satin sash. Each girl carried one symbol of love: a Bible, for love's faith; a candle for love's glow; a rose for love's bloom; a wreath for continuing love; and a sprig of rosemary for love's promise. Leigh Ann Reel of Paint Creek was flower girl.

Jimmy Porter of Huckabay served as best man. Grooms-men were Tim Lewellen of Ft. Worth, Woody Young of Weatherford; Paul Moody, brother of the bride, of Stephenville; and Mike DeFries of Stephenville. Eric Hatch, brother of the bride, of Stephenville, served as ring bearer. Brother and sister of the bride, Marjorie and Brad Moody of Houston were candelighters. Ushers were Jimmy Terry and Jake Dempsey of Stephenville. The groomsmen were attired in pearl gray tuxedos and wore boutonnieres of carnations, leather leaf and baby's breath.

The bride's mother chose a gown of soft coral quiana featuring a low draped back and full flowing skirt belted with a twin-leaf gold buckle. The mother of the groom wore a fitted A-line sleeveless gown in apricot with a V-neck and lace overlay bodice.

After the ceremony a reception was held in the Twentieth Century Club. A three-tiered wedding cake of white icing decorated with white swans was served to guests by Cassie Daley of Stephenville and Lisa Palmore of Dublin. Lisa Stator of Irving served white grape punch from a silver bowl. The table was decorated with silver candelabra and the bride's bouquet and covered by a white eyelet cloth with blue underlay. The groom's table held fresh fruit trays with silver appointments on a dark blue cloth. Sandy Smith of Killeen, served at the groom's table.

The bride and groom are recent graduates of Tarleton State University, Stephenville. The bride earned a B.A. in music with concentration in voice. The groom, Paint Creek graduate, graduated with a B.B.A. in business marketing. He is employed by I.B.M. Corporation in Lubbock.

After a wedding trip to the Inn of the Mountain Gods in Ruidoso, New Mexico, the couple is living in Lubbock. Parents of the groom hosted the rehearsal dinner at the Tejas Country Club in Stephenville.

Reception Honors 50th Wedding Anniversary

Mr. and Mrs. Bailey Guess were honored September 13 on their 50th wedding anniversary with a reception at their home in Weinert.

Hosting the reception and receiving with the honored couple were their children and grandchildren, Mr. and Mrs. Hale Alderman, Cynthia Kay and Dona Sue Alderman of Ft. Worth, Mr. and Mrs. W.B. Guess, Jr., Bill Bailey, Randolph and Matthew Guess of San Antonio.

A three tiered white cake topped with a lace and golden 50th decoration and covered with gold icing roses and gold foil paper leaves and tiny white wedding bells centered the bride's table. Guests were served ice cream punch from a tulip shaped punch bowl which belonged to the late Belle Guess, mother of Bailey Guess. An ecru crocheted cloth covered the table where guests were also served mixed nuts, pastel mints, cheese wafers, and orange balls by LaVerne Mayfield, Patsy King and Marguerite King.

The groom's table was laid with a cloth of beige linen cut work over a gold underskirt. Spreading the groom's table was a two-tiered chocolate cake decorated with swirl designs and garnished with red grapes. The table was appointed with silver, crystal and gold lettered napkins giving the couple's names and date of marriage. Guests were served sausage balls, buttered pecans, and white chocolate mints by Agnes Winchester, Pat McMannis and Kathy Anderson. Coffee was also served to the guests from a silver service by Meredith McMannis. Sarah Guess assisted the guests with refreshments. Also helping with the reception were Mabel Derr and Mary Sue Guess.

Guests were registered by Mary Leslie McMannis in a gold book with an embossed gold foil "50th" floral design on the cover. A gold ostrich plume pen was used for registering. The registry table held an antique bud vase with tiny yellow silk rosebuds.

The honored couple's framed marriage certificate was displayed over the piano. Piano music entertained the

guests throughout the reception and was provided by Kelly Earp, Karen Harlan, Erma Liles, Sandy King, and Linda Guess.

A trio, Darla Griffis, Kelly Earp, Darla Griffis, sang several songs. Soloists who sang were Alexia Rimmer and Linda Guess.

The Bailey Guesses were married September 13, 1931 at Munday. Mrs. Guess is the former Mildred E. Robertson of Cottonwood. Before moving to Weinert, Mr. Guess farmed at Von Tress Community. Since then he has owned and operated the W.B. Guess Oil Co. in Weinert. The Guesses have been Weinert residents for forty-five years.

Well wishers who called during the day were: June Robertson, Denver, Colorado; Robert Von Tress, Dallas; Mrs. Chester Smith, Goree; Mr. and Mrs. Erwin Guess, Dallas; Mr. and Mrs. Harvie Furrh, Pampa and Vance Lebkowsky, Midland.

Out-of-town guests were from Tye, San Angelo, Petersburg, Seminole, Waco, DeSoto, Plainview, Abilene, Idalou, San Antonio and Ft. Sill, Okla.

Beta Chi Chapter Holds Regular Meeting

The Beta Chi Chapter of Delta Kappa Gamma met in their regular meeting on Saturday, September 12, at 2:30 at the Community Center in Knox City.

Donnie Fincher, president of Aspermont, called the meeting to order. Committee chairmen met with members of their committees. Belle Grill, of Truscot, read the minutes from the last meeting. Margaret Chapman, of Knox City, gave the treasurer's report. Correspondence was read by Dana Martin of Aspermont. LaRue Reeves of Munday, gave the report of membership, which stands at 78 members.

It was announced that the Area VII meeting will be held in Colorado City on October 3. All members were urged to attend.

Members were treated to an excellent program. Ann Therwhanger, of Munday, introduced the program, "The Future as seen through the eyes of Youth". Penny Winchester, of Munday, gave several opinions of Hazel

Henderson, a futurist, who says stress is one of evolutions helpers. When stress is abundant changes must take place. We are at the end of the industrial age. Henderson states, "Bigger is Better" will no longer be the theme. We will plan more, have more specific work skills, more concern for self-care and self-help. She states computers will shape the next generation.

