

### BI-DISTRICT CHAMPS

Pictured left to right are: Mary Gonzales, Becky Medford, Luann Cockerell, Julie Coleman, Coach Randy Stone, Melissa Cockerell, Jettone Bivins, Regenia Rogers and Kathy Simmons.

## PC Girls Win Bi-District Title

The Paint Creek High School girls finished their season with a record of 20-5 by defeating Roby Friday night in Bi-district play. The Pirates won with a score of 33 over Roby's 30. Scoring for the Pirates was Julie Coleman with 25, Luann Cockerell with 6, and Mary Gonzales with 2.

Paint Creek will play for Area against Crowell, Tuesday at Knox City at 7:00 p.m.

Julie Coleman and Luann Cockerell combined for 7 of 10 from the free throw line in the fourth period to help pull out the

win. PC only had 8 turnovers for the evening.

Becky Medford had a good night passing with 6 assists. Also Luann Cockerell and Mary Gonzales had one each.

The Pirates did a good job rebounding with Julie Coleman with 10, Becky Medford 3, Luann Cockerell 6, Mary Gonzales 10, and Jettone Bivins 2.

It was a good team effort with PC winning the game in the final minute to play.

PC used a zone press to get two important steals to help ice the game

as Coleman got them both. Then Coleman hit 4 of 5 free throws while Cockerell hit 3 of 4. Cockerell added the final touches by hitting her last free throw to give PC a 33-30 lead with only 20 seconds in the game.

### Addresses Needed For Homecoming

Plans for the 1983 Haskell-Mattson homecoming are well underway and local officers have issued a plea for addresses of graduates of the two schools who have moved during the past two years.

The 1983 homecoming has been scheduled September 30 and October 1 and letters will be mailed soon to all exes of Haskell and Mattson detailing activities of the special weekend.

Mattson exes who are aware of changes of address since the last homecoming are asked to contact Delight Jones at 864-2611 (days) and 864-2512 (nights).

Haskell exes are asked to contact Anita Medford at 864-2644 during the day or Amy Medford McKnight at night at 864-3932 with address changes.

## Haskell Sales Tax Receipts Up 21%

State Comptroller Bob Bullock Monday returned \$114.3 million in local sales tax payments to 974 cities who levy the one-percent city sales tax.

Although the payment is the largest single one returned to cities since the rebates began in 1968, Bullock warned merchants and city officials not to make too much of it. "Our sales tax goose is still laying golden eggs but they are not growing as fast as they used to," Bullock said. The Comptroller pointed out February allocations, based on sales made in December, are traditionally the biggest of the year.

"Last February we made an allocation that was 16 percent higher than the previous year, which was 16 percent higher than the year before that," Bullock said. "This February, our allocation is only 7.49 percent higher than February 1982. And a good deal of this is because of streamlined procedures we're using to get as much city revenue back to the city that collected it just as soon as possible. If we took out the part of the increase due to processing improvements, the rate of growth

## Large Crowd Attends ECC Addition Dedication

One hundred sixty three guests were welcomed by ECC Director, Marsha Whittemore to the formal dedication of the new addition of The Experienced Citizens Center.

Special guests introduced by Ms. Whittemore were County Judge John McDermett, Commissioners and wives Mr. & Mrs. C.E. Tidwell, Mr. & Mrs. Ronnie Chapman, Mr. & Mrs. Ray Perry, Mr. Elbert Johnson and wife Mayor Franciene.

Honored guests were Mrs. Norman Bevel, son James & wife Lela, three daughters Pat Nielson of

El Paso, Mrs. Jackie (Joy) Harvey of Odessa, Darlene Cummings of Brownfield. One son, Jack & wife Royleene, in Germany were represented by their daughter Shirlene of Burkburnett.

Darrell Feemster, pastor of Eastside Baptist Church, gave the moving eulogy of Norman Bevel. Mr. Bevel was one of the first staff volunteers. At his death in 1982, the N.B. Memorial Funds began. Through donations in his memory and the memory of many friends

and families of others this addition has been made possible.

Through donations of dedicated folks and fund raisings, the new addition has been furnished and completed.

A Prayer of Dedication was given by Rev. Feemster. Mrs. Norman Bevel officially cut the ribbon opening the new addition. A reception followed.

Music was furnished by Mrs. Mable Sanders and Rev. Earnest Franklin and son Brandon by many requests.

## Haskell Indians To Meet Hale Center Friday

The Haskell Indians will travel to Lubbock this Friday night to meet Hale Center in the second game of a double header.

The game will decide the Bi-District championship and will follow the Hamlin Pied Pipers-Lorenzo game.

Haskell and Hamlin finished in first and second places in district competition. According to a new University Interscholastic League rule, both teams will advance to the

playoffs. The district winner will meet the second place team in bi-district play.

The Hamlin-Lorenzo game will begin at 7 p.m. and the Haskell-Hale Center game should start about 8:30 p.m. The games will be held in Lubbock Coronado High School gym which is located at the intersection of 34th St. and Slide Road.

Admission is \$3.00 for adults and \$2.00 for students and the price of admission is good for either or both games.

Since defeating Hamlin in a district playoff game, the Tribe has played in three practice games winning two and losing one. The Tribe defeated Throckmorton and DeLeon and lost to Olney.

Friday's contest will mark the first time in twenty-five years that a Haskell boys basketball team has advanced to bi-district.

A special pep rally will be held

### Band Members Receive Medals

**BY TODD JENNINGS**  
Eight members of the Haskell Indian Band received a Superior or Division I rating at the UIL Solo and Ensemble contest at Hardin Simmons University in Abilene.

Receiving a Division I were Hollie High, Diana Jarred, Shannon Lane, and Miehcell Stout with their clarinet quartet.

Marla Gonzales, Shelia Klose and Emily Thornhill also received a I with their flute trio.

Eric Wilson competed with a alto and tenor sax solos. He received a superior rating in both divisions.

Lori and Robert Geilhausen also participated in the contest and their saxophones. Lori received a II and Robert a III.

The clarinet quartet and Eric now qualify for the state solo and ensemble contest.

These 10 band members will go to the Greater Southwest Music Festival in May to compete.

"This is a good percentage of winners," said band director, David L. Mooney. "Also I'm proud of every member who competed, and I would like to congratulate them on their fine works and I hope they do as well in future contests."

### Weinert City Elections Set

The City of Weinert has set an election for Saturday, April 2. Elected will be a mayor and two councilmen. The election will be held at the Community Center.

Friday at 10:45 a.m. in the Haskell gym. School will dismiss at 2 p.m. Friday and buses will run at 2 p.m. members of the Sophomore class will decorate cars for \$1.00 each during the pep rally.

Haskell radio station KVRP will broadcast both games live Friday night.

### Third Annual Childrens Sing Song Set

The Progressive Study Club has set their 3rd annual children's sing song for March 17 at 7:30 p.m. in the Haskell High School Auditorium.

