Tribe Falls 13-12 To State Ranked Hamlin

BY SHANE HADAWAY

The Haskell Indians suffered a heartbreaking 13-12 loss to the Number 6 ranked Hamlin Pied Pipers in both teams second district game.

The loss dropped the Indians to 1-1 in district play. The Pipers are now the only unbeaten team in district with a 2-0 record.

It looked like the game was going to be a run-away for the Pipers when Piper running back Eddie Bolden broke for an 80-yard touchdown run on the first play of the ball game. The PAT was no good.

The Tribe came back and tied the ball game with a 7-yard pass from quarterback Todd Harris to split end Patrick McCoy with two seconds left in the first quarter. The PAT was no good.

The defenses of both teams took over and controlled the second and third quarters with neither team scoring.

It looked like the Indians had pulled off the upset of the year when Carnell Thompson recovered a fumble around the Piper's 25 yard line. Doug Lanier carried the ball over from the 4-yard line with 7:28 left in the final period to put the Tribe up 12-6.

Fate was with the Piper's, though because on the first play from scrimmage, after the kickoff, Bolden again broke loose for an 80-yard touchdown run. The PAT by Monty Grissom, to put the Piper's up by one, was good.

The Piper's defense stopped the Indians twice on 4th down from inside the 10-yard line.

The Indian defense completely shut down the Piper offense except for the two long runs by Bolden. Key defense players were linebackers Sam Toliver and Robert Ivey, McCoy at end and Ricky Rojas at safety.

The Indians opponent this Friday is the Munday Moguls. They'll meet at 7:30 p.m. at Munday. The Moguls are quick, have average size and a fair passing game. The Moguls are 1-1 in district play and 4-3 for the season.

SIX POINTS

Haskell Indian Doug Lanier crosses the Hamlin goal line to give the Tribe a 12-6 lead over the Pied Pipers last Friday night. Hamlin went into the game as heavy favorites and a sixth place state ranking. On their first play following this Tribe TD, the Pipers scored on an 80 yard run and the PAT completed the scoring at 13-12.

Fire Department To Build New Rural Fire Truck

Members of the Haskell Volunteer Fire Department have purchased a used 1979 truck chassis and started plans for the construction of a new rural fire truck.

Present plans call for the members of the department to do all work on the construction of a tank, plumbing a pump and the mounting of the tank and pump on the chassis.

Department members estimate the cost of the finished truck at about \$12,000.00.

Chief Tom Watson said the truck would be used to respond in place of

a truck built in 1958 and that department members had not yet decided what to do with the older truck.

According to Watson, the department currently maintains two rural trucks which respond to both grass and structure fires outside the city limits. The trucks are built and maintained with funds from donations and from Fire Department fund raising projects.

Currently Haskell County pays the department \$2,500.00 per year for fire protection outside the corporate limits of the City of Haskell and the city provides

insurance and fuel for the trucks said Watson.

According to department records almost half of the average of 100 alarms per year are in the rural areas of Haskell County.

Chief Watson added, "That farmers and ranchers around Haskell have always been extremely generous in their support of the department and we appreciate their support."

Booster Club Thanks Fish Fry Helpers

Special thanks were sent out to Alton Middleton, Tom Watson, Jerry Harris, Abe Turner, Raymond Andrada, Frank Jenkins, Joe Cortez, and James Davis for their help with the Booster Club Fish Fry last Thursday night.

Elaine Reed, treasurer, reported that approximately \$400 was cleared on the moneymaking event. This money will be applied on the ice machine recently purchased.

Fifteen seventh grade girls and eleven seventh grade boys were introduced by Coaches Jim Bob Mickler and Jim Raughton. Coach Raughton pointed out that so far the seventh grade football team is undefeated.

In the absence of Coach Blue Holt, Coach Mickler showed the film from the Haskell at Hamlin game. He said we played a good team and we should be proud of our boys. The Indians "never quit fighting."

Coach Mickler said we won't be looking back but will now be looking forward to the Munday game this Friday night. They have good athletes at Munday, though they are young. They are very fast, as we have seen at track meets.

On Thursday night Seymour seventh grade will play here at 5 p.m., Munday eighth grade and JV teams will play here at 6 p.m. and 7:30 respectively.

If you don't have the guts to sign your Letter to the Editor, then I don't have time to read it.

More and more often the Free Press receives Letters to the Editor without signatures and during the past several months we have received several with the names of fictitious persons or the names of local or area residents which did not write the letter.

The purpose of Letters to the Editor is to provide a form of public expression to the average citizen and it is the policy of the Free Press to publish all letters possible. Only on the advice of our attorneys are letters changed and in those circumstances the author is always advised of the change.

This column and every editorial of this newspaper begins with the

name of the author. We don't expect our readers to agree with all opinions expressed in this column or in our editorials, but we certainly think you deserve to know where the ideas came from.

The same standards should apply to Letters to the Editor.

If you would like to express an opinion then you should be willing to admit to authorship. Otherwise your opinion is worthless.

Only one thing is worse than refusing to sign a letter and that is to use someone else's name.

We solicit your Letters to the Editor, whether they criticize our editorial comments or address any other topic or issue.

But it is our firm belief that our readers have the right to know your name the same as they know ours.

Haskell Sales Tax Up 4.4%

State Comptroller Bob Bullock Friday sent checks totaling \$38.2 million in local sales tax payments to the 974 cities that levy the one percent city sales tax.

Bullock said this October's payments are 7.2 percent higher than October 1982 but year-to-date totals are still less than what the

cities had received by this time last year.

"We're looking at areas that still have economic problems and other areas that show some economic growth. But taken as a whole, nobody's going any where—up or down—very fast," Bullock said.

Houston's check was the largest

with a payment of \$6.7 million to bring the city's 1983 total to \$109.5 million, down 10 percent from last year. Dallas received \$4.6 million for a total \$67.5 million, up 6 percent over 1982. San Antonio's October check was for \$2.4 million for 1983 payment total of \$33.5 million, up more than 9 percent.