Following this idea, Nancy Abernathy of Aspermont, reported on commuter addicts from *The Science Digest*, 1981. The article states that we are on the verge of a commuter evolution that will change life as drastically as the printing press did. Also, 1

out of 3 homes will have commuters or terminals in the next 5-10 years. Ann Therwhanger then summarized the research with this statement, "In the year 2000, there will be many youth. These youth will have respect for our system and democracy thus hope for the future."

The composer researched was Katherine (Arabella) Hankey, who wrote the old favorite "I Love to Tell the Story". Mary Jo Lankford accompanied by Virginia Casey, led the group in singing the song.

The meeting closed with all members singing the Delta Kappa Gamma song.

Refreshments were served by the Knox City members.

Dinner Party Honors Couple

Mr. and Mrs. W. Chester Hodgkin, 1409 N. Ave. J, Haskell, was honored Saturday evening at 8 p.m. with a dinner party in the home of their son, Garry W. Hodgkin, in observance of their 40th wedding anniversary.

W. Chester Hodgkin was born in Mountaineer, New Mexico. Mrs. Hodgkin, the former Lillian Bare, was born in Knox County.

The couple had known each other as students in school at Foster. They were married Sept. 11, 1941 by Rev. Luther Kirk in Munday. The Hodgkins have lived in Haskell 37 years.

Mr. Hodgkin is City Fire Marshall and has been employed by Lone Star Gas Company for 36 years. He is a member of the Odd Fellow Lodge and Haskell Volunteer Fire Department.

Mrs. Hodgkin is employed by Lane Apparel.

Both are members of East Side Baptist Church.

The Hodgkins have one son, Garry W. Hodgkin of Abilene. They have two granddaughters, Tiffany, 13, and Alison, 6.

Those attending the dinner in Abilene were: Mr. and Mrs. Fred Hodgkin of Rule; Mr. and Mrs. Roy Hodgkin of Abilene; Mr. and Mrs. Charles Byers of Merkel; Mr. and Mrs. Gene Floyd of Guthrie; Mr. and Mrs. Elvin Kinney of Rule; Mr. and Mrs. E.E. Bare of Graham; Mr. and Mrs. Lee Brown of Haskell; and Mrs. Minnie Rezion of Abilene.

Moeller, Galloway Wed In Double Ring Ceremony

MRS. FRANKIE LEE MOELLER
...formerly Rhonda Carol Galloway

Miss Rhonda Carol Galloway and Frankie Lee Moeller were united in marriage at 7:00 p.m. Saturday, September 5 in a traditional double-ring ceremony at the Hurst Church of God. The Rev. Forrest Oakley of Mineral Wells Church of God and Rev. J.C. Amburn of First Assembly of God in Haskell officiated.

The bride is the daughter of Mr. and Mrs. R.H. Galloway of Hurst and the granddaughter of Mr. and Mrs. J.P. Crabtree of Sulphur Springs and Mrs. Laura Galloway of Fort Worth.

The groom is the son of Mr. and Mrs. Ernest Moeller and grandson of Mr. and Mrs. T.L. Solomon, Sr. all of Haskell, and Mr. Frank Moeller of Weinert.

A rehearsal dinner, hosted by the groom's parents, was given Friday evening at the Homestead Bar-B-Que Cafeteria in Hurst.

Music for the ceremony was provided by Mrs. June Robertson, organist, and Miss Gina Robertson, soloist, both of Weatherford. "Longer", "Follow Me", and "You're a Gift" were the featured selections.

The altar, decorated with greenery, was banked with candelabras on either side. Each had fresh flower arrangements of daisies, carnations, gladiolas and greenery. Centered between the candelabras and behind the altar were two fan shaped candelabras decorated with greenery. The parents pews were decorated with peach and yellow ribbons.

Escorted down the aisle by her father and given in marriage by her parents, the bride wore a formal gown of white silk organza in a Renaissance silhouette. The crescent yoke of Chantilly lace was accented with seed pearls and lace motifs. Also enhanced with lace appliques were the stand-up puritan collar and tucked organza bodice. Full pencil sleeves of sheer organza were caught to high cuffs edged in lace. Flowing from the natural waistline was a full skirt with a deep lace trimmed ruffle. The bride's veil was fingertip length featuring a Juliet cap accented with pearls. Chan-

tilly lace bordered the veil with a fluted edge. She carried a cascade bouquet of silk roses, miniature carnations, daisies, peach babies breath with lace ribbon. For something old she wore her great uncle's baby ring on a gold chain. The bride's veil served as something new, and for something borrowed she wore her sister's wedding dress. Her attire was complete with a blue garter and a sixpence in her shoe.

Matron of Honor was Mrs. Gary Toles of Watauga, sister of the bride. Bridesmaids were Mrs. Russell Galloway of Hurst, cousin of the groom and sister-in-law to the bride and Mrs. Terry Brown of Brownfield.

The attendants wore dresses of miracle mirage. The matron of honor wore peach and the bridesmaids wore mint green and yellow respectively. Each dress featured an opening in back with 17 covered buttons to the waistline. The bloused waist fashioned with a stand-up collar circled with lace and bishop sleeves accented with three tucks above the deep cuff trimmed in matching lace held the full skirt which also featured three tucks near the bottom and was belted with a small self-tie belt. They carried garden bouquets of daisies, carnations, miniature mums and babies breath with pastel streamers. They wore matching carnations and babies breath with pastel streamers. They wore matching carnations and babies breath in their hair.

The groom wore a white tuxedo and his boutonniere was a white silk rose with peach babies breath.

Attending the groom as best man was Jonathan Wilson of Haskell. Groomsmen were Ricky Moeller of Haskell, brother of the groom and Bobby Jones of Sweetwater. Ushers were Russell Galloway, twin brother of the bride and Stacey Griffith both of Hurst. They all wore light brown tuxedos. Groomsmen wore boutonnières of carnations matching bridal attendants dresses. Ushers wore white carnation boutonnières.