Theme for the popular event this year will be "Songs Make Us Smile". Young children and those in Elementary School are encouraged to enter the contest that will award prizes to large groups as well as individuals or small groups. Musical numbers or other talents may be presented.

The club encourages a good attendance for this program.

Any organized group or individual in Haskell County who would like to enter should contact Mrs. Bailey Toliver at 864-2037 by March 14.

### Commissioners Amend Minutes

Members of the Haskell County Commissioners Court amended minutes of their last meeting concerning the resignation of Haskell County Sheriff G.T. (Garth) Garrett during their Tuesday meeting.

Sheriff Garrett's letter stated that he intended to resign March 31, and commissioners accepted the letter as his resignation effective that day.

Members of the court stated that until the resignation is received they will take no further action concerning the consideration of a replacement.

### 3 HHS Students Place In Meet

Three students from Haskell placed third or above in the Roscoe Invitational Meet Feb. 15.

Fred Barnett placed first in feature writing and third in newswriting.

Doug Richardson placed second in newswriting, and David Wheatley took third in editorials.

Students from A-AAAAA schools competed in the practice meet.

## City Council Members Discuss Paving Project

Members of the Haskell City Council discussed possibilities of street paving during their regular meeting Tuesday night.

Council members heard Abilene Engineer David Todd explain estimated costs and possibilities concerning the project.

According to Todd, costs for paving with curbing and guttering are about \$11.00 per linear foot. He said that generally this cost is shared one third each by property owners on each side of the street and one third by the City.

He also explained that if two-thirds of the property owners submit a petition to the Council and City officials agree to enter into the

### Four File For School Board

Four persons have filed for two positions on the Board of Trustees of Haskell Independent School District.

Billy Mitchell and Sammy Larned have both filed re-election and Jane Smith and Mike Guess have also filed.

project that assessments may be made requiring property owners to pay their share.

Several property owners from North 3rd St. East were in attendance at the meeting and plan to begin work in securing names on the petition and also in determining the complete cost of a paving project.

In other action, Council members agreed to the terms of a new lease agreement on airport property currently leased to Frank Markey.

The new lease will include Markey and James Bridwell, Markey's partner.

Mayor Franciene Johnson appointed several individuals to serve on committees concerning the airport and the City Park.

Airport committee members include: Joseph Thigpen (Chairman); Wilda Medford; and Bill Lane Sr. they will serve with Airport Commissioner Archie Jones.

Park committee members are, Dr. Eddie Harris and Jim Hudson and will serve with Parks Commissioner Bill Lane Jr.

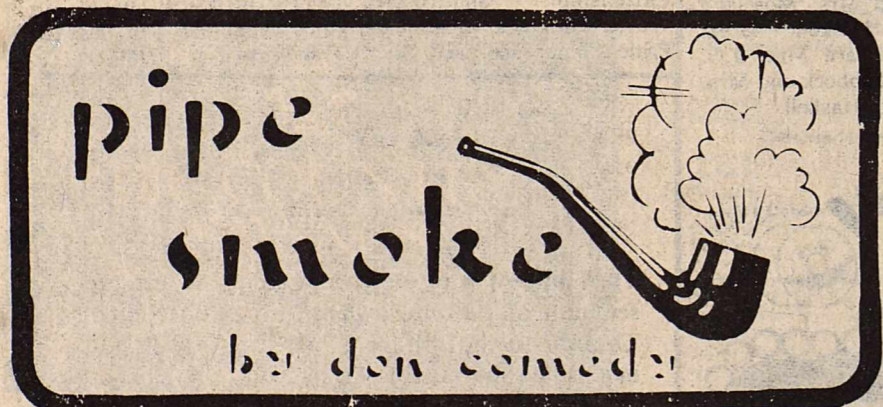

concerning current events than are individuals which only see and hear radio and television news.

Later in the program Congressman Charles Stenholm addressed the group and expressed his observation that newspapers generally are more objective in reporting political happenings than are major television networks.

State Senator John Monford of Lubbock also addressed the convention and expressed the same observations.

These same ideas are constantly discussed during press conventions and the goals of most Texas newsmen who regularly attend the conventions are to continue improvement in the areas of fairness and serving as educators about current events.

Hearing positive results from a variety of individuals outside the newspaper industry can only serve as motivation to continue trying to do a better job

Members of the West Texas Press Association gathered in Lubbock last weekend for their mid-winter meeting and heard the same basic ideas from several speakers outside the newspaper industry.

Bob Gorilski, former NBC news correspondent, and current director of information for Gulf Oil Co., to West Texas Publishers and Editors that newspapers are the only form of news dissemination which believes that the media should educate the public.

He cited several examples of negative reporting by television shows such as 20/20 and 60 minutes which do not "cover the news", but attempt to "uncover a scandal". He added that the same things occur in newspapers but to a lesser degree and generally for the purpose of educating the public rather than to create a scandal.

Several studies cited by Gorilski revealed that readers of newspapers are consistently more knowledgeable

# Thompson, Cox Vows Exchanged In Lubbock

Laura Cox and Michael Thompson exchanged marriage vows in a candle-light ceremony at seven o'clock Saturday evening in Westminister Presbyterian Church in Lubbock with the Rev. Robert Utley of Trinity Baptist Church officiating. Traditional wedding selections were rendered by Don Smith, organist and Marvin Goad, soloist.

Given in marriage by her father, A.V. Cox the bride was attired in an ivory satin dress with sweetheart neckline. The bodice, sleeves and skirt which fell into cathedral train were embroidered with seed pearls and appliques of aleon lace. Her Juliet cap held the fingertip veil edged with seed pearls and aleon appliques. For something borrowed she wore pearl ear screws belonging to Mrs. Cox, something blue was her mother's garter, something old, her grandmother's first watch, for good luck a six pence in her shoe

from Mrs. W.A. Lyles. The bridesmaids Sherry Stone and Kim Denham and maid of honor Carolyn Cheyne wore apricot satin stripe floor length dresses with ribbon sashes and each carried a small cascade bouquet.

Kevin Thompson, brother of the groom was best man. Other groomsmen were Brent George and Kelvin Myers. Guests were seated by Lyle Cox, brother of the bride and David Whitlock. The groom wore an ivory tuxedo and his attendants wore beige tuxedos.

Following the ceremony Mr. and Mrs. A.V. Cox hosted a reception in the church parlor with cake and coffee served from groom's table and a three tiered wedding cake and frosted punch from the bride's table.

The bride is a graduate of Monterey High School and attended West Texas State College and Texas Tech. The groom is a graduate of

Coronado. The groom's parents, Mr. and Mrs. Raymond Thompson of Brownfield hosted the rehearsal dinner.

Parties honoring the bride included a shower given by Millie Lewis and Mildred Cox and a party given by her co-workers.

