Tribe 5-0 In District

The Haskell Indians completed regular season play last Friday night in Rotan with an unblemished District record. The Tribe defeated five district teams and held each of the opponents scoreless.

In defeating Rotan 8-0, the defense held the Yellowhammers to minus eight yards rushing and 18 yards passing.

Rotan had possession of the ball only three times in Indian territory during the night. Their first possession on the Indian end of the field came after a blocked punt and the Tribe defense held them to six yards in four plays. Late in the second period, Rotan moved the ball from their own 49 to the Haskell 27 and gained two of their three first downs of the evening before losing the ball on downs. The only other Rotan threat came late in the third period when they took over on the Haskell 41.

A fifteen yard penalty against the Tribe moved the ball to the 25. Three consecutive losses and a bad snap on a punt attempt gave the Tribe the ball on the Rotan 40.

Following a scoreless first quarter, the Tribe defense captured

The Rule Co-op Gin in Rule is having open house, Saturday, November 13 from 2 p.m.-5 p.m. Everyone is invited to come and inspect our new facilities. Door prizes will be given. Just register, you do not need to be present to win. Coffee and cold drinks will be served.

Congratulations Defense

This week we salute the 1982 Haskell Indian defensive unit for their district record of 5-0 and the fact that the Indians unit did not allow any district opponent to score against the Tribe.

The regular defensive unit for the past several weeks has consisted of: Seniors, Barry Tidrow, James Davis, Lonnie Hise, Albert Sherman, Joseph Toliver, Toby Villa and Shane Welch and Juniors, Doug Lanier, Keith Reed, Doug Richardson, and Sam Toliver.

In visiting with several school officials and several other longtime high school football fans, no one can ever remember any team holding all district opponents scoreless. Readers assistance is requested in determining if this feat has ever been accomplished in the past.

Combining statistics from each of the five district games showed no great strength of the defensive unit. Surprisingly, the opponents, made more first downs, more passing yardage, completed more passes and had less penalty yardage.

A closer study of the stats

the Rotan punter in the end zone for a safety just seconds into the second period. The score came when the snap from center sailed over the punter's head.

The Indians will advance to the Bi-District play-off game this Friday night in Snyder against Crosbyton.

Crosbyton is the runner-up in their district and has a season record of 4-6 and a district record of 3-2. The winner of the game will meet the winner of the Wellington-

Funds Needed To Charter Football Bus

The Booster Club did not select a Booster of the Week due to the end of the regular football season. All efforts and matters of discussion at this week's meeting were directed to boosting a win over Crosbyton for the Bi-District Title.

The Booster Club is in process of securing a chartered bus from the Trans Texas Bus line for the District 4-AA Champions to travel to the Bi-District play offs Friday night. The Indians will leave for Snyder from the High School campus at 3:00 p.m. The Booster Club encourages all supporters to bring their cars and let's give the Indians a big send off. We will meet at the High School after the pep rally which is at 2:00 p.m.

Donations are being taken to pay for the chartered bus. Anyone that would like to donate can do so by contacting any member of the

White Deer game.

All Indian fans are urged to attend the game and boost the Tribe to a victory.

Coach Mickler gave a scout report on Crosbyton and reported their biggest threat would be a running back that has gained 1800 yards this year. He added that if this one player was stopped Crosbyton would be stopped. Booster Club members feel that a team that has shut-out all of its District opponents can stop him.

Coach Holt, who appeared to be recovered from an ulcer attack, reported his health was much better. In showing the Rotan film, he noted that even though the Indians had the District wrapped up before Friday night, that anytime a team held their opponents to minus 8 yards they were still playing ball.

Let's all go to Snyder and help the Indians win Bi-District Friday night.

County Crude Oil Production

The Sale of Crude Oil and Natural Gas from Haskell County wells in 1981 enriched the county's economy and accounted for \$49.4-million of the \$44-billion value placed on Texas petroleum production last year.

In a report on the economic impact of oil and gas industry operations in the significant producing counties of Texas, Dallas-based Texas Mid-Continent Oil & Gas Association said the county ranked 142nd among Texas' 254 counties on the basis of value of its marketed petroleum production. This production includes condensate and casinghead gas.

The county's wells produced 1.4 million barrels of crude oil, valued at \$48.6-million, and 470.1-million cubic feet of natural gas, valued at

\$839,988. Owners of royalty in the county received \$6.2-million as their share of the output, the Association noted.

"Although the oil and gas industry is suffering through a

Rule Lions To Remodel Old Depot

Members of the Rule Lions Club will use proceeds from two recent projects to move and remodel the Old Santa Fe Railroad Depot.

The depot will be moved near the City Park and remodeled for use for meetings, family reunions and other functions.

The Club recently raised \$650.00 with a Turkey Shoot and \$450.00 by giving away a shotgun. Jack Wilcox was the winner of the shotgun.

Club members will also distribute USDA Butter to needy persons next Tuesday.

Turkey Shoot

Members of the Haskell Kiwanis Club will hold their second annual Turkey Shoot this Sunday at the Aspermont Gun Club.

Activities will begin at 11 a.m. and continue until dark. Competition will be available for shotguns, rifles and pistols.

Proceeds will be used for Club projects.

Open House

The Haskell Junior High and High School will host an open house at 7 p.m. Thursday, Nov. 11.

Parents and friends are invited to view Centennial artwork painted by Mrs. Glenda Drinnon's speech and drama classes. The paintings consist of Indian designs, symbols, quotations and sayings.

"We welcome all parents and friends to come and view the students' work and to see their accomplishments," Clayton Neal, principal, said.

Ag Classes To Sell Fruit-Turkeys

The Haskell agriculture classes are selling fruit and turkeys as a fund raiser for the parent-member banquet to be held later this year.

The fruit consists of oranges and grapefruit. The small boxes weigh 20 lbs. and cost \$6.50. The large boxes weigh 40 lbs. and cost \$10. The fruit will be delivered to the customers the first week in December.

The turkeys sell for \$17.95. These birds are already cooked and smoked. The turkeys will be delivered to buyers on the Tuesday before Thanksgiving.

To buy fruit or a turkey contact any FFA member of the Haskell Chapter or call the ag department 864-3310.