Austin's payment of \$1.6 million pushed its total to \$22.3 million, a 15 percent jump over last year. Fort Worth received \$1.4 million for a \$21 million total, a 5 percent increase.

El Paso was sent \$924 thousand, making a total of \$12.5 million, a drop of 7 percent.

Bullock also sent checks to the state's two Metropolitan Transit Authorities. Houston's MTA check for \$7.7 million pushed its yearly total to \$125.1 million. San Antonio's October payment was \$1.3 million for a total of \$18.5 million.

October checks were for taxes collected on sales made in August and reported to the Comptroller by the end of September.

Haskell Happenings

Community Chorus

Haskell's Community Chorus will present its second concert on Saturday November 17 at 7:30 p.m. at the High School Auditorium.

According to Wanda Dulaney, coordinator, the program will include country songs of this century, with the history of each, and the setting around a large campfire.

Membership in the chorus is open to anyone who likes to sing, whether they can read music or not.

The first rehearsal will be on Thursday October 27 at 7:30 at the Community Room, Haskell National Bank, with rehearsals on the following Thursdays: November 3 and November 10, and a final rehearsal on November 17. It is important that all singers attend as many of the rehearsals as possible.

SPAGHETTI SUPPER

Members of the Progressive Study Club will hold their annual spaghetti supper this Friday from 5 to 7 p.m. in the High School Cafeteria. Tickets are \$4.00 each.

Proceeds will benefit The Haskell Civic Center.

Turkey Shoot

Members of the Haskell Kiwanis Club will hold their Third Annual Turkey Shoot this Sunday at the Aspermont Gun Club beginning at noon.

All area deer and quail hunters are asked to bring their rifles and shotguns and compete for prizes while getting ready for hunting season.

Revival

Revival services at the Paint Creek Baptist Church will be held October 23-26 with Truett Kuentzler serving as Evangelist and W. O. Elmore serving as music evangelist.

Sunday services will be held at 11 a.m. and 6 p.m. and weekday services will be held at 7 p.m. The public is invited.

Dinner Theatre

Tickets for the second annual Haskell Chamber of Commerce Country Dinner Theater have been sold out according to Chamber officials.

The event will be held this Saturday beginning at 7:30 p.m. in the Tom and Lois Richardson barn and will feature a home-cooked meal, sing song and unique one-act play written by Chamber manager Wanda Dulaney.

Ticket sales were limited to 300 due to seating capacity and were sold out early in the week.

ECC Barbecue

Members of the Haskell Experienced Citizens Center have announced plans to hold a fund raising barbecue November 7 from 4:30 to 7:30 p.m.

Tickets are \$4.50 for adults and \$2.25 for children 10 and under. They are available at the center or from members.

Proceeds from the barbecue will be used for additional kitchen facilities.

Shower

Friends of Wilda Pannell will host a shower this Friday from 1:30 to 3 p.m. at the First Baptist Church.

Mrs. Pannell's home was completely destroyed by fire last week while she was working as a dispatcher at the Haskell County Sheriff's office and the fire was not reported.

In addition to the shower, a fund has been started at Haskell National Bank and deposits may be given to any teller.

Rule Chamber Plans Christmas

Members of the Rule Chamber of Commerce met October 11 to discuss plans for their Annual Christmas Program and Children's Parade and also planned a Christmas in November.

The Annual Christmas Children's Parade and drawing will be held December 17 and a special Christmas in November was set for November 19.

The November event will feature an arts, crafts and bake sale citizens, individuals, and groups are invited to display and sell their arts, crafts and baked goods.

Addition information will be announced later or interested persons may contact Chamber President June Biffle at 997-2104.

Kutkowski, Chapman Repeat Vows In Candlelight Ceremony

Glenda Gayle Chapman and John Leonard Kutkowski were united in marriage in the First Baptist Church in Haskell, on Saturday October 15th, at 7:30 p.m. Officiating for the candlelight ceremony was Rev. Mike McKinney.

The bride is the daughter of Mr. and Mrs. Jack Chapman of Haskell and the bridegroom is the son of Lt. Col. (Ret.) Marion J. Kutkowski Sr. of Universal City.

Vows were exchanged before an altar decorated with

spiral and tree candelabra. Tree fern, babies breath and English ivy provided the background for two large silk lilac trees.

Pre wedding music was provided by Mrs. Donnie Rieger at the piano and Mrs. Lonnie Hodgin at the organ. They accompanied a quartet composed of Mrs. Jim Pope, Ms. Kay Graham, Dr. Ed Harris and Brian Burgess who sang "Endless Love", "The Wedding Song", "Twelfth of Never" and "Treasures".

Wedding selections included "The Love She Found in Me" sung by Brian Burgess and "You and I" sung by Mrs. Ronnie Chapman and Brian Burgess.

The bride, entering with her father, who gave her in marriage, wore an original gown by Phyllis for Bianchi of imported English net and French lace in candlelight. The fitted bodice was fashioned with a scoop neckline accented with handmade satin roses and tapered sleeves of lace. The waistline was elongated with a controlled full skirt which was enhanced with appliques of re-embroidered Alencon lace. A border of lace and satin was repeated on the hemline which fell into a chapel train. A lace Coif enhanced with satin roses, lace motifs, seed pearls and paillets held her long English net veil which was outlined with lace and lace appliques.

The bridal bouquet was a cascade of Lavonia roses in white and bridal pink, accented with stephanotis and gypsophylla.

For something borrowed and old she wore the wedding ring belonging to her maternal grandmother, Mrs. Myrtle Cobb. Something blue was her garter, a gift from Frances Lane and Mattie Felker. Something new was her pearl necklace, a gift from the groom. She wore a lucky sixpence in her shoe.