Out of town guests for the wedding and reception were from Wichita Falls, Amarillo, Brownfield, Haskell, Dallas, Garland, Irving, Odessa and Tecumseh, Okla.

# Brush and Palette

Have you ever thought that hopes and aspirations can actually be harmful sometimes? That one can really try too hard? That a person can be so busy preparing for a life that he forgets to live? I have had students become discouraged and quit trying because they could not paint a beautiful picture the first time or two they tried, without giving themselves a chance to learn the rules and get in the necessary practice work. While it is true that some people have a "knack" for art - a discerning eye, a sense of balance in composition, a propensity for blending colors and an agile hand. This is what we call "talent". But these qualifications have to be organized by discipline and experience, if the aspiring artist is to be successful. It has long been my contention, however, that almost anyone who wants to badly enough can learn to paint a satisfying picture. To be anxious to reach perfection in a hurry, to struggle too hard in this direction, thus becoming frustrated, is neither necessary nor desirable. Fun and enjoyment is the name of the game - and if you keep on going, the end result will take care of itself. And if you will notice, your best pictures are always the ones you have enjoyed doing the most.

Q. If you have several trees of the same kind massed together, how do you separate them so you can see the individual tree?

A. You do this with value and a slight change of color. Put a much lighter, brighter edge on a front tree against the darker shadow mass of a tree back of this. Play warm colors against cool colors, too. Highlight the tree trunks sufficiently, also. This is a common error, particularly in the foreground or near middle ground. The trunks need to stand apart also. It is possible to actually change the color a little, in order to make the separation. Use a purplish shadow instead of the usual amber is effective here. Look for colors that you can introduce to bring forward or push back tree forms. However, as with everything else, value is really the most important factor in solving this problem. Study the trees, searching for the darks and lights, follow throughout with these darks and lights, then you will make the trees stand apart.

HINT: Tell your friends about "Brush and Palette" column. Send your questions and let's find the answer.

Write your questions and hints to me, Faye Schnuriger, P.O. Box 134, Haskell, Texas 79521. I will not use your name but do want you to sign your letters.

MR. AND MRS. JACK GILLELAND of Haskell announce the engagement of their daughter Deborah Dawn to Ronald Lyn Lenderman son of Ms. Joyce Lenderman and Mr. Charlie Lenderman of Houston. Deborah a graduate of Tulia High School, attended Texas A&M University and is employed as a Commercial Real Estate leasing agent for Percy/Christon, Inc., in Dallas. Ronnie, a Baylor University graduate, attended High School at Northshore in Houston. He is employed by Fox-Stanley Photo Inc., as an Assistant District Retail Manager. An August 6 wedding is planned.

# Body Wraps Ineffective

Where starch blockers left off, body wraps seem to have taken up the slack as the latest weight-loss gimmick. Starch blockers are the diet pills that were supposed to let a person eat heaping portions of starchy foods such as potatoes, pasta and bread and still lose weight. The U.S. Food and Drug Administration took steps to remove them from the marketplace last July after consumers complained of nausea, vomiting, diarrhea and stomach pain.

Now come body wraps and custom garments that claim to "melt" fat away in almost no time. A typical body wrap advertisement promises the user will "burn away fat even while you sleep" or "lose 4-6 inches the first day."

The Texas Medical Association says, however, that the only effective and lasting way to lose weight is to cut calories and exercise regularly.

Body wraps and custom garments are designed to make the person lose inches and weight through perspiration. The problem is that the loss is temporary. The fluids are soon replaced by drinking or eating. Some of the plastic or rubber garments cover only a part of the body, while others cover most of it. One outfit is inflated with air from a vacuum cleaner, another with a hair dryer. Some wraps are used after a cream, gel or lotion is applied or after being soaked in a solution.

The FDA has investigated a number of these products. It has taken action against several promoters of wrapping devices and latex exercise suits for making unsubstantiated medical or therapeutic claims.

One wrap product the FDA is investigating is called La Creme, a substance applied to parts of the body where weight loss is desired. La Creme is different from other body wraps in that no wrap is included. Rather, consumers can take their pick from plastic products normally used to wrap food. A leaflet from La Creme claims: "Lose up to two inches from those problem areas in just one hour." An advertisement adds: "Its gentle warmth penetrates into your skin and helps melt fatty deposits."

But the Texas Medical Association warns that fat does not melt away. It is gotten rid of only when fewer calories are consumed than are needed to meet the body's energy requirement.

## Hospital Notes

Visiting hours at Haskell Memorial Hospital are 2 to 4 p.m. and 7 to 8:30 in the evening. No visiting hours in the morning. No children under 14.

## ADMISSIONS

MEDICAL: Pearce Manning, O'Brien; Leon Medford, Haskell; James Marr, Haskell; L.L. Atkinson, Goree; Sarah Hunt, Haskell; John Sparkman Sr., Haskell; Carl Hamilton, Munday; Jim Benton, Haskell; Viola Brueggman, Haskell; Harvey Medford, Munday; Leslie Medford, Haskell.

SURGICAL: Johnny Reyes, Haskell; Sylvia Gibbs, Haskell.

## DISMISSALS

Faye Weeaks, Vida Baker, Gladys Reed, Mary Moody, Sarah Dusak, Floyd Bradley, Vaughn Brooks, Tammy Cheyne, Lee Barnett, William Curtis, Virginia Land, Elaine Duke, Martin Randle.

## Births

Mr. and Mrs. Jimmy Wayne Duke of Stamford, announce the arrival of their daughter, Candess Nichole Duke, born February 18, 1983 at Haskell Memorial Hospital, weighing 5 lbs. 9 oz.

Mr. and Mrs. Robin Colbert of Arlington announce the birth of their son, Gates Burton Colbert, born February 16, 1983 weighing 8 lbs. 2 oz. Grandparents are Mr. and Mrs. Bailey Toliver and Dr. and Mrs. R.E. Colbert all of Haskell.

Mr. and Mrs. Mike Walker announce the birth of a daughter, Whitney Nicole, born February 2, 1983, in Lubbock. She weighed 6 lbs. 15 oz. and was 19 inches long. To welcome her home was a brother, Brandon, who is 6 years old. Grandparents are Mr. and Mrs. Tullus Walker of Lubbock and Mrs. Moreland Glass of Haskell. Great grandparents are Mrs. J.O. Grisham of Lubbock and Mrs. J.M. Glass of Haskell.

# Senior Girls Honored With Luncheon

On Saturday, February 19th, the Senior Girls '83 were honored with a "Spoonfuls of Spaghetti" luncheon in the home of Pam Gibson. Special honoree was Melinda Blakley. Also attending were the honoree's grandmother, Mildred Robertson, and senior class sponsor Gene Jeter. The centerpiece was a three-tiered graduation cake depicting the 12 years of school specially made by Pansy Harris. Also of interest was a scrapbook complete with mementos from kindergarten to 12th grade compiled by Melinda's mother. The girls were presented with miniature diplomas and gifts from the hostesses Pansy Harris, Patsy Blakley, Peggy Adams, Pat Mickler, and Pam Gibson.