Perry, Thigpen Wed In Double Ring Ceremony

Mary Anita Thigpen became the bride of James Richard Perry at half past eleven Nov. 6 in the First United Methodist Church. The Rev. Duncan L. Garrison of Roanoke officiated at the double ring ceremony. Given in marriage by her father, the bride wore her mother's wedding gown of ivory slipper satin, designed with high round neckline and long fitted sleeves. A scalloped yoke of imported hand-run Alencon lace accented the fitted bodice. The same lace motif was used again at the

hipline with a full bias skirt extending into a slight train. Attached to a camelot cap, her three-tiered cathedral length veil of imported French illusion swept the length of her train. The bride carried a bouquet of candlelight silk flowers and foliage. A large southern magnolia surrounded by calla lilies and orange blossoms centered the bouquet. Cascades of English ivy, bell flowers and orange blossoms extended the length of her dress. The flowers were surrounded by mum foliage,

English ivy and candlelight taffeta ribbon which complemented the shade of her gown. Peggy Jane Thigpen, Emily Jean Thigpen of Austin and Mrs. Larry Cunningham were the bride's honor attendants. They wore identical long dresses by Phyllis for Bianchi of taffeta in candlelight. The fitted bodice was draped to one side with a triple ruffle on one shoulder and enhanced with a self cabbage rose. The softly gathered skirt had a deep flounce and asymmetrical design. The attendants carried bouquets of shaded mauve lilies surrounded by bell flowers in candlelight. Mum foliage, English ivy, small seed pearl sprays and mauve ribbon cascaded from the center of the bouquet. Small clusters of candlelight bell flowers and seed pearls were worn in each attendant's hair.

Joseph Justice Thigpen was ring bearer. Best man was Robert K. Shepard of Bedford. Thomas V. Orr of Waco and Robert G. Forman of Abilene were groomsmen. The bridegroom and his attendants were attired in grey dove strollers and wore boutonnières of orange blossoms. A brass epergne held white snapdragons, spider mums,

button mums, roses, starburst poms, cysanthamums, calla lilies, gypsophila, and freesia. Calla lily candles and English ivy entwined with satin ribbon marked the pews. Prior to the ceremony Mrs. Joseph Thigpen registered guests at the bride's table in the foyer of the church. Mark McCoy of Dallas catered the reception at the Haskell Country Club. Serving at the bride's table were Mrs. William J. Kemp of Amarillo, Mrs. Kevin McKenna and Carol Foxhall of San Antonio, Amy Medford and Joy Riddlehuber of Lubbock.

Mrs. Charles McCauley and Milla Perry of Abilene served at the groom's table. Following the rehearsal Friday night, a party was hosted by the groom's parents and sister, Mr. and Mrs. Dan Riley Griffith, and Mrs. and Mrs. Max Stapleton at the Haskell Country Club. A graduate of Haskell High School, the bride received a B.S. degree in nursing from West Texas State University and an M.S. degree in nursing from the University of Texas Health Science Center, San Antonio. She is Director of nurses at Haskell Memorial Hospital.

Haskell VFD Auxiliary To Sell Calendars

The Haskell VFD Auxiliary met November 2 at the Fire Station for their regular monthly meeting. Topic for the evening was a new fund raising drive. The members will be selling two-year calendars with the Fire Dept. and Auxiliary emblem and listings of emergency telephones. The calendars are \$2.00 each and will be available Dec. 1 from Auxiliary members.

They are Mrs. Charles (Merry) Harvey and Mrs. Mike (Teresa) New. Mrs. Harvey has joined the Auxiliary as an active member and was welcomed by members. The program was presented by Joyce Hawkins and Margaret Tatum. They presented the new "Gallery" line available from Avon and also the Avon products available for Christmas. Hot apple cider and cookies were served by hostesses Floradene Cockerell and Mary Roper.

Auditions For Wrangler Belles Set November 21

Auditions for the 1983-84 Wrangler Belles drill team of Cisco Junior College will be held Sunday, November 21, in the gymnasium on the CJC campus. The tryouts will begin at 1:00 p.m. and should be completed by 5:00 p.m. All senior girls are invited to audition and no previous experience is necessary. Shorts and tennis shoes

should be worn by the girls. A simple routine will be taught to the girls and they will audition in groups. All Wrangler Belles receive a scholarship, the amount depends on place of residence (on or off campus) and classification. For more information contact Mrs. Pat Owens at 817/442-2567, extension 121.

Miss Hines is a graduate of Levelland High School and Texas Tech University and is employed by Methodist Hospital, Lubbock. Mr. Welch is a graduate of Big Spring High School and Texas Tech University and is employed by Resthaven of Lubbock, Inc.

Carolyn Pippin Presents Book Review To PSC

Mrs. Carolyn Pippin, whose grandfather R.E. Sherrill published a book in 1955 depicting the history of Haskell County, presented an informative and interesting program highlighting information from the book to members of the Progressive Study Club at their regular meeting November 4. Introduced by Gladys O'Neill, Mrs. Pippin related many interesting facts about

Haskell, beginning with its settlement as Rice Springs, Texas. When the community requested a post office, the name of the town became Haskell, due to the fact that a post office already existed in Rice, Texas. Haskell was named for a soldier of the Civil War, Charles R. Haskell. Mrs. Pippin went on to relate several amusing facts concerning Haskell's saloon, which operated for many years. Other historic information included the building of the first courthouse in 1885, the first issue of the Free Press printed in 1886, and the opening of the bank in 1890. In 1907, Haskell was incorporated, and the first mayor, A.J. Smith, was elected. Other memorable events that affected Haskell throughout its 100-year history were mentioned. Mrs. Pippin closed by asking, "Are not we all of us pioneers? For what we are today is the cornerstone for

those to come." Following the program, refreshments were served, and then President Jerene Couch opened the business meeting. Several topics were presented for discussion and voting. First, members voted to donate \$1,000 to the Haskell Civic Center. Janet Strickland was elected to membership, and Wanda Dulaney, who resigned as an active member, was elected as an honorary member. Lastly, club members voted to donate \$5 to the state scholarship fund and \$5 to the district scholarship fund. Hostesses for the evening were Jill Druesedow, Nelda Lane and Kathleen Tanner.

Proper Handling Of Food Is Important

FROM LOU GILLY COUNTY EXTENSION AGENT

Guess who's not coming to Thanksgiving dinner. The "Food Spoilers."

You can be sure the "Food Spoilers" won't show up if you plan carefully.

Decide how many people you can safely serve, and how much time it will take to prepare the food.

Don't try to feed more people than you can handle.

Consider the size and quantity of the cooking equipment needed as well as the supply of eating utensils and dishes.

Figure out how much refrigerator space you'll need to store foods.

Plan for this large gathering to ensure a safe, fun and appetizing meal for the guests.