The bride's honor attendant was Robbie Kuykendall of San Antonio. Bridesmaids were Kim Dorroh, Kingsville; Melinda Terry, Austin; Paula Fincher, Spur and sisters-in-law, Ruth Chapman, Norman, Okla. and Linda Chapman, Haskell. They wore identical floor length dresses of wisteria Moire taffeta. The fitted bodice featured a square neckline, lantern sleeves and a wide sash tied in the back. Each carried a white candle surrounded with orchid and pink roses, button palms, miniature carnations and alstermerias.

Melissa Chapman, niece of the bride, was flower girl. She wore a miniature copy of the bridesmaids dresses in wisteria taffeta, and carried a straw basket with rose petals.

Ring bearer was Gregory Kalb of San Antonio. He wore a black tuxedo with white shirt and black tie.

Chuck Kalb of San Antonio was best man. Groomsmen were Gary Walton, San Antonio; Mark Merritt, Austin; David Pullin,

Houston; and brothers of the bride, Terry Chapman, Norman, Okla.; and Keith Chapman of Georgetown. The groom and all attendants wore black tuxedos with white shirts and black bow ties.

Guests were seated by Leo Casas of San Antonio; brother of the bride, Ronnie Chapman, Haskell; and cousins of the bride, Gary Cobb, Lubbock and Dr. Robert Cobb of Midland.

Mother of the bride wore an original dress of silk faille taffeta in violet. The long dress with a full skirt and camisole top, had a fitted jacket with peplum and stand up collar. She wore a corsage of orchid and pink roses with alstermerias.

The parents of the bride were hosts for a reception at the Haskell Country Club. The bride and groom rode to the reception in a decorated carriage. Their path was lined with hurricane lamps and white streamers.

A three tiered wedding cake decorated with roses centered

the bride's table. The table was draped with an ivory cloth with lace overlay. Brass candelabra decorated with variegated violet roses and mountain lilacs graced either side of the table. Other appointments were brass.

Panels of spindle door provided the background for the round, ivory covered table which held the brass punch bowl.

The groom's table also with a matching cloth held a chocolate cake decorated with chocolate grapes. Wassel was served from a brass tea kettle.

The food table was covered with a violet and lilac cloth and centered with an arrangement of fruits.

Mrs. Tina Holland, aunt of the bride, Moab, Utah

registered guests. Other house party members were aunts, Mrs. Toxie Cobb, Bloomfield, N.M. and Mrs. Virgil Cobb, Haskell. Also serving; Mrs. J.R. Perry, Haskell; Mrs. Scott Hurst, Dallas; Cynthia Brown, College Station; Kay Graham, Anson and Janet Branch, Aspermont.

A graduate of Haskell High School, the bride received a B.S. in business management from Texas A&M University and is employed by "Texas Farm and Ranch News" at

San Antonio. The bridegroom is a graduate of MacArthur High School, attended Southwest Texas State University and is employed by Data Point Corp., San Antonio.

Following a trip to the island of Aruba, the couple will live in San Antonio.

The father of the bridegroom hosted the rehearsal dinner at Bobby Howard's barn. He prepared the food and served a buffet dinner for all the wedding party and out of town friends and relatives.

Rule Young Homemakers Begin Fund Raising Events

The Rule Chapter of Young Homemakers of Texas held their October monthly meeting on Monday the 10th at the home of Debbie Miller. Her home was decorated in a Halloween theme.

The program for the evening was presented by Gayla Nanny and Ruby Turner of the Wigwam in Haskell. Different arts and crafts techniques were described. Everyone had an opportunity to try candlewicking. Door prizes, presented by the Wigwam, were received by Rene Dudensing, Brenda Turner and Cynthia Sorrells.

Refreshments were served by Charlene Murray and Tami Baitz. After refreshments, Karen Lehrmann, president, called the meeting to order. Plans for two fund raisers were discussed: a Tupperware

party beginning October 11 and ending November 7 and Rent-a-Santa in December. A report was also given on the area convention.

On Tuesday evening, the Rule Young Homemakers met again with Katherine Carter of Hamlin to view new Tupperware products and plan their fund raiser. Tupperware parties were scheduled for Sagerton at the home of Lore Sparks on Monday morning at 10 a.m. October 24 and for Old Glory at the school cafeteria on Monday, November 1 after school.

Residents of Rule should contact Young Homemaker members if interested in purchasing Tupperware. Refreshments were served by Cynthia Sorrells and B.J. Scarborough.

Ring bearer was Gregory Kalb of San Antonio. He wore a black tuxedo with white shirt and black tie.

Chuck Kalb of San Antonio was best man. Groomsmen were Gary Walton, San Antonio; Mark Merritt, Austin; David Pullin,

A good Picasso story that I must share with you: A French Grand Dame commissioned Picasso to paint her portrait. When the great day came for the portrait to be unveiled, she showed up at his studio with her 3-year old baby son. Picasso dramatically pulled the cover off the portrait.

Artist of the Month Named By Art Assn.

Nelyn Beakley was named Artist of the Month for October by the Brazos West Art Association. Some of her work will be on display at Commodore Savings thru November 14th.

As second place winners Meryl Andress and Ora Childress's work will be on display at Haskell National Bank. Third place winners, Anita Herren, Ursel Phillips and Lora Mae Mullins will be at West Texas Utilities in Haskell.

As a result of the art around the square sale the club donated \$100.00 to the Haskell Training Center and their garage sale netted \$100.00 for the Civic Center.

The club plans a Paint Out at the Jones Plumbing building from 9-6 on October 22nd. Art work will be for sale by members.

"Violal!" La Grande Dame almost fainted when she saw the gargoyle-like abstract portrait that had three eyes, two mouths and a pointed head. "That is not my portrait!" she screamed. Picasso picked up her baby and brought him in front of the portrait. The 3-year old looked at it for a moment, stretched out his arms to it and yelled "Momma!"