# Faye Schnuriger Is Named Artist Of The Month

The Brazos West Art Association has selected Mrs. Faye Schnuriger as first place winner in the artist of the month contest. Her paintings are hanging at the Big Country Savings.

Second place went to Mrs. Judy Benton and she is showing her paintings in the Haskell National Bank.

Mrs. Ora Childress was selected third place winner and her paintings are hanging at West Texas Utilities.

The public is invited to go by and see these paintings.

# Jane Locknane Is Knox County Home Economics Agent

Jane Locknane has been appointed County Extension Agent - Home Economics in Knox County effective March 1, 1983, according to the Knox County Commissioners Court and District Extension Director Elaine Houston.

A native of New Mexico, Miss Locknane graduated from High School in Clovis, New Mexico, and received a Bachelor of Science Degree in Home Economics Education from New Mexico State University. In addition, she has since completed a degree in Agriculture - Pest Management from the same institution. While in college, Miss Locknane participated on college intramural sports teams and was a member of several organizations. She was a member of the Future Homemakers of America and is an honorary member of Cattle Capitol Cowbelles as well as a member of the New Mexico and American Home Economics Association. In addition, she was a member of the Block and Bridle Club, the Alpha Gamma Rho - Rho Mates, Junior Hereford Association, Junior Angus Association, and the Junior Cattle Growers. She was an active member of 4-H for ten years, holding offices at the local club, county, and State office levels. She was a delegate to National 4-H Congress, Citizenship Shortcourse, Western Regional Community Pride Conference, and State

Teen Leader Conference. Miss Locknane has developed a slide/tape series on 4-H demonstrations, judged area achievement fairs, and assisted younger 4-H members in various projects. In addition, she has written many newspaper articles and presented radio and television programs.

Miss Locknane has worked as a substitute teacher in public schools and as an agriculture aide for the Department of Agriculture in New Mexico, with the grasshopper spray program.

As the Knox County Extension Agent, Miss Locknane will give leadership to both youth and adult phases of the Home Economics Program and will work closely with County Extension Agent - Agriculture Charles Siepel in developing youth and adult educational programs through the Knox County Program Building Committee.

Miss Locknane will begin her training in Haskell County, working with Haskell County Extension Agent - Home Economics Lou Gilly prior to her assignment in Knox County.

MR. AND MRS. BOBBY PARROTT of Haskell are proud to announce the engagement of their daughter Tamra to Rodney Frey of Ballinger, son of Mr. and Mrs. G.A. Frey of Rowena. A May 14 wedding is planned at the Trinity Lutheran Church in Albany.

# Recipes Given For Use With Girl Scout Cookies

When that cute little Brownie from next door rings your doorbell to sell her Girl Scout Cookies, go ahead and buy them. You can't really get too many Girl Scout Cookies in your house because once they exceed the mark to be used as snacks, they can be used to make such tempting treats as Black Forest Pie, Peanut Butter Crunch and Instant Cookie Trifle.

The money earned through the cookie sale is used for the Girl Scout camping program, troop activities, and special events. You might even help to send that cute little Brownie on a special weekend with her Dad at Camp Boothe Oaks. Now, who could turn down that cute little Brownie or the delicious Girl Scout Cookies?

The Cookie Sale began Feb. 18 and continues through March 5. The cookies are \$2.00 a box and come in seven varieties, Caramel deLites, Peanut Butter Patties, Peanut Butter Sandwich, Shortbread, Thin Mints, Assorted Sandwich Cremes, and Nutty Chocolate Chip.

Here are recipes using Girl Scout Cookies that are sure to provide cookie fun for everyone!

**Black Forest Pie**  
1-9 inch unbaked pie crust  
1-21 ounce can cherry pie filling  
½ teaspoon almond extract  
10-12 Girl Scout Chocolate Sandwich Creme Cookies  
1 cup whipping cream  
½ teaspoon vanilla  
1 tablespoon sugar  
1 or 2 crushed Girl Scout Chocolate Sandwich Cream Cookies

Into the pie crust, spoon ¼ of the cherry filling. Add the almond extract to the remaining filling, in the can and mix well. Arrange whole cookies on top of the cherry filling in the crust, covering filling. Spoon remaining filling over the cookies, smoothing top. Bake in a hot oven (425°) for 25-30 minutes, until filling is bubbling and crust is well browned. Remove from oven and allow to cool completely. Whip cream with vanilla and sugar. Spread over cooled pie. Sprinkle crushed cookies over the top. Serves 8

**Instant Cookie Trifle**  
12 Girl Scout Vanilla Sandwich Creme Cookies  
1-1 pound can apricot halves  
1 tablespoon lemon juice  
1-3¼ ounce package instant

vanilla pudding  
2 cups half and half\*  
1 teaspoon almond extract  
Arrange cookies to line bottom and sides of 6 cup serving dish or bowl. Drain apricots and reserve ¼ cup of juice. Add the lemon juice to reserved juice and pour over cookies. Cut apricots into smaller pieces and spoon over cookies, on bottom of dish, reserving some to decorate top. In a medium size bowl, mix together pudding and half

and half. Beat on low speed, or with a rotary beater for 2 minutes. Stir in almond extract. Pour over cookies and apricots. Arrange reserved apricot pieces on top to decorate. Allow to chill several hours before serving. (Additional cookies may be used to top dessert, if desired). 6-8 servings.  
\*For a less rich dessert, milk may be substituted in equal quantity.

MR. AND MRS. DICKIE CHAMBERS of Clyde announce the engagement of their daughter, Melissa Russell, of Haskell to David Collins of Haskell. Collins is the son of Mr. and Mrs. Don Collins of Haskell. The bride-elect graduated from Clyde High School in 1982. The prospective bridegroom graduated from school in Lampasas in 1976. He is employed by Koch Oil Co. in Breckenridge. The couple plans a April 30 wedding in Trinity Baptist Church in Haskell.

### Doughnut Sale For Track Team A Success

The doughnut sale to raise funds for the Haskell Track Team this past Saturday morning was an unqualified success.

"Our people are always kind and generous," said Coach Jimmy Lisle. The Athletic Booster Club and the team members are excited over the coming track events. Having won district championships in football and basketball already this year, the team is inspired to make the effort to add to the winning tradition of Haskell High.

Thank you for buying the doughnuts.

### Obituaries Mrs. Mary Liles

Funeral services for Mrs. J.W. (Mary) Liles, 92, of Weinert were held at 1:30 p.m. Tuesday Feb. 22 in First Baptist Church in Weinert with Rev. Paris Barton, pastor, officiating. Burial was in Willow Cemetery under the direction of Holden McCauley Funeral Home.