How to fight the food spoilers:

- *When shopping for food, pick up meat, poultry, and dairy items last; get them home and into the refrigerator or freezer promptly.
- *Never buy food leaking, bulging, or severely dented cans, cracked jars, or jars with loose or bulging lids.
- *Maintain refrigerator temperature at 35° to 40° F (2° to 4° C) and freezer at 0° F (-18° C) or lower. Check frequently to be sure.
- *Thaw meat and poultry in the refrigerator or, for faster results, in a watertight package under cold water.
- *Wash hands before preparing food.
- *After handling raw meat or poultry, wash hands before touching other foods or food surfaces.
- *Wash utensils, containers, and work surfaces before and after they come into contact with raw meat or poultry.
- *Always keep hot foods hot and cold foods cold until served.
- *Refrigerate leftovers promptly.

A Living Memorial To The Past

A Civic Center For Haskell

The idea of a Civic Center in Haskell has been around for many years and the time has finally arrived for the dream to become a reality.

About eleven years ago, members of the Progressive Study Club sponsored a town meeting to discuss the needs of a Civic Center in Haskell. The meeting was well attended and the idea has been discussed since that time.

Since that town meeting, many things have happened. The Haskell Homecoming Association has endorsed the concept; The Progressive Study Club has continued their support of the project; proceeds from the Hey Day Contest were dedicated to the Civic Center; remaining funds from the Business and Professional Womens Club were donated to the project when the club disbanded; a Civic Center Organization was formed; and most recently, the organization received an Internal Revenue Service ruling stating that the organization is accepted as a public non-profit, charitable organization.

The organization, Haskell Memorial Civic Center Inc., has been incorporated, officers and directors have been elected and special committees have been appointed.

The wheels are turning and a goal of \$300,000.00 has been set. Officers, directors and committee members have also adopted a timetable of one year to raise the funds.

Contributions may be made in a variety of ways: cash donations; regular monthly donations through bank drafts; memorial donations; honorariums; and pledges to be paid at a specific time or demand pledges.

The Haskell Memorial Civic Center will be built with donations as a lasting and living tribute to the past, present and future.

Your contribution in making this dream become a reality is needed today.

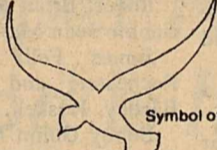

It will take the combined efforts of all of us to accomplish this goal. Your contribution will be equally appreciated whether it is for one dollar or ten thousand dollars.

All donations will be used to build the facility. The funds from the B&PW Club and the Hey Day Contests will be used to pay printing, postage, advertising and all other expenses.

American Smokeout Set Nov. 18

More than 52 million Americans still smoke. Nine of every 10 of them contacted in surveys have said they would like to quit.

But giving up cigarettes isn't easy—and procrastination seems to reign, reports Dr. Mary Ann Shirer, health education specialist with the Texas Agricultural Extension Service, Texas A&M University System.

"Any needed behavioral change always seems easier to accomplish when someone joins with you in making the change. This is an ideal time to join the millions of Americans who intend to take a day off from smoking on Nov. 18, the day of the 'Great American Smokeout,' suggests Shirer.

The Smokeout annually focuses public attention on cigarette smokers from coast to coast, Shirer reminds.

"It's their day! The Smokeout is an up-heat, good natured effort to encourage smokers to give up cigarettes for 24 hours, if only to prove to themselves that they can do so. Everyone enjoys watching and encouraging them while they try," she says.

During last year's Smokeout, three of every 10 cigarette smokers either cut down or cut out smoking for the day.

Policymakers Face Difficult Task In Reviving Agriculture Economy

Everyone knows that the agricultural industry is currently in a severe slump. But there are few answers for a turnaround.

Dr. Ron Knutson, economist in marketing and policy with the Texas Agricultural Extension Service of the Texas A&M University System, offers three options for reviving agriculture.

"One option is to buy our way out of the current slump through production control programs," he says. "These programs cost either money or producer freedom. They cost money if you pay farmers to retire their land from production. This is currently going on, but land retirement levels are not high enough nor are the programs tight enough."

Mandatory production control programs would be effective, but farmers would have to give up substantial amounts of freedom to produce, Knutson points out. For many Texas farmers that are on the brink of bankruptcy, survival is more important than this loss of freedom.

The economist says that economic recovery would be another option to ending the agricultural slump. But recovery from this nation's recession is coming slower than most economists had predicted.

"We're still months to a year away from an improved economy in the U.S. while the worldwide recession may not be over for another two years.

or so," says Knutson. "Many farmers cannot wait that long. They tend to favor more decisive action in the form of production controls."

A third option is to let economic forces take their toll—to let farm prices and incomes fall to the point where the excess capacity is weeded out. This "survival of the fittest" option would force more and more farmers out of business. Bankruptcies would be even higher and land and used farm machinery prices would fall even further. Removal of excess agricultural resources would bring higher farm prices—after considerable agony, notes the economist.

"Among these three options, the choice seems easy enough—economic recovery," says Knutson. "But that recovery may not come fast enough to avoid falling into the economic forces of the third option, that of a reduction of agricultural resources."

"Highly stimulative economic policies such as a resumption of rapid growth in government spending would get the economy going but would also revive the inflation and government regulation spiral that brought on the economic woes in the first place."

The choice for policymakers is a difficult one, to say the least, says Knutson.

District 4-H Gold Star Banquet Set In Vernon

An outstanding 4-H Club member from Haskell County will be honored at the Rolling Plains District 4-H Gold Star Banquet at 12:30 p.m. Tuesday, Nov. 16 in Vernon.

Among the top 4-H'ers in the district being honored will be Kim Jones, daughter of Mr. and Mrs. Alvie Jones of Rochester.

Dr. Zerle Carpenter, director of the Texas Agricultural Extension Service, will address the luncheon in the Empire Room of the Wilbarger Memorial Auditorium, 2100 Yamparika, Vernon. Kit Horne of West Texas Utilities Co., which sponsors

the annual banquet, will welcome the honorees and guests.

The luncheon is planned and conducted by 4-H'ers on the Gold Star committee of the 1981-82 District 4-H Council. Committee members this year are from Childress, Cottle, Hall, Hardeman and Motley counties. Lydia Heller of Shackelford County, council chairman, will be mistress of ceremonies.

Parents, distinguished guests and special friends of 4-H will attend the banquet to salute the county winners, Lou Gilly and Max Stapleton, county Extension agents, say.

To qualify for the Gold Star Award, highest 4-H honor at the county level, a 4-H'er must be at least 13 years old, have completed three years of club work and be active in 4-H. The award is intended to stimulate winners to higher achievement and to encourage other young people to participate in the county 4-H program.

The awards will be presented by Mrs. Elaine Houston and Ed Garnett, district directors for the Texas Agricultural Extension Service. Four-H is the youth program of the Extension Service.

TAX PLANNING

Written by
James E. Rodgers, CPA

POLITICAL CONTRIBUTIONS

Since this is an election year, you may have made political contributions and wonder whether there's a tax benefit for your donations.