Q. Are watercolors permanent?

A. The facts are that, when painted with the proper materials and mounted and matted with rag board (not common pulp board) when properly framed under glass and given the same normal care that one affords any pictures under indoor lighting conditions, away from direct sun rays, watercolors survive as well as any other works of art. They are not subject to the many defects that may develop in improperly applied oil paintings, such as flaking, peeling, blistering, yellowing and if permanent pigments are used, they will not fade no matter how thin the colors have been washed on.

Q. What is meant by "viscosity"?

A. The thickness of a liquid. "High viscosity": very thick. "Low viscosity": very thin.

Q. Please tell me how to

paint fence posts.

A. First, you need to know how to draw them in perspective. Posts are generally drawn too tall or too short or too thick or too thin. Posts are generally rough and irregular like the trunk of a tree (from which they are made). As they are set into the ground, there is an indentation and will be painted a bit darker. There will be a cast shadow also. Start with a dark natural color, remember the light source, and using the five values of light, add the values needed. Hope this will help you. If you do not know the values of light, then you should take a color theory course.

Double Ring Ceremony Unites Salazar, Dodds

Plus 2 Inserts

Miss Leta Dodds of Brownwood, formerly of Paint Creek, and Tony Salazar of Brownwood were united in marriage at 3:00 p.m. Saturday, September 24, at St. Mary's Catholic Church in Brownwood. Father Francis Vanhee performed the double ring wedding ceremony.

Parents of the couple are Mr. and Mrs. Winifred Dodds of Jonesboro, formerly of Paint Creek, and Mr. and Mrs. Felix F. Salazar of Brownwood. The bride is the granddaughter of Mrs. M.E. Dodds of Burleson, formerly of Early, and Lon Boyd of Cross Plains, formerly of May.

Altar decorations included two heart-shaped candelabras. Gwen Dodds of Stephenville, sister-in-law of the bride, sang "Surround Me With Love," "If," and "Sunrise, Sunset", accompanied at the piano by Rita Goodgion.

The bride, given in marriage by her mother and father, was escorted to the altar on the arm of her father. She was attired in a formal gown of white Chantilly lace. The empire bodice featured a scoop neckline, accented by Pearlized lace motifs. The sheer lace bishop sleeves were enhanced by cuffs decorated with matching lace appliques. The Chantilly lace bouffant skirt fell into an attached chapel train. The front skirt was designed with an organza center panel of sunburst pleats, accented with a wide side sweep skirt of Chantilly lace.

To complete her bridal ensemble, Leta chose a one-tiered cathedral length veil trimmed in Chantilly lace, attached to a miniature Camelot headpiece of matching lace. She selected a cascading bouquet of silk light blue camellias with miniature white carnations, stephanotis and flocked baby's breath. Streamers of white lace and light blue satin ribbon, with trailing stephanotis, completed the design of the bouquet.

Veonna Dodds, of Brownwood, sister of the bride, was maid of honor. Other bridal attendants were Amelia Vasquez, Mary Perez, sister of the groom, Peggy Goodgion, Julie Weaver, all of Brownwood, Mary Guzman of Dallas, and Carla Williams of May.

They wore formal gowns of baby blue with ruffled V-necklines and caplet sleeves. The flared skirts were accented with a rose and bustle in back. Each attendant carried a miniature nosegay of dark blue camellias and blue sweetheart rosed with satin bows and streamers. Each wore a floral comb in her hair.

Train bearers were Leandra Guzman of Dallas and Richard Perez of Bangs. Leigh Ann Reel of Paint Creek was the flower girl. The train bearers and flower girl were dressed identically to the attendants. Leigh Ann carried a wicker basket filled with blue silk rose petals.

The groom was attired in a white tuxedo with a dark blue carnation boutonniere, accented

by stephanotis, fern and baby's breath.

Joe Salazar, of Brownwood, was his brother's best man. Groomsmen were Alez Guzman of Dallas, David Williams of May, Oscar Perez, Jr., John Grantham, Raymond Vasquez, and Willie Herrera, all of Brownwood. Their tuxedos were navy blue.

Ushers were Delbert Dodds, of Stephenville, brother of the bride, and Domingo Salazar, of San Angelo, brother of the groom. They wore navy blue suits with white shirts. Their boutonnieres were light blue carnations, accented with baby's breath.

James Salazar, nephew of the groom, served as ring bearer. He was dressed identical to the other attendants, and carried a heart-shaped pillow of white satin edged in lace and topped with blue camellias and sweetheart roses.

The bride's mother chose a royal blue pleated skirt with a sleeveless V-neckline gown with a long chiffon overlay. Her corsage was of white carnations. The groom's mother wore a formal gown of blue with pleated skirt and a sleeveless V-neckline accented with long chiffon caplet. Her corsage was of white carnations, also.

Tammy Estess, of Brownwood, attended the register. A two candle arrangement, encircled with blue flowers, decorated the table covered with a lace cloth.

The reception, hosted by the bride's parents, and a wedding dinner, hosted by the groom's parents, were held at the Elks Lodge building, after the wedding.

The bride's table, centered with her bouquet and those of

her attendants, was laid with a white textured knit cloth, trimmed in lace. The three tiered wedding cake was decorated with bouquets, similar to the bridal bouquet, between the two lower tiers. The top tiers, decorated with garlands and roses, featured a cupid and a fountain. The cake was topped with a miniature bride and groom. The cake was served by Gwen Dodds while Vivian Bishop of Houston served white grape punch from a crystal bowl.

The groom's table had a round chocolate cake featuring a heart of roses in shades of blue, centered with a miniature bride and groom talking on the telephone. The centerpiece for the table was the couple's unity candle, embossed with their wedding invitation. The unity candle was made and given to the couple by Dorothy Ashmore of Jonesboro. The table was covered with a lace cloth over blue. Brenda Reel of Paint Creek and Kay Miller of Jonesboro served the cake with coffee from a silver service.

Leigh Ann and Jodie Reel of Paint Creek and Gena and Kenny Newsom of Midland passed out birdseed bags during the reception.