The bride's mother wore a pleated chiffon over taffeta

dress with long letucced edge sleeves in dusty rose. The groom's mother wore a long pink polyester dress with softly bloused overlaid bodice which featured a re-embroidered scalloped neckline and short cap sleeves and was belted with a double cord sash. Each mother wore a corsage of pink roses and carnations accented with a white silk miniature butterfly.

When coming down the aisle, the bride presented her mother with a long stem yellow rose and upon leaving she presented the groom's mother with a long stem yellow rose.

Both fathers wore dark brown suits with yellow rose and babies breath boutonnières.

Guests were registered in the foyer by Cheryl Bright at a round peach satin covered table accented with a white lace umbrella, pair of white doves and a silver and crystal candelabra.

The bride's parents hosted the reception in the church fellowship hall. The guests were greeted by the bride and groom and their parents. The tables were covered with peach satin and overlaid with white chiffon skirts with bows. The tables were also accented with greenery. The center oblong table had two silver candelabras with the centerpiece being the bride's and bridesmaid's bouquets. The first round table held the white three tiered wedding cake decorated with yellow roses and was topped with two white doves. Between the second and third tier were four columns and cherubs.

The second round table held the crystal and silver punch bowl from which fruit punch was served. Serving at the bride's table were Leisha Solomon of Haskell, Rhonda Gathings of Hurst, both cousins of the groom, and Donna Collins of Hurst.

After a wedding trip to Eureka Springs, Arkansas, the couple will reside at 128 Plaza Blvd. #1117, Hurst.

Out of town guest were from Haskell, Sweetwater, Abilene, Weinert, Sulphur Springs, Mineral Wells, Weatherford,

Waxahachie, Kennedale, White Settlement, Midlothian, Watauga, Irving, Arlington, North Richland Hills and Tulsa, Oklahoma.

TAX FREE STARS SAVERS CERTIFICATE

It helps you where it counts . . .

On October 1, 1981, Big Country Savings offers the STARS SAVERS CERTIFICATE (Big Country Savings' All Savers Certificate). It allows savers to earn up to \$2,000 tax-free interest for married couples filing jointly or \$1,000 on an individual return. This means that the tax-free dollars you earn with the STARS SAVERS CERTIFICATE will benefit your bottom line when compared to the after-tax earnings from other savings plans (see table below).

Only \$500 is required to open an account. And your tax-free STARS SAVERS CERTIFICATE is insured by the F.S.L.I.C., an agency of the Federal Government. The STARS SAVERS CERTIFICATES earn an interest yield equal to 70% of the investment yield for 52-week U.S. Treasury securities. The yield you earn will be established on the date your certificate is purchased and will remain unchanged for one year until maturity.

We want to help you make the very most of your money. Come in now and we'll answer any questions about the STARS SAVERS CERTIFICATE. It helps you where it counts . . . on the bottom line.

The news of the death of Frederic Taubes, distinguished art instructor, author and inventor and one of the world's leading authorities on paint techniques, brought sadness to many of us. He was famous for his writing in the "American Artist", "The Artist" and most recently "The North Light" magazines. Most painters have used Taubes Copal Painting Medium and other of his products. I had the pleasure of taking six workshops with him, in Mexico, New Mexico and Texas. Having him in our home for dinner a few years ago was a real pleasure - he even asked for a recipe. The twenty-three autographed books I have in my library are valued art treasures.

Mr. "T" will be remembered by many West Texas artists who studied each summer with him in Ruidosa, where he taught for fifteen years. His techniques will remain forever and we will miss his linguistic discussions and critiques in any area of the arts. We'll miss you, Mr. "T".

Q. Should I copy another artist's picture?

A. Between Art Associations, art classes and instructors, there seems to be much controversy on what is a copy. Years ago students learned from copying the master's works. Sure they did! Remember, then there was no immediate methods of communication so each painter copied his fellow artist's work for the experience. Selective parts of another artist's composition could be copied but as a learning process only. If you "crib" from another artist and pass it off as an original, it is certainly unethical, if not illegal. Using a photograph for reference is a perfectly acceptable practice.

Using another's photo gets

into a "grey" area. Remember, we only use nature as a guide, therefore using photographs is only for guidance and not for copying.

Q. If, a painting could be copied, exactly color and color, stroke for stroke, which is next to impossible, can an artist make claim to this?

A. This is a question for your lawyer, or eventually perhaps a judge, but why would any ethical artist want to do this?

Q. What do you think about copying? Really what is a copy?

A. This is such a vast subject that I cannot cover it in one writing. Since it seems to be a question of much discussion right now, with the Haskell County Fair coming up, perhaps a few clarifications might help. One thought is that IF you can copy, you can create your own composition. Students in our classes use photographs as suggestions and guides, but they do not copy. Often we make

sketches on location then take a photo to use for some overlooked detail. Why not do something that you can show with pride, without having the stigma of "copy"? You cannot fool a judge, they are acquainted with many publications and knowledgeable in all areas. Galleries cannot hang copies and artists could not expect them to. They are liable to court action by the original artist, or copyright owner and a suit could be ruinous. Most art shows will not accept a copy and they have the authority to determine suitable subjects for hanging. Paint every day, whether it is for pleasure or for profit!

HINT: Frederic Taubes said, "Never a day without a line."

Write your questions and hints to me, Faye Schnuriger, P.O. Box 134, Haskell, Texas 79521. I will not use your names but do want you to sign your letters.

above the spending limit provided by Article VIII, Section 22, of the Texas Constitution would be placed in a Water Assistance Fund to be used as provided by law, including projects for water development and conservation, water quality enhancement, and flood control purposes or any combination of these purposes.

The amendment also provides \$500,000,000 of the general credit of the state to guarantee bonds issued in commercial markets by local political subdivisions, including cities, counties, and special districts. The amendment allows amounts to be established to decrease or retire state debt, which is defined as that debt secured by the full faith and credit of the state. The amendment would raise the interest that could be paid on authorized, but unissued, bonds guaranteed by the full faith and credit of the state from 6% to 12%.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the use of a portion of the excess revenues of the state for water development, water conservation, water quality enhancement, and flood control purposes; authorizing the use of the state's credit, not to exceed five hundred million dollars, to guarantee the bonds of cities, counties, towns, and other units of local government in the financing of projects for such purposes; increasing the interest rate that may be paid on previously approved, but unissued, state bonds; and authorizing a program to retire state bonds."