"Individuals" may take a tax credit for half of the political contributions they make during the year, up to a maximum of \$50 on a single return and \$100 on a joint return. The contributions must be in money to qualify for the credit rather than in goods or services, and the money must be used to get the candidate nominated or elected to public office. The money can be given to a candidate, his campaign committee, or to a national, state or local committee of a national political party.

Contributions to a newsletter fund for newsletters circulated by a person who holds or is running for political office will also qualify for the credit. The cost of raffle, lottery, or similar tickets to raise campaign funds does not qualify.

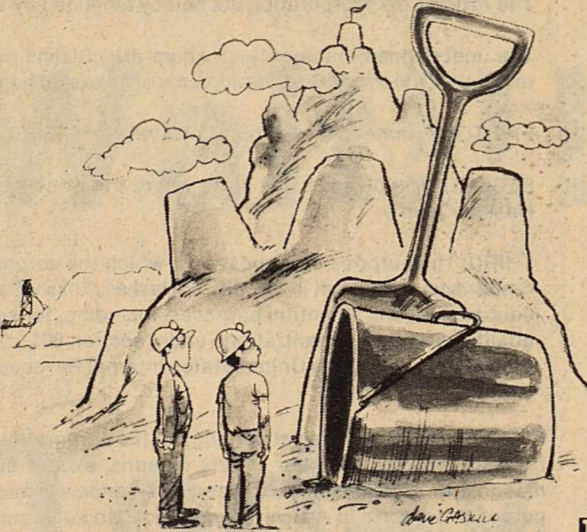

You must have a written receipt or a cancelled check to substantiate your contribution. The credit is for individuals only. Political contributions are not deductible as business expenses, nor can businesses claim a credit for them.

There are limits, other than those for tax purposes, on the actual amount you can donate to a political campaign. In brief, individuals can contribute no more than \$1,000 for each political race of a candidate, no more than \$20,000 to a national party or House and Senate campaign committees, and no more than \$25,000 for all political donations in any calendar year. For more information on the laws governing contributions, call the toll-free number of the Federal Election Commission, 1-800-424-9530. Or write them at 1325 K Street N.W., Washington, D.C. 20463, and ask for their informative brochure, "The FEC and the Federal Campaign Finance Law."

Letters To The Editor

I would like to thank the town of "Haskell" for your support and encouragement which has helped us to obtain a 1st division rating at the U.I.L. contest in Nov. 2, 1982.

Without this support all of this would not have been possible. It means a great deal to the members of the Haskell Indian Band and myself to have this continued support of our program.

I have been to 6 foreign countries and 26 states and I have never been associated with people as friendly and supportive of their programs as this town of Haskell. I feel as if I am a very fortunate person to live in such a fine town as this is.

All of this was certainly demonstrated last Tuesday Nov. 2, as we were met at the city limits following our victory at contest, by the town of Haskell. Fire trucks, police, parents, and concerned citizens who paraded us thru the town to our bandhall. What a fantastic reception. I will never as long as I live forget that moment.

I would again like to thank you from the bottom of my heart for your support.

BILL CHANEY

Large Crowd Welcomes Bill Chaney

A large crowd of Big Country residents was at the Abilene Municipal Airport Sunday to welcome home KTAB-TV's Bill Chaney, who has been hospitalized in Houston since February.

Chaney, a well-known broadcaster in the Big Country since 1966, flew into Abilene at 2:40 p.m. Sunday, and was greeted by Abilene Mayor Pro-Tem Kathy Webster and Judge James McMillon, along with friends and fellow employees.

Judge McMillon announced that a fund has been established at Abilene National Bank on Chaney's behalf to help defer medical expenses, which total over one-half million dollars.

Contributions to the Bill Chaney Fund can be mailed to or taken by the Abilene National Bank.

Chaney, who is doing well after a 9½ month illness, will continue to recuperate at home in Abilene and will soon resume his duties as weatherman at KTAB.

Rural Development Workshop Scheduled

How to bring industries to rural areas and small towns will be the focus of a Rural Industrial Development Workshop at Texas A&M University Nov. 16-18.

The workshop at A&M's Rudder Center will feature speakers who have led successful moves to attract industries to specific areas, says Jack Jones, a community development specialist with the Texas Agricultural Extension Service, Texas A&M University System.

In addition, various aspects of industrial development will be discussed, including financing, community attitudes toward growth, site location, speculative buildings, prospecting for industries and marketing an industrial site.

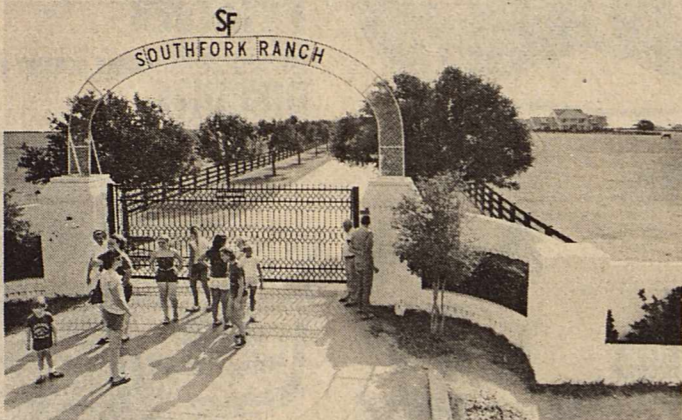

The three-day workshop will culminate a 12-week home study course by some 40 individuals interested in learning more about industrial development in rural areas, says Jones.

Among featured speakers will be H.D. Davis of Saginaw, who was the 1981 Volunteer Small City Developer of the Year; Q.T. Jones, Westinghouse Electric Co., Pittsburg, Pa.; George McKinney, Texas

Power and Light Co., Dallas; R.H. McClellan, Texas Electric Service, Fort Worth; Wendell Fields, Delta Steel Buildings Co., Dallas; Kenneth Burdick, Lone Star Gas Co., Dallas; Webb Cox, Small Business Administration, Greenville; Jack Boyd, Farmers Home Administration, Temple; and Bruce Barton and Charles Wood, Texas Industrial Commission, Austin.

Texas A&M officials on the program in addition to Jones include Dr. James Mallett, state community development leader for the Extension Service; Dr. James Copp, professor of sociology and rural sociology; Dr. Michael Woods, Extension economist; and Larry Burnside, manager of the public works resource center, and Dr. Charles Madden, head of the industrial economic research group, both with the Texas Engineering Experiment Station.