The bride, a graduate of Paint Creek High School, completed a secretarial course at Howard Payne University in Brownwood. She is employed at Republic Bank Brownwood. The groom, a Brownwood High School graduate, is employed by General Telephone in Brownwood.

After a wedding trip to Austin and San Antonio, the couple will reside in Brownwood.

Superintendent's Views

BY JAMES LANIER
Superintendent, Haskell ISD

According to the U.S. Department of Health and Human Services, nearly 1.8 million children disappear every year. While the majority are runaways, over 100,000 are never found. More tragically, an average of 2,500 children are buried each year without being identified.

On October 12, 1982, President Reagan signed into law the Missing Children Act which inspired many organizations to initiate fingerprinting programs. Fingerprints remain the same all through life. It is the surest means of identification known to man. It is an efficient tool of identification no matter how much time elapses between the child being reported missing and the possibility of the child being found.

Haskell ISD is planning a fingerprinting program in our continuing efforts to serve the parents and community. The basic purpose of the program will be to protect youngsters. Parents or guardians will receive a letter asking them if they desire the program. The school will not keep a copy of the prints nor will any law enforcement agency. The form upon which the fingerprints are placed will be returned to the family. The school's only role in this project will be to serve as the clearinghouse for this project.

We, as parents, certainly hope and pray we will never have use for the fingerprints for identification. However, we cannot hide our heads in the sand and say it cannot happen with the bleak facts staring us in the face. As a parent, I know I would like to have some method of quick identification if one of my children were missing.

Through the laws mentioned above, the F.B.I. has established a method by which they can take these prints from parents and put them out nationally so that the chances of recovery are much greater.

The school board in their last meeting approved planning such a program for the parents who desire such protection. An important fact to remember is that there will be no encroachment on your right to privacy and you as parents will have the only copy of prints. Parents will be notified after we have finished the planning of this project.

Warriors To Face Munday Tonight

BY JIMMY BURSON
The 7th grade Warriors will face Munday here at 5 p.m. The Warriors defeated the Hamlin Pied Pipers here last

Thursday night 32-12. The Warriors opened the scoring with a 35-yard pass from Chan Guess to Derrick Billington. The PAT by Eric Mullen was good. Three minutes later Chan Guess connected with Derrick Billington again on a 70-yard pass play, and the Warriors were ahead 14 to 12.

The Warriors scored again late in the third quarter on a 1-yard sneak by quarterback Chan Guess.

The Warriors scored early in the fourth quarter on a 10-yard run by Mullen. The Warriors final score came from an interception by Chan Guess who then ran 80 yards for the TD.

The Warriors also had a fine defensive attack led by Paul Harvey, Brad Bevel and Billington.

"I was well pleased with the efforts that all the kids put out," Coach Jim Raughton said. "The offense executed real well and the defense is playing more aggressive, and I am really proud of the team."

Haskell Nursing Center

Our Nursing Home has been undergoing a face lift recently. The building has been remodeled both inside and out. It's been very noisy and busy but now everything is beginning to look so nice.

We would like to welcome Jody Blocker to our staff as Activity Director. She would like to invite everyone to stop in and get acquainted. A special thanks goes out to Chris Collins for all her help in getting things settled.

A birthday party was held for Pauline Williams, Clint Langford, and Lonnie Prince. Refreshments of punch and cookies were served.

The "Sweet Home Singers" were here Tuesday night to bring their special program of music and inspiration.

A fine time was had by all when the "Country Band" entertained Thursday night. Everyone always enjoys this popular group.

Visiting with L.C. and Pauline Williams were Ardith Reynolds, Joy and Bobbye Spaulding and Polly Goughon of Hamlin.

Mr. and Mrs. Curtis Cross from Cibolo were here to see Scotch and Ruby Coggins.

Colene Moody was visited by Mr. and Mrs. Walker of Weinert and Mrs. Bill Lees from Rule.

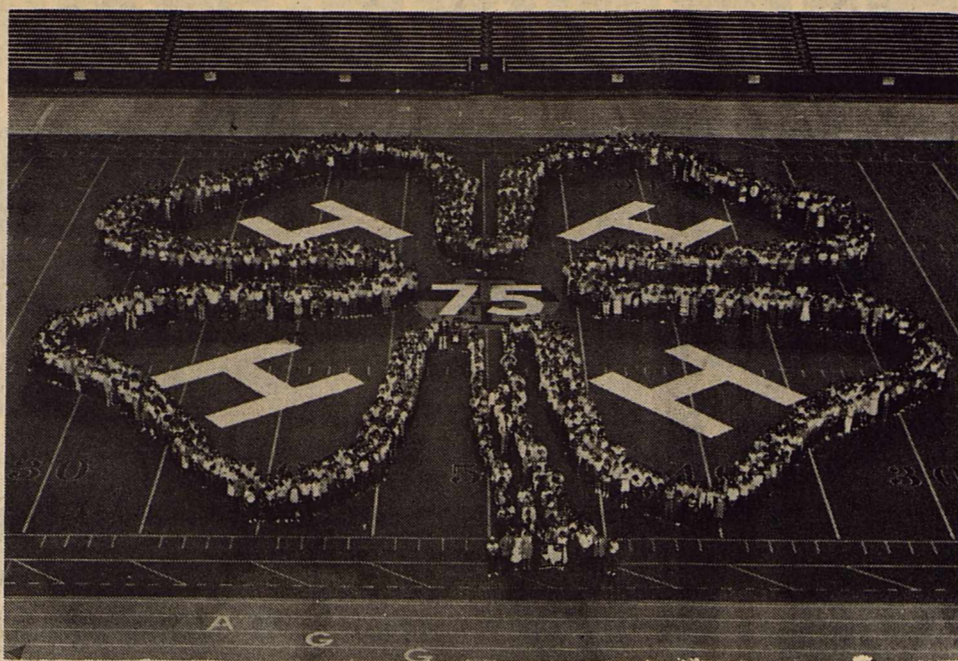

Mr. and Mrs. Thurman Lust and Mrs. Maurine Roberts of Weinert visited with Ray and Willamut Oliphant.