Mrs. Liles died Feb. 20 at 10:25 p.m. in Rice Springs Care Home.

Born December 1, 1890 in Wet Prairie, Ark., she moved to Texas when she was a small child. She married Joseph Wesley Liles Dec. 18, 1908 at Haskell. Her husband preceded her in death March 3, 1965 and a son, Ramon Liles, died March 23, 1973. She was a member of The First Baptist Church in Weinert and an active member of the church choir for over 50 years. She was a member of the Women's Auxiliary at the Haskell Hospital for a time. She was voted woman of the year in The First Baptist Church of Weinert in 1963. She was active in the Matron Study Club for more than 30 years and was recognized by this club in 1974 as being the oldest charter member.

Survivors include a son, H.W. Liles of Haskell; one daughter, Mrs. Aletha Mayfield of Ft. Stockton; two grandsons, Wayne and Howard Liles of Haskell; and three great grandchildren, Blake Liles of Haskell and Connie Petross and Margie Stocks, both of Abilene.

Pallbearers were Johnny Earp, Tiffen Mayfield, Raymond Mathison, Eddie Sanders, Elmer Adams, Marvin Berry, W.A. Dutton, and R.S. Sanders. Honorary pallbearers were the Board of Deacons of the First Baptist Church of Weinert and all of her Weinert and Haskell friends.

### STATEMENT OF INTENT TO CHANGE RATES

General Telephone Company of the Southwest, in accordance with the Rules of the Public Utility Commission of Texas, hereby gives notice of the Company's intent to implement a new schedule of rates in Texas effective March 18, 1983.

The proposed changes in rates will affect all customer classes and are designed to increase the Company's gross intrastate revenues by approximately 15 percent annually.

A complete set of revised rate schedules has been filed with the Public Utility Commission at Austin, Texas, and is available for public inspection in each of the Company's Business Offices in the State of Texas. A summary of the Company's rate filing has also been sent to the Mayor's Office of each affected Municipality.

## New Glaucoma Drug Eliminates Side Effects

Medical researchers at Texas A&M University have successfully used a mirror image of a popular glaucoma drug to develop a new treatment that apparently eliminates dangerous side effects. The new drug is D-timolol. Its structure is an exact mirror image of L-timolol, an agent first marketed under the trade name Timoptic.

Glaucoma is caused by a buildup of pressure in the chambers of the eye and primarily affects persons over age 40. People can develop the ailment as young as age 20, said Dr. George C. Y. Chiou, head of medical pharmacology. Un-

treated, the pressure deadens the optic nerve end and causes blindness.

Timolol inhibits formation of aqueous humor, a transparent liquid contained in the chambers of the eye, and reduces intraocular pressure, said Chiou. But large scale clinical studies have revealed that L-timolol eye drops can cause cardiovascular disturbances in patients with a history of asthma or bronchitis.

According to the research-

ers, D-timolol does not appear to cause such side effects. It has the beneficial agents of its cousin, but not the problems.

### Bryan garden center hires only disabled

**BRYAN**—A garden center here not only nurtures plants, but also its employees.

The ten employees are participating in a new horticultural therapy program developed at Texas A&M University and supported in part by the Texas Rehabilitation Commission (TRC).

Called Geranium Junction, the business provides responsibilities and the opportunity to be among the public that this group of workers would not otherwise have. Each is handicapped with physical, mental or emotional disabilities, including spina bifida, multiple sclerosis, retardation and blindness.

"The program is a new concept. We're one of the first businesses in the state to hire only handicapped individuals," said Trish Barksdale, store manager. "There's a real need for us and other programs like this. I get calls every day from people who ask if there are any job openings."

## White Names March Texas Book Month

This March Texas citizens are being given a unique opportunity to show support for their local public libraries.

Governor Mark White has proclaimed March Texas Book Month, the goal of which is to place 100,000 books about Texas or by Texas authors in local libraries. Wales Madden, III, Amarillo businessman and chairman of Texas Book Month, is inviting Texans across the state to demonstrate their support for Texas literature and their public libraries by providing funds for the purchase of these books. Local librarians will earmark the money to purchase Texas books at the substantial discount most libraries are able to obtain from publishers and other sources.

Texas State Librarian Dr. Dorman Winfrey has prepared a list of books about Texas or by Texas authors to aid librarians in their selections.

Madden urges people to help celebrate Texas Book Month by making financial contributions to their hometown libraries. "From history and philosophy to prose and poetry...the books placed on library shelves will cover the full spectrum of learning and literary craftsmanship," Madden stated recently. "While many Texas authors have not yet earned the fame of a Walter Prescott Webb, J. Frank Dobie or Katherine Anne Porter, their works deserve recognition and appreciation. The aim of Texas Book Month is to help them obtain it."

### PERFECT RECORD

Paint Creek Junior High girls end the year with a perfect season. 19 wins 0 losses. PC girls ended with an 8-0 district record, 6-0 in the Round Robin and 2-0 in the District Tourney. PC won the District Tourney by defeating Rochester 53-20 and Weinert in the finals 33-16. Pictured left to right, standing: Coach Randy Stone, Doretha Moore, Denise Ootton, Sondra Patterson, Rhonda Coleman, Kay Fischer. Kneeling: Sophie Gonzales, Sharlene Grisham, Angela Reed, Gina Calk, and Mary Gonzales.

## Carrying Medical Information Aids Victim During Emergency

When the ambulance arrives, you may not be conscious. Even if you are, you may not be able to communicate with emergency personnel.

They must act rapidly and without error. Knowing your medical background would help them enormously, but you are unable to provide it. They do the best they can without it.

This scene is replayed each year for an estimated 1 million Americans, according to the National Safety Council. The victims are either unconscious or unable to provide the important medical information at the scene.

The Texas Medical Association says this breakdown in communication can be critical. It also can be avoided by carrying a wallet card or wearing special jewelry that provides emergency personnel with the information.

The 21,500-member TMA has officially endorsed "the use of appropriate individual medical information cards" in case of accident or illness.

The cards can provide

personal identification, medical data, information on electrocardiograms, and a signature authorizing treatment and surgery. This helps ensure the best, quickest

treatment possible. Check with your doctor, pharmacist or local medical society for information on where to obtain medical cards or bracelets.

## ECC To Assist In Project HAP'N Funds

Lone Star Gas Company in Haskell has announced that Ms. Marsha Whittemore, administrator of the Experienced Citizen's Center will be the agency that will disburse Project HAP'N funds in Haskell County. Project HAP'N, Heating Assistance Program for the Needy, was announced by Lone Star Jan. 3 as a program designed to help persons living in Lone Star's service area who are having difficulty paying their heating bills.

general public to join in making contributions to Project HAP'N. The Community Council of Greater Dallas, working with area Councils of Government throughout the Lone Star system, will administer the fund and distribute money contributed to Project HAP'N to social agencies in the 110 counties served by the company.