CAPITOL UPDATE

John Tower
U.S. SENATOR for TEXAS
142 RUSSELL OFFICE BUILDING
WASHINGTON, D.C. 20510

It was 64 years ago that the world rejoiced in peace at the conclusion of "the war to end all wars." It was a celebration that spread across the continents. Families were reunited, friends came home, war was over.

There was an armistice — a suspension, a cessation of hostilities — a time of hope. For our fighting men, it was a time to lay down their guns. The duty was done, the cause upheld.

Today, as we celebrate the day of the armistice, the day of peace, we pay tribute to those who have sacrificed for the cause so nobly and so bravely since the beginning of our nation's history. We honor those who died, and we pay tribute, show our respect and gratitude to those who survived. We reaffirm our unwavering support for their cause, the cause of peace and freedom.

Across our nation on November 11, people will join together in celebration of peace, remembering the cause of those who paid the ransom. We will pay tribute to those who freed us from the snare of colonial domination, to those who united the nation during its infancy, to those who upheld our unbending principles in more recent foreign arenas, to those who serve today. These are our veterans.

They lie in headstone-lined graveyards, in unmarked spots on the battlefields, they walk beside us every day, we pass them on the streets. Veterans, their families, and dependents comprise almost one half of our Nation's entire population. Their proud spirit is alive, their cause remembered.

President Lincoln was speaking of veterans and their cause at Gettysburg, Pennsylvania when he said that we, the living, must never forget the cause of peace, "the unfinished work which they who fought ... have thus far so nobly advanced."

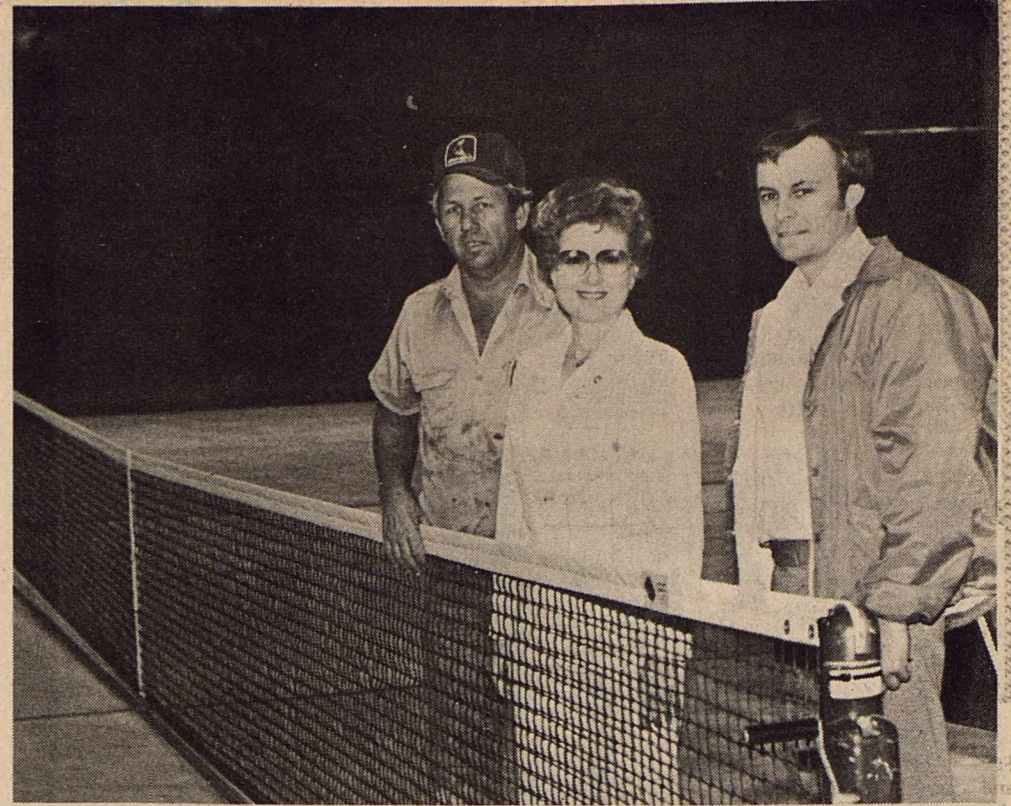

President Lincoln expressed this hope many years before the armistice of World War I, many years before our nation changed that Armistice Day into a time to honor those who continued the unfinished work on the battlefield. Lincoln could not have foreseen the long struggle, but he knew the value of the prize, and he knew the resolve and commitment of his fellow countrymen.

Shortly after November 11, 1982, our nation will dedicate a new monument to those who most recently were called to sacrifice in battle. On the mall of Washington, D.C. — an area strewn with memorials commemorating great people and great ideals — a new monument will stand; a nation's expression of gratitude and honor to the veterans of the Vietnam War.

Even as this new monument is dedicated, and honor is paid to the sacrifices of the Vietnam veterans, other young men and women continue their unfinished work. They continue it in their college R.O.T.C. programs; in basic training; on military bases throughout the world; and the Middle East, in Lebanon, a country crying for peace.

Thus, the unfinished work continues, and on each November 11, we pause in our nation's daily struggle to pay tribute to our veterans who advanced the cause of peace.

As we rededicate ourselves to their cause, let us never lose sight of their sacrifices, nor of the heritage they leave behind. It is a proud, strong heritage, and, collectively, we are their descendants. We are the ones to continue the unfinished work.

3 pkgs. dry yeast
3/4 c. warm water
Scald and cool to lukewarm 6 cups milk. Add yeast mixture. To this mixture add 1 T. salt, 6 T. solid shortening and as much of a 5 pound bag of Wondra flour as can be stirred in. Work the remainder of the bag of flour into mixture with your hands. Knead for 10 minutes. Shape into a ball and place in greased large bowl. Brush top with shortening and cover with damp towel. Let rise until double in size. Punch down. Let rise 10 minutes.

Separate into 5 or 6 balls. Make each into loaf. Rise. Bake at 350 Degrees. Bake 15 minutes. Brush top with mixture of egg yolk and water. Sprinkle with sesame seeds and continue baking until bread is golden brown and hollow sounding.
Tunnel of Sugar Plum Cake
Dora Brueggeman
3/4 lbs. butter
6 eggs
1 1/2 c. sugar
2 1/2 c. flour
1 c. chopped cherries, candied
1/2 c. coconut
1/2 c. golden raisins
2 c. pecans (or almonds, brazil nuts, or walnuts)
1 pkg. lemon pie filling
1 pkg. vanilla frosting (mix one layer size)
Cream butter in large mixing bowl. Add eggs one at a time, beating well after each. Gradually add sugar. Continue creaming at high speed until light and fluffy. By hand

stir in flour and dry frosting mix, pie filling, fruit, and nuts until well blended. Pour batter in greased bundt pan or 10-inch tube pan. Bake at 350 degrees for 60 to 65 minutes. Cool two hours in pan before removing cake. Cool completely before serving.