Eula Stephens was visited by Teresa Foster and Alicia Gould.

Mr. and Mrs. Rudy Swenson, Richard and Helen Alls, Wayne, Kelly, Joni, and Miste Sorrells all of Sweetwater, and Peggy and Roland Rose of Abilene visited with L.C. and Pauline Williams.

TEXAS-SIZED 4-H CLOVER

It took about 2,300 Texas 4-H Club members and sponsors to form this giant clover on Kyle Field at Texas A&M University during the 1983 State 4-H Roundup. The unique clover formation was one of the highlights of the 75th anniversary of 4-H Club work in Texas, which was noted during the 4-H Roundup. In the foreground of the clover stem are Dr. Zerle L. Carpenter, director of the Texas Agricultural Extension Service, the parent organization of 4-H, and H.T. "Tom" Davison, state 4-H program leader with the Extension Service. The 75th anniversary observance continues through the remainder of the year.

Letters To The Editor

Abe Turner, Treasurer Haskell Memorial Civic Center Haskell, Texas 79521

Dear Abe,

It is interesting to see my boys and girls, who are now men and women launch a big project, like a civic center building in our city.

My part will be small but I do want to have a part in your project. Find enclosed by check for one thousand dollars (\$1000.00) to add to the Civic Center Building fund.

Best of luck,

Paint Creek Pirates Defeated By Trent

The Pirates hosted an undefeated Trent team in Paint Creek Friday night and lost 70-48. The Pirates held onto the ball almost the entire first quarter and went into the second tied 6-6. The Pirates moved the ball well but a costly fumble prevented a TD in the first quarter and later they failed to score from the four yardline.

Four dropped TD passes in the second quarter allowed Trent to push ahead 6-36. Paint Creek outscored Trent in the second half 42-34 but it wasn't enough as Trent won 70-48.

Keith Medford ran in the Pirates first TD. Mikael Gonzales ran in 2 TD's including a 58 yard run. Gonzales threw 2 TD passes, one to John Reed and another

to Ronald Campbell. Campbell ran a kickoff back 80 yards for a TD and Gonzales intercepted a pass and ran it in to finish the Pirate scoring.

Mikael Gonzales shared the Offensive Pirate of the Week award with Lewis Lacey who did a superb job blocking. Defensive Pirate of the Week went to Ronald Campbell with 12 tackles and Mikael Gonzales who scored on an interception.

JV Defeats Hamlin 12-0

BY ROBERT IVEY
The Haskell JV rolled over Hamlin 12-0 last Thursday.

The first score came on a 5-yard gallop by Kendall Larned late in the second quarter.

At the half, the JV was leading 6-0 with the defense controlling the game.

The final score of the night came on a 30-yard scamper by Felipe Arredondo.

"The JV defense played well by limiting Hamlin's offense to under 50 total yards," Coach Jim Bob Mickler said.

The JV will face Munday here at 7 p.m.

County 4-H Food Show Set October 22

4-H'ers match foods-and-nutrition expertise against each other in the Haskell County 4-H Food Show October 22.

About 50 youth will compete in senior and junior divisions, according to Lou Gilly and Max Stapleton, County Extension agents.

Entries will be on public display beginning at 3:30 p.m. at the Rochester School Cafeteria in Rochester.

Senior-division entrants are ages 14-19, while junior-division youth are ages 9-13.

For the contest, each 4-H entrant will compete in one of

four classes, including main dish, fruit and vegetables, breads and cereals, or nutritious snacks and desserts.

"Because the foods and nutrition program focuses on nutrition, each contestant will have to demonstrate what she or he knows about nutrition, meal planning, food buying and meal service, as well as preparation techniques."

Haskell County 4-H Food Show is sponsored by the Texas Agricultural Extension Service, The Texas A&M University System and The Morrison Milling Company of Denton.

Money Matters

A Series Of Informative "Plain Talk" Thoughts Regarding Your Money Matters

Getting The Most From Your Money

There's a lot of confusion that exists in the area of finance. You've heard of famous people who have made millions who are now broke. You also hear stories of people who start out with nothing and make millions. The answer to the confusion in the area of money can be broken down to one simple fact: *You must earn more money than you spend.* Now, that statement probably isn't news to anyone, but in this day and age it's getting harder and harder to do. There are several new programs which are designed to either save you money on checking or increase your earnings on savings. It's very possible that your current checking and savings programs are not taking advantage of the new rates.

Stop by and see us so we can take a look at your current programs and see if you're getting the most from your money.

We Think Money Matters!

To Benefit the New Haskell Memorial Civic Center

On Halloween Night in Haskell, there's only one place to be.

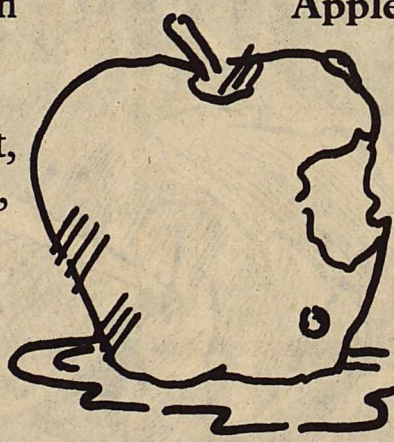

Commodore Savings is committed to the progress of the Haskell area and the prosperity of its people. And we can think of no better way to celebrate in Haskell than to celebrate Halloween night with the biggest and best Halloween celebration our city has ever seen. All proceeds from admissions will go to benefit the new Haskell Memorial Civic Center.

For young and old alike, we'll have everything you expect from a great Halloween Party, and a lot you won't expect, including a real, old-fashioned Spook House filled with thrills that will chill you down to your bones!

Halloween party would be complete without a real live Fortune Teller to reveal to you what the future holds.

Fortune Telling. What do the cards hold for you? No Halloween party would be complete without a real live Fortune Teller to reveal to you what the future holds.