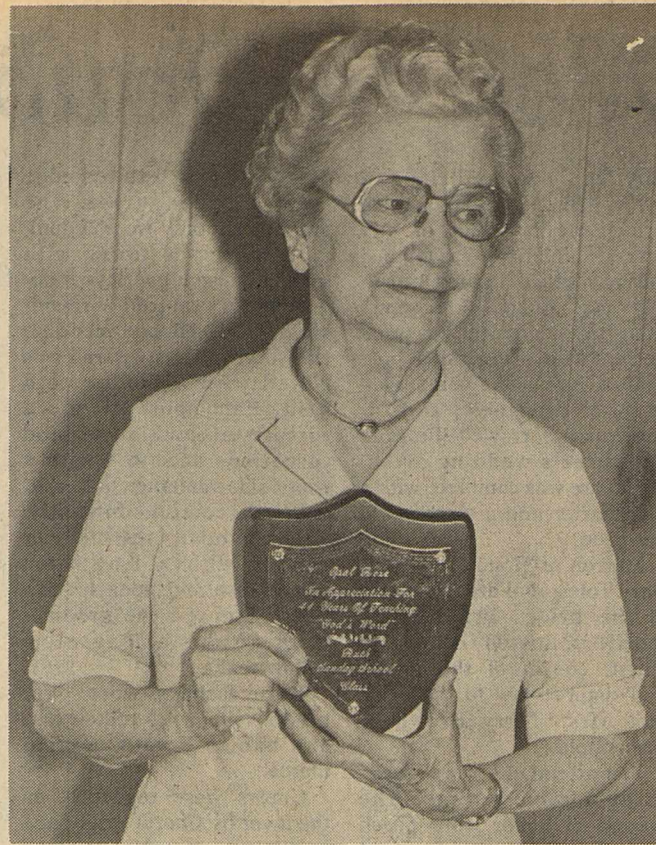

House Joint Resolution 38 proposes a constitutional amendment that would enable the legislature to grant to a state finance management committee the authority to manage state funds. Funds constitutionally dedicated to specific purposes would not be subject to committee management. The committee would be composed of the Governor, Lieutenant Governor, Speaker of the House of Representatives, Chairman of the Senate Finance Committee, Chairman of the House Appropriations Committee, Chairman of the Senate State Affairs Committee, and the Chairman of the House of Representatives Ways and Means Committee.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to allow the legislature to grant to a state finance management committee the power to manage the expenditure of certain appropriated funds."

House Joint Resolution 49 proposes a constitutional amendment that would exempt livestock and poultry from taxation. Currently, farm products in the hands of the producer and family supplies for home and farm use are exempt.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to provide for the inclusion of livestock and poultry with farm products as exempt from taxation."

AVISO PUBLICO

Breves Declaraciones Explicativas De Las ENMIENDAS CONSTITUCIONALES PROPUESTAS ELECCION ESPECIAL 3 DE NOVIEMBRE DE 1981

PROPOSICION NO. 1 EN LA BOLETA

Resolución Conjunta No. 8 del Senado propone una enmienda constitucional que permita a la legislatura autorizar a ciudades, pueblos y otras entidades fiscales a conceder exenciones de impuestos por avalúo en una área no productiva, subdesarrollada o deteriorada para estimular su desarrollo. La enmienda también permitiría a la legislatura autorizar a una ciudad o a un pueblo emitir bonos o vales para financiar este desarrollo y empujar futuros aumentos en los ingresos de impuestos por avalúo sobre la propiedad en dichas áreas para pagar estos bonos o vales.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional que autoriza a ciudades, pueblos, y otras entidades fiscales estimular el mejoramiento, desarrollo, o redesarrollo de ciertas áreas por medio de auxilio en los impuestos sobre la propiedad y la emisión de bonos y vales."

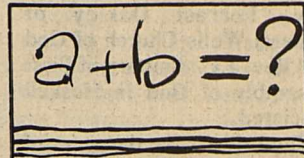

PROPOSICION NO. 2 EN LA BOLETA

Resolución Conjunta No. 117 de la Cámara de Representantes propone una enmienda constitucional que autorice a una persona a recibir título de terreno del Comisionado de la Oficina General de Terrenos bajo ciertas condiciones. La solicitud para el título se tiene que hacer dentro de cinco años a partir de la aprobación de la enmienda. El terreno tiene que ser terreno de las escuelas públicas libres, medido, y no previamente titulado. La persona tiene que tener una escritura del terreno propiamente registrada, que adquirió sin saber del defecto de título y que él y sus antepasados interesados han tenido por lo menos durante 50 años. La persona y sus antepasados interesados tienen que haber reclamado el terreno continuamente y pagado los impuestos por lo menos durante 50 años.

Esta enmienda no se aplica a terreno de playa, a terreno sumergido ni a islas. Un solicitante no puede usar esta provisión

los ingresos sobrantes de impuestos, sobre el límite de gastos dispuesto por el Artículo VIII, Sección 22, de la Constitución de Texas, sean depositados en un Fondo de Asistencia del Agua a ser usados como provea la ley, incluso en proyectos para el desarrollo y la conservación del agua, la mejoría de la calidad del agua, el control de inundaciones o para cualquier combinación de estos propósitos.

La enmienda también provee \$500,000,000 del crédito general del estado para garantizar bonos emitidos en mercados comerciales por subdivisiones políticas locales, incluso ciudades, condados y distritos especiales. La enmienda permite que se establezcan cantidades para disminuir o para retirar deudas del estado, las cuales se definen como deudas garantizadas por la plena fe y el crédito del estado. La enmienda aumentaría el interés que se pueda pagar en bonos autorizados pero no emitidos, garantizados por la plena fe y el crédito del estado, de 6% a 12%.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional que autoriza el uso de una porción de los ingresos sobrantes del estado para el desarrollo, la conservación y la mejoría de la calidad del agua y para el control de inundaciones; que autoriza el uso del crédito del estado, no en exceso de quinientos millones de dólares, para garantizar los bonos de ciudades, condados, pueblos, y otras entidades de gobierno local en la financiación de proyectos dedicados a tales fines; que aumenta la tasa de interés que se puede pagar por bonos estatales previamente aprobados pero no emitidos; y que autoriza un programa para pagar bonos."