Warriors End 1982 Season

BY CHRISTI WHITFIELD

The 1982 football season ended for the Warriors last Thursday night against the Rotan Yellowhammers with a 44-6 win.

Both teams combined to make an awesome bunch.

The seventh graders aided in kicking off and giving the eighth graders a rest.

Roy Graham intercepted the ball with 4:00 still in the first quarter and made a TD. Albert De La Cruz made the extra two points.

Graham made his last score with :48 left in the first half, and Joel Torres added the extra two points.

Torres ran the kick off of the second half for a TD and also made the two extra points.

With 6:34 left in the third quarter, Steven Rodriguez made a touchdown and again Torres scored the extra two points.

Haskell's last score was also in the third quarter with 4:11 left on the clock.

Torres ran for a 75-yard touchdown.

Penalties were very costly for Haskell, but it didn't stop their scoring drive.

Haskell sacked Rotan's quarterback eleven times.

The sacks are credited to Andy Griffith, Bubba Holley, Val Sims and Torres with two sacks each.

De La Cruz, Jerry Hunt, Ponciano Lopez, and Jeff Neal all had one sack a piece.

Holley had one fumble recovery.

The seventh grade Warriors had a season record of 6-2 with both losses to Hamlin.

"I've enjoyed this year even better than in the years past."

"I've also enjoyed being associated with winners as the seventh graders are just that," Coach Jim Raughton said.

The eighth graders had a better season this year with a 7-1 record and suffered their only loss to their rivals, Seymour.

"They didn't mind playing with the seventh graders. This has been a very successful season, and this team would be a joy to any coach," Coach Jimmy Lisle said.

The Warriors basketball season begins Nov. 22 when they host Seymour at 5:30 p.m. here.

Dynamometer surveys, End Devices, Inc., Midland; 2 new P72 Flow-Petro pumping units, Hallum Equipment Company, Odessa; Resitivity log, Density log, and Neutron log, Schlumberger Well Services; drilling mud, Magco-bar, Midland; wireline services, American Wireline Company, Corpus Christi; casing job, D'Lacy Casing Crew, Sweetwater; steel lined cement pad, Brad's Pumping Unit Service; and 7 7/8" HS-51-JL39427 bit, Reed Rock Bit, Houston, Texas.

The oil and gas industry members may donate their equipment and services to the West Texas Rehabilitation Center to be included in this important sale. WTRC will make arrangements to pick up any donations in the Big Country area. For additional information, call the central office in Abilene at 915-692-1633.

WTC To Observe Special Week

Western Texas College is one of 47 community/junior colleges in the state which will be observing Texas Community College Week from Nov. 14-20.

Gov. William P. Clements, Jr., proclaimed the special week, citing the contributions the colleges make to the state's economy.

Visitors are invited to tour the WTC campus at any time and especially during Community College Week. Special events taking place during the week include the opening of the drama department production of "The Elephant Man" scheduled Nov. 19-22, an exhibit of paintings by Jeff Tabor from Abilene Christian University in the Fine Arts Gallery, and Westerner basketball game with Angelo State University's junior varsity at 7:30 p.m. on Nov. 20 in the Scurry County coliseum.

Community colleges in Texas enroll 63 percent of today's freshman and sopho-

mores and 42 percent of all students in Texas public higher education. Dr. Don Newbury, WTC president, points out. They provide more than 90 percent of the post secondary technical and vocational training in Texas, and work in close cooperation with community, business and industrial leaders to improve educational programs and better serve their constituents.

Persons wishing further information about Community College Week activities or programs offered by WTC are invited to call the college at 573-8511 or to visit the campus, located between Texas highways 208 and 350 north of FM 2763.

JV Ends Season With 6-3 Record

BY DOUG RICHARDSON

The JV ended their season on a winning note against the Rotan Yellowhammers here last Thursday 15-14.

Carl Dever came up with the first score for the Indians, Todd Harris added the extra point.

The game went on without Haskell scoring until the fourth quarter. Meanwhile the Yellowhammers rolled up 14 points on a pass and an outside sweep.

In the fourth quarter Ricky

Rojas came up with a key first down catch setting up an Indian touchdown. Again Carl Dever ended up in the endzone with about 2:00 left on the clock. Dever was then called on again, and he added two points to the scoreboard giving Haskell the winning edge.

"The running of Carl Dever kept us in the game; he did a good job," Coach Jim Bob Mickler said.

"The Indians had a good season with a 6-3 record, he said.

CRIME STOPPERS

The Texas Crime Stoppers Advisory Council wants you to know some facts about drunk driving in Texas.

- One half of all traffic accidents involve a driver who has been drinking.
- It is estimated that on any weekday in Texas, 1 out of 50 drivers has been drinking or is drunk. On weekends, this ratio climbs to 1 in 10.
- Last year there were 36,774 reported accidents in Texas that were the result of DWI — more than 100 per day.
- 23% of all traffic deaths in 1981 involved drunk driving. The ten year total of DWI related deaths in Texas is 19,000 — more than the population of many Texas cities.

Texas should be outraged at this senseless destruction by drunk drivers. For too long, society has permitted innocent persons to be killed on our highways, because it is easier to ignore the DWI problem than to face it.

People have been led to believe that DWI is not really a crime, and the drunken driver is not really a criminal, but this is not true.

For the month of November, the Texas Crime Stoppers Advisory Council is focusing its statewide "Crime of the Month" on DWI. No reward is offered. Instead, the Council urges you to support local and statewide efforts to reduce the number of drunk drivers on Texas highways.

Every Texan must make a personal commitment to help put an end to this tragedy. Together we can prevent the drunk driver from spreading further death and destruction on our highways.

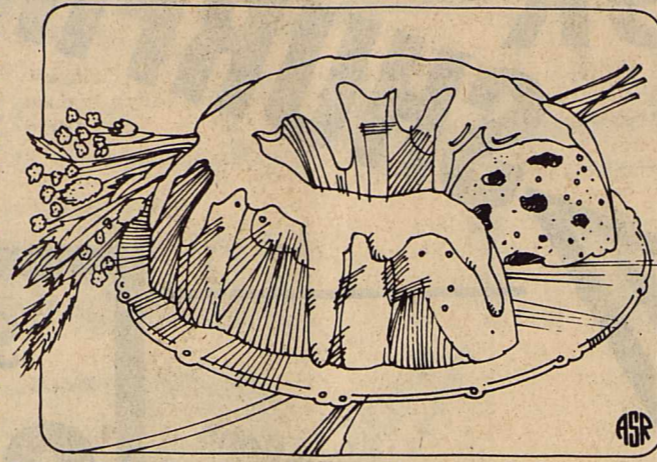

Spicy Pumpkin Cake Ideal For Fall Entertaining

Look to one of autumn's favorite flavors for dessert inspiration next time the party's at your house. Pumpkin Pudding Cake, served warm from the oven with Spicy Orange Sauce is an impressive yet easy-to-prepare spice-scented cake, generously studded with dates and nuts. The luscious texture of this special cake is as moist and tender as your favorite pudding cake recipe.