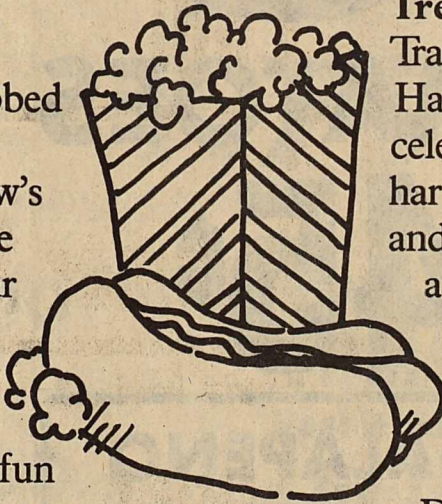

Apple Bobbing.

If you've never bobbed for apples before, now's the chance to get your face wet. Halloween night with

Commodore Savings means fun and prizes for everyone!

Face Painting.

Put on the scariest face in town. Scare your brother! Scare your sister! Then look in a mirror and scare yourself!

Treats to eat.

Traditionally, Halloween celebrates harvest time, and we'll have a harvest of goodies on hand for everyone.

Juicy Hot Dogs, crunchy Popcorn and lots more!

Taste a real witch's brew.

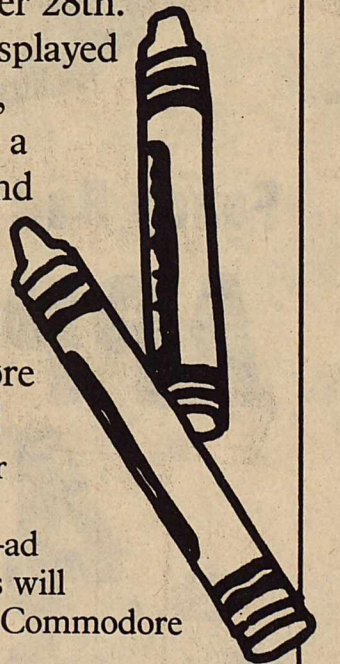

"Bubble, bubble, toil and trouble." Come get a taste of Halloween in our bewitching

Witch's Brew. We're making it special just for you!

Color-the-ad contest.

Hey, kids! Color this ad, then bring it to Commodore Savings by Friday, October 28th. All ads will be displayed through Monday, October 31st. Do a really great job and you might win 1st, 2nd or 3rd prize—a \$25, \$15 or \$10 Commodore Savings Account! (You must be under 12 years of age to enter the Color-the-ad contest. Haskell Garden Club Holds Oct. Meeting

The Haskell Garden Club members answered roll call with "My best bulb to grow" at the meeting October 13 in the Haskell Community Room, as the new president, Mrs. Marsha Whittemore presided. "Fall's Last Fling" was the name of the flower arrangement, Juanita Rhea shared with the members. She praised the members and other Haskell County people who participated in the Flower Show at the Haskell County Fair. She thought it was a good show considering the weather conditions.

In the business meeting, the club voted to send \$10.00 to have Mrs. Marsha Whittemore's name placed in the presidents back at State Headquarters in Fort Worth. Also \$10.00 was sent to The Wild Basin Wilderness to be used to purchase furniture or equipment for Herbarium in the Interpretive Center and

\$10.00 to "World Gardening" for World Hunger Relief to the American Indians through the American Indian Foundation, for the purpose of drilling water wells.

Miss Nettie McCollum, program director, introduced Mrs. Otho Nanny, who talked about bulbs for a big spring show. She said planting in front of hedges, window boxes and outlining drives were good as a regular bed of different kinds of bulbs. Among the earliest of spring flowers that make our gardens and public parks beautiful, are the gorgeous tulips, crocuses and hyacinths, which boldly thrust their leaves above the ground and afterward burst into splendid blossoms before the snows have entirely vanished.

Mrs. LeRoy O'Neal talked about beautiful perennials which do not take much time or space such as chrysanthemums, shasta daisies, crepe myrtle plants, hollyhock, larkspurs, roses, snapdragons, bluebonnets, dill and petunias. Flower beds should be mulched good and use soakers instead of springlers. If anyone would like to have their soil tested, go the County Agent and get bags and instructions. If you want to

propagate some of your plants, you can cover up the limbs close to the ground or mound up dirt around the plant and soon there will be roots to cut.

Mrs. J.O. Blankenship talked about intensive gardening, in growing more things in less space using less water. She suggested to switch to beds instead of rows or sometimes planting in flower beds where there are spaces. She said she challenges the members to grow herbs and other things as vegetables in pot during the winter months. She showed the bulbs and ivy she was growing in water. She showed the beautiful horticulture of several varieties of flowers and Juanita Rhea did too and also gave out some flower seed. Nettie McCollum horticulture

horticulture "Growing, Sharing" were truly carried out as they brought their horticulture to show.

We were sorry to hear of Mrs. Tillie Chapman being real sick.

Six members are planning to attend the District VIII Fall Convention in Menard, November 8, 1983.

Hostesses were Mary Bischofhausen and Callie Robison.

Directors To Attend Texas SWCD Meeting

R.V. Earles, M.W. Phemister, F.A. Ulmer, and Johnny Wheatley, directors from the Haskell Soil and Water Conservation District will be in McAllen, October 24-26, 1983 to attend the Forty-third Annual State Meeting of Texas Soil and Water Conservation District Directors. The meeting will be held in the McAllen Civic Center.

Others attending from the Haskell Soil and Water Conservation District are Kim Crawford, bookkeeper, and Jim Hudson, District Conservationist.

The purpose of the meeting is to review developments affecting Texas conservation programs. An array of top agricultural leaders and legislative and congressional officials will highlight the meeting. Speakers will include State Senators Grant Jones of Abilene, Bill Sarpalius of Canyon, U.S. Congressman

Charles Stenholm of Stamford, Tom Benson, president, Federal Land Bank of Texas, Austin and Billy Griffin, state conservationist, Soil Conservation Service, Temple.