PROPOSICION NO. 5 EN LA BOLETA

Resolución Conjunta No. 49 de la Cámara de Representantes propone una enmienda constitucional que dejaría libres de impuestos el ganado y las aves. Actualmente los productos agrícolas en manos del productor y las provisiones familiares para el uso de la casa y de la granja están libres de impuestos.

PROPOSICION NO. 4 EN LA BOLETA

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional que permite incluir el ganado y las aves con los productos agrícolas libres de impuestos."

PROPOSICION NO. 6 EN LA BOLETA

Resolución Conjunta No. 81 de la Cámara de Representantes autoriza al cuerpo gobernante de un condado, una ciudad, un distrito escolar u otras subdivisiones políticas declarar libre de impuestos una porción del valor de mercado de un hogar de residencia. La porción libre de impuestos puede ser hasta 40% para el periodo 1982-1984; 30% para 1985-1987; y 20% para 1988 y los años siguientes. La cantidad de la exención no puede ser menos de \$5,000 a menos que la legislatura por ley general prescriba otras restricciones monetarias de la cantidad de exención. A un adulto elegible se le permite recibir otras exenciones aplicables previstas por la ley. Se hace excepción en caso de que los impuestos por avalúo hayan sido comprometidos previamente para el pago de deudas.

La enmienda además dirige a la legislatura que requiera que se les dé a los propietarios una estimación razonable de impuesto sobre su propiedad en ciertas situaciones.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional que autoriza a una subdivisión política proveer auxilio en los impuestos sobre la propiedad para los dueños de hogares de residencia y que cambia ciertos procedimientos administrativos en los impuestos sobre la propiedad."

PROPOSICION NO. 7 EN LA BOLETA

Resolución Conjunta No. 4 de la Cámara de Representantes propone una enmienda que autorice a la Junta de Terrenos para Veteranos poner en circulación y vender bonos adicionales en la cantidad de \$250,000,000 lo cual aumentaría de \$700,000,000 a \$950,000,000 la autorización total de circulación de bonos del Fondo de Terrenos para Veteranos. La enmienda aumentaría el interés máximo pagable por el estado por estos bonos de 6% a 10% y permitiría una tarifa aun más alta si fuera especificada por la legislatura.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional que autoriza la emisión de bonos adicionales para financiar el programa de terrenos para veteranos y que aumenta la tarifa máxima de interés que se permite en los bonos del fondo de terrenos para veteranos."

Goal for the 1981 CRCC is \$185,000. The sale schedule this year is cattle sale, Sept. 28, Abilene Auction; horse sale, Oct. 3, Abilene Auction; sheep and goat sale, Oct. 5, Junction Stockyards; special sale, Oct. 7, Coleman Livestock Auction; special sale, Nov. 4, Brownwood Cattle Auction; and farm equipment sale, Nov. 7, Sweetwater. By each area chairman talking to his or her friends and neighbors, Alexander believes that the livestock donations will come in. "People give to people. That's how the area chairmen make it work," he said. Alexander claims to have been Shelley Smith's first patient in Abilene, even before the West Texas Rehabilitation Center existed. "I had a bad back when I was a teenager—still do—and Shelley worked on it. That's how I got to know Shelley," he explained. Alexander's parents, Mr. and Mrs. Minor Alexander, supported the Center from its start. "We try to involve every facet of business in the Cattleman's Round-Up," he said. He is involved in cattle operations including a feedlot as well as other businesses. Alexander believes that most people getting into the cattle business are those who have some background in it. "The ones who make it in the cattle business are the ones who have the staying power to get through the bad periods—or are crazy enough to want to," he said. There will be no problem getting a market for the cattle at the series of CRCC sales this fall. "There is always someone to buy. They may stretch some to give a little more, but there's always a market." Re-emphasizing the tradition behind the CRCC, Alexander said: "Remember the area chairmen. They are the ones that make it work and we need for them to feel they are a vital part of everything we're doing."

1981 Goal For CRCC Is \$185,000⁰⁰

"When people think of the West Texas Rehabilitation Center, they think of the Cattleman's Round-up for Crippled Children," says CRCC general chairman Jim Alexander.

And that's as it should be. Alexander sees the Cattleman's Round-Up as the backbone of the Rehab Center's fund-raising, responsible for the grass roots support that is still vital to WTRC.

"It's what got the Center off and going. These area people working for the Cattleman's Round-Up are still what keeps it working. I don't want these people ever to feel like they are not important. They are important," he said. "We need for them to feel they are a vital part."

Alexander said, as he has said since assuming the chairmanship of the Cattleman's Round-Up in 1979, that this year's sales will be the biggest and the best.

Dr. John P. Montgomery received his degree in medicine at the University of Texas Medical Branch in Galveston on May 30, 1981. Dr. Montgomery is the grandson of Grace Montgomery, Haskell.

His parents are Mrs. Pat Riley of Houston and Mr. John C. Montgomery of Atlanta, Georgia.

Dr. Montgomery and his wife, Ellen, will reside in Wichita, Kansas, where he will serve his residency at Wesley Hospital and she will teach in the public school system.

Dr. Montgomery is a graduate of Permian High School in Odessa and the University of Texas in Austin.

Linda Wood Burson, 1805 N. Ave. G, Haskell received a Master of Education degree from Hardin-Simmons University during the Summer Commencement ceremonies held Friday night, August 14.

Dr. Jesse C. Fletcher, president of HSU, delivered the charge to the graduates. The exercises were held in Behrens Auditorium following a banquet sponsored by the HSU Alumni Association that honored the students and their families.

Lewis Ranch Wins Rodeo Bragging Rights

Cowboys are either brandin' or braggin'. And the braggin' usually leads to a robust debate as old as the Alamo: Which Texas ranch is best?