"Ms. Whittemore's office will provide assistance in Haskell County based on a case-by-case determination of need," says Steve Roper, Lone Star's local manager. Project HAP'N assistance

funds can be used for any type of heating bills.

Roper said that persons who wish to contribute to Project HAP'N should make checks payable to "Project HAP'N Community Council" and mail them to "Project HAP'N Community Council, P.O. Box 243, Dallas, Texas 75221." All contributions are tax deductible.

"We will continue to work with various other social service agencies and through government programs to assist our customers," says Roper.

Letters To The Editor...

# Bertis White Is Interim Minister

Bible School 9:45 a.m. Morning worship and Lord's Supper 10:45 a.m. The public is given a cordial invitation to hear Mr. Bertis White, interim minister. Frequently people ask the following questions: Is the Christian Church at Haskell any different from other churches; why does it exist; has it a creed, and what does it believe? Briefly speaking, the object of the existence of the Christian Church at Haskell is not to add another to the many other churches that are now found. It pleads for the restoration of primitive Christianity, and the union of all of the followers of Christ in

one body, in accordance with the prayer of Jesus found in John 17:21.

The Christian Church at Haskell has no written creed or Confession of Faith, as do some churches. It maintains that the Bible alone is sufficient for our rule of faith and practice. It goes to the Bible for authority in church government, as well as to learn the plan of salvation. Whatever the Bible commands people to do, these things should be done. The divine confession is: "Jesus is the Christ, the Son of God". The Christian Church does not ask for more than this.

The Christian Church at Haskell teaches that the name "Christian" is sufficient. "The disciples were called Christians first in Antioch" (Acts 11:26). The name "Christian" is also used in 1st Peter, Chapter 4, Verse 16, and Acts 26:28.

The Christian Church at Haskell believes that baptism is a positive divine command. No more stress is placed on it than on faith, repentance, confession, and good works. All taken together secure salvation. It does not believe that there is any virtue in the water; it is in the act of obedience that people are blessed. Christ commanded baptism, and the apostles practiced it in every case of conversion found in Acts of the Apostles. The Christian Church at Haskell teaches that all believers are to be baptized. The Apostle Paul said in Romans 6:4 and Colossians 2:12 that we are buried with Christ in baptism.

The Christian Church at Haskell believes that the Lord's Supper is a memorial; not a communion with one another, but with Christ. He said: "This do in remembrance of me." The Lord's Supper builds us up in Christ. It is the Lord's table and is spread for His people. It believes that the Lord's Supper should be partaken of every first day of the week—the Lord's Day. It believes that the precedent is set in Acts 20:7: "And upon the first day of the week when the disciples came together to break bread, Paul preached unto them."

To sum up, the Christian Church at Haskell says: "We call ourselves simply Christians, not the only Christians, but Christians only; we believe in God the Father; we believe that Jesus is the Christ, the Son of the Living God, and our Savior; we regard the divinity of Christ as the fundamental truth of the Christian System; we believe in the Holy Spirit; we accept the Old and New Testaments as the inspired Word of God; we believe in the future punishment of the wicked and the future reward of the righteous and faithful; we believe that God is a prayer-hearing and prayer-answering God; we observe the Lord's Supper on every

Lord's Day, and to this Table we neither invite nor debar; we say it is the Lord's Table, for all the Lord's children; we plead for the union of God's people; the Bible is our only discipline; and we maintain that all ordinances should be observed as they were in the days of the apostles.

## Avoca Aces Defeat Haskell Scrappers 80-50

The Avoca Aces played the Haskell Scrappers Feb. 15. Avoca dominated the game with a score of 80-50.

High scorers for Haskell were Anderson, 14; Unger, Skiles and Roberson, 10 each.

High pointers for Avoca were Joe Rodriguez, 22; Mark McNair, 13; Larry Rister, 12; and Rick Lindsey, 9.

## TAX PLANNING

Written by

James E. Rodgers, CPA

## IRA 10% PENALTY (Not Always Bad)

You may be reluctant to set up an Individual Retirement Account (IRA) because of the 10% penalty that is assessed by the IRS if you withdraw any of the funds before you reach age 59½.

An IRA is attractive for several reasons. You can make tax deductible contributions of \$2,000 annually or 100% of your earnings if you earn less than \$2,000. A working spouse can contribute an additional \$250 for a non-working spouse. Money put into an IRA can be invested in any number of things and grows tax-free until retirement. However, you are penalized if you withdraw your money from your IRA before age 59½. This 10% penalty upon early withdrawal may have kept you from seriously considering an IRA, but look at these figures. If a 50% bracket taxpayer puts \$2,000 into a IRA for 10 years in investments that yield 15%, his money will grow to \$40,600. If at the end of 10 years he withdraws his money and is under the age of 59½, he will pay a 10% penalty of \$4,060 and, at the 50% bracket, \$20,300 in income tax. Subtracting this total tax and penalty of \$24,360 from the \$40,600, he will have \$16,240 left.

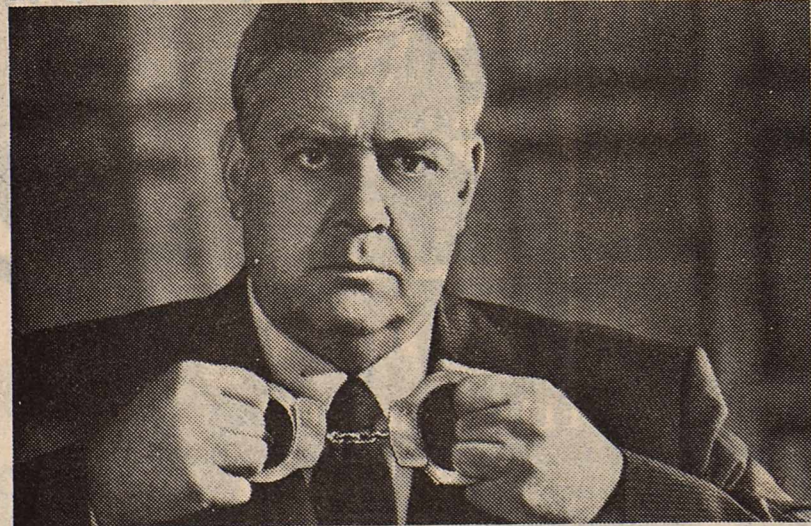

Without the IRA, the same 50% bracket taxpayer would have had only \$1,000 after-tax dollars to invest and because the investment earnings would be taxed at the 50% bracket, his after-tax yield would be 7½%. His \$1,000 annual investment would grow to \$14,140 in 10 years which is \$2,100 less than the \$16,240 he'd have with the IRA. If withdrawal before 59½ is not necessary, an individual will be even further ahead with the IRA.