Approximately 1,000 SWCD directors including other conservation leaders are expected to attend the meeting.

Speaking during the Tuesday morning general session will be Senator Jones, Congressman Stenholm and Federal Land Bank president, Benson.

Senator Jones is currently Chairman of the Senate Finance Committee and is a member of the Education Development Committee. He is also a member of the State Audit Committee and Legislative Budget Board.

Senator Jones represents Texas as a member of the Natural Resources and Environmental Quality Committee of the Southern Legislative

Conference. Congressman Stenholm, whose career includes that of a former vocational agricultural teacher, executive vice president of the Rolling Plains Cotton Growers Association, general manager of the Stamford Electric Cooperative and president of Double S Farms, Inc. is vitally active in Congressional agricultural activities.

He serves on the U.S. House of Representatives Agriculture Committee and Subcommittees on Cotton, Rice, and Sugar; Livestock, Dairy and Poultry; Tobacco and Peanuts; and Conservation, Credit and Rural Development.

"Future Changes in Agricultural Financing" will be the topic of Benson's address. Benson, who was named president of the Federal Land Bank of Texas in 1979, previously served as a regional manager, Secretary and

Vice President and Senior Vice President of the Land Bank System. The purpose of the Federal Land Bank of Texas is to make long-term real estate loans on farm and ranch land and rural residences throughout the state.

Speaking at the banquet on Tuesday evening will be State Senator Sarpalius. Senator Sarpalius, who represents the 31st Senatorial District covering the upper 26 counties of the panhandle, serves on the Senate Education, Natural Resources and State Affairs Committees. He is also chairman of the Subcommittee on Agriculture.

During the Wednesday general session SCS State Conservationist Griffin will speak on the working relationship between conservation districts, SCS and other agencies and groups. His talk will also center on the major resource problems in the different land resource areas

of Texas and what conservation district directors are doing about those problems.

Joe Montgomery of Abilene, president, Association of Texas Soil and Water Conservation Districts will also address the group.

Four concurrent workshops featuring discussions on conservation tillage, soil and water salinity, conservation education and one especially for district employees will be conducted on Tuesday afternoon.

Regular elections for Association of Texas Soil and Water Conservation District Directors for State Areas One, Three and Five will be held on Tuesday afternoon in the area sessions. A president and vice president of the State Association will be elected at the Association's business session on Wednesday.

ASSISTANT MANAGER GRADUATES

Assistant manager Lewis F. Snelling (left) receives his diploma from Gary Whittington, instructor for Allsup's Assistant Managers' Training Course. The training is a requirement for all assistant managers and stresses store cleanliness and maintenance procedures as well as customer relations and company policies. According to Whittington, "Allsup's company philosophy is to provide better service and quality for our customers. This training is designed to help our employees meet those commitments." Snelling will return to #153, Allsup's store at 1000 North Avenue E in Haskell to assume the duties of assistant manager.

Public Notice

Southwestern Bell, in accordance with rules and orders of the Public Utility Commission of Texas, hereby gives notice of its intent to re-file evidence and appropriate tariff(s) in support of a request to establish rates for the use of certain complex inside telephone wiring in the amount of \$54.5 million annually. This request was previously a part of the considerations in Docket 5141 and now has been re-docketed as Docket 5420.

Customers who do not own the Complex Inside Wire associated with their Customer Premises Systems (such as PBX and Key Systems), and who utilize Southwestern Bell's wiring after January 1, 1984, could be affected by this request. On January 1, 1984, all of the Customer Premises Systems presently provided by Southwestern Bell Telephone Company will be transferred to a subsidiary of AT&T and that subsidiary of AT&T will be almost exclusively responsible for the charges pursuant to the proposed tariff on January 1, 1984. After January 1, 1984, customers who purchase their Complex Customer Premises Equipment and do not purchase, but continue to use, Southwestern Bell Telephone Company's inside wire will be subject to the charges proposed in the tariff.

The proposed effective date for these new rates is January 1, 1984.

Persons interested in intervening in this matter should file a written motion expeditiously with the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Austin, Texas 78757, as the Hearing on the Merits in Docket 5420 is set for November 21, 1983.

CHRISTIAN NOTES

In the gospel of John, Chapter 13, verse 1, the scripture records that Jesus "loved his own" and more especially that he "loved them unto the end." These are wonderful words, words which every person who has trusted in Christ Jesus, needs to fully understand. Their scope and meaning are more far reaching than first meets the eye.

In my study this week, these words came under my examination. What I found is worth sharing with people I care for, such as whoever may read this article.

"He loved them unto the end." Here is the care of the good shepherd for the sheep. Unto "the end" of what? Who can define it? First, unto the end of our earthly pilgrimage. We all need the assurance of his love as we pass through this pilgrimage. We will not need it when we see Him face to face but we sure do need it now! "He loved them unto the end." Not only unto the last, but to the farthest extent of their need. This means not just length of days, but through all kinds of days and experiences those days hold. Think of it, He knew Phillip would misunderstand Him, not three of the disciples would sleep while He prayed and agonized, and for that Peter would deny Him, Thomas doubt Him, and all "forsake Him" yet He "loved them unto the end."

So it is, I believe, His love to you and I. He loves us as the objects of His own care and life. That means Christ loves each of us "unto the end" of our miserable failures, "unto the end" of all our wanderings and backslidings, "unto the end" of our unworthiness and "unto the end" of our deep need.

Much of the content of my study and discovery of the wealth that is ours in Christ's love I credit to a study of John's Gospel by Author W. Pink, as well as the following lines.

"His love no end or measure knows,
No change can turn its course;
Eternally the same it flows
From one Eternal Source."
Have any one even told ya, or even told ya lately that God loves ya? If not, let me tell ya that in Christ Jesus God has given to you his great love "unto the end."

Let me tell ya more,
Bro. Mike McKinney