Twelve of the state's largest ranches settled that question this past weekend at the Budweiser Texas Ranch Roundup in Wichita Falls. Unlike a professional rodeo, this two-day roundup emphasized the ranch skills cowboys use everyday with events like team roping, saddle bronc riding, team penning, team branding, wild cow milking and a wild horse race.

With well-earned pride, the Lewis Ranches team will be able to boast undisputedly that their outfit, headquartered in Clarendon, is Texas' best. With strong wins in the team branding, team penning and wild cow milking events, the Lewis Ranches team beat out 11 other ranch teams before several thousand excited spectators. They took home a bronze western sculpture which will serve as a traveling trophy.

"It was great!" said Lewis Ranches team captain Bob Boston, a 12-year veteran of the ranch. "If this roundup were held next year in

Canada, we'd go!"

The Lewis Ranches team included Burl Hollar, Dumont; Ricky Lowe, Lakeview; Johnny Hill, Hedley; Billie Farley, Turkey; Don Hall, Harley Longan, Bob Boston, Jenks Boston and Jackie Longan, all of Clarendon.

Following the Lewis Ranches in second place was the Renderbrook-Spade Ranch, Colorado City, and third place, the W.T. Waggoner Estate.

Tom Moorhouse of the Moorhouse Ranch, Benjamin, was named best ranch hand in a unanimous decision based upon his spectacular saddle bronc ride during the Friday competition. Moorhouse received a hand-tooled saddle and a portrait of himself to be painted by Leon Hale.

Not only were ranches judged on their quick and sure ranch hands, they were also judged on their cooks' ability to stir up good and spicy chili, their ranch queen contestants' poise in modeling western clothing and their talent contestants' skill, which ranged from music to art. Points earned in the chili cook-off and the ranch queen and talent contests were added to the rodeo scores to determine the

winning ranch.

Eugenie vonGontard, 27, captured the ranch queen crown for the Pitchfork Land & Cattle Company, Guthrie. Rob Brown of the R.A. Brown Ranch, Throckmorton, took top honors for his nature photography in the talent contest. And Wanda Warner, cook for the Moorhouse Ranch, made the best pot of red. She will represent the Texas ranches at the 1981 World's Championship Chili Cook-off in California.

Proceeds from the Budweiser Texas Ranch Roundup will benefit three Texas charities, including the North Texas Rehabilitation Center, the West Texas Rehabilitation Center and the West Texas Boys Ranch, all of whom co-sponsored the two-day event with Budweiser.

Register Brands Farabee Named To Education Committee

Cattlemen know that they have until March to re-register their brands with county officials. They also have an opportunity to re-register their brands with the Cattlemen's Round-Up for Crippled Children.

Donors to the Cattlemen's Round-Up have had their brands immortalized in tile on the walls of the West Texas Rehabilitation Center's Abilene facility.

As the new facility is being constructed in San Angelo, brands will be applied to its walls also—the brands of those giving livestock valued at \$250 or more, or a \$250 cash contribution to the 1981 Cattlemen's Round-Up.

Classing Fee To Be Collected

The Omnibus Reconciliation Act of 1981, signed by the President August 13, 1981, established a user fee effective October 1, 1981 for cotton classing services provided for producers by USDA.

The proposed fee is 60 cents per sample. Producers will be billed on a monthly basis for each sample submitted by a licensed gin or warehouse with a completed cotton classification memorandum, CN-117 (green card). Gins may agree to assume responsibility for collecting the fee as a service to their customers. This will greatly facilitate the billings and keep cost of the classing service as low as possible.

Cotton samples classed for producers prior to October 1, 1981, will be free of charge, the same as previous years. The 60 cent fee will be charged for all cotton classed for producers beginning October 1, 1981, and the first bills will be mailed at the end of October 1981.

As in the past, samples must be drawn by a licensed gin or warehouse and forwarded directly to the Marketing Services Office. The name and complete address of the producer must be entered on the green card if the producer is to be billed.

The Omnibus Reconciliation Act directs USDA to provide the classing service to producers for a fee that when combined with proceeds from the sale of samples will recover, as nearly as practical, the cost of providing the service including administrative and supervisory costs. The Secretary is also directed to take necessary action to insure that the government cotton classification system continues to provide an official quality description of the United States cotton crop.

Any additional questions concerning user fees should be directed to the local Marketing Services Office.

Livestock will be transported free to the appropriate sale. First cattle sale will be Sept. 28 at Abilene Livestock Auction.

Other sales are horse sale, Oct. 3, Abilene Auction; sheep and goat sale, Oct. 5, Junction Stockyards; special auction, Oct. 7, Coleman Livestock Auction; farm equipment sale, Nov. 7, Sweetwater, and special auction, Nov. 4, Brownwood Cattle Auction.

Senator Ray Farabee has recently been appointed to serve on the 18 member Select Committee on Public Education in Texas. The Committee will hold its first meeting on September 11 in Austin. Lieutenant Governor Bill Hobby will be Chairman of the Committee.

More bills improving public education were passed by the 67th Legislature than by any other since "I have been in the Senate," noted Farabee. The Texas educational system will be undergoing changes as a result of recent policy decisions in areas such as curriculum reform, correct-ordered bilingual education, and requirements relating to teacher competency. Local independent school district will be in the best position to re-evaluate their current programs, and the Committee will provide a forum for

cooperation and communication relating to public education in Texas.

"High quality education for the citizens of Texas is a major public concern, and a large portion of the State's total budget is appropriated for education. Over the next

biennium, there is a \$2.6 billion increase in state funding for education. Haskell School District will receive an estimated \$749,757; Rule ISD, \$292,711 and Paint Creek ISD, \$91,790 in additional state funding for 1981-82" Farabee said.

Vision Tests Required For Students

Children entering school for the first time in Texas must have their vision checked.

The Sixty-sixth Texas Legislature passed the Children's Vision Screening Act of 1979. The purpose of the act is to identify children who are in need of a professional eye examination to determine whether they are visually handicapped.