The number of years you have to stay in your IRA to be dollars ahead even with the 10% penalty depends on several factors. These facts do not necessarily make an IRA your best investment, but don't automatically reject the IRA based on the 10% early withdrawal penalty.

# Haskell FTA Wins State Award For Project

BY FRED BARNETT

The Haskell FTA Chapter recently received a state award for its annual project. The project was entered in the Top Ten Projects and was named one of ten in the state. The Chapter project was re-decorating the teacher's lounge.

Mike Iley and Anthony Garland were named as delegates to the House of Delegates. They were chosen among 3,000 students who attended the annual TFTA state convention.

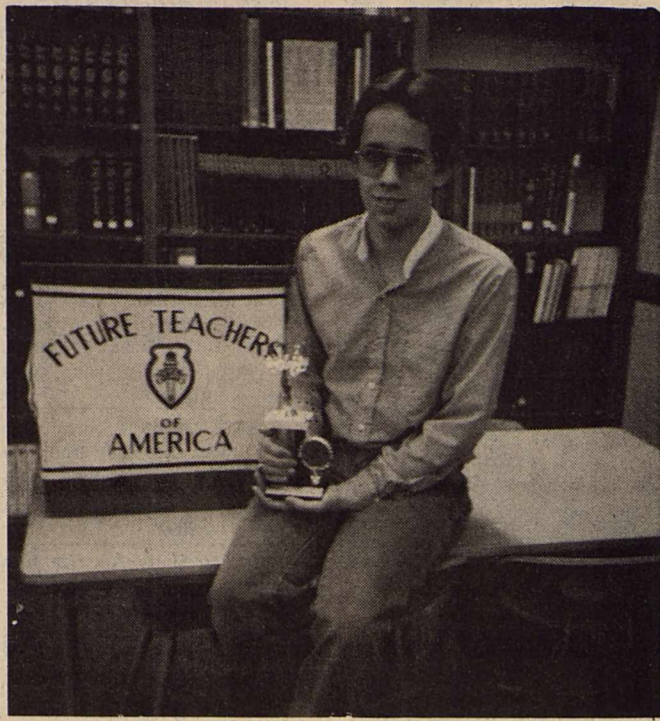

The convention was held Feb. 18-19, in Dallas at the Hyatt Regency Hotel.

During the convention, workshops were held to further develop the skills of members. State elections were also held. Entertainment was provided.

While in Dallas, the members toured the Kennedy Memorial and several other sites of interest around Union Hall.

Members who attended the convention are Mike Iley, chapter president and Mr. FTA, Anthony Garland, chapter vice-president and district parliamentarian, Michele Frith, Tammy Flanary, and Judy Iley. Their advisor is Mrs. Cathy Jones. They traveled with 19 students and their advisors from Abilene High School.

The next FTA meeting will be held March 16. Mrs. Jones urges anyone who is interested to attend. The election of 1983-84 officers will be April 13. The district banquet will be held April 25, in Abilene.

MIKE ILEY

## College News...

Judy Ann Standefer of Jayton is a recent graduate of South Plains Association of Government Law Enforcement Institute in Kent County. She received a certificate upon the completion of 72 hours of training as a reserve officer.

Judy is the wife of Phil Standefer who is also a Kent County deputy. They have one son.

She is the daughter of Mr. and Mrs. Bill St. John of Haskell.

Officials at Vernon Regional Junior College have announced that Julie J. Wallace made the Dean's List the fall semester, 1982. To achieve the Dean's List, a student must be a full-time student and earn a grade point average of 3.25 and above.

Julie, majoring in drama and receiving a drama scholarship from VJRC, is the daughter of Mr. and Mrs. John W. Wallace, Sr., 600 South Ave. G, Haskell, Tx 79521.

# Superintendent's Views

BY JAMES LANIER  
Superintendent, Haskell ISD

After twenty five years, HHS is enjoying the thrills of a district boys basketball championship. During this period of time, the girl teams have won several times, but it has been a long, dry spell for the Indians. In fact, I have worked in this system for nine years, and, I believe, this is the first time we have finished about 500%.

To what can you credit this turn around? Possibly one factor is that the majority of the present Indians spent three or four seasons in the Little Dribblers. Four of the starters were on the first Junior All-Star team which went to the regional finals. Jamey Davis, Patrick McCoy, Mark Bailey, and Doug Lanier were all key factors on this team coached by Kenneth Young and myself. Another factor was the excellent preparation and training they received from Coach Stick Raughton in junior high. He drilled them over and over in the basic phrases of the game until they become almost automatic. Coach Bobby Busby gave them the opportunity to play as a unit against excellent competition. Coach Busby, a strong motivator, convinced them they had the potential to win. Coach Jim Dan Raughton had worked with the sophomores since the eighth grade. He brought them in with the other players and molded a unit.

Still another factor is the intelligence of this group. Four of the six juniors and seniors on the squad are members of the National Honor Society. The four sophomores on the squad are good students. Incidentally, the two JV boys moved up for the playoffs are cut from the same mold. Another factor must be the experience of this group. Albert Sherman, a senior, is a three year letterman and two year starter. Jamey Davis, a senior, is a three-year starter. Mark Bailey, another senior, is a three year letterman and two year starter. Patrick McCoy, a two year starter, is a junior. Doug Lanier, even though only a junior, has started the past three years. These kids have played together a long time. Eric Wilson, a senior, moved here this year, and,

even though, he has not played before, has contributed and fit in well. He is a very bright, enthusiastic youngster. Shane Hadaway and Fred Rike have come off the bench in each game this season and contributed mightily. Todd Harris and Robert Ivey who were moved up to the varsity for district play are coming along and going to make fine basketball players. Both of these boys are just good athletes who like to play.

Maybe the key factor has been the fan support. All season, each time we played, our fans were there clapping rhythmically, yelling in support and urging these kids to a higher level of achievement. Sure, we may have gotten after a few referees, but it was always in support of the Indians. I was amazed and thrilled at the crowd at Cooper for the play-off district game. The Indian who lives at our house said this was the biggest thrill of his life.

Now Friday night at 8:30 at Lubbock Coronado Gym the Indians enter bi-district play. Our opponent is the Hale Center Owls, a battle hardened play-off group of young men. They have been there before both in football and basketball. In the words of an old coach, "they can play". The Indians will need your support if they are able to carry on in the playoffs against this worthy foe.

So see you in Lubbock Friday night!!!!

# Honor Roll

## College News

Connie Scheets, daughter of Mr. and Mrs. Howard Scheets of Rochester has been named to the Dean's List at McMurry College for the fall 1982 semester.

To be eligible for the Dean's List a student must have a grade point average (GPA) of 3.5 or better on a 4.0 scale. McMurry College is a four-year liberal arts college, founded in Abilene in 1923; and is owned and operated by the Northwest Texas and New Mexico Conferences of the United Methodist Church.