The unexpected ingredient which provides moist richness in this special dessert is also the basis for the delicate, foamy hot dessert sauce. La Creme, the frozen whipped topping with real cream from Kraft, is amazingly versatile. For a dessert sauce, it can be heated without separating. As a whipped topping for hot coffee beverages it holds up beautifully. With refrigerated desserts it offers make-ahead convenience, and unlike whipped cream, you can even use it on hot desserts without having it melt away quickly. And, there's no last-minute effort in the preparation.

La Creme whipped topping has all the convenience of non-dairy whipped toppings, yet it's made with 54% real dairy ingredients — cream, whole and skim milk — for a fresh, natural taste.

Spruce up your autumn party and family desserts with versatile La Creme whipped topping, for a special meal-time conclusion. A real boon

for small families, it can be thawed and refrozen three or four times without any noticeable quality loss.

Pumpkin Pudding Cake

- 1/2 cup Parkay margarine
- 1-1/8 cups sugar
- 1 9-oz. container La Creme whipped topping with real cream, thawed
- 1 cup canned pumpkin
- 2 eggs
- 1-2/3 cups flour
- 1 teaspoon baking soda
- 1/2 teaspoon salt
- 1/2 teaspoon cinnamon
- 1/4 teaspoon baking powder
- 1/4 teaspoon cloves
- 1 cup chopped dates
- 1/2 cup chopped nuts

Beat margarine and sugar until light and fluffy. Blend in 1 cup whipped topping, pumpkin and eggs. Add combined dry ingredients; mix well. Stir in dates and nuts. Pour into greased and floured 10-inch fluted or standard tube pan. Bake at 350°, 1 hour. Cool 10 minutes, remove from pan. Serve warm with:

Spicy Orange Sauce

- 2 cups thawed La Creme whipped topping with real cream
 - 1 teaspoon grated orange rind
 - Dash of cinnamon
 - Dash of nutmeg
- Heat whipped topping over low heat, stirring just until melted. Blend in spices. Serve immediately.

VW to Build European GTI in U.S.

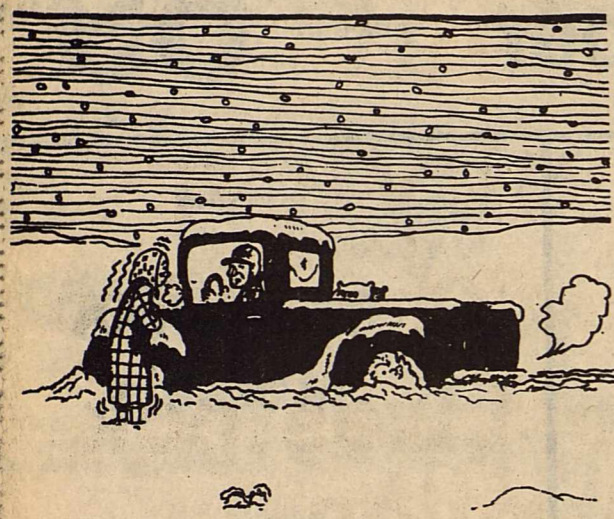

First photo of Volkswagen's 1983 GTI high performance car shows it during testing at company's proving grounds.

According to insiders, the U.S. model of the VW Golf GTI—Europe's hottest-selling GT performance car—the Rabbit GTI will have the fastest acceleration and highest top speed of any VW ever sold in the States.

Scheduled to be built at Volkswagen Westmoreland in Pennsylvania with an October on-sale date, the Rabbit GTI will feature a high-horsepower engine, close-ratio sport transmission and a sophisticated suspension system.

Superintendent's Views

BY JAMES LANIER
Superintendent, Haskell ISD

Thursday, November 11th will be our annual open house at Haskell High School. The reason for the change from the spring to the fall is to see if we can improve the attendance at the secondary level. The elementary will hold their open house in the spring as usual. The secondary teachers have become very involved in the centennial celebration. Just to walk the halls of the high school and look at all the Indian paintings is worth the effort.

The open house is an effort by us as the parents and community to meet the teachers to view the progress of their offspring and to become better acquainted with the programs and goals of the schools. We like to operate with openness. We are proud of our efforts and what we are doing. We like to show off for other people, especially our patrons. Haskell is a very good community and the school enjoys serving a role in this pride. We are still dedicated to the premise of making YOUR school the best one in the area. We invite each of you to come to the open house to see the progress we have made.

Changing directions for just a few lines, I must extend my congratulations to two hard working groups who have brought new glory to our school and community. The Indian Marching Band under the direction of David Mooney secured a I Division in UIL marching. They have really worked hard and deserve our accolades. The Indian Football Team returned us to state playoffs. They have certainly paid the price and secured several close victories. We are proud of them. They are led by Coach Blue Holt and his assistants Jimmy Lisle, Coy Payne, Jim Bob Mickler, and Jim Dan Raughton. Congratulations to both of these groups and we will see all of you at the Bi-District game where both of these groups will exhibit their prowess.

DPS Announces Retirement Of Maj. C.W. Bell

A reception honoring Major Bell will be held December 15, 1982 at the Hilton Inn in Lubbock. Friends are invited to come by between 2:00 p.m. and 4:00 p.m. to visit.

Bell was employed by the Department December 1, 1947 and stationed at Brady. Effective September 1, 1949, he was transferred to the License and Weight Service and was promoted to Sergeant September 1, 1951, and stationed at San Antonio. Bell was promoted to Captain, License and Weight Service, and transferred to Midland on September 1, 1957 and on March 1, 1969, he was promoted to Regional Commander and transferred to Lubbock. During Major Bell's 35-year career with the Department, he has received many commendations, and has been active in civic work, church activities, community affairs, Toastmasters Club and Rotary Club.

Major Bell has been an outstanding ambassador for the Department of Public Safety and will be missed.

Walter Grubbs Is New WTU Employee

Walter Grubbs of Abilene, a state representative since 1978 and former assistant to two U.S. congressmen, has joined West Texas Utilities Co. as governmental affairs representative.