The statute requires that all children enrolling in any public, private, parochial or denominational school for the first time must have an eye examination by a licensed eye specialist or an approved vision screener.

To assist in implementing this law, schools throughout this area have made arrangements to have school personnel trained as approved vision screeners.

An advisory committee composed of ophthalmologists, optometrists, and public members concerned with children's visual problems has recommended that screening consist of tests for visual acuity. Basic recommendations were approved by the Texas Board of Health.

Further information regarding the children's vision screening program may be obtained from: Vision Screening Program, Public Health Region 4, Texas Department of Health, P.O. Box 2648, Abilene, Tx. 79604; telephone: (915) 673-5231.

If your home or apartment was built between 1965 and 1973, your electrical wiring could pose a serious hazard. During those years, aluminum wire was sometimes used in combination with fixtures that were originally designed for use with copper wire. The result: outlets and switches that can overheat to the point of glowing and smoking.

According to the manufacturers of aluminum wire and

Raising money from private sector is on the upswing

COLLEGE STATION — Raising money from the private sector — an activity given added importance by President Reagan's budget cuts — is now drawing greater emphasis among public universities that have depended on private support for many years.

At Texas A&M University private-giving has increased every year for the last 10-12 years, said Dr. Robert L. Walker, vice president for development. The largest single category of contributions comes from alumni giving in which Texas A&M leads among public institutions.

fixtures, changes in the design of both products have reduced the danger in buildings put up after 1973. And in homes built in 1964 or earlier, aluminum wiring is uncommon enough that your chances of having a problem are also minimal. But if your house—or any addition to it—was built during the problem years, you should investigate the situation further. Get a copy of the U.S. Consumer Product Safety Commission's booklet, "Aluminum Wiring". Send \$1.25 to the Consumer Information Center, Dept. 186J, Pueblo, Colorado 81009.

How do you know if your wiring is aluminum? If you can find out the name of the contractor who originally wired your home, call up and ask what type you have. Or there may be places in your attic, basement, or garage where the wiring is open to view. Aluminum wiring has "AL" or "ALUMINUM" printed or stamped every few feet on the outside jacket of the insulation.

But if no wiring is visible, DO NOT try to remove cover plates or check electrical panels yourself. You could get a dangerous or even fatal shock. Have a professional

electrician do the inspection for you.

If your wiring should turn out to be aluminum, you'll need to hire an electrician anyway. A thorough, but expensive, way of correcting the problem is to have your home completely rewired. If you don't want to replace the wire itself, copper wire can be spliced in where connections are made to outlets and switches. (The Consumer Product Safety Commission recommends a special high-pressure crimping technique if you

choose this option. The booklet contains technical instructions for your electrician.) Yet another alternative is to replace the outlets and switches with newer, safer ones known as "CO/ALR" devices.

While you're waiting for the electrician's visit, make sure none of your circuits are overheating already. Touch the cover plate on each wall switch and outlet in your home—even ones that have nothing plugged in. If any switch or outlet feels warm,

turn off the power to it by flipping the circuit breaker or unscrewing the fuse that serves it.

The booklet contains more tips. And, when you order "Aluminum Wiring" (\$1.25), you'll also receive a free copy of the "Consumer Information Catalog"—listing more than 200 free and low-cost titles of general consumer interest. For your copy of "Aluminum Wiring", send \$1.25 to Consumer Information Center, Dept. 186J, Pueblo, Colorado 81009.

A bill, HR4735 was introduced in Congress the day after the air traffic controllers went out on strike.

This bill would legalize the air controllers' (PATCO) strike. What's worse this bill would also legalize strikes by all Federal employees.

The big union bosses are behind this outrageous scheme and they are well financed. 1982 is an election year for many congressmen, so you can bet the union bosses will be promising the support and the money in exchange for a Yes vote on HR4735.

Your congressman knows this but he does not know how you feel about it. Let him know now which way you want him to vote.

Letter Contest To Contribute To Great American Smokeout

Larry Hagman, star of TV's "Dallas" series, is asking people this month to write to him describing original ideas on how to quit smoking cigarettes as part of the American Cancer Society's Great American Smokeout.

The Larry Hagman Quit-Smoking Letter Writing Contest is an advance buildup to the Society's fifth annual Smokeout, set for November 19th this year.

According to Penny Reeves, Austin radio personality and chairperson of the Smokeout in Texas, the contest will be

held nation-wide September 14-27 and will be conducted primarily by radio stations in cooperation with participating units of the American Cancer Society. In some communities, TV stations and newspapers will also be involved.

Some 40 ACS units in Texas have already begun contest preparations whereby participants may write—in letters of 100 words or less—their original ideas on how to quit smoking. Judging will then be done on a local, state and national level based on these criteria: Originality, Practical-

ity and Clarity. The contest is open to residents of the United States except employees and Board and Committee members of the American Cancer Society.

Texas judges for the contest are Elbert D. Glover, Ph.D., chairman of the Health Education Department at TCU; Penny Reeves, Smokeout chairperson; and Leon Hale, columnist for the *Houston Post*. These judges will review the five finalist letters from each participating ACS unit and select from these the three state finalist letters for

national competition.

As an added incentive to all Texas participants, the Larry Mahan Boot Collection in El Paso has arranged to present each of the three Texas finalists a pair of western boots made from exotic leathers.

The national prize features an all-expense paid three-day trip for two to Hollywood to have dinner with Hagman, which has been underwritten by a national sponsor. The national judges are William G. Cahan, M.D., of the Memorial Sloan-Kettering Cancer Center; Camille McMennamin of the McCaffrey and McCall, Inc. advertising agency; and John Mack Carter, editor-in-chief of *Good Housekeeping* magazine, all of New York City.

Both state and national contest winners will be announced prior to the Smokeout.

Hagman's involvement with the Smokeout is only part of his interest in the anti-smoking activities of the ACS. According to Ms. Reeves, Hagman plans to take an active leadership role all year long. He has already made a number of anti-smoking TV and radio spots and will be the Society's media spokesman for its quit-smoking programs.