Tim Griffin graduated from Texas A&M University on December 10. Tim received a B.S. Degree in Agricultural Engineering in the fall commencement exercises a total of 2,306 degrees were awarded.

Tim received the President Endowed Scholarship for four years. He was an honor student being named as a "Distinguished Student" each semester of his college career. He was a member of Alpha Epsilon (Agricultural Engineering honor society). And he was a member of the American Society of Agricultural Engineers.

Tim was Valedictorian of his Class of 1978, Seymour High School.

Attending his graduation were his parents, Mr. and Mrs. T.C. Griffin of Seymour and his brother, Scotty Griffin of Irving.

Tim started on his new job in Houston of January 3. He works for Wickham Supply Inc. This week he will be attending a school on Controls for Irrigation Systems in Tampa, Florida.

Tim's grandparents are Mr. and Mrs. Shelly Harris of Haskell. Tim's parents, T.C. and Christine Griffin were both born and raised in Haskell County.

# Haskell Nursing Center

Everyone will miss seeing Mrs. Beason around, but we hope she will enjoy her new job. We would like to welcome our new Administrator Sherry Overman.

February 14th the residents and employees had an exciting afternoon. We had two parties, two groups came out. The F.H.A. girls brought cookies and punch they were Michelle Stout, Connie Amarro, Lydia Flories, Vickie Judd, Jennifer Davis, Irma Flories, Kimla Strickland, Mike Iley, Shelia Swinney, Emily Thornhill, Gina Kuykendall, Missie Briscoe,

Larry Geilhausen and Scott Fields took pictures. Advisors were Mrs. Gene Jeter and Betsy Belok. (Those cookies were delicious).

Our other group was the First Christian Ladies who brought angel food cake with whipped cream and punch which was served to all the residents and employees. A special thanks to Sugomne and Autumn Pollard, Charlotte Asendoll, Mayorie Pace, Betty Dodson, Ruby Holt gave the devotion, Bobby Kreger and Laura Overton pianist. (We all sure enjoy parties).

Our Valentine King was C.V. Langford, Queen was Gertrude Roberson, second runners up the Prince was Oscar Helweg, Princess was Lector Thomason, Duke was Carl Baugh the Duchess was Eva White. Plaques were given to each one. The residents stated they all enjoyed every bit of it.

Visiting in our home were: Carmaleta Graham of Dallas, R.L. Rose of Abilene, Eddie Sandus of Weinert, visiting with Ola Mae Smith and Pearl Leaky.

Visiting with Bessie Piland were Mrs. Roy Norncase of Rule.

Visiting with Minnie Dickie was Middle Lees and Otty Stephens.

Visiting Erwin King was Erylene Beason and Glenda

Huff. Karen, Emily and Allison Roberson visited Eva White, Mrs. G. Roberson and Erwin King.

Visiting with Eva White was Dardd and Frances White and boys and Carol Harmont and Casey of Lubbock.

Visiting with Oscar Helwig was Lois Helweg of Dallas, and Mr. and Mrs. William Lively and Debbie, Barbara and Lesa from Abilene.

Also visiting in our home was Reba Mahler, Dale Lewis and Mrs. Ed Couch and Theresa Whittly of Rule.

Visiting Myrtle Russell was Mr. and Mrs. Sam Basden, Mrs. W.H. Patterson, Jenna Lea Byrd of Rochester, Mr. and Mrs. Derral Sorrells and daughter of Rule, Mrs. Saude Horten and Mrs. Dorothy Brown.

## Men In Service

Class of 84 Cadet Larry K. Sanders, son of Kenneth and Brenda Sanders of Route 1, Weinert, has been named to the spring semester Superintendent's List at the Air Force Academy, Colorado Springs, Colo.

To qualify for the list, cadets must have no less than a 3-point average in academics and military performance. Maximum is 4. The list is published twice a year.

The Air Force Academy is a four-year institution with the goal of graduating men and

women with the education and motivation to serve as career Air Force officers. The Academy curriculum allows cadets to acquire an education in the basic, engineering and social sciences and humanities, with a choice of 23 academic majors.

Cadets who successfully complete the four-year program are graduated with bachelor of science degrees and are commissioned as second lieutenants.

The cadet is a 1980 graduate of Munday High School.

## Conservation Viewpoints

USDA Soil Conservation Service

Assisting

Haskell Soil and Water Conservation District

RANELL SCOTT

Ranell Scott of Vera has taken a position with the Soil Conservation Service in Haskell as a Soil Conservationist effective February 20.

Miss Scott began her career with SCS in Seymour in 1977 where she worked as a conservation aid. She then worked in Vernon, Levelland and Knox City before moving to Tulsa where she worked as a

soil conservationist as a permanent employee. In these locations she gained experience in irrigation management, waterways and parallel terrace construction.

Ranell graduated from Texas Tech in 1980 with a Bachelor of Science Degree in Range Management. She was active in 4-H, FFA and other activities in both high school and college. Raised on a livestock farm near Vera, she has experience in farming and livestock along with experience in conservation work.

Welcome Ranell Scott to Haskell County.

## County Food Stamp Funds Show Decrease

The State of Texas paid \$5.48 million for food stamps last year and of that, Haskell County received \$234,400.

In Haskell County alone 607 people participated in the food stamp program, 146 less than were registered for the state-funded food assistance program the year before.

According to figures recently released by Texas' Department of Human Resources in its annual report, the state's social assistance tab reached \$1.8 billion in 1982. That figure represents an \$11.5 million increase over 1981 expenditures.

Haskell County's share of that record figure totalled \$1.3 million, and decrease of \$47,253 over the previous year.

Food stamps for children accounted for 56 percent of the value of stamps issued in fiscal year 1982, the report said. Adults caring for dependent children took in 20 percent and the rest were distributed to the elderly and disabled adults living alone.

Over 31 families in Haskell County received state aid to make it through last year, according to the report. The county distributed \$36,000 among 93 individuals. Payments statewide averaged \$34.52 a month per person, barely more than a dollar a day. This figure puts Texas second lowest on the list of average payment for social assistance of all states, second only to Mississippi.

Almost half (49.2 percent) of aid to families of dependent children went toward unwed parenthood. About 122,000 women helped under such programs were of child-bearing age, the report said. The report contributed the high percentage of unwed childbirths to unintended pregnancy because, the report said, those women are "fertile and sexually active."

Over 20,000 women who received Family of Dependent Children aid had children in 1982. About 40 percent of those women were under age 21, and all 20,000 accounted for \$27.4 million in Medicaid expenditures. Almost 110 citizens in Haskell County received monthly Medicaid payments in 1982, the report said.

WE HAVE Cross pens and pencils and Cross soft tip pens. Available in gold and silver finishes. *Haskell Free Press*