Grubbs will maintain an office in WTU's General Office Building in Abilene and also will spend time in Austin and Washington. His appointment with WTU was effective November 1.

Grubbs is a former mayor of Colorado City, where he was reared, and is a World War II Air Force veteran. He was administrative assistant to Congressman George Mahon in Washington from 1958-64 and served as district manager for Congressman Omar Burleson in Abilene from 1965-78. He then was elected to two terms in the Texas House of Representatives before losing his bid for a third term in the Democratic Primary this past spring. His current term ends December 31.

IS YOUR INSURANCE AGENT LOCKED INTO ONE COMPANY?

There are 2 ways to buy insurance. You can buy your insurance from a one-company agent. But he's locked into only those policies that his company sells. So his hands are tied.

Or you can buy your insurance from an Independent Insurance Agent... the more-than-one-company agent. You see, your Big "I" Independent Agent doesn't work for one company. He represents several. So he's free to give you an independent opinion and advise you on the best coverage at the best price. And that goes for homeowners, automobile, business, life and health insurance.

Before you reach a verdict about insurance, see your Big "I" Independent Insurance Agent... the more-than-one-company agent. Do it today.

Lone Star buys the gas you need.
Bob Kimbrel is one of Lone Star's gas buyers who constantly shop the Southwest for gas value and quality, and for contract terms that are favorable to you.

300 smart buys a year help keep gas first in efficiency.

From offshore and onshore. From East Texas, far West Texas, West Central Texas, North Texas, the Gulf Coast and Oklahoma. From 20,000 wells and 790 producers in 690 different fields, Lone Star gets you the gas you need.

Like you, we buy our gas. Lone Star buyers shop for value and quality, and for contract terms that are most favorable to you.

These purchase/delivery transactions are extremely complex. The buyer needs to know the good gas from the not-so-good, the rich source from the skimpy one. Each buy has its own variables, and we make about 300 new buys a year.

Our buyer may have to bid against as many as 15 others from all parts of the country. And Lone Star's delivery system must be right there. Able to move the gas from the wellhead directly to your home. Today, that requires 32,000 miles of pipeline. And the system keeps growing.

There's plenty of gas. But it takes a smart buy to secure it. And a mighty pipeline system to deliver it.

Lone Star has both. We get you the gas you need.

The Consumer Alert

by Mark White
Attorney General

AUSTIN—It's hard to resist a smiling youngster who rings your doorbell and asks you to subscribe to a magazine to help him earn a college scholarship.

It's especially difficult when he adds that part of the purchase price of the subscription will be donated to charity—and even more enticing when the price you are quoted seems very reasonable. But our Consumer Protection Division attorneys say they have received reports of travelling magazine "crews" and moving to another, selling magazine subscription contracts on the basis of fraud and deception.

Consumers are not the only persons defrauded in such operations. In many cases, the youngsters working on the crew also have been the victims of misrepresentation.

They have responded to the classified newspaper advertisements which promote glamorous jobs involving travel, resort hotel stays, and the opportunity to meet interesting people. Such jobs are said to be "available to the right applicants." What they find is a job selling magazine subscriptions as part of travelling crews, often at below average wages.

Sales persons on the crew tell potential subscribers that they are working toward a college scholarship which they can get if they sell a certain amount of magazine subscriptions. Sometimes they vary the story by saying they are working for a savings bond

bonus. In reality, they are paid a straight sales commission on the subscriptions sold.

In addition, subscribers are given the impression that the price they agree to orally is the total price, when in reality the written agreement requires that they pay an additional amount to a third party before their subscription will begin.

Consumers have been told that part of the purchase price will be donated to charity, although this has not been done. Also, purchasers are not told of their right to cancel a home solicitation contract within three business days and to be given a "notice of cancellation" to mail if cancellation is desired, as required by Texas laws.

Our lawyers note that many times, in such operations, the purchaser ends up paying more than he would if he ordered the magazine directly from the publisher. The typical sales pitch in such magazine sales operations is that you will pay only "pennies per week." Remember, though, that 48 pennies per week equals \$24.96 per year, so it's important to consider the total price you are agreeing to pay.

You also should be aware that some magazine sales operations have failed to provide the subscriptions even though they were paid in advance for them.

If you have a consumer complaint involving door-to-door sales of magazines or other items, get in touch with the Attorney General's Consumer Protection Division nearest you.

Farm Bureau Convention Set

Texas Farm Bureau, the state's largest farm organization, will hold its 49th annual meeting in Dallas Nov. 28-Dec. 1, at which time some 1,400 voting delegates will decide policies for 1983.

Theme of the convention will be "United to Solve Problems."

The voting delegates from 216 organized counties will adopt state policies for the coming year. Approved resolutions on national issues will be forwarded to the 64th annual meeting of the American Farm Bureau Federation which meets Jan. 9-13, also in Dallas.

Dean Kleckner, president of the Iowa Farm Bureau Federation, will be the keynote speaker. He will address the organization during the Nov. 29 general session in the Dallas Hilton ballroom.

TFB President Carrol Chaloupka will deliver his annual address at the same session. TFB Secretary-Treasurer Wayne Cranfill precede with his annual report.

TFB Executive Director Warren Newberry will begin the business session on Nov. 30 with his annual administrative report. The convention business will conclude on Dec. 1 with the election of new members of the board of directors and the TFB president.

Seven special conferences will be conducted on Nov. 29. One directed to the Young Farmers and Ranchers will be held at a 6:30 a.m. breakfast with AFBF field representative Vernie Glasson speaking.

The other six conferences set for 1 to 3 p.m. will include livestock, transportation, field crops, natural resources, taxes and labor.

Youth activities will include selection of a TFB queen from 13 contestants; a talent find winner from 13 finalists, and a free enterprise speech contest winner from 25 contestants.

The speech and talent contests will be held beginning at 7 p.m. on Nov. 28. The queen contest will be held at 7 p.m. on Nov. 29. The Outstanding Young Farmer and Rancher for the year will

Changing Name

On Social

Security Card

"Changing your name on your social security card is a little more complicated than it used to be," stated Glyn Hammons social security manager in Abilene. Although the service is still free, evidence substantiating the change of name is now required he explained.

This means that when a woman marries and changes her name, she must submit a copy of her marriage certificate to social security with her application for a new card. "Although the original or a certified copy of the marriage certificate is required, it will be returned," stated Hammons. "All new and duplicate social security cards are now issued from Baltimore, MD and are received 2 to 4 weeks after the application is filed," he said. Hammons urged all newlyweds whose names have been changed to get their new social security cards as soon as possible, since using the old card could cause loss of social security credit or a delay in receiving income tax refunds.