Inmates discover new opportunities at training center

COLLEGE STATION — About a dozen Texas prisoners are getting a headstart toward the day they re-enter the workforce.

At the Texas A&M University Research and Extension Center at Bryan, prisoners are learning to be apprentice utility linemen.

The training, conducted by the Electric Power Utilities Training Division of the Texas Engineering Extension Service, is designed to give the inmates job skills they can use upon their release. Extension teachers also go to the prison to teach building maintenance, lineman training and carpentry.

Superintendent's Views

BY JAMES LANIER
Superintendent, Haskell ISD

The Board of Trustees adopted a policy concerning promotions last Tuesday evening. The administration had proposed the policy several months ago, but it was tabled for two reasons; (1) to gain input from the classroom teacher, and (2) the State Legislature introduced a bill concerning promotion policies. However, the bill died in committee. So, after gaining teacher input, the policy proposal was reintroduced.

Basically, the policy established a criteria by which students are passed or retained. Heretofore, the decision was left to the principals and teachers with no criteria to base this critical judgement. The purpose of this policy is to establish criteria for retention in grades K-8. These criteria are as follows:

Students in kindergarten will be retained only by parent request.

Retention in 1st grade is based on the following factors:

- SRA composite score 6 months behind grade level
- Maturity level
- Teacher evaluation
- Principal evaluation
- Attendance

Retention in grades 2-6 is based on the following factors:

- SRA composite score 1 year behind grade level
- All other factors the same as above.

Retention in grades 7-8 is based on the following factors:

- Failure of two solid subjects in a given academic year.

Solid courses:

- Mathematics
- Social Studies
- English
- Reading/Spelling
- Science/Health

Other factors same as above.

Final decision is at the discretion of the building Principal.

Parents of possible retained students will be notified in

Information on Tax-Exempt All-Savers Certificates

What is the Tax-Exempt All-Savers Certificate?

The Tax-Exempt All-Savers Certificate is a one-year certificate, issued between October 1, 1981 and December 31, 1982 with a yield equal to 70% of the average yield on 52-week Treasury Bills.

What is the certificate rate of interest based on?

The certificate must have a yield equal to 70% of the average yield on 52-week Treasury Bills.

The rate will be based on the most recent auction (before the week in which the certificate is issued).

The rate of interest, at the time you are issued your All-Savers Certificate, remains the same for the life of the certificate.

What is tax-exempt under these new savings certificate regulations?

The interest is tax-exempt up to certain maximums. The amount that anyone may exempt from income taxes under the new provisions is limited to a lifetime exclusion of \$1000 (\$2000 in the case of a joint return).

If, for example, you as an individual receive \$800 of All-Savers interest in 1982 and \$500 in 1983, only the first \$1000 of interest income is tax-exempt.

In the case of a joint return, if both parties receive \$1600 of All-Savers interest in 1982 and \$1000 in 1983, only the first \$2000 of interest income is tax-exempt.

What is the minimum deposit in an All-Savers Certificate?

The minimum deposit in an All-Savers Certificate is \$500.

How long will I be able to earn this tax-exempt exclusion?

First of all, you must make your deposit in an All-Savers Certificate between October 1, 1981 and December 31, 1982.

Although no further All-Savers Certificates will be issued after December 31, 1982, the interest paid on such certificates properly issued through December 31, 1982 will be entitled to the exemption.

This means that all of the interest tax-exempt under this certificate will be earned by December 31, 1983.

What is the maturity period of these All-Savers Certificates?

The maturity period of these All-Savers Certificates is one year.

Can I take my corporate funds and qualify for one of these Tax-Exempt All-Savers Certificates?

No. Any such amounts paid to corporations (including real estate investment trusts, sub-chapter S corporations and regulated investment companies) will be fully taxable.

The interest paid on an All-Savers Certificate is tax-exempt only when earned by an individual or an estate which acquires that certificate by reason of the death of the individual.

Can I use this certificate as collateral or security for a loan?

If you do, then the interest on the certificate loses its tax-exempt status and you will have to pay tax on the interest earned.

If I have to cash in my certificate prior to maturity, can I do so?

Yes, you can. However, you will lose the tax-exempt status on the interest on the certificate and all the interest earned will be subject to income tax.

A substantial penalty is required by law in the event of early withdrawal of funds from a certificate.

Home Health Agency Discussed Recently

Home Health Agency of Texas, Inc., nurses Cynthia Slayton, RN and Janis Turner, LVN met September 12, 1981 with Congressman Charles Stenholm in Stamford to discuss the Home Health needs of our community.

Mrs. Slayton explained to Mr. Stenholm that Home Health Agency is a new organization which began operation July 1, 1981, with the home office located in Seymour and branch offices located in Childress, Vernon, Breckenridge, and Haskell.

Mr. Stenholm expressed appreciation for bringing this matter to his attention and that the health services would come under consideration during the next legislation.

If you feel the need or know of someone who might require our home health services, please feel free to contact any of our representatives for information.

The Home Health Agency of Texas, Inc.; the branch office in Haskell is located at 111 North Avenue E. and the phone number is 817-864-8046. Also, please feel free to contact our representatives: Cynthia Slayton, RN at 817-997-2559, or Janis Turner, LVN at 817-743-3446 or Patti Englert, LVN at 915-773-3421.

Adult Basic Education Classes

Registration for Adult Basic Education classes will begin Tuesday, September 22, at 6:00 p.m., in the Haskell Junior High School Library. Classes will be held each Tuesday evening from 6:00 to 9:00 p.m. Regular classes begin September 28, 1981.

All materials and instruction are furnished at no charge to the students.

These classes are preparatory for the G.E.D. test, which will be given periodically throughout the school year. This program has been beneficial to many people in our community. Obtaining the G.E.D. certificate has enabled many to further their education or acquire better employment.

If you have further questions, come Tuesday evening, September 22, at 6 p.m. Instructors are Cathy Bartley and Christie Stapleton. Come and bring a friend.

The Adult Education Program is provided by the State of Texas. Our classes are operated through the Big Country Adult Education Cooperative of Abilene Independent School District, in cooperation with Haskell Independent School District.
